## Political words of wisdom

I guess, with an election coming around the bend, I should be commenting on some of the candidates.

It seems all the local fellows are unopposed, so I guess you know who I will be marking my ballot for. Likewise, I know who you will be voting for at the county level.

The Presidential race doesn't much interest me because I believe President Reagan will win easily. But someone wrote something like that in 1948 about a mustached-fella from New York. So you never know.

The important thing is to vote. For our great democracy to stay strong, people must vote. It's your responsibility as a citizen of this nation. And a key reason why our country has grown strong over the decades is because its citizens participate in the electoral processes. So be sure to be at the polls on Election Day.

In Texas, the state senate and state representatives for Farwell are unopposed. No problem there. In New Mexico, there are races for each office but I haven't had a chance to meet the gentlemen yet.

Being new here, I'm not in a position to endorse candidates for the Congressional races in Texas or New Mexico. Even if I could, I probably wouldn't. Nothing worse than a newcomer to a community telling longtime residents how to vote.

The only candidates I have had a chance to meet are the two U.S. House of Representatives opponents from the Farwell district - Don Richards and Larry Combest.

Both seemed like decent chaps. They are both conservative and many of their views are alike. So it appears on the surface this area will be well-served regardless of who wins.

One difference they have, though, caught my eye. According to the Amarillo paper, it seems Combest spoke at a debate and said he favored creation of a cabinet department to control foreign trade in agriculture. It would put a bunch of agencies under one roof, thereby improving efficiency and cutting red tape.

On paper, I would agree wholeheartedly that putting such agencies under one roof would help efficiency. No question. On paper, that is. Not in real life.

Here is what really happens. A huge, new bureaucracy grows up. And just because a bunch of federal agencies are under one roof doesn't mean they are going to work together. Every federal agency is a Lord Unto Itself.

Now if Combest really wants to get a handle on controlling foreign trade in agriculture, here's how he can do it.

As I've written earlier, federal employees in Washington have more time than they know what to do with. All Combest has to do is have the number of Washington employees in the U.S. Department of Agriculture cut in half. The remaining employees could handle the extra workload without any problem. There would be a real good savings to taxpayers. AND red tape would be cut since work done by two departments, for example, would be done by one.

I have a smile on my face as I write this because the logic is so simple. And I believe I am correct. But, obviously, such a plan doesn't have a snowball's chance in Hades.

And why doesn't a Congressional candidate suggest something along these lines? Because they know they can't do a darned thing about it. They don't have the power and they can't publicly admit it. The federal bureaucracy would make such decisions, not little, itty bitty Congressmen.

