

PERSONAL

by John

Oftentimes progress is a steady and unnoticed thing. Other times progress stares the whole community in the face. This letter type of progress will soon be evident to the citizens of the Twin Cities.

Farwell let a major contract this week to begin a much needed expansion of the water distribution system. Soon we will see ditchers inching down the streets and pipe being dug out and the other pipe being laid in the deep holes. This is the progress you can't miss seeing.

Plans for local paving are going on, on both sides of the State Line. Farwell is getting ready for a public meeting to determine the city's readiness for a major paving program. Texico is now beginning to consider putting pavement down on more of its streets and overhauling much of the existing pavement. When pavers begin work you can't miss em.

Recently a major industrial deal has been accomplished and the prospects of a hundred plus jobs being available locally are very bright. This type of progress has been mostly unseen up to this time. We hope to have a news story on this in the near future for all our people to read and to be aware of the things that go on to develop a town that are largely invisible to the casual observer.

These visible signs of civic progress are responsible for the meaningful progress that is largely unseen. Business, industry and investments come only to a growing community. It takes visible signs of a community's pride in itself to attract expansion capital.

So it is with the paving project. Everybody's property will increase in value from two or three per cent to as much as 100 per cent. Real estate is a supply and demand market. As we increase the demand for a commodity we increase the market value of the items. By increasing the demand for real estate in Farwell and in Texico the price of it will go up.

Pavement is a sure-fire way to help everybody gain both in an economic sense and in an aesthetic sense. Paved streets with curbs and tended lawns and shrubbery are eye pleasing to everybody. Pride begets pride and as a neighborhood begins to improve it self, others will follow suit and eventually things get done that were heretofore considered impossible.

A year from now the Twin cities can be one of the brightest jewels in the diadem of the Golden Spread if the citizenry of the towns will grab the opportunity for greatness that is within their grasp.

Clovis is in the throes of a hospital hassle. There seems to be several competing groups bent on building a new hospital facility. One or all of these groups may come up with a big, new plant to service this area. Our information leads us to believe that these folks are looking to the east side of Clovis as a site for their projects. This cannot help but be a boon to the Twin Cities both from the intrinsic health value to the present residents but will also be a major factor in continued residential and industrial expansion or our area.

We share many things in common with Clovis and a close rapprochement with that community is vital to us. Fortunately we have this understanding of mutual dependency and it is working for our as well as their long term gain. The spirit of progressive cooperation is the touchstone of greatness for Clovis, Texico and Farwell. We have it now; we must preserve it in the future.

Band Boosters Schedule Meet

Farwell Band Boosters will have a regular meeting Wednesday, Oct. 3, at 3:30 p.m. in the Farwell band hall.

Booster officials report work is still going on with the band calendars. Anyone wanting to purchase a band calendar who has not been contacted should call Billie Blain at 481-3267 or Mrs. R. E. Blankenship at 825-2332.

FHS Homecoming To Be Climaxed With Coronation

by Patti Parker

Go, Steers! Clip the Eagles!

This yell and many others began as a low rumble through the halls of Farwell Schools Monday and is expected to break at full volume during the 1973 Farwell Homecoming clash when the Steers meet the Seagraves Eagles to finish off a full week of hustle and bustle, planning and spirit raising.

Activities began Monday with the first phase of initiation for freshman students. During the week freshmen have been instructed by their seniors to portray various childhood personalities and famous animal characters among other initiation methods

which have been instituted. Topping off the week of "breaking in" was an assembly Thursday at which all freshmen paraded before the entire student body in costumes designed by the upper classmen.

Homecoming Queen candidates and Pep Club Beau candidates were announced early during the week with coronation scheduled at half-time of the Steer-Eagle encounter with the pep club, girls, football boys and high school band participating. The Seagraves band will also perform at half.

Candidates for Football Queen are Cary Marsh, daughter of Mr. and Mrs. Glenn

Marsh, freshman candidate; Charla Norton, daughter of Mr. and Mrs. Gerald Norton, sophomore; Pam Mayfield, daughter of Mr. and Mrs. Billy Mayfield, junior; Leslie Norton, daughter of Mr. and Mrs. Darrel Norton, senior; and Cindy Watts, daughter of Mina Watts and Billy Watts, candidate-at-large.

Pep Club Beau candidates are Mike Goettsch, son of Mr. and Mrs. Carl Goettsch, freshman candidate; Gerald Hardage, son of Mr. and Mrs. Gene Hardage, sophomore; Mike Woods, son of Mr. and Mrs. Carliss Woods, junior; Kent Armstrong, son of Mr. and Mrs. Derwood Armstrong, senior; and Charles Christian, son of Mr. and Mrs. Donald

Christian, candidate-at-large.

Spirit raising began warming up the first of the week as huge posters were hung to line the school halls promoting spirit and victory for the Steers. The spirit fire was tendered a little more and spread to Steer supporters when a Seagraves Eagle was to be burned in effigy Thursday night at 8:30 before a crowd of ex-students, townspeople, students, Farwell Steers, cheerleaders, Pep Club and Farwell High School Band.

Another log is to be added to further kindle a winning spirit at 3 o'clock this afternoon (Friday) when the Farwell cheerleaders and pep club will host the Homecoming pep rally in Farwell High School gym. The general public, which

includes all Steer supporters and ex-students, is invited to join Farwell students in giving their full support to the Steers.

Fans can prepare themselves for an exciting evening of football by stocking up on food energy at a Fried Chicken Supper slated to begin at 5:30 p.m. Friday (today) in Farwell High School cafeteria prior to the game. The meal is being sponsored by the Farwell Senior Class.

The final event culminating the week of Homecoming activities will be the playing of the Homecoming football game beginning at 8 o'clock in Steer Stadium. The Steers will be facing the Seagraves Eagles in what is expected to be a "game of games."

Gas Co. Announces Raise - -

Farwell City Commission Accepts Local Firm's Bid

Farwell City Commission at its regular meeting Monday evening officially put its seal of approval on the water main expansion project for the City of Farwell. By unanimous vote, the Commission accepted the bid of Sheets and Sheets, local contracting firm, in the amount of \$85,218.93 for the revised project.

At its meeting two weeks ago, the Commission had received a low bid of \$79,438.43 from Sheets and Sheets on the basis of using 8-inch pipe throughout the project. The revised bid was on the basis of substituting 10-inch pipe for a portion of the project. On the revised basis, Sheets was still the low bidder and the Council accepted this figure for the project.

Present plans are for the City to pay the contractor cash upon completion of the project. It was estimated that the

project would last into next spring before it could be fulfilled in its entirety. A financing plan by the City will probably be aired at the next Commission meeting.

In other business before the Council, W.J. Orbison, representing Southern Union Gas Company, reported to the Commission that the utility company would soon be adding another 1 1/2 cents per 1000 cubic feet of gas to the cost of natural gas in Farwell. Orbison explained that this was in line with a previous City Council agreement that the basic cost of acquisition of raw gas could be passed on to the consumer.

The cost of gas is determined by averaging all the cost of gas procured by Southern Union in the state of New Mexico. This figure has been advancing steadily for the Company and has necessitated an upward revision in retail prices throughout its system.

