

THE STATE LINE TRIBUNE

"OFFICIAL PUBLICATION OF FARMER COUNTY"

NUMBER 8

SIXTY-FOURTH YEAR

15 CENTS

Richard Hapke - -

Former Tribune Editor To Be Honored At ENMU

Richard "Dick" Hapke, a former Farwell resident, will be among four Eastern New Mexico University alumni to receive special recognition during the November 7-8 Eastern New Mexico University homecoming activities.

The awards, to be made by the Eastern Alumni Association, will go to Hapke of Washington, D.C., Kendall O. Schlenker of Albuquerque, Bart J. Finney of Farmington and Dallan Sanders of Portales. The association, also named New Mexico artist Peter Hurd as a lifetime honorary association member.

Hapke, administrative assistant to U.S. Representative Harold Runnels, will receive an Outstanding Alumni Award.

The award recipient is a graduate of Farwell High School. He began working for the State Line Tribune as a "printer's devil" while a high school student. He climbed the ladder of learning rapidly and was an accomplished Linotype operator by the time his college days rolled around.

Using his trade knowledge to good advantage, Hapke put himself through college at ENMU by working in the university print shop. In college, he earned a bachelor of arts degree with a major in journalism.

During his college years he worked part-time at the Tribune, helping both in the mechanical and editorial phase of the business.

Hapke's career road was detoured by a 21-month stint in the service which included a tour of duty in Japan and other Far East countries. During his time as a service-

man he served as editor for "Stars and Stripes," the official Army publication.

Upon returning to civilian life, he accepted the position of editor of the Tribune in June of 1960 and continued in the post until April of 1961. He then spent a short time as editor of the Friona Star before going to Lovington, N.M. to serve as editor of the Lovington Daily Leader.

Prior to his association with Rep. Runnels, Hapke worked as managing editor of the New Mexico Farm and Ranch Magazine.

Hapke is the son of Alfred E. Hapke of Texico and the late Mrs. Hapke. His wife, Carolyn, is also associated with Rep. Runnels' office.

Hurd, who will be recognized as a lifetime honorary association member during homecoming, has made many contributions to art covers for more than four decades during which time he has produced murals, lithographs, temperas and water colors. He has also authored many articles relating to art. He studied at West Point, Haverford College and the Pennsylvania Academy of Fine Arts.

His paintings are owned by many galleries and museums including The Metropolitan Museum, the Brooklyn Museum, and the National Portrait Gallery.

Finney and Sanders will be receiving Distinguished Alumni Awards and Schlenker will receive an Outstanding Alumni Award.

Finney is the mid-management business program coordinator at the San Juan

Branch of New Mexico State University and Sanders is director of student services at ENMU and has served as director of housing and campus union since his employment there in 1966.

Schlenker is senior stockholder in Schlenker, Parker, Payne and Wellborn of Albuquerque and practices law with a specialty in taxation and estate planning.

The special presentations will be made at the noon barbecue on Saturday, Nov. 8.

RICHARD HAPKE

Fails Statewide - -

Voters Nix Constitution

Parmer County voters turned out 1393 strong Tuesday, Nov. 4, to express their opinions on eight propositions for a new constitution for the State of Texas and black-balled each proposition by overwhelming margins.

Parmer County Clerk Bonnie Warren commented, "Out of a total of 3800 registered voters in the county, 1393 turned out at the polls. This turn-out was better than we expected and all county election judges were pleased with the percentage."

In a breakdown of votes cast for and against the individual propositions it was revealed that 175 votes were cast for Proposition One while 1204 were cast against; Proposition Two, 176 for, 1201 against; Proposition Three, 178 for,

1195 against; Four, 200 for, 1180 against; Five, 165 for, 1208 against; Six, 186 for, 1190 against; Seven, 179 for, 1194 against; and Proposition Eight, 186 for, 1189 against.

It was explained that since the propositions failed to carry statewide, the Texas Legislature will be working under the same 100-year-old constitution which has governed the state since its beginning.

BULLETIN

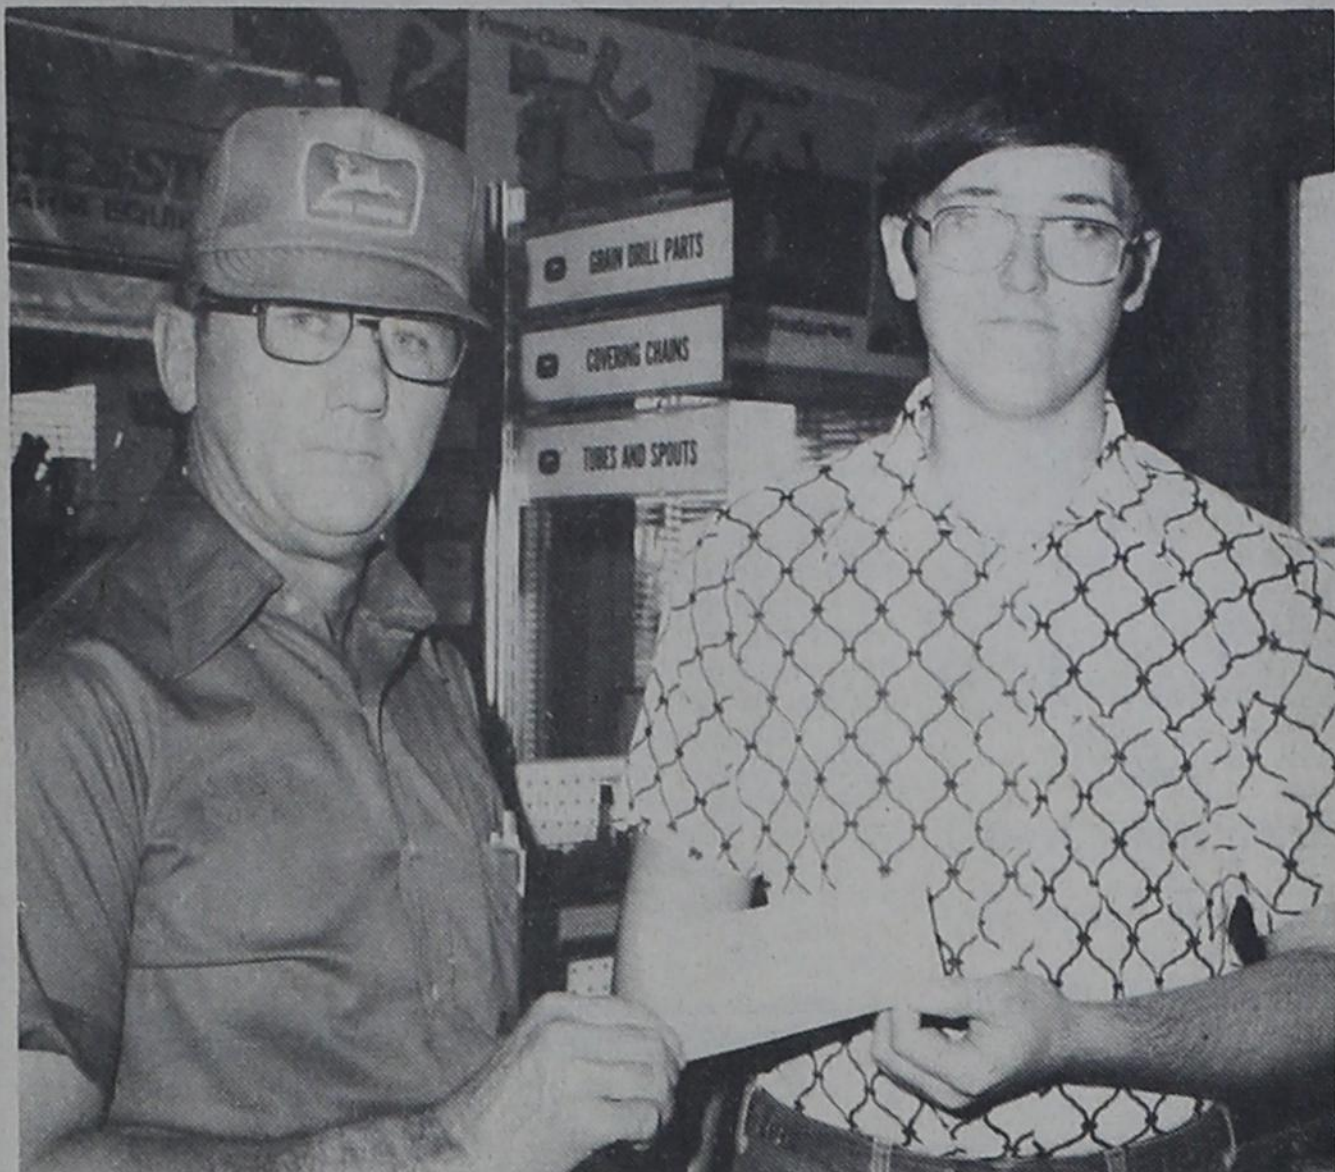

It has been announced that Tuesday, Nov. 4, members of the Farwell Steer Band traveled to Lubbock to compete in the UIL Regional Marching Contest and, for the first time in the history of the local band, returned home with a Division I rating in marching.

