NUMBER 2

SIXTY-SEVENTH YEAR

20 CENTS

It looks to us like "that's the way the football bounces" will replace "that's the way the cookie crumbles" as an adage denoting tough luck. Last week's football contest was a disaster from the prognosticators' standpoint.

With 12 games to select, a score of four or five right was a good average for last week's entrants. Farwell was the only team in District 3-A that brought home the bacon. Texico lost a squeaker, West Texas got buried and the Cowboys played one of their all too frequent bush league games.

One thing that will be helping the game guessers is that the area teams are beginning to "shake down" and some idea of their abilities is now becoming apparent. We look for better times next week.

We read the other day that the West Coast area is suffering from a glut of crude oil. This was forecast several years ago by the oil industry but the federal energy moguls did nothing about the impending situation. They were too busy looking forward to gasoline rationing to plan for an excess of oil.

The Department of Energy has devised a national gasoline rationing program and is holding hearings across the country to get the people's ideas on their program.

A friend of ours, James Roberts from Andrews, Texas, testified in behalf of the newspaper industry in Texas. An interesting portion of James' testimony concerns the amount of oil under Andrews County. Roberts spoke thusly, "My name is James Roberts. I am publisher of the Andrews County News, Andrews, Texas. In addition, I am president of Roberts Publishing Company which owns majority interest in three daily newspapers and nine weekly or semi-weekly newspapers.

I am currently serving as vice-president of the Texas Press Association, a newspaper trade association representing 562 daily and weekly newspapers in this state.

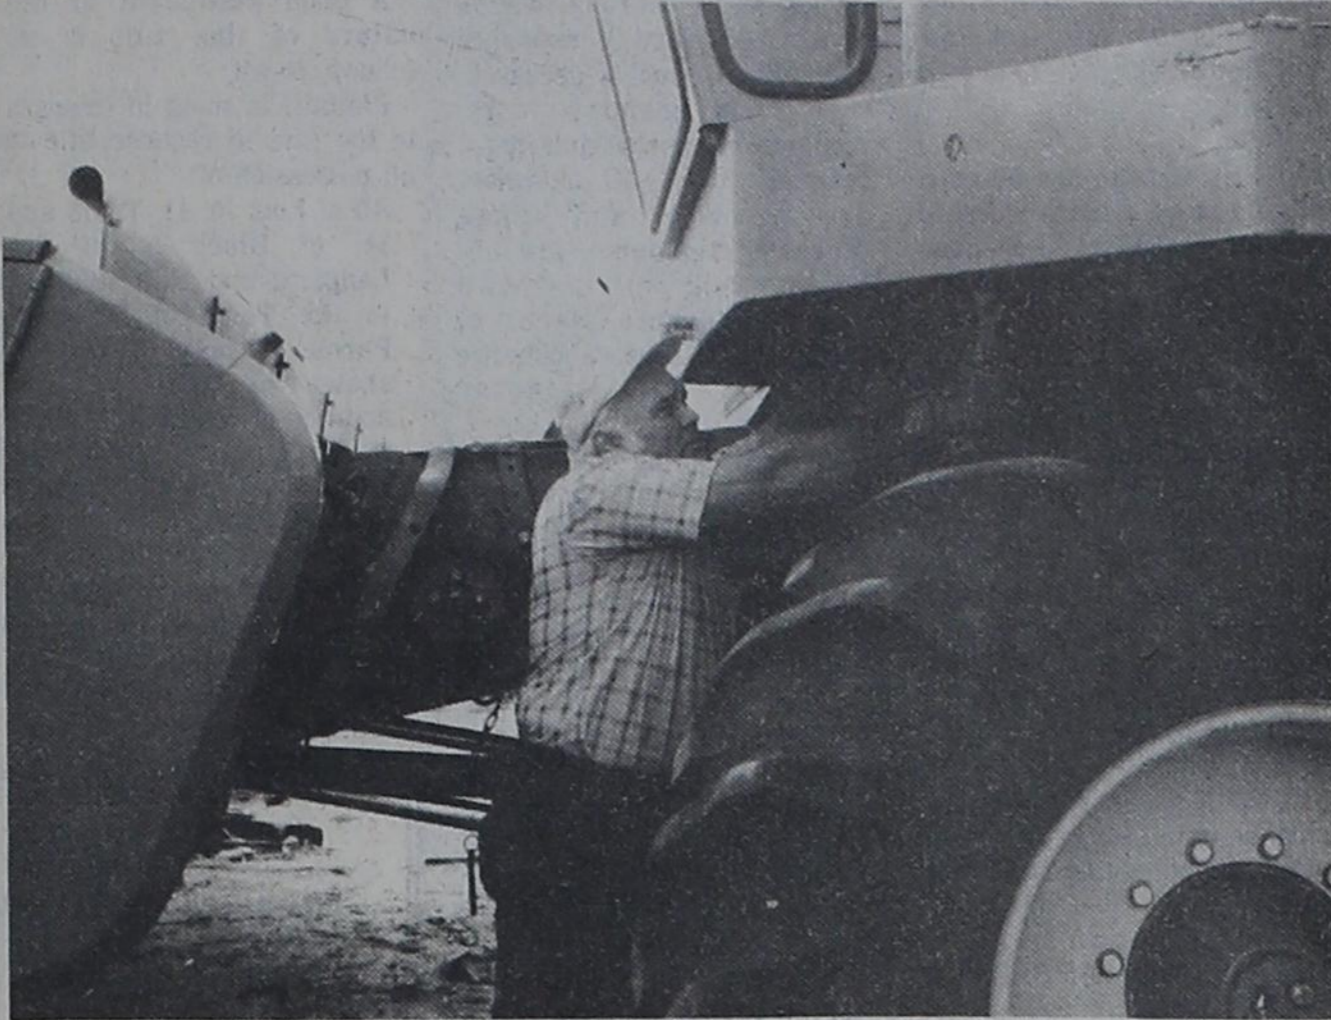

I might add that as a veteran of 28 years of reporting in the oil patch I would be remiss to my readers and my county if I failed to inject an editorial personal opinion at this point. I find it incomprehensible that this nation would ever have to resort to gasoline rationing. I have lived in a county for 44 years and that county has 7200 oil wells, six major giant fields, and has already produced 1.9 billion barrels of oil -- and will produce another billion and a half if we can ever get the federal government off our backs."

We doubt that the people can ever get the bureaucracy off our backs. As a consequence we are sinking ever deeper in the mire of statism and social regimentation.

We are reminded of a comparison we read several months ago. It said that the bureaucracy was like the society in a cesspool. The really big chunks rise to the top.

Have you heard there is a new president of Pemex, the Mexican national oil company? He's a former bullfighter who wants to call the company Oil of Ole.

## Readies Machine For Harvest

Ed Hardage of Farwell works on one of his combines in preparation for the 1978 corn harvest which is just getting underway in the area. Hardage, long time custom cutter, says he has cut only about 80 acres thus far and "that was mostly hail damaged fields." The wet weather early this week put another delay in the harvest schedule but gave time for machine operators to ready their rigs for the days when they'll be cutting from early to late in an effort to harvest the crop before it falls.

## At Bovina - -

### Burglars Break Into Ridgelea Elementary

Burglars broke into Ridgelea Elementary School at Bovina, breaking windows and taking an undetermined amount of cash, reports Parmer County Sheriff Charles Lovelace. The intruders broke a window on the west side of the school to gain entry into the facility, he said, and later they broke another window located in an inside hallway.

The suspects also broke into three offices, removing grates to get at the doors. Lovelace reported that the glass breakage was estimated at \$50.

Burglars also struck at the Dairy Freeze in Bovina, breaking into an assortment of vending machines, including pinball and music boxes.

A home in Bovina occupied by Mrs. Tony Sandoval was also burglarized and the suspects made off with a radio and tape player. Deputy Henry Minter and Bovina City Marshal Jerry Atchley investigated, Lovelace said.

Thieves also struck at the Sam Mears place six miles southeast of Friona, taking an air compressor, assorted tools, ammunition, and a battery charger. The loss is valued at \$1500. Sheriff Lovelace said they gained entry into the buildings by breaking off locks on the barn doors.

The sheriff also reports that his department apprehended the juvenile who allegedly stole some pigs from Martin Kube and Don Gerles in Farwell. Lovelace said Rich-

ard Montgomery, the Farwell ag teacher, found the pigs and reported the incident to Lovelace.

According to Lovelace, the juvenile, a former Farwell resident now living in Curry County, appeared at a hearing Monday before Judge Paul Fortenberry. Lovelace said that Judge Fortenberry ordered that juvenile and his father to report to him regularly.

Lovelace said two of the pigs were discovered at the juvenile's house, but that he had given one away and had sold another one. They were also recovered.

Approximately \$124 worth of watermelons were stolen from the Ralph Roming place west of Bovina on the Pleasant Hill Road, Lovelace reports.

The sheriff also reported that officers from Indianapolis, Ind., were to arrive in Farwell Wednesday to return James Kenneth Poe who was arrested on a Parmer County warrant for allegedly jumping bond. According to Lovelace, Poe had been missing for about a year. He was convicted in Parmer County for illegally transporting drugs and had been sentenced to six years.

Lovelace said the Indiana officers would also be returning to Indiana with George Johnson who is allegedly wanted in that state for rape. Johnson had been held in Parmer County jail for several counts of theft, but Lovelace said they decided to let Indiana take him on the greater charge.

## Homecoming Parade Planned

Farwell High School Student Council is busy planning what it hopes will become an annual event: a homecoming parade.

The first edition of a Farwell homecoming parade is set for Friday afternoon, Oct. 6, beginning at 1:30.

A definite parade route has not been finalized; however, it is tentatively planned for the parade to begin at Rose Drug, continuing down Avenue A (Main Street) to Loop 292 and back to the school where

participants are asked to join in the big pep rally.

All businesses and organizations in Farwell are asked to enter floats or vehicles in the parade to help boost Steer spirit for the homecoming game against Sudan.

Persons wishing to have a float in the parade are asked to contact the school before 3:30 p.m. on October 2.

Several other activities are being planned in conjunction

with this year's homecoming in an effort to make homecoming a special event. Highlighting the day will be coronation of homecoming royalty. The senior class will serve a chili supper in the school cafeteria beginning at 5 o'clock, and the Booster Club hopes to have a get-together for exes sometime on that date, probably following the game.

More details of activities and plans for Homecoming '78 will be announced later.

