Lambert Picks Nine To Win Football Contest

Monty Lambert of Texico, a new entry in the merchant's football contest out guessed a

field of 206 contestants to win first place weekly prize in the event during the first week of

the 1968 contest. Only game missed by Lambert was the Sunday-Sudan game in which he picked Sudan as the winner. He missed the tiebreaker score on the Friona-Farwell game by 11 points, Lambert was the only person missing only one game.

Other weekly winners were Mike Billington, second; and Beverly Obenshain, third. They each called eight games right, with Billington missing the tiebreaker score by a scant two points and Mrs. Obenshain calling the game within eight points.

In addition to the winners, others calling eight games right, but missing the score too far to get into the winners column, were Dodie Actkinson, Dickie Chandler, Violet Crow, Sis Deeds, Greg Hargrove, Larry Jones, E. A. Key, William D. McKinney, Glenn Phil-

lips, Mrs. Glenn Phillips, Champ Porter, Earlene Porter, Mae Porter, and Mike Travis.

A total of 206 persons entered the contest during the first week of the event, only ten less than the record setting first week in 1967.

If you did not enter the contest the first week, the game is still young and there is plenty of time to get into the event and a chance to win the grand prize of two tickets to the Cotton Bowl game and \$50 expense money for the trip. So limber up the old writing arm, get out that pen or pencil and mark a circle around the teams you wish to pick as winners in the contest this week and each week thereafter for the next 11 weeks. Bring or send the entry to the Tribune office no later than 5 p.m. each Friday. You could still be the winner!

FIRST LOAD OF GRAIN SORGHUM -- First load of grain sorghum for the 1968 harvest season was received at Sherley-Anderson-Pitman Elevator Monday afternoon, according to Fred Chandler, manager. The grain sorghum, harvested on the Leroy Kitten farm in the Oklahoma Lane Community, had a test weight of 55 lbs. per bushel and a moisture content of 15%. Kitten received a \$25 premium on the 21,500 lb. load which was cut and hauled to the elevator by Leroy Spears and Sons, Custom Combining Service. Chandler and Spears discuss the quality of the grain which is considered "good," or about as "we like it," said Chandler.

Steer Stadium --

Steers Tangle With Bobcats

Farwell Steers will meet the Dimmitt Bobcats at Steer Stadium Friday (tonight) at 8 p.m. in their second game of the season.

Coach Toby Booth stated

that the Steers will be in shape for the game with most of its "cripples" back in shape to play. However he added that the loss of James Symcox, guard, will hurt the Steers to

some degree. Mark Williams will be replacing Symcox in the guard position.

The Bobcats have one of the finest backs in the area in David Land, a 199-pound two year letterman, stated Booth. Their defense is also good and they were able to shut out Muleshoe last week 12-0 in their initial game, he said, adding that the Steers will be putting forth every effort to get into the winner column, after its defeat by Friona in its first appearance last week. He urges all sports fans to come out and back the Steers.

27-15 --

Friona Scalps Steers

Tony Perea, the hot halfback from Friona, demonstrated his all-district qualifications as the Chiefs came out on the long end of a 27-15 score at Steer stadium last Friday evening.

The determined Farwell Steers fought a game but uphill battle all evening as the bigger and more experienced Chiefs mounted a score in each quarter as they dominated the play of the game.

Farwell kicked off to Friona to start the game and the red and white began a drive from the Friona 20-yard stripe that ended up five first downs later with the first score of the evening. The Chiefs kicked the PAT and owned a 7-0 lead with 8:19 left in the first quarter.

Farwell took the ensuing Friona kickoff on the Steer 29-yard marker. On the third play from scrimmage for the Steers, a batted-around pass from Quarterback Greg Hargrove landed in the arms of Danny Prince and he galloped to the Friona 11 before being hauled down from behind. The play covered 60 yards. Again three plays later, a Hargrove pass to Prince in the end zone netted

a Steer touchdown. A pass to Kyle Sheets added a two-point PAT for Farwell and the Blue and White had their only lead of the night, 8-7, with 6:03 left in the initial quarter.

Two long Friona drives died in Steer territory before Perea climaxed a one-man show by going over from the Farwell one. Perea again lugged the leather and scored a two-point PAT and the Chiefs went ahead to stay, 15-8, with 5:18 left in the second quarter. The half ended with the Chiefs in possession of the ball on Farwell's 18-yard line.

The Steers took the ball on the second half kickoff but ran only two plays before losing the ball on a fumble. The Chiefs ran three plays and fumbled back to the Blue and White. Farwell was unable to mount a drive and Al Phillips punted to mid-field where a 15-yard penalty put the ball in Red and White hands on the Farwell 35.

Four plays later, Halfback Cordova smashed over the goal line from inches out and Friona led 21-8. The Chiefs missed an attempted kick for the PAT with

John Donahey Services Held

Funeral services were held Tuesday at 3 p.m. from Steed-Todd Funeral Home for John A. Donahey, 80, a retired farmer who homesteaded in the Pleasant Hill area in 1915. Mr. Donahey passed away at a Clovis Nursing Home on Sunday following a lengthy illness. Rev. Edward E. Hamilton, pastor of Clovis First Methodist Church, officiated, assisted by Robert Hawkins. Burial was in Mission Garden of Memories directed by Steed-Todd Funeral Home.

Survivors include the widow, Althea; two daughters, Mrs. Clare Belle Smith and Mrs. Geraldine Burford, both of Texico, Route 1; and five grandchildren.

Serving as pallbearers were grandsons and nephews. Listed as honorary pallbearers were E. R. Bales, Ralph Williams, Lynell Skarda, Stanley Powell, Bob Vivian, John Craig, Howard Martin, Marion Alexander, Sam Campbell, N. L. Sparks, Buel Jennings, Mutt Foster, Andy Sutter, Shorty Andrews, Aubrey Brock, Penny Anderson and V. L. Lambert.

Set National Highway Week

National Highway Week is Sunday Sept. 22, through Friday, Sept. 27, according to Weldon Moody, maintenance foreman of the Texas Highway Department headquarters for Farmer County in Bovina.

Officers and facilities at the headquarters here will be open and a special invitation is extended to the public to visit the facilities during National Highway Week, Moody said.

Farwell Baptist Set Revival

Revival services at Farwell First Baptist Church have been set for Sept. 23-29. Services are scheduled twice daily, at 10:30 a.m. and again at 8 p.m., preceded by a prayer service at 7:30 p.m. Sunday services will be held at the regular times.

