## The media slights Reagan achievement

I would never want to give any indication to our readers that the major media in our country is biased.

I'm sure 99 percent of the folks reading this column just wouldn't believe there was any bias.

Right?  
Just joking, folks.

We all know that the major media has a left-of-center slant. I've written about that in past columns so I don't want to repeat myself here.

But I would like to give you another indication of that bias.

It involves what I consider the major story of the 20th Century -- the Cold War.

Yes, I know that World War I and 2 were exciting, what with battles and flags and victories, etc.

But WWI only lasted 5 years. And WWII only went 6 (if you date the start from Hitler's invasion of Poland -- some date it from the Japanese invasion of Manchuria in 1936).

The Cold War ran from 1945 to 1989 -- 44 long years.

I always smile when I call it the "Cold" War. Our kids will never really know how "hot" it was.

There was fighting around the world between the forces of democracy, led by the U.S., against Communism, led by the Soviet Union.

The number of small wars were too large for me to recall in this column. But they included:

## Texico sets ambulance call fees

The Texico Volunteer Fire Department's new fee schedule for ambulance calls is now in effect.

Texico Fire Chief Lewis Cooper went before the State Corporation Commission at a hearing in Clovis on Monday.

He said Texico has received temporary approval for its fee schedule and he expects final approval in about two weeks.

The state has mandated guidelines for its volunteer fire departments which necessitate them to charge fees. The state has cut back on its funding to local volunteer fire departments.

The new schedule any time you call for a Texico ambulance is this:

\* Basic Lifesaving Service, such as for a broken arm or leg, the cost is \$300 plus mileage.

\* Intermediate Lifesaving Service, which mean that IVs, heart monitors, etc., are used, the cost is \$350 plus mileage.

\* Non-emergency treatment, such as transporting a person for a checkup with a physician, the cost is \$250 plus mileage.

Cooper noted that these fees will be applied to everyone regardless of where they reside.

This is important because the Texico ambulance makes calls to areas outside the city limits, such as to Farwell and to rural Curry County.

## Dairy farmers seek stabilized market

By Teresas Mesman

An article that appeared in the *Lubbock Avalanche-Journal* on Sept. 10, described the situation that many dairy farms are in due to decreased milk prices. The article quoted a dairy farmer from upstate New York as saying "we need a minimum wage for dairy farmers."

The milk prices per hundred weight have been decreasing around the United States over the past several years. An all time low has been reached by this region at \$10.11 per 100 pounds of milk. However, based upon the milk cooperative that the dairy farm belongs to, the price that has been paid to the farmer has varied.

The base milk price is set by the particular Federal Order for the region and the current Minnesota-Wisconsin Cheese price. These orders are set by the demand for milk from each section of the United States. The Federal Order program has come under fire in recent years by the dairy farmers and their cooperative umbrella organization, the National Milk Producers Association.

According to Benny Mesman, a local dairy farmer, the Federal Order program doesn't make any sense. "The way the program is set up is stifling to a free market system and is handicapping the dairy farmer. It has also caused a lot of problems between the dairy co-ops around the nation. They've almost gotten into price wars with each other and their member dairies."

Even though the Federal Order price is set at, say \$10.11 per hundred weight, a milk cooperative can increase their

## Eddie Meeks wins 4th grid contest

Of the hundreds of participants in last week's Area Merchants Football Contest, only one emerged with as high as 11 right.

Eddie Meeks won the first place cash prize of \$15 with that "11." The only game he missed was Detroit's upset of Green Bay.

But a whole lot of entrants had 10 games right. By virtue of being closest to the tie breaker (Farwell 41, Motley County 12), the second place cash prize of \$7.50 went to Clint Corn.

Others with 10 right and their totals off the tie breaker were:

Shiloh Roberts, 13; Shane Roberts, 10; Shawn Haseloff, 7; Coach Boyd's 4th period class, 7; Robert White, 21; Sheryl Taylor, 10; Willie Roberts, 11; Linda Porter, 24; Roy McGaa, 17.

C.L. Mahaney, 19; Red Lonsdale, 20; Sam Herrera, 17; Dardanella Helton, 22; Victory Gutierrez, 22; Gage Gregory, 19; Larry Gregory, 26; Wade Cargile, 24; Scott Brown, 27, and Anna Lisa Castaneda, 36.