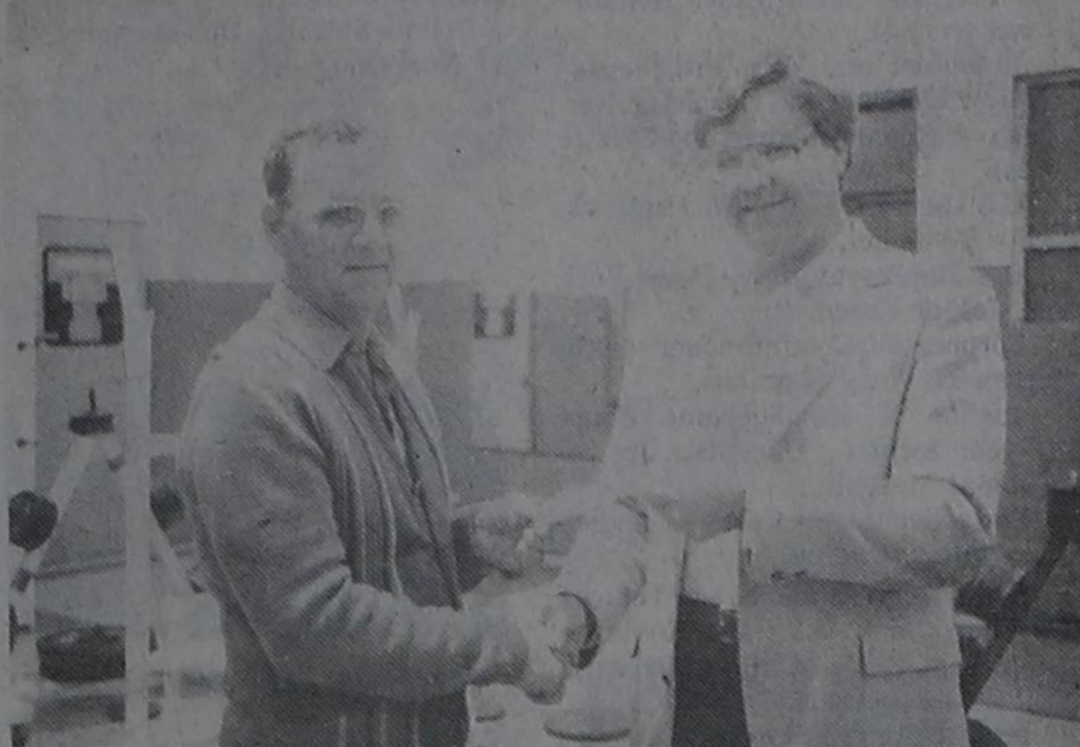

But that's not to say that Congressmen don't have some power. Why, they can propose expanding the bureaucracy!

## Carpeting planned

The Farwell Booster Club Tuesday night agreed to pay for carpeting plus its installation in the weightlifting room and office at Farwell Schools.

The work is to be done immediately.

In other business, the club received its Steer baseball caps which will be sold as a fund-raiser. The coaches received free Steer caps.

Contest winner

Larry Gregory, right, receives his first-place cash prize for winning last week's Area Merchants Foot-

ball Contest from Sonny Cohee, manager of Worley Mills in Farwell, one of the contest sponsors.

## Gregory is first in Contest No. 7

Five contestants had 11 of the 12 games scored correctly in the seventh week of the 26th annual Area Merchants Football Contest.

The entrant with the score closest to the tiebreaker was Larry Gregory, a teacher and coach at Farwell High School. He was eight points off the tiebreaker - Texico defeating Melrose, 20-6. He received a cash prize of \$7.50.

The second place cash prize of \$5 also went to an entrant with 11 correct answers - Franka Bungarten, an exchange student from West Germany. She is staying with the Vernon Thigpen family in Farwell. The exchange program is sponsored by the Texico-Farwell Rotary Club.

Franka, a student at Farwell High School, was 12 off the tiebreaker.

Also with 11 right answers were Andy Chisom, Rhonda Lingnau and Johnny Franse.

After seven weeks, here are the contest leaders:

- 59 points - Jim Parker.
- 58 points - Gay Goetsch, James Williams.
- 57 points - Craig Kaltwasser.
- 56 points - Buck Gregory, Edwina Owen, Gaye Roberts, Vernon Thigpen.
- 55 points - Diane Dannheim, Randy Davis, Duane Hamar, Mamie Howard.
- 54 points - Delores Williams,

Jennifer Williams, Janene Berry, Charles Dannheim, Carl Dean Goetsch, E.M. Lonsdale Sr., Lonnie McFarland, Eddie Meeks, Kim Norton, Dianne Parker, Modine Parker, Scott Parker, Debbie Weir, Robbie White.

Results of last week's games were: Farwell over Lazbuddie, Muleshoe over Dimmitt, Nazareth over Vega, Auburn over Georgia Tech, Ohio State over Michigan State, West Virginia over Boston College, Texas over Arkansas, Baylor over Texas A&M, St. Louis over Washington, Seattle over Green Bay, Philadelphia over New York Giants, and Chicago over Tampa Bay.

The winner after 12 weeks will win two tickets for the Washington Redskins-Dallas Cowboys game Dec. 9. The prize also includes lodging at the Regent Hotel in Dallas, transportation to and from the game and \$50 spending money.

Each contestant can have only one entry. Entry blanks are on the contest page in today's newspaper and are available at the Tribune office. You must be at least 12 years old to enter.

Totals are on display at the Tribune office from 8:30 a.m. to 5:30 p.m. All entries must be turned in at the Tribune office before 5 p.m. Friday (today) or, if mailed, bear a Friday postmark.

## It's virtually official for special election

It's virtually official: Farwell voters face a special election in January.

City Clerk Janie Bowery reports that she has checked the number of signatures on the petition calling for a special election, and there were 93 valid signatures on it.

For a special election to be held, at least 60 valid signatures are needed.

David Kube had presented a petition to the City Council Oct. 8 with the names of 116 people requesting the election. The petition asks for a special election "in order to change the present commission form of administration to an aldermanic form, increasing the amount of commis-

sioners by three."