## Rain Causes Delay - -

# Parmer, Curry Areas Set For Corn Harvest

A brief rain and wind storm struck the Texico-Farwell and surrounding area late Tuesday afternoon, settling the dust temporarily, giving life to newly-planted wheat fields, and delaying the just-started corn harvest.

Approximately .70 inch of moisture was recorded in the Twin Cities during the 15-minute storm. The general feeling Tuesday following the rain storm was that the harvest would not be delayed more than a couple of days, provided that the sun would shine and no further moisture would be received.

The corn harvest which uniformly began last week is expected to step into "full swing" within the next few days. Depending on the weather situation the harvest should continue for several more weeks.

However, additional rain and high winds might cause the corn to "lay down," increasing the difficulty of harvesting the crop. Following any additional moisture area farmers would have to wait out a "drying period" before returning to the fields.

Parmer County Agriculture Agent Seth Ralston commented that the harvest was approximately 20 percent complete in some areas.

He added that early reports indicate the corn yields will be "better than last year." According to Ralston, 35,000 to 40,000 acres of corn were planted in Parmer County but he does not know yet how many of those areas will be harvested or what the yields will be.

Sherley-Anderson-Pitman of Farwell received its first load of corn August 21 according to Fred Chandler.

He said the average yields will be around 8,000 or 9,000 pounds per acre. The moisture content has been running between 17 and 27 percent, but Chandler said the "average" is around 22 percent. Chandler said they try to dry the corn they receive "down to 18

percent." He added that he expects the yields to be "better than last year," but "not as good as 1976."

Chandler said the cool nights in July helped the corn pollinate, adding that the hot July days did not adversely affect the crops if "they were watered in time."

As of Tuesday the market price was around \$4 per bushel. Chandler called it a "get along" for farmers with good yields, adding that some farmers would need \$4.50 or more per bushel "to come out all right."

Lonnie McFarland of Sherley-Grain at Lariat said they received their first load of corn September 2. He explained that what they were

getting in the beginning of the harvest was the variety of corn which had matured quicker. He called the average moisture count of 22 percent "fair."

McFarland said they had received a "poorer grade of corn thus far." He expects the yields to be low and describes 1978 as an "off year."

"The yields should be better than they are presently indicating they will be," he said.

McFarland blames part of the problem of lower yields on hail damage received earlier in the summer and ear worms which also took their toll of area crops.

Worley Grain of Farwell received its first load of corn (Continued on Page 3)

## Twin Cities Lakes

This was a common sight Tuesday afternoon in Texico and Farwell as many local cars had to plow through "mini lakes" similar to this one following a brief storm which deposited .70 in the twin communities. Like the old adage, "You can't please everyone," the moisture was a welcome boon to newly-planted wheat, but a detriment to corn as it delayed the just-started harvest.

## Guessing Average Low - -

# Winfred Long, Marilyn Rains Tie In Weekly Grid Contest

## Receives Winning Check

Marilyn Rains, left, of Bovina, co-winner in the 20th Annual Merchants Football Contest, happily receives a check from Bernice Norton of Lerice's, one of the contest sponsors. Marilyn tied for first place with Winfred Long who was unavailable for the picture. Each guessed eight games correctly and were 21 points off on the tiebreaker. The first two monetary prizes were combined with each winner receiving a check for \$6.25. Virgie Shaw finished third with eight correct calls and was 22 points off on the tiebreaker.

Area gridiron enthusiasts were caught napping last week as a record number of misses were recorded in the second week of the 20th Annual Area Merchants Football Contest. The average was only 4.6 correct guesses per contestant, the lowest in the history of the contest.

Either local and area pigskin prognosticators "fell down on the job" or else this week's selections were indeed much harder to make. Whatever the reason, some surprises were in store for contest entrants.

No one anticipated the tie game between Bovina and River Road. Another kink in the weekly guessing quiz was the showing of the Dallas Cowboys who failed to corral the Los Angeles Rams. Most contestants went with the Boys in Blue but a few "erudite" pickers - 11 in all - selected the Rams as victors.

Buff fans were disappointed as McNeese State walked away with the game Saturday at Canyon.

The three top winners were "way off" on the tiebreaker score, missing by 21-22 points. Entrants were more or less evenly divided as to whether

the Blue and White could handle Morton, but regardless of the choice of the winning team the average contestant missed the actual score by quite a bit.

Even the top three entrants only managed to correctly call eight of 12 games and very few registered scores of seven correct guesses. After the results were all tabulated many contestants bemoaned the fact that they had indeed managed to call only a very few games right.

Winfred Long and Marilyn Rains tied for first and second place as they each had eight correct guesses and were 21 points off the tiebreaker. Due to the tie two monetary prizes of \$7.50 and \$5 were combined with each top winner receiving a check for \$6.25.

Virgie Shaw also called eight games right and was 22 points off the tiebreaker to claim the third place winning check of \$2.

Fifteen contestants called seven games right, including Karyn Blain, Rowdy Chandler, Gaye Coffman, Jenoyce Ford, Karen Lusk, Otis McMillan, Tex Smith, Jack D. Wardlaw, Cindy Watts, Lezlie Castleberry, Jeanette Ford, Theodore

Mesman, Clay Roberts, Mark Williams and Benny Yruegas.

Just two weeks into the contest Marilyn Rains - this week's co-winner - has latched on to the first place overall lead with 17 total points. Greg Hromas and Ridley Lonsdale are tied for second place with 16 each.

Sixteen contestants are in third place with 15 points each. They are Terri Baker, Linny Beal, Karyn Blain, Shana Blain, Marlon Inman, Susan Johnson, Jack Kirkland, Eugene Lonsdale, Larry McDorman, Mark Owen, Radney Robertson, Jerry Roddam, L.C. Roddam, Kevin Shults, Ricky Sikes and Beulah Williams.

Even though the annual contest enters its third week this week it is not too late for anyone to join in on the fun - especially after the misses recorded this week.

The "pain" and agonizing "soul-searching" which accompanies each edition of the annual contest is well worth the time and effort invested by local and area pigskin supporters. First prize is two tickets to the Cotton Bowl and \$50 and the runner-up in the overall contest will receive

two tickets to the Sun Bowl and \$25.

To participate all an entrant has to do is circle the anticipated winner for each of the 12 games, list a tiebreaker score on the entry blank; and return the form to the Tribune office by 5 p.m. Friday, or if mailed, bear a Friday postmark.

Contestants must be 12 years of age or older and only one entry per person is permitted.

AVISO PUBLICO UN RESUMEN DE LAS ENMIENDAS PROPUESTAS A LA CONSTITUCION ELECCION GENERAL 7 DE NOVIEMBRE DE 1978

LA ENMIENDA PARA ALIVIO DE IMPUESTOS (H.J.R. 1)

H.J.R. 1 propone una enmienda a la constitucion de Texas permitiendo a la legislatura que exente propiedad personal intangible; requiriendo que la legislatura exente ciertos articulos caseros y efectos particulares; y permitiendo a la legislatura que exente todo o parte de la propiedad personal del hogar seguro, de la imposicion de impuestos estatales y locales sobre propiedad.

La enmienda requiere a la legislatura que disponga de la imposicion de impuestos sobre tierras agricolas y rancheras basada en su capacidad productiva en vez de su valor de mercado y permite a la legislatura que disponga la imposicion de impuestos a bosques de madera basada en su capacidad productiva.

La enmienda permite a los gobiernos locales que extiendan la exencion actual de no menos de \$3,000 del hogar seguro residencial para personas de 65 años o más de edad para incluir ciertas personas incapacitadas.

La enmienda concede una exencion de \$5,000 en el valor de mercado del hogar seguro residencial en los impuestos para escuelas publicas sobre propiedad. Autoriza a la legislatura que conceda una exencion adicional de los impuestos para escuelas publicas sobre propiedad de una cantidad que no exceda \$10,000 del valor de mercado de hogares seguros residenciales de personas 65 años o más de edad y ciertas personas incapacitadas. Si la persona de 65 años o más de edad es elegible para esta exencion la cantidad total de los impuestos para escuelas publicas sobre propiedad de esa persona no puede incrementarse.

La enmienda previene que gobiernos locales incrementen los impuestos sobre propiedad a menos que el cuerpo administrativo prueva aviso publico y lleve a cabo una audiencia publica. La enmienda requiere a la legislatura que disponga por ley que cada propietario reciba aviso de la revaluacion de su propiedad y la cantidad de incremento en sus impuestos.

La enmienda limita las apropiaciones de los ingresos de impuestos estatales en una cantidad que no exceda la tasa de crecimiento economico estatal que se anticipa, con la legislatura autorizada para conceder exenciones de emergencia.

La enmienda prohíbe la valuacion de propiedad inmueble a través del estado para los fines de impuestos sobre propiedad. Se requiere que la ejecucion de

normas y procedimientos uniformes para la valuacion de propiedad con el propósito de impuestos sobre propiedad, se origine con la autoridad que impone los impuestos sobre propiedad.

La terminologia de la enmienda propuesta tal como aparecerá en la boleta es como sigue:

"La enmienda constitucional disponiendo alivio de impuestos para hogares seguros residenciales, personas mayores de edad, personas incapacitadas, y tierras agricolas; extensiones de bienes muebles; la verdad en procedimientos tocante a la imposicion de impuestos, incluyendo participacion de ciudadanos; de nuevo definiendo la base de impuestos; limitando los gastos del estado; y la administracion de impuestos sobre propiedad."

NO. 1 (S.J.R. 50)

S.J.R. 50 propone una enmienda a la constitucion de Texas para eliminar la referencia arcaica al "Instituto de Sordos y Mudos." La enmienda permitiria al estado de Texas que compre productos y servicios de individuos incapacitados de rehabilitacion no lucrativos sin cumplir con los requisitos de oferta que se aplican a otros contratos estatales. La enmienda tambien eliminaria la formalidad de la aprobacion de ciertos contratos estatales por el Gobernador, el Secretario de Estado, y el Contralor de Cuentas Públicas.

La terminologia de la enmienda propuesta tal como aparecerá en la boleta es como sigue:

"La enmienda constitucional eliminando la referencia arcaica al "Instituto de Sordos y Mudos," permitiendo que ciertos productos y servicios de personas incapacitadas sean usados por agencias y departamentos del gobierno del estado, requiriendo que otros productos y servicios requeridos en la operacion del gobierno del estado sean obtenidos por ofertas concedidas al postor responsable que ofrezca el precio más bajo, haciendo que todos los procesos de procuracion sean sujetos a las leyes establecidas por la legislatura y eliminando el requisito que el Gobernador de Texas, el Secretario de Estado, y el Contralor de Cuentas Públicas de Texas participen personalmente en tales negociaciones."