Results of last week's games were:

Texico over Jal, Dimmitt over Muleshoe, Amarillo Tascosa over Clovis, Springlake-Earth over Happy, West Virginia over Miami, Michigan over Notre Dame, Purdue over Northwestern, Southern Cal over California, Detroit over Green Bay, Tampa Bay over Arizona, Pittsburgh over Tennessee, and Washington over Jacksonville.

Eddie Meeks, right, receives his check for winning last week's football contest from Jimmy Franse, of Franse Irrigation. Franse Irrigation and Farwell Feed Supply are two of the contest sponsors.

Here's a look at the leader board at the one-third mark of the contest. The overall champion wins the Dallas Cowboys package:

36 points -- Tyler Chadwick.

35 -- Gage Gregory, Larry Gregory, Johnny Ortiz, Coach King's 5th period Junior High history class.

34 -- Darla Cochran, Ralph Franse, Tim Kasel, Art Smith, Rhonda Kirkland, Steve Foster.

33 -- Scott Brown, Cindy Cargile, Clint Corn, Henry

Garcia, T.J. Kittrell, Sheryl Taylor, Eddie Meeks, Roy McGaa, Cody Phillips, Linda Porter.

32 -- Colby Carthel, Don Carthel, Doug Carthel, Lucia Cenicerros, Kevin Cochran, Kathy Curtis, Dwayne Dale, Susie Dale, Derek Goettsch, Jana Kelley, Clyde McDonald, Bobbie McFarland, Kinzi Woods, Lonnie R. McFarland, Jourdan Nichols, Ryan Roberts and Coach King's 2nd period Junior High history class.

## Collision takes Clovis man's life; leaves woman in critical condition

A two-vehicle accident the morning of Sept. 25 resulted in the death of one driver and left the other in critical condition.

Robin Huntzinger, of Farwell, was listed Tuesday as critical at Clovis hospital.

Robert Arias, 19, of Clovis, also was taken to Clovis hospital after the accident. He died Sept. 28.

The accident occurred at the intersection of County Roads 1 and Z, just east of the loop in Farwell.

It was investigated by state troopers Trey Ellis and Dean Fant.

There are no signs at the intersection. In such cases, Fant said the driver on the right has the right-of-way. Fant said Arias was on the right.

So far, no charges have been filed.

Fant said there has been a rash of accidents this year at rural intersections where signs are not posted.

## Texico cheerleaders win superior ribbons at camp

The Texico High School cheerleaders received more than 10 Superior ribbons at cheerleading camp at Texas Tech this summer.

Texico competed against 4A and 5A squads.

The cheerleaders, coached by Belinda Partain, have been busy this semester:

-- Raised money for new uniforms and pompons.

-- Plan to attend regional and state cheerleading competitions.

-- At camp, gained a Superior ribbon on home dance evaluation.

-- Selling picture ads to local businesses.

-- Sold ads for the football and volleyball programs.

## Texico Homecoming to include bon fire, powder puff game

Texico's annual Homecoming events are scheduled for next week.

A week of nifty events is scheduled, culminating with the big Homecoming football game against Hagerman at 7:30 p.m.

The dress-up days schedule calls for:

Monday - dress like opposite sex; Tuesday - grease day (the '50s); Wednesday - clash day and bad hair day; Thursday -

member payments with added market pricing. The Associated Milk Producers, Inc. and Mid-America Dairymen are the two milk cooperatives that have member dairies in the area. They are also the largest dairy cooperatives in the nation with Mid-America being slightly larger than the AMPI. The difference in their member payments have been as high as .80¢ higher than the base price in past months.

The plight of the dairy farmers in the midwest and eastern United States is getting to condition critical.

"These states have the most concentrated areas of smaller dairy farms; those that milk under 150 cows," said Mesman. "Dairy farms of this size are not going to be able to survive unless milk prices come up and are stabilized. The solution is not necessarily getting the government involved. The dairy industry is now seeing that cheese is not the savior to pricing as it was once viewed. Fluid milk sales have been the best for getting a higher milk check to the dairy farmer, but some of the dairy co-ops have been off in another direction entirely."

In an attempt to get a stabilized market and price for dairy farmers in the southwest and midwest regions, a revolutionary merger may soon be taking place between Mid-Am and the AMPI. This would hopefully cut out the price difference paid to farmers and would help to maintain a fair market for fluid milk sales to processors.

Voting for the merger will be taking place within the next several months.

