Transmitting Puzzle Solved By Engineers

by Mary Sobin
News Editor

The aggravation of translating garbled and static-filled radio transmissions to and from patrolling law enforcement vehicles is almost over for the Parmer County Sheriff's office. In fact, 80 percent of the problem was solved within three days after the arrival of Motorola engineers, according to Sheriff Bill Morgan.

As it turned out, a faulty transmitter belonging to El Paso Natural Gas Company, and located on State Line Road near the Farwell Country Club, was causing the garbled and irritating transmitting mess, (see Tribune, Sept. 25) and as soon as the problem was located, it was taken care of immediately. Now, for the first time in two or three years, radio transmitting can be understood by Parmer County law enforcement officials.

In addition, to take care of the remaining 20 percent of the problem, the Motorola Company was to have replaced two antennas on the tower located at the Parmer County sheriff's office in Farwell early this week.

Replacing the antennas, which are believed to have been struck by lightning some time in the last few years, will extend the transmitting range for the sheriff's department, something that has also been a problem for the past few years.

According to Morgan, no one even knew that the El Paso Gas Company transmitter was in the area. It was the engineers' sophisticated equipment that located the utility's transmitter, and as soon as that perplexing question was answered, two radio repairmen representing El Paso Natural Gas were in Farwell and working on the problem.

"There was very good cooperation between the El Paso Gas men and the Motorola men. The Motorola men did all they could to help the El Paso repairmen in fixing the problem," Morgan said, adding, "I would just like to say that the Motorola representatives bent over backwards to locate the transmitting problem, and then to help cure it. They were a credit to their profession."

Morgan said that the Motorola engineers took three full days to locate the problem, but once they did so, the wheels started to turn at full speed.

The El Paso Gas repairmen

were in Farwell immediately after they were notified, and the two companies had the transmitter taken apart and replaced in no time at all.

"We found out that El Paso Gas changed frequencies on their transmitter here two years ago, which is just about the time we began having our problems (with transmitting)," Morgan said.

But once the problem was located and repaired, the sheriff said he and his staff had "considerable improvement" with their radio receiving and transmitting capabilities. "The day they got the noise off our frequency we had a deputy unit go to the county line between Black and Summerfield and we talked with him just fine," Morgan said, and quickly pointed out that that could not have been done before the error was corrected.

"It was decent for a change. And they say once the antennas are replaced we'll be able to talk even further away

than that," he said.

Morgan had previously reported that even though the department has one of the best radio systems available, the sheriff's office and patrolling deputy units could not transmit to each other six miles out of Farwell.

"I'm well pleased with what they have done. I really am," Morgan said, adding, "As far as I am concerned, those Motorola people were the most professional people I've come across in a long time."

Although the sheriff's department has had its problem cleared up, the City of Friona is still having a problem with its transmitting capabilities, a problem that was once thought to be connected with that of the sheriff's department. "But the Motorola people here said it had to be in Friona's equipment or antenna. We can hear them here, but they can't hear themselves in Friona. The engineers said Friona's problem was strictly a local

problem and not a county-wide problem," he said.

The sheriff had been advised at one time that perhaps moving the radio antenna and tower apparatus, located near his office in Farwell, would cure the ills of the radio problem. But, according to Morgan, "the Motorola engineers ruled that possibility out early. They said there would be absolutely no reason to move it once they got in here and started listening to our problems. They knew it had to be something else," he said.

Consequently, cost for the repairs, although unknown at presstime, will be considerably less than was once anticipated. It was once thought that the cost for moving the antenna and tower would be as much as \$10,000, depending on where the structure would have to have been located, a cost to be paid for by Parmer County.

But since the problem was solved locally, the cost is expected to be much less, and that's a BIG 10-4 good-buddy.

Lady Guessers Outwit Football Upset Weekend

It was another one of those weekends when the "sure shots" dropped to the hands of what many football contest entrants thought were the "lesser" of the two teams, and consequently no one emerged from the 5th week of the annual guessing game with a perfect score.

But women's intuition took hold, and two ladies won the weekly prizes.

Rhonda Webb of Farwell took first place winnings of \$7.50, coming out ahead of the guessing pack as the only entrant with 10 perfect predictions.

In second place was Kim Telshaw of Clovis, who had nine correct guesses, as did four other entrants, but her

tiebreaker entry was only six points off, sending her to the second place position and winning her the \$5 weekly prize.

Others who called nine correct games were Don Williams, 8 points off tiebreaker; Vernon Thigpen, 12 points off; Sam Drager, 24 points off; and Jeff Johnson, 28 points off.

Those who are in the running for the two free tickets to the Dallas Cowboy game on December 13 are beginning to be weeded out each week, with only four persons in the top three spots this week.

Sam Drager is in first place with 45 points, and behind him, in second place with 44 points is Mark Williams.

Other contest standings include:

3RD PLACE, 43 POINTS: Richard Engelking and Don Williams.

4TH PLACE, 42 POINTS: Vicki Lynn, Donnie McDonald, and Thad Phillips.

5TH PLACE, 41 POINTS: Marcia Cole, Max Lonsdale, Jennifer Williams, and Leigh Ann Woods.

6TH PLACE, 40 POINTS: D. Wade Cargile, Hobby Coffman, James Craig, William Dannheim, John Franse, Ken Horn, Craig Kaltwasser, Teresa King, Jack Kirkland, Dick Pylant, Mrs. W.M. Roberts, and Mike Woods.

PURELY
PERSONAL
by John

Last Thursday we were eating a late lunch at home when the President held his news conference. Naturally we prolonged our lunch "hour" until it was over. We were again impressed with the easy and relaxed manner of Ronald Reagan on the podium. He is undoubtedly the best "communicator" to occupy the White House since Franklin Roosevelt.

One explanation of his struck us as very perceptive and one that usually eludes the proponents of big government spending. He was asked why, if the federal deficit is such an economic problem, did he also plump for a reduction in taxes?

His answer made a great deal of sense. He said that when the percentage that the government takes of the Gross National Product gets too high we have economic recessions and less total taxes flow to the government. He then cited instances when Cal Coolidge and John Kennedy reduced this percentage, the total tax revenue to the government increased.

His argument was that by lowering the total percentage that taxes take of the GNP the economy will spur and in the long run produce more government revenue. This is really the linchpin of Reaganomics. It is not new, it is not untried and is a perfectly sound economic program.

Of course when the government takes less of your and my earnings, we have more to spend as we see fit. This is what drives the liberal politicians and their friends bananas. The mere thought that we can competently handle our money without direction and control from "Big Daddy" on the Potomac is heresy.

For the next four years at least we are going to have the opportunity to prove that the individual who earns the money is the best judge of how to spend that money.

We have never made any comments about the passing of international figures in the Tribune. In the case of Anwar El Sadat we must pay a tribute to truly one of the world's great statesmen.

In our recent era he has been the outstanding world leader with a vision of world peace based on realistic assumptions. Too many have had peace dreams based on their own ideas of what was good for them and not necessarily what was also good for others. Sadat realized that to attain peace in the Middle East the existence of Israel must be acknowledged and accepted and accommodated for.

Other Arab leaders were not that realistic and are not so today. They are leading the Arab world on a one way street to destruction. Sadat led Egypt on a two way street of accommodation and survival.

However, this has been a problem of the United States in foreign policy. We always attribute our western and Christian ideals to other modes of civilizations and societies. Until we really understand the Eastern and Oriental minds we will always be at a disadvantage in dealing with the Near East and the Orient.

Our track record of dealing with the Red Chinese after WW2 through India, Vietnam and Iran has been zilch. Let us hope we can do better in the present unsettled Mid East situation.

Good Grief, Cowboys! You sure play heck with the Tribune's weekly guessing game. However, it was bound to come sooner or later. Your play the last several games looked below championship caliber and the Saint Louis Cardinals proved the point. We imagine that Tom Landry shook some contracts when he got the team in the dressing room after that fiasco.