NO. 2 (S.J.R. 55)

S.J.R. 55 propone una enmienda a la constitucion de Texas para permitir que gobiernos locales emi-

tan bonos para la reconstrucion o adquisicion de facilidades (terrenos, equipos y mejoras) con la intencion de desarrollar oportunidades de empleo. Estos bonos se pagarian solamente de los ingresos de la venta o arriendo de estas facilidades. Gobierno local debe de determinar que la construcion o adquisicion de tales facilidades es necesaria para desarrollar oportunidades de empleo.

La terminologia de la enmienda propuesta tal como aparecerá en la boleta es como sigue:

"La enmienda constitucional para disponer que la legislatura puede permitir que las subdivisiones politicas emitan bonos de ingresos, para desarrollar oportunidades de empleo para sus ciudadanos."

NO. 3 (S.J.R. 44)

S.J.R. 44 propone una enmienda a la constitucion de Texas que permitira que la legislatura autorize a ciudades y pueblos la emision de bonos de impuestos incrementados para financiar el desarrollo de areas deterioradas. Solamente se pagaran los bonos de los ingresos de los incrementos en impuestos municipales. No pagos se pueden hacer de los ingresos de impuestos municipales, servicios publicos u otros servicios.

La terminologia de la enmienda propuesta tal como aparecerá en la boleta es como sigue:

NO. 4 (S.J.R. 53)

S.J.R. 53 propone una enmienda a la constitucion de Texas para permitir que la legislatura exente de la imposicion de impuestos, aparatos para energia o de viento.

La terminologia de la enmienda propuesta tal como aparecerá en la boleta es como sigue:

NO. 5 (H.J.R. 37)

H.J.R. 37 propone una enmienda a la constitucion de Texas para conceder competencia exclusiva a jueces de paz en causas civiles cuando la cantidad en controversia no excede \$200, a menos que la legislatura conceda competencia exclusiva a otra corte. La enmienda concede a jueces de paz competencia concurrente con cortes de condado cuando la cantidad en controversia sea entre \$200 y \$500, a menos que la legislatura conceda a la corte de condado competencia exclusiva. La enmienda tambien concede a jueces de paz

competencia concurrente con ambas cortes, cortes de condado, y cortes de distrito, cuando la cantidad en controversia sea entre \$500 y \$1,000, a menos que la legislatura conceda a la corte de condado o distrito competencia exclusiva.

La terminologia de la enmienda propuesta tal como aparecerá en la boleta es como sigue:

NO. 6 (S.J.R. 45)

S.J.R. 45 propone una enmienda a la constitucion de Texas para permitir que la legislatura aumente el número de jueces en cualquier corte de apelaciones civiles. Al presente, cortes de apelaciones civiles están limitadas a un juez presidente y dos jueces asociados. La enmienda tambien permitiria a las cortes que sesionen por secciones, con la concurrencia de una mayoría de los jueces en la seccion siendo necesaria para decidir una causa.

La terminologia de la enmienda propuesta tal como aparecerá en la boleta es como sigue:

NO. 7 (S.J.R. 48)

S.J.R. 48 propone una enmienda a la constitucion de Texas eliminando la Comisión de Edificios del Estado y el Fondo de Edificios del Estado. La autoridad de la Comisión de Edificios del Estado ha sido trasladada por ley a la Junta de Control del Estado.

La terminologia de la enmienda propuesta tal como aparecerá en la boleta es como sigue:

"La enmienda constitucional para abrogar la autoridad constitucional de la Comisión de Edificios del Estado y el Fondo de Edificios del Estado."

NO. 8 (H.J.R. 42)

H.J.R. 42 propone una enmienda a la constitucion de Texas permitiendo que ciertas subdivisiones politicas o distritos del estado que al presente pueden emitir bonos u otras deudas o de otra manera prestar su credito participen en actividades contra incendios y que emitan bonos o de otra manera prestar su credito para tales propósitos."

La terminologia de la enmienda propuesta tal como aparecerá en la boleta es como sigue:

PUBLIC NOTICE SUMMARY OF PROPOSED CONSTITUTIONAL AMENDMENTS GENERAL ELECTION NOV. 7, 1978

"The Tax Relief Amendment" (H.J.R. 1)

H.J.R. 1 proposes an amendment to the Texas Constitution allowing the legislature to exempt intangible personal property, requiring the legislature to exempt certain household goods and personal effects, and allowing the legislature to exempt all or part of the personal property homestead from state and local property taxation.

The amendment requires the legislature to provide for the taxation of farm and ranch land on the basis of its productive capacity instead of its market value and allows the legislature to provide for the taxation of timber land on its productive capacity.

The amendment permits local governments to extend the present exemption of not less than \$3,000 of the residence homestead of persons 65 and older to include certain disabled persons.

The amendment grants an exemption from public school property taxes of \$5,000 of the market value of the residence homestead. It authorizes the legislature to grant an additional exemption from public school property taxes of an amount not to exceed \$10,000 of the market value of the residence homesteads of persons 65 years of age or older and certain disabled persons. If a person 65 years of age or older qualifies for this exemption, the total amount of public school taxes imposed on that person's homestead may not be increased.

The amendment prevents local governments from increasing property taxes unless the governing body provides public notice and conducts a public hearing. The amendment requires the legislature to provide by law for each property owner to receive notice of the revaluation of his property and the amount taxes will be increased.

The amendment limits appropriations from state tax revenue to an amount not to exceed Texas' estimated economic growth rate, with the legislature authorized to make exceptions for emergencies.

The amendment prohibits the statewide appraisal of real property for property tax purposes. Enforcement of uniform standards and procedures for appraisal of property for property tax purposes is required to originate in the taxing

authority where the property tax is imposed.

The wording of the proposed amendment as it will appear on the ballot is as follows:

"The constitutional amendment providing for tax relief for residential homesteads, elderly persons, disabled persons, and agricultural land; for personal property exemptions; for truth in taxation procedures, including citizen involvement; for a redefinition of the tax base; for limitations on state spending; and for property tax administration."

NUMBER ONE (S.J.R. 50)

S.J.R. 50 proposes an amendment to the Texas Constitution to delete an archaic reference to the "Deaf and Dumb Asylum." The amendment would allow the State of Texas to purchase products and services done by handicapped individuals in nonprofit rehabilitation facilities without complying with bid requirements applicable to other state contracts. The amendment also would eliminate the formality of the approval of certain state contracts by the Governor, the Secretary of State and the Comptroller of Public Accounts.

The wording of the proposed amendment as it will appear on the ballot is as follows:

"The constitutional amendment deleting the archaic reference to the 'Deaf and Dumb Asylum,' allowing certain products and services of handicapped individuals to be used by agencies and departments of state government, requiring the procurement of other products and services required in the operation of state government to be made under bids awarded to the lowest responsible bidder, making all such procurement processes subject to laws enacted by the legislature, and eliminating the requirement that the Governor, the Secretary of State, and the Comptroller of Public Accounts of Texas be personally involved with such transactions."

NUMBER TWO (S.J.R. 55)

S.J.R. 55 proposes an amendment to the Texas Constitution to permit local governments to issue bonds for the reconstruction or acquisition of facilities (land, equipment and improvements) designed to develop employment opportunities. These

bonds would be payable solely from the revenue from the sale or lease of these facilities. The building or acquisition of such facilities must be determined by the local government to be necessary to develop employment opportunities.

The wording of the proposed amendment as it will appear on the ballot is as follows:

"The constitutional amendment to provide that the legislature may permit political subdivisions to issue revenue bonds to develop employment opportunities for its citizens."

NUMBER THREE (S.J.R. 44)

S.J.R. 44 proposes an amendment to the Texas Constitution which would allow the legislature to authorize cities and towns to issue tax increment bonds to finance the redevelopment of blighted areas. The bonds are to be paid solely from revenue from municipal tax increments. Payment cannot be made from the revenue of municipal taxes, utilities, or other services.

The wording of the proposed amendment as it will appear on the ballot is as follows:

"The constitutional amendment permitting the legislature to increase the number of justices on a court of civil appeals, permitting a court of civil appeals to sit in sections, and requiring a concurrence of a majority of justices to decide a case."

NUMBER FOUR (S.J.R. 53)

S.J.R. 53 proposes an amendment to the Texas Constitution to allow the legislature to exempt from taxation solar or wind-powered energy devices.

The wording of the proposed amendment as it will appear on the ballot is as follows:

"The constitutional amendment authorizing the legislature to exempt from taxation solar and wind-powered energy devices."

NUMBER FIVE (H.J.R. 37)

H.J.R. 37 proposes an amendment to the Texas Constitution to grant exclusive jurisdiction to justices of the peace in civil cases where the amount in controversy does not exceed \$200, except where the legislature gives exclusive jurisdiction to another court.

The amendment grants justices of the peace concurrent jurisdiction with county courts where the amount in controversy is between \$200 and \$500, except where the legislature gives the county court exclusive jurisdiction.

The amendment also grants justices of the peace concurrent jurisdiction with

district courts where the amount in controversy is between \$500 and \$1,000, except where the legislature gives the county or district court exclusive jurisdiction.

The wording of the proposed amendment as it will appear on the ballot is as follows:

"The constitutional amendment to extend the jurisdiction of justices of the peace in civil cases."

NUMBER SIX (S.J.R. 45)

S.J.R. 45 proposes an amendment to the Texas Constitution to allow the legislature to expand the number of judges on any court of civil appeals. Presently courts of civil appeals are limited to a chief justice and two associate justices. The amendment also would allow the courts to sit in sections, with the concurrence of a majority of the judges sitting in the section necessary to decide a case.

The wording of the proposed amendment as it will appear on the ballot is as follows:

"The constitutional amendment permitting the legislature to increase the number of justices on a court of civil appeals, permitting a court of civil appeals to sit in sections, and requiring a concurrence of a majority of justices to decide a case."

NUMBER SEVEN (S.J.R. 48)

S.J.R. 48 proposes an amendment to the Texas Constitution eliminating the State Building Commission and the State Building Fund. The authority of the State Building Commission has been transferred by law to the State Board of Control.

The wording of the proposed amendment as it will appear on the ballot is as follows:

"The constitutional amendment to repeal the constitutional authority for the State Building Commission and the State Building Fund."

NUMBER EIGHT (H.J.R. 42)

H.J.R. 42 proposes an amendment to the Texas Constitution allowing certain political subdivisions or districts in the state that can presently issue bonds or otherwise lend their credit to engage in fire-fighting activities and to issue bonds or otherwise lend their credit to support such activities.

