

## Oil for Alaskan Highway Traffic

Oil for traffic using the new Alcan highway will be piped 550 miles from the huge underground lake of petroleum resources in the Mackenzie basin at Fort Norman. It will also serve ships along the Alaskan shore. Left: An inspector checks the welding on a section of the line. Right: Two of the many girls working in connection with the project are pictured in their laundry.

## Selman Resigns Fire Chief After 13 Years

Ira Selman, for the past 13 years chief of the Texico Volunteer Fire Department, has tendered his resignation to the Texico Town Council, which has accepted it.

Assistant Chief A. C. (Arch) Green who has also been connected with the local department for a like period of time, was named to succeed the retiring chief.

Selman took over the local volunteer department when the entire equipment consisted of a two-drum chemical hand-drawn cart, and has built it up to one of the best small town departments in the entire Southwest.

Today the equipment ranks with the best to be found in this section, with a fire truck that is fully equipped with good hose, a booster tank and hand chemical extinguishers.

Retiring Chief Selman has labored tirelessly and unflinchingly in his efforts to make the Texico department the pride of the Twin Cities. He has seen the fruits of his labors. Despite the drain on manpower, Chief Selman always managed to maintain a full crew of volunteers who have been loyal to his leadership.

The citizenship of Texico-Farwell deeply recognizes the debt of gratitude it owes the retiring chief. Selman resigned after it became necessary to move to Clovis, where he is attached to the fire department at the Clovis Air Base.

## Prisoner Labor May Be Secured for Farms

Use of prisoners from the internment camp at Hereford as laborers on farms in Farmer county has been under wide discussion with the coming of the fall harvest season, County Agent Garlon A. Harper reported today.

Outlining the procedure which is now required to secure such labor, Harper stated that the farmer must first make application at his office. The agent then certifies the application to the U. S. Employment Service at Plainview, which in turn certifies the application and forwards it to the camp at Hereford.

"This is more complicated than it has formerly been," Harper said today. Previously a farmer had only to appear at the camp and ask for a contingent of men to use as workers on his farm.

Not less than 15 men will be sent out in a group, and the employer is required to furnish transportation to and from camp. Prisoners may leave camp by 7 in the morning, and are to be returned not later than 6 in the evening. Cost of the laborers is \$1.55 per day.

The men may be used to pick cotton, shock feed and like tasks, the agent stated. It is not permitted to allow them to handle machinery.

Trees continually evaporate moisture in the air.

## Lay Plans For War Chest Campaign

### Lt. Caldwell Held as German Prisoner

### No Action Taken to Secure Agent Here

The Farmer County Commissioners Court, in session here Monday, tabled action on employing a new county home demonstration agent, County Judge Lee Thompson announced, following the meeting.

Miss Kate Adele Hill, district home demonstration agent, was here from College Station to attend the court session. Three ladies of the county appeared with Miss Hill before the meeting.

Miss Hill said at present she did not have a person whom she could assign to the local field, and gave it as her opinion that it would be the first of the year before a suitable demonstrator would be available.

Following the meeting, Judge Thompson issued the following statement with reference to the action taken by the commissioners:

"The Commissioners Court in session at Farwell Monday, Oct. 11, postponed action on employing a county home demonstration agent at present, as it appeared to the court that there were only a small number of ladies of the county that were not interested at this time, as some of the ladies' clubs had disbanded for the present, and informed members of the court that they were not personally interested at present.

"The court did not go on record as opposing the hiring of an agent, only until such time as the ladies themselves think advisable and profitable to the majority."

### Malone to Open Gulf Service Station Soon

Elton Malone, operator of the Malone Ice & Produce, announced today that plans were under way to open the Gulf service station, which has been closed for the past few months.

He said that he hoped to be able to be ready for business by the first of next week, but was uncertain as to the date, pending improvements and repairs that have to be made in the building in the meantime.

Malone said that he would carry a complete line of Gulf products, and stock what accessories were available under present conditions. His schedule for hours will be announced later, he added.

### County Cattle Club Is Organized Here

An official Farmer County Dairy Cattle Club, to promote the continuation of the county dairy show and encourage increase of purebred herds, was organized last weekend.

Sterling Donaldson has been named as president of the club, and Levi Johnson will assist as vice president. Albert Smith has the responsibility of the secretary-treasurer job.

Directors of the group will be Virgil Teague, G. T. Watkins, H. C. Wells, Fred Kepley, Smith, Johnson and Donaldson.

At the meeting, the group voted to ask for a charter as a cooperative, in the event that they might wish at any time to do cooperative feed buying or marketing of milk. A charter for such buying or selling is required under the Texas law.

Standing Committees Named

Standing committees were named as follows:

Finance—Wells, Watkins, Johnson, L. M. Grissom, Giles Cobb.