Currently, there are two councilmen - Jerry Monk and Fred Chandler. The mayor, Walter Kaltwasser, only votes in case of a tie. Kaltwasser was among the petition signers.

Mrs. Bowery said the City Council will meet next on Nov. 12, at which time they would call for an election. She said the date is set by state law - the third Saturday in January (Jan. 19, 1985). The election would only be for the purpose of deciding whether to change the form of government. No candidates would be elected at that time.

If voters approve changing the form of government, she said, the

earliest possible election at which candidates would be chosen would be the first Saturday in April (April 6, 1985) - again, as set by state law. Councilmen's terms would be for two years and staggered. There would be city elections every year.

If voters reject a new form of government, an election for the current two council posts and mayoral position would be held next April.

When he presented his petition to the council, Kube complimented the current councilmen for the job they have done but said he felt more citizen involvement was needed - "three more aldermen to discuss the issues."

## Halloween coming!

Watch out for all the little ghosts and goblins who will be out on Halloween night.

Both Texico and Farwell report that there will be little children trick or treating early on the evening of Oct. 31.

Citizens of the Twin Cities are asked to turn on their porch lights to aid the little ones in their quest for goodies.

Principals at both elementary schools report that there will be Halloween parties in the individual classrooms on the 31st, but that there are no plans for Halloween carnivals at either school this year.

Each class will be on its own to plan the type of party that it will have.

Area residents may be asked by trick or treaters for UPC codes from Proctor and Gamble products. They are being collected to get a computer for Texico schools.

If enough UPC labels are gathered, Texico can get one or two IBM PC jr. computer systems. IBM symbols (the bars on different products that tell what the prices are) are needed from the following brands:

Bounty paper towels, Citrus Hill orange juice, Coast soap, Crest toothpaste, Encaprin arthritis pain reliever, Luvs diapers, Prell Concentrate shampoo, Puffs facial tissues, Sure Solid deodorant, Sure

Containers set up

Students from Texico High School deliver a collection container to employees of the Capitol Food Store to be used for the collection of UPC labels. From left, are students Tim Meier and Eric Wilson, and Capitol

employees Amy Dotson and Lynn Tubbs. Other collection points are at Hughes Hardware in Farwell, and at the Citizens Bank of Clovis branch at Texico.

Roll-On deodorant, Tide laundry detergent, Crush carbonated beverage (16 oz. and 10 oz. bottles) Jif peanut butter, Scope mouthwash,

Crush carbonated beverage (2 liter bottles), Pert shampoo, Liquid Prell shampoo, and Crush cans (specially marked pull-off tabs).

Texico teacher Ronnie Warmuth, who is spearheading the project, said that Farwell Schools have agreed to help him with it.

Organist Margaret Aycock tries out Hamlin's new organ.

## Hamlin gets Allen organ

Members of the Hamlin Memorial Methodist Church had braced themselves for a long campaign to raise the money to buy a new organ.

But their prayers were answered earlier than they had anticipated.

They had dedicated the money from their memorial fund for the purpose of buying the organ, and some individual gifts were donated to the organ fund. The choir scheduled a rummage sale, but an anonymous donor presented the church the needed funds before the rummage sale occurred.

The new organ is an Allen digital computer organ, model 3000. It can act and sound like a pipe organ even though it does not have pipes. It uses a computer to reproduce sounds. Unlike a pipe organ, weather will not affect the sound of the new organ, and it will not need frequent tuning.

There are other computer programs available to make the new organ sound totally different.

"I'll have to show some restraint," said organist Margaret Aycock. "It can shake the rafters."

Mrs. Aycock said that she would have to practice before using the organ in a service so that she wouldn't blow the socks off people."

## Time for a change

Sunday morning at 2 a.m., the time officially changes to standard time. Remember, spring forward, and fall back; so this time, we'll be setting our clocks back one hour.

## White re-elected

Joel White was re-elected chief of the Farwell Volunteer Fire Department last week.

Also elected were James Curtis, assistant chief; Robert White, secretary; Rick Ketcherside, judge; Mark Palady, assistant judge, and Lee Hutchins, training officer.

The department is looking for more members. On the current rolls are 19 firefighters. You don't have to live in Farwell to be a member.

Persons interested in joining the department may call Chief White at 481-9133 or come to the department meetings at 7 p.m. Thursday at the

meeting hall in back of the fire station on First Street.

