## Brown, Selman win 11th contest

It was a tough week for football contest participants last week as none of the hundreds of entrants could get more than 9 right.

Two folks tied for first place, each winning a check of \$10, by getting 9 right and being closest to the tie breaker (Nazareth 24, Farwell 18) -- Irby Selman and Scott Brown.

Others with 9 right were: Ryan Roberts, Ray Holdridge, Helen Smith, Jason Schilling, Fuji Ortiz, Juan Maldonado, Melanie Lingnau, Joann Luscombe.

Also, Jaime Maldonado, Cortney Herington, Altha Herington, Brent Harrison, Steve Jaime, Gay Goettsch, Dardanella Helton, Debbie Dillon, Gage Gregory, John Crozier, Claire Brown and Bruce Bryant.

Results of last week's games were:

Hart over Morton, Hale Center over Springlake-Earth, three Way over Lazbuddie, Wisconsin over Minnesota, Miami (Fla.) over Boston College, LSU over Mississippi, Virginia over Maryland, Green Bay over Chicago, Buffalo over Atlanta, Seattle over Jacksonville, Kansas City over San Diego and San Francisco over Dallas.

Very few entrants picked Dallas to lose.

The contest is now 11 weeks over; this is the final week. The overall winner gets the Dallas Cowboys package.

There's a change in the lead. Bill Roberts, who had held 1st place for the past four weeks, dropped into a 4-way tie for 2nd.

Here's a look at the leader board:

92 points - Hal Helton.  
90-- Bill Roberts, Randy Kelley, Wade Cargile, J.R. Ivins.

89 -- Willie Dannheim.  
88 -- Doug Dillon, Larry Gregory, Robert White, Courtney Carthel.

87 -- Claire Brown, Lance Castleberry, Debbie Dillon, Betty Jean Kelley.

## Texico test scores look good

The Texico School Board on Tuesday heard some excellent news involving student test scores.

Supt. R.L. Richards reported that results were in from the annual statewide battery of academic tests.

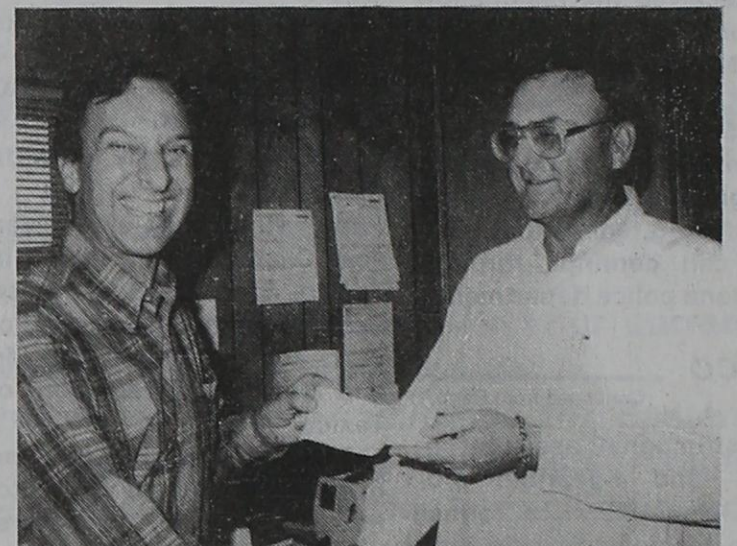

Of 89 New Mexico schools, Texico came in 13th among the 3rd graders, 4th among the 5th graders and 18th among the 8th graders.

Texico teachers deserve a big pat on the back, he said.

In other business, the board:

Scott Brown, left, receives his prize for winning last week's football contest from Mike Camp, of Town & Country Insurance, one of the contest sponsors. Brown and Irby Selman tied for first last week.

## Farwell to combine 2 half-day programs

The Farwell School Board on Monday approved a change in its Head Start and pre-kindergarten programs.

Currently, both are half-day programs.

Effective Nov. 27, the two will be combined into a full day program.

Supt. Richard Boothby said this will also allow pre-k students to ride the bus.

In other business, the board:

-- Met with Friona Police Chief Randy Gerles on the future of the county's DARE (drug education) program. He explained that if his department takes over the DARE program, funds will go into a special fund, with a county-wide board, and be administered by him.

The board voted to go with the transfer, if the city of Farwell also does. The Farwell city council meets next week.

After a year, it will be re-evaluated.

So far, Friona City, Friona School Board, Bovina City and Lazbuddie Schools also have approved the transfer of DARE from the county sheriff's department to the Friona police department.

This has come about because DARE officer Roy Smith left the sheriff's department and taken a post with Friona's police.

-- Discussed a problem of senior classes leaving small balances in their amounts after graduation.

The board agreed to transfer such monies to the school activity fund. And senior classes will be urged not to leave any balances.

-- Heard Boothby report that a House bill that passed the state legislature makes it

## Investment policy OK'd

The Lazbuddie School Board on Tuesday approved an investment policy with three priorities: safety of funds, liquidity of funds, and yield of funds.

Most of Lazbuddie's current money on hand is secured by state agencies.

Investment officers will be Kim Puckett and Phil Warren. They will be bonded.

In other business, the board:

-- Agreed to renovate the school playground at a cost of \$2,900. This was recommended by pre-k through 2nd grade teachers, and parents.

