Merchants 20th Annual - -

Pigskin Prognosticators Primed For Predictions

Residents in the Texico-Farwell area as well as throughout the United States are once again caught in the powerful, all consuming grip of the common malady known as "football fever." Symptoms are quite common and universal, never varying much from one year to the next.

Gridiron enthusiasts everywhere are geared up for the annual football season of local high school games, college matches and pro contests. One strange side effect of this annual malady is the "football widow," a term claimed by members of the fairer sex who have either not been bitten by the Pigskin Muse or else decide that "enough is enough" long before the traditional season comes to a close.

There is no known cure for "football fever," but sufferers of this malady, take heart, it will pass just as soon as the final game has been played. So in the meantime, participate, watch, enjoy and sign up for the Area Merchants 20th Annual Football contest which begins this week in the State Line Tribune.

It's time again for pigskin strategists to sharpen their pencils and don their thinking caps for the weekly task of precisely predicting winners in the contest games. Twelve games plus a tiebreaker game will be listed each week for entrants to prognosticate.

Equal chances of winning are available to all, and the fun is in competing with friends, neighbors and family members in the yearly test of pigskin knowledge.

Beginning tonight (Friday) contestants can enjoy gridiron

clashes in their respective areas as well as compete for contest prizes.

First place weekly winner will be the recipient of a check for \$7.50 while the second place prize is \$5 and the third place winner garners a check for \$2.

The most proficient predictor of the entire contest will

receive the Grand Prize of two tickets to the Cotton Bowl and \$50, while the second best guesser will be awarded two tickets to the Sun Bowl and \$25.

Rules for the contest are the same as in previous years. Entries must be turned into the Tribune office by 5 p.m. Friday, or if mailed, must

bear a Friday postmark. Contestants must be 12 years of age or older and each persons may submit only one entry each week.

Twelve games are listed each week. To enter, all a contestant must do is circle the team he thinks will win each game listed.

Narcotics Taken - -

Bovina Pharmacy Burglarized Tuesday

Parmer County Sheriff's Department is investigating a burglary which occurred Tuesday night at Donnie's Medicine Chest in Bovina, reports Sheriff Charles Lovelace. An undetermined amount of narcotics, plus \$10 in change, was stolen, he said.

The burglars gained entry by prying open the double aluminum front doors, according to the sheriff. After entering the building they apparently unplugged the burglar alarm, he said.

"They must have been in a hurry because they left the rest of the money in the cash register," Lovelace said.

According to Sheriff Lovelace, George Johnson of Farwell was arrested Sunday night and charged with stealing pigs from Jerry Ford of Farwell. Bond was set at \$3000.

Several days ago, before the

theft of the pigs was reported, Johnson had been taken into custody for allegedly stealing furniture from a house owned by Junior Doshier. However, at that time he was released on his own recognizance. After the latest theft was discovered, Johnson was arrested.

Lovelace said they are also investigating the recent theft of pigs from Don Geries and Martin Kube, both of Farwell.

Another burglary occurred recently at the home of Maisey Flynn in Bovina. The culprits entered the home through a window, but apparently took only her purse, according to Lovelace.

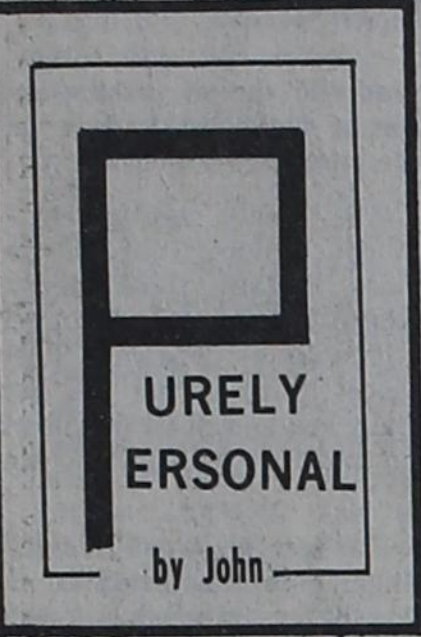

Butch Preston who lives six miles north of Friona reported that four brand new mag wheels and tires were stolen from his barn after the lock was broken off.

Several sacks of cantaloupe

were taken from the Don Williams place, seven miles northwest of Bovina.

Two cases were heard in district court Monday. A.D. Willburn, 48, of Truth or Consequences, N.M., pleaded guilty to several counts of theft by check and was sentenced to five years in the penitentiary. Barty Bartlett, 22, of Dimmitt, formerly of Bovina, pleaded guilty to possession of marijuana and was given three years' probation. Lovelace will be his probation officer.

Lovelace said that Willburn had recently been extradited from New Mexico to face charges in Parmer County. Both Willburn and David Weaver, 17, of Marysville, Calif., were transported to the state penitentiary at Huntsville Tuesday. Weaver had been charged with car theft.

Another parcel of the wisdom given to us by our founding fathers is about to sink from sight in a flood of crocodile tears by our bleeding liberal element. We are referring to the push in Congress to grant Congressional representation in the form of Senators and Representatives to Washington, D.C.

This is equivalent to giving the inmates the keys to the asylum.

In Section 8 of the Constitution, under Clause 17, Article 1, the framers of the Constitution foresaw a unique federal enclave to be the seat of government. Obviously the idea was to keep the affairs of the Nation from being influenced by the interests of the State in which it would be located.

To treat the District of Columbia as a State is the rankest hypocrisy. It is only 67 square miles in area, about half that of even tiny Rhode Island. It has nothing going for it but the Federal Government. Virtually everybody in D.C. is beholden to Uncle Sam. Don't you know that any Congressman from there would be for EXPANDING THE BUREAUCRACY?

Yes, you know it. We know it and the left leaning liberals also know it. This is the only reason for such a proposal.

The process of giving the residents of D.C. voting rights is very easy to accomplish. Give the darn thing back to the State of Maryland as an integral part of the state; then let the DC'ers vote as citizens of the State of Maryland.

Of course, this is exactly what the founding fathers did not want to happen. They did not want the Congress of ALL THE STATES to be influenced by LOCAL POLITICS. Another indication of the brilliance of the drafters of this magnificent document.

We certainly consider this fatuous proposal a significant constitutional issue and note on this proposal that our United States Senator Lloyd Bentsen voted for the proposal and Senator John Tower voted against the idea.

Naturally in an election year, Tower caught some flack from his opponent Bob Krueger. This we can expect from a politician of Krueger's rather liberal bent. Krueger, by the way, is heartily endorsed by the state AFL-CIO council, an outfit not noted for conservative thought.

As long as we are talking about our Government, let's talk about the most important cog in the entire machine - the citizen voter. Today, in Texas, there are over eight million ELIGIBLE VOTERS, but only five million REGISTERED VOTERS.

This leaves three million missing cogs in the governmental machine known as the State of Texas. No wonder it sputters along, half efficient and pleasing only the well-organized pressure groups that do go to the polls.

To vote in this fall's general election, a body must be registered and the deadline for voter registration is midnight, October 8th. Texas, through recent changes in its voter registration laws, has made registration easier and more convenient than ever before.

Voter registration is postage free, bilingual, and available at many public places as well as at the county tax assessor-collector's office.

It is the role of the government to furnish, by direction of the people it serves, the means for its citizens to remain involved in the decision-making process of government; but it is the role of citizenship to insure the involvement of all the people.

Don't Forget
Football Contest

All In The Family

Every year at this time, many area families engage in the annual pastime of testing their football knowledge and guessing skills against each other in the yearly football contest. One such example are the J.W. Eubanks of Farwell who always participate in this endeavor each year. Studying up on pigskin pointers and gridiron strategy are J.W., his wife, LeeNell, and their children, Gina and Alan. Another daughter, D'Lynn, who is away at college, has also been a faithful contest participant in past years.

Field Day To Focus On County's Needs

The latest research on cotton varieties, corn, irrigation, and weed control will be featured attractions for the 69th annual field day of the Texas Agricultural Experiment Station for Lubbock and Halfway. The event begins at 1 p.m. Tuesday, Sept. 12, at the research site, 14 miles west of Plainview.

Parmer County producers will find the program particularly applicable, said Seth Ralston, county Extension Agent.

Research efforts at the Lubbock and Halfway station focus especially upon the needs of producers in Parmer

County and throughout the High Plains of Texas.

The annual field day alternates between the TAES locations at Lubbock and Halfway. Field tours will be conducted throughout the afternoon, with tractor-drawn trailers shuttling visitors to key demonstrations.

The field day is a cooperative presentation of TAES, the Texas Agricultural Extension Service, the High Plains Research Foundations, the Science Education Administration of the U.S. Department of Agriculture, and the National Weather Service.

Principal stops on the tour of the Halfway station will feature reports on irrigation effects on corn, tests of new cotton varieties, research on weed control, effective management of farm labor, and a new mobile trickle irrigation system.

During the stops on the tour of the 320-acre research site, Experiment Station scientists and Extension Service specialists will answer questions and discuss problems with the visitors.

The field day also will present a display of machinery and equipment by area implement dealers.