The department operates two pumpers and an ambulance. It used to have two ambulances but the second one, a van-type, was donated earlier this month by the city to the Farwell Convalescent Center. The fire department members are still making runs for the Convalescent Center until it can get licensing and insurance for its new ambulance.

Training for the fire department is "OJT" - on the job. Three fire schools are held annually and par-

## Harvest slowed

The chilly, wet temperatures have slowed the harvest in Parmer County.

Martin Chandler, manager of the local ASCS office, took an optimistic view, though.

He noted that there will be some corn loss but since this area had such an excellent corn yield this year, it won't be that bad.

"There's still quite a bit of corn out in the field. A lot has fallen and will have to be picked off the ground. There will be some field loss," he noted.

Chandler said most of the sorghum crop is in good shape. Warmer weather is needed for some sorghum to mature. Better weather is also hoped for the cotton crop, whose maturity has slowed in recent days. But most of the cotton crop is in good shape.

## No Parmer candidates opposed

No Parmer County candidates for the Nov. 6 election face opposition.

This means that Johnny Actkinson will be re-elected district attorney for the 287th Judicial District, Charles Aycock will be re-elected county attorney, M.C. (Bill) Morgan Jr. will be re-elected sheriff, Hugh Moseley will be re-elected county tax assessor-collector, Ernest Anthony will be re-elected

county commissioner for Precinct 1, and Robert White will be elected county commissioner for Precinct 3.

All the county candidates are Democrats.

Anthony represents the Friona 2-1 voting precinct, and White represents the Farwell and Oklahoma Lane voting precincts. White will be the only newcomer, having defeated incumbent Archie Tarter in the primary, 267-182.

County Clerk Bonnie Warren reminds voters that absentee voting is continuing through Nov. 1 weekdays at the county clerk's office in Farwell. Also, absentee ballots can be cast at the Federal Credit Union office in Friona Oct. 25 and 26, and Nov. 1.

Mrs. Warren noted that the deadline for write-in candidates was in September so no write-in names can be taken on the ballots.

The voting places will be: Black -- Black elevator; Friona 2 -- fire station; Friona 2-1 -- Calvary Baptist Church; Friona 2-2 -- Community Center (Stockbarn); Bovina -- American Legion Hall; Farwell -- County Courthouse; Lazbuddie -- Lazbuddie School; Oklahoma Lane -- Community Center; Rhea -- parish hall; and Lakeview -- Dee Willard residence.

Other unopposed candidates (all Democrats) on the ballot are:

Supreme Court Justices Franklin Spears and C.L. Ray; Court of Criminal Appeals Judges W.C. Davis and Bill White; state Sen. Bill Sarpalus; state Rep. James Laney; and Chief Justice, Court of Appeals, 7th District, Charles Reynolds.

There are some races on the ballot:

President and Vice President -- Ronald Reagan and George Bush, Republican, vs. Walter Mondale and Geraldine Ferraro, Democrat.

U.S. Senator -- Phil Gramm, Republican, vs. Lloyd Doggett, Democrat.

U.S. Representative -- Larry Combest, Republican, vs. Don Richards, Democrat.

Railroad Commissioner -- John Henderson, Republican, vs. Mack Wallace, Democrat.

Chief Justice, state Supreme Court -- John Bates, Republican, vs. John Hill, Democrat.

Judge, Court of Criminal Appeals, Place 1 -- Virgil Mulanax, Republican, vs. Sam Clinton, Democrat.

Also running for President and Vice President on the Independent ticket are Lyndon LaRouche and Billy Davis.

## Sheriff's report

Parmer County Sheriff Bill Morgan reported that on Oct. 17 Rebecca Lindauer's home, west of Bovina, had been entered. Taken were a video disc player and a VCR recorder. The value was \$1,214.

Lowell Boozer, of Bovina, reported that the night of Oct. 21 he had 2 batteries taken from his vehicle, which was parked at his farm northeast of Bovina. The approximate loss was \$150.

Nancy Mayfield reported that her mail box located south of Bovina had been pushed over on the night of Oct. 21. Upon investigation, it was found that about 10 mail boxes had been pushed over in that area.

The sheriff also reported that Jimmy Jarrett, 19, Friona, appeared before District Judge Jack D. Young on a hearing for shock probation. Jarrett was released on probation; he had been charged with burglary.