-- Approved the senior trip to Cap Canaveral, Fla., and a cruise to the Bahama Islands.

-- Approved a pact with a company for annual drug testing of bus drivers, as is state mandated. It will cost \$52.50 per driver and goes into effect on Jan. 1.

-- Will implement the sex education curriculum, with parent approval, at the 8th grade and below levels. Some summer optional courses for grades 9-12 will be offered.

-- Reviewed the construction grant, which has been approved by the state but fi-

a lot more conducive to have inter-active TV classes.

Boothby and Lazbuddie Supt. Phil Warren will be attending a meeting this week in Amarillon on this.

A couple of years ago Boothby attempted to move on this but was halted due to the expense of using phone lines. The House bill lowered this requirement.

By hooking up with other schools, Farwell would be able to offer a lot more advanced courses, said Boothby.

-- Was told that Farwell

The renovation includes roof, water well, windows and restrooms.

Steve Butler, of Canyon, was hired as the architect. OJD Engineers, of Wellington, will build the water well.

-- Approved Laurel Turner, wife of the new Methodist minister, on the substitute teacher list.

-- Received the resignation of Debbie Johnson as a Title 1 aide. No replacement will be hired.

-- Sent a letter to the Parmer County Commissioners agreeing that the county DARE (drug education) program can continue through the Friona police department.

-- Heard that the current enrollment is 543.

-- Was told that the Texico FFA parliamentary team finished in the top 10 at the national competition in Kansas City last week, and Marshall Baker finished 4th in the creed contest.

High and Junior High both received \$1,000 for their excellent test scores from the Texas Education Agency. The elementary school scores just missed the cut-off point.

The high school teachers voted to give their \$1,000 to the elementary school as a way of saying thanks to those teachers for their good preparation of students.

Also, Farwell High Principal Larry Gregory and Junior High Principal Jerry Dee Owen received plaques in appreciation of their work.

**Charges filed**

Six charges have been filed by the District Attorney's office against Phillip L. Moore, 41, Clovis, in the deaths of two persons in a vehicle collision near Clovis on Oct. 26.

DA Randall Harris said Moore has been charged with two counts of vehicular homicide and 4 counts of bodily injury.

Moore was the driver of a vehicle that collided with a vehicle driven by Jeanette Talley, of Clovis.

Killed were one of Mrs. Talley's children, Rebecca, 7, and Mrs. Talley's sister, Margie Robinson, 17.

The Talley family lives in Clovis.

Ms. Robinson also lived near Clovis, but had lived in Texico and attended Texico Schools until a couple of years ago. Her parents are Mr. and Mrs. Floyd Robinson, of Texico.

The bond on Moore, who has been employed at Capitol Foods in Farwell for several years, has been reduced from \$60,000 cash to \$60,000 surety bond or 20% for bail purposes.

**Marshal's Report**

Here is the weekly report from Texico Marshal Gil Holguin: Police concluded an investigation of burglaries on Nov. 4 and 9 at the Little Mexico flea market with charges of burglary, larceny and criminal damage filed against four Texico juvenile boys. Their cases will go to district court in Clovis.

On Nov. 8, police were called to the Town & Country convenience store where a man was reported as having overdosed on drugs. Stephen Cole, 30, Farwell, was charged with possession of a controlled substance and possession of drug paraphernalia.

On Nov. 11, police responded to a domestic call on State Street. A juvenile boy was charged with possession of marijuana. Robert Duran, 38, Texico, was charged with interfering with a police officer and resisting arrest.

A lengthy investigation into a hit-and-run report on Sept. 28 on Garwood Street has led to charges being filed against Jesus Retana, 47, Texico. He is charged with being party to an unlawful act and failure to give a written report of an accident.

On Nov. 6, a domestic call was made from a home on Avenue D. John Winegeart, 44, Texico, was charged with 2 counts of carrying a deadly weapon, domestic violence, tampering with evidence and child abuse endangerment.

On Nov. 12, a domestic situation on Katherine Street involved two juvenile girls, said Holguin. One girl, who he said had a knife, was charged with aggravated assault.

On Nov. 12, Jesus Gaytan, 26, Portales, was charged with DWI and speeding.

On Nov. 13, a girl walking to Texico School was bitten by a dog through a fence. The dog has all its shots.

On Nov. 10, a broken window at the Texico gym was reported.

**Police Report**

Here is the weekly report from Farwell Police Chief Roy McGaa:

On Nov. 3, an assault involving juveniles was reported. It was handled within the police department.

On Nov. 7, 2 reports of vandalism at the school field house were received.

On Nov. 10, McGaa cited a woman for having illegal New Mexico license plates on her car.

McGaa alerts the community that police have the right to ask a person's name, residence and date of birth.

McGaa said the woman lied about her residence. Police have the right, in that case, to issue a criminal citation through municipal court. This will be done in the future, he said.

On Oct. 14, a burglary at Tri County Tire occurred, with cash taken.

**Designations to change**

The Parmer County Commissioners on Monday received an update from Pam Neilson, of the Panhandle Regional Planning Commission, on the upcoming change involving road designations in Parmer County.

All north-south roads will be numbered, with east-west roads being lettered. The changeover likely will occur next year. The commissioners are reviewing the PRPC plan.

