

Would You Believe 264 First Week Entries?

Taylor Family Teamed Up To Win Contest

Two members of the Taylor family outdid everyone else in the first week of the Merchant's Football Contest by being the only persons to call eight games right. Becky Taylor guessed eight games correctly and was 35 points off on the tiebreaker score, while her mother, Mrs. Jack E. Taylor, also called eight correct games but was 40 points off.

The lowest point spread of the Game of the Week score determines the winners in case of a tie. Third place went to Beverly Obenshain, who guessed seven correct games and was 19 points off on the tiebreaker score.

This first week of the contest broke all previous first week records with 264 entrants, which topped last year's first

week of 251. It was a low scoring week with the average score of 4.5, only 50 per cent of the possible correct guesses. Highest possible score this week was nine since one game was paired incorrectly.

Sixteen others calling seven games right, but further off of the score, were Rodney Herington, Cindy Carthel, Karen

London, Josh Ensor, Margaret Beavers, Sarah Marsh, Joyce Coffman, Rodger Johnson, Pam Erwin, Terry Armstrong, Lisa Kittrell, Cheryl Goldsmith, Missy Taylor, Evelyn Goldsmith, Gary Lee and Wayne Martin.

For all those who forgot to enter the first week of the contest, there are 11 more action-packed weeks in which to try your luck.

the Cotton Bowl Game on New Year's Day, plus \$50 expenses money, and second prize is two tickets to the Sun Bowl in El Paso, plus \$25 expense money.

Each week, prizes of \$5, \$3, \$1 will go to first, second and third places, respectively. The contest runs for twelve weeks, in which ten high school, college or professional football games will appear on the entry blank. Rules of the contest are to circle or otherwise indicate

a winner for each game. A Game of the Week, which will be a Steer game during Farwell football season, will be listed at the top of the entry blank, but will be used only in the event a tie results in the amount of games called correctly.

This score will also be used in breaking a tie at the conclusion of the 12-week contest. The point-spread method will be used. It is possible for the

entrant to predict the winner of the Game of the Week incorrectly, but still win the weekly money by being closer in the point spread.

Anyone over 12 years of age is eligible to enter. Entries must be brought to the Tribune by 5 p.m. Friday, or, if mailed, must bear a Friday postmark. Tabulation of individual entrants will be kept during the contest and will be available for public inspection.

Looks At Paving - - School OK'S Rodeo Club Sponsorship

Farwell School Board at its meeting Monday evening put its seal of approval on a high school rodeo club. The club will be affiliated with the Tri-State Rodeo Association and abide by the rules and regulations of the Association. The sponsorship of the organization was urged by the Farwell Community Arena Association as a means of interesting the young folks in the sport of rodeoing.

Under present Association rules, students will become eligible for membership in the organization upon graduation from eighth grade and lose eligibility when they graduate from high school. In accepting sponsorship of the organization, the Board made it plain that they did not underwrite financial responsibility or accident liability of participating students.

Board member Charles Aycock reported to the Board on the projected cost to the school system of the planned city paving program. Aycock reported that the engineer's costs for the school property lying south and west of the school would be approximately \$16,284. In the discussion, it was brought out that the school system owned several other pieces of property that would have to be paved and that a figure for all the property owned by the school must be obtained before the school's participation could be finally decided upon.

The Board discussed the feasibility of selling five lots currently owned by the school that are unimproved and bringing no revenue to the system. This would reduce the school's expenses in the planned paving

Area Receives Good Rainfall

The Texico-Farwell area received good rainfall amounts this past week. Approximately one inch of rain was reported in the Twin Cities last Thursday and Friday. Heavy moisture was received Tuesday night around the area, with a report of about .9 inch falling in Texico and about 1.20 inch reported in the city of Farwell.

B.A. Rogers reported that he received about .8 inch of moisture at his farm north of Pleasant Hill last Thursday and about .45 inch Tuesday. The area south of town received one inch of rainfall last Thursday and Friday and approximately one inch on Tuesday.

The reports from the Lariat area were .8 inch last week and about one inch Tuesday night.

The Elmer Langfords, north of town, received .8 inch during the Thursday and Friday rains and .60 inch Tuesday, while at the Leon Langford farm, 1.75 inch rains were received last week with 1.60 reported Tuesday night.

The Oklahoma Lane area reported about one inch last week and one inch from Tuesday night's rainfall.

DOUBLE WINNER - The Taylor family of Farwell was a double winner in the first week of the annual Merchants Football Contest. Mrs. Jack E. Taylor accepts checks from John Dempster of Farwell Equipment, one of the sponsors of the contest. Mrs. Taylor's daughter, Becky, captured first place and Mrs. Taylor, who won second place, accepts the checks for \$5 and \$3, respectively. Her daughter was unable to be present for a picture. The women were the only two persons out of 264 entrants to call eight games correctly.

Passes Paving Ordinance - - City Receives Bids On New Water Lines

Farwell City Commission met for its mid-month meeting Monday afternoon in Farwell City Hall. Present for the meeting were Mayor Gil Patschke, Commissioners Fred Chandler and Jim Berry, City Clerk Jane Bower and City Attorney Charles Aycock.

The first item on the Council's agenda was opening the bids on construction costs of replacing a major portion of the City's existing water mains. A notice of intention to let contracts for additions to the City's waterworks system was published in the newspaper two weeks ago. Firms presenting bids on the City's specifications were Plains Utility Company, Holloway Engineering and Sheets and Sheets.

The firm of Sheets and Sheets submitted the apparent low bid of \$79,438.43 on the eight-inch water main project. Final acceptance of the bid was deferred pending complete study of all specifications by the City Council.

Following the opening of the waterworks bids, the Council heard a report from Bob Lydick engineering firm on the costs of the projected paving of Farwell. Lydick gave an estimate of a total cost of \$252,000 for the project. This included all material, labor, engineering and other fees for the project.

After discussing the over-all cost of paving, the Council then passed an ordinance stating the need for the paving, the formal hiring of the Lydick engineering firm and bringing the plans before the public by means of a meeting of all interested parties. This ordinance officially puts the paving project in motion.

Lydick estimated it would take his firm about six weeks to arrive at the cost for each individual land owner affected by the plans. After receiving the engineer's final figures, the City will have to advise the property owners by publication in the newspaper for three weeks and also by certified mail of their costs and of the time and place of the public meeting. Following an assessment of the public sentiment expressed at this meeting, the Council can proceed or cancel the paving plans.

