

Out of the Maelstrom of War

B. D. MacDonald, head of the American Red Cross in the Middle East, is shown with some of the Polish children who are now being cared for in refugee camps in Iran. They are some of the Poles sent to Iran from Russia, where they had been in internment camps with their parents since the occupation of Poland.

Schools Lay Plans For Fall Opening

August 29th Is Scrap Collection Date

August 29 has been designated by Governor Coke R. Stevenson, the War Production Board and the County U. S. D. A. War Board as local junk rally day for Farmer County.

Members of the county board this week issued an urgent request to all persons in the county who have useless scrap metal or rubber to take such material to the nearest junk dealer, on the set date, where prevailing prices will be paid.

County dealers handling the junk are the State Line Wrecking Yard in Texico, Ernest Englant's garage in Bovina and O. C. Jones, at Friona, it was pointed out.

As a member of the committee put it in urging wholehearted cooperation of all people in Farmer County, "We feel that it is not your desire to hinder the war effort by failing to place this valuable junk where it may be used to bring this suffering and bloodshed to a speedy end. Have you ever stopped to realize that your hundred or so pounds of scrap iron or your fifteen or twenty pounds of scrap rubber might save a life of some boy who is now fighting to preserve our liberty and freedom?"

"There is scarcely a person in the United States who does not have someone near and dear—as father, son, husband, sweetheart, or friend—who is today fighting with our armed forces; therefore, we urge you to help in this small way and make August 29 a red letter day in the history of Farmer County."

Tire List Tightened; Speeders Warned

SHOWER FALLS HERE

A refreshing shower, the first moisture of any consequence to fall in this immediate area for several weeks, visited the Texico-Farwell locality late Tuesday afternoon. A half inch of moisture was recorded here.

Crops in this immediate section are badly in need of rain, while most of the rest of the county has been visited with frequent rains for the past several weeks.

Agent Warns of New Hopper Crop in View

County Agent Garlon A. Harper today warned farmers to be on the alert for a new crop of grasshoppers that are now being hatched, and suggested that poisoning of the new crop would be most effective before the young pests have time to grow wings.

He said that reports coming to his office from careful observers say that literally millions of young hoppers can be found in fields, particularly wheat stubble. Thad Watkins, Willis Magness and John Armstrong have reported such finds, Harper said.

The agent said that the new crop now hatching would reach maturity in six to eight weeks, "just in time to hit our wheat fields in the early fall."

He warned of possible serious loss to the young wheat unless steps are taken to control the pests.

Bins Still On Hand But Moving Slowly

John Martin, head of the local Triple A office, said today that a good number of Commodity Credit Corporation bins for storage of wheat were still on hand, but were moving out from unloading points very slowly.

However, Martin pointed out, one hitch in the whole program in this county came up just recently, with the passage of the law enabling the CCC to sell inferior grade wheat for use as feed.

The local office had been previously advised that 1941 wheat stored in Friona and Black elevators could be moved out into bins to make room for the 1942 crop, and bins were set up at those points. Wheat stored at both Friona and Black is graded No. 5, which means that it can and will likely be sold for feed, so the Corporation has ruled that it will not be moved out of elevators until sold.

This has worked a distinct hardship upon a number of producers, the administrator explained, who had expected to put their 1942 wheat in the elevators rather than erecting Corporation bins on their land. Martin went on to say that he expected to know within the next few days what, if anything, was to be done with the bins already erected at the elevators.

On the other hand, some 7100 bushels of 1941 grain will be moved out of the Henderson Elevator in Farwell and stored in a Corporation bin, the administrator said, thus providing storage room for a small amount of the current crop.

8 Leave To Begin Military Training

Eight Farmer county selectees left here Thursday afternoon for Fort Sill, Oklahoma, where they were inducted into the Army to begin their military training. They had been previously accepted at the Army examination station at Lubbock, and were home on furlough.

Those making up the group were: Rupert C. Arrington, captain of the group; S. V. Chitwood, Floyd L. Spring, James R. Runnels, Jr., Leroy A. Dennis, William J. Banks, Ernest D. Justice and Milton Walling.

Quite a large crowd of friends and relatives gathered at the Santa Fe station to bid the lads farewell.

Today is worth at least two tomorrows.

John Armstrong, chairman of the Farmer county rationing board, announced this week that the list of eligibles for tires has been cut, and in the same breath warned speeders and abusers of tires that they were likely to get the "no business" sign the next time they appeared at the ration office.

In announcing the new rationing restrictions on eligibles for new tires, tubes and recapping, Armstrong said, "This revision was an obvious necessity and it will help to relieve the critical rubber tire situation."

The new amendment to the rationing regulations makes it plain that only vehicles engaged in service essential directly to the war effort or to the public health and safety are to be eligible. This will cut off all privately operated trucks carrying alcoholic beverages, soft drinks and similar beverages, tobacco products, confections, candy, flowers, toys, novelties, jewelry, furs, radios, phonographs, musical instruments, or other luxury goods, unless the transportation of such things is only incidental to the main service performed by the vehicle.

Also dropped from eligibility List A are private carriers providing transportation for incidental maintenance services such as the cleaning of office buildings, or repairing portable household effects, or providing materials or services solely for landscaping or beautification of any construction project or establishment.

"We know that vehicles working on war projects must be served first," said the chairman, "all others will have to wait."

As to the opportunity of eligible speeders continuing to receive tires, Armstrong said flatly, "The abuse of tires by speeding must be stopped."

Such drivers were given a stern warning that speeding tickets issued against them by either state or local police will cause them to forfeit their eligibility for new tires or retreads.

"We have been advised by Mark McGee, the Texas OPA director, that carbon copies of all speeding tickets issued on the highways by the Highway Patrol will be forwarded to local boards. We are asking city police and county officials in the county to extend this same assistance to us in enforcing the vital wartime necessity for conserving rubber," he said.

After a speeding offense, the speeder will have to give the local board conclusive proof that he is observing the 40-mile speed limit imposed by the Office of Defense Transportation before he can again become eligible, Armstrong said finally.

ACCEPTED AT LUBBOCK

Two Farmer county selectees, the first 1-B boys to be sent to the Army examination station from Farmer county, were accepted at Lubbock last week and classified for general military service. The two, Aaron Reed White and Edmond Tolbert Caldwell, Jr., were used to fill the first call for 1-B men received by this county since the Selective Service Act was launched.

CHILD BADLY BURNED

Eldon, 7-year-old son of Mr. and Mrs. S. R. Belew, received third degree burns last weekend when he struck a match to a large container of gasoline while the family was vacationing in the Ruidoso area. He is in the hospital at Ft. Stanton for treatment, and reports here indicate that his condition is serious. Belew is a local Santa Fe employee.

