NUMBER 40

SIXTY-SIXTH YEAR

20 CENTS

Two Weeks To Go - -

Wheat Harvest Rolls Throughout Area

Wheat harvest in Parmer County is stepping into high gear this week as approximately 20 percent of the area's wheat crops have been harvested. The harvest is expected to continue for another two weeks according to reports received from spokesmen for local elevators.

Worley Grain in Farwell received its first load June 10. Bill Thigpen, manager, said Tuesday that not enough wheat had been cut yet to determine yields per acre. According to him, some area farmers cut two to three loads and "then returned to watering other crops such as corn." Of the wheat received thus far, Thigpen said the moisture content was approximately 13 1/2 percent or less. He added that the test weight was light, ranging from 54-61 pounds average.

As of this week the price of wheat is \$2.84 per bushel, representing a slight increase over the \$2.11 price that was in effect this time last year. Thigpen said that depending on the type of farm operation being considered area farmers really needed from \$3 to \$5 per bushel to come out all right with this year's crop.

Fred Chandler of Sherley-Anderson-Pitman in Farwell said that yields were down this year due to hail damage earlier in the season. He added that due to the "lousy wheat market" few acres of wheat were planted this year. Another factor contributing to less wheat acreage this season is the current farm program which allowed farmers to lay out 20 percent of their land. According to Chandler, some farmers planted wheat earlier in the year and then let the crop "go to grazing."

Sherley-Anderson-Pitman received its first load of wheat June 14. The wheat tested 57 pounds to a bushel with a moisture content of 13.80.

According to Chandler the moisture content has been varying from eight to 15 percent. For number one wheat he said 13 would be a good moisture count.

He said that one area farmer who had watered his wheat only twice had yields of 50 bushels per acre. The average test weights thus far have been between 52-53 pounds, but Chandler said that a good test weight should be in the 60 plus range.

Dryland wheat yields have

been about 10 bushels per acre so far, Chandler said.

Sherley-Anderson-Lariat Grain Elevator received its first load June 12. According to Lonnie McFarland, assistant manager, approximately one-third to one-half of the wheat in the Lariat area has been harvested.

Dryland fields have been yielding between 10-15 bushels which could prove to be below average McFarland said, adding that it was a little early to predict accurately.

He said the dryland wheat has been "extra dry" and the moisture content for irrigated wheat has averaged around 13.

He also said that less wheat was planted this year. According to McFarland, some irrigated fields have not had good yields because of hail damage. He reports that one Lariat farmer made only 20 bushels per acre when between 40-60 bushels should be the norm.

He said these hot days are drying the wheat fast.

Commissioners Discuss Vandalism On Highways

Weldon Moody of the state highway department met with the Parmer County Commissioners Court June 12 to discuss the continual damage to highway signs and other equipment. He pointed out that such vandalism was costing the state approximately \$1000 per month and that such criminal mischief was punishable as a class A misdemeanor in most cases.

The Court also resolved that \$5492.62 be paid to Friona Motors of Friona, which is the bid price that was accepted at a prior meeting for a new automobile for the sheriff's department.

Terry Sellers, new representative of the Blue Cross/Blue Shield, met with the Court to discuss various items relating to hospitalization for the county, and a date of June 20 was set for employees to discuss questions with Sellers.

Mack Mauldin reported to the Court on the dam situation at Lazbuddie to the effect that the dam is expected to be completed by October 25. He also said that the weeds would be mowed at the dam at Bovina.

Commissioners also agreed to purchase one Model 895 IBM typewriter for the agricultural extension office at a cost of \$674 with trade-in.

They also decided to trade for a new pickup for the agricultural extension office with the following minimum requirements: heavy duty five-eighths ton, super cab, 400 engine, power steering, power brakes, air conditioner, automatic transmission, west coast mirrors, trailer hitch, radio, heater, gauge indicators, bench-type rear seat and dual gas tanks.

The existing 1972 half-ton pickup which the county agent presently uses will be offered as a trade-in. The vehicle may be seen by contacting Seth Ralston, county agent, at the courthouse.

At the request of Ellen Wurster to reduce her work time it was resolved that the assistant treasurer be paid \$200 per month instead of \$250 per month beginning June 1.

Reports were also heard from Dora Nittler, administrator of the Farwell Convalescent Center, and Jeannie Norris, administrator of the Medical Clinic.

Attending were Board members Pudge Rose, Maxine Williams, Gwen Hughes, Troy Christian, Bob Anderson, Prentice Mills and Johnny Actkinson. Also attending were Mesdames Anderson, Nittler, Norris and Charles Aycock.

Bids for the new vehicle will be opened at 11 a.m. CDT during the July 10 meeting of the Court.

Bids were opened June 12 for a new pickup which had been properly advertised for Precinct 2. A bid from Friona Ford Sales in the amount of \$6257.50 was accepted as specified in the bid. This bid includes spare tire and wheel and mud and snow tire.

At the request of Ellen Wurster to reduce her work time it was resolved that the assistant treasurer be paid \$200 per month instead of \$250 per month beginning June 1.

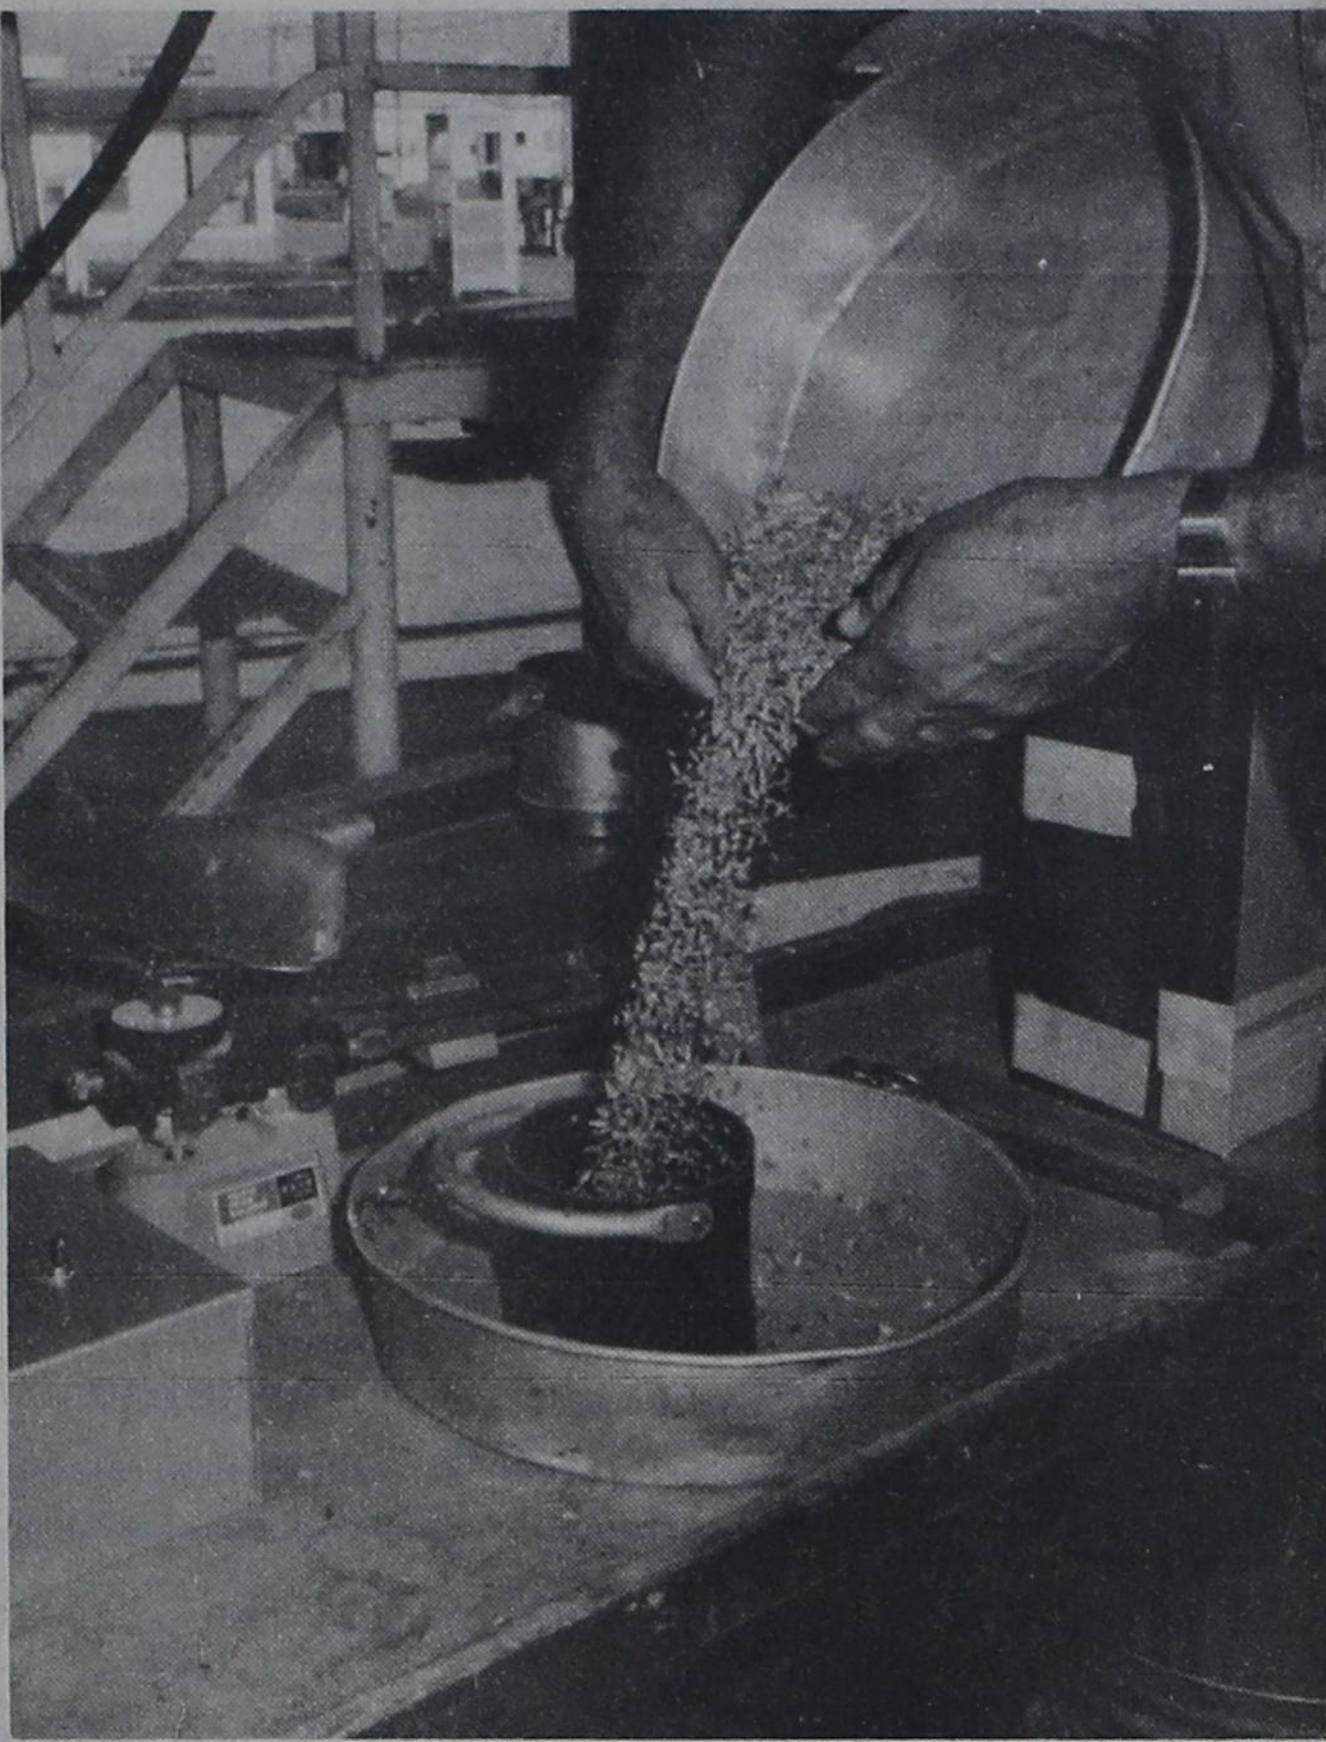

Hospital Dist. Board Discusses New Dentist

Farwell Hospital District Board met Tuesday night in the Convalescent Center. An update of the "dentist situation" was given to the effect that two dentists have visited the community and the medical clinic over the weekend.