In other business, the commissioners: -- Agreed to seek a new road grader for the Farwell precinct.

-- Received three bids, all from Friona Motors, for a new sheriff's department vehicle. One was picked.

-- Discussed moving the early voting office in Friona from the Friona credit union to the bank, for residents; convenience. U.S. Justice Department approval is needed first.

-- At the last meeting, the commissioners asked local governmental entities to recommend whether the DARE (drug education) program should stay with the sheriff's department or be moved to the Friona police department, because the DARE officer has left the sheriff's department to join the Friona department.

County Judge Bonnie Clayton said three responses have been received so far: Bovina City, Friona City and Friona Schools all favor having the program continue through the Friona police department. After the commissioners receive word from the others (Lazbuddie, Bovina and Farwell schools, plus Farwell City), then a decision will be made.

## Steers topped by Nazareth

Two excellent teams went at it last Friday at Roberts Stadium, with Nazareth topping Farwell for the district championship with about a minute left in the game, 24-18.

Nazareth finished with a 5-0 district record for the second year in a row. Farwell ended regular season play with a 6-4 mark and 4-1 in district.

The Steers will play Shamrock, 9-0, at 8 p.m. on Friday (today) at the Canyon High School football stadium. Earlier reports that the game would be at 7:30 p.m. are incorrect.

To get to the school, as you come into Canyon on Highway 60, turn right at the flashing light (11th Street). Eleventh Street goes right by the stadium.

A tip if you are driving: there is a hidden parking lot on the visitors side which is the best place to park. You drive past the school and down a hill, then turn right after the practice field. It's at the southeast corner of the stadium. And you can buy your ticket right there.

It was another seesaw affair for the Steers, but this time conversions after TDs by Nazareth made the difference. Both teams had to fight gusting winds between 20 and 30 mph.

The game opened with Chase Hardage returning the kick to the Farwell 20. Nic Ketcherside ran for 6, then Brock Anderson for 8. Farwell moved the ball effectively on the ground, as Anderson gained 18 on another keeper. Farwell was stopped at the Swift 41 and was set to punt. But Nazareth left end Preston Ketcherside uncovered and the ball was snapped directly to Anderson, who passed to Ketcherside for a 34-yard gain. Six minutes into the game, Farwell drew first blood when Jason Miller scored from the 1. The kick was wide and Farwell led 6-0.

Nazareth started at its 38 and moved the ball effectively on the ground behind its big running backs. Anderson made a major hit on a Swift runner, jarring the ball loose. Jason Miller recovered the fumble at the Farwell 16. On an option play, Nic Ketcherside ran for 39 yards. But Farwell was held at the Swift 45 and Russell Williams punted.

On defense, David Everett and Michael Treadway had good tackles. On some plays, it seemed like all 11 Steers were in on the tackle as they played hard defense. On a 4th and 6 play at the Steer 29, Nazareth was finally stopped.

The teams traded possessions after punts. But with 2:24 left in the half, Nazareth scored on a 4th and 10-play at the Steers 11. A pass off a fake kick put Nazareth ahead, 8-6.

On the ensuing kickoff, Hardage got the ball on a reverse and sped 85 yards for a TD at 2:07. The kick failed, and Farwell led 12-8.

On defense, Nic Ketcherside had two QB hurries and Everett had a QB sack. Anderson and Preston Ketcherside also had strong tackles as the half ended.

Nazareth opened the third quarter at its 27 after Nic Ketcherside and Treadway combined on a good tackle. Luke Diaz recorded a QB sack, forcing a punt to midfield. Nazareth intercepted at its 40. Steven Miller had a strong tackle. The Swifts moved the ball, scoring with 29 seconds left in the quarter on a 1-yard plunge to go ahead 14-12. The run for extra points made it 16-12.

Nazareth tried an onside kick but Treadway fielded it at midfield. Anderson hit David Dannheim with a first down pass. Farwell was held and Williams squib kicked to the Swift 8. On defense, Ronald Armstrong, Adrian Gonzales and Everett had good tackles, forcing a punt to the Farwell 44.

After a fumble and QB sack, Farwell found itself in a 3rd and 25 situation. But Anderson hit Preston Ketcherside on a fly pattern up the middle for a TD with 5:21 left in the game. The Steers were ahead, 18-16.

Anderson tackled the punt returner at the Swift 28. Nazareth hit a 25-yard pass. Then the big running backs took over, pushing the ball downfield on the ground. Nazareth scored with 1:16 left in the game on a 3-yard run. The run for extra points ended the scoring.

Farwell, with one last chance, got to the Swift 40 when Anderson and Hardage combined on a 45-yard pass play. But that's where the drive ended as time ran out.

Nazareth had 18 first downs, Farwell 10. The Swifts gained 79 through the air and 256 on the ground. Farwell gained 142 passing yards and 89 on the ground.

## 'Shut down' nothing new

From Teresa:

As I sit here composing this article, our government has so-called "shut down." I watched some of the news reports that aired concerning just what was going to happen and what offices were going to be effected if no agreement between congress and the president was reached.

Perhaps, I have a warped view on government, but it seems to me that our government has been "shut down" for quite some time.

It amazes me that the adults that represent each state in the union can convene in that great hall of unity and completely tear each other to shreds all in the name of representation.