FINISH WATER TOWER

The crew of workmen engaged in adding a new covering to the water tank of the Texico-Farwell waterworks, is finishing up this week. In addition to the new roof for the tank, a new covering for the standpipe is being put on this week. R. V. Ham, superintendent, said that the tank and tower would not be repainted at present.

Tribune Job Printing Is Best

Only a few scant weeks remain of the annual summer vacation period for local school youngsters and both the Texico and Farwell educational boards are laying plans this week for the opening of the 1942-43 term.

Supt. B. A. Rogers of Texico said on Monday that it was likely that institution would begin the new term's work on August 31, although this will not be definitely settled until Thursday night, when a board meeting will be held.

Farwell, on the other hand, has definitely set first classes to begin on the first Monday in September, the seventh day of the month. Supt. J. T. Carter said following the board meeting on Monday evening of this week.

At present, vacancies show up on both local faculty rosters, officials stated. The Texico school is in need of a grade teacher, while Farwell still has three places to fill—that of coach, principal, and fourth and fifth grade teacher.

A good deal of repainting and other general repair work has been going on in both schools, and it was planned that all educational buildings would be in top-notch shape for the beginning of the term.

At the board meeting in Farwell, Monday, Howard Lindsey was named as janitor, succeeding L. H. Bradshaw, who resigned recently.

Pointing out that the primary room was already overfilled, the Farwell board went on record to comply with the state law this year in not accepting children who are under six years of age.

Currently, the Texico faculty includes Supt. Rogers, Mr. and Mrs. C. E. Sanders, Miss Sadie Burns, Lee Richards and Mrs. H. Arnold. At Farwell, Supt. Carter, Miss Lynette Cain, Miss Dorothy Shaw, T. A. McCuiston, Lenton Pool, Mrs. A. W. Johnson and Mrs. Hilton Terry. It was indicated by officials, however, that at least one more resignation was expected at each school.

State Engineer Views Local Fire Equipment

Engineer Schwab of the State Fire Insurance Commission at Austin, made an inspection of the Texico fire department's equipment here last Friday, at which time Chief Ira Selman and his boys put on a demonstration for his benefit.

Schwab was well pleased with the physical equipment of the department, with two exceptions, and recommended that these be added at the earliest possible moment. The exceptions were at least 500 feet of additional hose, and not less than a crew of 15 men to man the equipment.

Chief Selman stated that a check for \$684.24 had been received from the New Mexico Insurance department as state aid this week, being the largest check of this nature ever to come to the local department. He stressed the need of additional volunteer firemen to complete his crew, and urged that at least four more were needed from the Farwell side.

31 Additions Result Of Methodist Revival

A total of 31 additions to the church, both by letter and by baptism, was announced by Rev. E. J. Sloan, pastor, when the revival meeting at the Methodist church came to a close Sunday night.

The meeting lasted over a period of eight days, with visiting pastors from near-by towns doing the preaching at the evening services. Rev. B. L. Nance was here to assist the pastor in the visitation campaign conducted as a part of the revival effort, and it was through this means it was agreed, that the most effective work was accomplished.

Rev. Nance left here Monday for Raton where he will assist in a meeting to begin there this week.

SCHOOL OPENS EARLY

Reports received here this week are to the effect that the Oklahoma Lane school will open on August 17. The report could not be confirmed, and Judge Lee Thompson said that although he had heard the report he could not verify the date.

The opening has been stepped up two weeks in order to allow for a dismissal of two weeks later in the Fall when the children will be needed in the fields, the report says.

There are two kinds of voters; the ignorant ones and the ones who vote for your candidate.

Heavy Call for Men Received for August

Officials of the Farmer County Selective Service Board today released the names of the men who will be used to fill the August call on Monday, the 24th. The call is one of the heaviest yet demanded of this county.

All of the men, with the exception of one Negro, will be sent to Lubbock on the 24th, with the colored call for one man being filled by Willie Wynn on August 31st.

Those scheduled to be sent to the Army examination station on the 24th are: Walter Albert K. Kaltwasser, James Floyd Milstead, Omer Darvel Kelton, Fred William Helmke, William James Jones, Elmo Foch Tipton, Hillard Lindley Shields, George Edward Garlets, R. B. Seaton, Otis Harlon Wilburn, Marston Grant Marrs, Taylor Oglesby, Paul Mays Griffith (transferred to Cortez, Colo.), Ross Everett Ward, Francis Marion Woodson, Charlie Clifton Steelman, Albert J. McClure, Wertie Lester Haney, Marvin William Coffee, Gilbert Jacob C. Schueler, Francis Newman Rector, Jack Wayne Walton, enlisted; Wyatt Melvin Griffin, Clarence Eugene Bell, transferred to Gage, Okla.

Classifications Announced
Mrs. Bessie Lee Henneman today announced the results of the meeting of the local board on last Thursday, which was held for the purpose of classifying registrants. The following are her tabulations:

1-C, 8; 1-A, 16; 2-A, 2; 2-B, 1; 3-A, 6; 3-B, 1; temporary 1-A, pending local physical examination, 13.

Board members stressed the seriousness of the future outlook with reference to the induction of men from this county by declaring, "we have now reached the point where every man we call up for service is going to seriously disrupt farming

County School Board In Session Monday

The County Board of Education, with members F. W. Reeve, F. E. Kopley and M. G. Jesko present met with County Superintendent Lee Thompson Monday to transact business pertaining to the common schools of the county.

The principal business to come up was the matter of transfers from one district to another. All transfers were approved with the exception of the grade students in the Midway district, which were denied when it was pointed out that such a transfer would mean that the school would be allowed only two teachers for the term.

Chas. Long was named trustee to succeed W. S. Menefee in the Midway district, Menefee having resigned.

Supt. Thompson stated that all scholastics of the Lakeview district were being transferred to Friona due to the fact that the remaining pupils would justify only a one-teacher school.

JUDGE PITTS HERE

Judge E. L. Pitts of Lubbock, candidate for Chief Justice of the Court of Civil Appeals, was here Monday in the interest of his candidacy. He and Judge Nelson of Amarillo are in the run-off campaign for the office. Judge Pitts expressed his regret in not being able to see all the voters of the county, adding that would be impossible in the short time allotted to the campaign.

and business activity, and to take men where their loss will hurt the least is the problem that we are facing."

Cemetery Working At Texico, August 12

Mayor W. J. Matthews today issued a call for workers to be on hand next Wednesday, August 12, for a working of the Texico cemetery.

He has asked that all who will help in the work of combatting weeds at the burial grounds be on hand at 9 o'clock, Central time, armed with hoes and rakes to do the job efficiently.

Those who come from a distance and plan to remain through the day, or any others who wish to save a trip into town, are asked to bring basket lunches.

