NAZIS GLOOMY AS TRIAL STARTS

Formal Charges Read, Accusing On Four Counts

By DANIEL DE LUCE NUERNBERG, Nov. 20 (AP)—A strangely assorted score of gloomy Nazis sat dejectedly today before an international military tribunal and heard themselves formally accused of Nazi war crimes, the murder of 10,000,000 Europeans, plunder, horror and torture.

Throughout the opening session of the historic trial for their lives, Hitlerian followers such as corrupt Hermann Goering, vague Rudolf Hess and defiant Field Marshal Wilhelm Keitel listened through earphones while spokesmen of the nations which crushed their hierarchy recited crimes the world had never before witnessed.

By turns, prosecutors of the United States, Great Britain, France and Russia droned through the four counts of the 35,000-word indictment accusing the Nazis of conspiracy to commit crimes against the peace, actual commission of crimes against the peace, war crimes and crimes against humanity.

Even the appendices containing individual charges against the 20 defendants were read, meaning that the men who terrorized Europe only a year ago could not be arraigned until the Wednesday session.

The Nazis sometimes sat with earphones clasped on to hear translations in German piped to them as the prosecutors read in English, French and Russian. Robed attorneys sat beside them. One of the 24 originally indicted, one is at large, two are too ill to attend and one has committed suicide.

What disposition the tribunal would make of the reports of alienists on Hess' mental condition had yet to be announced. But the former Hitler deputy seemed at moments almost frivolous as the proceedings got under way.

After the recess, British Lord Justice Geoffrey Lawrence, presiding, announced the trial would continue without the presence of Ernst Kaltenbrunner, former Nazi Security Police Chief, who has suffered a cranial hemorrhage.

His Heart Is Grieved Honjo Death Traditional In Apology To People

By RUSSELL BRINES TOKYO, Nov. 20 (AP)—Baron Gen. Shigeru Honjo, accused war criminal and reputed ringleader in the conquest of Manchuria, committed hara-kiri today less than 24 hours after he was ordered arrested.

The baron was lying on his right side in a pool of blood in his office at the former Japanese war college when Allied reporters and photographers arrived.

Blood still oozed from the body and the hilt of his ceremonial sword was thrust up from the sheet which partly covered the body. A small cup containing tea dregs was beside the body.

The old-line officer performed the Japanese hara-kiri ritual by slashing his stomach cross wise, then cutting his throat. But instead of the ritualistic kimono, Honjo wore his army uniform. His upthrust boots were highly polished.

Honjo died shortly after his secretary found his slashed body on his office floor. "I cannot endure as a soldier of our country to appear before a court of Allied powers," Honjo said in a letter written shortly before he killed himself.

"I find no way of apologizing to his majesty and the people for bringing my nation to such a miserable state of affairs. "I grieve my heart when I think of the surviving families of our men who died on battlefields.

"I therefore have decided to seek death." The letter, addressed to his secretary, Kawamura, said it was Honjo's desire that his eldest son, Kazou, not succeed to his title of baron.

China Factions Race To Capital

CHUNGKING, Nov. 20 (AP)—Chinese communist troops were reported invading Manchuria's capital in force today in a race with rival nationalist soldiers, already 35 miles inside the vital industrial territory after a breakthrough in the south.

The China Times declared that 4,000 communist troops had entered the capital of Changchun, but failed to say whether Russian occupation forces still were in the city.

The Times also asserted without confirmation elsewhere that new conferences between China and Russia on the tense Manchurian situation would begin soon, either in Moscow or Chungking. Unofficial reports in Chungking said the Russians had laid down 20 conditions which the nationalists must meet before being allowed to fly troops into Manchuria, making an overland drive necessary.

Chungking newspapers asserted this drive already was well under way, with nationalist troops racing 23 miles almost unopposed beyond positions a dozen miles inside Manchuria to within 190 miles of the great industrial city of Mukden.

With these well-equipped, American-trained troops apparently on the loose after having broken through the Chinese communist line along the Great Wall, the communist press leveled new charges at the United States.

The United States is converting China into "an American colony," the communist Daily News charged. The activities of the American forces have enraged all patriotic Chinese, the newspaper asserted. It compared it with the "imperialism" of the British in India, French in Indo-China and the Dutch in the Netherlands East Indies.

It Hasn't Stopped Yet B-29 From Guam Sets Non-Stop Flight Record

WASHINGTON, Nov. 20 (AP)—A B-29 which came all the way from Guam without a stop landed here this afternoon, and the Army Air Forces immediately claimed a world's distance record.

WASHINGTON, Nov. 20 (AP)—The army announced today that a B-29, winging its way eastward from Guam, has set a non-stop distance record—and is still flying.

The B-29 passed over La Crosse, Wis., at 8:30 a. m. CST. This is 7,368 miles from Guam, the army air forces said. The Superfortress had broken the record at that point.

The previous mark of 7,158.44 miles was hung up by the British in 1938, flying from Egypt to Australia. Unlike previous nonstop attempts, this time there was no previous announcement that the flight was under way.

The plane carried a crew of specially picked and trained personnel, all veterans of the Pacific war. Slight changes were made to fit the plane for the flight, such as stripping excess weight, but it still is a standard B-29 minus armor and radars.

Weather conditions were good at the time of take-off. The plane climbed into the air with 11,110 gallons of fuel which represented almost half of the gross weight of the ship. Thirteen auxiliary tanks were carried.

The air forces said that "this flight seeks to exceed the long-distance record established by the British by more than 1,000 miles."

Admiral Relates Visit With Chief At Probe Hearing

By JACK BELL WASHINGTON, Nov. 20 (AP)—Admiral J. O. Richardson testified today the late President Roosevelt was "rather loathe" to increase the manpower of the Pacific fleet in midsummer, 1940.

Richardson recounted for the senate-house Pearl Harbor investigating committee a series of conferences he held with the president, Cordell Hull, then secretary of state, and others shortly after the fall of France.

The bespectacled admiral, who was relieved of command of the Pacific fleet 10 months before the Japanese sneak attack, testified that in a three-hour conference at the White House on July 8, 1940 he stressed what he felt was the need for more men to man the ships of the fleet.

"The president was rather loathe to increase the number of men because he felt, as he expressed it to me, that men in mechanical trade in civilian life could be quickly inducted and made into adequate sailormen if their services became necessary," Richardson told the committee.

The next day, Richardson said he saw Hull, Sumner Welles, then undersecretary of state, was present. He testified yesterday he had urged President Roosevelt at a later conference to order the fleet returned to the west coast and stripped for action as a deterrent to Japan. But he said the president wanted the fleet kept at Pearl Harbor.

Mr. Roosevelt indicated, Richardson said, that he might approve sending a division of old, light cruisers to the Philippines. He added the president was against sending any heavier forces there.

Democrat Leader Barkley (Ky) said today that Richardson's testimony yesterday should quell contentions that Mr. Roosevelt was inviting war with Japan before Pearl Harbor. The admiral, reading from a memorandum, said he asked Mr. Roosevelt if "we were going to enter the war."

Big Spring Ready For Big Holiday On Thanksgiving

Big Spring was preparing today for a general Thanksgiving holiday. Schools will close Thursday and will not reopen until Monday, Nov. 26. Virtually all business houses will close Thursday in observance of the day.

Banks, federal, state, county and city offices will be closed. Shoppers were beginning to crowd food stores Tuesday in preparation for family reunion dinners on Thursday.

A Union Thanksgiving service has been set for 8 a. m. Thursday at the First Presbyterian church under sponsorship of the Big Spring Pastors association.

Entertainment feature of the day will be the Big Spring-Sweetwater football game at 2:30 p. m. at Steer stadium. Tickets are on sale at the school tax office and the chamber of commerce, and Thursday at 10 a. m. a booth will be opened in the Settles lobby for two hours.