It was reported by Morgan that on Oct. 18, Phillip Waide, 21, Texhoma, Okla., was arrested by the Texas Highway Patrol on a warrant from Muleshoe. He was charged with issuance of a bad check.

On Oct. 20, Gregario Lopez, 28, Farwell, was arrested by the Texas Highway Patrol on a charge of driving while intoxicated. He was released on \$500 bond and his case is pending in County Court. Lopez was also charged with criminal mischief and this case is also pending in County Court, Morgan said.

Also on Oct. 20, Jose Lopez, 25, Texico, was arrested by the Texas Highway Patrol on a charge of public intoxication. He was released on \$50 bond and his case is pending in Justice of the Peace Court, the sheriff said.

James Patrick Carver, 30, Deer Park, Texas, was arrested by the Texas Highway Patrol on Oct. 23 on a charge of forgery. The warrant is from Galveston County, Texas, Morgan said.

## Ballots needed

Farwell Chamber of Commerce Secretary Dutch Quickel said he still is waiting for ballots to be returned so a Chamber board of directors can be announced.

If ballots are not returned by Oct. 26 (today), Quickel said, they will not be counted.

Also, the Chamber will meet at noon Tuesday at the Spur Restaurant. It was incorrectly reported last week that the meeting was to be last Tuesday.

## To attend meeting

Three members of the Texico City Council will attend a meeting Oct. 29 run by the New Mexico Municipal League.

Steve Chancy, Vane Doshier and Bryan Kube will attend a Procurement Code Seminar, involving the new state purchasing laws.

In other business at Tuesday's meeting, the council discussed planned restroom rehabilitation at the senior citizens center and approved buying six water meters.

## White ...

icipation is voluntary. But state law requires that each time the ambulance is used, there must be an Emergency Care Attendant or Emergency Medical Technician aboard. Training is needed for those two positions.

If a firefighter takes a certain number of hours of training, he can get certified by the state.

The department also has an extra van to carry extra equipment. Persons who join the department don't have to buy any clothes or equipment.

# Rev. Terry celebrates 80th birthday

A reception to honor Rev. Jesse James Terry on his 80th birthday was given in the home of Ed and Gwen corn, Oct. 21, by his children and their families.

## Rape victim gives advice

About 35 members and guests of Epsilon Sigma Alpha listened intently to the advice of rape victim Helen Ward who spoke to them at the Farwell Community Center Saturday.

Mrs. Ward was raped eight years ago in Hereford by the "traveling rapist," Samuel Hawkins. Hawkins admitted during his trial to committing hundreds of rapes, and leaving many of his victims dead.

During her talk, Mrs. Ward answered questions in a very frank and open manner. She used the details of her own experiences to underline the hard, cold statistics of rape. Her words had great impact upon the audience not only because they related to her as another woman, but also because some of them had known another victim of Hawkins -- Abby Hamilton of Borger.

Mrs. Ward was asked what advice she had for people who are approached by rapists.

She replied that if the assault occurs in an isolated spot, it is probably best to submit because fighting would only anger the rapist. Yelling and fighting are effective tactics in places where others might hear the noise and respond to the cries for help. In Mrs. Ward's case, the attack occurred when she was alone in her home with a 13-month-old baby. Her screams for help were not heard by neighbors.

What advice would she offer to minimize the chance of rape?

1. Lock your doors at home.
2. Lock your car doors.
3. Do not go out alone at night, walk to your car with others whenever possible.
4. Ask a security guard to walk out with you if you are alone in a mall or

large public building.

5. Call the police if someone is following you.

6. Use a Neighborhood Watch program.

7. Instruct your children to avoid talking to strangers, and to let you know if anyone tries to touch the parts of their bodies covered by underwear or bathing suits.