At this time, the Council indicated a willingness to assume approximately \$40,000 of the total cost of \$252,000. This means the City will pay about 15.5 per cent of the total amount spent in finishing paving the entire town.

The City plans to pay for the

project by issuing tax fee, interest bearing warrants. These warrants will be paid off by the City over a five-year span while they are collecting the charges assessed to each property owner. The property owner will be able to pay the entire amount at completion of the paving or spread the payments over the five-year span of time. The first payment will become due within 10 days after the engineering firm officially accepts the paving from the contractor. At this time it is estimated that the paving can be completed sometime next spring if our winter weather does not make it impossible to work as the

schedule will call for.

In further business the Council deferred a mobile home permit pending a legal opinion of the City's existing mobile home ordinances. The City Attorney promised an opinion by the next regular session of the Council on Monday, Sept. 24.

Persons wishing to appear before the City Commission on that date must put their name on the official agenda before the close of business Friday, Sept. 21.

The last item of business was to set the District Director's Election for the Lazbuddie area for Tuesday, October 9, at the Lazbuddie elevator.

No Major Issues - - Texico City Council Has Brief Meeting

Texico City Council met Monday evening in regular session in the City Hall. The meeting was short as no major issues were on the evening's agenda.

Water Superintendent Billy Hammit asked for and received permission to attend a short course on Water and Waste Disposal which is to be in Artesia October 16-18.

Councilman Don Caillouet reported on the purchase price of water pipe that could be used in the contemplated replacement of water lines serving the area of Texico south of the railroad tracks.

Caillouet also reported on the five evenings in which he accompanied the local police officers as they patrolled the city, in order to observe their efforts at traffic control. He recommended that the municipal judge be asked to spend several evenings a week at the City Hall to be available to try traffic offenders apprehended by the lawmen.

A brief discussion took place on the need to reduce the speed limit in the residential section of town from the present 30 MPH to 25 MPH. The Council declined to reduce the speed limit at this time and the subject was deferred to a later date.

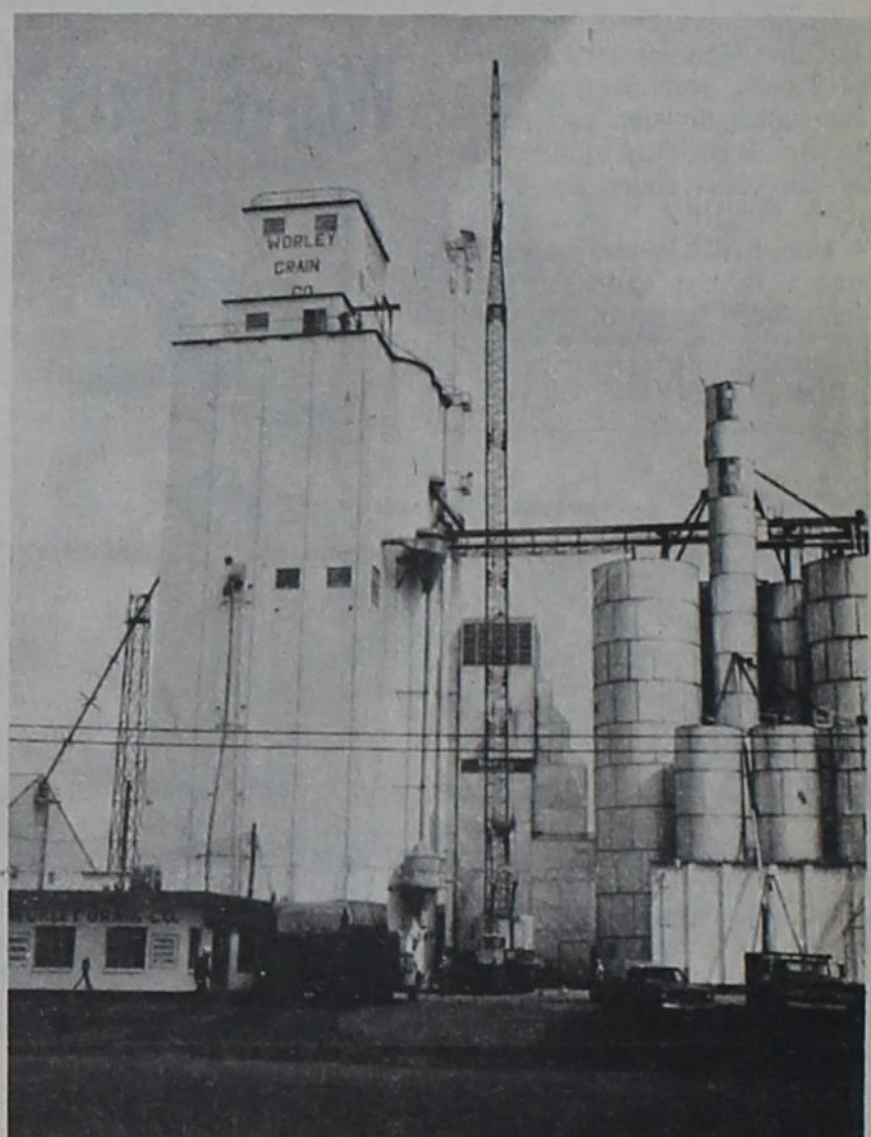

The meeting was concluded after the Council approved the paying of the bills for the month.

Attending the meeting were Mayor Manford Turnbough, Councilmen Don Caillouet, Wes

Engram and Bill Thigpen, City Clerk Clara Wiehl and Hammit.

TAKING ORDERS - Clara Billingsley, proprietress of Clara's Spur Restaurant, is giving Lions Club President Richard Deel, center, and Club Secretary Don Geries an advance order for brooms and mops in anticipation of the annual Texico-Farwell Lions Club sale beginning today (Friday). The Lighthouse of the Blind van will be located on Fourth Street between the post office and Farwell Hardware. All proceeds from the sale of blind-manufactured home items will go to the local club's eye-glasses project.

A REAL SKY HOOK - This 200-foot boom crane dominated the skyline this week in the Twin Cities. It was being used in the construction of an elevator leg in conjunction with Worley Grain's new grain dryer installation. The new dryer will have a 3,000 bushel per hour capacity and reduce grain moisture from 25 per cent to 18 per cent and later redry it to a storable 14 per cent moisture.