Membership—Teague, L. H. Hoffman, Smith, Donald Watkins, Harold Carpenter.

Show—Donald Watkins, Grissom, Johnson, Wendel Christian, Tom Foster.

Boys' work—T. A. McCuiston, C. C. Christian, Kepley, Owen Eroyles, Ross Ford.

Sales—Wells, Johnson, Grissom, Watkins, Foster.

Improvement—S. H. Sides, Grissom, Teague, Turner Paine, Watkins, Foster.

Show building and grounds—Sides, Grissom, Wells, Johnson, Kepley.

Publicity—W. H. Graham, John White.

### ATTENDING CONFERENCE

Rev. Paul H. Tripp, local pastor of the Methodist Church, left here Monday for El Paso to attend the session of the annual conference in that city, opening on Tuesday.

Rev. Tripp went to the conference with one of the best reports the local church has made in recent years, including a full financial report.

His return to the local work has been requested by the official board of the church, and officials expressed the opinion that he would be sent back for another year. Due to shortage of hotel accommodations in El Paso, Mrs. Tripp did not accompany her husband.

### Registrar's Instruction Class, Muleshoe, 18th

An instruction school for teachers who are charged with the responsibility of conducting the registration for the coming ration book, No. 4, will be held in Muleshoe on Monday evening of next week, October 18.

Mrs. Roy Bobst, at the local office, announced that no school would be held in Farmer county for instruction, and urged that at least one representative from each school in this county attend the Muleshoe meeting, in order that registration can be conducted with a minimum of trouble.

Texans are slated to register for their new books on October 21-22-23 and Supt. J. T. Carter has announced that the Farwell school will be dismissed only one day, with local work being done on Friday and Saturday.

In New Mexico, the dates have been set at October 27-28-29, and the Texico board voted last Thursday to conduct registration at the school on Thursday and Friday, the 28th and 29th.

It was emphasized here that applicants were required to present Book 3 when registering for the new books. One member of a family can register for the entire group.

### T BOOKS ISSUED

All operators who have applications on file at the local ration office have been issued their new "T" gasoline stamp books, attaches reported today. Persons who have not received such books are asked to contact the office, as in cases of improper applications, the books cannot be issued until corrections are made.

**FDR says:**  
Originally we asked for 10 percent in bonds; now we need considerably more.

Hailed as "the best news I ever got in my life", was contained in a telegram from the provost marshal to Mr. and Mrs. J. R. Caldwell, on Thursday afternoon of last week, announcing that their son, Lt. Thomas R. Caldwell, was reported a prisoner of the German government.

The message came here late in the afternoon and was immediately dispatched to the Caldwell home, five miles south of Bovina, by County Judge Lee Thompson. "This is the best news I ever got in my life," the father shouted in an emotional upheaval, in which the overjoyed mother joined.

Lt. Caldwell had been previously reported missing in action. He was a co-pilot on a bomber, and it is presumed that his plane was shot down while out over enemy territory.

The Caldwell family has, from all indications, already sacrificed one son on the altar of war. Their youngest son, J. R. Jr., was evidently lost last December when the plane in which he was flying failed to reach its base at Chandler Field, Ariz., after leaving Roswell, N. M. Nothing definite has been heard of him or his plane since he cleared the Roswell field on the morning of Dec. 26.

The message from the office of provost marshal in Washington, in announcing the news of the second tragedy to strike the Caldwell home, said that the information had been furnished through the International Red Cross.

### Rites Spoken For Clarence Houston

Funeral services for Robert Clarence Houston, age 65, were conducted at the Methodist Church Saturday afternoon by Rev. Paul H. Tripp, local pastor.

Mr. Houston died in a Clovis hospital Friday morning, where he had been a patient for some four weeks. He had been in ill health for some time prior to his death. Burial was in the Texico cemetery.

He was a pioneer grocerman of Texico, but retired several years ago due to failing health. He had been a resident of this city for the past 36 years.

He is survived by five brothers and four sisters: G. C. of Texico; C. E. and Fred E. of Clovis and Tom and C. J. of Corpus Christi, Texas; Mrs. Myrtle Sherro, Canyon; Mrs. Minnie White, Canyon; Mrs. Mamie Russell, Spur; and Mrs. Bessie Hetch, Clovis.

### SCHOOL TO BE CLOSED

The Texico school will be closed on Wednesday, Thursday and Friday of next week in order that faculty members may attend the educational conference in Albuquerque, which convenes on Thursday morning.

### LEAVE FOR CAMP

Four Farmer county inductees left here Tuesday for Fort Sill, Okla., to begin their military training. They were: Howard R. Looney, Pat Sullivan, Walter Cleburn Blacklock and Dan Junior Brannon.

