Growers Have a Powerful Burndown Choice

When no-till and minimum tillage growers head into the planting season, time becomes a valuable commodity. The window of opportunity for putting seed into the ground is often limited and efficiency is critical.

Preplant burndown applications have proven to be an effective method for corn and soybean growers to eliminate grasses and weeds in preparation for planting. But sometimes the weather doesn't cooperate. That's why Southern growers need a burndown herbicide that gives them the flexibility to apply burndown before, at or even shortly after planting.

- For a burndown to become an asset to your farming practices, it must:
- strike weeds quickly to eliminate competition for your crop
- become rainfast quickly to avoid wash-offs from sudden spring rains
- control a broad spectrum of weeds.

TOUCHDOWN® is a non-selective, foliar systemic herbicide that desiccates weeds in just four to seven days. Sulfosate, the active ingredient in Touchdown, translocates through plants from leaves and stems all the way down to the roots for faster burndown. Its powerful systemic action begins soon after application, and Touchdown is rainfast in just two hours.

Touchdown works on a wide range of annual and perennial weeds and can be tank mixed easily with numerous preplant and preemergence herbicides for extended grass and weed control. In addition, Touchdown has received EPA approval to be used as an over-the-top application on glyphosate-tolerant soybeans, so growers can get the same powerful weed control with a postemergence application.

When you need a fast-acting, pre-plant burndown in soybeans and corn, in both no-till and conservation till, rely on Touchdown—the powerful choice for weed control.

For more information about Touchdown, contact your local ag chem dealer.

Riddle Rx of Farwell is on the Net!

The Twin Cities' drug store is now participating in the Internet pharmacy revolution -- which means lower prices to its customers!

"As a result of AmeriSource's VIP program, I can participate in the Internet pharmacy revolution while still providing my customers with the personalized attention they receive from their hometown store," said Riddle Rx drug store owner Jon Riddle.

AmeriSource's VIP program (Virtual Internet Pharmacy) enables retailers, such as Riddle Rx, to transform themselves into online pharmaceutical super-stores.

Through VIP, Riddle Rx can offer a co-branded web site that allows customers to browse through a catalog of over 15,000 non-pharmaceutical products and then electronically select the items they wish to buy. And thousands of products are available with customized retail pricing which includes home healthcare, over-the-counter and health and beauty care.

The on-line order is delivered to Riddle Rx the next day.

The web site is -- vip.amerisource.com.

"As a result of the VIP program, our drug store can participate in the Internet pharmacy revolution while still providing my customers with the personalized attention they receive from their hometown store," said Riddle Rx drug store owner Jon Riddle. "I can provide very competitive pricing by giving my customers access to the more than 15,000 non-Rx products. We are excited about the future prospects of this interactive service."

Riddle Rx

Ave. A & 9th St.

Riddle Rx offers Internet service

AmeriSource Health Corp., one of the nation's leading pharmaceutical distributors, has launched Virtual Internet Pharmacy (VIP), a service that enables retailers, such as Farwell's Riddle Rx Pharmacy, to transform themselves into on-line pharmaceutical superstores, using AmeriSource's comprehensive distribution capabilities.

Through VIP, Riddle Rx can offer a co-branded Web site that allows customers to browse AmeriSource's catalog of over 15,000 non-pharmaceutical products and then electronically select the items they wish to buy. This catalog far exceeds the typical retailer inventory of approximately 4,000 products.

The website is at vip.amerisource.com. The on-line order is fulfilled by one of AmeriSource's distribution centers and delivered to Riddle Rx the next day.

This expands the potential for Riddle Rx, enabling it to compete on-line while still emphasizing their 'close to the customer' approach.

VIP is unique in that it enhances Riddle Rx with what is believed to be the most comprehensive healthcare product catalog and resource on the Internet today.

Thousands of products are available to the consumer with customized retail pricing which include home healthcare, over-the-counter, and health and beauty care.

The VIP Web site also permits customers to refill prescriptions on-line, obtain wellness information, retrieve facts about particular illnesses and receive treatment recommendations for specific problems.