The band has competed in the competition for over 20 years and prior to Tuesday's Division I win, it had always received a Division II rating.

The band is now eligible to compete at the State UIL Marching Contest. Complete details of the win will be published next week.

Journalism Class Compiles Yearbook

Farwell High School Journalism class is compiling a bicentennial yearbook with emphasis on the history of Farwell Schools. Anyone having old pictures of people connected with the school or students who attended, please contact Lucille Franse at the High School or any member of the Journalism class.

THE ONE AND ONLY person calling all 10 games on the card in the ninth week of the 17th Annual Area Merchants Football Contest was Scotty Holloman of Clovis, right. Holloman was awarded \$5 for his win by Bud Thomas, partner in Cal Jordan Implement Company in Clovis, a sponsor of the contest. Taking second in this week's contest was Bill Craft who called nine games but was six points off on the tiebreaker. Third place was a tie between Missy Taylor and Becky Taylor. Each correctly predicted the outcome of nine games and each was eight points off on their tiebreaker scores for the split.

Gonzales Widens Lead - -

New Name Appears In Winners Column

A new name appeared in the winners' column with the ninth week of the 17th Annual Area Merchants Football Contest as Scotty Holloman of Clovis buffaloed all other contenders for the first place slot and weekly prize money of \$5.

Holloman was the only person in this week's competition to correctly predict the outcome of all 10 games on the card. He was followed by three persons making successful bids for the second and third place positions.

Bill Craft took second place and \$3 on a tiebreaker decision. Craft had called nine games correctly and was six points off on his predicted tiebreaker score for the win. Third place was split between Missy Taylor and Becky Taylor. Each of the entrants correctly called nine games and each was eight points off on the tiebreaker score for the split win. Both will receive half of third place prize money of \$1.

Nine other persons called nine games but were two far off on their tiebreaker scores to place in this week's contest. Other correctly predicting the outcome of nine games were Rusty McFarland, nine points off; Johnny Curtis, 14 points

off; Chip Craft, 16 points off; Jack Taylor, 16 points off; Jim Walker, 20 points off; Kie Watkins, 21 points off; Tim Norton, 22 points off; Greg Taylor, 22 points off; and Horace Eubank, 26 points off.

With this week's contest, Sam Gonzales of Muleshoe widened his overall lead in the contest to three points as he raised his season score to 70 points. Gonzales has led by two points in the contest for the last three weeks.

Following the leader on the scoring pole are second place competitors Carl Kirkland and Frances Norton. Mrs. Norton and Kirkland each have 67 points to their credit.

The three are leading over third place contender Leigh Ann Kirkland. Miss Kirkland has accumulated a total of 66 points thus far in the annual event. Fourth place belongs to Bill Craft and Earlene Porter, each with a total of 65 points.

In a flashback to the 1974 contest, the final tally at the end of the 12-week contest showed Sam Gonzales taking the Grand Prize. Last year at the end of the 11th week, Gonzales shared the third place overall position with two other persons, three points behind the leader. He came up

with the win during the final week when he outguessed first and second place leaders and stood alone in the number one position following the final week of scoring.

Although he now holds the lone lead in the 1975 contest does not mean that Gonzales will take the Grand Prize or even Second Prize. Should one of the competitors in the other leading positions come up with a couple of good cards, they will be receiving two tickets to the Cotton Bowl game and \$50 expense money. The Grand Prize game is to be played New Year's Day 1976 in Dallas.

The person declared second place winner in the overall contest will be the recipient of two tickets to the Sun Bowl game to be played during December in El Paso. The winner will also receive \$25 expense money.

Will Gonzales win the 1975 contest or will he be defeated by another contender? No one will know until the final week of the 17th annual contest has been tallied. They are still three weeks remaining and the winner is yet to be decided.

Texico Chamber, Planning Group To Meet Nov. 11

The Texico Chamber of Commerce and Texico Planning Commission will meet in a joint session Tuesday, Nov. 11, at 6:30 p.m. MST at Citizens Bank.

Purpose of the joint meeting will be to discuss the feasibility of merging the two organizations.

Also on tap will be election of officers for the Planning Commission.

School Trustees To Discuss Gym

Members of the Texico School Board of Education will meet in regular session Tuesday, Nov. 11, at 8 p.m. MST in the High School.

Included on Tuesday's agenda will be a report from Randall Kilmer, architect, on the feasibility of renovating, tearing down or using the old gymnasium located on the campus.

Co. Commissioners Slate Monday Meet

Canvassing of Constitutional Election returns will be an item included on the agenda of the Parmer County Commissioners Court when it convenes in regular session Monday, Nov. 10.

Also on the agenda are consideration to abandon a certain easement, updating of the road situation, discussion of Revenue Sharing legislation, opening of road grader bids and an update on a suit relative to the Panhandle Regional Planning Council.

Letter To Patrons Of Farwell School District

There has been a great deal of misunderstanding concerning the recent ad valorem tax raise for school district operation for the 1975-76 school year. We felt it would be beneficial to explain the reasons behind the tax raise and to show the percentage of budget raises for this school year as opposed to last year.

To begin, the Governor, the Honorable Dolph Briscoe, has made much, politically, about not raising taxes on the state level. However, it must be pointed out here that almost without exception, local school districts have had to raise their tax rates in order to operate. The reason is simple economics. Teachers in the state won a salary increase of approximately 21% across the board. Locally, this figure amounted to 24%. Since there were no new taxes, consequently no new revenue at the state level, the local share of the minimum foundation had to double to make up the difference. That means that in order to meet the local district's share of the salary increase, we had to start by raising 100% more in taxes as the local district's share of this payroll obligation.

In addition to this obligation locally, the new bonded indebtedness for the music building, the renovation of the P.E. Complex and renovation and moving of the football field added some 34% to the budget obligation for this year.

Some of the contracted services such as natural gas has tripled in cost to the district. This means the budget was increased for some of these costs by 150%.

In order to maintain the quality of programs in our school, a 20% cost of living or inflation figure was built into the equipment and supplies budget. In most instances, we have found this to be inadequate and corners are being cut to operate within the budget.

In light of the above, the increase of approximately 40% in the actual tax value of the property in Farwell was necessary in order to maintain a quality education program for our young people.

If there are questions concerning specific areas of the budget, we invite everyone to come by either the Tax Office or the Superintendent's office and discuss it at your convenience. The books are open and will be made available to you.

Sincerely,
James Perkins
Superintendent of Schools for the Board of Trustees
Farwell ISD

PURELY PERSONAL
by John

It has been said that a "do-gooder" is a person who wants to do good in an inefficient way with somebody else's money.

This probably overstates the case but we were reminded of this when we came across an item concerning a "hunger covenant" in an area newspaper. The members of this particular church body are pledging themselves to the following course of action:

Fast one meal a week and give what it costs to a relief agency to help lessen world hunger;

Abstain from eating pork and beef at least one day a week to free additional grain for feeding people;

Cut down on the amount eaten so that the available food supply will be greater;

Reduce the use of fertilizer for lawns, etc., so it may be freed for food production;

Not increase number of pets so that additional food is available for human consumption;

Grow some of own food; Encourage local, state and federal governments to combat world hunger.

This is certainly a list of dedicated and altruistic objectives to combat world hunger. Yet, we cannot agree with any except the first method of making a direct monetary contribution to a selected relief agency. The other items smack of a woeful misunderstanding of the economic and political causes of "world hunger."

As we have repeatedly pointed out, the consumption of grain by livestock as a cause of human hunger is largely a myth promoted by the misinformed. Quite the contrary, the production of meat, which comes largely from forages that are impossible for the human digestive tract to handle, adds to the available supply of human nutrients.

The saving of a pound of grain in West Texas is a far different thing than making a pound of cereal food available in some distant foreign land. This falls into the realm of economics and politics.

It would be far better for these dedicated parishioners to sustain their strength and wage a battle against bigotry, ignorance and political repression in behalf of the world's poor and hungry.

In the meantime, any drastic reduction in consumption of meats and grain in this country could seriously jeopardize the magnificent production and marketing system that produces the "golden egg" for all the world.

If through unwise political and altruistic schemes our American food industry were slowed down, hunger worldwide would be on a scale these visionaries never imagined. We are able to produce a surplus of foods only because our system is responding to a great demand in this country. Do not jeopardize this system by unwise programs ill-conceived and ignorantly promoted.

