Three Women Win Top Places In Contest

No doubt about it. Area pigskin enthusiasts definitely get a good workout each week as they enter the weekly guessing arena, otherwise known as the Area Merchants 20th Annual Football Contest.

As the contest enters its sixth week, the games get tougher to choose and the tiebreakers become more difficult to decide.

Diane Actkinson of Farwell made the guessing look easy last week though, picking 11 winners and only missing on the tie game between Kress and Happy. She was the only person to call 11 games correctly and missed the tiebreaker by only four points to claim the first place check

of \$7.50.

Close on the heels of the winners were five persons who called 10 games right; however, by virtue of the pesky tiebreaker, Gaye Coffman captured second place and a \$5 check by being off only eight points. Roxie Chandler won third place and a check for \$2

by calling 10 right and missing the tiebreaker by 12.

Hopefully, the gentlemen guessers have noticed by now that all three top winners in last week's contest were women; so don't be offended if a lady wants to give you some advice on armchair quarterbacking.

Others calling 10 games correctly were Fred Chandler who missed the tiebreaker by 13; Judy Smith who missed it by 15; and Johnny Actkinson who missed it by 17.

After last week's scoring, Eugene Lonsdale Sr., edged Jim Berry out of the first place slot in the overall contest. Lonsdale has a total of 42 points along with Karen Lusk who has been in the first place position for the past two weeks.

Jerry Roddam is all alone in second place with 41 points.

Berry dropped to third overall with 40 points. Joining him in that slot are Marlon Inman, Champ Porter, Marilyn Rains and Radney Robertson.

Thirteen people occupy fourth in the overall contest with 39 points. They are David Dannheim, Lorine Dannheim, Rocky Ford, Randy Geries, Jack Allan Kirkland, Nicky Liethen, Tim Lusk, Larry McDorman, Carlton Newell, Mark Owen, Earlene Porter, Robin Roberts and Beulah Williams.

Fifth place belongs to the following persons who each have amassed 38 points: Johnny Actkinson, Karyn Blain, Gaye Coffman, Carl Dean Goettsch, Greg Hromas, T.J. Kittrell, Sherree Montgomery, Pat Owen, Dorothy Quickel, L.C. Roddam, Rose Roddam, Terry Sherrill, Judy Smith, Steven Smith and Jo Walker.

It's still a long way to the finish line and, at this point, anyone has a chance of winning the grand prize of two tickets to the Cotton Bowl and \$50, or the runner-up prize of two tickets to the Sun Bowl and \$25.

Even if you haven't entered before, it's not too late to get in on the weekly pastime or armchair quarterbacking and selecting potential victors.

Homecoming Royalty

Karyn Blain, daughter of Mrs. Billie Blain, and Rowdy Chandler, son of Mr. and Mrs. Fred Chandler were crowned 1978 Homecoming Queen and King Friday afternoon during the traditional homecoming pep rally. The honorees are holding blue and gold crowns made by Shirley East, high school art teacher. The crowns are decorated with blue, green and red sparkling gems. Karyn was the junior candidate and Rowdy, a senior, was the candidate-at-large.

Blain, Chandler Crowned At Farwell Homecoming

The 1978 edition of Farwell High School Homecoming is past history, but the fun, excitement, and good times, enjoyed by all will long be remembered.

Karyn Blain, daughter of Mrs. Billie Blain, and Rowdy Chandler, son of Mr. and Mrs. Fred Chandler, were crowned the Homecoming Royalty. Last year's honorees, Penny Hughes, daughter of Mr. and Mrs. Walter Hughes, and Vick Christian, son of Mr. and Mrs. Troy Christian, placed the silver and blue crowns on the 1978 queen and king.

The queen's attendants wore silver tiaras presented to them by the football players. The new queen received a bouquet of red roses. The colorful jeweled crowns were made by Shirley East, high school art teacher.

Also vying for the title of queen and serving in the royal court were Roxie Chandler, daughter of Mr. and Mrs. Martin Chandler; Vicki Vinton, daughter of Mr. and Mrs. Robert Vinton; Robin Vinton, daughter of Mr. and Mrs. Robert Vinton; and Janene Berry, daughter of Jim Berry and Patsy Berry.

Other king candidates were Kayle Watts, son of Billy Watts

of Lubbock and Mina Sheets of Farwell; Leonel Jaime, son of Mr. and Mrs. Julian Jaime, Sr.; Richard Carpenter, son of Mr. and Mrs. Harold Carpenter; and Brent Green, son of Mr. and Mrs. Doyle Green.

The coronation took place during the pep rally Friday afternoon following the parade.

The royal couple sat on white wrought iron furniture. Intertwined blue and white streamers formed the backdrop and the word "success" was worked into the blue crepe paper used to decorate the south goal. The northern goal was also decorated with blue paper and lined with blue and white streamers extending to the floor.

The Queen and King and attendants walked down an aisle made of blue paper and lined with the blue helmets of the football team. Other decorations consisted of yellow paper crowns, red stars and blue numeral ones, cut out of paper and attached to the walls of the gymnasium.

Small victory cups were placed on the floor in front of the chairs provided for all the attendants.

Various cheers and routines were provided by the Steer

band and cheerleaders and twirlers who performed throughout the pep rally.

Dorris White, high school teacher, provided the welcome and introduced all candidates. She and Cocah Don Alana announced the Queen and King for this year.

W.M. Roberts, school superintendent, was the main speaker. His topic was "Success," and he also remarked that it was the 70th anniversary of Farwell Schools. He also thanked everyone who participated in the Homecoming preparations.

Rowdy Chandler also addressed the standing-room-only crowd.

A special feature of this year's homecoming, and one that is hoped to become an annual event, was the Homecoming Parade which got underway Friday afternoon and passed in front of the Convalescent Center, crossing over through the Courthouse parking lot and down Third Street to the high school parking lot where it dispersed prior to the start of the pep rally.

The event was sponsored by the high school Student Council. The junior class float (Continued on Page 2)

MEREDITH ANDERSON

Funeral Services Held For Meredith Anderson

Funeral services for Meredith Anderson, 26, were conducted Saturday morning, Oct. 7, at First Baptist Church, Farwell, with Rev. J.L. Bass and Rev. Dudley Bristow officiating.

Miss Anderson, daughter of Mr. and Mrs. Bob Anderson of Farwell, died last Wednesday in a Waco hospital from injuries received in an accident near her home at Laguna Park. She suffered massive head injuries when struck by a car while she was jogging Saturday, Sept. 30.

Interment was at Sunset

Memorial Terrace Cemetery under the direction of Steed-Todd Funeral Home.

Miss Anderson was born in Clovis on July 30, 1952 and was reared in Farwell, graduating from high school here in 1970.

She attended SMU in Dallas where she was a member of Kappa Kappa Gamma sorority and graduated from Houston Baptist University, receiving her bachelor's degree. She received her master's degree in psychology from Texas Tech and also attended college at Lake Forest College in Illinois.

She was on the staff as a psychologist at the Heart of Texas Mental Health-Mental Retardation Center and had lived near Waco for 11 months. She had recently been accepted for medical school at the University of Utah in Salt Lake City, Utah.

Survivors in addition to her parents are two brothers, Bob Scott of Waynesville, Mo., and Will Anderson with the United States Navy in San Diego, Calif.; one sister, Caroline Anderson of Dallas; a sister-in-law, Carolyn, and nephews, Scott and Shannon, all of Waynesville, Mo.; her grandparents, Mr. and Mrs. G.D. Anderson, Sr. of Farwell and Mr. and Mrs. Ira S. Levins of Ruidoso; and numerous aunts, uncles and cousins.

Pallbearers were Woodrow Lovelace, Ben Foster, Jr., Joe Jones, Jack Williams, Jim Berry and Charles Aycock. Honorary pallbearers were associates from the Mental Health-Mental Retardation Center and all former classmates.

Pleasant Hill Baptists Plan Revival Meeting

The Pleasant Hill Baptist Church will be conducting a series of revival meetings October 15 through October 22. Rev. Jerry Bob Taylor, Director of Royal Ambassadors of the Texas Baptist Men, will be the evangelist and Bible teacher.

Wayne Anderson, Director of Choirs at Clovis High School and music director for Sandia Baptist Church, will be the music director.

The meetings will begin this Sunday at 6 p.m. MDT and will continue every evening. However, the Monday through Saturday meetings will begin at 7:15 p.m. MDT. A special time will be reserved for all the children who attend.

Daily sessions will also be held at noon Monday through Friday. The women of the church will provide meals for all who attend. Rev. Taylor will be leading in a study of the ministry of the individual in the local church during these noon meetings.

Main theme of the evening services will be "the breaking and renewing of the fellowship between God and man."

Rev. Taylor, a native of Brownwood, received his education at Hardin-Simmons University and Howard Payne College. He has served as the pastor of several Baptist churches in Texas cities, including Ballinger, Brownwood, Brady and San Marcos.

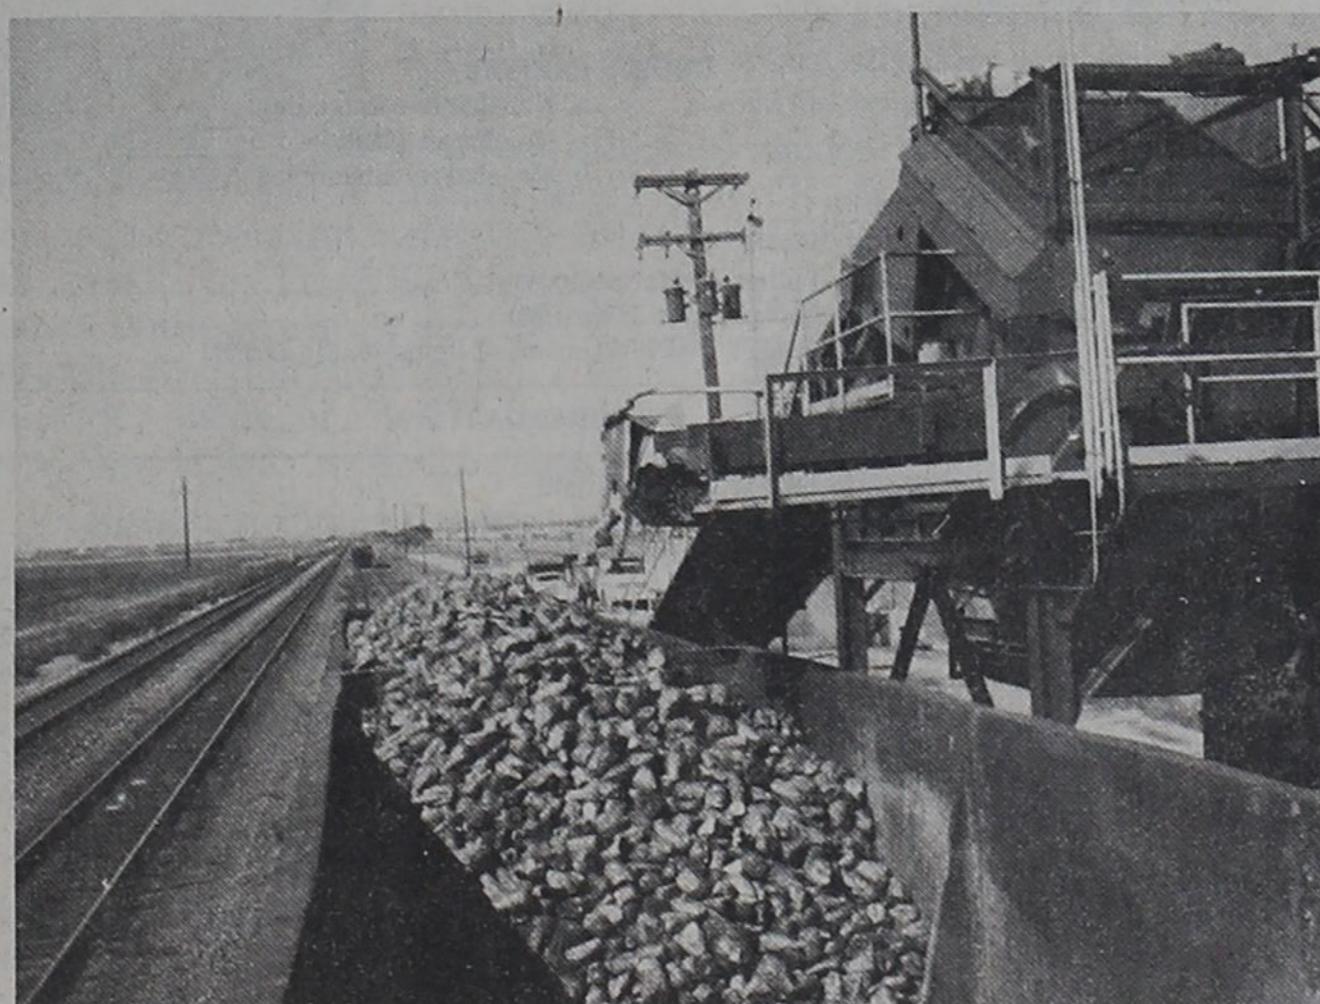

He has been associated with the Texas Baptist Men since 1970 when he became the director of the state Royal Ambassador programs. As director of these programs, Rev. Taylor is responsible for planning and conducting state RA congresses, rallies, sports, summer staff and wilderness camps. He also assists churches throughout the state of Texas in organizing, promoting and training in Baptist Men's programs. In conjunction with his work for the Texas Baptist Convention, Taylor has written numerous

campcraft handbooks and holds several American Red Cross and American Camping Association instructor certificates in campcraft, riflery, archery, canoeing and first aid.