Riddle Rx can now use the Internet to expand its product offerings and services without expanding its inventory in-

vestment or retail space, thereby putting it in a better position to compete with larger retail stores and on-line pharmacies.

The VIP program is unique as compared to other on-line pharmacies because it ensures that the products customers are selecting are immediately available to them.

Each web site's inventory catalog is customized by geographic region and directly correlates to the products contained in each of AmeriSource's distribution centers across the country, guaranteeing that each pharmacy filling an order has direct access to the items offered on the site.

"As a result of AmeriSource's VIP program, I can participate in the Internet pharmacy revolution while still providing my customers with the personalized attention they receive from their hometown store," stated Jon Riddle, Riddle Rx's owner.

"AmeriSource's offerings enable me to grow my business significantly and provide very competitive pricing by providing my customers access to the more than 15,000 non-Rx products in their distribution facilities. We are excited about the future prospects of this interactive service."

A report from Farwell Junior High teacher Kay Ray:

Most 7th and 8th graders entered an editorial writing event sponsored by the Amarillo newspaper. They wrote an editorial entitled "What I Would Change About the New Millennium."

About a dozen students' editorials were published in the Thursday Amarillo newspaper issues in December and January.

Students who didn't write an editorial, entered the "Panhandle Family of the Year" contest. They wrote an essay telling why their family deserves that honor. Although nobody from Farwell won this contest, students had the opportunity to stop and consider what their families really mean to them.

Lady Blue capture regional championship; head to state

On to Austin!

That was the chant by the more than 300 Farwell fans on Saturday when the Lady Blue sped past Canadian in the regional championship game at Abilene Christian University's moody Coliseum, 51-38.

Farwell varsity girls win semi-final

The Farwell Lady Blue used its poise, outstanding defense and great guard play (with an emphasis on assists) to defeat the Panhandle Pantherettes, 57-42, in the regional semi-final game last Friday at Abilene Christian University's Moody Coliseum.

Panhandle's season ended at 26-7. Farwell's record climbed to 27-4.

Scoring for Farwell were Ashley Crawford, 10; Megan Miller, 4; Nicole Stout, 5; Chelsi Kaltwasser, 16; Kinzi Woods, 3; Lisa Herington, 4, and Marni Lunsford, 15.

Farwell opened on a positive note when Lunsford hit a 3-pointer for a 3-0 lead. Panhandle came back and led 4-3 before Farwell took the lead for good at 5-4 on a Kaltwasser bucket at 6:00.

Farwell caused four Panhandle turnovers early to help boost the Lady Blue lead.

The Lady Blue were rebounding well, and with good assists from the guards, Farwell began pulling away in the first quarter. The lead climbed to 15-6 when Kaltwasser hit a free throw at 2:18. But Panhandle canned a 3-pointer a minute before the end of the quarter to close the lead to 17-11.

The 2nd quarter was nip and tuck, as both teams committed three turnovers each early, and they traded baskets, too. The Farwell lead was cut to 4 points with 2 minutes to go. Then Farwell had a key flurry to put Panhandle on the ropes.

With 1:32 left, Herington scored a basket. Forty seconds later, She scored on a layup. And Stout hit a layup just before the buzzer as Farwell went into the halftime ahead, 27-19.

The 3rd quarter saw Farwell build up a lead -- which was good because it was needed when Panhandle staged a late comeback.

The Farwell scoring was spread around in the 3rd quarter, with Stout, Kaltwasser, Crawford, Megan and Lunsford contributing points. The Farwell lead blossomed to 14 points, 42-28, with 2:30 left when Kaltwasser knocked down two free throws.

Panhandle committed three turnovers, caused by the ball-hawking Lady Blue, late in this quarter as they went into the final period, 42-29.

Early in the final period, a drive by Lunsford at the 5 minute mark put Farwell ahead, 46-31. Then Panhandle staged a run of its own. Within 60 seconds, the Pantherettes hit a 3-pointer, scored on a steal and breakaway, and added a free throw.

All of a sudden, Farwell's safe lead had melted away, and the Lady Blue led only by 9, 46-37.