"The dairy industry has been slow in some sectors to face the fact of the market oriented system that products must go through," Mesman said. "It is sad to see the smaller family farms go through such hard times. Even the larger dairy operations are struggling through this. Ironically, the size of the farms and the number of cows milked has had to increase in order to stay afloat with the current pricing. It's almost a 'damned if you do, damned if you don't' situation."

**Weight-loss drugs pulled from store shelves**

You may have been hearing about and seeing in the news the voluntary withdrawal of the weightloss drugs Redux and Pondimin by pharmacists across the United States.

Donna Ratke, registered pharmacist and owner of Stateline Drug in Farwell, has currently pulled the medications off the shelves in the pharmacy.

"I'm doing exactly what I've been asked to do by the manufacturers," said Ratke. "Anyone that has questions or concerns about the product withdrawal can call the toll free number 800-892-2718."

Another product that the store has pulled from the shelves temporarily is "EX-

LAX". The product contains Phenolphthalein and, due to testing concerns in laboratory mice, the Food and Drug Administration and the manufacturers have recommended the product be pulled.

Customers that use EX-LAX can call 800-706-6600 for information about the product and refund information. Coupons worth \$1.50 that can be used towards the purchase of the new, reformulated EX-LAX may also be obtained by calling this number.

The reformulation contains Senna, an all natural product. "There should be no reason for concern about this product, but I encourage my customers to call this number with any questions they may have," said Ratke. "The new EX-LAX will work just as well, if not better, than the old formula."

If the U.S. and the Soviet Union were not actually involved, their surrogates were.

Britain and France expended a lot of troops on our side. And China and North Korea helped the Soviet Union.

And they called it the "Cold" War! Yeh, right.

But we all know the result -- Communism has crumbled before the onslaught of democracy and capitalism. I bet Marx would turn over in his grave if he saw that! I hope so.

The seeds for the victory were sown during the administration by President Reagan, a conservative Republican.

His economic and military policies directly brought on the Soviet Union's economic collapse.

It's been eight years since those photos of Berliners atop the Berlin Wall, waving their flags and symbolically announcing the fall of Communism.

Yet how many TV shows have been devoted to the masterful job done by the Reagan administration in bringing about this wonderful triumph?

I don't remember any. How many newspaper series have highlighted this remarkable achievement in the history of mankind? I can't recall any.

How many awards have been bestowed upon Mr. Reagan for his carrying through his plans which wiped out the Soviet colossus?

Can you think of any? I want to know why hasn't Mr. Reagan received his due? The only answer that comes to mind is that the major media isn't about to trumpet the

**Lady Spikers split 2 matches**

The Texico Lady Spikers are 8-3 on the season after splitting two matches last week.

On Sept. 23, they defeated Floyd, 15-9, 15-6, 15-8. Kristen Roberts had 8 kills and 3 aces; Marcia Brigham, 5 aces, 10 points, 6 kills; Kristian Lovelace, 4 kills; Stacy Stewart, 3 aces, 8 points, 14 assists; Nicki Reyes, 6 assists; Shayna Lewis, 5 points.

"It wasn't pretty but a win is a win. Our passing needs tuning up as does our setting. Our serving helped pull us through," said coach Michael Littlejohn.

But on Sept. 25, Texico lost to Logan, 14-16, 15-7, 12-15, 15-1, 5-15. Roberts had 19 kills; Lisa Salguero had 8 kills; Lovelace had 8 kills; Brigham, 6 aces; Stewart, 18 assists; Reyes, 14 assists.

"It wasn't a pretty night. In fact, it was all out ugly. I'm not pleased with my coaching at this point. When we lose a match like this, it's my fault for not having them ready! We let ball after ball hit the floor untouched. This team has to live on its serving - passing - defense and hustle so we can't afford mistakes like we made against Logan. We will be prepared for Tatum!" said Littlejohn.

Here's a roundup on the junior high volleyball teams, who won all their matches:

Texico's 7A crushed Marshall, 15-1, 15-12; then swept past Gattis, 15-10, 15-10.

Texico's 7B blasted Marshall, 15-0, 15-4; then stepped on Gattis, 15-2, 15-11.

Texico's 8A creamed Marshall, 15-0, 15-3; slaughtered Floyd, 15-3, 15-4; and destroyed Gattis, 15-6, 15-12.

The 7th graders fell behind quickly 24-0 to a much larger Yucca team.