But what is it that they represent? I have almost lost any faith in our elected officials in Washington. They talk a good talk and make grand promises to make things better, but the minute they are sworn in, all is thrown to the wayside.

The party system that was a hallmark of our government has simply become a playing card. I really don't think that your party affiliation has anything to do with anything anymore, except giving them a source to argue about and declare representation.

I want to ask, "whatever happened to just being an American? What about doing what's right for America and its people, instead of what the Democrats and Republicans want?"

I don't think I am alone in thinking this either.

I would like to know if our President and our congresspeople have ever thought about having to put their families and lives on hold because they can't get their acts (and bills) together? Imagine Bill and Hillary telling Chelsea that she won't have any presents under the tree this Christmas because they haven't been paid.

Imagine Newt Gingrich telling his wife that she'll have to make his last paycheck cover all the bills, groceries and expenses for an undetermined time.

At first, when I heard that our government was shutting down again for the 5th time since 1985, I thought that maybe, just maybe, these elected officials of ours would get a true dose of what their actions have caused.

What was I thinking!? They live in Never-Never Land and while the rest of the nation is twisting at the end of a very tight rope, they're hopping, skipping and jumping with the very same rope. Nothing applies to them and they're all happy to go to their prospec-

## Letter To The Editor

## The Latest

Dear Mike,  
I am writing in regard to your article in the Border Banter on Nov. 10. I honestly believe, for the most part, the citizens of the Farwell/Texico area do shop here first. If we want to get technical about the issue, there are not that many **LOCALLY OWNED** businesses in Farwell and Texico. The majority of those are farm or automotive related of which there is a demand. There are only three eat-in restaurants. No, the Dairy Queen, is not locally owned. For that matter, our only grocery store is not locally owned. **HOWEVER, THESE BUSINESSES DO SUPPORT FARWELL & TEXICO** by donating to the schools with their advertising dollars.

Mike, you are contradicting yourself in your column. Just take a look through your paper. Over half of your advertisements come from businesses outside our "area." I realize that this does not support our towns but it does support YOU and YOU pay taxes.

As for Wal-Mart being the focal point in your column, I know for a fact that there are Farwell/Texico taxpayers who receive a payroll check from Wal-Mart. These same people most likely have a subscription to the Tribune. Which causes me to wonder, if the out-of-town advertisers in your paper read this column, would it make them want to advertise with you again? Seems to me that you are asking for their ad dollars, then telling your readers not to buy from them. These same advertisers also buy ads from the local school yearbooks. Do you think they will want to continue that after reading your column?

Essentially, what I am saying is that these local communities cannot exist without the aid of each other, Clovis included. It appears that this is a problem all over our country, people not wanting to work, and help, each other. I say, on a local, state and federal level, there needs to be more of an attitude of lending a hand UP instead of giving, or wanting, a hand out! Instead of only saying, "Buy Local," why not say "Buy America," also. That way we all benefit.

Dale Sikes

Dear Mike,  
In response to your Border Banter in the Oct. 20 Tribune about our "drug problem," I agree 100% that we "bury our heads in the sand." I'm one of the worst. We, as parents, have brought up our kids the best we know how and have taught them that drugs, alcohol and even tobacco are against the law, are harmful and can kill.

But kids will be kids. I feel that as long as we as parents "bury our heads in the sand," and not stay aware of what our kids are doing, there will always be a problem. Yes, even in our small towns, and yes, with "our" kids. I've heard "my kids don't smoke, drink or do drugs because they don't have the money." Wrong! As a parent of teen-agers, I'd like to say, really know our kids. Be aware of what they are really doing.

Know that teen-agers "cover" for their peers (probably a lot more than we know). Surprise them and be up when they get home so you can see their eyes. If they smell like smoke, booze or pot, aren't they possibly using? If they are with other kids using any illegal substance, they could be using, also. Even if they say they aren't.

Talk to your teen. Ask them if they're using. They really do want you to know what they are up to. I used to think it was the "losers" that us, but I've learned differently. Don't kid yourself into thinking "not my kids, they know better."

Thanks, Mike, for the chance to reach out to other parents.  
Debbie Phillips

UNLEADED GASOLINES

Before your top priority becomes thawing out the children or the family pet, make sure you call your propane dealer and have your tank topped off for the winter.

If you call now and place your order, you might just be at the top of the list. And you know what list you'd be on if your tank ran dry. There's nothing like a warm house on a cold Texas morning to make you feel tip top.

Propane. The clean choice. The clear choice. It's no wonder it's the top choice.

### Why I'm thankful...

Following are some Thanksgiving themes written by local youths in honor of next week's holiday. More themes will be published in next week's special Thanksgiving issue -- which will be delivered in the Twin Cities and the rural routes on Wednesday -- the day before Thanksgiving.

There are many things that I am thankful for. I am thankful for my family, friends, my teacher, my life, and the world. I am also thankful for the food that we eat and grow, the land that we live on, and the animals that live on this earth with us. It's also nice to have a church, a home, and a family that loves me.

Marisela Rivera

I'm thankful for not having an asthma attack in about a year. I am also thankful for my family because they love me. I'm thankful for my show pig because she lets me sleep with her. My sows are also special to me because they have baby pigs.

Wade Lee Richardson

I'm thankful for my family because they support and love me, for my church because when I go to church the Heavenly Father is by me and lets me understand his word. My family and the Lord are always there for me when I'm sick or something is wrong with me. I hope everyone has a good Thanksgiving.