Superintendent W. C. Blankenship and possibly some members from the faculty will attend the Texas State Teacher association convention in Dallas.

Cabinet Of Greek Premier Resigns

ATHENS, Nov. 20 (AP)—The cabinet of Greek Premier Panayotis Kanelopoulos resigned today. Kanelopoulos, vice president of the Greek cabinet-in-exile during the war and former minister of finance and reconstruction, became premier on Nov. 1 on assignment from Regent Archbishop Damaskinos, after a series of cabinet crises.

Government quarters attributed the cabinet collapse to recurrent economic troubles which took a turn for the worse yesterday with reports reaching Athens that the British government had turned down a Greek request for a rehabilitation loan.

Iranians Halted

TEHRAN, Nov. 20 (AP)—Iranian troops dispatched to Azerbaijan province to quell separatist disturbances there were halted at Kazvin today by Russian authorities and ordered to return to Tehran, the Iranian government said.

Four battalions of troops and gendarmes had been moving slowly northward from Tehran, apparently with the tacit consent of the Russian Army commander, to quell the outbreak in which seven already have been reported killed.

Kazvin is about 100 miles northeast of Tehran and approximately one-third of the distance between the Iranian capital and Tabriz, Azerbaijan's largest city.

Entire Industry Awaits Decision Of GM's Answer

DETROIT, Nov. 20 (AP)—The automobile industry—from the unskilled workers right through the front offices—today anxiously awaited General Motors' reply to a union proposal for submission of the tense wage dispute to arbitration.

Delegates to the General Motors Council of the CIO United Auto Workers Union approved the offer late yesterday and gave the big corporation 24 hours to make its decision.

Interest centered largely around these questions: 1. Would General Motors accept the arbitration proposal by the 3 p. m. (CST) deadline set by the union, thus opening the way for possible settlement by the same method of disputes involving other automotive companies, which, like GM, are facing 30 percent wage increase demands?

Eisenhower Favors Wives Going Across

BOONE, Ia., Nov. 20 (AP)—General Dwight D. Eisenhower, who spent most of two days at the hospital bedside of his wife, recovering from bronchial pneumonia, said he favors taking the wives of occupation troops to Europe "after we have gotten down to occupation forces."

General Eisenhower, in a press conference prior to leaving for the American Legion convention in Chicago, said his policy "will give the wife of the lowliest GI the same right as any officer's wife, or my wife, for instance."

The general explained the great problem of getting military government establishments established in Germany and of getting large numbers of troops home made it difficult to estimate when such a policy might be put into effect.

De Gaulle Confers With Three Parties In Forming Cabinet

By JOSEPH E. DYNAN PARIS, Nov. 20 (AP)—Gen. De Gaulle today conferred with communist, socialist and popular republican (MRP) leaders of the constituent assembly in his efforts to form a coalition government.

No declaration was immediately forthcoming whether progress had been made in reconciling communist demands for a policy-making cabinet post and De Gaulle's avowed opposition. Prior to the conference with De Gaulle, the communist parliamentary group met and announced it remained firm in its request for one of three ministries—foreign affairs, war or interior.

E Bond Campaign Gets Into Stride

After a weekend rest, the E bond campaign swung back into stride Monday with sales of \$7,537.50.

While this was off of the brisk pace set the previous week, it nevertheless was considered a good start for the week since it put the county past the halfway mark on its E bond quota of \$330,000, or 51.8 percent to be more exact.

Sale of other type bonds amounted to \$7,000 for the day, bringing to \$456,912.50 the total toward an over-all quota of \$1,020,000 for the Victory loan.

Insurance Men To Have Public Hearing

AUSTIN, Nov. 20 (AP)—A public hearing to consider workmen's compensation insurance matters will be held by the board of insurance commissioners here Dec. 14.

J. P. Gibbs, casualty insurance commissioner, in announcing the meeting, said that since it is impossible to compile data and have a hearing before promulgating carries in time for a Jan. 1 revision, workmen will proceed with the issuance of January policies.

Stream Pollution Up Before Committee

WASHINGTON, Nov. 20 (AP)—The house rivers and harbors committee approached today the final stages of its study of one of the country's most perplexing problems—stream pollution.

Chairman Mansfield (D-Tex), hoping for early action on legislation, said the committee would begin private hearings on the basis of testimony presented last week. Statements by congressmen and any others who wanted to be heard today was all that remained before the executive sessions begin.

USES Holiday

For the first time in four years, the United States Employment Service will observe the Thanksgiving holiday Thursday, employees said Tuesday. In previous years, because of the war, it has been necessary to keep the office open on holidays.

Capt. Homer Eddy To Be Home Soon

Mrs. L. E. Eddy has received word from her son, Capt. Homer R. Eddy that he has landed in New York and will be home in time for the original Thanksgiving Day, Nov. 29. Capt. Eddy has been overseas with the engineers 14 months and has been in service four years.

Comment Differs On Health Program

**Slow Congress Not Always On Job-- Seldom Shows Up For A Quorum**

By JAMES MARLOW

WASHINGTON, Nov. 20 (AP)—Action on President Truman's proposal for a far-reaching health program — if there is action — probably will be very slow.

This is a slow Congress, and it is not always on the job. So far as Mr. Truman is concerned, Congress has pretty generally kicked his ideas around or ignored them.

There are, because of three deaths, 432 members in the House now. A quorum — enough to make a majority — is 217.

Last week there was a quorum on the House floor only once. It was there then only because the speaker rang the bell which compels members to show up if they are anywhere around.

Capitol newsmen say it is practically impossible to get a House quorum on Mondays or Fridays because so many Congressmen, if their homes are within convenient distance, go home Thursday nights and return Monday nights.

When the President's health program, in the form of a message to Congress, was read in the House yesterday less than a score of members was present.

A week ago the House Military Committee, dominated by Democrats because Democrats dominate the House, gave a sharp example of absenteeism.

There are 27 members on the committee. It met to start hearings on the compulsory military training bill. Present were 10 Republicans but only four Democrats.

With the Republicans in the majority, Rep. Dewey Short, Missouri Republican, made a motion to postpone the hearings until next year. Rep. Kilday, Texas Democrat, saved the day for his party by preventing a vote on a technicality.

The vote on the motion to postpone was delayed a few days. Within those few days Chairman May, Kentucky Democrat, by telegraphic SOS, was able to get enough Democratic votes in for the next meeting to defeat Short's motion.

When the committee resumed this week's hearings yesterday, only seven members were present: five Republicans and two Democrats.

Then there's the Joint Senate Military-Commerce Subcommittee which is holding hearings on the President's proposal to create a national science foundation. It has 10 members.

Generally, only two of them show up, seldom more than three. Recently none appeared at the hearing although witnesses, called to testify, were there with prepared statements. A clerk had the statements placed in the record.

## R.L. Tollett, Miss Goodbrake Married In Chicago

Raymond L. Tollett was married to Iris Goodbrake in a ceremony read at the chapel of the Stevens hotel, Chicago, Saturday evening. It was announced here today.

Vows were solemnized by Dr. A. M. McDonald, superintendent of the Chicago Baptist association. The bride wore a light blue dress with accessories to match, and carried white camellias. She was attended by Ruby Knapp, who wore a melon colored dress with black accessories. Her corsage was of pink roses.

The groom was attended by C. T. McLaughlin, Snyder, Texas.

Mrs. Tollett is the daughter of Mr. and Mrs. George M. Goodbrake, Effingham, Illinois. She is a graduate of the Effingham high school and attended the Chicago Art Institute. Subsequently Mrs. Tollett took nurses training at Missouri Baptist hospital in St. Louis and was graduated from that institution. At the time of her marriage, she was senior stewardess for American Airlines, having been associated with the line for more than five years out of Chicago.