The Cowboys weren't the only teams to upset the apple (Continued on Page 2)

I Want This One!

It's almost that time of year when jack-o-lanterns are displayed in area homes and doorways, but Tiffany Spearman of Farwell wanted to get

a jump on things and has already picked out a pumpkin that is just her size, even if it is a bit heavy. The daughter of Monte and Kristi Spearman

thinks this particular pumpkin will make a perfect addition to her home's fall decorations, and besides, the other ones are almost as big as she is!

Coronation Friday - -

Steer Spirit Soaring For Homecoming Week

Spirit and excitement in the form of daily dress contests, victory posters and a traditional bonfire have taken over at Farwell High School this week as students and faculty members participate in annual homecoming festivities.

Culminating the week full of fun and activity will be the naming of the 1981 homecoming king and queen at Friday's pep rally, which is scheduled from 3-3:40 p.m. CDT in the school gymnasium.

Candidates for the titles

include Sharon Kalbas, Janene Berry, Sandy Coleman, Sheran Smallwood and Tammy Obenshain for queen; and for king, Alan Eubank, Jay Anderson, Roger Robertson, Rocky Ford, and David Daniel.

The pep rally will also feature a "miniature parade" with classes, individuals and clubs competing for prizes with decorated wagons, bicycles and any other mini-mobile devises.

The "floats" are to be decorated with the theme

"Better Than Ever" and prizes will be awarded to the winning entries. First place will win \$25, second place \$15, and for third place, \$10.

Tonight's festivities will kick off with a senior class sponsored supper set to take place from 5:30 to 7:30 p.m. in the school cafeteria.

Beginning at 8 p.m., the varsity Steers will be looking for their first season win hosting the Eagles from Lubbock Christian High School. The royal court will be introduced at halftime and the marching Steer band will perform.

Also during halftime, former homecoming queens will be introduced, including Phyllis Jones Lunsford of Lubbock, 1971-72; Zell Billingsley Cain of Amarillo, 1961-62; Shirley Smith Ware of Bovina, 1951-52; and Bobbie McFarland of Farwell, 1949-50.

The "Coming Home" queens will also be recognized at a special reception to be held in the Farwell school cafeteria immediately following the game. Everyone is invited to the reception, which will feature cake, coffee and tea, and is being sponsored by the Farwell Booster Club.

Following the game, a victory dance in the old school gym will take place, with music being provided by a live band.

For those who ordered homecoming mums from members of the Student Council, the corsages will be handed out in the high school library immediately following the pep rally Friday.

Students and faculty members at the school have been showing off their fashion creativity this week during the daily dress contests. Tuesday was crazy sock day; Wednesday was crazy hair-do day; Thursday was coveralls day and today is dress-up day. Winners of the daily contests will be announced at the pep rally.

THURSDAY ACTIVITIES

For those who receive their Tribune on Thursday afternoon, a reminder that the traditional homecoming bonfire and pep rally will take place Thursday night at the Farwell baseball field beginning at 8 p.m.

The annual burning "bunch of wood" is being sponsored by the freshman class.

Post Offices, Bank Closed For Holiday

Both Twin Cities post offices will be closed Monday in observance of Columbus Day, as will the Security State Bank of Farwell and the Texico branch of the Citizens' Bank of Clovis.

Texico City Hall and Farwell City Hall will be open Monday for regular business, as will the Parmer County and Curry County courthouses.

Crazy Feet

Winners of Tuesday's crazy sock and shoe day at Farwell High were JoLynda Robbs of the faculty staff, and Johanna Mesman of the student body. Mrs. Robbs couldn't decide which of her craziest socks to wear, so she wore a different one on each foot. Johanna on the other hand, found a large pair of wool socks and stuffed

them inside [along with her sock] a pair of wooden shoes. "Crazy days" continued throughout the week at Farwell in celebration of the school's homecoming. The Student Council sponsored event will climax today at the 3 p.m. CDT pep rally when the new king and queen will be crowned.

Rain Halts Corn Harvest, Soaks Cotton Stalks Again

Just as the area corn harvest was getting into full swing, the rains began to make their drizzling descent, postponing cutting of the ready-to-harvest crop, something that hasn't pleased too many producers of the product.

Not only has the continuous moisture delayed the corn harvest, it hasn't really done the growing cotton much good either, since that crop is at the stage where it requires some warm and dry weather. Maybe the wheat will benefit, but most believe that newly-planted crop was probably already moist enough.

On Wednesday, Fred Chan-

delier at Sherley-Anderson-Pitman elevator in Farwell reported receiving 1.5 inches of rain; and in Lariat, a spokesman at Sherley-Anderson elevator said they had received "about an inch or more."

The Cannon Air Force Base weather station predicts more rain by Saturday night continuing through Sunday. The spokesman said there is 70 percent chance for the week-end rain.

Temperatures should range from the low 70's during the daylight hours to the high 40's in the evening and night time hours.

Bovina Man Arrested For Felony Theft

A Bovina man is currently in Parmer County custody under \$5,000 bond in connection with the theft of items totaling more than \$200 from a pickup truck belonging to Nick Rodriguez, also of Bovina.

In the Parmer County jail is Fernando Tovar, age 20, who was arrested on a felony theft charge by sheriff's authorities.

Missing from the Rodriguez vehicle, which was parked outside the Bovina Allsup's convenience store on October 4, was a Skill brand electric saw, one cassette caddy, and 30 cassette and 8-track tapes.

The theft is believed to have occurred between 3:30 and 4 a.m. CDT. Tovar is awaiting grand jury action.

Top Guesser

Rhonda Webb of Farwell (left) accepts this week's \$7.50 winnings in the 23rd annual Tribune sponsored Merchant's football contest from Bill Christian at the Texico Branch of Citizens Bank of Clovis, a contest sponsor. Mrs. Webb

had 10 perfect predictions in last week's contest, beating out all other entrants. In second place was Kim Telshaw, a student at Texico high school, who had nine perfect choices, and a winning tiebreaker entry. The contest has reached

the halfway point and now enters its 6th week. In first place for the grand prize of two tickets to the Dallas-Philadelphia game on December is Sam Drager of Farwell with 45 points.

Clyde Newell Buried Wednesday In Clovis

Funeral services for Clyde Newell, 59, of Clovis were conducted Wednesday afternoon, Oct. 7, from the First Baptist Church in Clovis, with Dr. H.E. Bergstrom and Rev. Jim Russell officiating. He was the father-in-law of Butch Ford, former Farwell resident. Interment was in Lawn Haven Memorial Gardens in Clovis under the direction of Steed-Todd Funeral Home. Mr. Newell died Monday, Oct. 5, at Clovis High Plains Hospital after a brief illness. He was born July 16, 1922 in Paris, Texas and came to Clovis in 1930.

First Baptist Church and a deacon of the church. He was a member of the Clovis Noon Days Lions Club and owner and operator of Art Craft Printing Co. He had been in the printing business since 1959. He formerly managed the State Line Tribune printing department. Survivors include his wife, Volna of the home; one daughter, Clydia K. Ford of San Marcus; one son, Kyle L. Newell of Clovis; his father, C.L. Newell of Muleshoe; four brothers, Bryant Newell of Albuquerque, Elbert Newell of Fayetteville, Ark., Carlton Newell of Muleshoe, and James Newell of Fayetteville, Ark.; three grandchildren, Timothy, Shannon and Brandi.

Graveside Rites For Jupe Infant

Graveside rites for Travis Dean Jupe, infant son of Mr. and Mrs. Thomas Jupe of Lubbock, were conducted Monday, Oct. 5, at the Oklahoma Lane Cemetery. Other services were held at the Rest Haven Chapel in Lubbock.

The infant was born October in Lubbock and lived for approximately seven hours. Survivors other than his parents are a brother, Russell, age 7; and paternal grandparents, Billie Jo Jupe of Smyer and Leroy Jupe Sr., of Alamo, Tex., and paternal great-grandparents, Mr. and Mrs. W.T. Magness of Farwell.

