SIXTY-SEVENTH YEAR

20 CENTS

16 Entrants - -

Little Miss Pageant Competition Saturday

The 18th Annual West Texas Little Miss Pageant will begin tomorrow (Saturday) at 10 a.m. in the Farwell Schools auditorium. The Texico-Farwell Lions Club is sponsoring the event.

Deadline for entering is tonight (Friday) at 7:30 p.m. CST at which time the dress

rehearsal will be held at the auditorium. There is a \$30 entrance fee.

Preliminary competition will be held throughout the day Saturday with the finals slated for 7:30 that evening. There will be a paid admission (for the finals only) of \$2 for adults and \$1 for students and children.

Three divisions will be included in the competition: La Petite, 3-6; Little Miss, 7-12; and Ideal Miss, 13-17.

A separate "Miss Photogenic" contest will also be held in each division. Photographs of individuals in that event will be used as the basis for judging.

Lubbock judges will be utilized for all events, but their names will not be revealed to the public.

Entertainment will be provided throughout the pageant by local talent; the Singing Disciples, and singers David and Tracy House of Lubbock. Pam Spears, the 1978 Ideal Miss winner, will also perform a dance routine at the pageant.

Entrants in the La Petite division will model sportswear and a short party dress and will be interviewed.

Contestants in the Little Miss category will also model a short party dress, sportswear, perform a three minute talent act and be interviewed.

In the Ideal Miss division, contestants will model a long formal dress and sportswear, perform on three-minute talent act, and be interviewed.

Talent acts may include singing, dancing, poetry and dramatic reading, playing an instrument etc.

The pageant is being conducted according to the rules put forth by the Universal Pageant System headquartered in Baton Rouge.

The "Our Miss" winners in each division plus the Miss Photogenic winner in each division will advance to state competition in San Angelo the last week in June.

The international pageant winner will receive a \$1000 scholarship plus a wardrobe from a clothing manufacturer in Provo, Utah.

Sixteen young girls had entered the local pageant at press time Wednesday. Entrants in the divisions are listed below along with their parents names and sponsors. (Some contestants do not have sponsors.)

La Petite: April Haseloff, daughter of Mr. and Mrs. James Haseloff, Farwell Fertilizer; Kara Camp, daughter of Mr. and Mrs. Mike Camp, State Line Tribune; Daphne Barrett, daughter of Mr. and Mrs. Randy Barrett, Horn-Clayton Insurance Company; Becky Donaldson, daughter of Mr. and Mrs. Roy Donaldson, Oklahoma Lane Gin; Angie White, daughter of Mr. and Mrs. Robert White, Farwell Insurance Company;

Fred Chandler was appointed to serve as chairman of the food committee for the annual banquet. He will pick his "helpers." Steaks and all the trimmings will be served as in past years.

The Chamber also decided to include Lisa Hughes, the 1978 Border Town Days Queen, and her parents, Mr. and Mrs. Walter Hughes, among the list of guests of honor for the April 20 banquet.

Marshal Resigns

Farwell City Marshal Ronnie Mitchell resigned his office Monday afternoon during a special called meeting of the City Council. Mitchell plans to move to Olton where he will become the police chief.

Farwell city officials said they would discuss hiring a replacement for Mitchell in the near future.

Muleshoe Doctors To Staff Clinic

Physicians from Muleshoe will take turns staffing the Farwell Medical Clinic after Dr. Robert Silva vacates the facility February 15, Pudge Rose told the Farwell Chamber of Commerce during its Tuesday noon meeting at Clara's Restaurant.

This interim arrangement is expected to be in force until a permanent doctor is located. Rose said approximately 50 doctors have been contacted.

He also reported that the "dentist situation is looking good," adding that two dentists are to visit the clinic this month.

Several committees were appointed at the meeting. Lee Hutchins, Pudge Rose and Duane Knowlton were appointed to the nominating committee for board of directors. Rose will serve as chairman.

John Getz, Carrie Anderson and Margaret Aycock were appointed to the man and woman of the year nominating committee. Getz will serve as chairman.

Little League Sets Meeting

Texico-Farwell Little League Association will have a special meeting on Thursday, Feb. 1, at 6 p.m. at Clara's Restaurant.

The meeting is most important since new officers are to be elected and plans for the coming summer's Little League program will be outlined. Coaches need to be chosen and equipment lists need to be made.

Every person in Texico and Farwell who is interested in having a good summer program for our youngsters is urged to attend this meeting.

Farwell Grocery Has New Owner

Cunningham Venture Foods is the new name of the grocery store in Farwell formerly known as Pay 'n Save.

Miller Cunningham of Amarillo is the store's new owner and manager. Change in ownership of the business became effective January 1.

Cunningham has been in the grocery business for many years, having started out as a sacker in a grocery at Perryton while he was in high school. Through the years he has worked in numerous food chains and for the past 10 years has been employed at a

Safeway store in Amarillo. The new owner says that as soon as they can find living quarters here, his wife and children will be moving to Farwell to join him. He and his wife, Vonceil, have two children, a daughter Vonda Kay who is four years old and a 15-month-old son, Matt Andrew.

Cunningham says that the grocery will remain an Affiliated Food Store, handling mostly the same brands as now. The business will be open from 8 a.m. to 8 p.m. Monday through Saturday, and from 9 a.m. to 6 p.m. Sundays.

FHS Queen, King

Farwell High School had its first basketball coronation ceremony Friday afternoon during the special pep rally in the gymnasium. D.D. Foster, senior, and Gina Eubank, junior, were crowned the 1979 Basketball King and Queen during the festivities. The special school event was sponsored by the Student Council.

At Farwell High - -

Gina Eubank, D.D. Foster Crowned Cage Queen, King

For the first time in the history of Farwell High School, a Basketball Queen and King were crowned Friday afternoon during a special pep rally held in the gymnasium. The honorees were D.D. Foster, son of Lewis Foster and Billie Foster, and Gina Eubank, daughter of Mr. and Mrs. J.W. Eubank. Foster is a senior and Gina is a junior.

Rowdy Chandler, son of Mr. and Mrs. Fred Chandler, and Karyn Blain, daughter of Mrs. Billie Blain - the 1978 football queen and king - crowned the basketball royalty.

Gina received a bouquet of red roses and the other queen candidates each received a single long stem red rose. The king candidates each received a gift.

The king and queen were seated on a throne of white wrought iron chairs backed by huge blue hearts which were imprinted with names of all the candidates. Silver crowns were on each basketball goal and the walls were appropriately decorated with hearts, crowns and stars as well as spirit messages. On the north wall of the gym the names of

all the Steers and Steerettes in silver glitter on blue background were placed around large #1 numerals.

Pat Owen announced the candidates who walked on a special runway of blue paper outlined with basketballs, goals and other basketball cutouts. The high school band played appropriate selections as the candidates were introduced.

Special guests were the varsity basketball teams, the managers and statisticians who sat in special chairs arranged in the back of the gymnasium. Other special guests were members of the Clovis Student Council and Clovis varsity cheerleading squad who performed a special cheer. Other guests were Keith Hadley, president of the Texico Student Council, and Pam Southard, secretary of the organization.

The "spirit stick" was awarded to the Steerettes. The twirlers performed a special routine to the band's rendition of "Rock Around the Clock."

Farwell's varsity cheerleaders, assisted by the twirlers, performed a special comedy skit in addition to leading yells and cheers throughout the pep rally.

Other queen candidates were Jana Berry, junior, daughter of Jim Berry and Patsy Berry; Lisa McClenney, senior, daughter of Mr. and Mrs. Billy McClenney; Paula Christian, senior, daughter of C.E. Christian; and Yolanda Martin, senior, daughter of Mr.

Project Nets Over \$1000

"Project Christmas Card" for 1978 netted \$1089.31 for the Farwell Elementary School. Proceeds will be utilized to purchase playground equipment, but the items have not been selected yet.

PURELY PERSONAL

by John

President Jimmy Carter is soon to present his budget to the Congress for its consideration. The President says this is a lean and hungry budget. We will only wallow in thirty billion bucks worth of red ink.

We suspect that when the President uses the term "only" he is being realistic because we are sure Congress will hang expensive goodies on it like a Christmas tree. The ballooning federal debt is taking toll on every person in the country and we are beginning to see some discussion about the continued federal deficit.

A portion of this discussion is centering around "guns" versus "butter." Those who would like to see Uncle Sam stiffen his military muscle want an increase in monies for the armed services. Others want less "military" and more "social" spending in the years ahead.

According to our information we are now spending almost twice as much on social programs as we are spending on national defense. We think that already the ratio is far out of line.

Without a strong national defense we will not have strong social programs in the future. We think this is fairly obvious. Go find a social welfare scheme in Communist Russia. The closest thing the Russians have to welfare is a Siberian Concentration camp. Their idea of food stamps is a ticket to the Gulag Archipelago.

With the Department of Health, Education and Welfare taking a bigger slice of the budget than the Armed Forces it strikes us reasonable to look in that direction for reducible "fat" in the federal budget. Unfortunately, there is more "fat" in congressional heads than even in the budget.

Farmer County is the current recipient of a HEW program that will cost a pretty penny. The Public Health Service is currently conducting a U.S. Health and Nutrition Examination Survey. This utilizes three large semi-trailer vans converted for use as portable laboratories and offices. We also understand that 16 technicians or better will staff the facility while they administer physical examinations to some 500 Farmer County residents. Oh yes, they will pay each person ten bucks to come in for the examination.

According to the brochure it has several good aims. Among these are the more efficient use of health care and better planning of health services.

Of course these objectives may be the forerunners of Ted Kennedy's National Health

All Region Band

These seven Farwell band students have been named to the All-Region Band for the 1978-79 school year. They are, from left, Blaine Buchenau, oboe, first chair; Lisa Howard, alto clarinet, first chair; Gayla Goldsmith, B-flat clarinet, second chair; Rocky Ford, baritone saxophone, second chair; Robin Vinton, cornet, ninth chair; Blake Buchenau, B-flat clarinet, 22nd chair; and Kyle Kelley, baritone saxophone, first alternate.

The All-Region Band will perform this Saturday at Lubbock Monterey High School under the direction of Howard Dunn, a student at Southern Methodist University. For the first time in many years, no one from the Farwell Junior High Band was named to All-Region.

Final Rites Friday For Mamie A. Magness

Funeral services were scheduled for 2 p.m. Friday in Edinburg, Tex., for Mrs. Mamie A. Magness, 89, of that city who died early Wednesday morning following a short illness.

Mrs. Magness was the mother of W.T. Magness and Joe W. Magness, both of Farwell, and had visited here on many occasions.

Besides the local men, Mrs.