Tollett, president and general manager of Cosden Petroleum Corporation, has been active in civic affairs here, being a member of the school board. He also is a certified public accountant and a

member of the Texas Bar. Immediately after the wedding there was a reception at the Stevens hotel, followed by dinner in the Boulevard room at the Stevens and supper at the Edgewater Beach hotel.

Sunday morning the party boarded American Airlines for Fort Worth, where a reception was held Sunday from 6 p. m. to 8 p. m. at the Blackstone. Tuesday Mr. and Mrs. Tollett left on a trip into Mexico. They plan to be at home at 553 Hillside Drive, Big Spring, after December 1.

Out-of-town guests at the wedding included: Mr. and Mrs. Leo M. O'Neil and Mr. and Mrs. James L. Carey of New York; Mr. and Mrs. Nelson Phillips, Jr., of Dallas; Mr. and Mrs. Frank J. Prince of Washington, D. C.; Dr. I. A. Anson of Tulsa, Okla.; Mr. and Mrs. Rags Matthews and O. W. McCurdy of Fort Worth; W. E. Gibson of Abilene; Mr. and Mrs. Marvin M. Miller and Mr. and Mrs. A. V. Karcher of Big Spring; and C. T. McLaughlin of Snyder.

A Thanksgiving program in conjunction with the sale of Victory bonds will be held in the Coahoma school auditorium Tuesday at 8 p. m.

The program to be presented by students will begin with choral singing by the first, second, third and fourth grades under the direction of Mrs. Phillee, followed by a reading by Carolyn Whitefield.

The fourth grade will present a dialogue, "Bob's Thanksgiving Party", given by Buford Williams, Sam Armstrong, Jerry Springfield and Bob Layfield. Vocal solos will be given by Shirley Ann Wheat and Lynwood Echols of the fifth grade. Harry Echols will play two piano solos, and the sophomore class will present a play featuring Willie Jo Winstead, June Stamps, Betty Graves, Wanda Cranfield, Richard Read, Everett Self, Billy Bates and Louis Loveless.

A reading by Patricia Turner will be followed by a high school chorus composed of Margie Ray Woodson, Ray Nell Hale, Wanda Cranfill, Helen Joyce Engle, Melba Branon, Louis Loveless, Ray Echols, Patricia Turner and Betty Graves at the piano.

To conclude the program an instrumental ensemble including Wayne DeVaney, Marie Kelsay, Gypsy Ted McCollum, Betty Graves, Marion Robert and Dennis Turner will play several selections.

### Bluebonnet Class Meets For Social

The members of the Bluebonnet Sunday school class of the First Christian church met for their regular monthly session Monday evening in the home of Mrs. Ruby Reed. Co-hostesses were Mrs. G. E. Moore and Mrs. H. L. Bohannon.

The meeting was opened with a prayer by Mrs. Cliff Wiley, and at the business meeting following, plans were made for the class Christmas party.

At the social hour following, a gift was presented from the class to Mrs. G. E. Moore who is moving to Dallas this week. A question and answer game was played, and pictures and minutes of the class in earlier years was read.

A dessert plate was served to Mrs. J. T. Allen, Mrs. R. E. Shaw, Mrs. L. H. Tate, Mrs. E. J. Roach, Mrs. William Sullivan, Mrs. Pylle Perry, Mrs. Adrian DeGraffenreid, Mrs. Wiley, Mrs. F. M. Pursler, Mrs. Grace Tynes, Mrs. J. F. George, Mrs. Ed Allen, Mrs. J. C. Burnham, Mrs. Justin Holmes, Mrs. Tom Ross, Mrs. C. H. Farquhar, Miss Ima Deason, Miss Georgia Bond, Mrs. Brown Rogers and the hostess.

### Visits And Visitors

Rev. H. Clyde Smith and James Swafford were in Abilene Tuesday to attend an evangelistic meeting.

Mr. and Mrs. D. E. Capansky of Hugo, Colo., returned home Monday after spending a week with her parents, Mr. and Mrs. J. M. Choate, and friends.

Mr. and Mrs. R. E. Choate and Jacques Maree plan to spend the Thanksgiving holidays with relatives in Big Spring. Choate was recently discharged from the navy.

Mrs. Ray Clark has returned from Tulsa where she was called by the sudden death of her father, W. F. Griffin, last week.

### First Methodist Church Circles Have Individual Sessions In Members' Homes

The circles of the Women's Society for Christian Service of the First Methodist church had individual meetings in the members homes Monday afternoon.

Circle Three met in the home of Mrs. C. E. Talbot at which time the third lesson from the study book, "This Moving World" was given by Mrs. M. E. Perry, who spoke on "What Migration Does to People". Mrs. J. R. Marlon conducted the devotion on child delinquency.

A refreshment plate was served to Mrs. H. M. Rowe, Mrs. S. R. Nobles, Mrs. Louis Murdock, Mrs. Perry, Mrs. A. J. Cain, Mrs. J. R. Manion, Mrs. Cecil Guthrie, Mrs. Talbot.

The next meeting will be with Mrs. Rowe.

Mrs. L. W. Croft was hostess to Circle Two, with the study and devotion on "Uprooted Americans" given by Mrs. W. A. Laswell.

At the short business meeting preparations were made for Christmas.

Those attending were Mrs. Laswell, Mrs. Arthur Woodall, Mrs. W. D. McDonald, Mrs. A. C. Bass, Mrs. J. A. Myers, Mrs. H. F. Taylor, Mrs. Croft.

Mrs. H. G. Keaton was in charge of the lesson when Circle Four met with Mrs. J. D. O'Barr.

"Stabilizing the Community", was Mrs. Keaton's subject, and Mrs. J. B. Pickle gave the devotional. The program was closed with the repeating of the Lord's Prayer.

Members present were Mrs. H. J. Whittington, Mrs. G. S. True, Mrs. G. W. Chowns, Mrs. Pickle, Mrs. B. H. Settles, Mrs. Thomas J. Coffee, Mrs. R. E. Satterwhite and Mrs. O'Barr.

Circle One met with Mrs. C. E. Johnson to continue the study on "These Moving Times". The topic discussed was "In Time of War Prepare for Peace". Illustrations given by way of comparisons by the members were on "The Jeri-the Rode," "Are You What You Want Your Church To Be?", and "The World a Community". The program was closed with the poem, "The Weight of the Cross", by Grace Noll Crowell.

Refreshments were served by Mrs. A. J. Johnson and Mrs. Josh Johnson served refreshment plates to Mrs. Loy Smith, Mrs. Hill, Mrs. M. S. Musgrove, Mrs. Clyde Smith, Mrs. W. A. Miller, Mrs. C. R. Moad, Mrs. Charles Morris, Mrs. H. N. Robinson.

Safety Last—

# Peace Comes To Europe-- Or Do You Call It That?

STOCKHOLM — Nothing in the United States possibly can compare you for the hazards of Northern European traffic.

To begin with, bicycles swarm at you like fleas. They climb your heels, run over your toes, breathe down your neck.

In the States nobody takes a bicycle seriously. It's a medium of traffic not quite belonging on the sidewalk and not quite belonging on the street. In Denmark and Sweden it is an all-important and certainly omnipresent means of transportation and may descend on you plain, with sidecar or wheelbarrow attachments, or with extra passengers fore and aft.

Denmark at least has the consideration to provide parking space for bicycles. Sweden stacks them along the streets one after the other so that when you round a corner and hook your feet on the first one, the whole line goes crashing down like a stack of cards.

And if you manage to escape the bicycles, all Scandinavia is full of German cars — camouflaged like snow or shrubbery or even street corners and bank buildings — which loom out of nowhere intent on scraping the nose right off your face.

In Finland you fly in condemned DC-2's bought from the United States in 1937, fitted with rubber band motors and paper wings and covered with odd parts that flap in the wind and threaten momentarily to scatter you in a thousand lakes.

heads down, looking neither to the right or left, and ram smack into the side of your car.