But at 3:40, Lunsford came up big with a 3-pointer that seemed to dash Panhandle's hopes of a comeback.

After that, it was all Farwell. Crawford scored on a layup, then Stout added a free throw. After Panhandle scored, they began fouling the Lady Blue. Free throws were added by Crawford and Woods.

Panhandle managed to add a 3-pointer but it was too little and too late.

Canadian had a 6'2 center that Farwell basically took out of the game by double- and triple-teaming her. Coach Steve Scott inserted Lisa Herington into the starting lineup to help guard her. The Canadian center fouled out in the 4th quarter, after fouling Chelsi Kaltwasser on her drive's to the basket.

Scoring for Farwell were Ashley Crawford, 17; Megan Miller, 9; Nicole Stout, 2; Marni Lunsford, 4; Kaltwasser, 17; and Herington, 2.

The game started with Canadian committing three early turnovers and Farwell went ahead on two baskets by Kaltwasser. 4-2. But Canadian scored three quick baskets, two by their center to take a 10-6 lead with 2:35 left in the first quarter. After that, the game belonged to Farwell.

After Lunsford canned two free throws, Crawford hit a jump shot to tie the game at 10-10 before the second quarter began. Then Farwell took the lead for good at 17-15 on a pair of free throws by Crawford at the 3:40 mark. Stout then made a layup, and Canadian responded with 2 free throws.

But the last two minutes of the first half gave Farwell a big boost and took the wind out of the Lady Wildcats. First, Crawford canned a 3-pointer to boost the lead to 22-17. Then Crawford stole the ball and scored.

Donations made to Cooper fund

On Feb. 7, members of Theta Rho E.S.A. met in the home of Twyla Lusk. Pam Monk was co-hostess.

Vice President Robin Howard read the opening ritual.

Members voted to make a financial donation to the Diane Cooper fund. Robbi Actkinson has been organizing meals for Bobby Winegeart, and members signed up for dates to help with that project.

The Dinner Theater committee will meet and report back about a possible presentation. Three different dates were discussed for the Chamber of Commerce banquet.

Several members volunteered to join in the M.S. Walk on April 8 in Amarillo. And this year's Valentine project will be completed soon.

After the meeting was adjourned, members exchanged secret pal Valentine gifts.

Attending the meeting were: Susan Williams with guest Brenna Williams, LaMoin Williams, Joyce Williams, Annie Williams, Rebecca Smallwood, Karen Schilling, Angelia Mace, Tammy Jones, Lorre Haseloff, Shannon Grissom, Tracy Devault, Tamera Cooper, Sheryl Christian, Pam Carpenter, Jana Barrett, Margaret Aycock, Robbi Actkinson and Alyson Actkinson.

Lazbuddie woman dies

Lazbuddie resident Florence Engelking, 92, died Feb. 22 after her house caught on fire.

About 8 a.m., a call was received at the 911 network of a house fire on County Road CC, one mile west of Highway 214, said Parmer County Sheriff Walt Yerger.

Fire trucks and ambulances from the Lazbuddie and Friona fire department arrived. Units from Muleshoe also assisted.

It was learned that an occupant of the house had been pulled from her burning bedroom by a passerby, said

Yerger.

Mrs. Engelking was the sold occupant of the house. She was pronounced dead at the scene by Justice of the Peace Pam Haseloff, who ordered an autopsy to determine the cause of death.

The home was totally destroyed by the fire and the state fire marshal is investigating.

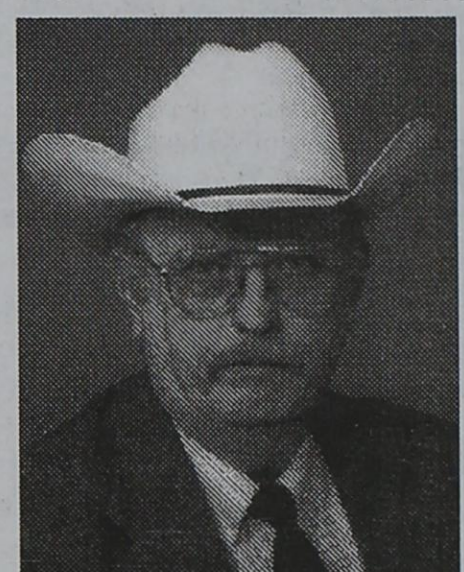

At this point, the game was held up by the refs for about 5 minutes due to a low-flying bat, streaking over the court and fans. After it departed, the game was continued and Herington hit a layup to give the Lady Blue a 26-17 lead as the half ended.