At the present time, local householders are paying \$1.88 1/2 for the first MCF, 90 1/2 cents for the next 3MCF, 81.1 cents for the next 6MCF and 71.6 cents for the next 15MCF. To these figures will be added the 1 1/2 cent cost increase to the user.

The City got its Planning and Zoning program underway with the appointment of three local citizens to the Board. Those appointed were Albert Johnson, Terry Parr and Charles Hargrove. Parr was named chairman of the Board.

The City Dads charged the new commission with the responsibility of advising the City on new ordinances necessary to implement an orderly growth pattern for the City. The new P & Z members promised to immediately study the present Farwell ordinances and to look at model ordinances on planning and zoning already in effect in other cities in Texas and New Mexico.

The Council also heard a progress report from the Lydick engineering firm, hired last meeting to plan and supervise the paving project for the town. Lydick reported that engineering computations were going as planned and that if everything went as projected, a contractor could begin the actual construction work in Farwell the first week of December.

I.W. Quickel also gave the Commissioners figures on a group insurance plan for employees of the City. The Council asked Quickel to report

back with plans and costs on an expanded program for all persons connected with the city.

Attending the meeting were Mayor Gil Patschke and Commissioners Jim Berry and Fred Chandler. Also present were City Attorney Charles Aycock and Clerk Jane Bowery.

Farwell Course - -

V. Scott Regains Club Championship

Vernon Scott of Farwell shot a 68-74-144 to win Farwell Country Club's annual club championship tournament this past weekend. Scott was two under par for the tourney. He regained the title from Jack Kirkland, defending champion. Scott had been club champion previous years.

Harry Sheets of Farwell took second place with a 80-80-160 in the gross division.

In the net division, Tommy Bonds of Bovina was first with a 137 total, Harry Sheets was second with a 138 total, Glendon Sudderth of Bovina was third with a 141 total and Joe Fowler, also of Bovina, came in fourth with a 143 total.

In the team division, Vernon Scott and Tommy Bonds shot a 134-137-277 total to capture first place by ten strokes over the partnership of Joe Helton of Texico and Joe Fowler of Bovina, who came in second with a 140-147-287 total. Third place went to Harry Sheets and Woodrow Lovelace of Farwell with a 145-150-295 total.

Thirteen teams and 23 players participated in the tournament. Trophies and gift certificates were given to the winners of each division.

Jury Hands Out Life Sentence

Leland Bruner of Friona was given a life sentence after being tried and found guilty of rape in District Court which convened Tuesday in Farmer County Courtroom. The jury deliberated for one hour before reaching the punishment decision.

Bruner was returned from Dansville, Ill., on charges of rape of a juvenile that took place near Friona. His at-

torney plans to appeal the case, but Bruner will be taken to Huntsville to begin sentence while waiting the appeal.

David Vargas of Farwell plead guilty and was given a five-year probated sentence by District Judge Pat Boone, Jr., for killing horses belonging to D. W. Pearson of Bovina. Vargas was also ordered to make restitution for the animals.

First Perfect Score - -

Jerry Mathis Calls Ten Right In Weekly Contest

Jerry Mathis, Farwell Vo-Ag teacher, submitted this year's first perfect entry in last week's Merchants Football Contest and thereby garnered the first place honors for the week. Mathis called all ten games correctly and stood

alone at the \$5 pay window for his effort.

Taking the second place money of \$3 was Elaine Wardlaw who foresaw nine games correctly and was only one point off on the tiebreaker score. Steve Owens also hit the

nine mark in right games but was three points off and had to settle for third spot and a check for \$1 in the weekly game.

Others calling nine games correctly but farther off on the point spread of the tiebreaker game score were George Garza, Carlton Newell, Keith Herington, Carolyn Owens, Mrs. Albert Johnson, Harold Travis, Russ Jones, Jack Allan Kirkland, Thad Phillips, Jack Kirkland and Kie Watkins.

Leading the overall contest at the end of three weeks is Becky Taylor with a total of 23 correct games to her credit.

Occupying second place with 22 points are Joyce Coffman, Russ Jones, Jerry Mathis and Mrs. Jack E. Taylor.

Bunched at third place with 21 marks are Louise Hancock, Donna Haseloff, B.V. Hughes, Robert Johnson, Leon London, Sarah Marsh, Jeniene Taylor and Missy Taylor.

So far this season the contest has drawn 328 individuals as contenders for the Grand Prize of two tickets to the Cotton Bowl game in Dallas on New Year's Day and \$50 expense money. The runner-up will net two tickets to the Sun Bowl in El Paso plus \$25 for expenses.

HAPPY WINNER - Jerry Mathis, left accepts his \$5 first place check for winning last week's Merchant's Football Contest. Presenting the check is Fred Chandler of Shirley-Anderson Pitman grain company, a weekly sponsor of the contest. Mathis correctly called the outcome of all ten games on last week's card. This was the first perfect entry this year.

PLANNERS FOR PROGRESS - Appointed to the Farwell Planning and Zoning Commission Monday afternoon were, left to right, Terry Parr, Charles Hargrove and Albert Johnson. Administering the oath is Farwell Mayor Gil Patschke, right. The Commission was delegated the task of making recommendations toward revamping the City's present ordinances in the areas of zoning and planning for the orderly expansion of the City.

C.A. Norton Rites Held In Bovina

Mr. C. A. Norton, formerly of Farwell, died Monday, Sept. 24, in a rest home in Granbury, Tex. Funeral services were conducted in Granbury Wednesday, Sept. 26, at 2:30 p.m. The body was to be returned to Bovina Cemetery for graveside services which were scheduled at 4 p.m. Thursday, Sept. 27.

Local survivors are a daughter, Mrs. E. L. (Buster) Cochran of Oklahoma Lane, and a brother, L. L. Norton of Farwell.

Other survivors include his wife, Lillie of Granbury; three sons, another daughter, three sisters and several grandchildren and great-grandchildren.

First Home Game - -

Texico To Meet 2nd Dist. Foe

In their second district clash of the 1973 football season, the Texico Wolverines are scheduled to host the Melrose Buffaloes in their first home game. Action will begin at 8:30 Friday (tonight) in Wolverine Stadium.

The Wolverines were defeated in their first district tilt by Vaughn and will be trying to even the record, according to Head Coach Bucky Walters.

Walters commented that the Buffaloes are a bit weaker than last year having lost most

of their team at 1973 graduation. "The Buffaloes have a good number of boys who do not have enough experience. They have some good individual boys who played against us last year like Kenny Reid, a 6 ft., 199-lb. defensive end and offensive center," Coach Walters said.

The coach plans some "experimentation" with various offensive changes for tonight's clash. Defensively, no changes will be made, according to Walters who commented, "I

was really satisfied with the way the defensive squad played against Vaughn."

In summarizing factors concerning the scheduled battle Walters concluded, "The Melrose Buffaloes have always played a hard hitting game against us. We're not looking for an easy game. We're going to have to play some good ball to even our District record."

School Lunch Schedule

At Texico

MONDAY -- Hot dogs with chili, onions, pickles, French fries, banana and milk.

