Residents To Polls November 2

Texans To Vote On Vital Water Issue

Next Tuesday, Nov. 2, Americans across the country will journey to the polls to cast ballots for candidates of their choice. Polls open at 7 a.m. and close at 7 p.m.

In preparation for the upcoming election, absentee voting in Parmer County began October 13 and will conclude today (Friday). Voting hours are from 8:30 a.m. until 5 p.m. in the County Clerk's office at the courthouse.

Bonnie Warren, Parmer County clerk, reminds voters to bring their current registration certificate when they come to cast their absentee vote. Voters marking ballots on election day also must present their registration forms.

Presidential candidates include Jimmy Carter, Democrat; Gerald R. Ford, incumbent Republican president; Thomas J. Anderson, American Party; Peter Camejo, Socialist Workers Party; and Eugene J. McCarthy, independent.

Vice-presidential candidates are Walter Mondale, Democrat; Robert Dole, Republican; Rufus Shackleford, American Party; and Willie Mae Reid, Socialist Workers Party.

Besides the presidency, several local and national elections will also be decided November 2. On the local scene the following persons are running on the Democratic ticket: Johnny Actkin-

son, Parmer County Attorney; Charles Lovelace, Parmer County Sheriff; Hugh Moseley, Parmer County Tax Assessor-Collector; and Ernest Anthony, Parmer County Commissioner, Precinct 1; Archie Tarter, Parmer County Commissioner, Precinct 3; and Mrs. Edna Estes, Justice of the Peace Precinct 3, unexpired term.

Forrest Osborn, Republican, is also a candidate for the office of Parmer County Commissioner, Precinct 1.

State offices to be decided include Railroad commissioner: Jon Newton, Democrat; Walter Wendlandt, Republican; Fred Rodriguez Garza; Raza Unida Party; and Pat O'Reilly, Socialist Party.

Candidates for U. S. Senator include Lloyd Bentsen, Democrat; Alan Steelman, Republican; Marjorie P. Gallion, American Party; and Pedro Vasquez, Socialist Workers Party.

The two men running for the U. S. Representative's seat are Democrat George Mahon and Republican Jim Reese.

Other Democratic candidates are Jack Pope, Associate Justice Supreme Court, Place 1; Don Yarbrough, Associate Justice Supreme Court, Place 2; James G. Denton, Associate Justice, Supreme Court, Place 3; John F. Onion Jr., Presiding Judge, Court of Criminal Appeals; Also Truman Roberts, Judge, Court of Criminal Appeals; W. T. Phillips, Judge, Court of Criminal Appeals, unexpired term; Max Sherman, State Senator; Bill Clayton, State Representative; Charles L. Reynolds, Associate Justice, Court of Civil Appeals and Jack Young, District Attorney.

Also on the November 2 ballot will be two proposed amendments for the Texas State Constitution.

One amendment would au-

thorize an increase of \$400 million in the amount of Texas Water Development Bonds that may be issued on approval of two-thirds of the legislature; amending and consolidating provisions of Sections 49-c, 49-d, and 49-d-1 of Article III of the Texas Constitution; and repealing Sections 49-d and 49-d-1 of Article III of the Texas Constitution.

The second constitutional amendment asks to increase from \$100 million to \$200 million the amount of Texas Water Development bonds that may be issued for water quality enhancement purposes.

Voting stations are as follows: the elevator at Black, the Friona fire station, the Legion Hall in Bovina, the county courtroom in Farwell, Lazbuddie High School, Oklahoma Lane Community Center, the Parrish Hall in Rhea, and the Otho Whitefield residence in Lakeview.

New Mexico Voters To Decide Heated Races

New Mexico voters will go to the polls Tuesday to settle a feud that gets hotter and hotter each day -- the battle between incumbent Senator Joseph Montoya and Republican Harrison "Jack" Schmitt.

Schmitt, a former astronaut, has provided the most spirited competition the two-term incumbent Montoya has had in recent years. Most polls agree that the election will be decided by one or two thousand votes.

Polls for the November 2 general election will open at 8 MST and will close at 7 MST. Texico residents will vote at the Texico City Hall.

Another state-wide issue in the Land of Enchantment is Constitutional Amendment #2. The issue, one of eight on the ballot, would allow State officials to succeed themselves for an additional term. The "Yes for Two" campaign is being spearheaded by Governor Jerry Apodaca who donated all of his leftover campaign money from his gubernatorial campaign to the committee. The opposition is being led by former Governor Bruce King who said he believes that the amendment should not apply to the person in office.

In addition to the U.S. Senate race, voters will choose a State Corporation Commissioner, three Justices to the New Mexico Supreme Court, including the popular Mack Easley of Lovington who is unopposed. Easley, a former Legislator and Lt. Governor, is the only man in New Mexico to serve in all three branches of State Government.

Curry County voters will also choose a State Senator to replace Odis Echols who was defeated in the primary. Vying for the Echols seat are Caleb Chandler, a Clovis police detective, and radio station operator Tom Battin. The county's other Senator, Kenneth Schlientz of Tucumcari, is unopposed.

Two of the three State Representatives from Curry County are unopposed for reelection -- Republican Hoyt Pattison and Democrat H. B. "Barney" Barnard. John Hays from District 65 is being opposed by retired mail carrier Emzy Gaydon.

The county's new judgeship will be filled automatically by Fred Hensley who is unopposed. Hensley, the present District Attorney, will turn over his office to David W. "Bill" Bonem who is also unopposed.

Five county offices are also unopposed -- Commissioner, District One, Dr. E. E. Kraus; County Clerk Viola Higgins; Treasurer Oscar Cantwell; County Assessor James Rozell and Sheriff R. B. Boney.

Vying for Commissioner District Two, are Cullen Williams and Earl Plank. District Three Commissioner Position is being sought by James Williams and Ralph Burnett.

The last contest on the ballot is for Probate Judge between Democrat Walter Alton Moore and incumbent Harry M. Pierce.

The Constitutional Amendments to be considered by the voters are:

--Constitutional Amendment Number One is an amendment to Article 10, Section 2 of the Constitution of New Mexico to remove the limitations on terms for certain county officers.

--Constitutional Amendment Number Two is an amendment to Article 5, Section 1 of the Constitution of New Mexico to allow state executive officers to serve consecutive four-year terms.

--Constitutional Amendment Number Three is an amendment to Article 8, Section 3 of the Constitution of New Mexico to authorize the legislature to exempt from property taxation certain interest in property when the property is

FARWELL, TEXAS FRIDAY, OCTOBER 29, 1976 10 PAGES

THE STATE LINE TRIBUNE

"OFFICIAL PUBLICATION OF PARMER COUNTY" NUMBER 7 SIXTY-FIFTH YEAR 15 CENTS

Election Day Dinner Set

The annual election day dinner sponsored by Texico Cemetery Association will be served Tuesday, Nov. 2, at the Texico Community Building.

Serving will begin at 12 noon CST (Texas time) and the charge will be \$2 per plate. Featured on the menu for the annual event will be turkey, dressing and all the trimmings, plus homemade desserts, tea and coffee.

Twin Cities Children Ready For Halloween

Once a year children don costumes and masks and play the "trick or treat game" with all their neighbors and friends.

This year both Twin Cities schools are planning big Halloween celebrations.

Farwell fifth graders will be treated to a skating party today (Friday) according to Jerry Yows, elementary principal. Fun time will begin at 1:30.

Texico Schools will kick off their Halloween Carnival at 7 p.m. MDT Saturday in the old gym, with the fun lasting until 10 MDT.

Also on Saturday night the Farwell Convalescent Center will welcome "trick or treaters" from 6 to 7 p.m. according to Dora Nittler, administrator.

Local youngsters will observe the usual "trick or treat" session Sunday night.

Regardless of age, one thing is certain; Halloween should be a fun time for everyone. However, this is not always so. Amid all the fun and gaiety a note of caution should be observed. A few helpful reminders are as follows:

1. Children should do their "trick or treating" in familiar neighborhoods.
2. Youngsters should wear white or light costumes or reflectors on their clothes while making their Halloween rounds.
3. Young children should be accompanied by an adult as they observe the usual Halloween traditions.
4. Parents or adults should inspect all candy and other Halloween "goodies" before consumption by children.

What is now called Halloween was once referred to as "All Hallows". According to the early Celtic people, October 31 was the Eve of All Saints. It was their end of summer celebration which they christened Samhain. It contrasted with their May day festival which occurred at the beginning of summer.

During Celtic and Anglo Saxon times October was the eve of their new year and was also the time of one of their ancient fire festivals.

The celebrations were connected with the return of herds from the pasture and its importance was indicated by the renewal of laws and land tenures, relighting of fires for the coming year, divinations.

and its association with the dead whose souls were supposed to revisit their homes on this day.

The Celtic festival was a pastoral observance but since

(Continued on Page 2)

Get Early Start

"Under Dog" points to the clock to warn "trick or treaters" that they'd best start out a little earlier on their rounds this Halloween (Sunday) since darkness will be coming at an earlier hour after the switch to Standard Time begins at 2 a.m. Sunday. The little miss behind the mask is Cindy Meeks, three-year-old daughter of Mr. and Mrs. Jimmy Meeks of Farwell, who will be joining lots of other youngsters in the Twin Cities on their "trick or treat" rounds Sunday night. Youngsters are cautioned that they are difficult to see on the streets after dark and that they should start their treks a bit earlier. Everyone is reminded to set their clocks back one hour to switch from Daylight Savings Time.

Swine Flu Shots Extended Here

Dr. Jerry Don Gregory of Farwell Medical Clinic reports that about 100 Swine Flu inoculations have been administered since the vaccine program was started a week ago.

He said that 85 of the shots were given Friday afternoon and another 15 were administered earlier this week.

Dr. Gregory said they are extending the Swine Flu Clinic another week to give area residents a chance to obtain the shots if they are interested. Anyone who desires the inoculation should come to the Farwell Medical Clinic between 4 and 5 p.m. Monday through Thursday of next week.

The local doctor described the response in Farwell as "light." He also added that there have been no serious

Tuesday Rites Held For Former Texico Resident

Funeral services for Charles Lee McDaniel, 74, were held Tuesday afternoon at the First Baptist Church in Bovina, with the Rev. Darrel Lewis, pastor, officiating. Burial was at the Sunset Terrace Memorial Gardens in Farwell.

Mr. McDaniel died Saturday at the Parmer County Hospital in Friona following a long illness.

He was born March 10, 1902 in Osborn, Mo., and came to the Texico area with his family when he was a small boy. In 1925 he married Sophia Kaemper at Pleasant Hill. Mr. McDaniel farmed one mile northwest of Texico until he retired in 1962 and moved to Bovina.

Castleberry Takes Top Weekly Money

Two persons called 10 of 12 games correctly in the eighth week of the Merchants Football Contest which saw W. M. Roberts, a faithful and strong contender in the guessing game, move into a tie with Eddie B. Smith for first place in the overall standings.

Jimmy Castleberry took top weekly prize money by being right on 10 calls, and being off only nine points on the tiebreaker. Rocky Ford also called 10 games correctly, but was 37 points off on the tiebreaker to settle for second place winnings. Third place winner was Tex Smith who called nine games correctly. He was 10 points off on his tiebreaker guess.

Others calling nine games right, but being too far off on the tiebreaker to score in the winners' column, were Mina Sheets, Kristy Chandler, Gay Goettsch, Missy Taylor, Albert Johnson, Cynthia Thigpen, Claire McFarland, Harold Toliaferro, Henry Haseloff, Dorothy Quickel, E. A. Walker, James Castleberry, Mrs. Albert Smith, Kayle Watts and Dwayne Obenshain.

With four weeks left in the gridiron guessing, W. M. Roberts moved out of his second place standing to join Eddie B. Smith in a two-way battle for first. Roberts, always a strong contender and a

Jimmy Castleberry, right, picked 10 winners in the Merchants Football Contest last week and won the \$7.50 first place check which is being presented to him by Craig Hilestead, manager of Farwell Equipment Company. Castleberry was one of only two persons calling 10 of the 12 games correctly. He was off nine points on the tiebreaker to garner first place. Rocky Ford called 10 games right, but was 37 points off on the tiebreaker to take second place and \$5. Winner of third place and \$2 was Tex Smith who called nine games correctly and was 10 points off on the tiebreaker.

Castleberry Takes Top Weekly Money

one-time Cotton Bowl winner in the contest, has held a steady grip on second place since the third week of this year's guessing. He and Smith, who moved into first place only last week, have 65 points.

In sole possession of second place with 64 points is Ellen Wurster who moved up from the third place position she held with three others last week.

Four persons have 63 points and are in third place, including Gay Goettsch, Louise Hancock, Donald Jones and Tex Smith.

City Approves Funding Plan For Senior Citizen Building

At the meeting of the Texico City Council Tuesday night, Joe Caywood, president of Texico Chamber of Commerce and Texico Planning Commission, met with the Council to discuss the blueprint plans for the proposed multipurpose senior citizen's building. The structure could also double as a civic center to serve the

needs of the entire community. The Council agreed to apply for state funds to help finance the project. Council members also approved a request by J. O. Morris to build a 30' x 40' building in the "M" zone which is north of the Herbert Addition between State Street and State Line Road. Morris

plans to open an irrigation motor repair business at the location.