What's sauce for the goose is not sauce for the gander. At least, in the realm of "Woman's Lib." It seems to be all right for girls to participate in football, boys little leagues and even for women to invade "Morrie's" masculine sanctum, but to admit boys to the Girl Scout movement is unthinkable.

But wait a moment. All is not completely sappy in the field of "equality." It has been reported that Karen DeCrow, recently reelected president of the National Organization of Women, toured Russia and came away disenchanted with the status of females in that workers' paradise.

It is reported that she flatly refused to issue a statement praising Communism's program of female equality, and indicated that the good old USA was still the place to live. Would that our TV nabobs display the same good judgment.

Speaking of TV nabobs, we caught a glaring misrepresentation of facts the other day as

On Community Building - -

Anonymous Benefactor Retires Note At Texico

On Monday, Oct. 20, an anonymous person or persons walked into Citizens Bank in Texico and retired the note of \$642.12 on the Texico Community Building and requested that his, her or their identity remain a secret.

Marie Christian, chairman of the board of the Community Building, commented, "The Board of the Community Building would like to express its appreciation to the person or persons who so kindly cleared the debt on the building. We certainly appreciate the act."

The note was issued in order that the Texico Community Building could be renovated and made suitable for use by all groups and persons of the city of Texico. Burden of retirement of the note was taken by the Texico Woman's Club with the remodeling being one of the club's community service projects.

Although the project and loan were both undertaken by members of the Woman's Club, aid, both monetary and labor, came from various sources. Members of the Senior Center made donations toward retirement of the note and several business firms made donations toward the remodeling and furnishing of the Community Building.

It was reported that when the project was begun the Community Hall was just a shell of a building. "Two restrooms have now been provided and the kitchen has been completely remodeled," commented a spokesman for the

Woman's Club.

The local club purchased two gas ranges for use in the kitchen at the facility and Citizens Bank and Clovis National Bank donated steel sinks, warming trays and a hamburger grill for use in the building. "A refrigerator/freezer was also donated but as yet we have had no way to transport or install the appliance in the building," stated the spokesman.

In the remodeling phase of the project, the ceiling was lowered and a new heating

ADVANCE TO DISTRICT - The Texico FFA recently selected winners in its local freshman Creed and Quiz Contest. The local winners will be competing December 8 at Portales in District competition. Mike Scott, left, took first place in the Creed Contest with Eloy Ortiz, center, taking second place in the Quiz Contest. Steve Doolittle was tagged first place winner in the Quiz Contest and second in Creed competition. All of the winners are displaying trophy plaques which they were presented during the Friday, Oct. 31, pep rally at Texico School.

Trustees To Meet

Members of the Texico City Council are to meet Tuesday, Nov. 11, for a regular meeting at 6:30 p.m. MST in City Hall.

Second-class postage paid at Farwell, Texas 79325. Published every Friday.

SUBSCRIPTION RATES -- Farmer and adjoining counties, \$5.98 per year; elsewhere, \$7.80 per year. Payable in advance.

New Pest Consultant Firm Open In Farwell

A new business has opened in the city of Farwell under the name of M & M Pest Consultants. Office of the establishment is located at 406 Ninth Street.

The business is being managed by David Meeks, Jim Moody and Eddie Meeks. David Meeks holds a B.S. and an M.S. in economic entomol-

ogy. Moody holds a B.S. in economic entomology and Eddie Meeks is currently studying as a senior student in the field of entomology.

Purpose of the consulting business is to aid area ranchers and farmers and citizens needing assistance in the controlling of insect pests.

"In aiding someone with their insect problems, first we scout the fields or infested area and determine what type of problem is present and then make a recommendation as to the type of chemical needed and the rate at which it should be applied to alleviate the problem," commented David Meeks.

The consultant explained that in evaluating insect problems the businessmen are using up-to-date pest management practices. "We take into consideration micro-environment, climate and beneficial populations of insects. We use economic damage and economic threshold levels as guidelines as to when and what treatment should be applied," he stated.

M & M Pest Consultants will also work as intermediaries between persons needing treatment done and applicators who will be doing the actual treatment.

It was explained that the timing of chemical insecticide applications is very critical. The new business will be pinpointing the exact time when applications should be made to be the most effective in eliminating insect problems. "Correct timing of applications may save extra applications, achieve yield increases and realize more profit in the long run," the spokesman said.

Purely Personal...

Continued from Page 1

a boob tube doubledover exclaimed that bond buyers were not able to read or understand a city's financial statement. And that they bought municipal bonds -- in this case, New York City's -- on faith, and that Congress should guarantee these poor investments to protect widows and orphans.

Frankly, we doubt if many widows and orphans were in the bond market. In our observation, buyers of municipal bonds are a canny lot who have stacked up a considerable pile of wealth and are looking for tax-free investments.

Also, all municipal bonds bear a "rating" as to their "security." Farwell recently spent several thousand dollars to convince the Wall Street wizards of our solvency. Nobody would have bought these bonds without this rating.

If that commentator was so dumb as to not know the rudiments of the bond market, he should be fired forthwith. If not, then the "credibility gap" in national television is at least as bad as they claim for some of our governmental agencies.

Little known fact: In the third quarter -- July, August and September -- Farmer County generated \$717.24 in mixed drink tax revenue in which \$107.59 was remitted back from the state to the county. The collection of the Texas mixed drink tax is a function of the Texas Alcoholic Beverage Commission.

This means that somebody bought \$7,172.40 worth of "bracers" in arid Farmer County during the aforesaid months. We thought that Clovis was getting all of the Texas tipplers.

RUSS JONES

Steer Russ Jones Tagged Class A Player Of Week

Farwell quarterback Russ Jones has been tagged the Amarillo Globe-News area Class A player of the week. Jones is the first player so honored this season while playing in a losing effort.

During last Friday's Farwell clash with the Vega Longhorns Jones threw 24 times and connected on 12 of his passes for a total of 235 yards passing and one touchdown on a 35-yard flip to split end Carlos Lucio. He also hustled over the line for the Steers' other touchdown and threw for a second TD at the game's end, but officials ruled that time had run out before the ball was snapped on the play.

The Farwell sophomore is the son of Mr. and Mrs. Joe Jones of Farwell.

Farwell Council To Meet Monday

Members of the Farwell City Commission will meet Monday, Nov. 10, for a regular session.

The meeting is to begin at 5:15 p.m. CST at Farwell City Hall.

Fire Calls

Members of the Farwell Volunteer Fire Department have answered two calls during the past week. Both calls were received Friday, Oct. 31.

The first call was to Cooper Gin to extinguish a grass fire and the second call was to extinguish a right-of-way fire five miles out on the Amarillo Highway.

Texico reported that it has received no calls.

Monday, Nov. 10 - -

Welding Short Course Scheduled At Farwell

Farmers, ranchers and other interested adults are reminded of the Oxy-Acetylene Welding Short Course to be held Monday, Nov. 10, at 7:30 p.m. CST in the Vocational Agriculture Building at Farwell High School.

Charles H. Yeates, oxy-acetylene welding specialist with the Texas Education Agency and Texas A&M University, will be conducting the short course.

Subject areas to be covered in this course are safety in handling, transporting, assembly, and storage of oxy-acetylene equipment; the proper line pressures to use for different tip sizes and welding jobs; cutting, welding, and brazing steel; welding and brazing cast iron; welding aluminum; welding aluminum to steel, stainless steel, copper, brass, and cast iron.

Yeates will be available during the day for on-the-farm

instruction to class enrollees having individual welding problems.

Further information may be obtained by calling Richard Montgomery or Jerry Mathis, vocational agriculture instructors at 481-3351.

Perry M. Owens Buried In Texico

Funeral services for Perry M. Owens, Jr., age 67, who died at a Clovis nursing home Monday, Nov. 3, were at 2 p.m. Wednesday, Nov. 5, in Steed Memorial Chapel with Elder M.C. Jeffries officiating, assisted by Elder Bernard Gowens.

Mr. Owens was born Sept. 14, 1908 at Texico, and farmed in that area until his retirement. He graduated from Texico High School in 1929. His parents homesteaded in New Mexico in the early 1900's.

Bookmobile Schedule

Thursday, Nov. 13: Oklahoma Lane, 9:00-10:00; Rhea Community, 10:45-11:45; Frona #1, 1:00-1:30; and Hub, 1:45-2:45.

Friday Nov. 14: Hub, 8:45-9:45; White's Elevator, 10:00-11:00; Lazbuddie, 12:00-1:00; and Clay's Corner, 1:15-2:15.

Saturday, Nov. 15: Farwell, 8:55-11:50; and Frona #II, 1:00-3:45.