TUESDAY -- Meat balls on rice, green beans, hot rolls, fruit gelatin and milk.

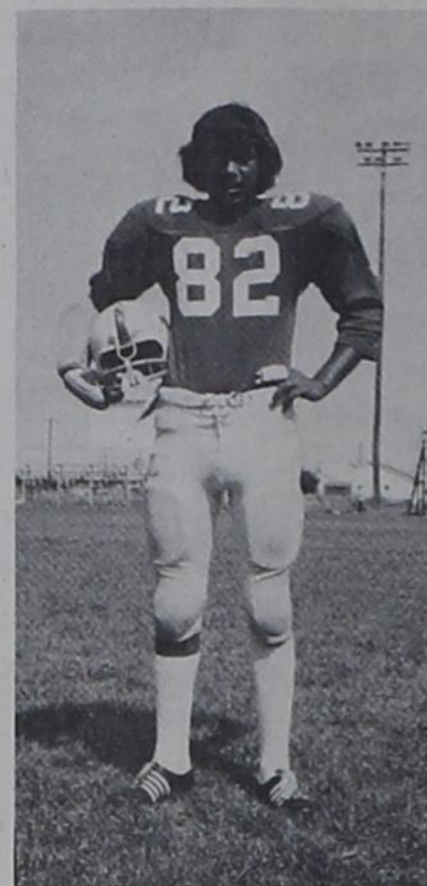

WEDNESDAY -- Roundup stew, toasted cheese sandwiches, Ginger Crackles and milk.

THURSDAY -- Chicken enchiladas with green chilies, lettuce and tomato salad, buttered corn, peanut butter and Karo and milk.

FRIDAY -- Tuna sandwiches, pork and beans, celery stick, pineapple cobbler and chocolate milk.

Bruges, Belgium, gets its name from the fact that there are 50 bridges in the town -- and thus the city was named "Bruges," meaning "bridges."

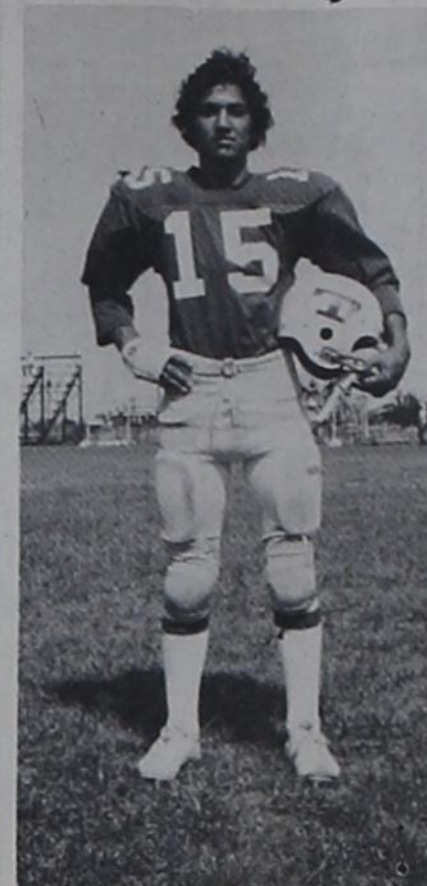

Wolverines Of The Week

JIMMY ORTIZ

CRAIG CHUMLEY

TOMMY GALVAN

Bucky Walters, head coach of the Texico Wolverines, has selected Jimmy Ortiz, Craig Chumley and Tommy Galvan as Wolverines of the Week for their performance against the Vaughn Eagles last Friday. According to Walters, "Tommy Galvan did a fine job on offense and did some good running." In commenting on the outstanding defensive Wolverines Walters said, "Chumley blocked a punt and did some hard tackling against the Eagles. Ortiz also had a lot of unassisted tackles."

Marriage Licenses Issued

Marriage licenses issued by the Parmer County clerk's office this past week went to: Jesse Milton Carlton and Sherriecce Ann Myers; Fredy A. Moss, Jr. and Linda Joyce Langston; and Lee Otis Weseman and Opal Inez Wiseman.

KEENEYE'S TIPS ON SHOOTING

16-8 Defeat - -

Eagles Skin Wolverines In First District Clash

by Domingo Rojas

The Texico Wolverines traveled to Vaughn last Friday to meet face to face with their first district opponents of the 1973 season and returned home with a black mark on their district record when they were downed by the Eagles 16-8.

The Wolverines opened the game by kicking off to the Eagles. Vaughn was unable to gain enough yardage in three plays for a first down but rallied on their final try to come up with the down. The Wolverine defense got tough and pushed the Eagles back to a six-yard loss on their first down. After no more gains, Vaughn attempted a punt but a fumble occurred between center Randy Turner and the punter.

After taking possession on the fumble the Wolverines began offensive play on the Eagles 37-yard-line. On their first play Quarterback Randy Harrison was dropped behind the line of scrimmage for a seven-yard loss. It was second and 17 when fullback Jimmy Ortiz fumbled on the 35-yard-line with the Eagles recovering. The Eagles, still unable to get a drive going against the Wolverines, were again forced into a punting situation and another fumble occurred.

The Wolverines advanced to Vaughn's 12-yard-line when tight end Steve Harrington received a pass from quarterback Harrison. Following the next play Harrison was again dropped behind the line of scrimmage and a penalty was added to the loss for illegal motion. The Green and White was forced to punt and the Eagles began offensive play on their own 25-yard-line. Wolverine tackle Roger Pace broke through the Eagle offensive line to bring down halfback Leonard Garcia for a loss of four yards. On the next play, Eagle quarterback Tomas Lucero was tackled by Wolverine linebacker Jimmy Ortiz after trying a run around end.

Texico's offensive squad took over and Harrison tried to start play with a pass but was again intercepted by defensive safety Lucero. Lucero ran the interception 35 yards for the first touchdown of the night. The Eagles were successful in their points after touchdown attempt to grab a 8-0 lead.

Texico took Vaughn's kickoff and ran it out to the 18-yard-line. Harrison handed off to runner Tommy Galvan who was stopped by Eagle Van Halder-

man. Second play of the series saw Harrison fumble on Texico's 22-yard-line with Vaughn recovering. The Eagles gained two yards on a play and were moved back to Texico's 35-yard-line on a 15-yard penalty for offensive holding. Vaughn tried a pass to end Alfred Gallegos but the play was broken up by defensive safety Curtis Lindley. The Eagles were faced with a third and 30 situation when quarterback Lucero broke away for a 20-yard gain before being brought down by Lindley. Vaughn attempted a pass on their fourth down but safety Albert Galvan was there to break it up.

Second half action began with Vaughn kicking off. Harrison tried a pass to one of his ends on the first play to have it intercepted. The Eagles scored again on a five-yard run with their PAT being successful. The score then read Vaughn 16, Texico 0.

The Wolverines moved the kickoff to the 29-yard-line. Tommy Galvan carried for good yardage in the first play but the Wolverines were unable to sustain a drive and were forced to punt.

Following a series of punts by both teams the Wolves began a strong drive with running back Tommy Galvan picking up a first down and adding eight yards in their second down play. On third down Harrison's pass was intercepted by Vaughn to end the drive. Vaughn lost possession when halfback Mike Blitznak fumbled and defensive safety Albert Galvan came up with the ball for the Wolves.

