FFA And 4-H - -

Farwell Jr. Livestock Show Set Tomorrow

The annual Farwell Junior Livestock Show is slated for this Saturday beginning at 1 p.m. Site of the show is the former Gifford-Hill building located north of Western Ave.

Exhibiting animals will be members of Farwell Future Farmers of America and Farwell 4-H Club. The animals will be weighed-in today (Friday) and tomorrow morning before the show gets underway. They will be entered in three categories: swine, steer, and lamb.

Trophies will be awarded to the grand champion and the reserve champion in each division. A showmanship trophy will also be given in each category.

Worley Mills of Farwell is donating the trophies and the ribbons are sponsored by Security State Bank.

Richard Montgomery, Farwell FFA advisor, will supervise the FFA entrants and Seth Ralston, Parmer County Extension Agent, will be in charge of the 4-H participants.

As in past years, the Farwell Jaycees will sponsor the annual show. Mike Haseloff will again serve as the show superintendent, with Eddie Winegeart as the assistant superintendent.

Judging each category will be Spec Cox of Abernathy, farmer and former vocational agriculture instructor.

Members of the local FFA chapter have been busy preparing for the show. They are responsible for cleaning up the show site and getting every-

thing in order for tomorrow's big event.

The Jaycees, in addition to sponsoring the show, will also be available Saturday to assist with the events.

The FFA and 4-H members who intend to exhibit swine in tomorrow's show, were busy Monday of last week having their animals inspected and tested for the PRV virus.

According to new regulations, no swine may be entered in a show unless the test produces negative results.

Dale Schueler of Rhea, (Continued on Page 2)

Stock Show Trophies

Mike Haseloff, right, and Eddie Winegeart, superintendent and assistant superintendent of the upcoming Farwell Junior Livestock Show, display the trophies which will be awarded at the annual event Saturday. Trophies, which are being provided by Worley Mills of Farwell, will be presented in three categories: swine, steer and lamb. Haseloff and Winegeart are members of Farwell Jaycees, sponsoring organization of the Livestock Show.

Three-Week Trek - -

American Agriculture Movement Demonstrates In Washington

The American Agriculture Movement tractorcade invaded Washington, D.C., this week in hopes of improving the farmers' economic situation.

Numerous vehicles from Parmer, Bailey, Curry, Roosevelt, Quay and other area counties made the 1900 miles in three weeks, usually traveling between 15 and 20 MPH.

Apparently, the trip to the nation's capital was a success as only a few minor breakdowns were reported along the way.

Gerald McCathern of Hereford, the national AAM wagonmaster, was quoted as saying that the government officials he had contacted were "much

more willing to listen to us than they were last year."

This week the farmers were engaged in meetings, rallies and demonstrations, all arranged to attract Congress' attention.

They also met with the House of Representatives' freshman Democratic delegation, arranged for by Rep. Kent Hance and Charles Stenholm of Stamford, also a new congressman.

Hundreds of other farmers and their wives joined those making the tractorcade this week.

The following resume of some of the accomplishments of the AAM have been provided by an AAM spokes-

man from Bovina:

The American Agriculture movement has wholly or in part been responsible for these changes in agriculture:

1. Raised the price of wheat from approximately \$1.90 to \$3.00 per bushel.
2. Brought to the attention of the USDA the fact that

imported meat was being used in the school lunch program; subsequently it has been withdrawn.

3. The change in the target price on wheat from \$2.90 to \$3.40 is a direct result of AAM action.

4. Making the consumer (Continued on Page 2)

Dance Tonight Kicks Off Local Twirp Week

Farwell's junior class is jumping the gun a little on the time-honored spring rite of the younger generation -- that turn-about tradition of requesting the woman to pay -- TWIRP Week.

Instead of waiting for spring, the local class is sponsoring varied activities starting tonight (Friday) to liven up the scene from the cold weather doldrums, and will conclude appropriately enough on Valentine's Day.

A disco dance at Farwell Country Club tonight following the ball games with Spring-lake-Earth kicks off the activities. The dance gets underway at 10 p.m. and will continue until 1 a.m. Admission is \$3 per person and refreshments will be available. Monday night the class is

sponsoring a film, "The Paper Lion," to be shown at the school auditorium starting at 7:30. Admission will be 75 cents for students under 6th grade and \$1.50 for others.

Tuesday night has been left free of any planned entertainment in case of playoff games being necessary prior to the District 3-A basketball tournament.

Wednesday night, Feb. 14, the local edition of TWIRP Week will conclude with a skating party at the local rink from 7:30-9:30 p.m. Admission will be \$1.75 per person.

All you girls are reminded that this is your chance to ask out the guy of your choice, and an opportunity to spend your allowance for transportation, eats and entertainment.

98 And Still Rockin'

W.W. Vinyard of Farwell and resident at the Convalescent Center may have turned 98 years of age last month, but he can still rock right along with anyone. In fact, this active gentleman spends little time in such leisurely activity; however, next Wednesday he will join other Center residents in rocking and/or rolling for donations to the American Heart Association. February 14 is the date for the Center's second annual Rock and Roll Jamboree when the residents and other volunteers rock or roll for \$1 per hour donations. All proceeds go to the Heart Association. Giving Mr. Vinyard a friendly assist and lots of encouragement is Floe Copeland, assistant administrator at the Center.

For American Heart Assn. - -

Rock & Roll Jamboree Set Feb. 14 At Center

Farwell Convalescent Center has been the scene of much activity the past few weeks in preparation for its annual Rock and Roll Jamboree. All the hard work, planning and combined efforts of the residents, staff members and Auxiliary volunteers will bear fruit next Wednesday, Feb. 14, as the fun and entertainment will begin at 10 a.m. CST.

The Jamboree, organized to raise money for the American Heart Association, will wind down at 6 p.m.

A Jamboree Queen and King will be selected at the end of the day. Residents who either "rock" or "roll" sometime during the day will be eligible. At the end of the day, onlookers will be asked to clap for the candidate of their choice.

The queen will represent the chapter of which the Center is a member in state competi-

tion. A basket of fresh fruit will be awarded to the resident who rocks or rolls the most hours. Those taking part in the Jamboree will be judged in 30-minute units instead of the individual minutes recorded last year. According to Floe Copeland, administrative assistant, this method will be easier to keep track of.

Entertainment by local talent will be provided throughout the day. Anyone who wishes to perform a talent should contact Mrs. Copeland at the Center.

Besides the Jamboree, other local organizations will stage fund raising activities for the AHA during the week.

Farwell Jaycees will contact local businesses next Wednesday to solicit donations for the heart fund. If necessary, they will also pick up the donations. Door-to-door canvass will

also be conducted by the Auxiliary of the First Baptist Church in Farwell, Farwell Young Homemakers and the Farwell chapter of Future Homemakers of America.

Contributions may also be made to the AHA through displays located at Security State Bank in Farwell and the Texico Branch of the Citizens Bank of Clovis.

Individuals who plan to rock or roll will need sponsors.

Anyone may sponsor an individual for \$1.00 per hour.

In 1978, Texas nursing homes raised \$53,000 for the American Heart Association, and a total of \$638,586 was raised by nursing homes throughout the United States.

Funds collected for the AHA are utilized to finance research projects and to educate the public concerning all aspects of the organization and heart care.

Farwell Trustees - -

School Board Names Election Committee

Farwell School Board at its Monday night meeting named a committee to select prospective candidates to be placed on the ballot for the April 7 election in which three board members will be elected.

The terms of board members Gilbert Kaltwasser, Wilbert Kalbas and Ted Magness are expiring.

Named to the committee were Walter Hughes, chairman; R.J. Garner, Darrell Stephens, Leon Langford, Jerry Monk, Eddie Smith and Bill Martin.

The trustees election was ordered for the first Saturday in April with Albert Smith appointed election judge. Smith will secure needed assistants.

Persons other than those selected by the committee may also have their names placed on the ballot simply by signing an application and loyalty affidavit. These may

be obtained from the superintendent's office. Deadline for filing for a place on the ballot is March 7.

In other business, the Board decided that the bus foreman, bus drivers and school administrators should use their own best judgment concerning running the buses on dirt roads during rainy or snowy weather.

Mr. and Mrs. Joe Smallwood met with the Board concerning questions of discipline.

The Board voted to extend the contracts of Tom Knoy, high school principal; Jerry Dee Owen, junior high principal; Jerry Yows, elementary school principal; and Don Alana, athletic director and head football coach; for the 1979-80 school year.

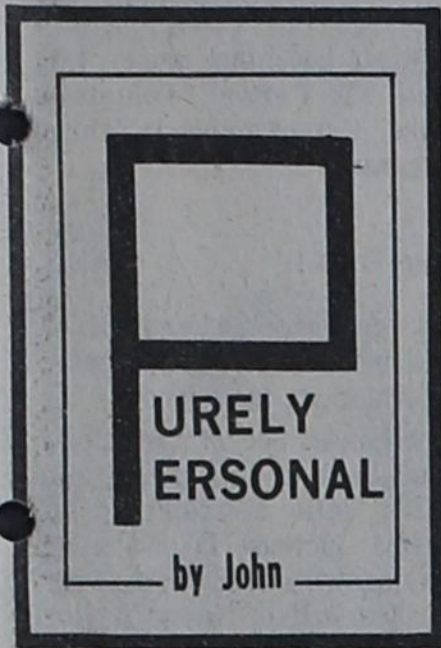

The principals made reports concerning their schools, and teachers present voiced their support for the proposed 1979-80 school year. The principals made reports

concerning their schools, and teachers present voiced their support for the proposed 1979-80 calendar which the Board approved.