Survivors include one sister, Dorothy D. Baldock of Clovis; two nephews, Leslie Baldock of Clovis and Steve Baldock of Morton, Tex.; and one niece, Camille Baldock of Clovis.

Burial was in Texico Cemetery under the direction of Steed-Todd Funeral Home.

County Commissioners Approve Herbicide Spraying Resolution

A called meeting of the Parmer County Commissioners Court was conducted Thursday, Oct. 29, to consider the Texas Herbicide Regulation and to discuss House Bill 402.

The session was attended by approximately 35 persons including representatives of all facets of agriculture and agricultural related businesses, in the county.

Orville Kuykendall of the Texas Department of Agriculture, officed in Lubbock, also attended the meeting during which an open discussion was conducted and the following

resolution was adopted:

RESOLVED, that no permit or PERMITS, that no permit or PERMITS, are required in Parmer County for spraying hormone-type herbicides during the months of November, December, January, February and March.

County officials present for the special session were County Judge Paul Fortenberry and County Commissioners Jimmy Briggs, Charlie Jefferson and Cecil Atchley.

LINDISLAY

Offers These Exclusive Features As Standard On Zimmatic Systems!

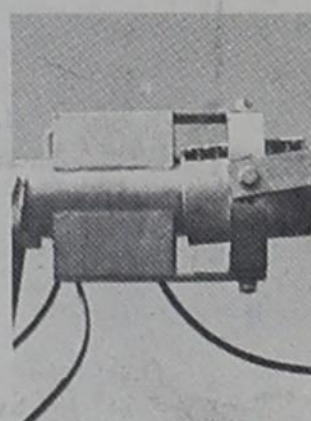

Monitoring System: Selector switches and read-out meters quickly pinpoint possible electrical malfunctions, save walking field to find problems

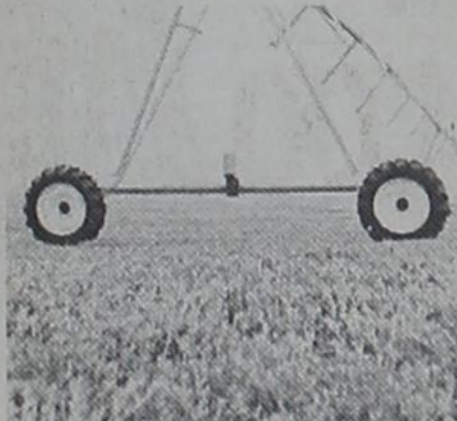

Pressure Shut Down: Pressure shut down automatically stops Zimmatic during any loss in pipe line pressure. Eliminates backtracking.

Enclosed Drive: Drive mechanism is enclosed in sealed oil bath. Gears are up to 75% heavier with 3 times the strength of some competitive models.

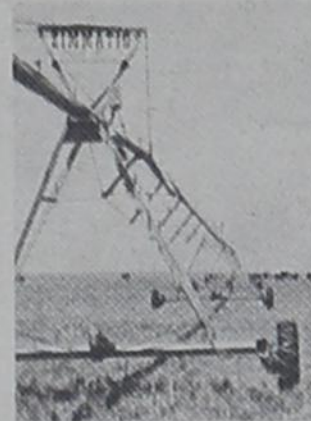

Uni-Knuckle: Patented joint allows stress-free flexing on rough terrain. Unit is completely external - nothing inside pipe to obstruct flow.

Extra Long Wheelbase: A full 14 ft. - one of the longest in the industry. Works with Uni-Knuckle and Lindislay rotating feature to provide exceptional stability on rough terrain and over terraces.

Thermal Plastic Control Boxes: Zimmatic lowers feature molded double-wall insulated plastic boxes for freedom from condensation and corrosion

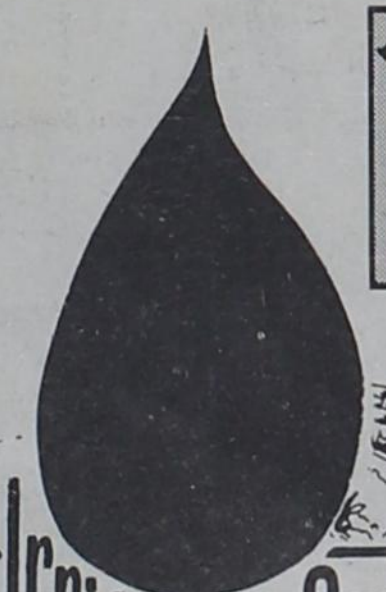

Wheel Swivel: Designed for quick change from watering to towing position. Removal of one pin allows wheel to swivel.

High Torque Motors: Lindislay's 290 in.-lb. (stalled) motors, specially designed for irrigation, deliver up to 50,000 in.-lb. torque. Large shafts, heavier gears to withstand stress.

Ph. 481-3393

"I'm looking for every way possible to lower our operating costs. And why not? I pay a gas bill too."

"Our servicemen used to spend a lot of time driving to this dispatch office in the morning. But that was the only way they could get their written work orders."

So, now we're testing a whole new system here in El Paso. A system that lets me type out service orders here in the dispatch office, that are received, in print, right in the serviceman's truck.

Now, instead of driving to this office every morning, a serviceman can be

driving to answer a customer call.

And that makes a lot of sense to me. Because when we save time and money in doing our job, it helps to keep the rising costs of energy down. And I like that because I pay a gas bill too."

Over Texico - -

Eunice Cardinals Fly Away With Halloween Win 48-7

Texico To Face Dexter In Last Season Game

by Susan Snodgrass

Texico hosted the Eunice Cardinals in a decisive victory over the Wolverines last Friday, 48-7.

Texico kicked off to start the game. Eunice gained seven yards, but then gained only three yards on a lateral. The next play would have put the Cardinals on the 20-yard line but it didn't count. They followed this with an 11-yard gain with Chris Eshleman coming in to make the tackle. The Cardinals ran for their first touchdown with only 1:28 played in the first quarter. Attempting a two-point conversion, the Wolverines stopped the Cardinals cold and Eunice led 6-0.

Tommy Galvan returned the kickoff to the 44-yard line. Homer Ashley then tried a pass to Galvan, but he was overthrown. Texico kept coming, gaining first three yards, then five yards on a handoff, and then another two yards. Texico fumbled the ball on the next play but Ashley recovered, gaining a yard in the process. Joe West then came in to punt and the ball was spotted on the 20-yard line. On Eunice's next play, they made their second TD, following with a two-point conversion that was good to give Eunice a 14-0 lead.

As the Cardinals kicked off to Texico, the ball was fumbled, with Eunice recovering. After gaining eight yards on their first play, the Cardinals made their third TD on the next. Kicking this time, the Cardinals made the extra point to lead 21-0.

The Wolverines came back

stronger on defense than offense as they gained only a few yards before they again turned the ball over to Eunice. As Eunice, gained control of the ball, Texico forced them to a 20-yard loss.

The Cardinals gained 14 yards of it back in the next four plays, but were again forced back for three one-yard losses, forcing them to punt. At first Texico made no gain, but then on a handoff to Galvan, gained 20 yards. A handoff to Spencer Turner gained a first down, followed by a one-yard gain ending the first quarter with a score of 21-0.

The Wolverines started the second quarter with a four-yard loss followed by a five-yard penalty. After another loss, Texico was forced to punt. Texico again held Eunice on defense for no gains, forcing them to punt. The ball went into the end zone and was spotted on the 20-yard line. Ashley ran to the right before laterally to Galvan and gaining five yards on the play.

After a gain of three yards, Texico made no gain and was forced to punt. The Cardinals blocked the punt, and, after knocking it into the end zone, recovered it for a TD. The extra point kick was good and Eunice surged ahead 28-0.

Eunice kicked off to Texico with it being returned to the 35-yard line. The first play made no gain, but the second, a pass, made seven yards. The third play, an incomplete pass, made no gain, forcing the Wolverines to punt.

Eunice ran the punt back to the 35-yard line. The Cardinals then had a penalty against

themselves. The next three plays gained 13 yards, but they then fumbled with Texico recovering the ball on the 43-yard line.

Ashley connected a 30-yard pass to West for Texico's only TD of the night and West's extra point kick was good giving Texico 7 to Eunice's 28.

West then kicked off giving Eunice the ball. The Cardinals fumbled but recovered it themselves on the first play. They then gained only two yards as West stopped them short. The Wolverine's then forced a one-yard loss on the Cardinals, forcing them to punt.

Texico carried the ball to the 32-yard line where they were tackled. A quarterback sneak gained two yards followed by a pass for 10 yards. Trying two more passes, the first was incomplete and the second was blocked. Texico then lost five yards on an offside penalty. Two quarterback sneaks gained first 25 yards, then seven yards. The half ended with a score of 28-7.