Taylor uses much of his outdoors skills in the special programs conducted for children and young people.

Anderson has been associated with the Clovis Public School System as director of choirs at Clovis High for the past five years. Prior to moving to Clovis, Anderson was the music teacher at Springlake-Earth School.

He completed his education at West Texas State University (Continued on Page 2)

Sugar Beet Harvest

The harvesting of sugar beets is in full swing. At this time of year, numerous truckloads of sugar beets can be seen coming to and from the Sugar Beet Dump, located east of Clovis. An official at the dump station says that approximately 15 dump trucks every hour will roll into the loading dock to fill about 20 railway cars - destination the Holly Sugar factory in Hereford. The sugar beet harvest will continue through mid December.

The American Conservative Union of Washington, D.C., is a watchdog on the voting records of Congressmen. The ACU, of course, measures the various Congressmen against their conservative yardstick, rating them on a scale of zero to 100 percent.

From time to time the ACU issues these ratings on our Washington representatives based on their recorded votes on selected issues. Last week they issued a rating of the Texas representation in Congress. It blows the whistle on some purported Texas conservatives.

Of local interest it gives Jack Hightower a 50 percent mark. In other words he votes with the liberals as often as he votes with the conservatives. George Mahon comes in with a 45 percent rating, so he has gone liberal more than conservative since January 1st.

In the Senate side Lloyd Bentsen chalked only 38 percent on the conservative scale while John Tower voted conservative 91 percent of the time. Incidentally, Bob Krueger, who is challenging Tower was rated at 54 percent by the ACU on the basis of his House of Representatives voting record.

These ratings were based on 20 key votes taken between January and June of this year. The ACU is a national political organization with over 300,000 members and 42 state affiliates.

Congratulations to the Green and White of Texico on being selected as the top Class A team in the state of New Mexico. It is a well earned accolade for the Wolverines.

All their fans are looking forward to the state playoffs this year. Considering the long time the school was without a football program and the difficult rebuilding years, it almost passeth memory of when last the Texico Wolverines were represented in the playoffs.

With the excellent facilities the school has provided and the caliber of the current coaching staff we can look forward to Texico's playoff participation on a regular basis.

This fall the Almighty in His wisdom has blessed our area with well nigh perfect weather for the corn and sorghum harvest. It is also boding well for the cotton crop as these warm days continue.

We note that the Pleasant Hill Baptist Church will have a series of revival meetings next week and if the usual fall pattern prevails other churches will have fall services soon.

Considering His bounties on our area these opportunities to praise His name should be well attended by grateful people.

Everything about the harvest has improved over the past 20 years except the price of grain.

Human engineering is becoming big news all across the country. However, this basic research has been going on for a long time in many renowned scientific laboratories. There is one lab in particular that has been researching the process of cloning. Their practice has been to use various members of their faculty as clone models, so they used the head of the English department as a model. They hoped to get a clone that would be an outstanding example of precise and exact users of the English language.

Unfortunately, the model clone developed into a most vulgar and foul-mouthed brat. This dismayed the clone committee and they delegated one of their members to throw the clone over the nearest cliff. It was so done, but soon the authorities came to issue a murder warrant. The one responsible said that he could (Continued on Page 2)

Best Guesser

Diane Actkinson of Farwell garnered first place in last week's Area Merchant's 20th Annual Football Contest by correctly calling 11 games and by missing the tiebreaker by only four points. She was the only contestant to choose 11 correct games, missing only the tie between Kress and Happy. Micky Lunsford of Lunsford's Auto Parts, one of the contest sponsors, presents the check for \$7.50 to Mrs. Actkinson. Gaye Coffman won second place with 10 right choices, and Roxie Chandler finished third with 10 correct calls.

Curry County FB Sets Annual Meet

Curry County Farm and Livestock Bureau has set November 2 as the date for its annual dinner and business meeting.

Dinner will be served at 7 p.m. in the Fellowship Hall, First Christian Church, Clovis. Entertainment will be furnished by local talent, according to Helen Kelley, county chairwoman.

The nominating committee, chaired by Hubert Qualls, will report and an election of officers will be conducted.

Dewey Pierce, chairman of the Resolutions committee, will report and ask for approval of resolutions submitted. These will then be sent

to the state committee for incorporation.

The state committee will present resolutions from over the state to the state convention which will be held at Roswell in November. Here they will be adopted or rejected.

Resolutions adopted by the state will be sent to the National F&LB Resolutions Committee. Action will be taken on all state resolutions at the national meeting to be held at Miami, Fla., in January, 1979.

Steer Mascots

Dallas has the famed Cowboy Cheerleaders and the Farwell Steers also have spirit-boosting mascots who perform at the games along with the cheerleaders and twirlers. Loretta Turner and Julie Mason wear the blue Steer suits complete with white horns and long tails. The happy twosome is a welcome addition to the Steer fan contingent.

entitled "Juniors Are Sweet, Welcome to Candyland," garnered the first place prize of \$15.

Winning second place and \$10 was the freshman class entry. The junior high "Friday Night Fever" entry captured third place and \$5.

Fourth, fifth and six place recognition also went to the sophomore, Future Teachers of America and senior class entries.

Other parade entries included the Farwell fire truck, cheerleaders, twirlers, Steer Band, local gymnastic students, Brownies, Girl Scouts, First Baptist Church of Farwell puppets, Farwell Study Club, Booster Club, FFA and FHA, Texico-Farwell Lions Club, a "Swat the Hornet" buggy, Theta Rho Chapter of Epsilon Sigma Alpha sorority and the Convalescent Center.

Climax of the Homecoming celebration occurred Friday night when the Steers stung the Sudan Hornets, 25-6. Prior to the start of the game the senior class served a chili supper.

Thursday night a Hornet was burned in effigy at the annual bonfire.

During halftime ceremonies two "coming home" queens were presented. They were Debbie Chandler Williams who was homecoming queen in 1968 and Naomi Hubbell Walls, homecoming queen in 1958. They were escorted across the field prior to the introduction of this year's queen candidates.

The Student Council expressed thanks to everyone who participated in the parade to everyone who came to watch the parade, to those who donated money to the chain link project, and to the persons who came to the open house at the high school.

SHERIFF'S REPORT

Parmer County Sheriff's Department has investigated several thefts since the last report.

A burglary occurred at the Joe Trujana residence east of Lariat. A digital clock and a portable stereo and eight-track tape player were taken.

A hand grinder and a case of STP were taken from the potato shed in Lariat. The culprits also apparently made an unsuccessful attempt to take two trucks.

An attempted theft of gas from an overhead tank occurred at the Lacy Hardage farm in the Lazbuddie Community.

Connie Ray, who lives north of Farwell, reported that a mirror and battery were taken from a truck located in a field near his home.

Leon Billingsley reported that someone took tools from his tractor.

Around The Twin Cities

Texico Woman's Club will meet Monday night, Oct. 16, at 7 p.m. in the community building.

Farwell Hospital District Board will meet Tuesday, Oct. 17, at 8 p.m. in the Convalescent Center.

Farwell City Marshal's Report

Farwell City Marshal Ronnie Mitchell reports that he arrested Francisco Perez, 29, of Muleshoe Sunday night for allegedly shoplifting at All-sups. He said the clerk notified him of the incident.

According to Mitchell, Perez appeared before Municipal Judge Carrell Watkins that same night. He was charged with theft under five dollars and bond was set at \$50. Mitchell said the hearing has been set for October 16.

Traditional Bonfire

Excitement of Farwell's 1978 Homecoming dominated the scene last week. One of the special moments was the bonfire which was set ablaze last Thursday night to kick off a special pep rally. Several energetic workers can be seen placing the

last scraps of lumber on the wood pile. A lone Steer booster is silhouetted against the blaze which burned while the Steer Band and cheerleaders performed. A Sudan Hornet was burned in effigy in anticipation of victory over the visitors. The freshman class gathered wood for the traditional bonfire.

Texico City Council Talks Paving Project

Texico City Council conducted a busy session Tuesday night. Max Carter met with the Council concerning the funding available through the Eastern Plains Council of Government. Concerning the paving project, the City will pay for the chip and work to be done in February of 1979, but adjoining property owners will reimburse the city for the cost of the work to be completed. A total of 10,000 linear feet will be redone within the city limits. Curry County and the City of Texico will do the bed work, gravel and preparation for the

seal and the state will do the seal work. Under the Highway Acts cities must send in applications if they want additional paving work completed. Texico will apply for additional work not covered in the February agreement. Mayor Manford Turnbough signed a resolution in support of the EPCG. The City also agreed to become the physical agent for the Senior Citizens again. That means that the grant money received by the organization will be managed by the City of Texico. The Trustees also signed the

Bookmobile agreement for another year. Water Superintendent Billy Hammit reported on the Eastern New Mexico Inter-Community Water Meeting he recently attended in Clovis. The Council also okayed a new water pump for Hammit's pickup. In the future, delinquent water bills will be stamped in red at the time of the regular billing. Attending Tuesday's session were Mayor Turnbough, Trustees Vane Doshier, Marie Christian and city employees Mickey Fenn and Billy Hammit.

First Place Float

Farwell junior class won the top prize of \$15 in Friday's Homecoming parade with its entry, "Juniors Are Sweet. Welcome to Candyland." The prize-winning entry featured a "candy house," stuffed toys and "live" Raggedy Ann and Raggedy Andy dolls. Shown just behind the winning float is the entry of the Future Farmers of America chapter. The parade was sponsored by the Student Council.

Texico School Board To Carpet Libraries

Texico School Board voted at the Tuesday night meeting to carpet the high school and grade school libraries. They also decided to purchase a jump pit for the track field. The certification of activity bus drivers was discussed, and it was stated that the drivers must take a 40 hour defensive driving course. Members of the Board will attend a district school board meeting in Ft. Sumner, October 24. Also discussed were repairs to the doors and roof of the number two gymnasium. Three new bus drivers were approved, including Shirley

Autrey, Betty Doshier and Ann Duncan. Present at the Board meeting were Jim Pierce, superintendent, and board members D. Smith Day, Arlye Crooks, Herman Gerles and Ronny Curry. Marcia Leavell was also present.

Parmer County Commissioners Court Has Routine Session

Parmer County Commissioners Court convened Monday morning in regular session. Commissioners approved the quarterly report as presented. Seth Ralston, County Extension Agent, met with the

Commissioners to discuss 4-H projects. He presented a report of the recent 4-H fair and banquet. The commissioners decided to reimburse the 4-H council for the \$134 it spent on banquet expenses.

They also expressed thanks to the City of Friona for donating the use of the Community Building. Ralston reported that county 4-H members do not have much interest in raising small animals such as rabbits and chickens, for showing purposes. He added that fair officials also feel that same way, unless several participants are interested in showing these animals.

Marine Dodd Completes Course

Marine Lance Corporal Larry D. Dodd, whose wife, Ann, is the daughter of Jay G. Story of Farwell, has completed the Radio Fundamentals Course. The six-week course was conducted at the Marine Corps Communication - Electronics School in Twenty-nine Palms, Calif. Students received instruction on the basic procedures for maintenance and repair of the radio equipment used in the Marine Corps. The training centered on the functions of transmitters, receivers and antennae, plus the techniques for operational testing and troubleshooting. Additionally, students received instruction on the use of Marine

Corps supply and maintenance publications, the operation of maintenance shops and electronic theory. He joined the Marine Corps in June 1977.