It was also reported that chains will be set up at the city park to prevent motorists from parking on the property. Citations will be issued to any person who parks their vehicle on the city park land.

Other business included deciding to advertise for bids to repair the big well at the city park. Specification for the repair may be obtained from Harry Patton, city attorney.

It was also decided to run a two-inch water line down the alley of block four in the Marshall Addition. The request had been made at the last

meeting by the J. G. Bryants. Bills were approved for payment and the police report for September in the amount of \$234 was approved.

A final item of business concerned Patricia Carter who had been hired as an assistant city clerk at the last meeting. The matter was not listed on the agenda at the time of the meeting, thus making the hiring of Mrs. Carter illegal. Since she is married to one of the trustees it was decided not to consider her for the post at

a future date. The Council felt it would be best not to hire anyone who is related to a member of the Council.

Clara Wiehl, city clerk, said applications for the position are now being taken. She added that all applicants must be Texico residents.

Attending the meeting were Mayor Manford Turnbough; trustees Vane Doshier, Mariq Christian, Max Carter and Bill Thigpen; Joe Caywood, J. O. Morris and City Attorney Harry Patton.

Chamber Discusses Overpass/Underpass

A report on the overpass/underpass situation" highlighted business at the Farwell Chamber of Commerce meeting Tuesday.

Johnny Atkinson reported on the joint meeting of the Texico and Farwell Chambers of Commerce which took place October 11. He said that the Texico Chamber "did not seem too interested" and added that the New Mexico State Highway Department did not even bother to send a representative to the meeting.

Atkinson pointed out that the situation does look "hopeless" now, but added that "sometimes that is when we have to try and push for something anyway." Funds for the Texas Highway Department are tied up for the next several years, but Atkinson pointed out that "if Farwell does not get on the priority list now, when the funds do become available, we will not have a chance."

Pudge Rose added that he

felt the best thing to do at the moment was "to stay on top of the situation."

Other business included a discussion of obtaining a cardio-pulmonary-resuscitation (CPR) dummy for local use. Dr. Jerry Don Gregory said he felt the idea was a good one as he plans to have two CPR classes each year. Lee Hutchins, fire marshal, added that it is essential to have the CPR dummies in teaching the classes.

The Chamber decided to sponsor a fund-raising drive to raise the money for the purchase of the dummy.

Rose said the object can be purchased from the American Heart Association for about \$400. He said the money is donated to the association which in turn designates that the dummy be used and kept in this area.

Other business included appointing a nominating committee.

Sheriff Investigates Vandalism, Burglaries

Vandalism, burglaries and check forgeries have been investigated by Parmer County Sheriff's Department during the past week, says Charlie Lovelace, sheriff.

Several local residents have reported that rear view mirrors have been broken on their vehicles during recent days. A tire-slashing episode involving a car belonging to Tim Norton of Farwell occurred Monday night, Oct. 18, while the car was parked at the fieldhouse at Farwell Schools.

In another incident, an Oklahoma grain truck hit a gas pump at the local Allsup's store, causing an estimated \$200-\$300 in damages. According to reports, the driver of the truck did not stop, but store employees obtained the license plate number. Sheriff Lovelace says no charges have yet been filed in the incident and that the driver has agreed to pay for the damages.

A vacant house and a nearby storage house on the

Elvis Childs' farm, three miles east of Lariat, was broken into, reports Lovelace. The door to the house was damaged and four cases of lubricating oil were removed from the storage house. Childs lives in Farwell.

Lovelace said they answered a call to the Jimmy Briggs place in Lazbuddie where Jose Velasquez had suffered a minor self-inflicted gunshot wound.

The sheriff also reported a theft at the agriculture barn in Farwell where a lamb belonging to Donny Gustin of Friona was taken.

According to Lovelace, two 18-year-olds are in custody following a forgery and passing checks incident Friday night in Bovina. Carlos Castillo and Arthur Castillo, cousins, have been bound over for grand jury action. Bond has been set at \$2500 each.

Cipa Aragon, 17, was taken into custody following another forgery and passing checks incident in Friona. Lovelace said he passed 11 checks in amount of \$6 to \$26. He added that four Friona juveniles were also involved. They have been released to their parents' custody and will return for court action at a later date, reports the sheriff.

Tools belonging to Tom Caldwell, who lives five miles south of Bovina, were taken from his pickup which was parked in the field, said Lovelace. He added that the value was set at \$150.

Another incident occurred in Farwell at the Hurshel Harding place where a battery was taken from an irrigation well motor.

Stuffing Scarecrow

First graders in Mrs. Rita Dunsworth's class at Texico School are shown getting into the spirit of Halloween by stuffing a scarecrow, complete with pumpkin head, to help observe the coming holiday. Putting finishing touches on their "stuffed friend" are Aaron Scott, son of Mr. and Mrs. Keith Scott, Mike Williams, son of Mr. and Mrs. Dwayne Williams, Cory McDaniel, son of Mr. and Mrs. Roy McDaniel and Codie Burch, daughter of Mrs. Kendale Burch. (Photo by Floyd Cherry)

Halloween . . . (Continued from Page 1)

agriculture and herding often were associated with each other, the rites that accompanied the 'harvest home' and the killing of the corn spirit as the last sheaf was reaped, often found a place in the Samhain festival.

Crops and flocks had to be protected from evil spirits which were believed to be present at that time of year. This called for rites, divinations and funerary practices. Masquerades also took place and in later times developed into the sometimes frivolous practices which often accompany a modern Halloween observance.

During those times Halloween was considered to be the most favorable time to perform devinations concerning marriage, luck, health, and death. In Britain the help of the evil was called upon for those reasons on that day only.

In Scotland young people played games on Halloween to see who would marry during the year and in what order. The name, occupation and hair color of the spouse was determined at these practices. Another game involved apples and sixpence in a tub of water. Previews of coming good fortune were determined by either catching the sixpence or apples with the mouth or in pinning an apple with a fork. Apple dunking has since become a favorite aspect of Halloween in the United States.

Residents of northern England celebrated a 'mischief night' on the last day in October. Tricks with no serious meaning were often played on that night.

Immigrants to the United

States introduced secular Halloween customs late in the 19th century. Original mischief-making at that time often resulted in severe damage to property, which is quite a contrast to the mild 'trick or treating' fun which often marks the Halloween of today.

A favored symbol of Halloween is the jack-o-lantern. The term probably originated from the name for night watchman. In Scotland a turnip had been used for the traditional Halloween face, but the people of the United States quickly substituted the pumpkin and the practice continues today.

Witches' sabbaths, once a common custom among the early European people, always occurred at certain times of the year. One of those times has survived to become the modern day Halloween.

Contest . . . (Continued from Page 1)

In fourth place with 62 points are Ron Hancock, Thad Phillips, Missy Taylor and Dorris White.

Fifth place contenders with 61 points each are Henry Haseloff, Mrs. E. A. Key, Jack Kirkland and Leigh Ann Kirkland.

Top winner in the contest will have his choice of two tickets to the Cotton Bowl plus \$50 or two tickets to the Sun Bowl plus \$50. Second place winner will take home two tickets to the Sun Bowl plus \$25.

Weekly winners receive \$7.50 for first; \$5 for second; and \$2 for third.

Over 400 persons have entered the contest this year to match wits with prognosticators from throughout the area. As has always been the

case, the race promises to be a close one through the final week when the year's tie-breaker scores likely will have a bearing on who wins the top prize.

"Many a taxpayer feels he's being fined for reckless thriving."

Farwell Council Meeting Routine

Farwell City Council conducted a regular business meeting Monday night.

Water Superintendent Dee Hammit reported on the status of well number two. According to Hammit, it was first installed in 1942 and has been developing "problems" over the past few months. Hammit said that A. T. Watts of Watts Machine and Pump Co. in Farwell offered to pull out the well at the normal fee of \$1 per foot. After a brief discussion the Council voted to approve the offer.

Members of the Council also allocated \$50 to pay the expenses of a three-day water school in Lubbock which Hammit is required to attend. The school will be in session November 2-4 and offers 20 hours credit.

An update of the "rat situation" was discussed. Roger Menning said the city is cutting weeds and removing old lumber and debris from city alleys.

City Marshal Ronnie Mitchell said the railroad crossing situation needs to be "looked into." He reported that on a recent night the arms stayed down for an hour with no trains crossing the tracks. He added that he was unable to contact any Santa Fe officials concerning the matter. Mitchell said that he felt a malfunction had prevented the arms from going up after an engine on the tracks had caused them to drop.

Mayor Gil Patschke said that this apparent malfunction might also prevent the arms

from dropping when a train is passing through. After a discussion, the Council decided to write to Santa Fe asking them to cooperate in alleviating the situation.

Another "problem" with the railroad concerned weeds growing on its property. It was decided to notify Santa Fe officials that they have the required 10 days to cut their weeds. If they fail to comply, the city can cut the weeds and send the bill to Santa Fe.

Attending the meeting were Mayor Patschke, commissioners Fred Chandler and Ralph Franse; Janie Bowery, city clerk; and city employees Doug Landrum, Menning, Cecil Deofor, Hammit and Mitchell.

Texico Schools Set Halloween Carnival

by Steve Doolittle and Eloy Ortiz

Texico's annual Halloween Carnival will be Saturday, October 30, from 7 to 10 p.m.

Festivities at the carnival will include crowning of the Halloween Carnival Queen and King. Candidates are as follows: sixth grade, Sharlet Taylor and Danny Reid; seventh grade, Tracy Dobbs and Kent Harding; eighth grade, Becky McDonald and John Kelley; freshmen, Roxanne Cherry and Neal Haile; sophomores, Celia Johnson and Terry Rolan; juniors, Raynette Shankles and Lyndon Donahay; and seniors, Kim Harrington and Jackie Reid. Winners will be decided on a penny-per-vote basis.

There will also be a variety of booths sponsored by classes and organizations. The booths include: sixth grade, milk can

throw; seventh grade, softball basket throw; eighth grade, ring toss; freshmen, dart throw; sophomores, marriage booth; juniors, cake walk and dunking board; and seniors, spook house and a Jacob's Ladder.

The Pep Club will have a basketball throw; FFA will sponsor a Chinese Auction; Publications will have a "car bash" beginning at 6 p.m. and ending at 7:30 p.m. and a guessing game, and the "42" room.

Primary classes are also having a cake walk. The classes of Mrs. Turnbough, Mrs. Swinney, and Mrs. Holloman will have a "sweet shop." Dale Schwartz's class will be running the traditional elementary country store.

There is no admission charge for the carnival, and tickets for the booths will be ten cents each.

MIKE SCOTT

Band Names Best Marcher

Mike Scott, a sophomore at Texico High, has been selected outstanding marcher for the Texico Varsity Band for 1976. Mike presented the first annual outstanding marcher certificate on the basis of his efforts and spirit. Mike has attended every performance of the band this year.

Jerry Sadberry, Texico band director, reports that magazine sales by the band were to continue through October 28. The sales have been quite successful thus far, he says.

Hospital Notes

Tim Norton, son of Mr. and Mrs. Gerald Norton, was admitted to Lubbock Methodist Hospital last week where he underwent surgery. Norton was injured during the October 15 football game between Farwell and Bovina. He was released from the hospital Sunday and is reported to be "doing fine."

Mrs. C. L. (Gloria) Mahaney of Farwell was admitted to University Hospital in Lubbock two weeks ago where she is undergoing medical tests.

Robin Mahaney was admitted to the hospital in Friona Sunday. He received medical treatment and was released the following day.

Mrs. Don (Linda) Geries of Farwell is confined to Lubbock Methodist Hospital for medical treatment. She entered the hospital on Saturday and it is not known how long she will be hospitalized, family members report.

(Editor's Note: This is one of a series of articles prepared for publication by Pat Owen, Director of the Right to Read program at Farwell Schools.)

1. Keep your child well rested: The child who stays up late to watch television has trouble staying awake in school. Set a bedtime and stick to it.

2. Keep your child healthy: If the school nurse or the doctor tells you that your child has a health problem or has trouble seeing or hearing, talk to one or the other about it. They can get you the help your child needs.

3. Get your child to school: When your child misses school, important lessons may be missed. This is especially true of reading. Once a child gets behind the class, catching up becomes difficult.

4. Know how your child is doing: Look at your child's report card. If it indicates problems, see the teacher and talk it over. Find out how you can help.

5. Check your child's homework: Set a regular time for doing homework. Make sure the child does it. If it's obvious that you care, your child will care too.

6. Don't compare: Your child is a unique individual. It is not fair to compare any child to a brother, a sister, or a neighbor's child. Some children learn faster than others. If your child is a bit slower than another, remember that it is not intentional on the part of the child. Make it clear at

all times that you love your child for what he or she can do. Give praise for accomplishments, but don't criticize your child for not doing as well as others.