In the 2nd half, Lonnie McFarland connected on a 45-yard TD pass to tight end Zac Schilling. Later, McFarland returned a kickoff 75 yards for a touchdown.

The 8th grade spotted Yucca 24 points in the first half, then won the 2nd half 16-8.

Tackle Luke Schwertner led the Steers on two scoring drives with excellent blocking.

Four-H members across the nation are celebrating the dynamic educational programs for today's youth. Four-H promotes goals that give our youth a chance to develop into responsible citizens of the future.

The 4-H program of today involves youths from urban and rural backgrounds. Volunteers and extension agents use a variety of methods to reach these youths in traditional project areas ranging from rabbits to rocketry and leadership to livestock.

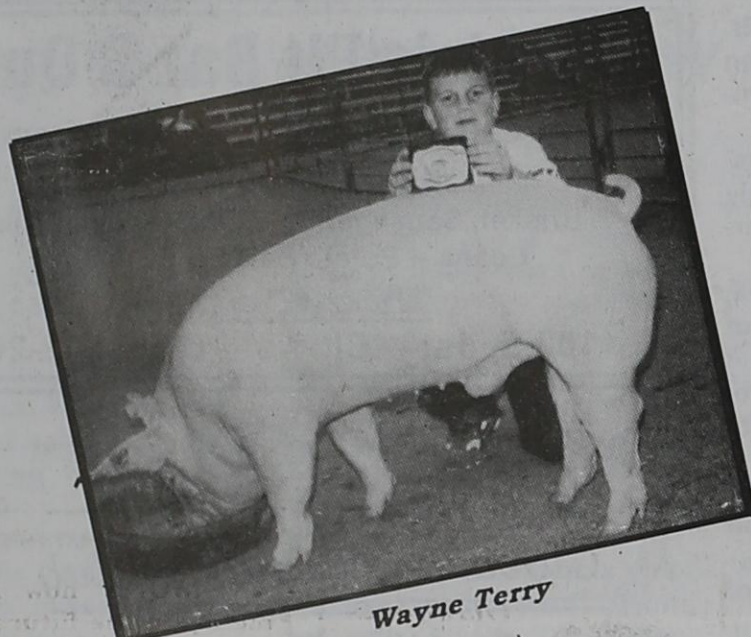

Four-H participants take part in programs planned and initiated through extension personnel in cooperation with volunteers from the local community. In the end, our youths gain knowledge and partake in programs that aid them in leadership skills, acquiring a positive self-concept and learning to respect and get along with people.

The 4-H program has expanded steadily for the past 25 years, with our numbers totalling up to more than 5 million 4-H'ers throughout the United States.

Join 4-H'ers for National 4-H Week, a time when we recognize 4-H as a viable youth development program. Please contact your county extension office for more information on the 4-H program.

He reported to the military during World War I but died at the age of 19 in San Diego, Calif., of measles and pneumonia. Simple illnesses caused many deaths during World War I, both for the military and civilian populations.

### World War II

\* *Pvt. Jeff Ruckman*, son of Mr. and Mrs. Theo Ruckman who lived on a farm 8 miles northwest of Texico, died of injuries received in action in Germany as part of the Battle of the Bulge on Jan. 16, 1945. His wife, the former Lillian Reeves, lived in Clovis at the time. He was 24 years old.

\* *Pvt. George B. Duke*, son of Mr. and Mrs. W. B. Duke of Clovis and formerly of Texico, died as a Japanese prisoner of war in the Philippines. He was a member of New Mexico's famous 200th and the date of his death is unknown. He was 20 years old and had served almost 2 years. Duke was well known in the area as he lived in Texico for a number of years and attended school locally.

\* *Roy Lee (Junior) Robison* of the Marine Corps was listed among the casualties suffered on the first day of the invasion of Iwo Jima on Feb. 22, 1945. He was a brother of Mrs. Milland Ingram of the Fairfield community and attended school in Texico in 1935.

\* *Homer Carrell Johnson* died in the South Pacific May 13, 1945. He was the son of Mr. and Mrs. C.E. Johnson who resided in Texico.

\* *Sgt. Maj. Thomas Randol (Snooks) Osburne* was accidentally killed on duty at Camp Papago, Ariz., Nov. 7, 1943. He was the 24-year-old son of Mr. and Mrs. Bart Osburn, longtime Texico residents. He died when returning a weapons carrier truck to

his camp from Phoenix when it failed to negotiate a curve and overturned into an irrigation canal, pinning him under the truck.