Magness is survived by two other sons, S.E. "Mutt" Magness of Waco, formerly of Farwell and Lariat, and D.A. Magness of Edinburg; three daughters, Bessie Clements of Corpus Christi, Essie Green of Clifton, and Esther Dean of Edinburg;

Also, 16 grandchildren, several great and great-great-grandchildren, and one sister.

Fortenberry Hears Cases

Parmer County Judge Paul Fortenberry has handled several cases since the last report.

Several men were fined \$100 each plus court costs and given six months probation for possession of marijuana under two ounces. They are Max Cole, 17, Friona; Georgia Ray Colbert, 18, Littlefield; Everado Mata, 21, Friona; and Pedro Bautista, 19, Friona.

Gilberto Garza, 27, Friona; and Jesus Silva, 32, Friona, were fined \$250 plus court costs and given three days in jail for driving while intoxicated.

Rasauro Chavez, 62, Lubbock, and Berry Goldsmith, 21, Farwell were each fined \$100 plus court costs and given six months probation for driving while intoxicated.

Purely Personal . . .

(Continued from Page 1) monstrosity. We would rate this federal program a cut above the grants to study the mating habits of fiddler crabs or the effects of separating baby monkeys from mama.

Yet, if comes to a choice of social programs versus a better national defense program, we would opt for increasing the budget of our armed forces.

In our mind there is no question about it. We must have a national defense structure second to none. Especially the Russians. They have a perfect record of not honoring any agreement unless it is to their complete advantage to so

do. They also have another proclivity of pointing a gun barrel at your head at the most inopportune times.

We believe that any official that accepts the Russian signature on a "scrap of paper" as a substitute for a strong defense posture has sold his country into eventual Soviet servitude.

As long as we can pay people ten bucks to examine their innards we can afford a strong Army, Navy and Air Force. Any other policy is national suicide.

Did you hear about the two silkworms that were in a race, but they wound up in a tie??

County Men Named To Water District

Webb Gober and James C. (Jim) Conkright have been elected to the Board of Directors of the High Plains Underground Water Conservation District No. 1, according to complete but unofficial returns from the balloting conducted on Saturday, Jan. 20. Also elected were 14 County Committeemen.

Gober, the serving Board President, was elected from Director's Precinct Three, which is composed of Bailey, Castro and Parmer counties, for his fourth term on the Board. He lives just northeast of Farwell and farms 480 acres of irrigated land.

Conkright, from Hereford, will be serving as a Director

for the first time and is representing Director's Precinct Four, which is composed of the Water District areas in Armstrong, Deaf Smith, Potter and Randall counties. He is currently engaged in the production of registered Hereford cattle and in farm production.

Elected as County Committeemen from Parmer County, which is part of Precinct Three, were Floyd Reeve of Friona and Ralph Roming of Bovina.

The two men will serve four-year terms on the committee that represents Parmer County residents at Water District meetings and activities. They will join Troy

Christian of Farwell, Dalton Caffey of Friona and Ronald Elliott of Muleshoe, on the five-member committee that handles approval of water well drilling permits and other related activities in Parmer County.

Other County Committeemen elected in the balloting were as follows: In Precinct Three, Marshall Head and D.J. Cox were elected in Bailey County, George Elder and Floyd Schulte were elected in Castro County.

In Precinct Four, James Bible and James Stockett were elected in Armstrong County; W.L. Davis, Jr., and Bill Cleavinger in Deaf Smith County; Sam Line and Mark Menke in Potter County; and Roger B. Gist, III, and Bill Dugan in Randall County.

Official vote totals will be available after the District Directors canvass the votes at their board meeting on February 5.

Three Area Men Indicted

Several indictments have been returned against three area men. Teofilo Olivarez, 28, and Wendell Davenport, 33, Clovis, were each indicted for cattle theft and hog thefts in connection with several missing head of livestock. Parmer County Judge Fortenberry set bond at \$2000 for each man for each offense.

Scott Neill, 20, of Dumas was indicted for the attempted break-in of the Bi-Wize drug store in Friona. Bond was also set at \$2000.

Judge Fortenberry said Tuesday that the men were

still in custody. Parmer County Sheriff Charles Lovelace also reported that a basketball suit, warm-up suit and \$128 worth of tapes were taken from a car belonging to Leonard Elliott which was parked east of Lazbuddie on Highway 145. Lovelace explained that the car had trouble and was left there overnight.

Kerry Ford of Farwell reported that a radar detector had been taken from his car parked at his home in town. It is valued at \$100.

For American Heart Assn. - -

Farwell Convalescent Center To Stage Jamboree Feb. 14

Farwell Convalescent Center will stage its second annual Rock and Roll Jamboree February 14 from 10 a.m. to 6 p.m. CST. All proceeds will be donated to the American Heart Association. This year's goal is \$650.

As was done last year, a Jamboree King and Queen will be crowned at the end of the day, but the rules governing the selection of the honorees has been changed. Each of the contestants will participate in the "rocking and rolling" at some time during the day.

Later a "clapping contest" will be held to determine who will be the queen and king. That is, after each contestant is named, people will clap their approval and as yet unnamed judges will determine who received the most "clapping votes."

The queen will then go on to represent the chapter in which the Center is included in the state competition.

A basket of fresh fruit will be awarded to the resident who either "rocks or rolls" the most hours. Rocking and rolling time will be judged in 30-minute units, because it's too hard to keep track of individual minutes, Floe Copeland, assistant administrator, said.

Anyone wishing to donate to the American Heart Association may contact the Center, 481-9027, that day and they will pick up the donation if the donors are unable to come to the Center. Members of the local Scout Troops, 4-H Clubs and possibly other organizations will seek door-to-door contributions.

Farwell Jaycees will also be contacting all local businesses that day to solicit donations. They will also pick them up if necessary.

Mrs. Copeland said that if anyone has a contribution which they would like to make now they may come by the

Center and the money will be deposited in the bank.

She said letters to local businesses as well as family members of each resident have been mailed explaining the Rock and Roll Jamboree in detail.

Members of the Auxiliary will be in charge of the event, Mrs. Copeland said. Besides rocking and rolling, individual talent acts will be staged throughout the day.

They include gymnastics performances, music by Ed and Juanita Hardage, slide show presentations, etc. Any-

one interested in joining the parade of talent is asked to contact the Center.

A blood pressure screening will also be held during the day's activities.

Someone will be rocking and rolling continuously throughout the day, say Center spokesmen, adding that several rocking chairs will be employed and the residents in wheelchairs will "roll" in order to raise money for the AHA.

Anyone interested in sponsoring a "rocker" or "roller" is asked to contact the Center.

Church Sets Groundbreaking

The New Light Baptist Church of Farwell has scheduled groundbreaking services for their proposed new building on Monday morning, Jan. 29, at 10 o'clock at the site of the former church building, announces Thomas J. Spikes,

pastor.

Several weeks ago the church building was destroyed by an explosion, but the congregation and others in the community have cleared the site so that the members may start their rebuilding project.

Parmer County - -

Bill Morgan Likes Being Adult Probation Officer

by Shirley Gorman

A late night call might mean a wrong number, trouble or bad news. But to Bill Morgan, Parmer County's Adult Probation Officer, such a call might be from a probationer asking for help and/or advice.

Morgan, whose office is located on the second floor of the county courthouse, maintains an 8:30 a.m. to 5 p.m. schedule five days a week. Sometimes, though, the probationers he supervises will contact him after hours at home.

The former county chief deputy - he resigned the past October 1 - takes his new job very seriously. He is aided in his tasks by Cynthia Bishop who became his secretary in November.

In the past, county sheriffs in Texas served as adult probation officers. Recent action by the Texas Legislature requires that each judicial district have its own probation officers for adult offenders.

The 154th Judicial District incorporates three counties - Parmer, Lamb and Bailey. Bill Coleman of Littlefield is the chief adult probation officer for that judicial district. He is assisted by Morgan in Parmer County and Bud Street in Bailey County. Coleman also serves as the adult probation officer for Lamb County.

This new adult probation program was officially inaugurated October 1 of last year, but the groundwork proceedings began months before that. This initial program is financed by a grant from the state of Texas.

"The grant will expire in two years (approximately the summer of 1980) and after that I'm not sure if the state will continue to fund the program or if the county will have to take over the finances," Morgan said.

He is optimistic that the new program will be a success. "In the past the general public has often felt that being on probation meant being scott free," Morgan explained. "The different sheriff's departments did not have the time nor the manpower to follow up on each probationer. We're trying to remedy that now."

According to the probation officer, he has contacted some adult probationers who had never been contacted before.

"It's quite a surprise to them at first since some had never had a probation official talk to them before," he said. Right now Morgan supervises 69 felony probationers and 32 misdemeanor probationers. Of the 101 total probationers, seven are women (three misdemeanor and four felony) and one is a husband and wife team.

County Judge Paul Fortenberry is also supervising approximately 40 misdemeanor probationers.

"When they finish their terms of probation," Morgan said, "Judge Fortenberry will no longer supervise them. To

avoid a lot of endless paperwork he elected to finish supervising these 40 or so probationers, which had been assigned to him under the old program. However, in the future, any adult probationers will be supervised by me regardless of whether they are sentenced in county or district court," he said.

Morgan speculated that Judge Fortenberry will probably finish with the last of his probationers in approximately three months.

Under the current program, supervision is stricter and each probationer has to pay a monthly fee of \$10, Morgan said. The proceeds are turned over to the 154th judicial district.

Morgan said that the major cause of felony probation is usually burglary and theft. Misdemeanor probationers are usually for driving while intoxicated, he added.

"If someone has never been convicted before and the sentence is not more than 10 years then they usually get probation," Morgan said.

Probation requirements are strict. They must make restitution and pay all court costs. Usually this is set up on a time payment plan, Morgan said.

"Some pay as regular as clockwork, others have to be prodded," he said.

They are supposed to have a job or at least be looking for one, pay their bills and support their dependents. In addition, probationers are not to break any other laws or "goof off" as Morgan phrases it.

They must report regularly to their probation officer and allow him to visit at home, work or elsewhere when necessary. Also they must pay the monthly probationary fee. Probationers have to report to Morgan the first of each

month by either coming to see him in person or mailing in a report. When necessary Morgan visits them in their home.

"Sometimes that personal visit is just what they need to realize that we mean business and that there are certain things they must do or not do if their probation is not to be revoked," he said.

Morgan tells of one probationer who had never been contacted by a probation officer until Morgan assumed the position.

"He was quite surprised, but since then has paid all his court costs, made restitution and will be through with his probation next month," he said.

Sometimes, though, probationers "goof off" and in that event it is sometimes necessary to petition the courts to revoke the probation, he said.

