

Ford Offers 11-14 Cent Wage Hikes

Company Says System Would Hit Inequities
DETROIT, June 21. (AP)—The Ford Motor Co. today offered a 11 to 14 cent an hour wage increase to its 110,000 CIO United Auto Workers.

The proposal called for a 14-cent an hour boost to employees making \$1.50 or more an hour. Those making less than \$1.50 would receive 11 cents an hour.

Ford said this system would "erase many of the inequities in our present wage structure."

The union had asked Ford for a 30-cent-an-hour increase. The average wage now is slightly above \$1.50 an hour.

General Motors Corp. recently gave its 225,000 employees an 11 cent wage hike geared to the cost of living. Chrysler Corp. handed out a 13-cent increase to its 90,000 workers.

Ford originally asked the UAW-CIO to forego any further wage increase at this time, even suggesting that a cut might be in order.

"Since that time, however," the company said in a statement today, "our principal competitors have granted wage increases, and it is no longer possible for us to say as we could before these increases that our average hourly rate is higher, by at least six cents, than theirs."

The company has increased prices on all lines of passenger cars in recent weeks. It introduced its new, higher-priced Ford to the public last Friday.

Taft-Hartley Ruling Seen

WASHINGTON, June 21. (AP)—The Supreme Court prepared to close up shop for the summer.

But before beginning its recess, the court was expected to decide the validity of one section of the Taft-Hartley act, and announce whether it will rule later on another section.

Up for decision was the constitutionality of the Taft-Hartley act's

WASHINGTON, June 21. (AP)—The Supreme Court upheld today a lower court which threw out an indictment against the CIO for spending union money for political purposes.

ban on political spending by unions in national elections. This is the first case on any phase of the act to be argued before the Supreme Court.

It went to the Supreme Court on a government appeal from a District of Columbia federal court decision that the ban is unconstitutional.

Judge Ben Moore of West Virginia, who gave the ruling, said the ban abridges free speech, press and assembly.

The court also is expected to announce whether it will rule later on the section of the Taft-Hartley act requiring union officials to file affidavits that they are not Communists.

Arabs Claim Jews Violating Truce

CAIRO, June 21. (AP)—The Arab League reported today new complaints of Jewish violations of the Palestine cease-fire have been made to Count Folke Bernadotte, United Nations mediator.

The league secretariat general made public a cable received from the Syrian government accusing the Jews of setting fire to four Galilee Arab villages, the latest last Thursday. The villages were Samakh, Abdiya, Khafa and Zanghariya.

Truman Move Is Awaited On Draft Bill

WASHINGTON, June 21. (AP)—The nation's military leaders were ready today to swing speedily into action building a 2-million man defense force—when President Truman pushes the draft bill.

Not until 90 days after Mr. Truman signs the selective service bill can men—19 through 25—be inducted into the armed forces.

But the defense chiefs were rushing plans to set up the training machinery. Congress gave them over \$14 billion to do the job.

Gen. Omar N. Bradley, Army chief of staff, said passage of the draft bill is a long step "toward preventing foreign conflict."

He told a news conference in Los Angeles yesterday it would "back our leadership in the world and will strengthen our foreign policy."

As to the chances of an emergency arising, Bradley said: "We're faced with the possibility anything might happen. No one

knows—unless it would be 14 men in the Kremlin."

The Army got \$6,767,668,163 (B), the Navy \$4,749,059,250. A \$3,224,000,000 appropriation to build the Air Force up to 70 groups, also included funds for the Army and Navy.

The order of induction will be decided by age.

Tentative plans call for beginning the draft with 21-year-olds. Under this plan men who turned 21 on Jan. 1 would be first in line for induction. Jan. 2 next and so on through Dec. 31.

Whether all eligibles in the first age group will be called before drafting is started from another group still is to be decided.

Approximately 4,000 local draft boards will be set up. The local boards, as before, will be appointed by the governors.

The Army probably will call between 200,000 and 225,000 inductees during the first 12 months of the new draft.

OFFERED EYES TO STUDENT

Saulter Will Get No New Reprieve

AUSTIN, June 21. (AP)—There will be no further death reprieve for Joseph Lee Saulter, the convict who had offered his eyes to a blind student of Hardin-Simmons University.

Col. Homer Garrison, director of the Department of Public Safety, said today statements designed to clear Saulter of the knife-slaying of a woman bar were "a fabric of falsehoods."

He recommended to Gov. Beauford Jester that there be no further clemency for Saulter, sentenced to death for the bar-room murder of his girl friend.

Saulter had been granted the usual 30-day constitutional stay of execution by Gov. Jester, and an additional 30-day reprieve after the Board of Pardons and Paroles had been told another man killed Miss Cook.

The new execution date is July 9.

Garrison in a letter to the governor said the Department of Public Safety's investigation of the purported confession of Cecil E. Barker, 33, life-term convict from Houston, that he had cut Miss Cook's throat "conclusively reflects that the Thelma Leslie Cook could have been killed by no one other than James Lee Saulter."

There were too many discrepancies in Barker's story, Garrison said, although the convict—sentenced to life imprisonment as a habitual criminal—never flatly repudiated his story that he, not Saulter, killed the woman.