It just goes to show a body that forecasting football games is open to everybody and sometimes a little knowledge can be a dangerous thing. 'Tis odd how the good ole weather bureau seems to have trouble calling the shots on the weather. At the end of September the Lubbock paper carried the 30-day long range forecast for the entire country. The Panhandle and Eastern New Mexico were well within the boundaries calling for warmer than usual and dryer than usual. Huh. On the strength of that outlook we immediately broke into print with our pean of praise for October. Better we should have just waited for the actual weather. It ain't been that hot or that dry.

Being Stylish

Farwell Study Club members Alma Sledge, left, and Frances Kube show off a few of the "Styles Of Yesteryear" that will be on display Tuesday at the Study Club-sponsored 'Tator Bake. The display will include the old handbags and

choice of three toppings, a beverage and a dessert. The meal will be served from 11 a.m. to 2 p.m. CDT at the Jaycee Community Building in Farwell. Tickets are \$4. Everyone is invited.

Commissioners Court Has Routine Session

Members of the Parmer County Commissioners Court met in regular session last week taking care of routine county matters.

New office equipment for two county offices was approved for purchase by the court, including a Smith-Corona typewriter at a trade price of \$825 for the Adult Probation Department, and a new calculator for the County Clerk's office.

Probation officer Dutch Quickel reported that estimates had been received for a new typewriter from Moonlite Printing of Friona and Curtis Smith Office Supply of Friona. The Curtis Smith machine was selected on the basis of the close proximity of service for the machine in case the need arose.

A discussion was held concerning the reapportionment of the Commissioner's Precincts according to population. Following Parmer County Judge Porter Roberts' report on interviews he had with two

firms doing this type of work, the Court voted to appoint attorney Steve Bickerstaff of Austin to perform the reapportionment for Parmer County.

At the suggestion from Attorney General Mark White in a letter received by the Court, commissioners voted to approve the following resolution: "Resolved that pursuant to article 6762 VTCS and article 6763 CTCS as amended by Senate Bill 1242, a County Commissioner acting as ex-officio road commissioner has the authority to hire or to discharge any county employee working in that particular precinct."

It was reported to the court that judges Albert Smith, Frances Euler and Wayne Spears had recently completed a 20-hour course for Justices of the Peace.

The following soil conservation work was approved, providing the work may be

performed when county machines are in the required area and not in demand for use on county roads:

Precinct No. 1 - Bruce Parr, Jarrel Wright.

Precinct No. 2 - Don Fortenberry, Jose Garcia, Epifino Sierra, Sonny Roach.

Precinct No. 3 - Richard Haseloff, City of Texico, Joel White.

Donaldson Family Hurt In Mishap

Members of the Roy Sterling Donaldson family of Route 1, Farwell, received minor cuts and bruises in a two-car accident Saturday, Oct. 3, according to Department of Public Safety officer Craig Hunt.

Donaldson, his wife Charlotte and their three daughters were traveling south 13 miles east of Farwell and 3.1 miles north of Farm Road 145 on a county dirt road when they were struck almost head-on by another vehicle heading north on the same road, Hunt said.

that Mrs. Donaldson hit the windshield, resulting in a cut above her eyes. None of the injured were transferred to a hospital for treatment.

The accident occurred at 1:45 p.m. CDT, and Hunt said that neither vehicle was traveling more than 40 miles per hour, and that he believes their speed was closer to 30 or 35 miles per hour due to the road conditions that day.

FIRE CALLS

The Texico and Farwell volunteer fire departments each had two emergency calls this week.

In Farwell, the ambulance was dispatched on October 3 to State Line Road and Kakawati Road at 1:43 p.m. to an auto accident.

On October 4, the Farwell fire truck was called out by the Texico fire department to stand by at a fire five miles south of Farwell on State Line Road, at 8 p.m.

In Texico, the fire truck responded to the fire five miles south of Farwell on State Line Road on October 4, at 6:52 p.m.

On October 5, at 1:58 p.m., the Texico fire truck went to the T.J. Kittrell farm south of Texico to extinguish a corn field fire.

Driving the other vehicle was Manuel Hernandez of Bovina who was cited by officer Hunt for "driving on the wrong side of the road, not passing."

Hunt said the vehicles did not hit "head-on" but rather caught each other "half and half" connecting at their left fenders. The DPS report indicates that Hernandez allegedly was rounding a curve, cutting it short, causing the run-in with the Donaldson vehicle.

The DPS officer indicated that both vehicles were "almost totaled" in the incident and that Mrs. Donaldson and the three daughters received cuts and bruises. Hunt said

New Teachers, Administrators To Be Hired On Probationary Term

Following action taken at the Farwell School Board meeting Monday night, all professional personnel hired by the board, including administrators and faculty members, are to be hired on a two-year probationary term contract period, this resulting from Texas Senate Bill 341 which mandates the probationary period.

In addition, the board voted to evaluate all professional personnel annually, and if problem areas develop, the evaluation will be a continuing process.

Both decisions were carried unanimously by the school board trustees.

It was decided by the school board that the homecoming dance, set for October 9 following the football game, will be restricted to Farwell High School exes and their guests, and the Farwell student body and their guests.

The resignation of Wanda Gobble as kindergarten aide was accepted at the meeting.

The three school principals reported on the results of the Language Assessment Scales testing given to students recently.

Elementary school principal David Gobble reported that the tests indicated that 17 students were in need of assistance in the English language. At the junior high, Jerry Owen reported that one student required language assistance, and in the high school, principal Don Malone said that the tests indicated that two students had language problems.

Dorothy Eason presented the 1981 tax roll to the board. The roll had previously been approved by the Board of Equalization, and the Farwell School Board approved the roll at the Monday night session.

The board nominated Gilbert Kaltwasser as a candidate for the Parmer County Tax Appraisal District Board with the following resolution:

"Whereas, Senate Bill 621 establishes a single Tax Appraisal District in Parmer County with the responsibility for listing and appraising taxable property in the District, and providing local remedies for dissatisfied property owners,

"Whereas, the Parmer Coun-

ty Tax Appraisal District is governed by a board of five directors, serving two year terms beginning January 1 of even numbered years,

"Whereas, each voting unit may nominate one candidate for each of the five directorships,

"Be it therefore resolved that the Board of Trustees of the Farwell Independent School District hereby nominates Gilbert Kaltwasser as a candidate for the Parmer County Tax Appraisal District Board of Directors."

Those attending the meeting conducted at the school superintendent's office were trustees Wilbert Kalbas, Joe Hughes, Bill Martin, Richard Haseloff, Edward Corn, and Caroline Anderson. Absent was Billy Mayo.

Also present were W.M. Roberts, James Craig, Don Malone, Dorothy Eason, Frances Boling, Jerry Owen and David Gobble.

Harvest Time Accident

M. Shawn Hays of Grady learned the hard way that when the railroad crossing lights flash, and the bells ring, they mean business. Hays, driving a grain truck for Bill Queener of Grady, was heading south on Loop 292 approaching Sante Fe railroad crossing number 14831-B, sit-

uated between the Farwell Dairy Queen and Sheryl-Anderson-Pitman elevator in Farwell, when, according to Texas Department of Public Safety officer Craig Hunt, "he heard the train whistle and hit his brakes turning sharply to the left. It was not soon enough though, as the train came by,

ripping off the right side of the truck's hood, completely detaching it." According to Hunt, "Hays saw the blinking lights, but not the train, and thought he could cross safely." There was no damage to the train, and Hays was cited for disregard of a railroad crossing signal.

Stubble Destruction Controls Corn Borers

Corn harvest is in full swing and the time to minimize next year's southwestern corn borer problem is at hand.