"Goofing off" might entail getting a felony conviction or else repeated misdemeanor convictions such as driving while intoxicated.

"If I think it necessary I will petition either the district or the county courts to revoke probation," Morgan said. "A hearing is then set and the judge makes the final decision."

Sometimes the judge will continue the probation and give the probationer a "stiff talking to," he said.

Morgan is currently initiating one revocation of probation petition and is also working on several others which were already filed when he took over the office.

Probationers filling out monthly reports answer questions concerning their address,

Adult Probation Officer

Bill Morgan of Farwell, adult probation officer for Parmer County, confers with secretary Cynthia Bishop concerning some office paperwork. Morgan has served in this capacity since October of last year. Prior to that date, the sheriff's departments in each Texas county acted in this capacity. Recent action by the Texas Legislature requires each judicial district to have its own probation officers, Parmer County is in the 154th Judicial District.

employment, marital status, recent changes in their life, and additional arrests and charges.

"They swear to tell the truth when they fill out the form, but sometimes they do lie," Morgan said. "We try to spot check some of the information to see if it is accurate or not."

Morgan likes his new job. The hours are better and he has more free time to spend at home with his wife, Betty.

Sometimes the personal rewards are small, but getting two Christmas cards from probationers this past holiday makes it all worthwhile, he says.

Sometimes probationers are also on parole. Morgan explained this hypothetical situation. A felon is convicted, for instance, in Farwell, Hereford and Muleshoe - on separate offenses - and given probation each time. He breaks some

rules in Hereford, as an example, and has his probation revoked. He goes to prison and then is paroled. But Morgan said he is still on probation for other offenses in Farwell and Muleshoe so we pick up where we left off. Thus the man is on parole as well as probation.

"In the past when something like this happened we closed the book on the person, but

FHS Royal Court

D.D. Foster, senior, and Gina Eubank, junior, (center) were crowned the 1979 Farwell Basketball King and Queen Friday afternoon during a pep rally. Other members of the court include, from left, standing: Max Lonsdale, junior; Radney Robertson, senior; Mark Owen, junior; and Robin Roberts, senior; seated: Yolanda Martin, senior; Paula Christian, senior; Jana Berry, junior; and Lisa McClenny, senior.

**Women's Organizations
Host State Legislators**

Representatives of various organizations wanting the ears of the legislators of Eastern New Mexico as well as "well wishers" attended the Legislative Reception held recently in the hospitality room of Southwestern Public Service Co., Clovis.

Present for the occasion were Senator Caleb and Mrs. Chandler, Clovis; Senator and Mrs. Kenneth Schlitz, Tucumcari; Representative and Mrs. Hoyt Pattison, and Representative and Mrs. George Bannister, all of Clovis.

The affair was sponsored by the legislative committee of the Clovis Business and Professional Women's Club for the purpose of allowing constituents to visit with their lawmakers before the legislature convenes January 16.

General chairwoman for the occasion was Ruby Jones of the BPW club.

Assisting sponsors were the Altrusa Club, AAUW, Cattle Capital CowBelles, American Legion Auxiliary, Curry County Farm Bureau Women, Soroptimist Club, and VFW Auxiliary.

Guests were greeted by Mrs. Jones and Tillie Shaw of the BPW Club. Laquita Terry, Mildred Standridge and Becky Phillips of the Soroptimist Club registered guests.

Presiding at the refreshment table were Carolyn Pressley, AAUW, and Fran Eaton, Altrusa Club.

Floating hostesses were Beth Hovey and Judy Myrick, Curry County Farm Bureau Women; Faith Veltrop and

Irene Fritzler, VFW Auxiliary; Oweida Davidson and Marcella Davidson, American Legion Auxiliary; and B.J. Goodwin, Cattle Capital CowBelles.

Remember the Rock and Roll Jamboree slated for February 14 from 10 a.m. to 6 p.m.

Visiting Cora Baker were

Around The House with Laura Jacobs
Assistant Farmer County Extension Agent for Home Economics

Do you get lots of compliments on your sewing? Do people always ask you for your recipes? Maybe you should think about earning rewards for your skills. Two contests are available to women with sewing and cooking talents.

The Natural Fibers Fashion Revue emphasizes the elements of good clothing construction, home sewing and fashion, as well as the use of natural fibers.

Adults and youth from Texas, New Mexico and Oklahoma will compete for hundreds of dollars in prizes and will model the apparel they have created from fabrics which are predominately cotton, wool or mohair.

The fashion revue is one of the major events which will open the 1979 South Plains Farm Show at the Lubbock Civic Center, April 5-7.

Do you have a chicken recipe that is out of this world? Why not enter the National Chicken Cooking contest? This contest has thousands of dollars in prizes and is sponsored by the National Broiler Council.

You may enter as many recipes as you like. The Texas cook-off will be in Austin, sometime in May.

For more information on either of these worthwhile contests, please come by the Extension office in the Courthouse, or call 481-3619.

The ideal meal is one that looks good, tastes even better, and is easy to make. A perfect answer can be... Lemon Broiled Chicken accompanied by Browned Herb Rice.

Your vegetable? Try a combination such as frozen broccoli spears with hollandaise sauce.

And a salad? Mixed greens with delicate cherry tomatoes.

If you're wondering how to make the Herb Rice - here's how:

To make four servings, start with 1 1/2 cups pre-cooked rice and saute it in 2 tablespoons butter or margarine until golden - be sure to stir constantly. Add 1/4 cup finely chopped onion and continue to saute until the onion is tender. Add 1/2 teaspoon salt and 1/8 teaspoon thyme or oregano or rosemary leaves. Gradually stir in 1 1/2 cups water.

Bring quickly to a boil over high heat. Remove from heat, cover and let stand about 5 minutes. You're almost guaranteed praise with this one!

Convalescent Center Chit Chat

As Reported by the Center Staff

Leonard Harper of the Farwell Church of Christ held worship services at the Center Sunday. Everyone enjoyed the special music.

Special thanks to Evelyn Curtis for playing the piano during the usual Wednesday morning devotional. The women of the First Baptist Church in Farwell, under the direction of Gladys Kaltwasser, certainly do a great job in preparing the weekly devotional, Mrs. Flor Copeland, assistant administrator, said. Attendance has picked up and the residents look forward to it each week.

Everyone wishes a speedy recovery to Bertha Kaltwasser and Elizabeth Osborne who are in the Muleshoe hospital and to J.R. "Pop" Walton who is in the Clovis hospital.

Dick Dunn returned from the hospital in Muleshoe last Friday. Everyone was pleased to have him back as he is always so cheerful that he manages to brighten the day of all who come in contact with him.

Floe's Quote? "True friendship is a plant of slow growth." George Washington.

Remember the Rock and Roll Jamboree slated for February 14 from 10 a.m. to 6 p.m.

Visiting Cora Baker were

her son-in-law Wesley Bales and daughter Deanna of Portales. Visiting Thelma Kittrell were Bus and Wanda Kittrell of Muleshoe. Visiting Mr. and Mrs. E.T. Dunn were Mrs. Bob Parson and Mrs. Joe Phillips of Ft. Sumner, N.M., and Brenda Cook and Connie Nadh of Portales.

The January birthday party was held Thursday of last week. The honorees were W.W. Vinyard, Thomas Greathouse, Bobby Hix, Isom Zeffer, Chloe Crawford and Thelma Pattison. The Farwell Young Homemakers made a lovely cake with New Year as the theme. Jerry Canada of Clovis played the guitar and Leroy Kilmer of Muleshoe played the fiddle. As usual, everyone danced, clapped and sang to the happy country beat.

Consumer Food News

COLLEGE STATION -- Poultry, root vegetables and some processed foods are among budget buys at Texas grocery markets this week, according to Gwendolyn Clyatt, a consumer marketing information specialist with the Texas Agriculture Extension Service, The Texas A&M University System.

Current price and quality trends are the following:

POULTRY -- Attractive prices appear on fryer chickens (whole and parts) and chicken frankfurters. Turkeys, 10 pounds and up, are available.

FRESH VEGETABLES -- Best values include carrots, turnips, rutabagas, dry onions, potatoes, cabbage and broccoli. All stocks of sweet potatoes now are kiln dried, making them better "keepers."

FRESH FRUITS -- For economy, fruits "by-the-bag" are usually the best values. Consider apples, oranges and tangelos - along with grapefruit. Check for values on bananas, pears and pineapples.

ALONG GROCERY MARKET AISLES -- Feature items include canned tomatoes and tomato products, canned peaches and fruit cocktail and canned tuna fish. Dry beans are a special feature in some markets.

FROZEN FOODS -- Corn may be a feature.

RED MEAT OUTLOOK -- Cattle and hog prices will stay at current high levels at least through the first half of 1979, according to most predictions. This forecast is based on smaller supplies of red meat, less hog production than expected and continued strong consumer demand for beef and pork.

Marriage Licenses

Parmer County Clerk's office has issued one marriage license since the last report. It went to Ruben Gomez and Angie Guerra.

Single Ring Ceremony Unites Estelle Embry, Brian Eckstein

Betty Estelle Embry and Brian Gilbert Eckstein exchanged marriage vows in a single ring ceremony at 7:30 p.m. Thursday, Dec. 14, in the Farwell Church of Christ with Stephen D. Eckstein, Jr., father of the bridegroom, officiating.

The bride is the daughter of Mr. and Mrs. Floyd Embry of Farwell and the bridegroom is the son of Mr. and Mrs. Stephen Eckstein, Jr., of Portales.

Selections sung by Gary and Patsy Burke, David Joiner, and Gloria Bradshaw, all of Portales, were "Wedding Prayer," "Wedding Song," "New 23rd Psalm," "I Love You With The Love of My Lord," "The Lord Bless You and Keep You," and "O Perfect Love."

Special guests ushered in were David and Sherry White and Lesley and Kathy Curtis, close friends of the bride; Sherry Embry, sister-in-law of the bride; and Nan and Pam Eckstein, sisters of the bride-

groom. Other honored guests were Mr. and Mrs. J.E. Embry and Mr. and Mrs. E.E. Engelking, grandparents of the bride. Unable to attend were Mr. and Mrs. Truman Smith and Mr. and Mrs. Stephen D. Eckstein, Sr., grandparents of the bridegroom.

Arrangements of palm leaves flanked a white archway covered with greenery and centered with white wedding bells tied with blue ribbon.

Given in marriage by her parents and escorted by her brother Eldon, the bride wore a formal wedding gown of white polyester and nylon chiffon with slight train and fitted bodice with front and back tucks and inset midriff. A hemline ruffle and the long sheer sleeves gathered at the wrists were decorated with lace trim. Instead of the traditional veil the bride wore tiny white rosebuds and baby's breath in her hair. She carried a cascade bouquet of

white roses and white carnations interspersed with baby's breath, blue ribbon and streamers.