Jackie Reid returned the Cardinal kick to the 46-yard line as the third quarter started. Ashley then connected a 25-yard pass to West. A handoff gained four yards, but a lateral caused a fumble that Eunice recovered. The Cardinals then suffered a one-yard loss followed by a penalty that set them back for delaying the game. This didn't stop them, because on the next play, a pass was connected for the TD. Eunice kicked for the extra point and it was good and Eunice led 35-7.

Spencer Turner ran the kick off to the 42-yard line. The Wolverines then made no gain followed by an intended

pass but the quarterback was forced to eat the ball. Again trying to pass, Texico fumbled the ball, though they recovered it. West punted with the ball being returned to the 47-yard line. The Cardinals next play almost resulted in a TD, but Larry Rolan pulled the runner down before he reached the line. On the following play Eunice again crossed the line for six and, kicking for the extra point, made it seven giving the Cardinals a 42-7 lead.

Willie Ronquillo returned the kick to the 28-yard line. A pass then lost a yard for Texico, with Ashley running it to the line on the next play. He then passed to West for five yards, but the Wolverines were then forced to punt. Texico then forced Eunice to a five-yard loss, a no gain, and finally a fumble that the Wolverines recovered.

Taking to the air, Wolverine Ashley tried a pass to West that was incomplete. A second pass was intercepted by Eunice, who then gained their first few yards on a Texico personal foul.

Eunice then fumbled the ball but recovered it for a three-yard loss. The Cardinal quarterback then tried a pass that was tipped over the intended receiver by Dusty Casey and straight into Willie Ronquillo's hands to give Texico the ball. A handoff for four yards followed by no gain ended the quarter with Eunice still in front 42-7.

Another handoff gained 10 yards for the Wolverines but they then gained five on an offside penalty against Eunice. Galvan then took a handoff for a 30-yard gain. Spencer Turner then took a

handoff to gain five yards followed by a quarterback sneak for two. Galvan took a handoff up the middle and, as he was about to be tackled, pitched the ball up and then caught it to gain a total of four yards. The Wolverines then gained one yard, but lost five on an offside penalty against themselves. Spencer Turner ran a lateral for six yards and then ran another for five yards.

Texico then gained five more yards on a Eunice penalty. A couple of short passes gained five yards, though the first was incomplete. After a three-yard gain, the Wolverines fumbled with the Cardinals recovering. Eunice then made no gain, a six-yard gain, a four-yard gain, and a pass put them on the 15-yard line. They then gained 14 yards, followed by a TD to put them out in front 48-7.

With 6:05 left in the game Texico returned the Cardinals kick to the 40-yard line. On their first play, the Wolverines had an incomplete pass, but then gained five yards on a quarterback sneak. The Wolverines then lost three yards forcing them to turn the ball over to the Cardinals on the 45-yard line.

Spencer Turner then stopped the Cardinals on the line followed by Richard Kelley tackling them for a loss, forcing them to punt.

Texico took the ball and began play with Ashley connecting a pass to West on the first play for five yards. Again passing, Ashley's next was incomplete, but the next was complete to Spencer Turner for 10 yards and a first down.

The Wolverines then gained 15 yards on a Cardinal late-hit penalty.

Eunice then intercepted and had time only to gain two yards and the game ended in their favor 48-7.

In commenting on last Friday's clash with Eunice, Texico Varsity Head Coach Ray Manly said, "Eunice was a lot better than we anticipated and they were a lot quicker, too."

The coach said that the Wolverines were faced with the problem of not being able to shut down a couple of good Cardinal runners. Individually, the coach cited

Wolverines Joey West, Willie Ronquillo, Tommy Galvan and Spencer Turner.

"Ronquillo played a good defensive game for us. He intercepted one pass and he also made a couple of tackles that delayed or kept Eunice from making touchdowns."

"West was a key player on our offense. He hauled in five passes for a total of 80 yards for us," the coach stated.

Galvan and Spencer Turner both have now reached the 600-yard mark for the season. "Galvan picked up about 75 yards rushing last Friday and Spencer came in with about 50 yards for us."

The Wolverines will be meeting the Dexter Demons in their final clash of the 1975 football season tonight (Friday), Nov. 7, at Wolverine Stadium. Game time is set for 7:30 p.m. MST.

According to Coach Ray Manly, "The Demons are a well-balanced team offensively. They are a good ball club and are currently district champs. No matter what the outcome of tonight's game is, Dexter will be number one."

The game has been set for tonight (Friday), Nov. 7, in Wolverine Stadium. Kickoff has been scheduled for 7:30 p.m. MST.

"This is our last game of the season and we sincerely hope that all parents, fans and football buffs will turn out in force to boost the Wolverines on to a win. There couldn't be any better way to end a season than with a win in front of a large crowd of hometown team supporters," concluded Manly.

Jackie Gilliam Receives Award

Jackie Gilliam, son of Mr. and Mrs. Gilbert Gilliam of Route One, Friona, has earned the "Distinguished Student" award at Texas A&M University for the summer session.

The award winning student is a 1971 graduate of Farwell High School and served in the army where he made Sp/5. He is currently a freshman agriculture student at A&M.

His wife, Janet, is a student at a junior college at Bryan, Tex. She is the daughter of Mr. and Mrs. Don M. Box of Kemmer, La.

Gilliam is the grandson of Mr. and Mrs. E.C. Gilliam of Enochs and Mr. and Mrs. A.J. Burns of Levelland.

Wolverines Of The Week

JOE WEST

WILLIE RONQUILLO

Texico Head Coach Ray Manly has tagged Joe West and Willie Ronquillo as "Wolverines of the Week" for their performances in last Friday's clash with the Eunice Cardinals. "Joe West is our offensive Wolverine for having brought in five passes for 80 yards. He also caught one touchdown pass. Ronquillo is our defensive man. He intercepted one pass and made a couple of tackles that delayed or kept Eunice from making touchdowns," stated Manly.

Steers Gored 14-12 By Vega Longhorns

Members of the Farwell Steer and Vega Longhorn varsity squads along with coaches, fans and cheerleaders flooded the field at Steer Stadium following a disputed call which ended the Steer-Longhorn clash last Friday, Oct. 31, in favor of the Longhorns, 14-12.

Farwell took the first penalty of the game when, on the Steer opening kickoff, the host team was called offsidcs and assessed a five-yard penalty. From the Farwell 35, the second Steer kickoff was taken by Vega and returned to their 24-yard line where Steer Travis Bibbs dropped the runner. The Longhorns wasted no time in lighting up the scoreboard as on their second play of the ball game the ball was moved from their 26 down field and across the Steer goal line for the first six points of the game. Point after touchdown was good and Vega surged out front 7-0.

Farwell took the Vega kickoff and Gerald Hardage moved the pigskin up to the Farwell 34 before being dropped. Farwell began a drive and on the third play of the series a fumble occurred with Vega recovering. The recovery was nullified by an offsidcs penalty against the Longhorns and the Steers remained in possession only to be forced to punt on the fourth down.

Vega took the punt and the Longhorn runner was creamed on the Vega 17 by Steer David Cantu. The Longhorns weren't successful in sustaining a drive and punted to the Steers on a fourth and two with Hardage taking the punt.

Farwell began a drive but without gaining the yardage needed for a first down and lost the ball on a punt as they gave the pigskin to Vega on the Longhorn 23. On their first play the Longhorns were penalized five yards for mo-

tion moving them back to a first and 15. They gained yardage down to a third and seven but were again penalized five yards for motion. They were not able to overcome the penalties and punted with Farwell beginning play on its own 41.

The Steers began their first scoring drive with a three-yard gain by Hardage on an end sweep. First down yardage was gained on the next play as quarterback Russ Jones connected with Brad Jones for a pick up of 20 yards and the first down.

Another first down was garnered by the Steers on the next series of plays as Hardage picked up three yards followed by an incomplete pass, a one-yard gain by Sammy Merritt and a first down pass to Brad Jones. The first down put the Steers on the Vega four with goal-to-go.

Merritt picked up one yard toward the touchdown with quarterback Russ Jones moving the ball to the one on a quarterback keeper. Jones then picked up yardage to move the ball to within one inch of pay dirt. On the fourth down play, Jones zapped the ball into the Vega endzone to put the Steers on the scoreboard. PAT kick by Mike Goettsch was ruled no good and the Steers were hot on the heels of Vega 7-6.

The Farwell kickoff was received by Vega with a Longhorn raising the dirt as he romped off yardage to the Longhorn 44. Vega fought its way across the mid-field marker down to the Farwell 45 and a first down. On the next play Farwell was handed a five-yard penalty for offsidcs and the Longhorns were set up on the Farwell 40 with a first and five. After two plays they gained another first down with Merritt bruising the runner on the first

play and allowing only a one-yard gain. It was second and nine and pass interference was called on Farwell and Vega was given a first down on the Farwell 25.