Many Improvements Added At Lazbuddie Schools

by Shirley Gorman

Lazbuddie Schools may be small -- 258 enrolled as of

August 30 -- but what they lack in size they more than make up for in facilities and quality of instruction.

Monday of last week, the smell of newly-constructed buildings greeted pupils, teachers and school personnel as

the first day of the 1978-79 school year began. This year, the Lazbuddie School plant boasts several new additions and improvements which were recently completed.

Heading the list of improvements is the new band hall which is located behind and connected to the auditorium. This is only the fourth year that Lazbuddie has had a band program. When it began three years ago, students in the fifth through ninth grades were able to enroll. Each year another grade was added, allowing 10th and 11th graders to participate. According to Superintendent Sam Barnes, they lack one year of having a complete band program.

He added that they will also be receiving new band uniforms sometime this year. Sandra Strobel is the new band instructor.

The gymnasium is also brand new, featuring a 24-foot ceiling. When the gymnasium is in use during basketball season, etc., Barnes said they will block off parts of the other elementary and secondary buildings and use the existing parking lot. The new gymnasium is behind the secondary facilities.

The gymnasium also features a concession stand and "free" room which can be utilized as a place for students

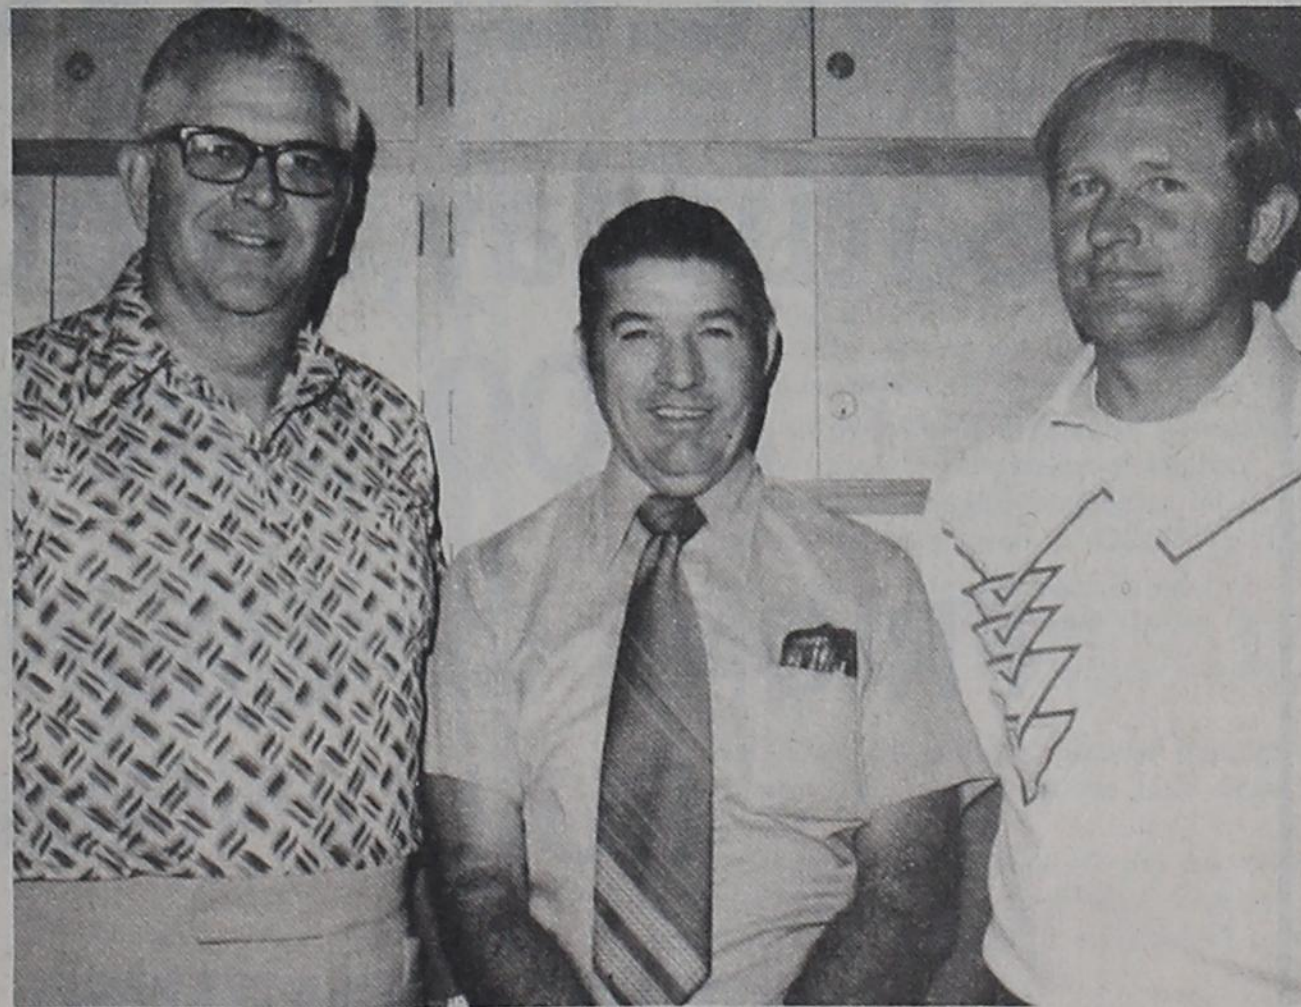

to play ping pong, etc., during physical education classes, Barnes said.

Shop students will also

attend classes in a new building outfitted with the necessary "tools of the trade." The classroom portion of the

new structure features special architectural tables for students to incorporate into their

(Continued on Page 3)

Lazbuddie Administrators

Lazbuddie School Superintendent Sam Barnes, left, is pictured with Charles Beam, center, elementary principal, and Mickey Wilson, secondary principal. Beam and Wilson teach part time, and Wilson is also girls basketball coach. Among the three administrators are 20 years' association with Lazbuddie Schools. Barnes is beginning his 14th year, Beam his sixth and Wilson his third. Classes started Aug. 28 for the 1978-79 school year.

Music Makers

School is a place where children should enjoy learning. Cristy Collum, daughter of Mr. and Mrs. Jim Collum, and Casey Russell, son of Mr. and Mrs. Kenneth Russell, beam with pleasure as they learn to make music under the patient guidance of Lazbuddie Elementary kindergarten instructor Mrs. Allene Pitcock. Classes for the 1978-79 school year started at Lazbuddie August 28.

Chow Line

Farwell Steer football players and coaches help themselves to the goodies in the chow line at the Saturday evening picnic in their honor at Farwell City Park. Several members of the Farwell Booster organization prepared and served hamburgers and watermelon for all the Steers and coaching staff. Among the hearty eaters were, at left, head coach Don Alana, and at right Richard Winegeart and D.D. Foster.

Recent Showers Deluge Texico-Farwell Area

Early Sunday afternoon the heavens opened up for a brief time and "buckets" of rain drenched the Twin Cities and surrounding area. Farwell proper recorded 1.75 inches of moisture and an estimated .90 fell in the City of Texico. Varying amounts of rainfall were reported throughout the surrounding area with one inch reported south and west of Farwell with Oklahoma Lane receiving approximately two and one-half inches in places. Lariat reportedly received 1.80 inches.

This latest rainfall followed within a few days of the approximately half inch moisture which fell in the area last week.

Seth Ralston, Parmer County Extension Agent, said the moisture was very good for the wheat planted recently as it would save slightly on irrigation. The moisture will also help the corn crops which may not have matured yet, he added.

In general, though, the rain offered little or no help to corn and cotton farmers. Ralston added that boll worms were continuing to plague the cotton plants.

For MD - - Farwell Jaycees Raise \$1206

Farwell Jaycees raised \$1206 for the Muscular Dystrophy Association during the recent bike-a-thon and Labor Day telethon which they sponsored, reports Bill Johnson. He said he was "proud of everyone in the community who donated money or helped in any way."

3:10 Friday - -

Pep Rally At Farwell

There's excitement in the air as the Farwell Steers get ready to do battle with the Olton Mustangs tonight (Friday) at 8 p.m. at Olton. In preparation for the first game of the season, the varsity cheerleaders will conduct a pep rally today at 3:10 p.m. at the gymnasium.

Each week, the cheerleaders will have a different theme to be emphasized not only during the pep rally but throughout the school week as well. "Unity" is the theme for this week.

"Unity is a feeling of responsibility to others. It will shape us into an outstanding school. It is the main thing going for us. Support the team as well as each other," the cheerleaders say.

Signs bearing the above messages have been placed throughout the high school.

Leon Langford, president of the Booster Club, and Steer Bruce Mayfield will be the guest speakers. The Steer band will play and the cheerleaders will lead the fans through a series of yells and cheers.

The Farwell coaching staff and the junior varsity and junior high cheerleaders will be introduced.

The varsity cheerleaders -- Vicki Vinton, Toby Curtis, Lisa Hughes, Jana Berry, Robin Vinton and Lorie Turner -- invite all Farwell Steer boosters to attend the pep rally and to support the Steers in their first game of the year.