PURELY PERSONAL

by John

By this time several of our local Dads may have gotten a letter from son or daughter at college hinting for a little extra capitol for Saturday night socials. The following is a good example of parental "one upmanship" in fending off the long distance pocketbook bite.

Letter to Dad:

"Dear Dad, Things are pretty good here at school, but they could be better. Some things are needed most desperately. I hope you can guess what I mean and can send some soon."

Dad's reply:

"Dear Son, Nothing is new here. I know that you are doing better now than you had been. Write another letter soon. I want to get this off in the Noon mail, so I'll sign off now. Love Dad."

The State, we find, is a jealous guardian of the people's money probably because the only way the State obtains money is by taking it from the people in the form of taxes. Government is not a producer, it is only a parasite that feeds off the wealth of its host.

This is not to say that government is unnecessary, but the trick is to keep government as small as possible so the healthy host will survive the drain imposed upon it. This "trick" we are rapidly losing in this country. Not only has the individual been reduced to a computer digit by "Big Daddy" but now we find that whole communities are being swallowed up in "Regional Planning Bureaus."

When it comes to spending our money (i.e. taxes) we find we must now satisfy one of these "Regional Planning Bureaus." We discover that we must have a "Regional Planning" authorization to get back the money our citizens have originally paid the state in the form of taxes.

Yes, the people are rapidly losing control over their own funds.

Of course, this was our personal reaction to the startling discovery that the community of Farwell must convince the State Health Department that we need a nursing home. Also, should we be so brash as to go ahead and spend OUR OWN MONEY to build a nursing home facility, the patients therein could not look to their medicare-medicaid funds to help pay their expenses.

Therein is our philosophical gripe. We view medicare-medicaid benefits as accruing to the individual to be spent as that person needs it spent, and desires it to be spent. These potential sources of income to a nursing home should be paid to a facility because a person has elected to use that facility. This presupposes of course that a nursing home has met all standards of space, cleanliness and care put forth as nursing home criteria. Having met these standards a home should be entitled to the patients' benefits because the PATIENTS have elected to avail themselves of this opportunity. The benefits should NOT be withheld because a bureau has judged the insitution to be surplus on the market.

Ah well, we realize that this is a philosophical point and one that will not carry much weight as a matter of law as it now stands. Our generation gap shows in more areas than our evaluation of current "music."

We boo-booed in last week's contest by choosing a game between two teams that did not play each other. This will happen because our sources of schedules are not infallible. We try to double check each game with two sources but even so we come acropper from time to time. Our solution is to drop the game from counting that week. A better solution would be appreciated by "Ye Olde Game Selector."

Club officials report that Laura Doshier and Lori Norton competed in the Hereford High School Rodeo last weekend. Parents accompanying the girls to Hereford were Mr. and Mrs. Frank Doshier, Jr. and Mr. and Mrs. Darrell Norton. Also accompanying the group were club sponsor Danny Ivy and Mrs. Ivy.

Wolverines Of The Week

JIMMY ORTIZ

JAMES STEWARD

Coach Bucky Walters named Jimmy Ortiz and James Steward as Wolverines of the Week for their efforts against Hagerman Friday night. Coach Walters commended Ortiz for being a "hard hitter and the only consistent player." Defensive honorable mentions went to Craig Chumley and Tommy Galvan for doing a fine job. Steward "did some real fine running as halfback" according to Walters and Sammy West was a good blocker on offense for the Wolverines. West received an honorable mention for his activity in the Texico-Hagerman clash.

Bobcats Claw Wolverines In Opener

by Domingo Rojas

Texico Wolverines dropped their first game of regular season play against Hagerman in Bobcat territory 16-6 during action Friday night.

Action during the first quarter of play was slow for both teams with the Green and White receiving the opening kickoff. The Wolverines were unable to start a drive against the Hagerman team which was supported by a number of returning lettermen and were forced to punt. The second turnover of the game occurred when Hagerman failed to connect on three pass attempts and returned the ball to Texico on a punt play.

With possession of the ball again, the Wolverines looked a little more alive when halfback James Steward ran for a 15-yard gain for the first first down of the night. The Wolverine squad was unable to maintain the momentum to pick up another first down and punter Randy Harrison was forced to run with the ball when he missed the center from Craig Chumley. Harrison's run was stopped by Bobcat tackle Eddie Garza on the Wolverine 26-yard line.

The second quarter was a different story for the Bobcats when they put the first points on the board after quarterback Archie Regalado handed off to halfback Bill Andrews from

the Wolverine 26-yard line. The two extra conversion points were also scored by Andrews to make the score 8 to 0.

Following the kickoff the Green and White picked up 13 yards and a first down on a run by James Steward. The drive was ended when halfback Curtis Lindley fumbled on the Wolverine 32-yard line with Hagerman recovering. Lindley regained possession for the Wolverines when he intercepted a pass by Regalado on the Wolverine 25-yard line and ran it back 32 yards, seven yards inside Bobcat territory.

Harrison then connected on a 16-yard pass to split end Jimmy Ortiz for a first down. On the next play Harrison chunked the pigskin to tight end Steve Harrington for another eight yards. Following the eight yard gain, Ortiz received a pass but was dropped by Bobcat Eddie Martinez. The Wolverine drive came to an abrupt halt when Harrison was dumped by Bobcat Gary Barbe and was forced to punt. The Cats then began a strong drive into Wolverine territory when sophomore halfback Mario Morales ran for 14 yards for a first down. Hagerman's series of plays was halted by the buzzer ending the first half of competition.

The third quarter opened with Texico kicking to Hagerman and guard Eugene Wallace ending a four-yard run by Andrews. On Hagerman's second play, Texico's Roger Pace forced a fumble when he dumped quarterback Regalado but Hagerman recovered the fumble.

When the Wolverines regained possession Harrison again started an aerial attack when he connected with halfback Lindley. The next play was a 24-yard TD pass to split end Jimmy Ortiz. The try for extra points was unsuccessful and the scoreboard showed Hagerman holding an 8-6 lead at the end of the third quarter.