Pudge Rose, chairman of the Board, said they hoped to have a replacement for Dr. Lee Clayton about the same time he intends to close his local practice - July 12.

Reports were also heard from Dora Nittler, administrator of the Farwell Convalescent Center, and Jeannie Norris, administrator of the Medical Clinic.

Attending were Board members Pudge Rose, Maxine Williams, Gwen Hughes, Troy Christian, Bob Anderson, Prentice Mills and Johnny Actkinson. Also attending were Mesdames Anderson, Nittler, Norris and Charles Aycock.

Drops Of Gold

Golden grain drops from the pans as some of the area's current wheat crop is being tested at a local elevator. Harvest of the area's wheat crop is well underway this week with smaller than average yields being reported to go along with the "small price." Elevator managers agree that the harvest will wind up in about two weeks and that the year has not been a really great one for the wheat crops. Hail damage and disease have hurt lots of yields and there were fewer acres than normal planted this year.

By Farwell Marshal - -

Accidents Head City Investigations

Farwell City Marshal Ronnie Mitchell has investigated two accidents this week.

Monday afternoon a minor wreck occurred near the intersection of Loop 292 and Highway 70-84. Mrs. Frank Springs of Friona was driving north on the Loop in her 1974 Chrysler when she allegedly pulled in front of Joe Robert Gonzales of Muleshoe, who was traveling west on Highway 70-84 in his 1974 Buick.

According to Mitchell, no injuries occurred, but Mrs. Springs received a citation for "failing to yield the right-of-way."

The city marshal investigated a similar accident early Tuesday morning near Fourth Street and Avenue G. Keith Stephens of Farwell, driving a 1974 Chevrolet pickup north on Fourth Street, allegedly pulled in front of the Farwell Driver's Education car which was heading west on Avenue G. Kenyth Key of Farwell was driving the car.

Mitchell said Stephens received a citation for "failing to yield the right-of-way." No injuries were reported in that wreck either, he said.

The local marshal said that

all of the recent accidents he investigated the last few weeks have all involved "failing to yield the right-of-way." According to him, "people are starting to get careless and are not paying enough attention to what they are doing."

Saturday morning around 11:30 a.m., Mitchell said, he arrested Maette Horn of Clovis for alleged shoplifting and being drunk and disorderly. She was charged in city court with theft under five dollars and being drunk and disorderly and posted a bond of \$100. She was to appear before Municipal Judge Carrell Watkins Wednesday morning, according to Mitchell.

Mitchell said he is also investigating the theft of a CB antenna which occurred recently. The antenna was taken from a pickup belonging to Bill Kent while it was parked at his home in Farwell. The local marshal said the incident happened over a week ago, but Kent did not report it until this week.

According to Mitchell he also assisted Texico City Marshal Mickey Fenn in investigating the theft of two watermelons from Red Prather's PlayRama in Texico. He said someone apparently cut the wire fence near the building and dragged two melons through it.

Underground Conservation - -

District To Furnish Water Supply Survey

A.W. Gober, President of the High Plains Underground Water Conservation District No.

1, called the plan to survey and report on water quantities for the municipalities in the Water District area "one of the finest services we can perform for our constituents".

Gober made the remark following Board discussion of the project at the regular monthly meeting of the District's Board of Directors in Lubbock on June 13.

In outlining the program A. Wayne Wyatt, Manager of the Water District, used charts, graphs and maps from an actual water supply survey of a town in the District. The survey depicted problems in the future for the unnamed community. Wyatt said that he was withholding the name of the town until he has talked with the community's leaders about their dwindling water supply, which he said could possibly be exhausted as early as 1986 with no more growth in population, or as soon as 1984 with continued expansion.

Wyatt further explained the program by saying that the District would offer this service to any municipality within the fifteen county area it

covered. He said that the program would be "strictly voluntary; they can call on us to help them in their water planning anytime they feel we might be able to lend them assistance or give them some technical advice in this area of expertise".

In other business at the meeting the Directors approved reimbursement of over two thousand dollars to the Randall County Tax Collector. The reimbursement was made for expenses incurred by the collector's office in collecting and refunding taxes outside the District's boundary. The erroneous collections were made as a result of a misinterpretation of the boundary of the District in the City of Amarillo.

Also approved by the Directors was a "special" extension of seven well drilling permits of the City of Lubbock. The seven wells, located in Bailey County, will be completed within a month according to a letter received by the District from Gordon Willis, Superintendent of Water Treatment

(Continued on Page 2)

Local Accident

This car was one of two vehicles involved in a wreck late Monday afternoon in Farwell. According to City Marshal Ronnie Mitchell, Mrs. Frank Springs of Friona was traveling north on Loop 292 and Joe Robert Gonzales of Muleshoe was heading west on Highway 70-84 when the accident occurred. Mrs. Springs, who was driving a 1974 Chrysler, allegedly pulled in front of Gonzales who was driving a 1974 Buick. Mitchell said no one was injured and that he issued Mrs. Springs a citation for "failing to yield the right-of-way."

Cool Summer Fun

Jennifer Williams, left, daughter of Mr. and Mrs. James Williams and Tammy Obenshain, daughter of Mr. and Mrs. Harlan Obenshain, are enjoying an afternoon of cool, refreshing, wet fun at the Farwell Country Club swimming pool. The recent hot summer weather in the Twin Cities has sent many residents scurrying for the comforts of a pool of water.

The old song used to say, "What A Difference A Day Makes." Our recent observation is "What A Difference Forty Years Make." We recently returned from a reunion of our 1938 high school graduation class and can speak with authority on the forty year gap.

Obviously our physical changes were noticeable, but in our view they often occurred in those we least expected to find dramatic alterations. There was the usual assortment of bald heads, white heads, pot tummies and broad beam bottoms, but interspersed was a remarkable number of young people who just got a little bit older.

Probably the one thing that impressed us the most was a tour of the old high school building along with a running commentary by the present principal of the facility. It is obvious that a great deal more money per capita is being expended on students today than in yesteryear. The obvious question is, are we getting our money's worth today? Our answer must be, no - not by a long shot.

For example, in 1938 our high school had slightly over 2,000 students being taught by 60 faculty members aided by a principal, four secretaries and a Dean of Men and a Dean of Women. Today the 1,860 students are being taught by 95 faculty members, a principal with 14 secretaries and 15 assistants, a Dean of Men, a Dean of Women and protected by four full time security guards with two police liaison officers. This, along with a physical plant approximately twice the size of the old school complete with a physical education complex containing an indoor swimming pool, two baseball diamonds and four tennis courts.

We wonder that if in the year 2018 the graduates of '78 can look back on as pleasant a life as our class has been able to do. However, this is a philosophical concept that applied to most anyone who got out of high school in the 1930's or very early 1940's. Remember, these students were depression children who matured in WW2 so most anything that followed was an improvement. Well, if the class of PHS 1938 has anything to do with it the PHS Class of 1978 should have an enjoyable reunion in 2018. If not, it's strictly their fault.

While we have been absent from the keyboard good old California passed their now famous Proposition 13 limiting property taxes on their citizenry. By now a torrent of comment has poured forth from frenzied politicians. A few have correctly read the intent of the voters. The large majority have not assessed the mood of the people in regard to their government.

What the people in California voted against was the concept of "income transfer payments." We feel that "welfare" as it is practiced today is coming to an end and that the hard working and thrifty are sick and tired of supporting the lazy and improvident.

The editor of the Peoria newspaper had just returned from a trip to Red China and was writing a series of articles on his impression of Chinese society. In one article he tells of talking through an interpreter to a manufacturing plant official and of asking the question, "What do you do with people who won't work?" At first the manager couldn't understand that there would be anybody who couldn't do something, even if it was hauling nightsoil to fertilize crops. When pressed about plain work slackers, he replied, "If they don't work, they don't eat."

The capitalistic United States should take a leaf from Communist China.

Texico School Board Hires New Personnel

Texico School Board hired new personnel during its June 13 and 15 meetings. Ronnie Warmuth has been employed as a high school mathematics teacher. Raymond Hadley was hired for maintenance and Audrey Kittrell will be the new junior high secretary. Mrs. Kittrell replaces Virginia Loera who will transfer to the high school. Her new duties will include migrant clerk, assistant bookkeeper and

teacher's aide in the bilingual program.

The Board also voted to build a new bus barn if permission is obtained and the plan is feasible. Coaching duties were discussed but no final solutions were reached.

Present for both meetings were Roy Richardson, Ronnie Curry, Arlye Crooks, Jim Pierce, superintendent, and Marcia Leavell.

Water Survey . . . (Continued from Page 1)

for the City of Lubbock. The Directors issued the special extension for the six month period allowing ample time for all contingencies and associated works to be completed.

Other items of business before the Directors included reviewing and accepting the

Attend Conference

Rev. and Mrs. Joel Horne, Howard, Laura and Craig of Texico and Mr. and Mrs. Billy Boling and Cheryl of Farwell attended the Baptist Encampment at Glorieta, N.M., June 11-16. During that week they attended various age group conferences. The 150 children who attended from the state sang a cantata.

"In language clarity is everything." Confucius

annual audit of the District; hearing reports on the Lubbock County well inventory and open holes in Lubbock and Hockley County, received a progress report on the USGS - Texas Water Development Board contract and on the progress of the District's water quality program.

Don Smith, Assistant Manager of the District, reported to the Board on the recent Interagency Task Force Meeting in Amarillo on Irrigation Efficiencies, the Soil and Water Conservation District Meetings resulting from the Resources Conservation Act of 1977 and on a recent meeting with the U.S. Bureau of Reclamation concerning the "Llano Estacado Total Water Management" study.

Next meeting of the Directors, which is open to the public, is scheduled for Tuesday, July 11 at 10 a.m. in the District offices at 2930 Avenue Q, in Lubbock.

Receive Appreciation Awards

Three appreciation plaques were presented Tuesday night to persons who had served on the Farwell Hospital District Board from 1974 until 1978. Pictured with the plaques are, from left, Charles Aycock, Carrie Anderson and Maxine Williams who accepted the award for her husband, Don. These honorees were also members of the original Farwell Development Board.

Varied Activities Set At Hamlin Memorial

Hamlin Memorial United Methodist Church of Farwell will host numerous activities this coming week. On Sunday evening, June 25, "birthday night" celebration will be held, following the 7 p.m. evening worship service. The idea of the birthday reception is to honor those having birthdays in June.

The men of the church will gather for their weekly prayer breakfast, Monday, June 26 at 7 a.m. in the Fellowship Hall.

The Naomi Circle of the United Methodist Women will meet Wednesday at 9:30 a.m. while the Ruth Circle will assemble at 2 p.m.

Thursday the Parmer County 4-H Style Show will be held in the Fellowship Hall. Judging

will be from 1-4:30 p.m.

Throughout next week the Pecos Wilderness Trail Hike will be the center of interest of the New Mexico Annual Conference of the United Methodist Church. Some youth and adults from the Carlsbad District, which includes Hamlin U.M.C., will take part.

Presently attending a camp at the Sacramento Assembly are Carl and Geretta Hutchins, Elva Whitesides and Cindy Simmons.

Members of the United Methodist Women are asking help in collecting coupons to use in obtaining much needed play-room equipment and items for the kitchen.

Needed are coupons from all Betty Crocker products, Campbell's soup can labels and Franco-American products.

Please notify the church office, 481-3689, or any United Methodist woman.

Around The Twin Cities

Farwell City Council will meet Monday, June 26, at 5:15 p.m. CDT in the City Hall.

Farwell Chamber of Commerce will meet Tuesday, June 27, at noon at Clara's Restaurant.

Texico City Council will meet Tuesday, June 27, at 6:30 p.m. MDT at the City Hall.

Parmer County Commissioners Court will convene Monday, June 26, at 11 a.m. CDT in the county courtroom.

