

Border Banter

By Mike Pomper

Please support our athletes

Fall has fallen upon us -- and that means football!

I like to write this memo every couple of years as a friendly reminder.

Folks, our high school athletes train very hard to do a good job on the field of battle. They really appreciate fan support.

Please don't sit home on Friday nights and stare at the boob tube. Instead, drive over to your local high school football field and cheer on the kids. It's a lot more fun and invigorating.

It doesn't matter if you don't have any of your own kids playing. I guarantee the sons of your neighbors will be out there, doing their best for YOUR community.

Kids have told me over and over how much they appreciate it when folks come to the games and show their support. It means a lot to them.

So please take the time to come to the ball games and support our communities. Call a friend and say, "hey, let's go to the game tonight. It will be fun!"

You won't miss anything on TV. There's always reruns, and more reruns.

It's an election year and politics have taken front stage.

I wrote a year ago that Bill Clinton would win in a walk and recent polls have put him ahead.

Oops, I should not have said that! The last time I wrote something about Mr. Clinton, a subscriber called me up to say that if I wrote anything good again about that "adulterer and draft dodger," I could count on her becoming an ex-subscriber.

Sorry, ma'am. But I call 'em as I see 'em, as that late, great baseball ump Bill Kling used to say.

I want to reiterate that I voted for George Bush in 1992 and plan to vote for Bob Dole this year. I personally have a very low opinion of Mr. Clinton because of what I call his character flaws.

But facts are facts. A poll taken a few months ago showed that only about 32 percent of all Americans care about a candidate's character. Alas, that once again puts me (and many of our readers) in the minority.

That means that 68 percent of all Americans don't give a hoot about Mr. Clinton's multi-romances or his outstanding ability to avoid service to his country at a time when 38,000 fellow Americans gave their lives.

The truth is that what counts most with the majority of Americans when it comes to picking a president includes: how the candidate looks, what promises he makes, and what's in it for the voter.

Now, you folks may not like what I just wrote, and goodness knows you won't read that in any other political columns, but that's the way it really is.

I'm sorry.

Yes, I know that virtually all political pundits (I think I'm the lone exception) write on and on about the great issues of the day -- taxes, abortion,

Bristow begins family practice

(Editor's note: The following article about Chris Bristow comes from the July 21 issue of the Palestine, Texas, Herald-Press. Chris is a Farwell High graduate. His father, Rev. Dudley Bristow, formerly pastored at Farwell First Baptist Church. Chris' wife, Lisa, hails from Pleasant Hill. Her father formerly pastored at Pleasant Hill Baptist Church. The Bristow's have three children.)

Chris Bristow is part of a new breed of rural doctors recruited by the Fairfield Memorial Hospital Board of Directors three years ago as 4th-year medical students. The board courted them by providing financial assistance for their education and their residences.

Bristow began his family practice Monday at the Medical Arts Clinic in Fairfield for a minimum 6-year commitment. He has completed a 3-year residency emphasizing obstetrics, gynecology, pediatrics, minor surgery, emergency medicine and general internal medicine. He will help reopen the obstetric department and deliver babies at Fairfield Memorial Hospital.

The hospital board contacted Bristow through a Rural Health Initiative health fair in 1993 in Austin. The program was designed by the state legislature to attract physicians to rural areas.

Bristow, 33, was born in Lubbock but reared in Farwell. After high school, he worked as a paramedic and got hooked on medicine. He completed undergraduate work at Texas Tech University, followed by formal medical training at the University of North Texas Health Science Center in Fort Worth. He stayed in Fort Worth to complete his residency at John Peter Smith Hospital.

"That's what the Lord had for me to do. That's usually the ultimate guide for everything in my life," said Bristow. "We have definitely felt very welcome here. This is going to make our job easier. It's just a more rural-type atmosphere. This feels more like home."

Only one more week to go!

For the football fanatic, it's THAT time again!

The ever-popular Area Merchants Football Contest will begin its 38th year on Sept. 6.

So please mark your calendars now -- that means it's just one week until the football contest starts.

Last year, well over 500 persons, ages 12 and up, entered the contest. That figure alone testifies to the contest popularity, given the number of local residents who are over the age of 12.

This is when area prognosticators probe the sports columns, read the charts and check their favorite armchair quarterbacks. It's a time for folks at local businesses to see whose football acumen is tops. And it's a time for families to have fun over the dinner table, deciding on which teams are going to win.