The Board voted to requisition one new school bus for the coming school year and to offer two buses for sale March 5.

Board members voted not to involve the school in the school nutrition project which would provide meals for the elderly. This program was sponsored through the governor's office.

Board members present were Gilbert Kaltwasser, Joe Hughes, Ted Magness, Doyle Ford, Billy Mayfield, Wilbert Kalbas and Jim Walker. Also present were W.M. Roberts, Mr. and Mrs. Joe Smallwood, Eddie Smith, Judy Howard, Pat Owen, Lucille Franse, Don Alana, James Craig, Lynn Burton, R.T. Langston, Jack Allan Kirkland, Jerry Owen and Jerry Yows.

Bob Price, our Republican State Senator, is never lax in finding a way to garner some publicity. Apparently the Texas Senate is not far behind.

Several weeks ago Senator Price filed a Senate Concurrent Resolution in praise and well wishing for John Wayne. It began with:

Whereas, John "Duke" Wayne, an actor who has portrayed scores of heroic characters in his distinguished cinema career, is in his own right a real-life hero to many Americans; and

It finishes with: RESOLVED, that the Texas Legislature extend to John Wayne sincere wishes for a speedy recuperation and an early return to film work; and, be it further

RESOLVED, that official copies of this resolution be prepared for Mr. Wayne as a token of high esteem and of the Texas Legislature's deep concern for his future health and well-being.

John Wayne brings all folks together, even the Texas Legislators. This is one resolution on which we can wholeheartedly agree with our sterling representatives. We also suspect that Jane Fonda is in no danger of being so memorialized by our red-blooded, he-men law givers in Austin.

.....
A solar eclipse will be visible in these parts this coming February 26. It will be almost total in most of the northwestern part of the country. In the rest it will only be a partial hiding of the sun. Locally it will begin at 10:20 a.m. and the moon will cover about 50 percent of the sun and it will last about two and a half minutes.

The President of the Texas Optometric Association says that the safest way to view this phenomenon is on television or in the newspapers.

There are safe ways of viewing the eclipse such as with a sunscope; however, direct viewing of a solar eclipse through sunglasses, smoked glass or even a double layer of completely over-exposed film is hazardous. In the 1970 eclipse two persons were totally blinded and another 132 suffered permanent eye damage using some type of protective device.

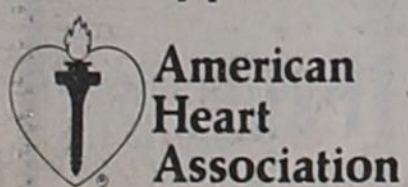

You will not see another eclipse until after the turn of the century, but why take a chance on not seeing anything - ever?

.....
Chinese Vice Premier Teng Hsiao-ping wound up his tour of the United States this week. Teng spoke a number of times and harped on one topic, namely Russian expansion on a world-wide basis.

About all that was reported in the press were his few remarks about trade and cultural relations. We suspect that Teng's main purpose for the trip was to alert the press of this country to the Red menace creeping across the face of the strategic areas of the world. He failed. Not because he did not repeat this warning often enough, but because the news media of the United States lives in a dream world concerning the aims and ambitions of Red Russia. Teng is not reversing China's long standing policy of isolation from the United States because he is a good friend.

Far from it - he is just another Communist scared to death of his former partners in politics. He has read the tea leaves of Latvia, Estonia, Finland, Rumania, Bulgaria, Czechoslovakia and decided his country was next. Too bad we do not have a seer or two in Washington.

Livestock Show . . . (Continued from Page 1)

DVM, administered the tests last week at Farwell High School. In spite of the bitter cold and damp weather, prospective swine exhibitors turned out "in force" to have their animals tested.
 The Parmer County Livestock Show and Sale is scheduled for Thursday through Saturday, Feb. 15-17, in Friona.
 National FFA week will be observed February 18-24.
 The following FFA and 4-H members will enter animals in the show:
 Swine: David Kube, Roger Johnson, Charles Johnson, Grover Halsell, William Martin, Yolanda Martin, Lisa McClenney, Billy McClenney, Teddy Mesman, Mark Anderson, Donald Lovelady, Charlie Rose, Robert Thurman, Steven Smith, Gary White, Van Lillard, Johanna Mesman, Richard Winegeart;

Also, Mark Owen, Kevin Owen, Brent Green, Brent Inman, Suzahn Inman, Eric Williams, Daren Darby, Randy Geris and Dondra Geris.
 Steers: Tommy Mesman, Kenyth Key, Rusty Smallwood and Mac Langford.
 Lambs: Todd Meeks, Johanna Mesman, Kelly Mitchell, Richard May, Kerry Ford and Phillip Hagler.

**MOD - -
 Canvass
 Begins**

Farwell Future Homemakers of America were to begin a door-to-door canvass for the March of Dimes Thursday after school. Contributions were to be solicited for that day only.

Valentine Hearts

With Valentine's Day just a few days away, children at area schools have been busy preparing for the big day. Anxious to receive many Valentines, these first graders at Texico Elementary School made their own heart-shaped holders. Pictured with their special Valentine creations were Byron Martin, son of Mr. and Mrs. Greg Martin, and Melissa Montano, daughter of Mr. and Mrs. Johnny Montano. They are students in Alice Richmond's class.

**Virgle Sweat Buried
 Sunday In Oklahoma**

Funeral services for Virgle Martin Sweat, 73, were conducted Sunday in the Rush Springs Church of Christ in Rush Springs, Okla. Burial was in Mountain Grove Cemetery in Loco, Okla.
 Mr. Sweat was the uncle of E.C. "Red" Prather of Farwell. He died February 2 in the Muleshoe hospital. He had been a resident of the Farwell

VIRGLE SWEAT

Convalescent Center for some time before entering the hospital.
 Mr. Sweat was born February 27, 1905, in Indian Territory, Okla., and moved to Fort Sumner in 1938 where he resided for six years before moving to Portales. He was a carpenter. Upon his retirement five years ago, he moved to Farwell.
 Survivors include three daughters, Ruthie Jean Shiver of Houston, Evelyn Cowart of Poplarville, Miss., and Jeanie Sweat of Denver, Colo.; one step-daughter, Lois Ann of Mississippi; one step-son, Albert of Roswell; one sister, Mrs. Bonnie Prather of Bowie, Texas; two brothers, Claude Sweat of Marlow, Okla., and Percy Sweat of Clovis.
 Pallbearers were Bob Prather, Leroy Sweat, Martin Sweat, Weldon Sweat, Bill Sweat and James Sweat.
 Steed Todd Funeral Home was in charge of local arrangements.

**Farwell Volunteer Fire
 Department Receives Check**

Farwell Volunteer Fire Department recently received a check for \$75 from Texas Farm Bureau Insurance Companies as an expression of thanks for the Department's work on the property of M.A. Snider, Jr., Farwell.
 The money will be used for the department's fund for rubber boots and helmets.
 Texas Farm Bureau Insurance Companies pay volunteer fire departments this amount when the department works at a fire in rural areas, involving property insured by them.
 The Insurance Company believes volunteer fire depart-

ments have contributed to reduce the amount of loss involved by fire and more important, to prevent fires. It

is their hope this money will help the Farwell Volunteer Fire Department in their program.

THE PLANT FOOD IN SHORTEST SUPPLY DETERMINES WHAT YOUR YIELD WILL BE. Read on....

If you have in your soil only enough manganese, copper, zinc . . . or any of the other elements necessary for plant growth . . . to produce a 100 bushel corn crop, your yield will not be over 100 bushels . . . even though there are enough other plant foods available to produce 150 bushels.
 Among the elements necessary for plant growth, carbon, hydrogen and oxygen come from the air. The others are referred to as plant foods or plant nutrients and must come from the soil. Research indicates that two new ones—chlorine and cobalt—may be necessary.
 The lack of any one plant food can limit your yield, even though your soil may have an abundant supply of the others.

It boils down to this—the plant food in shortest supply determines what your yield will be.
 Be sure your crops get all the plant food needed for vigorous growth and profitable yields. Use Smith-Douglass **PELLEFORM**® fertilizer with **TREL**® TREL, Smith-Douglass' exclusive formula of trace elements, is added to each clean green pellet. It will help you obtain top profits by providing each plant a complete diet. Remember too that PELLEFORM with TREL has optimum water soluble phosphorus for maximum yields.
 Don't get caught with your profits down. Use PELLEFORM with TREL.

TEST YOUR SOIL!

Fertilizer cannot produce maximum returns on soil that is too acid for the crop being grown. In fact, soil acidity can reduce the effects of fertilizer in many instances. Test your soil and apply the full amount of lime that is needed for top profits.