He been enlisted in the Army for 3 years and showed an excellent aptitude for military service, having climbed in that short period from private to sergeant-major.

While in the service, he made a number of trips abroad, mostly to Russia on lend-lease convoys. His most recent job was being assigned to Camp Papago, a prison camp near Phoenix. He also saw service in Alaska.

Sgt. Osburne came to Texico at the age of 2 with his parents from Grandbury, Texas. He attended Texico Schools.

Survivors included a brother, T. Wesley Osburne; a sister, Mrs. Duncan Williams, and grandparents, Mr. and Mrs. T.J. Randol.

\* *Sgt. Harry O. Williams*, son of Mr. and Mrs. Abe Williams of Clovis, died in June 1943 while being a prisoner of the Japanese in the Philippines. He made his home in Texico for a number of years and was a Texico High School graduate. Surviving were his wife, Mrs. Letha Goodman Williams; and 3 brothers, Duncan, Felix and Hollis.

He was a member of New Mexico's famous 200th, the majority of whom were taken prisoners at the final stand on Corregidor in the Philippines.

At his funeral service, tributes were paid by three persons closely associated with him.

Charles "Chick" Taylor, who was his commanding officer when he was a member of the National Guard unit at Clovis, said "Harry carried his colors through."

Anne Overstreet, who was his Sunday school teacher, recalled his conversion to the Christian faith and called him "a young man who always had noble aspirations."

J.O. Ford told of moving to his farm near Farwell 22 years earlier, and was Harry's Sunday school superintendent. "I have no fear for his eternal destiny. Harry lived a consecrated Christian life," said Ford.

### Korean War

\* *Private First Class Alfonso Gonzales*, 26, the son of Mr. and Mrs. Pedro Gonzales of Texico, was killed in action during the Korean War on March 2, 1951. He was a member of Company I, 23rd Infantry Regiment.

After serving 14 months during World War II, he was recalled to service on Oct. 15, 1950 and had been overseas only a short time when he was killed. He was married to Mary Cervantiez on Sept. 13, 1950.

He received the Silver Star for gallantry in action in Korea. The medal was presented to Mary Gonzales by the mayor of Roswell, N.M.

\* *Lacy Gant*, 18, son of Mr. and Mrs. John M. Gant of Texico, was killed in a motorcycle accident on April 13, 1952, in Astoria, Ore.

He was a junior at Texico High School when he enlisted in March 1951. He received boot training at San Diego and had been receiving further training at Astoria.

Surviving were his parents; a grandmother, Alta Fought, of Texico, and an uncle, Harold Fought, of Texico.

### Vietnam War

\* *Hospital Corpsman Harvie P. Winkles*, 20, son of Perry and Rada Winkles, of Texico and now living in Clovis, died in Vietnam on Dec. 8, 1968.

Winkles, a Navy man attached to a Marine Unit, was killed in "Operation Mead River," south of Da Nang.

The 1966 Texico High graduate entered military service Dec. 13, 1966. After boot training at San Diego, he was sent to Guam for seven months. He then returned to San Diego for special training as a hospital corpsman, and arrived in Vietnam in June 1968.

At the time of his death, he had only two days to serve until a replacement would have taken his place at Da Nang and he would have returned to serve in a hospital out of the immediate danger zone. He had earlier suffered shrapnel wounds in his leg but had returned to active duty some time ago.

As a youth, Harvie worked on area farms, as a sack boy at Capitol Food, at Fab Steel in Clovis and as a carrier boy for the Clovis newspaper. He was a member of Advent Christian Church in Clovis. Surviving are his parents; a sister, Beverly Winkles, of Texico; a brother, Terry Winkles, of Texico; and grandparents Mrs. Cassie Morgan and Mr. and Mrs. H.P. Winkles Sr., of Texico.

## Marshal's Report

Here is the weekly report from Texico Marshal Gil Holguin:

Texico participated last Friday in a DWI roadblock in Clovis, then on Saturday with a saturation patrol in Texico. A probation violation arrest was made Saturday.

Two hit-and-runs were investigated last weekend.

On Sept. 26, a Farwell juvenile boy was charged with leaving the scene of an accident after a rock trash container at the Texas Truck Stop was struck.