Jester said there would be no additional clemency in the strange case.

C-C Heads Hear Project Reports

Chamber of commerce directors heard reports on two projects and then adjourned after a brief session today at noon in the Settles. J. H. Greene, chamber manager, was unable to attend the session because of illness. He was admitted to a local hospital Sunday night for treatment of an attack of bronchial congestion.

K. H. McGibbin reported that all fireworks materials for the July 5 display have been received. The display will be touched off at about 8:30 p. m. in the state park. Elmo Wasson, chamber president, announced that subscriptions for the advertising program in the Saturday Evening Post had reached \$9,625.

Greek Troops Start Greatest Drive Of War

New Offensive Effort To Smash Red Rebellion

ATHENS, June 21. (AP)—An estimated 70,000 Greek troops slugged their way into the northern Pindus Mountains today in an effort to smash the Communist rebellion.

Six divisions, backed by planes and artillery, jumped off last night in the greatest offensive of the long civil war. The operation, planned and supervised by the Greek general staff with American advisers in the field, is aimed at wrecking the guerrillas of Markos Vafiades in their main stronghold.

Seven thousand rebels—the Greek army calls them bandits—are reported in a 1,000-mile-square Grammos Mountain area along the Albanian border. Markos' headquarters and the main guerrilla supply bases are believed to be in this region, which is dotted with mountain peaks, some as high as 7,000 feet—probably the roughest terrain in Greece.

The army, in its offensive, is trying to sew up this rebel pocket on three sides—on a line roughly south from the Albanian border to Ioannina, from Ioannina east and north to Grevena and from Grevena north to Nestorion and the Albanian border. The border itself forms the top of the pocket.

Before the operation could start, 28 heavily fortified machinegun posts north and west of Nestorion had to be taken. One American officer said the positions were comparable to anything he saw in Germany.

The army tried to blast them with 25-pound artillery shells and 250-pound aerial bombs. That proved futile and infantrymen were sent in and cleaned the position out with bayonets. The army said guerrilla casualties were heavy.

Two of the three squadrons in the Greek air force are backing the army's play and 100 pieces of artillery, mostly American-made, are pounding rebel positions on the Mount Grammos approaches.

According to the best available estimates, Markos has some seven brigades and several independent battalions under his command in the fighting zone.

Police Probe Cairo Blast

CAIRO, June 21. (AP)—Police investigated today two explosions which killed 20 persons and wounded 41 in the Jewish quarter of Cairo's Bazaar district.

The blasts let loose early yesterday some three minutes and 150 yards apart. Five houses were destroyed and about 20 damaged. Eighteen of the dead were found in the debris. Two died in hospitals.

Saleh Murtaga Bey, sub-chief of public security, said last night he believed the explosions were accidental, the result of faulty storage of materials the Jews used to make fireworks.

But he added, police still are asking about five Moslems who lived in a Jewish-owned house at the center of the first explosion and who have not been located.

Summer Brings Rain In Many U.S. Areas

CHICAGO, June 21. (AP)—Summer arrived today but in many sections it came dripping wet.

Rain—welcomed by farmers—fell over lower Michigan, Wisconsin, Minnesota, the Dakotas, Iowa, Northern Missouri, Illinois, Indiana and parts of Oklahoma and Kansas. There were scattered showers in the Northern and Central Rockies.

However, the first day of summer was greeted in warm, summery style throughout the South and over most of both coasts. It was a little cool in the northeast part of the country. The rains in the Great Lakes and Northern Plains states kept temperatures there a little below seasonal.

NEW PHASE OF AMERICAN POLICY

West Europe Will Soon Begin Military Talks With U.S.

WASHINGTON, June 21. (AP)—Representatives of the Western European countries soon will begin military talks with United States defense chiefs. These talks, probably to be held in Washington, will open a new phase in the development of American policy toward Europe.

Officials said today the conversations, in a sense, would be based on the Senate-approved resolution drafted by Sen. Vandenberg (R-Mich.) that put the Senate on record as favoring United States support of regional defense alliances where they serve this country's security interests.

One such regional alliance is the still developing Western European union of Britain, France, Belgium,

The Netherlands and Luxembourg. These nations have laid down plans for broad political, economic and military cooperation which the American government hopes will provide the nucleus of a United States of Europe.

One agency of that group is a military committee functioning in London. This committee is understood to have made extensive studies of strategic problems of defending Western European countries.

The prospective talks will give the American high command its first information on the results of those studies. They also will be aimed at establishing a close liaison

It is expected that political talks will follow eventually. The objective will be to associate the United States with the union in some way that would assure the members of American support in event of armed aggression.

Any such regional defense agreements would have to come within the framework of the United Nations and be approved by Congress.

Leaders of the nation's bi-partisan foreign policy indicated they were highly pleased with the recent congressional accomplishments—headed by enactment of the multi-billion dollar European Recovery Program.

Weary Solons Are Split On Views Of 80th Congress

WASHINGTON, June 21. (AP)—Word-weary legislators today set about defending, or lambasting, the pre-convention record they finished writing in yesterday's dreary dawn windup of the 80th Congress.