Little League Assn. Elects Officers, Plans Season

Few members of the Texico-Farwell Little League Association turned out Thursday evening of last week for an all-important meeting to elect officers, assign coaches and teams and, in general, set the stage for the coming LL season.

Last year's slate of officers were re-elected by acclamation. Betty Jean Castleberry will again serve as president assisted by Joe Hughes, vice-president and Judy Jones, secretary.

Jim Walker will continue his role as player agent. J.W. Eubank was named safety officer and Bill Autrey was selected as umpire and chief.

Hughes' responsibility includes ordering supplies for the concession stand, but as was done last year, mothers of players will be asked to take turns operating the stand for each game.

As safety officer, Eubank is responsible for checking equipment, inspecting the playing field and deciding when to call games due to inclement weather.

Autrey will be in charge of securing umpires to officiate each game.

The Little League season begins May 1 and the Pee Wees will start playing May 15. Additional loads of gravel will be spread on the playing field at the Texico-Farwell

Lions Club Ball Park, prior to the start of the first games.

Needed equipments includes helmets, bats, balls and a chest protector for the umpire.

Twenty-two LL players will be ineligible due to age this season. Twenty-nine Pee Wee players are now 10 years old and may participate in LL play if they wish, or remain in Pee Wee division for another year.

The eligible age for LL players is 10-12, and, in the past, 8-10 for Pee Wee. However, this year seven-year-olds might be allowed to play Pee Wee ball because of a lack of players in the younger division.

Little League Officers

These persons will head the Texico-Farwell Little League Association for the 1979 season. Elected at a meeting of the Association Thursday night of last week, were, from left, seated: Joe Hughes, vice-president; Betty Jean Castleberry, president; and Judy Jones, secretary. Standing, from left, are Bill Autrey, umpire and chief; J.W. Eubank, safety officer; and Jim Walker, player agent. Little League teams will begin playing May 1 with Pee Wee teams taking to the field May 15.

Masonic Rites Held For Shelby Jersig

Funeral services for Shelby Jersig, 67, were conducted Monday afternoon, Feb. 5, from Steed Memorial Chapel in Clovis with Richard Sutherland, minister of Central Christian Church in Clovis, officiating.

Masonic burial rites were conducted by the Farwell Masonic Lodge No. 977 of Bovina. Burial was in Lawn Haven Memorial Gardens in Clovis, under the direction of Steed-Todd Funeral Home.

Mr. Jersig died February 3 at his home in Clovis. He was born February 16, 1911, in Bovina and graduated from Bovina High School. He attended and graduated from New Mexico Military Institute in Roswell.

In 1942, Mr. Jersig joined

the U.S. Marine Corps and retired after World War II with the rank of Lt. Colonel. He came to Clovis in 1946 and had been in the cattle business for many years.

Mr. Jersig was a member of the Farwell Masonic Lodge No. 977 in Bovina, a member of the Khiva Shrine Temple and the Clovis Shrine Club, a member of the Clovis Marine Corps League, and a member of the Central Christian Church. He attended the Men's Bible class at the State Theatre.

Survivors include his wife, Bobbye, of the home; two daughters, Mrs. Judy Fillpot and Mrs. Shelby Rogers, both of Clovis; and five grandchildren. He was preceded in death by one son, Joe Shelby II, in 1968.

Pallbearers were Hez Abernathy, Charley Jones, Reagan Looney, Owen Huffaker, Clarence Franse and Roy Walker. Honorary bearers were Johnny Townsend, John England, S.V. Chitwood, C.L. Moody,

G.B. Erdwurm and Elton Green.

Masonic pallbearers were John Getz, Tom Bonds, H.J. Charles, Reagan Looney, Joe Wilson and George Trimble. Leslie McCain conducted the Masonic burial rites.

School Lunch Schedule at Texico

MONDAY - Steak and gravy, creamed potatoes, carrot stick, hot rolls, banana, milk.

TUESDAY - Corn dogs with mustard, lima beans, pineapple and orange gelatin, peanut butter cookie, milk.

WEDNESDAY - Hamburger and potato casserole, tossed salad, hot rolls, half orange, chocolate milk.

THURSDAY - Chicken pot pie, celery stick, hot biscuits, peaches, milk.

FRIDAY - Enchiladas, buttered corn, shredded lettuce, loaf bread, mixed fruit, milk.

Manuel Rivera Buried

Funeral mass for Manuel Rivera, 27, of Farwell was conducted Wednesday morning at Our Lady of Guadalupe Catholic Church in Clovis with Rev. Victorian Bachus, pastor, officiating. Burial followed at Mission Garden of Memories in Clovis.

A rosary service was held Tuesday evening in the Steed-Todd Memorial Chapel.

Mr. Rivera died Monday at his home near Farwell. He was born Dec. 25, 1951 in Canitas, Zacatecas, Mexico. He came to Farwell in 1963. At

the time of his death, Mr. Rivera was employed by Bert Williams, a local farmer.

Survivors include his wife, Rachel, and daughter, Monica, of the home near Farwell; his parents, Mr. and Mrs. Agustin Rivera of Farwell; two brothers, Paul of Farwell and Celerino of Mexico; two sisters, Mrs. Amparo Almanza and Mrs. Hortencia Gutierrez of Farwell.

Pallbearers were Billy V. Gonzales, Lawrence Gonzales, Larry Cardova, Epifanie Ahunza, and Bustave Galvan.

St. John WML Meets For Regular Session

Women's Missionary League of St. John Lutheran Church at Lariat met in regular session Thursday of last week.

Mary Helen Gohlke presented a program on "Jesus and the Women."

Announcement was made that a weekend retreat will be this Friday and Saturday at Camp Ceta Glen Canyon.

Women from the entire Panhandle area will attend. The Bible study will emphasize the Book of John.

A Sunday School Teacher's Appreciation Dinner honoring teachers in St. John church is slated for March 4.

It was reported that clothing has been donated for the underprivileged and has been delivered to Neighborhood House in Lubbock.

The local church Braille Workers will meet February 15 for their regular monthly session. To date the area Braille Workers have printed

over 5000 books which have been shipped all over the world.

Refreshments were served by Madge Peiman and Mildred Haseloff.

Family Visits

Mr. and Mrs. I.W. Quickel, Jr. of Farwell have been enjoying a house full of company since the end of last month.

A daughter and family, Capt. and Mrs. Dale Dickman and Brian of Ft. Dix, N.J., arrived January 28 and will return home this Sunday.

A son and family, Mr. and Mrs. Bill Quickel and Allen of Alta Loma, Calif., arrived Tuesday and will remain with the Quickels until February 15.

"It is always with the best intentions that the worst work is done." Oscar Wilde

Hospital Notes

Schree Thigpen, daughter of Mr. and Mrs. Bill Thigpen of Texico, was dismissed from Clovis High Plains Hospital Saturday after undergoing medical treatment for two days. She is at home now and is reported to be doing fine.

Mrs. Steve Pierson of Oklahoma Lane is undergoing tests and medical treatment at the hospital in Muleshoe this week. Her condition is reported as good.

Jack Allan Kirkland of Farwell was in the West Plains Medical Center in Muleshoe Tuesday through Thursday of last week for medical treatment. He is back at work now and reports he is "feeling better."

Charlie Felts of Farwell underwent tests at St. Mary's Hospital in Lubbock last week. He was admitted to West Plains Medical Center in Muleshoe last Thursday where he is undergoing medical treatment.

Tom Lindop of Farwell was dismissed from the hospital in Clovis Saturday after undergoing medical treatment and tests.

Students On Honor Roll

More than 4,000 students at Texas Tech University qualified for the dean's honor rolls in the six colleges during the fall semester.

Among them were Ronald Hancock, son of Mr. and Mrs. Mac Hancock; Terri McCully, son of Mr. and Mrs. Bill Hagler; and Deana Williams, daughter of Mr. and Mrs. Don Williams, all of Farwell.

To qualify for a dean's honor roll, a student must have a grade point average of 3.0 or more on a 4.0 scale and must have taken as many as 12 semester hours of work.

Visits Here

Mrs. Ann Smith of Albuquerque, formerly of Farwell, was a recent guest in Farwell at the home of her daughter and family, Mr. and Mrs. Gerald Curtis, Toby and Lari. She also visited with other relatives and friends while in the area.

Ready For Jamboree

Residents, staff members, Auxiliary volunteers and others connected with Farwell Convalescent Center are busy with plans for the second annual Rock and Roll Jamboree to be at the Center Wednesday, Feb. 14. The Jamboree, in which those participating will rock and/or roll for donations to the American Heart Association, will be from 10 a.m. to 6 p.m. Among those planning to get in on the day's activities are Madge Peiman, left, Auxiliary volunteer; and Center residents, Mary McDerma, seated, and Addie Jones. Mrs. Peiman sits in an antique rocker owned by Chloe Crawford, another Center resident.

Golden Circle Class

Meets With Nora Day

The Golden Circle Sunday School Class of the First Baptist Church in Texico met Tuesday in the home of Mrs. Nora Day for a business meeting and fellowship.

Evelyn Hadley opened the meeting with a prayer and Bernice Thigpen gave the "Piggy Bank" report of \$31.59.

Mary Dorris gave the devotional. Old and new business was discussed during the business session.