Revival Will Begin At Baptist Church

Rev. H. G. Wiehs of Forsan, Texas, will be the visiting minister at a series of revival meetings which will open at the Baptist church on Sunday, August 9, and continue through

Sunday evening, August 23, Rev. W. C. Wright, local pastor, has announced.

According to the schedule, devotional services will be held on weekday mornings, except Saturday, at 11 o'clock, and, weather providing, the night services at nine o'clock will be held in the open air. (Hours given here are Central War Time.)

Rev. Wiens is an honor graduate of Hardin-Simmons University at Abilene, and has completed two years work in Dallas Theological Seminary. He served as a Bible professor for four years in a seminary in Canada. Born in Siberia, Russia, the minister has a unique background, his forefathers originally coming from Holland. He speaks fluently in four languages, Russian, Dutch, German and English.

The local pastor has urged that all local people note the dates of the campaign and make an attempt to be in regular attendance.

Of Interest to Farmers

By John Martin, Administrator Farmer County AAA

Producers who have fall seeded barley which was a good stand and reached a reasonable growth and was not harvested may count this acreage as soil-conserving crops under the 20% provision, provided no other crop is grown thereon during the 1942 program year.

This fact should be called to the attention of the performance reporter when he visits the farm in connection with regular performance.

Wheat Insurance
Applications for the new three-year all-risk wheat crop insurance now are being accepted at the county AAA office, Olan N. Schlueter, chairman of the Farmer County AAA committee, has announced.

This is the fifth year in which wheat growers have been able to obtain wheat crop insurance from the Federal Crop Insurance Corporation. Federal all-risk wheat crop insur-

ance protects the grower against all unavoidable risks, such as hail, drought and insect damage, Schlueter explained.

When the grower signs an application for insurance, he signs at the same time a note, which is due July 10 of the year in which the crop is harvested. At or prior to maturity this note may be paid in wheat or the cash equivalent or after maturity it may be deducted from payments due the grower under the AAA program, from proceeds of a commodity loan, or from indemnity payments.

Schlueter predicted insurance sales in the county this year would be greater than last year's sales due to the fact that the past two years have been good years and past experience tells us we can't have a good wheat crop every year.

Deadline for signing applications for insurance is August 31 or before seeding wheat, whichever is earlier.

Bovina Happenings

Mrs. Will Nittler and Nelda Jane visited with relatives and friends at Rails, Texas, the past week. Nelda stopped for a visit with relatives in Floydada and Plainview, enroute home and will remain for several days.

Mr. and Mrs. Otis White, who have been visiting at Santa Rosa, N. M., returned home Friday.

Lady Earbee and Junior left Tuesday for a two weeks vacation. They will visit friends in El Paso and Albuquerque.

Mr. and Mrs. P. Abbott announce the birth of a granddaughter, born July 30 to Mr. and Mrs. John B. Abbott of Waco, Texas.

Mrs. Joe Harmon and children and Jimmy Harmon of Ballflower, Calif., are spending a week here with Mr. and Mrs. Buck Lloyd.

Lewis Rhodes, who is employed at Amarillo, visited his mother, Mrs. A. G. White, Monday.

Born to Mr. and Mrs. Harry J. Charles at the Memorial Hospital in Clovis, Saturday, August 1, a baby daughter.

OKLAHOMA LANE

Mrs. Howell of Monitor, Okla., is visiting her sisters, Mrs. Annie Bradshaw and Mrs. Fred Paine.

Mrs. Fred Long and children left Wednesday to join Mr. Long in California, where he is employed.

The Thursday Club met in the home of Mrs. Keith Pigg, July 30. Present were Meses. Turner Paine Tom Lindop, Mose Glasscock, R. B. Summers, Lester Vincent, Billy Suderth, Bill Hubbell and the hostess.

Miss Opal Foster left Saturday morning for Wichita Falls, where she will spend a few days.

Mrs. Emlyee Joyner accompanied Mr. and Mrs. Owen Patton to Chillicothe, Tex., this week, where she will spend the next few weeks visiting in the home of her daughter and husband, Mr. and Mrs. Geo. Patton.

Mrs. J. R. Caldwell departed Friday for San Antonio to visit her son Tom, who is stationed at Kelly Field. Mr. and Mrs. J. F. Foster were

called to Marionville, Mo., Friday by the death of his brother-in-law Rev. John Slusher.

Mr. and Mrs. Johnnie Ginnings are visiting relatives in California.

Claude Gober and Nelson Foster left Friday for Ruidoso to spend a few days vacationing.

Leonard Ginnings, who is just recuperating from an appendix operation, is now suffering from a leg infection.

Milton Davis and Mr. and Mrs. Woodrow Smith and son of Amarillo visited friends here last weekend.

Burial of the still-born daughter of Mr. and Mrs. James Burrough was held at the local cemetery, Friday afternoon. The child was born early Friday morning in the Memorial Hospital.

Charles Verner had his tonsils removed, at a Clovis clinic, Saturday. He is doing nicely at this writing.

Webb Gober left Monday for Lubbock to take over duties at the Air School.

Mrs. J. M. Pruitt and Mrs. E. A. Berry left Thursday for California to visit their sons, Harold Pruitt and James Berry, who are stationed at the Marine Base in San Diego.

PLEASANT HILL

Mrs. Paul Spearman has returned from Arizona.

Mr. and Mrs. A. J. Moorman went to Amarillo, Thursday, on business.

Mr. and Mrs. Arthur Kays and children of Wichita Falls are here visiting his parents, Mr. and Mrs. W. P. Kays.

Elvis Bell and Hershel Horton left last week for California.

Miss Bonnie Winkles left Tuesday for a short stay in Ft. Worth, to attend a Church conference there.

Mr. and Mrs. Elmer Langford and children left Saturday for a three-weeks vacation.

A vacation Bible school was begun at the First Baptist Church Monday.

Delmar Lee left Sunday to take up his duty with the government.

Mr. and Mrs. Floyd Boco returned Tuesday from their trip to Oklahoma.

Mrs. R. Snodderly and Mr. and Mrs. J. A. Parker and children were Littlefield visitors, Sunday.

Rev. Skipper of Jacksonville preached at the Fundamental Baptist Church, Sunday.

Monk and Herman Horton and Spencer Jarrell will leave Thursday for the mountains on a fishing trip.

S. J. R. NO. 21

A JOINT RESOLUTION

proposing an amendment to the Constitution of the State of Texas authorizing the Legislature to appropriate Seventy-five Thousand (\$75,000) Dollars or so much thereof as may be necessary to pay claims incurred by John Tarleton Agricultural College for the construction of a building on the campus of such college pursuant to deficiency authorization by the Governor of Texas on August 31st, 1937.