The Steers held Vega on their first play and on second and 10 Steer Kent Goldsmith buried the Longhorn runner for a four-yard loss. Unable to gain needed yardage, Vega was set up on the Steer 29 with a fourth and 14. A field goal was called for from the Farwell 35 with the Longhorns hoping to fake the attempt and carry the ball over. On the fake a pass was attempted but was ruled incomplete and Farwell took over on its own 28.

On their first two plays of the series, the Steers were dropped for losses and were faced with third and 20 when a pass was good to Carlos Lucio for four yards. Facing a fourth and 16 the Steers elected to punt with Vega taking over on their 44.

Vega moved to within two yards of a first down and on the fourth down play Steers Charles Christian and Hardage creamed the Longhorn and Farwell took over possession on downs.

Pass action for the Steers picked up 4s on the first down a pass to Brad Jones was lateralled to Chip Craft for the needed first down. On the next first down play Craft lateralled to Hardage who connected with Brad Jones for a gain of three yards. With the situation second and seven Russ Jones hit Brad Jones who hit the Vega 24-yard line before going out of bounds.

With 23 seconds left in the first half the Steers were unable to reach the goal line of Vega and the half ended with Farwell on the Vega 40 and one point behind, 7-6.

The Steers came back in the second half and took the Vega kickoff on the 20 after a touch-back. They moved down to a third and seven where Vega was assessed 15 yards for holding giving the Steers a first and 10. On the next series Bibbs took the ball 15 yards on the fourth down for another first. The next first came on a pass to Brad Jones. The next series ended on the Vega 27 with Farwell giving up possession on downs.

Vega started a drive but play was broken up on the second down when Cantu slammed the Longhorn runner. The Longhorns were forced to punt with Farwell taking over on their 38.

Bibbs was dropped for a five-yard loss followed by a 15-yard penalty against Farwell for holding. On second and 30 a pass was incomplete to intended receiver Brad Jones and Steers wound up with fourth and 30 and punted to Vega.

On their first play Vega

gained a first down with Farwell assessed a 15-yard penalty on the next first down play. With the situation first and 10 from the Farwell 15, Vega drove through for a touchdown. PAT kick was good and the Longhorns stepped out to lead 14-6.

Farwell took up play on its 29-yard line with Bibbs grabbing the first down on an 18-yard run on the second down. With no success in gaining a first down Farwell punted.

Vega came up with a first down on their first play with Craft nailing their runner on the second first down play. The Longhorns eluded the Steers and made their way to the Farwell 15 before losing possession on a fumble recovered by Goldsmith.

The Steers ran wild and piked up two first downs before being forced to punt with Vega blocking the punt to recover the ball on the Farwell 34. Vega pounded out a first down before running into trouble with the Steer defense and four straight losses. On the first down play Joe Haseloff and Craft pulled down a Longhorn for a yard loss followed by a one-yard loss when the runner was downed by Goldsmith and a two-yard loss when the runner was felled by Cantu. The Vega Varsity suffered a four-yard loss when Craft hauled down the runner and the Steers took over on downs.

From their 40-yard line the Steers gained a first down on Vega's 40. The first play was an incomplete pass to Brad Jones followed by a connection to Lucio who was harassed by a Vega tackler but pulled away to scramble 46 yards for Farwell's second TD. PAT run attempt by Bibbs was no good but the Steers had closed the Longhorn margin to 14-12.

Vega took the Farwell kickoff on its 10 and hustled the pigskin up to the Farwell 48. They gained one first down then punted with Farwell taking over on its own 12.

The Steers fought for two first downs and moved the ball to the Vega 44 with 14 seconds left in the game. The first play was a pass attempt ruled incomplete. On the second down a pass connection was made to Brad Jones but the Steers were given a five-yard penalty for motion.

The next play with only four seconds to go raised the controversy as Brad Jones hauled down a pass and hit the endzone with two officials signalling a touchdown. Flags were thrown on the play with a portion of the officials ruling time ran out before the ball was snapped and the play was blown dead.

After the officials left the field without making a signal on the play, the crowd rushed onto the field in anticipation

of a decision. Word was then received that Vega has been declared winner and Farwell was beaten by the clock.

"I think it was a terrifically well played ball game," commented Farwell Coach Eugene Jennings in reference to the Steers clash with the Vega Longhorns last Friday. "I'm sorry the outcome was like it was. The last play of the game was really a heartbreaker for everyone. It was a judgment call that could have gone either way. It would have been good for us and bad for Vega if it had been in our favor."

The coach stated that he thought the Steers played a real fine ball game. "They played with a lot of enthusiasm and a lot of heart."

In listing individual Steers, Jennings commented on Russ Jones, Brad Jones, Carlos Lucio, Mike Goettsch and Mike McCully. "As far as Russ is concerned, any time you pass for 235 yards, you've had a good night. He hit on 12 of 24 attempted passes. Brad and Carlos caught the ball real good all night and Mike Goettsch played a good game. McCully probably did as good a job as anyone. He blocked 240 pound Gerald Berry all night for us."

The Steers will be facing Hart tonight (Friday), Nov. 7, at Longhorn Stadium. Game time is 7:30 p.m. CST.

School Board To Have Meet

The Farwell School Board of Trustees is scheduled to meet in regular session Monday, Nov. 10, at 8 p.m. CST at the office of superintendent James Perkins.

Included on the meeting agenda will be a report on the kindergarten program and a report on the special education program.

Acceptance of the drug education program is to be reviewed as well as the audit report and the development of a policy for drivers education.

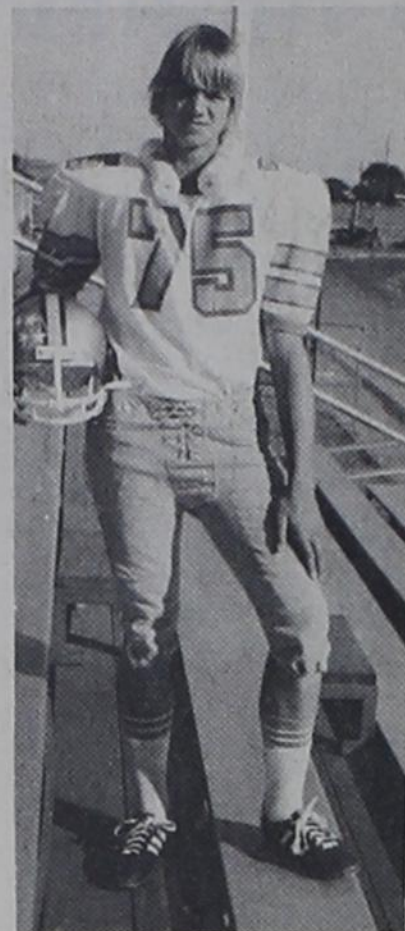

FFA To Compete At District Contest

The Farwell Chapter of Future Farmers of America will enter a Chapter Conducting Team in the Littlefield District Leadership Contest to be held at Friona November 17.

Members of the team are Randy Gerles, president; Tim Bartley, vice-president; Brent Inman, secretary; Ricky Coleman, reporter; Kirk Magness, treasurer; Donnie Waller, sentinel; and David Kube, adviser.

Winner of the District competition will advance to Area 1 for area competition. Winner of Area will then be eligible to compete at State.

Steer Of The Week

MIKE McCULLY

The honor of "Steer of the Week" for game action against Vega last Friday has been afforded Steer Mike McCully. "Mike probably did as good a job as anyone. He blocked 240 pound Gerald Berry all night and for this action we have selected him for this week's honor," stated Farwell Coach Eugene Jennings. The coach commented, "We have some other players whom we felt were also deserving of the honor but we feel the honor should be passed around and Mike displayed a tremendous effort for us against the Longhorns."

In southern China, as in Burma and Siam, rice is the central food, and all else—soup, meat, fish, vegetables and condiments—are "garnish."

Congratulations

Lynn Burton

Steers To Lock Horns With Hart Tonight

The Farwell Varsity Steers will be traveling to Hart tonight (Friday), Nov. 7, to lock horns with the Longhorns in a district clash.

"Hart's record shows that they are probably the best team in the district. They have not lost a district game and have only lost one game all season, and that was a loss to

Petersburg," stated Farwell Coach Eugene Jennings.

"The overall strength and size of Hart will be a factor in tonight's game. The Longhorns have a strong defense and an extremely powerful offense. They have scored a lot of points thus far in the season and we feel that if we play as well as we did last week against Vega we can probably beat them. But, we must have a good performance by our squad," he commented.

Game time is 7:30 p.m. CST at Longhorn Stadium. "Everyone is urged to attend this game and give us all the support they can," concluded Jennings.