It's always been said that the beginning of a 3rd quarter can be crucial in basketball. Well, Farwell's defense turned it on as this period began, and the Farwell lead widened. Kaltwasser hit a layup, then a jumper to put the lead at 30-17. Canadian got the lead down to 10 points before Crawford and Kaltwasser tallied again to boost it back to 15, 39-24.

Canadian missed four straight free throws at the end of the third quarter. The final period saw Crawford and Kaltwasser take over the scoring, pushing the lead to 14 points, 45-31. Kaltwasser went to the charity line three times -- while fouling out the Canadian center. Meanwhile, Crawford hit a jumper and a driving layup, on an outstanding feed from Miller.

And the Farwell lead soared to 51-34, with a minute to go when coach Steve Scott took out the starters so everyone had a chance to play.

And the "On to Austin" chant began in earnest. After the game, the Lady Blue cut down the strings on the basket and held their regional championship trophy high for the picture taking.

Teamwork: Lady Blue's trademark

Can you believe it? They did it again.

The Farwell Lady Blue made it to Austin.

Sure, we all had hopes they would, especially after that heart-breaking defeat in Austin last year.

But it's very, very difficult in Texas to get to Austin. There are more than 200 teams in Farwell's class, and if Farwell isn't the smallest school in Class 2A this year, it comes mighty darn close.

Remember, Farwell moves back down to Class 1A next year.

So despite Farwell's small size, what is more important is that the Farwell's girls' team has a big heart.

In sports, you talk a lot about teamwork and its importance. It's an old cliché, but still rings true. And in Farwell's case, it's all about teamwork, on offense as well as defense.

I loved watching the Lady Blue at Abilene last weekend. Just loved it. Because I saw team basketball at its finest. The folks who were there know exactly what I am talking about.

I know there are some teams that depend on a big scorer, like an Alan Iverson in the pro's; or a tall player, like with Wilt "the Stilt" Chamberlain.

But the Lady Blue is all about teamwork. And that doesn't come easy.

When you talk about players, you talk about individuals, each with their own wants, their own goals. To have a successful team, they need to subordinate their personal aspirations for the good of the team. That aint easy!

But the Farwell Lady Blue have managed to do it. And their teamwork is a thing of beauty. If you folks didn't get to their games this year, you missed something very special in this community's history.

When I went down to the floor after the Friday win over Panhandle to make sure we got a team photo, I went over to Coach Steve Scott and congratulated him on the win, of course.

And the next words out of

Border Banter

By Mike Pomper

my mouth were "great guard play."

The assists from the guards (remember, folks, my longtime rule -- I don't like to praise individual kids until after the season is over) was unbelievable to me. Picture perfect. Panhandle didn't know what hit 'em.

Then add to that the defense, which kept changing, and kept confusing. You just wanted to stand up and applaud -- this is the way the game is supposed to be played.

In the regional title game, I almost felt sorry for the Canadian standout, a 6'2 center. She was the key to her team's efforts.

That poor girl didn't know what to do, when Farwell was triple teaming her. And her teammates didn't either. The Canadian "post game" was destroyed by the Lady Blue's defense.

Watching the Farwell

shorter guards drop off in those defensive efforts to help with guarding that tall center brought a smile to my face. But it didn't matter that she had that more height, our girls had heart.

Then, on offense, it was equally beautiful. The ball went in to the Farwell center, who wheeled and drove.

The ref's whistle.

The foul called.

One more foul on the Canadian center.

That happened five times -- until she fouled out.

That's how you play basketball, folks.

I don't know what is going to happen in Austin this weekend. I know I will be there, rooting for the Lady Blue as will about 400 other Farwell fans.