Mrs. Hadley will be in charge of bringing flowers for the class table located at the church.

Members also decided to draw secret pal names again. A salad supper will be held at the church in March.

Ophelia Billington gave the

closing prayer. Refreshments of coffee, sandwiches, cheese crackers, pie, cake and ice cream were enjoyed by Mesdames Hadley, Billington, Minnie Hagler, Thigpen, Ethelene Bell, Dorris and the hostess Mrs. Day.

Marriage Licenses

Parmer County Clerk's office has issued two marriage licenses since the last report. They went to Jerry Deon Martin and Donna Gail Ray; and Nickey Kim Collins and Belinda Colleen Cordle.

Convalescent Center Chit Chat

As Reported by the Center Staff

The big talk these days around the Center is the February 14 Rock and Roll Jamboree. Everyone is encouraged to help the Center raise money for a "Dear Heart." All proceeds will be given to the American Heart Association.

One way to contribute is to sponsor a resident entrant for \$1 for every mile they either "rock" or "roll."

A blood pressure screening booth will also be set up and operated throughout the day.

Several "talents" have signed up for the Jamboree but many others are needed, reports Floe Copeland, assistant administrator. Please contact her if you have an act you would like to perform.

Current talent listings include Texico band, Farwell cheerleaders, Charles Turner and his accordion, Juanita and Ed Hardage, Sharon Eubanks and Nedda Travis, singers; Tina Sides, piano; the elite gymnasts; and Sheree Montgomery, accordion.

Auxiliary members Mary Mesman and Carrie Christian put Jamboree posters up throughout the two communities to advertise the upcoming shindig.

Rocking chairs are needed for the Jamboree. If you have a lightweight, easy to move rocker call Mrs. Christian at 481-3238 and she will pick it up.

Rev. Herman J. Schelter, pastor of St. John's Lutheran Church at Lariat, held services Sunday at the Center.

Floe's Quote: "A man without patience is a lamp without oil." Andres Segovia.

Bingo day has been changed from Thursday afternoons to Monday afternoons.

February birthdays are Edith Wilmes on the 4th; Cora Lunsford, 7th; Christa Gohlke, 8th; Lois Poteet, 14th; and Grace Butts, 24th.

Special thanks to Alvena Cox for helping to gather information for this week's Center Chit Chat.

Mr. and Mrs. Bobby Gable of Muleshoe visited Mrs. Cora Lunsford last week. They went to Clovis and ate lunch with Mrs. Thelma Plaster, Cora's daughter.

Visiting Mrs. Cora Baker last Tuesday were Wanda Walker and Lorene Shaw of Portales. Mrs. Gladys Hobbatsch of Littlefield visited Mrs. Christa Gohlke last Wednesday.

Mrs. Thelma Kittrell visited in the home of Mr. and Mrs. Bill Craft Sunday.

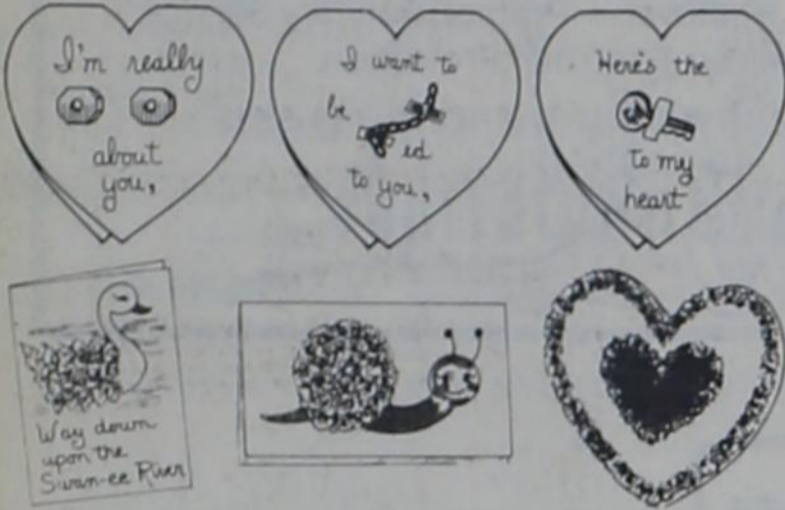

Mrs. Aleane West of Hereford spent Sunday with her mother, Nina Dickinson.

Visiting Mr. and Mrs. Albert Osborne Wednesday of last week were Mr. and Mrs. Lou Sand of Waterloo, Iowa.

Joe Bolin of Santa Fe and Mr. and Mrs. Monte Hamilton of Ft. Sumner visited Dick and Annie Dunn last week.

Scrap-Craft Fun

with Edna

Valentines from Hardware and Lace

Zany Valentines

You can make some funny cards, just by taking odds 'n' ends of hardware and then letting your imagination go!

For the card, fold a piece of colored paper and cut it out in the shape of a heart, leaving the top rounded edges uncut.

Use the pieces of hardware to help get your message across. Put the first part of the message (with the hardware) on the front of the card, and the remaining message on the inside. Here are a few ideas to get you started. Use hardware in place of the capitalized word.

1. "I'm really NUTS about you - Won't you be mine?"
2. "I want to be CHAIN-ed to you - Please be my Valentine!"
3. "Here's the KEY to my heart - Won't you try it?"

Lacy Valentines

If you want pretty valentines, go to the sewing box and get those lace scraps to help convey your very special feelings.

Fold a piece of paper for your card. Draw a shape or figure on the front. If you want, you may cut out around the shape or figure, leaving a part of it uncut to act as a hinge. Spruce up the shape or figure with your lace scraps. Write your message on the inside. Here are a few ideas.

1. On the front of the card it says, "Way down upon the SWAN-ee River -" Inside it continues, "Let's float away on that river together!"

2. This little snail says, "Don't be slow to realize that I want you for my Valentine!"

3. Inside it says, "Can't I ruffle your feelings, Valentine?"

For simple scrap-craft ideas for the pre-school child, send for the book, "Make-It Fun for Little Ones." To get your copy, send \$1.50, along with your name and address, for book number 14 to:

Do you know about the retirement plan... for someone who never retires

You're a housewife. You don't have to be told your work is never done. Even when your husband retires your job isn't finished. So, why shouldn't you be able to draw a retirement income too?

Well, now you can. With First Federal's Individual Retirement Account for housewives. Here's how it works - jointly you can set aside up to 15% of your husband's compensation (\$1750 maximum each year), providing he's

not already covered by a qualified retirement plan.

Say you invest \$875 a year - look how much you'll earn, and yet the principal nor the interest will be taxed until retirement (as early as 58 1/2 if you desire).

For more information, write us or come by our office. After all, it's the least we can do for one of the largest working forces in the nation.

FARWELL

ESA Sorority Slates Saturday Bingo Night

Theta Rho Chapter of Epsilon Sigma Alpha Sorority will host a Bingo night this Saturday beginning at 7:30 p.m. CST at the Farwell Jaycees Community Center.

Tickets for each game will cost 50 cents. Prizes for the regular games will include items such as camera, tablecloth, place mats, games, etc.

The special "grand prize" game will begin at 9 p.m. The grand prize is a water color painting by Robin Gregory, a member of the sorority. Cards for the special game will cost \$2 each, or three for \$5.

Popcorn and soft drinks will be sold throughout the evening.

If any of the regular prizes are still available, additional

games will be played following the "grand prize" game.

Funds from the bingo session will be utilized for the sorority's philanthropic work including St. Jude's Children Hospital in Tennessee, Girls Town, and Texas Girls and Boys State.

Steve Fosters Parents Of Girl

Mr. and Mrs. Steve Foster of Farwell are the parents of a daughter born February 1 at West Plains Hospital in Muleshoe. The new arrival, who has been named Christian Lea, weighed six pounds, 10 ounces, and was 19 1/2 inches long at birth.

She has two sisters, Amy, 4, and Bea, 22 months.

Paternal grandparents are Rev. and Mrs. B.J. Foster of Lubbock and the maternal grandparents are Mr. and Mrs. Jim Martin of Midland.

Paternal great-grandparents are Mr. and Mrs. W.N. Foster of Farwell and Mr. and Mrs. T.L. Kent of Muleshoe.

Display Bingo Prizes

Judy Jones of Farwell, left, and Caren Spearman of Texico are pictured with the many prizes which Theta Rho Chapter of Epsilon Sigma Alpha Sorority will give away during this Saturday's Bingo games. The grand prize is a water color painting by Robin Gregory. The women are all members of the sorority. The Bingo session will be held at the Jaycee Community Center beginning at 7:30 p.m. CST.

400-Calorie Piece Of Pie Translates Into 4 Miles

"Hey, bartender, give me a two-mile martini!"

This sounds like an unusual name for a drink, doesn't it?

Try this one: "Waitress, bring me a four-mile piece of chocolate pie."

If you're totally confused by now, the Texas Department of Health - which sponsored a "Nutrition Throughout the Life Cycle Conference" January 30-February 1 in Austin - has an explanation.

It takes about a mile of brisk walking to burn up 100 calories, and a two-mile martini converts into two miles of fast walking. A 400-calorie piece of pie translates into four miles. Additionally, she says, it takes some 500 calories to relieve your body of one pound of excess fat. That's a five-mile trip afoot.