BE IT RESOLVED BY THE LEGISLATURE OF THE STATE OF TEXAS:

Section 1. That the Constitution of the State of Texas be amended by adding a new section, as follows:

"The Legislature is authorized to appropriate so much money as may be necessary, not to exceed Seventy-five Thousand (\$75,000) Dollars, to pay claims incurred by John Tarleton Agricultural College for the construction of a building on the campus of such college pursuant to deficiency authorization by the Governor of Texas on August 31st, 1937."

Sec. 2. The foregoing constitutional amendment shall be submitted to a vote of the qualified electors of this State at the next general election to be held on the first Tuesday after the first Monday in November, A. D., 1942, at which all ballots shall have printed thereon: "For the constitutional amendment authorizing the Legislature to pay for building constructed for John Tarleton Agricultural College"; and

"Against the constitutional amendment authorizing the Legislature to pay for building constructed for John Tarleton Agricultural College."

Each voter shall scratch out one of said clauses on the ballot, leaving the

S. J. R. NO. 20

A JOINT RESOLUTION

proposing an amendment to the Constitution of the State of Texas by amending Section 33 of Article 16 of the Constitution of Texas so as to permit the accounting officers of this State to draw and pay warrants for salaries to officers of the United States Army or Navy who are assigned to duties in State Institutions of higher education.

BE IT RESOLVED BY THE LEGISLATURE OF THE STATE OF TEXAS:

Section 1. That Section 33 of Article 16 of the Constitution of the State of Texas be amended so as to read as follows:

"Section 33. The accounting officers of this State shall neither draw nor pay a warrant upon the Treasury in favor of any person, for salary or compensation as agent, officer or appointee, who holds at the same time any other office or position of honor, trust or profit, under this State or the United States, except as prescribed in this Constitution. Provided, that this restriction as to the drawing and paying of warrants upon the Treasury shall not apply to officers of the National Guard of Texas, the National Guard Reserve, the Officers Reserve Corps of the United States, nor to enlisted men of the National Guard, the National Guard Reserve, and the Organized Reserves of the United States, nor to retired officers of the United States Army, Navy, and Marine Corps, and retired warrant officers and retired enlisted men of the United States Army, Navy and Marine Corps, nor to officers of the United States Army or Navy who are assigned to duties in State Institutions of higher education."

Sec. 2. The foregoing Constitutional Amendment shall be submitted to a vote of the qualified electors of this State at an election to be held throughout the State on the third day of November, 1942 at which all ballots shall have printed thereon: "For the Constitutional Amendment permitting the accounting officers of this State to draw and pay

warrants for salaries to officers of the United States Army or Navy who are assigned to duties in State Institutions of higher education."

"Against the Constitutional Amendment permitting the accounting officers of this State to draw and pay warrants for salaries to officers of the United States Army or Navy who are assigned duties in State Institutions of higher education."

Each voter shall scratch out one of said clauses on the ballots, leaving the one expressing his vote on the proposed amendment.

Sec. 3. The Governor shall issue the necessary proclamation for said election, and have the same published as required by the Constitution and laws of this State, and the sum of Five Thousand (\$5,000.00) Dollars, or so much thereof as may be necessary, is hereby appropriated from any funds in the State Treasury, not otherwise appropriated to defray the expenses of printing said proclamation and of holding said election.

H. J. R. NO. 1

A JOINT RESOLUTION

proposing an amendment to Article III of the Constitution of the State of Texas by adding a new section thereto to be known as Section 49a, requiring all bills passed by the Legislature on and after January 1, 1945, appropriating money for any purpose, to be sent to the Comptroller of Public Accounts for his approval, and fixing the duties of the Comptroller with reference thereto; authorizing the Legislature to provide for the issuance, sale, and retirement of serial bonds, equal in principal to the total outstanding, valid, and approved obligations owing by the General Revenue Fund on September 1, 1943; providing for the submission of this amendment to the voters of this State; prescribing the form of ballot; providing for the proclamation and publication thereof; and providing for the necessary appropriation to defray necessary expenses for the submission of this amendment.

BE IT RESOLVED BY THE LEGISLATURE OF THE STATE OF TEXAS:

Section 1. That Article III of the Constitution of the State of Texas be amended by adding thereto, immediately after Section 49, a section to be known as Section 49a, to read as follows:

"Section 49a. It shall be the duty of the Comptroller of Public Accounts in advance of each Regular Session of the Legislature to prepare and submit to the Governor and to the Legislature upon its convening a statement under oath showing fully the financial condition of the State Treasury at the close of the last fiscal period and an estimate of the probable receipts and disbursements for the then current fiscal year. There shall also be contained in said statement an itemized estimate of the anticipated revenue based on the laws then in effect that will be received by and for the State from all sources showing the fund accounts to be credited during the succeeding biennium and said statement shall contain such other information as

may be required by law. Supplemental statements shall be submitted at any Special Session of the Legislature and at such other times as may be necessary to show probable changes.

"From and after January 1, 1945, save in the case of emergency and imperative public necessity and with a four-fifths vote of the total membership of each House, no appropriation in excess of the cash and anticipated revenue of the funds from which such appropriation is to be made shall be valid. From and after January 1, 1945, no bill containing an appropriation shall be considered as passed or be sent to the Governor for consideration until and unless the Comptroller of Public Accounts endorses his certificate thereon showing that the amount appropriated is within the amount estimated to be available in the affected funds. When the Comptroller finds an appropriation bill exceeds the estimated revenue he shall endorse such finding thereon and return to the House in which same originated. Such information shall be immediately made known to both the House of Representatives and the Senate and the necessary steps shall be taken to bring such appropriation to within the revenue, either by providing additional revenue or reducing the appropriation."

"For the purpose of financing the outstanding obligations of the General Revenue Fund of the State and placing its current accounts on a cash basis the Legislature of the State of Texas is hereby authorized to provide for the issuance, sale, and retirement of serial bonds, equal in principal to the total outstanding, valid, and approved obligations owing by said fund on September 1, 1943, provided such bonds shall not draw interest in excess of two (2) per cent per annum and shall mature within twenty (20) years from date."

Sec. 2. The foregoing Constitutional Amendment shall be submitted to a vote of the qualified electors of the State of Texas, at the next general election to be held on the first Tuesday after the first Monday in November, 1942, being November 3, 1942, at which election all voters favoring said proposed amendment shall write or have printed on their ballots, the words:

"For the Amendment to the Constitution of the State of Texas, requiring appropriation bills passed by the Legislature to be presented to and certified by the Comptroller of Public Accounts as to available funds for

payment thereof, limiting appropriations to the total of such available funds, providing for issuance of bonds to pay off State obligations outstanding September 1, 1943, and fixing the duties of the Legislature and Comptroller of Public Accounts with reference thereto."

"Those opposing said proposed Amendment shall write or have printed on their ballots, the words:

"Against the Amendment to the Constitution of the State of Texas, requiring appropriation bills passed by the Legislature to be presented to and certified by the Comptroller of Public Accounts as to available funds for payment thereof, limiting appropriations to the total of such available funds, providing for issuance of bonds to pay off State obligations outstanding September 1, 1943, and fixing the duties of the Legislature and Comptroller of Public Accounts with reference thereto."