The wording of the proposed amendment as it will appear on the ballot is as follows:

"The constitutional amendments authorizing certain districts to engage in fire-fighting activities and to issue bonds or to issue bonds or otherwise lend their credit for fire-fighting purposes."

## Texico's Sheryl Day Garners Second In State Fair Ladies Lead Contest

Sheryl Day, daughter of Mr. and Mrs. D. Smith Day and a senior at Texico High School, placed second in the Ladies Lead Contest at the New Mexico State Fair on Sunday.

Sheryl's ensemble consisted of a skirt and vest of dark turquoise green made of 100 percent anglo wool. The gathered skirt features an inverted front pleat, high waistband with ties, and pockets in side seams. The sleeveless vest has mock pockets in front. Sheryl's mother, Janie, made the dress from an "Annie-too" pattern.

The long-sleeved blouse in shades of rust with turquoise green accents is of 85 percent polyester and 15 percent wool challis. It gathers to front and back yokes, and front collar extensions tie to form a scarf-type collar.

To complete her outfit Sheryl chose camel-colored fashion boots and a turquoise stick pin and earrings.

"Floppie," a registered Suffolk ewe, owned by Allen Kelley of Clovis, was Sheryl's partner in the contest. Sheryl began leading and working with her this summer in preparation for the contest. The lamb was washed several

times to obtain a snowy white wool. Then before show time, the lamb's wool was carded, clipped, powdered, and packed to get her ready for the competition.

Purpose of the Ladies' Lead contest is to present wool products in the most attractive way possible. The main garment must be hand sewn, and it may even be hand woven.

In most of the contests, the girl, her appearance, grooming, poise, personality, modeling, garment, and the ability to handle her ewe is judged 60 percent.

The ewe, its quality, breed, conformation, its ability to lead is judged 40 percent.

This contest is gaining in popularity throughout the

state, and this year 18 girls competed at the State Fair.

Sheryl best described her experience as "a lot of pretty girls, beautiful animals, lots of hard work, lots of fun, new friends, and a most enjoyable experience."

The state contest consists of an individual meeting with the judges and then at the show the girls and the ewes parade around the arena. Then, one by one, the girls model their garments before the judges. Following this, they lead their ewe to be judged by the sheep judge. They then return to their place. After all the girls have finished, the scores are tallied and the tension mounts.

The first award goes to best of breed, second-Miss Personality, then the fifth runner-up and on up.

Sheryl won \$150 for second place and \$50 in the personality division.

## Harvest . . . (Continued from Page 1)

August 30, according to Bill Thigpen. He said it was too early for him to tell about yields yet, adding that the moisture content was averaging between 18-30 percent with 18 percent as the average.

Thigpen said the low market price for corn was okay for some farmers and not for others depending on who you talked to. "Some say they can get by on \$4 per bushel and others say they need \$5." Thigpen added that it also depended on the yields.

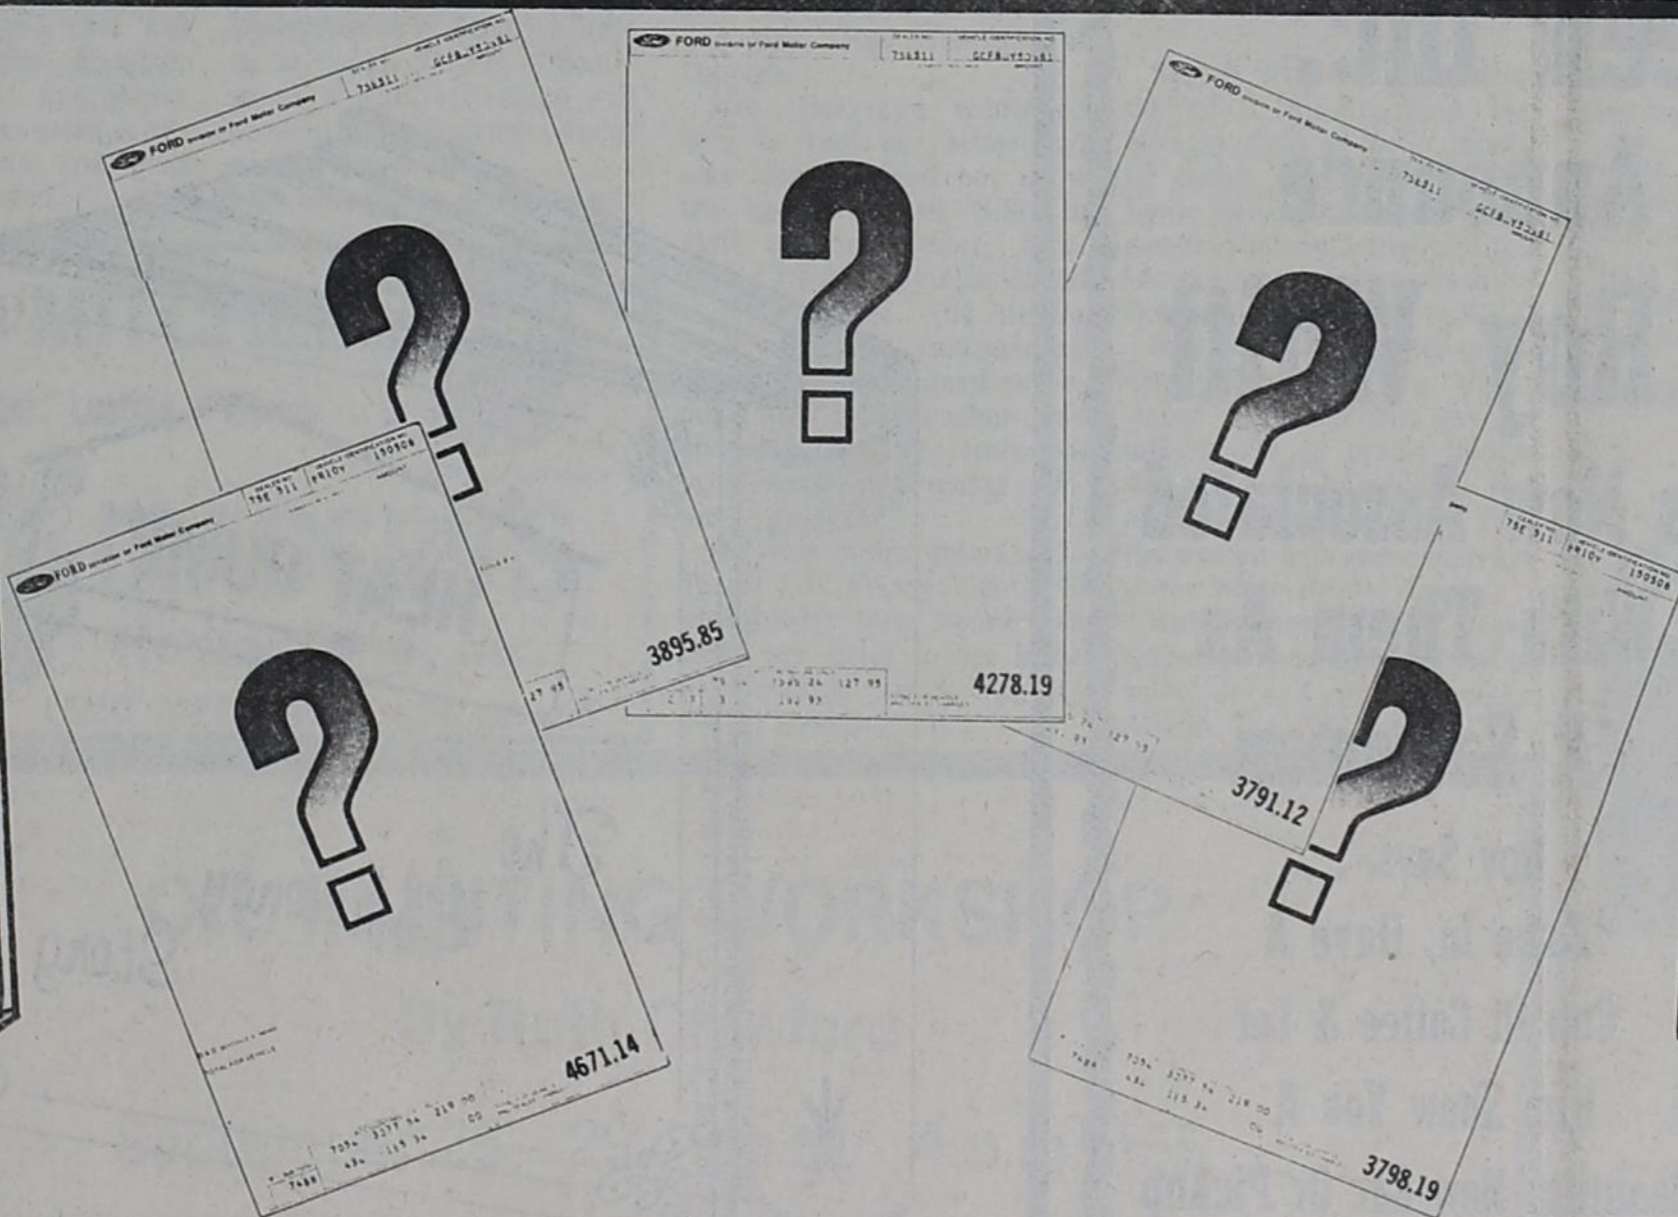

Ray Pritchett of Golden West Seed in Texico said they

received their first load of corn Wednesday of this week. He explained that they have not been able to take any corn yet because they do not have a dryer and must wait for the corn which is already dried by the farmers.

Pritchett said he expects the yields "to be better than last year" adding that "it is too early to tell yet for sure."

None of the local elevators anticipate any storage problems. Regarding storage, Pritchett remarked that they were "in the best shape we have been in years."

Instruction will be given in reading, writing, English, arithmetic, science, English speaking, government, and high school equivalency to earn a high school equivalency diploma.

Classes have open enrollment and attendance. Anyone may enroll who is 16 years of age or older. Enrollment is held every Monday night.

A student may attend any part of the classes which are from 7-10 each Monday night.

The program is sponsored by Farwell Independent School District and Region XVI Education Service Center.

## County Teachers Have Year's First Session

Parmer County Teachers Association had its first meeting of the new school year on September 11 at Friona.

After the Pledge of Allegiance to the flag, Tom Jarboe of Friona gave the invocation.

