

Border Banter

By Mike Pomper

A team that gives 100%

Last week, I ran into a friend of mine who complained that I was writing too much in my column about football. She wanted to see something else!

Sorry, not today (this is why newspapermen don't have many friends).

I cannot help but write about a simply amazing story that is taking place here this year -- the Farwell Steers football team.

Folks, this is a team with only 2 seniors on it. That's right, just two.

Welcome to Farwell, new coach Brent Terry! Yes, we know you had a good record before coming here, but let's see how well you do with a team with just two seniors and which plays in the toughest district in the state of Texas, bar none!

Lots of luck, buddy.

Surprise! Coach Terry has proven to be an exceptional leader and motivator. He has taken over a young, inexperienced team, gotten several boys to come out for football who hadn't before, instilled discipline, emphasized proper techniques, added 10 freshmen (because Farwell didn't have enough players to field a JV team) and put it together to spell V-I-C-T-O-R-Y.

My hat is off to Coach Terry!

And those freshmen have been needed and have gotten playing time.

I think one of them really personifies this year's Steers team -- Kolby Kimbrough.

Kolby is listed in the program at 5'3 and 113 pounds. Normally, when a young boy is that young and light, he appreciates sitting on the sideline watching.

Not Kolby! He starts on the kickoff return team and if you read the story on last week's game in today's issue, you will see his name prominently mentioned.

That, in itself, speaks highly of the spirit of this year's squad.

In the 13 years I've been here, I rarely have seen a more fun and exciting game than last Friday's win by the Steers over Morton.

If you were there, you know what I mean.

All I can say is that folks in Farwell this year have a real opportunity to enjoy some excellent football. If you like rooting for the underdog, then come to a Farwell game!

Although the Steers opened the season at 3-0, they are picked to finish 5th or 6th in district. Well, that may be the case. I don't care.

All I know is that a team which has been hit hard by injuries and other problems has come together to play some outstanding football. Every Farwell resident should be proud of this youthful team. They are giving 100 percent on the field.

I've always maintained that if a team gives 100 percent and plays above its capabilities, that means more than just winning a title.

This is a great year to be a member of the Farwell Steers football team -- and for folks to watch them.

Congratulations, Coach Terry and team. You already have proven to be champions.

Texico ambulance fees may cost \$350 - \$375 but criteria to be used

The Texico City Council on Tuesday approved new state guidelines that are mandating community volunteer fire departments to charge for ambulance service.

Councilman Oran Jay Autrey estimated that Texico will be charging between \$350 and \$375 per ambulance call, depending on mileage, income level and insurance.

Texico's rates still must be approved by the State Corporation Commission which will have a hearing at 1:30 p.m. mst on Sunday in the Clovis City Hall commissioners meeting room.

Fire Chief Lewis Cooper will announce in next week's Tribune the exact rate structure and the guidelines to be followed.

What has happened is that the state is reducing the amount of funds given local fire departments, Autrey said.

"We hate to charge rates. But we need to keep our ambulance service," he said.

The city's approval of the state rules means that if the Texico fire department falls

short of funds, the city will assist.

In other business, the council:

-- Put off a discussion of late charge water billings because the mayor wasn't present.

-- Plans to offer surplus equipment for sale at an auction. The city may join with the school next spring for it.

-- Plans to meet with Lupe Olivas over a house moved into the city a couple of years ago that reportedly still doesn't meet city codes.

-- Heard that new clerk-treasurer Becky Gear will start fulltime on Monday.

-- Put on the agenda for the next meeting drainage problems near the Santa Fe Railroad right of way (behind Town & Country convenience store and To and From Bus Co.).

Councilmen said folks have been hauling in dirt, creating a problem.

--Heard city marshal Gil Holguin suggest that city limit signs be put up at each end of Texico.

Parmer County Commissioners approve higher tax rate

The Parmer County Commissioners on Monday unanimously approved the new county tax rate.

It shows a 7.9 percent increase from the effective tax rate. The new rate is .3732 cents \$100 assessed valuation.

In other business, they gave their annual approval for the fees charged by the sheriff's office on serving civil papers. They include:

-- \$40 fees for small claim and Justice Court citations, notices, citations, subpoenas, precepts, summons, writs of restitution and forcible de-

tainers.

