Several major accidents occurred in Parmer County last weekend.

Valentino (Val) Cortez, of Clovis, was severely injured in a farming accident one mile west of Dodd at about 9 a.m. on Aug. 16.

Cortez, who owns and operates a silage semi-truck, sustained major injuries to his right leg after being pinned between a John Deere tractor quick hitch and the front bumper of his semi-truck.

He was a member of the silage crew for the crop being cut for Steve Miewes.

Cortez was airlifted by AeroCare to Covenant Hospital in Lubbock.

He also suffered some major bruises and swelling to his chest and abdomen. As of Monday, he was listed in stable condition.

## One more week until football contest starts!

The ever-popular Area Merchants Football Contest will begin its 43rd year on Aug. 30.

So please mark your calendars now -- that means it is just one week until the football contest begins.

Last year, about 500 persons, ages 12 and up, entered the contest. That figure alone testifies to the contest's popularity, given the number of local residents who fit into that category.

This is when area prognosticators probe the sports columns, read the charts and check their favorite arm-chair quarterbacks. It's a time for folks at local businesses to see whose football acumen is tops. And it is a very special time for families to have fun over the dinner table, deciding on which teams are going to win.

And it is so very, very important to enter each week in

order to have a strong run at the grand prize award. So be sure to watch for the first week of the contest, in the Aug. 30 issue of the Tribune.

The top prize for the winner of the 12-week contest will again be two tickets to see the Dallas Cowboys, the team which dominated the 1990's pro football world, winning a trio of Super Bowls.

This year, the grand prize winner will get to watch the Cowboys take on a tough division rival, the New York Giants, who made last year's playoffs. The game is set for Sunday, Dec. 9, at noon at Texas Stadium.

The grand prize winner also will receive \$50 in cash, a night's lodging for two at a top-notch Dallas hotel, and more goodies.

And the reason the Tribune is able to offer this contest, plus the weekly cash prizes of \$15 for first place and \$7.50 for second place, is due to the following sponsors:

1. Town & Country Insurance
2. The Texico Branch of Citizens Bank
3. Franse Irrigation
4. Farwell Feed Supply
5. Sherley-Anderson, Lariat
6. Sherley-Anderson-Pitman, Farwell
7. Sherley-Anderson, Lazbuddie
8. Leal's Restaurant, Clovis

Rules for the 2001 contest will be the same as in the past. A person must be at least 12 years old to enter. Entrants must choose 12 games they think will win the selected games.

Games will be divided by high school, college and professional ranks (except for the first week, since the pro season doesn't start until the following weekend). In case of a tie game, unless the tie was predicted by the entrant, that game will not be counted.

Each entrant must remember to pick a tie-breaker score, a very important feature of the contest since many weekly winners (and some grand prize champions) have been determined by tie breakers.

Each week's scoring is tabulated and kept on record

(Continued on Page 2)

Letting folks know that there is "one week to go" until the football contest starts is Don Oppliger, owner of Oppliger Land & Cattle. Oppliger Land & Cattle is one of the contest sponsors.

Giving the "one week to go" sign for the football contest to start are the folks at Muleshoe Motor Co. -- top row, Fabian Martinez and Wanda Hooten; bottom row, Jorge Banon and Ramiro Martinez. Muleshoe Motor Co. is one of the contest sponsors.

**'Boll' change asked**

Plains Cotton Growers has asked the USDA Risk Management Agency to consider issuing a deviation allowing "boll count"-based adjustments on dryland cotton severely impacted by drought conditions in 2001.  
 PCG's request includes dryland cotton planted in the Texas High Plains as

well as cotton planted in the Rolling Plains region.  
 The deviation would allow growers to immediately receive appraisal on cotton counting only the harvestable bolls on the plant. The deviation also changes the factor applied to the bolls counted to 4.5, or 450 bolls per pound.