Mrs. Anna F. Sharp Buried In Texico

Funeral Services for Mrs. Anna F. Sharp, 66, of Clovis, former long time Pleasant Hill Community resident, were conducted Monday at the Steed Memorial Chapel with Richard Sutherlin officiating. Burial was in the Texico cemetery under the direction of Steed Todd Funeral Home.

Mrs. Sharp died June 16 at Lubbock Methodist Hospital.

Mrs. Sharp, the daughter of the late Mr. and Mrs. James A. Moss, was born Jan. 5, 1912, in Roosevelt County and grew up in the Fairfield Community. She married Vernon O. Sharp on Aug. 26, 1939.

They moved to the Pleasant Hill Community and in later years moved to Clovis. She was a member of the Central Christian Church and the Loyal Berean Class.

Survivors include the husband, Vernon, of the home; one daughter, Mrs. Janet Irwin of Clovis; two brothers, Bert and Luther Moss of Clovis; four sisters, Mrs. Mary Kyle and Mrs. Lola Davidson, both of Clovis; Mrs. Georgia Wilson of Prescott, Ariz., and Mrs. Ruby Whitte of Carlsbad, N.M., two grandchildren and a number of nieces and nephews.

Lazbuddie Baptists To Open Christian School

The First Baptist Church of Lazbuddie, will begin a Christian School in the fall of 1978. The school, named Calvary Christian Schools, will offer instruction in grades kindergarten through 12. The school will use Accelerated Christian Education curriculum which features a Bible base with individualized, motivated instruction.

A general meeting will be held for all parents interested in enrolling their children in

the fall of 1978. The meeting will be at the First Baptist Church, Lazbuddie, on June 27 at 8 p.m.

Radney Robertson Says - -

Texas Boys State Is Learning Experience

(Editor's note: Radney Robertson, Farwell junior who recently attended Texas Boys State wrote the following account of his experience while at the session June 7-13 in Austin.)

By Radney Robertson

I recently attended the 51st annual session of Texas Boys State. It was held June 7-13 on the campus of the University of Texas at Austin. There were approximately 925 boys from all across the state at Boys State. It was a great learning experience and a lot of fun.

Boys State is an annual program conducted by the American Legion. Its purpose is to educate today's youth in the duties, privileges, rights and responsibilities of American citizenship. It is to inform and educate the youth of today on the American form of government.

Participation was the principal tool used to help us learn these things. We were to "learn by doing." The citizens of Boys State set up an imaginary state and ran it ourselves just as we will be running the real state tomorrow.

Upon arrival at Boys State each individual was assigned to a city. Each city was in a county and each county in a district, just as it is in the real state of Texas. I was a resident of the city of Goens in Dillworth County and Brown District. We were also assigned to one of two political parties, either the Federalists or the Nationalists.

From there we took it into our own hands. Throughout each day we attended several meetings designed to help us organize our cities, counties and districts. We also attended political conventions in which we organized the platforms for our respective political parties.

We began by organizing our cities and electing city officials such as mayor, sheriff, etc.

From there things became a little more complex. First of all we had to organize our political parties. We did this by electing our party leaders such as chairman, whip, and other various offices which enabled us to organize the platform of our respective parties.

After organizing our political parties, those seeking offices on the county, district or state level began campaigning for these offices. They ran for these positions on their respective political party tickets. After a few days of campaigning, the primary elections were held. Every citizen at Boys State could vote on the candidate from his party which he felt could best fill the position for the office he was seeking.

At this point we prepared

for the final elections. There was now one candidate from each political party seeking an elected office. After hearing speeches from each of the candidates, we went to the polls for the final elections. We each voted in our own county and district and everyone voted on the candidates seeking state offices.

With all our officials elected we were privileged in getting to go to the state capitol of Texas and fill our respective offices just as if we had actually been elected to them. Those not holding state offices were able to tour the capitol or visit the governor's mansion.

I was assigned to the Federalist Party. I ran for and was elected to the House of Representatives. Because of this, on our visit to the Capitol, I was able to sit in the House Chamber, serving in the role of a real representative and voting on bills brought before the house. This was probably the most interesting part of my experience there.

We were also fortunate to hear speakers such as Carole K. McClellan, mayor of Austin; Fred Akers, head football coach at University of Texas; Bill Clayton, Speaker of the House; and Dolph Briscoe, Governor of Texas.

Although we were very busy being involved in politics, we had time each afternoon for recreation. At this time we could participate in the sport of our choice. We used the facilities of the University of Texas.

In summing up my stay at Boys State, I can truly say it was a great experience. I learned a great deal and am totally convinced that the American way of government is the only way. Not only did I learn, but I had lots of fun and made many new friends. There is only one thing about going to Texas Boys State that I regret, and that is that I can only go once.

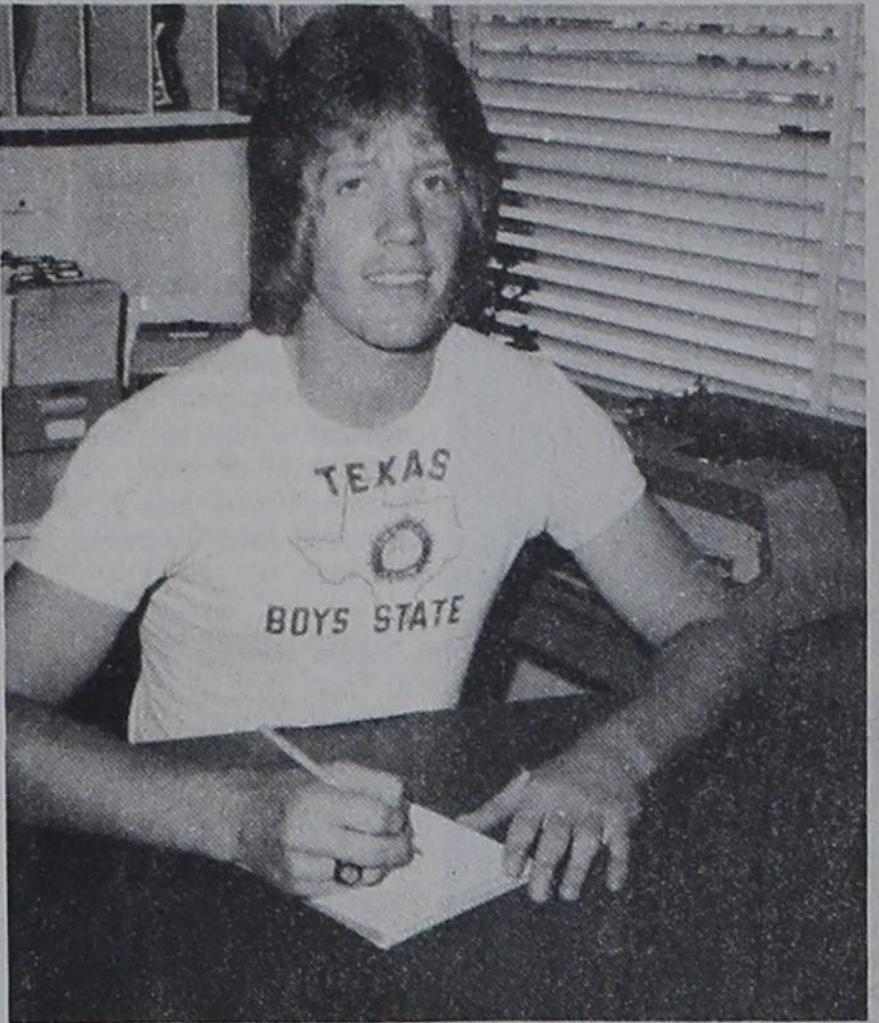

I wish to thank the following sponsors for making my trip possible: the Texico-Farwell Lions Club, Rose Drug, Farwell Volunteer Fire Department, Jim Berry, Theta Rho Chapter of Epsilon Sigma Alpha sorority, Security State Bank, Farwell Study Club, Farwell Insurance and the Rotary Club.

DON'T PANIC

When a family member is poisoned, don't panic, advises Dorothy Taylor, family life education specialist with the Texas Agricultural Extension Service, The Texas A&M University System.

Call the doctor, poison control center or a hospital, police or other emergency service, she recommends.

Tell them briefly what poison has been taken and how much, and then, ask what to do until help arrives, the specialist says.

Farwell's Boys Stater

Radney Robertson, son of Mr. and Mrs. Raymond Robertson of Farwell, said he thoroughly enjoyed his Texas Boys State experience June 7-13 in Austin. Radney says he had "fun while learning" and his only regret is that he can only attend Boys State once.

In Parmer County - -

Burglaries Investigated By Sheriff's Department

Parmer County Sheriff Charles Lovelace said his department has been investigating a burglary which took place recently at the Grady Sorley farm two miles south of Bovina. He said they were not sure when the theft occurred, but the incident was reported June 14 after Sorley noticed that four rifles and shotguns -- valued at \$1500 -- were missing.

Wednesday morning Lovelace said they investigated a

burglary at the Treider Electric Company at Lazbuddie -- the second one in six weeks. He said the culprits battered the front door in with a vehicle, "tearing it all up."

After gaining entry into the building they took one Sony cassette recorder valued at \$80, Lovelace said. Damage to the door was estimated at \$200.

Lovelace said that Dwayne McDaniel, a spray pilot at

Fortenberry Hears Cases

Several area men appeared Monday and Friday of last week in Parmer County Judge Paul Fortenberry's Court on charges of driving while intoxicated.

Joseph M. Baca, 37, of Liberal, Kan., was fined \$100 plus court costs Friday.

In cases handled Monday, Ramiro Castenada, 25, of

Friona and Daniel Mayorga, 23 of Cannon AFB were each fined \$100 plus court costs.

A.J. Roberts, 57, of Muleshoe plead not guilty to a driving while intoxicated charge and posted a \$300 bond.

Glenn Wayne Schumann, 21, of Friona was fined \$200 plus court costs for reckless driving.

In some places the Pacific Ocean is more than 36,000 feet deep.

This I Know - - -

by Leonard Harper
Minister
Farwell Church of Christ

IF WE CAN DEPEND UPON many of the popular songs we hear, and the other rather strange expressions and manifestations which abound; many people are "fed up" with something.

IN THE MAJORITY of these many expressions of boredom and weariness, the general impression seems to be that the people are "fed up" with life. It need not be so.

PERHAPS SOME OF THEM do not mean what they say, others have poorly formed value systems, or they may have no worthy purpose, or they have not learned how to make life meaningful, or it may be that their expectations are unreasonable. Regardless, people who have the "fed up" attitude are in trouble.

THIS IS NOT THE CHRISTIAN ATTITUDE. We must accept the fact that some things will not be as we wish them to be. We may be "disappointed", but not "fed up". There will be some "failures" and "setbacks", and these may hurt; but they are not sufficient to cause the "fed up" attitude. There will be many satisfying accomplishments, too.

WE CANNOT ALWAYS HAVE OUR WAY. It would not be good for us, if we could. There are other people to consider, but this is no reason for the "fed up" feeling.

THE "FED UP" ATTITUDE IS a flaw in the individual's life which can be corrected.

Seven Farwellites On Tech Honor List

More than 4,000 students at Texas Tech University qualified for the deans' honor rolls in the six colleges during the spring semester.

Among them were seven students from Farwell, including Sharon D. Booth, women's physical education; Ronald T. Hancock, pre-law; Arlin L. Hartzog, agricultural economics;

Also, Terri G. McCully, general business; Brenda Underwood, liberal arts; William G. White, accounting; and

Deana L. Williams, elementary education.

(Editor's Note: The list may not be complete according to Texas Tech officials who point out that because of state privacy laws, they cannot release hometown stories about students unless they receive the student's permission. Many do not give this permission and others often list Lubbock as their permanent mailing address when they really are natives of other cities and towns.)

Clyde Cole Named To Honor Roll

Clyde Curtis Cole, son of Marcia Cole of Farwell, is one of 5,871 students at Oklahoma State University who have been recognized for academic achievement for the spring semester. He was listed on the Dean's Honor Roll.

Of the honor students, 839 achieved straight A's and

were named to the President's Honor Roll.

To be listed on the Dean's Honor Roll, students must carry at least 12 credit hours, make a 3.0 grade point (B average) or better, have no grade below C and no incomplete courses.