-- \$50 fees for sequestrations, attachments, executions, commissions, order of sales, writs of garnishment, orders of possession, injunctions, and temporary restraining orders.

-- \$10 fees for posting written notices.

-- \$15 fees for taking and approving bonds, and jury fees.

-- \$20 fees for mental commitment, executing a deed, executing a bill of sale, filing a peace bond, releasing impounded, inventories vehicles, and offense reports.

\$60.5 million awarded

The Lubbock newspaper reported that an El Paso jury last Friday awarded \$60.5 million in damages to the parents and three surviving children of Gregorio and Maria Gutierrez, who were killed in a car-train collision at a rural railroad crossing near Friona. The accident occurred on Aug. 16, 1993.

Also killed in the collision was their son, Greg Gutierrez, 15, a Friona School student.

The Gutierrezes were traveling to work.

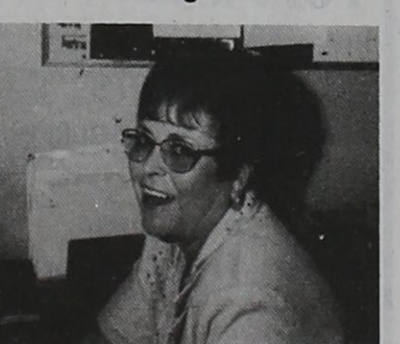

State Police said the three were in a 1984 Mercury on a private dirt road that crosses the Santa Fe Railway track. The accident occurred at 8:05 a.m.

No one on the train was reported as injured and the 28-car train did not derail.

The jury found the railroad was grossly negligent in failing to sound a whistle warning and in maintaining a haz-

ardous crossing, according to the law firm that represented the plaintiffs, Fadduol, Glasheen & Valles.

The crossing was marked with only a cross sign and had no automatic lights or gates, the release said. State law requires trains to sound a whistle warning 1,320 feet from a crossing.

New official

Becky Gear is Texico's new clerk-treasurer. She was appointed to the post last week by Mayor Nathan Tharp.

A steady rain falls

Area farmers received a much needed break from their harvest activities due to a good soaking rain that fell around the region during the night of Sept. 21 and all day Sept. 22.

Lazbuddie was saturated with 3 inches, according to the folks at Sherley-Anderson Grain. Yalonda McFarland at Sherley-Anderson in Lariat reported 1.91" for their area and Fred Chandler at Sherley-Anderson-Pittman in Farwell reported 1.09".

The rain has only slightly delayed the corn harvest because of the fields being too muddy to get into with the combines and trucks. If the remainder of the week and weekend stay dry, the harvest will resume and the corn yields will not be affected.

The milo crop benefitted from the rain. Area crops will head out more with the added moisture and the newly planted wheat crops will get a great start because of it as well. The local cotton crops were not negatively affected by the rain, but it needs a good run of hot, windy days to get the best bolls blooming and filling out.

Sam Singleterry, Nancy Roberts tie for first in 3rd football contest

It was bunched at the top of the 3rd weekly Area Merchants Football Contest as 7 contestants managed to get 10 games right.

And because of a tie for first place, Sam Singleterry and Nancy Roberts both received \$15 checks for winning first place. Both were just 2 points off the tie breaker (Farwell 20, Morton 6).

Others with 10 right and their totals off the tie breaker were:

Roy McGaa, 22; Trish Hawkins, 10; Julian Dominguez, 7; Cindy Cargile, 8, and Tim Kasel, 26.

There were a bunch of contestants with 9 right:

Diane Actkinson, John Bernard, Charlie Brandon, Donn Carthel, Tyler Chadwick, Fred Chandler, Gene Christian, Linnie Mae Crook, Rhonda Crozier, Charles Csakan, Josh Curtis, Jimmy Curtis, Mary Derleth, Jimmy Franse.

Linda Porter, Dutch Quicquel, Shasta Romans, Josh Scioli, Art Smith, Brock Taylor, Carla Vidaurri, Will Anderson, Derek Goettsch, Clint Kelley, Jana Kelley, Roy King's Texico Junior High 5th period history class, Rhonda Kirkland, Truman Kittrell.