Last year at this time, I said the Lady Blue were the school's greatest team ever, in that they had achieved something no other Farwell girls' team had ever done -- made it to state.

Well, last year's team was very special. No question there. But this year's team is better, stronger.

Yes, I hope that the Lady Blue will win state. But regardless of the outcome, the 1999-2000 Farwell varsity girls' team has proven itself to be the school's all-time champion squad.

They have made their community proud.

I always remember telling my son, Rob, during the time he played football at Farwell, that when he was out on the field, he should be proud to know that he was representing his community. And it was important to do his best, as his community's representative.

The Farwell Lady Blue should feel very proud of their achievements. They have represented their community with the utmost pride. The poise they have shown during their play not only praises themselves and their excellent coach Steve Scott, but also their community.

Farwell residents should feel pride, too, in knowing that this wonderful group of young ladies has been their representative.

It's been a wonderful year. Go, Lady Blue!

Wow -- I think basketball has taken over the Tribune lately!

No way to avoid it, the high

school basketball playoffs are a very exciting time each year for the Twin Cities.

This is a good time to personally thank the folks who provide such excellent photos for the Tribune.

Without them, I would be in a real bind.

The Farwell Lady Blue and Steers' pictures have been taken by J.R. Ivins, the dentist for the Twin Cities.

It seems like it doesn't matter how far away the Farwell teams play -- J.R. is there for them.

We have had three contributors for the Wolverines' and Lady Wolverines' pictures -- Janice Jenkins, Doug Scioli and Dayla Bass.

Mrs. Bass is a Texico High teacher. Mrs. Jenkins is the Texico School counselor. and Scioli is a Clovis firefighter.

Folks, all I can say is, I really appreciate the help these photos give us. We are just a tiny weekly paper and without this type of support, we could not do the type of job our community expects.

Thanks to all our photographers. And when you see

them -- please ditto that to them personally.

Important note: With all the basketball hoopla, it's important to note other events going on in the community -- so make sure you read the whole paper today!

They include the Wilbur Ellis auction to help the Twin Cities' FFA'ers; the kindergarten and Head Start registrations at Farwell Elementary School; next week's Texico city election; and the closing of Farwell Schools today (Friday), with buses letting students out early on March 2.

Fire Calls

Farwell firemen were called to a hay fire at the El Cid Ranch on Feb. 26.

Also that day, they were called to Lariat, where a controlled burn was under way.

The next day, they returned to Lariat where they said a controlled burn was left unattended.

LOVE.

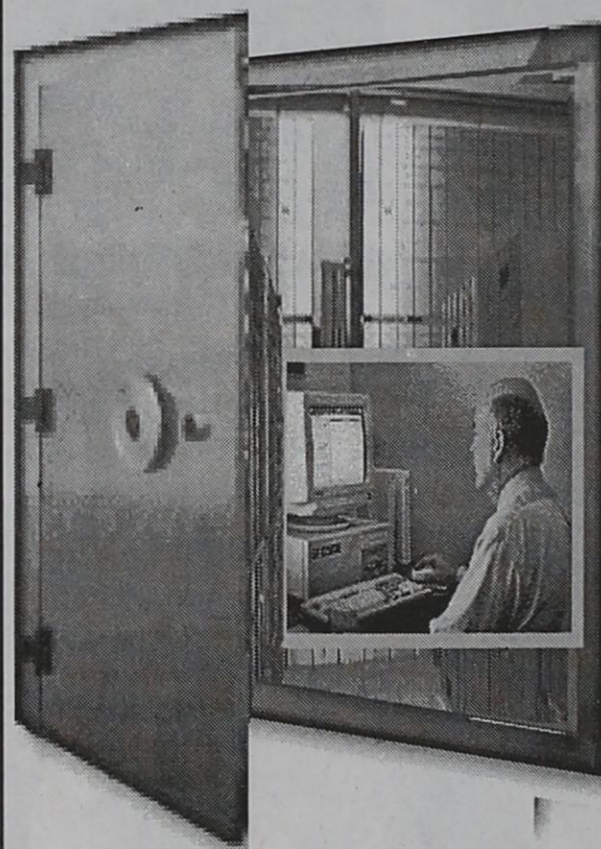

All it was meant to be.