To commemorate his 700th parachute jump, British Army Sergeant Hector Macmillan made a leap in full Scottish national dress, including kilts, while playing "The Road To The Isles" on his bagpipes!

Farwell School Board Hires New Teacher

Farwell School Board met Monday night with the following members present: Gilbert Kaltwasser, Jim Walker, Joe Hughes, Ted Magness, Doyle Ford, Wilbert Kalbas, and W.M. Roberts, superintendent. Also attending were Richard Montgomery, Jerry Owen, Jerry Yows, Tom Knoy and Don Alana. A bid of \$2760 was accepted from P and C Office Mashines, Inc., of Amarillo for the school's old typewriters.

Board members also approved the activity report and the payment of bills.

Mrs. Leslie Pratschler of Clovis was hired as librarian and high school mathematics instructor.

The Board also approved the Halloween carnival slated for Saturday, Oct. 28.

Roberts reported on the TASA and TASB meetings he recently attended in San Antonio.

The Board also approved the philosophy and objectives presented by the goal's committee.

Also approved was the "Introduction to Farwell School Community" report issued by the Community Committee. It is part of the school's self-study program.

The Board okayed building a film booth on top of the press box at Steer Stadium. It is to

We add a distinctive odor to natural gas, so it's easy to recognize.

If you smell a strong odor of natural gas indoors, take these steps. Get everyone out of the building.

Open nearby doors and windows. Extinguish open flames. Don't flip any light switches, or use any gas or electrical appliances. And don't light matches. Go to a neighbor's phone, or a nearby pay phone to report the leak to us. We'll be right out.

Outdoors? Please report it.

We need your help in spotting outdoor leaks, too. Please call us if you suspect a leak. Even if it's on someone else's property, or on a public street. Until we get there, ask everyone to stand back. Don't smoke in the vicinity. And don't start car engines.

Faint odor? Check your pilots.

A faint odor of natural gas may mean something as simple as an unlit burner on your gas range. Or a pilot light that's been extinguished accidentally. If it's anything more complicated, give us a call.

Not sure? We're here if you need us.

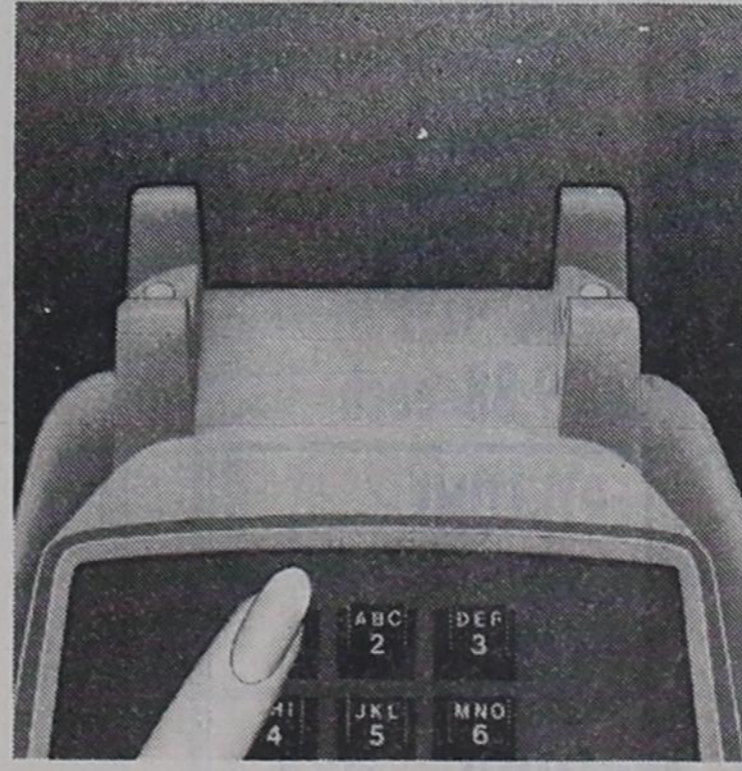

We're available to locate gas leaks 24 hours a day. So jot our number down with your other emergency numbers. And if

you ever smell natural gas, indoors or outdoors, please give us a call.

We'll be right out. And we'll appreciate your help. Because stopping leaks prevents possible danger and helps conserve valuable natural gas.

It's one more way we're working to keep natural gas the energy you can live with.

Working Mother

Mrs. Kenneth (Maxine) Shaw of Texico, our area homemaker this week, is pictured with children, Kenneth Michael, 4, and Natasha, 2. They manage to keep her very busy, along with taking care of the home and working full time. Maxine is married to the Texico Junior High principal. They have lived in Texico approximately six years. The family enjoys following the Texico sports program as well as playing lots of family games.

Portraying Area Homemakers

By Shirley Gorman

Mrs. Kenneth (Maxine) Shaw of Texico is an active homemaker who, not only looks after a husband, two pre-school children and a home, but also is employed full time as well. Keeping Maxine especially busy are a son, Kenneth Michael, age 4, and a daughter, Natasha, who is two years old and still cutting teeth.

While Maxine works, the children stay at a baby sitter's which they enjoy very much, she said. "It gives them a chance to be away from me and they also learn how to get along with other children."

"I think I'm a better mother when I am working," Mrs. Shaw explained, "because I take advantage of the time we do have together. I love working with my children and they in turn love to be with other people."

Mrs. Shaw has been employed at the Texico Branch of the Clovis Citizens Bank since January of this year. "I like working full time," she said. "It's good for the children and

I to spend some time away from each other so that we do not get too dependent on each other." Previously she was an aide at Texico Elementary.

Little Natasha and Kenneth also enjoy playing with their two ducks very much. "It's good exercise for them, the ducks are always chasing them around the back yard." She said it is a particularly funny sight when the neighbor's dog comes over to play with the ducks, but instead they "pin" the dog and start pecking playfully at him.

Three days a week little Kenneth attends the Farwell Church of Christ Day School. According to his mother, that is a "fun learning experience for him." Recently little Kenneth was introduced to miniature golf, a sport he is now fascinated with.

The Shaws are a sports-oriented family. Before becoming the principal of Texico Junior High, Shaw served as the junior high coach for three years. Today the family likes to attend all the junior high and high school events. Sometimes for recreation they also play basketball together or go for walks around the track field.

Besides working and looking after her family, our homemaker likes to crochet, knit and cook. She learned to cook at home from her mother. Even today she follows recipes by adding a "pinch" of this or that.

Maxine learned to crochet from her husband's mother and grandmother. Last year she crocheted several tea cup and saucer plant holders which Shaw gave to his teachers. She also sews for herself and her children.

The Shaws met while going to school in Roy, N.M. He has been in Texico for six years and she for five.

Our homemaker has consented to share three of her family's favorite recipes with our readers.

MEXICAN CHICKEN CASSEROLE

- 1 2-lb. chicken
- 1 10½ oz. can condensed cream of chicken soup
- 1 10½ oz. can cream of mushroom soup
- 1 c. milk
- 2 T. margarine
- 1 c. chicken broth
- 1 c. chopped onion
- 2 cans 4-oz. green chilies
- 1 t. salt
- ¾ lb. shredded cheese

Boil chicken until it can be torn from the bones. Combine chicken soup, mushroom soup, milk, margarine, chicken broth, salt, chilies and chicken. Place corn tortillas on bottom of 13 x 9 inch dish. Pour half of the ingredients over the tortillas, spread shredded cheese, then repeat.

HAWAIIAN RIBS

- Use 4 lbs. spareribs, cut into 1½ inch strips
- ¾ c. cornstarch
- ¼ c. molasses
- ¼ c. soy sauce
- ½ c. sugar
- ¾ c. vinegar
- ¾ c. water
- ¾ c. pineapple chunks
- 2 green peppers, cut into one-inch cubes

Brown ribs in heavy fry pan or dutch oven. Combine cornstarch, molasses, soy sauce to make paste. Spread paste on both sides of each piece. Re-brown quickly in hot fat.

Cover and cook 25-30 minutes. Add pineapple chunks and green pepper cubes. Recover, simmer for 5 minutes longer. Will serve about 8 persons.

SAVORY PEPPER STEAK

1½ lb. steak, cut into strips breaded in all purpose flour to which ½ t. salt and 1/8 t. pepper have been added. Brown in a large skillet with shortening. When steak is brown, add two T. flour to steak and shortening and brown. Add ½ c. chopped onion and two small cloves garlic, chopped. Simmer 1 hour or until meat is tender; then add one 8 oz. can stewed tomatoes and 1 t. worcestershire sauce. Cut 2 large green peppers in strips and add to meat. Cover, simmer for 10-15 minutes. Serve over hot cooked rice. Cooked mushrooms may be added.

Hospital Notes

Dr. V. Scott Johnson of Clovis is recuperating at Methodist Hospital in Lubbock after undergoing surgery there October 6. He entered the hospital on October 1 and is in Room #232.

Mrs. Howard (Frances) Billingsley of Texico was hospitalized at Parmer County Community Hospital in Friona from Wednesday of last week until late Tuesday afternoon. She was to enter the hospital at Hereford Thursday for further tests.

Mrs. J.W. (Lee Nell) Eubank of Farwell is recuperating at home this week after receiving minor but painful injuries in an automobile accident last Friday afternoon. She was treated at the hospital in Muleshoe where she remained overnight Friday. Her daughter, Gina, received an injured foot in the accident but was treated at the hospital and released. No other injuries were reported in the two-vehicle accident.

Mrs. Mamie Hightower of Texico remains hospitalized in Clovis for treatment of injuries suffered in a two-vehicle accident in Clovis early Saturday. Mrs. Hightower has been moved from the intensive care unit and is reported to be improving.

volunteer workers, etc.; "Rock Around the Clock," the staff; and several others not yet completed. It is expected to be very attractive as well as unique.

News Flash: The Don Brewers are moving into their new home. Everyone at the Center wishes them happiness in their new home.

Willie Shields was glad to see her son and wife, the Byron Shields of Portales, as they returned from a family reunion in Northfield, Tex. She reports 360 attended.

Visiting Myrtle Latham was her son, A.O. Bell of Jacksonville, Tex. Myrtle had not seen him in two years.

Visiting Nellie Evans, new resident, was her daughter, Evelyn Rodgers, and granddaughter, Sophie Frambo, of Ft. Sumner, N.M.

Visiting Annie Callahan was her nephew, Melvin Ervin of Amarillo.

Visiting Bobby Hix was his nephew and wife, Mr. and Mrs. Donny Mason of Amarillo; his sister, Emma Jean Ivy of Denver City; his parents, the L.D. Knights of Bovina, who brought eight watermelons for all the residents to enjoy.

Visiting Jack, the Burro Kid, was Rev. Schmidt of Canyon. She is a geologist and has spent quite a lot of time in the Big Bend area where Jack came from. She brought several pictures and she and Jack had quite a discussion. She was here with Jim Couzzourt, medical social worker for the state.

Visiting Dick and Annie Dunn were their son and wife, Joe and Marilyn Bolin of Ft. Sumner.

Visiting Cora Baker were the J.J. Terrys of Bovina. He was her former pastor.

Convalescent Center Chit Chat

As Reported by the Center Staff

Rev. Duane Knowlton, pastor of Hamlin Memorial United Methodist Church, held services Sunday at the Center. Jan and Glenn Marsh sang a special song and Gil Patschke visited most of the residents. These services are the highlight of the week for many residents and everyone certainly appreciates the local churches taking such an active part in making the Center a happy place to live.

This month's birthday party will be held the 17th. A special treat will be Jerry Canada of Clovis and Dorothy and Burton Ward of Portales who will entertain with some good old-fashioned "foot-stomping" country music consisting of a fiddle, guitar and piano. Those celebrating birthdays this

month are Annie Dunn, on the 5th; Ruby Hulse, the 7th; Addie Jones, the 9th; Vera Coffelt, the 13th; and M.H. Berry, the 21st.