Earlier this week, Texico High School was undecided as to whether to schedule a pep rally for today due to scheduling conflicts.

Farwell Fans - - Join The Caravan Going To Olton!!

All Farwell football fans are urged to join the caravan heading for Olton to attend the Steer-Mustang game tonight (Friday). The caravan, sponsored by Farwell Booster Club, will leave at 6:15, but fans are asked to gather at the high school area before 6 p.m.

Everyone is encouraged to decorate his vehicle with blue and white (streamers, paint etc.) so that, in the words of Booster Club president Leon Langford, "everyone will know who we represent."

It is hoped that more Booster Club jackets will be available for fans to pick up prior to the caravan departure. Langford says that the Steer caps might possibly be available by that time.

Heading the caravan this week will be Marlon Inman who will pull the school's victory bell in the lead vehicle.

The Boosters hope that a caravan for each out-of-town game can be organized to help build spirit among all the attendants. Announcements prior to games will list meeting and departure times.

At Tuesday night's Booster Club meeting at the high school library head coach Don Alana spoke briefly about the upcoming tilt, citing his staff's observance of Olton's scrimmage sessions.

It was announced that some 70 Booster jackets have already been sold and that 30 additional ones have been ordered. The schedule posters should be ready for distribution at next Tuesday night's meeting, and it is hoped that the bumper stickers will also be ready by that time.

PARMER COUNTY

FARM BUREAU ANNUAL MEETING

Saturday, Sept. 9
8:00 p.m.

FRIONA COMMUNITY BUILDING

REFRESHMENTS WILL BE SERVED

Lazbuddie Schools . . .

(Continued from Page 1) studies. The tables can be raised at an angle.

Located in the same building as the shop, but separated by a wall, is the new bus barn. Lazbuddie services a six-bus route and has three buses for "spares" in case of problems.

Athletic facilities for boys and girls, such as dressing rooms, are also new and attached to the gymnasium. New bleachers are being built for the stadium, and an outdoor concession stand has been recently completed.

Barnes said all the old facilities will also be utilized.

Barnes is proud of the school's facilities and he is complimentary of the teaching staff who, according to him, use a "more traditional" approach to teaching.

"We do offer individualized instruction, but in the main, the classroom is teacher-centered," he said. "We have reference material for the advanced students and remedial work for the slower students." Special education programs are also available.

This year, in compliance with state regulations, Lazbuddie also offers a breakfast program.

The schools have two libraries, one for the elementary and one for the secondary. Carolyn Blackburn helps to coordinate the two libraries and visits the schools on a weekly basis. Debbie Uphoff serves as permanent library aide.

Barnes said that they have just completed the second year of a self-study which is required by the Texas Education Agency. He explained that it is a self-evaluation program to determine strengths and weaknesses.

They are now beginning a third year of self-study as well as initiating the first year in a five-year plan to correct inefficiencies discovered in the evaluation programs conducted the past few years. The self-study will be updated each year, Barnes said. Enrollment is down approxi-

mately 50 students from last school year, according to the superintendent.

A breakdown by grades is as follows: kindergarten, 20; first, 18; second, 23; third, 19; fourth, 17, fifth, 26; sixth, 24; seventh, 18; eighth, 23; ninth, 18; 10th, 18; 11th, 21; and 12th, 13.

Barnes is beginning his 14th year as superintendent. This is Charles Beam's sixth year to serve as elementary principal. In addition, he also teaches junior high mathematics.

Mickey Wilson is beginning his third year as secondary principal. He also teaches as well as coaches the high school girls basketball team.

Other faculty members are as follows:

Elementary teachers: Alene Pitcock, kindergarten; Adeana Carlyle, first grade; Becky Noland, second grade; Jimmie Frank Briggs, third grade; Hester Barnes, fourth grade; David Faver, fifth grade; Jimmy Noland, sixth grade; and Karen Sexton, aide.

Secondary teachers: Hardy Carlyle, English and coach; Dewayne Sexton, history and coach; Dennis Owens, coach; Nick Rusciolelli, industrial arts; Scotty Windham, vocational agriculture; Marca Morris, vocational home economics; Steve Alldredge, science; and Sandra Stroebel, band.

Title I instructors are Jeanette Widner and Ann Liethen. Sue Windham and Judy Cook are aides.

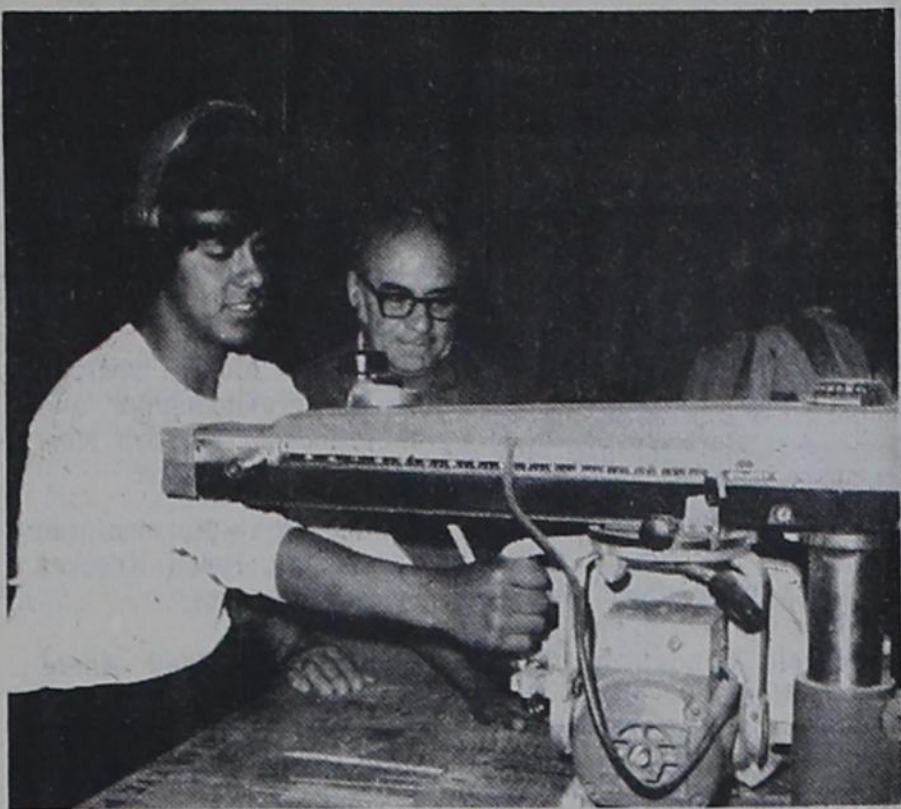

Becky Carlyle is the migrant instructor for the elementary.

Plan A teachers are Douglas Everhart, secondary, and Alice Barber, elementary. Amada Skeens is the aide.

Gloria Elliott is secretary to the superintendent. Larry Widner is the tax assessor/collector.

Omer Jacops is the bus mechanic. Custodians are Arthur Crabb, Pablo Mendoza, Sr., and Jose Luis Riojas.

Lunchroom staffers include Bertie F. Copeland, Margorine Matthews and Ivy Wall.

Lazbuddie Shop Class

Johnny Gonzales, Lazbuddie ninth grader and son of Mr. and Mrs. Leonard Gonzales, is pictured operating the radial arm saw under the supervision of shop instructor N.W. Rusciolelli. If Gonzales were actually operating the saw instead of posing for the Tribune photographer he would be wearing the protective visor over his face as a safety precaution. The new shop facilities were only recently completed and are being used for the first time this school year.

Geography Lesson

Now that the 1978-79 school year has begun throughout all the area schools teachers and their pupils are back in the classrooms having fun and learning, too. Beckey Noland, new second grade teacher at Lazbuddie Elementary School, is shown giving a geography lesson to second graders Trisha Zimmer, daughter of Mr. and Mrs. Ron Zimmer, and Scott Miller, son of Mr. and Mrs. Mike Miller.

R.G. "Bob" Westphal Services Thursday

Funeral services were to be Thursday afternoon at 2 o'clock MDT for R.G. "Bob" Westphal of Clovis, formerly of Farwell. Mr. Westphal, 54, died Monday at Clovis Memorial Hospital.

Final rites were to be at Steed-Todd Memorial Chapel with interment in Mission Garden of Memories Cemetery at Clovis. Rev. Herman J. Schelter, pastor of St. John Lutheran Church, Lariat, was to officiate.

Mr. Westphal owned and operated the Holiday Store in Farwell for 14 years, retiring in 1977. He was born March 31, 1924, at Eagle Bend, Minn., was a veteran of World War II and served five years during the Korean Conflict. He was

involved in construction in various areas of the world, including Panama, and for three years had owned and operated a motel in Holbrook, Ariz.

Survivors include a daughter, Debra Westphal of Clovis; two brothers, Ed and H.H., both of Longville, Minn., and four sisters, Mrs. Laura Muenzhuber of Long Prairie, Minn., Mrs. Alvera Fortier of Bemidji, Minn., Mrs. Alice Wolfe of Golden Valley, Minn., and Mrs. Marie Uebel of Vacaville, Calif.