Speaker for the revival is Rev. Don Holmes, pastor of Springlake Baptist Church. Jerry Field, formerly of Farwell and presently Music Di-

rector at Springlake Baptist Church, will lead the song services during the revival.

The public is invited to any or all of the services by Rev. J. L. Bass, pastor of the local church. A nursery will be provided for all of the services.

Reminder To Voters

Mrs. Bonnie Warren, Farmer County clerk, reminds all new residents that this Saturday, Sept. 21, at noon is deadline for registering to vote in the forthcoming general election.

All persons who have been residents of the state of Texas for one year, and were registered voters in another state and have been voting regularly, are eligible to apply for voter registration in the State of Texas. They will be allowed to vote for president and vice-president in the general election in November.

Clovis Youth Drowns At Alamogordo Lake

A young Clovis boy, Thomas Wayne Gibson, son of Mr. and Mrs. Charles Gibson, was accidentally drowned while on an outing with Boy Scout Troop 11 at Alamogordo Lake Sunday, according to Doyle Boyd, Conquistador Council Scout Executive of Clovis.

According to information released by Boyd, the young lad, 14 years of age, was playing on a log with other boys, and slipped from the log into the lake and finding the water over his head, apparently panicked. Several times, adults and boys in the group had hold of the lad, but were unable to pull him from the water since they could not control his panic.

Parents of the boy have requested that memorials be in the form of gifts to the Conquistador Council Trust Fund, P. O. Box 1534, Roswell, N.M., 88201.

Funeral services were held Tuesday from Parkland Baptist Church with Dr. Herbert Bergstrom officiating. Burial was in Mission Garden of Memories at Clovis directed by Steed-Todd Funeral Home. Members of Troop 11 served as honorary pallbearers.

Survivors include his parents, Mr. and Mrs. Charles Gibson; brothers, Lenden Gibson of the home, and Larry J. of Colorado Springs, Colo.; sisters, Pamela and Diana of the home, and Mrs. Linda Higdon, Houston; grandparents, Mr. and Mrs. Jim Clements, Rialto, Calif., and Mrs. Blanche King, Roswell.

JIM YOUNG

Jim Young Services Held

Funeral services were held from Farwell Church of Christ Saturday afternoon for James Henry (Jim) Young, 75, of Texico. He passed away at Clovis Memorial Hospital on Thursday following an illness of one week.

Mr. Young, who had lived in the Texico-Farwell area for 40 years was a retired farmer, and at time of his death was owner and operator of Jim's Phillips Station in Texico. He was a member of the local Church of Christ, Minister Ebb Randol officiated at last rites, assisted by Dewey Rogers, Burial was in the Texico Cemetery under direction of Steed-Todd Funeral Home. Nephews served as pallbearers.

Survivors include his widow, Effie; one son, Calvin Young; one granddaughter, and four great-grandchildren. Also three sisters, Mrs. J. A. Jones, Texico, Mrs. Lee Galloway, El Cajon, Calif., and Mrs. Verns Goldsmith, Farwell; and numerous nieces and nephews. He was preceded in death by one son, Elton Young.

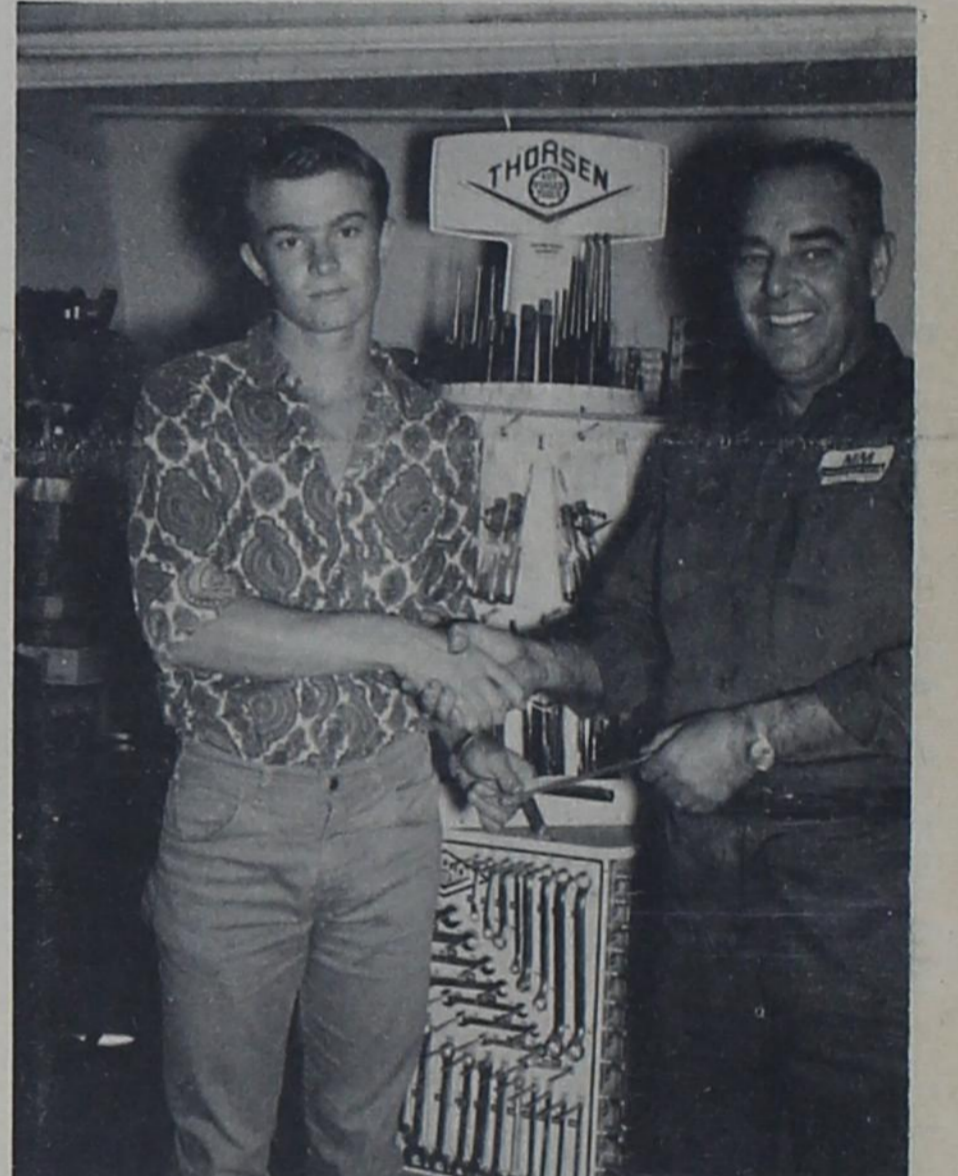

Christian's Farm Sale Set Tuesday

An auction sale of farm equipment is scheduled at Oklahoma Lane Tuesday afternoon.