Ushers were Jim Fox, Steve Bradley and Weldon Embry, brother of the bride.

The bride's mother wore a winter white formal length gown of double knit with long sleeves of lace. The bridegroom's mother wore a formal length gown of blue and white knit with the neckline and long sleeves trimmed in ivory colored lace. Both wore corsages of white roses.

Following the ceremony, a reception was held in the all-purpose room. The reception table was covered with a

white cloth with lace edging and centered with the bride's bouquet. The three-tiered white cake decorated with blue roses was separated with white columns and topped with a pair of white doves. The cake was made and decorated by Mrs. Wilma Barnes.

White milk glass appointments were used to serve the cake and punch. Nuts and mints were also served. A second table with a white lace cloth over a blue underlay was used for the silver coffee service. It also held a floral centerpiece with blue candles. Also displayed on the table were pictures of the bride and bridegroom when they were quite young, and an engagement picture of the couple.

Presiding at the table were Nan and Jan Eckstein, sisters of the bridegroom, and Sherry Embry, the bride's sister-in-law. Pam Joiner, sister of the bridegroom, served the coffee.

Floating hostesses were Freida Smith, Cheryl Harper, Sherry White and Thelma Venable. Kathy Curtis registered the guests.

For a wedding trip to Angel Fire, N.M., the bride wore a bright blue pant suit with long sleeved knit blouse, accented with a white carnation corsage.

The rehearsal dinner was hosted and prepared by the bridegroom's parents.

The couple now resides in Portales.

MR. AND MRS. BRIAN GILBERT ECKSTEIN

MR. AND MRS. RICHARD DWAYNE CORNELISON

Pam Erwin, Richard Cornelison Wed In Double Ring Ceremony

Pamela Sue Erwin of Farwell and Richard Dwayne Cornelison of Odessa were united in marriage in a double ring ceremony on December 30 at the First Baptist Church in Farwell with Rev. Dudley Bristow, pastor, officiating.

The bride is the daughter of Mrs. Mildred Erwin of Farwell and the bridegroom is the son of Mr. and Mrs. R.D. Cornelison of Odessa.

The couple exchanged vows before an altar setting featuring three sets of candelabrum holding white candles and trimmed with greenery. A kneeling bench and unity candle completed the altar setting. Greenery and bows marked the pews.

Wedding music was provided by LeAndra Byrd, organist, and soloists Karen Hardage and Carl Dean Goettsch.

Given in marriage by her brothers, Gary and Larry Erwin, the bride wore a formal length gown of white satin which was designed and made by her mother.

The fitted waist was highlighted by a sweetheart neckline outlined with lace which went into a standup collar effect in back. The dress front and the long fitted sleeves were trimmed with embroidered flowers as was the long veil which was attached to a Juliet cap.

Following tradition, the bride's gown was something new, and something old was her mother's wedding band. Her pearls were borrowed from Cindy Watts, her maid of honor; and she wore the traditional blue garter.

Miss Watts wore a long gown of mint green Qiana and carried a white carnation.

Serving as bridesmaids were Lori Norton, Farwell; Joi Meeks, Lubbock; and Karen Spann, Canyon. They all wore mint green Qiana floor length gowns and each carried a white carnation.

Candlelighters were Mike Geoff of Farmington, N.M.,

nephew of the bride, and Lisa Cornelison of Odessa, sister of the bridegroom.

Chris Burton of Albuquerque, the bride's nephew, was ring-bearer. Amy Cornelison of Borger, cousin of the bridegroom, served as flowergirl.

Dickie Haney of Borger served his friend as best man. Groomsmen were Mike Lang of Olathe, Kans., Karin Arnold of Kermit, and Bruce Jones of Odessa. Ushers were Terry Allen of Pennington, Gregg Turner of Amarillo, and Floyd French of Texline, Tx. The male attendants all wore green tuxedos and the bride's brothers wore tuxedos of black.

For her daughter's wedding, Mrs. Erwin wore a floor length gown of green satin and wore a corsage of white carnations. The bridegroom's mother wore a candlelight formal length gown and a corsage of carnations.

As the bride neared the altar, she presented a red rose to her mother, and upon leaving the altar, she presented a red rose to the bridegroom's mother.

A reception followed at the fellowship hall of the church. The bridegroom's sister, Jan Jones of Odessa, presided at the registration table which was covered with a green cloth and held a basket of rice bags.

The bride's table was covered with a white lace cloth over white. The three-tiered wedding cake of green and white and topped with a bridal couple and two white doves was the table's centerpiece.

Refreshments of cake, punch, nuts and mints were served from crystal appointments.

Coffee and cake were served from the bridegroom's table which was covered with a white cloth.

Members of the houseparty were Darlene Burton of Albuquerque and Francel Geoff of

Farmington, N.M., sisters of the bride; Linda and Lana Turner of Pennington, and Tina Stoutner of Grass Valley, Calif.

For a wedding trip to Red River, N.M., the bride wore a plaid jacket and skirt suit with boots.

The couple is now at home

in Plainview where the bridegroom is an assistant county agent. The bride, a 1976 graduate of Farwell High School, has attended West Texas State University for 2½ years and plans to continue her college education. The bridegroom graduated from WTSU in December.

Methodist Church News

While Duane and Barbara Knowlton were out of town last week, Duane's father, Rev. O.L. Knowlton of Springer, N.M. conducted worship services January 14. As Duane will be out of town, Sunday, Jan. 28, the Reverend B.J. Foster will conduct services, morning and evening.

Rev. Foster is a member of the Northwest Texas Conference and is well-known in this area. The son of Mr. and Mrs. W.N. Foster of Farwell, Rev. Foster farmed in the area before he was called to the ministry. "B.J." as he is known by family and friends comes well recommended as a preacher and servant of Christ.

Future events at Hamlin Memorial include a Teacher's Workshop, February 7. Primarily set for the teaching of adults, all Christian Education Teachers are invited to attend.

Also on the agenda for February is a study, "Life of Prayer." The first meeting is scheduled for February 28 at 7:30 p.m. A cost of \$2.50 is necessary to provide a prayer workbook for each participant. The study will meet once every week for six weeks as partial spiritual preparation in Lent for Easter.

An Evangelist Workshop is scheduled at Kingswood United Methodist Church on Saturday, Feb. 10, from 10 a.m. to noon (MST). Rev. Duane Knowlton will be in one of the groups entitled, "Evangelism to recover the inactive church member." Then on Sunday, Feb. 11, at Hamlin Memorial, a workshop, "My Job," will be from 1 p.m. until 5 p.m. All members on the Council on Ministries are expected to attend.

Rev. Knowlton plans to attend the Iliff Week of Lectures January 29-31 in Denver. Speakers and workshop leaders will include such international religious leaders as Dr. Martin Marty, Dr. James Glasse, and Dr. Melvin Talbot. Marty is a church historian and theologian, while Glasse specializes in church organization and its ministry to its congregation. Dr. Talbot is a national United Methodist General Board member. Ten hours of preaching and participant workshops are scheduled. It is hoped that much information and inspiration can be returned to the local churches such as Hamlin Memorial.

Texico Boys Garner 102 Point Victory

When you're hot, you're hot! And the Texico Wolverines were certainly hot Friday night when they slaughtered Tatum, 102-67. For those brief moments in Texico cage history, the Green and White boys could do no wrong. In recent years no other Texico team has scored more than 100 points.

Texico followed that victory with another one Saturday, beating Dora, 79-72. On January 16 they lost to San Jon, 54-53.

The varsity boys are 4-10 overall and 3-1 in District 6-A play. This week they go into action in the EPAC Tournament at Dora. They were to meet Dora Wednesday at 6:30 p.m. The Wolverines are seeded in fifth place.

The other nine teams listed in the order of their rankings are Floyd, San Jon, Logan, Dora, Elida, Tatum, House, Melrose and Grady.

The Wolverine girls are also on a "red hot" winning streak. They trounced San Jon, 43-26, January 16; walloped Tatum,

52-30, Friday; and bested Dora, 44-25, Saturday.

The varsity girls also enter EPAC action this weekend. The Wolverines were to meet the winner of the San Jon - Grady game Thursday at 7 p.m. They are ranked second in the tournament. The other nine teams listed in the order of their rankings are Floyd, Melrose, Logan, Dora, Elida, San Jon, Grady, House and Tatum.

Wolverine boys making points in the victory over Tatum were Keith Hadley, 20; James Hadley, 19; Eloy Ortiz, 14; Jimmy Reid and Neal Haile, 11 each; James Barfield and Herbert Bibbs, 8 each; Britt Crooks, 6; and Steve Kittrell, 5.

"I felt that we played very well," coach Billy Carlyle said. "Everything worked. We shot well and they consistently gave us the inside. It was a very good effort by everyone.

It's the first time in a long time that a Texico team has scored this many points, so it was exciting for everyone," he

said. J. Hadley burned up the courts for 25 points in the Dora game followed by brother Keith with 14 and Crooks with 10. Also scoring were Ortiz, 9; Bibbs 7; Barfield, Reid, and Kittrell, 4 each; and Haile, 2.

"We played very well overall. It was an outstanding effort by the Hadley brothers. The last three ball game we have had four and five players hit the double figure mark so our whole team deserves a lot of credit," Carlyle said.

Making points in the San Jon game were K. Hadley, 13; Ortiz, 11; Crooks, 10; J. Hadley, 8; Barfield and Reid, 5 each; and Bibbs, 1.

"We should have won this game," Carlyle said. "We made some mental errors that hurt us badly. We are now playing better overall though."

Leading scorers in the January 16 game were Tonye Harrington, 15, and Lisa Coffey, 12. Others who scored were Lori Harrington, 6; Jana Jesko, 4; and Teresa Turner and Becky McDonald, 3 each.

"We played a very poor first half," coach Roy King said. "We were up 18-14 and were standing around. The second half we played a lot more aggressive defense and this allowed us to up the lead. The thing I am most happy about is that Tonye and Lisa are hitting their free throws better. They get fouled so much that if we are to win we need their free throws."

The varsity girls are 11-3 for the year and 3-1 in district.

Double figure scorers in the Tatum game were T. Harrington, 21, and Turner, 10. Also scoring were L. Harrington, 5; Coffey, 6; Schree Rucker, 4; Celia Johnson, 3; and Tracy Dobbs, 2.

"This was probably our best game of the year," King said. "We shot well, played good defense and rebounded well. Lisa and Teresa did an outstanding job of blocking out on the rebounds. The game was a good team effort. Everyone made a contribution."

