

# THE STATE LINE TRIBUNE

"OFFICIAL PUBLICATION OF PARMER COUNTY"

NUMBER 1

SIXTY-SEVENTH YEAR

20 CENTS

Things poorly understood are always considered a mystery. A little knowledge usually dispels the mystery. However, in the field of property taxation this is not the case. We have a little knowledge of how local taxes are finally computed, but we are still mystified as to how we actually compare to surrounding communities.

Property taxes are the result of three variable factors. First, the property is assessed. It can be assessed on a sliding percent of its actual market value or assessed at full market value. Then a percent of the assessed value is picked out and finally a dollar and cents rate per \$100 of this assessed value is chosen by the taxing body. If this sounds confusing, you are exactly right.

With these three variable factors at work, pinning down how much tax a body pays on the same type property from one school district to another is well nigh impossible.

For example, the Farwell ISD tax rate is \$1.60 per hundred at 100 percent of the assessed value, while the Friona School District's tax rate is \$.62½ per hundred at 100 percent of the assessed value. On the surface of it, it would seem that it is about two and a half times as expensive to live in Farwell as it is in Friona. Of course, it isn't — the unseen factor at work is the assessed valuation. Property in the Farwell School District was last assessed in 1967, and a house assessed at \$10,000 in 1967 is actually worth probably \$25,000 in 1978 — a two and a half time gain that isn't reflected in the assessed valuation used to compute Farwell's taxes.

However, it is inexcusable that property taxes should be so hard to compare between taxing authorities. The State of Texas is trying to establish uniform methods of tax computations and assessing, and is having a very difficult time accomplishing this goal.

After reading this futile explanation of how your taxes are arrived at, we are reminded of Ginsberg's Observation which predicts with certainty that (1) you can't win; (2) you can't even break even; (3) you can't even quit the game.

Luck is a matter of how you look at it. Dutch and Dorothy Quickel had a supply of the good and the bad several weeks ago. Their tale begins with the purchase of a new pickup and eventually ends on a happy note.

Dutch and Dorothy took their new pickup to California where they visited with their son Bill and apparently had a very enjoyable vacation not knowing they were on the edge of disaster. According to Dutch, as they returned to Farwell he noticed the new truck was losing power, so upon his return to town he called the dealer and made arrangements to take it for a check up. He got as far as the Phillips truck stop on Mabry Drive when the thing quit running.

Dutch got out and called the dealer, who sent a tow truck to bring him in. The tow truck put a sling under the rear wheels to go to the shop, but the front wheels were also locked down. In order to move the truck the mechanic had to bleed the brake lines. Thereupon it was discovered that, apparently, at the factory the brake lines were filled with anti-freeze. Well, anti-freeze is not intended to be used for brake fluid and of course the good luck is that the brakes didn't freeze on a mountain road or on a California freeway.

The Quickels could have certainly been seriously injured or even killed over this situation. We wonder what dumb head auto worker in Detroit was responsible for this potentially deadly mix up.

(Continued on Page 2)

## Wins Contest

Radney Robertson of Farwell cheerfully accepts the first place check for winning last week's top prize in the Merchants Annual Football contest. Johnnie Rundell, manager of Farwell Insurance, one of the contest sponsors, presents the \$7.50 check to the winner. Robertson was one of three persons who guessed 11 games correctly and was 28 points off the tiebreaker to claim the top honors. Jack Kirkland and T.J. Kittrell finished second and third, respectively.

## 24 Get 10 Right - -

# Robertson Garners 1st In Grid Contest

The first installment of the 20th Annual Merchants Football Contest kicked off last week with 200 pigskin prognosticators turning in predictions. When the smoke cleared, three contestants emerged with 11 correct guesses and 24 able entrants correctly called 10 games each.

Contest participants for the most part were able to look into the gridiron crystal ball and correctly determine the winners in area football games, but the tiebreaker game of Farwell at Olton presented a problem or two as the top three winners missed the 6-0 score "by a mile."

It seems that no one really expected the game to be on the low end of the scoring totem pole and almost everyone expected the Blue and White to emerge victorious. But the point spread between the tiebreaker scores of the three winners were very close.

Radney Robertson garnered first place and a check for \$7.50 by virtue of being 28 points off the tiebreaker. Jack Kirkland missed the tiebreaker by 29 points to claim second place and a check for \$5.

T.J. Kittrell, 32 points shy of correctly calling the tiebreaker, finished third. He will receive a check for \$2.

Twenty-four other contestants got off to a good start

last week by correctly calling 10 of the 12 games. They were Terri Baker, Linny Beal, Dickie Chandler, Lorine Dannheim, Lisa Darby, Cydney Ford, Linda Geries, Carl Dean Goettsch, Greg Hromas, Marlon Imman, Jack Allan Kirkland, Tammy Landis, Nicky Liethen, Alma Lingnau, Eugene Lonsdale Sr.;

And, Ridley Lonsdale, Bruce Mayfield, Mark Owen, Jerry Roddam, L.C. Roddam, Terry Sherrill, Joyce Sikes, Steven Smith and Heidi Tally.