Equipment owned by Wendol Christian will be sold including tractors, combines, cotton strippers and many other farm machinery items.

The sale is being conducted by Bartlett and Potts Auction Service of Bovina and Friona. Auctioneers will be Houston Bartlett of Bovina and Larry Potts of Friona. Clerk of the sale will be Gerald Floyd of Friona.

Christian has rented his farm. The sale will be at Oklahoma Lane Farm Supply and Gin and will begin at 1 p.m.

A WINNER -- Monty Lambert of Texico is presented with a check for \$5,000 as first place winner in the weekly football contest from John Dempster of Farwell Equipment Co., from whom the Lambert family has purchased much equipment. Dempster congratulates him and wishes him many more weeks of success in the contest.

O. C. McBride

Dear Turnrow Tunkel ...

DID YOU read where a sociologist blames advertising for much of the unrest in America, by causing some people to be discontented with their lot?

He may be right. I know of one television commercial that is causing a lot of trouble -- the one put out by an airline encouraging wives to go along with their husbands on business trips.

I UNDERSTAND that an electric saxophone is now on the market. It weighs 68 pounds.

It'll bet that thing makes a lot of racket, but anyone big enough to play it probably won't get many complaints.

SOME POLITICAL experts are saying that the Democratic party can no longer count on the solid support of organized labor as in the past. How did they reach this conclusion?

They probably figure that after some of the recent wage settlements, many union members are going to be in such a high bracket they will start thinking like Republicans -- worrying about taxes and Government spending.

I READ that a marriage counselor says many marriages suffer because of a lack of communication between the partners.

Maybe so. It might help if wives didn't always want to do their communicating while their husbands were trying to read the morning paper, or watch a favorite television show in the evening.

I UNDERSTAND that Larry O'Brien, Vice President Humphrey's campaign manager, has accepted a job with the Howard Hughes organization after the campaign, although he would be in line for a high government position if Mr. Humphrey won.

That's good thinking on Larry's part. There's a lot more future in working for an outfit that is solvent.

DID YOU know that a British scientist has invented an anti-snoring device? When a person begins snoring, it delivers an electric shock.

That's not much improvement over my wife's system -- an elbow to my ribs.

60-YARD PASS PLAY -- Danny Prince, No. 84, hauled in a batted-around pass from Quarterback Greg Hargrove and raced to the Friona 11-yard line before being caught from behind. Three plays later, a Hargrove pass to Prince in the end zone tallied Farwell Steers' first touchdown.

DRAW PLAY -- Al Phillips, No. 35, netted good yardage for the Farwell Steers on a draw play as Quarterback Greg Hargrove faked a pass in the second quarter of the Friona-Farwell game Friday night.

PERSONAL By John

Last week The Tribune kicked off the bigger and better 10th Annual Football Contest. For the football buffs who like to be confused early in the week, we will have a list of the week's game picks available on the Tribune front desk by noon each Monday. This will allow contestants to study the football forecasts and listen to the coffee shop "hot dope" before committing themselves by 5 p.m. Friday.

In last week's opening scramble, a score of six right was about the median guess. If you had a score of better than six, you are ahead of the pack, and less than six will call for some wit sharpening.

Last week, our society editor, Chris Moss, started an area homemaker feature. Already, the Tribune staff has profited thereby. Alta Gerles presented the staff with a delicious sample of her homemaking skills in the form of a big Apricot Nectar cake. If ole Herman gets this tasty tidbit set in front of him very often, we marvel that he keeps in shape at all.

There was a time when local gardeners brought samples of the summer art to the newspaper office for a picture and writeup and then, incidentally, left the editor a generous helping of vegetables or fruit. Ah, for the good old days. It looks as if there is a dearth of local fruit and vegetable production or a lack of pride in local home-grown specimens. Ye old editor now buys 99.9 per cent of his vittles, and feels fortunate he can pay for these.

Last week's column gave a short summary of the recently released report of the Governor's Committee on Public School Education. A bound copy is available to all who request it, from: Governor's Committee on Public School Education, Box 12356 Capitol Station, Austin, Texas. We recommend that everyone request this report and become personally familiar with its contents. It will make a bigger impact on our lives than many more widely publicized articles in today's news. We play to comment on this report in later columns because of its tremendous future impact on Texas.

Warner & Swasey Company is a machine tool manufacturer that has over the years published hard hitting advertisements concerning our American way of life. The following is one that came to our attention recently:

"Only little children believe that they get something for nothing -- or for just 'being good,'

"Yet school boards plump for 'Federal Aid' to build local schools. States and counties demand 'their share' of Washington billions for roads. Areas that call themselves 'depressed' (who isn't?) want Federal dollars to make them prosperous. Thousands expect jobs to be brought to them by national subsidies rather than move to where jobs are. Builders want Federal aid so they can build more housing at a profit.

"'Federal Aid?' There is no such thing. The money can only come from the taxpayers, from you. For every 1 in Federal 'aid' the average state 'gets back' from Washington, you pay to Washington \$7 in Federal taxes.

"Why should you pay for 'benefits' to someone a thousand miles away -- and why should he pay for yours? The only one who 'benefits' in this sleight of hand is the tax collector. You'd be better off to keep your money and pay your own bills -- and save the difference, and your self-respect."

Two delegates from Palmer County Home Demonstration Club Council, Mrs. Cordie Potts, Rhea Home Demonstration Club, and Mrs. Joel White from Oklahoma Lane Club, are attending Texas Home Demonstration Association Convention in McAllen, this week. On their return, they will spend a day at Hemis Fair enroute home.

Home Demonstration Club meetings will be getting underway this month also. A program on "Line and Design to Flatter the Figure," will be presented for this meeting. This should be of special interest to all women and girls for what woman isn't interested in looking her best in these new fall colors?

A LOOK INTO 1984-- OR SOONER

Imagine trying to look your best 24 hours a day! It's the price we'll pay for the video telephone!

Replacement of foundation garment with leotards of stretch nylon, it will be possible to heat or cool these body stockings by a mechanism charged from a wristwatch-sized power cell, so we are told.