If you avoid these major hazards, there always are minor ones, such as revolving doors in Sweden that go backwards. Always you come hurtling out of a hotel with a mighty heave on the door and always you land with your face flat against the glass and have to be extricated by a tongue-clucking doorman.

Even in England — supposed to be on our side — there are people who spend the oddest hours of the day and night lurking around corners or tiptoeing down corridors with a tray or teacups precariously balanced in one hand and a pot of scalding tea in the other.

Oh for the safety of a Times Square traffic jam!

## Why you'll find an extra flavor lift in Edwards Coffee

This extra-rich, delicious flavor comes from the way we blend and roast... according to a personal formula perfected by my father two generations ago. We not only blend the flavors of the choicest coffees, but through our formula, develop from them, the one, exclusive EDWARDS flavor. Try a pound of Edwards Coffee. If you don't enjoy its delicious extra flavor "lift," your money will be refunded.

WE BLEND slowly and carefully—only in small batches. All coffee beans are pre-selected for size, shape and color—the top of the crop.

TO BRING out the full, natural flavor and aroma, we roast by the controlled Thermic process... then grind immediately and vacuum-pack for absolute freshness.

**To Make It A Real Thanksgiving Have Pumpkin Pie, Turkey, Trimmings**

THANKSGIVING PUMPKIN PIE: Climax of the feast.

By CHARLOTTE ADAMS  
Associated Press Food Editor

For the first time in years we have right and reason to be deeply thankful at the 1945 season of harvest. We can have really top-notch Thanksgiving dinners and a good time. Many of the "absent friends" we've toasted will be with us this year in person.

So put your very best on the table and give your Thanksgiving guests reason to be thankful! The silver, crystal and china must be their sparkling best. A beautiful white Irish linen damask cloth, pressed without a wrinkle, is exactly the right background. The nicest decoration for the center of your table is a great bowl of fruit

and nuts which the guests can eat at the end of the meal—if they've any corners into which to tuck more food!

Turkeys are plentiful this year and if you can you'll surely have one. A course of turkey with trimmings is enough to fill most of us more-moderate-than-our-grandparents eaters to the brim. If you feel that it isn't a party without an opening course, however, you'll probably please your family best if you make the first course a light one. A clear soup is good, or oysters on the half shell, if you have a fish-market which will arrange and deliver them at the right moment.

With the turkey you will, of course, have either rice or potatoes to "take up the gravy." Personally, I love the giblet gravy almost as much as the bird itself. Then, there should be onions in some form — either creamed or baked. A turkey cries out for this accompaniment. Make the vegetable a special one. Our grandparents always had at least three or four. One's enough for us, particularly if it has an extra touch like this:

- Brussels Sprouts With Chestnuts**
- 1 box brussels sprouts
  - 2 cups chestnuts
  - 3 tablespoons salad oil
  - 1-4 cup butter of margarine
  - 1-2 cup cream
  - Salt and pepper
- Place chestnuts in large baking pan with salad oil and bake in 450 degree oven twenty minutes. Remove shells and skins with a sharp knife. Cook nuts in boiling salted water 20 minutes. Meanwhile, wash and clean sprouts and cook them in boiling salted water until done (15 to 20 minutes). Drain sprouts and chestnuts and place together in top of double boiler. Add butter or margarine and cream. Season to taste with salt and pepper and allow to remain over hot water until well heated.
- At my grandmother's Thanksgiving table — and probably at yours—there were always at least three desserts, and everybody had a bit of each. Pumpkin pie, served

at the table by the hostess, is the one most traditional Thanksgiving dessert, and if you wish to serve mince as an alternate, not an addition, you will probably find many takers.

- Thanksgiving Pumpkin Pie**
- 2 cups cooked strained pumpkin
  - 1-2 cup sugar
  - 1-2 teaspoon salt
  - 3 eggs
  - 2 cups scalded milk
  - 1 teaspoon cinnamon
  - 1-2 teaspoon ginger
  - 1-2 teaspoon allspice
  - 1-2 teaspoon nutmeg
  - 1-4 teaspoon cloves
  - 1-4 teaspoon mace
  - Plain pastry
- Line a 9-inch pie plate with pastry and flute edge to make a standing rim. Combine well-beaten egg yolks, one-fourth cup sugar, salt and spices. Stir in milk and pumpkin gradually. Beat remaining sugar into stiffly beaten egg whites. Fold beaten egg whites into pumpkin mixture. Turn into pastry-lined pie plate and bake at 450 degrees for 10 minutes. Reduce heat quickly to

**Democracy Footnote**

WASHINGTON, (AP)—A senator recently back from South America reported one of his friends there was puzzled over the U. S. political system.

"Tell me, Senator," he said — "Why is it that when President Roosevelt died the Republicans did not seize power?"

The flabbergasted senator — a Democrat — thought quickly. "I guess it just never occurred to them," he said.

What It Means—

# NEW INCOME TAX LAW

By ALEXANDER R. GEORGE  
WASHINGTON—The new income tax law will bring relief (in 1946) mainly to men and women who support sizeable families on small or moderate incomes.

All of the estimated 12 million persons who will move out of the taxing class next year are married or have dependents. They will escape taxation because the new law gives exemptions from both normal tax and surtax of \$500 each for the taxpayer, his spouse and his dependents. Under the old law, these exemptions were allowed only for surtax.

While the exemptions hardly can be described as a "bonus for babies," they will be of considerable help to millions of people at a time of high living costs. For example, a man with wife and five dependent children and an income of \$2,500 pays \$53 tax this year. Next year he will pay no tax on a \$2,500 income.

**Real Saving**  
Besides the exemptions, the tax rate applied to each surtax bracket is reduced by 3 percentage points. Also the combined normal tax and surtax, as computed under the new exemptions and rates, is further reduced by 5 per cent of the tax.

A tax cut of \$40, or even \$20, means a substantial saving to many low income taxpayers. Take a man with a wife and three dependent children and an income of \$3,000. This year his tax is \$111, or \$9.25 a month. In 1946 his tax will be \$42, or \$3.50 a month.

**Fatter Checks**  
Wage earners will get their first glimpse of reduced taxes in smaller withholdings from paychecks received on and after January 1. For a married man, with two dependent children and a weekly wage of \$45, the withholding will be 50 cents, as compared with \$1.40 from the same wage during 1945. If his wage is \$40, there will be no withholding in 1946. In 1945 the withholding has been 80 cents a week.

Tax returns for 1945 must be filed by next March 15 as usual, even if the 1945 tax payer isn't paying any tax in 1946. Many persons who worked only a few

months this year but had taxes withheld from their wages will get refunds. Every civilian whose income in 1945 was \$500 or more must file a return.

## "E" For Excellence For Sugar Saving Treats For After-School Cookie Raids

Cookie jar raiders will award you "E" for excellence as a cookie baker when after-school forays produce these tasty wholesome treats.

This new sugar-saving recipe utilizes corn syrup to extend your precious sugar supply. Cocoa, again available on grocers' shelves, provides the favorite chocolate flavor.

Nutritious oatmeal, nut-like in flavor, supplements the small quantity of nuts... now so expensive... required in this recipe.

- Chocolate Oatmeal Drops**  
(Makes 4 dozen cookies)  
Time: 12 minutes  
Temperature: 375 degrees
- 1-2 cup shortening
  - 1-2 cup brown sugar
  - 1-2 cup corn syrup
  - 1 egg
  - 1 teaspoon vanilla
  - 1 3-4 cups sifted flour
  - 1-2 teaspoon salt

## Mrs. M. O. Breedon Rites Held Monday

COLORADO CITY, Nov. 20 — Funeral for Mrs. Mattie Orella Breedon, 61, wife of W. A. Breedon, Colorado City, was held Monday afternoon at Kiker chapel here. Rev. John D. Simons, pastor of the First Baptist church officiated and burial was in Colorado City cemetery.