Anne Corn of Farwell gave the president's report, and other reports were heard from Frances Boling, Farwell, secretary; Virginia Cleveland, Friona, treasurer; and committee reports from Richard Montgomery of Farwell and Benny Pryor of Friona.

The program was presented by Cecile Russell of Amarillo, president-elect of the Texas State Teachers Association; and Ginger Shackelford, president of Amarillo Classroom Teachers Association.

Joyce Hargrove of Farwell introduced the new theme

song, "We Teach the Children," and taught it to the group. She was accompanied by Charles Turner.

Jeanne Mosley gave a report on the state convention and Cecil Mattox reported on the Federal Credit Union.

Delegates elected to the District XVI TSTA convention in Amarillo in November are Anne Corn and Richard Montgomery of Farwell; Lee Witten, Benny and Mary Pryor, Jane Hinton, Paul and Cynthia Smith, and Bob Owen of Friona. Alternates chosen were Elizabeth Phillips and Jerry Yows of Farwell and Shirley Garrison of Bovina. Pat Owen of Farwell was in charge of the ballots.

Next meeting of the PCTA will be at Lazbuddie on October 16 at 6:30 p.m.

## Home Dem. Council Meets In Bovina

Parmer County Home Demonstration Council met September 5 at the Bovina bank. Sponsoring a "powder puff" mechanics course for the county was discussed but no action was taken. The Council also decided not to have the yearbook covers printed.

It was announced that new officers would be elected at

the October 2 meeting. The Council by-laws may also be revised then.

Attending from Farwell were Mary Mesman, Susan Franse, Laura Jacobs, Reta Dollar and Lynne Mahaney. Those from Rhea were Cecelia and Martha Schueler and Vikie Kube, guest.

## United Methodist Women To Sponsor Workshop

The United Methodist Women organization of Hamlin Memorial United Methodist Church of Texico-Farwell is planning to sponsor a one-day workshop on nutrition, meal planning and parenting skills, provided enough interest is available.

The program will be under the direction of Laura Jacobs, Parmer County Extension A-

gent. Babysitters for pre-school children will be provided.

If there is enough interest the program will be staged next month.

Anyone interested in attending such a workshop or needing further information is asked to contact Miss Jacobs at 481-3619 or Jan Marsh at 481-9119.

## Former Resident In Contest

Jeanette Gilliam, 16-year old daughter of Mr. and Mrs. Gilbert Gilliam of Friona, formerly of Farwell, was one of the top 11 finalists in the recent Maize Days Queen Contest in Friona.

A junior at Friona High, Jeanette presented a Raggedy

Ann scene in the talent competition of the contest. Thirty-three young ladies entered the queen contest this year.

Jeanette is the granddaughter of A.J. Burns of Clovis and is a niece of Mr. and Mrs. Calvin Johnson of Farwell.

## Five Generations

Five generations of a Farwell family, the Dudley Bristows, are represented in this photo. Pictured, from left, are Mrs. Steve (Kari) Hargrove and daughter Nicole Suzanne; her mother, Mrs. Dudley (Karen) Bristow, all of Farwell; Mrs. Bristow's mother, Johnette Bell of Lubbock, and grandmother, Loda Foster of Clovis.

## Farwell Study Club Has Salad Supper

Farwell Study Club met Monday night in the home of Mrs. W.N. Foster with Mrs. Vernon Symcox, president, presiding.

Members sang "America." Mrs. Symcox gave the invocation after which a salad supper was served by hostesses Mesdames Foster, Cecil Atchley and Eunice Crume.

A program planning session and a brief business meeting concerning money making projects were held. Projects include selling pecans and having a garage sale.

A slate of officers for the next two years was announced, including Mrs. Symcox, president; Mrs. Claude Coffey, vice-president; Mrs. Elmer Scott, secretary; Mrs. Beulah Hobbs, assistant secretary; Mrs. M.F. Glasscock, treasurer; Mrs. J.H. McDonald, reporter; Mrs. Eunice Crume, parliamentarian; Mrs. Carrie Christian, counselor; Mrs. Foster, critic; and Mrs. Paul Wurster, historian.

Mrs. Symcox, who attended the Caprock District Meeting in July in Lubbock, reported

that Caprock would continue to support Girls Town.

Those present were Mrs. Linnie Mae Crook and Mrs. Barbara Knowlton, who joined as new members; and Mesdames Atchley, Christian, Wurster, Coffey, Foster, Crume, Hugh Edwards, Symcox, Glasscock, Scott and guests, Ysleta Kittrell and Georgia Foster.

## Hospital Notes

Truitt Hardage of Farwell was taken to the hospital in Clovis Sunday for medical attention, but was released that same day. He returned to work Tuesday and is reported to be "feeling better."

Winfred Long of Farwell underwent surgery at Clovis Memorial Hospital Tuesday afternoon. He was reported to be "doing fairly well," Wednesday and hoped to be dismissed by the end of the week.

Charles Felts of Lariat was dismissed from the hospital in Muleshoe Saturday after being confined for medical treatment since September 6. Felts is reported to be "improving" at his home, but is unable to open his store there at this time.

Ophell McDonald of Farwell, who underwent foot surgery last week in Lubbock, was released Tuesday of this week and is said to be "doing better now."

## Jolinda Hawkins, John Johnson United In Double Ring Ceremony

MR. AND MRS. JOHN JOHNSON

Jolinda Gail Hawkins of Muleshoe and John Alen Johnson of Farwell were united in marriage in a candlelight ceremony at the Muleshoe Church of Christ on July 1. Officiating at the double-ring ceremony was Leonard Ginnings of Clovis.

Parents of the couple are Mr. and Mrs. Wesley Hawkins of Muleshoe and Mr. and Mrs. Calvin Johnson of Farwell.

Selected songs, "You Light Up My Life," "If," "Faithful and True," and "Your Love Has Lifted Me Higher" were sung by Wendy Stancell, cousin of the bride of Farwell, Ken Foster of Farwell and Jerry Kiser of Oklahoma.

Pews were marked with yellow bows of dotted swiss. The altar was flanked with candelabras dressed in garlands of plemosa fern and yellow candles.

Escorted and given in marriage by her father, the bride wore a white three-tiered gown accented with a flopped raised floral pattern woven into the material.

The empire waistline was trimmed in a white satin band and the neckline was heart shaped. The long puffed sleeves were gathered at the top and wrist with white satin ribbon tied in bows. She wore a waist length veil of illusion trimmed in lace and gathered on a headpiece sewn with pearls.

She carried a bouquet of yellow roses and white daisies atop a Bible which she carried for something old. She wore the traditional blue garter and her dress was something new. She borrowed her veil from a special friend.

The bride was attended by her cousin, Lavayne Lloyd, as maid of honor. She wore a long yellow, three-tiered dress with white flopped daisies. The neckline was trimmed with lace.

She carried a bouquet of yellow and white daisies in a straw basket decorated with greenery and streamers.

Candlelighters were Tabitha Tree, niece of the bride of Shreveport, La., and Jason Clarkson, nephew of the bride of Ropesville.

Kenny White attended the bridegroom as best man. Ushers were Charles and Roger Johnson of Farwell, brothers of the bridegroom.

Miss Shawna Kelton registered guests.

The mother of the bride wore a street length dress of beige and gold accented by large ruffles at the bottom of the hem and around the neckline. The bridegroom's

mother wore a blue street length dress with a cowl neck and sashed waist. The mothers wore corsages of yellow roses.

A reception followed the ceremony at the church. Members of the house party were Mrs. Loretta Loyd, Mrs. Dorothy Scott, Mrs. Glenda Dale, Mrs. Regina Clarkson, and Mrs. LaDonna Tree.

The table was covered with a brown and white crocheted cloth which was purchased in Spain by LaDonna Tree, sister of the bride.

The two-tiered wedding cake of white was made and decorated by the bride's mother. The tiers were separated by columns and were decorated with yellow sugar roses. The top tier held double rings and wedding bells.

Guests were served wedding cake and lemon-pineapple punch by Lisa Redwine and Jeanette Gilliam of Friona. Crystal and silver appointments were used.

For the wedding trip, the bride wore a yellow satin dress trimmed with yellow lace and yellow bows which gathered the dress at the neck and waist.

The couple is now at home in Farwell.

Mrs. Johnson is a 1978 graduate of Muleshoe High School and is employed at Decorator's Nursery and Floral. Johnson is a 1977 graduate of Farwell High School and is employed by the City of Farwell.

A rehearsal party was held at the church on June 30. It

was hosted by the bridegroom's parents and refreshments were served to the wedding party and guests.

Mr. and Mrs. Floyd Embry of Farwell will observe their 25th wedding anniversary Sunday, Sept. 24, at a reception from 2 to 4 p.m. CDT at Farwell Church of Christ. The couple's children, Eldon Embry and Mr. and Mrs. Weldon Embry of Farwell and Estelle Embry of Portales will host the reception. Floyd and Betty were married in Muleshoe, September 26, 1953, and have lived on a farm east of Farwell since January of 1954. All friends are cordially invited to the reception and the couple has requested, "no gifts please."

### Alpha Rho Lambda Has Tues. Meeting

Alpha Rho Lambda chapter of the Beta Sigma Phi sorority met Tuesday night in the home of Kendale Burch of Texico. Janice Fant presided over the business meeting. Long range plans were made for the annual Pheasant Hunters breakfast slated for December 9.

Pam Smith was elected Valentine Sweetheart.

Plans were also made for a salad supper to be held

Monday, Sept. 25, in the home of Pauletta Curtis.

Sheree Montgomery gave a report on "coping with life."

Refreshments of miniature cheese cakes, coffee and tea were served to Terri Baker, Pauletta Curtis, Janice Fant, Gloria Hutchins, Julie Lingnau, Mary Ann Lingnau, Sheree Montgomery, Pam Smith, Joan Johnson, Kendale Burch and Laura Jacobs. Anita Morton was a guest.

## Lazbuddie Homemakers Install Officers, Plan Tea

Lazbuddie Young Homemakers met Thursday, Sept. 7, in the Lazbuddie Home Ec Department, for the first regular monthly meeting.

Mrs. Marca Morris, advisor, installed the 1978-79 officers. As Mrs. Morris read the duties of each officer, the respective officer lit a red candle from a white candle symbolizing her willingness to fulfill her duties.

Out-going president, Mrs. Jim Collum, presented each officer and Mrs. Morris with a red silk carnation, the club flower. Installed as officers were president, Mrs. Clay Mimms; vice-president, Mrs. Lloyd Bradshaw; secretary-treasurer, Mrs. Roy Don Rector; reporter, Mrs. Jim Collum; historian, Mrs. Conrad Renner.