And it is so very, very important to enter each week in order to have a strong run at the Grand Prize Award. So be sure to watch for the first week of the contest, in the Sept. 6 issue of the Tribune.

The top prize for the winner of the 12-week contest will again be two tickets to see the World Champion Dallas Cowboys play at Texas Stadium. This year, the winner gets to watch the 'Pokes first hand as they take on the New England Patriots at Texas Stadium on Dec. 15 at noon.

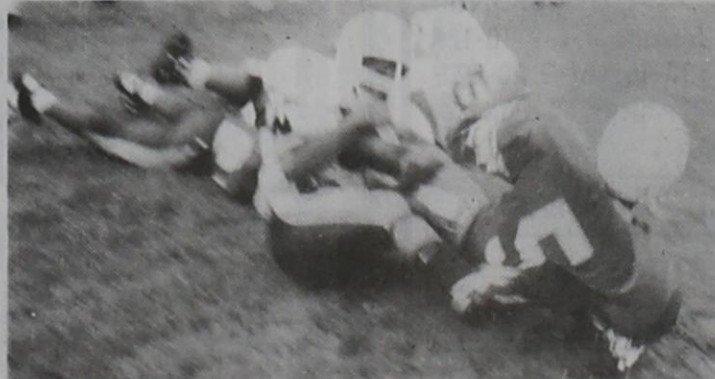

The grand prize winner also gets \$50 in cash, a night's lodging for two at the Radisson Hotel, game day breakfast, and transfers to and from the game.

And the reason the Tribune is able to offer this contest, plus the weekly cash prizes of \$10 for first place and \$5 for

Railroad crossing survey taken

The Burlington Northern Santa Fe Railroad has sent a letter to the Farwell Chamber of Commerce noting a survey taken by the railroad of train traffic through the Twin Cities.

Recently, the Farwell Chamber has suggested that an overpass be built between the two communities due to increasing train traffic.

The railroad took a survey for seven days, from May 19 to May 25. Their train counts were:

May 19, Sunday - 68.

May 20, Monday - 60.

May 21, Tuesday - 41.

May 22, Wednesday - 54.

May 23, Thursday - 66.

May 24, Friday - 55.

May 25, Saturday - 68.

The average for the seven days was 58.8.

The railroad projects a 5 percent compound annual growth over the next four years. Thus, they expect their daily total average trains to climb from the 58.8 current figure to 61.74 in 1997, 64.83 in 1998, 68.07 in 1999 and 71.47 in the year 2000.

Railroad officials noted that although the week-long sampling showed that 68 trains were the maximum number, occasionally the Santa Fe will operate 80 or more trains on a given day.

Copies of the letter were sent to the New Mexico and Texas highway departments.

Texico city council hears suggestions

The Texico City Council on Tuesday heard some suggestions from Gene Phillips. He noted four things:

-- That the residential speed limit of 30 miles per hour is too high and dangerous when kids are walking.

Mayor Butch Tharp responded that the city tried to lower the limits several years back but the state, which sets the limits, wouldn't allow it.

-- That parking on the north side of Wheeler Avenue obstructs the vision of motorists. He said off-street parking is available.

-- At least one irrigation pump is inside the city limits. He said the one near College Avenue needs to be quieter.

City attorney Marion Ty Rutter will check on this.

-- That pedestrian crossings could be used across Wheeler Avenue. Tharp said the city will look into this.

In other business, the council:

-- Heard that the street sweeper the city is buying for \$4,500 will be delivered next month.

-- Agreed to buy two more fire hydrants, at \$800 apiece.

-- Voted to buy a couple of dozen more meters, about \$40 each.

-- Heard Tharp compliment the city's public works department employees for working hard to improve the city's appearance.

-- Noted that the Border Town Days Committee is included in the city's insurance coverage for its portion of the BTD parade within the Texico city limits.

At the previous meeting, BTD Chairman Mike Pomper had asked about it. The Farwell portion of BTD is covered by the city of Farwell's insurance.

Parmer County Fair entries sought

The Parmer County Fair will be held at the Friona Community Center Sept. 5-7.

All entries will be taken Sept. 5 from 5 to 9 p.m. A \$1 fee will be charged for each entry. Baked goods can be entered Sept. 6 from 8 to 9 a.m.

Judging of all entries will be held from 9:30 a.m. to noon on Friday. The fair will be open to the public at noon and close at 6 p.m.