New Mexico CowBelles To Sponsor 4-H Beef Awards

The New Mexico CowBelle Executive committee voted to sponsor the state 4-H Beef Awards program and provide funds for the winner to attend the 4-H Conference in Chicago at its recently held quarterly meeting in Santa Fe.

It was announced that Dorothy Vaughn of Ft. Sumner, member of the Powderhorn CowBelles, had been asked by the National CowBelle organization to present a workshop on record keeping to the

national CowBelle meeting which will be held at Denver, in July. Mrs. Vaughn was cited for her outstanding record keeping as state treasurer.

Wilma Fulgham, Clovis, president of the New Mexico CowBelles, urged attendance at the national meeting and workshop.

Three new CowBelle locals are being organized in the state. They will be at Corona, Las Vegas and Cuba according

to Margaret Collins of San Jon, state chairwoman of membership and public relations of the state organization.

Other committee chairwomen reporting were Scholarship, Lillian Graham, Roswell; Legislative, Sherry Raska, Wagon Mound; Publicity, Faye Plank, Clovis; By-laws, Peggy Monzingo, Santa Rosa; Ruth Wilson, Chaplain, Carrizozo; Father of the Year, Sharon King, Capulin; Historian, Addie Flint, Bard; IDA, Sandy Ray, Roy; and State Fair Booth, Bette Jane Goodwin, Clovis.

The second day of the meeting was spent in touring the area between Taos and Santa Fe. The group visited the Santuario of Chimayo dedicated to Our Lord of Esquipulas which was built in 1816, the Ortega Weavers at El Potrero, Ortega Wood Carver, Ben Ortega of Tesuque, and the Nambe Mills and Nambe Pueblo.

They were told that each year thousands of Indians and hispanos visit the Santuario in Chimayo (the Lourdes of the U.S.) to partake of the blessed earth, found in a pit in a chamber to the left of the main altar. The earth is supposed to contain great medical powers that can cure. Hundreds of pilgrims have plastered their bodies with "Holy Mud" and prayed for miraculous cures.

According to Indian legends, the site of the present Santuario in Chimayo was originally an Indian shrine but the origin of the curative powers of this earth is lost in the past.

Many stories originated as to the miraculous healing power of this earth during a so-called "secular interlude" 1800-1850 A.D. It was at this period that the Penitente brotherhood, the secular order of Saint Francis, was the strongest and it is believed people interpreted their visions freely and according to their immediate needs.

Lunch was served to the group at Rancho de Chimayo, the centuries old home of the Jaramillo family.

Ben Ortega, the wood carver, is acclaimed for his carvings of St. Francis and quiet flocks of cottonwood birds. His larger works include dramatic carvings of Moses, handsome vaqueros and smiling monks who feed the birds.

Legend has it that emeralds originate in griffin nests.

To Wed In August

Mr. and Mrs. Bobby G. Lee of Wilson announce the engagement of their daughter, Mandi, to Rick Seaton, son of Mr. and Mrs. Jimmie Seaton of Lazbuddie.

The bride-elect is a graduate of Wilson High School and is attending Texas Tech University. Seaton graduated from Lazbuddie High School and attended Texas A&M University. He is now farming in the Lazbuddie area.

The couple plans to be married August 26 at 3 p.m. in St. Joseph's Catholic Church of Slaton.

Getzes Attend School Reunion

Mr. and Mrs. John Getz of Farwell returned home Sunday evening from a 10-day trip to Illinois and Minnesota, visiting relatives and attending a school reunion.

In Peoria, Ill., they attended Getz' 40th high school reunion, June 9 and 10. During their visit in Peoria, they stayed with Mrs. Getz' brother and family, Mr. and Mrs. Mill Miller and son Don. Mrs. Getz' sister, Mrs. Betty Ingalls of Salem, Oregon, joined the family gathering for a four-day visit.

On June 13, the Getzes traveled on to Rochester,

Minn., to visit with their son and family, Dr. and Mrs. Mike Getz and sons, leaving Rochester on June 17 for their return trip home.

Visit With Grandmother

Enjoying a visit in Farwell with their grandmother Mrs. Ellen Wurster this week are Yvonna and Katherine Wurster of Midland. The children of Mr. and Mrs. Tommy Wurster, the girls arrived here Sunday and will return home the latter part of the week.

Hospital Notes

Mrs. G.P. Meissner of Farwell was admitted to Clovis Memorial Hospital Sunday for medical attention. She was reported to be doing well at mid-week and hoped to be dismissed late Wednesday or Thursday.

Paula Hukill, daughter of Mr. and Mrs. W.D. Hukill of Farwell, entered Clovis Memorial Hospital Thursday afternoon and underwent dental surgery Friday morning. She was released from the hospital late Friday and is reported to be doing well.

Randy Herington of Farwell

underwent an appendectomy at the hospital in Muleshoe last Saturday. He was released from the hospital to return home Monday and is reported to be "doing fine" this week. He is the son of Mr. and Mrs. Buster Herington.

Marriages Licenses

The Parmer County Clerk's office has issued two marriage licenses since the last report. Those receiving licenses were William Scott Brown and Claire McFarland; Carl Richard Havens and Sonia Dinette Kube.

Roll is attained by maintaining a 3.5 grade average.

Lori is majoring in Interior Design Technology and is the daughter of Mr. and Mrs. Darrell Norton of Route 1, Farwell. She is a graduate of Farwell High School.

Lori McMeans On Honor Roll

Lori D. McMeans was recently named to the Vice-President's Honor Roll at the Amarillo Campus of Texas State Technical Institute, according to Lovell A. Pillow, general manager of the Amarillo Campus. Membership to the Vice-President's Honor

Recent Bride Honored At Pre-Nuptial Shower

Sonia Kube of Farwell, who was married to Carl Havens of Cannon AFB on June 13, was honored at a pre-nuptial shower on Friday, June 2, at St. John Lutheran Church at Lariat.

Hostesses for the courtesy were Mesdames Gilbert Kaltwasser, Ernest Ramm, Otto Lingnau, Delbert Lingnau, Claude Rose, Hubert Gohlke, James Haseloff, Jerrell Otwell, Martin Kube, Wilbert Kalbas, Charles Turner, Melborn Jones, and Miss Linda Gohlke.

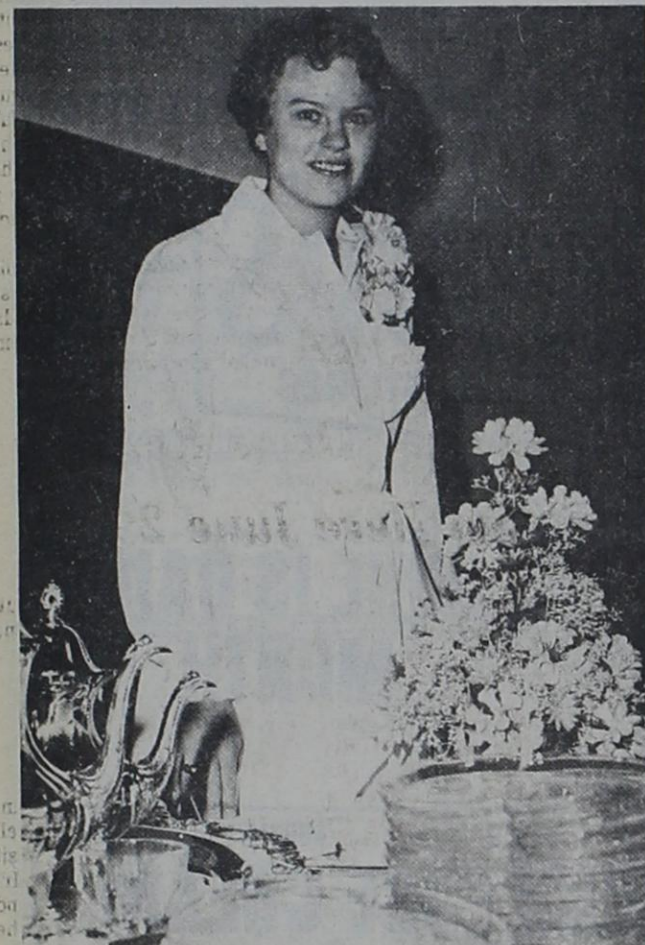

The honoree and her mother, Mrs. Clarence Kube, were presented corsages of

cranberry and pink carnations.

A white lace cloth over cranberry covered the serving table which was centered with an arrangement of pink peonies, cranberry colored daisies, baby's breath and roses in a silver vase.

Crystal and silver appointments were used to serve refreshments of spiced tea, finger sandwiches, raspberry slush punch, mints and nuts. Mrs. Tommy Seymour and Nancy Ramm, cousin of the bride, presided at the serving table.

Hostess gift was a food processor.

Candlelight Ceremony Unites Loy Christian, Joe McLellan

Loy Beth Christian became the bride of Joe Lynn McLellan in a candlelight ceremony read Sunday, June 4, at the Oklahoma Lane United Methodist Church. Rev. C.H. Murphy, pastor of the First Baptist Church of Friona, officiated at the double ring ceremony.

Parents of the couple are Mr. and Mrs. Wendol Christian of Oklahoma Lane and Mrs. Lillian McLellan of Friona.

The couple exchanged vows before an altar centered with a brass candelabra arch holding fifteen sonia cathedral tapers. Two seven-branch brass candelabra holding sonia tapers flanked the arch. Completing the altar setting were two large fan-shaped arrangements of gladioli, sonia carnations, and baby's breath. The couple knelt on a pre-dieu in front of the arch to seal their vows. To complete the ceremony, the couple lit a memory candle using sonia tapers arranged on a brass stand. Sonia satin bows marked the family pews.

Traditional wedding music was provided by organist, Mrs. Dot Christian of Farwell, aunt of the bride. Mrs. Christian also accompanied Lynn Blankenship of Lubbock as he sang "Twelfth of Never," "Whither Thou Goest," and "The Wedding Prayer."

Todd Christian of Farwell, cousin of the bride, and Johnny McLellan of Friona, son of the bridegroom, served as candlelighters. Trumi Wiloth of Albany, cousin of the bride, registered guests.

Given in marriage by her father, the bride wore a white polyester organza gown. The gown was fashioned with a v-necked empire bodice with long flowing sleeves edged in Venice lace. The empire waist had a cummerbund trimmed with rows of Venice lace. The long A-line chapel length skirt was edged in the matching lace. The fingertip veil was attached to a Venice lace cap with matching lace edging.

The bride carried a nosegay of sonia and white carnations interspersed with white roses and baby's breath, decorated with seed pearls and Springri streamers. She presented each mother with a long stemmed red rose.

For something old, the bride wore a diamond necklace given to her mother by her father. Something new was her wedding gown. She borrowed the veil belonging to her sister, Mrs. Dennis Wil-

lard, and she also wore the traditional blue garter.

Tammy Willard of Bovina served her sister as matron of honor. Judy McLellan of Friona, daughter of the bridegroom, was bridesmaid. The bridal attendants wore identical sonia gowns of polyester organza lined in woven acetate. The gowns had ruffled front and back V-necklines with bow trim. The ruffles formed the capelet sleeves. The flared skirts were gathered up in the back and secured with a fabric flower at the center backwaist. The attendants also wore sonia sun hats with ruffles complimenting the ruffled gowns. They carried sprays of sonia carnations and baby's breath tied with ribbons matching their gowns.

Serving the bridegroom as best man was his brother, Kenneth McLellan of Friona. Groomsman was Richard Carpenter of Farwell, cousin of the bride. Ushers were Rickey Rector of Friona, nephew of the bridegroom, and Dennis Willard of Bovina, brother-in-law of the bride.

For her daughter's wedding, Mrs. Christian chose a light pink formal length gown with long sleeves, lace wristlets, and white accessories. Mrs.

McLellan wore a blue formal length gown with white accessories. Each also wore a corsage of gardenias.

Following the ceremony, a reception was held in the fellowship hall of the church. The bride's table was covered with a satin and lace cloth over a white gathered dacron lace skirt. The memory candle centered the table. A three-tiered wedding cake made by Betty Louise Rector of Friona, sister of the bridegroom, was topped with a miniature bride and bridegroom underneath an arch of white roses and lillies of the valley. The cake was trimmed with sonia colored roses. Wedding punch, nuts, and sonia mints were served from milkglass and silver appointments. Sharmy Christian of Farwell, cousin of the bride, and Becky McLellan of Friona, niece of the bridegroom, served at the table.