Fourth quarter action started with the Wolverines in possession on their own five-yard line. Steward pulled it out to the Wolves' 21-yard line when he ran around end for a first down. Steward was taken out of the game after the rug because of an ailing knee. The Wolverines were unable to gain enough yardage for another first down and Harrison punted a long, high punt into Bobcat territory.

On their first play, Bobcat Manuel Medrano ran a sweep for a 40-yard gainer to the Wolverine 29-yard line before being stopped by defensive linebacker Craig Chumley.

Bobcat Harold Green then carried the ball to the Wolverine six-yard line before being brought down by Wallace, assisted by Ortiz. The Cats scored on the next play when Hector Macias ran through the Wolverine defensive line for their second TD of the game. The extra points were made by Harold Green to put the Bobcats ahead 16-6.

The Bobcats kicked off to the Wolverines and sophomore running back Tommy Galvan received the ball on the Green and White seven-yard line and carried to the 16-yard line. Harrison was again dumped by a Bobcat player. With only seconds left in the game, Harrison tried a long pass to one of his ends, but it was intercepted before the gun sounded marking the end of the game with Hagerman emerging as victors.

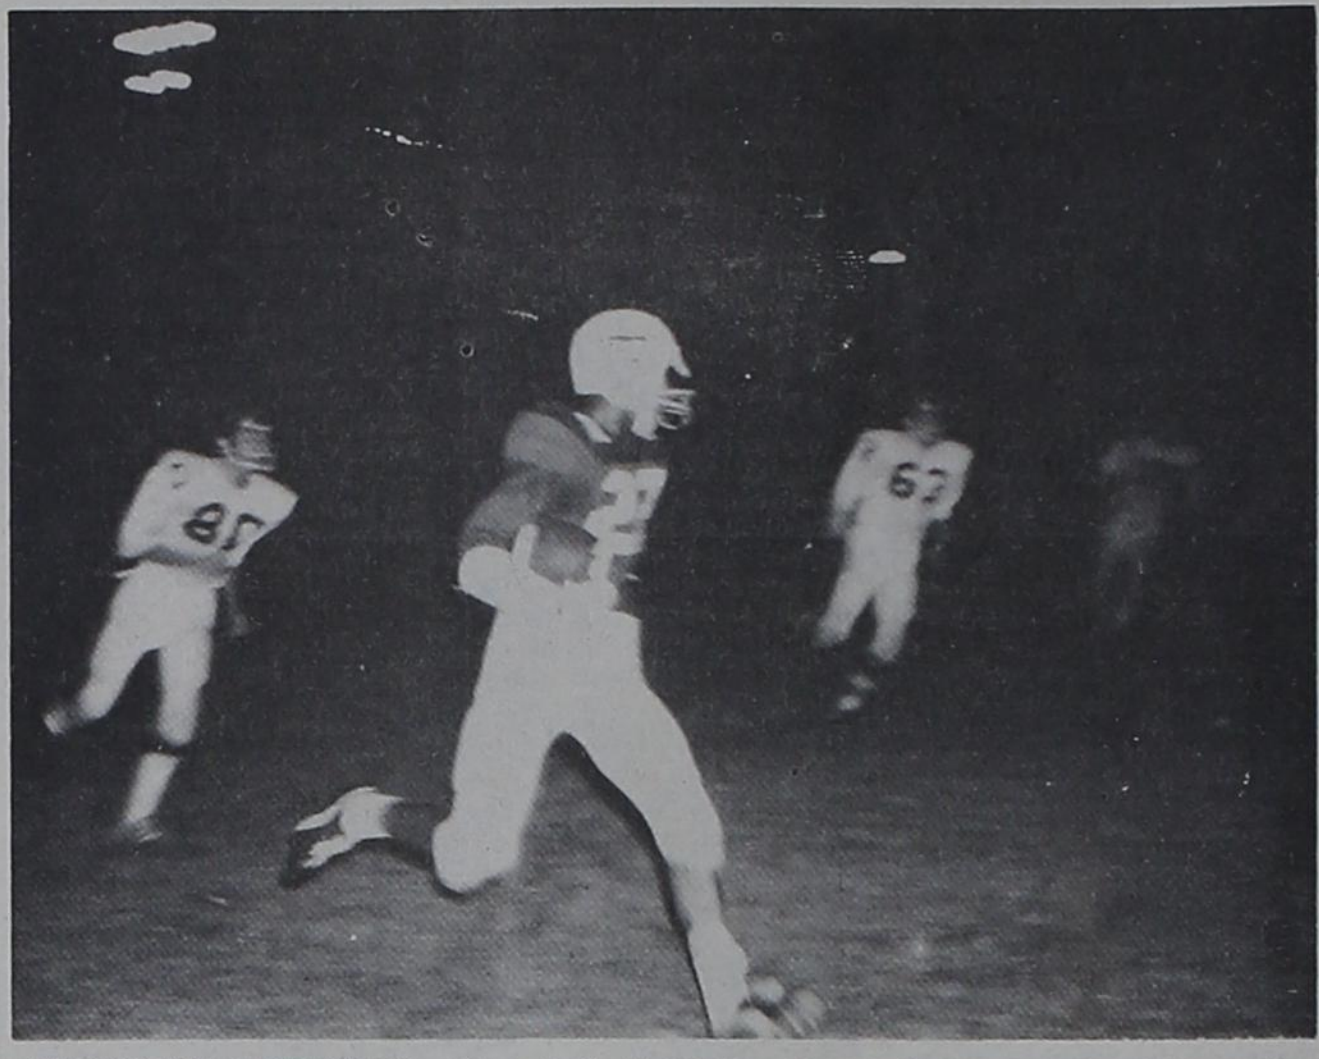

"We didn't play team ball on either the offense or the defense," said Coach Bucky Walters. "Our defense was not coordinated at all and did not get to the ball carriers quick enough."

According to Coach Walters, the Wolverines did not have good blocks on offense and too many mistakes were made. Walters commented on James Steward being the only running back who "got good yardage" and Sammy West "did some good blocking."

Coach Walters stated the Wolverine squad will see some changes in both the offensive and defensive starting lineups when the Green and White travels to Vaughn, N.M., for their next clash Friday, Sept. 21.

Friday (today) is an open date for the Wolverines.

"Vaughn will be our first district game and they won their opener against Estancia 12-0. Vaughn is a lot tougher this year than last season," according to Walters.