Looking ahead to the November elections, Republicans asserted it was one of the best congresses ever. Democrats took up President Truman's cry that it was one of the worst in history. In November, the entire membership of the House and one-third of the Senate come up for the voters to decide.

GOP leaders in the final grueling two days and nights had given Mr. Truman a few of the things he asked for: \$6,000,710,228 (B) for foreign aid, a peacetime draft of men 19 through 25 and so on.

"We have not yet begun to exhaust the possibilities for peace," he said yesterday in UCLA's open air theatre. "Only by conferences must men seek the final settlement of their disputes."

He warned the graduates and their 10,000 relatives and friends, not to "dash away this last inspired chance of the world to find peace through intellect, rather than chaos through war."

The United Nations, he said, still is "our best, our brightest and our eventual hope for a just, an honorable and a lasting peace."

The new selective service act, Gen. Bradley said earlier, however, will back the United States' leadership in the world and will strengthen our foreign policy.

GOP Meet Is Off To Blaring Start

Nomination Fight Still Wide Open

CONVENTION HALL, PHILADELPHIA, June 21. (AP)—Republicans got their convention off to a flag-waving, band-blaring start today with the battle for their presidential nomination still wide open.

The first session was gavelled into order at 9:27 a. m. (CST) and recessed at 10:50 a. m. until 7 p. m.

In between, there was the usual noisy show, the songs, the oratory, launching one of these once-every-four-years party conclaves. But behind this facade two things stood out—

One is the general air of confidence that this is a Republican year—that this convention is naming the next president of the United States.

The other is the great uncertainty still among the rank-and-file delegates as to who that man is.

Gov. Thomas E. Dewey and Sen. Robert A. Taft acknowledgedly were out in front, but lacking the votes at this time to assure the nomination.

Harold E. Stassen said he would be a "strong third" on the first ballot and the winner on the ninth.

Sen. Arthur H. Vandenberg's friends claimed he is in a good position to step out toward the end and run off with the big prize. Backers of half a dozen others talked similarly.

The actual balloting will not start before Wednesday, or maybe Thursday. Meantime, the GOP's biggest oratorical guns will belabor the Democrats and the party will adopt its platform.

Today's first session was just sort of a warm up for that—prayer, song and welcoming talks, plus whamming of the Democrats by GOP National Chairman Carroll Reece.

In the nomination race, everybody was keeping the closest watch on the Pennsylvania and Illinois delegations. The final winner may depend on where these powerful delegations finally line up.

They talked things over last night, but kept their strength uncommitted so far as the leading candidates are concerned. In the early balloting Illinois will stick with favorite son Gov. Dwight Green; Pennsylvania with Sen. Edward Martin.

Stassen made his "ninth ballot" prediction at a news conference held in the hour before the convention opened.

Taft also held a news conference at the same time. He predicted it will take at least four or five ballots to select the nominee and predicted he will have about 300 votes on the first ballot. It will take 548 to win the nomination.

Huk Leader Gives Up, Amnesty Set

MANILA, June 21. (AP)—President Quirino tonight proclaimed amnesty for the Hukbalahaps after Luis Taruc, leader of the armed peasants, voluntarily had surrendered. Taruc and his estimated 50,000 followers were given 20 days to surrender their arms.

Quirino and Taruc shook hands after the amnesty proclamation was signed—ending almost two years of fighting in Central Luzon.

Candidates And Positions Jumbled In Political Story

A mechanical error, which resulted in a line of type falling to appear, caused a jumbling in two candidates and positions in a Sunday story.

Some confusion may have resulted about B. F. Logan and Charles Stovall. The story should have shown B. F. Logan as filing for county treasurer and Charles Stovall for commissioner of Precinct No. 1. The position Logan seeks, plus Stovall's name were on the missing line.

Bradley Still Has Faith In Intellect To Establish Peace

LOS ANGELES, June 21. (AP)—The Army's chief of staff, Gen. Omar N. Bradley, told 3,000 UCLA graduates he still has faith in peace through intellect.

"We have not yet begun to exhaust the possibilities for peace," he said yesterday in UCLA's open air theatre. "Only by conferences must men seek the final settlement of their disputes."

He warned the graduates and their 10,000 relatives and friends, not to "dash away this last inspired chance of the world to find peace through intellect, rather than chaos through war."

CURRENCY DISPUTE

U.S. Supply Trains To Berlin Stopped

BERLIN, June 21. (AP)—Supply trains for Berlin's 10,000 or so Americans are at a standstill today because of a United States-Russian deadlock stemming from currency reform.

The Soviet commander in Germany later declared the money reform completes the division of Germany.

U. S. freight trains to Berlin must pass through the Soviet occupation zone and American authorities stopped them last night rather than submit their cargoes to Soviet inspection. The air remained the only supply channel.

Russian officials insisted inspection was necessary to keep smugglers from bringing currency worthless in the Western zones into the Soviet zone and Berlin, where it is still good.

Germany's old reichsmarks lose their worth in the U. S., British and French zones under a currency reform begun by the three Western powers yesterday to fight

inflation and the black market. They are being replaced by a new unit—the deutsche mark—whose value is to be made known, probably next week.