Sheriff's Report

It has been reported by Parmer County Sheriff Charlie Lovelace that activities of the department for the past week have included the investigation of the theft of tools and equipment from the farm of Wayne and Lee Jesko.

The items totaled approximately \$500 in value.

"It is suspected that the theft occurred sometime during the night of October 18. The Jeskos did not discover the theft until late last week," commented Sheriff Lovelace.

The items were reportedly taken from an unlocked barn.

It was also reported that members of the department have located the owner of a \$22,000 tractor which had been driven into the city of Bovina and parked.

Sunday, Nov. 2, department officials reported the finding of the tractor to Parmer County Implement Company in Friona. On Monday verification was returned to law officials that the tractor was taken from the implement company.

Protect your dog's paws when driveways and sidewalks are sprinkled with rock salt in sleety cold weather. Coat his paws with a thin coating of petroleum jelly before you take him out.

Pals 4-H Hosts Halloween Party

Pleasant Hill Pals 4-H Club met for its annual Halloween party Thursday, Oct. 23. Members dressed in the traditional Halloween costumes and prizes were given to Kerri Pierce for being the prettiest, Zandy Kelley won the honor of the ugliest, and Franklin Webb as the most original.

A spook house, bobbing for apples and other games were enjoyed by members and guests.

Refreshments of sandwiches, chips, hot chocolate, punch, decorated Halloween cookies, and other goodies were served by Lori Pierce, Doyle Duncan, Mike and Mark Teague.

After refreshments and games, the meeting got underway with Franklin Webb, vice-president, presiding. New officers were elected.

The 1975-76 officers are; president, Pam Southard; vice-president, Tina Geries; secretary-treasurer, Beth Kelley; council representative, Lori Pierce; reporters, Franklin and Peggy Webb; and parliamentarian, Debra Wilks.

The county awards banquet was announced to be November 6.

Completion pins were also given to those who completed their projects. These were: Elaine Kelley, nine-years; Leona Webb, six-year; Franklin Webb, Beth Kelley, Tina Geries, and Mary Lou Roberts, five-year; John Kelley, Laura Widner, Debra Wilks and Pam Southard, four-year; Zandy Kelley, three-year; Peggy Webb, Doyle Duncan and James Kelley, two-year; and Mike Teague, Mark Teague and Lori Pierce, one-year.

Others present were Todd Geries, Boyd Pipes, Danny Reid, Jeff Day, Georgia Eshleman, Barbara Holley, Brett Southard, LaShawna Kelley, Kim Pierce, Mr. and Mrs. Bill Southard, Mr. and Mrs. Wayne Pierce, Mr. and Mrs. Herman Geries, Mr. and Mrs. Leon Webb, Mrs. Pearl Duncan, Don Teague, Mr. and Mrs. Allan Kelley and Mr. and Mrs. J. D. Kelley.

Products Party Scheduled By Cheerleaders

All cheerleaders of the Texico Schools are hosting a jewelry products party Monday, Nov. 10.

The affair is to be held at 4 p.m. MST in the home economics room at Texico High School.

The cheerleaders extend a cordial invitation to everyone in the Texico and Farwell areas to attend.

Texas Department of Agriculture home economists advise that it is easier to cut even onion rings if the onion is sliced before peeling. Slip the peel off each slice after cutting.

WEDDING DATE SET - Mr. and Mrs. Ken Harrison of Texico announce the engagement and approaching marriage of their daughter, Kim, to Ray Callaway, son of Albert Callaway of Clovis. The couple will exchange vows Thursday, Nov. 20, at 7:30 p.m. MST at the Pleasant Hill Baptist Church. The bride-elect is a senior student at Texico High School. The prospective bridegroom is a 1973 graduate of Grady High School. No local invitations are being sent but all friends and relatives are invited to attend.

Golden Circle SS Class Plans For Christmas Party

Members of the Golden Circle Sunday School Class of the First Baptist Church of Texico met Tuesday, Nov. 4, in the home of Evelyn Hadley.

The opening prayer was given by Frances Boling with the minutes of the last meeting read by Iona Chappell and approved.

During the business session it was decided that the class will conduct its Christmas Party December 2 and gifts are to be exchanged. Motion was made and carried that class members make the gifts to be exchanged and that members of the Ruth Sunday School Class be invited to the Christmas salad supper.

It was also agreed by the class that it will provide aid to Hillcrest Nursing Home for one quarter of the year.

Three poems were read

during the session. The first, "A Thankful Heart," was presented by Mozelle Kirby with Dorothy Rolan reading "A Thought For Today" and Minnie Hagler presenting "The Seven Most Important Words."

The devotional on Thanksgiving was presented by Mrs. Kirby from Psalms 100. Dismissal prayer was presented by Dorothy Rolan.

Refreshments of coffee, punch, chips and dips, sandwiches, pickles, olives and pumpkin pie with cream were served by the hostess to Minnie Hagler, Mozelle Kirby, Dorothy Rolan, Frances Boling, Bernice Thigpen, Wanda Walker, Ophelia Billington, Letha Morris, Mary Dorris, Iona Chappell and guest Margaret Horne.

Reservation Deadline Nears For Arts Fair

Members of the Texico Woman's Club have announced that the deadline for entering the Second Annual Arts, Crafts and Jewelry Fair is approaching and reservations are limited.

"At the present time we have very few booths left and persons wishing to rent a space should do so as soon as possible," commented an officer of the organization.

Deadline for reserving a space is December 2. Spaces are limited and will be sold for \$10 each on a first come basis. Entry fees are to be returned if all spaces are sold.

Among the items to be displayed at this year's Fair are macrame, art objects, Indian jewelry, baked goods, liquid embroidery, quilts and afghans.

"We will also be sponsoring a Barbie Doll raffle during the Fair," stated Teresa Curry, officer of the club. "Each raffle ticket will represent a chance to win a complete Barbie and Ken set with wardrobes made by members of the Texico Woman's Club."

The Fair is planned for December 6, 8 a.m.-5 p.m., at the south gym at Texico Schools.

Pleasant Hill Baptist Women Install Officers, Take 'Tour'

The Baptist Women of Pleasant Hill met at the church Monday, Oct. 27, for their regular meeting.

Installation of the incoming officers was first on the agenda. Those installed by president Peggy Roberts were vice-president, Dorothy Gamble; secretary, Rozeltha Clark; Mission Action chairman, Frances Webb; Mission Study chairman, Sue Patrick; and Prayer Support chairman, Bertha Kelley.

This was completed just as the "flight" to Tokyo, Japan, was called. Each lady presented her ticket and boarded the plane for "instant arrival" in Japan. They were greeted by their charming Japanese stewardess and tour guide. Leaving the plane, they boarded the "green train" to take them to the Baptist Student Center. There they learned many interesting facts about Baptist mission work in Japan from one of the students.

They hurried back to the station in time to catch the "red subway" downtown to a high-rise apartment building. Here they visited with a Japanese housewife and learned that her joys and problems were much like theirs. She works with her pastor and gives her Christian witness

among her neighbors. Next, they boarded the "orange subway" that took them across town to Dr. Minohara's home. He is a research scientist and a Baptist layman. Everyone enjoyed his informative discussion.

Back aboard the plane, the group was served Japanese Frozen Rice by the stewardess. The plane landed safely in Pleasant Hill, N.M., at 7:55 p.m.

Patschkes Visit In Lubbock

Mr. and Mrs. Gil Patschke of Farwell were in Lubbock over the weekend where they visited with Mr. and Mrs. Jim Wiman and family, former Farwell residents now of Spokane, Wash.

While in Lubbock, the Patschkes also visited with their daughter, Susan, who is a student at Texas Tech University.

Status Symbol Still
White bread has been a status symbol since the days of the Egyptian Pharaohs, who required slaves to sift flour through silk cloths to get it clean and white. To many people in developing countries, white bread still represents a higher standard of living.

PROGRAM PARTICIPANTS - Five women representing Texico and Clovis, participated in a program at the Sub-District meeting of United Methodist Women's Fellowship at San Jon, N.M., last week. Area women contributing to the program were, from left, Mrs. Loucile Foster of Texico, Mrs. Wayne Snyder of Clovis, Mrs. Carrie Christian of Texico, Mrs. Naomi Sturgeon and Mrs. Earl Plank, both of Clovis.

What's Cooking Farwell School

MONDAY - Fish with tarter sauce, buttered potatoes, green beans, coleslaw, hot rolls, butter, peach half, milk.

TUESDAY - Burritos with chili and cheese, buttered hominy, lettuce and tomatoes, fruit gelatin, bread, milk.

WEDNESDAY - Corn chip pie, buttered corn, tossed salad, iced chocolate cake, pear half, bread, milk.

THURSDAY - Hamburgers, lettuce, tomatoes, pickles, onions, cheese slices, potato chips, baked beans, chocolate pudding with cream, milk.