On Saturday, a full slate of events will start at 7 a.m. with a pancake breakfast sponsored by the Parmer County Fair Board. Cost is \$5 for adults and \$2.50 for children.

At 11 a.m., a hamburger lunch will be served by the Pioneer Heritage Chapel and Museum. Cost is \$3.50.

Other activities include:

9:30 a.m. - pet show.

10 a.m. - turtle race and frog jumping contest.

10:30 a.m. - bucket calf show.

11 a.m. - homemade ice cream contest.

11 a.m. to 12:30 p.m. - youth lead show, junior 4-H fashion show and spinning demonstration.

All entries will be picked up from 1 to 1:30 p.m.

Folks of any age can enter the fair.

Obituaries

Paula Nance

Graveside services for Paula Nance, 32, of Farwell, will be at 2 p.m. Aug. 29 at Sunset Terrace Cemetery in Farwell with Cecil Bunch officiating.

Ellis-Blackwell Funeral Home handled the arrangements.

She died Monday at home. She was born June 22, 1964, in Santa Rosa, N.M. She married Michael Nance on May 11, 1987, in Bovina.

She was a member of the Church of Christ, and had attended Bovina High School. She graduated from West Texas A&M University.

She was a homemaker. Surviving are her husband; a son, Alan Michael, at home; her mother, Toni Marquez, of Clovis; 3 brothers, LeRoy Marquez, of Anton Chico, N.M.; and Lee Marquez and Benny Marquez, both of Clovis; and a sister, Rosemary Ward, of Bovina.

party platforms, etc. -- but I don't have much heart for it.

I realize I get negative about the political process when I view things in such a dark mode, but every now and then something comes along to cheer me up.

I'm waiting... Okay, back to reality: Mr. Dole did a superb job of trying to focus on character during the recent GOP convention. And I'm sure that has made an impact on some voters. Perhaps that 68-32 percent split that I mentioned above will close. I hope so.

Regardless, I still put Mr. Clinton ahead. Four years ago, Ross Perot's candidacy helped propel him into the White House. This year, it seems Mr. Perot will help out again.

Don't every ask me to write publicly my opinion of Mr. Perot's Alice-in-Wonderland adventure into the political realms.

But I will offer one piece of advice to folks who are undecided about who to vote for.

Just find out who your favorite Hollywood celebrity supports. You can't go wrong!

Juniper trees to be planted

Fourth graders from the Bovina elementary school will soon learn that the Texas Department of Transportation does more than just build roads.

These students have been invited to participate in an environmentally-significant event that will teach them the importance of using vegetation to prevent heavy highway maintenance.

On Wednesday, students will help the highway department and the Texas Forest Service plant several hundred juniper trees on the right-of-way on FM 1731, west of Bovina.

These trees, planted in rows 25-40 feet apart, and 200 feet from the roadway are called a "Living Snow Fence." The junipers are designed to catch blowing snow during the winter months. The fence blocks the wind and drifting snow, making the roads easier to blade and keeping them open longer. A row of Aromatic Sumac will be planted in front of the junipers making the snow fence three rows deep.

Snow fences are not a new concept, according to Bob Fewin, area forester with the Texas Forest Service in Lubbock.

"These fences have been used for years in the Northern Great Plains," he added. "We brought the concept to the Panhandle several years ago."

Lloyd elected to state group

Duane Lloyd of Muleshoe has been elected to the board of directors of Texas Electric Cooperatives, a statewide service organization for Texas' 85 non-profit electric cooperatives.

He was elected Aug. 7 during the TEC 56th annual membership meeting in Corpus Christi. Lloyd is manager of Bailey County Electric Cooperative, a post he has held since 1986. Before then, he had served the cooperative as assistant manager, administrative assistant, and engineer.

A native of Friona, he attended school there as well as in Kansas, plus the University of Alaska. He is active in the Muleshoe Area Industrial Foundation, which he formerly served as president.

Lloyd and the former Loretta Stancell of West Camp have two daughters, Lavayne Pepper, of Oklahoma City, and Lacey, who attends South Plains College in Levelland, and a son, Nathan, of Lubbock.

Letter To The Editor

Dear Mike,

I watched the ABC, CBS, and NBC coverage of the GOP convention with dismay and disgust. Dismay at the many ways they could find to put a cynical and negative twist on Senator Dole and most all of the other Republican leaders and what they had to say. Disgust that they would stoop so low.