What is love, really? Is it romance...or being with people you like? Is it giving and receiving nice things? Is it about hard work, or sacrifice, or putting the needs of others first? Well, love can be about all those things. But there is one perfect love, God's love...and it can strengthen all others.

We're your neighbors, the people of the Lutheran Church-Missouri Synod. And we want you to know that, with Jesus Christ, love really can be all it was meant to be.

Texico varsity teams continue their path to the state tournament

The Texico Lady Wolverines captured the District 7AA tournament championship on Saturday, with a resounding 63-43 victory over the Ft. Sumner Vixens at home.

The Lady Wolverines are now 22-2 and have won 17 straight games.

The next step for the Lady Wolverines involves the regional tournament, also to be hosted by Texico. Today (Friday), Clayton takes on Ft. Sumner at 6 p.m. mst, followed by the Texico-Santa Rosa game at 7:30 p.m. mst.

The winners of the Clayton-Ft. Sumner and Texico-Santa Rosa games then will play at 7:30 p.m. mst at Texico. Both teams that play on Saturday advance to state.

It should be pointed out that the Texico Wolverines will host the boys' district tournament championship at 5 p.m. mst on Saturday. Folks who watch this boys' game will have to leave the gym afterward, then buy new tickets for the girls' game at 7:30.

Against Ft. Sumner, Lady Wolverines' scorers were: Bobbi Williams and Callie Rucker, 4 each; Jennifer Roberts and Elizabeth Richards, 10 each; Kristen Roberts, 6; Shayna Lewis, 7; and Kara Jenkins, 2.

Krysta Morris and Bobbi Williams had 7 rebounds each. Lewis led in steals with 5. Kristen Roberts and Morris had 7 assists each. Jennifer Roberts canned 4 of 8 3-point attempts. And the Lady Wolverines hit 7 of 10 free throw tries, while also hitting 51 percent of its 2-point basket attempts -- 22 of 43.

In the opening quarter, Lewis was on a roll, knocking down 7 points to spark the Lady Wolverines. Texico opened up a 20-12 lead.

In the second quarter, Texico boosted its lead to 10. During one series toward the end of the quarter, Kristen Roberts was magnificent in rebounding against a trio of Vixens. At the half, Texico led, 35-25.

In the third quarter, the refs were calling a lot of fouls as both teams played hard. Jennifer Roberts hit a couple of 3-pointers from the left side of the court. Texico led 50-34, as the Lady Wolverines continued to open up their lead.

During the final quarter, Lewis and Kristen Roberts fouled out as the refs kept calling a bunch of fouls on the Lady Wolverines. Toward the end of the game, the Vixens fouled Texico a lot, as the Lady Wolverines made their charity tosses to ice the victory.

Varsity Boys

The Texico Varsity boys stomped Logan, 72-49, last Friday.

The boys are now 20-4 overall.

Scoring were Ross Burford, Chris Hall, and Josh Boazman, 5 each; Ryan Autrey, 3; Shelton Conwright, 7; Chris Sena, 2; Justin Foust, 11; Johnny Sena, 6; Justin Steward, 20; and Jacob Aldersebaes with 8.

The Wolverines will be playing for the district tournament championship on Saturday at 5 p.m. mst. The opponent is still to be determined.