Mrs. Mimms presided over the meeting. After roll call, the secretary-treasurer read the minutes of the previous meeting. She then gave an up-to-date financial report.

A thank-you note was read from Miss Jeana Cole. Members discussed, then voted to set December 9 as the date for the Family Christmas Party. Mrs. Mimms reminded members of the Area I meeting to be September 9 in Amarillo. It was reported that the yearbooks would be handed out at the October meeting.

Mrs. Harroll Redwine, pecan sales chairman, reported that the pecans had been received to sell. If anyone has not been contacted, please call any Young Homemaker. Members were reminded that Secret Pals would be revealed at the October meeting and gifts would be exchanged.

Mrs. Mimms reported that Mrs. Dixie Barnes, one of the Special Senior Citizens, had given the club a monetary donation. Mrs. Lloyd Bradshaw, vice-president, gave a program correction for the coming year.

Each one present signed cards for the Special Senior Citizens. Three names have been added to last year's list, including Mrs. Clara Weaver, Ben Foster and Sam Layman.

Final plans were made for the up-coming Membership Tea to be Tuesday, Sept. 19, at 2 p.m. in the Lazbuddie cafeteria. This is to be in conjunction with Young Homemakers of Texas Week. Mrs. Louisa Wilson from Friona

will have the program. She will demonstrate making organy tulips and give several Christmas craft ideas. The public is invited to attend this or any program.

Mrs. Morris was winner of the door prize which was a rose-scented candle encased in a clear glass vase. A door prize will be given at each meeting.

Refreshments of sugar cookies, lemon chiffon dessert and soft drinks were served to Mesdames Lloyd Bradshaw, Kirby Burch, Jim Collum, Robert Gallman, Skip Magby, Clay Mimms, Bill Morris, Roy Don Rector, Harroll Redwine, Conrad Renner, Jimmie Dale Seaton and Dale Vise.

## Oklahoma Lane HD Club Meets In Symcox Home

Oklahoma Lane Home Demonstration Club met last Thursday in the home of Julia Symcox. The program presented was entitled, "Choosing The Look You Like With Color."

A report of the Parmer County HD Council was heard. A list of nominees for the council officers was turned in. They include Pauletta Curtis, chairman; Lynne Mahaney, vice-chairman; and Nelda Wilhite, secretary-treasurer.

The next meeting will be September 28 at Security State Bank. Connie Moyers of Southwestern Public Service will present a program about making crates. Those attending Thursday's

meeting were Lynne Mahaney, Pauletta Curtis, Reta Dollar, Susan Franse, Althea Herington and Julia Symcox.

### Sister Visit With Mrs. Benderman

Mrs. Lillian Benderman of Texico observed her birthday on Sunday, Sept. 10, when guests in her home were her sister and brother-in-law, Mr. and Mrs. Olen Herriage of Lubbock.

Mrs. Herriage remained here to visit her sister and also accompanied her on a trip to Las Cruces, N.M., to visit another sister, Mrs. Arthur Cook. They also visited in Lincoln, N.M., Old Mesilla Park and other surrounding towns. Mrs. Benderman reports that the weather was gorgeous and they truly enjoyed their sight-seeing ventures.

The two ladies returned to Texico last Friday night and on Saturday Mrs. Benderman drove her sister to her home in Lubbock, returning to Texico Sunday.

## Texico Baptist WMU Meets For Bible Study

Women's Missionary Union of First Baptist Church in Texico met September 13 for its regular Bible Study, with chairman Velma Kelley in charge.

The program opened with pianist Mrs. Helen Bowers playing "Thy Word Is A Lamp To My Feet." Mrs. Nora Day then led the prayer.

Topic of the Bible Study was "The Goal of Christian Growth" taken from the following Scripture readings: Ephesians, Colossians, John, Corinthians and Romans.

After the Study, Mrs. Nora Day presented discussion topics "Caring Love Is Contagious" and "Meeting Needs In Tanzania."

Mrs. Velma Kelley dismissed in prayer.

A short business meeting was held with Mrs. Bowers, president, in charge. Prayer retreats were discussed. The

first one is slated for this Saturday at Sivell's Baptist Camp near Cloudcroft, N.M., and on September 30 another retreat will be held at Mrs. Vora Hartley's ranch north of Clovis.

Plains Associational WMU has been invited to this Saturday's retreat.

Also discussed was purchasing wrapping paper for the children's home at Crownpoint, but no action was taken.

Mrs. Weldon Dane then dismissed the group with a prayer.

Attending were Mesdames Day, Bowers, Margaret Horn, Mary Hill, Kelley and Dane.

In the WMU report turned into the Tribune last week, Mary Dell Brown was incorrectly listed as the president of Plains Associational WMU. She is the director of the association.

## Texico Woman's Club Has Membership Tea

Texico Woman's Club conducted a membership tea Monday night at the community center. Club president Ann Lewis welcomed members and guests. She announced that the District 3 convention would be October 10 in Artesia, N.M.

Kay Coffey, first vice-president, introduced Mrs. Glenn Reeve of Friona who gave a talk on the 16 brides in the White House. In addition she also had 16 dolls dressed like the women who were married in the White House.

Refreshments of coffee, spiced tea and assorted cakes were served by hostesses Aileen Teel, Maurine Cay-

wood, Kay Coffey, Caren Spearman and Ann Lewis.

Those attending besides the hostesses were Margie Crooks, Ann Killough, Audrey Kittrell, Marcia Leavell, Kathy Morris and guests Mary Powell, Ella Lewis and Allo Reeve.

Farwell Church of Christ

One of the cardinal features of many Protestant churches is the doctrine of "salvation by faith alone." A man of France, Jacques Le Fevre, introduced this theory, in practical form, in the middle of the twelfth century. But, it was Martin Luther who popularized it in the Reformation of 1520. The embodiment of the doctrine is best stated today under the Article IX of the Methodist Discipline: "The doctrine of salvation by faith alone is a most wholesome doctrine and very full of comfort."

Even though millions accept this position it is nevertheless contrary to the New Testament. In fact, in James 2:24 we read: "For ye see then how that by works a man is justified, and not by faith only."

If a sinner is saved by faith alone Saul of Tarsus was the most miserable saved man in the history of the world! He acknowledged his faith in Christ on the road to Damascus (Acts 9:6) but it was three days later, after his deep repentance, that he was told what to do to have sins forgiven. Read his own words in Acts 22:16. After he became known as the peerless Apostle Paul, he wrote in I Corinthians 13 that all the faith in the world could not justify a person who had no love for his fellows. In Galatians 5:6 we learn that "faith must work by love" if we would avoid anything in the sight of God! NO, we cannot be saved by faith alone.

# Wolverines Edged By Trojans

Christ the King Trojans of Lubbock hosted the Texico Wolverines Friday night, narrowly slipping by them, 9-7.

Randy Kitten was more like a lion as he booted a 19-yard field goal with 49 seconds left in the first half to give the Trojans what ultimately proved to be the winning score.

Both teams evened their records to 1-1.

As it sometimes happens in the world of sports, the well-functioning Wolverine offense, which put on such a spectacular aerial show last week at Mountair, spluttered and faltered Friday night, paving the way for the team's "polite mauling" at the hands of the Trojans.

The first half belonged to the host team as they earned not only the field goal but also another six points following a 66-yard run by Steve David.

But the Wolverines were not content to sit back and take it.

Instead, after a half time locker room conference they came out determined to take the game away from their opponents and to win.

One out of two wasn't bad as the Green and White did snatch momentum away from the Trojans, but failed in the victory bid.

In the fourth period quarterback Keith Hadley fired a 16-yard pass to Eloy Ortiz who went in for the score. Britt Crooks added the point after and the Wolverines edged closer to the nine-point lead the Trojans then held.

With seconds ticking away the Wolverines were threatening to score again but time ran out forcing them to accept the narrow loss.

Duwan Hill carried 19 times for 47 yards and Barry Goode carried eight times for 26 yards. Keith Hadley, who was intercepted three times, completed seven of 20 passes for 98 yards.

Statistics for the receivers are James Hadley four receptions for 71 yards; Britt Crooks, one for 11 yards; Ortiz, one for 12 yards; and Hill, one for three yards.

# Wolverines Beat Grady In Volleyball

The Texico varsity, junior varsity and junior high volleyball girls hosted Grady Tuesday of last week, winning all matches.

The varsity girls downed their opponents in back-to-back victories of 15-1 and 15-9. Scoring points in the first game were Celia Johnson, 7; Tonye Harrington, 6; and Jana Jesko and Teresa Turner, 1 each.

Point getters in game two were Jesko, 6; Turner and Liz Cavallero, 3 each; and Johnson, 2; and T. Harrington, 1. "The girls have improved tremendously," coach Rebecca Trempliff said. "They are spicing and serving better. Celia and Tonye did an exceptional job of serving. It was a good game."

Mrs. Toppliff said that during the work-out sessions this week they have been working on "digging the ball out of the net."

The JV girls bested Grady by scores of 15-8 and 15-9. For the first game Kelly Dobbs made 9 points; followed by Roxanne Cherry and Schree Rucker, 2 each; and Lisa Coffey and Kerri Donahey, 1 each.

In the second game Cherry and Rucker made 6 and 5 points, respectively; followed by Dobbs, 2; and Leslie Elliott and Lisa Coffey, 1 each. "They served well as a team and their playing has improved," commented Mrs. Toppliff.

The JV girls also participated in the Eunice B tournament Saturday, placing third of four teams. Other teams competing included Eunice, Jal and Lovington.

Mrs. Toppliff said that no scores were available as the tournament was more like a "practice session." "Everyone played well and it was good experience for them," she added.

In the first game Ruth Scott scored 5 points and Sharlet Taylor scored 1 point.

In game two Tracy Dobbs had 8 followed by Scott, Jo Hill and Jill Jesko, 2 each; and Taylor 1.

In the third game Jesko made 9 and Lisa Crooks, Hill and Taylor had 2 each.

"The girls made some very good individual efforts," commented coach Billy Carlyle. "Serving well were Tracy, Jill and Ruth. We are still making a lot of mistakes but with good support from the bench we did very well. I am proud of the way we came back after being down in the first game," he continued.

The varsity, JV and junior high girls were to host Melrose Thursday with games beginning at 4 p.m. Texico will also host Tucumcari this Saturday beginning at 10 a.m. MDT.

Next week the Wolverines face district competition, traveling to Tatum on Tuesday. Game time is 5 p.m. Thursday they travel to Floyd where games are to get underway at 4 p.m.