H. Y. Overstreet, director of the United War Chest, today announced that plans were being worked out for a "short, snappy campaign" to raise Farmer County's quota within a very brief period of time.

Officially, the campaign is now on, Overstreet explained, and then added, "but we are making no plans for a drawn-out campaign in this county. I believe we can accomplish in ten days of intensive effort what will be required of us".

The United War Chest, which includes a total of seventeen agencies, has been launched to raise a total of 125 millions throughout the nation. Texas has been given a quota of slightly less than 5 millions, and the Farmer county share is \$2600.

Strictly a Relief Fund

This money is being raised for a strictly relief fund to be distributed through the seventeen humanitarian agencies, including the USO and other worthwhile organizations throughout the world.

Overstreet said today that already some advance subscriptions had been made and he anticipated no difficulty in meeting the county's quota.

He said that a list of workers over the county would be named next week, and that the drive in this county would be staged between the dates of Oct. 25 and Nov. 3. He stressed the importance of making contributions without being solicited, and in no event, he hoped, would it be necessary for a solicitor to be asked to come back a second time.

"The workers are giving their time and energy to this campaign without hope of remuneration, and it certainly should not be required of them to back-track for subscriptions once they call," he said.

### Tax Payments Good, Reports Collector

Voicing the opinion that this Fall may see the heaviest tax payments in recent years in Farmer county, Mrs. Bess Mansfield, deputy collector, added today that so far in October payments had been exceptionally good.

She added that "all the large taxpayers will likely pay their current taxes during the month of October". A discount of three per cent will be allowed on state taxes paid during this month, it has been previously announced.

Payment on poll taxes also promise to be higher this year than usual, due to the elections of importance to be held during 1944. In the year of 1944, state, county and precinct officers are to be elected, to mention only a few. Other officials to be chosen include school trustees as well as a new president and vice president. Furthermore, two important constitutional amendments are to be submitted to the voters.

So, it looks as though the fellow who invests in a poll tax receipt for 1944 will be getting his money's worth during the campaigns to follow.

The deadline for payment of current taxes is Jan. 31, 1944, and Mrs. Mansfield said her office was expecting the usual rush of payments during the last two weeks of January.

Australia has banned the use of electricity for lighting store windows, store fronts and advertising signs.

## Restrictions Placed on Feed Wheat

### B TIRE INSPECTION COMES THIS MONTH

Officials at the Farmer County ration office reminded this week that tire inspection for holders of "B" gasoline books is due not later than October 31.

This inspection may be made at any certified filling station in the county, they added.

Inspection for "C" card operators has a November 30 deadline.

### SEABEE RECRUITING OPEN

Civil Engineering officer M. C. Lockett will be at the Navy Recruiting sub-station, postoffice building, Amarillo, Oct. 15 and 16, to interview and certify applicants for the Navy Seabees. Men with trades will be certified for petty officer ratings. Applicants should have two letters as to ability in their trades.

Restrictions on the use of feed wheat, which is redeemed by farmers or elevator men from the Commodity Credit Corporation was announced this week.

A statement from CCC reads as follows: "Effective immediately all sales of wheat for feed to buyers should be with understanding the wheat is not to be used for feeding hogs for market weighing over 200 lbs., or to beef cattle beyond fair to good finish. All wheat sold direct to feed mixers and to others for resale shall be used only for feeding dairy cows and laying hens."

"In other words," Ellis M. Mills, at the AAA office said today, "the critical situation in feeds now affects dairy cattle and poultry. Until the grain sorghum crop began to come on, the shortage was most noticeable in feed for hogs and beef cattle."

The majority of farmers, Mills went on, have been using the wheat

to fatten hogs and beef cattle, but under the new setup, such feed will be used only on dairy stock and poultry.

Large Amount Used Here

Actual figures compiled at the AAA office showed that 10,861 bushels of farm-stored wheat had been redeemed by individual operators from the CCC for feeding purposes, and it was estimated that some ten carloads had been handled by elevator operators.

The wheat secured by the latter, Mills went on, has been either that the elevator had in storage, or wheat bought from CCC storage houses.

Asked as to whether an individual who had already bought the wheat with the intention of fattening hogs and cattle could use the feed in this manner, Mills was of the opinion that it would be allowed, stating however, "the new regulations will be applicable to all future sales".

BOVINA NEWS

Miss Oleta Harrison spent the weekend in Amarillo visiting with Mrs. Nellie Isham, who also spent the weekend there.

Mr. and Mrs. Danner and daughters, Patsy and Jean, visited their daughter, Loraine, in Clovis, over the weekend.

Mr. and Mrs. Bob Williford visited Mr. and Mrs. Alton Williford in Lubbock, last weekend.

Mrs. George Cervantez left Monday for Baltimore, Md., to join her husband, in an army camp there.