Corn borer infestations were especially bad and widespread this year, necessitating as many as three expensive chemical applications to achieve control, says County Extension Agent Seth Ralston. Ralston explained that borer larvae can reduce yields by tunneling in the stalk and by stalk girdling, which frequently results in lodged plants.

"Girdling is a behavior pattern in which larvae, preparing to overwinter in the plant stub, chew a groove around the inside of the stalk a few inches above the soil surface. Girdled plants are weakened and susceptible to lodging."

Cultural practices such as winter stalk destruction by single disking, shredding or knifing are the most reliable management tools to minimize losses next year due to this pest, the county agent said. "These tillage practices expose the tap root to freezing weather and will decrease corn borer survival," Ralston said.

If shredding is used, the stalk must be cut at ground level, the agent cautioned.

Data obtained from a three-year study conducted at Halfway by Dr. Tom Archer, Texas Agricultural Experiment Station entomologist, indicated that shredding, disking or knifing by mid-January reduces by 80 percent the borers which would normally survive the winter. These tillage practices combined with natural mortality result in a 95 percent reduction.

If stubble destruction is delayed until February or later, only a 45 percent reduction in survival was obtained, Archer pointed out.

Many producers are drilling in wheat behind corn without destroying their stubble. "however, even if corn isn't going to be planted next year, you owe it to your corn producing neighbor to destroy your stubble," explained Ralston.

Heaviest infestations of corn borers were generally adjacent to or downwind from fields where corn stubble was not destroyed, Dr. James Leser, Extension entomologist at Lub-

bock, reported.

Producers planning to graze out their stalks or who are concerned about soil erosion should still consider some type of cultivation which will expose corn borer larvae, the county agent said.

Grazing itself will not reduce the number of corn borers that emerge in the spring. "Stubble destruction through shredding will still permit grazing and should assist in preventing soil erosion," Ralston said.

"If tillage practices must be

delayed, don't wait later than mid-January in most areas, and perhaps mid-February in the northern Panhandle," Leser advised.

Ralston encouraged early area-wide stalk destruction to help minimize the impact of this pest next season. Without 100 percent participation, moths from neighboring unplowed fields can infest all other corn fields in the area, negating an otherwise effective management effort, he cautioned.

Geries Serves On Board

Randy Geries, of Farwell, a junior agricultural business and economics major at West Texas State university is serving on the WTSU Leadership Board.

The board includes student leaders and members of various campus organizations. Members are selected from students who attend the lead-

ership training conferences each semester sponsored by the board.

Geries is a member of the WTSU Student Foundation, a student leadership organization, and is a Canyon Volunteer firefighter.

He is the son of Mr. and Mrs. Don Geries of Farwell and is a 1979 graduate of Farwell High School.

Judges Attend Seminar

Eighty justices of the peace attended a 20-hour Texas Justice of the Peace Training Center seminar September 15-18 in Amarillo, at the training center based in compliance with Article 5972, Section B, of the Texas

Revised Civil Statutes. Among the judges attending were, left to right, Albert Smith of Farwell, Parmer County, Precinct 1; and Wayne Spears of Bovina, Parmer County, Precinct 3. [SWT News Service Photo]

Lazbuddie Young Homemakers Honored For Year's Service

Members of the Lazbuddie Young Homemakers conducted their annual membership tea Thursday, Sept. 17, welcoming two new members and recognizing members who had contributed their time during the past year.

The affair was held in the Lazbuddie School Cafeteria, and new members Stephanie Foster and Ella Jo Stormes were welcomed.

Two other members were honored for their outstanding contributions to the club and the Lazbuddie community, including Charlotte Redwine who was presented a silver platter for her hard work and planning done for the Lazbuddie School Reunion. Also honored was Billie Mason, who received a plaque thanking her for her many years of service to the Lazbuddie Young Home-maker chapter.

A program on making candy was presented by member Johnnie Battey during the tea, and reports were given by Vicki Burch, projects chairman; Sheryl Engelking, social chairman; and Marca Morris, program chairman.

Projects planned for the upcoming year include pecan sales; community cookbook; buried treasure booth at Halloween carnival; Christmas bazaar; honoring local senior citizens; buying coats and glasses for needy children; helping FHA with style show; buying ribbons and buttons for the elementary track meet; honoring outstanding homemaker; and choosing secret pals.

Two socials are also planned for the year, including a Christmas social for the entire family in December and a family barbecue in May.

Programs scheduled for the year include aerobic dancing, October; quilting, November; restoring antique dolls, December; dieting, January; ladies' night-out, February; self-defense for women, March;

Thank You, Charlotte

For her outstanding service to the Lazbuddie Young Homemakers and to the Lazbuddie community, Charlotte Redwine was presented a silver engraved platter at the recent annual Membership Tea. Also receiving recognition was Billie Mason, who is not pictured.

style show, April; election of officers, May.

The organization also plans to have local senior citizens as special guests at the April meeting.

Members attending the annual membership tea were Ellen Gallman, Cindy Hall, Sheryl Engelking, Marca Morris, Rickie Seaton, Charlotte Redwine, Jenny Mitchell, Joann McDonald;

Also, Cindy Cargile, Mandi Seaton, Vicki Burch, Reta Mimms, Billie Mason, Lana Copp, Janice Bradshaw, Debbie Magby, Susan Lasater, Debbie Weir, Stephanie Foster, Ella Jo Stormes and Cassandra Cargile, advisor. Special guest was Myrtle Steinbock.

New Members Welcomed

Stephanie Foster, left, and Ella Jo Stormes were welcomed as new members to the Lazbuddie Young Homemakers at that organization's recent annual Membership Tea. The two were greeted and introduced to

the club at the affair in the Lazbuddie school cafeteria. Plans for the upcoming year were also discussed, and a program on candy making was presented by Johnnie Battey.

Tracy Dobbs Selected As DAR Good Citizen

Texico senior Tracy Dobbs has been selected to receive the Daughters of the American Revolution (DAR) Good Citizen's Award by her fellow classmates and the Texico faculty.

The daughter of Mr. and Mrs. Ray Dobbs of Texico, Tracy was one of three candidates who were selected by members of the senior class to compete for the award. Also selected by the senior class were Jeff Dunsforth and Craig Horne.

The three were then asked to fill out a questionnaire under the supervision of a faculty member and without assistance or references; and then to write an essay entitled "Our American Heritage And Our Responsibility For Preserving It," within a set two-hour time limit. These essays were

graded and judged by the Texico faculty.

The three were also judged on dependability, honesty, service to school and community, leadership, patriotism and the ability to inspire others.

According to senior class sponsor Ronnie Warmuth, the selection was "extremely close" and he added that "Craig and Jeff are to be commended for their efforts" in the selection process.

For the honor Tracy will receive a DAR Good Citizen pin and certificate and will then compete nationally and

winners at the state level will then compete nationally and the winners will receive a \$1,000 scholarship.

Tracy is being sponsored by the El Portal chapter of the DAR from Portales.

She is vice-president of the senior class, vice-president of the Bleacher Bums and is a member of the varsity volleyball team.

FHA-HERO Officers Installed

Texico's FHA-HERO organization had its officer installation Monday night at the Texico school.

Installed as club leaders were Jackie Burk, historian; Jeannie Chavez, vice-president of recreation; and Patty Rojas, parliamentarian. Each of the new officers received a silk red rose as a symbol of the club's official flower.

The offices of president and secretary were chosen last spring.

New members were also initiated Monday night and were presented with a ribbon with the FHA emblem on it.

Following the ceremony, members and their parents were served cheese and crackers, fruit and punch.

Keeping with tradition, it was the new members who were chosen to stay after the ceremony and tidy things up!

The room was decorated in the organization's colors of red and white with the center table accented with red roses and red and white carnations.

New Members attending the formal ceremony were Elayne Horner, Cheryl Scott, Marta Frodin, Karen Snodgrass, Rosa Sepeia, Lydia Viescas, Esther Castillo, Sharla McDonald and Kandy Keeler.