The residents had a nice view of Friday's homecoming parade thanks to the efforts of Martha Curtis, Auxiliary volunteer, who convinced the school that it would be nice to bring the parade in front of the Center. Many volunteers as well as staff members helped to get all the residents who were able outside for a "bird's eye" view. Among those helping were two out-of-town visitors, Ann Smith of Albuquerque, mother of Mrs. Curtis, and Zoe Galvan of Graham, Floe Copeland's mother.

Everyone at the Center appreciates the participants and the Student Council who sponsored the event for changing their scheduled route, and all the volunteers who helped to transport the residents outside. Mrs. Copeland taped the sign "flowers and critters" (from the Center's BTD float) around her car and the Center's Queen Maud Wilson - complete with bonnet and big smile - rode in the parade. All enjoyed the fun-filled occasion and the beautiful day.

The scrapbook committee has been busy as a bee lately trying to complete the scrapbook and mail it to Austin by the Oct. 17 deadline. Committee members include Martha Curtis, Betty Gossett and Mrs. Copeland.

The cover is bright red (the Auxiliary's official color) and features an oil painting by Mrs. Curtis of a little old lady sitting and knitting in her rocking chair by the fireplace. The theme "Just Rocking Along" is written across the front in gold letters. The little lady's knitting thread will go from page to page. Some of the categories are "Pet Rocks," administrators; "Pebbles, Rocks and Boulders,"

LETTER TO THE EDITOR

May I please use this means to express my appreciation to the Farwell High School Student Council and all the people who participated in the Homecoming parade for re-routing it so the residents of Farwell Convalescent Center could enjoy it. It was a kind and generous thing.

Thank you,

Martha Curtis

Texico Woman's Club Scrapbook Places 1st

Ann Cooper and Marie Christian, both of Texico, were in Artesia Tuesday to attend the District III New Mexico Woman's Club Convention where the local club's scrapbook won the first place award.

Other winners from the Texico Club included Maurine

Caywood, first in quilting; Ann Killough, second in decoupage; Lou Scioli, second in Christmas items; and Ann Cooper, third in embroidery.

It was reported during the convention that the General Federated Woman's Club would be "taking a hard look" at the EPA Clean Air Act

which is to take effect July 1 of 1979.

The state project, in which the local club will also be involved, will concern cancer.

Monday night, Oct. 16, at 7 p.m. MDT in the community building in Texico, the club will show a film about free enterprise. Everyone is invited.

Theta Rho Discusses Fund-Raising Projects

Theta Rho Chapter of Epsilon Sigma Alpha sorority met Monday, Oct. 9, in the parlor of Hamlin Memorial United Methodist Church in Farwell with LaMoin Williams as hostess.

Money making projects were discussed and the chapter voted to donate \$50 to the Cain family of Texico for medical

expenses. Refreshments of coffee, tea, apple turnovers and ice cream were served to Judy Jones, Leslie Lunsford, Robin Gregory, Diane Atkinson, Rosa Roberts, Maxine Williams, Jeannie Norris, Dot Christian, Ann Liethen, Margaret Aycock, Wessie Edwards and the hostess.

"Trees" Is Theme For Officer Installation

Charity and Golden Circle Sunday School classes of First Baptist Church of Texico met for a joint officer installation program at a Clovis restaurant on Tuesday, Oct. 10.

The social chairmen had decorated the tables in an unusual and lovely fall theme with bowls of gold apples and fall flowers in many colors. Place cards were candy pumpkins holding cards bearing the names and the following scripture from Proverbs 31:31: "A Woman That Feareth The Lord, She Shall Be Praised."

The meeting was called to order by Mozelle Kirby, and Dorothy Rolan gave the opening prayer.

Sylvia Compton sang "He and I'll Tell the World That I'm a Christian." She was accompanied at the piano by Billie Worley.

Eula Mae Madole was the installing officer and used the theme "Trees" for the installation.

Officers installed included teachers Nora Day and Sylvia Compton; assistant teacher, Billie Worley; outreach leaders, Mozelle Kirby and Frances Boling; secretaries, Pat Cain and Minnie Hagler; Also, treasurers, Bernice

Thigpen and Ann Duncan, group captains, Ophelia Billington, Robbie Johnson and Glenda Fisher; devotional chairman, Letha Morris; social chairmen, Minnie Hagler, Mary Dell Brown and Mozelle Kirby; food chairmen, Ophelia Billington, Mozelle Kirby and Mary Dell Brown.

Closing prayer was offered by Sylvia Compton.

Kim Magness Is McMurry Dorm Officer

Kim Magness of Farwell has been elected a dormitory officer at McMurry College for the 1978-79 school year.

Miss Magness has been chosen to serve on the social committee of Martin Dormitory.

McMurry is a four-year liberal arts institution located in Abilene, and jointly owned by the Northwest Texas and New Mexico Conferences of the United Methodist Church.

Miss Magness is the daughter of Mr. and Mrs. Ted Magness of Rt. 1, Farwell.

Faith SS Class Installs Officers

The class motto, "To Love God and Serve One Another," was the theme as the Faith Sunday School Class of the First Baptist Church in Texico met for an officers installation banquet at the church Tuesday of last week. The guest speaker was Aileen Pearce.

Thirteen class members served with one another in preparing a buffet dinner of turkey and dressing, vegetables, rolls, salads and desserts. After the meal, Craig Horne sang "I Am A Servant," accompanied by his father, Rev. Joel Horne on the guitar.

The spirit of love and fellowship prevailed and was heightened as the devotion and the installation challenges were given to class members.

Using the 13th Chapter of I Corinthians as reference Mrs. Pearce gave to each officer of the class a letter from the word love and a vision of new goals in love and service for the class.

Verses 11 and 12 and the letter "L" for learning and gaining wisdom and instruction from God was given to devotional leader Reggie Anthony.

Verses four and five and the letter "O" for obedience was given to prayer chairman

Mary Hill. A Christian is known by the love obedience given to God.

Pearlia Tivis, as secretary-treasurer, received the "V" for valuable and verses three and part of five. Valuable stands for a precious possession worth something. Love is a valuable possession of worth only when given away.

Vice-president Connie Elliott received the letter "E" for eternal - meaning everlasting - and verses eight and ten. Love will last forever because God is good.

President of the class, or outreach leader, Ann Judah received verse one and a circle. Outreach is reaching out to others to serve, love and draw into unity. The circle represents unity, a company bound by a tie and the tie is love.

Mrs. Pearce charged Mrs. Horne as teacher of the Faith Class to be a person God can use to help effect God-planned changes in others. The charge to each member of the class was to be a part of a circle with everyone equal in God and sharing with others.

In closing Mrs. Pearce read I Corinthians 13:13 and 14:1 and asked Mrs. Horne to lead the closing prayer. Fellowship and sharing followed as class

members exchanged "secret pal" gifts.

The class presented a white carnation corsage to Cynthia Thigpen, former class president, to express their love and appreciation for her loyalty and dedication to the class. Gifts of love and appreciation were also given to Mrs. Pearce and Mrs. Horne.

Royal Court

Amid gaiety, fun and plenty of good old fashioned Farwell Steer gridiron excitement these students were dubbed the 1978 homecoming royalty and royal court Friday afternoon during the pep rally. Karyn Blain, junior candidate, and Rowdy Chandler, candidate-at-large, (center, seated) were crowned Queen and King. Members of the royal court include, from left, seated: Roxie Chandler, Janene Berry, Vicki Vinton, and Robin Vinton. Standing: Brent Green, Leonel Jaime, Kayle Watts, and Richard Carpenter, sophomore.

A reminder about the deadline for news for the Tribune is in order since too many reports of meetings are not being brought to the office until Wednesday morning.

Wednesday at 11 a.m. is the final deadline for news for that week's issue unless of an emergency nature. Clubs or organizations that meet any night except Tuesday should get the reports in prior to Wednesday.

Reports of Tuesday night functions should be brought or called into the office by 9 a.m. Wednesday. All others should be reported Friday through Tuesday.

If the news or meetings happen before Tuesday evening, PLEASE don't wait until 10 o'clock Wednesday morning to report it.

Mr. and Mrs. Lenton Pool, parttime Farwell residents, planned to leave Wednesday for their winter home in Indio, Calif. Poor Lauretta and Lenton, having to enjoy all that swimming, the nice fresh fruit and dates, and other types of hardships associated with their lifestyle at Indio.

Congratulations and thanks to the Farwell Student Council for the planning and work that went into making Farwell's 1978 Homecoming one of the most memorable ever. Mother Nature cooperated to full extent and could not have produced better weather for the parade although the breeze for the game was a bit chilly. But from the bonfire to the parade right on through to the end of the football game, the activities were interesting and special. It was well worth your efforts, Council members.

Another big activity on the horizon at Farwell Schools is the Halloween Carnival scheduled for Saturday night, Oct. 28. This is an activity that

involves every grade throughout the school though interest is probably strongest in the elementary grades. Each class chooses candidates for Halloween King and Queen and there will be a winner from grades K-6 and a winner from grades 7-12. Winners are selected on a penny-vote basis. Some of the elementary grades are already busy working to make money for their candidates. So keep your eyes and ears open for more details of all the fun being planned for this event on October 28.

Mr. and Mrs. Grady Newton of Lubbock visited over the weekend in the home of her parents, Mr. and Mrs. M.A. Snider, Jr., and with other relatives and friends in the area.

It is good to see that Floyd Cherry is able to be up and around after being severely injured in a recent accident in Colorado.

Relatives Visit

Visiting in the home of Mr. and Mrs. Claud Heath of Farwell this past weekend were her brother and wife, Mr. and Mrs. Haskell McClain of Oklahoma City, Okla., and her sister-in-law, Eleanor McClain of Shawnee, Okla.

Marriages Licenses

Parmer County Clerk's office has issued one marriage license since the last report. It went to Mickey Jim Harrelson and Karen Sue Stevick.

Texico Baptist WMU Has Royal Service

Women's Missionary Union of the First Baptist Church in Texico met October 4 for its Royal Service program with Mrs. Mora Schlueter, chairman, in charge.

Mrs. Harvey Hudnall opened the program playing "O Zion Haste," on the piano. It is the WMU song for this year.

Mrs. Hudnall then gave the "Call To Prayer," reading the Scripture from I Corinthians 3:6-9. She also lead everyone in prayer for the missionaries having birthdays on that day.

Others taking part in the program -- Japan Baptists: Celebrating a New Day -- were

Margaret Horne, Mary Hill, Mozelle Kirby and Gracie Dane. Mrs. Schlueter closed the meeting with prayer.

Six members were present, including Mesdames Horne, Kirby, Schlueter, Hill, Hudnall and Dane.

Mrs. Mary Dell Brown and Mrs. Gracie Dane attended a Prayer Retreat Saturday, Sept. 30, at Mrs. Vora Hartley's Ranch north of Clovis. There were approximately 60 women attending from the different Baptist Churches of the Plains Association.

Steers Take Sting Out Of Hornets With 25-6 Homecoming Victory

STEER OF THE WEEK

By Radney Robertson

The Farwell Steers took the field against the Sudan Hornets Friday night and came off with an impressive 25-6 homecoming victory over their opponents. The win upped the team's non-conference record to 2-2 for the season.

Two T.D.'s by Steer James Castleberry, a field goal by Robin Roberts, and a last

second thrilling pass reception by Kirk Magness racked up 25 points for the Steers as they held their opponents to only one score. That came on a 94 yard run by Hornet John Miles.

The Blue and White took the opening kickoff and began their first series of downs on their own 33 yard line. Raul Garza, on runs of 6 and 8 yards, gave the Steers a first

down on the 49. After a five-yard penalty against Sudan, Steer Boyd White scampered 12 yards to the Sudan 34 for yet another Steer first down. Following another 8-yard run by Garza, White again took the pigskin, this time running 15 yards, all the way to the Sudan 11. Quarterback Robin Roberts then hit James Castleberry in the end zone for the first Steer TD of

the night. The PAT kick by Roberts was also good, and the Steers were on the board early, leading 7-0 with 3:25 left in the first quarter.

Sudan then took the Farwell kickoff and returned it to their own 20. Then, on their first offensive play of the night, Sudan attempted a pass, only to have it picked off by White who returned the ball to the Sudan 39. The Steers, again sparked by the running of White were able to progress to the Sudan 27, but facing a 4th and 1 situation were forced to settle for the field goal attempt. Roberts' 37-yard attempt fell short, and the Hornets took over at the line of scrimmage, the 27-yard line.