Mrs. Barbara L. Taylor, Director of Nutrition Services with the Bureau of Personal Health Services of TDH, says people are becoming more conscious of calories.

"They usually become aware of calories in exercise as well as in drinks and desserts.

Many may attempt to balance the calories in food and drink with the equivalent in exercise," she reports.

"However," she cautions, "this is a hazardous plan to follow when lifetime nutrition is involved."

"For people interested in keeping their weight down," says Mrs. Taylor, "we recommend that they watch their calories while getting regular exercise. The choice of a balanced diet is the first step while limiting those high-calorie desserts and drinks."

It may be necessary to cut out those special treats entirely until the weight is more normal. Counting those calories as part of each day's intake is important.

The choice of a balanced diet can be made from four basic food groups, which should be consumed daily. These include the milk group, meat group, vegetables and fruits, and breads and cereals.

Exercise, said Mrs. Taylor, is recognized as another good health practice, but not as a chief source of calorie control. Consider a reduction of 500 calories each day to lose one pound of fat and you have a great deal of exercise each day. Smaller servings of food will produce the wanted results and also lead to a change in lifestyle which will be with you a long time.

"Brisk walking," adds Mrs. Taylor, "is a favorite exercise of people of all ages. While it may not work off as many calories as people might think,

it does keep a person's muscles toned up. It's also fun to see the world go by you at a slower pace than you get by driving a car."

Mrs. Benny (Wilma) Fulgham of Clovis was elected a National Director of the American National CowBelles, Inc. at the recent national convention which was held in Kansas City in conjunction with the National Cattlemen's Association convention.

Mrs. Fulgham is president of the New Mexico CowBelles and has been serving as national chairwoman of Communication of Internal Affairs.

Also representing New Mexico at the joint convention was Mrs. Stan (Judy) Faviell of Tularosa, Beef Education Chairwoman for New Mexico CowBelles, and Mrs. Charlie (Jean) Lee of Alamogordo, secretary of the organization.

New Mexico CowBelles won first place in the Human Interest Story contest with a story written by Pearl Hendrix of Roswell.

Workshops attended by Mrs. Fulgham were: Agriculture Women and Government Policy, taught by the Honorable Catherine Bedell, Commissioner for International Trade Commissioners; Challenge and Choice of Being a Woman Today and Verbal Communications, presented by Kay Cronkite Waldo, specialist in Human Relations Consulting and Training; Women's Part in Industry

program was directed by Dr. Kristen McNutt, Washington, D.C., Executive Officer of National Nutrition Consortium, Inc.; as well as a seminar "Role of Public in Resolving Nutrition issues and Controversies."

Ezra Taft Benson, former U.S. Secretary of Agriculture, was guest speaker for the Prayer Breakfast, a joint affair for CowBelles and Cattlemen.

Three Couples Have Anniversary Dinner

Three Clovis couples enjoyed a buffet dinner Saturday, Jan. 27, in the home of Mr. and Mrs. Auddie Barker of Clovis. The occasion was the observance of each couple's 39th wedding anniversary.

Oleta Crow and Ralph Boone were married Jan. 6, 1940; Cora Mae Jones and T.G. Hudson, Jr. were married Jan. 21, 1940 and the Barkers were married Jan. 27, 1940. The three women - who grew up in the Farwell area - have been life long friends.

Saturday's buffet dinner marked the first time the three couples have jointly observed their wedding anniversaries.

tired, had recently moved to Clovis from Bellflower, Calif.

Also present for the occasion were Mr. and Mrs. Gwin Taylor of Portales. Mrs. Taylor is the former Mary Lou Crume of Farwell. She is a life time friend of the three honored women. Prior to the anniversary dinner, Mrs. Hudson and Mrs. Boone had not seen each other since their marriages in 1940.

An uncovered lemon peel will absorb refrigerator odors and add its own fresh smell.

Steers Lose District Games To Vega, Bovina

Farwell Steers lost two important District 3-A games to Vega and Bovina in basketball action Friday and Tuesday nights. The back-to-back losses left the Blue and White with a 5-4 district record and 12-13 overall.

Friday night the tough Vega Longhorns handed the Steers a 72-41 trouncing at Farwell and on Tuesday night Bovina's

Mustangs outscored the visiting Steers 64-48.

"We did not play well," coach Mike Martin commented following the Vega game. "They (Vega) shot the ball extremely well," he added.

Kayle Watts was the leading scorer with 12. Others adding points were James Castleberry, 8; Mark Owen and D.D. Foster, 5; Randy Geris, 4;

Craig Kaltwasser, Robin Roberts and Rowdy Chandler, 2 each.

Scoring against Bovina were Watts, 18; Chandler, 15; Owen, 6; Castleberry, 4; Roberts, 3; and Geris, 2.

The Steers will take on Springlake-Earth today (Friday) in the final loop contest prior to the District Tournament slated for February

15-17.

The JV boys lost to Bovina, 49-41, Tuesday night. "We got into foul trouble the second half, committing 21 to only four for Bovina," coach Glen Morton said.

JV Steers making points were Richard Carpenter and Boyd White, 12 each; Richard May, 8; Phillip Hagler, 4; and

Byron Mayfield and Roger Castillo, 2 each.

The freshman boys played Springlake-Earth February 1, losing, 55-33. Making points for Farwell were Blake Buchenau, 15; Roger Castillo, 5; Duane Winters and David Daniels, 4 each; Dale Sikes and Brent Green, 2 each; and Darren Darby, 1.

Springlake-Earth Tonight - -

Farwell Steerettes Suffer Two District 3-A Losses

Farwell Steerettes lost two District 3-A matches in a row, bowing to Vega Friday, 57-51, and dropping another game to Bovina Tuesday, 52-40.

"We played as well as we have all season," coach Larry McDorman commented following the Vega game. "We were concentrating more and most of all I suppose that the girls wanted the game more than most of the games we had played. We got beat during the last three minutes on free shots," McDorman said.

"We had to foul because of

their stall. Turnovers hurt us, but we shot 41 percent from the field and 73 percent from the free throw line."

"Paula Christian had a good night shooting 73 percent from the field and 67 percent at the free throw line," McDorman continued. "All the girls played well, but we will have to play as well the rest of the season."

Paula Christian dominated the boards for 23 points followed by Jana Berry, 8; April Coffman and Lisa Hughes, 6 each; Karyn Blain,

5; and Gina Eubank, 3.

"We were a little wild at first," McDorman said of the Bovina game. "We just couldn't settle down. It was a physical game and we did not play well at all. We shot low percentages both at the free throw line and from the field."

Double figure scorers were Coffman, 12; and Christian, 11. Also scoring were Berry, 8; Sharmy Christian, 7; and Hughes, 2.

Farwell's JV girls took

Vega, 35-20, Friday, for their fourth district win.

"The girls played the best first half they have played this year," coach Bill Phillips said. "They hustled very well and played excellent defense."

"Our game today (Friday) against Springlake-Earth should determine the district championship. We have defeated them once this year and will give it our best shot to do it again."

Points were scored by Janene Berry, 14; Ginger Ellison, 7; Karen Magness, 6; Robin

Vinton, 4; Tracy Williams and Kay Geuther, 2 each.

The freshman girls lost a close contest to Springlake-Earth February 1, 26-21.

Making points were Kay Geuther, 6; Lorie Turner, 5; Sharon Kalbas, 4; Dana Hukill, Janie Cantu and Judith Schilling, 2 each.

The Steerettes, along with the JV girls and the Steers will meet Springlake-Earth in the last district game before the district tournament February 15-17.

Farwell Jr. High Teams Play Basketball Finale

The Farwell Junior High cage teams traveled to Springlake-Earth Monday night for their final games of the season, losing three of four encounters.

The 7th girls pulled out the only victory, winning 13-4 over

their counterparts. Springlake-Earth took the next three games, defeating the 8th girls, 29-12; and the 7th and 8th grade Yearlings, 31-30 and 29-17.

A roundup of the junior high basketball season will be published in next week's Tribune.

This I Know - - -
by Leonard Harper
Minster
Farwell Church of Christ

WE KNOW THAT CHRIST DIED for us, and are thankful for this demonstrated love; however, Christ is not dead. He is alive.

I AM HE WHO LIVES - Christ said, "Fear not; I am he who lives, and was dead; and, behold, I am alive forevermore . . ." (Rev. 1:17-18).

CHRIST RAISED FROM THE DEAD - "Now is Christ risen from the dead, and come the first fruits of those who slept (the dead)." (1 Cor. 15:20).

RAISED TO DIE NO MORE - "... Christ being raised from the dead dies no more; death has no more dominion over him." (Rom. 6:9).

CHRIST LIVES FOREVER - To baptized believers, who are faithful members of the Lord's church - (Christ) "is able to save completely all who come to God by him, seeing he lives forever to make intercession for them." (Heb. 7:25).

ASSURANCE OF THE JUDGMENT - (God) "has appointed a day in which he will judge the world in righteousness by that man whom he has ordained; whereof he has given assurance unto all men, in that he has raised him from the dead." (Acts 17:31).