8. Use a sign that says "PLEASE CALL POLICE" in your car window if your car should break down.

9. Don't go out without enough gas in your car to make the trip.

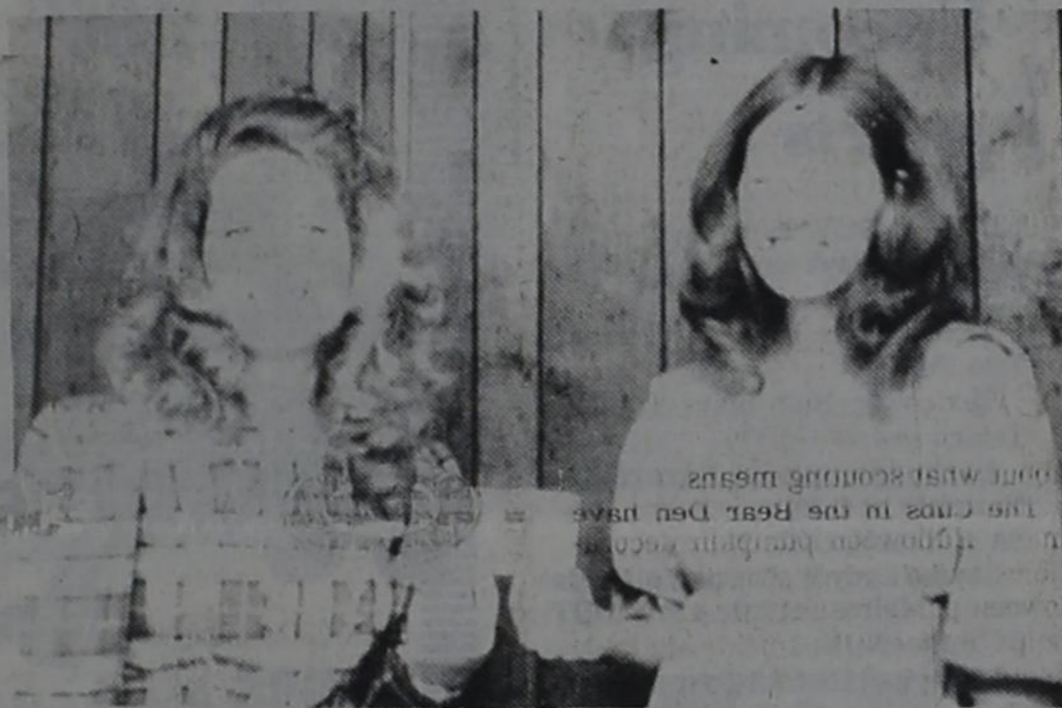

Mrs. Ward cautioned the audience to listen when young children report sexual molestation. They seldom lie, she said. Young boys are sexually abused almost as frequently as girls; they need to know what rape is, and they need love and support

following the incident.

Following a rape, the victim should be taken to the hospital for a complete examination within three hours after the incident. They should not wash or change their underwear because they might destroy important evidence. Family and friends should give support without "giving the victim the third degree." If there is a rape crisis program available, it would be helpful to contact them.

How can the ordinary citizen help deter rape?

Serve on juries; see to it that rapists get the maximum sentence under law. Write to your congressmen and state legislators to make sure that rapists are not easily paroled, she said. Most rapists are repeaters.

Check presented

Leslie Lunsford, left, presents a check for \$500 to Helen Ward. The

donation from ESA goes to the Rape Crisis Center in Amarillo.

## Baby girl arrives

# Wolverines down Melrose

by BRIAN WALKER  
Billy Bibbs led the Texico Wolverines to another victory Friday, putting down the Melrose Buffaloes, 20-6, at Texico.

The win put the Wolverines at 2-0 in district and 5-2 for the season.

Melrose got off on the right foot, scoring with 10:22 left in the first quarter for a 6-0 lead. For most of the first half the defenses of both teams dug in and it wasn't until 2:08 was left in the second quarter that Texico scored.

Billy Bibb's two-yard TD run put Texico on the scoreboard to tie the game at the half.

In the third quarter, Texico started a drive from its own 30, but a fumble on the Melrose 3-yard line stopped it.

The Wolverine defense held tough, and a short punt gave the Green Machine the ball on the Buffalo 38-yard line. Five plays later, Danny Powell connected with Doug Thornton for a 22-yard TD pass. The successful point-after run by Billy Bibbs upped the score to 14-6.

Melrose was again stopped and had to punt, with Texico getting the ball on the Buffalo 45 yard line. Seven plays later, Billy Bibbs raced over from the 6 for his second TD with 11:17 left in the fourth quarter.

The battle still wasn't over. Recovering a Wolverine fumble, Melrose reached the Texico one-foot line on fourth down. An end run was stopped by a fine goal-line defense.

Billy Bibbs had his best game of the year, gaining 212 yards on 35 rushes, including two TD's. This gives him 1,067 yards so far in the

season. He is averaging 5.2 yards per carry and 152 yards per game.