The Hornets on their second possession of the night were able to reach the Farwell 40-yard line before being forced to punt. Castleberry received the kick and returned it to the 36-yard line. Farwell was also unable to progress downfield and Steer Mark Owen came on to punt. His kick went all the way to the Sudan 1-yard line, where it rolled out of bounds.

It looked as though the Steer had Sudan in an unescapable predicament, especially after a holding penalty which moved the Hornets back to the 1/2 yard line. But all was not lost for the Hornets yet. After moving out to the 6-yard line, speedster John Miles broke loose and ran 94 yards for a Sudan TD. The PAT kick was blocked by James Castleberry, and with 9:23 left in the half, the Steers were able to maintain a one-point edge, leading 7-6.

But the Steers bounced right back, taking the Sudan kickoff and beginning downs on their own 35. Castleberry then dashed 45 yards, setting up a 1st and goal situation on the Sudan 5-yard line. Castleberry again took the ball and ran 5 yards for another Steer TD. The Blue and White faked the PAT kick and Raul Garza ran it into the end zone for 2 points. With 8:05 left in the half, Farwell had widened its lead to 15-6.

The ball was then turned back and forth between the

teams until the Steers, taking possession on the Sudan 33, were able to move to the 13-yard line. But again faced with a 4th down situation, the Steers were forced to settle for the field goal attempt. The kick from the 18-yard line was good, and the Steers gained 3 more points on their opponents. The half ended with the Blue and White out in front, 18-6.

The second half began with Sudan receiving the kick. They began their series of downs on their own 28, but were unable to spark an offensive drive and punted after only 3 downs. The Steers took over on their own 44, and were able to advance all the way to the Hornet 1-yard line before fumbling into the end zone. The touchback brought the

ball out to the 20-yard line where Sudan took over.

But the Hornets weren't to have possession long, as 3 plays later Owen picked off a Sudan aerial and returned it to the 30-yard line. The Steer offense was again forced to punt after only 3 downs. Owen punted the ball to Hornet Miles, and Steer Randy Gerries was able to get to the carrier before he could make any ground, tackling him on his own 15-yard line. Sudan began its series of downs there, and again took to the air, only to have Owen pick off another pass and return it to his own 36. Three plays later the Steers fumbled, and Sudan took over on their own 38.

This action, with the ball being exchanged on downs or turnovers several times, con-

tinued throughout most of the second half. Then a 15-yard penalty against Sudan for roughing the kicker enabled the Steers to put together another successful scoring drive. The penalty gave the Steers a first down on their own 38-yard line. With 44 seconds left in the game, Rowdy Chandler made runs of 8 and 5 yards, advancing the ball to the Hornet 39. Then with only 15 seconds left in the game, QB Roberts hit Magness who went into the end zone for another 6 points. The PAT kick was good, and as the final buzzer sounded, the Steers walked away with a 25-6 victory.

BOYD WHITE

Boyd White has been named "Steer of the Week" following Farwell's Friday night Homecoming victory over Sudan. White earned 113 yards on 16 carries. According to head coach Don Alana, Boyd did a "good job of running" and returned punts and kickoffs well. He was also named the "outstanding offensive back."

'Winning Is Nice' Says Coach Alana

"We did everything a little better than in previous weeks," Farwell head coach Don Alana commented following the Steers' 25-6 Homecoming win over Class B Sudan Friday night.

"We improved in all areas and I feel that we did a better job than in previous weeks," he continued. "It's always nice

to win."

Boyd White was named "Steer of the Week." He rushed for 113 yards on 16 carries and also returned the ball well on punt returns and kickoffs, Alana said. In addition, White was also named the "outstanding offensive back."

D.D. Foster, who according

to Coach Alana, probably played one of his best games, was cited as the "outstanding offensive lineman."

Bruce Mayfield was named the "outstanding forcing unit man." As a defensive end he did the best job on the forcing unit, according to Alana.

James Castleberry was named the "outstanding secondary man." He was the best overall secondary back in the game, Alana said.

Tonight (Friday) the Blue and White go against Boys Ranch on home turf in the final non-conference match of the season. Game time is 8 p.m. CDT.

The Roughriders are a bit short on experience this year as they have only two offensive and three defensive starters from last year. Coach Ben Adams has built his offense around starting tackles Kevin Collins (6-0, 190, junior) and Doug McIlwain (6-1, 220, junior), according to Top-O-Texas Football magazine.

The offensive line should consist of Duane Clemons (5-8, 140, junior) at center, flanked by guards Randy Granger (5-8, 145, senior) and Ty Lightfoot (5-9, 165, sophomore).

Starting ends should be Jack Alaway (5-10, 160, senior) and Lester Coins (6-7, 180, sophomore).

Ball carriers include Ollie Johnson (5-7, 145, senior), Lyn Bell (5-9, 148, junior), Darwin Hudson (6-1, 170, junior) and two sophomores, Shawn Lightfoot (5-11, 170) and James Daniel (5-11, 175).

The Roughriders will operate from a five man front on defense.

Steers First TD

James Castleberry carries the ball into the end zone for Farwell's first touchdown in first quarter action Friday night between the Steers and the Sudan Hornets at Steer Stadium. Castleberry caught a Robin Roberts' pass for the Steers' first score of the game and scored another TD in the Farwell homecoming victory over the Hornets.

White Intercepts

Steer Boyd White bounds over a would-be tackler after intercepting a Hornet aerial in the first quarter of Friday night's Steer-Sudan game at Farwell. White returned the ball for good yardage, putting the Steers in good field position after picking off the first Sudan pass of the game. The Steers went on to claim a 25-6 win, making their season record an even 2-2.

Break 11-Year Jinx - -

Texico Wolverines Outfox Ft. Sumner

Texico Wolverines invaded Ft. Sumner Foxes' territory Friday night, spoiling their hosts' homecoming, 48-7. The stunning win, following a hard fought battle, heralded the end of a jinx which had decreed that since 1969 - when football was re-instituted at Texico -

the Wolverines would never defeat their arch rivals. However, the 1978 edition of the Wolverine squad finally broke the ice, bringing home the long sought after victory. Keith Hadley cranked up his throwing arm and completed aerial tosses to brother James

and Eloy Ortiz who both accounted for points Friday night. Hadley threw for 217 yards. Running backs Duwain Hill and Barry Goode also turned in spectacular performances as they raced for 175 and 126 yards.

Texico drew first blood in the opening quarter as Hadley connected with Ortiz who scampered 32 yards for the score. Britt Crooks added the first of many successful point-after kicks and the Green and White took a 7-0 lead over the Class AA Foxes.

In the second quarter Hadley connected with brother James who went in from the seven. Crooks added the PAT to give Texico a 14-0 bulge. Later in that period Ortiz caught a Hadley pass and bounded 11 yards for the score. Crooks added the PAT and Texico took a 21-0 lead over their hosts.

Ortiz did it again in the third quarter when he caught a Hadley aerial and scampered 20 yards for another six points. The try for two points failed and Texico settled for a 27-0 lead. In the final quarter Hill went in from the five and Crooks toed the extra point to increase the Wolverines' lead to 34-0.

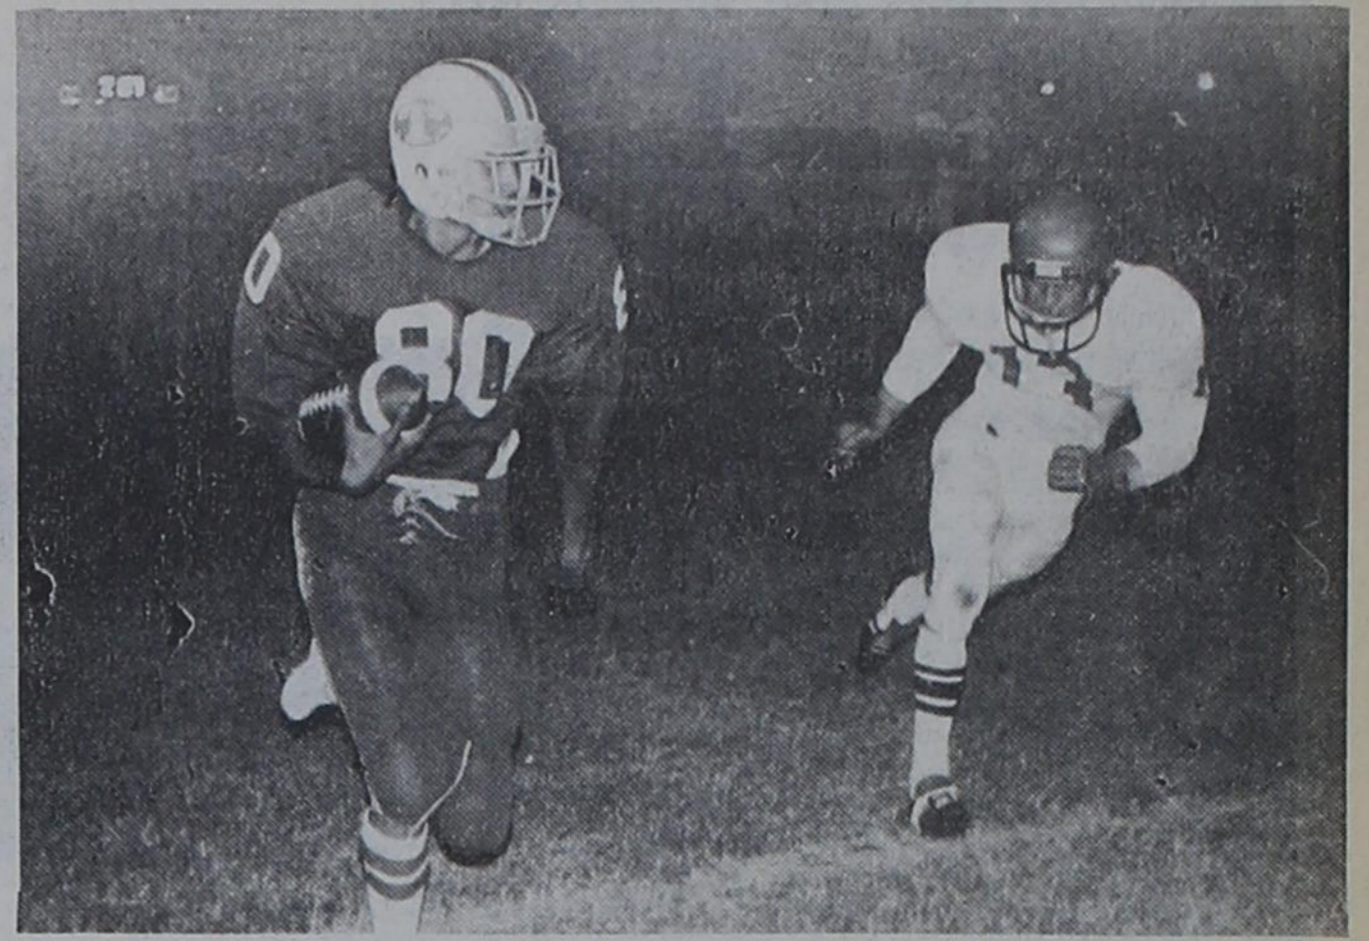

Ft. Sumner finally got on the score board late in the fourth quarter as Perry Lopez dashed one yard to paydirt. Robert Lucero kicked the PAT to make the score 34-7 in Texico's favor.

K. Hadley accounted for six points in the fourth stanza as he darted two yards into the end zone. Crooks' PAT made it 41-7.

The Hadley brothers put the game away with a 23-yard connection in the final period. Another Crooks PAT gave Texico the game, 48-7. A Texico touchdown was called back in the third quarter due to a holding penalty.

Alias "The Streak"

Eloy Ortiz, (#80), Texico Wolverines, could easily be dubbed "the streak" as he turned three of Keith Hadley's aerial tosses into scores Friday night at Ft. Sumner. Ortiz successfully completed runs of 32, 11 and 20 yards. He was constantly being chased by defending Foxes, but all they grasped was thin air as Ortiz bounded into the end zone time and time again. Following 48-7 Victory - -

Topliff, Wolverines Walking On 'Cloud 9'

What's a good word? If you are Paul Topliff, head coach of the Texico Wolverines, a good word is defeating arch rival Ft. Sumner, 48-7, on the night of their homecoming celebration.

The gridiron victory is especially sweet because it is the first time the Green and White has out maneuvered the Foxes since football was re-instituted at Texico back in 1969.