Pallbearers were to be Buck Gregory, John Flaherty, Bill Christian, Neil Hendrickson, Henry Haseloff and Lee Hutchins.

Issac Smallwood Rites Monday At Muleshoe

Funeral services for Issac Smallwood, 94, of Willcox, Ariz., formerly of Muleshoe, were conducted Monday afternoon at the Muleshoe Church of Christ. Royce Clay, Church of Christ minister from Big Spring, and David Cox, minister of the Muleshoe church, officiated at the final rites.

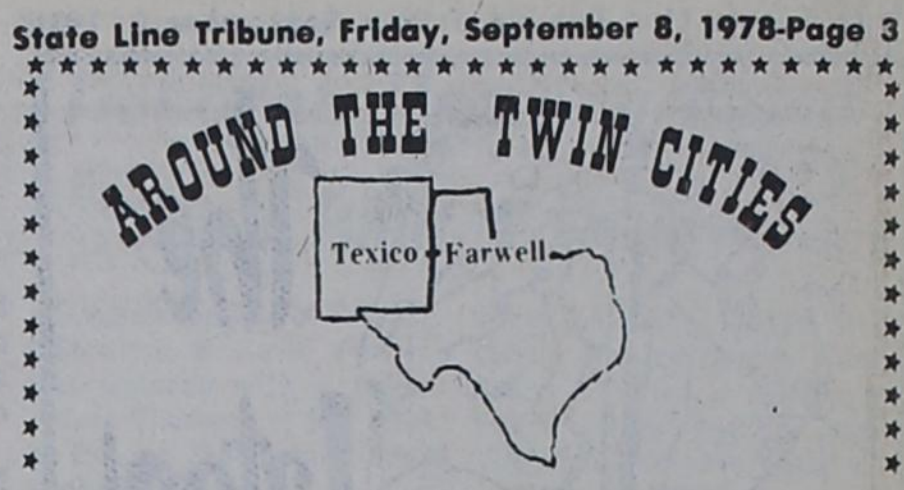

Burial was in Bailey County Memorial Park Cemetery under direction of Singleton-Ellis Funeral Home.

Mr. Smallwood died Friday

morning in a hospital at Silver City, N.M.

A retired farmer, Mr. Smallwood moved from Muleshoe to Arizona in 1972. He was a member of the Church of God. He is survived by five sons and three daughters, and several grandchildren, great-grandchildren and great-great-grandchildren. Local survivors include a granddaughter and grandson, Mrs. Pete Fulcher and Barnabas Smallwood.

Pallbearers at the services were I.W. Smallwood, Leroy Pierce, P.P. Smallwood, Jr., D.J. Smallwood, I.V. Pierce and Eugene Kerr.

Texico Chamber of Commerce will meet Monday night, Sept. 11, at 6:30 p.m. MDT at the community building.

Farwell City Council will meet Monday night, Sept. 11, at 5:15 p.m. CDT at the City Hall.

Texico School Board will meet Tuesday night, Sept. 12, at 7 p.m. MDT at the high school.

Texico City Council will meet Tuesday, Sept. 12, at 6:30 p.m. MDT at the City Hall.

Parmer County Commissioners Court will meet Monday, Sept. 11, at the site of the Bovina Dam for its yearly inspection.

Farwell School Board will meet Monday night, Sept. 11, at 8 p.m. CDT at the superintendent's office.

Dr. B. W. Armistead
Dr. Steven D. Smith
Optometrists - Littlefield
Wish to announce that with the ending of summer vacation, our offices will be open on Saturday mornings from 9:00 a.m. to 12:00 noon beginning Saturday, September 9, 1978.

Football Contest . . . (Continued from Page 1)

A weekly tiebreaker game is listed on which the entrant must record a score for each team. This game is used to determine the weekly winner in case of a tie. It does not effect the weekly win-loss total, but will be used at the end of the year to determine the overall winner in case of a tie.

Tabulation of all entries are kept on record and are always available for inspection.

Local and area merchants who are sponsoring this year's contest are: Worley Mills, Security State Bank, Farwell

Insurance, Farwell Equipment, Plains Equipment Co., Cal Jordan Implement, Interstate Fertilizer, Wooley-Hurst, Sherley-Anderson-Pitman elevators, Sherley-Anderson at Lariat, Clara's Spur Restaurant;

Also, Farm Bureau Insurance, Kelly Green Seeds, Rose Drug, Farwell Fertilizer, O.K. Tire, Castor Feed Lots, Golden West Seed, Lerice's, Farwell Pipe and Iron, Lunsford Auto Parts, Kirkland and Vinton, Capitol Foods, Western Ag, Farwell Hardware, Bob's TV, Aero Farm Chemical, Citizens Bank, and Sheets and Sheets.

Lessen hassles

AUSTIN, Texas (Spl.) — Helping the physically handicapped at The University of Texas may range from forming the High Rollers Wheelchair Basketball Team to arranging for readers for the blind.

Through its Services for Handicapped Students, UT Austin tries to lessen hassles for about 150 students who are mobility impaired or who have vision or hearing losses.

A number of UT Austin students serve as advisers for the handicapped, coordinating recreational activities, films, housing options, a special newsletter for the handicapped and a variety of other "helps."

Texico Lunch Menu

MONDAY — Corn chip pie, buttered corn, lime gelatin, loaf bread, fruit cup, milk.

TUESDAY — Hot dogs with chili, onions, pickles, French fries, peanut butter cookies, milk.

WEDNESDAY — Beef and vegetable stew, toasted cheese sandwiches, celery stick, orange half, chocolate milk.

THURSDAY — Salisbury steak, creamed potatoes, tossed salad, hot rolls, gelatin, milk.

FRIDAY — Enchiladas, Spanish rice, shredded lettuce, loaf bread, mixed fruit, milk.

BORDEN FARWELL LUNCH MENU

MONDAY - Taco with cheese, lettuce and tomato salad, buttered corn, cinnamon rolls, bread, milk.

TUESDAY - Hamburgers, lettuce and tomatoes, pickles, onions, potato chips, ranch-style beans, chocolate pudding, milk.

WEDNESDAY - Vegetable beef stew, turkey sandwich, crackers, oatmeal cookies, milk.

THURSDAY - Baked turkey and gravy, cranberry sauce, cheese potatoes, green beans, hot rolls, butter, jelly, milk.

FRIDAY - Roast beef, gravy, potatoes, creamed peas, carrots, hot rolls, butter, applesauce, milk.

The Pastor-Parish Relations Committee will meet immediately after the worship service Sunday evening, Sept. 10, in the parlor.

Following Sunday's church school and worship services, the week's activities will

include Men's Prayer Breakfast, Monday at 7 a.m., and United Methodist Women general meeting on Wednesday at 10 a.m. The program will include the continued study of women of the Bible. This study is to be led by Mrs. Margaret Aycock.

This I Know . . .

by Leonard Harper

Minister
Farwell Church of Christ

We human beings are full of questions. Baptism figures in a large number of those asked on religious subjects: "What is it?", "How should baptism be performed?", "Who can and should be baptized?", "What is baptism actually for, anyway?", and so on... Now comes the question, "WHY BAPTISM".

If our question is "Why did God choose baptism?" rather than having us do some other thing, then Deut. 29:29 is more applicable: "The secret things belong unto Jehovah our God..." On the other hand, if our question is "Why should we be baptized?", then the answer in its most simple form is, "BECAUSE THE LORD HAS TOLD US TO!"

There is an overwhelming array of passages and arguments from God stressing the absolute essentiality of baptism, for those who wish to be redeemed. In plain, one-two-three order, let us consider a fair selection of them and see the conclusion to which they clearly lead.

1. We should be baptized because baptism is authorized "in the name of the Father, Son and Holy Spirit" (Matt. 28:19).
2. We should be baptized because baptism is commanded by Christ (Mark 16:16).
3. We should be baptized because baptism was practiced by Christ's apostles who were guided by the Holy Spirit (Acts 2:38; 22:16; Rom. 6:1-4).
4. Those thousands of Jews, on the day of Pentecost when the gospel of Christ was first preached, were baptized in order to obtain the remission of sins. The same is expected of us today - yea DEMANDED - of us (Acts 2:38).
5. Then there were the Samaritans in Acts 8:5-12.
6. Saul of Tarsus became a Christian and then an apostle (Acts 9:1-18 and 22:16).
7. Although a good man, Cornelius had to be baptized to be redeemed. (Acts 10:34-48; 11:14).

HAVE YOU BEEN BAPTIZED FOR THE REMISSION OF YOUR SINS SO YOU CAN BE SAVED?

Now Open on Sunday 8 a.m.-5 p.m.

HA-LO DRIVE IN FARWELL

Visiting in the home of Mae Goldsmith of Farwell Friday through Sunday were her two daughters and families and a son and family: Mr. and Mrs. Larry Hackney of Eules, Tex.; Mr. and Mrs. Gary Capps and Cody of Panhandle; and Mr. and Mrs. Dan Goldsmith and Rachael of Dimmitt.