Gaye Lane, Mark Littlejohn, Orville Locke, Richard Luscombe, C.L. Mahaney, Teresa Mesman, Clyde McDonald, Bobbie McFarland, Harlinn Obenshain, Brenda Ortiz, Fuji Ortiz, Sherilyn Owen, Ricky Railsback, Michael Ancira, Woody Lovelace and Rocio Sarinana.

Results of last week's games were:

Texico over Sunray, Nazareth over Hart, Bovina over Claude, BYU over Arizona State, California over Oklahoma, Nebraska over Washington, Florida over Tennessee, Auburn over LSU, NY Jets over Oakland, Baltimore over Tennessee, New England over Chicago, and Kansas City over Carolina.

This year's contest is now 25 percent complete. The overall winner receives the Dallas Cowboys package -- two tickets to the NY Giants game Dec. 21 in Texas Stadium, overnight lodging for two at the Radisson Hotel, \$50 in cash, transportation to and from the game, and more!

Here's how the first leader board shapes up as these folks make a run for the prize:

27 points -- Tyler Chadwick, Art Smith, Johnny Ortiz, and Roy King's Texico Junior High 5th period history class.

26 points -- Cindy Cargile, Darla Cochran, Susie Dale, Dwayne Dale, Connie James, Tim Kasel, Rhonda Kirkland and Roy King's Texico Junior High 2nd period history class.

25 points -- Don Carthel, Doug Carthel, Kevin Cochran, Kathy Curtis, Ralph Franse,

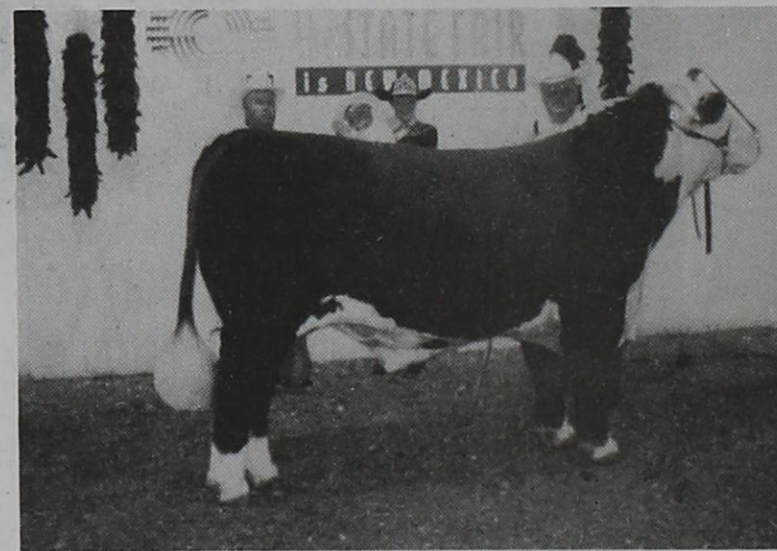

Nancy Roberts receives her check for winning first place in last week's football contest from Larry Maes, of Trans-Matic Transmission. The contest sponsors include Trans-Matic Wrecking and Trans-Matic Transmission.

Henry Garcia, Gage Gregory, Larry Gregory, Steve Foster, Weldon Killough, Orville Locke, Lonnie R. McFarland, Fuji Ortiz, Cody Phillips, Rick Stanley.

24 points -- Tobie Askew, Brandon Autrey, Gerri Bowers, Colby Carthel, Gary Cates, Lucia Cenicerros, Fred Chandler, Larry Cochran, Josh Curtis, Jimmy Curtis, Rachel Embry, Derek Go-

ettsch, Jana Kelley, Roy King, T.J. Kittrell, Gail Morris, Clyde McDonald, Bobbie McFarland, Maryann Smith, Brock Taylor and Doris White.

Thus, it looks like a lot of folks have a good chance at the grand prize this year. And even folks who aren't on the leader board (yet!) have an excellent chance at the Cowboys tickets -- there are still nine more weeks to go!

Adkins named general manager of Farmers' Electric Co-op

The Farmer's Electric Co-op Board has appointed Lance Adkins to serve as General Manager. The appointment was effective Sept. 22.