If your child is having serious problems with reading, there may be a need for special help. You can call the

school and make an appointment to talk to the teacher who can advise you as to the best steps to take.

Remember, we teachers want your child to do well. So please talk to us about your child's reading progress. You can be sure that we will do all we can to help.

'Right To Read' Tips For Parents

Helping Your Child Do His Or Her Best

Texico's This, That And The Other

by Celia Johnson and Elizabeth Rojas

Mrs. Southard's 104 and 105 classes changed from creative writing and English to communicative arts at the end of the nine weeks. Her English classes will also be taking penmanship this nine weeks.

The Pep Club has 13 green T-shirts left to be sold. Anyone interested in purchasing a Wolverine T-shirt should contact Mrs. Turner.

Mrs. Brock's class had a math contest between the girls and the boys. At the end of the contest, the score was tied. After a runoff, the girls won by one point.

Kenneth Shaw, Junior High principal, reports that there is going to be an Outsiders Basketball Tournament November 12, 13, and 14 for all parents. The tournament will be sponsored by the Booster Club.

Mrs. Swinney's Special Education Class will be having a Halloween party October 29 at 2 p.m.

Mrs. Burch's Home Ec. I class members are working on "Sew and Stuff Pets."

Texico parents and students have chartered a bus to travel to Dexter tonight (Friday) for the Varsity football game. This is the first time at Texico that fans have chartered a bus

for games.

Mary's little lamb followed her to school one day, so the nursery rhyme goes. However, at the Texico schools, it was Charlene Whitener's little pig that came to school last week. "Orphie," the pig, entertained first and second grade students. He also demonstrated his tricks and sucked from a baby bottle to entertain high school students.

"It is a mark of genius not to astonish but to be astonished," Aubrey Menon

Jr. High Band Wins Trophy

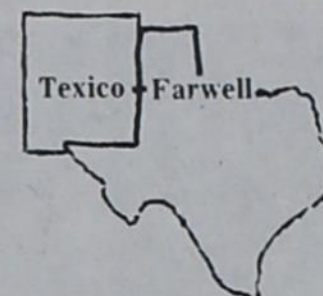

The Farwell Junior High band participated in the Harvest Festival Parade in Brownfield October 16. For their performance the band was awarded a first place trophy and a check for \$100.

After marching in the parade band members ate at a Brownfield restaurant.

Band director Lynn Burton said the junior high band represented the Farwell school system very well.

Next outing for the junior high musicians will be Friday, Nov. 5, at the Farwell-Hart football game when they will perform in conjunction with the high school band.

AROUND THE TWIN CITIES

First Place

Robin Vinton, drum major for the Farwell Junior High Band holds the first place trophy and \$100 check the band received for its participation in the Harvest Festival Parade at Brownfield on October 16. Miss Vinton is the daughter of Mr. and Mrs. Robert Vinton.

Absentee voting in Parmer County concludes today (Friday) at 5 o'clock at the Parmer County Clerk's office.

Polls open at 7 a.m. CST Tuesday for Parmer County voters and close at 7 p.m.

Polls open at 8 a.m. MST Tuesday for voters in Curry County and will remain open until 7 p.m.

Texico Cemetery Association is sponsoring its annual Election Day dinner at the Texico Community Building Tuesday, Nov. 2, starting at 12 noon (Texas time).

The change from Daylight Savings Time to Standard Time occurs Sunday at 2 a.m. when all clocks should be turned back one hour.

The First Baptist Church of Texico will dedicate its new parsonage Sunday afternoon at 1:30 MST.

The ESA-sponsored Speech, Hearing and Language Clinic will be Saturday, Nov. 6, from 10 a.m. until noon CST at First Baptist Church, Farwell. The clinic is being offered in conjunction with the Panhandle Regional Speech and Hearing Association.

Farwell Cheerleaders are leading a spirit rally today (Friday) at the school gym at 3:10 p.m. CDT.

Farwell Steers travel to Vega tonight (Friday) to take on the Longhorns in the third act of conference 3-A play for

the Steers. Game time is 7:30 p.m. CDT.

Farwell Booster Club will meet Tuesday night, Nov. 2, at 7:30 at Clara's.

Texico Schools will host the final pep rally of the football season today (Friday) at 3 p.m. CDT.

Texico Wolverines will play at Dexter tonight in their final game of the season. Game time is 7:30 p.m. MDT.

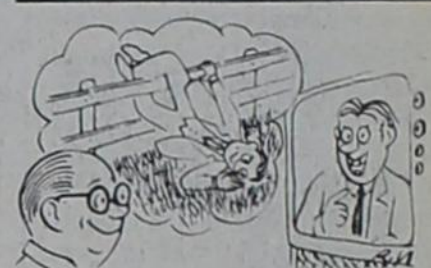

Texico Schools annual Halloween Carnival gets underway Saturday night at 7 o'clock in the old gym.

Kress Kangaroos Upend Farwell Steers, 8-6

The previously unbeaten Farwell Steers were tripped by the Kress Kangaroos, 8-6, Friday night at Steer Stadium in a District 3-A contest. The Blue and White are now 6-1 for the season and 1-1 in 3-A loop play.

Kress won the toss and elected to receive. On their first series of downs Dane Sisemore fumbled and the Blue and White recovered.

Farwell took possession of the pigskin and traveled seven yards before Billy White lost the ball and the Kangaroos recovered. The visiting team was unable to generate a scoring drive and the ball went over on downs, setting a pattern for the entire first period.

Farwell did not earn first down yardage and Mike Goettsch punted. In second quarter action, Kent Goldsmith tackled Jeff Rogers for a six-yard loss and two plays later he sacked the quarterback and the ball again went over on downs.

Four plays later Farwell punted and the Kress receiver fumbled. An alert Chip Craft covered the ball for the Blue and White, but ten plays later the ball went over on downs. The "see-saw" battle continued as Kress booted the pigskin away. Travis Bibbs fumbled the attempted shoe-string reception and the Kangaroos took over on their own 30-yard line.

On the first play Kress fumbled, but recovered. The teams retired to the locker room at halftime with the score deadlocked at 0-0. Both Farwell and Kress had one penetration each during the first half of play.

Bill Boggs opened second half action with a barefooted soccer style kick which landed the ball in the end zone for the touchback. Facing a fourth and one at the 29, Goettsch booted the pigskin away. The defensive struggle continued until late in the third stanza when Kress began its drive for their only touchdown of the night, and what proved to be the winning score.

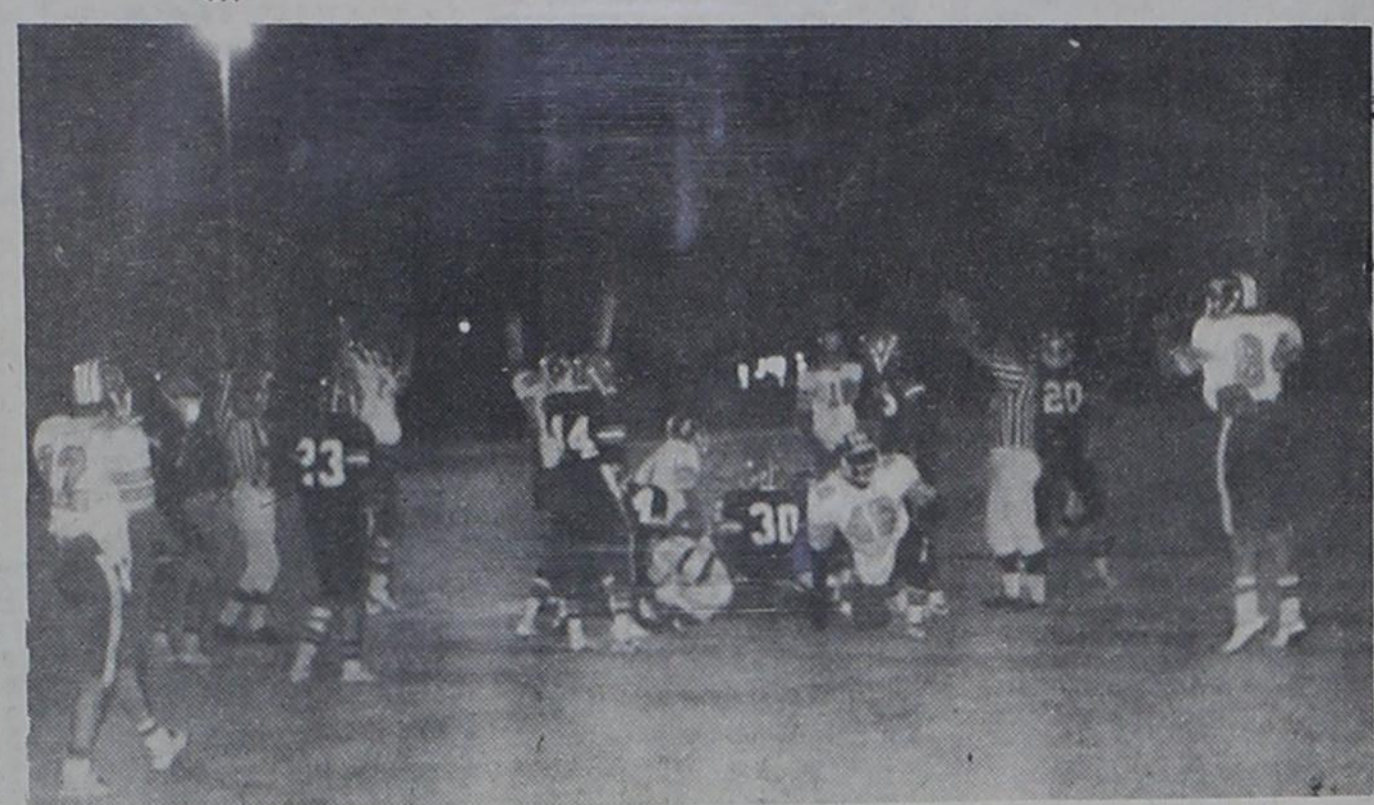

Following a Steer punt, they started their TD drive at the Steer 44-yard line. Three plays and one penalty later Kress had moved the ball to the 38. Sisemore carried the ball 18 yards to the 20 and Armando Vuittonet advanced the pigskin another six yards. On a fourth and goal situation Sisemore pounded across the goal line for six points. He then added the conversion run for two points and Kress pulled ahead of Farwell 8-0.

In final quarter action Farwell took the ball on their 20-yard line. On the second down play quarterback, Russ Jones, completed a pass to Billy White for a 50-yard gain. At the Kress 30 a Jones aerial was picked off.

After an exchange of punts, Farwell took possession on their 24. With less than two minutes of play left Bibbs darted for 63 yards and a first and goal situation for the Blue and White. With one minute and 20 seconds left on the

clock Goettsch ran in for the score. The run for the PAT failed.

Farwell attempted an inside kick, but Kress recovered at the 45-yard line and ran out the clock, handing the Steers their first loss of the season, 8-6.

Steer Touchdown

1	Passes Intercepted By	1			

With less than two minutes showing on the clock, Farwell's Mike Goettsch carries the ball in for the Steers' lone score of the District 3-A contest. The elated ball club's hopes for an 8-8 tie were dashed seconds later when the run for the PAT failed. Kress handed the Steers their first defeat of the year and gave them a 1-1 mark in district action.

7th Yearlings Upset By Kress, 12-6

It was a long night in Kress Thursday, Oct. 21, as the seventh grade yearlings had two touchdowns called back and lost the contest to their opponents, 12-6, in the waning seconds of the ball game. They are 2-2 for the season.

Kress scored in the first quarter, but the try for the PAT failed. The Farwell team bounced back in the second stanza when Roger Costello crossed the line for six points. The try for the PAT failed.

Other second quarter action included a 70-yard touchdown run by Waverly Coates which was called back due to an infraction of the rules.

The score was deadlocked at 6-6 as both teams returned to the dressing room.

An ill-fated penalty cost the Yearlings another touchdown in the third stanza. Johnny Viduarri scampered 30 yards for six points only to see his efforts negated.

All hopes of a tie game vanished when Kress scored in the waning seconds of the final quarter. With 18 seconds left on the clock they carried the pigskin across the goal line for six points and a 12-6 victory.

In commenting on the loss, Coach Larry McDorman said they played "an off again on again game". "We seemed to run the ball all night, but we just couldn't punch it in when it counted," he added.

"All our backs ran well, but we just made too many errors," McDorman said.

The Yearlings' gridmaster cited several players as per-

forming well during the game. They included Waverly Coates, Johnny Viduarri, Roger Costello, Ricky Armstrong, and Doug Cole.

The seventh grade team was

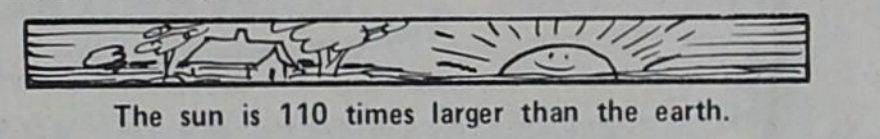

to play Vega Thursday night at Steer Stadium at 5 p.m.