Visiting Mr. and Mrs. Lenton Pool of Farwell Saturday through Monday were their son and family, Mr. and Mrs. Sam Pool, John and Desta of Santa Fe, N.M.

Visitors in the home of Mr. and Mrs. Gil Patschke of Farwell were their daughters and husbands, Mr. and Mrs. Steve Blair of Montrose, Colo., and Mr. and Mrs. Rex McCloy of Stinnett. The McCloy's visited over the weekend and the Blairs, who arrived this past weekend have been visiting here all week. They have also been guests of his parents, the Joe Blairs.

Sunday afternoon the families celebrated two birthdays at a Clovis restaurant. The honorees were Nancy Blair (whose birthday is September 9) and Jeannie Norris (Blair's sister) who observed her birthday Saturday. Also attending the get-together were Mr. and Mrs. Joe Blair and Mr. and Mrs. Jack Glenn, all of Farwell, and Gary Blair of Canyon.

Recent visitors in the home of Mr. and Mrs. Charles Lovelace of Farwell were her grandson, Dennis McGee of El Monte, Calif.; her granddaughter, Marnette Reeves of Lubbock; her daughter and family, Mr. and Mrs. Joe Cox and Juanean of Bovina; her

granddaughter and family, Mr. and Mrs. Robert Lewis and Kolean of Friona; her grandson and family, Mr. and Mrs. Clint Cox and Amy of Bovina; Cox' friend, Steve Guest of Friona; and her granddaughter and grandson, Dvette and Shane Treider of Lubbock.

Mr. and Mrs. I.W. "Dutch" Quickel of Farwell returned Sunday evening from a trip to Alta Loma, Calif., where they visited their son and family, Mr. and Mrs. Bill Quickel and Allen Lee.

On August 27 several other family members joined them for a reunion, including A.J. Quickel of Hollywood; Mrs. Leona Turner of Whittier; and Mr. and Mrs. Dave Tucker of La Crensta. Both Quickel and Tucker are retired from the movie industry.

In addition to visiting relatives, the local couple also traveled to several points of interest in California, including Santa Barbara and Lake Arrowhead where they enjoyed a picnic.

COUNT CHANGE
Count change at a store. An honest mistake in the bill, with an over-charge or under-charge, can occur, says Linda McCormack, family resource management specialist with the Texas Agricultural Extension Service, The Texas A&M University System.

FRESH SPINACH
Add calcium and color to everyday salads with a generous addition of fresh spinach, suggests Marilyn Haggard, foods and nutrition specialist with the Texas Agricultural Extension Service, The Texas A&M University System.

West Camp Sets Family Night

West Camp Community will host its monthly family night celebration Saturday, Sept. 9, at 7:30 p.m. CDT at the community center.

Host couples will be Mr. and Mrs. Raymond Scott and Mr. and Mrs. Raleigh Mason. Each family is asked to bring a wedding picture and pictures of their teenage children for the "match game."

Refreshments will be watermelon and cookies.

Friendship Class Has Devotional

Friendship Sunday School class of the First Baptist Church of Farwell met at the church Monday. Following the devotional - given by Beulah McWilliams - and the business meeting, class members ate lunch at a Clovis restaurant.

Attending were Mesdames Estelle Billington, Hattie Coffey, Pearlie Gerles, Elsie Hardage, Leatha Jo Roberts, Beulah McWilliams, Edith Crawford, Sallie Chandler and Tom Paul McCuan.

Marriage Licenses

Parmer County Clerk's office has issued four marriage licenses since the last report.

They went to Terry Donald Rolan and Deborah Ann Geengeheimer; Gerado Venzo Loya and Raquel Quiros; Ramino Nicolas and Betty Garcia; and Joseph DeLaPaz and Irma Rodriguez.

Some say it's best to plant potatoes on starry nights.

Convalescent Center Chit Chat

As Reported by the Center Staff

Rev. Moody Smith, pastor of Oklahoma Lane Baptist Church, conducted worship services at the Center Sunday afternoon.

Mary Kalbas brought a large supply of cantaloupe for everyone to enjoy. Lyra Holland has started a new project. She is using a sewing machine, loaned to the Center by Pat Rose, to mend her own clothes.

Everyone is glad to have Anna Callahan feeling well enough to be up in her wheelchair most of the time.

"We are in need of several clean baby food jars," says Floe Copeland, activity director. She also reports that they are in the process of forming a kitchen band. Anyone who has any suggestions, instruments or just a little rhythm and would like to help is asked to contact Mrs. Copeland.

Items needed for the Kitchen Band include several rub boards, large dish pans, wooden spoons, rhythm sticks, triangle and metal instruments, old pots and pans that can be beaten and a French Harp, harmonica, tamborine and gourds or maracas. Anyone having any of these items is asked to bring them to the Center so that they may organize the band as soon as possible.

Liz Kaltwasser and Mary Mesman will be helping Mrs. Copeland to organize the Kitchen Band which will practice each Monday after-

noon. Alva Woodson will play the piano. "We've just been waiting for a 'jazzy' piano player to come along," Mrs. Copeland said. "We discovered her when she helped Joy Chadwick with the Wednesday morning devotional."

Thanks to the efforts of Nell Walling the usual exercises were held Monday morning. Myron Morris received word Monday morning that he has a new grandson, Christian Reymundo Sena, who was born August 30 in Albuquerque. He weighed seven pounds and five ounces.

Lois Poteet returned home Wednesday of last week from the hospital in Amarillo where she had undergone hip surgery. She was greeted with a large colorful sign saying, "Welcome Home Lois," which was signed by almost all the residents and staffers. Lois' husband, Milton also made a "Welcome Home Mamma" sign. He says he missed her very much.

Visiting Lee Jasper was his daughter Vonnie Jasper. Thelma Kittrell went to her daughter Rubie Craft's home in Farwell to visit her grandson Terry Craft, and his friend, Johnny, who were visiting from Lubbock.

Visiting Jack Hollis were Frank and Bertha Hollis of Pampa and Pete Hollis of Friona. He also enjoyed a visit from Christi Lundy whom he affectionately refers to as "sister." Christi, a former

employee at the Center, is from Friona.

Visiting Chloe Crawford were her granddaughter and great-grandson, Barbara Norris and David of Clovis.

Visiting Rhay Harmon was his daughter, Helen Knocker of Tucumcari, N.M.

Visiting Dick and Annie Dunn were their granddaughter Brenda Cook and Connie Nash from Portales; Mr. and Mrs. Sonny Rogers of Ft. Sumner; Dunn's sister and husband, Mr. and Mrs. Fred For of Ft. Sumner, and Vonnie Jasper of Roswell, N.M.

The open house and second anniversary observance has been postponed until further notice due to scheduling conflicts, reports Mrs. Copeland.

Mrs. Christian Speaks To Young Homemakers

Carrie Christian was guest speaker at the September 5 meeting of Farwell Young Homemakers. Mrs. Christian gave a "talking tour" of her trip to the Holy Lands, pointing out highlights of things and places visited by her group.

During a business session presided over by Bobbie Pierson, president, tentative plans were made for participation in Young Homemakers of Texas Week being observed September 17-23. Plans were also made to attend and work at the area convention of Young Homemakers in Amarillo on September 9.

Refreshments of fresh fruit, chocolate fondue and punch were served. Attending were Donna Grissom, Sheree Montgomery, Reba Kirkland, Nedda Travis, Linda Foster, Sharon Eubanks, Janice Fant, Bobbie Pierson, Tina Sides,

Sharlotte Donaldson, Ruth Anne Bennett, Gwen Corn, Anita Ralston and Carrie Christian.

Brad Jones On Honor Roll

Brad Jones, son of Mr. and Mrs. Joe Jones of Farwell, was one of 1,025 University of Texas students to be named to the 1978 spring honor roll in the College of Business Administration.

To qualify for the business administration honor roll, a student must have carried 12 or more semester hours of graded work, passing all courses, and have compiled at least six hours of A or above a B in all courses.

Brad is a 1976 graduate of Farwell High School.

Portraying Area Homemakers

By Shirley Gorman

Mrs. Micky (Leslie) Lunsford of Farwell, our area homemaker for this week, is kept busy these days looking after her son, little Darrell Landon who is ten weeks old.

Since Landon was born Leslie said she is so busy now that she wonders what she did before. The Lunsfords are definitely proud parents and Leslie readily states that they do not mind the changes that have come about during the past few weeks.

According to Leslie, Micky also helps out with the baby even to the point of "changing diapers sometimes." It's an exciting time for both of them, she said.

Pete, the Lunsford's three-year-old miniature Toy Poodle, is also quite taken with the new arrival. At first

he was a bit "stand-offish" as he was not sure what was going on, Leslie said. But now Pete likes to be wherever she and Landon are. He is "alert" to the baby's needs and when he hears him waking up will go and find Leslie to "tell" her she is needed.

It's all very cute, the young homemaker said. Pete especially likes to occupy the baby's seat whenever possible. When he can get to the seat and when he thinks no one notices, the little poodle will climb in for a short nap.

The Lunsfords have been married for four years. Leslie said they married a few months after graduating from Farwell High School. They have both lived in Farwell all of their lives.