Sec. 3. The Governor of the State of Texas is hereby directed to issue the necessary proclamation for said election and have same published as required by the Constitution for amendments thereto.

Sec. 4. The sum of Five Thousand Dollars (\$5,000.00) or so much thereof as may be necessary, is hereby appropriated out of any funds in the Treasury of the State of Texas, not otherwise appropriated, to pay the expenses of such publication and election.

payment thereof, limiting appropriations to the total of such available funds, providing for issuance of bonds to pay off State obligations outstanding September 1, 1943, and fixing the duties of the Legislature and Comptroller of Public Accounts with reference thereto."

"Those opposing said proposed Amendment shall write or have printed on their ballots, the words:

"Against the Amendment to the Constitution of the State of Texas, requiring appropriation bills passed by the Legislature to be presented to and certified by the Comptroller of Public Accounts as to available funds for payment thereof, limiting appropriations to the total of such available funds, providing for issuance of bonds to pay off State obligations outstanding September 1, 1943, and fixing the duties of the Legislature and Comptroller of Public Accounts with reference thereto."

Sec. 3. The Governor of the State of Texas is hereby directed to issue the necessary proclamation for said election and have same published as required by the Constitution for amendments thereto.

Sec. 4. The sum of Five Thousand Dollars (\$5,000.00) or so much thereof as may be necessary, is hereby appropriated out of any funds in the Treasury of the State of Texas, not otherwise appropriated, to pay the expenses of such publication and election.

DON'T NEGLECT YOUR FRIENDS

Don't make the mistake of neglecting your best friends during these days of rush and scarcity of labor.

We should keep in mind that our chickens and cows have played an important part in good times and bad times in the past and they will continue to do it when they are given the proper care and attention.

We could be accused of having a selfish motive in this suggestion—we do want to buy your cream, eggs, and chickens.

EXTENSIONS

MATERIALS, such as pipe, as well as rubber and other materials, are vital to the war effort. In view of this condition, the Government has set up regulations whereby we must obtain special permission from the War Production Board before we may lay lines to the property of new customers. Ordinarily it takes at least thirty days to obtain approval for these new extensions from the WPB.

Your Gas Company, like all other Americans, is anxious to cooperate with the Government in its all-out effort to win the war and at the same time to continue to render top-notch service to its customers. Therefore, if you are anticipating the need for a gas-line extension to your premises, may we suggest that you contact our Local Office far enough in advance for us to apply for approval by the WPB and to assure you of Gas Service by the time you need it if at all possible.

Walther League To Hold Dedication Convention

The Walther League, Lutheran Church youth organization, will sponsor its local dedication convention on August 10, 12 and 14, with chapters from the Rhea Immanuel church, the Clovis Immanuel church and the Lariat St. John's church co-operating.

The General Convention Committee, elected by the respective societies includes Melvin Sachs and Gilbert Schueller of Rhea, Melvin Pyetzi and Anita Kiersey of Clovis, Gilbert Kaltwasser and Albert Krüger of Lariat, and the Rev. Karl Keller of Clovis and Rhea and the Rev. Rudolph Weiser of Lariat.

Primarily, the work of the Walther League will be discussed in the three sessions of the convention, with the program arranged by the committee.

The opening session will be held in the public library at Clovis, on Monday night, August 10, at 10 p. m. (Central war time). A vesper service will open the program and Rev. Weiser will speak on the text: "Be Strong in The Lord." Messages will be read by the secretary, Melvin Sachs, to the leaguers; from the president of Synod of the Lutheran church, Dr. J. W. Behnken; president of International Walther League, Henry W. Buck; and a report from the chairman of the Golden Anniversary Fund.

This fund, which amounts to \$100,000, was donated by members of the Walther League and a headquarters building for the organization erected. The completed building, to be dedicated in September, is located in Chicago and stands as a monument to the work of the Walther League.

The educational topic for the first session will be the administration of the League, the discussion centering about the work of the organization, its program, and officials, the president and executive board.

Special feature of the session will be an autograph hunt.

On August 12, the second meeting will be held at Lariat in the church building, also beginning at 10 p. m. The meeting will begin with a vesper service, with Candidate Ralph Temme in charge. The topic for the educational study will center about the "Christian Knowledge" department of the league. Special feature will be a Bible quiz.

Third and final meeting of the convention will be held at the Rhea church on August 14, at 10 p. m. An educational discussion on the "Christian Service" department of the Walther League will be held and the evening will be featured with a lobby sing. The convention proper will be closed with an inspirational address by Rev. Keller, who will base his talk on the words: "Songs In The Night".

Melvin Pyetzi will serve as business chairman of all meetings, while Melvin Sachs will act as secretary.

The public is cordially invited and urged to attend some if not all of these sessions to become acquainted with the work of the Walther League.

Wesley Class Has All-Day Meeting

The Wesley Bible Class of the Methodist Church enjoyed an all-day meeting in the home of Mrs. John Bingham, on Tuesday.

A lovely covered dish luncheon was spread at the noon hour, and the afternoon spent in visiting and a short business meeting, during which it was voted to hold the husband's social on the first Tuesday in September.

Attendants included Mesdames B. E. Nobles, Roy B. Ezell, E. J. Sloan, Anne H. Overstreet, Lena Yoder, E. G. Blair, David Harrison and children, and the hostess.

Farwell 4-H Club To Meet 10th

The Farwell 4-H club will meet in the home of Miss Elsie Cunningham, home demonstration agent, on Monday, August 10, at 2:30.

The demonstration on making gingerbread will be given by Marcia Anne Johnson, Barbara Ann Bobst, Mary Ruth Petree and Sybil Ham.

Recreation for the meeting is being arranged by Margaret Bobst, Hazel Petree and Ella Juanice Bradshaw. Any girl between the ages of 10 and 20 who is interested is welcome to attend.

Mrs. Bess Henneman spent Sunday visiting relatives in Amarillo.

CLOVIS, N. M.

Miss Roberta Rushing Weds Wayne Holland

Relatives and close friends were in attendance at a quiet wedding ceremony performed in the First Methodist Church in Portales by Rev. R. C. Cantrell at six p. m. August 1, when Miss Roberta Rushing of Portales became the bride of Wayne Holland of Houston.

Mrs. Holland is the daughter of the daughter of Mr. and Mrs. E. V. Rushing, former local residents, and a graduate of the Farwell high school. She received her degree in home economics from Texas Tech in Lubbock this spring.

Mr. Holland is also a former Tech and University of Texas student, having majored in engineering. He is employed with the Hudson Engineering Corporation of Houston, and the couple will reside in Houston.