The next gridiron action for the seventh Yearlings is scheduled for Thursday, Nov. 4, at Hart. Game time will be 5:30.

Leads Interference

Travis Bibbs (#46) leads the way for Steer Quarterback Russ Jones to pick up sizeable yardage during second quarter action in Friday night's District 3-A encounter with the Kress Kangaroos. The see-saw defensive battle was won by Kress 8-6 as Farwell's record dropped to 1-1 in district play and 6-1 on the season. Bibbs was tagged "Steer of the Week" for his efforts in the game.

The sun is 110 times larger than the earth.

Steer Of The Week

Travis Bibbs has been selected as the "Steer of the Week". Friday night against Kress, he rushed for 80 yards on seven carries. Coach Tom Whatley praised Bibbs and said that on a night when a lot of players did not play well Bibbs "hung in there and did a super terrific job."

Kress Downs 8th Yearlings

Farwell's Eighth grade Yearlings traveled to Kress Thursday night, Oct. 21, and were blanked by their opponents, 20-0. Their record stands at 2-4-1 for the year.

Kress scored 14 points in the second quarter and cinched their win with a final touchdown in the fourth quarter.

Coach Larry McDorman said "We played well at times, but we weren't consistent. Our secondary broke down and we couldn't contain their fast kid," he added.

The Yearling mentor said they were able to get to the 20 or 30-yard line but were unable to punch the pigskin across for the score.

He said that Kerry Ford played "his best running game of the season." He added that Raul Garza and Boyd White also ran well.

McDorman said, "the defense played well at times. We managed to hold them in the first and third stanzas," he said.

The Farwell gridmaster described the eighth grade team as "a good club." We can improve if we cut out the mistakes," he added.

The eighth grade was to play Vega here Thursday night at 6:30. Their next contest is Thursday, Nov. 4, at Hart. Game time will be 6:30.

"Scenery is fine but human nature is finer." Keats

'Mental Errors Beat Us'

Steer Coach Whatley Sums Up Narrow Loss

It was an exciting game, but we didn't play well enough to win," said Farwell Steers' head coach Tom Whatley following their narrow 8-6 loss to Kress Friday night.

"I still feel we are as good or better than Kress, but our mental errors beat us," the coach continued. "It probably wasn't evident from the bleachers but we had busted assignments all night. There was no reason for it really, but somehow we just couldn't get it together," Whatley said.

The local gridmaster said they "hated to lose" but stressed that they must look forward to the rest of the season.

Whatley said Tim Norton will be out for the season. Norton suffered a knee injury during the Bovina game and underwent surgery last week. Travis Bibbs was selected as the "Steer of the Week" by the coaching staff. Bibbs did

an outstanding job both offensively and defensively, commented the head coach. Whatley added that on a night when so many players did not perform well, Bibbs stood out. He carried seven times for 80 yards. Bibbs was also selected as the "outstanding offensive back."

Carlos Lucio was named the "outstanding secondary man." Whatley said Lucio adapted to a different type defense very well.

Kent Goldsmith is the "outstanding forcing unit man." Whatley said he did a super job defensively, adding that he was "all over the field."

The coaching staff did not select an "outstanding offensive lineman."

Whatley said tonight's (Friday) contest with Vega would be a "crucial test." He added that Vega has a good team and coach. "I just hope they don't put it all together against us tonight," he said.

Whatley stressed that the Steers will have to "play super hard" to defeat them.

The Vega Longhorns are the 1975 District 3-A runner-up champions. They finished 4-1 in league play last year, losing to Hart 25-18.

A week ago, the Longhorns also lost to Hart, 35-6. Hart dominated the game, outgaining Vega, 404-156 yards. Hart also led on first down downs, 21-10.

Longhorn coach Jimmy Duncan has five offensive starters and six defensive regulars among the 13 letterman who returned for action this season. A valuable Longhorn is two-way performer David Doshier, a 5-9, 165-pound full-linebacker.

Two other performers are Kyle Moore, end-linebacker, and Jeff Fergersson, center-tackle. Both Longhorns played both ways last year.

Other strong returnees are Mike Yell, quarterback; Leonel Ramon, linebacker; Randy Roark, secondary; and Marvin Wade, safety.

Two newcomers who have strengthened the ranks of the Black and Gold are guard-end David Cretsinger and tackle-end Jed Welch.

Farwell JV Beats Kress

Farwell Junior Varsity outstripped the Kress Junior Varsity, 28-6, Thursday night, Oct. 21, at Kress, upping their season record to 6-1.

The Blue and White JV started their scoring drive early in the first quarter with a five-yard run by Leonel Jaime who also carried the pigskin in for the two-point conversion. Benny Yruegas's five-yard scamper in the second quarter increased the JV lead to 14-0. The try for the PAT failed.

Kress scored their only touchdown of the night in the first half. The teams retired to the dressing room with Farwell ahead, 14-6.

Benny Yruegas struck again in the third stanza, jaunting 15 yards for paydirt and also running for the PAT. The final touchdown of the game came in the fourth quarter when Steve Owens dashed two yards for six more points. Seconds later he crossed the goal line again for the two-point conversion.

Coach Royce Baker said the JV Squad played with more emotion and aggressiveness than they had shown for their

previous games. He called the victory "a good job" and praised the efforts of both the offense and defense.

Baker said Jaime had been moved from the end position to the running back slot. He added that he performed well as a running back and indicated that the change would probably be permanent.

Offensive players drawing the coach's praise were Rickey Coleman, Chad Phillips, Steve Hargrove, and Bruce Mayfield.

Defensive players earning kudos were Jaime, Kayle Watts, Robert Lucio, and Mark Owen.

Baker said they would concentrate on throwing the ball more during practice. "We played an excellent running game Thursday, but I would like to see us be able to pass more," the JV mentor explained.

The JV was to play Vega Thursday night at Steer Stadium at 7:30.

The next outing for the future Steers will be Thursday, Nov. 4, at Hart. Game time will be 7:30.

Texico Skins Tatum In Final Home Game

Texico's Wolverines celebrated Parents Night by downing the Tatum Coyotes 30-26 at Wolverine Stadium Friday night to end their home season play in the victory column. Parents of players were honored during halftime ceremonies when mothers of football and volleyball players were presented red roses or carnations.

Tatum kicked off to Texico who took the out-of-bounds kick on the 40-yard line. Joe West gained seven yards, followed by a gain of six by Homer Ashley. Duwain Hill carried, but was stopped at the line of scrimmage. A lateral then lost a yard, followed by an incomplete pass. West punted into the end zone and the Coyotes took the ball on the 20-yard line to start their first scoring drive. The first play was stopped for a yard loss. Tatum then made eight yards, a 13-yard gain up the middle, and five more yards before Charles Walker ran for 52 yards and the Coyotes' first score. West stopped the PAT, and Tatum was out in front, for the only time in the game, by six points.

The Coyote kick went out-of-bounds and Texico took the ball on the 40-yard line. West gained five yards on the first play and a handoff to Hill on the next gained five more. Ashley took the ball up the middle for a seven-yard gain, followed by a two-yard gain by Hill. West then took a handoff up the middle for another two-yard gain. A series of handoffs to Hill gained three, four and two yards. Ashley ran an end sweep for a 21-yard gain and West took a handoff for a yard gain.

Hill then took a handoff across for six points. There was a penalty on the PAT attempt and on the replay Ashley carried for the extra points.

Tatum returned the kickoff to the 35-yard line. A lateral gained 10 yards, followed by a yard loss caused by Turner. A pair of five-yard gains then gave the Coyotes another first down. C. Walker took a handoff and, slipping through the Wolverine defense, made a 22-yard gain. Williams stopped the next play after a three-yard gain. Tatum then gained nine yards on two ground plays. Walker again carried, but was pushed out-of-bounds after a two-yard gain. West then held them to no gain as the quarter ended with Texico ahead 8-6.

West hit the runner for a yard loss to open second quarter action. An incomplete pass then gave Texico the ball. West carried first for a two-

yard pickup. Hill then gained 25 yards on two carries before Ashley connected on a pass to Turner for an 18-yard gain, then went around end for a 12-yard pickup. On a handoff to Hill, Texico gained three yards. West then ran for eight and Ashley gained five. Another Hill carry gained three and a pass to West was good for eight. Ashley went up the middle for Texico's second score and West made the extra two points.

Another Coyote fumble gave Texico the ball as Ashley recovered it on the Tatum 35-yard line. West carried for a five-yard gain, but Tatum regained the ball on the next play. Still needing a first down, the Coyotes punted the ball out-of-bounds and Texico took it on the 40-yard line.

Texico could not muster a scoring drive and the half ended with the Wolverines in front 16-6.

A series of fumbles by both teams dominated play in the first part of the third quarter, but Texico finally wound up with the ball to start on another scoring drive. West, Hill and Ashley were the workhorses in this drive with West carrying in for the six points with 7:21 left in the first stanza. The try for point-after-touchdown failed.

Jackie Reid made the stop

FACTS & FIGURES
 890123456789012345678901234567

There are an estimated 486,550 legally blind people in the U.S. today. Half of these cases could have been prevented with current medical knowledge and techniques.

HOSPITAL

Cataract, the leading cause of blindness in the U.S. today, accounts for one of six cases of lost vision. Surgery can restore vision in 95 percent of cataract cases for which it is recommended.

The National Society for the Prevention of Blindness tells us that 577,800 children age 3 to 5 (or 1 in 20) are affected by vision problems. Conditions like amblyopia, often called "lazy eye," must be diagnosed early for effective treatment.

on the Coyote kick returner and Mark Howard deflected an attempted pass. Tatum picked up 21 yards and 13 yards on the ground and gained another 15 on a Wolverine penalty. After another 11-yard pickup, Walker went in for the Coyotes' second tally of the game. The conversion attempt failed.

Ashley returned the kick to the 22 and West and Hill gained seven yards, but lacking a first down, the Wolverines punted out-of-bounds on the 49. Texico's defense held the Coyotes to no gain and a pair of penalties forced the visitors to punt with the Wolverines setting up shop on their own 20 after the touchback. The third period ended with Texico in the lead, 22-12.

Texico was forced to punt and Tatum started its next drive on their own 12. C. Walker capped the long drive by going in for the score, but a penalty on the extra point attempt left the score at 22-18, Texico.

Ashley took the kickoff back to the 36-yard line. West gained 16 yards, Hill carried for a yard and Turner ran for 21 to sustain this drive. West carried for two more, Ashley gained 11 and Hill drove for four. After a penalty on the Coyotes gave Texico two and one-half more yards, West took the ball in for another Wolverine touchdown. Ashley passed to West for the two-point conversion making the score: Texico 30-Tatum 18.

The Coyotes started on the 35-yard line following the kickoff. Three long gains, plus three penalties on Texico aided the Tatum drive which culminated in a touchdown with 1:23 left in the game. The two-point conversion put the Coyotes within four points of the Wolverines at 30-26.

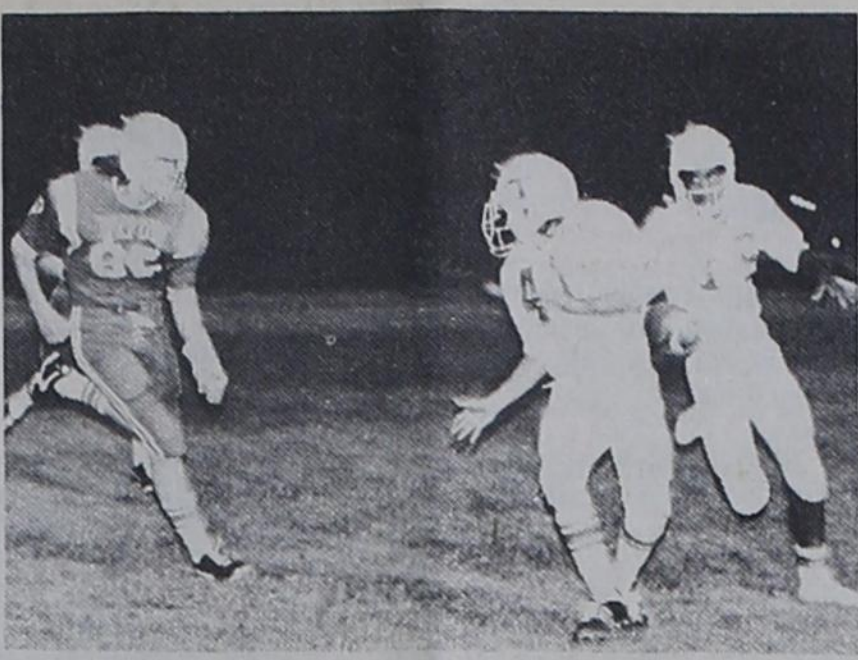

Tatum attempted an onside kick, but Dusty Casey took the ball at the 45-yard line for the Wolverines. Texico held onto the ball for three downs and seven yards before time ran out.