The media spin doctors, Jennings, Rather and Brokow repeatedly cast truth and validity to the winds and spewed half truths, lies and distortions. For example, Dan Rather stated on August 14 that a majority of all veterans voted for Clinton in the 1992 election. That's a total fabrication and an insult to all veterans.

The final insult came in the evening news August 14 when the CBS buffoon, Andy Rooney, chided and made fun of convention delegates who wore red, white and blue ap-

parel.

I wager we all see little or none of this spin doctoring and cynical distortion to discredit Clinton and the Democrats when they all cozy up in Chicago for the Democratic Convention.

Let's hope that this blatant media bias does not again influence too many voters and again give Slick Willie the White House.

Lazbuddie offers lunch choices

Lazbuddie School is one of several in the state participating in a new lunch program this year.

For most schools, a set lunch is offered -- main course, fruit, vegetable and dessert.

But this year Lazbuddie School students will have choices for the main course and side dishes each day.

For example, on Monday the lunch will feature hamburger basket, pizza, burritos, sandwich with chips, and chicken nuggets. Students can choose one main dish.

That allows students a choice from five main entries.

The side dishes for Monday includes corn, green beans, mashed potatoes and gravy, salad and fruit. Again, students have a wide choice of side dishes to choose from. Students can choose two side dishes.

Each lunch also offers a dessert and milk.

Here's an example from next Tuesday's menu: Entries consist of hamburger basket, pizza, corn dogs, sandwich with chips, and meat loaf. Side dishes include corn, green beans, mixed vegetables, salad and fruit. Again, students can pick one entree and two side dishes.

However, students in pre-kindergarten, kindergarten, first and second grades don't have entree choices.

The menu that Lazbuddie Schools post each week is headlined "Choices! Choices! Choices!" and notes that there's "always something different every day! Always your favorites!"

More rain falls

Slow, steady rain and drizzle fell all over the region last weekend and continued on into Monday. The showers were remnants of Hurricane Dolly that made landfall last Friday near Tampico, Mexico.

According to the Associated Press, an upper-level trough in the far west combined with moisture from the remnants of Dolly. Together, this brought showers and thundershowers to West and South Texas.

The majority of rainfall was west of a line from Wichita Falls through Fort Worth and Waco, according to the National Weather Service. West Texas and Eastern New Mexico received the least amounts of rain as compared to the heavy, torrential downpours that the other parts of the state received. Flash flood warnings were posted in the central sections of Texas.

Sherley-Anderson-Pitman in Farwell received 1.20 inches over Friday and Saturday. According to Lonnie McFarland, of Sherley-Anderson in Lariat, he measured 1.45 inches in his rain gauge at his home in Farwell. The elevator in Lariat only received .60.

Sherley-Anderson elevator in Lazbuddie reported only .45 on Friday and nothing for Saturday. Many farms around the Lazbuddie area received a light drizzle throughout the day, but nothing measurable.

Some areas around the region received up to 2 inches of rain. Greg and Roberta Howard of Farwell reported getting almost 2 inches at their house.

More rain fell on the area on Monday and Tuesday, but to a lesser extent.

McFarland said a tenth of an inch fell Monday and .02 on Tuesday. At Lazbuddie, Shirley Steinbock said just a sprinkle occurred. The biggest numbers were in Farwell where about .30" more moisture came down.

Lady Hoopsters win tourney title

The Lady Hoopsters won the championship of the 3rd annual Ultimate Warriro Tournament in Lubbock.

They beat the Mighty M's, 43-6; beat Reagan County, 44-6; lost to the Sharpshooters, 42-37; beat the Courtmasters, 35-16, then nipped the Sharpshooters, 47-45, in the title match.

Members were Savannah Black, Lazbuddie; Kara Jenkins, Texico; Leticia Martinez, Clovis; Juanita Davis, Jenna Urbanczyk, Abrea Holmes, Wendy Briones and Elizabeth Tarr, all of Hereford; and Rendi Hodge, Jessica Carpenter and Jodi Hawkins, all of Muleshoe.

Farwell Chamber plans 2nd farm equipment auction

The Farwell Chamber of Commerce Tuesday voted to schedule a second farm equipment auction this year, if enough items are consigned.

Mike Ratke suggested that an auction be held after the corn harvest. It was felt that enough equipment would be consigned, so the Chamber gave it a go-ahead.

Mike Archibique, of Bill Johnston Auctioneers, Portales, who handled the Chamber's first auction last January, will be asked to put this one on, too.