Born in Georgia June 17, 1884, she was married to Mr. Breedon in Haskell, Dec. 10, 1910. The couple had lived here for the past 28 years. She was a member of the Methodist church. Her husband and two sons, Lawrence Breedon and D. L. Breedon, both of Colorado City, survive her.

## R. G. Stone, Rancher, Funeral Held Sunday

COLORADO CITY, Nov. 20 — With Rev. John D. Simons, pastor of the First Baptist church, in charge, funeral services for Rubin Gilmore Stone, 79-year-old retired rancher of Mitchell county, were held Sunday afternoon from Kiker chapel, Colorado City. Burial was in the local cemetery.

Mr. Stone, who had lived in this county all his life, died Friday after a long illness. He was a member of the Baptist church. Born July 15, 1866, he was married to Alice Perry in Mason county.

PHILADELPHIA, Nov. 20 (AP)—Four turkeys, discovered jay-walking in south Philadelphia, are in a police cell today. Police Officer Joseph Ciolese, who found the birds dogging traffic, said they will remain in jail until claimed "which should be before Thanksgiving."

## Postscript To Miracle— VITAMIN C DOSES END EFFECTS OF SULFA DRUG

NEW YORK — Use of vitamin C to relieve the illness that sulfa drugs cause in some persons is reported in the Ohio Medical Journal by Dr. Henry N. Holmes, head of the chemistry department, Oberlin College.

He quotes several physicians who said large doses of vitamin C relieved the sulfa illness and enabled their patients to take the drug.

**SENSITIZATION CASES**  
Dr. Holmes says that probably this vitamin will remedy the cases of sensitization to sulfas that worry the medical profession. Sensitization means that after a small dose of a sulfa drug a person becomes sensitive so that afterward not enough sulfas can be given even to save their lives.

Because of this risk, druggists in some places have been forbidden to sell any sulfa preparation to the public without a physician's prescription. This includes the sulfa drops used for colds and adhesive bandages containing sulfa preparations.

## WEAKNESS CITED

Weakness that last a long time is one discouraging after effect of sulfas. Dr. Holmes reports a medical experiment with 10 college students which indicates this weakness is not due to the sulfas but to loss of vitamin C. The experiment showed that while the sulfas were being given to the healthy young men their excretion of vitamin C was doubled. The loss of the vitamin, Dr. Holmes said, made them weak. Giving massive doses of this vitamin while sulfas are being taken is the remedy.

Dr. Holmes reported that cases of skin trouble in workmen had been mostly cleared up in industrial plants by daily doses of vitamin C. These skin troubles were due to poisonous substances and the vitamin acted as a purifier in the body.

# Prep Football Standings In State Of Status Quo

## Hugh Cochron To Captain Steer Team Thursday From Sidelines

Claude Hugh Cochron, Big Spring high school's star halfback injured in last week's game against Abilene, probably will not be able to play against Sweetwater's Mustangs here Thursday afternoon but he'll serve as game captain for the resident eleven, nonetheless.

The speedster, finishing up his fourth year of prep football, was elected as leader for the Longhorns' final game some weeks ago. He wanted to play the Sweetwater game above all others. However, the shoulder injury he suffered in

a bruising scrimmage play against the Eagles probably put him on the shelf for some time.

The home towners spent the better part of Monday looking at Sweetwater plays, today are booked to undergo a lengthy blocking and passing workout at the Steer arena.

Thursday's 2:30 o'clock bout is due to attract a good turnout, despite the fact that the Longhorns have been riding in the District Three cellar all season and the Mustangs are heavy favorites to win.

## ACC Opens And Closes Football Season In Game This Week With John Tarleton

By The Associated Press

Three more Texas colleges will end the football season this week, cutting the field in half.

North Texas Aggies and West Texas State finished last week. Allen Academy the week before and Saturday John Tarleton, Texas Tech and Southwestern will hang up the moleskins, except Texas Tech might get a bid for the Sun Bowl.

Meanwhile, one other Texas college will be opening and ending the season all in one day as Abilene Christian College plays its lone football game of the year against John Tarleton at Abilene.

Other games Saturday have Rice at Fort Worth to meet Texas Christian, Southern Methodist playing Baylor at Waco, Southwestern tackling Hondo Army Air Field at Big Spring and Texas Tech journeying to Albuquerque to battle New Mexico University.

On the result of the latter game is expected to depend an invitation to play in the Sun Bowl.

West Texas State and the North Texas Aggies closed the season last week with defeats, West Texas falling before Colorado College 20-19 and the Aggies losing to Hondo Air Field 12-0.

## Hoffman Closing In On Ag Back

By The Associated Press

The ground-gaining race in Southwest conference football is getting as close as a grammar school boy's first shave.

Preston Smith, Texas A. and M. fullback, still holds first place with 564 yards on 137 carries but big John Hoffman of Arkansas has moved into the runner-up spot just 22 yards behind the Aggie.

Hoffman made 87 yards in 18 carries against Southern Methodist Saturday and now has 542 yards on 127 runs. Smith got only 16 against Rice.

Figures released today by James H. Stewart, executive secretary of the conference, also show that Rob Goode of Texas A. and M. also is closing in. Goode, who netted 47 yards against Rice, now has 504 on 102 carries.

In passing, Leon Joslin of Texas Christian still is far in front with 56 completions in 112 attempts for 770 yards with Jack Price of Baylor second with 570 on 50 connections in throws.

Bobby Layne of Texas and Doak Walker of Southern Methodist, although playing in only three games, have moved into the top six passers. Layne with 14 completions on 23 throws has 305 yards and is fourth in the conference. Walker with 271 yards on 28 connections in 49 attempts is sixth.

Jim Plyler of Texas kicked four times for an average of 46 yards against Rice Saturday to move up in the punting race. His average now is 38.5 on 45 boots. Howard Maley of Southern Methodist still leads, however, with 40.5 on 54 kicks.

In team statistics Texas is out in front with 2508 yards rushing and passing while Southern Methodist has moved into second place with 2127.

## Tide, Hoosiers Threaten Navy's Hold On Second

NEW YORK, Nov. 20 (AP)—Army's 61-0 romp over Penn convinced all the grid writers, except two, that the Cadets are the number one college football team in the nation. The two dissenters of the 83 scribes participating in the Associated Press' weekly poll liked Alabama and the University of California at Los Angeles.

Only once before, when Notre Dame was the unanimous choice two years ago, had an eleven so completely dominated the voting. Now even the coaching profession is joining the chorus of praise for the uncrowned champions whose only remaining game is their Dec. 1 date with Navy.

Based on 10 points for a first place vote, nine for second and so on down to one for tenth, the Cadets picked up 828 in the voting, an edge of 198 over runner-up Navy.

While Doc Blanchard and Glenn Davis were having another touchdown picnic against the Quakers, Navy retained enough backing off an easy win over Wisconsin to hold second place despite strong challenges by Alabama and Indiana.

The Bama Crimson Tide drubbed Vanderbilt 71-0, but remained in third position ahead of Bo McMillin's "poor lil' boys" from Indiana as the first four clubs retained their relative positions.

Notre Dame bounced back from the Army debacle to whip Northwestern and advance from seventh to fifth, followed by the Oklahoma Aggies and Ohio State, each of whom moved up two steps to sixth and seventh.

Michigan regained a place in the top 10 off its victory over Purdue, moving into eighth position, St. Mary's tumbled from fifth to ninth on its upset loss to UCLA and Texas advanced from 17th to tenth.

Penn and Holy Cross were dropped from the elite circle because of their respective drubbings by Army and Temple, the Crusaders falling from tenth to 23rd place.