This reform was announced Friday night, Marshal Vassily D. Sokolovskiy, Soviet commander and military governor for Germany, then barred Western-zone money, both new and old, from his zone and "Greater Berlin."

The Russians set up controls to keep themoney out, effective Friday midnight. Last night, the first Berlin-bound U. S. military freight train to enter the Russian zone since Friday was halted at Marienborn, Soviet check-point. The U. S. Army pulled the train back.

"The Russians wanted to open the cars and inspect the cargo, whereas previously the presentation of cargo lists was sufficient," said an American transport official.

A slender figure in white homespun national garb, Rajagopalachari, 69, stood against a background of rich red velvet drapes embroidered in gold and swore to perform the duties of his new office.

An advocate of communal harmony and secular government, he then delivered a message to the people declaring that "what disturbs the peace of India is internal discord, pure and simple, and it is utter folly."

Less than three hours earlier, Mountbatten, attired in the gleaming white uniform of a British rear admiral, bade farewell to the land whose people called him "one of us." Then he took off for England with his wife and daughter.

The Formica tops, which are current leaders in popularity throughout the country may be ordered in colors of tan pearl, black, white pearl, gray linen, tan linen, red linen, blue linen and green linen.

Banner's Milk Fresh And Safe

More than 1,000 gallons of milk produced daily at home reaches customers within a few hours after milking time.

Banner Creamery now receives more than a thousand gallons of milk per day from dairymen who produce under the requirements of the health department and Banner.

While extensive precautions have been taken at the dairies to insure its purity, other steps taken immediately upon arrival of the milk to the Banner plant mean that it will go to customers as pure and safe as milk can be made.

Milk is unloaded promptly when it comes to the modern Banner plant at E. 3rd and Owens streets. Once more it is put through strainers and filters, just as it was when produced. Then it is pasteurized so that any possible bacteria in the milk are destroyed. The milk is cooled quickly, an important factor, and bottled without having been touched by hands.

Still another precaution is taken for the safety of Banner consumers. All bottled milk carries a sanitary cover. This keeps any contamination of the cap itself. Milk in cartons, of course, is sealed so

that milk emerges from it without touching anything which might have been unwittingly contaminated in handling. That's why Banner milk is really safe.

In days of flush production, some milk is diverted to the manufacture of ice creams, sherberts and other frozen dairy desserts; or into butter and cheese. The Banner label is a guarantee of quality in any case.

BUZ SAWYER

MY HOTEL, MY REPUTATION, HE DID NOT WANT ME TO SUMMON THE POLICE, BUT I—

IT'S THE WAY, OFFICER. MY NAME'S BUZ SAWYER, THE ONLY BUZ SAWYER WITH FRONTIER OIL. I ARRIVE IN JAWA ON AN IMPORTANT BUSINESS DEAL AND FIND SOMEONE IMPERSONATING ME. CLAIMS THAT HE'S BUZ SAWYER.

I SEE, AND MAY I SEE YOUR CREDENTIALS, WYNNEER?

WYNNEER!

CAREFULLY, AND WITH MUCH LIFTING OF EYEBROWS, THE POLICE EXAMINE BUZ'S PASSPORT, HIS WALLET AND EVERY CARD IN HIS WALLET.

FINALLY! VERY STRANGE, WYNNEER. ACCORDING TO YOUR CREDENTIALS, YOU ARE NOT SAWYER, BUT MR. HOMER P. SWINEY.

MEAD'S fine BREAD

OAKIE DOAKS

YES! YOU'VE GIVEN ME THE IDEA THAT I MAKE KING CORN'S CONFERENCE OF KINGS A SUCCESS!

BUT, MR. MURDOCK, I DON'T GET IT!

YOU WILL GET IT! OAKY, I'M GONNA USE YOU FOR A GUINEA-PIG!

COME BACK IN THREE HOURS AN' I'LL SHOW YOU WHAT I MEAN!

KING JERUB! DON'T LIKE WHAT YOU CALLED ME AT THIS MORNING'S SESSION!

SO WHAT? NOW, KING HICCUP, I'M GONNA TELL YOU WHAT I REALLY THINK OF YOU!

G-GOSH! MR. MURDOCK'S IDEA BETTER BE GOOD!

SCORCHY SMITH

AS EVAS BRIPS SCORCHY ON THE BROADWAY IN RITZANPUR, THEY SEE MOUNTED SPYBIRN ATTACK DEPRESSIBLE VICTIMS. A CHILD TRIES TO ESCAPE...

THEY'RE GOING TO KILL THAT GIRL!

MEAD'S fine CAKES

BLONDIE

I'M SO HUNGRY I COULD EAT AN OLD SHOE

IF YOU'RE SO HUNGRY WHY DON'T YOU EAT SOME FOOD?

BECAUSE I'M DIETING SO I'LL BE SLENDER AND BEAUTIFUL—FOR YOU!

IS THAT WHY YOU'RE SO CROSS?

YES—YOU HAVE YOUR CHOICE OF A CROSS SLENDER WIFE OR A FAT, JOLLY ONE!