She has been a member of the Baptist Young Women

organization of the First Baptist Church in Farwell for the past four years. At one time she served as the group prayer leader.

Mrs. Lunsford has been a member of the Theta Rho chapter of Epsilon Sigma Alpha sorority for one year.

Leslie says she likes to water and snow ski, adding that though they have been to the lake this summer they have not done any water skiing yet. She is currently working on a crewel project and is hooking a rug; that is, whenever she has time.

Recently she refinished their bedroom suite and they have remodeled their bathroom. They also papered the walls of the nursery.

Mrs. Lunsford did some toile painting before she was married and someday would like to take up the hobby again. She also works part time at Lerice's, a dress shop belonging to her mother Bernice Norton. She said that later if she decided to go back to work there she can take Landon with her.

Our homemaker has three recipes she has consented to share with us.

TOFFEE NUT BARS

Mix thoroughly:
½ c. shortening or butter
½ c. brown sugar
1 c. sifted flour

Press and flatten with hand to cover the bottom of ungreased 13 x 9 inch oblong pan. Bake 10 minutes at 350 degrees. Then spread with almond coconut topping; beat two eggs well, stir in one cup brown sugar and one teaspoon vanilla. Mix together two tablespoons flour, one teaspoon baking powder and one-half teaspoon salt. Add to first mixture. Mix in one cup moist shredded coconut and one cup chopped almonds. Bake 10 minutes at 350 degrees.

ORIENTAL SALAD

1 can green beans
1 can water chestnuts, sliced
1 can bean sprouts
1 can white shoe peg corn
1 can sliced mushrooms
1 jar pimento

Drain all and add:

1 onion, chopped
1 c. celery, sliced
1 green pepper, chopped
3 carrots, sliced
1 head cauliflower, broken

Mix together with big bottle of Seven Seas Italian Dressing. Chill overnight.

"BILLIE'S" CARMEN BEAN DISH

Brown together:
5 slices bacon
1 pound ground beef
1 medium onion
1 cup celery

Add:
1 can baby lima beans, drained
1 can pork and beans
1 can kidney beans
½ c. brown sugar
1 T. Worcestershire sauce
¾ c. catsup
½ c. grated cheese

Bake at 350 degrees for one hour.

Happiness Is . . .

Happiness for Mrs. Micky (Leslie) Lunsford of Farwell, area homemaker this week, is having a son named Landon who is ten weeks old and "is a joy to have." Landon loves to swing and especially enjoys the music box - located in the top of the swing - which plays a delightful tune as he swings. Happiness for Pete, the miniature Toy Poodle seen in the lower right corner, is being wherever Mother and Baby are, even at picture time.

Food, Fiber Institute Sets 3rd Annual Meet

An evening of feasting and fashion will be on tap for Lubbock when the Food & Fiber National Institute of Achievement holds its third annual meeting at the Lubbock Memorial Civic Center, September 14.

Highlight of the evening will be an 8 p.m. style show featuring 75 garments from the \$4 million designer original collection of the Texas Center for Fashion Studies-Dallas Museum of Fashion at North Texas State University.

The "Taste of Texas" buffet, catered by the Texas Agriculture Products (TAP) marketing division of the Texas Department of Agriculture, will be at 6:30 p.m., preceding the style show.

The fashion show will feature original creations by Christian Dior, Chanel, Bill Blass, Pauline Trigere, Mollie Parnis, Galanos and Balenciaga. Included will be a

special showing of gowns worn by movie stars such as Greta Garbo, Claudette Colbert, Joan Crawford and Clara Bow, and a scene called "The Fashionable Ladies of Texas," honoring Texas women who have donated most of the Center's 3,000 apparel articles.

The show will also offer a preview of fall fashions from Hemphill-Wells and Margaret's as well as original creations by Texas Tech students.

Betty Marzan, curator of the Center-Museum, will coordinate the show and serve as commentator. Creative direction will be by Dwight Byrd, choreographer for the Dallas Apparel Mart. Texas Tech students will model the clothes.

"The 20th Century in Fashions" will be comprised of garments spanning 200 years, with emphasis on how fashions reflect the evolution of 20th

Century lifestyles. Cotton, linen, silk, wool and mohair will be among fibers represented.

The "Taste of Texas" buffet will include steamboat round roast, smoked turkey, sausage balls con queso, chips, dips and all the trimmings; plus wine tasting provided by Lubbock's own Llano Estacado Winery.

Tickets for the buffet and style show are \$5. Tickets for the show alone are \$2. Tickets can be obtained from Food & Fiber at Box 10436, Lubbock 79408 (747-1649), and at the Lubbock Chamber of Commerce, Hemphill-Wells, Sears and Furr's Family Center.

To Meet

The Panhellenic Alums will meet Wednesday, Sept. 13, at 7:00 p.m. MDT in the Reddi Room of the Southwestern Public Service Building, Fifth and Pile Streets in Clovis.

Deborah Harding Feted With Bridal Shower

Deborah Harding of Farwell, bride-elect of Kevin Penner, was honored with a bridal shower Thursday of last week at Hamlin Memorial United Methodist Church.

Decorations were carried out in the bride's chosen colors of candlelight and brown. The serving table was covered with a candlelight tablecloth and centered with an arrangement of dried flowers in fall colors. The gift, made by Mrs. Joyce Coffman, was presented to the bride-elect.

Silver and crystal appointments were used to serve cookies, nuts, coffee and punch.

Kitchen corsages were presented to the bride-elect, her mother, Mrs. Hurshel Harding; the prospective bridegroom's mother, Mrs. Robert Penner of Big Spring; and the bride-elect's grandmothers, Mrs. N.R. Harding of Farwell and Mrs. L.B. Hart of Portales.

Guests were registered at a table covered with a candlelight cloth and centered with a portrait of the bride-elect and prospective bridegroom. The hostess gift was a food processor.

Hostesses were Diane Actkinson, Margaret Aycock, True Bell, Gaye Coffman, Joyce Coffman, Irene Jones, Mar-

garet Landrum, Loyce McClesky, Bernice Norton, Mary Jean Patrick, Charlotte Pierce, Johnnie Rundell, Alice Vinton and Marjorie Watkins.

In other pre-nuptial courtesies, the bride-elect was feted with an open house at the home of her future parents-in-law at their home in Big Spring on July 29. She was also feted with a miscellaneous bridal shower in Big Spring on August 17.

Girl Born To J. Birchfields

Mr. and Mrs. Jimmy Birchfield of Dallas are parents of a daughter born September 2. The new arrival, who has been named Kendra Gail, weighed seven pounds, eight ounces at birth.

She has one brother, Kelly, who is 16 months old.

Paternal grandparents are Mr. and Mrs. Curtis Birchfield of Farwell. Mr. and Mrs. Jack Stroman of Silver City, N.M. are the paternal grandparents.

The paternal great-grandparents are Mr. and Mrs. F.E. Lindsey of Idalou and the maternal great-grandparents are Mr. and Mrs. N.G. Stroman of Las Cruces, N.M.

Surprise Party Honors Mrs. Harvey Hudnall

When Mrs. Harvey Hudnall of Farwell returned home from church Sunday, her husband met her in the driveway, saying he wanted to take her out to dinner. But first, he said, they needed to go into the house. When they opened the front door, Mrs. Hudnall's entire family yelled "surprise" and "happy birthday." Mrs. Hudnall's actual birthdate was Tuesday.

Everyone enjoyed a dinner of barbecue beef, smoked ham and fried chicken. The food was provided by all of Mrs. Hudnall's children and her mother, Mrs. Claud Heath of Farwell.

Following the meal, fresh peach ice cream was served with the birthday cake which was made by the honoree's daughter, Mrs. Sue Harmon of Portales. The cake was frosted with orchid and purple icing

and decorated with a family tree on top. In the branches of the tree were individual pictures of Mrs. Hudnall's eight grandchildren. She also received many gifts.

Arrangements for the surprise dinner and birthday party were made by Rev. Hudnall. Everything was really a surprise as all of the vehicles were parked out of sight in the Heath's yard and driveway.

Those present besides the honoree and her husband were her parents, the Claud Heaths, and the Hudnall children and families; Mr. and Mrs. Johnny Warrick, Renee and J.W. of Lubbock; Mr. and Mrs. Jimmy Jordan, Justin and Jennifer of Farmington, N.M.; Mr. and Mrs. Robert Harmon, Bob, Brenda and Bryce of Portales N.M.; and Dr. and Mrs. Wayne Hudnall and Eric of Canyon.

Golden Circle Class Has Social, Meeting

Golden Circle Sunday School Class of the First Baptist Church in Texico met Tuesday in the home of Nora Day for a business and social meeting.

Refreshment of hot rolls, butter, jelly, cheese, peach cobbler with ice cream, coffee and tea were served. Mary Dorris asked the blessing.

It was announced that Bernice Thigpen would provide flowers for the classroom at the church.

A "piggy bank" report was given. Mrs. Thigpen is to check into the possibility of the class furnishing two subscriptions to the Tribune for the Convalescent Center.

A social committee was appointed to decide the time and place for the officers installation to be next month.