The junior high girls lost the first set 15-6 but came back to claim two victories of 15-11 and 15-10.

# Jr. High Wolverines Bite Melrose Buffaloes

Texico Junior High Wolverines thrashed visiting Melrose, 22-0, Saturday before a thrilled home crowd.

The first quarter was scoreless but then things started "cooking" for Texico as they turned a blocked punt into six points early in the second stanza. Ronnie Landis picked up the loose ball and bounded 30 yards to paydirt. The extra point try failed.

Sammy Garcia came through with eight more points in the third act, via a touchdown and two-point conversion.

Todd Gerles added six points to the board in the fourth quarter and Earl Bibbs ex-

ecuted the conversion for another two points and a final score of 22-0.

"Willie Bibbs played an exceptional game, accounting for 161 yards, an average of 21 yards per carry," commented coach Cecil Davis.

According to the junior high mentor, James Kelly and Tony Cavallero got "the best and hardest tackles." Kelly blocked well both offensively and defensively, Davis said.

Davis went on to say that Kent Harding "performed well at his defensive end position, and Todd Gerles looked poised and confident as he engineered the offense from the quarterback position."

He credited Jeff Dunsworth and his middle five defensive players with "shutting down their running game the entire second half."

The Wolverines were to host Bovina Thursday at 4 p.m. They will host Gattis Thursday, Sept. 28, at 2:30 p.m. MDT.

## Wolverines Of The Week

Two Texico Wolverines were singled out for "Wolverine of the Week" honors following Friday's loss to Christ the King at Lubbock. Jimmy Reid, left, was given the defensive honors by virtue of making three unassisted and 11 assisted tackles. Robert Thornton (not pictured) received honorable mention. Offensive nod went to James Hadley who made four receptions for 71 yards. According to the Texico coaches, Hadley made some very difficult catches.

## NEWS OF SAFETY

### Tips For Motorcyclists

Knowing all you can about the motorcycle you ride or intend to ride is good preparation for safe and enjoyable riding.

• Check your chain—A well-lubricated chain will prevent wear and result in smoother operation. When the rider is off the machine, a chain should have about three-quarters of an inch free play.

• Check your tires for proper inflation and wear. Note any cuts or holes and measure the tread depth. The deeper the tread, the greater the traction. Uneven wear may be the result of an improperly balanced wheel. Be sure to inspect for loose spokes.

• Check all mechanical and electrical connections each time you ride. Nuts and bolts will loosen, as will

other connections. Also look for leaks on the pavement, parking areas and wheels—and find the source of the leakage.

Remember, motorcycle safety is no accident.

CHECK YOUR CHAIN—A well-lubricated chain will prevent wear and result in smoother operation.

## Coach Toppliff Says - - Defense Functions Well, Offense Breaks Down

Even though the Texico Wolverines lost 9-7 Friday night to Christ the King of Lubbock, head coach Paul Toppliff is not ready to throw in the towel, in fact the Texico gridmaster if far from it.

"It was a tough game to lose because we should have won it, but it by no means means that we are through as a team for this year," Toppliff commented. "We did lose, but it wasn't because we did not try."

At crucial points in the game Texico failed to capitalize on breaks and that, coupled with other factors, helped to contribute to the first loss.

"We had the ball inside their 25 four times but we fumbled twice and the quarter was sacked twice. It was things like that that really hurt us," Toppliff said.

"In order to be effective we have to be able to move the ball in the air as well as on the ground. Unfortunately, our passing attack was off Friday night and we could not compensate with a running attack either," the coach said.

The offense may have operated below par Friday night, but the Texico mentor said the defense played very well. "They hit better than they did last week," he added.

He also went on to describe one goal line stand which forced the Trojans to settle for three points instead of the anticipated touchdown. A Trojan receiver was tackled by the Wolverines, sending the ball into the air only to be retrieved by a Trojan who was on the three-yard line.

"But even with a first down at the three they could not go in for a score. I am proud of the way we held them," Toppliff said.

Christ the King outgained us by quite a few pounds, the coach said, adding, "They are probably the biggest club size-wise we will face all season."

The Texico coaches have singled out two defensive players for special recognition, Jimmy Reid with three unassisted and 11 assisted tackles was named "Wolverine of the Week" and Robert Thornton with three lone tackles and 13 assisted tackles received honorable mention honors for the second week in a row. Toppliff said Thornton is the most active "Wolverine Man" he

has ever coached. James Hadley picked up the offensive "Wolverine of the Week" honors by virtue of making "several very hard receptions."

"He dived and jumped to catch several passes," Toppliff commented. Hadley earned 71 yards on four receptions.

Barry Goode received specialty team honors.

According to Toppliff, they decided during halftime to "take the game away from Christ the King. We succeeded but failed to make the most of crucial breaks," he added.

Towards the end of the game we had swung the momentum clearly in our direction and were well on the way to scoring again when time ran out. "I know coaches often say this, but I think we would have won if we had had two or three more minutes."

The Wolverine mentor is pleased with where his ball club is now. "Last year at this point we were 0-2 and five starters were out with injuries. Now we have no injuries going into our first district game."

Joe Martinez will see limited action this Friday against Vaughn. He had been out the first two games with a knee injury. "We'll be glad to have Joe back," Toppliff said.

Toppliff also said they will make some offensive changes for this week in hopes of turning the situation around. "Previously we have been rotating Hill and Goode at both the fullback and tailback positions, but at least for this week Hill will concentrate only on the fullback slot and Goode will be a tailback," he said.

According to the Texico coach, Christ the King "double-teamed the wide receivers all night" and it "threw us off our pattern a little. We were expecting some of that but not to that degree."

Tonight (Friday) the Wolverines will host the Vaughn Eagles in the first 2-A district match. Game time is 7:30 p.m. MDT.

"Last season Vaughn was a state contender," Toppliff said. "Last week Tatum beat them 42-0."

The Wolverines have also picked up another game slated for October 13, previously listed as an open date. On that day they will travel to Clayton. Game time is also 7:30 p.m. MDT.

Tough Defensive Battle - -

# Farwell Steers Gore Morton Indians, 10-3

Downed Indian

In second quarter action Friday night at Morton the Indians started a drive at their own one yard line, but a tough Farwell Steer defense refused to "give an inch." Steers Kayle Watts (#80) and D.D. Foster (#62) seem to be surveying the scene, satisfied that teammates Robin Roberts and Rowdy Chandler have the ball carrier down.

The Farwell Steers quietly invaded Morton Indian territory Friday night, sneaking away with a slim 10-3 victory. They stand 1-1 for the season.

Mark Owen broke open the game when he scampered 71 yards to paydirt in the third quarter to give the Blue and White the winning edge.

Leading rushers for Farwell were Owen, 13 carries for 108 yards; James Castleberry, two carries for 15 yards; Rowdy Chandler, six carries for 30

yards; and Raul Garza, 10 carries for 38 yards.

Kayle Watts, receiver, caught one pass for 14 yards.

A bright spot in Farwell's play was the kicking game with Steer punters putting the ball out at the one-yard line and at the eight-yard marker. Farwell's kickers were usually successful in putting the hosts back deep into their own territory with long and high boots.

Morton drew first blood in

the waning minutes of the first quarter with a 26-yard field goal booted by Lanny Fluitt. However, those three points proved to be the only scoring for the Indians that night.

The second stanza proved to be a "see-saw" defensive battle, but the Blue and White finally broke loose with a score of its own to even the game at three all with 11 seconds left in the half. Robin Roberts booted a 31-yard field goal to earn the Steers their

first points of the game.

Midway into the third quarter, the Blue and White cranked up its TD scoring machine and Owen rolled into the end zone for the winning score of the game.

Faced with a second and 41 situation with eight minutes left in the third period Morton punted and Farwell took over on its own 35. Two plays later Owen tucked the pigskin under his arm and dashed 71 yards for the touchdown.

Roberts added the extra point to put the Steers on top, 10-3. Neither team managed to score during the remaining minutes of the game.

Once again it became a battle of defensive maneuvers with the Steers maintaining the edge over their hosts.

Late in the game Farwell fumbled a punt attempt and Morton responded by blocking the kick. With less than three minutes in the game the Indians took the ball on their own 45, but for four plays a stingy Steer defense held the Indians at bay and the ball

went over on downs.

With less than a minute to play, Morton started a scoring drive on the Farwell 45, but an alert Castleberry intercepted a pass, thwarting an Indian comeback.

## Steer Improvement Seen In First Gridiron Win

"We played better than we did last week," commented Farwell Steer head coach Don Alana following the Blue and White's narrow victory over the Morton Indians Friday night in Morton.

"The defense played better and only gave up three points. Even the offense was im-

proved, but we still lack in certain areas," Alana explained. "To be effective we must be able to throw the ball and that is something we have not been able to do the last two games."

"We are making some offensive line changes, trying personnel at different positions in order to correct our deficiencies," he said.

"It was good to win our first game of the season but we made mistakes which we think can be corrected in time. Our inexperience will improve. It is obvious to me that we have improved since the first game and I feel we will continue to improve each week," Alana continued.

Several Steers have been singled out for individual honors. Mark Owen, who scampered 71 yards for the winning score, has been named "Steer of the Week."

"He played well both offensively and defensively," Alana said. Owen was also named the "outstanding offensive back." He also cited Owen for his good punts.

Robin Roberts was cited as

the "outstanding secondary player." "He is a starter from last year. He has the experience and always does a good job for us," the Steer mentor said.

The "outstanding offensive lineman" for this week is Ricky Coleman who made four unassisted and three assisted tackles. Alana said he was the "best tackle on the offensive line."

Rowdy Chandler received the "outstanding forcing unit" honors. "Rowdy is a capable linebacker. He covers the field from sideline to sideline. We feel he is our key defensive person."

The Steers will have plenty of time to prepare for the upcoming clash with the Friona Chieftains as Farwell has an open date this Friday.

"We are going to concentrate on improving the offense and defense during workouts. We also need to be in better shape so we will concentrate on that, too," Alana said.

Friday, Sept. 29, the Blue and White will travel to Friona. Game time is set for 8 p.m.

Castleberry Carries

Farwell Steer James Castleberry carried the pigskin for short yardage on this play in the second quarter of Friday's conflict with Morton. The Blue and White captured their first win of the season, slipping by the Class AA Indians, 10-3.

### Morton Tramples Farwell Squads

The visiting Morton junior high and junior varsity teams defeated their Farwell counterparts, 16-0 and 26-6, respectively, Thursday evening before a disappointed home crowd.