A LIVING HOPE - "Blessed be the God and Father of our Lord Jesus Christ, who according to his abundant mercy has begotten us again unto a living hope by the resurrection of Jesus Christ from the dead." (1 Pet. 1:3).

Varsity Boys - -

Texico Takes Slim Melrose Victory

The "off again, on again" Texico Wolverine boys notched one victory and suffered one defeat in their last two roundball outings.

Though it was a far cry from their recent 102-point victory, the Green and White slipped past Melrose, 66-63, Friday, but fell to a stout

Floyd team Saturday, 64-43. "We were lucky to win this one (Melrose)," Coach Billy Carlyle said. "We played poorly and yet somehow

managed to come back from being 13 down in the third quarter." Double figure scorers were James Hadley with 20; Britt

Crooks, 15; and Keith Hadley, 12. Also scoring were Eloy Ortiz, 6; Neal Haile, 5; Herbert Bibbs, 4; and James Barfield and Jimmy Reid, 2 each.

"We played poorly and they played very well," Carlyle said of the Floyd game. "We needed to win this one as it was a very important game. Now we will have to go the tough road to win district."

J. Hadley turned in an impressive 25-point scoring effort, followed by Ortiz, with 6; K. Hadley, 5; Crooks, 3; and Barfield and Haile, 2 each.

Tonight (Friday) and Saturday the varsity cagers will travel to Elida and Tatum. The boys district tournament is set for March 2-3.

Elida, Tatum Next - -

Wolverine Girls Lose Two Games

Texico Wolverine varsity girls fared poorly in their last game outings, dropping Friday's game to Melrose, 50-42, and losing to Floyd Saturday, 35-31. They now sport a 13-6 overall record.

"This was a tough game to lose (Melrose)," Coach Roy King said. "We had them 37-30 and then lost our poise for a couple of minutes. Tonye Harrington played one of her better games," King continued. "The whole story of the game was in rebounding. We did not get any offensive rebounds the last quarter."

T. Harrington hit the boards for 20 points to take the high scoring honors. Others scoring were Ruth Scott, 9; Lori Harrington, 6; Lisa Coffey, 3; and Schree Rucker and Teresa Turner, 2 each.

T. Harrington also led in rebounds with 14.

"Floyd has beaten us four times this year and yet we still keep playing better and better," King said. "We hated to lose this game, but it doesn't really count until we get in the district tournament. By then the girls think they can beat anyone in district."

T. Harrington again took scoring honors with 10 points. Others scoring were Coffey, 9; Rucker and Scott, 4 each; Turner and Tracy Dobbs, 2 each.

Those making rebounds were Coffey, 7, and T. Harrington and Scott, 6 each. The Wolverine girls will take to the road tonight (Friday) and tomorrow to face Elida and Tatum. Girls district tournament is slated for February 23-24.

Texico JV girls slaughtered Melrose, 43-23, Friday.

"These girls are playing better all the time," King said. "After our first game with San Jon I didn't think we could even score, much less win this big. Our record is 3-1. Outstanding performances came from Becky McDonald,

Teresa Golledge and Kelly Dobbs."

Double figure scorers were Kelly Dobbs with 13 and Teresa Golledge with 12. Also adding points were Becky McDonald, 9; Kerri Donahy, 3; Carletta Fitz, Ruth Scott and Tracy Dobbs, 2 each.

The JV girls will play Dora next Friday, Feb. 16, at Wolverine gym.

Two Tournaments Left - -

Texico Jr. High Teams Lose In Portales Tourney

Texico 7th and 8th grade cage teams saw plenty of action in this past weekend's Portales Tournament.

The 7th A team blasted Gattis 7th B Friday, 44-25, but lost back-to-back games to Portales 7th A, 31-28, and Yucca 7th A, 37-34.

The Texico 8th A defeated Tucumcari A, 44-36, Friday, before dropping the next two tournament games to Portales 8th A, 26-23, and Yucca 8th A, 53-46.

The Texico 8th B team played only one game, losing to Portales 8th A, 48-28. This was the local team's only game of the season.

Following the Portales tournament the 7th graders are 8-3 for the year and the 8th graders have an 8-4 record.

In both the 7th and 8th grade brackets Gattis and Portales went on to play in the finals.

"I was really happy to win two games the first day,"

coach Cecil Davis said. "This is probably the first time that a Texico junior high team has ever won a game in that tournament. I actually thought we could win the four games we lost Saturday. Even when we lost it was by a close margin each time," he said.

"We had already beaten them two other times this year, so we were worried about beating them the third time," Davis said following the 7th B game with Gattis. "Jeff Holland played his best game of the year, scoring six points on three long shots."

Commenting on the loss to Portales he said, "I was really pleased that we could play such a close game in Portales. We have as good a team or better as the competition, but we missed a lot of lay-ups and easy shots that we usually make. It wasn't one of our best games. We went into the game thinking we could win

and go to the finals. We are all sad that we lost."

"We led most of the time," Davis said of the 8th A game with Yucca. "But the last two minutes were disastrous for us. Everyone played well. Yucca is a tough team but we can compete with them any day," he said.

Earl Bibbs, Felix Jimenez and Tony Cavallero were the offensive leaders in the Texico 8th A game with Tucumcari," Davis said. "Paul Salguero, Doyle Duncan, and Floyd Williams were the defensive standouts. Bibbs and Cavallero dominated the boards. When we shot and missed they grabbed it and put the ball through anyway. It was by far our best rebounding game," Davis said.

"We didn't have a good offensive game, but the aggressive defense kept us in the game," Davis said in commenting on the 8th A Portales game. "Our defense kept us from getting beat by more than three points. I applaud our defense. We were rather pleased because earlier this year Portales beat us 47-39 on our home court."

"The Yucca and 8th A game was very exciting," Davis said. "We led by five points at the end of the third quarter. The fourth quarter was our downfall as they outscored us 18-6. It is difficult for a Class A team to compete with a AAAA school, but we did and we can continue to play them a good game," Davis said.

Of the Texico 8th B game Davis said, "Craig Horne and Allan Hadley provided most of the offensive punch. Lloyd Williams played good defense and rebounded well. We were

very weak on free throws. It is tough to hustle, go to the foul line and then miss. These boys got to play the entire game instead of sitting on the bench as substitutes for the A team," he said.

Total tournament points scored by Texico 8th players were Felix Jimenez, 40; Earl Bibbs, 28; Paul Salguero and Tony Cavallero, 16 each; Doyle Duncan, 6; Lloyd Williams, 3; and Danny Reid and Lynn Tubbs, 2 each.

Those scoring in the 8th B game were Allan Hadley and Craig Horne, 9 each; Lloyd Williams and Arthur Chavez, 4 each; and Danny Reid, 2.

The Wolverine JV team lost a close encounter to Floyd Friday night, 56-54.

"We were down 13 points to begin the last quarter and we came back to outscore the Floyd JV 20-9. It was a tremendous game with the JV team having a chance to win up until the last seconds. Earlier in the year they beat us 66-36. Everyone gave a great effort and they were happy that they could compete with 10th and 11th graders. Tony Tubbs jumped well and got defensive and offensive rebounds. Jeff Day scored well, six field goals and two free throws. The team effort and total hustle by everyone was really outstanding as we played the tall squad from Floyd. We really wanted to win, but everyone was satisfied that we had improved so much since playing Floyd the first time," Davis said.

The 8th and 9th graders will finish out their season this weekend and next with tournaments at Ft. Sumner and Tatum.

Letters To The Editor

Dear Mr. Editor:

I would like to take a little of your space to give a special thanks to a great organization. I would like to say thank you to the Shriners all over the area.

You might remember that Gary had to have surgery and we went to the Shrine Hospital in Houston.

They have a wonderful bunch of people employed there. The hospital is very nice and Gary received excellent care.

Although the Shriners who helped us to get in were from Amarillo, I have learned since we came home that we know a lot of Shriners from the Clovis area.

Gary is home and doing very well. He enjoys visitors any time.

I can say first hand that the Shriners do all they say they will.

So once again a big thank you to all of you and a big thank you to all the wonderful people who gave love offerings so I could stay with Gary.

Pat Cain and family

January 30, 1979

Editor
The State Line Tribune
Farwell, Texas

Dear Sir:

In the interest of presenting opposing points of view, I would like to tell your readers a few things about the U.S. Health and Nutrition Examination Survey which your correspondent "John" mentioned in his column of January 26, 1979.

This survey is part of a program authorized by Congress under President Eisenhower in 1956. Its purpose is to gather information on the health of the American people. Parmer County is one of 64 locations across the country where this information is currently being collected, and we have a medical/dietary staff of 9 (not 16) persons who will be administering physical exams to randomly selected county residents through March 1st.

The information we collect is important in two respects.

(1) It is valuable to the medical profession. Our survey contributes to medical research on diseases like heart diseases, cancer, high blood pressure, diabetes and arthritis - diseases which kill and disable tens of thousands of

Americans every year.

Over the past ten years the authors of over 40 medical texts have used information from our survey in writing or revising their books. This kind of research, like all scientific research, is only possible by observing real situations and trying to discover their causes. One way of doing this is to observe events which occur together. (For example, by observing that many lung cancer patients are also smokers while few non-smokers have this disease, we can identify smoking as a probable cause of lung cancer.)