Mrs. Otis Whie, who has been in San Antonio with her husband, returned Monday, to remain with her parents for an indefinite time.

Mrs. Lucile Turner of Santa Rosa, visited her parents, Mr. and Mrs. James White, Monday. She was accompanied home by her son, Don, who had been attending school here.

Organize Junior Choir

The young people of the Methodist Church met Tuesday evening at the church to organize a junior choir. Mrs. Frank P. Wilson will be in charge of the group. An invitation is extended to the young people of the town between the years of 15 and 18. Meetings will be on Tuesday at 8:30 p. m.

Cardinals Defeat Mustangs

The Bovina Mustangs were overpowered by a heavy and hard-charging Price College six, Friday, on Cardinal Field. Price received

the kickoff, and in five plays had marched for a touchdown. The Mustangs held for a while, but the Cardinals soon were on the march again behind excellent blocking. Final score was 46-12.

The Mustangs were held scoreless until the last quarter. Langer, freshman back, followed the excellent blocking of Kenneth Newman, to cross into pay dirt. The last score was made by Joe Moore, on a 60-yard scamper. Moore and Newman also turned some good runs during the game.

This Friday the Mustangs will meet the Happy Cowboys at Happy. On October 22 the Price Cardinals will return the game.

42 Party Is Held

A large number of Bovina citizens gathered at the Chamber of Commerce building last Wednesday evening for a 42 party. The men who are leaving for army service were honored guests. Pie, sandwiches and coffee was served. There are 13 from the community in the army group.

PLEASANT HILL

Mr. and Mrs. Alton Day are the proud parents of a baby girl, born last Friday night.

Mrs. R. Snodderly and Mr. and Mrs. Jack Parker and family attended the purple heart ceremony at Friona, Sunday, honoring Arthur Thomas Parker, who was killed in action.

Miss Margaret Ann Smith visited Jeanine Singleterry Sunday.

Miss Martha Williams spent Friday night with Betty Jo Moorman.

There were quite a number of ladies at the club Thursday, and it was voted to meet twice a month. The next meeting will be with Mrs. Snodderly.

Uncle Coleman Cox was released from the hospital last week.

Mr. McBride is putting in a new stock tank this week.

One sure way to make things look up is for victory garden vegetables to come the same way.

Promptness and a better class of work is our motto. Dial 2131.

SCRAP DRIVE ON AGAIN

SOUTH PLAINS ARMY AIR FIELD—Another effort to get in the scrap is being made by salvage officials on the South Plains. This field is cooperating, and upon being notified will make arrangements to pick up loads of scrap metal in the area.

Lieut. Col. Frederick W. Franke, quartermaster officer and coordinator of salvage for 14 South Plains counties around Lubbock, this week urged that residents of the area again scour every farm and yard for the last pieces of metal which will be collected, shipped to factories immediately and quickly thereafter made into Allied weapons.

Any community which has a load of scrap ready may have it picked up by contacting Lieut. Col. Franke at SPAAF.

With victory gardens now in full swing, the expression "whats up?" will be used a lot more.

ANSWER TO A \$50 QUESTION

COLLEGE STATION—"How do you clean a sewing machine?" is one of the "fifty-dollar" questions women are asking county home demonstration agents of the Texas A. & M. Extension Service every day.

Mrs. Dora R. Barnes, Extension clothing specialist who helps agents supply the answers, says, it's much easier to show than to tell, and consequently machine cleaning demonstrations have been in great demand.

Naturally, some implements are necessary, beginning with a pair of pliers and some screw drivers. A half-inch paint brush is handy, although a feather could be substituted. Among the other useful items are tweezers and a crochet hook to pull out lint, an old tooth brush for cleaning the teeth of the feed dog, an adjustable wrench, an ice pick and razor blade, a shallow tin bread pan, an oil can with a long spout and some good gum-free, oil.

A quart and a half of gasoline or kerosene and some soft cloths and newspapers should complete the tools for the job. Most of these can be found in any home, Mrs. Barnes points out.

It is advisable to clean a machine on a table of comfortable height and beneath a good light. Some papers should be placed beneath the machine to absorb oil. The bread pan, containing kerosene, is used for soaking the parts that need cleaning, and this solvent works miraculously, Mrs. Barnes says. By placing the parts in line as they are removed from the machine, one can clean and reassemble the mechanism with a minimum of difficulty.

A bulletin entitled "Sewing Machine Cleaning and Adjusting" and other helps are available from county home demonstration agents. However, Mrs. Barnes suggests that the average homemaker would profit from observing a demonstration before she attempts to clean her machine "by the book".

If men had no faith in one another, all of us would have to live without our incomes.