On the first play, Tommy Galvan powered through the middle of the Vaughn defense for good yardage. Harrison held the ball on the next play and ran for a first and ten. Another strong Wolverine drive was ended when a fumble occurred.

Vaughn could not get the ball moving and turned over possession on a punt. After a series of first downs by Harrison and Galvan, Harrison ran a keeper for 20 yards to the goal line for the Wolverines only TD of the night. Harrison also ran the conversion to add two more points to the Texico score giving them 8.

Wolverine Roger Pace was credited with a fine play when he blocked a punt by Vaughn and covered it on the 43-yard-line. On the Wolves first play Jimmy Ortiz picked up four

yards with Tommy Galvan adding four more yards in the second play. Harrison ran around end to pick up eight yards and a first down. The Wolverines suffered another major penalty and were forced to punt. With time running out the Eagles ran a few more plays but were unable to reach the endzone. The final gun sounded with Vaughn victors 16-8.

Wolverine Head Coach Bucky Walters commented that Wolverine "offensive blocking did not look like it could have. Both the offensive linemen and the offensive backs didn't block where they were supposed to."

Coach Walters commented that the defense "played good football." He stated, "We played good enough defensive

football to have won the game but too many offensive errors were made."

In commenting on individual players, Coach Walters recognized Albert Galvan for "doing a good job at his safety position and Tommy Galvan did a fine job as offensive back." Walters further commented that "Tommy did some good running."

Craig Chumley and Jimmy Ortiz played fine defensive football, according to Walters. "Chumley blocked a punt and did some hard tackling against the Eagles," said Walters, "and Ortiz had a lot of unassisted tackles."

The Wolverines will meet the Melrose Buffaloes in their first home game of the season Friday (tonight) at 8:30 in Wolverine Stadium.

Next Game At Home - -

Plains Cowboys Spur Steers

The night was perfect and the spirit was high but the Farwell Steers just couldn't get away from those gouging spurs of the Plains Cowboys.

The game was full of punts caused by fourth down situations and fumbles. The Cowboys drove all their yardage out on the ground which stacked up 27 points for them. The Steers were unable to move on the ground but their passing plays seemed to be more than Plains could handle toward the end of the game when Farwell collected 6 points.

The Plains Cowboys kicked off to the Steers to get the game underway. With a fourth down situation, the Steers were forced to punt, but they got the ball back in two plays when Plains fumbled. Shortly afterwards, however, Plains was again on the offense. They ground out steady yardage until finally a Cowboy went over from three yards out for a Plains touchdown. Weldon Nelms completed a pass for two extra points and Plains was in the lead 8-0. In the remainder of the first quarter and all of the second, the teams battled it out; however, neither could chalk up any points.

After the Steer kickoff, to start the third quarter, Plains again started the grind for the goal line. After getting to the Steer one-yard line, a Cowboy went over for Plains' second touchdown. The kick for point after touchdown was good and Plains moved farther out in the lead, 15-0. Toward the end of the third quarter, Farwell started a drive. After working to move the ball down to the Plains 6-yard line, the Steers fumbled, and the Cowboys recovered. Following a series of plays, Plains was forced to punt. Mike Woods ran the ball back 60 yards; however, the referees called Farwell for clipping, so the ball was brought back plus a 15-yard penalty.

Early in the fourth quarter, a Cowboy went over from 5 yards out for another Plains TD. The extra point kick was unsuccessful and Plains led 21-0 with 8:45 remaining in the game.

The Cowboys then took advantage of a Steer fumble and went 22 yards for another touchdown. The kick for extra points again failed and the score was 27-0 in favor of Plains.

The Steers were determined to get something on the scoreboard and it took only four plays to do it following the Cowboy kickoff. Quarterback Kevin Hargrove connected on a pass to Kent Armstrong for a total of 28 yards and the first Steer TD of the season. The Steers attempted a two-point conversion but unsuccessful; and the final score showed Plains 27, Farwell 6.

To wrap it up in one

statement, we didn't look good at all," stated Steer Head Coach Toby Booth adding, "Mentally we were probably about as non-ready as we have ever been for a football game, kids and coaches alike." Booth continued by saying, "Plains didn't have near the ball club that Dimmitt or Friona (previous opponents) had. We just couldn't produce. I feel like we're able to, we just need to start doing it pretty soon."

Concerning individual players Booth's statements includ-

ed Barry Goldsmith, "good blocking"; Mike Woods, "ran good"; Carl Kirkland, "caught the ball good"; and Kie Watkins, "played an adequate game on defense." "But," Booth said, "you can't go with a few. We need everybody to win - we need eleven on offense and defense doing a plus job. So far we haven't all been getting together."

The Steers are slated to meet Seagraves on Steer territory Friday (tonight) in Farwell's Homecoming classic. Game time is 8 o'clock.

SHORT GAIN - Farwell Steer back Mike Woods, No. 30, slips out of the grasp of a Cowboy defender in last week's Steer-Cowboy clash at Plains. Aiding Woods with a block is Farwell's Carl Kirkland, No. 46. Woods was the outstanding ground gainer for the Steers in their 27-6 loss to the Cowboys.

Against Plains - -

Farwell Jr. Varsity Suffers First Defeat

Farwell Junior Varsity played host to the Plains Cowboys during action Thursday night in Steer Stadium to emerge with their first loss of the season marked on their record. Jr. Varsity team members

What's Cooking At Farwell School

MONDAY - Fish with tartar sauce, macaroni and cheese, blackeyed peas, carrot sticks, hot rolls, butter, applesauce and milk.

TUESDAY - Chicken pot pie, cole slaw with pineapple, chocolate cake and peaches, bread and milk.

WEDNESDAY - Pinto beans, hot tamales, spinach, pickles and onions, corn bread, butter, pears and milk.

THURSDAY - Hamburgers, lettuce and tomatoes, pickles and onions, cheese slices, potato chips, peach cobbler and milk.

FRIDAY - Porketts and gravy, cream potatoes, green beans, lettuce and tomatoes, hot rolls, butter and milk.

were downed 20-0 by Plains to give them a 1-1-1 record for the first portion of regular season play.

According to Coach Don Alana, "Plains was a much stronger team physically and our boys didn't play too well mentally." However, Alana feels that the team should do much better from here on out. Outstanding offensive players during the clash were Brad Jones, Gary Green and Reuben Costillo. Outstanding offense and Player of the Week honors went to Brad Jones.

Thursday, Sept. 27, was to be an open date for the Jr. Varsity with Steer Stadium the site of their next encounter Thursday, Oct. 4, with the Kress Kangaroos. Action is scheduled to begin about 8 p.m., following the Yearling games.

The British must march to the beat of a "different drummer, as they call him a traveller."

Steers Of The Week

BARRY GOLDSMITH

MIKE WOODS

Offensive lineman Barry Goldsmith and offensive back Mike Woods have been selected by Farwell Steer Head Coach Toby Booth as Steers of the Week following action against the Plains Cowboys last Friday. Coach Booth credited Woods with "good running" and commented that Goldsmith "did a good job of blocking" in the clash which ended in a 27-6 defeat for the Steers.