Katie Anne Stesny

I'm thankful for my parents because they buy my food and clothes. They even bought me a home. I am really thankful for my mom. I wouldn't be here if it wasn't for her.

Riccardo Fuentes

I'm thankful for a family who feeds me, puts clothes on me and helps me with my homework. I'm thankful for a kind teacher who helps me in class, a home that protects me from the weather. I'm thankful for God and that Jesus died on the cross for me. I'm thankful for all the holidays and the fun that all my family has.

Toby Thornton

I'm thankful for my family because they help me with my homework and make me feel good, for my home because it keeps me out of the rain, for my teacher because she is nice and does neat stuff with the class, for my pets because I can take them for a walk in the park. I play with them and do tricks with them and after that I will give them a snack for doing so well.

Jessa Winegeart

I'm thankful for my mom and dad because they are always there for me and they love me very much. I'm thankful for the weekends because we're out of school and we get to spend time with our fam-

ily. I'm thankful for Jesus because He died on the cross for me and made me out of Adam's rib. I'm thankful for Mrs. Ferrell because she's really kind and I like her very much. I'm thankful for Kelly because she makes me silly and she's really good at match.

Crystal Abernathy

I'm thankful for the holidays, they are fun. I have more time with my family. I'm thankful for my home. It protects me from the weather. I feel love in my home. I'm thankful for my family. They feed me, take care of me when I'm sick and share their love with me. I'm thankful for Mrs. Ferrell; she is kind with me. She hardly ever gives us homework. I'm thankful for my friends. We always play together and talk.

Johnny Rivera

I'm thankful for my mom because she buys me things I have fun with. I'm thankful for my dad because he lets me drive the truck and the tractor by myself.

Jay Herington

### Want to run for election? Jan. 9 is signup day in Texico

Texico City Clerk Marie Christian noted at Tuesday's City Council meeting that Jan. 9 is the only day for residents to sign up in the next city election.

Residents will need a certified copy of their current voter registration, which they can get at the county clerk's office.

An address must be shown on the voter registration -- not a post box number.

A voter identification card which has been stamped by the county clerk's office will be accepted.

If an individual fails to submit the required documents in the form and with the contents required, the clerk shall not certify the person as a candidate.

If a person doesn't file properly as a candidate, they can still file as a write-in candidate.

Once filed, the declaration of candidacy is a public records, she added.

The election will be March 5. Four posts will be on the ballot -- the city judge, held by Carol Snider; and three council posts, held by Rick Queener, Ronnie Warmuth and Ricky Qualls.

In other business, the council:

-- Heard Mayor Butch Tharp say he has received complaints of motorists running the stop sign at State Street and the highway (near the post office). The marshal's office will be watching this.

-- Three persons applied for the animal control job. Tharp picked Becky Stoico, of Clovis, who had held the job before. She picked up 5 animals her first day on the job.

-- Discussed whether to change the form letter sent to folks requesting a variance. It was left the way it was.

-- Allowed Fire Chief Lewis Cooper to work with state legislators on seeking state funds for a new fire substation and Class A rescue/pumper truck.

-- Heard Marshal Gil Holguin say there have been a lot of near-accidents on the highway near the Spur Restaurant and he has asked the state to take a traffic survey, hoping to lower the speed limit there, and add more markings.

-- Heard Cooper report that plans have been re-worked for the proposed community center to get within funding limits and plans call to seek new bids next month.

-- Will discuss at its next meeting a problem with lots of delinquent water bills. The required deposits likely will be raised.

**Longhorns of the Week**

Longhorns of the Week are, clockwise from left, Brice Redwine, Juan Salazar and Israel Lopez.

**The Chief's Corner**

By Farwell Police Chief Roy McGaa

When is a person grown up?

I want to address just one aspect of that question, and it has to do with confrontations that start with 'he said you said...' or 'I hear you....' There is an old saying that goes 'sticks and stones can break my bones but unkind words can't hurt me.' You are grown up when you believe that, or if you can't believe it, you act like you do.

**The manipulator:** This is the person who is dead in the heart, who doesn't care about anything but self gratification. He or she wants to see a confrontation. It is very easy to spot this malfunctioning excuse for a human being because they will tell you something like 'Billy Joe said you were ugly.' A friend who cares for your feelings will never say anything like that to you. You are grown up when you recognize this fact. However, if you go to Billy Joe and challenge him over something you never heard him say, then you have a long way to go.

**The Bully:** This person, male or female, is easy to spot. Their favorite approach is usually, 'I hear you said.....about me.' First off, they demonstrate their lack of maturity by that statement. They are acting on a rumor, if indeed anything was ever said to them. However, that statement is usually a fabricated opening (lie) to justify their picking on a weaker person. It is simple -- anyone, male or female, who uses their strength for the benefit of others is grown up. Anyone who uses their strength to dominate another has a long way to go. You should also know that strength can be knowledge, and knowledge is to be passed on, not used to ridicule.

**The Coward:** Another type of social misfit is the coward. Again, they are very easy to find because, lacking the courage to confront anyone, they resort to anonymous attacks. These are accomplished by phone calls where the coward refuses to identify himself or herself, sneaking around in the night-time and destroying another's property, or starting vicious rumors to cause embarrassment or harm to another. If you resort to any of these methods to get at another person, you are not grown up.