For the wedding trip, the bride wore a blue and white polyester jumpsuit with blue accessories.

The couple will be residing southwest of Friona where the bridegroom farms. The bride is a teacher in the Friona Schools.

A rehearsal dinner was given in the home of the bride's parents on June 3. It

was hosted by the bride's aunts and uncles. Forty-seven persons attended.

Prior to the wedding, the bride was honored with a shower April 29, at Oklahoma Lane. She was also honored at a surprise spice and recipe shower May 20, in the home of Mrs. Ricky Bennett of Oklahoma Lane, and at a breakfast shower in the home of Linda Carson of Friona May 24.

Couple Has First Child

Anthony Michael is the name given the new son born to Mr. and Mrs. Israel Armendariz of Lubbock on Monday, June 19.

The first child for the couple, the young man weighed six pounds, two and one-half ounces and was 19 1/4 inches in length at birth.

Mrs. Armendariz is the former Sharon Williams. Maternal grandparents are Mr. and Mrs. Jack Williams of Farwell, and Mr. and Mrs. Esteban Armendariz of El Paso are paternal grandparents.

Mr. and Mrs. Williams were in Lubbock early this week to make the acquaintance of their new grandson.

Son Born To Monty Lamberts

Mr. and Mrs. Monty Lambert of Lubbock are parents of a son born June 12 at the Texas Tech University new Health Science Center. The new arrival, who has been named James Clinton, weighed seven pounds, 13 ounces, and was 19 1/2 inches long at birth.

He has one sister, Lori Michelle, who is two years old. Paternal grandparents are Mr. and Mrs. V.L. Lambert of Pleasant Hill. Mr. and Mrs. Lonnie Tharp of Texico are maternal grandparents.

Maternal great-grandparents are Mr. and Mrs. Lewis Tharp of Farwell and Mr. and Mrs. Boone Allison of Muleshoe. Nettie Tharp of Texico is the great-great grandmother.

Visit Fosters

Mrs. Earnestine Feagan of Mission, Kans., is visiting this week with her parents, Mr. and Mrs. W.N. Foster in Farwell, and with other relatives in the area. She arrived Monday and will return home Friday.

Visiting Sunday with the Fosters was their daughter-in-law Mrs. B.J. Foster of Lubbock who also visited with a son and family, Mr. and Mrs. Steve Foster, Amy and Bea, and with a sister and family, the Donald Christians and Charles, while here.

MR. AND MRS. JOE MCLELLAN

Mrs. Aldridge Is Honored At Coffee

Mrs. Lillian Aldridge of Farwell who will be leaving next week to make her home in Boulder, Colo., was honored at a coffee Wednesday morning at Hamlin Memorial United Methodist Church where she is a member.

Hostesses for the courtesy were Carrie Christian, Ellen Wurster, Ophell McDonald, Bonnie Williams and Retha Bell Grissom.

Mrs. Grissom presided at the guest register where the honoree was greeted by the many guests attending. Host-

esses rotated at the serving table which was covered with a lace cloth and centered with an arrangement of fresh roses.

Mrs. Aldridge was presented a life membership plaque from the Farwell Study Club by Mrs. Julia Symcox, the club's new president. The hostesses presented her with a book, "Flowers of Friendship."

Refreshments of coffee, fruit punch, nuts, mints, and assorted cookies and breads were served from silver and crystal appointments.

County Dress Revue Set Here June 29

On June 29, Parmer County 4-H members will model garments made during 4-H clothing projects.

The 1978 Dress Revue theme this year is "Sew Your Way Through the USA." This year's style show will be at Hamlin Memorial United Methodist Church in Farwell. The style show and awards program will be at 3 p.m. The public is encouraged to attend.

The Dress Revue is a national 4-H awards program conducted in Texas by the Texas Agricultural Extension Service for youth ages 9-19.

All programs and information of the Texas Agricultural Extension Service are avail-

able to everyone without regard to race, color, religion, sex, age, or national origin.

Visits Here

Brandon Magness of Ventura, Calif., arrived in Farwell Saturday for an extended visit with his grandparents, Mr. and Mrs. Joe W. Magness, and with other relatives in the area. Brandon flew into Amarillo Saturday afternoon and was met there by Mr. and Mrs. Magness and a granddaughter, Karen Magness. The group also visited the Magnesses' daughter and family, the C.H. Lackeys, before returning home.

Engagement Announced

Mr. and Mrs. D.M. McGuire of Lazbuddie announce the engagement and approaching marriage of their daughter, Diane, to John Saylor, son of Mr. and Mrs. C.L. Saylor of the West Camp Community.

The wedding is planned for Saturday, August 19, at 7:30 p.m. at the Muleshoe Church of Christ.

The bride-elect is a 1978 graduate of Lazbuddie High School. The prospective bridegroom is a 1975 graduate of Muleshoe High School and attended Texas Tech University and West Texas State. He is now engaged in farming.

The bride-elect is the granddaughter of Mr. and Mrs. J.C. Beaver, 608 3rd Street, Farwell.

Woman's Club Has Meeting And Party

Texico Woman's Club held its international tasting party Monday night at the community building. Hostesses for the occasion were Lou Scioli and Ann Cooper. Each member brought a foreign food dish for the covered dish meal.

During the business session members voted to sponsor a

float in the Border Town Days parade. They also set July 1 as a clean-up day for the community building. Workers will begin at 8 a.m. MDT.

Attending were Ann Cooper, Margie Crooks, Marcia Leavell, Lou Scioli, Teresa Curry, Maurine Caywood, Aileen Teel and a guest, Mary Peyton.

Tom Knoys See U.S. Open Golf Play

Mr. and Mrs. Tom Knoy of Farwell and his brother and wife, Mr. and Mrs. Ronnie Knoy of Plainview, enjoyed a thrilling experience last week when they attended three rounds of the 78th U.S. Open Golf Tournament.

The two couples left Wednesday and watched the big name pros on the Cherry Hills golf course at Denver, on Thursday, Friday and Saturday.

Knoy said it was really exciting to see golfers like Arnold Palmer and Jack Nicklaus playing. The Knoys said they had excellent seats for viewing action on the 17th hole one day although they were among a tremendous crowd. A record setting, 25,000 persons were on hand for one day's round, Knoy said.

The Knoys' children, Bill and Tomell, spent some time visiting their grandparents, the W.E. Knoys at Hagerman, N.M., while their parents were away. The local family returned home Sunday.

From Vega

Weekend visitors in the home of Mr. and Mrs. Smokey Gast of Farwell were their daughter and family, Mr. and Mrs. Jack Walker, Jana and Jodi of Vega. They also visited with Walker's parents, Mr. and Mrs. E.M. Walker of Farwell. Ma Schooling, Mrs. Gast's mother, went home with the Walkers for a week long visit. She will return home next week.

Gast's sister, Julia Garcia of Redland, Calif., also visited the local family for 10 days recently.

Wedding Reminder

Corine Ancira will become the bride of Dwight Green, Saturday, June 24, at 3 p.m. CDT at the First Baptist Church in Texico.

Friends and relatives are invited to attend the ceremony and reception to follow.

The bride-elect is the daughter of Mr. and Mrs. Frank Ancira and the prospective bridegroom is the son of Mr. and Mrs. Doyle Green, all of Farwell.

From Ft. Worth

Mrs. Estellene Billington of Farwell and her sister, Mrs. Loucile Foster of Ft. Worth, arrived in Farwell Tuesday after Mrs. Billington had been visiting in Ft. Worth for a week.

She was a guest of her sister and also of a daughter and family, Mr. and Mrs. Eddie Traxson and Stephanie, and with a son and family, Mr. and Mrs. Mike Billington and Kelly.

While here Mrs. Foster will visit a daughter and family, the A.V. Warrens in Farwell and a granddaughter and family, Mr. and Mrs. Dennis Johnson and Chessie in Clovis, and other relatives throughout the area.

Unique Jelly Recipes

Use rose petals, mahaws, cacti or pyracantha berries to make unique jellies this summer.

Texans, with their affinity for making jelly out of any and everything, may want to try one of the following recipes, suggests Marilyn Haggard, foods and nutrition specialist with the Texas Agricultural Extension Service, The Texas A&M University System.

PYRACANTHA JELLY

2 cups pyracantha juice
2 cups sugar

Using about one-third ripe berries, place equal parts of washed fruit and water in a non-metal container. Let stand overnight.

Boil for five minutes. Then, mash, strain and squeeze to remove juice.

If fruit is very ripe, use commercial pectin.

Place juice over heat and let come to boil. Add sugar and boil about five minutes until it gives the sheet test.

Remove from heat, skim off foam and pour into hot sterilized jars and seal.

ROSE PETAL JAM

18 pink or red scented roses
4 lemons
3 pounds sugar
4 cups water

Put sugar and water in a pan and boil gently for one-half hour to make a syrup.

Gather roses. Pull petals off roses and cut off all white at their bases. This part of the petal is bitter.

Put petals in a pan and pour one cup boiling water over them keeping them pressed down with a wooden spoon.

When petals are thoroughly wet, pour both water and petals into the syrup. Stir mixture constantly.

Let boil one-half hour. When petals become transparent and tender, add juice of four strained lemons or one-half teaspoon citric acid crystals.

CACTUS JELLY

2 quarts cactus juice
1/2 cup lemon juice
3 boxes powdered pectin
5 pounds sugar

To make cactus juice, gather tunas and single spines over gas flame with a two tine fork. Scrub with a stiff brush in cold water.

Use three cups water to 30 tunas. Cut tunas in half and add the three cups of water, and cook in a pressure cooker for 15 minutes.

Strain juice through white cloth. Mix together cactus juice, lemon juice and pectin. Bring to a boil.

Add sugar. Bring to rolling boil for one to three minutes or until it slips off the spoon. Pour into hot sterilized jars or glasses and seal.

MAHAW JAM

1 gallon mahaws
1 cup water
2 1/2 to 3 1/4 cup sugar to each pound of fruit

Wash fruit and remove stems. Add water to fruit. Crush and heat to simmer. Add sugar and cook until jam remains in a heap when piled on a plate. Pour into hot, sterilized jars and seal.

Flight Winners Named In Golf Tournament

Farwell Country Club staged a Partnership Golf Tournament this past weekend. The following results are relatively incomplete as in most instances the first names and home towns of participants were not available.

Caron and Dominguez of Clovis captured first place with a score of 135 in the

Championship Flight followed by Jennings and Shutes, Clovis second with 135; Lauder and Marciel, third, with 138; and Vickers and Goldband, Clovis, fourth, with 140.

Jarrett and Godfrey carded 142 for first place in the first flight. Kirkland and Freeman finished second with 144 followed by Tapia and Stewart in

third with 144.

Second flight winners included Ray and Crooks, first with 143; Rundell and Hargrove, second with 146; Roanhaus and Yarbrough, third place with 144; and Charles and Stevenson of Bovina, fourth place with 148.

In the third flight Helton and Sterbruck carded 154 for top honors. There was a three-way tie for second place with the following winners emerging: Sheats and Sudderth, second, 155; Bizzell and Fullerton, third, 155; and Herington and Herington, fourth, 155.

Engelking and Gleason captured top honors in the fourth flight with a score of 157. Other winners included Harris and Webb, second, 157; Scoggins and Price, third 165; and Hodge and Richardson, fourth, 167.

Pee Wee Results

On June 15 Sherley-Anderson-Pitman defeated Citizens Bank by a slim 11-10 margin. Roger and Russell Dial pitched for Sherley-Anderson. Russell hit a double and Roger hit a homerun and a double.

Pitchers for Citizens were Andy Hughes, Erik Burton and Kevin Hogan. Brent Stephens hit a triple and a homerun.

Plano Grande slammed Interstate, 16-6. Pitchers for Interstate were Scott Hicks and Joe Jaime. Hicks also hit a homerun. Mike Williams and Donnie Caron each had a double.