Ronnie Galvan, the senior full-back, also had his best game of the year, gaining 134 yards on 21 carries.

The Wolverines host Tatum tonight (Friday) at 7:30 p.m. MDT in a key district matchup.

\*\*\*

Wolverine Coach Dave Lynn said his team had some lapses on defense but that the offensive line had a super game. He noted that his pair of backs ran for more than 300 yards.

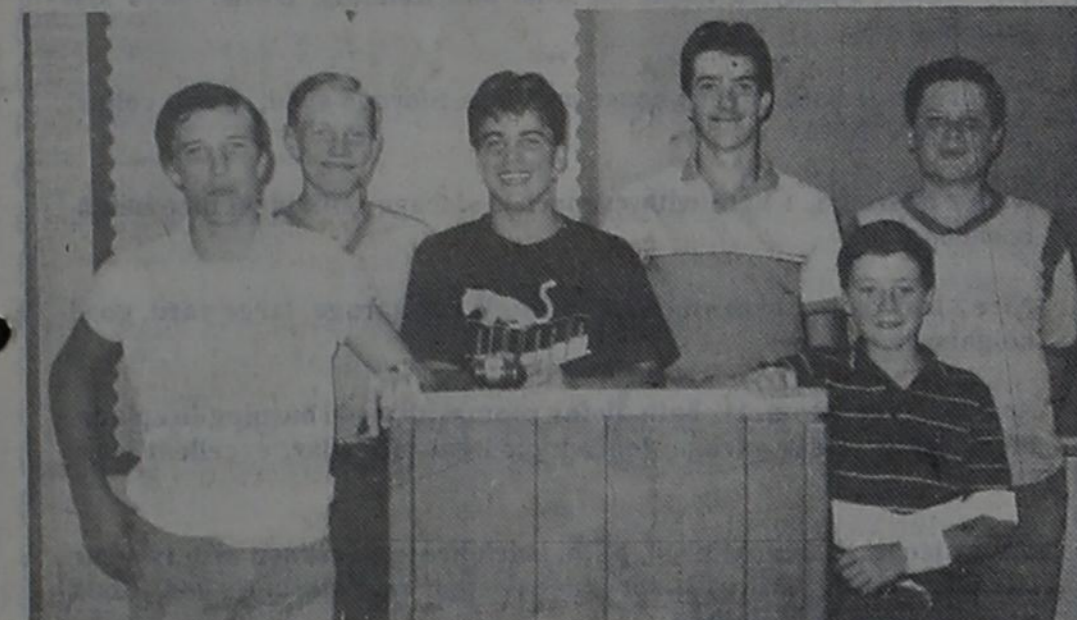

He noted that the Wolverines "rose up and held" on a goal-line stand late in the game. On 4th down, Melrose had the ball on the Texico one-foot line but an end run was unsuccessful.

Texico flip-flopped part of its line at the half, thus giving the Wolverines more of a variety to their offense, the coach said.

Tonight, Texico hosts Tatum in a key district game. Both Texico and Tatum are 2-0 in district play. "To realistically win our district, we need to win this game," said Lynn.

While in separate groups, individuals learned skills about particular

offices and played games which helped with public relations skills. There was also a quiz contest in each group and whoever won would receive an award.

After the Leadership Conference was closed, a District Four meeting was held and members discussed present business.

Members attending were: Karen Snodgrass, Kyle Snipes, Sharla McDonald, Mark Meeks, Billy Bibbs, Danny Powell, Cory McDaniel, Aaron Scott, Bret Taylor, Jeff Horner, Kevin Spears, and Justin Barnes.

## Juniors win, too

Texico Junior High scored in each quarter to defeat Tucumcari, 40-0.

Against Tucumcari, Texico scored in the first quarter on a five-yard run by Cory McDaniel.

The Wolverines broke open the game in the second quarter with four touchdowns -- a 30-yard pass from Larry Powell to Keith Harrison; a 4-yard run by Urban Orozco, and 35- and 4-yard runs by McDaniel.

The second half scoring included a one-yard TD run by Powell and a pair of safeties -- including a tackle of the quarterback by Shawn Moore.