The 7th and 8th Yearlings are a combined team this year due to a lack of 8th grade players.

"They did a pretty good job for a first game," commented coach Larry McDorman. "We played a lot of young, inexperienced 7th graders."

"In the second quarter Morton scored on a reverse play. Our inexperience let them do it," he continued. "Overall everyone did a good job and I'm proud of them."

Individual players drawing

the coach's praise were William Garza, Wade Kent, Steven Schilling, Alan Eubank and Elcio Silva.

Blake Buchenau earned the Farwell JV team's lone score of the ball game in the second quarter with a 40-yard scamper to paydirt. The extra point kick failed.

"They played pretty well, earning 12 first downs to eight for Morton," commented coach Mike Martin. He explained that Morton scored four times "by breaking long plays."

This week the Yearlings and the JV squad were to be open. Next action for both teams is September 28 when they host Friona.

The Easy Way Of Borrowing Money . . . . .

First Federal offers its customers an option of easily borrowed money at a low interest rate:

The BIG PLUS SHARE LOAN is designed to meet your expenditure needs without having to exhaust your savings account:

- Money for Emergencies
- Money for Enjoyment
- Money for Necessities
- Fast Money When You Need It

Characteristics of the BIG PLUS SHARE LOAN:

- Maximum Loan: Up to 90% of your Savings Account
- Term: Up to 1 year, renewable annually
- Repayment: Required interest payment every 3 months. (Interest is 1% above earning rate of savings account.)

Example: (If a loan was secured on a passbook savings account earning 5 1/4% compounded daily, the interest would be 6 1/4% per annum)

If you desire you can borrow up to 90% of the amount in your savings account, using your account as collateral. This way, although you receive the cash, your account is undisturbed and continues to earn the full interest on the full amount.

Your repayment cost is principal plus 1% above the earning rate of your account.

Sound easy? It is!

# Convalescent Center Chit Chat

As Reported by the Center Staff

Rev. Carrell Watkins, pastor of Calvary Baptist Church, held services at the Center Sunday.

During exercises Monday the newly-organized Kitchen Rhythm Band held its first practice session. So far only a few items have been accumulated, says Floe Copeland, activity director.

Members beat together several large table spoons and wooden spoons. Also used were coffee cans as drums, corrugated cardboard strips and a rub board which Nora Edens can really play, Floe says.

Ollie Utsman added her musical talents by playing the cow bell. Floe says, "We found we could keep time quite well and are looking forward to playing with the piano in the near future." Some 22 residents took part in the musical endeavor. Floe says they are also looking for a name for their group and would welcome any suggestions.

A big August and September birthday party was held last Thursday with the cake and refreshments being provided by Farwell Young Homemakers. Everyone who had a birthday gathered around the cake and blew out the candles in one big puff.

Those celebrating birthdays in August were Minnie Hand, 83, the 31st; Myron Morris, 54, the 19th; and Velma Robertson, 77, the 2nd;

Those with September birthdays were Nora Edens, 85, the 23rd; Dick Dunn, 89, the 20th; Milton Potteet, 78, the 10th; Ollie Utsman, 72, the 7th; Ida Whitener, 82, the 17th; and C.H. Whitener, 78, the 21st.

"That's a combined age of almost 700 years," says Floe. "Just think of the wisdom, experiences, hardships and good times they have had in that length of time."

New Auxiliary member helping with Bingo and the birthday party was Debbie Williams. "Welcome aboard, Debbie," says Floe. "Every-

one at the Center is always glad to have one more volunteer."

Vera "Mi Mi" Coffett returned from the hospital feeling much better. Other residents still hospitalized are Lee Orie Short, Lee Jasper and Thelma Price. Everyone wishes them a "speedy recovery."

Residents enjoyed fresh cooked peaches for a recent evening meal, courtesy of Ysleta Kittrell.

Floe's Quote: "The work of an unknown good man is like a vein of water flowing hidden underground, secretly making the grass greener." (By Thomas Carlyle from the November 1976 Readers Digest.)

Visiting Willie Shields were Rev. and Mrs. Jim Alexander. Rev. Alexander is new pastor of the Emanuel Baptist Church of Portales.

Visiting Ruth Myers were her niece Eloise McDorman and family of Fence Lake, N.M., and a grandson, Burl Mardis of Muleshoe.

Thelma Pattison reports her sister and brother-in-law, the Velmon Autreys of Augusta, Ga., will visit her for several days.

Visiting Virgil Sweat was his sister, Bonnie Prather of Bovina.

Myron Morris enjoyed a visit from his son and wife, Mr. and Mrs. Myron Lee Morris of Ft. Sumner and his youngest daughter, Libbye Morris.

Visiting Murphy Berry were Mr. and Mrs. Bill Kane of Odessa, a sister and brother-in-law of his wife, Winnie Berry.

Visiting Bill Linahan were his sister-in-law Irene Gillmore of Whittier, Calif.; Mr. and Mrs. Lewis Caton of Tucumcari, N.M., and many friends from the 21st Street Church of Christ in Clovis.

Bob Hix' parents, the L.D. Knights of Bovina, visited him

over the weekend.

Visiting Dick and Annie Dunn were their daughter, Margaret Cook of Ft. Sumner; Helen Crownover of Ft. Sumner; a grandson, Gary Cook of Friona; a son, Joe Bolin, and Mr. Webster of Ft. Sumner.

Bolin and Webster brought Annie's bed which had been repaired in Albuquerque. Dick reports he liked the Spinks v Ali fight on television recently. He originally planned to fly to New Orleans to the Super Dome to see the fight in person, but had to cancel his plans and settle for a rocking chair near the TV instead of a ringside seat.

Thelma Kittrell recently got to see her new month-old

great-granddaughter, Lindsay Michelle Kittrell, for the first time. She came with mother Cary just to see Granny Kittrell.

Visiting Mary McDerman were her grandson and family, Mr. and Mrs. Allen McDonald and children of Bellview, N.M.

Visiting Ollie Carpenter was her daughter, Helen Masson-gill of Anaheim, Calif. Members of the family have been staying most of the time with Ollie who seems much improved since her admission.

Ollie is reminded of her life style by her bonnet hanging on her wall. She received this bonnet for her 85th birthday the 22nd of June. Everyone hopes she will soon be up and around and wearing her cute little bonnet again.

**Around The House** with Laura Jacobs  
Assistant Farmer County Extension Agent for Home Economics

We all enjoy cut flowers, but they never seem to last long enough once they are in the vase. Everette E. Janne, Extension Landscape Horticulturist has some tips for us.

When you cut a rose from the plant, you sever its life support system. As soon as the cut is made, the rose, like an astronaut with a temporary life support system, is in trouble.

After the rose has been cut from the plant, make another cut about one-half inch up. Using a sharp knife or shears, with the base of the stem under water in a pan or sink or, by simply holding the stem end under running water when the cut is made, you insure a water supply to the rose.

The vase life of your roses can be increased by 30 to 50 percent if you ask your florist for a packet of floral preservative or "flower food" as it is sometimes called. Using this material in the vase water, according to directions on the packet, will keep roses in good condition much longer.

Remember, too, don't place your roses in direct sunlight, in front of a heater or air conditioner register or in a very warm room. They don't like a lot of heat and drafts. If convenient, we suggest you put your roses in a cool, dark place at night. This will slow their opening and keep them fresh for your enjoyment much longer.

## T/Sgt. Owen K. Moore Receives New Assignment

Technical Sergeant Owen K. Moore, son of Mr. and Mrs. Kenneth B. Moore of West Lebanon, N.H., has received a new assignment following graduation from the Instrumentation mechanic course conducted by the Air Training Command at Lowry AFB, Colo. His wife, Margaret, is the daughter of Mr. and Mrs. Elton Venable of Bovina.

with a unit of the Air Force Systems command. Completion of the course earned the individual credits towards an associate in applied science degree through the Community College of the Air Force.

The sergeant is a 1964 graduate of Lebanon Senior High School.

STOP!

Sergeant Moore, who learned to measure guided missile performance with electronic equipment, will go to Holloman AFB, N.M., for duty

## FIRE CALLS

Texico Volunteer Fire Department answered one ambulance call and three fire calls since the last report.

On September 14 the ambulance took a man to the hospital in Clovis.

Also on the 14th the fire trucks responded to a call to a grass fire located near Stuckey's.

On the 19th the units extinguished a truck fire eight miles north on the State Line Road. On the 20th the fire units also put out a pickup on fire at the Port of Entry.

Farwell Volunteer Fire Department reported only one ambulance call this week. On September 17 they transported a local man to the hospital in Clovis. They did not report any fire calls.

### "FELLOWSHIP WITH GOD"

Man, by nature, is afraid of God. When Adam first sinned, he should have gone immediately to God to beg forgiveness and plead for mercy. Instead he did just what millions are doing today; he ran and hid from God so that God had to come and look for him, as it were, calling: "Adam, where art thou?" (Gen. 3:9).

that we might have "redemption through His blood, the forgiveness of sins according to the riches of His grace" (Eph. 1:7).

Many people who consider themselves as good, morally, as those about them, or better, nevertheless feel utterly out of place in a place of worship, where believers pray and praise God together. This is because in their hearts they know that they have "sinned and come short of the glory of God" (Rom. 3:23).

Concerning those who respond in grateful faith and trust in the crucified, risen, glorified Lord for salvation, the Apostle Paul says:

Such, however, may come to know, love and enjoy God through faith in Christ. He was Himself "God manifest in the flesh," come to earth in love to pay for our sins on Calvary's cross, so

"Therefore, being justified by faith, we have peace with God through our Lord Jesus Christ; by whom also we have access by faith in this grace wherein we stand, and rejoice in the hope of the glory of God" (Rom. 5:1, 2).

Peace with God, and the fellowship which naturally follows is the most precious treasure the human heart can contain. Yet our fellowship with Him here on earth is but the beginning. Read carefully Ephesians 5:25-27 and see how He took on Him human form, and died, that He might have us for Himself forever.

**TINA GERIES**

Tina Geries, Texico senior, is this week's Student of the Week. Affectionally known at school as the "Laundry Lady," Tina voluntarily supervises the laundry each week for the high school athletic department. She also serves as manager for the girls' volleyball, basketball, and track teams. A member of the Pep Club and FHA, Tina is this year's Band president.

The daughter of Mr. and Mrs. Herman Geries, Tina enjoys singing, working with the Farwell First Baptist Church Puppet team, sewing and riding horses. She has won numerous awards in vocal competition.

[Selection of "Student of the Week" made by anonymous committee.]