Can an electric floor polisher be used for shampooing a kitchen carpet?

Consult the manufacturers use and care book to find out what accessories are available for the polisher. If it is a multi-purpose appliance that scrubs as well as waxes and polishes hard surface floors, it may be used for scrubbing the kitchen carpet.

Homecoming - -

Steers To Clash With Seagraves

The Seagraves Eagles of District 5-A are bringing a young but tough team to play the Farwell Steers here Friday (tonight) at 8 o'clock in Steer Stadium. "We will be facing a big ball club with several good sized linemen. Their backfield is adequate and their line is good," stated Farwell Coach Toby Booth.

According to area reports, the Eagles are fielding a team with only one offensive starter and four defensive starters back from last year's 6-3-1 unit. The offensive holdover is Victor Polyak who plays end and also goes as a linebacker on defense.

On the defense the Eagles return Mike Smith at tackle and Lee Billings at nose guard.

In the backfield Seagraves features Gary Crutcher at left half, Joe Stanley at fullback, Ray Dillard at wing back and Sammy Williams, who started on the defense last year, as signal caller. The line features Doug Sellers, Mike Smith and

Eddie Medford, a trio that goes at 242, 238 and 214, respectively. The guards will be Billings and Steve Long with sophomore Bobby Welch at center.

The Eagles will make the long trip to Farwell with the desire to atone for last week's loss to Roosevelt after beating Eunice and New Deal. Head Coach for Seagraves is Jim Eddins who is noted for his hard playing teams.

"We have made several

changes which we feel will help our ball club. But, we'll have to play as good a game of football as we've ever played to beat them (Seagraves)," concluded Coach Booth.

Tonight's game will be the first home game of the season for the Steers and will be their 1973 Homecoming game. Everyone is urged to attend the pep rally at 3 p.m. today (Friday) to lend their full support to the Farwell squad.

Haseloff Solos In FIP Program

Robert H. Haseloff, son of Mr. and Mrs. Henry Haseloff of Farwell, has soloed in the Air Force Flight Instruction (FIP) Program at Texas A&M University. A Farwell High School graduate, he is an animal science major and a cadet officer in squadron 6 of the Corps of Cadets.

As an Air Force ROTC cadet, he is under pilot contract and will enter Air Force flight training upon completion of the FIP, grad-

uation and commissioning as an officer.

Texas A&M AFROTC cadets receive 36½ hours flight instruction in the program during their senior year.

Following ground school conducted by regular Air Force officers on instructional assignment at the university, the cadet receives 20 hours dual instruction and 15 hours solo flight. An hour and a half is for course completion or private pilot's license check ride.

CRITTERS FROM SPACE? - People passing by Farwell High School Tuesday might have wondered about the school system, but it was just part of the freshman activities going on this week. The "Fish" as they are called are being initiated by their upper classmen, and Tuesday they were to dress up as different animals. Pictured, from left to right, are Lady Bug Carol Vinton, Mickey Mouse Debbie Milstead, Pink Panther Leigh Ann Kirkland and Kangaroo Cary Marsh.

This Week Open - -

Plains Rope 8th Grade Yearlings In 8-0 Clash

Time was a crucial factor when Farwell's 8th grade Yearlings began a stampede toward the Plains Cowboys goal line during action in Steer Stadium Thursday, Sept. 20. The Yearlings began a drive which placed them on the Plains 4-yard-line with a touchdown within reach only to have their fate decided by the final buzzer of the game. Plains emerged victorious 8-0 following a game during which the first half was scoreless.

Second half action began with much activity as Farwell's Richard Yruegas took the kickoff and returned it 60 yards to the Plains 20-yard-line. Yearling action then came to a halt as they forfeited possession on downs.

When Farwell had regained possession, Plains was able to intercept a pass and take it all the way for their only touchdown of the night to put them in the lead 6-0. The Cowboys widened their lead to 8-0 by

successfully completing their points after touchdown attempt.

Coach Larry McDorman stated that the Yearlings "moved the ball well all night but they dropped three passes that could have been touchdowns." McDorman commented that quarterback Russ Jones' passes were "real sharp" and he commended Richard Yruegas and Josh Ensor for their running and blocking.

Outstanding offensive players cited by McDorman were Yruegas and Russ Jones while outstanding defensive credits went to Rusty McFarland and Charlie Costillo.

Next clash for the 8th grade Yearlings will take place Oct. 4 in Steer Stadium when they host Kress' Kangaroos following an open date Thursday, Sept. 27. Yearlings will enter competition with Kress with a season record of 1-2-0.

Unscored Upon - -

7th Grade Yearlings Remain Undefeated

The 7th grade Plains Cowboys fell victim 20-0 to the attack of the Farwell 7th grade Yearling team, that, according to their coach, "shines like a new dollar." The coach continued by saying that the Yearlings "have a BOOM offense and a HEAD HUNTER defense."

At the mid-point of the clash staged Thursday, Sept. 19, in Steer Stadium the Yearlings held a six-point lead and came back to nab 12 more points during the second half of action.

Touchdowns for the Yearlings were credited to Steve Owens, Robin Roberts and Rowdy Chandler with Chandler making two extra points. Team statistics indicate that Dee Dee Foster gained the most yardage for the Yearlings.

The Yearling coach cited Radney Robertson, Bruce

Mayfield, Steve Scott, Robert Lucio, Randy Gerles, Kayle Watts, Donnie Waller and Rowdy Chandler as outstanding offensive players. Outstanding defensive players named were David Hernandez, Mark Ancira and Levi Dorsey with all Yearling team members getting into Thursday night's action.

The Yearlings remain undefeated in regular season play with a record of 3-0 having won over Friona twice and downing Plains. The Yearlings have held all of their opponents to scoreless play and were to attempt to repeat their feat when they meet Bovina on Yearling ground Thursday afternoon. The Yearlings are scheduled to clash with Kress Thursday, Oct. 4, in Steer Stadium. Game time is 5:30 p.m.

Texico Jr. High Herds Melrose Buffaloes, 14-0

Texico's Junior High Wolverines rallied during action last Saturday afternoon to hold their opponents, the Melrose Buffaloes, to a scoreless four quarters of action and claim a 14-0 victory.

The Wolverines first scored when halfback Eladio Loera ran for 15 yards. The second TD came when Arthur Salguero returned a punt 70 yards to give the Wolverines a 13-0 lead. Loera made the extra point to widen the margin to 14-0, the final score.

According to Jr. High Coach Kenneth Shaw, "the offense and defense played good ball. Neither made too many mistakes."

Wolverine quarterback Steve Turner and fullback Joe West were commended by Coach Shaw "for doing a real fine job", and the coach added, "Steve Askev played good as a defensive lineman."

In regard to defensive and offensive action the coach said, "The defensive team played excellent. We played a good, hard-hitting game. Offensively we did a fine job of ball handling and blocking." Coach Shaw commented on Billy White for doing a real fine job

as offensive lineman. Offensively backs who did a good job were Eladio Loera, halfback, and Steve Turner, quarterback, according to Coach Shaw.