Those making points in Saturday's game were T. Harrington, 17; Jesko, 8; Coffey and Turner, 6 each; Dobbs, 5; and Rucker, 2.

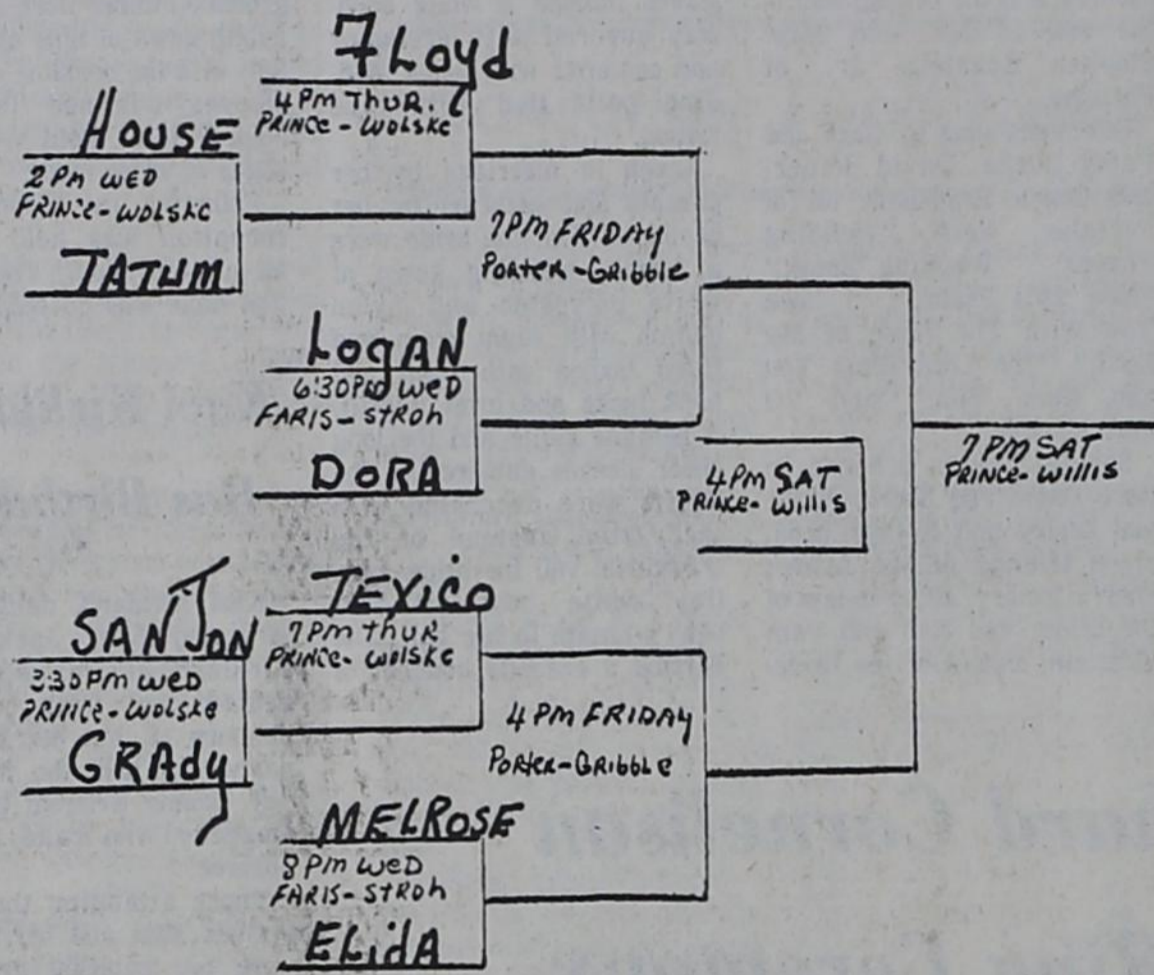

"We played well except for the third quarter," King said. "We scored only four shots then, taking a lot of bad shots mostly from 20-25 feet. Our defense has been outstanding in the last three games. We haven't allowed more than nine points in the last 10 quarters. Tonye leads the team in scoring, averaging 20 points per game," King said.

EPAC Basketball Tournament

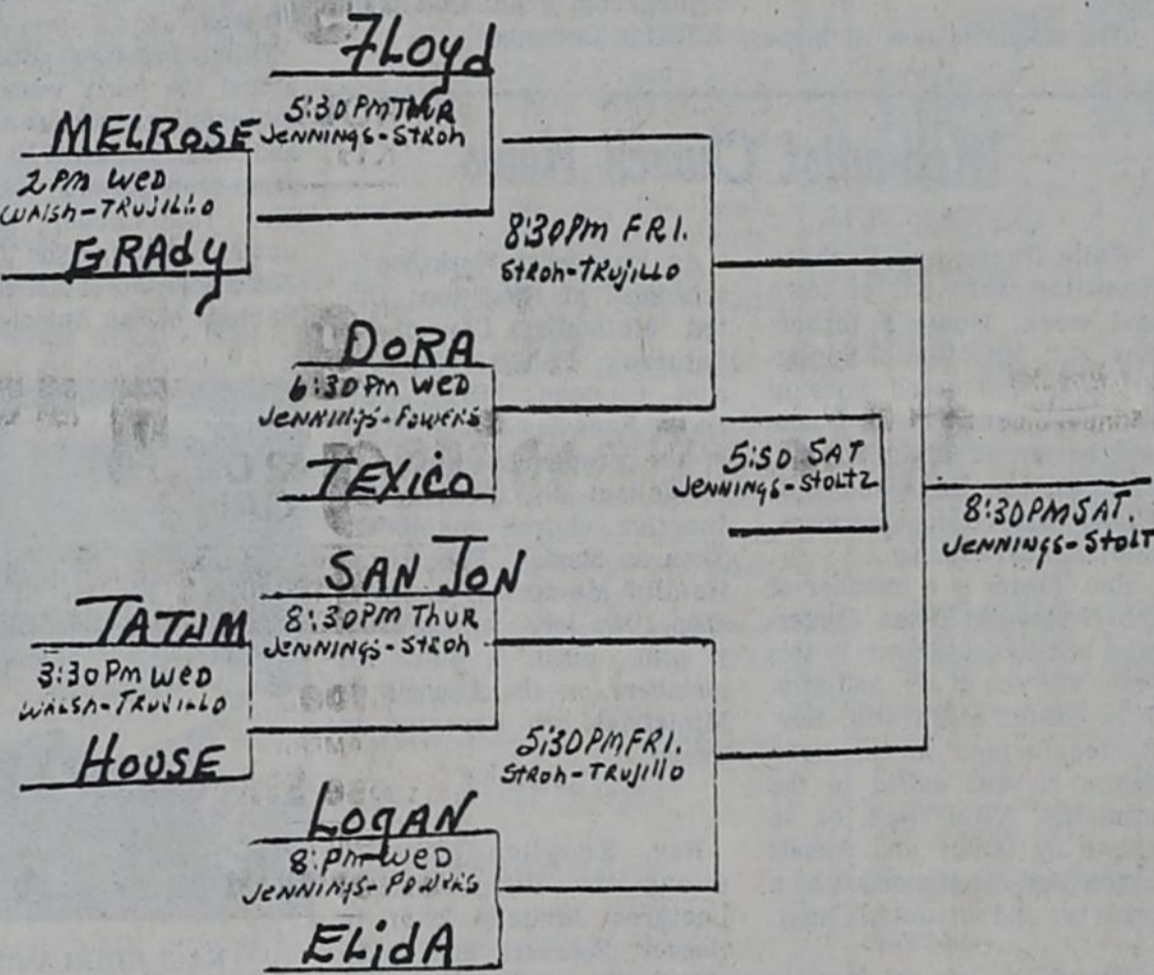

Dora High School

Jan. 24-25-26-27, 1979

GIRLS

BOYS

Junior High Plays Bovina

Texico Junior High teams butted heads with Bovina Thursday of last week, for the second time this cage season, winning three of five games.

The 7th boys galloped past the 8th B squad, 33-24, and the 8th boys slammed the Bovina 8th boys, 52-30. The 9th graders lost 48-46.

For the girls, the 8th graders needed Bovina, 37-27, but the 9th graders lost 43-40.

Texico's B team lost to San Jon, 24-15, on January 16, but they slaughtered Tatum, 40-19, on Friday.

Making points in the 7th boys game with Bovina were Joe Steward, 9; Ronnie Landis, 8; Kevin West, 6; Ronnie Dunsworth and Dennis Chavez, 4 each; and Jeff Johnson, 2.

"Earlier this year the Bovina 7th graders beat us by one point in Bovina, but as they were playing in another tournament we didn't get a rematch this time," coach Cecil Davis said. "It was some satisfaction though to beat their 8th B team," he added.

Making points for the 8th grade boys were Felix Jiminez, 14; Tony Cavallero, 12; Earl Bibbs, 10; Doyle Duncan, 8; Paul Salguero, 6; and Lloyd Williams, 2.

"We scored almost the same number of points in each quarter," Davis said. "They beat us 39-32 in Bovina so it was really a good win to beat them so easily in Texico."

Scoring for the 9th grade boys were Tony Tubbs, 14; Willie Bibbs, 9; Terry Curry, 7; Jeff Dunsworth, 6; Todd Gerles and Craig Horne, 5 each.

"We had a tremendous let-down in the second quarter. They outscored us 9 points in that period and that led to our defeat. Tony Tubbs played strong on the boards but

fouled out in the fourth quarter," Davis said.

Scoring in the girls B team game January 16 were Roxanne Cherry, Becky McDonald and Teresa Golledge, 4 each; and Kelly Dobbs, 3.

"This was only our second game of the year and it showed. We had only two points in the first half," coach Roy King said. "We took a lot of shots from long range and we were not hitting them. Our record is 1-1."

Scoring for the B team Friday were Kelly Dobbs, 22; Cherry and Carletta Fitz, 4 each; Tracy Dobbs and Golledge, 3 each; Kerri Donahay and McDonald, 2 each.

"Kelly played an outstanding game with 22 points," King said. "We completely dominated the game, especially in rebounding." Their record is 2-1.

Eighth girls making points were Tammy Landis, 15; Ruth Scott, 10; Pam Hoyl, 6; Valda Cavallero, 4; and Sharlet Taylor, 2.

"We played a good game and avenged an earlier loss to Bovina," King said. "Tammy played an outstanding game leading the team with 15 points and 19 rebounds. Ruth Scott had 10 points in only two quarters." The 8th girls record is 6-4.

Making points in the 9th girls game were Ruth Scott, 18; Jo Hill, 8; Tammy Landis, 7; Jill Jesko, 4; Corina Hungerford, 2; and Cara Reid, 1.