Vacation School For Mexican Children

Mrs. Mae E. Abbott of Bovina, working under the Baptist State Board, is conducting a vacation Bible school for Mexican children at the local Baptist church, from 1:30 to 4:30 each afternoon. The school will last for a period of two weeks, having opened on Monday.

Mrs. Abbott is being assisted by Miss Louise Harless of Watson, Tex., student at Baylor University, and Miss Zena Fay Cook, of Wayland College, Plainview.

At present, classes are being held only for junior and primary groups, but Mrs. Abbott stated that an intermediate department would be provided for children who will attend.

Bagley Visitors

Mr. and Mrs. B. H. Bagley and Mr. and Mrs. Glenn Bagley and children of Hutcheson, Kansas, and Bob Hornbaker of Lubbock, have been visiting Mr. and Mrs. D. W. Bagley, Hornbaker, who is in training at the Army flying field in Lubbock, will receive his wings today and the Kansas visitors will attend that ceremony before going home.

Mrs. Tom Grady and children who have been visiting Mrs. Pearl Grady, left last weekend for their home in Roy, N. M.

Attend Camp Meeting

Ruby and Melvin Doolittle and Geneva Wilson left Friday for Guthrie, Oklahoma, where they will be in attendance at a ten-day camp meeting. They plan to visit friends and relatives before returning home.

Here From Shamrock

Mrs. Logan E. Clay of Shamrock, Texas, arrived the past Saturday afternoon to spend several days visiting her daughter, Mrs. W. A. Kessie. She plans to return to her home the latter part of the week.

On Vacation

Mr. and Mrs. Gene Lovelace and family are vacationing in the mountains of Colorado this week, having left here during the weekend. En route to Colorado they stopped at Albuquerque and were joined on the trip by Miss Mary Lovelace, who was attending summer school there.

Home From Trip

Mrs. Fred Kepley and daughter, Miss Gloria, returned home Sunday night from a trip to the west coast, where they visited with her daughter, Mrs. Chas. C. Smith, now located at Longview, Wash. They report a very delightful journey.

To Mississippi

Mrs. Lee H. McElroy departed overland Tuesday for Hattiesburg, Miss., where she will join her husband, stationed at Camp Shelby. Mr. and Mrs. Loyd Cain and son will occupy the new McElroy home in Farwell.

Mrs. W. W. Engram has recently returned home from Denver, Colo., where she spent a month visiting in the home of her son, Edward, and family.

Mrs. Carl Davis and Mrs. O. B. Pipkin have gone to Florida, to spend a few days visiting relatives.

Mr. and Mrs. Elton Malone and family have gone to Del Rio, Texas, on their vacation. L. A. Parsons of Friona is here in charge of the Ford Produce company during their absence.

Mr. and Mrs. I. W. Coleman and Irwin, Jr., of Houston, and Mr. and Mrs. Clifford Gibbs of Wilson, Oklahoma, arrived here Tuesday evening to visit for a few days with Mrs. Claude Rose and son.

ADDING NEW ROOM

A new room is being added to the Ralph Humble home in Farwell this week, increasing the residence to six rooms and a bath. The house is being thoroughly remodeled otherwise and a new roof added.

Mr. and Mrs. L. H. Bradshaw and Miss Mary Jo Carter departed on Tuesday night for Dallas. They will return the last of the week.

Leaders For Services

Rev. Karl Keller (above) pastor of the Immanuel Ev. Lutheran Church of Clovis and Rhea, and Rev. Rudolph Weiser (below) pastor of St. John's Ev. Lutheran Church at Lariat.

Mr. and Mrs. C. J. White and family spent Sunday with their daughter and husband, Mr. and Mrs. Leroy Hunton, in Portales.

Mr. and Mrs. Andrew Fletcher and daughters are here from Durango, Colorado, visiting in the home of her mother, Mrs. J. B. Coltharp.

Mr. and Mrs. Andrew Fletcher and daughters are here from Durango, Colorado, visiting in the home of her mother, Mrs. J. B. Coltharp.

Mrs. Tom Grady and children who have been visiting Mrs. Pearl Grady, left last weekend for their home in Roy, N. M.

Mr. and Mrs. Chas. Wildman and family of Vici, Oklahoma, visited Sunday in the home of Mr. and Mrs. D. J. Brown.

Mrs. G. B. Armstrong Jr. and children, Dick and Jan, of Roswell, arrived Tuesday to spend a few days visiting her parents, Mr. and Mrs. R. E. Maddux.

Rev. and Mrs. E. J. Sloan and E. J., Jr., left Tuesday night for Dallas, where they will look into the possibilities of entering the boy in SMU this fall.

Mr. and Mrs. Loyd A. Cain announce the arrival of their firstborn, Loyd Jr., on Friday, July 31st. Both mother and son are doing nicely.

Mrs. Pearl Stewart and Katherine Ann were here from Amarillo over the weekend to visit former neighbors.

Mr. and Mrs. Jason Gordon and daughter, Janie, visited in the home of Mr. and Mrs. John Armstrong, and with other friends, over the weekend. The Gordons are from Floydada, and former local residents.

R. B. Ezell, who has been working in Plainview, has returned to Farwell and is now working in the local AAA office.

Mrs. R. E. Maddux returned Saturday evening from spending the past two weeks in Clovis with Mr. and Mrs. J. A. Jackson and family. Mrs. Jackson is the former Miss Sarah Worley of this city.

Miss Hazel Smith spent the weekend visiting in Lubbock.

Mrs. Lee Bradshaw was a business visitor in Portales on Sunday afternoon.

Mr. and Mrs. E. V. Rushing of Portales visited with former neighbors in this city, Sunday.

Franklin Sloan has gone to Poteet, Texas, where he will visit for several days with relatives.

Mr. and Mrs. M. C. Roberts departed the first of the week to spend a few days enjoying the scenery and climate of Red River, located high up in the mountains of Northern New Mexico.

Mr. and Mrs. Fay Maxey and children were visitors in Floydada, Sunday, accompanied by little Betty Merle Botler, who had spent several weeks here visiting the Maxeys.

John Aldridge, local lawyer, was a business visitor in Amarillo the first of the week.

Mrs. V. Scott Johnson and daughter, Marcia Anne, were visitors in Amarillo the past weekend.

NEWS FROM OUR BOYS IN CAMPS

WRITES FROM AUSTRALIA

Mr. and Mrs. T. J. Massongill are in receipt of a letter from their grandson Sgt. Carthon Phillips, who is located "somewhere in Australia". Carthon writes, "there is not much I can say except that I am O. K. Outside of losing a little weight and getting skinned up a little in an accident in Java, I am none the worse for seven months of war. Since I have been here I have been doing a little hunting—got quite a few ducks, two turkeys and two kangaroos. One of the kangaroos was a mother and had her little one in her pouch I wish I could have sent it to you for a pet. I will send you a picture of me hunting wallabee—they are like kangaroos only smaller, and live among the rocks."