**Texico, Farwell gridders scrimmage**

The Texico and Farwell gridders scrimmaged on Saturday. Neither varsity team scored. But the Farwell JV had two touchdowns and the Texico JV had one.  
 Here's a wrap-up of how the 2 1/2 hour session went:  
**Farwell varsity on offense:** On its first series, the team was quarterbacked by Taylor Nichols. After a couple of first downs, the drive stalled after Kyle Duncan had a QB sack and Tyrell Garrett knocked down a pass.  
 Later, Carlos Garcia and Thomas Ortiz caught passes. And a run by Carlos Garcia got a first down. QB Lonnie

McFarland hit Sergio Vasquez with a nice pass.  
**Texico varsity on offense:** QB Marcos Loera kept for a nice run. Tyrell Garrett also had a good run. On defense, Fidel Ruiz, Gaylen Sudderth, Casey Meeks and Randy Armstrong had nifty tackles.  
**QB Braden Vaughan** hit Kyle Duncan with a pass. Gaby Garcia had a good tackle, and Josh Curtis had an interception. Loera hit Tony Clements with a nice pass.  
**Farwell JV on offense:** Joe Zaikowski had two QB sacks in a row. Rowdy Mitchell had a strong run up the gut. QB Robbie Tabb kept for a huge gain around end to the Texico 15. Hugo Vasquez then caught a short flip for a 12-yard TD. Later, Tony Clements had an interception.  
**Texico JV on offense:** This was headed by QB Braden Vaughan, tailback Tony Clements and fullback Mark Peabody. Farwell exhibited good tackling, including one by Logan Clemmer. Later, the Texico offense got moving on running plays. Curt Christian had a QB pressure, leading to an interception by Rowdy Mitchell. Mark Peabody had a strong run. Robbie Tabb knocked down a pass.  
**Farwell varsity on offense:** Thomas Ortiz had a strong run. Bryce Bailey had a tackle in the backfield. Braden Vaughan had an interception. Taylor Nichols had a good end run.

# Your Bucks Go Farther Here

This is a great time of year to think about building your dream home. And naturally you want the most for your dough. So you should consider clean-burning propane gas for your home's energy needs. Propane is the dream alternative to electricity because it can warm your house more efficiently. And propane can cook your meals, dry your clothes, and heat your pool. And it can do all those things cheaper than electricity can. So you can stop dreaming, and put your money where your house is.

## County redistricting focuses on Friona

The Parmer County Commissioners held a workshop on Monday to better define the upcoming redistricting.

The county's four precincts need to be redistricted due to the 2000 census and the Voting Rights Act. The census showed Pct. 2 (Tom Ware) gaining 226 persons; Pct. 1 (Kirk Frye) losing 70 persons; Pct. 3 (Ed Corn) losing 22 persons; and Pct. 4 (Raymond McGehee) losing 134 persons.

Since the county's total was 10,016, it meant that each precinct needed to have about 2,500 persons, while maintaining federal guidelines involving minority voters. This means that at least one Parmer County precinct must contain a majority of Hispanic voters. For the past decade this has been Pct. 4 -- the Lazbuddie area precinct; and this will continue.

In earlier discussions, the commissioners had talked about changing some of its road mileage to equalize things (this is how some tax monies are awarded). But Corn said that the road miles are going to stay the same.

Instead, the commissioners are working on making polling places as convenient to voters as possible.

As expected, the proposed redistricting will likely affect only the city of Friona and its environs. An area west of Friona (west side of U.S. 60) is likely to be moved from the Bovina area precinct to the Friona area precinct. Also, the Lazbuddie area precinct likely will pick up parts of Friona to the north and east of that city.

Also, they are looking at putting voters along FM 3333 back in the Oklahoma Lane polling place.

## Don't miss the 1st week

This column may sound similar to ones I have run in the past -- because it is.

Folks, the football contest starts next week.

You have no idea how many folks have grimaced over the years at having missed the first week.

So let me put it simply: DON'T MISS THE FIRST WEEK!!!!!!