"We had the game won and gave it away," King said. "We were up by three points with two minutes to go and then we threw the ball away and took a lot of bad shots while we were stalling with the ball." They are 10-4 for the year.

This Saturday the junior high teams will travel to Melrose.

A pleasure . . . and a challenge!

That's the way Ben McMullin, PRINCIPAL STRUCTURAL ENGINEER for Southwestern Public Service, sees his job . . . his role in the boy scouts . . . and life!

"You know, I've got some 30 years in scouting. I've done it all . . . workin' with the boys and the adult leaders. Lookin' back, I think the highlight in scouting for me was taking 11 boys to the National Jamboree in Idaho. Now that was an experience! It's been a pleasure . . . and a challenge. Same as my job at SPS. I'm the Principal Structural Engineer in charge of the power plant group . . . that's the steel and concrete that holds up the place, you might say. It's very exacting work. We combine past experiences with research on new and better materials and products . . . trying to make the next power plant we build more efficient than the last one. It's a real challenge but that's what it's all about . . . keeping the costs down for everybody. I've been at it 25 years now and I'm glad to be part of that team. We're doing the job we set out to do.

SPS has encouraged me in my job and in all my civic activities. You bet I'm proud to work for SPS . . . and for my community. For me, it's hard to imagine one without the other."

This I Know . . .

by Leonard Harper

Minster

Fairwell Church of Christ

When one is baptized he expresses his faith in Christ as savior. Saul told Ananias to "arise and be baptized and wash away your sins, calling on the name of the Lord" (Acts 22:16). The command to be baptized is carried out in calling on the name of the Lord - that is how we call on the name of the Lord, by being baptized. Thus baptism is calling on the Lord to save one.

Baptism is a confession of ones sinfulness. It is the sinner, not the Christian, who is called upon to be baptized. Baptism is "for the remission of sins" (Acts 2:38), to "wash away sin" (Acts 22:16), "to be saved" (Mark 16:16). No body objects to baptism as merely a ceremony or ritual but when it is an admission that one is a sinner most people balk. That's exactly why the pharisees rejected John's baptism and that's the real reason most people today fight against God's command for scriptural baptism.

Dear friends have you made this grand confession in your life or has baptism been a stumbling block you have been unable to get over? Please read carefully all the scriptures cited in this article and decide to make the confession that brings salvation and all its attendant blessings - joy, peace of mind, fulfillment, and a knowledge of God's love.

Steerettes Lose Two - -

Steers Trample Springlake; Lose To Bovina

Farwell Steers slaughtered Springlake-Earth Tuesday, 78-45, recovering from their homecoming loss to Bovina, 67-48, the Friday before. They are now 3-2 in District 3-A play.

The Steerettes have fared badly their last two outings, losing to Springlake-Earth, 45-35, and to Bovina, 45-34. They are 2-3 in district play.

The JV boys lost to Springlake-Earth, 53-25, and they were barely beaten by Bovina, 47-45.

The JV girls were the only

local team to win its homecoming game, thrashing Bovina, 40-24. The freshman girls lost to Springlake-Earth, 36-19.

Double figure scorers for the Steers against Springlake-Earth were Kayle Watts, 14 and Rowdy Chandler, 10. Also scoring were Randy Geries, 7; D.D. Foster, 5; Max Lonsdale and Radney Robertson, 2 each; Robin Roberts and James Castleberry, 1 each.

"We played a good second half and we hustled well," coach Mike Martin said.

Steers making points in the

Bovina game were Castleberry, 12; Chandler and Watts, 9 each; Geries and Foster, 7 each; and Owen, 2.

Paula Christian was the high point Steerette in the Springlake game with 14 points. Also scoring were April Coffman, 7; Karyn Blain, 3; Lisa Hughes, Yolanda Martin, Lisa McClenney, Jana Berry and Gina Eubank, 2 each; and Sharmy Christian, 1.

"The girls played well in all phases of the game but one and that was the shooting," coach Larry McDorman said. "Shooting only 23 percent from the field will not win games. We hustled as well as in any game we have played, but could not score on turnovers we caused. We have cut our turnovers to 10."

Steerettes making points in the Bovina game were Coffman and Paula Christian, 8

each; Hughes and Berry, 4 each; Blain and Sharmy Christian, 3 each; Martin and Eubank, 2 each.

"As with Vega, we played well the first half, but couldn't continue in the third and fourth quarters. We have cut our turnovers down and this is helping, but we are still shooting only in the low 30 percent range. We also shot only 14 percent from the free throw line. We can't win with percentages like these. We are getting more rebounds per game and the girls are hustling better. Everyone is contributing and we are improving every game," McDorman said.

JV boys making points were Craig Kaltwasser, 9; Waverly Coates, 6; Byron Mayfield, 4; Richard Carpenter, 4; and Juan Diaz, 2.

"Waverly Coates did a fine job," coach Glen Morton said. "We missed Richard May who did not play."

JV boys scoring against Bovina were Richard Carpenter, 13; Coates, 12; May, 8; Boyd White, Gary White and Diaz, 4 each.

Scoring for the JV girls against Bovina were Lari Curtis, 13; Janene Berry, 8; Karen Magness, 6; Ginger Ellison, 4; Tracy Williams, Janie Cantu and Judith Schilling, 2 each; and Lorie Turner, 3.

Scoring in the freshman girls game with Springlake-Earth were Lorie Turner, 7; Sharon Kalbas, 6; Lana Turner, 4; and Kay Geuther, 2.

The freshman girls and boys were to play Bovina Thursday night.

The varsity teams will travel to Hart this Friday and to Kress next Tuesday.

Farwell Jr. High Cagers Beat Vega Three Of Four

Three of Farwell's four junior high cage teams upended Vega Monday night at Farwell's gym. The 7th Yearlings won, 15-12, but the 8th Yearlings lost 27-7. The 7th and 8th girls won 20-13 and 31-14.

Scoring points for the 8th grade boys were Frank Cantu, Elcio Silva and Wade Kent, 2 each; and Gary Gouge, 1.

Seventh grade boys making points were Alan Eubank, 7; Manuel Cantu, 4; and Todd Christian and Raymond Sierra, 2 each. Their record is 7-1.

"We play Bovina next Monday night and that will probably decide the 7th grade district championship," coach Royce Baker said. "Once before this year we beat them by one point in the last three seconds. They are a better team now. We will have to play our best game to beat them."

For the 8th grade girls point

getters were Kelly Davis, 15; Jennifer Williams and Sandra Coates, 6 each; Sandra Haight, 3; and Shana Blain, 1. Their records is 6-5.

"We played much improved ball in the second half. We were cold in the first half, but our shots really fell in the second. This is the first time in two years that the 8th girls have had a winning record," said coach Bill Phillips.

Lezlie Castleberry and Suzahn Inman each made 10 points for the 7th grade girls. Their records is 5-3.

"We played better in this game than we have in a long time," Phillips said. "Tammy played her best game ever. She had three game winning assists in the last quarter."

The junior high teams were to begin playing in the Springlake-Earth tournament Thursday. Next Monday they host Bovina.

January 30 - -

Texico-Farwell Lions To Sponsor Blood Drive

Texico-Farwell Lions Club will sponsor a blood drive Tuesday, Jan. 30, from 5-8 p.m. CST at the Farwell Fire Station.

The drive is held under the auspices of the South Plains Blood Service in Lubbock. Blood donations will be accepted from persons aged 17 through 65 who qualify.

Minimum weight is 110 pounds and at least eight weeks must pass between donations.

You may not donate blood if you have had hepatitis, active diseases of heart, lung, kidney, liver, stomach; internal malignancy; diabetes requiring medication; addiction to injectable drugs; epilepsy, convulsions and frequent fainting spells.

The SPBS offers the following suggestions for blood donors:

"It is best that you eat a substantial meal before donating, preferably one low in fats. Fasting is not recommended.

"If you are taking vitamins, hormones, birth control pills, mild diet pills, thyroid medication, or antibiotics for acne, you may donate unless otherwise deferred.

"We will ask for your Social Security number for identification purposes."

The SPBS services 38 hospitals in 22 counties of West Texas and Eastern New Mexico. At present, blood requirements have exceeded 100 pints per working day. This has increased from 70 per working day in September of 1978. The daily requirements for blood and components in 1977 were 63 units per working day.

The annual usage for blood

and its components has increased from 18,000 in 1977 to nearly 20,000 pints in 1978. The projection for 1979 is over 22,000 units of blood and its components.

Several reasons account for the increase, including an increase in the number of open-heart surgeries performed at Methodist and St. Mary's of the Plains hospitals;

increase in medical procedures requiring blood and its components; the opening of the Health Sciences Center Hospital, and increased population in the 120 mile radius.

South Plains Blood Services is a non-profit organization whose purpose is to provide blood and blood components to all local and area hospitals as needed.

Adult Probation Officer. . .

(Continued from Page 3)
we're trying to change all that now," Morgan said.

Parole officers for Parmer County are located in Amarillo, he said. "They have been very helpful in working with us when necessary."

The job does have its lighter moments sometimes, according to Morgan. "Sometimes I hear some of the most hilarious excuses as to why restitution and court costs payments cannot be made. Women seem to be more reluctant to make the payments than men, he said.

When Morgan began as the adult probation officer for Parmer County he "started from scratch," so to speak.

He did some of the work in preparing his office, including putting a top on the two desks they now use. He also did not get a secretary until he had already established a filing system and the office was ready to operate.

The theory apparently was that the probation officer who sets up his own office and files would get to know his caseload better.

"We didn't have as many problems in setting up our program as other towns because Dorothy Quickel, the district clerk, keeps such good records," Morgan said. "She's and still is very helpful to us."

Morgan has been involved with some type of law enforcement activity - off and on - since 1955 when he became a policeman for the City of Clovis.