Goodbye heavy winter coats,

hello all-weather comfort! Sounds fantastic doesn't it--but so did the airplane when the Wright brothers thought up the idea, Wonders truly never cease in this fast moving world.

BETTER BREAKFAST MONTH

Eating a good breakfast results in better school records, according to research made on this subject. Studies show that during the late morning hours, students who had a good breakfast turned out more work, were quicker in their mental and physical reactions, and did not tire as easily as those who ate no breakfast or had only unsweetened coffee.

If junior is expected to make good grades, then "Mom" will see that he gets a good breakfast of citrus fruits, melons, strawberries, tomato juice or cereal products with milk -- or meat and eggs. Children need milk in addition to that on cereal. This is a good time for adults to get some of their daily milk requirement too.

Homemakers will do well to resolve now to make breakfast an important meal for the family, if they expect children to bring home good grades.

On The Farm In Palmer County

By **RONNY McNUTT**
County Agent

Those of you not attending the second annual Palmer County Farm Tour on September 11 missed an interesting and worthwhile tour. A total of 16 stops were made over the county. Various operations and management techniques were observed.

Dewayne and Bill Johnson of Oklahoma Lane 4-H exhibited their Angus steer at the Amarillo Fair this past Saturday.

BE ON WATCH

Fever ticks have been found outside the South Texas Quarantine Zone, according to Dr. James B. Henderson, Executive Director, Texas Animal Health Commission, Austin, Dr. Henderson has asked stockmen to send a sample of ticks found on either cattle or horses to a regulatory laboratory for identification.

The importance of the samples cannot be overemphasized, and it is urged that stockmen throughout the State cooperate.

Ticks should be placed in a vial of commercial alcohol and mailed to the State-Federal Laboratory, Third Floor, Western Republic Life Building, Austin, Texas 78701. A label or memorandum should accompany the sample listing the name of the owner, the mailing address, location of the farm or ranch, and type of animal from which the tick or ticks were removed.

As an aid, the vials used for submitting screw worm samples for identification could be utilized.

ized, They are available at the County Agent's office.

Because of the importance and urgency of this sampling program, all cattle and horse owners in Palmer County are asked to closely observe their animals for tick infestation and submit to the Austin Laboratory specimens if and when discovered. Wheat grazing season will be here very soon and these cattle coming from different areas of the county should be closely observed for ticks.

Seniors Visit Fair

Texico seniors are in Amarillo today (Friday) to attend the Tri-State Fair and see the Tennessee Ernie Ford show. They were accompanied to the fair by Paul Frederick, Mrs. N. W. Peyton and several class parents. This is an annual outing for the seniors.

Club Changes Meeting Day

Regular meetings of the Farwell Quarterback Club will be held at Gateway Cafe each Monday evening at 8 o'clock, instead of Tuesday as has been the custom in the past. All members and others who are interested in seeing films of the previous games are invited to attend the meetings. At the Monday night meeting, a film of the Steer-Friona game was shown.

NURSERY NEWS

By Alvin Woodburn
Garden Center Nursery
Clovis, N.M.

With the primary just over and the political scene now beginning to get underway in earnest, and the better-than-ever Curry County Fair running most of last week, gardening has been rather neglected.

This brings to mind the definition of "garden." Some describe it as the land that one has under his care or control. With the broader concept of "garden" as the land under control, it can mean anything from sections or townships of farm and rangeland to the other extreme of one small flower pot. The garden still furnishes us a place to learn a lot about the workings of nature, some of the laws that must be adhered to, some things it will tolerate and some that are certain disaster.

We have been asked how late grass can be planted. We recommend fall planting of grass as the weeds aren't as vigorous now as they were in the spring, the moisture is easier to keep on the seed, and the wind is usually somewhat quieter now than in the spring. The question is how late; we recommend not later than September 15.

We have planted as late as December 1, but we pointed out the calculated risk that it might freeze out. The roots need to develop deep enough so that freezes won't pull them in two. As a rule, we do not have a hard freeze until after the first of the year which gives time for this growth. But, again, it's a calculated risk. That is a long way around to saying "Here are the chances, we will do what you want."

The kind of grass is also a personal choice. Geographically, we are marginal. The zone warmer knows better than to plant the blue grasses and a zone cooler doesn't have the problem we have during July and August with Blue and even some of the other cool weather grasses. Being human, we are prone to want the best with no extra effort or care on our part. We like to point out that the cool weather grasses require more exacting care as to water and soil conditioners. Not more of it; just attention at the time the grass needs it and not just when we are in the notion of applying it.

Friona Scalps --
(Continued from Page 1)

6:33 left in the third quarter. In the fourth quarter, Prince ran a Friona punt back to the Steer 43 to set up the second Blue and White touchdown. From there, a Steer drive was kept alive by the running of Al and Craig Phillips. With fourth down and five yards to go, Al Phillips drove across the goal line from 11 yards out. He also booted the PAT and Farwell drew up to a 21-15 score with 10:16 left in the game.

The Steer offense was never able to mount another drive and the heavier Chiefsains rode out the game until with only 42 seconds left, Perea again tallied for the Red and White. Extra point kick was no good and the gun sounded with the final score 27-15 in favor of Friona.

Coach Toby Booth commented after the game that the Steer defense was inconsistent, but added that they did play fairly well at times during the evening. "Our passing was adequate in the game," he said, adding that Friona has a very fine ball club.

The Steers suffered the loss of guard James Symcox who received a broken elbow in the game. Symcox will be replaced by Mark Williams for the remainder of the season, according to Coach Booth.

CRUISE IN THE OFF-SEASON

Although most people prefer to take their cruise during the peak of the season for all the glamour, excitement, and crowds it offers, others enjoy the quiet and restfulness of the off season cruise. Tourists are not present in such great numbers; interesting places can be visited more leisurely and at greater length.

Some people prefer to pray only when they are in church or at some great public gathering where the prayers are led for them. But our Lord said to pray in the "off-season." He said, "But thou, when thou prayest, enter into thy closet, and when thou hast shut thy door, pray to thy Father which is in secret; and thy Father which seeth in secret shall reward thee openly." The real joys of prayer are truly found when you are praying alone with God. The scripture says to be instant in season and out of season.

The church would encourage you to pray both in church and at home. Prayer can uphold, support, and strengthen our churches, ourselves, and our country.