Adkins began his career with the cooperative in 1980, training as a lineman in the Clovis service area. As a lineman, he worked in new line construction, line maintenance and outage investigation and repair.

In 1992, he was selected to serve as the cooperative's Director of Member Service. Here he was responsible for cooperative news publications, advertising, energy incentive and rebate programs, safety presentations, working with members to resolve high bill concerns and the Cooperative's Education Foundation Scholarship and Youth Tour programs.

Lance was born and raised in Clovis. He and his wife Pam have two children, Jace and Kimberly.

Lazbuddie surprised

"We just didn't play well. We made a lot of mistakes," said Lazbuddie coach Mark Scisson about his team's loss to Samnorwood, 44-20, on Sept. 18.

Lazbuddie, now 2-1 on the young season, plays at New Home at 7:30 tonight (Friday). This is a non-district game.

Scisson didn't want to offer any excuses for the surprise loss to the Eagles, but two factors came into play:

-- Three Lazbuddie touchdowns were called back due to penalties. In all, the Longhorns were penalized more than 100 yards.

-- Lazbuddie was missing three injured starters: Brice Foster won't be back until the playoffs; Chris Smith may miss one more game; and Brice Redwine was ill.

The game was played at a neutral field in Silverton. Samnorwood jumped off to a 16-0 lead after the first quarter.

In the second quarter, Lazbuddie tallied two TDs to Samnorwood's one. The first Longhorn score came on a 2-yard pass from Josh Morris to Seth Black. The second came on a 35-yard pass play from Morris to Adam St. Clair.

Jason Thomas kicked an extra point (good for 2 points in 6-man football).

So Lazbuddie went into halftime behind, 22-14.

Both teams tallied another

TD in the third quarter. Lazbuddie's came on a 1-yard plunge by Jeffery Seaton. But the Eagles tacked on two more touchdowns in the final quarter to salt away the victory.

Leading the way for Lazbuddie was Adam St. Clair, with 158 yards rushing on 27 carries.

Team statistics showed: rushing yards, Lazbuddie 180, Samnorwood 238; passing yards, Lazbuddie 7 for 24 and 93 yards, Samnorwood, 4 for 5 for 30 yards; punting average, Lazbuddie, 3 for 35 yard average; Samnorwood, 2 for 30.

Longhorns of the Week

Coach Scisson named Cameron Turner as his Longhorn of the Week for his play against Samnorwood. Turner returned a kickoff for an apparent TD, but it was nullified due to a penalty; and he recovered a fumble.

Mark Lunsford attends Boys State

When looking back at the past summer and discussing unusual experiences, Mark Lunsford may have some interesting stories to tell.

Mark, a senior at Farwell High School and the son of Mickey and Leslie Lunsford, was this year's delegate to Boys' State, an educational conference held June 1-6 in Austin.

The annual leadership meeting brings delegates from all over Texas to learn about government and how it works. Mark said around 1,000 guys were there this year, the largest it has ever been.

The boys stayed in dorms on the University of Texas campus and participated in many activities other than just learning about government. A typical day started at 5:45 a.m. when they woke up to stretch and run. Then they ate breakfast and got ready to go to seminars throughout the day.

Another facet of Boys' State is running for office, as the entire program is set up like a real government. Mark ran for county sherriff.

When the boys were not learning all this valuable information, they were recreating. A variety of activities such as basketball, football, tennis, and volleyball were offered for the guys to participate in.

Mark also had the opportunity to hear famous speakers during his stay. Gov. George Bush addressed the delegates, a unique experience for many people.

Actually, the Boy's State experience as a whole is pretty unique and Mark was fortunate to have this opportunity, not only to learn about American government but to meet a variety of people and participate in activities that will hopefully benefit him in the future.

Antioxidants — why all the hoopla?

No other area of nutrition is receiving the kind of attention antioxidants are getting, but is all that attention justified? In a word, yes.

As the name implies, antioxidants inhibit oxidation. If you took chemistry in high school, you may remember that oxidation is the process that causes iron to rust, and while the effect is essentially the same, that process in organic chemistry is much more complex. Intimately involved in the most damaging kinds of oxidation are some chemical "rogododniks" that sound as sinister as they are — free radicals. The antioxidants block the action of the free radicals, rendering them harmless.