AT CAMP LEE

Cpl. Jimmie Overstreet, son of Mrs. Anne H. Overstreet of this city, who recently entered the Army is stationed at Camp Lee, Virginia, according to relatives. Jimmie is in training at a Quartermaster Corps school, and writes that it was pretty much over his head at first but now "with some study and a little luck I think I'll make it".

SENT TO ABILENE

Claude Rose, who enlisted in the in the VOC recently, has been stationed at Abilene, Texas, according to word received from him the first of the week.

GETS HIS CALL

Woodrow Lovelace, who was accepted for the Army Air Corps a few months ago, received his call on Monday, and will report to Lubbock August 17th, from where he will be assigned to a training field.

TO HAVE FOREIGN DUTY

Mr. and Mrs. George Lindop received word this week that their son D. K., has been assigned to foreign duty. His destination and departure were naturally not revealed.

Local Woman Has Picture On Bulletin

A new bulletin issued by the Texas A. & M. Extension Service is of particular interest to Parmer County Home Demonstration women, as Mrs. Clarence O. Smith, President of the Bovina Club, posed for the cover picture, according to Miss Elsie Cunningham, demonstration agent.

The bulletin is entitled "Give Your Clothes A Professional Touch" and is written by Mrs. Dora Barnes, clothing specialist. She explains how to make bound buttonholes, plackets, pockets and other tailored finishes through word description and detailed drawings.

Fall Gardens Prove Popular In County

Fall gardens, designed to hasten the downfall of the Axis and at the same time add to the home store of food for use during winter months, are proving more popular than ever before with Parmer County farm families working with the Farm Security Administration, according to Edna P. Elms, home management supervisor.

"Even before the regular gardening season is over," said Mrs. Elms, "the Farm Security families are making plans and getting ready to produce fall gardens."

Farm families and part-time farm families who need funds for the purchase of seed, implements, canning equipment and storage facilities may make application to the FSA for a "Food for Freedom" loan, Mrs. Elms explained.

"Only in a democracy will the common people of their own free will seek aid and assistance and additional working capital, in order to grow more food for freedom," said Mrs. Elms. "The small farmers and part-time farmers of Parmer County and throughout the United States rallied to the FSA's Food for Freedom lending program last spring, and the results may be seen in the nation's storehouse of food."

Many Food for Freedom loans were made by the FSA in Parmer County last spring but the demand was so great that funds were exhausted before all prospective borrowers could be served. Since July 1, additional funds have been made available and those families who were unable to borrow earlier this year are expected to have their needs met this summer for fall operations.

"America's small farmers are eager to contribute their time, labor and land resources to the cause of vic-

tory and all they need in many cases is a small loan to purchase seed, tools and equipment to work with," said Mrs. Elms. "With things to do with, they'll get the job done."

Retail Merchants Must File List By August 10

All retail merchants in Parmer County were reminded today by John Armstrong, chairman of the Farmer County War Price and Rationing Board, that they must file with the local board by August 10 a list showing cost-of-living articles and their ceiling prices which the merchant has added to his stock since July 2.

"The filing of such lists by the 10th of each month is made mandatory by the General Maximum Price Regulation No. 1," he pointed out.

Armstrong also called attention to the fact that many retail merchants still have not filed the initial listing of cost-of-living articles and their ceiling prices, which should have been in the hands of the county board not later than July 1.

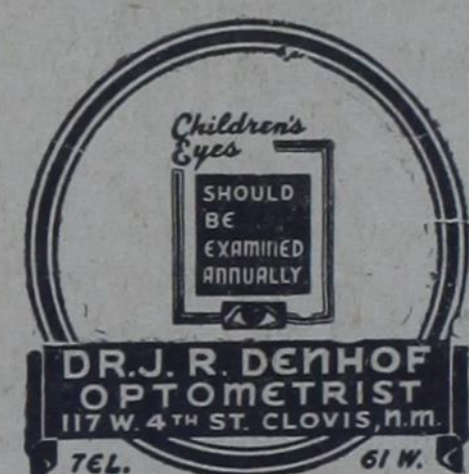

"Failure to file that list is a violation of the regulation," he said, "and we have been advised that the state office of Price Administration staff is now making a field survey to determine how many merchants have not filed this list."

The results of the survey are to be turned over to the OPA compliance and investigation department, for immediate attention.

Mrs. Earl Hawkins and children, Dean and Katherine, are here spending this week with relatives. They reside in Muleshoe.

HALL'S GROCERY & MARKET

By Garlon A. Harper
County Agent

Texas A. & M. Extension Service

Hog farming meant profit farming this year. It has been a long time since hog farmers have enjoyed the almost ideal conditions we now have. There are several factors which must be taken into consideration when you go to talking about making money on growing and feeding hogs. One factor is the demand for the finished product. Another is the relation of the price of feed to the price of hogs. Of course, another factor is the availability of home grown feeds. This year we have all these factors thrown together in one of the best combinations ever known.

The government is calling for pork and more pork. Marching armies, hungry allies, and scarce shipping space which calls for shipping of concentrated foods all go together to make a big demand for finished pork. Even though the price of home grown grains has gone up there is still a wide spread between the dollars it takes in feed to finish a hog and the dollars the feeders get for the finished hog. And who doesn't have a good supply of home grown grains on hand to put in a few hogs?

To finish hogs properly we need to have our own grains grown at home. With these we must provide a protein supplement which will take care of the hog's need for protein. We can't get by without that. Hogs need protein and they need animal protein. A good way to give them this balanced ration is to put them on a self feeder containing grains in one compartment and an equal mixture of cottonseed meal and tannage in the other. They will balance their ration from start to finish. Good green pasture is fine for your hogs. If you don't have the pasture add 5% of the total feed in alfalfa leaf meal. Don't forget to provide plenty of fresh water, shade and protection. The more often your hogs stand up to the trough and eat in comfort the more often you will leave the bank with a deposit slip in your pocket and not a renewed note.

Automobiles May Be Released to Eligibles

An automobile dealer who has an eligible customer ready to buy certain type automobiles that the dealer cannot deliver because they are caught in a government "pool" may now be able to get the car released, John Armstrong, chairman of the Farmer County War Price and Rationing Board, said today.

"Release of automobiles from the government reserve pool in exchange for others of lower price or greater passenger capacity is provided in an amendment to the new passenger car regulations," he explained.

"Generally, the cars that are acceptable as substitutes are the smaller more economically operated vehicles with greater passenger capacity than those to be withdrawn. Thus, the car to be substituted may be one of the same body type as the one withdrawn by the pool, provided it has a lower list price. Or it may be a four-door sedan, while the car to be removed is some other body style. Similarly, it may be a two-door sedan to substitute for a four-door."