The Church is God's appointed agency in this world for spreading the knowledge of His love for man and His demand for man to respond to that love by loving his neighbor. Without this grounding in the love of God, no government or society or way of life will long persevere and the freedoms which we hold so dear will inevitably perish. Therefore, even from a selfish point of view, one should support the Church for the sake of the welfare of himself and his family. Beyond that, however, every person should uphold and participate in the Church because it tells the truth about man's life, death and destiny, the truth which alone will set him free to live as a child of God.

RECEIVES PLAQUES -- Fred Chandler, Sherley-Anderson-Pitman, Farwell; Harry Johnson, Sherley Grain Co., Bovina; Joe Moore, Sherley-Anderson Elevator, Lazbuddie; and Asa Smith, Sherley-Anderson Grain Co., Lariat; are presented with plaques by Gene Smith of Lazbuddie, president of Grain Sorghum Producers Association, for their work with farmers and for collecting dues from GSPA members, during the past year. Smith also stated that GSPA has been instrumental in getting a 5¢ increase in milo loans for its members. Presentations were made at a meeting at Sherley Grain Co. in Bovina last week.

Concrete And Plastic Pipe --

Water Conservation A Must

By Edward G. Phillips
Soil Conservationist
Conservation of irrigation water is very important to the irrigation farmer. Loss of water from unlined ditches because of seepage and evaporation can be enormous and probably varies from 10 to 50 per cent.

advantages of concrete and plastic pipe. Some of the advantages are: it provides close control of water distribution, saves time and labor, permits productive use of all land, aids in insect and weed control, simplifies irrigation of sloping

lands, and requires little maintenance.

Of course any concrete or plastic pipeline needs to be properly located so as to fit into a well designed system. Since these lines are permanent, it is well for the average farmer to seek advice on their design and location. Soil Conservation Service technicians assigned to the Farmer County Soil Conservation District are available and able to help with your concrete pipe problems.

Studies In Houston

Mike Getz who has been visiting in Texico-Farwell for the past several weeks with his parents, Mr. and Mrs. John Getz, and his parents-in-law, Mr. and Mrs. Ray Tharp, left last weekend for Houston where he enrolled early this week at the University of Texas Graduate School of Biomedical Sciences. He will be working toward a PhD degree in molecular biology, and will do his research work at the M. D. Anderson Hospital.

Mrs. Getz and son, John Bryan, expect to join their husband and father this weekend.

A limited supply of water makes such losses doubly serious. Fewer acres can be irrigated or crops must suffer from lack of enough water. Concrete and plastic pipe is one method to cut seepage and evaporation losses to a minimum.

The farmers of the Farmer County Soil Conservation District are rapidly learning the

Doyle Goldsmith was injured in a freak accident while slaughtering cattle at a Clovis slaughtering company, on Wednesday of last week. He is still hospitalized in Clovis Memorial Hospital and is receiving treatment to his eyes which were injured in the accident.

INSTALLING PIPELINE -- An underground concrete pipeline irrigation system is being installed on the Reagan Looney farm two miles southwest of Bovina. The system is designed to conserve irrigation water, Soil Conservationists say. (Photo by Jerry Isbell).

Wolves Lose To Elida

Texico Wolverines lost their baseball game to Elida last week 13-7 while their little brother team from the junior high school defeated Elida junior high 11-9.

Charged with the loss was Butch Chumley, pitcher. Catcher was Danny Pearce. In the first inning, Elida jumped to a two run lead getting five runs to the Wolves' three; in both the second and third innings, each side had three men up and three down; however in the fourth inning Elida came alive again and garnered six runs while their opponents got only four. Fifth inning was a repetition of the second and third with three up, three down, for both teams.

In the sixth inning the first man up for Texico struck out, second man got on base and the next two men struck out, leaving the runner on base. Elida scored two more runs, to complete their scoring for the game and seventh inning ended with three men up and three down for both teams.

Scoring in the game for Texico were Johnny Dane, Bobby Russell, Charlie Tipton, Danny Pearce, Bobby Lockmiller, and Butch Chumley, who got the lone homerun in the game.

Last week, the name of Steve Chancey, a senior who is participating in sports for the first time, was omitted from the list of those scoring in the game. Please accept our apologies.

In the junior high game, Ricky Ketcherside was the winning pitcher and Frankie Tipton was catcher. None scored for either side in the first inning; however, in the second inning Texico came in with three runs and Elida remained scoreless.

Has Surgery On Elbow

James Symcox, Farwell senior and guard on the Steer football squad, was transferred to Lubbock Methodist Hospital early this week for surgery on his elbow, which was broken in the Friona-Farwell game Friday night. Symcox was hospitalized at Farmer County Community Hospital over the weekend. He will be lost to the Steer squad for the remainder of the season.

Third inning saw Texico score three runs and Elida four. Elida added two runs in the fourth and Texico didn't score, but the fifth saw Texico push three runs across the plate with Elida remaining scoreless. In the sixth inning Elida scored three runs and Texico added two runs. In the final inning neither of the teams scored.

Crossing home plate for the victors were Ricky Ketcherside, Frankie Tipton, Albert Steward, Tommy Romero, Doug Harrison, Herman Elylicio and Ronnie Winegeart.

The Texico and Elida teams will meet in the first game of the EPAC Tournament on Oct. 8, according to Coach Charles Coburn. Next games for the Texico teams is today (Thursday) when they meet Grady on the home field at 2:30 p.m.

NEW PASTOR AND FAMILY -- Rev. Lloyd Allen Cain, a former resident of Farwell and son of Mr. and Mrs. Lloyd A. Cain of Borger, made his initial appearance as pastor on Sunday, Sept. 8, at College Mound Methodist Church in Terrell, Tex. Rev. Cain is presently enrolled in Perkins School of Theology, SMU, Dallas, and will be pastoring the church at Terrell. He is a graduate of Farwell High School and Eastern New Mexico University. Prior to entering the ministry, he was employed as a counselor with New Mexico Boys School at Springer and had also been employed by American Airlines at El Paso. His wife is the former Sharon Thompkins of Clovis. They are parents of two daughters, Lisa, two and one-half years of age, and Becky, one month old.

Band Participates In Parades

The Steer Marching Band was in Friona last Friday to participate in the Maize Days Parade and on Monday they participated in the Tri-State Fair Parade in Amarillo. Although they did not place in the top bands at the fair parade, (Pampa first, two Amarillo bands, second and third) they did a fine job of marching, stated Band Director Lynn Burton. The band also performed at the Steer-Chief football game last Friday night and will be performing at the Dimmitt-Steer game tonight (Friday). They will play "Cotton Candy".