Harmful Oxidation
Oxidation has now been linked to an incredible variety of ailments and conditions including cancer, heart disease, arteriosclerosis, cataracts and muscular degeneration. Many of the processes thought to be the natural result of aging have been tied to oxidation, and some experts now believe that the cause of aging itself may be found in the battle with free radicals.

Vitamin C
250 mg 100's

2²⁹

Vitamin C — Helps boost the immune system. Important for the health of bones, teeth, gums, muscles and blood vessels. An antioxidant vitamin the body must have supplied through diet or supplement.

Beneficial Effects
The antioxidants have been found to slow and even reverse radiation damage. They have been found to improve altitude tolerance in athletes. Research suggests they can reduce and perhaps even prevent certain skin cancers. The antioxidants are thought to activate parts of the immune system, and have been shown to lower blood pressure and reduce the recurrence of duodenal ulcers. These nutrients have even been found to reduce the symptoms of many diseases including multiple sclerosis and AIDS.

These antioxidants, vitamin C, vitamin E, and the carotenes, are found in most fruits and vegetables in varying amounts. The problem is that the average American eats 2 to 3 servings of these foods per day instead of the 9 or more servings necessary to ingest adequate amounts of these nutrients. Since it is unrealistic to ask people to more than triple their intake of fresh fruits and vegetables, supplementation is the logical alternative.

Use With Care
As beneficial as these nutrients can be, like anything else, they can also be toxic if taken in excessive quantities (especially the carotenes, which are forms of vitamin A). If you suddenly start taking large quantities of vitamin C, you will probably get diarrhea. Because certain drugs can interact negatively with vitamin preparations, if you are taking any regular medication, you would be wise to discuss vitamin supplements and dosages with your Valu-Rite pharmacist before taking them.

Farwell blasts Morton to go 3-0

Despite the loss of some key players due to injuries, etc., the youthful Farwell Steers keep rolling along. Last Friday, Farwell upended the Morton Indians at home, 20-7, to improve their unblemished record to 3-0.

The game wasn't as close as the score indicated because a couple of costly fumbles lost by Farwell helped keep Morton in the game. But the tenacious Farwell defense, using excellent technique, proved the difference.

Running back Tobe Diaz got the chance to start and he made the most of it, running for 100 yards on 18 carries, including a TD.

Farwell opens district play tonight (Friday) at 7:30 p.m. at Motley County. Motley County is ranked higher than Farwell in the Lubbock newspaper polls, as are most of the teams in the Steers' district.

Farwell was stunned when Morton returned the opening kickoff 98 yards for a TD. The kick was wide and the Indians led 6-0. It turned out to be their only score of the game.

Farwell answered quickly. Kolby Kimbrough took the Mor-

ton kickoff back 52 yards to the Indians' 25. But a 42-yard field goal try by Brett Curtis was blocked.

On defense, Tyler Chadwick and Mark Lunsford had good tackles. The teams traded punts. Joel Barrett and Spencer Ketcherside tackled the punt returner. Michael Ancira and Lunsford had excellent tackles, and Ketcherside defended a pass well. Jason Miller caused a fumble for a 9-yard Morton loss. And Morton's drive stalled on the Farwell 37.

On offense, Farwell was held and Chadwick boomed a 55-yard punt to the Morton 9. Ancira and Marcus Cantu had good tackles as the first quarter ended. Morton punted to the Farwell 32.

The Steers got their 1st first down on 3 Miller carries. Diaz ran for 4 and Miller for 12 more. Then Diaz broke loose up the middle for a 35-yard TD at 8:10. The Curtis kick put Farwell ahead, 7-6.

Morton started on its 42 but Chadwick intercepted a pass and ran 23 yards to the Farwell 43. Farwell was held and punt and punted. On defense, Miller and Ancira kept up their steady stream of excellent tackles. Morton got to the Farwell 9 but was stopped cold on 4th and 9.