Danny Rubio and Jody Ketcherside pitched for Plano Grande. David Rubio hit two homeruns. Carl Hutchins, Jody Ketcherside, Jimmy Lovato and Daniel Hutchins each had one homerun. David Rubio, Carl Hutchins and Corey Jones each hit a triple. Danny Rubio hit a double.

In games played Monday night Citizens ripped Interstate, 14-2. Interstate pitchers were Hicks and Jaime. Hughes and Hogan pitched for Citizens. Stephens hit a double and triple and Raymond Ausburo hit two homeruns and a triple. Burton and Bill Knoy each hit a homerun.

Plano Grande wiped out Sherley-Anderson, 12-1. Danny Rubio pitched for Plano. For

Sherley-Anderson the Dial brothers pitched. For Plano Ketcherside hit a homerun, a triple and a double. Danny Rubio hit a homerun and two doubles. Daniel Hutchins and Sammy Sandoval hit a double each. For Sherley-Anderson Sean Knowlton hit a double.

Little League Results

In Thursday night's games, Worley defeated Aldridge, 32 to 1. Gilbert Sandoval pitched for Worley and Buck Gaddis, Tim Watkins and Steven Smith pitched for Aldridge. For Aldridge, Charlie Bibbs hit two triples and Steve Cross hit one triple.

For Worley, Alan Eubank connected for two homeruns, one an over-the-fence hit. Dennis Chavez also hit a homerun; Joe Steward got two triples, Scott Elliott hit a triple, and Jesse Coburn and Steven Jaime each hit a double.

The other Thursday night game saw Tide defeating Kelly Green by a 5-2 count. Tide's pitchers were Danny Powell and Manuel Cantu. Jeff Johnson and Kevin West pitched for Kelly Green. Kevin Owen got a two-base hit for Tide. For Kelly Green, Felix Lucio got a homerun on errors

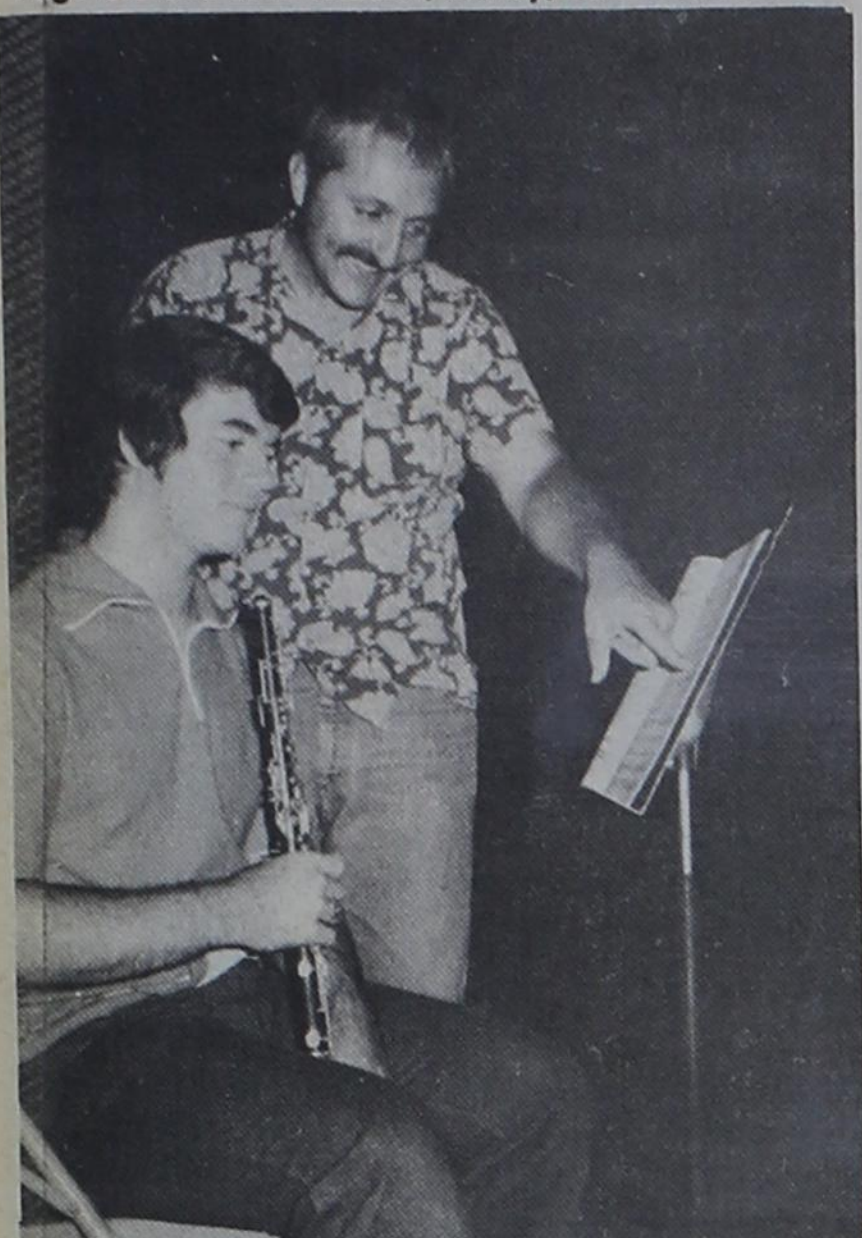

and Kevin West hit a double.

Monday night Kelly Green beat Aldridge 15-6 with Bob Steward and Roger Robertson pitching for the winners.

Buck Gaddis and Steven Smith pitched for Aldridge. Stanley Cross and Billy Bibbs each got a double for the Aldridge team. Lucio Santiago, Roger Robertson and Ronnie Dunswoth each hit doubles for Kelly Green.

Worley topped Tide 10-4 with Brad Maxwell and Alan Eubank pitching for Worley. Danny Powell and Manuel Cantu pitched for Tide. Eubank, Maxwell and Scott Elliott each got a two-base hit for Worley. Joe Steward hit a triple, and Jesse Garcia scored a homerun on errors.

For Tide, Lezie Castleberry got a two-base hit and Kevin Owen hit a triple.

Now Here's How

Blaine Buchenau, Farwell High junior, receives final instructions on "how to do it" from Farwell Band Director Lynn Burton. The two were going over preparations for Buchenau's appearance with the Texas All State Baptist Band which will be convening June 26-July 1, at Dallas Baptist College. Buchenau, the son of Sylvia Buchenau of Farwell and Rande Buchenau of Clovis, plays the oboe. The band will be directed by Greg Berry of Wayland Baptist College, Plainview.

Steer Tagging Event Slated Next Thurs.

A steer tagging will be held Thursday, June 29, at 8 a.m. until 12 noon at the Jerry London pens located approximately three miles west of Hub.

This program is part of the state steer validation which is

necessary for major livestock shows. This validation is not required for the county show.

Please contact the County Extension Office (481-3619) sometime before June 29 to let us know how many steers you plan to tag.

Maple trees planted by the Pilgrims in 1620 are still giving sap for maple syrup.

Seniors Enjoy Colorado Trip

(Editor's Note: The following article about the recent Farwell Senior Trip was written by Sandra McMillan, member of the class.)

by Sandra McMillan

Friday, May 26, 31 seniors and four sponsors loaded into the chartered bus and left at 12:30 a.m. The bus was headed for Colorado.

The first thing we did was turn our watches back one hour. At 6:30 a.m. we stopped at the Holiday Inn in Pueblo, Colo., and ate breakfast. After breakfast we headed for Manitou Springs.

Arriving in Manitou Springs, we checked into the Silver Saddle Motel. The day was free to sleep, swim, or explore the area. Some tried to go horseback riding but were rained out. That night we left around 5:30 p.m. to go to the Flying W. Ranch. The ranch contains a "village" of souvenir shops. Dinner was served inside at picnic tables. The room seats about 1400 people. They served barbecue, beans, homemade biscuits, butter, jelly, cake, and coffee or lemonade. This was served in tin plates and cups. For entertainment, the Flying W. Wranglers performed.

Sunday, we attended church services at the Air Force Academy Chapel in Colorado Springs. We ate lunch at the Craftwood Inn in Manitou Springs. We were supposed to ride the cable car but it was closed because of rain. We left at 6:30 p.m. to go eat. After dinner, we went ice skating at the Broadmoor Hotel from 8:30-10 p.m. We found some really talented ice skaters in our group.

Monday morning those who wanted to finally get to go horseback riding at 8 a.m. Then we left Manitou Springs at 10 a.m. on our way to Denver.

We checked into the Holiday Inn in downtown Denver. The afternoon was free until 5 p.m. Then we left for Elitch Park. We received our tickets entitling us to all the rides and instructions to return at 11 p.m. We were then turned loose in the park, of which the roller coaster was the highlight.

Tuesday, we toured the U.S. Mint at 10 a.m. The tour was 30 minutes long. The rest of the day was free until 2 p.m. At that time we left to go to Golden to tour the Coors Brewery. They showed us how the beer was made, what they use to make it, and where it is made. At the end of the tour they gave free samples.

Coming back to Denver, we stopped and ate dinner at Casa Bonita. It was a very beautiful place. Besides having a very large dining area it also had a pool with a water fall and divers diving into it. There were several small gift shops located inside, too. After

eating and shopping a while, we went bowling.

Wednesday, we had a free day to shop, sleep, or tour. That night we ate at Scotch 'N Sirloin. It was a very elegant restaurant. After dinner some of the seniors went to a disco; the rest went to a movie to see "Good Guys Wear Black." A karate class gave a demonstration before the movie. The students did a few things then their teacher broke 400 pounds of ice.

Thursday morning at 10 we started on our way back home. We stopped about 11 and ate at the Village Inn. We stopped at Santa Fe and ate dinner at McDonalds. We finally arrived home at 3 a.m.

Seniors on the trip included Corine Ancira, Jamye Berry, Jan Bradshaw, Vick Christian, Cindy Dale, David Deel, Delia Dollar, Tim Ellison, D'Lynn Eubank, Dan Geuther, Linda Gohlke, Keith Herington, Penny Hughes, Russ Jones, Kathy Key, Sonia Kube, Carlos Lucio, Rusty McFarland, Sandra McMillan, Tim Norton, Dwayne Obenshain.

Also, Sally Rodriguez, Dwayne Shults, Shawn Smith, Daren Sudderth, Larry Tims, Tracie Watkins, Peggy White, Guy Whitesides, Rhonda Walls, and Richard Yruegas.

Sponsors who were brave enough to go were Mrs. Anne Norton, Royce Baker, and Mr. and Mrs. Larry McDorman. We would like to thank everybody who made it possible for us to go. And we would like to leave our class motto: "It's been real!"

Taking A Break

Farwell seniors and sponsors recently enjoyed a trip to various points in Colorado. One stop on the itinerary was Golden, Colo., where they toured the Coors Brewery. Some of the seniors pictured resting outside the facility are, seated, Jayme Berry, left, and Delia Dollar; standing, Shawn Smith and Dwayne Obenshain.

Gardening News

Periwinkles offer Texas gardeners a low maintenance source of color for the hot summer months.

"Few, if any plants, offer so much color for so little care," contends Dr. William C. Welch, landscape horticulturist with the Texas Agricultural Extension Service. "Once planted, periwinkles often reseed and return each year."

Colors range from white to pink, rose and lavender. Some are white with pink centers.

Dark green shiny foliage provides an appropriate background for the masses of blossoms. A pure white variety

called "Little Blanche" has become especially popular for its masses of cool white flowers against dark green foliage, notes Welch.

"Periwinkles prefer bright sunny locations and a well drained soil," he adds. "Moderate amounts of fertilizer and water are usually all that is needed to produce successful plantings. The plants normally produce flowers until frost in the fall."

Started plants are usually available, or seeds can be sown from late spring to early fall, points out the horticulturist.

PUBLIC NOTICE

Bailey County Electric Cooperative Association of Muleshoe and Morton has made application to the Rural Electrification Administration to build a 10,000 KVA Substation and one span of 69 KV Transmission line. This Substation will be located approximately two (2) miles south of Muleshoe, Texas, on the east side of Highway 214. The transmission will be four (4) conductors with three (3) energized and one neutral wire.

This new distribution Substation is proposed to insure adequate power and improve reliability of service for the general area by shifting some of the irrigation overload from the Birdwell, Lariat and the North Muleshoe Substations.