FRIDAY - Tacos with meat and cheese, lettuce, tomatoes, buttered corn, gelatin cake, milk.

He is one of those wise philanthropists who in a time of famine would vote for nothing but a supply of toothpicks.

School Lunch Schedule at Texico

MONDAY - Corn chip pie, buttered corn, loaf bread, banana, milk.

TUESDAY - Hot dogs, chili, pickles, onions, tater tots, strawberry shortcake, milk.

WEDNESDAY - Pinto beans, steamed wieners, coleslaw, cornbread, orange juice, cookie, milk.

THURSDAY - Fried chicken, cream gravy, whipped potatoes, hot rolls, orange half, milk.

FRIDAY - Meat loaf, cat-sup, green beans, celery sticks, hot biscuits, peanut butter and syrup, chocolate milk.

According to Agriculture Commissioner John C. White, 83 per cent of U.S. beef cattle are produced from herds of less than 500

Hospital Notes

W.T. Magness of the Oklahoma Lane community was admitted to Lubbock Methodist Hospital Monday and underwent minor surgery Tuesday. According to a family member, Magness is doing fine.

Clint Stone, son of Mr. and Mrs. Bill Stone of Texico, was admitted to the Clovis hospital Sunday for medical treatment. According to his mother, he is doing fine and is expected to be released today (Friday), Nov. 7.

Kristi Jones, 10-month-old daughter of Mr. and Mrs. Donald Jones, is still confined to Lubbock Methodist Hospital. She underwent surgery Thursday, Oct. 30, and, according to her father, she is "doing pretty well."

Lenton Pool of Farwell was dismissed Saturday, Nov. 1, from Methodist Hospital in Lubbock where he underwent medical treatment. Pool was admitted to the hospital October 24.

Marriage Licenses

During the past week, one marriage license has been issued by the County Clerk's office. Receiving the license were Ricky Jene Ketcherside and Joyce White.

STEED-TODD FUNERAL HOME

"Our Family Serving Your Family"

Prince and Manana - Clovis, Ph. 763-5541

FARWELLITE INSTALLED - New officers of the South Plains College Chapter of the Office Education Association (OEA) were recently installed in ceremonies at SPC including a Farwell High School graduate, Karla Smart, daughter of Mr. and Mrs. Jim Bob Smart. Officers taking office were, from left, Terri Howard of Whitharral, state OEA secretary; Barbara Nance of Sundown, historian; Jan Payne of Lubbock, reporter; Gayla Self of Friona, parliamentarian; Karen Awbrey of Sundown, president; Ronda Hall of Littlefield, vice-president; Miss Smart, secretary; and Christina Sanchez of Lubbock, treasurer. Installing officers were Gail Albus of Pep, past president of OEA, and Teresa Caswell of Levelland, past state OEA parliamentarian.

TWO MINUTES WITH THE BIBLE
BY CORNELIUS R. STAM, PRES. BEREAN BIBLE SOCIETY CHICAGO, ILLINOIS 60633

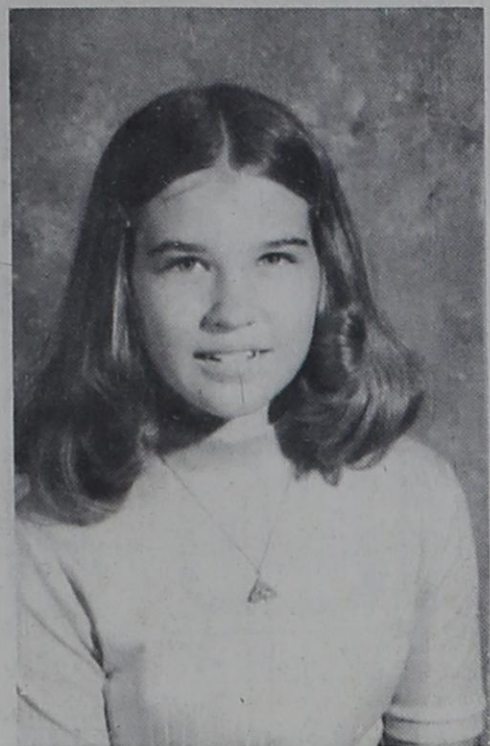

THIS IS FOR JESUS

Visiting a young pastor and his family some time ago I observed a touching example of true Christian stewardship. It was nearly time to go to church, when the pastor's wife reached for a small box containing a few coins and handed it to her little boy. The coins represented the boy's earnings received for jobs done, good behavior, etc. Seriously the boy contemplated the contents of the box and took from it two dimes - a substantial portion of the whole. Then looking up at me he said earnestly: "This is for Jesus." Several Scriptural lessons about Christian giving came to mind as we observed this simple incident. This little lad had already been taught the responsibility of participating systematically in supporting the work of the Lord (I Cor. 16:2). He gave "as he purposed in his heart"; no one suggested how much he ought to give (H Cor. 9:7). After thinking it over carefully, he gave sacrificially (II Cor. 8:7,9). He "proved the sincerity of his love" (II Cor. 8:8) for it was with sincere, child-like affection that he said: "This is for Jesus." Most of all, perhaps, his gift was a living demonstration of Paul's exhortation in Rom. 12:8: "He that giveth, let him do it with simplicity." There was no fanfare, no boasting, no evidence of any feeling that he was doing a lot for the Lord; just an attitude of simple, humble satisfaction that he could join others in supporting the work of Christ. How much we, who have been hardened through the years, can learn from children!

KELLEY DOBBS

Letter To Editor

October 29, 1975

John Getz, Publisher
State Line Tribune
Farwell, Texas 79325

Dear John:

While the terror of events some eight hours ago in the City of Farwell are still fresh on my mind, I would like to file an official protest against some dog owners in the city.

Early Wednesday morning, following classes in Clovis, where I am an instructor in Red Cross Advanced First Aid and Emergency Care, I arrived at my home to undergo a potentially terrible situation.

As I stepped from my car in my own driveway and took about two steps from my car, I heard a deep growling and looked up to see several dogs running at me in the semi-darkness. I immediately got into my car again, fortunately, on that night I had not locked the door. Flicking on my lights, I saw three German Shepherds and four smaller dogs. If any more dogs were in the pack, I did not see them at the time. I honked the horn, flicked the lights on and off, yelled and desperately wished for the .22 rifle that was some eight feet away in my home.

Finally, not being able to run the dogs off, and as they just stood there daring me to get out of the car again, I drove to the Law Enforcement Center to seek help. With no officer on patrol in the city, the dispatcher, Buster Gast, was kind enough to accompany me back to my home to see me in the house. He had no gun either, and his weapon? was a length of pipe from his pickup.

This is not the first incident involving packs of dogs in Farwell. If you will check with local law enforcement officials, you will find that this has happened more than one time during the past several months, but was by far the worst incident.

Tourists in Papeete, Tahiti can pick their own fresh fruit from the trees in the landscaped courtyard of the new Holiday Inn there.

Teaching in Clovis, I often get home late at night, but in the future, at any time I am out, I will be prepared for such terrifying incidents. I have seen some of these same dogs tied up during the day in Farwell, and cannot help but wonder what such apparently vicious animals are doing running loose at night.

I hope the City Officials will take immediate steps to take care of such a situation before someone does not make it back into the car or into their house before being attacked. Mangled people from animal attacks are a horrible sight, I have seen two such sights in my life, and did not like either one.

Thank you for allowing me to sound off and I hope no one else in Farwell will have to undergo such an experience.

Sincerely,
Cleta Williams

agri-facts

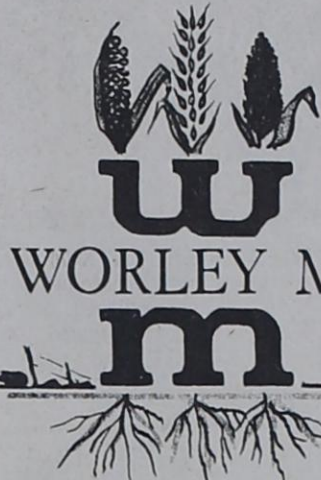

By John Ricci

One of the ideas drifting out of the Industrial East is that farmers need to give up tractors and irrigation and return to the horse and mule as power sources. Along with this minor change the farmer could also give up modern pesticides and fertilizers. The thought (if there was any) behind this nostalgic notion was that the jobs created would solve the unemployment situation. . . . couple of problems with this idea. First we would have to wait until 1993 in order to have enough horses and mules to go to work. Then there's the matter of 180 million extra acres to feed the 61 million animals required. Then there's 27 million people needed to take care of the 180 million acres and 61 million animals. Top it all off with an overall 150 percent increase in food prices and such a proposal takes on its appropriate designation . . . ridiculous!