There was only about a minute and a half left in the half when Farwell took over on its own 9. Instead of just running out the clock, Farwell stayed aggressive. Chadwick ran for 32 yards. Then he hit Lunsford with a pass good for 38 more. The drive was capped by a 13-yard TD run by Ketcherside with just 27 seconds left in the half. The kick was wide and Farwellled, 13-6.

Derek Goettsch tackled the kick returner and Miller had a big hit on a runner as time expired.

Starting the 3rd quarter, Kimbrough took the kickoff back 15 yards to the Farwell 34, giving the Steers good field position. Diaz ran for 10 but Farwell fumbled at midfield. On defense, Ancira and Diaz combined for a QB sack with Matt Schwertner. Morton punted to the Farwell 15.

Chadwick hit a 20-yard pass to Ketcherside. But Morton intercepted, was held and punted to the Farwell 8.

A Chadwick pass to Lunsford gained 11. Miller ran for 15, behind good blocks by Curtis and Ketcherside. Ketcherside raced for 27 more, and Miller for 13. But Farwell lost a fumble at the Morton goal line.

On defense, Cantu had two consecutive excellent tackles. Morton punted and Ketcherside returned it 20 yards to the Indians' 42 as the 3rd quarter ended.

Farwell lost a fumble at the Morton 11. On defense, Lunsford had a good tackle, as did Curtis. Ancira contributed 3 good tackles in this stretch. Morton went for it on 4th and 4 at its own 40 but Eulogio Ruiz stopped the run.

Demesio Mendoza ran for 9 yards. A pass to Curtis gained 7 but Farwell was stopped on 4th and 1 at the Morton 16.

On defense, Clint Corn had a strong tackle, causing a 4-yard loss. Mendoza defended a pass, forcing a Morton punt. A penalty allowed Farwell to start on the Morton 19.

Diaz galloped for 13 and the drive culminated in a 4-yard TD

OBEDIENCE OF FAITH

Paul opens and closes the Roman letter, using the very significant expression, "Obedience of faith." Christ extended grace and apostleship to Paul, "unto obedience of faith" (1:5). In the closing paragraph he states that the gospel was made known "unto obedience of faith" (16:26).

The major thrust of the Roman letter is justification by faith. It is one of the most dynamic documents ever written on the subject. It is appropriate that the beginning and ending of this marvelous epistle should embody the concept of obedience. Like great archways at opposing sides of a temple, so "Obedience of Faith" stands as a most significant herald as one moves into the faith start of the epistle and a most vivid reminder as one arrives at the close.

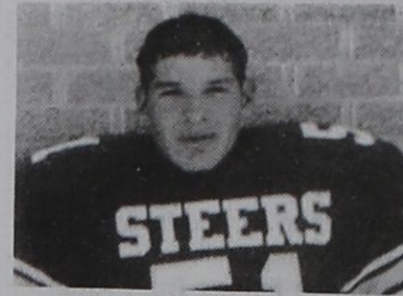

"Obedience of faith" means obedience which grows out of faith. It is the fruit of faith. The phrase may be translated, "Obedience to the faith," which signifies obedience to the gospel (cf. Gal 1:23; 3:2,5).

Clearly, faith is coupled with obedience. The only faith which justifies is a faith which works -- which obeys. One is not justified by "faith only," but by an obedient faith. When Paul speaks of justification by faith apart from works, he most often refers to the works of Moses' law (Gal 2:16; Eph 2:8-10). The question is not WHETHER obedience was required but WHAT obedience was required. In all of his writings, when Paul speaks of salvation by faith, the meaning is always an "obedient faith."

Many scriptures sustain the idea of "obedience of faith." Christ said, "Not everyone that saith unto me, Lord, Lord, shall enter the kingdom of heaven; but he that doeth the will of my Father who is in heaven" (Matt 7:21). James declares that faith apart from works is dead (Jas 2:20-26). Paul states that those who "obey not the gospel" will be punished (2 Thes 1:7-9). "Obedience of faith" cannot be ignored. The New Testament is saturated with it.

run by Miller with 2:15 left in the game. The Curtis kick made it 20-6.

On defense, Diaz and Corn combined for a QB sack, causing a 5-yard loss. And Ryan Roberts had a strong tackle.