One last word: Being grown up has nothing to do with age. I know many people in their 50's and 60's who are still children.

**Longhorns fall**

The Lazbuddie Longhorns finished their season at 5-4 and 2-3 in district after falling to the Three Way Eagles in an away game last Friday, 26-22.

Advancing to the state playoffs from District 2-A were Amherst and Whitharral. Amherst was 5-0 and Whitharral 4-1 in district.

Three Way had a very effective passing attack, connecting on 17 of 22 for 195 yards, while adding 145 yards on the ground. The Longhorns were 8 of 17 via passes for 115 yards and gained 165 yards rushing. Three Way had 11 first downs; Lazbuddie 10.

It looked good for the Longhorns early as they took a 14-0 lead in the first quarter. Guy Nickels tallied on a 20-yard run. Then Brice Foster plunged over from the 2, followed by a Jason Thomas kick.

But the roles were reversed in the second quarter as Three Way scored 20 unanswered points -- on runs of 3 and 12 yards, and a pass of 13 yards.

Lazbuddie fought back in the third period, with Josh Warren scoring on a 24-yard pass from Justin St. Clair. The Thomas kick put Lazbuddie ahead, 22-20.

But only about a minute later, the Eagles hit paydirt on a 57-yard pass play for the victory.

Coach Scisson, summing up the season, called it a "learning season. We did about as we expected. We were a really young team, but hoped for the playoffs."

In its final game, Lazbuddie was hurt due to injuries to its running backs.

Lazbuddie will have most of its team back next year. Three players will graduate -- Guy Nickels, Josh Warren and Jr. Lopez.

**Sheriff's Report**

On Nov. 13, Jose Alaviz Jr., 20, Bovina, was arrested by Bovina police on a charge of possession of a controlled substance. The case is pending before the grand jury.

On Nov. 7, Gary Bannister, 21, Clovis, was arrested by the sheriff's office for probation violation. The case is pending in district court.

In Parmer County Court, a charge filed last month against Dan Walterscheid, Farwell, for harrasment, was dismissed.

In 287th District Court, with Judge Jack Young presiding, on Nov. 9: Tricia Kay Southward, 18, Clovis, charged with burglary of a habitation, received 7 years deferred adjudication, court costs, restitution and fine.

**Why I'm thankful...**

Following are some Thanksgiving themes written by local youths in honor of next week's holiday. More themes will be published in next week's special Thanksgiving issue -- which will be delivered in the Twin Cities and the rural routes on Wednesday -- the day before Thanksgiving.

I'm thankful for my family because they love me and take care of me. I'm thankful for my pets because when I am sad they love me. I'm thankful for my home because it shelters me, protects me and keeps me safe. I'm thankful for my teacher, Mrs. Ferrell, because she loves me and takes care of me. I'm thankful for my friends because they are nice to me.

Jamyé Armendarez

I'm thankful for my dog because he is fun and I love him. I'm thankful for my family because they love me and care for me. I'm thankful for my home because when I'm sad I can go home and know I'm loved. I'm thankful for Mrs. Ferrell because she's very pretty and I love her and she loves me. I'm thankful for Jesus because He died on the cross for my sins. I'm thankful for my friends because when I'm sad they comfort me. I'm thankful for my school because they teach me new things I've never learned before. I'm thankful for my mom because she's there when I need someone to talk to.

Mikyhla Petty

I'm thankful for my family. They give me a home and help me with my homework and also give me love. I'm thankful for my teacher. She is sweet and kind. I'm thankful for my home, it gives me shelter for the winter and when it rains. I'm thankful for my friends that cheer me up when I'm sad. I'm thankful for Kelley that is special to the class and to our teacher.

Sherry Stone

I'm most thankful for God, my dad working and my family. Obviously, if God was not with us, we wouldn't be alive. Without a doubt, if my dad was not working, we wouldn't have food, a home and water. Truly, if I didn't have a family I wouldn't have anyone's love and care. Thanks for God and my family for helping me.

Rosa Serrano

I am most thankful for God, my family and friends. God is a vital force in my life because if we didn't have God we wouldn't be alive on earth. If we didn't have a family, we wouldn't have a brother, sister, parents and grandparents. If we didn't have friends, we wouldn't have anyone to play with. In conclusion, I think everyone should be thankful through all the holidays.

## Texico fire insurance rates to decrease

by Jessica Hadley

"Thank you, Texico Volunteer Fire Department and City Council."

Texico residents and folks living in adjacent area will be saying those words for years to come, not only for the services the two groups render to the community, but also for a recent reduction in fire insurance rates.

As of Nov. 1, Texico residents and those living within five road miles of the city are eligible for lower fire insurance costs, possibly as much as 30 percent, due to several years of concentrated effort on the part of the fire department and city council.

A Colorado-based group called Insurance Services Organization (ISO) visits each community within this region at least one time every 10 years, evaluating its fire department and water system. The evaluation is then used to establish the insurance rate class of the town. For about 40 years, Texico was consistently rated as Class 8. However, following the ISO's recent inspection, Texico was moved from Class 8 to Class 5.