Colored Grid Title Battle Set Nov. 29

Two of the state's strongest colored football teams come to grips here Thursday night, Nov. 29, when the Tyler Tigers, champions of East Texas, and Frank Miller's Lakeview Lions of Big Spring tangle in an 8 o'clock bout at Steer stadium.

Winner of that struggle could trumpet his right to the state championship and get little argument since both have established their authority in their respective domains.

Additional football equipment has been given Coach Miller by the Big Spring Army Air Field. Some 25 suits were turned over to the Lions' mentor by Capt. Charles Salibas of the local installation yesterday.

Transfer of the equipment was an outright gift by Lt. Col. Joseph Hunker, commanding officer of the base.

Miller now has a squad of 16 men with whom to work. Big Claud Tucker, who missed last week's game with Midland, re-joined the team yesterday and went through the afternoon drill.

The Lakeview tutor announced he had also lined up a game with the city champions of Dallas. Though no definite date for the tilt has been set, the two teams will probably play here the first week in December.

## List Impressive Sarazen, Hagen Enter Ft. Worth Golf Tourney

PORT WORTH, Nov. 20 — The names of Gene Sarazen and Walter Hagen have been added to the growing list of golf "greats" who have entered the \$10,000 Fort Worth open golf tournament Dec. 14, 15 and 16 at Glen Garden country club.

Byron Nelson and Ben Hogan, both of whom learned their golf on the Glen Garden course, already had entered. Club officials recall the playoff match back in 1928 on the same course, when Nelson and Hogan were battling for the caddies' championship. First prize was a masher, second a midiron. Nelson won the match, but traded his first prize to Hogan for the second.

Entries will be limited to 81 in order to meet the schedule of play, officials said. Invitations have been sent to a few of the state's outstanding amateurs. Two pros and one amateur probably will tee off at a time.

Joe Kirkwood, trick shot artist, will give an exhibition on the course on Dec. 13, the day before opening play.

## Ivy Grid Loop Going Formal

By HUGH FULLERTON, JR.  
NEW YORK, Nov. 20. (AP)—The formal announcement by eight college presidents legitimating football's "Ivy league" seems to indicate that the boys are liable to trip over the ivy almost any time.

That idea of bringing competition "into harmony with the essential educational purposes" hardly would come from an athletic director who has to fill those seats in the stadium every Saturday.

The same goes for the ban on "sectional or other championships." . . . As for the eligibility rules, to be governed by "wise and flexible administration in the setting of mutual respect and good faith," the Ivy schools are pretty sound in that respect, although the result sometimes is to make the football coach work overtime to see that the boys qualify for scholarships or jobs.

He can't go out and tell a prospect just what he has to offer.

One viewpoint: An interesting angle on the league was provided a few weeks ago when Columbia's Lou Little was expounding his views on building up the circuit. . . . "It is a good thing for football in the East and probably all over the country to have the 'Ivy league' as strong as possible," said Lou. "Nobody should try to come down to the level of the rest but we should all try to build up to the level of the strongest team." . . . Wonder which direction the move will be now that the Ivy league has gone formal?

**FRUITS OF VICTORY**  
Bill Meyer, who'll manage the Kansas City Blues for the Yankees next season, came up with this explanation of why he left his farm at Powell, Tenn., to move to Knoxville: "I dodged tomatoes and fruit all season in Newark and I don't want to see any more."

## LOOKING 'EM OVER

**HANK FOLDBERG**  
With ANGUS LECESTER  
Hondo Army Air Field's Comets, who taxi in here Saturday for an afternoon collision with R. M. McVey's Southwestern University's Pirates, repulsed North Texas' Aggies, 12-0, last Saturday night at Hondo to ring up their fourth victory in a row and their fifth in nine starts. Another — with Elvington Field — wound up in a 7-all deadlock.

The Comets, coached by Lt. Bob Coe — one of the shrewdest grid tacticians of them all — scored in the first and second quarters against the Little Aggies.

Stanley Hollmig, who Big Spring fans are certain to like, rang up the first score for the Soldiers when he broke through the Collegians' forward wall from the ten-yard stripe. The 185-pound halfback played for Hondo high school, then went into the Army.

The Aggies surrendered their second score and practically all rights to victory when big Arthur Rollins, a 200-pound tackle from Clemson university, knifed through to block an AC punt on the North Texas 48, scoop up the ball and run the remaining distance to score.

Coe's troops have been improving with each outing. They've lost three decisions — one of them was a 21-6 decision to the respected Oklahoma Sooner bunch — and haven't been blanked so far.

The Corsairs from Georgetown will wind up the 1945 season with the Saturday setto but the Comets still have a game to play — perhaps their most important one of the season.

On Saturday, Dec. 1, they show up in Tulsa for a mix with Henry Frnka's mighty Tulsa Hurricanes.

Perhaps the South Texans' most thrilling tilt occurred on Oct. 20 against the Fort Warren, Wyo., eleven when a fluke play cost them a 28-26 decision.

Mentor Coe is known throughout this broad land for his ability to teach the game. He picked up an amazing knowledge of the sport as long-time assistant to the ancient master craftsman, Alonzo Stagg, America's "grand old man of football."

Stagg, incidentally, is the same age as Connie Mack, the venerable manager of the Philadelphia baseball Americans, has been associated with football about as long as the Quaker patriarch has been in baseball.

It is told that Turboat Jones, the Wichita Falls high school grid tutor, has designs on the coaching job at Abilene high.

On the subject of the Joneses, Abilene's Doug Jones — who sacked up the Big Spring Invitational golf tournament here last summer by routing Chick Trout of Lubbock in the finals — was a visitor in Big Spring Monday.

He manages to play quite regularly at the Abilene country club.

There's talk of organizing a Munny basketball league here the coming season.

LeRoy Frye, who helped officiate the Abilene-Big Spring football game last week, in one of Texas A & I's grid immortals. Ten years ago, he was a great back with the Javelinas.

Two Texas boys are on the All-Eastern football teams named by INS last week-end. They are DeWitt Coulter, formerly of Masonic Home (Fort Worth) and now an Army tackle, and Hank Foldberg of Dallas, an end and a fellow Cadet of Coulter's.

Coulter is certain to make most of the All-America selections and Foldberg will get his share of backing.

In fact, don't be surprised if Army should land about five places on that mythical squad. Glenn Davis and Doc Blanchard are, of course, lead-pipe cinches and Johnny Green, a guard, is in the running. His lack of size is his only handicap.

## Highland Park Retains Lead; Odessa Fifth

DALLAS, Nov. 20 (AP)—The status quo remains rather stationary, if we might speak redundantly, in Texas schoolboy rankings. No team increased its stature among the top 10. Port Arthur fell out of the second 10 when it lost to Orange and Cleburne faded out of the third 10 when it was crushed by Waco.

Here's how they look this week:

1. Highland Park (Dallas).
2. Wichita Falls.
3. Waco.
4. Lufkin.
5. Odessa.
6. Amarillo.
7. Paris.
8. Galveston.
9. Brownsville.
10. Milby (Houston).

The second 10: Pampa, Breckenridge, Marshall, Crozier Tech (Dallas), Plainview, Sweetwater, Austin, Goose Creek, Jefferson (San Antonio), San Angelo.

The third 10: Paschal (Fort

Worth), Orange, San Jacinto (Houston), Sunset (Dallas), Austin (El Paso), Vernon, Brackenridge (San Antonio), Temple, Brownwood, Port Arthur.

Odessa may be fifth in our rating but do you know what team is being watched mostly by the fellows with the cash in Dallas? Well, it's Odessa. They'll take the Bronchos against any other team in the field to win the state championship.

But since we don't put up any money to back our selections, we can afford to speculate.

Don't know if Doak Walker, Southern Methodist's football player, will get to finish the season because he's likely to be called in the draft at any time, but at the present we'd take him as the best back in the Southwest conference.