Overweight Oil Undermines Your Car

Why Lightest grades of oil are made safe for you by changing to Winter OIL-PLATING

Any oil that has been doing its best in your car for a while back, will be badly overweight this Winter. Everything ever said about not being caught with overweight oil goes double today on account of rationing. Your battery has been undercharged, because your car now runs fewer miles per start. Your gasoline has been wasted by the drag of overweight oil. Your engine has been abused because it hasn't been warm steadily enough for ideal lubrication. Your car could approach the end of its rope with any overweight oil apt to become jelly-like. Before Winter causes that, go light.

Whatever you do, change oil for lightness. At the same time though, you can make the whole big change to an OIL-PLATED engine, by getting popular-priced Conoco N<sup>th</sup> motor oil—just as light as needed. OIL-PLATING is applied to inner engine surfaces as closely as chrome plating on your bumpers. The "magnet-like" properties of a Conoco N<sup>th</sup> synthetic are the basis of OIL-PLATING. No plating would all drain down to the crankcase fast. It can long remain at its topmost point to safeguard the very first starting stroke. And right after that, even the lightest Conoco N<sup>th</sup> oil assures an extremely strong normal type of fluid oil film. Oil film and OIL-PLATING are both present to rebuff wear, and that's how your engine can go through a long Winter—and a

long War—always using its lightest possible N<sup>th</sup> oil economically. Change at Your Mileage Merchant's Conoco station today. Continental Oil Company

Dread Engine Acid is Fought by OIL-PLATING

Normal combustion always leaves acids inside of your engine when it stops.

Formerly it seldom stood idle long. Soon mileage and speed heated your engine enough to oust acids.

But nowadays rationing may force long rests, while corrosive acids gnaw. To combat corrosion, metals are plated. You combat acid corrosion with your engine OIL-PLATED.

## Candlelight Ceremony For Home Ec Girls

An impressive candlelight ceremony was staged in the home economics rooms of the Texico school the past Thursday night, when a number of initiates took the home ec pledge, Miss Maude Pearson, instructor, reported today.

Alverda Hall, as the "spirit of home economics", Lena Belle Williams as president of the group, and Mary Lee Moss as secretary, directed the program. Helen Katherine Blair read Kipling's poem, "If".

Following the initiation rites, the girls were served ice cream and cake and then enjoyed a theater party in Clovis.

New members to the club this year include Ina V. Haynes, Delores Green, Evelyn and Beryl Brown, Mildred Murphy, Claudene Curry, Mary Mendazo, Mary Cervantez, Harriet Baker, Rada Morgan, Minnie Smotherman, Peggy Flye, Wanda Lee Huber, Alverda Hall, Lena Belle Williams and Edna Mae Caldwell.

## Wesleyan Guild Meets Wednesday Evening

Mrs. V. Scott Johnson was hostess to the Wesleyan Guild of the Methodist Church, the past Wednesday evening.

Mrs. Paul H. Tripp was in charge of the program, with parts being taken by Mrs. Frances King and Miss Hazel Anglin. Special musical numbers were vocal solos by Nancy and Marcia Anne Johnson, with Mrs. Sam Aldridge accompanying at the piano.

Following the program, a social hour was enjoyed and a refreshment plate served by the hostesses to Mesdames Ellis M. Mills, W. B. LeVeque, Lenton Pool, Lee Bradshaw, Hamlin Overstreet, Bess Mansfield, W. H. Graham, Vance Crume, Wesley Engram, J. T. Carter, King, Tripp and Aldridge; Misses Viola Rodewald and Hazel Anglin.

## Recital Will Be Held Monday

June and Jean Rogers, twin daughters of Mr. and Mrs. B. A. Rogers, will present a piano recital Monday evening, Oct. 18, in the Methodist Church, at 830.

Mrs. Florence M. Vinyard, instructor, announced that an interesting and varied program of piano selections would be given by the girls. The public is invited to attend.

## Hallowe'en Carnival At Oklahoma Lane

A Hallowe'en carnival, featuring an evening of gay costumes and laughter, horrible catastrophes and spooky phantoms, will be sponsored by the Oklahoma Lane seniors at the school building, on October 30.

The drawing card of the evening is likely to be the spot where the participants can whale away at Hitler, Mussolini and Tojo to their hearts content with sturdy balls—and sponsors particularly endorse the fortuneteller, who avowedly "knows your life from the cradle to the grave".

There are many other thrilling and entertaining activities—the game parlor, fishing pond, cake walk, and dart throwing; while the attention of the male gender is directed to the side-show, starring a Hawaiian dancer, hula-hula girls and plenty of grass skirts and sarongs.

A queen's race is also being featured, with Bessie Ruth Caldwell as the senior candidate; Louise Donaldson representing the juniors; Frances Sudderth carrying the sophomore colors; and Barbara Foster named by the freshmen.