Ellen LaRose, Brad Jones Wed In Houston Ceremony

Ellen Louise LaRose and Joe Bradford (Brad) Jones, both of Lubbock, were united in marriage in a double-ring ceremony at St. Francis de Sales Church in Houston on Saturday, Aug. 29. Msgr. Vincent Rizzotto officiated at the ceremony.

Parents of the bridal pair are Mr. and Mrs. Gerald LaRose of Houston and Mr. and Mrs. Joe Jones of Farwell.

A marriage banner in tones of white and gold and bearing the words "Love One Another" was draped across the front of

the altar, and a multi-colored bouquet enhanced the foot of the altar.

The bride was given in marriage by her father and wore a formal gown of white designed and handmade by her mother. The dress featured an empire waistline and round-necked bodice overlaid with lace and sheer full sleeves with insets of matching lace. The long train skirt was created of two layers of chiffon over soft crepe. The bride's waist-length veil of illusion was trimmed with matching lace and was

attached to a headpiece of lace and hand-sewn seed pearls.

She carried an arrangement of silk flowers highlighting the colors of the attendants' dresses, yellow, green, peach and blue.

For something old she wore her mother's wedding garter, something new was a lace handkerchief, something borrowed was a pearl necklace belonging to her mother, and something blue was her garter's blue ribbon.

Matron of honor was Molly Hasenpflug of Houston, sister of the bride. Bridesmaids were Mary Beth Frazee and Janet Wiemar, both of Houston.

The bridal attendants wore dresses of beige with soft floral colors of yellow, peach, blue and green. The dresses featured handkerchief hemlines at mid-calf and each featured a belt of peach and green satin ribbon. The matron of honor carried a single peach rose with matching silk flowers in her hair. Each of the other attendants carried a single beige rose with matching silk flowers in her hair.

Attending the bridegroom as best man was his brother, Russ Jones of Canyon. Groomsman were Greg Edwards of Conroe, Tex., and Jim Hasenpflug of Houston. Serving as ushers were Bruce Gammon of Dallas and Robbie Marshall of Fort Worth.

The bride's mother wore a lavender chiffon dress with long sleeves, full skirt and soft tucks in the bodice with inset lace. She wore peach silk flowers. The bridegroom's mother wore a cream-colored crepe dress with a corsage of peach silk flowers.

A reception was held in the Parish Hall where lace lattice work framed the bride's table. The three-tiered bride's cake was surrounded by peach silk flowers. The cake was served along with champagne, punch, coffee and finger sandwiches.

Members of the houseparty were Mrs. Marisa Tomczyszyn, Mrs. Diane Evans, Mrs. Anne Scott, Mrs. Alice Mueller, and Miss Melissa LaRose.

After a wedding trip to Santa Fe, the couple is at home in Lubbock. The bride received a BA degree in chemistry from the University of Texas and is currently working on an MBA at Texas Tech and is working part time as a teaching assistant at Tech.

The bridegroom received a BA in accounting from the University of Texas and is working on a master's degree in tax accounting at Tech while working part time for Main Hurdman.

Mesmans In Holland For Birthday Party

Ben and Mary Mesman of Farwell traveled to Holland recently to celebrate Ben's father's 80th birthday.

It was a real family celebration, with all 12 brothers and sisters attending, even Ben's brother and sister from California. It was the first time in many years that the entire family had been together.

The Mesmans' 11 days back in their "home country" included a tour of Arnhem, a

town made famous from the novel "A Bridge Too Far," and a tour of the museum in the home of Kaiser Willem, located in Doorn.

Ben said they flew back home via Houston and commented, "I'll tell you this much, I like it here a whole lot better than Houston!"

Visit Children

Mr. and Mrs. W.M. Roberts of Farwell were in Ft. Stockton over the past weekend to visit their son and family, Mr. and Mrs. Charles Roberts, Matthew and Amy Paige. Amy is just a bit over one month of age and her grandparents report they enjoyed getting re-acquainted with her and also say "she is growing fast."

Family Returns To Farwell

Mr. and Mrs. Jose Ceniceros and children, Angela Maria, age 6, and Jose Maria, age 7 months, have returned to Farwell to make their home. Also returning with them is a brother, Julian Jaime, Jr. The former Farwell residents have been living in California for some time.

The family is presently staying in the home of Mr. and Mrs. Julian Jaime, Sr.

Crafts, Festive Foods Are Program Topics

Farwell Young Homemakers opened their year with two meetings, one during Young Homemakers week in September and one on October 1.

A crafts program was presented at the September get-together, which was hosted by Sharon Eubanks.

An area hobby shop presented a display of various crafts and gave a demonstration on glass etching.

Those attending were served an ice cream pin-wheel dessert, including members Becky Martin, Beverly Foster, Sharon Eubanks, Patsy Camp, Sheree Montgomery, and Ruth Anne Bennett, and guests Janene Foster and Susan Franse.

Connie Moyers of Southwestern Public Service utility company presented a program on Festive Foods at the October gathering, showing tried and true holiday yum-mies.

During the business session, a discussion was held on the upcoming State Convention which is slated for November 13-14 in Dallas. Several local members hope to attend this convention.

The club is now selling plastic kitchen ware as a money-raising project.

The next meeting is November 3 at 2:45 p.m. CDT at the

home of Orie and Peggy Jones. Mrs. Jones will give a demonstration on upholstery.

Those attending the October meeting were Sharon Eubanks, Gwen Corn, Tina Sides, hostess; Becky Martin, Patsy Camp, Sheree Montgomery, Nelda Wilhite, Cindy Billingsley, and Beverly Foster.

Guests attending were Cheryl Smith, Frances Boling, Pat Owen, Eva Dean Stephens, Joyce Lee Baker and Laura Jacobs.

The doore prize was won by Becky Martin. Gifts for the speaker and the door prize were provided by Gwen Corn.

Marriage Licenses

There were four marriage licenses issued from the Parmer County Clerk's office this week.

The licenses were given to Arturo Lopez and Cindy Kay Auburg; Jeter Mack Wilmeth and Gay Lynn Rundell; Mark Woodin and Connie Jean King; and Ramon Velasco Venegas and Evelyn Ruth Hutson.

Visit Danes

Visiting Saturday afternoon in the home of Mr. and Mrs. Weldon Dane in Texico were Dane's father, W.E. Dane of Whiteface, Tex., and his brother and nephew, Jimmy Dane and Kevin, of Levelland.

50th Wedding Anniversary

The children of Mr. and Mrs. J.O. Richardson, Sr., of Farwell invite all friends and relatives of the couple to an anniversary reception, celebrating the Richardsons' 50th year of marriage. The reception will take place October 11 at the Richardson home at 306 Second Street in Farwell from 2-6 p.m. CDT. The anniversary celebration is being hosted by Mr. and Mrs. Donald Townsend, Mr. and Mrs. Darrell Barton, Mr. and Mrs. Wayne Pierce, Mr. and Mrs. J.O. Richardson, Jr., and Mr. and Mrs. Darrell Bordow.

Study Club Announces 'Tator Bake Luncheon

Members of the Farwell Study Club have been busy this past week preparing for their 'Tator Bake luncheon, which will be Tuesday, Oct. 13, and is being prepared for the entire Twin Cities area.

The meal, to be served from 11 a.m. to 2 p.m. CDT at the Jaycee Community Building in Farwell, will feature big baked potatoes with a choice of three toppings, a beverage and dessert. Cost for the meal is \$4. The

toppings being offered will include beef stroganoff, cheese and broccoli, and Italian with mushrooms.

Door prizes will be given away, and a special display will feature "Styles Of Yesteryear."

Study Club members say the luncheon "will be a delightful change of pace for those who work and buy their lunch everyday, and also for those who would just like to go out for lunch that day."

Mrs. Cox Hostess To Class Meet

Marie Cox was hostess to the October 5 meeting of Friendship Sunday School class of First Baptist Church, Farwell.