Under the new rates, any fire insurance policy written after Nov. 1, will reflect the change in class, dropping the cost of fire insurance for homes and other structures by as much as 30 percent. Policies written prior to Nov. 1 may remain under the earlier Class 8 designation. Individual insurance companies will decide whether they will lower rates or retain the higher classification. Residents are encouraged to check with their insurance companies regarding policies written before Nov. 1.

In the 10 years since the previous ISO inspection, the city council and fire department have exerted great effort to bring about a change in classification. The city has upgraded water mains and water wells, and, most recently, linked the two city water wells and replaced water lines along Turner Street.

The fire department has acquired a tanker and a new Class A pumper; has obtained, with the help of the forest service, 10 SCBAs (self-contained breathing apparatuses) to update equipment; and the fire department members have undergone training in fire suppression, search and rescue operations, truck operations, and mutual aid training with other fire departments.

While in Texico recently, the ISO team thoroughly checked out both the fire and water departments. They went over fire station and water department records and all training and maintenance records to make sure that documentation was complete and appropriate. Also, they physically inspected fire plugs throughout Texico.

Texico residents will reap the benefits of the new Class 5 rating in more ways than just decreased fire insurance premiums; the change will also mean more funds for the fire department, about \$5,500 a year.

Fire Chief Lewis Cooper paid special thanks to the 23 members of the fire department for their hard work and efforts.

## Lady Spikers finish 3rd at state

The Texico Lady Spikers finished in 3rd place in the state tourney last week at Roswell. The team was 17-6 on the year.

This was the 11th time in the past 16 years that a coach Michael Littlejohn volleyball squad from Texico went to state.

Of Texico's 6 losses, 3 were to Tatum, the Class A state champions who went undefeated. The other three were to Hatch, state AA runnerup, to Animas who beat Hatch in the first round, and to Eunice who was upset in the district tourney. This was the first time in a number of years that the lady Spikers would win district, the district tourney and the regional tourney in the same year.

Texico finished first in its pool at state. They then defeated McCurdy in a come-from-behind 2 1/2 hour, 5-game match: 16-18, 12-15, 15-12, 15-8, 15-0.

In the semi-finals, Texico took on Hatch. Hatch won in four

## Veterans honored

By Mike Pomper

It was quite an event last Friday at the Farwell City Park.

The Veterans Day ceremony was magnificent. Those who attended appreciate the significance. If you missed it, then you missed something special.

Lee Hutchins and Rev. Ed Greenthamer did an outstanding job at putting together the event. And I sincerely mean it.

There were quite a few veterans present, like myself, who appreciated the importance of remembering those who have served our country.

It was a blustery time when the ceremony was held. Winds were out in full force. But that didn't stop the ceremony one bit.

A big thank you should go to Larry Gregory who turned out the high school kids in full force. The school band sure sounded good. Pat Henry knows his stuff.

The newly-formed Farwell chorus sang well, and the Cannon Air Force Base Color Guard was appreciated.

The speech by John Carlson, a Farwell resident who is a retired Air Force colonel, was excellent. And Greenthamer again showed why he's an excellent master of ceremonies.

There were two things I really appreciated about the ceremony:

### Title clash

The Texico-Farwell 5-6 grade boys play for the Play Inc. football title at noon cdt Saturday at the Play Inc. football field.

games, 5-15, 15-10, 15-17, 11-15.

This put Texico into the consolation game against Navajo Prep, which the Lady Spikers won in a come-from-behind fashion: 15-13, 12-15, 15-17, 18-16, 15-13. When the match was finally over and you add up the scores, there was only a 1-point difference between the two teams - Texico 75, Navajo Prep 74.

Littlejohn praised his team which "played together like a team! Despite some outsiders who didn't think we played as a team, I totally disagree. You don't go 17-6 with winning streaks of 3, 3, 7 and never lose more than one match in a row if you don't play together.

"These young ladies got down on themselves at times but never gave up. The old saying about 'down but not out' sure fit this group. There were times that it looked to everyone but the girls that we were out, but they always fought back. That takes character, plus belief in yourself, as well as hard work at the different skills so that you can make the plays. They came back time after time this year and eventually took 3rd at state."

Littlejohn will have a veteran team back next year, as only two players are graduating -- Misty Barnes and Kelley Cooper.

Statistics from the state tourney:

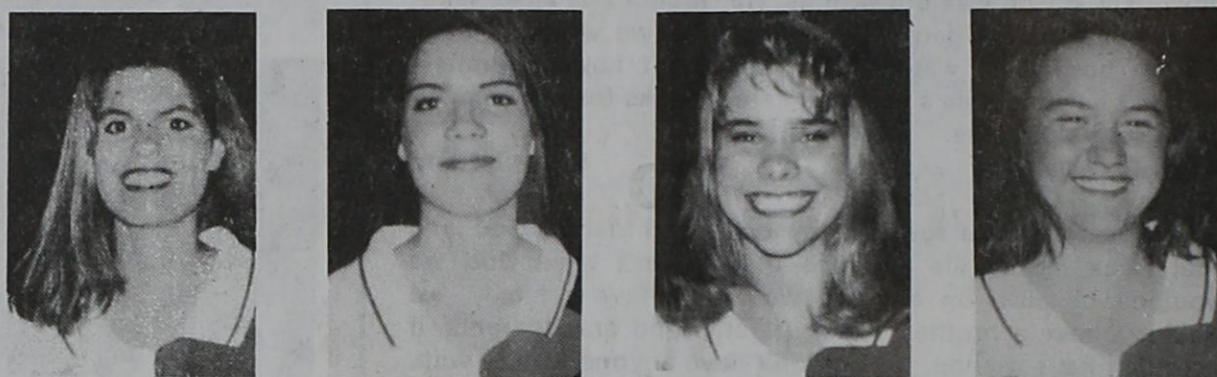

Kills -- Barnes, 38; Cooper, 40; Brandi Norvell, 49; Whitney Johns, 19.