Game statistics show that Joe West gained 80 yards rushing for the Wolverines, and Loera 82 yards with two pass interceptions to his credit.

The Jr. High Wolverines will encounter the Portales Rams Thursday, Oct. 4, at 2:30 p.m. in Wolverine Stadium.

MAN'S WORK? - Not so, says Libby Cavallero, Texico High School senior. Libby, shown here disassembling a small gasoline engine, is the first girl student to take shop in Texico. Last year she was one of two girls taking Ag, but this year she decided to test her skills in shop. Libby is the daughter of Mr. and Mrs. E. L. Cavallero.

Sports Afield

By Ted Kesting

Most of us first learn to fish salt water with natural baits. In fact, as little kids we were often as fascinated by the baits as by what we might catch with them. As we grow older some of us pass through a "purist" stage when using artificial lures seems to us to be the only sporting way to catch fish. For a while we tend to look down on bait fishermen and call them names behind their backs. But this is just a temporary pose for most, and as we become more sophisticated we learn that there is a time for ar-

tificial and a time for naturals and that sticking to strictly one or the other means that we are missing part of the fun.

"Fishing with natural baits can be just as exciting a sport as fishing with flies or plugs," and certainly just as exciting, Tom Paugh, Saltwater Editor of *Sports Afield*, declares.

Most saltwater game fish are either bottom feeders or action feeders. Once you have determined into which group the fish you are after falls, it becomes much easier to select a bait that will entice that fish to the hook.

Capturing the romantic mood and the continental flavor of old Heidelberg, Sigmund Romberg's Student Prince will be State Fair's family entertainment feature during the 1973 World Gateways Exposition in Dallas, Oct. 6-21. The well-loved operetta with a superlative cast of singers and actors, spectacular scenery and brilliant costumes will open Oct. 5 for 20 performances in the luxurious Music Hall in Fair Park.

Jeane Renae McGehee Weds Jimmy Lee Mills

Jeane Renae McGehee became the bride of Jimmy Lee Mills August 15 in the Lazbuddie Church of Christ. Andy Rogers, minister, officiated the double ring ceremony.

Parents of the bride are Mr. and Mrs. Raymond McGehee of Lazbuddie. The bridegroom's parents are Mr. and Mrs. Cecil Mills of Muleshoe.

Centering the altar was a large bouquet of yellow gladioli and killian daisies centered in a spiral arched candelabrum holding yellow candles, with trailing greenery by candelabra. Yellow candle arrangements filled each window.

Musical selections were "Twelfth of Never", "Somewhere My Love", and "More". Organist was Mrs. Jerald McGehee, of Clovis, cousin of the bride. A poem "With God as Your Partner" was read by Andy Rogers.

The bride, given in marriage by her father, wore a formal length gown of heavy Venise lace and organza, fashioned with a lace bodice, scalloped scoop neckline encrusted with pearls, long lantern sleeves capped and cuffed with lace and a softly gathered A-line skirt. Her madonna-fashioned head piece was of French illusion with matching chapel length mantilla edged in Venise lace and pearls. She carried a floor length cascade of killian daisies, yellow roses, English ivy and greenery. Her chosen colors of yellow and blue were accented by long satin streamers tied in love knots.

As she came down the aisle, the bride paused and presented her mother with a long stem red rose. At the end of the ceremony she presented a red rose to the groom's mother.

Following wedding tradition, the bride wore in her shoes pennies minted in the years of the couple's births. Something new was her gown; something borrowed was a pearl necklace from her grandmother, Mrs. Thurman Bartlett of Muleshoe; something old was a gold wedding band belonging to her great-grandmother, Mrs. Toy Melton of Slaton; and she wore a blue garter.

Mrs. Wayne Moore of Lazbuddie was matron of honor. She wore a blue embroidered and solid mira mist gown, which featured an empire waist, scooped neckline, long lantern sleeves, capped and cuffed in embroidery and a softly gathered skirt. Her large picture hat was decorated with tulle gathered around the crown, fastened in back with blue and yellow silk rosebuds. She carried a single yellow rose with yellow satin streamers.

Bridesmaids were Mrs. Eddy Morris and Diana Mills, sisters of the groom and both of Muleshoe, and Sarah Gammon of Friona. They wore yellow gowns and hats fashioned the same as the matron of honor. Each carried a single yellow rose with blue streamers.

DeLayne McGehee of Clovis and Lisa McGehee of Lazbuddie were flower girls. They were dressed in long blue gowns designed like the bridal attendants and they carried white baskets decorated with yellow daisies and yellow and blue love knots filled the baskets.

Jim Barnes of Muleshoe served as best man. Eddy Morris of Muleshoe and Ronnie Foshee of Littlefield, brothers-in-law of the bridegroom, and Kenneth McGehee of Lazbuddie were groomsmen. Ushers were Jerald McGehee of Clovis, and Kenneth McGehee, cousins of the bride.

The mother of the bride was attired in an apricot nylon knit shirt waist dress, featuring long sleeves and a circle skirt. The bridegroom's mother wore a one piece knit dress of gray, blue and silver and trimmed with blue at the neck and hem. Both wore yellow rose corsages.

Guests were registered by Mrs. Ronnie Foshee of Littlefield.

A reception was in the

church after the ceremony. The serving table was laid with a yellow satin cloth overlaid with silk illusion. Centering the table was a silver candelabrum holding yellow candles. The bridal bouquet was laid on the table and entwined the candelabrum. The four-tiered white cake was decorated with blue roses, bells and doves topped with yellow silk bells. Yellow punch, mints and nuts were served from crystal and silver appointments.

Serving at the table was Mrs. Kenneth McGehee of Lazbuddie and Janice and Jo Sherrod of Lubbock, all cousins of the bride.

Mesdames Demp Foster, Andy Rogers, G.W. Mimms, Wayne Clark, J.W. Gammon, Marvin Mimms and Billy John Thorn were members of the house party.

For a wedding trip to Ruidoso, the bride wore a blue with white dots pantsuit with a white blouse, white daisy corsage and white accessories.

The bride is a 1973 graduate of Lazbuddie High School. The groom is a 1972 graduate of Muleshoe High School and is employed by the Muleshoe police department. The couple is at home at the Ranch House Trailer Park in Muleshoe.

The bridegroom's parents hosted a rehearsal dinner at a Muleshoe restaurant, August 14.

MR. AND MRS. JIMMY LEE MILLS

MR. AND MRS. MARK D. WILLIAMS

Joyce Davis, Mark Williams Married In Pueblo Ceremony

Joyce Elaine Davis and Mark Douglas Williams were united in marriage August 25 in the Central Christian Church in Pueblo, Colo. The bride is the daughter of Mr. and Mrs. A. M. Davis of Pueblo and Williams is the son of Mr. and Mrs. Bert Williams of Farwell.

Rev. Dennis Pendleton performed the double ring vows before an altar adorned with large white wicker baskets on each side holding large pastel-colored spider mums and daisies, flanked by two spiral candelabra with satin bows, and unity candle in the center.

Mrs. Frances Zimmerman sang the "Wedding Song" during the ceremony and played other musical selections on the organ prior to the wedding.