Votes sell at one cent each.

## Marry in Tennessee On October 8th

Word has been received here of the marriage of Miss Evelyn Barnes and Pfc. James Ford, which was performed by the chaplain at the post chapel in Camp Forrest, Tenn., on Oct. 8th.

The ring service was used, and the nuptials read before the altar, which was decorated with bouquets of flowers and lighted tapers.

The bride, given in marriage by the groom's captain, entered to the strains of the traditional wedding march. She wore a two-piece suit of tan, with accessories in brown.

Soft music, including "I Love You Truly" and "Because" formed the background by the wedding.

Mrs. Ford is the daughter of Mrs. T. W. Barnes of Tucumcari, and a sister of Mrs. Bob Barton of Farwell. She had been employed in the office of the local county agent.

Pfc. Ford is the son of Mr. and Mrs. Ross Ford, and well known in the county. The couple will reside near Camp Forrest.

O. C. Sikes of the Sides Motor company, is suffering with a slightly fractured wrist, sustained when he fell a few days ago.

## Queen Race Attraction For Stunt Nite Show

A race between classes to name their representative to the throne will be one of the features of the annual stunt night program, sponsored by the Texico seniors, which will be held Friday night of this week in the school auditorium.

At present, Beryl Brown, eighth grade candidate, is leading the field, with the other contestants strung out at varying lengths behind her vote total.

Candidates include Gloria Jean Sanders, primary; Gail Groves, second; Jean Kleeman, third; Margie Reia, fourth; Joyce Caldwell, fifth; Muriel Kleeman, sixth; Jean Rogers, seventh; Beryl Brown, eighth; Minnie Smotherman, freshman; Harriet Baker, sophomore; Edna Mae Caldwell, junior, and Esther Selman, senior.

The public is cordially invited to the program, which will be made up of entertaining stunts presented by the various classes and group organizations of the school, and climaxed with the queen's coronation.

## Special Program Is Given Thursday

Honoring past matrons and patrons, and observing the seventh birthday of the organization, the Bovina chapter of Eastern Star held a meeting, Thursday evening.

A brief talk on the founding and history of the chapter was given by Mrs. Fred Kepley, and Mrs. W. H. Graham sang, accompanied at the piano by Mrs. A. D. Smith. Mrs. Smith then read a poem honoring the matrons and patrons, and a medley of patriotic tunes was played at the piano by Mrs. R. E. Evert.

The serving table featured a four-tiered birthday cake, which was served with coffee. Mrs. J. C. Denny and Miss Hazel Anglin presided.

## Children's Hospitals Need Canned Goods

James C. Wilkison, potentate's aide of Khiva Temple, A. A. O. N. M. S., for Parmer county, has just received letters from the Shriner's Hospital for Crippled Children in Shreveport, La., Saint Louis, Mo., and the Texas Scottish Rite Hospital for Crippled Children at Dallas.

They are all in need of canned fruits, vegetables, jellies and jams. Everyone can have a part in this worthwhile humanitarian enterprise by bringing just one can, jar, or glass from their shelf at home, either home canned or store purchased, to Mr. Wilkison.

"Let us help and do our part in Parmer County to see that these unfortunate children have the things so essential to their health," said Mr. Wilkison today, in urging Parmer County citizens to cooperate.

## Modelle Hammonds Birthday Honoree

Modelle Hammonds was honored with a birthday party in her home, Friday, celebrating her twelfth year. Mrs. S. C. Smith acted as hostess.

Games were played and a lovely cake was cut and served with ice cream. Bouquets of cosmos were used for decorating.

Guests were Barbara and Margaret Bobst, Alta Norton, Nellie Summers, Betty Hillhouse and Mary Belle Aldridge.

Miss Juana Jene Cox, teacher in the Hereford schools, was a Sunday guest of Mr. and Mrs. B. N. Graham.

## Judge To Address PTA Meeting

County Judge Lee Thompson of this city will be the principal speaker at the regular monthly meeting of the Farwell Parent-Teacher Association, to be held Thursday evening of this week.

Judge Thompson has been given the freedom to choose his own subject, it was announced.

The meeting will be held at the high school and a brief musical program will also be rendered, following the business session.

## Williams-Jackson Rites

Miss Bertie Jackson and Robert Williams, Jr., both of Farwell, were married in the office of the county clerk in Farwell, Tuesday afternoon, October 12. Justice of the Peace Jess Newton performed the ceremony.

## Visiting Husband

Mrs. Morgan Billington is expected to return the last of this week from Tyler, Texas, where she has spent several days visiting her husband, Cpl. Billington.

## To California

Miss Juanita Petty, local FSA secretary, and her mother, Mrs. Monroe Petty, have gone to San Francisco to visit their brother and son, who is in the navy. They expect to return in two weeks.