"Georgie Girl," and "Raunchy" for their main numbers and will be doing drills and patterns. The band will perform at all football games this season and will participate in many contests and concerts during the year, according to Director Burton.

Band Reorganizes

Texico School Band, which was discontinued last year due to being unable to secure a teacher, has been reorganized this year, under direction of Mrs. Charlotte Greathouse. Twenty-three members are in the A band, and in addition a B band and a beginner band are also being organized.

Fire Calls Answered

Farwell Fire Department answered a call to the home of Charlie Thomas on Second Street early Sunday morning where they found the furniture in the living room smoldering. Damage to the furniture was heavy. On Monday, Texico Fire Department answered a call to Clara's Cafe to find that a false alarm had been turned in since no fire was in evidence. No other calls have been answered in the past week.

Phase Program To Be Discussed At PTA Meeting

Texico PTA organization has scheduled its first meeting of the year for Tuesday, Sept. 24, at 8 p.m. in the high school cafeteria. Program will consist of reports from BoyState Delegates Bobby Peugh and Rex Richardson and a discussion of the phase program by Principals Jim Rogers and Jim Pierce.

Sherburne Horse Wins At Tri-State Fair

Pay Day's Britches, an Appaloosa gelding owned by Mr. and Mrs. Leon Sherburne of Texico, was named first in Junior Western Pleasure at the Tri-State Fair in Amarillo this week and was also listed as first place winner in the two- and three-year-old halter class, and named Reserve Champion of the show. The Sherburnes brought home two trophies and one blue ribbon on the horse's winnings.

The trophies won at the Tri-State Fair make a total of 13 trophies won on the horse during the current show season. The animal will be entered in competition in Texas; at South Plains Fair in Lubbock, at the 4-D Farm at Levelland, and at the Seagraves show by the end of next week to complete the season.

At the present time, the animal is holding high points in the Eastern New Mexico Horse Club halter class and is also in the lead in the Golden Spread halter class.

In addition to showing horses, young Terry Sherburne, son of the couple, recently won first place on his sunflower entry at the Curry County Fair.

Word was received in Farwell early this week from Mrs. Hamlin Overstreet, who is with her husband in Metairie, La., where he is receiving medical treatment, that he is showing a marked improvement and has been dismissed from the hospital.

School Lunch Schedule

AT TEXICO

MONDAY: hamburger on bun, cheese, lettuce, onion, pickles, tomatoes, buttered corn, fruit gelatin, milk.

Youth Injured

Larry Duncan, a Texico youth, was treated and released from Clovis Memorial Hospital Saturday night after an accident in which the car he was driving was in collision with another car at First and Mabry Drive in Clovis. The accident allegedly occurred when a vehicle driven by a Portales man, traveling east on Mabry Drive, attempted to make a left turn. At the same time, the vehicle driven by Young Duncan was also making a left turn into a drive-in on Mabry Drive. Drivers of both cars were cited for failure to use due care.

Sam Rundell, who suffered a heart attack last week, is still confined to Clovis Memorial Hospital and will be a patient there for several more weeks.

Will your water heater's next birthday be a happy one?

It's not uncommon for a water heater to reach the age of retirement on its 10th birthday. Some may just dribble water... others rupture with resulting damage and yet others fail to put out as much hot water as they did in their youthful years. If your water heater is approaching its 10th birthday then it's time you talked to your Public Service manager about the value of a modern electric replacement. And, incidentally, should an electric water heater ever need servicing, your Public Service manager will take care of it for you.

Womans Club Has Guest Night

Eighteen persons were in attendance at the Monday night meeting of Texico Woman's Club, which is regularly set as guest night. Guests present included Mmes. Bill Christian, Jack Donahey and Dan Gurley. Members of the executive board were hostesses for the meeting.

Mrs. Colleen Axe, who was recently installed as president of the group, presided over the short business meeting. Several projects for the year were discussed, however no action was taken on any of the projects. Mrs. Marcia Leavell was appointed to look into possibilities for one of the projects and report her findings back to the next meeting. Yearbooks were distributed. Mrs. Jim Rogers reported that the club has over \$500 in the treasury after all bills have been paid up to date. Mention was also made that Manuel Martinez, 1968 recipient of the scholarship fund, is attending college at Highland University.

Centering the serving table, which was laid with a brown linen cloth, was an arrangement of asters in fall colors. Assorted cookies, nuts, and mints were served with punch or coffee.

Attending the meeting were Mmes. Colleen Axe, Margaret White, Tommie Snodgrass,

Loyd Allen Cains Have Second Daughter

Mr. and Mrs. Loyd Allen Cain of Terrell, Tex., announce the birth of their second daughter on Aug. 7. The little girl, who weighed 6 lb. 10 oz. at birth, has been named Becky Susanne.

Other child in the family is Lisa, two and one-half years of age. Grandparents are Mr. and Mrs. Loyd Cain, Borger, and Mr. and Mrs. Earl Thompkins, Clovis.

Visit In Carlsbad And Oklahoma

Mr. and Mrs. Raymond Martin spent several days last week visiting in Carlsbad with Mr. and Mrs. Jimmy Martin and family. They are visiting this week in Tulsa, Okla., with a daughter and her family, Mr. and Mrs. Tommy Phillips and children. They expect to return by end of the present week.

Visitors in Texico-Farwell this week are Mr. and Mrs. G. V. Bohannon of Checotah, Okla. They are former residents of the Farwell area. The Bohannons are guests of the Bill Moss family and of Mrs. Elizabeth Rolland.

TO WED -- Mr. and Mrs. Clyde Newell of 325 W. Yucca, Clovis, announce the engagement and approaching marriage of their daughter, Clydia Kay, to Steven Kent (Butch) Ford of Dallas, son of Mr. and Mrs. Ray Ford of Farwell. Friends and relatives are invited to the 2 p.m. (MDT) wedding at Sandia Baptist Church in Clovis on October 12.

FHA Initiates 18 New Members

Farwell chapter of Future Homemakers of America met on Monday evening for initiation of new members. A total of 43 persons were in attendance at the meeting at which 18 members were initiated.

Girls who were being initiated were dressed in cartoon character roles. They were required to model their attire for the group. The initiates were judged according to attire and modeling ability, with three winners picked.