Chamber President Ralph Franse said Butch Sharp, who owns Tharp Dragline on the

loop, said it was okay to use his property for the auction. Last time, it was held on the adjacent KIJJN Radio lot.

In other business, the Chamber:

-- Selected Hughes Auto Parts as its Business of the Month to be highlighted in the State Line Tribune in September.

-- Discussed a membership drive. This will be worked on.

-- Voted not to advertise the El Cid cutting horse competition but to leave it up to individual businesses. Previously, the Chamber put out fliers in a welcome bag given El Cid participants and also had an ad in the paper.

Thank You

The family of Gary Hardage wishes to thank everyone for all the prayers, visits, cards, flowers, plants and food during our recent loss. Your kindness and sympathy are more deeply appreciated than any word of thanks can ever express.

The Chief's Corner

From Farwell Police Chief Roy McGaa:

Recently, I had the pleasure of teaching again at the S.P.A.G. Regional Law Enforcement Academy. The class consisted of basic academy recruits who were in their 15th and last week of training. They were instructed in criminal investigation, crime scene search and crime scene protection.

At the class conclusion, students were presented with a simulated homicide to work and present in court. A real judge and attorneys volunteer their time to show the recruits what really happens in court. When they are hammered by the defense attorney, the stunned expressions on their faces is a good indicator that they had no real idea of what they were in for. All were grateful it happened in training rather than in a real trial.

One older student said he had no idea of what was involved in being a peace officer. It was a good point and I'll sum it up for you. The basic peace officer course is now 560 hours of training, consisting of many subjects. They just scratch the surface in each topic.

For example, criminal investigation, crime scene protection and search covered three days. Within that time, homicide was covered, but a course on homicide alone covers three days; a section of homicide investigation, such as sex crimes, can also cover three days. Fingerprints are also touched on in these same three days, but the fingerprint school in Austin is two weeks long -- 80 hours.

These students are now aware of the fact they have not completed training - they have just completed the basic training necessary to start a life of continuous training that will last throughout their careers.

There is a definite advantage in teaching: it keeps me thinking. I have not worked a homicide in about five years, yet I teach a homicide class 3 to 4 times a year, thus constantly retraining myself in the procedures. The old saying "if you don't use it, you lose it" is very true in law enforcement.

Lazbuddie scores 3 times during scrimmage

The Lazbuddie Longhorns' football team opened its pre-season with a scrimmage Friday against Groom at Silverton.

Lazbuddie outscored Groom, 3-2. The Longhorns' TDs all came on passes from quarterback Justin St. Clair -- one to Seth Black and two to Chris Smith.

-- Marshals' report --

Here is the weekly report from Texico Marshal Gil Holguin:

On Aug. 26, Rudolfo Sifuentes, 30, Dimmit, was charged with aggravated DWI 2nd, speeding and open container.

On Aug. 23, Raymond Tarango, 36, Texico, was charged with domestic violence battery after a complaint was made by his wife, Eloisa.

Marriage Licenses

The following marriage licenses were filed in Parmer County last week:

Dean F. Shover and Michelle A. Foster, Robert William Ivanowski and Elizabeth O. Mote.

Coach Mark Scisson reported that he was especially happy with his team's defensive effort. Overall tackling was excellent.

The team has a lot of depth this year, which is being needed.

In a recent practice, Cameron Turner and Cade Morris both broke their arms. Morris is out for the year, and Turner is expected to return in a week or two.

And in the scrimmage, Brice Redwine broke his

hand. Scisson didn't have a report yet on how long he will be out of action.

In Lazbuddie's first series of 15 plays, the Longhorns were stopped cold for the first half dozen plays until they adjusted to a defense they weren't familiar with. Then they scored. And in the second series, Lazbuddie tallied two more times.

Lazbuddie next scrimmages against Chillocothe at Matador today (Friday) at 6 p.m.

Then the season starts. Scisson expects it will be very interesting in district since it's very strong this year. In the past, a couple of teams have stood out. But this year, he said every coach in district is looking toward making the state playoffs.

Lazbuddie's JV team is small this year, with 7 members. Against Groom, the defense was okay but the Longhorns weren't able to move the ball well, Scisson said.

Notice of Public Hearing on Tax Increase

The CITY OF FARWELL will hold a public hearing on a proposal to increase total tax revenues from properties on the tax roll in 1995 by eight percent. Your individual taxes may increase at a greater or lesser rate, or even decrease, depending on the change in the taxable value of your property in relation to the change in taxable value of all other property.