Joey West 1 run (run failed)	
Joey West 3 run (West run)	

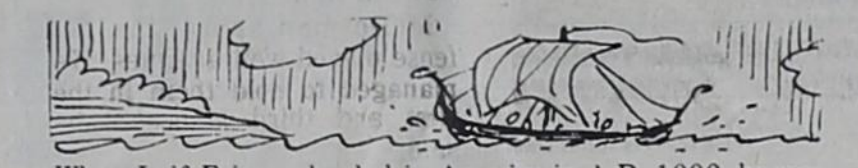

West Leads Way

Homer Ashley follows teammate Joey West as he leads the interference for some much-needed yardage in the Texico-Tatum game played Friday night at Texico. The Wolverines outscored the Coyotes 30-24 to wind up their home season on a winning note. West, who had been sidelined with an injury, was playing for the first time in several weeks. West scored two touchdowns and two points after for a total of 16 points in the contest. (Texico School Photo)

Wolverines Of The Week

Steve Turner, left, and Terry Rolan have been named as the "Wolverines of the Week." Turner, a defensive end, was responsible for eight unassisted tackles and four assisted tackles in Friday night's game with Tatum. According to Coach Paul Topliff, he handled the veer attack very well and made them (Tatum) come inside. "They couldn't run outside on us," he added. Topliff called Rolan "the most improved player" thus far. He added that Rolan played a good defensive and offensive game.

When Leif Ericson landed in America in A.D. 1000, he was so struck by the abundance of wild grapes that he called the land Vinland, "Wine land."

Last Game Tonight - -

Wolverines' Win Pleases Coach Topliff

Winning is great but winning the last home game of the season on "Parents Night" is even better. That is the happy frame of mind that Coach Paul Topliff and his Wolverines were in following their 30-26 victory over Tatum Friday night in Wolverine Stadium.

"We were really glad of the win," Topliff said. "I was proud of our 100 percent Parents Night turnout."

The Wolverine mentor called last Friday's tilt the best game of the season. "We had a few too many penalties but I felt we earned them because we were being aggressive. A lot of the penalties occurred during the last part of the game when we were keyed up and our aggressiveness was really showing then," Topliff added.

"Parents Night helped us to win. We were mentally and physically ready for the game," added the coach.

"They wanted to show their families that they could play good football," Topliff commented that his team members played so hard they became physically tired.

The Texico gridmaster also said that moving the 13 freshmen to the varsity helped the overall morale of the players. "It was just a good night all the way around for us," he added.

Topliff had words of praise for several of his players. Terry Rolan was the most improved player, according to the coach. He played well both defensively and offensively.

Doug Scioli played a "good game." He was more mature and pursued the ball better, the coach pointed out, adding that he was responsible for 10 tackles.

Offensive players drawing praise were Duwain Hill who made 125 yards in 24 carries and Steve Askew and Joey

West. It was the first game for West since he was sidelined with a bruised kidney several weeks ago.

Texico will travel to Dexter tonight (Friday) for the final game of the season. Dexter has lost the last two games, but Topliff said they are still a force to be reckoned with.

"We will be outweighed by both lines again," he said, "and we must maintain our momentum if we are to win."

"Winning breeds confidence," the Green and White mentor stated. "It takes from a program to lose several games in a row." Topliff said they would like to beat Dexter and end their season on a positive note.

The Wolverines are 3-5 for the season and 1-3 in 4-AA conference play.

Jr. High Wolverines Down Tatum

by Mike Williams

Texico Junior High Wolverines downed the Tatum Junior High 40-8, Thursday night at Tatum.

Texico scored first on a 53-yard run by David Cavallero. Barry Goode ran the PAT.

Goode hit the end zone for another score, but the conversion attempt failed. At the end of the first quarter, Texico had a 14-0 lead.

In the second quarter, Herbert Bibbs scored on a left end sweep, running 45 yards. The conversion try again failed, and at the half Texico led 22-0.

In the third quarter, Texico's Goode scored again, but the extra point effort failed.

Tatum got a drive going, but was stopped on a fumble that was recovered by the Wolverines.

Tatum scored in the fourth quarter on a halfback pass from Rene Zorate to Wesley Jones. The conversion was a pass from Ronnie Richards to Steve Frazier, giving the hosts their last points in the game.

The Wolverines came back with another score by Goode from 34 yards out. The PAT run by Goode was good for two more points.

Texico scored again on an interception by Neal Haile who ran 40 yards untouched for the touchdown, but the conversion failed again. The game ended 40-8.

agri-facts

By John Ricci

In order to make one thing perfectly clear, the American Farmer is not the cause of inflation. . . . in fact he is probably the number one in inflation fighter in the country. Producers of agricultural products are now competing in basically a free market . . . they are producing as much as possible and more efficiently than anyone in the world . . . now or ever. Food prices, of course, have gone up during the past two years, but the fact is that 80 percent of the increases came after the farmer sold the food. Major increases came in the costs of labor, transportation, packing and retail marketing. Overall crop prices were down last year . . . a fact reflected in the 11 percent unit value drop in farm exports. Production meanwhile was up. As long as it stays up farmers will be doing more than their share to keep inflation down.

A WHITE 4-Wheel-Drive FIELD BOSS™ Gives You What You Asked For... Caterpillar® V 8 Power, for example.

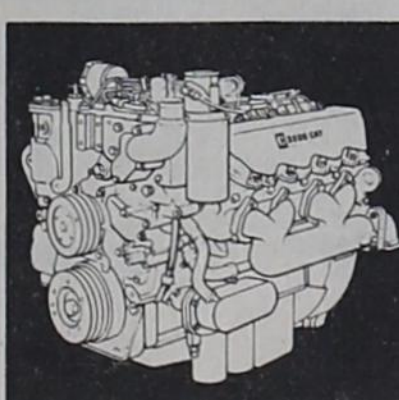

"What do you look for in a 4-wheel-drive tractor?" "What features?" "What type of engine?"

White asked big-acreage farmers like you these questions before designing the 4-180 Field Boss. In an engine, for example, you asked for performance, reliability, and easy servicing...for Caterpillar diesel power. And that's exactly what this Field Boss offers—a 636 cu. in. Cat® 3208 V8 that delivers 210 hp (182 pto hp).*

The engine is designed for low friction, superior fuel economy and minimal maintenance. It has an adjustment-free fuel system...a hefty 22% torque rise for plenty of go-power in the tough spots.

See us about the Cat-powered 4-180 Field Boss.

Meet Your Teachers

Mrs. James L. (Lillahmae) Green of Clovis is the new math teacher at Farwell Junior High. Mrs. Green has been a member of the teaching profession for several years, having taught for 10 years in Texas schools and for five in the Colorado school system. The new faculty member also served as a full-time substitute for seven years. She earned her bachelors degree from Hardin-Simmons University in Abilene and has 24 quarter hours in advanced math from Adams State University in Alamosa, Colo. At one time or another Mrs. Green says she has taught grades kindergarten through eighth. "I love working with children," the new teacher states. "I especially like teaching in Farwell because the school system is trying to get back to the basics in the mathematics program," she added.

Convalescent Center Chit Chat

Farwell Convalescent Center residents wish Mrs. Maude Gooden, who is confined to Clovis hospital, a "happy day."

Bobby Hicks recently visited with several of his relatives in Bovina. They included his parents, Mr. and Mrs. L. D. Knight; his sister and husband, Mr. and Mrs. Pete Mason; and his children, Bobby Don, Debra Kay, and Darla De Lois.

Rev. Moody Smith, pastor of the Oklahoma Lane Baptist Church, conducted services Sunday afternoon. Rev. Moody's son Mike played the piano. About 20 residents attended, reports Mrs. Floe Copeland, activities director.

Center residents and staffers are keeping Thomas Millsap and James Meredith in their thoughts. The two men presently are in the Veterans Administration Hospital in Amarillo.

Joye Meyers, director of nurses, says that Mr. G. P. Meissner, who died last week, will be greatly missed by everyone at the Center. She says he often ate breakfast with them and will always be remembered as a "very nice man."

Jean Tarr of Farwell has played the piano during the dinner hour on the last two Mondays.

Charlie Phillips of Amarillo and Carthon Phillips of Austin visited the residents last week.

Visiting Mrs. Nora Edens last week were her son and family, Mr. and Mrs. Bill Edens and Howard of Matador.

Bertha Johnston celebrated her 84th birthday Monday with "py Birthday" to her.

Mrs. Mary Spurlin recently celebrated her 83rd birthday. Everyone enjoyed cake, ice cream and punch.

The Martin Kubes have donated more fish for the aquarium.

Maude Wilson won the "blackout" Bingo game Thursday, Oct. 21. Others winning one game each were Bobby Hicks, Nora Edens and Ruth Myers. Mrs. Copeland thanks Jean Brown and Mrs. Dora Verner for helping her.

Sally Whitesides' Cub Scout Troop 213, Den 2, made Halloween table centerpieces for the residents.

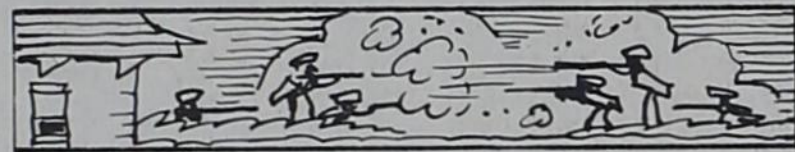

Visiting Elsie Elliott last week were her daughter and family, Mr. and Mrs. Jason Gordon of Plainview.

Visiting Mrs. Mary Spurlin was her grandson, Gene Crow, from Memphis, Tex.

Several donations have been made to the Center's "love fund" in the memory of Vic Venable and G. P. Meissner, both deceased. The funds will be used to purchase the "needs of the residents" says Mrs. Copeland.

Everyone will celebrate Halloween Saturday night. "Trick or treaters" may call at the Center from 6 to 7 p.m. says Mrs. Dora Nittler, administrator. That night is also "family night" for the residents.

Albert Kube's visitors included his brother Ben of Muleshoe; three sisters-in-law, Mrs. Millie Stovall of Cedar Hill, Tex., Mrs. Esther Kelm of Malone, Tex., and Mrs. Alma Moss of Seguin, Tex. They all enjoyed Sunday dinner in the home of Kube's son and family, the Martin Kubes of Farwell.

The Battle of Bunker Hill was actually fought on nearby Breed's Hill, and lost by the Revolutionaries.

Unique Gift Shop To Open Saturday

A new gift shop will open in Texico this Saturday, Oct. 30, according to Teresa Curry, owner of the new business. To be called Teresa's Mercantile, the shop will feature gift items in all price ranges. The unique gift shop is located at 520 Wheeler.

Among items to be offered in the Twin Cities' newest business are original tree trunk furniture, Indian sand paintings, authentic Indian jewelry, greeting cards, hand-made quilts, western decoupage pictures, rock babies and hand crocheted items.

Sour dough starter, along with cookbooks on sour dough

cookery, a large selection of copper ware, macrame items, and a complete line of Mrs. Pior's condiments (from apple preserves to hot sauce) are included in the store's offerings.

The business will be open from 9 a.m. to 6 p.m. Mountain Time, Monday through Saturday, says Mrs. Curry, who will be assisted in operating the store by her mother, Mrs. Oneta Luce.

Mrs. Curry invites everyone to come in and browse through the gift shop and start planning for their Christmas shopping.

Portraying Area Homemakers

Mrs. Harvey (Lorena) Whittenburg, our area homemaker for this week, is a newcomer to the Oklahoma Lane Community.

She and her husband, Rev. Whittenburg, moved to Oklahoma Lane last May when he assumed the pastorage of the Oklahoma Lane United Methodist Church.

"We lived in Hartley for five years and I wasn't sure how I would like this area of Texas," Mrs. Whittenburg said. "But after living here for a little while, I felt at home. It was like living on the farm again," she added.

Our homemaker grew up on a farm and she and her first husband, Cecil Cox, owned a farm in Bula. Cox died in 1962.

Lorena met Rev. Whittenburg in Bula, where he had his first assignment as a minister. He has been a Methodist minister for 12 years. Prior to becoming a minister Whittenburg was a farmer. The Whittenburgs have been married for eight years.

"I backed out of the engagement three times because I was afraid I would not be a good minister's wife," Lorena said. "Finally I just decided to be myself and not worry about it so much. I try to do the best I can and hope I am successful," she said.

The newcomers each have children from their previous marriages. Lorena has two sons and two daughters and Whittenburg has seven living children. One of his sons was killed in a plane crash a year ago.

The Whittenburgs agree that they love the people in this area. "Everyone has been just great to us," they say. "It has made our settling here so much easier," they added.

Mrs. Whittenburg likes to sew and do crewel work. She has made several crewel pillows which she displays on her divan. Our homemaker also likes to can and cook.

"With vegetables so plentiful here I have canned and put more food in the freezer than I have for some time," she explained.

The new resident has canned peas, beans, pickled okra, tomatoes, and pears. She has put okra and stuffed peppers in the freezer.

Mrs. Whittenburg also likes to prepare pear, peach and apple pies and freeze them. She partially bakes the pies and wraps them in waxed paper and tin foil before freezing.

Our homemaker likes to cook. She explained that while living in Lamesa she worked at the hospital where she fixed dietetic meals. "I just love to cook and prepare food," she said.