Team stats were: first downs, Farwell 9, Morton 9; rushing yards, Farwell 37 carries for 263 yards, Morton 36 for 129; passing yards, Farwell 4 for 10, Morton, 1 for 11; punting average, Farwell 4 for 40 yards per kick, Morton 6 for 36 yards per kick; penalties, Farwell 4 for 30 yards, Morton, 5 for 30.

Coach Partain picked as his Wolverines of the Week, offense - Tobie Askew (left); and on defense -- Shay Norvell (right) and Tobie Askew.

Wolverines destroy Sunray

by Greg Qualls

The Texico Wolverines defeated Sunray 35-7 Saturday in Amarillo. This puts Texico at 3-1 for the season and they face Jal tonight (Friday) in an away game at 7:30 p.m.

Tobie Askew led the offense, scoring 5 touchdowns against the Bobcats.

Texico's first possession was handed to them when Sunray's quarterback fumbled the ball, giving Eric Stanley an opportunity to recover. Tobie Askew turned this opportunity into 6 points by running 29 yards up the field for the first touchdown of the game. The kick failed and the score was 6-0.

Tobie Askew went to the end zone again in the second quarter, running 30 yards for the second touchdown of the game. Tobie came back the next play to add 2 conversion points by catching Mel Askew's pass in the end zone.

Toward the end of the second quarter, Texico had to punt, but this was not a bad strategy-- Pecos Chumley kicked the ball 39 yards and it was caught by Sunray's #30. Only a second later, Shay Norvell forced the punt receiver to fumble and he recovered the ball for Texico.

With Texico in possession, Chumley added his expertise to the game and ran 25 yards for the third TD of the game. Chumley's extra point kick was good and the score increased to 21-0.

In the middle of the third quarter, Brandon Autrey intercepted to give Texico possession again. Turnovers can be dangerous, and Tobie Askew decided it was time to score again when he caught a 20 yard pass from Mel Askew in the end zone. The extra point kick by Chumley brought the score to 28-0.

Toward the end of the third quarter, Sunray's Travis Lanle slipped by Texico's defense and ran 51 yards to score. The kick by Ray Peder was good and Texico's hopes of a shut-out were gone. The score was then 28-7.

Tobie Askew decided he wasn't done yet when he ran 22 yards up the field for the final TD. The kick by Chumley was good and the score was 35-7.

The game ended with 10 seconds on the clock and Eric Smith downing the ball on the 20 yard line. Texico proved their defense is one of the toughest in the state when the final score showed 35-7.

Team stats were: first downs- Texico, 14, Sunray, 12; rushing- Texico, 269, Sunray, 202; passing- Texico, 65, Sunray, 52; total yards, Texico, 344, Sunray, 254. Texico passing was 14-5, Sunray, 12-4. Texico had 2 interceptions. Punting average- Texico, 4 for 39.7, Sunray, 3 for 35. Fumbles- Texico, 2-1, Sunray, 8-6. Texico was penalized 7 times for 55 yards, Sunray lost 25 yards on 4 penalties.

Individual stats: rushing- Tobie Askew, 16-135; Chumley, 15-115; Mel Askew; passing- Mel Askew, 6-14; receiving- Tobie Askew, 2-37; Matt Holguin, 2-28.

Morton turns back Farwell Junior High teams

Farwell's Junior High teams lost a pair of hard-fought games to Morton on Sept. 18, reports coach Jacob Thompson.

The 7th grade lost 24-6, but gave a great effort. "I was proud of their effort but we were just overmatched by Morton's size and speed," said Thompson.

Players cited for having a good game by Thompson were quarterback Lonnie McFarland, who connected with tight end Ty Gonser on a long pass play, and linebacker Jeff Davis.

The 7th graders' TD was scored on a short plunge into paydirt by Brody Norton.

The 8th graders fell, 14-0. "The boys played hard, but we were unable to overcome our mistakes. We also had some key injuries," said the coach.

He cited quarterback Gage Gregory, who completed several passes for first downs to split-end Fidel Ruiz. Gregory and Ruiz, plus fullback/defensive end Thomas Ortiz played well defensively.

The Steers play at home Sept. 25 against Clovis Yucca Junior High. Games start at 5 p.m.