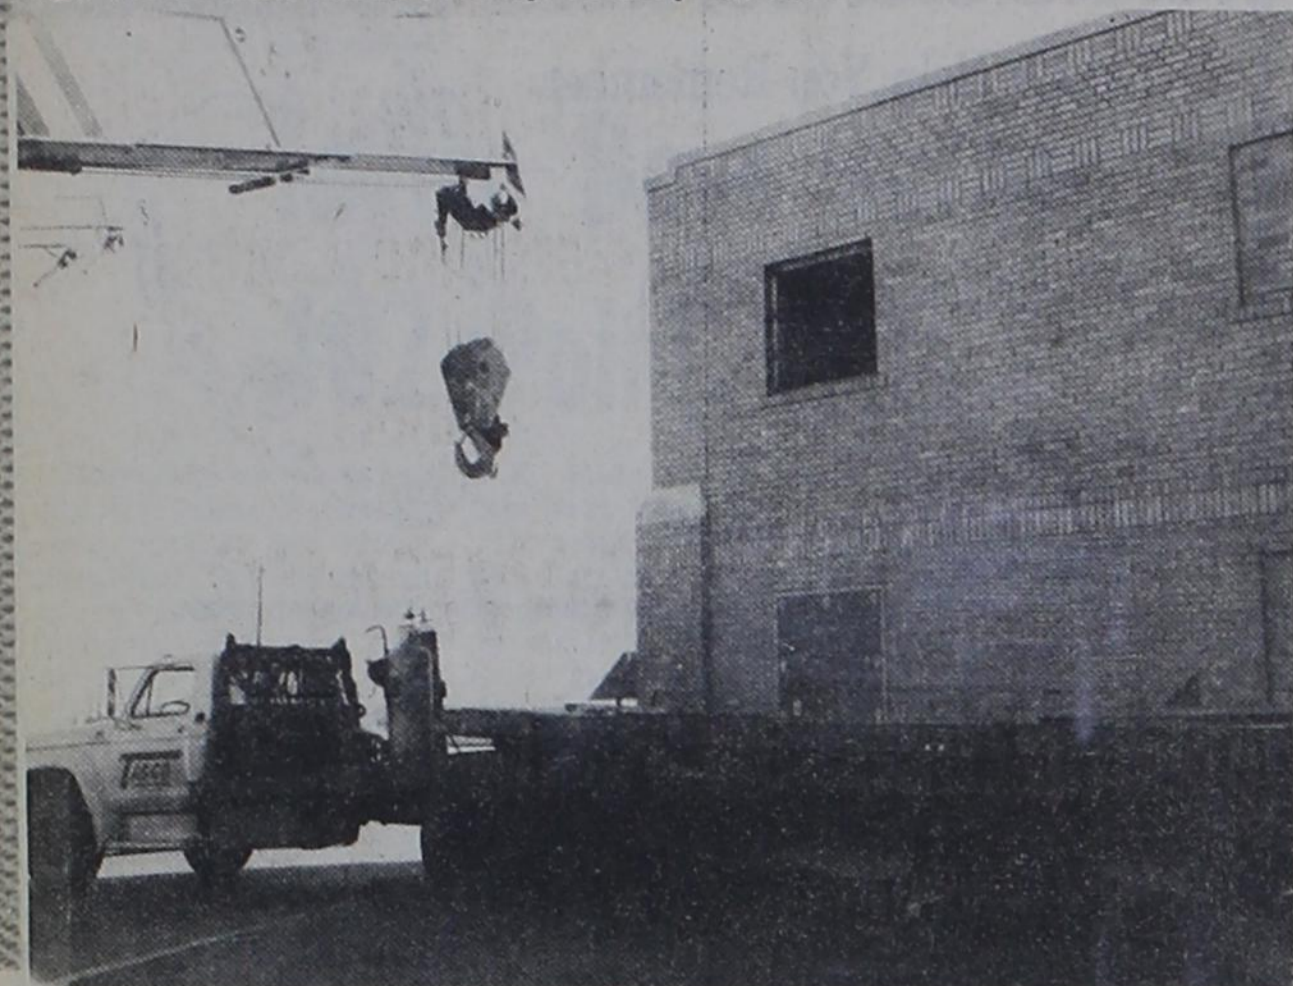

"After three years I quit to work for a sheet metal place

in Albuquerque and then moved to Friona where I again became a city policeman," Morgan said.

After a year he became a deputy for Parmer County. After three years he was appointed the Friona Chief of Police. Following that he was a police officer in Dimmitt for one year, then back to Friona for another three-year stint as the chief of police. During that period he took the first law enforcement courses offered at Amarillo College.

Morgan then was involved with private business deals for two years before again becoming a deputy for Parmer County. He was appointed chief deputy two years ago, but resigned last October to take over his new post.

Morgan and his wife have two married daughters, and a son who is in school in Ft. Worth.

Bustin' Out

At first glance it might appear that prisoners in this jail had discovered a new way to "bust out." However, that's not what is happening. In the first place, the building is the former Parmer County jail which is used for storage purposes only; and in the second place, workers who were salvaging steel from the building were responsible for the gaping hole at the window site in the top floor.

Steel plates, doors and bars from the upper floor only are being salvaged to be used in completion of construction of another cell block at the new jail facility at the north side of the county courthouse.

West Texas Weather Varies Constantly

by Shirley Gorman

For inhabitants of West Texas, getting used to unpredictable, ever-changing and often times inappropriate weather is a must. During the past few weeks the tolerance of persons living in Farwell, Texico and the surrounding area has been sorely tested as Mother Nature has displayed an almost infinite variety of weather scenes.

The New Year came in on the heels of a winter storm which deposited several inches of snow and dropped temperatures to the sub-zero mark. A few days later ice storms were

Fenn To Seminar

Texico City Council conducted a short business meeting Tuesday night.

The Council approved a request for City Marshal Mickey Fenn to attend a police chief seminar in Santa Fe this Friday. Trustees Lewis Cooper and Bill Thigpen will travel to Las Vegas, N.M., to "look over" a garbage system for sale.

Curry County Commissioners will inspect the Texico landfill February 5.

the topic of almost all conversations as the very cold and icy weather spell settled in for what appeared (at that time) to be a long stay.

For more than a week, snow, ice and freezing temperatures dominated the bleak weather tableau, and local persons bundled up warmly before venturing out into Mother Nature's wrath.

From time to time, a brief spell of warmth peeked through the coldness and melted the ice-covered streets, only to have the same thing happen all over again the next day.

Then - much to everyone's surprise, but not regret - a "heat wave" of sorts struck the area causing the temperature gauges in the Twin Cities to edge toward the 50 degree mark.

"Every little bit helps" and local residents were certainly glad for a chance to forget about the mini ice age which had descended on the area with a vengeance. With winter far from over though similar spells will no doubt be in order again at some future date.

Even though spring is months away, Mother Nature did an abrupt about face late last week, creating a spring-like rain which fell early

Thursday morning. The Twin Cities recorded .2 inch of moisture. Dense fog, like thick, black soup, hugged the streets and highways making visibility virtually impossible for a short time.

Later that day a strong breeze began to blow and if not for the wet ground - courtesy of previous snow and ice storms - the dust would have been flying thickly, just like a normal springstorm. In January no less.

Temperatures remained quite warm during the latter part of last week, at least in comparison to the previous long-lasting sub-zero spell.

The weather beat goes on and with a capricious Mother Nature to contend with, anything can and usually does happen.

The "old girl" managed another abrupt about face late Monday night, sending snow flurries and storms throughout the area. Farwell escaped with a thin layer of white snow and colder temperatures early Tuesday; but by the afternoon the sun had warmed things up again.

Enjoy though. At least we aren't digging our way out from under two feet of snow like our northern brethren. Not yet anyway.

Around The Twin Cities

Farwell City Council will meet Monday, Jan. 29, at 5:15 p.m. CST in the City Hall.

The congregation of the New Light Baptist Church will hold a groundbreaking ceremony Monday at 10 a.m. CST at the site of the former location of the church which was destroyed several weeks ago in a blast.

Texico's This, That And The Other

by Tamara Lambert

Texico FHA had a salad supper, January 23, in the school cafeteria. Guest speaker was Billy Woods, a representative of Merle Norman cosmetics.

Texico Greenhand Chapter visited the Texico Woman's Club on Monday, Jan. 7. The Greenhands demonstrated the correct way to use Parliamentary Procedure.

Twenty-two students enrolled in the 1979 kindergarten class on January 12.

Texico School bought a new wire welder for the Ag Shop.

Some of the Ag students traveled to the Hereford Livestock show on January 25.

New carpet was installed in the Texico High School library on January 22, reported Mrs. Sylvia Burgett, school librarian. It was also put in the high school offices and elementary library.

Texico Seniors are selling jewelry for a money-making project. All proceeds will go for their trip to Six Flags.

Band members are selling candy for 50 cents a bar. All sales will end around January 30. Proceeds will go for their trip to Six Flags in March.

Junior high contestants from the local spelling bee were announced this week by Mrs.

Anna Southard, sponsor. Sixth grade contestants will be Elayne Horner, Cheryl Scott, Gary Jones, and alternate Jennifer Hill. Seventh grade representatives will be Ronnie Dunsworth, Valda Cavallero, Jeff Holland, and alternate Ellen Cardin. Eighth grade representatives will be Karen Flowers, Jackie Burk, Jeannie Chavez, and Anita Dimas, alternate.

Tye Harmon is a new student in Mrs. Richmond's first grade class.

Aurilio Estrada is a new student in the sixth grade. Jimmy and Ellen Cardin are new students in the seventh grade. Jackie Burk is a new student in the eighth grade.

Members of Mrs. Kay Singleterry's second grade class performed a play, "The Red Hen," last week for students in Mr. Schwartz' and Mrs. Pearce's classes.

Members of Dale Schwartz third grade class have sent samples of their water paintings to Santa Fe where they will be on exhibit at the National Education Association of New Mexico building.

Second graders in Mrs. Ann Pearce's class have been making snowflakes and writing stories about winter.

Students in junior high and high school science classes are now working on their projects for the annual science fair.

Student Of The Week At Texico School

Cindy Taylor is this week's "Student-of-the-Week." A junior at Texico High School, Cindy is president of the F.H.A. and is the junior class treasurer. She received awards for outstanding work in home economics and English last year and she is a member of National Honor Society.

Cindy is the daughter of Mr. and Mrs. J.B. Taylor. She is an active member of the Texico Baptist Church. She enjoys playing the piano. [Selection of "Student of the Week" made by anonymous committee.]

On The Farm In Parmer County

By SETH RALSTON
County Agent

The soil is a good starting point for improving farm income in 1979. A complete soil inventory with a soil test is suggested. It provides a producer with the opportunity to reflect on the production problems on farmed, pasture and wheatland acreages.

The soil testing program is a logical step since fertilizer recommendations are keyed to the economical use of plant food.

Presently, many producers in Parmer County are uncertain about what crop will be planted. This uncertainty, plus the late harvest season, has prevented soil testing and fertilizer application. If the producer is undecided as to

what crop will be planted, then, it is recommended that the alternative crop to be planted also be listed on the information sheet. This approach will allow the producer to evaluate the fertilizer requirements and cost on both crops before determining which crop should be planted.

It is important to submit soil samples which are representative of the field or pasture. The results of the laboratory analysis will be as accurate and representative as the soil sample submitted for testing.