Our survey conducts a variety of tests which let doctors see what diseases are associated with certain other medical conditions and environmental factors. This lets doctors understand these diseases better - to know what causes them, how to treat them, and how to prevent them. (As another example, we measure the level of air pollutants in the blood. This has never been done for large numbers of people before and will eventually tell us what diseases, possibly what kinds of cancer, are linked to air pollution.)

(2) It is valuable to health care administrators and planners. In 1976, Americans spent \$139 billion (8.6% of the GNP) on health care. The price of

health care, especially hospital care is rising faster than the cost of most of the other things we buy. These substantial costs make it increasingly important that health care dollars be spent where they can do the most good.

We need to know which diseases are most common and how much disability they cause in order to know what kinds of hospitals need to be built, what kind of training doctors should receive, what types of research need to be done and what kinds of treatment or preventive programs should be inaugurated.

This kind of knowledge does not fall like mana from heaven; it has to be discovered. By examining a scientifically selected sample of the U.S. population our survey is an important means of doing this.

Finally, this survey has nothing whatsoever to do with the proposals for national health insurance put forth by Senator Kennedy or anyone else.

Sincerely yours,
J.L. Anderson

Disco Dance Slated At Muleshoe Feb. 10

There will be a Disco Dance for all area youth on Saturday night, Feb. 10, at the Bailey County Civic Center in Muleshoe from 8 until 12 p.m.

Disco sounds will be provided by Triple A (AAA)

Around The Twin Cities

Texico Chamber of Commerce will meet Monday, Feb. 12, at 6:30 p.m. MST in the community building.

Farwell City Council will meet Monday, Feb. 12, at 5:15 p.m. CST in the City Hall.

Parmer County Commissioners Court will convene Monday, Feb. 12, at 11 a.m. in the county courtroom.

Texico City Council will meet Tuesday, Feb. 13, at 6:30 p.m. MST in the City Hall.

Entertainment of Clovis and admission will be \$3 per couple or \$2 per single.

Refreshments will be available and all area youth are urged to participate in this evening of entertainment.

Because of the numerous requests made to the recently formed Youth Activities Committee for this type of dance, a group of interested parents and other adults have been found to sponsor the activity.

A spokesman for the sponsoring group says, "Come on, kids, we are counting on your participation and enthusiasm to make it a really fun time."

Bible Teachers - -

Church Of Christ To Host Seminar

A Bible Teachers Seminar will be conducted at the

SHERIFF'S REPORT

Mike Pace, 23, of Castro County, formerly of Bento, Ky., was arraigned Monday before Justice of the Peace Ray Mears for allegedly burglarizing Treider Electric in Lazbuddie. Bond was set at \$3000 and Pace was bound over for grand jury action. The burglary occurred Sunday morning.

Parmer County Sheriff Charles Lovelace said his department officers have been investigating an incident of vandalism at Farwell Elementary School. He said it looked as if someone had taken a can opener and scratched the side of a car belonging to Nancy Burch, elementary teacher.

Also under investigation is the apparent suicide of Manuel Rivera, 27, an employee on the Bert Williams farm near Farwell. Lovelace said Rivera's father discovered his son's body Monday morning. Judge Mears ruled that Rivera died of a self-inflicted gunshot wound, according to the sheriff.

Approximately \$50-\$60 in books were taken from St. John Lutheran Church in Lariat, Lovelace reported. The apparent theft was reported by Rev. Herman J. Scheller, pastor, who said he wasn't sure when the missing books might have been taken, but that it probably happened several weeks ago.

Fortenberry Hears Cases

Parmer County Judge Paul Fortenberry has heard two cases since the last report, according to the court records.

Robert Turner, 35, of Bovina was fined \$1 court costs and ordered to make restitution for theft by worthless check.

Vickie Yruegas, 41, of Farwell was fined \$200 plus court costs and sentenced to three days in jail for driving while intoxicated.

Farwell Church of Christ beginning Sunday, Feb. 11, and concluding on Wednesday. Mr. and Mrs. Harrison Stone of Winchester, Va., will conduct the seminar.

Stone will speak twice Sunday, at the 10:45 a.m. and the 6 p.m. services. Seminar sessions will be held nightly from 7:30 to 9:30, Monday through Wednesday.

Stone is the brother of Beulah Williams of Farwell, Judge Stone of Texico and Hal Stone of Clovis. He has preached for 40 years.

The Stones both have teaching degrees and both have taught in the public school system for 20 years. They have conducted similar seminars recently.

Water District Board Elects New Officers

The Board of Directors of the High Plains Underground Water Conservation District No. 1 elected new officers for 1979 at its February 5 meeting. James P. Mitchell of Wolforth was elected president, Malvin A. Jarboe of Floydada was elected vice-president, and Jim Conkwright of Hereford was elected secretary-treasurer. Other members of the Board are Webb Gober of Farwell and Selmer Schoenrock of Levelland.

In other business the Directors canvassed the votes from the January 20th election and declared the returns to be official. The official canvassing was conducted prior to the installation of the newly-elected members.

The Board approved a cooperative agreement between the USDA-SCS and the Water District wherein the District would provide equipment and technical expertise to the SCS for its use in providing a water management program to irrigators approved the purchase of various water measuring devices for use by the Texas Agricultural Experiment Station at Lubbock in its water

conservation research efforts and approved the publication of two reports that were done by the District and the Texas Department of Water Resources.

The accounting firm of Edwin E. Merriman & Company was selected to audit the District's financial records for Fiscal Year 1978.

A district-wide County Committee meeting was approved by the Board to be held in early March at the District office in Lubbock.

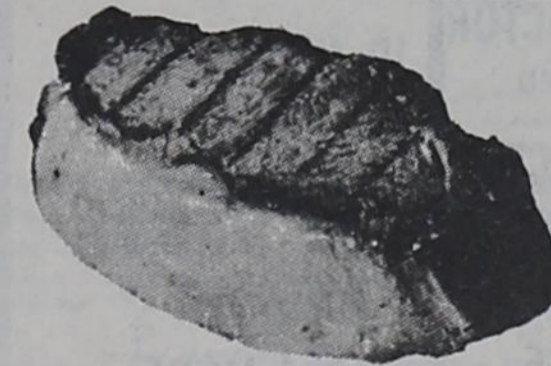

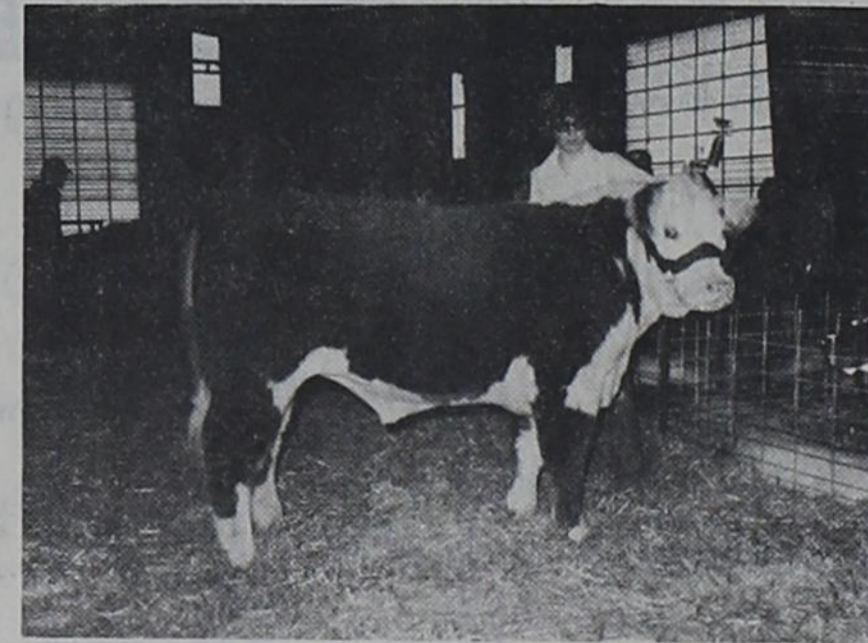

Butch Bates, a District engineer technician, reported to the Board that the observation well measuring program for 1979 was approximately 95% completed and that it would be finished soon, weather permitting. Don McReynolds, District geologist, presented a status report on the work the District is doing under contract to the Texas Department of Water Resources. Kathy Redeker, Depletion Program Coordinator, reported that the District has processed nearly 3100 water depletion requests and that she expects approximately 1500 more before this year's tax deadline.