Mrs. Cox presided over a business meeting and the program was opened with prayer by Hattie Coffey. Following the business session Estellene Billington presented a devotional using scripture from Proverbs 22 and John 3:16.

The hostess then served refreshments of canapes, lime salad, fruit salad, chocolate cake, cream puffs, soft drinks and coffee.

Present were Edith Crawford, Beulah Williams, Hattie

Coffer, Marie Cox, Bessie Landrum, Pearlie Gerles, Alma Sledge, Estellene Billington, Elsie Hardage, Dickie Magness, Jamie Greenwood, and Leatha Jo Roberts.

Wolverines Sadden Happy, Remain No. 1, Undefeated

The Happy Cowboys were ready for the Earl of Texico and the tough Texico offense last Friday night, but they weren't ready for senior Kent Harding who carried the ball for the first time this year. Harding carried the ball over the goal line twice to lead the Wolverines to a 13-6 win over Happy.

It was homecoming in Happy, but the Texico Wolverines were out to repay a year-old debt to the Cowboys who dropped the local team 16-6 at their own homecoming last year.

Rated number one in class 1A and holding an undefeated record, the Big Green had apparent confidence during the first half of the contest. Quarterback Jerry Wimberly moved his squad down the field to begin the game aided by two Happy penalties totalling 20 yards.

But the "happy" jaunt was cut short when a Wolverine ball carrier turned over the ball on the Happy 22-yard line with seven minutes left in the first quarter.

The Cowboys had an impressive night of passing but couldn't move the ball well on the ground against a tough and tried Texico defense. On their first possession, the Cowboys were kept at the line of scrimmage by Wolverines Brad Steward and Kent Harding. Lynn Tubbs jarred the ball loose from a Cowboy and Texico recovered on the 32.

It was a defensive stalemate during the next few minutes of play with both teams failing to move the ball. With 1:25 left in the first quarter, quarterback Wimberly handed off to Todd Gerles who moved the ball 10 yards to the Happy 26-yard line. On the next play, Wimberly fired a surprise 26-yard touchdown pass to Harding, and a PAT kick by Lloyd Williams was good with only seconds remaining in the first quarter.

Happy gave the Wolverines and the bus load of fans who attended the game a scare when a Cowboy returned the kickoff down to the Texico 24-yard line. With a solo tackle, Earl Bibbs saved an apparent touchdown which would have tied the score at the end of the first quarter.

The Cowboys were unable to move the ball past the Texico 17. A Cowboy penalty moved the ball back to the Texico 23 and a fourth down pass to Camacho was good but Gerles stopped him cold, short of the first down.

Texico took over on their own 17, but in the next series of plays were kept deep in their own territory by penalties. B. Steward broke loose on fourth down and carried the ball to the Texico 47. E. Bibbs was unsuccessful in moving the ball more than a few yards, but Texico strategy gave the ball to Harding on a reverse for a touchdown with 7:26 left in the half. The PAT was incomplete, leaving the score Texico 13, Happy, 0 with seven minutes left in the half.

The Cowboys had the ball only for a few seconds when Steward intercepted a pass on the Cowboy 34. But Texico couldn't keep the ball and the Happy squad intercepted a Wimberly pass on the five-yard line.

Lynn Tubbs was quick to

read the Happy defense and the Cowboys were forced to punt. Wimberly tried to get the team momentum going but on fourth down at the 37, his pass intended for Willie Bibbs was intercepted and returned for a Happy touchdown.

The Happy PAT was unsuccessful and the scoreboard read Texico 13, Happy 6, with three minutes to go in the half.

The next series of downs was a real struggle for the Wolverine offense who moved the ball down to the Cowboy 14. But Wimberly couldn't connect with his receivers and the half ended.

Happy controlled the ball throughout most of the third quarter intent on upping the score. Texico's defense held tight but Wolverine offense couldn't move the ball.

Late in the third quarter, the Cowboys scooted the ball down to the Texico three-yard line and the Green and White defense showed them why they are rated number one by holding them there. L. Tubbs broke up a fourth down Cowboy pass and the Wolverines took over to begin the fourth quarter.

Unable to move the ball past their own 14, B. Steward punted the ball away. Three series later, Steward once again had to punt, this time booting the ball to the Happy 12.

Happy tried to get out of dangerous territory, but this time the pass didn't work. James Kelley grabbed a Happy pass with a little over two minutes left in the game.

A Wolverine score looked inevitable as Wimberly led his squad down to the five. But the Wolverines were called for delay of game and Wimberly was caught behind the line twice for a nine-yard loss.

There was still hope for the New Mexico team until a Cowboy intercepted a Wimberly pass with four seconds left and Happy kept the ball and the game ended Texico 13, Happy 6. The revenge had been accomplished.

Texico upped its record to 5-0 for the season and Happy fell to 1-4.

"We played real good defense" recalled Texico coach David Lynn following the 'happy' victory. "They were on the four-yard line twice and we held them back."

The coach explained that the reason his team was held scoreless during the second half was due to poor field position, "and we'd just stall out," he said.

"The offensive line," Lynn said, "is the key to our success this year." He also quickly pointed out that Texico's defense has been scored on only once this season, the other opponents' scores being made from offensive mistakes and fumbles.

Players to receive the week-

ly Big Lick award are: defense, Neal Snipes and Jeff Dunsworth; and offense, Jerry Wimberly.

"Kent played us a super game. He ran back punts, scored both our TDs. He did real fine," said Lynn, adding, "John Giegos blocked real well for a good game."

Tonight Texico hosts the Hagerman Bobcats, opening the season's district play. "Texico has never beaten Hagerman," said Lynn. "But I'm looking forward to the game and the team is in the right frame of mind for it too. They are ready to play."

Lynn said that Hagerman has good size, but not much quickness. The Bobcats lost eight starters both ways last season, and Lynn says that his Texico squad has "a lot more depth than Hagerman has."

The Green and White lost to Hagerman last season 20-0.

Undefeated Jr. Wolverines Demolish Buffaloes

by Ronnie Dunsworth

The Texico Jr. High Wolverines put their perfect record on the line Saturday, Oct. 3, when they invaded the Melrose Buffalo field, and came away with a 28-0 win.

In the first quarter neither team could muster much offense as it was a defensive struggle that ended in a 0-0 tie at the end of the quarter.

The second quarter was just a rerun of the first, with neither team able to come up with a scoring drive. At the end of the half the score was a stalemate.

At the start of the third session, the Wolverines came out fired up as Texico's offense began its first scoring drive. Billy Bibbs capped off the drive with a three-yard touchdown run. The PAT pass attempt from Buck Gaddis to Stanley Cross was successful, making the score early in the third quarter Texico 8, Melrose 0.

On the Buffaloes' possession, Texico's defense dug in and stopped the drive, forcing a turnover. Texico mounted another scoring drive with B. Bibbs taking it up the middle for a brilliant 50-yard scoring jaunt.

Gaddis' pass to Charlie Bibbs was good for the PAT attempt, leaving the score at the end of the third quarter Texico 16, Melrose 0.

On Melrose's first possession, the strong Texico defense team caused a Buffalo fumble and turnover. The Green and

PAM HOYL

CHARY JESKO

Pam Hoyl is a 5'7" junior. She is the daughter of Bobby and Darla Hoyl and was a member of the 1980-81 State Championship Basketball team. This is her first year in volleyball since junior high. I feel Pam is right about on schedule, maybe a little bit ahead of where I thought she might be at this time. As the season progresses and Pam gains experience I know she will be a fine addition to the team. Pam has been starting in a lot of the games this season. [Photo by Paula Leighton]

White offense took over and controlled the tempo the remainder of the game. Texico put together another drive that was stopped by the Buffalo defense, but Melrose was halted by Texico's aggressive defense.

Texico's fine specialty team took the field and scored on a 35-yard punt led by B. Bibbs for the TD.

The PAT attempt failed leaving the score late in the fourth quarter Texico 22, Melrose 0.