Lorena plans a two-week trip to Dallas soon where she will baby sit for her grandchildren. She is looking forward to the "chore" as it will also give her an opportunity to visit her newlywed daughter who lives nearby.

Mrs. Whittenburg has chosen four recipes she has consented to share with our readers this week.

Crafts Show Scheduled

Farwell High School's library committee plans to sponsor an arts and crafts show December 12 and 13 in the high school library.

Anyone interested in displaying their handcraft items at the show should contact librarian Ann Corn.

Base cabinets with pullout shelves make more storage space easily accessible.

CHOCOLATE CREAM CHEESE CAKE

Two 3-oz. pkgs. cream cheese, softened
1/2 c. butter or margarine, softened
1 t. vanilla
6 1/2 c. (1 1/2 lb.) sifted powdered sugar
1/2 c. milk (room temperature)
4 squares (4 oz.) unsweetened chocolate, melted and cooled
4 T. butter or oleo, softened
3 eggs
2 1/4 c. all purpose flour
1 t. baking powder
1 t. baking soda
1 t. salt
1 1/4 c. milk

Cream together cheese, 1/2 c. butter or oleo, and vanilla. Alternately beat in sugar and 1/2 c. milk. Blend in chocolate. Remove 2 c. for frosting. Cover and refrigerate.

Cream together remaining chocolate mixture, butter, and eggs. Beat well. Stir together dry ingredients. Beat into creamed mixture alternately with the remaining milk. Turn into two greased and floured 9 x 1 1/2 inch cake pans. Bake in 350 degree oven for 30 minutes. Cool in pans 10 minutes. Remove, cool on racks.

Remove frosting from refrigerator 15 minutes before frosting the cake. Milk may have to be added to make the frosting thin enough to spread.

TEXAS CREAM PIE

Mix 1 pint whole milk with 1/2 c. sugar, add 1/4 c. butter. Bring to boil. While mixture is heating, mix:
1/2 c. sugar
1/4 c. flour
3 whole eggs
Pinch salt
1 t. vanilla

Stir into hot mixture and cook until thick. Whip 1 pint of whipping cream (or other topping) until double thick. Fold half of cream into cooled pie filling. Pour into baked crust. Sweeten remaining whipped cream with 1/2 c. sugar. Add 1 t. vanilla. Spread over top. Add 1/2 c. chopped nuts if you desire. Keep in refrigerator until ready to use. Coconut may be added to the filling and the topping if desired.

PUMPKIN PIE

3 eggs, slightly beaten
1 c. sugar
1/2 c. brown sugar
1 t. flour
1 t. cinnamon
1/2 t. salt
1/4 t. nutmeg
1/4 t. allspice
2 1/2 c. pumpkin
1 (13 oz.) can evaporated milk

Combine eggs, sugar, flour, cinnamon, salt, nutmeg, and allspice. Blend in pumpkin. Add milk and mix well. Bake at 450 degrees for 10 minutes then at 350 degrees for 40 minutes. This will make two pies.

COCONUT POUND CAKE

2 sticks butter or oleo
1/2 c. vegetable shortening
3 c. sugar
6 eggs
1/2 t. almond extract
1 t. coconut flavoring
3 c. all purpose flour
1 c. milk
1 can flaked coconut

Cream butter, shortening and sugar until light and fluffy. Add eggs one at a time, beating after each addition. Add flavoring and mix well. Alternately add flour and milk, beating after each addition. Stir in coconut. Spoon batter into 10-inch greased tube or bundt pan. Bake at 350 degrees for 1 hour and 15 minutes.

Loves To Cook

Mrs. Harvey (Lorena) Whittenburg of Oklahoma Lane, area homemaker this week, loves to cook. She also admits to being a "hoarder of recipes." When we moved here from Hartley, I threw away a shoe box full of recipes thinking I would not need them. Naturally since then I think about those recipes and wish I had kept them," she said. Lorena enjoys meeting people and loves being a minister's wife. Her husband is the pastor of the Oklahoma Lane United Methodist Church. They moved to the community in May.

Local Residents Attend Conference

Attending a meeting of the Board of Commissioners of Methodist Home for Children located at Waco, this week are Hamlin Overstreet and Rev. and Mrs. W. T. Perry of Farwell. Overstreet and Rev. Perry are members of the Board. This is an annual meeting, held the last week of October each year.

Methodist Home, a child-care institution, is supported by the several annual conferences of the United Methodist Church in Texas and New Mexico. Overstreet and Rev. Perry, both from Hamlin

Memorial Church, represent the Carlsbad District of the New Mexico Annual Conference on the Board.

The meeting began on Tuesday of this week and concluded on Wednesday. Activities of the meeting included reports on development of the Home and plans for continued support. On Tuesday evening, the Perrys and Overstreet were dinner guests in one of the children's home units on the campus. The home also has a Boys Ranch, located eight miles east of Waco.

Mrs. Mora Garner of Farwell recently returned from a three-week stay in Albuquerque where she visited her granddaughter and family, Mr. and Mrs. Ron Howerter, Chris and Amy.

Weekend visitors in the home of Mr. and Mrs. Truitt Hardage of Farwell included their two sons, PFC and Mrs. Kevin Cooper and Jesse of Ft.

Bliss at El Paso and Pvt. Dean Cooper of Ft. Sill, Okla.

Visiting last week with the Jerry Dee Owen family of Farwell were her parents, Mr. and Mrs. Mem Sprowls of Irving and Mrs. Sprowls' sister, Mrs. Jack Blackham of El Paso. They also visited Mrs. Sprowls' brother and wife, Mr. and Mrs. Floyd Trantham of Clovis.

Variety Club Plans Dinner

Oklahoma Lane Variety Club has planned its annual Thanksgiving Dinner for Wednesday, Nov. 17, at the home of Mrs. Carrie Christian in Farwell. Each member is to bring a covered dish.

The club met recently in the home of Cora McGuire and Garner Brisco. Members spent the afternoon cutting material blocks to be used in making lap spreads for the Farwell Convalescent Center.

Members attending were Dexter Watkins, Carrie Christian, Gertrude Foster and Dora Verner, all of Farwell.

Pearl Grissom and Lola Jean of Bovina and Janie Sides of Hereford. Mr. Sides and Mr. Grissom visited with the group later.

The hostesses served refreshments of ham sandwiches, angel food cake, peaches and whipped topping.

'Mom' Spurlin Celebrates 83rd Birthday At Center

Surrounded by numerous relatives and friends Mrs. Mary "Mom" Spurlin of Farwell recently celebrated her 83rd birthday with a party at Farwell Convalescent Center.

About 50 people were served banana nut cake, punch and ice cream. Hostesses included Ruby Meeks of Farwell and Violet Crow of Clovis and Mrs. Walter Hardage of Lubbock, both daughters of Mrs. Spurlin.

During the occasion "the birthday girl" gave a short talk thanking all her many friends and relatives for sharing the wonderful moment with her.

Among the many gifts Mrs.

Spurlin received were a shawl, sweater, lap robe, bath powder, and dress.

Out-of-town guests included two sons, Mr. and Mrs. Sonny Spurlin and Steve of Amarillo and James Spurlin of Olton; two daughters, Mr. and Mrs. Walter Hardage of Lubbock and Mrs. Vi Crow of Clovis; a granddaughter, Vickie Boulin and a great-granddaughter, Sandra Boulin, both of Clovis; and Mr. and Mrs. Vernon Ward of Bovina.

Earlier this week Mrs. Spurlin received a sweater and a birthday call from her daughter Joann Breunier of Houston.

ESA Discusses Plans For District Meeting

Theta Rho Chapter of Epsilon Sigma Alpha Sorority met Monday in the home of Lillie Christian.

Members heard plans for the District II ESA meeting to be held November 14 at the Elks Lodge in Clovis.

Final plans were made for the sorority's fund raising campaign.

Plans were also finalized for the Speech, Hearing and Language Clinic to be held from 10 a.m. until noon on Saturday, Nov. 6. The clinic, to be held at the First Baptist Church in Farwell, is sponsored by the ESA in cooperation with the Panhandle Regional Speech and Hearing Association. Free speech and hearing examinations will be given for children who are

three to six years of age.

Following the business meeting, Frances Kube, local beauty operator, presented a program entitled "What is PH?" She pointed out the detrimental effects of hair and skin care products which have a high alkaline content.

Refreshments of cherry pie, coffee, and soft drinks were served.

Members attending were Doris Ford, Dot Christian, Robin Gregory, Diane Actkinson, Maxine Williams, Margaret Aycock, LaMoin Williams, Jeannie Norris, Nell Walling, Betty Jean Castleberry, Ann Liethen, Dardanella Helton, Judy Jones, Barbie Clayton, Rosa Roberts and Lillie Christian, hostess.

Girl Born To Ron Howerter

Mr. and Mrs. Ron Howerter of Albuquerque are the proud parents of a baby girl named Amy Leslie born October 17 at Kirtland Air Force Base Hospital in Albuquerque.

The newest member of the Howerter family weighed eight pounds, four and one-half ounces and was 20 inches long at birth.

She has one brother, Chris who is three years old.

Maternal grandparents are Mr. and Mrs. Delbert Garner of Aspen, Colo., formerly of Farwell. Mr. and Mrs. Harold Howerter of Spearman are the paternal grandparents.

Mrs. Mora Garner of Farwell is the maternal great-grandmother.

R. Hapkes Parents Of First Child

Mr. and Mrs. Richard Hapke of Albuquerque are parents of their first child, a boy named Richard Brake, born October 22 at an Albuquerque hospital. The new son weighed four pounds, 12 1/2 ounces.

Paternal grandfather is Alfred E. Hapke of Texico and maternal grandmother is Mrs. Floy Brake of Andrews, Tex.

Halloween Preparations

Farwell Convalescent Center has been busy this week preparing for Halloween. Resident Bobby Hicks provided the "audience" as Center staffers Judy Hamlett, center, and Clara Cardoza carved and decorated the pumpkin. The friendly-faced jack-o-lantern will be part of the "goblin day" spirit which pervades the Center Saturday night when they will welcome "trick or treaters" between the hours of 6 and 7 p.m. That night has also been declared "family night."

Brownies Have Halloween Party

Farwell Brownie Troop 143 celebrated a combination Halloween and birthday party Tuesday afternoon at the Methodist Church in Farwell.

The festivities celebrated "goblin day" and the birthday of Juliette Lowe, founder of the Girl Scout organization in America. Mrs. Lowe was born on October 31, the traditional Halloween day in America.

The cake, decorated with

candles, pumpkins, and black cats, was baked by Mrs. Lynn Burton. Other refreshments included a "witches' brew."

Halloween games included apple bobbing and putting a witch together while blindfolded.

The 27 Brownies were all dressed in Halloween costumes. Each girl received a carnal apple for "being the best dressed."

4-Hers Shown Arts & Crafts

Several members of Farwell Senior 4-H Club have been participating in art and craft project group sessions for the past few weeks. Mrs. Mary Helen Gohlke and Jana Pronger, county home demonstration agent, have been assisting in the projects.

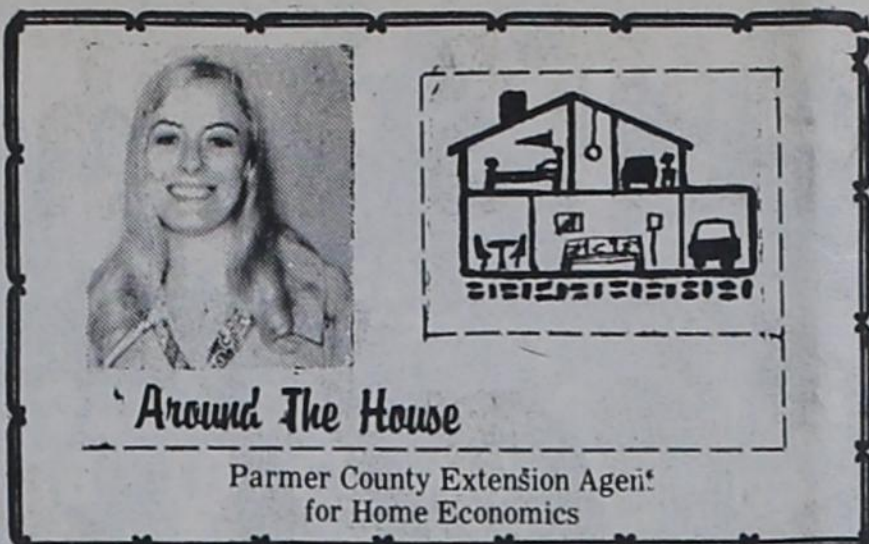

Mrs. Hubert Schueler of Rhea gave a demonstration on decoupage at one meeting and a representative from a crafts company at Lubbock showed the group methods of copper

tooling.

Mrs. Gohlke and Miss Pronger presented a demonstration on "Mixer Macrame", using an electric mixer to mix the yarn before making it into hanging holders.

At one session Linda Gohlke showed members how to make pom-pom animals from yarn.

Members of this project group are Ruth Ann Whitesides, Lisa Darby, Alecia Cantu, Linda Gohlke and Yolanda Martin.