The public hearing will be held on SEPTEMBER 10, 1996 at 5:30 p.m. in CITY HALL.

FOR the proposal: John Carlson, Martin Kube, Don Geries

AGAINST the proposal: none

PRESENT and not voting: none

ABSENT: Ysleta Kittrell, Jerry Stover

The statement above shows the percentage increase the proposed rate represents over the effective tax rate that the unit published on August 16, 1996. The following table compares taxes on an average home in this taxing unit last year to taxes proposed on the average home this year. Again, your individual taxes may be higher or lower, depending on the taxable value of your property.

	Last Year	This Year
Average home value	\$ 31,195	\$ 31,702
General exemptions available (amount available on the average home, not including senior citizen's or disabled person's exemptions)	\$ 0	\$ 0
Average taxable value	\$ 31,195	\$ 31,702
Tax rate	.3477 /\$100	.3645 /\$100 (proposed)
Tax	\$ 108.47	\$ 115.55 (proposed)

Under this proposal taxes on the average home would increase by \$ 7.08 or 6.13 percent compared with last year's taxes. Comparing tax rates without adjusting for changes in property value, the tax rate would increase by \$.0168 per \$100 of taxable value or 4.61 percent compared to last year's tax rate. These tax rate figures are not adjusted for changes in the taxable value of property.

Criminal Justice Mandate (for counties):

The County Auditor certifies that County has spent \$ in the previous 12 months beginning 19, for the maintenance and operations cost of keeping inmates sentenced to the Texas Department of Criminal Justice. County Sheriff has provided information on these costs, minus the state revenues received for reimbursement of such costs.

Texico, Farwell gridders vie at scrimmage

The Texico and Farwell varsity and junior varsity football squads held a scrimmage before more than 200 fans at Wolverine Field on Saturday.

A hamburger cookout was provided by Texico folks afterward.

The scrimmage was punctuated by light drizzle but heavy rains didn't fall until it was over. The field was very wet from heavy downpours earlier in the morning.

The varsity and JV teams alternated scrimmages. Each team ran 15 or 20 plays on offense, then the same number on defense.

Junior Varsity

In the first scrimmage between the two JV teams, several fumbles occurred, apparently due to the wet ball.

Farwell's first possession was highlighted by a 75-yard TD run by Steer quarterback Tyler Chadwick on an option play. Also, Brian Hager and Spencer Ketcherside had good runs. Texico players making some good defensive stops included Dominic Gutierrez, Seth Ketterling, Eric Smith and Eric Stanley.

The Texico JV couldn't get untracked on their first offensive series and were unable to move the ball effectively. On defense, Farwell's Brandon Lunsford had two solo tackles, and Spencer Ketcherside had one.

In their second offensive series, the Farwell JV's offense was shut down. This time, it was the Texico offense that moved the ball well. Matthew Holguin had an 85-yard TD run called back due to a penalty. But Ronnie Clark caught a short pass from Eric Stanley, broke a tackle, and scored a 70-yard TD. Holguin had two other good runs, also.

Varsity

The varsity scrimmage featured some good line play, both on offense and on defense by both teams.

Farwell was on offense first but were held back. David Everett had a good run. Jason Miller caught a pass from Brock Anderson plus had a good run.

Texico's offense featured running back Tobie Askew, a good candidate for All-State this year. He broke off three long runs, including a 27-yard scoring run. Meanwhile, quarterback Mel Askew hit Tobie Askew and Pecos Chumley with neat passes. Tobie Askew scored a second time, from 2 yards out.

Farwell has begun playing a new 4-4 defense this year. In their second scrimmage, Farwell's offense was again stifled. But the Steers picked up some good yardage on option plays and Jason Miller had a strong run.

Texico's turn on offense again featured Tobie Askew. After a 60-yard run, he tallied for the third time on a 2-yard plunge.

Commissioners continue budget talks

The Parmer County Commissioners continued their budget discussions Monday.

The commissioners scheduled a special meeting for Sept. 4 as they continue their annual in-depth budget talks.

The suggested 3 percent pay raises for county employees is still "on the table" but no decisions have been made yet. Last year, county employees didn't receive pay raises.

The current county tax rate is .3441 cents -- .2638 cents for the general fund and .0803 cents for the farm to market road fund.