WOLVERINE END SWEEP - Texico's Curtis Lindley, No. 22, dashes around end for good yardage to help set up the only touchdown made by the Wolverines in their Friday night opener against the tough Hagerman Bobcats. The Texico Green and White squad was overpowered by the Bobcats 16-6, in Hagerman. The Wolverines have an open date tonight (Friday).

SUMMARY OF PROPOSED CONSTITUTIONAL AMENDMENTS

SPECIAL ELECTION NOVEMBER 6, 1973

NUMBER ONE ON THE BALLOT (S.J.R. 8)

Article III, Sections 5, 24 and 49a and Article VIII, Section 6 of the Texas Constitution are amended to: Provide for regular annual sessions of the Legislature. The regular session in each odd-numbered year would be for a period not to exceed 180 days. The regular session in each even numbered year would be for a period not to exceed 60 days and would be limited to consideration of fiscal matters and any emergency matters submitted by the Governor. The 60 day session could be extended by the Governor for a period not to exceed 30 days; Provide an annual salary for members of the Legislature not exceeding \$15,000 per year and a per diem not exceeding \$18 per day for each day of each regular session or special session; Provide that no appropriation of money shall be made for a longer term than one year and direct the Comptroller to make annual estimates of anticipated revenue rather than biennial estimates. The wording of the proposed amendment as it will appear on the ballot is as follows: "The constitutional amendment to provide for annual regular sessions of the legislature; and to provide an annual salary of \$15,000 and per diem for the members of the legislature, effective in January, 1975."

NUMBER TWO ON THE BALLOT (H.J.R. 7)

Article XVI, Sections 50 and 51 of the Texas Constitution are amended to: Include within the scope of homestead protection the real property of a single adult person which meets the other requirements of homestead property, and to provide that a family homestead may not be abandoned except with the consent of both spouses. Presently a single adult person is not entitled to claim a homestead exemption and a married man can abandon a family homestead without the consent of his wife. The wording of the proposed amendment as it will appear on the ballot is as follows: "The constitutional amendment to include within the scope of homestead protection the real property of a single adult person which meets the other requirements of homestead property, and to provide that a family homestead may not be abandoned except with the consent of both spouses."

NUMBER FIVE ON THE BALLOT (S.J.R. 12)

Article XI, Section 7 of the Texas Constitution is amended to: Provide that all counties and cities bordering on the coast of the Gulf of Mexico are authorized to levy a tax to pay for bonds issued for the construction of sea walls and breakwaters upon a majority vote of the resident property tax-payers. Counties and cities are presently authorized to levy such taxes and this amendment only changes the required vote from a two-thirds majority to a simple majority. The wording of the proposed amendment as it will appear on the ballot is as follows: "The constitutional amendment authorizing counties and cities bordering on the Gulf of Mexico to issue bonds

NUMBER THREE ON THE BALLOT (S.J.R. 13)

Article VIII, Sections 1-a and 1-b of the Texas Constitution are amended to: Extend the \$3,000 ad valorem tax exemption to the residential homesteads of unmarried adults. The wording of the proposed amendment as it will appear on the ballot is as follows: "The constitutional amendment to extend the \$3,000 ad valorem tax exemption to the homesteads of unmarried adults."

NUMBER FOUR ON THE BALLOT (S.J.R. 1)

Article XVI, Section 59, of the Texas Constitution is amended by adding a new Subsection (e) which: Provides that no law creating a conservation and reclamation district shall be passed unless a copy of the proposed law is delivered to the commissioners court of each county and to the governing body of each incorporated city or town in whose jurisdiction said district or any part thereof is or will be located. Each such commissioners court and governing body may file its written consent or opposition to the proposed law with the Governor, Lieutenant Governor and Speaker of the House of Representatives. Each special law creating such a district must comply with general laws then in effect relating to consent by political subdivisions to the creation of such districts.

The wording of the proposed amendment as it will appear on the ballot is as follows: "The constitutional amendment establishing certain requirements relative to the enactment of laws creating certain conservation and reclamation districts."

NUMBER SEVEN ON THE BALLOT (H.J.R. 6)

Article III, Section 49-b of the Texas Constitution is amended to: Provide for an additional \$100 million in bonds or obligations of the State of Texas for the Veterans' Land Fund. This amendment increases the present \$400 million authorization to \$500 million; Remove the present provision which permits buying of land only by those veterans who served between September 16, 1940 and the date of formal withdrawal of United States troops from the armed conflict in Viet Nam. This amendment would allow all veterans who serve after September 16, 1940 to buy land from the Veterans' Land Fund, provided they are otherwise qualified; Provide that, in the event of the death of an eligible

for the construction of sea walls and breakwaters upon a vote of the resident property tax-payers.

NUMBER SIX ON THE BALLOT (S.J.R. 26)

Article V, Section 8 of the Texas Constitution is amended by adding a new paragraph which: Provides that the district court, concurrently with the county court, shall have the general jurisdiction of a probate court and in a probate proceeding shall also have the jurisdiction otherwise conferred on it by law. It also provides that the legislature may increase, diminish, or eliminate the jurisdiction of the district court or county court in probate matters, may adopt rules governing the filing, distribution, or transfer of cases and proceedings as between the courts having jurisdiction of probate matters, and may provide that all appeals in probate matters shall be to the courts of civil appeals.

The wording of the proposed constitutional amendment as it will appear on the ballot is as follows: "The constitutional amendment to provide for an additional \$100 million in bonds or obligations of the State of Texas for the Veterans' Land Fund."

NUMBER EIGHT ON THE BALLOT (S.J.R. 29)

Article XI, of the Texas Constitution is amended by adding a new Section 5(a) which: Authorizes and requires incorporated cities, towns and villages, regardless of population and notwithstanding the constitutional limitations on total tax rates, to levy such annual ad valorem taxes on the taxable property in the city, town or village as are necessary to pay the principal of and interest on, when due, the general obligations hereinafter issued by the city, town, or village. The legislature is empowered to limit by general or special law the total principal amount of general obligations which may be issued, but unless and until the legislature acts to do so, the limitations established by statute with respect to the total principal amount of bonds which may be issued by independent school districts shall apply as the rate limitation on cities, towns, and villages.