The Green and White wasn't finished yet as they scored another TD on the Buffalo defense when B. Bibbs hooked up with brother Charlie on a "halfback toss" for a nifty 50-yard touchdown pass.

The PAT attempt was unsuccessful and the game ended at Texico 28, Melrose 0.

In the rushing department, B. Bibbs had another strong outing as he tallied 149 yards on 16 carries. C. Bibbs tallied 16 yards on five attempts and Rusty McCormack had a good performance with 58 yards on two carries.

In the passing game, quarterback B. Gaddis was two out of six attempts for 17 yards and two PAT's. B. Bibbs was one for one for 50 yards and one touchdown.

In the receiving corps, Stanley Cross had one reception for three yards and a PAT; C. Bibbs had two catches for 65 yards, one touchdown, and one PAT.

Leading tacklers in the game were Billy Bibbs with 12,

Lady Spikers 5th At Raton Tourney

Texico volleyball girls upped their winning record last weekend to 9-2 by taking 5th place at the Raton Volleyball Tournament, playing schools two classes higher than they, the Lady Wolverines being the only Class 1A school in the tourney.

"We did real well. The entire tournament was tough, but if we had just won our first game we could have won the whole tournament," said coach Mike Littlejohn following the two-day event. Littlejohn said it was the first time his girls had entered the Raton tourney, and that they did so this year for "different competition. We were able to learn more, and see exactly what we can do."

The girls were sent to the losers' bracket after their loss to Liberal, Kan., a Class 3AAA team, in their first set of games. The Kansas team defeated Texico 10-15, 6-15. "It was really just a combination of things," said Littlejohn in explaining the early defeat. "We just did not play well. We were on the defense the entire time."

Next the girls played Taos, N.M., defeating them 4-15, 15-3, and 15-7. "Taos was one of the top teams there," Littlejohn said. "When we finally started playing well we began to win."

Trinidad, Colo., was the next group of spikers to fall to the Lady Wolverines, 15-7, 15-12, earning the Green and White the 5th place tournament trophy.

Littlejohn was pleased with his team's tournament statistics, including the 86 percent serving average. "It's right where we want to be. It's real good. It's not excellent, but it's good," he said.

The team racked up 16 blocks for the tournament and Littlejohn said the team's passing was "excellent the entire tournament." Ruth Scott was hailed by Littlejohn as "by far the best passer in the tournament." The coach said Scott had 14 kill shots, 17 good spikes and 10 blocks during the event.

Pam Hoyl served an impressive 94 percent, connecting with 31 out of 33 and Lisa Crooks served 93 percent, at 28 out of 30.

"Lisa Crooks and Tracy Dobbs had real good setting,

and you have to have that to get good spikes," commented Littlejohn. The lady spikers do not play in another tournament until the district tourney, slated for October 30-31. Regional play is November 6-7.

Volleyball Girls Take 2 Victories

Texico's lady spikers continued their winning tradition this week, defeating two district competitors while pushing their district tally to 6-1.

Their first net competition came with Elida with the Green and White winning two straight games 15-13, 15-2.

"They had us 11-5 in the first game. We scored more for them than we did for us!" recalled coach Mike Littlejohn following the game. But the coach said his team tightened up and went on to take the victory. "We have good serves, passing and set combinations. Tracy Dobbs scored six points in a row coming off good pass and spikes. Four of her serves were ace serves," Littlejohn said.

The coach said the second victory came from "excellent passing," and commented, "If we don't pass we are in trouble."

Littlejohn said Jill Jesko, Ruth Scott and Pam Hoyl "had good passes which enabled Tracy Dobbs to set up to Ruth for her 10 kill shots and 10 other good spikes. If we can do

that, we can beat anyone." On Tuesday the girls traveled to Floyd taking another victory, this one not as quickly though. The scores were 15-9, 10-15, 15-9.

Littlejohn said the overall passing was good, and the back line had excellent defense. "We also had good blocks."

The varsity squad will next play Melrose at Texico. "They will come here 13-0, but we'll be ready to deflate them," said a confident Littlejohn. The coach predicted that it will be Melrose, Texico and Floyd in the race for the district title.

*** The junior high volleyball girls lost both their games this week, losing to Elida 11-15, 6-15, and to Floyd 15-11, 1-15 and 3-15.

"We just can't seem to get over the hump. We're not playing like we are capable of playing," said Littlejohn following the Elida match.

He cited Loretta Gonzalez for her good passing in the Elida game and said she had seven out of nine serves. Kelly Lynn was 11 for 11 on serves and Littlejohn said she is 71 for 71 for the season.

Mustangs Shut Out Horns 58-0

Bovina proved not to be the most polite of guests last Friday night as they whipped their hosts, the Lazbuddie Longhorns, by a score of 58-0, pushing the Longhorns' record to 1-4.

But Lazbuddie coach Terry Campbell is not all displeased with his team's performance and is quick to point out that Bovina is "a real good ball team."

Campbell said his boys got the ball early in the first quarter and held on to it most of that time. "We moved the ball well during the first

quarter and managed to keep it from Bovina. But once we lost it, it was all over then. Bovina scored quickly, then we fumbled it back to them and they scored again," the coach recalled.

The coach said a couple of the Bovina scores were "donated" to them by the Longhorns due to fumbles.

Campbell praised Bart Elliott for his impressive 127 yards with 24 ball carries, racking up the majority of the 187 total offensive yards gained by the 'Horns.

"We just made some funda-

mental mistakes," said Campbell in summing up the team's loss.

Tonight Lazbuddie hosts its first district opponent, Nazareth, for the Longhorn homecoming game. "Nazareth will be the best team we have played so far. They have a record of 3-1, losing only to Springlake-Earth," said the coach.

Campbell pointed out that both Lazbuddie and Nazareth use the same type of offense for their ball control and their game plans are very similar in strategy.

Longhorn Leaders

Coaching the Lazbuddie Longhorns this season are, from left, Terry Campbell, head coach; and assistant Hardy Carlyle, Carl Glass and Chuck

Cole. The Longhorns will host Nazareth in a homecoming game tonight beginning at 8 p.m. CDT, hoping to recover from their 58-0 defeat at the

hands of Bovina last Friday night. For the season Lazbuddie is 1 and 4, their only win being over Amherst.

Weekend Sports Schedule

Farwell hosts Lubbock Christian High School Friday, Oct. 9, for the Steers' homecoming game. Game time is 8 p.m. CDT.

Texico enters its first round of district play Friday, Oct. 9, against Hagerman at Wolverine Stadium. Game time is 7:30 p.m. MDT.

Lazbuddie hosts Nazareth for their first district game and a homecoming celebration Friday, Oct. 9. Game time is 8 p.m. CDT.

Lazbuddie Jr. High team at Nazareth for a game beginning at 5 p.m. CDT Thursday, Oct. 8.

Texico volleyball girls host Portales Thursday, Oct. 8. Game time is 3:30 p.m. MDT, and on Saturday, Oct. 10, the girls host Ft. Sumner beginning at 1 p.m.

Texico JV football Saturday, Oct. 10, beginning at 10 a.m. against Ft. Sumner at Wolverine Stadium.

Getting The Word Out

One of the jobs of being a cheerleader at Lazbuddie High School is taking care of the school's sign board, and making sure all games and activities are announced for passersby to see. Tonight the Lazbuddie Longhorns will host the Nazareth Swifts for their

first district competition. Tonight is also Lazbuddie homecoming, with the new king and queen being crowned at halftime. A barbecue supper will kickoff the festivities, being served in the Lazbuddie cafeteria from 5:30-7 p.m. CDT.

Farwell Junior High Elects SC Officers

By Doug Cole
Farwell School Correspondent

Weeks of hard work and campaigning culminated September 28 when Farwell Junior High elected Student Council officers and representatives.

After listening to speeches given by the various candidates in the high school auditorium, junior high students selected three officers and six representatives out of grades six through eight.