He's only played three games but has been a star in each.

Personally, we feel considerable pride in Doak's accomplishments. We picked him on our all-state high team last fall when others passed him by.

In fact, all the all-stars who went to college this year are doing well.

Byron Gillory has been an excellent performer for Texas, Preston Smith for Texas A. and M.

A couple we didn't pick on the first team but ranked high also are going places. They are George Graham of Texas, one of the good

fullbacks in the conference, and Sammie Pierce of Baylor, one of the top halfbacks.

Of course, we didn't even mention Leon Joslin last year when he played at Waxahachie high school. But neither did anybody else.

Joslin is the backbone of Texas Christian university's offense and appears very likely to make all-conference.

The all-conference backfield will be quite a problem. There are Walker, Smith, Pierce, Joslin, Bob Nemir of Rice, Rob Goode of A. and M., Jesse Mason of Texas Christian, Bobby Layne of Texas, Huey Keeney of Rice, Jack Price of Baylor and Howard Maley of Southern Methodist, each quite deserving of selection but since we can pick only four, it now looks like Walker, Layne, Joslin and Nemir.

## Sextets Drill For Wednesday Bout Here

Local fans will be privileged to witness their first and only six-man football game of the 1945 season Wednesday night at Steer stadium when the Water Valley Wildcats and John Albers' Bulldogs of Coahoma high school meet for the District Nine championship.

Six-man football has mushroomed in popularity throughout this section in recent years but very few games have been played in Big Spring.

Rules of the six-man standard eleven-man games differ but little. "Six-man" has the reputation for being much the faster game.

The battle is booked to get underway at 7:30 o'clock.

Both sextets are titlists of their respective zones. Water Valley copped the bunting in the South Section last week by turning back Garden City in a thriller while Coahoma won rights to the finals by drubbing Courtney two weeks ago.

Wednesday's battle looms as a toss-up.

Winner of the encounter will be pitted against the champions of District Ten in bi-district play.

The Bulldogs were sent through a lengthy drill under the lights at the Steer field Monday night and Albers has pronounced them ready to function.

## Middleweight King Kayoes John Riley

HOUSTON, Nov. 20 (AP)—Tony Elizondo, 157, of Corpus Christi, retained his Texas middleweight championship here last night, when he scored a one-round knockout over John Riley, 160, of Oklahoma City.

The Mexican boy kayoed his opponent in two minutes and 29 seconds of the opening round.

Other results last night included:

Douglas Gibson, 139, Galveston, decisioned Howard Carr, 145, Oklahoma City, and Joe Valdez, 140, Corpus Christi, decisioned Otho Slager, 138, Houston.

### WMU Circles Have Study, Review Royal Service

The Mary Willis circle of the First Baptist church WMU met Monday in the home of Mrs. Theo Andrews for Bible study by Mrs. E. Reagan on "Heaven".

The meeting was opened with the singing of the Doxology and the repeating of the Lord's Prayer. Members answered roll call with a current missionary event.

Members reported the completion of seven dresses for the Red Cross for refugees.

Members present were Mrs. Reagan, Mrs. J. E. Hardesty, Mrs. W. B. Buchanan, Mrs. F. W. Bettie, Mrs. C. T. Clay, Mrs. Ernest Hock, Mrs. W. R. Creighton, the hostess, and Mrs. Clay, Sr., of Calif., and Barbara Ann Hock.

Mrs. F. H. Sholte, circle chairman, brought the devotional to members of the East Central circle when they met Monday at the church.

Mrs. Sholte also reviewed the mission program from the Royal Service. The Bible study on "Death" completed the work for the meeting.

Present were Mrs. R. C. Hatch, Mrs. J. L. Haynes, Mrs. Sholte, Mrs. W. V. Rose, Mrs. M. E. Harlan, Mrs. A. T. Lloyd, Mrs. Lina Lewellen and Mrs. R. V. Jones.

### "Y" Committee Explains Aims, Purpose Of Unit

What is the YMCA? In view of considerations being given to organization here under the YMCA name, Temporary Committee on Organization has prepared these highlights:

The YMCA is a name which may be adopted by any group of citizens (large or small) in a community, if such group in its program has as its stated purpose the development of Christian character, through interesting recreational, cultural, social or inspirational activities.

For Big Spring, we hope that it will first mean an ongoing program of varied activities for boys, girls, men and women which will meet the greatest number of interests and desires; secondly, that it will mean the eventual erection of an adequate building to carry on an enriched program for all persons in the community and to house related movements whose object is service to the community.

Only the limitations of the interests of people and the absence of full generosity will limit the tremendous program of recreation, service and purposeful groups which this movement will make possible.

In other places, the YMCA has been in existence for 101 years serving these communities in whatever way their respective local boards (which means the people generally) determine. There are 1,500 YMCA's in the United States; 10,000 throughout the world in 68 countries.

A meeting to consider organization has been set for Monday, Nov. 26, at the USO club.

### Crude Oil Production Increases For Week

TULSA, Okla., Nov. 20 (AP)—Daily average crude oil production rose 7,880 barrels to 4,487,500 in the week ending November 17, the Oil and Gas Journal reported today.

Kansas led the field with an increase of 23,550 barrels to 287,350. Illinois production dropped 2,200 to 204,100. California slumped 2,750 to 832,500, and the eastern area fell back 4,890 to 61,450. Louisiana gained 600 barrels to 368,400, but Oklahoma was 1,450 short of the previous week's figure at 388,700. Texas average was unchanged.

### MATT KIMES BELIEVED HIDING OUT, SAFE IN OKLAHOMA HILLS

OKLAHOMA CITY, Nov. 20 (AP)—Matt Kimes, notorious boy leader of outlaw gangs of the 1920's, was believed to be hiding somewhere in the hilly fastnesses of eastern Oklahoma today and officers scoured the region but admitted the trail was growing colder.

Kimes, charged with robbing the First State Bank of Morton, Tex., of \$17,000 Sept. 5 while on leave from the Oklahoma penitentiary, had left no definite trace since eluding capture after taking \$1,200 from a Wewoka, Okla., theater manager Sunday night.

"We have no definite clues at this time," D. A. Bryce, special agent of the Federal Bureau of Investigation, reported after returning from a trip to Fryor, Okla., and northeast Oklahoma sections. "We are still working night and day to apprehend him."

Two other men—Ollie Oliver Melton, 36, Ashern, Okla., and Fred Pair, Bledsoe, Tex.—are being held in connection with the bank robbery. Olaf Alvin Rogers, Tulsa, sought by officers, was still at large.

"I'M SORRY, SIR, BUT I'LL HAVE TO CHARGE YOU MORE IF YOU HAVE MORE!"

### How much can you pay?

What would you think if the clerk at your favorite store asked to see what you had in your wallet before he decided what to charge you for a shirt?

Or if, just because you happened to have some money saved up, you were asked to pay more than other people for a haircut, a movie ticket, or even such important items as rent, food and clothing.

That's exactly the kind of reasoning UAW-CIO leaders are using in their wage demands on General Motors—

They point to funds we have saved up over the years to expand and improve our plants and provide more jobs and more production. They say, "Give us that in higher wages."

General Motors does not go along with that kind of reasoning. People should not have to pay more just because they have a savings account—

For many years we have used our savings to expand capacity, create more jobs and provide greater values.

And we intend to keep on doing just that. We are, at present, embarked on a very important reconversion and postwar expansion program. Our objective, now as always—to produce more and better things for more people.

**RAF Bombs Java Railways In War**

BATAVIA, Java, Nov. 20 (AP)— Indonesian-held roadways into Semarang were bombed by six RAF Thunderbolts today and fighting between native and Allied forces broke out in several sections of Batavia.