Placing first was Susan Patschke as Brutus; second place winner was Leandra Chadwick as Baby Huey; and third place winner was Kristy Taylor as Mammy Yokum. Following the stype review, the girls were required to do various tasks, which had been selected by Nancy Patschke, Debra Garner and Sheila Garner.

PRIZE WINNERS -- Susan Patschke, left, took first prize at the FHA initiation, a comic strip cartoon style show, Monday night. Runnersup were Leandra Chadwick as Baby Huey, and Kristy Taylor as Mammy Yokum.

Educational Secretaries Meet In Friona

Peak of the Panhandle Texas Educational Secretaries Association, a Tri-county organization including Castro, Deaf Smith and Parmer Counties, met at the high school in Friona last Monday night to install the newly elected officers.

Mrs. A. L. Manjeot of Hereford installed Mrs. Doris Lindsey, Dimmitt, as president; Mrs. Bettie Massie of Hereford as vice-president; Betty Priest of Hereford, secretary-treasurer; and Barbara Morrow of Friona as parliamentarian.

Deeds Surprised With Housewarming

Some 34 friends gathered at the home of Mr. and Mrs. Gene Deeds at Country Club Estate, east of the club house, on Monday night to surprise the couple with a housewarming. Table games were played during the evening and refreshments of assorted cookies and punch were served.

Centerpiece for the table was a "money tree". Many persons

unable to attend the social sent gifts. Guests were taken on tours of the home.

Hostesses for the housewarming were Mmes. Jean Prince, Dardenella Helton, Peggy Hargrove, Carolyn Anderson, Sharon Hughes, Julia Langford, Ometa Scott, Betsy Stone, Bobby McFarland and Tommie Snodgrass.

Norton Family Has Get-Together

A fish fry was held on the patio of the Norton home and

Trio Celebrates Birthdays

A joint birthday party for three children of Mr. and Mrs. E. C. Yruegas was held at the AA Bowl Monday afternoon with some 22 persons in attendance.

Birthdays celebrated were those of Richard, 10, Benny Gerald, eight, and Elva Ruth, five. A large sheet cake iced in white with the words "Happy Birthday, Richard, Benny and Elva" and the numbers "10, 8 and 5," in green icing was served with punch and ice cream. Games were played prior to opening of the numerous gifts.

Get-Together

later home made ice cream was served with cake. The evening was spent in informal visiting.

Attending the social were all of the Norton children and grandchildren with the exception of Mr. and Mrs. Leon Jamison and Jason of Kansas City, Kan. Present for the gathering were Messrs. and Mmes. L. L. Norton, Charles Wade and David; Darrell Norton, Ray, Leslie and Lori; Gerald Norton, Tim Charla; Herman Gerles, Tina and Todd; Walter Hughes, Penny and Lisa.

Visit In Washington

Mr. and Mrs. Joe Helton returned to Amarillo via plane on Monday night from a one-week visit in Washington with their son and daughter-in-law, Lt. and Mrs. Hal Helton. Mrs. Helton remained in Amarillo for a visit with her mother, Mrs. J. E. Whately, but Helton returned to Texico-Farwell Tuesday morning.

MAKE GA FORWARD STEPS -- Back row, L to R: Polly Dollar, Debra Garner, Debra Wardlaw, Glenda Kelly, Leandra Chadwick, Jana Bass, and Sheila Garner; front row: Pam Erwin, Sheryl Woods, Gaye London, LeAnn Williams, Gaye Coffman, Patti Jordon, Sandra Watkins. Parliamentary Procedure Program Presented

A program on parliamentary procedure was given by Mrs. Walter Kaltwasser for members of Farwell Study Club when they met in the home of Mrs. C. C. Christian Monday night for their annual salad supper. Twenty persons were in attendance. Some 15 varieties of salads were served with crackers and coffee.

In presenting the program, Mrs. Kaltwasser used two skits, "How not to give a club meeting," and "How to have a successful club meeting." Mrs. Kaltwasser was presented with a gift of appreciation for the program, which was not only informative but also humorous. Each officer was presented with a copy of "Parliamentary Procedure," a booklet edited by A&M College.

Mrs. C. C. Christian, club president, gave an inspiring and enthusiastic talk urging members to be dedicated to the club during the coming year. Mrs. Cricket Taylor, vice-president, assisted by Mrs. Clytie Dial and Mrs. Lenora Tatum, presented a skit, "What Our Shoes Tell Us!"

Two new members, Mrs. W. N. Foster and Mrs. Odus Walser, were welcomed to the club. Meetings of the group are held the third Monday of each month.

Mr. and Mrs. A. E. Gibby of Stratford were visitors in the home of Mr. and Mrs. Guy Cox on Saturday.

GA Coronation Held

G. A. Focus Week was observed by Farwell First Baptist Church recently, with girls of the organization holding its yearly coronation service for all girls who have completed their forward steps for the year. All girls of the group were recognized at the program.

Theme for the program was "Saved to Serve." Background for the ceremony was of greenery and a lighted church against a skyline of blue, below the words "Saved to Serve."

The girls entered the church to the singing of the GA hymn, "We've a Story to Tell," sung in unison with the congregation. Following the coronation, a reception was held in the fellowship hall. Serving table was laid with white and centered by a GA Doll encircled with candles. Punch and cake was served.

Counselors for the various

groups are Mrs. Billie Blain and Mrs. Mary Lyn London, nine and ten-year-old girls; Mrs. Linda Langston and Mrs. Joy Chadwick, 11 and 12-year-old girls; Mrs. Jeanne Garner and Mrs. Reta Dollar, intermediates. Board of Review for the GA organization includes Mmes. True Bell, Edith Blair, Betty Dollar, Ann Glenn, Lillian Guess and Mrs. Margie Watkins, director.

Girls recognized for the following steps included Gaye London, Gaye Coffman, Sheryl Woods, Pam Erwin and Lee Ann Williams, maids; Jill Watkins, lady in waiting; Sandra Watkins, Glenda Sublett and Patti London, princesses; Jana Bass and Leandra Chadwick, queen with scepter; Debra Garner, Debra Wardlaw, Polly Dollar and Glenda Kelley, queen regents; and Sheila Garner queen regent in service.

MARRIAGE ANNOUNCED. . . Mr. and Mrs. Clyde Shadix of Bellview, N.M., announce the marriage of their daughter, Thelma, to John Earl Winegeart, son of Mr. and Mrs. B.J. Winegeart of Texico, on Sept. 7. The couple, attended by Beverly Decker, Bellview, cousin of the bride, and Eddie Lynn Winegeart, cousin of the groom of Oklahoma Lane, exchanged vows at the home of the bride's parents. The bride chose a street length dress of white lace over taffeta and white accessories for her wedding attire. Her veil was held by a pillbox enhanced with pearls. Her flowers were carnations and roses.