Early on the morning of Sept. 27, a vehicle south-

bound on Highway 108 plowed through the barricade where the construction is going on and presumably suffered a lot of damage. There are no leads in this case.

It was the second time someone has smashed through those barricades, Holguin said. It also occurred on Sept. 19.

On Sept. 22, Timothy Garcia, 24, Texico, was arrested on warrants out of Clovis magistrate court for aggravated assault with a deadly weapon and failure to appear in court.

# Steers come back against Matadors to win

By Tanya Chadwick

After a sluggish first half, the Farwell Steers put it all together last Friday and romped to a 41-12 victory over Motley County in an away game.

The Steers, 4-0 on the young season, host Happy at 7:30 p.m. today (Friday). It's Homecoming and the beginning of district play.

Farwell trailed 12-0 at the half, then outscored the Matadors 41-0 in the second half to salt away the win.

In the first half, Farwell didn't have very good field position and was on the defensive. The Steers only had one offensive possession.

Farwell kicked off and the returner was tackled by Mark Lunsford and Trevor Herington. Good tackles were turned in by Eulogio Ruiz and Michael Ancira. Jason Miller, Clint Corn

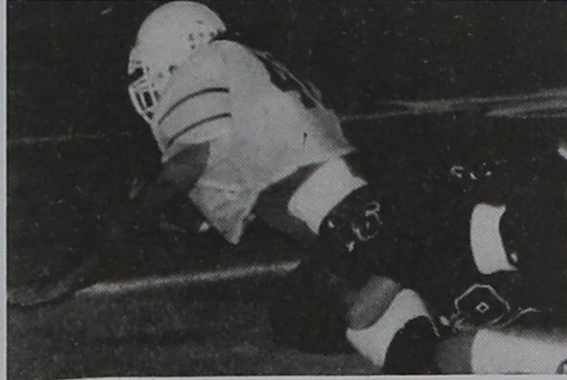

and Herington combined on a QB sack for a 10-yard loss.

On offense, Farwell was held and Tyler Chadwick boomed a 40-yard punt. A Matador drive was stopped at the 5 on an interception by Herington. Also on defense, Matt Schwertner had a QB sack and Chadwick and Ancira had strong tackles.

In the second quarter, Motley County drove for two touchdowns, one on a 2-yard run and the other on a 17-yard pass. Both extra point tries failed, with Herington blocking one kick.

Farwell was on defense much of this quarter, too. Corn and Joel Barrett had a QB sack, and tackles were recorded by Miller, Corn, Lunsford, Demesio Mendoza and Ancira.

On offense, Chadwick hit a 45-yard pass to Lunsford, Mendoza had a good kickoff return, and the Steers ran behind Miller and Diaz. But two lost fumbles halted their drives.

J.R. Ivins, top-notch local photog, took these pictures at the Farwell-Motley County game last Friday.

## Longhorns smash New Home

The Lazbuddie Longhorns got back on the winning path last Friday with a 53-6 slaughter of a good New Home team in an away game.

The Longhorns, 3-1 on the season, host Jesus Chapel at 7:30 tonight (Friday).

New Home was 3-0 before falling to Lazbuddie. Jesus Chapel is no slouch either, they are 4-0.

The Longhorns were heartened by the return of Chris Smith, who missed the last game due to injury.

He rushed 9 times for 151 yards and two touchdowns.

The other key part of the running game was provided by Adam St. Clair, who carried

the ball 17 times for 167 yards and 3 touchdowns.

Meanwhile, Josh Morris turned in a solid game as usual at quarterback by connecting on 13 of 16 passes for 227 yards and two touchdowns.

The game opened on a sour note when New Home scored first, taking a 6-0 lead -- the kick for extra points was blocked.

But the Longhorns responded on a 3-yard TD run by Seth Black. The Jason Thomas kick made it 8-6 at the end of the quarter.

The second quarter was all Lazbuddie as they outscored New Home 31-0 to put the

game on ice. So the Longhorns went into the half ahead 39-6.

In the third quarter went ahead 37-6 on a TD pass, and a short run by Smith to paydirt ended the game in the 4th quarter due to the 45-point rule.

Coach Mark Scisson was happy with his team's efforts.

"We played real well and hard to win," he said. "We had to stay on our toes. New Home

was only giving up 10 points a game and was undefeated coming into our game."