Ruth Reid gave the devotional: "Divide your sunshine" from Psalms 84:11 and "A laugh is just like sunshine," from Romans 12:10. She also sang "Safe In His Hands."

Meditation and prayer was played from a recorder. Nora Day read a poem, "The Big Mouth Bass." Wanda Walker gave the dismissal prayer from James 1:19.

Present were Mesdames Walker, Reid, Ophelia Billington, Iona Chappell, Thigpen, Dorris, Minnie Hagler and the hostess, Mrs. Day.

Wolverine Leaders

These Texico Wolverine leaders are united in their determination to have a winning season this year. Head mentor Paul Toppliff, right, is pictured with team captains, from left, Keith Hadley, Jimmy Reid and Doug Scioli. The Green and White travel to Mountainair tonight (Friday) for the season opener for both teams.

First Game - -

Texico Wolverines Travel To Mountainair Tonight

After several long weeks of workouts, practice drills and scrimmages the Texico Wolverines are ready for a real gridiron contest. That feeling was expressed Tuesday by head coach Paul Toppliff. The Green and White will get their chance tonight to utilize their skill, efforts and spigskin knowhow as they travel to Mountainair, N.M., for the first game of the season. Going into the initial gridiron battle of the 1978 season, the Wolverines are faced with only one major injury. Joe Martinez is still out with an

injured knee, but he is improving so well that Toppliff said they will probably get him back sooner than expected, perhaps even by the first home game slated for September 22. Other than that one injury Toppliff said they "look pretty healthy" for the first game. He as well as the Wolverines are ready to play. "You can only practice so much and then it is time to play," he said. "We need this game to find out what we are made of. I believe we are all right, but you never know until you

actually start playing." Depth is still a problem for the Green and White and, according to Toppliff, the key to having a successful season will be keeping the players healthy. We have to stay well and avoid major injuries if we are to be competitive, Toppliff said. He complimented Ron Kirby, calling him "one of our best blockers." Toppliff added that Kirby had been "performing as a guard." Captains for the 1978 squad are Keith Hadley, Jimmy Reid and Doug Scioli.

Host Grady Next - -

Texico Roundballers Season Underway

Texico Wolverine girls hosted Dora Tuesday night for the first round of volleyball action. Playing their season openers were the varsity, junior varsity and junior high teams. Full reports will be published next week. Prior to the first game of the season, the varsity girls scrimmaged Clovis last

Wednesday at the Wolverine Gym. No scores were kept but the teams did enjoy a "good workout." Coach Rebecca Toppliff was pleased with the team's first encounter with organized play for the 1978 season. "It also showed me areas where we need to improve," she said. Mrs. Toppliff cites lack of

aggressiveness as a weakness which they are working on. "We just need to be more aggressive, but it takes time to develop. The girls have to find it within themselves," she added. Several Wolverines "serve well," according to Mrs. Toppliff. "We are working on learning to spike the ball better. It takes time to learn all the techniques in volleyball, but we are making progress." Varsity team members include Lori Harrington, Jana Jesko, Teresa Turner, Tonye Harrington, Celia Johnson, Pam Southard, Flo Orozco, Liz Cavallero and Becky McDonald. Junior varsity players are Lisa Coffey, Roxanne Cherry, Kerri Donahey, Kelly Dobbs, Schree Rucker, DeLinda Duncan, Teresa Colledge, Leslie Elliott and Sonia Thigpen.

Employees Earn Safe Driving Awards

Safety is a number one concern of Deaf Smith Electric Cooperative. Recently 18 REC employees who have been assigned responsibility for various vehicles were honored with a breakfast by USF&G Insurance Co. for their safe driving. Calvin Stevens of USF&G Co., Lubbock, and Bud Eades of Plains Insurance, Hereford, complimented these drivers for their skills, expertise and safety consciousness, despite their continued exposure to accident-causing situations. Certificates were presented to drivers who logged a total of 510,318 miles from April 1, 1977 through March 1, 1978. Boyd Collins was cited for driving 17 years without an accident; Tommy Weemes 16

years. Others receiving awards included Danny Bumpass, Fred Cano, Marion Carter, Morley DeSautell, Harold Finch, Sam Garrison, Max Griego, Ed Hartley, Jimmy Holmes, James Hull, Lee Jones, Dick Montgomery, Loran Nixon, Lonnie Noyes, Don Rieves and David Spain. These employees have accumulated a total of 103 years of safe driving.

At Olton Tonight - -

Rip-Snortin' Steers Ready For Olton Mustangs

For several weeks now the Farwell Steers have been busy getting into shape, working out, learning new strategies and brushing up on gridiron skills. It all comes to a head tonight (Friday) as the Blue and White take to the road to butt heads with the Olton Mustangs, in the season opener for both teams.

Steer mentor Don Alana feels his team is ready, and he expects the first game to be a good, tough clash.

After observing Olton in a scrimmage with Cooper, Alana said they "look pretty good." "They are tough and have about as much speed as we do. They are also about our size."

This week the Steers and

coaching staff have followed regular workout sessions because in the words of Coach Alana, "When we play Olton we want to do what we do well."

When the Steer offense takes to the Mustang field tonight, quarterback Robin Roberts will direct the attack. Mac Langford will hold down the center slot and Bruce Mayfield and D.D. Foster will be the guards.

At the tackle positions will be Rowdy Chandler and Leonel Jaime. Kayle Watts will come in as tight end and James Castleberry will take the flanker spot. Kirk Magness will be the split end and Raul Garza and Max Lonsdale will be the fullback and tailback, respectively.

Castleberry, Lonsdale, Roberts and Mark Owen will compose the defensive secondary. On defense, Watts and Mayfield will take the end positions and tackles will be Rance Williams and Jaime. Linebackers will be Chandler, Foster and Garza.

The Steers were rated fourth in District 3-A last week by the Amarillo Globe-News, positioned behind Kress, Vega and Springlake-Earth, who were picked to finish in the first

three places. Bovina and Hart were rated fifth and sixth, respectively.

Kenneth W. Tidmore, Globe-News sports writer, also made the following statement concerning the Steers: "The Steers should manage to stay above the .500 mark as they did a year ago, but it'll be tough all the way."

The Olton Mustangs also have a new head coach -- Larry Shackelford. Last year they finished with a 2-8 record

and were 1-4 in District 3-AA.

For the 1978 season the Mustangs are picked fourth in their district. Recently the Lubbock Avalanche-Journal quoted the Mustang mentor as saying he was "impressed with the strength of the offensive backfield." We will be "pretty experienced," he went on to say.

For the most part, the Mustang defense will be intact as all of the defensive and secondary have returned.

Texico Jr. High Game Is Re-Scheduled

The first game of the Texico Junior High football season has been rescheduled due to conflicts.

The Green and White match,

featuring the eighth versus the ninth graders, will be played this Monday night at 7 p.m. rather than this Saturday at 10 a.m. as originally planned.

New Texas School Immunization Laws

The Texas Department of Health and Texas Education Agency have issued some new requirements for school immunizations, becoming effective this September and September 1979.

In review, the requirements have been: DPT or DT - at least 3 doses, the last being during or after the month of the 4th birthday, and a booster in 10 years.

Oral Polio - at least 3 doses, the last being during or after the month of the 4th birthday.

Red Measles or Rubella - 1 dose for all students under 12 years old, or having had the illness.

3 Day Measles or Rubella - 1 dose for all students under 12 years old, or having had the illness.

The new requirement for September 1978 is: all students under 12 years old must have had red measles illness, or the measles shot during or after the month of their 1st birthday.

The children in Farwell schools who don't meet this requirement have been notified, and notes sent home to their parents.

There are more new requirements for September 1979, and parents may wish to take note in preparation.

1. Children in kindergarten and first grade must have mumps vaccine or present a doctor's statement that they have had mumps illness.

2. Before September 1, 1979, a report of red measles or mumps illness is acceptable from the parents or guardian, and will remain accepted through the student's school years. After September 1, 1979, all new reports of red measles or mumps illness must be verified by a doctor's written statement.

If parents have questions or would like more explanation, they may call the elementary principal's office and leave a phone number. The school nurse will return the calls on Mondays and Tuesdays.

Face Happy Tonight - -

Lazbuddie Longhorns Ready For First Game Of Season

The Lazbuddie Longhorns, under the direction of three-year veteran Coach Dewayne Sexton, will invade Happy country tonight (Friday) seeking to win their first regular

season game. In preparation for the initial contest of the 1978 gridiron season, the Orange and Black scrimmaged Wilson and Nazareth recently.

The first encounter -- with Wilson last week -- Sexton would just as soon not talk about as the Longhorns made a poor showing. He said they made several mental errors

and managed to gain only 180 yards.

But Thursday of last week, things changed. The Longhorns hosted Nazareth in another scrimmage, besting the visitors, 4-2, and gaining 382 yards to Nazareth's 115.

Sexton is proud of their effort as well as the victory. "We're young, but we look real good," he said. "We are ahead of last year at this point in the season."