Around The House

Parmer County Extension Agent for Home Economics

Home demonstration clubs have the largest membership of any other women's club in the world.

What do these women have in common that interests young and old, rural and urban, and highly educated to average educational level women all over the world?

The Homemakers Creed gives an insight. "We believe in the present and its opportunities, in the future and its promises...improving, enlarging and endearing the greatest institution in the world—the Home."

Over 29,000 women belong to the Texas Home Demonstration Clubs and EHE Study Groups. They are interested in their home, their family, their community and their country—also in self growth. Each home demonstration club meeting offers its members an opportunity to receive an educational program that is planned around the family, home, community, or county need request.

Education is an important part of the organization, but there are many other opportunities offered besides education and the immeasurable social aspect. It is also hard to measure self-growth. Leadership growth and self-confidence often happen without realizing when or where it was happening.

Because of the desire to satisfy the needs and interests of all members, home demonstration clubs and family living committees in each county sponsor many varied programs, where all women have an opportunity to enjoy and improve themselves.

Home Demonstration Clubs and EHE Study Groups have open membership. Anyone interested in joining an active club or organizing a new club of eight to ten persons should contact the County Extension Agent who will see that individual interests are met. The office number in Farwell is 481-3619.

Parmer County currently has 3 clubs; one in the Rhea community, one in the Okla-

homa Lane community, and a new club is forming in Farwell. These clubs all welcome new members, or I will be glad to work with anyone on forming new clubs in other communities.

30-30

.....

Salvaging last year's wardrobe can be "crisis time." When zippers don't zip and buttons don't button, it is time to examine why those extra calories turned to waistline instead of energy. Ask yourself these questions:

- Why didn't I balance my calorie intake with my energy output?

- Did I snack while I watched the children swim?

- Was I the last one at the party to quit munching the snacks?

- Did I eat that last piece of pie instead of freezing it for another day?

- Why did I cook all those scrumptious desserts during the summer while the kids were home from school? Why didn't I have fresh fruit or low-calorie desserts for some meals?

- Breakfast is easy to fix—why did I skip it, then overeat the rest of the day?

- Did I jump in the car and ride places to which I could have walked just as easily?

- Why did I take that extra drink that was loaded with calories?

Answers to these questions give clues to why high-calorie foods are stored in the form of body fat.

Plan meals and snacks around the basic four groups of foods. Foods eaten in recommended amounts will furnish about 1,200 calories daily.

Check with the doctor to determine how many pounds to lose. Determine the number of calories needed daily. Then control the amount of foods eaten to assure calorie control. These recommendations are the basis of sound weight control.

Let Us Handle Your Fertilizer Seed Requirements

Jerry Davis
Steve Birchfield
James Chadwick

We have a well rounded fertilizer program for YOUR individual needs! We carry several varieties of liquid fertilizer such as 10-3 4-0 or 32-0-0 and will blend a formula to YOUR requirements. We also carry Anhydrous Ammonia.

Get the full benefit of your fertilizer. You can get a more even growth and better yield by using liquid fertilizers. We can give you a better application in less time with our BIG A applicator.

GEORGE WARNER SEED

In keeping with their progressive attitude and dedication to providing their customers with the best seed possible

ANNOUNCES

Greenbug tolerance has been incorporated into all these sturdy hybrids:

W-869T counterpart of W-869 W-839T counterpart of W-839
Dbl. Yel. 5T counterpart of Dbl. Yel. 5 W-561T counterpart of W-561

Similar in appearance to their standard counterparts, these tolerant hybrids have the ability to produce excellent yields under heavy infestation of greenbugs... These hybrids will "ring in" the profits every time.

ARE YOU BOOKING EARLY? We have a variety of Corn, Maize and other seeds. Our Warner and DeKalb seeds have proven to be excellent producers in this area.

REMEMBER OUR CASH DISCOUNT FOR BOOKING EARLY!

We have a good supply, but you'd BETTER BOOK NOW!

Hwy 70-84 East - Farwell - Phone 481-9374

Can we afford four more years without effective leadership?

There is a critical decision to be made on November 2nd. It goes far beyond the question of which Presidential candidate can govern with integrity and honesty. We must determine which candidate has the ability and strength to lead our country out of economic chaos, and the vision to see that all Americans—not just the powerful and influential—have a better future.

During the past two years, the middle class has paid far too dear a price for a President lacking that ability.

Since Gerald Ford took office, the unemployment rate has risen 50%, from 5.5% or 5 million people, to 7.9% or 7-1/2 million jobless Americans.

Today's inflation rate of 6% is higher than it was at any time between the

Korean War and the inauguration of Richard Nixon.

The 1968 food dollar is now worth 57¢.

Mr. Ford's budget will account for the largest single deficit and more than 1/3 of the public debt incurred during our entire 200-year history.

Real GNP has actually declined during each of Gerald Ford's two years in office.

And who is most affected by these distressing statistics? Not the Washington establishment, or the economic elite courted by the Republicans. The burden falls on the person who can least afford it: the average American.

Jimmy Carter means to change all that. As President, he will make government responsive to your needs.

Tax Reform: "The average family in this country actually pays a higher proportion of their income in taxes than the average family that makes more than a million dollars a year. That's disgraceful. We need to move toward a truly progressive and simplified tax system, with reduced tax rates for the average American."

Economy: "We'll never have a balanced budget nor an end to the inflationary problems as long as we have 7-1/2 million people out of work. Employment needs to be the major thrust of the whole domestic policy of our government."

Efficiency in Government: "We now have in the

federal government the most bloated, confused, wasteful bureaucracy ever created. There's no way to get an answer out of Washington and no way to understand what's going on there. We need to reorganize completely the executive branch of government, making it fair, efficient, effective, and responsive to our people's needs."

Housing: "No government that cared about our neighborhoods would stack the tax deck against them. A landlord can let a building run down and make a good living on tax breaks. But when a home owner spends a little hard-earned money fixing up his home, the assessor raises his taxes. And the FHA no longer

cares about families getting started in their own homes. I intend to restore the FHA to the time when, for a down payment, a family could get a mortgage which the government would insure."

Health Care: "We need a nationwide health care delivery system which will make adequate health care a right for all people."

Jimmy Carter has the strength to take charge of our government. If you are tired of paying the high price of Republican ineffectiveness, you have only one choice on November 2nd, and that choice is for change.

Printed and authorized by 11711 Democratic Presidential Campaign Committee, Inc.

Vote for JIMMY CARTER. A leader, for a change.

Texico Varsity Volleyball

Eleven girls make up the Texico High School varsity volleyball team. Team members are, left to right, bottom row: Deanne Day, Charlene Whitener, Rosie Steward, Christi Harrington and Karen Hadley; second row: Susan Snodgrass, Mary Lou Roberts and Kim Harrington; third row: Debra Coffey, Jana Jesko and Coach Kathy Culshaw; top of the pyramid: Carol Dane. (Texico School photo)

Cheerleaders and Wolverines

Texico cheerleaders have applied their skills and energies in supporting the Wolverine football squad with spirited yells, flashy routines and lively pep rallies. The Green and White cheerleaders and football players are, from left to right, bottom row: Liz Cavallero, Larry Rolan, Joe West, John Burgett, Robert Lacy, Mark Howard, Terry Rolan, Keith Hadley, Lyndon Donahey, Duwain Hill, Doug Scioli and Lori Miller; second row: Kelly Dobbs, Stevie Askew, Jimmy Reid,

Gary Berggren, Eloy Ortiz, Johnny Maben, Jackie Reid, Jeff Christian, Tim Askew, Homer Ashley, Marie Steward, and Tracy Dobbs; third row: Jana Jesko, Debra Coffey, Eladio Loera, Brian Brumfield, Howard Horne, Dusty Casey, Steve Turner, Levi Dorris, Chris Eshleman, Raynette Shankles, Sonya Thigpen; fourth row: Leslie Elliott, Jill Jesko, Teresa Turner, Jerry Bradley, Mike Williams, Pam Southard, Lisa Crooks, Rhonda Tharp; top row: Assistant Coach Roy King, Wally Wolverine, and Head Coach Paul Topliff.

Meeting Goals
 "During 16 months of recovery from the worst recession in 40 years, some 3 million 800 thousand Americans have found new jobs or recovered their old ones. A record number of Americans are now on the job, but during the next decade we need to add another 15 million jobs to our economy. Between now and the turn of the century, our country must grow, mine, transport, build, manufacture and distribute as much in material goods as has been done in all previous American history. . . . The resolution to our problems—the promise of our future—lies not in more and bigger government but in greater development of free enterprise."
 —Thomas S. Kleppe
 Secretary of the Interior

SWCD News

Most farmers in Parmer County are very busy at this time harvesting corn. When the corn is all harvested and in storage maybe they will have time to hunt pheasants, provided most residues are left unburned.
 Yes, the hunting season will be upon us. Everyone planning to hunt should take precautions for safety. First one should know the rules and regulations of hunting different game. One should have respect for other people's property.

The hunting of pheasants in Parmer County will be quite popular this year. While hunting do take precautions not to injure other persons or livestock.
 There are many conservation practices that farmers can install to provide good surroundings for pheasants. One practice available is planting of wildlife packets. These are available from the Soil and Water Conservation District, or the Soil Conservation Service in Friona.

Texico Volleyballers 3rd In District 2A

by Teresa Turner
 Texico varsity volleyball girls traveled to Dexter for the District Tournament last Saturday, placing third in District 2A by beating out Eunice.
 In the first game Texico met Dexter winning 15-10, but lost the next two games 1-15 and 8-15. Jana Jesko led this match with 10 good serves. Deanne Day had six good serves; Christi Harrington, four; Debra Coffey, two; and Mary Lou Roberts, one. Altogether, Texico had 298 bumps with 25 bad ones and 48 spikes with 15 bad ones.
 Texico shut out Eunice, winning the games 15-4 and 15-12. Lead scorers for these two games were Kim Harrington, eight; Deanne Day, five; and Christi Harrington, Karen Hadley, and Jana Jesko each with four points.
 Coach Kathy Culshaw said, "There were eight players chosen for the All-District team; two were from Texico, Jana Jesko and Christi Harrington. I was extremely pleased for these two young ladies because they have worked consistently hard all season, and, best of all, both will be returning next year."

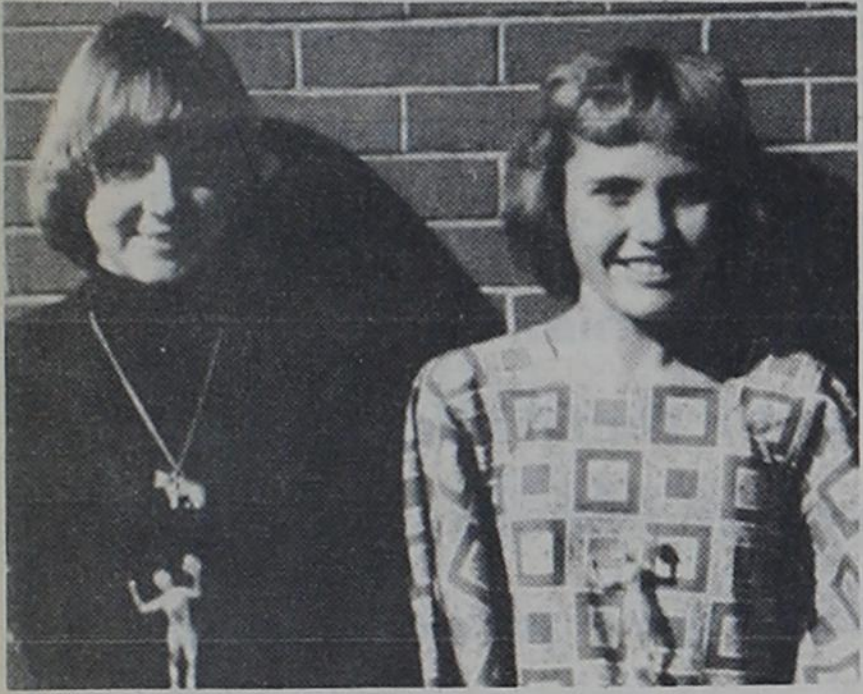

In southern China, as in Burma and Siam, rice is the central food, and all else—soup, meat, fish, vegetables and condiments—are "garnish."