Given in marriage by her father, the bride wore a formal gown on bridal satin under sheer organza. The empire bodice was covered with heavy Italian lace and seed pearls. A chapel length train was attached to the softly gathered skirt. Her shoulder length veil was trimmed in matching lace and pearls. She carried a bouquet of pink roses and English ivy.

Following wedding tradition, the bride carried a handkerchief belonging to the bridegroom's great-grandmother,

Tracy Williams was a junior bridesmaid.

All of the bridal attendants wore long gowns of pink and green voile featuring sleeveless empire embossed bodices and embossed ruffle on the bottom of the skirts. They carried bouquets of pink and green daisies and pink roses.

Barry Williams of Texico served his brother as best man. Groomsmen were Stewart Rowe of Greenville, Tex., Sonny Snow of Midland, Greg Hargrove of Farwell and Steve Davis of Pueblo. Ushers were Craig Phillips of Farwell and Steve Davis of Pueblo. Eric Williams served as ring bearer.

For her daughter's wedding, Mrs. Davis wore a long gown of mint green polyester with a full length matching coat with a beaded collar. She wore a corsage of pink roses.

The groom's mother wore a long gown of pink lace featuring an empire waist with a scoop neckline and long sleeves. She also wore a corsage of pink roses.

Following the wedding, a reception dinner and dance was hosted in the Grand Ball Room at the Ramada Inn by the bride's parents. Champagne and wedding cake was served at the bride's table which was decorated with a

floral arrangement of pink and green carnations.

Mrs. Mary Marple served at the table and guests and gifts were registered by Mrs. Tom Brown and Kathy Ramsey of Lubbock.

For a wedding trip to Aspen, Colo., the bride chose a yellow and black cotton suit.

The newlyweds reside at 6001-34th St. #213 in Lubbock where the groom is a senior economic agriculture major at Texas Tech. He is a member of Alpha Tau Omega fraternity and has been on the dean's list since enrollment. Williams graduated from Farwell High School and plans to farm in Farwell when he graduates in May.

The bride attended Southern Colorado State College for one year and Texas Tech for three years where she majored in Fashion Merchandising and is employed at Hemphill-Wells in Lubbock.

The groom's parents hosted a rehearsal dinner in the Pueblo Room at the Ramada Inn.

Special out-of-town guests were Mr. and Mrs. Johnnie Williams, the bridegroom's grandparents; Mark Liethen and Nicky, and Mr. and Mrs. Don Williams and family, all of Farwell.

Woman's Club To Sort Bottles

Texico Woman's Club has requested anyone putting glass bottles in the barrels located at the Citizens Bank in Texico to place them according to colors or to leave them in boxes beside the barrels. Club members will sort them before taking them to Clovis for recycling.

Recent Visitors

Visiting in the home of Louise Ingram recently were Mr. and Mrs. Jess Lewis of Los Angeles, Calif., Mr. and Mrs. Robert Boddy of Santa Fe, N.M., and Melva Jean Lewis of San Francisco, Calif. Mrs. Lewis and Mrs. Boddy are sisters of the late Mr. Ingram.

Garners Are Grandparents

Sgt. and Mrs. Ron Howerter of Great Falls, Mont., are the parents of a son named Christopher Aaron, born Sept. 14. He weighed 8 lbs., 10 oz., and was 22 inches long at birth.

Maternal grandparents are Mr. and Mrs. Delbert Garner of Aspen, Colo., formerly of Farwell. Paternal grandparents are Mr. and Mrs. Harold Howerter of Spearman. Great-grandparents are Mr. and Mrs. H.L. Garner of Farwell and Mr. and Mrs. Buck Teague of Littlefield.

Mrs. Howerter's mother is in Montana getting acquainted with her new grandson.

Fire Calls

Farwell Fire Department was called Sept. 21 to 508 7th Street to extinguish a trash fire.

Tuesday afternoon both Texico and Farwell fire units were called to Castor Feed Yards to extinguish a haystack blaze.

To Press Meet

Mr. and Mrs. John Getz were in Lubbock over the weekend to attend a meeting of the board of directors of the West Texas Press Association. Getz is a member of the Board.

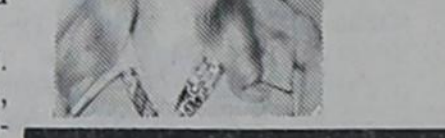

Saturday afternoon the group attended the Texas Tech-University of New Mexico football game. The dinner meeting for board members and their wives was Saturday evening.

Matron of honor was Mrs. Craig Rowland of Sherman, Tex. Bridesmatron and bridesmaids were Mrs. Barry Williams of Texico, Mary Ann Calhoun of Aspermont, Shirley Anzlover of Pueblo and Lee Ann Williams of Farwell.

ANNOUNCE ENGAGEMENT - Mr. and Mrs. Gilbert Gilliam of Farwell announce the engagement and approaching marriage of their daughter, Vickie Lynn, to Palmer Hunker, son of Mr. and Mrs. James Hunker, formerly of Clovis and now of Lubbock. The wedding will take place November 3 in the First Baptist Church in Clovis at 8 p.m. (CST). All friends and relatives are invited to attend the wedding and the reception following.

At Home In Parmer County

By Jana Pronger
County HD Agent

I hope this bit of information isn't too late in the season to help some of you.

Home canning operations don't have to fold when salt-free or sugar-free diets enter the picture. Sugar and salt used in regular home canning are primarily for flavor. They don't affect the keeping quality of food.

To can without sugar, use fully ripe - but not soft-ripe - fruit.

Prepare fruit as you would for regular canning. Then add a little water and cook fruit until it's boiling hot. Pack hot into hot canning jars. If needed, add boiling water to cover. Adjust caps, and process in a water bath canner, following recommended time for fruit being canned.

Don't add artificial sweeteners to fruit before it's canned. Sweeteners should be added to fruit when it's ready to eat.

To can vegetables or meat without salt, just process as usual, leaving out salt.

In canning special foods for just one member of the family, half-pint of pint jars may be the best size to use.

Once open, a jar of home-canned food will keep in the refrigerator for two or three days, depending on the type of food and refrigerator temperature.

HOSPITAL NOTES

Clint Stone, son of Mr. and Mrs. Bill Stone of Texico, was released from Clovis Memorial Hospital on Saturday. Clint will be in a cast for six weeks, due to his horse falling on him and breaking his leg.

Bill Stone was released from Clovis Memorial Hospital Monday, Sept. 24, and is reported to be doing fine.

Richard Deel of Farwell was released from Parmer County Community Hospital in Friona Tuesday night, after being hospitalized Saturday with the flu. He is recuperating at home.

ESA Sorority Plans Bazaar

Theta Rho Chapter of Epsilon Sigma Alpha Sorority met in the home of Lois Avara Sept. 24 with 13 members in attendance. Plans were made for a bazaar to be Nov. 4. Items by the members will be sold.

Refreshments were served to Mesdames Dickie Chandler, Alice Vinton, Patsy Berry, Maxine Williams, Faye Parr, Dardanella Helton, Rosa Roberts, Linda Gerles, Lillie Christian, Ometa Scott, Martha Peoples and Eva Dean Stephens.