Team stats were: first downs, Lazbuddie 8, New Home 4; rushing yards, Lazbuddie 22 for 258, New Home 12 for 73; passing, Lazbuddie 204 yards, New Home, 128; punting average, Lazbuddie none, New Home 2 for 33 yard average; and penalties, Lazbuddie 4 for 45 yards, New Home 3 for 25.

## Steers of the Week

Coach Terry named as the Steers of the Week: Cade Christian and Lane McFarland for their work on the scout teams as we prepared for Motley County.

As stated, the second half was a completely different story. Kolby Kimbrough had a superb kickoff return, and Miller ran it in for the TD from the 7. The kick failed and it was 12-6. On offense again, the Steers ground game kicked into high gear. Chadwick gained 6, Miller ran for 17, then scored from the 3. The Brett Curtis kick put Farwell ahead, 13-6.

Farwell's third score came on a 20-yard pass from Chadwick to Lunsford. The Curtis kick was good. It was 21-13 at the end of three quarters.

Defensive stops in the 3rd quarter included good tackles by Chadwick, Corn, Curtis, Barrett, Ancira and Miller. Lunsford broke up a pass and also had a QB sack, forcing a punt.

In the final quarter, Farwell scored three more times, putting the game out of reach. Spencer Ketcherside plunged over from the 2, Chadwick hit Curtis with a 40-yard pass and Mendoza scored from the 3. All three Curtis kicks were good as Farwell put 21 points on the board.

On defense in the last quarter, Ancira, Herington, Kimbrough, Curtis and Schilling had good tackles.

Team stats were: first downs - Farwell 14, Motley County 13; rushing yards, Farwell 27 carries for 176 yards, Motley County 46 for 148; passing yards, Farwell 4 of 7 for 139 yards, Motley County 10 of 18 for 103; and punting average, Farwell 2 for 38, and Motley County 4 for 30.

After four games, here are Farwell's stats:

Rushing - Miller, 49 for 372 yards, and 6 TDs Diaz, 18 for 98, and 1 TD; Ketcherside, 10 for 138, and 2 TD; Mendoza, 6 for 69, and 1 TD.

Passing - Chadwick, 20 for 41 for 390 yards and 5 TDs. Receiving - Miller, 2 for 37 yards; Lunsford, 4 for 129; Ketcherside, 3 for 54; Curtis, 4 for 79.

Kicking - Curtis has 1 field goal and 15 extra points.

Team stats after 4 games are (averages): first downs, 10; rushing yards, 253; passing yards, 93; punting, 35 yards per punt; penalties, 7 for 75 yards. The Steers have recovered 6 fumbles and lost 9.

## A bird in the hand...

By Teresa Mesman

A few weeks ago, the Baize family of Farwell was having the type of week that you could say was "for the birds." Things were really hectic and then, on Wednesday afternoon, their pet bird flew the coop.

Jenny Baize was very upset at the loss of their family pet "Pretty Bird," a parakeet that they had owned for several years. "The kids were upset and I felt like I had lost a member of my family," said Baize.

Jenny took an ad out in the newspaper announcing the missing bird and asking for information if anyone had seen him.

The weekend came and went, with no response to the advertisement. Hope was wearing thin for the family; their bird was probably lost for good.

"My kids prayed for the safe return of the bird," said Baize. "I had really lost hope that Pretty Bird would return."

Monday evening, Jenny and her eldest son, Kevin, age 14, were taking a stroll to visit some friends. They live on Manana Street in Farwell and they were walking to a home on 5th Street.

"Without thinking, we turned down 2nd Street. On the way down the block, we commented at how many birds were chirping and singing," said Baize. "It gave me a lump in my throat; it made me think about Pretty Bird."

About three blocks down the street, the pair began hearing an incredibly loud shriek and scream that sounded like a bird saying "Pretty Bird! Pretty Bird!" To their surprise, it was the exact screech that their pet bird would make to catch their attention. They looked up high into a tree and, sure enough, there sat their pet bird, anxiously calling out to them.

"We made eye contact with Pretty Bird and he quieted down and sat very still," Baize said. "Then we had to figure out a way to get him down from his lofty perch."

Jenny went to the door of the homeowner and asked for assistance. The man had an extension ladder and they very carefully raised it to a place where Kevin could climb up to rescue the bird.

The bird resisted for time coming over to Kevin. It was as if the bird was frozen with fear. Then, after some coaxing, Pretty Bird walked onto Kevin's hand. He didn't come down gently though. He bit into Kevin's chest and held on for dear life coming down the ladder!