The road to this first victory was paved with hard work, perseverance, determination and lots of heart-breaking losses, especially five shut outs. But for this season at least the jinx is broken and the Texico mentor as well as his determined squad of players are decidedly elated with Friday night's results.

"This hotly-contested ball game is the biggest win I have ever coached," Topliff said. "We were up both mentally as well as physically for the game and that was something I worried about prior to Friday night."

"It is very tough to beat a team you have never beaten before. But we put it together and I am super proud of the whole team effort," he continued.

Topliff explained that prior to the game - especially during last week's workouts - the Wolverines were "very quiet." He added that they weren't talking about the game to much. "It turned out to be the quiet before the storm," he said.

"I realize now that they were tired of talking about it. They just wanted to get out there and prove they could do it," he continued. It was a good test of the Wolverine ability to win games, especially away from home.

Topliff said the victory came only because it was such a total team effort. "Everyone played their best."

As such it is difficult to single out players for "Wolverine of the Week" honors, he said.

In spite of the fact that everyone played their "potentially best ball game," the Texico coaching staff has elected to name Keith Hadley, quarterback, the offensive "Wolverine of the Week" for the second time this year.

Hadley threw for a total of 217 yards and six touchdowns and ran in for six points as well. "He was not sacked once," Topliff said, praising

the offensive line as well. Honorable mention was accorded to Eloy Ortiz, Barry Goode, Duwain Hill and James Hadley who all either accounted for good yardage or scores or both.

Howard Horne was named the defensive "Wolverine of the Week" for the second week in a row. He made four unassisted and 11 assisted tackles Friday night.

Other defensive players drawing the coach's praise were Jimmy Reid, Jeff Christian, Robert Thornton and Britt Crooks who each accounted for nine tackles, and Doug Scilio who made eight.

Of Christian, Topliff said that he played "the best game of his life." Again the Texico coach emphasized that the "team effort was fabulous, and gave the "Hardest hit" honors to the "entire defensive unit."

Britt Crooks received the specialty team honors. "The Wolverines played very aggressively," Topliff said. "But that is what it takes to win ball games."

"Our mental attitude was really good," he said, calling it a "toe to the victory." "In the first scoring drive we were pushed back by two back-to-back 15 yard penalties, but went on to score anyway," he said. The running backs were other key elements as they rushed for over 300 yards.

"The Wolverines constantly surprise me," he said. "Both the offensive and defensive lines played superior ball and that is what really wins your games."

"If you are mentally ready, winning and losing will take care of itself. But it is like I have said before, it is hard to know what 15 and 16-year-olds will do in a game situation. I just can't say enough how very proud of them I am."

Even though Topliff and his boys are "walking on cloud nine this week" they are cognizant that "you can't think of what happened last week."

"We still have some tough teams ahead of us," he said. "No one ever wins games by what they did last week. Each week is a new test and we try and be ready for each one."

The Wolverines, who stand 4-1 for the season, travel to Capitan tonight (Friday), for the teams' first meeting. Game time is 7:30 p.m. MDT.

Wolverines Of The Week

KEITH HADLEY

HOWARD HORNE

Keith Hadley and Howard Horne were named the offensive and defensive "Wolverines of the Week," following the first victory in 11 years over Ft. Sumner Friday night. Hadley threw for 217 yards, six touchdowns and earned another score with a two-yard run. It is his second time to receive the honor this season. Honorable mention went to Eloy Ortiz, Barry Goode, Duwain Hill and James Hadley. On defense Horne accounted for 15 tackles, four unassisted and 11 assisted. This is his second week in a row to receive the honors. Defensive honorable mention went to Jimmy Reid, Jeff Christian, Robert Thornton, Britt Crooks and Doug Scilio.

Runner-Up - -

Keith Hadley Named NM Player Of Week

Keith Hadley, Texico Wolverine quarterback, has been named the runner-up Amarillo Globe-News New Mexico player of the week following Texico's 48-7 victory over Class AA Ft. Sumner Friday night.

The senior quarterback completed 13 of 16 passes for 217 yards and six touchdowns through the air, then bounded in himself for another six points.

Hadley connected on aerial tosses of 32, 7, 11, 20 and 5 yards. He also scored on a 37-yard run but it was called back due to a holding penalty. Paul Topliff, head Wolverine coach, told the Globe-News

that Hadley "now has 15 scoring passes for the season."

Topliff was quoted in Tuesday's edition as saying, "He did a super job. I haven't had a quarterback play any better. Keith just tore through the air."

"On probably four of the six touchdowns they had it defended super well. They had double coverages on our receivers and he was putting it right in the middle," he added.

Hadley was named New Mexico Player of the Week following the first game of the season.

Texico Jr. High Blasts Melrose

Texico Junior High Wolverines corralled the Melrose Buffaloes, 16-6, Saturday. Earlier in the season they defeated Melrose, 22-0. The young Wolverines are now 3-1 for the year.

Melrose took the opening kickoff and marched nine plays for a touchdown, their lone score of the game. On its first possession, Texico's Willie Bibbs dashed 60 yards -- on the second play -- for six points. Todd Gerles made it 8-6 with a run around the right end.

The Wolverine defense shut down the Melrose offense during the second half, while the Texico offense scored again in the third quarter when Sammy Garcia galloped in from the seven. He also scored the two extra points.

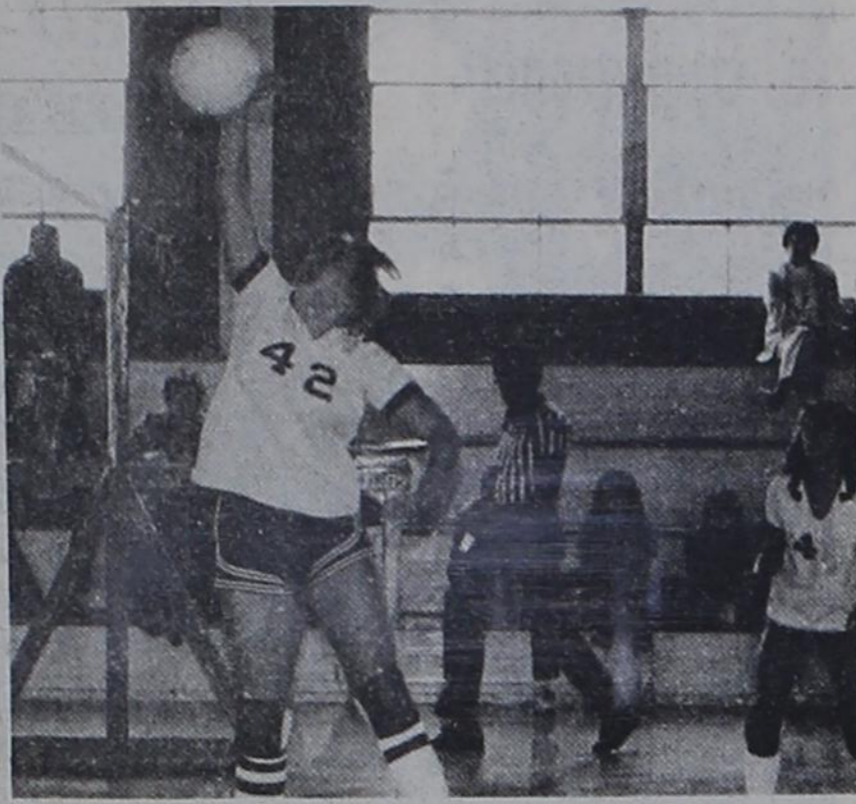

Coach Cecil Davis said that mental errors kept the Wolverines from scoring more than once in the second half.

Outstanding defensive players were Tony Tubbs, Lynn Tubbs and Todd Gerles. Willie Bibbs intercepted a pass.

Outstanding offensive players were Willie Bibbs and Sammie Garcia. "Willie always plays a strong offensive game," Davis said, adding, "Sammie turned in one of his best efforts of the year."

"It was a tough, hard hitting, well-played game," the coach commented. "It was more difficult because Melrose played four sophomores on their team, pitting them against our eighth graders and freshmen."

This Saturday, Texico will travel to Ft. Sumner.

Becky Toppliff Comments On Volleyball Girls

(Editor's Note: Texico coach Becky Toppliff has released the following comments about the varsity volleyball girls.)

Tonye Harrington: "Tonye is a good spiker, but she had a few problems getting the ball to come down on the other side. She has worked on this and has been getting better. She could prove to be one of the better spikers in the district."

Celia Johnson: "Celia is a consistent server and spiker and a good setter. She has a good attitude and is an asset to the team."

Teresa Turner: "Teresa is an exceptional setter and can spike the ball when the need arises. She is a good server and has helped the team with her hustle and desire to win."

Lori Harrington: "Lori has a consistently hard serve and does a good job of dinking the ball. She has a good attitude and hustles well."

Jana Jesko: "Jana is a multi-purpose player. She

hustles well and can set and spike well. She has been working on her spike and it is improving. She plays the back well and covers a lot of area."

Sheryl Day: "Sheryl has come along well and her low, hard serve has helped us in several games. She sets well and has a good attitude."

Flo Orozco: "Flo is working hard to improve and her attitude is good. She plays well at the net and can play the ball on the block."

Liz Cavallero: "Liz works hard and is a good hustler. She plays all positions well and often saves balls that would be lost otherwise."

Becky McDonald: "Becky is a good server and plays the back row well. She is improving constantly and is becoming a good server."

Lisa Coffey: "Lisa is going to help the varsity since moving up from the JV squad. She has good potential as a spiker and sets the ball well. Her attitude is an asset to the team."

Wolverine Volleyballers Garner Two District Wins

The Texico volleyball team has bounced back from last week's district losses with a pair of wins over district rivals Dora and Elida.

The Wolverines blasted Dora Tuesday of last week, 15-11 and 15-8. The Green and White came back Thursday of last week to clout Elida 15-1 and 15-6.

Dora defeated the junior varsity team, winning two games, 15-13 and 15-3, while the local JV garnered a single game, 15-8. The JV did not play Elida.

The junior high Wolverines garnered wins of 15-3 and 15-5 over Dora last Tuesday and narrowly got by Elida, 16-14 and 15-12.

Point getters in the first varsity game with Dora were Tonye Harrington, 4; Celia Johnson, 3; Jana Jesko, 3; Teresa Turner and Lori Har-

ington, 2 each; and Sheryl Day, 1.

In Game Two T. Harrington made 5 points followed by Becky McDonald, 3; Liz Cavallero, 3; Johnson, 2; and L. Harrington and Jesko, 1 each.

"The varsity played better as a team," commented coach Becky Toppliff. "We needed to win after losing two district games in a row. It was an important victory."

In the first game with Elida L. Harrington earned 9 points; Teresa Turner, 3; and Cavallero, Jesko and T. Harrington, 1 each.

Sheryl Day turned in 8 points in the second game; Jesko, 4; and Johnson, T. Harrington, and Lisa Coffey, 1 each.

"Lori did a good job of serving and dinking the ball," Mrs. Toppliff said. "Sheryl also does a good job in serving and

is exceptional in setting and spiking."

"Everyone played well. It was a super team effort. We also had good support from the bench," Mrs. Toppliff continued.

In the first JV game with Dora, point getters were Kelley Dobbs, 5; Schree Rucker, 3; Roxanne Cherry, 2; Leslie Elliott, Delinda Duncan and Teresa Gollodge, 1 each.

Game Two scorers were Dobbs, 5; Elliott, 3; Duncan, Rucker, 2 each; and Cherry, 1. Scoring in the third game were Kerri Donahey, Dobbs and Laura Horne, 1 each.

"The JV played pretty well, but what hurt us was not playing for over a week and a half," Mrs. Toppliff said.

Among those scoring points in the junior high match with

Dora were Pamela Hoyle, 6; Jill Jesko and Tracy Dobbs, 3 each; Tammy Landis, 2; and Ruth Scott, Sharlet Taylor, Jo Beth Hill and Corinna Hunger-

ford, 1 each.

"This was as poor a volleyball game as we have every played," Cariyle said. "We had a good percentage of serves but made 26 mistakes. In the past we have played three whole quarters without making that many mistakes. I'm glad we won, but it could have gone either way. I hope it was just one bad game and not a trend."

"Ruth, Tracy and Lisa played very well and I think they helped hold the team together," he said.