In other business, the commissioners agreed to seek bids for courthouse janitorial service. The contract is to start Oct. 1.

Center reunion planned

A reunion for former residents of the Center Community will be Sept. 1 from 1:30 to 5 p.m. at the Play Inc. building at the corner of 7th and Sycamore streets in Clovis.

All former residents or folks who had ties to the Center Community are invited. If you know of any former residents living elsewhere, please contact them about the reunion.

This is the first attempt to have a reunion so no meal or formal program is planned -- just a get-together to reminisce. If attendance justifies, plans will be made for more reunions.

The reunion will take place right after the Wall family reunion. The Walls invited folks who come early to participate in their reunion, too, for pot luck lunch.

For more information, or to send addresses or suggestions, contact Lola (Wall) Richardson, 1640 SR 108, Texico, NM (phone 389-5362) or Bettie (Gerber) Miller, P.O. Box 510, Portales, NM (phone 356-4922).

Ribbon-cutting ceremony

The Texico Chamber of Commerce held a ribbon-cutting ceremony on Aug. 27 for the new Burger King Restaurant near the Port of Entry. Chamber members joined Burger King district managers for the ceremony.

Gotcha!

Cade Christian, of Farwell, shows off a 7 lb., 4 ox. 31-inch pike he recently caught at Navajo Lake near Farmington, N.M. He was fishing with his uncle, Cliff Ollom, of Farmington, and his grandfather, Charlie Dodson, of Clovis.

Police Report

Here is the weekly report from Farwell Police Chief Roy McGaa:

On Aug. 22, a harassment report was received and is under investigation. Charges may be filed.

On Aug. 24, a theft was reported in the 300 block of Ninth Street. Charges will be filed.

A theft of cash from Tri County Tire was reported Tuesday. A suspect has been identified.

Patterson to teach pre-school

Cindy Patterson of Farwell has been hired to teach pre-school at St. John Lutheran Church of Lariat. Cindy worked in the Farwell Schools as an aide in the Early Childhood Development program and in the Jr. High math classes. She is a student at Clovis Community College where she is working on her bachelor's degree in education. She also attended Texas Tech University. In addition to her work experience, she also has extensive experience working with young children through various Sunday School and church programs. She is the wife of Gary Patterson and the mother of three children: Clint, Leesa and Dan. The pre-school is open to all 3 and 4 year old children in the area. The school will be each Tuesday from 9 a.m. to noon beginning Sept. 17. A child must 3 years of age on or before Sept. 17 to register. However, the pre-school has an open enrollment policy where children can enroll anytime throughout the year upon their 3rd birthday. The curriculum is a Christ-centered program that involves the child at all stages throughout the year. Children must be potty trained and current on their immunizations. The cost of the pre-school is \$8 per session, per child. Snacks will be provided. For more information, or to register your child, please call the church office at (806) 825-2409.

Rules for the 1996 contest will be the same as in the past. A person must be at least 12 years old to enter. Entrants must choose 12 teams they think will win the selected games.

Games will be divided by high school, college and professional ranks. In case of a tie game, unless the tie was predicted by the entrant, that game will not be counted.

Each entrant must remember to pick a tie-breaker score, a very important feature of the contest since many weekly winners (and overall winners) have been determined by the tie-breakers.

The person naming the most games correctly each week will receive a check for \$10. The second place winner will get \$5.

Each week's scoring is tabulated and kept on record at the Tribune office. The standings are posted each Monday and may be seen during regular business hours.

All entry blanks must be turned in to the Tribune office, 404 Third St., Farwell, or, if mailed (State Line Tribune, PO Box 255, Farwell, TX 79325), must bear a Friday postmark.

It's very important that you enter each week's contest to have a strong shot at being the overall winner. Even if you never pick 11 or 12 right to take the weekly prize, you can win the overall prize with a consistent 8 to 9 weekly tally.

Entry blanks for the first contest will be in the Sept. 6 issue of the Tribune. Entry blanks are also available at the Tribune office starting at 1 p.m. each Thursday.

Farwell fire department receives grant

Farwell's volunteer fire department will be honored for receiving a life-saving heart defibrillator in a ceremony culminating their fund-raising efforts and a matching grant of \$2,500 from the Prudential Helping Hearts Program. The program, which re-

cently honored Lazbuddie's fire department, helps volunteer emergency medical squads to buy the heart defibrillators.

About 84 Texas volunteer squads will get the units.

The ceremony is set for Aug. 29 at 7 p.m.