Jenny and Kevin got Pretty Bird home and put him into his cage.

"He drank dish after dish of water and then sat shaking for a few days on his perch," said Baize. "We were all so glad to have him home. We would go by his cage and talk to him like a little child! After a few days, Pretty Bird was back to his usual antics and chirping."

Afterward, the meeting moved to the home of Rosa Roberts.

Thank-you notes were read from the national MS headquarters and Texas Boys Ranch, and future projects were discussed.

**WHEN IT COMES TO DESCRIBING AMERICA'S CO-OPS, THE SKY'S THE LIMIT!**

The nation's 47,000 cooperatives are big and small. They serve 120 million people in all 50 states. And, they're located everywhere — cities, towns, suburbs and throughout rural America.

Providing goods and services as economically and efficiently as possible is their first order of business. And as locally owned and controlled businesses, co-ops are unique because of their commitment not only to the people they serve but also to their communities.

You'll find co-ops for credit and financing, electric and telephone service, insurance, housing, day care, health care, food, farm marketing and supply, news services, florists and much more.

For years co-ops have been expanding horizons for the people they serve. In their own words: "It's just good business, and it works for the benefit of our neighbors, our communities and for our country too."

The Tribune received a couple of calls recently asking why we hadn't reported on a student disciplinary situation at one of our local high schools.

It is our policy not to.

I don't believe in calling attention to scholastic problems a juvenile may have. It should remain within the school and the only outsiders who should be involved are the parents.

Anything else is gossip, and should be avoided.

**POWER IN THE BLOOD**

There's power in the blood! Wonder-working power in the precious blood of the Lamb.

In Scripture, blood possesses a mysterious sacredness which belongs to life. Man is forbidden to eat blood (Gen 9:4; Lev 7:26,27; Acts 15:20,29).

It is clear that one can be eternally saved not by works, or power, or wealth, or human wisdom, or social standing; but solely by the merit of Christ's blood (Titus 3:5; Eph 1:7; 1 Pet 1:2,18,19).

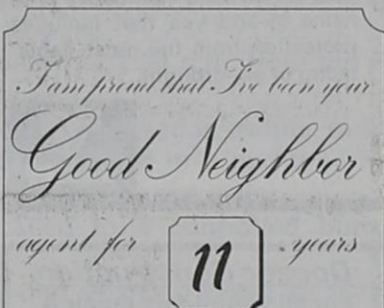

Animal sacrifice was much in vogue during the age of the patriarchs and the Jews. But animal blood was inadequate. "For it is impossible that the blood of bulls and goats should take away sins" (Heb 10:4).

It was necessary that man's sins be put away, blotted out, erased. This was accomplished by the sacrifice of Christ. "But now...hath been manifested to put away sins by the sacrifice of himself" (Heb 9:26).

The redemption procured by Christ is a moral-spiritual matter; not a commercial consideration. It is wrong to assume that Christ's death was payment of an enormous debt, solely. If sin were only a debt, it might be forgiven without atonement. In paying another's debt, the principle is discharged, the creditor is satisfied, but the moral status of the debtor is not affected. If Christ only paid the debt, justice, not mercy, commands the release, not the pardon, of the debtor. In his death, Christ not only propitiated God, but reconciled the sinner (Eph 2:14-16). Christ satisfied the creditor and at the same time offered complete absolution to the debtor (Heb 9:15).

Christ's blood, like his gospel, and like God's grace, is of no benefit to one who will not apply it. It is applied as one accepts Christ; as one comes into Christ. "We who were baptized into Christ Jesus were baptized into his death" (Rom 6:3,4). Too, in living the devoted Christian life, one claims the merit of Christ's blood (1 John 1:7).

We invite you to visit the church of Christ that meets at 5th & Ave C in Farwell. For information call 481-3833 or 481-9153. Welcome.

## Don't Spend A Dime!

Not until you consider using this year's profits to buy "crop insurance" for the next 20-30 years.

Watch out for the dry year that's bound to come. Protect your investments in seed, fertilizer, pesticides, herbicides--you name it--and yes that includes protection from the most debilitating of all--drought.

No other farm equipment can offer you the assurance of protecting, and growing, your bottom line. It may just take one dry year for a Valley to pay for itself--and then some.

So when it comes to making any major purchases this year, don't spend a dime. Not until you fully consider the safety net we offer you and your farming operation.