Armstrong explained that a dealer may apply to the OPA in Washington for permission to remove the desired automobile from the government pool, offering in turn a substitute a car that is better suited to the purposes for which the pool was created. These applications go direct to the OPA in Washington not to the local board, but the local board has information available for advising dealers on the proper manner for submitting applications.

HOW TO GET RID OF ANTS

By Elsie Cunningham
Home Demonstration Agent

Lately a number of people have been complaining about ants coming into the kitchen, and have been asking what to do about them.

Entomologists of the Department of Agriculture say that all methods of control of ants are based on the way ants live, in nest or colonies. The queens live in the nests and are fed by the worker ants, the ones you see running about looking for food. The secret of getting rid of ants is to locate the nest and destroy the queen and young ants. When you do that, the worker ants do not live very long.

Follow the trail of the ants to where they disappear. Try to inject a little carbon disulphide, kerosene, or gasoline into the opening with an oil can or small syringe. And by the way, these are inflammable materials; don't make or have any fire nearby while you use them.

If you can't find the ant colony, try poisoned syrup as a bait. Add a small piece of sodium arsenite about the size of a pea to 1/2 cup corn syrup and stir until the arsenite mixes completely with syrup. Now, divide the syrup into portions, pouring into small saucers or the tops of fruit jars, and set in places where ants cause trouble. It should cause the ants to cease their annoyance in a few days.

Notice that I said sodium ARSENITE and not sodium ARSENATE in the poisoned syrup. They are two different substances. Be sure you get sodium ARSENITE.

Another way to discourage ants is to dust with sodium fluoride, the same material used in control of cockroaches. Sprinkle along the edges of the kitchen floor, allow it to remain for some time.

Still another effective material is one of the commercial fly sprays. It should be placed in a small sprayer and sprayed along the runways, under baseboards, and into the corners frequented by the ants.

If you've had trouble with ants getting on cakes and other foods before you could put them away, there's an old-fashioned way of protecting your kitchen table when you want to use it for cooling foods. Stand the table legs in small saucers or jars containing a little kerosene. Keep the surface of the kerosene clear of dead ants or the live ones will use them as a bridge to get over and crawl up the table legs.

The best advice, however, is to destroy the ants home, before they invade yours; and of course sweep up all crumbs promptly and keep your food supplies in tight containers.

MEETING AT LARIAT

Splendid crowds have been attending the revival meeting which began at the Church of Christ at Lariat the past week. The meeting, which is being conducted by Minister W. B. Andrews of Tucumcari, N. M., began last Friday and will conclude with the services this Sunday evening.

PARCELS FOR PRISONERS

Mrs. Bess Dow, assistant postmaster at the Texico office, today announced the American Red Cross was sending a boat loaded with parcels for American prisoners and internees being held by Japanese forces. Domestic postage will be required on all parcels, and they must be mailed in time to reach San Francisco by August 12. Further details may be obtained at local postoffices.

"Tomorrow will be another day," says the optimist. "Yes," says the pessimist, "but so was yesterday."

TIRE BOARD REPORT

The following tire, tube and retread certificates were authorized by the Farmer County Ration Board at meetings on July 27th and 29th:

- Graham Thornton, two pickup retread tires.
- Gordon Duncan, two passenger retread tires.
- W. L. Pace, two passenger retread tires.
- R. D. Precure, one truck tire, one tube.
- Mrs. Wallace H. Rogers, one passenger tire, one tube.
- Clyde Magness, one passenger tire, one tube.
- Earl Booth, two passenger tires, two tubes.
- John W. Wilson, two passenger tires, two tubes.
- J. C. Wilkison, two passenger tires, one tube.
- Mrs. Mae E. Abbott, one passenger tire.
- Lee A. Coffey, two passenger tubes.
- E. B. Brannon, one passenger tube.
- Sloan Osborn, two passenger tubes.
- Arthur Moorman, two obsolete passenger tires, two tubes.
- Art Mallouf, two obsolete passenger tires.
- Ben Smart, two obsolete passenger tires.
- Nat Jones, one truck tube.
- D. C. Burnett, two retread pickup tires.
- Orbra Cole, two retread pickup tires.
- J. P. Wilson, one retread tractor tire.
- C. W. Dixon, one pickup tire, one tube.
- B. K. Greeson, two retread truck tires.
- S. F. Warren, one pickup tire, one tube.
- M. E. Sparkman, one pickup tire, one tube.
- J. S. Glasscock, one implemnt tube.
- John Lovelace, one tractor tire.
- I. G. Roberts, one pickup tire.
- Joe Wilson, two tractor tires.
- Lee Jones, two retread passenger tires.
- Bob Morris, two retread passenger tires.
- C. F. Hastings, one tractor tire.
- N. M. McCurdy, one truck tire, one tube.
- Bob Hines, one truck tire, one tube.
- Fred Bruns, one truck tire, one tube.
- P. L. London, one truck tire.
- Willis Edelman, one pickup tire, one tube.
- D. C. Melugin, one pickup tire.
- Raymond Sudderth, one pickup tire, one tube.
- L. O. Woltmon, one pickup tire, one tube.
- O. W. Rhinehart, one pickup tire, one tube.
- Keith Pigg, one pickup tire.
- Claude Osborn, one pickup tire.
- J. R. Caldwell, one pickup tire, one tube.
- D. E. Habbinga, one pickup tire, one tube.

- E. A. Berry, two retread passenger tires.
- H. H. Henson, two retread passenger tires, two tubes.
- Alvin Kriegel, two retread passenger tires.
- Clarence A. Guinn, two retread passenger tires.
- E. R. Sparkman, two retread passenger tires.
- T. E. Levy, two retread passenger tires.
- H. L. Tidberg, one retread passenger tire.
- C. D. Gustin, two retread passenger tires.
- Finis Kimbrough, two retread passenger tires, two tubes.
- C. B. Watkins, two retread passenger tires.
- W. C. Williams, two retread passenger tires.
- R. L. Karr, two retread passenger tires.
- Ross Glaze, two retread passenger tires.
- A. J. Mans, two retread passenger tires.

Official Results In State Races Given

Final tabulations and official results of the state and district campaigns were announced this week, showing that Farmer county voters following their usual custom, cast their ballots fairly in line with the voters of the state and district.

Congressman Eugene Worley led the ticket for re-election with 892 votes, with Sheppard, for comptroller, coming in as second favorite.

Senator W. Lee O'Daniel took third high in total number of ballots, polling 763, while his three opponents—Allred, Moody and Ryan—were mustering a total of 408.

Figures compiled this week gave the following votes in the county:

U. S. Senator	
Allred	313
Moody	77
O'Daniel	763
Ryan	18
Governor:	
Collins	321
Ferguson	9