The wording of the proposed constitutional amendment as it appears on the ballot is as follows: "The constitutional amendment to authorize cities, towns, and villages to levy such ad valorem taxes as are sufficient to pay the principal of and interest on their general obligations hereafter issued subject to the restrictions provided by law."

NUMBER NINE ON THE BALLOT (S.J.R. 25)

Article VIII of the Texas Constitution is amended by adding a new Section 2C which: Allows the Legislature, by general law, to exempt all real and personal property used by non-profit water supply corporations or cooperatives from all property taxes. The exemption would apply only to such property as is reasonably necessary to conduct the business of a non-profit water supply corporation or cooperative. The wording of the proposed constitutional amendment as it will appear on the ballot is as follows: "The constitutional amendment authorizing the legislature to exempt from property taxes certain property used by a non-profit water supply corporation or a non-profit water supply cooperative."

Friena Chieftains Stampede Steers

By Lynn Blankenship

The Steers just couldn't put it together last Friday when the Friena Chieftains handed the Farwell Steers their first loss of the season. Not only did the Chiefs completely dominated the score, but they also dominated the statistics. Friena had 213 yards rushing to Farwell's 56 yards. Farwell had three fumbles that Friena appreciated and the Chiefs had nine penalties worth 50 yards that the Steers appreciated.

The Chiefs kicked off to the Steers to get the game underway. Carl Kirkland brought the ball up to the Friena 16-yard-line where Farwell started offensive play. On their first play the Steers lost four yards but there was a penalty against Friena which made it 2nd and 5. After making two first downs the Steers were forced to punt and the Chiefs started offensive play on Farwell's 23-yard-line.

Friena made a drive of 54 yards and they were in a fourth down situation. They tried a pass but Winfred Long broke it up so the Steers took over on Friena's 23 yard line. The Steers only had two plays before the ball was jarred loose with a Chief on top of it. The Chiefs had to go only 12 yards for a touchdown but the Steer defense wasn't going to let it be easy. Friena managed to get a first down. They got three plays in the first quarter to make their two yards. The fourth play for the two yards and first play of the second quarter gave the Chieftains their 6 points. The kick for extra points was good and the score stood 7-0.

On Farwell's first play after the Friena kickoff, the Steers provided the Chiefs with another fumble. On Friena's second play, a Chief ran 28 yards for another touchdown. The field goal attempt for extra points was good and Friena moved farther out, 14-0.

Following the Friena kickoff, Farwell was soon forced to give the ball up and then it only took three plays for the third Chief touchdown. A completed pass for 17 yards brought the score up to 21-0 and the PAT brought it to 20-0 with 7:32 remaining in the first half.

Neither the Steers or the Chiefs could do anything in the remainder of the first half.

The Steers kicked off to the Chiefs to start the second half. After a series of punts by each team, disaster again hit the Steers. Friena intercepted a pass and ran 17 yards for a TD. The PAT made the score stand 28-0 with 1:56 remaining in the third quarter.

Each team exchanged punts and then a Chief connected a 30-yard pass for the fifth and last touchdown. The field goal attempt was blocked and the score stood 34-0 with 10:06 remaining in the ballgame.

During the remainder of the game neither team accomplished anything and the Farwell Steers brought home a 34-0 defeat.

"The physical and mental efforts displayed by the Steers was tremendous and other than our mistakes, we played good ball," according to Coach Toby Booth. Booth commented that the Steers were not prepared for the clash with the Chieftains and the coaching and playing mistakes were major factors in Farwell's Friday night loss.

Coach Booth commented on Steers' individual performances by saying, "We have as good a line as we've ever had since I have been in Farwell. But we just never got going and we'll have to establish a good running game to do anything against our opponents." He continued by stating that passing for the Steers is good. "The ingredients are there for a winning team but we'll have to pick up and run on our secondary and defense."

In speaking of individual players Booth said, "Our quarterback (Kevin Hargrove) did a good job. Kent Armstrong did an adequate job of running and Carl Kirkland was a good receiver."

In referring to the Steers' offensive line Booth stated, "Gene Christian was an outstanding blocker. He is a strong leader and the most im-

proved player on the club. Jesse Cantu, guard, played well as a defensive end." Mark Haseloff was tremendous and other than Barry Goldsmith "just can't be beaten for his size." Booth also commented that Greg Taylor did a good job of blocking at times.

The Steers were hurt by sweeps and passes, Booth said, and Farwell's secondary action has been changed. "We haven't had enough work with the new secondary but I believe it will be better in the long run." Booth said.

"A beautiful team" is the way Booth described the Steers' next opponents, the Dimmitt Bobcats. "They have size and speed in their backfield," he continued, "and their strong point is their defense. The Bobcats completely throttled Muleshoe in action last Friday. Their left halfback, Maberry, is a good player. He sports 165-170 pounds and is a 9.8 sprinter." Booth said Dimmitt runs out of a wishbone with an even front defense.

"Very little change will be made in the Farwell lineup for our clash with Dimmitt," Booth stated. The Steers and Bobcats will clash at 8 p.m. Friday (tonight) in Bobcat Stadium.

SHORT GAIN FOR THE STEERS - Farwell Quarterback Kevin Hargrove skirted around end for this short yardage in the fourth quarter of last week's Farwell-Friena game played at Friena. The Steer offense turned the ball over to the Chiefs at several critical points and gave the Red and White from Friena easy scores on the way to their 34-0 victory over the Steers in the season opener for both teams.

Jr. High To Open

Season Play Saturday

Texico Jr. High football squad, which consists of the seventh, eighth and ninth grades, will open their 1973-74 football schedule against the Ft. Sumner Foxes on the Ft. Sumner field Saturday morning, Sept. 15 at 10 o'clock CST.

According to Kenneth Shaw, head jr. high coach, the Jr. Wolverines are "looking good" with 42 players on the roster. The offensive backs average 150 pounds and the offensive linemen 145 pounds.

Coach Shaw also mentioned that all but two of his starting players are freshmen. These two are Glen Summers and Steve Turner, both eighth grade students.