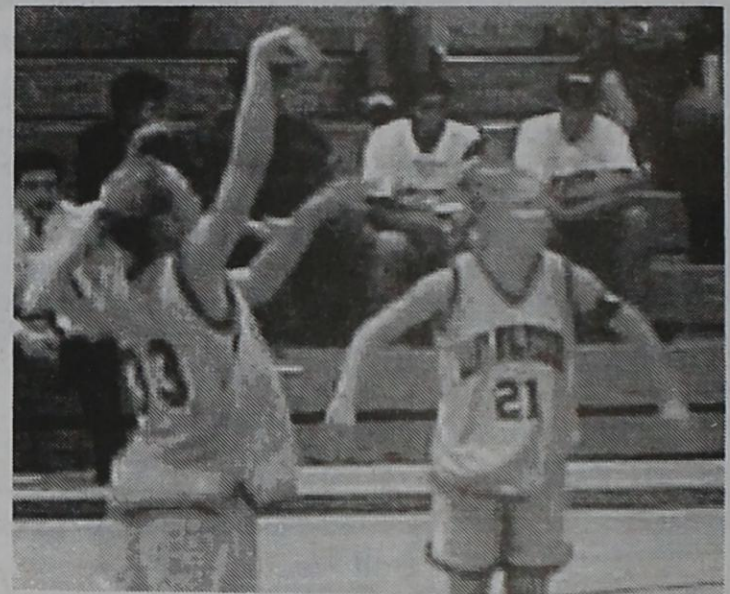

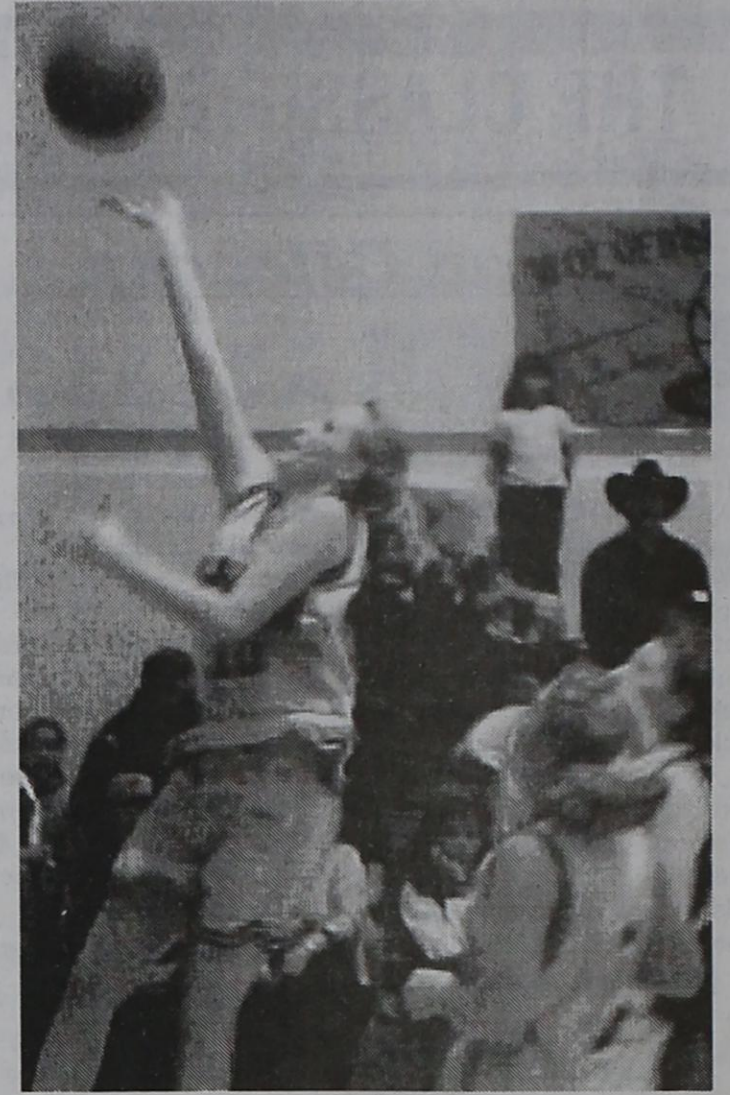

Next weekend, the Wolverines will move into regional play.

Also, the gym will be cleared after the boys' game, so those who watch the boys play and are wanting to watch the girls play will have to leave and re-pay to get back in.

The Texico JV boys topped Logan, 65-62.

The junior Wolverines finished their season with an overall record of 20-2.

Scoring were Marcos Lopera, 9; Adrian Loera and Shane Mayfield, 11 each; Tyler Garrett, 1; Tanner Williams, 20; Kody Vaughan and Jake Williams, 2 each; Anthony Askew, 4; Kyle Duncan, 6.