ANNIE ROONEY

NO LASS—IT WASN'T LIGHTNIN' YOU SAW LAST NIGHT—IT WAS A LOSIN' BATTLE THAT VALAGGA'S WARRIORS FOUGHT AGAINST OUR INVISIBLE ELECTRIC ARMY—

YES—VALAGGA PLANNED A MASSACRE THAT CHANGED INTO A FARCE—THE SHIP WAS WIRED FOR INVADERS—

WE WAITED UNTIL THE SAVAGES WERE ALL ABOARD, THEN I SWITCHED ON THE CURRENT—AND THE ATTACKERS FOUND THEMSELVES ON A GRIDDLE—

SHOCKED AND FRIGHTENED, THOSE HOWLING WARRIORS WENT PLUNGIN' OVERBOARD INTO THE SEA—

DICKIE DARE

OUR PRIVES, RECENTLY THOUGHT DESERTY BUNTS, ARE ARRIVING AS WE GO INSIDE THEIR MAIN TENT THAT DICKIE IS SPYING ON THEM FROM A POINT OUTSIDE THEIR CAMP!

I'D NEVER KNOW YOU WERE IN FIRST WAVE IN THAT GETUP, YOU LOOK LIKE A GENUINE A-RAB!

SAY! I'LL KILL SOME GOATS, HAVE THE MEN SPATTER BLOOD AROUND—WE WANT IT TO LOOK LIKE WE FOUGHT!

I DON'T GET IT, NAGS—THEY'RE SPOSED TO BE LOOKIN' FOR THE GUY'S STOLE OUR STUFF—BUT THEY'RE ALREADY GOT OUR STUFF!?

—AN' NOW THEY'RE THROVIN' GOAT'S BLOOD AT EACH OTHER—WASSER, I DON'T GET IT!—

WAIT!—OR DO I? DO I?

SNUFFY SMITH

AND THAT, MY FRIEND, IS HOW MY WIFE LOOKED DURING OUR HAPPY CIRCUS DAYS—BEFORE TRAGEDY STRUCK.

THIS CAN'T BE YOUR WIFE, RAGGAS.

WE PROBABLY SHOWED ME THE WRONG DITCHER, RAGGAS—THIS LARDNUT'S GOT CHIN WHISKERS.

SURE SHE HAD WHISKERS! SHE WAS SADDIE, THE BEARDED LADY!

BOO-HOO NOW I'M ONLY 'SADDIE, THE BEARDED LADY!

PATSY

WITH BATEY AND BATEY BEHIND THE SCENES WITH A MICROPHONE, MONA MANTRAP DIES INTO THE PART OF 'RY POCKETT'!

AND YOU WERE REALLY A MOBSTER? HOW TERRIFIC! TELL ME MORE.

I WAS TOO BRAINY FOR THEM APES—SO I DECIDES TO GO INTO BUSINESS FOR MYSELF!

AT THAT MOMENT, THE BOYS FROM THE MOB HAVE THROUGH A RING AROUND THE COTTAGE.

THEN I PULLS A VERY SMART DEAL THAT LANDS ME IN HOLLYWOOD—WANT TO HEAR?

JEEPERS! 'A PEEPER!

MR. BREGER

"Watch your nice, new car, mister—only five dollars...?"

THE TIMID SOUL

OH, DEAR! THAT MEANS A PENALTY OF TWO STROKES! MUSTN'T LET THE CLUB HEAD TOUCH THE SAND.

MR. MILQUETAST, PLAYING ALONE, ACCIDENTALLY DROPPED HIS 8 IRON IN A TRAP.

GRIN AND BEAR IT

"There are so many candidates around who don't seek the nomination, but will accept if called, that the delegates are afraid to talk above a whisper..."

Hosses Close Out Home Stay In Night Game With Odessa

Big Spring (Texas) Herald, Monday, June 21, 1948 5

LOOKING 'EM OVER

With TOMMY HART

Papa Joe Cambria, the Washington Senators' ace ivory hunter who knows as many baseball stories as any one, tells this one for the truth. It seems Freddy Rodriguez, the Big Springers' amazing new flinger, was taking his plane trip from Sherman-Denison here in fine style until he picked up a newspaper telling of that gosh-awful plane crash in Pennsylvania, the one who killed more than 40 persons.

Then and there Roddy began to get puny. He was still feeling low when he alighted but was so glad to be next to the good earth he was ready to call black white rather than debate an issue with anyone.

Cambria gave the local management instructions to pitch Fred every fourth day. Big reason he was shipped out here was Cambria felt the lad wasn't getting enough work with the Big State league club. Incidentally, the bigboy hurled a no-hit, no-run game for the Havana Florida International league club in 1945. He also had a one-hitter and a two-hitter to his credit that season.

PAPA JOE FIRM BELIEVER IN CREW HAIRCUTS

Cambria rounded up most of the Cuban boys after his arrival here and took them to the barber for crew hair cuts. He told the lads they couldn't play ball with their hair in their eyes.