Out of the 8th grade, Blake Kelley was elected president, and Andy Pat Hughes was chosen to be vice-president.

Farwell Ladies To Host Year End Tourney

Farwell Ladies Golf Association will be hosting this year's annual High Plains Ladies Golf Association's end of the year tournament at the Farwell Country Club October 14.

Members from seven golfing clubs from around the Panhandle area will be competing in the tournament, with the awards luncheon being served and prepared by members of the Theta Rho chapter of Epsilon Sigma Alpha sorority.

Jesse Anzaldua and Angie Charlesson were picked to be representatives.

Dana White won the post of secretary-treasurer for the 7th grade, while Jason Schilling

and Angie Bristow were elected representatives.

The 6th graders selected Steven Gerles and Damon George as their representatives. Elizabeth Phillips is this year's sponsor.

Irene Jones Earns 10K 2nd Place Win

Irene Jones of Farwell won 2nd place in the recent Allsup's Marathon, running in the Women's 10K 40 plus event.

For her time of 53:22.2 Mrs. Jones won a trophy.

The seventh annual event, held in Clovis last weekend, was highlighted by the setting of a new state record in the men's 10K event. Joe Ortiz from Portales shaved a little more than one minute off the existing state record by completing the course in 31:58.6.

The marathon attracted 400

entrants this year with runners coming from Puerto Rico, Colorado, California, Arizona, Texas, Oklahoma, Florida, Louisiana and Maine. More than 300 of the runners completed their respective races. The race was sanctioned and certified by the Amateur Athletic Union (AAU).

This is the first year Mrs. Jones has entered the event. Her son Russell, who lives in Canyon, also was in the event but did not have a winning time.

Royalty Crowned Tonight At Lazbuddie Homecoming

Lazbuddie schools will be celebrating 1981 homecoming tonight (Friday) with a football game against the Nazareth Swifts.

Crowning of the 1981 king and queen will take place at halftime. Candidates for queen include Becky Schacher, freshman, daughter of Mr. and Mrs. Eugene Schacher; Sharon Glover, sophomore, daughter of Mr. and Mrs. Jerry Don Glover; Trestia Moore, junior, daughter of Mr. and Mrs. Wayne Moore; and Cynthia Everett, senior, daughter of Mr. and Mrs. John Everett.

For king the candidates are Jimmy Garcia, junior, son of Mr. and Mrs. Eddie Zamora; Daniel Schacher, junior, son of Mr. and Mrs. Eugene Schacher; Bart Elliott, junior, son of Mr. and Mrs. Ronald Elliott; and Terry Steinbock, senior, son of Mr. and Mrs. Max Steinbock.

Homecoming festivities will include a barbecue supper which will be served from 5:30-7 p.m. CDT in the school cafeteria. The meal will also be served following the game and will include barbecue beef, potato salad, pinto beans,

relish dish, hot rolls, home-made pie and coffee or tea. Cost for the meal is \$4 for adults and \$2 for children 12 and under.

Farwell To Host Eagles

Farwell Steers will host the Lubbock Christian Eagles tonight, their first game in two weeks, following a week's vacation from the gridiron wars.

"We've mainly been working on fundamentals, and we've made a few changes, switching some players around," said Steer Coach Bruce Dollar about his team's two weeks of workouts, adding that he had seen much improvement in the team.

The Steers will be looking for their first win of the season tonight, and the Lubbock Christian team comes to the field after a big win over Tatum last week, a win that was their first of the season.

"They are a lot bigger and faster than we are," said Dollar, "but we are ready to play."

Game time is 8 p.m. CDT.

Deaf Smith Electric Cooperative, Inc., P.O. Box 753, Hereford, Texas, 79045, is making an application for a loan from the Rural Electrification Administration. The loan will provide funding for the needed construction as determined in a recent two-year work plan. This construction includes a new substation of approximately 10,000 KVA capacity along with the necessary transmission lines to serve it.

This substation will be located in Castro County, with exact location to be determined by load growth demand. This new construction further includes distribution lines of 146.8 miles of overhead line and 22.3 miles of underground line, which will provide service for 1044 new consumers which the Cooperative anticipates serving in 1982 and 1983.

New distribution tie-lines will be constructed to improve voltage-levels, increase capacity, and improve system operating economics. Most of this construction will be located in Parmer and Castro Counties.

These facilities will make it possible for the Cooperative to meet the increasing demands for electric power. If there are comments on the environmental aspects of the proposed construction, it should be submitted to the Cooperative before November 1, 1981. Additional information may be obtained at the Cooperative at the above address.

MELTING HEARTS

Melting hearts, in Scripture, are uniformly associated with discouragement and fear. Note a few examples: "And he also that is valiant, whose heart is as the heart of a lion, shall utterly melt." (II Sam. 17:10). "Therefore shall all hands be faint, and every man's heart shall melt" (Isa. 13:7). "The heart melteth and the knees smite together..." (Nahum 2:10).

Let us remember therefore Paul's warning to young Timothy: "This know also, that IN THE LAST DAYS PERILOUS TIMES shall come" (II Tim. 3:1). Christians should not then pray for melted hearts! There are too many believers with melted hearts now! Indeed, men of God down through the ages have always found it a real task to keep the hearts of Christians from melting. Fear can easily become cowardice, and cowardice, like courage, is extremely contagious. For this reason God explicitly instructed the military officers of Israel to announce to their armies:

"What man is there that is fearful and faint-hearted? Let him go and return to his house, lest his brethren's heart faint as well as his heart" (Deut. 20:8).

If ever God's people need confidence and courage it is in the day of crisis—especially spiritual crisis—the day in which we now live. "For we wrestle not against flesh and blood, but against principalities, against powers, against the rulers of the darkness of this age, against wicked spirits in the heavens" (Eph. 6:12).

Thank God! While the opposition of our adversary during "this present evil age" calls for special courage and steadfastness of heart, God has made particular provision for us, for He has given us more light on His Word than those of former ages and we can meet the enemy with "the whole armour of God." Moreover, we have God's Word through Paul, that battle-scarred warrior: "GOD HATH NOT given us the spirit of fear, but OF POWER, and OF LOVE, and OF A SOUND MIND. Be not THOU THEREFORE ASHAMED of the testimony of our Lord, nor of me, His prisoner; but be THOU A PARTAKER OF THE AFFLICTIONS of the gospel according to the power of God" (II Tim. 1:7,8).

**Yearling Band
Takes First
At Brownfield**

Winning first place at the Brownfield Harvest Festival Parade September 26 was the Farwell Junior High marching band.

By taking top honors in the annual parade, the Yearlings continued a winning tradition, as they have come home with the first place trophy four out of the last five years.

According to Director Lynn Burton, the band "did an outstanding job," and he added that he was "real pleased" with their results.

Coming up on November 7, the junior high band will compete in the Eastern New Mexico University Homecoming Parade at Portales. The Yearling Band will also perform in the halftime show of the ENMU-Cameron State football game later that day with a host of other junior high bands.

1st Place Trophy

Farwell junior high school marching band received a first place trophy at the Brownfield parade September 26, the fourth time in five years to do so. Showing off their newly-acquired trophy are, from left,

twirler Sharon Myers; drum major Andy Pat Hughes; and head twirler Nancy Langdon. The band's next competition will be at the ENMU homecoming parade November 7 in Portales.

**Gary Blair
Decorated**

Army Corporal Gary D. Blair, son of Mr. and Mrs. Joe Blair of Farwell, has been decorated with the U.S. Army Commendation Medal at Fort Riley, Kan.

The Army Commendation Medal is awarded to those individuals who demonstrate outstanding achievement or meritorious service in the performance of their duties on behalf of the Army.

Blair, an infantryman with the 1st Infantry Division, is a 1976 graduate of Farwell High School.

In the past, old Eskimos would take in a new name, in the hope that it would give them a new lease on life.