Named All-District
 Christi Harrington, left, and Jana Jesko, junior and sophomore, respectively, at Texico High School, were named to the All-District Volleyball Team after action in the District 2A tournament played last weekend in Dexter. Texico won third place in the district by defeating Eunice 15-4 and 15-12. Texico Volleyball Coach Kathy Culshaw commented that these two girls had played consistently throughout the season and were deserving of the honor. (Texico School Photo)

Receives Red Rose - -
 Mrs. George Hill, mother of Texico football player Dwain Hill, receives a red rose from Debra Coffey, cheerleader, during halftime ceremonies at the Texico-Tatum game Friday night at Texico. All mothers of football and volleyball players received a rose or carnation during the ceremonies to honor players' parents. Looking on during the presentation are Raymond Hadley and Mrs. Hadley who is partially hidden from the camera. (Texico School Photo)

PFC Cooper Receives Award
 PFC Kevin W. Cooper was selected as September Soldier of the Month for the Second Squadron, 3rd Armored Cavalry Regiment at Ft. Bliss, El Paso.
 PFC Cooper was judged by a board consisting of the Squadron Sergeant Major and four First Sergeants. He was judged on basic military knowledge and appearance in a Class A uniform and won the honor over four other candidates. He failed by only one point in his bid for Soldier of the Quarter for the Second Squadron.
 Later PFC Cooper was selected as Colonel's Orderly. For this award, he visited with the Regimental Commander, and Mrs. Cooper received a letter complimenting her husband from the Colonel. The letter, in part, said, "This is accorded the soldier exhibiting the highest standards of personal appearance and professional knowledge and accomplishment."

TWO MINUTES WITH THE BIBLE
BY CORNELIUS R. STAM, PRES.
BEREAN BIBLE SOCIETY
CHICAGO, ILLINOIS 60635

"FELLOWSHIP WITH GOD"

Man, by nature is afraid of God. When Adam first sinned he should have gone immediately to God to beg forgiveness and plead for mercy. Instead he did just what millions are doing today: he ran and hid from God so that God had to come and look for him, as it were, calling, "Adam, where art thou?" (Gen. 3:9).

Many people who consider themselves as good, morally, as those about them, or better, nevertheless, feel utterly out of place in a place of worship, where believers pray and praise God together. This is because in their hearts they know that they have "sinned and come short of the glory of God" (Rom. 3:23).

Such, however, may come to know, love and enjoy God through faith in Christ. He was Himself "God manifest in the flesh," come to earth in love to pay for our sins on Calvary's cross, so

that we might have "redemption through His blood, the forgiveness of sins according to the riches of His grace" (Eph. 1:7).

Concerning those who respond in grateful faith and trust in the crucified, risen, glorified Lord for salvation, the Apostle Paul says:

"Therefore, being justified by faith we have peace with God through our Lord Jesus Christ; by whom also we have access by faith in His grace wherein we stand, and rejoice in the hope of the glory of God" (Rom. 5:1-2).

Peace with God and the fellowship which naturally follows is the most precious treasure the human heart can contain. Yet our fellowship with Him here on earth is but the beginning. Read carefully Ephesians 5:25-27 and see how He took on Him human form, and died that He might have us for Himself forever.

Showdown on the river!

And it's high noon for our country too. We're right on the edge of a very important day, election day, November 2, 1976. Arm yourself well before you meet the challenges of the ballotbox. Listen carefully to all the candidates, weigh the facts. Decide. Be ready for the showdown.

Vote Tuesday, November 2, 1976.

Ray Fords Enjoy 'Whirlwind' Tour Of 7 European Countries

Ray and Jenoyce Ford of Farwell recently completed a whirlwind tour of seven European countries, including England, Netherlands, Belgium, Germany, Italy, Switzerland and France. They were the only Texas residents to take the tour arranged by a travel agency in Clovis.

The gala trip began July 29 with a plane takeoff from the Amarillo airport. A few hours

later they arrived in London via New York City.

The Farwell couple spent two days in London viewing Big Ben, Buckingham Palace, Westminster Abbey and Piccadilly Square. Mrs. Ford said they enjoyed the Abbey best of all.

From London the group journeyed to Amsterdam in the Netherlands where they boarded a chartered bus which

was to be their transportation for the remainder of the European excursion.

As the bus rolled along the Netherland highways the Fords "gaped" at the "fabulous countryside" and were awed by the beautiful tulips. According to the travelers from Farwell, the Dutch Lowlands were a "highlight" of their adventure.

At Brussels they were treated to sights of a fabulously-lighted square and in Cologne, Germany, they saw many gothic cathedrals, castles and vineyards. While in Germany the visitors stopped briefly at Rudesheim, a small German village, and Heidelberg, which was once a student's prison and now houses the world's oldest university. At Innsbruck they viewed the ski lift and other equipment which had been used by Olympic competitors.

The Fords passed two days in Venice, Italy, where they were amazed to see everyone navigating the water-filled streets in gondolas. Mrs. Ford remarked that they saw a funeral procession traveling in the boats. They also observed St. Mark's Square, the Bridge of Sighs and the Grand Canal.

From Venice the group traveled through the Tuscan Hills to Florence. Sights which greeted the wayfarers were Michelangelo's Cathedral and Giotto's Bell Tower. The Farwellites visited a leather school which is similar to the technical schools in the United States, according to Mrs. Ford. She was amazed that many of the leather products were inlaid with gold.

At Naples they viewed a cameo factory, which was another training center for young people. Mrs. Ford said the cameos were constructed from sea shells. They also toured a glass factory and witnessed how the glass is blown and how candlesticks are made. A highlight of the sojourn to Naples was seeing the Pompei Ruins, dating back to 79 A.D.

"The most beautiful place we visited was Sorrento, Italy," Mrs. Ford remarked. "The whole town is built on a cliff," she continued. From there they traveled by a 500-person capacity boat to the Island of Capri. The final phase of the journey to the island's Blue Grotto was made in motor boats capable of holding only 10 to 15 people. As the entrance to the grotto is only three feet high, the occupants of the boat had to lie down as the boat passed under it. Mrs. Ford said, "The water was the bluest color I have ever seen."

Rome was the next stop on the itinerary and a three-day

visit allowed the tourists to view the Colosseum, Roman Forum, Trevi Fountain, St. Peter's Sistine Chapel and the Borghese Gallery.

Mrs. Ford described Sienna as a city built "straight down." There they saw the leaning Tower of Pizza which is gradually sinking a few centimeters a year. She added that engineers have been trying to discover how to keep the tower from leaning any further.

She said that the acoustics of the Baptistry was the most unusual, explaining that a man stood on the ground floor and as he started to sing the echoes traveled to the top, sounding like a host of men were singing.

The travelers from Texas next pushed on to Nice and the Italian Riviera. Mrs. Ford described the beach as rocky and said it looked as if a "million" people were there.

A brief stop at Monaco gave the Farwellites the opportunity to see Prince Rainier and Grace Kelly's palace. Mrs. Ford laughingly stated that she "hit the jackpot" one night at the casino.

Switzerland was the next country the touring group visited. During the two-day halt in Geneva they saw the glaciers in the Alps, passed through a tunnel seven and one-half miles long, saw a giant floral clock that actually worked and viewed the highest fountain in the world. Flowers

were in abundance everywhere, according to Mrs. Ford.

At Geneva she purchased a ring watch which had the face enclosed in a metal container.

While in Paris, France, for the three-day stop, sights the tourists saw were the Eiffel Tower, Notre Dame Cathedral, and the Arc de Triomphe. A visit to the Louvre also added

to their appreciation of art, as they viewed many original paintings.

After sightseeing in Paris the group flew home. The Fords arrived in Farwell August 19.

According to the couple, the "pace was hectic" but they each agree that they would not have "missed the tour for anything."

Windmill In Holland

While touring several European countries during their August visit to Europe, the Ray Fords of Farwell were treated to scenes of windmills which dominated the Dutch Lowland countryside.

European Tourists

Ray and Jenoyce Ford of Farwell recently enjoyed a month-long tour of seven European countries. They are pictured overlooking Venice, Italy, one of their "favorite stops."

City Of Water

Venice, Italy, was one of many cities toured by Ray and Jenoyce Ford as they toured seven European countries during August. This scene of the Grand Canal is the Main Street in Venice. The Farwellites were "amazed" to see gondolas transporting everyone everywhere.

Farwell Jr. 4-H Conducts Meet

The Farwell Junior 4-H Club met October 19 in the junior high library, with Johanna Mesman presiding.

Doug Cole led the pledge of allegiance and Geretta Hutchins led the 4-H motto.

Liz Kube read minutes of the last meeting.

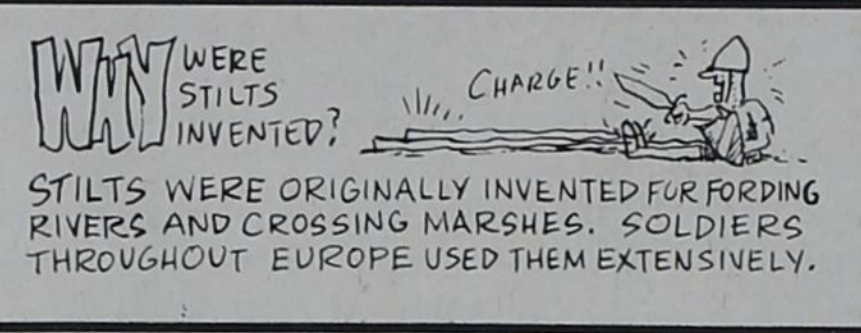

Bessie Howard presented a report on the Maize Days celebration in Friona. Other projects discussed included the 4-H banquet, the talks given during 4-H week, and the upcoming food show.

Members attending were Marcy Lovvorn, Rosa Rubio, Wanna Menning, Shayline

Jones, J'Don Kube, John McKillip, Norine Jones, Geretta Hutchins, Stephanie Morris, Jaquelyn Kube, Liz Kube, Johanna Mesman, Brent Green, Bernie Mesman, Bowie Howard and Darren Darby.

New members include Tod Lingnau, Michelle Autrey, Sandy Coleman, Suzahn Inman, Linn Beal, Gina Phipps, Doug Cole, Kevin Owen, and Dennis Dollar.

Leaders present were Jana Pronger, Parmer County Extension Agent, Mary Mesman, Mary McKillip, Gloria Hutchins, Rita Dollar, and Heidi Jones.

STILTS WERE ORIGINALLY INVENTED FOR FORDING RIVERS AND CROSSING MARSHES. SOLDIERS THROUGHOUT EUROPE USED THEM EXTENSIVELY.

FIRE CALLS

Both the Farwell and Texico volunteer fire departments responded to a combine fire October 22 at the Blackie Smith place north of Farwell.

The Farwell emergency vehicle transported a local resident to the Muleshoe hospital on October 24.

Texico's emergency vehicle responded to three calls this week. Saturday a local resident was taken to the Clovis hospital. Saturday night a woman who was involved in a car wreck near the stables west of Texico was transported to the Clovis hospital. Tuesday a Texico woman was taken to the Clovis hospital.

Jim Reese Believes

- 1 too many freeloaders have muscled in on welfare. We must decentralize welfare programs — get control of welfare out of Washington so that Congressmen can't buy their own re-election by giving away our tax money to those who won't work. We should help the needy, not the greedy!
- 2 national defense is our most important domestic program. In many areas now the Russians are ahead. If present trends continue, the United States will be subject to the threat of "nuclear blackmail". To be second in national defense is to be last!
- 3 all of us are drowning in a sea of government regulations and red tape. It's tough for a small businessman to survive the costs imposed by OSHA and all the other government agencies. We should repeal OSHA, eliminate the FEA, and place end-dates on all bureaus and agencies with the "sunset" provision.
- 4 the cornerstone of our "farm policy" should be to guarantee free access to world markets. Protection against natural disasters should be available, but agriculture should be allowed to operate without government interference. Washington bureaucrats couldn't run a fruit stand in West Texas if the highway patrol flagged down the traffic and gave them the watermelons.
- 5 the liberal Congress has done for the energy problem what Evel Knievel did for the space program. If we had strong free enterprise leadership in the House of Representatives, we could be solving the supply situation instead of distributing the shortage.
- 6 too many of our present laws seem to protect the criminals instead of the victims. I oppose the liberal suggestions of gun registration or confiscation. A better solution is to provide for mandatory prison sentences for anyone convicted of committing a crime while having a gun in his possession.
- 7 forced busing to achieve racial balance in schools is both a fraud and a failure. Parents and children of all races resent the dehumanizing influence of loading up the yellow buses in an attempt to pursue a social experiment which doesn't work. Congress should limit the power of the courts to impose forced busing. No judge or court should be telling us how to raise our children.
- 8 we must protect the future of those who have invested in social security and who now rely upon it for their livelihood. We should remove the earnings limitation so that an individual can continue to earn and be productive without fear of having his payments cut. Congress has treated the social security system like a political football for too long.
- 9 we should limit the terms of those serving in Washington . . . ten years for a Congressman, two 6-year terms for a Senator, and one 6-year term for the President. Then, perhaps those elected to these offices would think more about how their actions will affect the next generation rather than their own next election.
- 10 inflation slowly is crushing us all. The primary cause of inflation is deficit spending by the reckless Congress . . . but asking a professional politician serving in the Congress to balance the budget is like asking Typhoid Mary to stop the epidemic. Congress will not change — we must change the Congress!

Biography

Businessman — Senior Vice-President; Eppler, Guerin and Turner, Inc., Investment Bankers, Odessa, Texas.

CIVIC HONORS — "Outstanding Citizen of Odessa" award by the Chamber of Commerce. Liberty Bell Award Presented by Junior Bar Association. Selected for "Outstanding Young Men Of America." JCI Senator #4901-Life Member, Texas Jaycees.