LUPO GONZALEZ FIGHTING WAY BACK UP LADDER

Lupo Gonzales, Vernon's fancy fielding second sacker, was with Mississippi of the American Association several years ago and hitting well but he fell ill the following winter and lost much of his effectiveness.

He's trying to fight his way back up the ladder. He was much bigger then than he is now.

MCCASKEY RAISED AVERAGE 101 POINTS IN YEAR

Cotton McCaskey won the minor league batting championship in 1945 while playing with Bristol in the Appalachian league with a .375 mark.

His record jumped exactly 101 percentage points in one year. He had hit but 274 in '44. McCaskey's first name is Arden, by the way.

SAN ANGELO CROWDS STILL FAR BELOW PAR

Biggest crowd to see any of the Big Spring-San Angelo games in the Concho city last week was 485 paid. They say the location of the athletic plant, far removed from the business section and well off the bus line, is one reason business has been bad.

Incidentally, the new management didn't purchase the park outright. Instead, they will lease it for the remainder of the season and then build a new one during the winter, one much closer to downtown Angelo.

FORMER BRONCO ACE MAY GO TO SHERMAN-DENISON

Not surprised if Jose Cladan, ace of the Big Spring pitching staff last year, winds up with Sherman-Denison shortly. The good-looking right-hander has been used sparingly by the Havana club, though he has won three decisions and lost but once.

BALL PLAYER OF ANOTHER ERA VISITOR HERE

Andy Anderson, who played a lot of good baseball for the crack T & P team here in the '20's has been visiting in these parts.

Andy is now with an elevator concern in Phoenix, Arizona.

Knott Billies Decision JC Hawks, 12-9

KNOTT, June 21.—Knott's Hill Billies staged the biggest upset of the Tri-County baseball league season by clouting the Howard County Junior college Jayhawks, 12-9, here Sunday afternoon.

The Billies battered Ray Clark for 15 hits while the collegians collected 11 off three Knott hurlers. HCJC ... 105 100 020—9 11 0

AC Wrestling Faithful Hope Of Seeing Boynton Beat Tonite

Most of the wrestling faithful who patronize the Big Spring Athletic club this evening will probably be there in the hope of seeing Olan Boynton, the Lubbock man-of-many-talents, get his block knocked off.

The grappler-arbiter won himself no friends in his last appearance here when he beat popular Eddie Gideon of Springfield, Mo. He did it with an assortment of rabbit slaps, groin blows and bolo punches that had Gideon out on his feet.

Tonight, Boynton goes against George Lopez of Tampico, Mexico, in the 8:30 o'clock corner. Lopez has never especially been a local favorite but the fans will no doubt be riding in his corner.

Lopez threatened to boycott the local ring unless he is permitted to use Jui-Jitsu. The Japanese-American says he learned to wrestle that way and is robbed of much of his effectiveness unless he can employ it in a ring.

If Boynton gets rough, he may find he has a tiger by the tail if George digs into his bag of tricks.

The main event finds the veteran Billy Weidner of Boston, Mass., meeting Frankie Hill Murdock, the bloke with the celebrated python hold.

Murdock agrees to try and put

Louis Almost Ready For Go With Walcott

NEW YORK, June 21. — Looking sharper and more vicious than he has been for some time, Joe Louis was almost ready today to make his next and perhaps final bid for flint immortality.

Only a few finishing touches remained for the Brown Bomber before he steps into the Yankee Stadium ring Wednesday night for his 15-round return title bout with Jersey Joe Walcott.

After weeks of listless performances, the champion appears to have finally come into his own. In his last few workouts, the champ has shown some of the power punching that carried him to the heavyweight throne.

Saturday the Bomber was snapping out his left jab, one of his most potent weapons in the long ago, with plenty of the old power. He was hooking well to the body and crossing his right with plenty of zip. His concentration on body punching seemed to indicate his plan of action for the big fight.

Those who saw him work went sky high on the champ to repeat easily. Sunday Louis didn't look too hot. A crowd of about 5,000 watched the Bomber, but he obviously was not putting on any show, being content to practice with his left.

GROSS TO GO

National ABC Meet Has Full Schedule Set

According to information received here, persons from Big Spring who have made plans to attend the American Business Club National convention in Savannah, Ga., June 27-30 will be in for a full four days.

In addition to activities set up by the Savannah ABC Club, Carl Gross, local convention delegate, has been instructed to promote Big Spring as a possible site for the 1949 convocation. He is receiving backing from the local Chamber of Commerce, welfare and civic groups over the town.

The convention is to be headquartered in the fashionable 200-room resort-hotel, the Gen. Oglethorpe, on the out-skirts of Savannah, and part of the delegates will stay at the 300-room Hotel De Soto, in downtown Savannah. Both hotels provide guests with private swimming pool, 18-hole and nine-hole golf courses, roof gardens and orchestras. Both are near the beach.

Leaving Big Spring Friday afternoon, June 25, Gross expects to arrive in Savannah Sunday when registration in the afternoon is followed by an informal party. Accompanying Gross will be Mrs. Gross, their four children, and Leatrice Ross, Mr. and Mrs. Lee Harris, now vacationing in Tennessee, will join the convention later.