Any person having questions regarding these proposed facilities should contact the Bailey County Electric Cooperative office before Thursday, July 20, 1978.

GOOD PSYCHOLOGY

Many psychologists say that children will often prefer to play with a toy or game that allows them to experience new sights and sensations—without taking them away from a safe environment and familiar faces.

Many parents have found that children enjoy a toy which shows them scenes from favorite TV shows, cartoons such as "Flash Gordon," history, geography and science in their own homes: a Viewmaster 3-D slide viewer from GAF. Hundreds of three-reel packets are available, many with illustrated booklets for more learning and fun.

Bus Stop

En route to Colorado these Farwell seniors and sponsors making the class trip are pictured on the bus before taking a lunch break. They visited various places in Denver and Manitou Springs before returning home.

On The Farm In Parmer County

By SETH RALSTON
County Agent

All horse owners in Parmer County are urged to vaccinate their animals against sleeping sickness.

Sleeping sickness, or encephalitis, is a virus disease transmitted by mosquitoes. Both Eastern and Western types of the disease can occur in Texas, and immunization and mosquito control are the only effective weapons to prevent the disease. No effective treatments are available once the animal is affected, so prevention is the best weapon to protect your horse.

Since vaccines afford protection for only one year, annual re-vaccination is recommended. Veterinarians can provide information on the

proper vaccine and procedure for this vaccination. At the time of vaccination, a tetanus toxoid shot can be given in a combined vaccine to protect the horse or colt against tetanus as well.

Since mosquitoes are mainly responsible for spreading sleeping sickness, it's important to vaccinate horses before the mosquito season begins.

Properly immunized horses not only prevent the spread of the disease to other horses, but also can help prevent cases of the disease in humans. The cost of the vaccination is small compared with the loss of a valuable horse or foal.

West Texas Jr. Olympics Set At Borger July 8

The West Texas A.A.U. Junior Olympics Track & Field Meet will be Saturday, July 8, at the Bulldog Stadium in Borger. Preliminaries for the running events and the finals for the field events will begin at 9 a.m.

This meet is sanctioned by the West Texas A.A.U. Association and is sponsored by the Borger Chamber of Commerce, Sears, Roebuck & Company is the National Sponsor of the Junior Olympics Program.

Four individuals in each of the selected events will qualify for Regional Competition. The top two in each of the selected events in the Intermediate (14-15) Division and the Senior (16-17) Division will qualify to compete in the Region IX Championships to be held July 15 near Fort Worth. Winners at the Region IX Meet will qualify to compete in the National Championships.

This phase of the Amateur Athletic Union of the United States is designed to encourage age-level competition between both boys and girls up to 18 years of age. The program includes a variety of sports and is conducted each year throughout 58 District Associations of the A.A.U.

ELIGIBILITY: Age as of January 1, 1978 determines the division in which each will compete.

Each contestant must be currently registered with the AAU and the registration number must be shown on the entry form. Each entry must be signed by the parent or guardian.

Entries must be postmarked not later than midnight June 30, 1978. Mail your entries to P.O. Box 911, Borger, Texas

79007.

Cost of registration with the West Texas AAU is \$3.50 for each individual. Registration forms may be obtained from Dick Walker, P.O. Box 2000, Lubbock, Texas 79457, or the Borger Chamber of Commerce, P.O. Box 911, Borger, Texas 79007.

Entry fee will be 50 cents for each individual.

RULES: AAU rules will govern this meet. A competitor may enter only one age division for individual events and relays. A competitor may enter a total of three events, including relays and field events.

FACILITIES: Bulldog Stadium, Borger High School - 6 lane 440 yd. all-weather track - dressing facilities available (clothes and equipment should not be left unattended). Short cleats for artificial surfaces or flat sole shoes will be required for all running events, long jump, and high jump. Throwing area for shot and discus is concrete surface. Contestants in javelin event must supply own javelin.

A warm-up area will be provided on a practice football field located at the northeast corner of the stadium. A staging area will be located between the warm-up field and the track. ALL COACHES, PARENTS, SPECTATORS, and contestants not competing will be restricted from the track. An adequate loud speaking system will be installed to cover the warm-up area so that contestants will know when to report for their event. Heat and lane assignments will be made the day of the meet.

AWARDS: Medals will be awarded to the first three

John Hadley - -

Carter's Decision On Beef Curry FB Head Denounces

John Hadley, president of the Curry County Farm & Livestock Bureau, at the June

directors meeting urged all farmers and ranchers to write to President Carter voicing

their disapproval over his decision to allow more foreign meat into this country. Hadley said this decision had been more devastating than even the beef industry predicted.

Hadley said this week in Clovis that beef producers who had been making a reasonable profit have slipped back into a moderately severe loss position which seriously threatens their ability to provide meat to the American consumer.

"Prices of live 1,100 pound steers for slaughter have dropped approximately \$6 per hundred weight at the market place since the President's announcement and this represents a loss to the producer of \$66 per animal, on the future market the loss during the week has hit the \$100 per animal figure."

According to Hadley, the government action chased consumers away from the meat counters by indicating if they waited to buy later they could buy meat cheaper. This is part of the psychological impact the decision has had and will lead to shortages at a later time.

"There is no satisfactory way to allocate shortages," according to Hadley. He said, "This has had a catastrophic impact on the beef industry with cattlemen demoralized in a manner never seen before in this state or country."

The President's decision was politics at its worst, he said, adding, "Carter's ratings in the past have never been lower and he used this decision in an effort to win favor with the consumers to build his ratings back up and to help his political party in

this fall's general election."

What is especially infuriating to Hadley is the position by the Carter Administration that many beef producers agreed with the decision and that the increased meat imports wouldn't hurt the beef industry.

"Those types of statements by the Carter people are outright lies and we in agriculture deeply resent being used," he said.

"The beef industry cannot operate our ranches and our feedlots when everytime we start making money the government jumps in to beat us down. The decision was short-sighted and will continue to economically damage the largest segment of agriculture in this country," he said.

"Results of shorter supplies of beef in the future will work to the detriment of and does not serve the long term interest of the American consumer," he concluded.

Consumer Food News

COLLEGE STATION - Red-meat prices are rising more than twice as fast as food in general, and forecasters see no major drop in the future.

Meat prices stand at their highest level in two years, according to Mrs. Gwendolyn Clyatt, a consumer marketing information specialist with the Texas Agricultural Extension Service, The Texas A&M System.

"Reports indicate that we might as well learn to live with high meat prices," she adds. She also suggests using meat alternates - dairy products and dry beans, for example - in menus to help stretch food budgets.

She reports this week's price-quality trends as follows:

BEEF - Less-tender cuts are the lowest priced. Look for specials on chuck cuts, round steak, beef liver and ground beef. Make less-tender cuts more tender by marinating and/or long, slow cooking.

PORK - Although prices are high, look for values on end chops, rib-end and loin-end roasts, liver, semi-boneless

hams and frankfurters.

POULTRY - Even though egg prices are still low, they will trend upward soon. Turkey has low prices. Fryer chicken prices are still rising along with demand.

DAIRY - Look for "June, Dairy Month" specials on milk, sour cream, yogurt, a variety of cheeses and margarine.

GROCERY MARKET AISLES - Features include processed vegetables and fruits, cake mixes, canned pork and beans, cling peaches and tuna fish.

FRESH VEGETABLES - Best buys include corn, soft shell squash, potatoes, dry yellow onions, snap beans, cabbage and carrots. Head lettuce prices vary.

FRESH FRUITS - Look for values on cantaloupe and honeydew melons. Choose honeydews that have a creamy yellow surface color and velvety feel with a faint, pleasant fragrance.

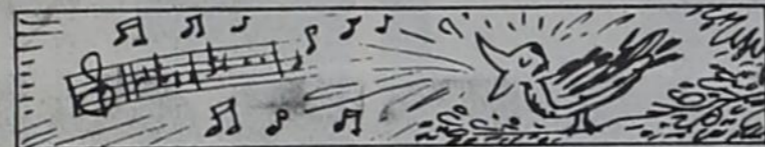

CONSUMER WATCHWORDS: Sharp cheddar cheese usually costs more due to aging.

places in each event.

PRELIMINARIES: Six best times to the finals in running events, as necessary. No preliminaries in the 800 yd. run, mile run, 330 yd. hurdles, 400 meter hurdles, 1 mile race-walk, and 2 mile run. No preliminaries in field events. Preliminaries for running events will begin at 9:00 a.m. Finals for field events will begin at 10:00 a.m.

QUALIFYING FOR REGION IX: Top two in each of the selected events in Intermediate (14-15) and Senior (16-17) Divisions will qualify to compete in the Region IX

AAU Championships to be held July 15 in Ft. Worth. All qualifiers for Region IX must supply the Meet Director with proof of age 10 days prior to the meet.

Convalescent Center Chit Chat

As Reported by the Center Staff

Rev. Herman Schelter, pastor of St. John Lutheran Church of Lariat, held services Sunday at the Convalescent Center.

Mr. and Mrs. Troy Lovett visited his sister, Zelma Jernigan, last week.

Willie Shields enjoyed a picnic lunch at Farwell City Park Sunday with her son and wife, Mr. and Mrs. Byron Shields of Portales. Also visiting were Mrs. Betty Berril and children of Silver City, N.M.

Mr. and Mrs. J.M. Hagler of Truth or Consequences, N.M., visited his sister, Lois Massey. Also visiting were Colleen Whitney and Charley of Clovis - long time friends.

Visiting Robert Hollis - alias "Jack the burro kid" - was his brother, Pete, of Friona. "Jack" stays busy making pack saddles, halters and lead ropes for his burro in Terlingua, Tex.

Hattie Moore was happy to have visitors almost all last week. Visiting from El Mirage, Ariz., were her granddaughter, Wadetta Henry, her husband, Bill, and three great-grandchildren, Robin, Clinton and Jason.

Visiting Bill Linahan, Cora Lunsford and Lyra Holland were the Lewis Caton Forests, the Bud Plasters, Mrs. Lloyd Price, Mary Scarborough, Mrs. Arthur Moorman, Mrs. Hovt Carter, Mrs. Lottie Kirby, Mrs. Burton and Mrs. Cain. Also visiting Linahan were Mr. and Mrs. Harold Gilmore of Whittier, Calif.

We are all glad to have W.W. Vinyard back from the hospital and feeling quite well, reports Floe Copeland, activity director. We are also glad to see C.H. Whitener, better known to staff and residents as "Kojak," feeling well enough to be up in his wheelchair and out of his room after quite a lengthy illness.

Everyone wishes Nelson Hurst a "speedy recovery" as he is in the Clovis hospital recovering from a broken knee cap.

Several residents worked in the garden Tuesday pulling weeds, watering and giving Mrs. Copeland and children,

Robin and Amy, moral support. Those helping were Robert Hollis, Harold Mardis, Anna Hill and Domitilla Madrid. Mrs. Hill and Mrs. Madrid got so enthused over the nice large garden onions that they sat right down in the middle of the garden, cleaned two onions and ate them right then and there. Several large squash and loads of blooms plus several varieties of peppers and okra are looking good also.

Visiting Nina Dickinson were Mr. and Mrs. Curtis Dickinson of Alamogordo, N.M. Visiting Ollie Utsman were a granddaughter and family, Mr. and Mrs. Gary Davis, Cory and De Naye of Lubbock. Also visiting were a grandson and family, Mr. and Mrs. Gary Blain, and Gia of Amarillo and another grandson and wife, Mr. and Mrs. Kent Blain of Hereford.

How Much Do Children Cost

Today's new little babies may have some pretty high "installment contracts" attached to them.

According to the Bureau of Labor, a young couple now making \$16,000 to \$18,000 can expect to spend \$70,000 per child during the next 20 years. This covers food, clothing, housing, medical, recreational, college and miscellaneous expenses.

"Of course, that doesn't take into account the mother's possible unearned wages," said Jackie Martin, Extension family finance specialist at New Mexico State University. She pointed out that if the mother could earn \$12,000 a year (the average income of a

The latest "craze" at the Center is Tootsie Pop Suckers. Mrs. Copeland gives them out to nearly all of the residents almost daily. It's not unusual to look around the rotunda and see as many as 10-12 people - usually 85 and older - resting quietly in their chairs, thoroughly enjoying their suckers.