Tuesday of this week the junior high and varsity hosted Floyd. This Saturday Texico

There's good news for lovers of fish

AUSTIN, Texas (Spl.) — The University of Texas has good news for fish lovers.

Researchers at UT's Marine Science Institute laboratory at Port Aransas have been able to spawn red snapper in captivity for the first time.

If the spawning continues to be successful, it would make it possible to raise thousands of red snapper fingerlings for release along the Texas Gulf Coast, where the species has been severely overfished in recent years.

JV Volleyball Team

These girls have been working hard since school started preparing for their competition in volleyball. Members of the junior varsity squad include, from left, standing: Carolyn Lovvorn, manager; Dana Hukill, Angelica Jaime and Toni Spears; kneeling: Hortensia Galvan, Sharon Kalbas and Rhonda Spears. The girls are coached by Glen Morton. This is the first year for Farwell to have girls volleyball teams.

Farwell Jr. High, JV Lose To Grid Opponents

Farwell junior high and junior varsity teams lost to their opponents Thursday of last week. The JV lost to Melrose, 21-14, and Sudan clobbered the Yearlings, 26-6.

Blake Buchenau, JV player, scored Farwell's first touchdown in the first quarter with a 40-yard run. The PAT attempt failed.

The Muleshoe JV blocked a punt in the third quarter and ran the ball in for the touchdown, making the score at that point 13-6 in their favor.

Farwell came back to score again in the fourth quarter when Buchenau again made a 40-yard scamper. David Daniels passed to Kerry Ford for the two-point conversion, giving Farwell a brief 14-13 edge.

However, with just 49 seconds left on the clock, Muleshoe scored again taking the game, 21-14.

Thursday, the Farwell JV was to take on the Muleshoe combined freshman and soph-

omore team. Farwell did not play Sudan last week because that school did not have enough players to form a JV squad. Coach Mike Martin commented that the offense played well, adding that the defense needs work.

Sudan Junior High scored in all four quarters to claim the 26-6 victory. The Yearlings' lone score came in the third quarter when William Garza scampered in from the 10. The run for two points failed.

"They played well but could not stop Sudan's big running back," Coach Glen Morton said. "Sudan has a good team. They also played 8th graders against our combined 7th and 8th grade team." This year is a learning and rebuilding year for the Yearlings, he added.

Players drawing the coach's praise were Alan Eubanks, Steve Schilling and Manuel Cantu.

Next Thursday the Yearlings and JV will host Springlake- Earth.

Boosters To Recognize All Football Players

All junior high, junior varsity and varsity football players at Farwell Schools and their parents will be recognized at the Tuesday night meeting of the Booster Club. The meeting will be at 7 p.m. rather than the usual 8 o'clock starting time.

The club will have its meeting in the cafeteria on this date so there will be ample room for all the players

and parents. Coaches will introduce the players who in turn will introduce their parents. No special program has been planned, say Booster officers, it is just a time to introduce the players so that everyone will have a chance to "see who the players are."

All Booster Club members are urged to be present for the meeting.

Texico's This, That And The Other

By Journalism I Class

Mrs. Kay Singleterry will be starting a new project in her Title I class. When a student completes a project or paper he will color a butterfly to show his accomplishment.

Coach Davis' Jr. High science classes have been studying various specimens under microscopes.

Nine weeks tests are scheduled next Wednesday and Thursday for junior high and senior high students. On Wednesday, tests for second, fifth, and sixth periods will be given, and the remainder of the tests are scheduled for Thursday.

Seventh graders at Texico Jr. High are not allowed to participate in contact sports; therefore, they have been running one-mile runs this fall in preparation for basketball.

Eight of these students have accomplished the feat in seven minutes or less. They are Ronnie Landis, 6:00; Gilbert Sandoval, 6:14; Dennis Chavez 6:16; Joe Stewart, 6:21; Rodney Dickerson, 6:36; Kevin West, 6:43; Ronnie Dunsworth, 6:53; and Scott Elliott 7:00.

Many of the remaining members should reach this mark with practice, reports Coach Cecil Davis.

The Pep Club will be selling spirit ribbons before the October 27 Homecoming Game. They have also ordered small plastic footballs that will be thrown to the fans during homecoming festivities.

Mountain Bell Telephone Co. has loaned the Junior High resource room a teletrainer for students to practice using telephones correctly. Students have been practicing personal and business calls, reports Mrs. Joan Edwards, teacher.

Mrs. Anna Southard's sixth grade English class is doing a special homework assignment entitled, "What Happens to Homework from the Time Students Leave Home Until They Get to Second Period English Class." Imagination and unusual excuses are the

key to the assignment. One example given, reports Mrs. Southard, was "a burglar broke into our house, came through my window, and took my assignment."

Laura Horne, a sophomore, was elected the FHA District F Parliamentarian - Historian at the district meeting hosted by the Texico FHA Chapter.

The meeting was attended by approximately 250 persons. Dr. Asmore, an ENMU professor, spoke to the group about non-verbal communication. A

Clovis business presented a style show during the meeting.

The FHA annual installation ceremony will be in the Home Ec Room at 7:30 p.m. Monday, Oct. 16. New officers will be installed and the freshmen will be formally initiated.

Gary Cain's surgery has been postponed until the middle of December, unless another operation is cancelled. The small hospital has only 42 beds and space is a problem.

Student Of The Week At Texico School

BETH GOODE

Beth Goode is this week's Student of the Week. She is a member of the volleyball, basketball, and track teams and participates in the science fair. She is also Texico's Wally Wolverine.

Beth, a 7th grader at Texico, is the daughter of Mr. and Mrs. Edward Goode of Texico. Her hobbies are horseback riding and swimming.

Minister

Farwell Church of Christ

"Sin" is an outdated word. There is a rational explanation for every action. The drunkard is "sick;" the homosexual is "gay;" the murderer is "insane;" the liar only "stretches the truth." For so long we have outlawed sin from our vocabulary that we have ceased to believe it exists.

Because of hell Jesus Christ took sin seriously. He never smiled at it or joked about it. He took man seriously. Man is made in the image of God. And he took man's destiny seriously. He died to pay for man's sin. By accepting his death in our stead we can be released from the bondage of sin (Romans 6:16-18). When we die to the love of sin and are buried with the Lord in baptism we are then raised up as new creatures to walk in newness of life (Romans 6:3-5). It is in this way we become sons of God (Galatians 3:26-27). This new birth [John 3:5] gives us spiritual life and frees us from the threat of hell.

Must you believe in hell? No, not if you can be satisfied with the answers of men, with wishful thinking and with man's "logic." No, you don't have to believe in hell. But you will. Someday you will.

Sin is a very short word beginning a very long sentence.

Clovis Woman Has Fun With Family Cookbook

By Shirley Gorman

Favorite family recipes are as common as the families which compile them, handing them down from one generation to the next. All families have that one special recipe which a beloved aunt, grandmother or other member of the family just has to prepare for the family celebrations. Family recipes in themselves are not exactly unique, but preparing a family recipe book is as close to an original idea as any can be.

That is just what Lula Mae Simms of Clovis did. Since the descendants of the late Neal and Charity Ferguson at one time gathered for family reunions on a regular basis, exchanging recipes all the while of course, Mrs. Simms thought it would be a grand idea to enlist her relatives in supplying their family favorites for a cookbook for members of the family and close friends.

Mrs. Simms is the daughter of Jane Pace of Clovis, formerly of Cleburne, Tex. Mrs. Pace is the daughter of the Neal Fergusons and the last surviving child of that couple.

Once the seed was planted, it did not take long for the idea to germinate, but the plan did not bear its first fruit until three years after Mrs. Simms posed the original question - would the family like to have a cookbook filled with all the old favorites?

She contacted each member of the family asking them to contribute their specialties, and only a handful failed to respond affirmatively. Ultimately, 186 long time family favorites were compiled in a book appropriately named "Ferguson Family Favorites."

In all the hoopla of organizing the book, Mrs. Simms said there were only two recipes which were identical. Several recipes, though, are similar to each other. That is one factor Mrs. Simms feels keeps the private publication from being "professional" in content. She explained that a cookbook compiled for general use would have required more of an effort to secure recipes vastly different from each

other.

But in spite of some similarities, Mrs. Simms is very proud of the finished product which was readied and distributed a year ago, two years after the plan was first put in motion.

Marsha Miller of Clovis, a daughter of Mrs. Simms, provided a tremendous helping hand by proofreading the recipes, no small task in itself. Mark Jones, and architect for the same firm Mrs. Simms works for, drew all the illustrations for the book. The cover was professionally done and an old-time Ferguson family picture was reproduced showing all the family members except Arch, who refused to go to the photographer that day back in 1897.

A minor, very incomplete genealogy also appears in the recipe book, providing information only on the descendants who have contributed to the book. Mrs. Simms is the first to admit it is by no means a complete family history, but she said she felt the people using the recipes might like to know who contributed them and what role they play in the Ferguson family tree.

Once the recipes had all been compiled, organized and proofread, Mrs. Simms was ready to proceed to the final stage. All the recipes were typed on large sheets of paper which were later cut in half and printed on an offset press. She borrowed the office hole puncher and later the books were completed. The front and back covers are tan with brown lettering on the front and brown plastic binders.

Mrs. Simms said she printed 135 copies and after supplying the relatives who had expressed an interest in the project, the rest were given to close personal friends.

"It wasn't enough," she said. "Since then I have been besieged with requests for copies of the book. But there just aren't anymore."

Mrs. Simms did not exactly commit herself, but, with a gleam in her eye, she remarked that she would not be unwilling to produce Volume II of Ferguson Family Favorites - if enough interest was

shown.

"I loved doing the first volume," she exclaimed. "Sometimes though it was hard to find time to work on it, but I used evenings and weekends until it was finished."

But, Mrs. Simms said that without the support and help of numerous people, the project would never have gotten off the ground.

"Aunt Jane" as Mrs. Simms' mother is affectionately called by everyone who meets her, has also contributed to the recipe book. One of her specialties - chicken dumplings - is a favorite entry.

Mrs. Simms explained that it was hard to record this recipe because her mother does not cook by conventional measurements. "But we worked at it until we figured it out because everyone wanted that recipe in the book."

"Aunt Jane" has an old fashioned fried pie recipe which did not get included in the book. "In the process of sorting everything out, we just overlooked it," her daughter explained.

"Aunt Jane" has lived in Clovis for the past 16 years. For years she had made her home in Cleburne and that was where the now famous Ferguson Family reunions were held.

At one time, the reunions were a biennial affair and Jane proudly states that she "liked everything about them." She said, "We all had fun eating, visiting and of course, swapping recipes."

"Aunt Jane" celebrated her 95th birthday last December 17 with a reception in her daughter's home. Forty-four out-of-town guests came and a total of 179 persons registered at the reception.

One of her favorite companions is a rather large dog named Peppy who originally was to be a "lap dog." Even though he has long since outgrown his master's lap, Peppy is much beloved and usually enjoys a special privilege or two.

Both Mrs. Simms and her mother have consented to share the following recipes from "Ferguson Family Favorites" with our readers:

SMOKED TURKEY

- 1 6½-7 lb. turkey
- salt
- pepper
- 4 cloves garlic
- 1 bay leaf
- 6 peppercorns
- 1 small pod red pepper
- 1 T. mustard seed
- 2 bottles liquid smoke
- water

Start preparation the day before serving.

Clean turkey. Rub cavity and skin with salt and pepper. Cut 1 clove garlic in half and rub cavity. Leave garlic halves inside bird. Rub skin with second clove of split garlic and discard. Cut 2 little slits in skin of breast, one near the crop, the second farther back, and insert a clove of garlic in each. Rub entire bird, inside and out, with liquid smoke. Wrap in foil, and let stand overnight in refrigerator.

Next morning, roast turkey at 250 degrees 2 to 3 hours (or until desired doneness) basting often with mixture of 1 cup boiling water, remaining liquid smoke and other ingredients until turkey is tender. Cool and serve cold.