Business sessions of the convention will be on the mornings of June 28, 29 and 30. On Monday, the 28th, women will be entertained with a beach party from 1 p. m. to 5 p. m.; at 7:30 p. m. is scheduled a seafood dinner for men and women, followed by turtle races on the beach, and, later, dancing.

On June 29 a joint luncheon will be followed by a sight-seeing tour of Savannah and nearby places. Closing the day's activities will be a barbeque on the beach. On Wednesday, June 30, choice of a boat trip and deep sea fishing, golf or other recreation is to be preceded by joint luncheon. At 7 p. m. the Savannah club hosts a cocktail party, and at 8 p. m. there is a formal dinner, dance and floor show. While men are in business sessions in the mornings, women are given freedom to shop and sight-see.

County Heads Have Minor Problems

In a routine session Monday morning, county commissioners considered some minor problems. One had to do with a couple of welfare cases, including an aged man apparently abandoned here. Commissioner also signed a supplemental tax roll for filing with the state comptroller, and engaged in a long discussion of whether and how to patch the roof of the county warehouse building.

No action was taken, although further advice from roofing men will be sought as to an economical and practical way to seal cracks occasioned by skippy use of galvanized tin when the building was first constructed.

Masonic Heads Will Attend Lubbock Rites

LUBBOCK, June 21. (Sp1)—Several officials high in the Ranks of Texas Masonry—of the Masonic Grand Lodge, the Grand Royal Arch Chapter and of the Grand Commandery—will be here today for the laying of the cornerstone of the \$225,000 Masonic Temple under construction in downtown Lubbock.

Hugh J. McClellan, secretary of Lubbock Masonic bodies, which jointly are financing the Temple, said.

Horace K. Jackson, Gatesville, grand master of the Masonic Grand Lodge, would head a list of Masonic dignitaries due here.

H. B. Bryan, of Lubbock, who will be master of ceremonies at an area meeting and barbeque in MacKenzie state park after the 4 p. m. cornerstone leveling by the grand master, is eminent grand senior warden of the Grand Commandery.

Preparations are being made for not less than 1,000 Masons, Cliff Elliott, general chairman, announced. In addition to grand lodge officers, special invitations went to 40 lodges of seven Masonic districts—"and every Mason everywhere is invited."

The grand master will open a representation of the Grand Lodge of Texas in the Masonic hall here, prior to the cornerstone laying.

Yanks Grow Bitter From Chinese Jibes

SHANGHAI, June 21. (AP)—The bitter anti-American feeling of China's intelligentsia is being reflected in an equally unsympathetic anti-Chinese feeling among Americans in China.

American nationals are tired of being continual targets of demonstrations by students and professors and of disapproval of official circles while the United States pours hundreds of millions of dollars into the attempted salvation of the country.

The nationwide student protests against American aid in returning Japan to its economic feet reached a climax in Peiping. Students there refused relief rations from the United States. They were supported by 80 professors, including 61-year-old Prof. Robert Winter of Crawfordville, Ind., who is on loan to Tsinghua University by the Rockefeller Foundation.

An American businessman expressed the general attitude: "Do they expect us to spend millions of dollars daily to keep Japan weak and at the same time spend hundreds of millions in another try to make China strong which probably won't succeed any more than in the past."

The Chinese government tried to soft-pedal the anti-American outbursts until a new loan was in the bag. Now that China seems assured of continued aid from the U.S., government spokesmen take few pains to disguise their disapproval of the American program in Japan.

Two Damage Suits Cleared

Agreed judgment was entered in two damage suits cleared from the docket in 70th district court proceedings this morning.

Mrs. Maude Eason Waters was awarded \$25,000 damages in a suit growing out of a railroad accident which killed her husband, Oran Waters, eight miles east of Monahans last Dec. 30. The defendant was the T & P railroad.

The West Texas Sand and Gravel company agreed to pay J. E. Adams et al \$4,050 in damages in the other case. Adams had entered suit following an accident which occurred on Owens street here last July 1 and which involved one of the West Texas Sand and Gravel company's trucks.

Four divorce decrees were also granted by Judge Cecil C. Collins. Terry Ellen Eshop won marital freedom from Preston Eshop as did Billie Williams from Glen Williams.

A divorce was granted to Leon Randall from Dorothy Randall. The defendant had her maiden name of Thomas restored.

Mildred Downing was legally separated from Raymond Grady Downing and won custody of a minor child for nine months out of the year. The child will live with its father for the remaining three months.

Westinghouse Will Grant Wage Hike

PITTSBURGH, June 21. (AP)—Approximately 70,000 production and salaried employees of Westinghouse Electric Corp. will receive an eight per cent wage increase under an agreement announced last night by the corporation and the CIO U. S. Electrical, Radio & Machine Workers.

The agreement—subject to ratification of UE locals by July 1 after prior approval by the union's policy board—provides that the increases be retroactive to June 11, date of an original six per cent offer made by Westinghouse.

The 70,000 employees work in more than 20 plant where the UE holds bargaining rights.

Water Consumption Falls Off Some Here

City water pressure problems were eased at least temporarily Sunday when consumption dropped to 3,500,000 gallons, officials reported this morning.