The Center misses Alvenia Cox who has been ill lately. Everyone hopes she will be back soon.

Floe's Quote: "The smallest deed is better than the grandest intention." Larry Eisenberg (found in Bulletin Board)

Chloe Crawford - new admission - is getting all settled in now. She has her room all fixed up now "just like home." Everyone says "welcome aboard, Chloe."

college-educated woman) with a small four percent annual raise, she could earn \$100,000 during the 20 years.

A two-child family would cost about \$240,000 - \$70,000 for each child and \$100,000 in lost earnings. Of course, this figure would be more if the children attend a private high school or college rather than public institutions.

What about the tax savings on children? Well, as dependents, the children return a little money in tax exemptions, saving their parents at least \$6,000.

But of course, the return on your "investment" cannot be measured in terms of dollars and cents, Mrs. Martin said.

STEED-TODD FUNERAL HOME

"When Understanding Is Needed Most"
Prince & Manana-Clovis-Ph. 763-5541

Moms Head 4.4 Million American Families

Children in one out of every 13 families in the United States live with a mother but no father.

"The number of families headed by mothers has leaped from 2.5 million to 4.4 million in the last 10 years," according to Leo Yates, family life specialist at New Mexico State University.

More than half of the women who head families also hold jobs. "These working women are apt to be separated, divorced or unmarried rather than widowed," Yates said. Social Security, pension and life insurance payments relieve many widows with children from the necessity of working.

"Working mothers should explore ways to link their children with their jobs," the specialist recommended. "If you include your children in your work life, you are preparing them for their own working years," Yates said.

"Talk with your children about your job - its joys and frustrations. Tell them exactly what you do in a routine day. Help them to know your co-workers and the kind of work they do," he said.

A child should occasionally visit his mother at work. Yates suggested that if the mother has a space of her own at the job, she set aside a special drawer or box in which to keep a few toys, books or snacks for her child's visits.

Art work or writings by the

child, as well as photographs, can add a little of the child's world to the work environment, too.

"Most of all, look for ways your child can help you in your job," said Yates. "Some possibilities include running errands, sharpening pencils, working on special projects, or occasionally attending meetings with you."

Give your children house-

hold tasks so they can learn that the responsibilities of running a home need to be shared, even by other members of the family employed outside the home.

The specialist concluded, "Your job is a part of the adult world, and your child wants and needs to learn about it, not to be sheltered from it."

The first crossword puzzle was presented to the public in 1913, in a supplement to the New York World.

Comite

As with any miticide, always follow instructions on the label. Breaks the phosphate resistance cycle.

PUBLIC NOTICE
The Commissioners Court of Farmer County desires to inform the Public of the cost of vandalism upon the paved roads within our County. During the month of May there was \$977.39 in damages to road signs and other Highway Department property. In addition to this cost to the Highway Department, which will run close to \$12,000.00 a year, the penalty involved for criminal mischief could be as high as a Class A Misdemeanor which is punishable by a fine not exceeding \$2,000.00 and up to one year in jail.

We request that the public be conscious of the unwarranted cost of tax money; and any information that could be furnished by the Public to the Law Enforcement Officials of our County regarding those who commit these offenses would be greatly appreciated.

Publ. in State Line Tribune June 23, 1978.

PUBLIC HEARING
Notice is hereby given that the Tax Board of Equalization of the Lazbuddie Independent School District will hold a public hearing relating to equalization for tax purposes of all properties situated within the taxing jurisdiction for the Lazbuddie School District on Thursday, July 6, beginning at 6 p.m. in the Board Room of the Lazbuddie Public Schools. All persons having business before said Board may appear at this time.

TWO MINUTES WITH THE BIBLE
BY CORNELIUS R. STAM PRES. BEREA BIBLE SOCIETY CHICAGO, ILLINOIS 60635

THE DISPENSATION OF GRACE

Many people have a mistaken notion that a dispensation is a period of time. This is not so, however, for the word "dispense" means simply "to deal out." The word "dispensation," then, means "the act of dispensing or dealing out," or "that which is dispensed or dealt out."

There are medical dispensaries, for example, where medicines are dispensed to the poor. Sometimes these dispensations are conducted on a particular day of each week. Such a dispensation of medicine may take a full twelve hours each week, but it does not follow from this that a dispensation is a period of twelve hours! It is rather the act of dispensing or that which is dispensed.

The word dispensation is used many times in the Bible, though it is not always translated the same way. In Ephesians 3:2 Paul writes of "THE DISPENSATION OF THE GRACE OF GOD, WHICH IS GIVEN ME TO YOUWARD." God had committed to him a wonderful message of grace to dispense to others. Thus we read in Acts 20:24 his stirring words, spoken in the face of persecution and death:

"But none of these things move me, neither count I my life dear unto myself, so that I might finish my course with joy, AND THE MINISTRY WHICH I HAVE RECEIVED OF THE LORD JESUS, TO TESTIFY THE GOSPEL OF THE GRACE OF GOD."

The "gospel" or "good news" of the grace of God: This was the dispensation committed to Paul for us by the risen, ascended Lord. This is always Paul's message: "Where sin abounded GRACE did much more abound... the forgiveness of sins, according to the riches of His GRACE... justified freely by His GRACE, through the redemption that is in Christ Jesus... by GRACE are ye saved, through faith" (Rom. 5:20; Eph. 1:7; Rom. 3:24; Eph. 2:8,9).

New Mental Health Facilities Opened For County Clients

Central Plains Comprehensive Mental Health and Mental Retardation Center announces the opening of two new facilities to serve clients living in Parmer, Castro, Swisher, Briscoe, Bailey, Lamb, Hale, Floyd and Motley counties.

These homes and the programs with which they will interface are designed to prepare each client resident for independent community living over a period of several weeks to months. Many of the residents will be returning from state hospitals, where practically all individual needs are taken care of by the institution. Other residents will be persons who would probably need to go to state hospitals if these facilities were not available closer to their homes.

"We will be attempting to teach the residents such basic 'daily living' skills as how to plan and prepare simple meals, how to do laundry, how to open and maintain a bank account, how to complete applications and interview for jobs, how to get along better with other people, ways to use leisure time, and many other specifics that add up to increasing each client's personal responsibility and independence," explain officials at the Center.

One facility will house up to 12 adult residents, the other will house up to 12 adolescent residents. Each house will have a full time live-in manager and a relief manager for weekends. Other service units of the MH/MR Center

Phone

481-3681

**To Place Your

will be involved with residents as planned on an individual or group therapy, medication, job placement assistance, music therapy, occupational therapy, and recreational therapy.

This is the first program of its type for this area and required over three years to plan and complete. Funding for the majority of the construction was provided by a federal mental health grant. The public is invited to

attend Open House ceremonies to be held from 2:30 to 4:30 p.m. Sunday, June 24, at the 405 Ennis Street Home in Plainview. The other home is located at 404 Floydada Street.

Speaker of the Texas House of Representatives, Bill Clayton, will cut the ribbon. State Representative Pete Laney will also be present. The program will begin promptly at 2:30 to be followed by tours and snacks.

Baptist Missionaries

These five members of the Texico First Baptist Church are presently in Swan Hill, Victoria, Australia as part of the World Evangelism Partnership program. They are, from left, Mary Peyton, Scott Anthony, Sylva Compton, Cheryl Boling and Hayden Smith. Not pictured are Kim Pearce and Micky Kenchelo, who is from the Parkland Baptist Church in Clovis. They will work in Australia for two weeks. Other teams in the program are from other communities in Texas and California.

PUBLIC NOTICE

The Board of Equalization of The Farwell Independent School District Will Meet

Monday, July 10, 1978
9 a.m. - 5 p.m.

In The Office of W.M. Roberts
Supt. of Schools

FIRST FRIG

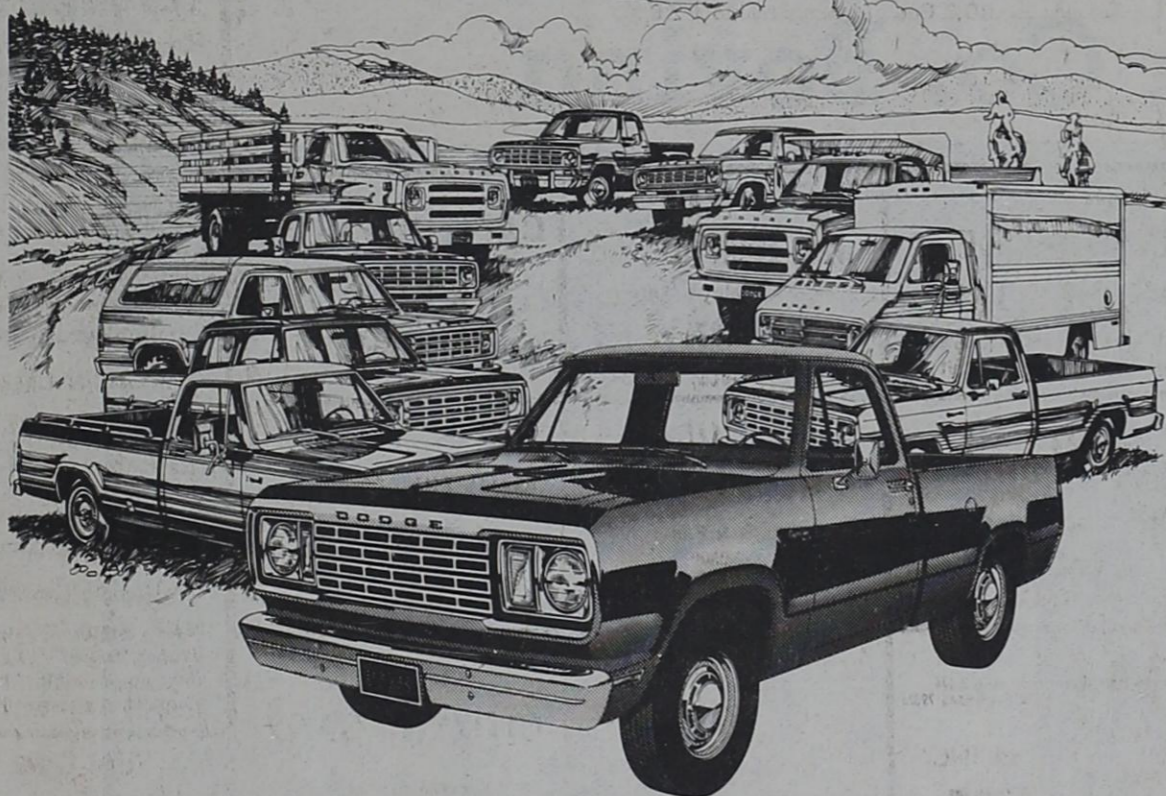

The first refrigerators were caves or cold springs, and these are still sometimes used today, says Linda McCormack family resource management specialist with the Texas Agricultural Extension Service, The Texas A&M University System.

SAVE ENERGY

Used specialized appliances, such as popcorn poppers, toasters and skillets, when possible, to save energy.

These appliances use less energy than a range, says Mary K. Sweeten, foods and nutrition specialist with the Texas Agricultural Extension Service, The Texas A&M University System.

OF ALL THE DODGE TRUCKS REGISTERED IN THE PAST 10 YEARS, 96 OUT OF 100 ARE STILL ON THE JOB.*

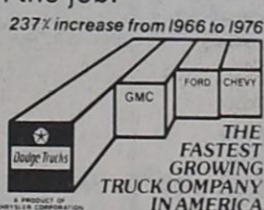

That's better than Chevy. That's better than Ford.

Dodge trucks have acquired quite a reputation over the years. A reputation for being tough and dependable. And the figures prove it. All but four out of one hundred Dodge trucks registered in the last ten years are still on the job. And that's good enough to beat both Chevy and Ford.

But toughness and dependability aren't enough. Not for us . . . not for you. So we're busy building a

reputation for comfort and style, too. To make sure you not only get where you're going, mile after mile and year after year . . . but that you look and feel good while you're doing it. No wonder that from 1966 to

1976 we're the fastest growing truck company in America! *Source Registration Figures: R. L. Polk & Company. Trucks registered as of 7/1/76.