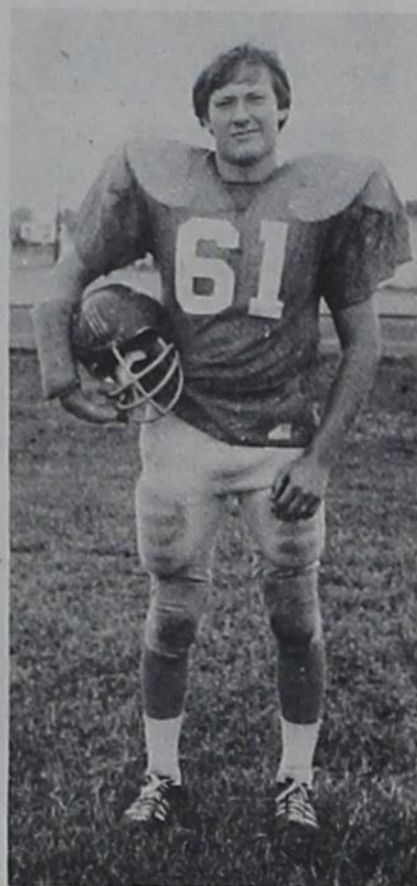

The Jr. High Wolves scrimmaged the Texico Wolverine sophomores Monday afternoon and, according to Shaw, "both the defense and the offense played real well."

The Jr. High Wolverines first home game will be Thursday, Oct. 4, against Portales.

STEERS OF THE WEEK

KEVIN HARGROVE

KIE WATKINS

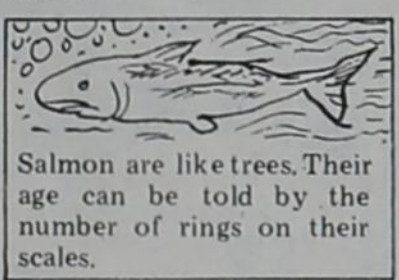

Steers of the Week announced by Coach Toby Booth for their outstanding performances during action against the Friena Chieftains Friday, Sept. 7, are quarterback Kevin Hargrove and lineman Kie Watkins. Despite many mistakes, both in coaching and playing, Coach Booth said both individual players and the Steers as a team "played good ball." The Steers are slated to meet their second opponent of the season tonight (Friday) when they travel to Dimmitt to scramble with the Bobcats.

Pep Rally Is

Today, 3 P.M.

Another pep rally will take place at Farwell School gym today (Friday) at 3 p.m.

Steer fans are urged to back the team by attending the rally this afternoon and the game tonight at Dimmitt as the Steers meet the Bobcats at 8 o'clock.

Officers Elected For Farwell FFA

At their first regular meeting of the 1973 school year Monday, Sept. 10, members of the Farwell Future Farmers of America chapter elected officers for the school year.

Directing the group as president will be Winfred Long, assisted by Mark Haseloff, vice-president; Lori Norton, secretary; Kevin Hardage, treasurer; Jacquelyn Langford, reporter; and Kenny White, sentinel.

During the meeting FFA Plowgirl and Sweetheart were

also selected. The 1973-74 Plowgirl is Pam Mayfield and Sweetheart is Leslie Norton.

The local FFA chapter will conduct meetings once a month at which times the group hopes to be able to present various speakers or have some type of program for each meeting. Members of the organization are planning to sell fruit during Christmas as a financial project.

Anyone wanting to join FFA can contact Kevin Hardage. Dues are \$5.00; \$2.50 per semester.

Portraying Area Homemakers

Mrs. Ted (June) Magness of Farwell, wife of a farmer and mother of four youngsters, enjoys the active life of taking care of her family. The Magness children, three daughters and a son, are Kim, 15, Kristi, 14, Kirk, 12, and Karen, nine. Their participation in many school and outside activities keeps June busy driving them back and forth to town from their farm south of Farwell. And although this keeps June "on the go," she says "I probably wouldn't want to miss any of it."

June is a member of the board of directors of Farwell County Club and serves as secretary for the group. She also belongs to the Women's Society of Christian Service where she is Circle Chairman. The family belongs to Hamlin Memorial United Methodist Church where June has at one time or another taught in every Sunday School class from the nursery through senior high.

Having grown up in a sports minded family, June says she guesses she "just inherited" her love of spectator sports and admits having a partiality for football. She recalls that while her only sister was spending her time learning to cook, she was outside playing football with her three brothers. She laughingly admits that her expertise in the kitchen today still reflects that early training! Her husband and children share her enjoyment of seeing "a good football game" and they enjoy attending games or just watching them on television together.

The Magnesses enjoy living

on the farm and the opportunities it gives them for being outdoors although June thinks that it is sometimes a "hectic paced" way of life. They like to go camping and fishing, but have few times during the summer to enjoy this form of entertainment.

Our homemaker was born in Runnels County near Ballinger, Tex. She moved to Walnut Springs, Tex., when she was 12 years old and graduated from high school there. She attended Tarleton State College in Stephenville where she studied journalism and English.

June moved to Farwell in 1955, where she went to work at the State Line Tribune as society editor. She has worked at the Tribune on and off since that time to help with the many varied duties.

Other than enjoying her family's many activities, June says she has no hobbies as such, although she does enjoy writing essays and short stories and also likes to read. She sews some for her daughters but says she isn't very talented at this although she is still learning. She also does some home canning in the late summer and early fall for the family's enjoyment.

Another interesting pastime for June is collecting old dishes from family members and close friends. She says she only collects things that have some sentimental value to her. Among her more treasured items is a seven-piece pitcher and bowl set that belonged to the late Mrs. J. L. Bird, a friend of the Hensley family from Walnut Springs. The set is almost 100 years old.

The Magness family recently moved into a new home which they had built in Lubbock and then moved to their farm. June says she is still quite busy trying to arrange furniture and decorate the place but she found time from her schedule to share with our readers two easy, but tasty recipes.

CHOCOLATE CAKE

Bring to boil:
 1/2 c. vegetable shortening
 1 c. water
 6 T. cocoa
 1 stick margarine
 Pour over:
 2 c. sugar
 2 c. flour
 Add:
 1 t. soda
 1 t. vanilla
 1 t. cinnamon
 Add:
 2 eggs
 1/2 c. buttermilk
 Bake in long loaf pan 400 degrees 15-20 minutes.

MEXICAN FOOD DISH

1 1/2 to 2 lbs. hamburger, brown and season
 Add one can each:
 Cream of mushroom soup
 Cream of chicken soup
 Green chili enchilada sauce
 Small can of taco sauce

Bring to boil and simmer about 10 minutes. In large casserole dish, make a layer of raw tortillas, meat mixture and grated cheese. Continue making layers until all is used, then bake one hour at 325 degrees.
 Serve with tossed salad, tostados and pinto beans.