Variety Club Meets With Mrs. McGuire

The Variety Club met in the home of Cora McGuire and Garner Briscoe of Oklahoma Lane recently for a business meeting. Members also did handwork for the hostess.

A donation of \$5 was made to Girl's Town.

Refreshments of ham sandwiches, olives, relishes and ice cream and Angel food cake were served to Mesdames

Gertrude Foster, Dexter Watkins, Carrie Christian, Alla May Bandy, Janie Sides, Corda Batty, Dora Verner and the hostesses.

Next meeting for the club will be Oct. 17 in the home of Mrs. Dora Verner.

Gertrude Foster is club president and Mrs. Dexter Watkins is secretary.

Okla. Lane 4-H Junior Leaders Slate Workday

Oklahoma Lane 4-H Junior Leaders met at the Bob Roberts home Sept. 24 at 7:30 p.m.

Roy Donaldson and Floyd Coates spoke to the group on the history of the Oklahoma Lane Community Center and how important it was to the community some years ago. They also told of what needs to be done to improve the Center.

The Junior Leaders scheduled a work day for Saturday, Oct. 6, beginning at 8 a.m. Each person is to bring a sack lunch.

Refreshments were served by Mary Lou Roberts to Roy Donaldson, Floyd Coates, Mrs. Hubert Gohlke, Mack Heald, Scotty Gilliam, John Johnson, Billy Roberts and Cheryl and Linda Gohlke.

WHAT DOES A POLICEMAN DO? This group of Farwell Kindergarten students was very inquisitive of Texas Department of Public Safety officers Glen Fant and Jim Bishop when the patrolmen visited their class Wednesday, Sept. 19. The children were studying safety and the policeman as a community helper and were very interested in the personal and automotive equipment used by the patrolmen in the line of duty.

Marine Corps League To Form

There will be an organizational meeting to form a Marine Corps League Thursday, Oct. 4, at 7:30 p.m. (MDT) at the Elks Club, 2nd and Sycamore St., Clovis.

Sponsors of the League urge the attendance of all former Marines, saying "Once a Marine, Always a Marine."

For further information call Gy/Sgt. Gale Norman, 762-2224.

My Neighbors

DPS Patrolmen Visit Farwell Kindergarten

Farwell Kindergarten students were treated to a visit from Texas Department of Public Safety officers Glen Fant and Jim Bishop Wednesday, Sept. 19.

Officers Fant and Bishop presented a brief talk on their various duties and responsibilities as patrolmen. They explained their uniforms, badges and guns and even demonstrated their handcuffs on a few brave volunteers from the class. Following the discussion and demonstrations the DPS officers answered questions from the children.

Before concluding the session the officers allowed the children to inspect their patrol car and gave a demonstration of the radio equipment, siren, red light and also explained the radar equipment.

The visit of the officers was greatly appreciated by the students and their teacher Kathleen Weems as the kindergarten class was studying safety and the policeman as a community helper.

TWO MINUTES WITH THE BIBLE
BY CORNELIUS R. STAM, PRES.
BEREAN BIBLE SOCIETY
CHICAGO, ILLINOIS 60635

THE CROSS AND THE CHRISTIAN

Nothing will prove so helpful to a Christian in overcoming sin as an appreciation of Christ's death for sin at Calvary. The Bible teaches that:

1. The cross stands between the believer and his SINS; the wrong things he does, or is prone to do, in thought, word and deed.

"And you, that were once alienated and enemies in your mind by wicked works, yet now hath He reconciled, in the body of His flesh, through death, to present you holy and unblameable and unreprouvable in His sight" (Col. 1:21,22).

"Christ died for our sins according to the Scriptures" (1 Cor. 15:3).

"Who His own self bare our sins in His own body on the tree" (1 Pet. 2:24).

2. The cross stands between the believer and his SIN. It is not only men's sins that keep them out of heaven, but their sin; not merely what they have done, but what they are and would do; not merely their deeds, but their nature. But Christ's death took care of this too.

"...by one man sin entered into the world, and death by sin...but...much more the grace of God, and the gift of grace, which is by one, Jesus Christ, hath abounded unto many...That as sin hath reigned unto death, even so might grace reign through righteousness unto eternal life, by Jesus Christ our Lord" (Rom. 5:12,15,21).

"For God hath made Him to be sin for us, (Him) who knew no sin; that we might be made the righteousness of God in Him" (II Cor. 5:21).

3. The cross stands between the believer and his SINNING.

"What shall we say, then? Shall we continue in sin, that grace may abound? God forbid. How shall we that are dead to sin, live any longer therein?...Our old man (nature) has been crucified with Him...that we henceforth should not serve sin...Let not sin, therefore reign in your mortal bodies, that ye should obey it in the lusts thereof; neither yield ye your members as instruments of unrighteousness to sin; but yield yourselves unto God, as those who are alive from the dead, and your members as instruments of righteousness unto God." (Rom. 6:1, 2, 6, 12, 13).

A HAPPY "DOC" - Portraying the proud poppa, E.O. "Doc" Stewart presided at the 1974 Buick and Chevrolet premier new car showing Thursday, Sept. 20. Johnny Watford and Bill Hagler, well-known to local residents, are part of Doc's sales staff.

Paper money was "not worth a continental" during the Revolutionary War because England flooded this country with counterfeit bills.

Johnny Actkinson Takes Lawyer's Oath

Johnny Wayne Actkinson of Farwell took the lawyer's oath Monday morning, administered by Judge Pat Boone of the 154th District Court in the courtroom of Parmer County Courtroom.

Actkinson passed the June 1973 Texas Bar Exam with a grade point of 83. He received his undergraduate degree in accounting from Texas Tech in 1970 and graduated from Texas Tech School of Law this spring. He is a graduate of Farwell

High School. While in law school, he was named to the dean's list, chosen to Delta Theta Phi fraternity and was a class officer his last two years.

He and his wife Diane have two sons, Jeff and Gregg. His parents are Mr. and Mrs. J.T. (Theo) Actkinson of Route 2, Muleshoe.

Actkinson is employed at the law firm of Aldridge, Harding and Aycock.

RECEIVES LAWYER'S OATH - Judge Pat Boone, right, of the 154th District Court, administers the lawyer's oath to Johnny Actkinson of Farwell. The ceremony took place Monday morning in the courtroom of Parmer County Courthouse. Actkinson has joined the law firm of Aldridge, Harding and Aycock in Farwell. He is a graduate of Farwell High School and Texas Tech School of Law.

Farwell Boosters Meet The Steers

Farwell Booster Club met in the school cafeteria Tuesday evening and hosted a "Meet the Steers" night. Approximately 60 persons, including the Farwell Steers, were in attendance. Coach Toby Booth introduced each player and their position; then each player in turn introduced their parents.

The film of last week's Plains game was shown and

commented on by the players.

The Booster Club is in need of members and they urge parents and fans to join the club and help support both the club and the Steers. Dues are \$10 a year and the money goes to buy film for filming the games and other items to help the athletic program.

Next meeting will be in the school cafeteria Tuesday, Oct. 2, at 8 p.m.