Once again, we are offering a really nifty package for the overall champion -- two tickets to see the Cowboys take on the New York Giants, one of last year's playoff teams, at Texas Stadium on a Sunday afternoon.

Along with that goes hotel accommodations for two, plus \$50 cash and other goodies.

So don't miss entering the first week!!!!!!

I really enjoy running our football contest. It's always fun to see folks I normally don't run into during the rest of the year.

And it's so great to hear folks tell me how much their families enjoy discuss the contest over the dinner table.

And that is what makes it so great. Our contest doesn't involve gambling, there is no fee to enter, nothing to lose.

It's a great family affair where moms and dads and their kids (12 years and older) chat over which teams to pick in our contest. It's a great family affair.

And I try to make it as easy for folks to enter as I

Kati Mimms a Lazbuddie High graduate, has received a Texas Coca Cola Bottlers Scholarship through the state UIL for \$1,000.

She is one of 22 recipients who participated in the UIL academic state meet. She competed in accounting and computer science.

Kati graduated as valedictorian of her class and will be attending Lubbock Christian University.

A very special big "thank you" to Freda Neie who took the time to discern which of the Curry County Fair participants were from our area so we could publish all their results.

Thank you, Freda!

Season passes are on sale at the Texico High School office for \$75 (for immediate family only).

can. We are open until 5:30 p.m. Thursday and Friday for folks to bring their entries in.

Or, if they can't, just call us at 481-3681 and we will take the entry over the telephone. We aim to please.

And some folks mail in their entries -- as long as they have a Friday postmark they are accepted.

If you mail in your entry from New Mexico, please send it to: State Line Tribune, PO Box 222, Texico, NM 88135.

If you mail in your entry from Texas, please send it to: State Line Tribune, PO Box 255, Farwell TX 79325.

I always need all the entries in by Saturday because I score the results on Sunday nights.

For some of you folks who haven't gotten the Tribune before, get ready for a real treat -- enter the contest with your kids (or without them) and watch the fun begin.

The football contest is one of the big topics of conversation in these parts for the next 12 weeks as folks go for the gold.

And the contest is simple to play. All you have to do is circle 12 games, and mark down a score for the tie breaker. What could be easier?

And if you a woman, don't think that you don't have a chance against the guys.

When I look back on our weekly champions (\$15 winners), most of them are ladies -- not men. Shows you who really knows their football!

I enjoyed watching the Texico-Farwell scrimmage on Saturday. Both varsity teams looked good for so early in the practice season.

Actually, I was most impressed by the Farwell JV. They have some hitters on that team, led by Rowdy Mitchell.

The scrimmage provided good practice for

the players. The only down side was that a couple of Wolverines got hurt -- Kody Vaughan, knee, and Matt Soliz, wrist.

But I will predict that Texico and Farwell fans will enjoy watching their teams play this season -- so get off your duffs and come to the games! That's an order!

I saw one thing that I really appreciated.

After one play, one player taunted a player on the opposite team.

Immediately, a coach got right in the face of that "taunter" and in no uncertain terms told him that taunting was not part of football.

When I see a coach do that to one of his players, I really appreciate what he does. Because a coach is not only a coach, he's also an educator.

That's why I think football is great. It teaches young men not just about the right way to play the game of football, but also the right way to play the game of life.

As usual, I have help covering our area football

teams again this fall.

For the second year, Texico High student Jesse Barclay will be doing the write-ups for the Wolverine games.

And Lesley Curtis will be covering the Steers "away" games. I will cover the home games, plus a couple of the Wolverine home games. And, as always, I will handle the playoff games.

The gift subscriptions for college students have begun arriving.

Remember, folks, it costs \$22.50 to send the Tribune for 9 months to a youngster heading off to college.

They really enjoy getting the news from home. So if you want to take one out, call us at 481-3681 or stop by the office.

This marks the first anniversary of Jackie Ragland becoming the new manager at Lowe's Supermarket in Farwell.

I just wanted to say that I think he has done a super job at building up our Texico-Farwell supermarket and congratulate him on a job well done.