CAJUN RED BEANS

- 1 lb. dried red beans
- ½ lb. salt pork
- ½ t. seasoned salt
- 1 small Coca Cola
- 4 c. chopped dried onion
- 1 c. chopped fresh onion and tops
- 1 c. chopped parsley or dried parsley flakes
- 1 c. chopped green pepper
- 1 T. minced garlic
- 1 t. red pepper
- 1 T. worcestershire sauce
- ½ t. oregano
- ¼ t. thyme
- ¼ c. sugar
- 1 can (small) tomato sauce
- ½ T. tabasco
- 1 pound sausage, chopped
- cooked rice

Soak beans in 3 pints water overnight. Cook beans in water they were soaked in with the salt pork, seasoned salt and Coca Cola for an hour. Add onions, green pep-

per, garlic, red pepper, worcestershire and tabasco sauces, parsley, oregano, thyme, sugar and tomato sauce. Cook slowly 2 hours, adding water if needed. Chill until cold. Add chopped sausage and simmer for two hours. Serve over cooked rice.

GOOEY BUTTER CAKE

- 1 box yellow cake mix
- 1 stick margarine, melted
- 1 egg
- 1-8 oz. package cream cheese
- 3 eggs
- 1 lb. box powdered sugar

Thoroughly mix cake mix, melted margarine and one egg. Press into bottom and up about one-half inch on sides of a 13x9x2 pan.

Beat cream cheese (room temperature), eggs, and powdered sugar until thoroughly blended. Spread over bottom of cake mixture.

Bake according to directions for cake mix. Sprinkle with sifted powdered sugar while still warm.

Lula Mae's son-in-law, Brian Miller, obtained a promise from a certain member of the Tribune staff that if a feature were done on the Ferguson family cookbook that it would include the recipe for "Day Old" Potatoes. Lula Mae says the recipe is really called "Heavenly Potatoes" and this is Brian's very favorite way to have creamed potatoes. However, since he must request the dish the day before, he has renamed them "Day Old" Potatoes. As promised, the recipe follows:

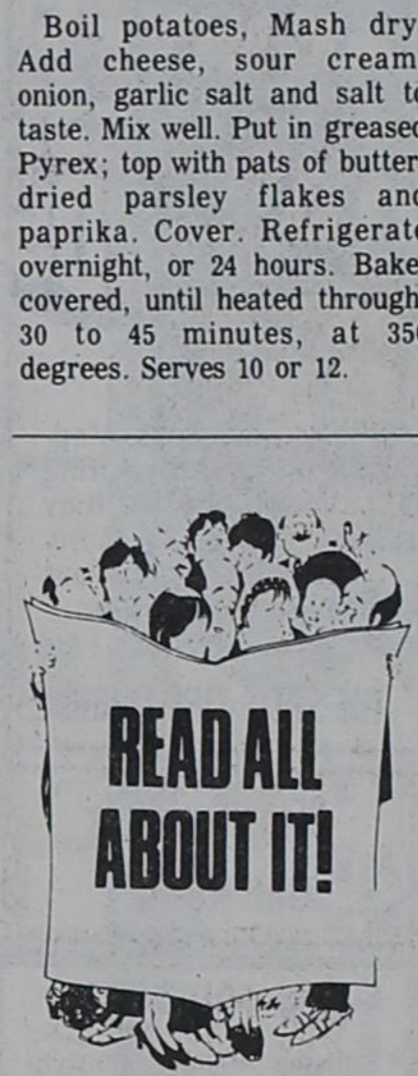

"DAY OLD" POTATOES

- 10 to 12 medium potatoes
- 1 pkg. (9 oz.) cream cheese
- 1 tub sour cream
- 2 T. dried minced onion
- 2 dashes garlic salt
- salt
- butter
- parsley flakes
- paprika

The book, reserved for family members mainly, and now out of print, contains 186 favorite recipes of the Ferguson family descendants. Mrs. Pace, affectionately known as "Aunt Jane" is the last surviving child of Neal and Charity Ferguson.

BILL CLEMENTS WILL CUT TAXES AND GOVERNMENT SPENDING

Texas was built by men with the vision to look ahead and the grit to get things done. Bill Clements is the man to keep this tradition alive for the future of Texas.

Bill Clements will bring a strong, fresh and tough approach to our government in Austin. He is a businessman, not a politician.

Bill Clements started with nothing and built a successful, worldwide company with hard work and the skill to manage men and money. And now Bill Clements wants to preserve the future of our state and he wants the working people of Texas to have the same opportunities he had.

With his proposed "Taxpayers' Bill of Rights," Bill Clements is committed to protecting Texans from excessive taxation and runaway government spending. He is pledged to cutting taxes and returning that money directly to the taxpayers.

As former Chairman of the Southern Methodist University Board of Governors, Bill Clements knows how to make education in Texas the best in the Nation. He's for discipline in the classroom and "back to basics" quality education.

As the son and grandson of farmers, Bill Clements knows the frustrations that an indifferent government can cause people who make their living off the land. He will use the strength of the State Government to fight burdensome Federal restrictions.

"I believe that Texas has always had more promise than problems,

but the balance is more delicate each year. We need to get to work now."

TWO MINUTES WITH THE BIBLE

BY CORNELIUS R. STAM, PRES. BEREAH BIBLE SOCIETY CHICAGO, ILLINOIS 60633

OUR ONLY BOAST

"God forbid that I should boast, save in the cross of our Lord Jesus Christ..." (Gal. 6:14).

St. Paul was once a proud Pharisee, smug in his self-righteousness. In Philippians 3:5, 6 he lists some of the things in which he took great pride:

"Circumcised the eighth day, of the stock of Israel, of the tribe of Benjamin, an Hebrew of the Hebrews; as touching the law, a Pharisee; concerning zeal, persecuting the church; touching the righteousness which is in the law, blameless."

But everything was changed since that day when the Lord appeared to him on the road to Damascus. Suddenly he had seen himself a lost, condemned sinner in the sight of a holy God and had tasted the matchless grace that could reach down from heaven and save even him. He knew now that he could not stand before God in himself, or "on his own two feet," as we say. His only safety, before the bar of God, was

to take refuge in Christ, as he says in Verse 9:

"And be found in Him, not having mine own righteousness, which is of the law, but that which is through the faith of Christ, the righteousness which is of God by faith."

Now he knew, as we all should know, that he really had nothing to boast of as far as his own standing before God was concerned. For the rest of his life, however, he did constantly boast of one thing: the cross, where the Christ whom he had so bitterly persecuted had died for his sins that he (Paul) might be justified before God. All else of which Paul boasted was embraced in the cross of Christ. This too, is really the only thing we have to boast of and the most godly saint will enthusiastically join Paul in saying:

"But God forbid that I should boast, save in the cross of our Lord Jesus Christ, by whom the world is crucified unto me and I unto the world."

Oct. 28-29 -

4-H Cycle Project Set

The 4-H adult leaders and their county Extension agents from throughout Texas will have an opportunity to participate in a "4-H Motorcycle Pilot Project" training session at the Texas 4-H Center near Brownwood on October 28 & 29. Laura Jacobs, County Extension Agent for Parmer County, notes that this new 4-H project training will help adult leaders provide expert guidance to 4-H youth who are interested in motorcycle safety, vehicle maintenance, and participation in skill-building events under competent adult supervision.

Instructors for the weekend workshop include Meredith Gibson of the Safety Education Program at Texas A&M University; Larry Allen of the Texas Agricultural Extension Service, College Station; Lynn Copeland, 4-H and Youth Specialist, College Station; and Joe Fisher, a representative of the motorcycle dealerships in Texas. Major topics to be covered in the training sessions which are to begin at 10 a.m. October 28 and end at noon, October 29 are: the accident problem, protection and prevention, public image of the cyclist, task analysis, curriculum, policies and guidelines, Instructor preparation; Also, project administration, resource and leadership support, maintenance, equipment, dealer support and clubs and projects.

For further information and registration details, contact the Parmer County Extension office located in the Courthouse, or call 481-3619.

UT police honored

AUSTIN, Texas (Spl.) — The only college police force in the state to be cited at the 1978 Texas Crime Prevention Conference was that of The University of Texas at Austin.

UT Austin's Crime Prevention Unit was judged the third most outstanding unit of its kind, behind those of El Paso and Odessa. The UT unit has helped keep campus crime significantly below the national average through a wide range of programs such as slide shows on personal security ("Lady Take Warning"), an escort service for students traveling the campus alone at night, crime-alerting posters in dormitories and crime-prevention workshops.

Container gardening fits right in with today's mobile, crowded lifestyle. Home owners as well as apartment dwellers find that plants and flowers in transportable containers can enliven any home or garden, regardless of the size.

All kinds of plants from petunias to pine trees can be grown in containers. However, plants in containers will dry out much faster than those grown in the ground so more frequent watering will be necessary.

Water plants when needed and not by the calendar. This will probably mean daily watering during hot summer weather. Soil in the container should be porous but retain adequate moisture. Drainage holes are necessary for proper runoff of excess water.

With frequent watering, it's important to replenish soil nutrients often since they may be washed away. A liquid or soluble plant food is best for container plants. Once the greenery is established and growing, apply plant food about every three weeks.

Home gardeners should choose containers that are strong and able to withstand continual moisture. Wooden boxes, tubs, barrel halves and clay pots are available at garden supply centers. When building wooden containers, use moisture-resistant wood such as redwood, cedar or treated pine.

A big advantage of container gardening is mobility — being able to place plants in the spotlight when they are looking their best and putting them out of sight when they go into decline.

And here's a bit of advice on moving container plants. Allow the soil to dry before

moving to reduce the weight of the container. It can then be set on a dolly, a small wagon or a piece of canvas and easily moved.

Consumers can "unravel" any confusions about nylon by knowing some basic nylon facts. Nylon's exceptional strength and elasticity make it useful for a variety of products. It is often used in blends with wool and other fibers to give a fabric greater strength and shape-retaining properties.

Other advantages are nylon's ability to stay strong when wet, resist damage by mildew and chemicals and to resist abrasion. Also, it can be heat-set in permanent pleats, and it washes and dries easily and quickly. However, nylon can be damaged by exposure to sunlight — and by body oils or perspiration, unless it is laundered frequently.

Nylon Uses

Nylon fabrics come in many forms — to suit their end uses. They are generally knitted for use in lingerie, foundation garments, hosiery and blouses. Woven nylon makes raincoats, ski wear, windbreakers and some dress fabrics.

Nylon Trade Names

Qiana is the trade name of a

shiny, silky kind of nylon used in dresses and evening wear. Antron and Bodyfree nylon have static resistant properties, while Crepeset is the trade name for a textured nylon yarn. Other nylon trade names are Actionwear, Cantrecre, Enkasher, Random-Tone, Source and Zefran.

Nylon Care

Nylon care is usually simple. Most items are machine washable and require drying at low temperatures. Delicate items may need special care or hand laundering.

Nylon absorbs color from wash water — and from other fabrics, so always launder nylon fabrics with similar colors. This is especially important for whites. Also, white nylons require whitening occasionally with special nylon whiteners or by bleaching.

If nylon items need pressing, use a warm iron. In all cases, for best results, follow the care label instructions, since special finishes may need special care, too.

Consumer Food News

COLLEGE STATION — Budget buys at Texas grocery markets include turkey parts, several fresh vegetables and items "on special" along grocery market aisles, according to Mrs. Gwendolyn Clyatt. Also, more beef features are available, she says.

Mrs. Clyatt is a consumer marketing information specialist with the Texas Agricultural Extension Service, The Texas A&M University System.

This week's price-quality trends are the following:

POULTRY — Turkey parts are the best value. Fryer chickens are a good value — with whole birds the better value. Medium-size eggs are the better egg buy.

FRESH VEGETABLES — Better-than-usual buys are cabbage and potatoes.

More plentiful items with more attractive prices are eggplant, broccoli, cauliflower, cooking greens and turnips. Also consider carrots, dry yellow onions, green peppers and squash.

FRESH FRUITS — Red grapes have lower prices. Also consider bananas, cantaloupe and pears, along with apples.

GROCERY MARKET AISLES — Look for special prices on processed tomatoes and tomato products, such as juices, sauces and stewed tomatoes. Other features include pastas, pork and beans, tuna fish and peanut butter.

FROZEN FOODS — Specials include meat pies, fruit and pumpkin pies, bread dough, orange and grapefruit juices, and French fries.

BEEF — Features include chuck roasts and steaks, shoulder roasts, round steaks, ground beef and liver — along with ground beef with protein.

PORK — Prices are fairly stable. Consider Boston butts, smoked and fresh picnics, semi-boneless hams, loin roasts and steaks.

CONSUMER WATCH-WORDS: Although milk prices are higher, milk is always an important food. Buy according to use for economy.