Blocks - Barnes, 17; Russell, 23; Cooper, 9; Norvell, 17; Johns, 28.

Aces -- Barnes and Russell, 11 each; Cooper, 18; Norvell and Johns, 8 each; Stacy Stewart, 4; Felicia Taranga, 6; Amy LaFrenz, 1.

Assists (setting) -- Russell, 67; Stewart, 70.

Excellent passes -- Barnes, 50; Russell, 51; Cooper, 67; Norvell, 49; and Johns and Stewart, 56 each.

### All District 7AA

Named to the All District 7AA team from Texico were, from left, Kelley Cooper, outside hitter; Misty Barnes, middle blocker; Brandi Norvell, outside hitter, and Jessica Russell, setter.

## Your Patients Set Our Standards

Not every air medical transport service can meet the highest standards in the industry. To do so requires a 100% commitment. Anything less could mean the difference between life or death.

AeroCare not only meets the high standards set by every accrediting organization in its industry, but exceeds them. No other flight program in the region can match AeroCare's impressive list of credentials:

- Commission on Accreditation Air Medical Services (CAAMS)
- MICU Licensure: State of Texas, State of New Mexico
- More than 7,000 safe flight hours
- WINGS Safety Award from Federal Aviation Administration

But the highest standard of all is in meeting the needs of your patients in West Texas and Eastern New Mexico who count on AeroCare each day to link them with the tertiary care provided by Methodist Hospital, Methodist Heart Center and Methodist Children's Hospital in Lubbock. Meeting patients' high expectations is the right response to the people of this region who expect and deserve nothing less from their emergency helicopter and fixed wing service.

When you require experience and leadership that set the standards others follow, make the right response. Call AeroCare at 1-800-627-2376.

## Christmas on Parade set Sunday in Farwell

It's time for Christmas on Parade in the Twin Cities! The event in Farwell, sponsored by the Farwell Chamber of Commerce, will be held from noon to 6 p.m. on Sunday. The Chamber, due to efforts by president Ralph Franse, will be providing a shuttle bus between the businesses. The bus also will stop at the Hughes True Value parking lot, which will be open for folks to park their cars in. Also, organizer Mary Gustin noted that the candy-making contest is open to folks for judging AND tasting. The contest needs folks in both categories, she stressed. Also, entries in the candy-making contest are welcome though Saturday night. The earlier notice on a deadline was for participants to have their recipes in the cookbook.

Local merchants are working together to present their holiday ideas. Door prizes and refreshments will be presented at all locations. Attractions include:  
 -- Christmas candy-making contest, with a \$50 prize (see story elsewhere in today's Tribune).  
 -- Farwell carolers, bringing their music to all locations.  
 -- Visits by Santa Claus and Miss Border Town Days, Chelsi Woods.  
 -- Scavenger Hunt, with all merchants are participating, with a stocking filled with goodies awarded as a prize.  
 -- Rip's Western Wear, will feature a drawing for a Sharon Young outfit.  
 -- Stateline Drug & Sundries, with its old-fashioned soda fountain.  
 -- Twin Oaks Psi Design, with a unique collection of gift items and ideas.  
 -- A Touch of Country, with the newest in Christmas decorations and ideas.  
 -- Don Malcome Donuts, where the candy-making contest will be held.  
 -- Farwell Community Center, with Nana B, Windsong Creations (Ginger Byrd), hair braiding demonstrations by Frances Kube (The Beauty Box), and many booths featuring Christmas ideas. Also, a quilt show will be held.

Fall is definitely in the air. As we see the leaves changing color and falling to the ground, with the cool temperatures, the aroma of Thanksgiving Dinners will soon be in our homes and families will gather together. We know it's a truly wonderful time of year. Last week, we enjoyed having 3 interesting visitors for pet therapy. They included a large turtle, a ferret and a goat. The goat was the center of attention since it was his first visit with us. We celebrated Veterans Day on the 10th. We had tables set up in the lobby for our veterans to eat together. Tables were decorated with red, white and club color schemes. Our original plan was to have a flag ceremony. But the weather didn't cooperate. The 27th Fighter Wing honor guards from Cannon quickly adjusted its flag ceremony for us. They did an excellent job with the ceremony despite the quick changes they needed to make. It was a true honor to have one of them sing the National Anthem for us. We honor and respect our vets for the freedom they have brought to us, and for what they stand for. JoAnn and I will be busy with residents making centerpieces for their tables this week. We look forward to this. Our resident and family Thanksgiving dinner will be Tuesday, Nov. 21 at 7 p.m. We look forward to the wonderful meal and the fellowship we will have with the residents and their families. From all the staff and residents at the FCC, we wish you a safe and happy Thanksgiving. Have a good week!