The Latest

Season passes are on sale at the Texico High School official from Mrs. Kittrell.

The cost is \$60 per immediate family. It includes all home games and concerts, etc., but excludes play-offs and tournaments.

As of mid-week, there only has been one write-in candidate, reports Parmer County Judge Bonnie Clayton.

D.H. Foster filed last week for the Parmer County Commissioner's race (Farwell area precinct).

The deadline is Sept. 6.

Several local farmers are involved in the Top of Texas apple cooperative, which will use the building just north of Franse Irrigation for processing soon.

Thirty employees will do the processing, it was reported.

Word has been received of the death of Orah Ola Moore, 92, of Corona, Calif.

She and her husband, Jim, owned and operated "Jim's Cafe" in Texico.

She moved to California in 1962 to live with her daughter, Millie Burns.

Larry Gregory, principal of Farwell High School is proud to report that the school was one of 30 high schools in the state that received an "Exemplary" rating on the TAAS test from last school year.

The combined test scores from the students were high enough to gain the rating. Out of 1,100 schools participating in the test, only 30 received the high rating.

The Farwell Varsity and JV football teams will play in a scrimmage at Whiteface on Friday (today) at 6 p.m.

Texico varsity football will host Loving on Aug. 30 at 7 p.m. mst. at the Texico Field for their opening football game of the season.

Olde Tyme Pastries by Jenny will begin serving homestyle hamburgers and cheeseburgers as part of their daily lunch menu starting Tuesday.

Owners Rod and Jenny Baize also plan to begin offering a variety of hot sandwiches and soups in the fall.

As a way to better serve the high school students and teachers in Farwell and Texico who leave campus for lunch, the restaurant is offering call-ahead service and will be taking orders a day in advance in the restaurant.

The restaurant menu will be

posted at the school and students can call their orders in early. If getting to a phone is too difficult, they can place their order for the following day (or days) while they are at the restaurant for lunch.

This is being done in response to requests by students who don't have enough time for a good lunch before they go to the Clovis Community College for advanced courses or to their jobs.

The number at the restaurant is 481-9313.

Gil and Jean Patschke celebrated their 46th wedding anniversary with a weekend trip to Ruidoso.

They visited the Hurd gallery in San Patricio for a special viewing of the works of Peter Hurd.

Lyna Coleman, of Farwell, is the new secretary at the First Baptist Church of Bovina.

The post offices and banks will be closed on Monday, for Labor Day.

Word has been received of the death of Pauline Rickstrew, 74, of Clovis, who once lived in the Texico area.

Jack Kirkland notched a hole-in-one on the Par 3 No. 2 193-yard hole at the Farwell Country Club on Aug. 21.

He used his bubble driver, with the wind against him.

Witnesses were Doyle Ford, Bob Owen and Elmer Hargrove.

It was Kirkland's third hole-in-one in his golfing career.

The good, old days

In 1932, a huge 16-ft. tusk from a prehistoric mammoth was found along with some distinctive projectile points at Blackwater Draw, just south of Clovis. These projectile points have been used to prove that human beings hunted in this area more than 11,000 years ago. The site is still classified as the place of the earliest human habitation on this continent by many archaeologists. In 1995, Reynaldo Rivera created a beautiful sculpture, shown above, for Clovis Community College. It depicts a Paleolithic hunter thrusting his spear with its distinctive Clovis point into the eye of a mammoth. Its curved tusks tower over the hunter, who is barefoot and clad in furs.

Recipe of Week

Kristian Alfonso's Favorite Dish: Grilled Catfish With Fresh Salsa

Ingredients:

- 4 genuine U.S. farm-raised catfish fillets
- 1/2 teaspoon garlic salt
- 1/2 teaspoon pepper
- 3 medium tomatoes, chopped
- 1/4 cup chopped onion
- 2 medium jalapeño peppers, chopped
- 2 tablespoons white wine vinegar
- 1 teaspoon salt

To prepare the catfish:

Sprinkle farm-raised catfish fillets with garlic salt and pepper. Place them in a well-oiled grill basket or on a well-oiled grill rack. Grill uncovered directly over medium-hot coals about 5 minutes per side or until fish flakes easily. Serves 4.

To prepare the salsa:

In a bowl, combine tomatoes, onion, jalapeño peppers, vinegar and salt. Stir well. Let stand at room temperature for about 30 minutes before serving. Chill to store. Makes 3 cups.