It was the first 24-hour period since June 15 with production figures under 4,000,000 gallons, and for five successive days more than 4,700,000 gallons were used by consumers.

Pressure still remains as the only problem, however, City Manager H. W. Whitney said. Sources of supply have held up well during the heavy usage.

Joint Water Supply Study Continues

Investigations of the proposed joint water supply project on the Colorado River continue quietly but effectively.

Although no formal report has been made, S. W. Freese, Fort Worth hydraulic engineer and head of the firm correlating the studies, appeared confident that the project is sound and feasible.

Freese said in a communication to the Herald that he hoped soon to be able to make some sort of a report. Daily gauges on amount and quality of water are being generally encouraging. The project involving a dam above Colorado City, is designed to supply four or five cities with a minimum of 26,000,000 gallons of potable water per day.

CROONER'S WIFE TAKES SPOTLIGHT

HOLLYWOOD, June 21. (AP)—Crooner Frank Sinatra, whose timing is rated better than fair, let his wife, Nancy, take the bows in that department today.

Mrs. S. presented Frankie with a Father's Day present of an eight pound, 14 ounce daughter at Cedars of Lebanon Hospital.

The child, named Christina, was the Sinatra's third. Nancy, eight, and Frank Jr., five, gave Pop a big cheer. Mother and baby were doing fine.

SA Fund Drive Gets Response

First responses to appeals for supplemental funds for the Salvation Army have been received.

Capt. Olvy Sheppard, in charge of the Salvation Army here, said Saturday that approximately \$100 had been received in response to letters mailed last week.

These letters went out to more than a thousand people who had not been contributors to the Community Chest, in which the Salvation Army is a participant. They explained that since the Chest felt several thousand dollars short on its objective, it was necessary for the Salvation Army to produce some resources for operation.

Capt. Sheppard said that follow-up letters were planned to remind those who have not had a part in supporting any of the local agencies of any opportunity to help. Later, appeals may be made to those who had nominal parts in the Chest campaign. A meeting of the Salvation Army board is due within about another 10 days, said Capt. Sheppard.

Exercise For Beauty

By BETTY CLARKE

Whip out your bicycle, tennis racket, golf sticks and swim suit, and exercise for health and beauty. You don't have to be an expert at any sport to enjoy it. The real purpose of engaging in it, besides your competitive spirit or love of the sport, should be to treat your muscles to a toning and your lungs to a good deep breathing tonic.

One of the most beneficial exercises for women is swimming. Perhaps you can't swim the English Channel or wear a bathing suit as can Esther Williams. Maybe your best and only "stroke" is the dog paddle. But don't be discouraged. Whether you put on the puppy water act or do the breast stroke, Australian crawl or back stroke, swimming in any fashion will give you a great number of muscles. It will help develop lungs, slim down hips and stomach, strengthen back and shoulders. It will add grace to the walk.

Golf will help slim the waistline through twisting and bending. Fencing is wonderful for the beanpole type of a girl who wants to develop the calves of her legs. Fursback riding is good for back muscles and carriage. Tennis not only develops the forearm but strengthens the entire body. Bicycling is particularly good for the legs and will slendelize hips if you are persistent about it.

If you work in a sitting job, so much more important will it be for you to exercise. Besides outdoor sports you will need to do some bending and stretching. During the day you should take a few seconds away from your job to change your position, stretch and do some deep breathing.

One movie star has a good method to help develop deep breathing. She inhales as much air as she can, then slowly expels it with a whistle. She finds this controlled breathing develops chest expansion, permitting deeper breathing. The exhaling, she says, can be timed to show progress, and if the whistle is steady your control is good.

When on your vacation or weekends at the beach, walk barefoot whenever possible. It will help strengthen the arches and is particularly beneficial to the girl who usually wears spike heels.

Walking is an invigorating sport. There is nothing quite like a brisk walk which can bring roses to your cheeks and help keep your body slim. This is one exercise which can be done whenever the spirit moves you.

Social Security Is Often Aided By News Clipping

Newspaper clippings are often the keys that unlock the door to substantial social security payments for young widows and their children, according to George Clark, manager of the San Angelo office of the Social Security Administration.

Few days pass during which his office fails to receive one or more letters enclosing a clipping from a daily or weekly newspaper. In other instances the widow brings the clipping to the office. What she wants to know is, "Does this mean me? Can I get benefits?"

In a high percentage of these instances the social security office is able to tell her, "It does mean you. You can get benefits for yourself and your children."

Clark said his office had long recommended that every worker tell his family about the survivors benefits in the Social Security Act, and that the family get in touch with the nearest office in case of the worker's death. There are still, however, a very substantial number of widows and other survivors who do not realize their rights until a newspaper item calls social security to their attention.

Insurance Plan Bargaining Ruled

WASHINGTON, June 21. (Sp1)—The National Labor Relations board ruled Saturday that employers must bargain with unions on group health and accident insurance programs covering the workers.

This does not mean that employers must grant such plans; only that they are required, under the Taft-Hartley Labor Act, to talk it over in collective bargaining if a union so desires.