TWO MINUTES WITH THE BIBLE
BY CORNELIUS R. STAM, PRES. BEREAN BIBLE SOCIETY CHICAGO, ILLINOIS 60635

THE APOSTLE OF GRACE

Did you know that St. Paul was chosen by God as the apostle of grace? He was God's great example of grace, the "chief of sinners" saved by grace (1 Tim. 1:12-16). To him was committed "the dispensation of the grace of God" (Eph. 3:2). He was sent forth to proclaim "the gospel of the grace of God" (Acts 20:24). He wrote far more about grace than any other Bible writer. All his epistles open or close (or both) with the salutation "Grace be to you." He declares: "We have redemption through Christ's blood, the forgiveness of sins according to the riches of His grace" (Eph. 1:7). He shows how this grace was planned for believers in ages past: "Who hath saved us and called us with an holy calling, not according to our works, but according to His own purpose and grace which was given us in Christ Jesus before the world began" (II Tim. 1:9). He shows how this grace will be ours in ages to come: "That in the ages to come He might show the exceeding riches of His grace in His kindness toward us through Christ Jesus" (Eph. 2:7). He shows how this grace is greater than all our sins: "Where sin abounded grace did much more abound" (Rom. 5:20). He shows how grace gives us a righteous standing before God: "Being justified freely by His grace, through the redemption that is in Christ Jesus" (Rom. 3:24). He shows how God's grace has given believers a position in heaven: "(He) hath made us to sit together in heavenly places in Christ Jesus... for by grace are ye saved, through faith..." (Eph. 2:6,8). He shows how God's grace is sufficient for our difficulties and can help us to live consistent Christian lives: "My grace is sufficient for thee" (II Cor. 12:9). "And God is able to make all grace abound toward you, that ye, always having all sufficiency in all things, may abound to every good work" (II Cor. 9:8). Accept salvation "by grace... through faith" as "the gift of God" (Eph. 2:8,9).

On The Farm In Parmer County

By SETH RALSTON
County Agent

Major pruning on shade trees should be done during the winter months while the trees are dormant. However, before you start whacking away at your favorite tree or shrub, make sure you have a justifiable reason for pruning.

There are a number of reasons for pruning. First and foremost is to maintain a strong framework for the future development of the tree. Other reasons are to reduce the size or to keep the tree within specific bounds and to remove dead, diseased or weak growth as well as broken limbs and rubbing branches. Another reason for pruning is to improve the size and quality of flowers and fruit. A final reason is to balance the top growth with the root system at transplanting time.

Unless pruning can be justified for one of these reasons, it is better to place the shears and saw in the shed and obtain the desired exercise by spading the flowerbed.

Some of the general principles that will apply when pruning shade trees include the removal of all dead or diseased wood, broken limbs and weak growth. Also, long, unsightly branches should be shortened or removed as they offer too much resistance to the wind and are frequently subject to storm damage.

Never stub back limbs or branches. Rather, cut back to a main branch or trunk so that there will be no stubs remaining. The so-called stubbing back or topping large branches will result in a proliferation of sucker growth and will leave a wound that is impossible to heal.

Recent research indicates that the use of tree wound paint on wounds is not essential. Woody plants have the ability to wall off the wounded area and will heal over just as effectively without the dressing. However, there is no harm in using a wound

paint. Use a saw or chisel to smooth broken stubs and to remove bark to promote healing.

While the homeowner can handle most pruning operations, it may be best to hire a professional arborist or tree surgeon if trees are large or need extensive work.

If the tree or shrub being pruned is diseased, it is important to dip pruning equipment in a disinfectant after each cut to kill disease organisms so as to prevent their spread to other portions of the tree or even to other trees. A 10 percent household bleach solution makes a satisfactory disinfectant. This can be prepared by mixing one part of bleach to nine parts of water.

Student Of The Week At Texico School

JEFF JOHNSON

Jeff Johnson, seventh grader at Texico Junior High, is this week's "Student of the Week". He participates in seventh grade basketball.

Jeff is the son of Mr. and Mrs. B.L. Johnson. His hobbies are basketball, baseball, and track. He is an active member of the First United Methodist Church in Clovis.

[Selection of "Student of the Week" made by anonymous committee]

Second Largest Wheat Harvest Expected in '79

AUSTIN--The Texas Department of Agriculture has predicted that wheat production for 1979 will total 121.8 million bushels, more than twice the 1978 level and four per cent above the 1977 crop.

"If those predictions hold true, 1979 would be written into the books as the second highest wheat producing year in history," commented Agriculture Commissioner

Reagan V. Brown, "right behind 1975's 131 million bushel crop."

Brown said recent freezing weather conditions across Texas "have pushed wheat into the dormant stage in most areas of the state. Grazing is short since many fields have been covered by snow or a sheet of ice from the High Plains south into Central and South Texas.

The top 8 corn hybrids on the Irrigated Plains are all from Pioneer.

That's a pretty bold claim, we admit. But in farmers' fields, county agent test plots, wherever they're grown, these Pioneer brand corn hybrids consistently out-perform competitive hybrids. Each hybrid has its own particular strong points that make it especially well suited for certain conditions. When thoughtfully selected and managed to meet the conditions, each of these hybrids delivers winning performance that's head and shoulders above the competition.

Don't take our word for it. Ask your Pioneer dealer about yield data in your area and see for yourself. The top 8 performers are all from Pioneer!

3195

High-yielding, full-season powerhouse! 3195 gets off to a good start with high seedling vigor, then makes the most of High Plains conditions.

3183

Contest winning yield potential with excellent disease tolerance makes 3183 an ideal companion for 3184.

3305

A silage grower's dream come true (even if your plans change mid-season)! Tall with good standability.

3780

The corn you can manage almost like sorghum. Total fertilizer, water and insecticide requirements similar to sorghum.

3184

Steady corn maker, popular for excellent yields and consistency.

3311

A new hybrid you can trust like an old friend! It delivers top yields and is an outstanding companion for 3195.

3541

Very early silking, a long kernel fill period, and fast drydown help 3541 produce high yields for its maturity.

3360

Plant this one for your banker! It has the consistency to be the high-yielding workhorse hybrid you can rely on.

Walk-A-Thon Champs

Hubert Ellison, center, Jeremy Jones, left, and Corey Jones, sons of Mr. and Mrs. Donald Jones, all of Farwell, proudly wear the t-shirts they earned while walking or jogging during the Cystic Fibrosis Walk-A-Thon held in November of last year. The fund raising event was sponsored by Theta Rho Chapter of Epsilon Sigma Alpha Sorority. The t-shirts, for those who traveled the most miles, just arrived last week.

Texico Band Students Will Enter Contests

Several Texico Band students will participate in the Southeastern New Mexico District Solo and Ensemble Contest February 17 in Portales, reports Jerry Sadberry, Texico Band Director.

Soloists participating will be Liz Cavallero, Laura Horne,

Craig Horne, Anita Dimas, Alan Baldrige, Robert Meier, Tammy Cash, Valda Cavallero, Kevin Cox, Karen Snodgrass, Jennifer Hill, Cheryl Scott and Elayne Horner.

Entrants in the ensembles division will include David Cain, Danny Reid, Allan Hadley, Doyle Duncan, Valda Cavallero, Tammy Cash, Dana Morris, Liz Cavallero, Anita Dimas, Cheryl Scott, Jennifer Hill, Karen Snodgrass and Elayne Horner.

FIRE CALLS

The ambulance of the Farwell Volunteer Fire Department transported a man to the Muleshoe hospital Sunday. They did not report any fire calls.

Texico Volunteer Fire Department did not report any fire calls. The ambulance was called to an Anderson Street residence but was not needed to transport anyone to the hospital.

Texico Slates Annual Spelling Bee

Texico Elementary and Junior High Schools were to have their annual spelling bee Thursday at 2 p.m. MST in the junior high band room.

First and second place winners were to be selected from both the elementary and junior high divisions.

Winners in each division will be eligible to compete in the Curry County Spelling Bee to be held March 6 at Marshall Junior High Auditorium in Clovis.

On April 28, the county champs will be the guests of the Amarillo Globe-News at a luncheon to be held at the Amarillo Country Club. After the luncheon, the regional contest will be held at Stephen F. Austin Junior High, 24th and Wimberly in Amarillo, at 1 p.m. CST.

All participants in the local contests were to be awarded a certificate. County and regional winners can look forward to

a plaque, prizes and scholarships. The big prize is a trip to Washington, D.C., the week of June 3, and a \$200 scholarship will be awarded to the winner if he or she plans to attend West Texas State University following high school. If not, the scholarship will be awarded to the runner-up who plans to attend WTSU.

Judges in the local contest were to be Mrs. Manford Turnbough and Allan Baldrige. Pronouncers were to be Mrs. Brock and Mrs. Anna Southard. Mrs. Ribble Holloman was to give the definitions.

Following the contest, George Herrington, elementary principal, was to present the awards. He was also to give the welcoming address. Dale Schwartz was to be the recorder.

Teresa Martinez and Vicki Ortiz were to be in charge of the programs. Kenneth Shaw,

junior high principal, was the coordinator of the spelling bee.

Elementary contestants were:

Third: Lisa Quintana, Jeffrey Horner, Martin Singletery and Robin Pierce.

Fourth: Lori Harrison, Brette Southard, Tammy Sandoval and Sherri Gibbs.

Fifth: Maria Jimenez, Coy Jo Burk, Mark Meeks and Stanley Cross.

The following students en-

tered the junior high division:

Sixth: Elayne Horner, Cheryl Scott, Gary Jones; and Jennifer Hill, alternate.

Seventh: Ronnie Dunswoth, Valda Cavallero, Jeff Holland; and Ellen Cardin, alternate.

Eighth: Karen Flowers, Jackie Burk, Jeannie Chavez; and Anita Dimes, alternate.