## Wedding Performed

County Judge Lee Thompson officiated the past Wednesday, Oct. 6, in a ceremony performed in the courthouse, uniting in marriage Miss Hazel Modene Merrill and Duane S. Harper. Both are from Oklahoma, it was understood here.

Mrs. W. H. Graham left Monday morning for Hot Springs, N. M., where she will spend the next three weeks.

John Aldridge, local lawyer, was attending business matters in Amarillo, the past Thursday.

Mrs. Lee Bradshaw is now employed as secretary in the office of County Agent Garlon A. Harper.

Jess Newton was a business visitor in Amarillo, Thursday.

Mrs. Lola Hodges, who has been employed at the Pantex plant in Amarillo, is here for a week's visit with Mr. and Mrs. M. C. Roberts.

Mr. and Mrs. Ross Gibson and daughter, Dorothy, and Mr. and Mrs. Bryan Cox and daughters, Bettie and Earlene, all of Lamesa, spent Sunday afternoon visiting in the B. N. Graham home here.

Mrs. Anne Overstreet is spending several days in El Paso, attending the conference of the Methodist church and visiting Mrs. John Foster Beale, the former Miss Emily Minter.

John White, Friona editor, was attending business matters in Farwell on Monday.

Jess Osborne, cashier of the Muleshoe State Bank, was a business visitor here on Monday.

G. C. Davis made a business trip to Muleshoe on Tuesday.

R. A. Hawkins, former elevator men in Farwell, was here from Childress the first of the week visiting with friends.

## NEWS FROM OUR BOYS IN CAMPS

### CLOSE TO HOME

Pfc. Andrew H. Wilson, son of Mr. and Mrs. A. H. Wilson of Muleshoe, has recently been assigned to the Clovis Army Air base.

### EXPECT SON HERE

Mr. and Mrs. B. A. Rogers are expecting their son, Lt. Allan R. Rogers and Mrs. Rogers, to arrive this weekend from Corpus Christi, where Lt. Rogers has been stationed with the Naval air corps. He is being moved to San Diego, Cal., and will spend a few days with his family enroute. His wife is expected to remain here for some time.

### SHIPPING OUT

Raymond Hall, son of Mr. and Mrs. W. W. Hall of this city, writes from an unnamed port of embarkation, "Am loading out in about two hours. Write me when you get my new address."

### GOBER IN ENGLAND

Lt. Buzz Gober, son of Mr. and Mrs. J. I. Gober of Oklahoma Lane, is believed to have landed in England only recently, according to his parents.

### IN NORTH AFRICA

Cpl. Bud Hodges, formerly of this city, writes that he is now stationed in North Africa.

### HAVING REUNION

Lt. Wm. R. (Bill) Roberts, son of Mr. and Mrs. M. C. Roberts of this city, writes his parents from a German prison camp that so many of his buddies are being concentrated in his camp that it is like a reunion. He also reveals that he is likely to be moved to another camp soon. He is believed to be in northern Poland and the advancing Russian army is believed to be responsible for the contemplated move. Lt. Roberts, a pilot on a bomber, was shot down a few months ago while out on a mission over the continent.

### THREE DISCHARGED

Two Parmer county soldiers were discharged from active service and reported to the local board last week. They were Ian Hendrickson and David Bender. Walter Hudson, a former local resident, who was registered with a California board, was here last week, having been discharged.

### PATRY HELD MONDAY

A very enjoyable evening was

### Local Teams Enter County Tournament

Boys and girls softball teams from the Texico school will be entered at the Curry county tournament, to be held in Clovis on Saturday, Oct. 16, it was announced today by C. E. Sanders and Miss Viola Rodewald, coaches.

Drawing a bye in the first round the Texico boys will meet the winner of the Rosedale-Grady game at 1 o'clock Saturday (Texas time), and will then, if winning, advance to face the top team of the Pleasant Hill-Ranchvale bracket at 3 o'clock.

For the girls, Texico will play Grady at 12 (Texas time). If they win the game, they next face the high scorers of the Pleasant Hill-Ranchvale-Rosedale round at 2.

Coach Sanders tentatively announced the following lineup for the boys: Box, p; Drace, c; Bowers, 1b; Johnson, 2b; Francis, ss; White, 3b; Roop, lf; Baker, cf; H. Doolittle, rf and Knox, floating ss.

Starting players for the girls will likely be: Baker, c; Williams, p; Hall, 1b; B. Flye, 2b; P. Flye, ss; Calliouett, 3b; Caldwell, lf; Brown, cf; May, rf and Selman, floating ss. **Win Over Pleasant Hill**

The local boys have an excellent record for the season, having five victories out of that many games, the latest win being over Pleasant Hill, last Friday, which ended with a 3-2 score.