ACTIVE MOTHER AND WIFE - Mrs. Ted (June) Magness of Farwell, wife and mother of four children, enjoys taking care of her family as well as participating in many outside activities. Collecting old dishes is a favorite hobby of June. The antique seven-piece bowl and pitcher set which is pictured was given to her by the late Mrs. J. L. Bird, a friend of the family. The set is approximately 100 years old.

Farwell Seniors Schedule Supper

Youngest Snodgrass Gets In The Action

Karen Snodgrass, age six, placed second in the age seven and under class in western horsemanship competition at the Curry County Fair last week in Clovis.

The young miss also took second place with a pumpkin, stock variety, in the Agricultural exhibits at the Fair. Karen's proud parents are Mr. and Mrs. Roy Snodgrass of Texico.

All of the Snodgrass daughters did quite well in a junior rodeo and horse show in Muleshoe recently. Vicki won the barrels, pole bending and the flag events accumulating the highest points to capture All-Around Cowgirl in her age division.

Susan took second place in pole bending and fifth in the barrels, and Karen placed sixth in western horsemanship and fifth in the poles in their respective divisions.

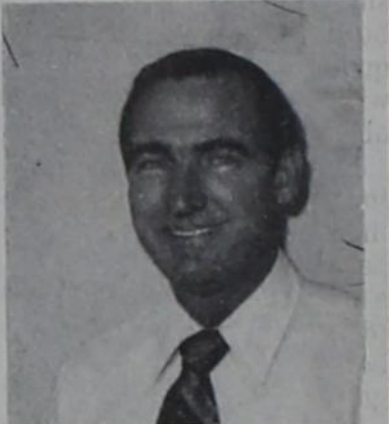

MISS RODEO USA 1985? - Mr. and Mrs. Roy Snodgrass of Texico are mighty proud of their active children, Susan, Vicki and Mike, who have entered rodeos and horse shows for several years and won many honors. But big brother and sisters will be facing a tough opponent in the years to come as six-year-old Karen has gotten her first taste of sweet victory by placing second in the age seven and under class in western horsemanship at the Curry County Fair last week. Karen also placed sixth in western horsemanship and fifth in pole bending at the junior rodeo and horse show in Muleshoe recently.

Tanya Lynn Cherry Weds James Elwyn Chadwick

Tanya Lynn Cherry, daughter of Mrs. Alton Cherry of Muleshoe and the late Alton Cherry, became the bride of James Elwyn Chadwick, son of Mr. and Mrs. W. O. Chadwick of Farwell, Aug. 31 in First Baptist Church of Farwell.

Rev. Cliff Ennen performed the double ring ceremony before an altar arched with a 16-branch candelabrum holding orchid candles with an eight-branch candelabrum on either side, adorned with emerald greenery and ribbon.

Wayne Anderson sang "The Twelfth of Never" and "The Lord's Prayer" accompanied by Stephen Sanderson on the organ.

The bride, given in marriage by her brother, Wayne Cherry, wore a white floor length gown of chiffon over satin. The gown featured a lace empire bodice with sheer neckline and long, sheer sleeves with lace cuffs. The skirt was designed with two rows of lace on each side and a floor length train with a row of lace down the center. Her chapel length veil was of silk illusion with a wide lace border. She carried a tranquility bouquet of white daisies with English ivy and a detachable orchid.

orchid cloth by Mrs. Wayne Cherry, sister-in-law of the bride.

For a wedding trip to Colorado Springs, Colo., the bride wore a knit pantsuit featuring an orchid blouse and purple slacks and vest, and the orchid lifted from her bouquet.

The bride is a 1970 graduate of Muleshoe High School and attended North Texas State University and Texas Tech.

The groom's parents hosted a rehearsal dinner at Clara's Spur Restaurant, Aug. 30.

Linda Gohlke Named 4-H Bake Show Queen

Parmer County 4-H Better Bake Show competition was Sept. 8 in conjunction with the 4-H project Fair in Friona.

Linda Gohlke of the Oklahoma Lane 4-H Club was named Bake Show Queen. She will compete Sept. 15 in Amarillo with other Bake Show winners from over the area. She will then appear on the Farm and Home Show of one of the Amarillo TV stations on Sept. 22, which will be the climax of Rural Youth Day at the Tri-State Fair in Amarillo. At this time awards will be presented for the District Bake Show and Wheat Contest.

Other 4-H members participating in the Parmer County Bake Show were: Cheryl Gohlke, Oklahoma Lane, blue ribbon; Johanna Mesman, Oklahoma Lane, blue ribbon; Tommy Mesman, Oklahoma Lane, red ribbon; Susan Mimms, Lazbuddie, red ribbon; Cheryl Whitecotton, Bovina, red ribbon; Debbie Whitecotton, Bovina, white ribbon; and Carol Carr, Friona, white ribbon.

Attend Reunion

Mr. and Mrs. L. C. Herington and sons, Keith and Randy of Farwell were in Jacksboro, Tex., Sept. 1 and 2 to attend the Steele family reunion. This was a reunion of Mrs. Herington's family.

Their daughter, Carolyn, joined them from Texas A&M University where she started school Sept. 3. Miss Herington had left Farwell Aug. 28 for enrollment at College Station.

SWCD Meets, Reviews Bovina Dam Site Plans

Parmer County Soil and Water Conservation District had its regular meeting last week. Directors present were Leon Grissom, Jimmie Cockerman, Alton Morris and Dick Rockey. Also present were Edwin Livengood, SCS; Mack Heald, County Extension Service; and Albert Cupell, District bookkeeper.

Routine business taken care of was the SCS accomplish report, ten new conservation plans approved, and three applications for Great Plains Conservation Program were also reviewed.

The Board prepared and

signed a letter to the SCS State Office on the James R. Thompson easement for the Bovina Dam Site.

The Board as informed that the invitations for bids for the Bovina Site of the Running Water Draw Watershed Project were being mailed out that day. Also the detailed drawings and specifications for the Bovina Dam were reviewed with the Board.

The District's Annual Plan was reviewed and approved.

The District has hired a D.E. student, Mary Beth Bennett, from Friona High School to do its clerical work and assist the SCS staff in Friona.