Portraying Area Homemakers

by Chris Moss
Homemaking is no chore for Mrs. Herman (Alta) Gerles who spends most of each waking hour thinking up new ways to be of service to her family and friends.

Mrs. Gerles, the former Alta Norton, daughter of the L. L. Nortons and a native of the Oklahoma Lane area, has spent her entire life, with the exception of one year, in Farmer County. That year was spent in Altus, Okla., while husband, Herman, was a member of the U. S. Armed Forces. The couple was married in 1950 shortly after Alta had completed high school at Farwell.

Alta in answer to a question said, "The only time I have worked outside my home was while Herman was in the service and I consider those years lost ones." Following her husband's discharge from the Armed Forces, the couple began farming in the area northeast of Texico-Farwell and in 1960 they moved to their present home, 17 miles north of Texico-Farwell in the Pleasant Hill area.

The family attends church at Farwell First Baptist Church,

where Alta serves as a teacher in the primary department and a training union leader, working with the three-year-old group. In addition, she is director of the two and three-year-old children in a Sunbeam group on Wednesday afternoon.

Husband Herman is general superintendent of the Sunday School, is a deacon in his church, and also is a training union leader as well as serving in various other capacities at the church. Alta said, "I'm not much for clubs and the like, although I do belong to Farmerettes and Country Club, but like to spend my time assisting my husband in whatever way possible." Herman is on several county committees and is active in the Republican party.

Alta and Herman have two children, Tina, seven years of age and second grade student at Bovina, and Todd, four years of age. "The children like to fly with their daddy, and I go along since we always like to do things as a family," she said, adding that the children are quite excited about sports and football in particular. Favorite sports of the entire family are college and profes-

sional football and ice hockey! Hobbies for Alta include "my family, sewing, and cooking," in that order, she stated. She makes most of her own clothing and that of her daughter and is also quick to try a new recipe. Baking yeast bread is one of the things Alta especially likes to do, but since so many of our readers have been asking for her Apricot Nectar Cake recipe which she recently served at a Country Club meeting, she was kind enough to share it with our readers along with a pecan pie recipe which is quickly made. The cake is her family's favorite dessert, and the Tribune staff can vouch for its deliciousness since Mrs. Gerles brought one in for us to sample. Thanks loads Alta!

Apricot Nectar Cake
Mix together in large bowl, one box Duncan Hines yellow cake mix, 3/4 cup cooking oil, 3/4 cup apricot nectar, 4 eggs, beaten in one at a time, 2 tablespoons lemon extract and one tablespoon butter flavoring. Bake in a bun pan at 325 degrees for one hour. Remove from oven and allow to cool ten minutes. Remove from pan and glaze with a mixture of one small can frozen lemonade mixed with 3/4 box powdered sugar. Freezes well.

Pecan Pie
3 eggs
1 1/4 cups Mrs. Butterworth's syrup
2/3 cup sugar
1 cup coarsley chopped pecans
Heat oven to 375 degrees, beat all ingredients except pecans with rotary beater. Mix in pecans, pour into pastry lined pie pan, bake 40-50 minutes or until set and pastry nicely browned. Serve ala mode, if desired. Makes eight generous servings.

OUR FAVORITE DESSERT -- "This is our favorite dessert," said Mrs. Herman (Alta) Gerles as she displayed this delicious "Apricot Nectar Cake."

Mrs. Peggy Usrey and sons from Roswell, who have been visiting in the home of Mr. and Mrs. Elmer Teel for the past week, returned to their home Sunday afternoon.

Visit In Silver City

Mrs. Clytie Dial spent the weekend visiting in Silver City with her daughter and son-in-law, Mr. and Mrs. Tommy Hightower and children, Lisa and Ken. While in Silver City she attended a football game between New Mexico Western and Panhandle State. Hightower is coach of the Western New Mexico team.

Wesley Ingram, who was hospitalized last week following a heart attack, is showing some improvement at Clovis Memorial Hospital. However, he will be hospitalized for some time yet.

Visit In Dixon Home

Visitors in the home of Mrs. Ruby Dixon over the weekend were Mr. and Mrs. Jim Dixon and Gary from Santa Fe. On Sunday, Mrs. Dixon accompanied her son's family to Lubbock where Gary Dixon was enrolled at Texas Tech for the coming semester.

Last week, Mrs. Dixon had as guests in her home Mr. and Mrs. John Terpester of Houston, and Ann and Mike McMenn of Post.

Joe Don, Amarillo; Mr. and Mrs. Nathan Harding, Sheree and Jack, Odessa; Mr. and Mrs. Pete Rolland and Deborah, Amarillo; Mr. and Mrs. G. V. Bohanon, Checotha, Okla., and Mr. and Mrs. Jerry Darby, Lisa and Darin, Farwell.

Arrive In Farwell

Mr. and Mrs. Merrill Turner of Seattle, Wash., arrived in Farwell on Saturday for a visit with friends in the area. They expect to be in the area for the next two months or until harvest is over. Mrs. Turner will spend some time in Hamlin, Tex., with her mother before returning to Seattle.

GOOD CITIZEN -- Kie Watkins, a seventh grade student at Farwell Junior High School and son of Mr. and Mrs. S.I. Watkins, who moved here from Lubbock during the summer, was named "Good Citizen" for the week Sept. 16-20. "Happiness is in knowing the answer," declares Kie as he points out that all good citizens should study hard and always be prepared.

Quit ironing!

Get a gas dryer. And start replacing your clothes and linens with things that have the new Permanent Press. (These are the ones that are sewn before the press is baked in.) Almost every store has them: fine shirts, dresses, blouses, skirts, sheets, pillow cases. And everyone wants them. Because they iron so beautifully in a gas dryer. There's a dial setting for Permanent Press on most new gas dryers. A few minutes

of gentle tumbling and your things come out with creases sharp and flat areas flat. It's much, much better than line-drying. It's better even than you can do on an ironing board. And you'll not only free yourself from ironing, but you'll save money on the things you send out to be ironed. In fact, you'll probably save enough money to pay for a dryer real fast. So pick one out this week: A nice, 1968 automatic gas dryer. And quit ironing! Southern Union Gas Company