An error by the locals—their only one of the game—gave the Pleasant Hill team its two scores, after which the team was shut out.

Thus far in the season Bowers, Drace and Roop have each scored five times; H. Doolittle has four to his credit; Francis and Box have three each; Johnson and White each have two; and Baker has one.

The local girls lost a close and hard-fought game to Pleasant Hill, the final score being 11-12.

After having the situation well in hand, a series of errors in the sixth inning proved costly, with Pleasant Hill tying the count at 11-all. Upset the locals failed to hold and allowed their opponents to push one over in the final inning of the game.

### Demonstration Club Notes

By Special Staff Reporters

#### Lakeview Club

The Lakeview home demonstration club will hold its regular meeting Oct. 15 at the school house.

#### Tech, Air Field Will Play Saturday Nite

Texas Tech and South Plains Army Air Field football elevens are to contact each other Saturday night at Lubbock.

The game will be played at Tech stadium and is expected to attract one of the larger crowds of the season for this area.

#### Five Greenhands Are Initiated at Texico

Initiation rites for greenhands and election of officers was held by the Texico FFA chapter the past week. Belvin Freeman was named president, Bill Johnson vice president; Daniel Boone, secretary; Robert May, treasurer; and Harry Baker, reporter.

Following the business meeting and initiation activities, the group enjoyed a weiner roast. Supt. B. A. Rogers was guest.

### Chicagoans Praise Local War Bond Ad

The Tribune is in receipt of letters from two prominent Chicago business men, praising the war bond advertisement appearing on the front page of the Sept. 30 issue.

One of the letters, reproduced below, was written by Farwell Winston, trustee of the Capitol Freehold Land Trust. The other is over the signature of Robert R. McCormick, publisher of The Chicago Tribune. The letters follow:

Chicago, Illinois  
October 6, 1943

Mr. W. H. Graham  
The State Line Tribune  
Farwell, Texas

"Dear Mr. Graham:

"During the progress of the last War Loan Drive I have been reading with interest the advertisements about the loan appearing in a half dozen or so metropolitan newspapers. Yesterday I saw the one in The State Line Tribune which invited the reader to write some Parmer County boy and tell him why you can't buy war bonds.

"I have no idea who wrote this advertisement or who prepared the layout, but whoever it was I want to congratulate him on the simplest and most effective job that I have seen anywhere to date. It leaves no room for argument or debate. It's a knockout ad.

"I have not heard the final figures on the Parmer County drive but I have no doubt that such forceful appeal as was evidenced in your paper put it over with flying colors.

"Very truly yours,  
Farwell Winston."

October 7, 1943

"Dear Mr. Graham:

"I am indebted to Farwell Winston for your bond advertisement.

"It certainly is a crackerjack.

"Sincerely,  
Robert McCormick."

#### SANTA FE CARLOADINGS

The Santa Fe System carloadings for week ending Oct. 9, were 23,635 with 25,006 for same week in 1942. Cars received from connections totalled 14,984 compared with 14,115 for the same week in 1942. Total cars moved were 38,619 compared with 39,121 for same week in 1942. Santa Fe handled total of 38,765 cars in preceding week this year.

### Farmers, Ranchmen Offered \$19,000,000

COLLEGE STATION—Texas farmers who cooperate with the 1944 Triple A program will have an opportunity to earn a state total of \$19,215,000 for carrying out approved practices. This was announced today by Fred Rennels, assistant administrative officer of the State AAA.

This is a considerable increase over the amount of money available to farmers for approved practices in the past and is intended to assist farmers in meeting increased war demands for food and fiber without additional cost and in most cases, with added profits for themselves.

The rates of payment for most of the practices have been substantially increased. Several much-needed new practices have been added. A complete list of the practices, specifications and rates of pay will be available in the county ACA office in the near future.

The 1944 program year begins on Dec. 1 in all counties in Texas except a small group in the extreme southern part of the state. Farmers have until that time to complete their 1943 production practice program. Many farmers throughout the state are completing the 1943 program by constructing terraces and seeding winter cover crops.

Winter legumes have proved beneficial to Texas farmers in increasing yield per acre of the crop seeded the following year and will assist the farmers in meeting heavy demands for food and feed. Rennels stated that if farmers are to produce the food and fiber soldiers and sailors, civilians and war workers need they must join the fight now, against uncontrolled erosion which, if left uncontrolled, may make it impossible to reach war crop goals. Winter legume seed can be obtained through the AAA office and the cost deducted from the farmer's AAA check.

### Students Give Music Programs at Camps

AUSTIN—Special musical programs are already being organized by University of Texas students for presentation at near-by army camps.

Members of the Curtain Club have announced plans to stage a musical comedy similar to last year's smash hit, "43-ers Review", to "go on the road" this winter.