# Lions raise \$200

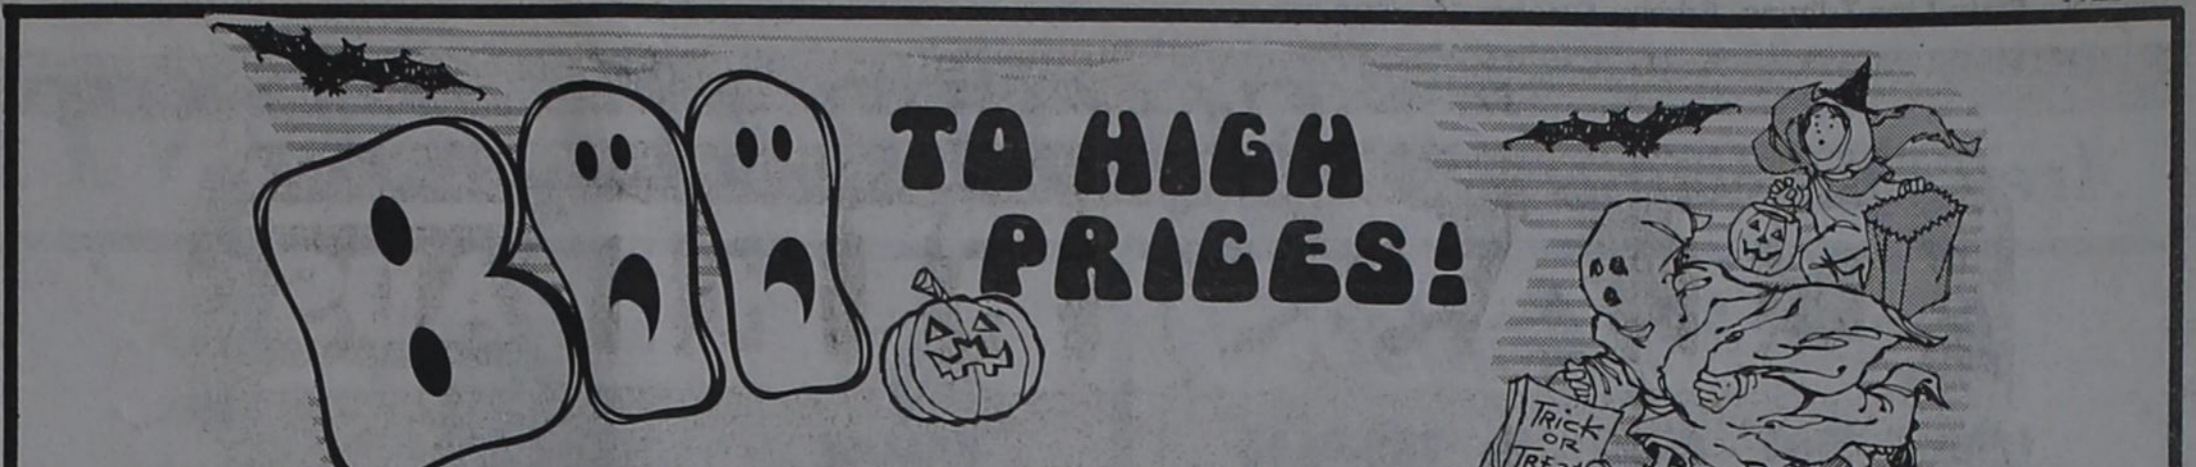

The Texico-Farwell Lions Club sponsored a trapshoot Oct. 13 that raised \$200 to help cover the cost of buying glasses for four individuals. The Lions plan to have two more trapshoots this fall to help cover the projects that they have coming up. One will be in November and it will probably be a turkey shoot. The other will be in December. Each year the Lions Club uses its earnings to help needy people purchase glasses, and they also sponsor two students to attend the band

camp at New Mexico University in Las Cruces. Each year one band student from Texico, and one from Farwell participate in the band camp. They march in the Lions Club New Mexico State Convention and the Lions Club International Convention parades. Trapshoot winners were Lute Doty, John Littlefield, Jerry Engeling, Dudley Clark, Don Garten, James Craig, Dan Kelley, David Cross, Murray Clark, Gary Skaggs and Joe Whitehurst.

## Subscription campaign underway

The State Line Tribune has begun a circulation campaign in conjunction with the Farwell High School Marching Band. Band members, mostly the flag

unit and twirler members, will be calling area residents to sell subscriptions to the paper. Half the money raised will go to the band.