Sexton is assisted by newcomer Jimmy Noland who is in charge of the offensive and defensive lines. Noland, a former Lazbuddie graduate, joined the high school faculty at mid-term last year.

Hardy Carlyle, who is beginning his second year, coaches the receivers and defensive backs.

Sexton is also the head junior high coach.

Lazbuddie has 25 players out for this year's Orange and Black squad of which seventeen are returning lettermen. Three members of the squad are seniors but one has never played football before. Four Longhorns weigh only slightly over 100 pounds, Sexton said.

"We lack depth. Because of that we can only be just as good as our injuries will let us be," he said.

If these words do indeed have a ring of truth in them, then the Longhorns might

have a problem or two to cope with as the injury "bug" has already bitten one player -- Dennis Steinbock, who broke a bone in his wrist during a recent practice session.

"At the time of his injury, Steinbock was our best defensive player," Sexton said. "But since then, some others have begun to come to the front." Steinbock is expected to be "out of action" for three to six weeks.

Lazbuddie is a Class B ball club competing in District 2-B. Speed is a major weakness of the team, according to a head mentor. The least depth is in the linebacker slot.

He said the Longhorns will use a pro-style balanced offensive attack. "We'll run some option plays," he added, "but will use the Houston Veer mainly." The Longhorns will run a split four defense basically, but will shift as necessary.

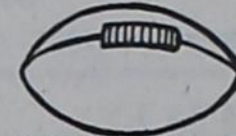

The Lazbuddie gridmaster said that Happy is slated to be "a much improved team." But according to "Top-o-Texas" magazine, "size, depth and inexperience are drawbacks for the Cowboys."

Happy head coach Bill Hulse has seven lettermen including three offensive and four defensive starters back, but only three seniors and two juniors listed on the roster. Very few Happy Cowboys tip

the scales past 150 pounds.

Sexton said the Longhorns select captains for each game. Then at the end of the season team captains are elected. It is an honorary title reserved for the most deserving team members, he said.

After each game, the Longhorn coaching staff gives "most valuable" player recognition to an outstanding offensive and defensive man as well as a "strike" award to the player who gets the best hit in the game.

Return To Class

Betty Turner, right, Farwell elementary teacher, and the friendly octopus welcomed Todd Lingnau, son of Mr. and Mrs. Delbert Lingnau, and other sixth grade students as they returned to class last week for the beginning of the 1978-79 school year. "The fun of learning about physical education, science, math, social studies, reading, music, art and English has begun," is the message given by the octopus.

TWO MINUTES WITH THE BIBLE

BY CORNELIUS R. STAM PRES. BEREAH BIBLE SOCIETY CHICAGO, ILLINOIS 60635

THE TRIUMPH OF FAITH

"This is the victory that overcometh the world, even our faith" (I John 5:4).

There are many who look at faith as an abstract sort of thing. Some suppose faith is merely looking on the bright side of things; to others it is willpower; still others confuse it with a person's viewpoint.

In the Bible faith is simply believing God. The Apostle Paul declares in Romans 4:5:

"To him that worketh not but BELIEVETH on Him that justified the ungodly, his FAITH is counted for righteousness."

The above passage from I John also makes this plain, when seen in its context:

"This is the victory that overcometh the world, even our FAITH."

"Who is he that overcometh the world but he that BELIEVETH that Jesus is the Son of God" (Vers. 4,5).

It is, then, the believer in Christ, and *only* the believer in Christ, who can overcome the world. Unbelievers are swept away by the attractions and the pretensions of this world-system.

St. Paul declared by divine inspiration that unbelievers' follow "the course of this world," directed by Satan, "the spirit that now worketh in the children of disobedience" (Eph. 2:2).

We do not mean to imply that believers are not often tempted to follow "the course of this world." Indeed, the world would sometimes dominate us, but "this is the victory that overcometh the world, even our faith."

On The Farm In Parmer County

By SETH RALSTON
County Agent

Wheat producers, commencing their planting in the major wheat growing areas of Texas, are faced by a problem that has been increased by the summer drought in much of the state: procuring good wheat seed.

Obtaining good wheat seed may be more difficult than usual this season as drought and disease have caused extreme shriveling and low test weight in most areas. Good seed is an important aspect in the successful production of any crop.

It is very risky to plant wheat seed that is shriveled or damaged by fungus organisms that cause diseases such as glume blotch and black point. In such seed, the disease organisms are present in large numbers ready to attack the wheat, especially if it is subjected to heat, moisture or cold stress.

When it is absolutely necessary to use seed that may be harboring disease organisms, thorough seed treatment with an effective labeled fungicide is essential.

If planting a field that produced diseased wheat the previous season, seed treatment will help to avoid problems, but may not eliminate the disease potential.

Plump healthy seed of an adapted variety is the ideal sought by successful producers. However, seed shriveled by drought can be used successfully in some situations if proper precautions are taken. Do not use shriveled

seed where it is necessary to plant deep to reach adequate moisture for germination. Germination plus emergence from a three- or four-inch depth requires a lot of energy.

The reduced size of the endosperm in shriveled seed definitely limits the amount of energy stored in the form of carbohydrates and starch. Food reserves derived from the seed are necessary for germination, emergence and early growth of the seedling until sufficient leaves are formed to supply energy through photosynthesis.

In semi-arid areas such as the High Plains, wheat is sometimes planted in dry soil in anticipation of rain at some later date. Shriveled seed is not well adapted to such situations because it lacks vigor and is more subject to disease invasion as well as insect damage. Even plump normal seed should be treated with a protective fungicide and insecticide.

Shriveled seed also presents a problem in determining the correct seeding rate for a desired stand. In a shriveled seed lot, a bushel by weight may contain twice as many seeds as a plump seed lot. Under optimum conditions, even the most shriveled seed may produce a plant resulting in too thick a stand. On the other hand, if conditions are even slightly adverse many of the shriveled seeds may fail to germinate, resulting in a thin, uneven stand subject to weed competition and without potential for maximum yields.

Dates Given For Texico ACT Tests

Will it be education or vocation after graduation?

An answer to that question and the subsequent planning for either school or job are facing Texico High School students, especially juniors and seniors, as they begin the 1978-79 school year.

Guidance counselors, parents, friends, and a national service called the ACT Assessment Program will play important roles in that decision-making and planning for many of the students.

Designed to provide extensive guidance information for education and career planning, the well-known and widely used ACT Assessment Program is recommended for use by student applicants at nearly 2,700 colleges, universities, and scholarship programs.

Texico High School students will have five opportunities

during the 1978-79 school year to make use of the national program, which consists of four tests and a two-part questionnaire. Students complete the questionnaire at home as part of the program's registration process, and then take the battery of tests at area test centers on any of five weekend national test dates, said James Harding, high school principal.

The five 1978-79 national test dates (and corresponding registration periods) are:

- October 21, 1978 (August 7 - September 22)
- December 9, 1978 (October 9 - November 10)
- February 10, 1979 (November 27 - January 12)
- April 7, 1979 (January 29 - March 9)
- June 23, 1979 (March 26 - May 25)

At area test centers on those

five dates it takes students about three hours to complete the ACT Assessment's four exams covering subject areas of English, math, social studies, and natural sciences. On any of the five test dates, most local students will take the tests at Clovis High School.

Harding said the test scores provide an assessment of general educational development and the questionnaire section information focuses on academic and nonacademic accomplishments and interests

anticipated needs, as well as career and educational interests and plans. The basic student fee for using the ACT Assessment Program this year remains \$7.50.

In addition to being used by students and their high school counselors, the extensive information provided by the ACT Assessment is also used by colleges for academic advising, admissions counseling, course sectioning and placement, student services, and institutional research.

Navyman Guy Whitesides Completes Recruit Training

Navy Seaman Recruit Guy H. Whitesides, son of Mr. and Mrs. Guy A. Whitesides of Farwell, has recently completed recruit training at the Naval Training Center, Great Lakes, Ill.

During the eight-week training cycle, he studied general military subjects designed to prepare him for further academic and on-the-job training in one of the Navy's 85 basic occupational fields.

Included in his studies were seamanship, close-order drill, Naval history and first aid. Personnel who complete this course of instruction are eligible for three hours of college credit in Physical Education and Hygiene.

A 1978 graduate of Farwell High School, Whitesides joined the Navy in June 1978. Whitesides has been in Farwell visiting in the home of his parents on a two-week

leave after completing basic training. He left last Thursday for Millington Base in Memphis, Tenn., where he will be stationed for ten weeks.

\$7.50 - 1st Place

\$5.00 - 2nd Place

\$2.00 - 3rd Place

1. There are 12 football games listed.
2. Pick the team you think will win in each game and circle the WINNER'S NAME.
3. PICK THE SCORE of the GAME OF THE WEEK and place your guess in the appropriate blank on the entry. Bring or mail the entry blank to The Tribune office by 5 p.m. Friday of this issue.
4. Tabulations of individual entrants will be kept all season and at the end of the season Grand and Second Prize winners will be named.
5. Only one entry blank may be submitted per individual.
6. Tabulations will be available for public inspection.
7. Contestants must be 12 years old or over.
8. Game of the Week used as the tiebreaker only.