The official Netherlands news agency Aneta reported authorities expressed belief that a considerable number of young Indonesians belonging to the Permuda, an organization armed by the Japanese during the occupation, were pouring into the capital by train.

Allied authorities had lost control of the railway stations.

The action about Semarang was the first aerial offensive against the city in the current fighting.

After an overnight staff conference, the British dropped 10,000 leaflets on the town, warning the people to leave before the RAF struck. They were given 90 minutes notice.

The British officially expressed anxiety over the situation in Semarang. A crowd which threatened British headquarters sustained 50 casualties when it was dispersed by mortar fire yesterday, and total Indonesian casualties in the district were put at 50 killed, 50 wounded and 150 captured.

**Large Crowd Drawn To First Meeting Of Assembly Of God**

A large crowd attended the opening service of the West Texas district Christ's Ambassadors convention of Assemblies of God Monday night when Dr. Cecil J. Lowry of Oakland, Calif., spoke on "Illuminating Jesus and His Deity."

Dr. Lowry pointed out in his talk at the municipal auditorium that subtle attacks are being made to rob true Christianity of its power through questioning the deity of Christ. He said "by illuminating the deity, strength may be added to christian living."

Approximately 100 churches are represented at the meeting which will continue through Wednesday with Rev. Frank J. Mack of Lubbock, president, presiding.

Services were held during the morning and afternoon with a special banquet scheduled for 5:30 p. m. today for district leaders. Each evening service is to begin at 7 p. m.

Paul H. Cox is in charge of the orchestra and Thaya Hunter is the director of the choir. Rev. J. O. Yeatts is the host pastor. Special music will be furnished by a Plainview Trio, Midland Girls Chorus, Hundley Quartet and a ladies trio.

The public is invited to attend the youth rally.

Improvements have been made by the State Highway Department on the roads and grounds. New signs have also been put up, Webb stated.

Webb also offers a variety type of films for 168 millimeter cameras in a film library he has available for community service.

**Southern Pacific Co. To Stop Ship Service**

NEW YORK, Nov. 20 (AP)—The Southern Pacific Co. has decided to discontinue operations of steamships between New York, Galveston and Houston and between Baltimore and the two gulf ports, A. T. Mercier, president, announced today.

The decision will mean complete discontinuance of the company's Morgan Line service between North Atlantic ports and gulf ports, established in 1883. In June, 1941, service was interrupted when the government requisitioned the Morgan Line of steamships but the company had the privilege of resuming normal operations if it elected to do so after the war.

**Eastbound Flights Taken By Services**

WASHINGTON, Nov. 20 (AP) — The government today ordered all airlines operating eastbound flights from the west coast to allot 70 per cent of their space to army and navy personnel returning from the Pacific. The order is effective Dec. 3.

The action was taken by the Office of Defense Transportation, which said it is necessary because of "heavy arrivals of returning servicemen at west coast ports."

Several hundred thousand men a month are expected to be arriving there by the end of the year, ODT said.

The agency estimated that about 800 men a day can be flown east by the airlines.

The order, the first issued by ODT affecting air travel, applies to airlines operating from Seattle, Wash., San Francisco, Los Angeles and San Diego, Calif.

**Recruiter Outlines Reenlistment Value At Rotarian Lunch**

Enlistment and reenlistment in the army not only helps to bring men home from overseas posts, said Capt. Wayne Hall, in a talk before the Rotary club Tuesday, but they offer distinct advantages to the soldier.

Enlistment has many advantages over induction, he said, pointing out that promotions to voluntary enlisted personnel would be permanent. Moreover, the man who enlists is regarded as one with a professional aim in the army, said Capt. Hall.

He pointed out that soldiers could continue education by correspondence while in the army or would be eligible under the GI bill of rights for substantial financial aid which would make possible college education following the tour of duty. Other advantages under the bill include low rate interest on loans for homes, business, etc.

Capt. Hall explained procedure under which men in service, either enlisted or officer personnel, might re-enter the service. He also gave his view on the benefits of military life and on the training given by the army to its men.

**Merchants Make Christmas Plans**

Arrangements for the Christmas season are unfolding with plans for Santa Claus and his helpers to give away the main prizes at 8 p. m. Thursday, Dec. 6, on Main Street, east of the court house, the merchant committee of the chamber of commerce decided in a session Tuesday morning.

Merchants who have not been contacted and who are interested in having a part in the annual Christmas Treasure Hunt are asked to contact the chamber of commerce office for cards and information. Business firms who will give away prizes are to begin displaying their gifts in show windows marked with special cards.

Treasure Hunt tickets are to be issued for free at 6:30 p. m. Dec. 6 on Main Street. Special gifts totaling \$100 are to be given by Santa Claus around 8 o'clock. The winner must be present to receive his award.

John Fort, chairman, said the merchants voted to remain open Monday, Dec. 24.

**Senator Promises Truman Authority For Reorganization**

WASHINGTON, Nov. 20. (AP)— Senator Murdock (D-Utah), predicted today that "President Truman will get ample authority to do a real job" of streamlining the sprawling government.

At the same time the Senator told a reported the Chief Executive may have to wait "another 10 days or so" before he knows exactly what powers Congress has given him to reorganize some 100-odd federal departments, commissions, bureaus, corporations and agencies.

By that time, Murdock said a Senate-House conference committee should be able to iron out differences between separate reorganization bills passed by each chamber.

"On the whole the Senate bill should be very satisfactory to the President," Murdock said after battling 18 days to win Senate approval on the measure. It came yesterday on a voice vote.

In all 15 agencies were placed on the presidential "must touch" list by the Senate. They include The General Accounting Office, The District of Columbia Municipal Government, the Federal Land Bank System, the Federal Deposit Insurance Corporation, Army Engineers, three agencies dealing with railway labor and these federal commissions: Interstate Commerce, Communications, power, Securities and Exchange, Trade, Tariff, and Maritime.

The House handled its exemptions in a different manner. It did not list the District of Columbia government or the Maritime Commission, but it voted to restrict action on the Veterans Administration and Civil Service Commission.

**Special Wrecked**

QUITO, Ecuador, Nov. 20. (AP)— Wrecking of a special train bearing excursionists to a religious festival at "El Quinche," between Quito and Otavalo, killed a number of persons today and estimates ranged as high as 200. Physicians said that more than 400 persons were injured.

**Caesarean Birth Of Triplet Girls Said Successful**

BROWNWOOD, Nov. 20 (AP)— Married 15 years, Irwin Norwood, 36, and Eunice Faulkner Norwood, 37, have triplet girls for their first born today.

The babies were born at a hospital in which may have been the first successful triplet caesarean delivery in medical history. The daughters weighed slightly over three pounds each—10 pounds 9 ounces aggregate.

They are in incubators and as yet unnamed.

Dr. Homer B. Allen, who with Paul Wheelis, made delivery, could recall no similar surgical case. They said the mother was "doing nicely."

Father Irvin, farmer living 3 1/2 miles northeast of Comanche, said he was "very excited but I wish there was a boy in the bunch. I need farm help badly."

The tiniest Norwood weighs three pounds and five ounces; the huskiest three pounds and thirteen ounces.

Both parents are natives of Comanche county.

**Five Violations Of THC Law Cited**

Five employer cases have been cited in violation of the Texas Health Certificate law, Lawrence Wells, city sanitarian, said Tuesday. Fines run from \$1 to \$200 for each employee who is worked without proper health certificates, with employers held responsible for the fines.

Wells said, "all persons who employ personnel in any business where food or drink are served must receive an effective health card." A strict check has been made recently on several cafes, bakeries, milk plants, bottling concerns, etc.

Receipts from doctors on health examinations do not constitute health cards and are invalid. No examination, on matter how complete, is effective until it has been recorded with the local health unit, Wells said.

Three employers appeared before city court Tuesday morning and paid fines of \$15 each for violation of the Texas law, city officials said.