Agricultural producers will find that soil testing can help solve many of their soil fertility problems.

Legal Notice

APPENDIX A
Statement of
Nondiscrimination

Deaf Smith Electric Cooperative, Inc., has filed with the Federal Government a Compliance Assurance in which it assures the Rural Electrification Administration that it will comply fully with all requirements of Title VI of the Civil Rights Act of 1964, and the Rules and Regulations of the Department of Agriculture issued thereunder, to the end that no person in the United States shall, on the ground of race, color, or national origin, be excluded from participation in, or be denied the benefits of, or be otherwise subjected to discrimination in the conduct of its program and the operation of its facilities. Under this Assurance, this organization is committed not to discriminate against any person on the ground of race, color or national origin in its policies and practices relating to applications for service or any other policies and practices relating to treatment of beneficiaries and participants including rates, conditions and extension of service, use of any of its facilities, attendance at and participation in any meetings of beneficiaries and participants or the exercise of any rights of such beneficiaries and participants in the conduct of the operations of this organization.

"Any person who believes himself, or any specific class

of individuals, to be subjected by this organization to discrimination prohibited by Title VI of the Act and the Rules and Regulations issued thereunder may, by himself or a representative, file with the Secretary of Agriculture, Washington, D.C. 20250, or the Rural Electrification Administration, Washington, D.C. 20250, or this organization, or all, a written complaint. Such complaint must be filed not later than 180 days after the alleged discrimination, or by such later date to which the Secretary of Agriculture or the Rural Electrification Administration extends the time for filing. Identity of complainants will be kept confidential except to the extent necessary to carry out the purposes of the Rules and Regulations."

TWO MINUTES

WITH THE BIBLE
BY CORNELIUS R. STAM, PRES.
BEREAN BIBLE SOCIETY
CHICAGO, ILLINOIS 60635

WHERE DO YOU STAND?

God had appointed Joshua to lead the people of Israel into the land of Canaan. It was just before the battle of Jericho that the great leader looked up to see a man with a drawn sword facing him. His sudden appearance must have startled Joshua, but he showed no trace of fear -- not Joshua!

Advancing toward the man Joshua demanded: "Art thou for us or for our adversaries?" No wonder the answer brought him to his knees! He had been standing face to face with the captain of the Lord's hosts, no doubt Michael, the angelic prince of Israel (See Dan. 10:21 and 12:1).

The question was not, whose side was the angel of God on, but whose side was Joshua on! Was he himself in harmony with God's will?

For us here. In the constant battle over truth and error there is a tendency for Christians to demand of other Christians: "Whose side are you on? Are you for us or for our adversaries?"

If this is as far as we have gotten in our service for the Lord we still have much to learn, for the great question is not: "Are you on my side?" but "Am I on God's side?"

God's truth will prevail. His purposes will be carried out, and even though we might be on the side of the most powerful and influential of men, we will surely be driven to defeat if we are not in harmony with God's Word and Will.

Shall we not all fall on our faces with Joshua then, and say: "What saith my Lord unto His servant?"

There is an important lesson

New Wire Welder

Texico ag students and their advisor Eddie West, center, examine the new Linde 200 amp. wire welder which was recently purchased for the ag shop at Texico Schools. With the new equipment, Texico ag students will be trained in gas welding, arc welding and wire welding. Looking over the new welder are, from left, Robert Ortiz, Ron McLean, West, Ricky Foreman and Allen Hall. (Photo by Doug Scioli).

FIRE CALLS

Farwell Volunteer Fire Department has reported two ambulance calls since the last report. On January 17 and January 20 they transported residents at the Convalescent Center to the hospital in Muleshoe and Clovis. They did not report fire calls.

The Texico Volunteer Fire Department reported one fire call since the last report. On January 21 they were called to a car on fire one-fourth mile north of the Texico Schools. They did not report any ambulance calls.

Thank Goodness!
January: The Confection Connection

What's the sweetest month of all? January, of course, for it's National Candy Month! So instead of succumbing to a postholiday slump this year, sweeten your winter with candy confections.

Although almost everyone appreciates receiving holiday, anniversary and birthday gifts, few gifts charm as much as the unexpected ones that simply say, "I was thinking about you." A gift of candy conveys "sweets to the sweet."

Through the ages, confections have always represented special treats prized for their pleasing taste and good effects. The ancient Egyptians thousands of years ago may have been the first candy-makers, mixing honey with seeds, fruit and food colorings.

Candy, an energy-giving fun food, is made of a variety of ingredients and provides pleasure and satisfaction.

REC Selects Director Nominees

The Nominating Committee of Deaf Smith Electric Cooperative met January 9, at the REC Headquarters Building in Hereford, and selected five members to run for three slots on the Board of Directors of the electric cooperative.

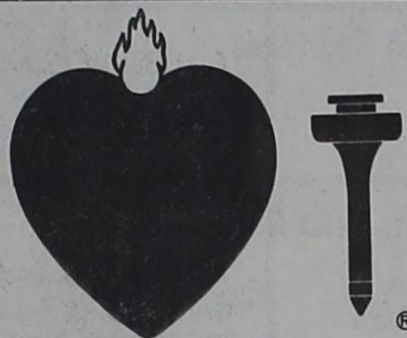

Sloan Osborn, President of the Board, is up for reelection this year. "Because of Mr. Osborn's long tenure of dedication to the betterment of the Cooperative, and the completion of this three-year term will extend his service to 40

years, the Nominating Committee felt it appropriate not to nominate an opponent as a tribute to Mr. Osborn," explained James Hull, Manager of Deaf Smith Electric Cooperative.

Those selected from Deaf Smith County are incumbent Clark Andrews from the Frio area, and Jerry Sublett who lives south of Hereford. Castro County nominees are incumbent Noel Gollehon and Donald Wright of the Dimmitt area.

Nominations from the floor at the 1979 Annual Membership Meeting to be held March 3, at the Hereford Bull Barn are also encouraged by the Nominating Committee.

Those comprising this year's official Director Nominating Committee are: Pat Robbins, chairman, Hereford; D.L. Carmichael, Frio; Allan Dohmeier, Nazareth; Norman Hodges, Hereford; Carl Kleushens, Hereford; Clarence Martin, Frio; and Dan Petty of Dimmitt.

"When Understanding Is Needed Most"

Prince & Manana-Clovis-Ph. 763-5541

THE PLANT FOOD IN SHORTEST SUPPLY DETERMINES WHAT YOUR YIELD WILL BE. Read on....

If you have in your soil only enough manganese, copper, zinc . . . or any of the other elements necessary for plant growth . . . to produce a 100 bushel corn crop, your yield will not be over 100 bushels . . . even though there are enough other plant foods available to produce 150 bushels.

Among the elements necessary for plant growth, carbon, hydrogen and oxygen come from the air. The others are referred to as plant foods or plant nutrients and must come from the soil. Research indicates that two new ones—chlorine and cobalt—may be necessary.

The lack of any one plant food can limit your yield, even though your soil may have an abundant supply of the others.

It boils down to this—the plant food in shortest supply determines what your yield will be.

Be sure your crops get all the plant food needed for vigorous growth and profitable yields. Use Smith-Douglass **PELLEFORM**® fertilizer with **TREL**® TREL, Smith-Douglass' exclusive formula of trace elements, is added to each clean green pellet. It will help you obtain top profits by providing each plant a complete diet. Remember too that **PELLEFORM** with **TREL** has optimum water soluble phosphorus for maximum yields.

Don't get caught with your profits down. Use **PELLEFORM** with **TREL**.

TEST YOUR SOIL!

Fertilizer cannot produce maximum returns on soil that is too acid for the crop being grown. In fact, soil acidity can reduce the effects of fertilizer in many instances. Test your soil and apply the full amount of lime that is needed for top profits.

Let Us Help You With Your Soil Testing

County Commissioners Pay 1979 Dues, Fees

Parmer County Commissioners Court at its Monday meeting approved paying its 1979 dues in the amount of \$40 to the Panhandle County Judges and Commissioners

Association and \$178 to the 9th Administrative Judicial District. They also paid a portion of the 1979 bookmobile fee in the amount of \$6,600. Bond for Ellen Wurster, who assists

Benna Felts in the treasurer's office, was renewed. The Commissioners appointed Gene Paul Jarmon, David White and William Hodges to represent the public at a

salary grievance committee. They also voted to discontinue the office of the County Veterans Service after February 1 because it is no longer needed.

Receives Designation

W.D. "Bill" Prince of Clovis, second from left, owner and chief inspector at Farwell Grain Inspection Co., receives a USDA certificate of designation from Homer E. Dunn of Dallas, Deputy Regional Director. Prince's wife, Glenna, and Scott Hartmann of Ft. Worth, field office supervisor for the Federal Grain Inspection Service, look on. Prince formed the agency 20 years ago and in 1978 requested to be designated an official inspection agency to meet requirements under 1976 amendments to the U.S. Grain Standards Act.

**Farwell Grain Inspection, Co.
Designated As Official Agency**

W.D. Prince of Clovis, owner and Chief Inspector of Farwell Grain Inspection, Co., of Farwell, was presented a certificate of designation by the U.S. Department of Agriculture (USDA) January 24.

Homer E. Dunn, Deputy Regional Director for USDA's Federal Grain Inspection Service in Dallas, made the presentation at the company's office, 112 9th Street, Farwell.

Farwell Grain Inspection, Co., requested the designation to operate as the official grain inspection agency. Leland E. Bartelt, administrator of FGIS, said the request was made to eliminate any possible appearance of a conflict of interest in the inspection of grain at Farwell, as provided by 1976 amendments to the Grain Standards Act.

The designation authorizes Prince to provide official inspection services to all or a portion of 12 counties in Texas and New Mexico, including Deaf Smith, Parmer, Bailey and Lamb in Texas; and Chaves, Curry, De Baca, Eddy, Lea, Quay, Roosevelt and Union in New Mexico.

Scott Hartman, FGIS Field Office Supervisor at Ft. Worth, will supervise official

inspection services of the Farwell agency, and other agencies at Amarillo, Ft. Worth, and Plainview in Texas, and Alva, Enid, Guy-

mon, and Port of Catoosa in Oklahoma. FGIS is the agency responsible for administering a nationwide system of official inspection.

In old Burma, it was believed that carrying flints would prevent appendicitis.

Roy McDaniel standing in a field of his Weather Master EPX 1212 Corn.

Roy McDaniel says, "I have planted Weather Master corn for 4 years and it has always done a good job for me. In 1978, I had a field of Weather Master EPX 1212 corn that made 12,680 lbs. dry corn per acre. Out of 4 different varieties it was by far my best corn. I will sure plant it again this year. It's the best corn I have ever planted."