Now that the football season is in full swing on all levels, including high school, college and pro, area gridiron enthusiasts certainly have enough pigskin action to keep them both thrilled and pleasantly occupied for the next few months.

But don't get so wrapped up in pigskin adventures that you forget about the contest. It's never too late to join in the fun of competing for weekly prizes as well as the end-of-contest prizes.

Besides the weekly prizes of \$7.50, \$5 and \$2, contestants have a shot at the ultimate prize of two tickets to the Cotton Bowl and \$50 or the runner-up prize of two tickets to the Sun Bowl and \$25.

The contest follows the same rules as used in past years.

Contestants must be 12 years old or older and each person may submit only one entry each week.

All entries must be turned into the Tribune office by 5 p.m. Friday, or if mailed, bear a Friday postmark.

Entering is simple. All anyone has to do is circle 12 potential winners and list a score for the tiebreaker game. The tiebreaker is used to determine winners in case of a tie.

Tabulation of all entries are kept on record and are always available for inspection.

Local and area merchants who are sponsoring this year's contest are: Worley Mills, Security State Bank, Farwell Insurance, Farwell Equipment, Plains Equipment Co., Cal Jordan Implement, Interstate Fertilizer, Wooley-Hurst, Sherley-Anderson-Pitman Elevators, Sherley-Anderson at Lariat, Clara's Spur Restaurant;

Also, Farm Bureau Insurance, Kelly Green Seeds, Rose Drug, Farwell Fertilizer, O.K. Tire, Castor Feed Lots, Golden West Seed, Leric's, Farwell Pipe and Iron, Lunsford Auto Parts, Kirkland and Vinton, Capitol Foods, Western Ag, Farwell Hardware, Bob's TV, Aero Farm Chemical, Citizen's Bank, and Sheets and Sheets.

## Tables One - -

# Farwell Council Passes Two Ordinances

Farwell City Council at its meeting Monday night passed two ordinances and tabled a third for "further study." The ordinances will become effective as soon as the required two-week public notice has

been published. Ordinance No. 84 prohibits the keeping or running at large of livestock and fowl within the city limits. Provisions are also made for impoundment, and penalties

for violations are also laid out. Ordinance No. 85 sets speed limits, designates the school zone and provides a penalty for violations.

City Marshal Ronnie Mitchell announced that the new K-15 radar unit, recently purchased by the city, had arrived and he displayed the model for Council members as well as city employees to see.

Mitchell said the unit is stationary and cannot operate in a moving vehicle. He said that he was going to start policing traffic problem areas, such as around the schools, with the new radar unit.

It was reported that a hot mix would be used in the near future to replace the speed bumps around the high school.

After a 30-minute executive session, the Council announced that City Clerk Janie Bowery would receive a salary increase to \$850 a month as well as a car allowance of \$50 per year.

The Council also voted to replace the 5 h.p. cemetery water pump which was knocked out by lightning several weeks ago. The cost will be \$1676.

Mrs. Bowery reported that Paul Catoe of Manpower, a governmental program, told her about a special six-month program in which Manpower would pay one or two men -

## Narcotics Taken - -

# Burglars Strike At Farwell's Rose Drug

Burglars broke into Rose Drug and Gift Shop in Farwell last week taking an estimated \$250 in narcotics, reports Parmer County Sheriff Charles Lovelace. They did not take any cash or touch anything else in the store, he said.

Lovelace said the thieves tore out several bricks in the back wall and crawled through to avoid tripping the silent alarm. They exited through the back door following the robbery, the sheriff explained.

Lovelace said there was evidence which showed that the robbers also tried to break into Lee's Electric which is housed next door to the drug store. They tried to get through the partition wall between the two buildings, but apparently gave up because the wall was too thick, according to the sheriff.

A crowbar and several footprints were discovered near the scene of the break-in. Lovelace said he feels the same people who robbed Donnie's Medicine Chest in Bovina last week also pulled off this robbery. He added that he thinks the crowbar was also used in last week's theft.

Lovelace said that Pudge Rose, owner of the establishment, discovered the theft when he opened the store last Wednesday morning. The sheriff said his department has been in communication with Dorris Alarm Company in Clovis who installed the silent alarm in the drug store several years ago.

A representative of the Clovis company said that a light lit up on their master board early last Thursday morning but they did not report it because they thought Rose himself was in the store and had accidentally tripped the alarm.

Rose Drug has been bur-

glarized about four times in the past 30 years, according to the sheriff, but said that Rose had no problems since installing the alarm several years ago.

In other sheriff's department reports, Wayne Nelson, 24, of Amarillo was picked up this week in Littlefield on a Parmer County warrant and was returned to face arraignment Tuesday on an assault charge. Nelson allegedly assaulted Dale Havens, foreman

of the construction crew working at the Lazbuddie dam site.

Nelson was released on his own recognizance. Lovelace said Havens attempted to drop the charges but said "we did not let him do that." Nelson has been bound over for grand jury action.

A pump was reported stolen from the power lift on a truck on the William Gromosky farm west of Bovina. The loss was valued at \$250. Lovelace said the thieves were probably "scared away" before they

were able to remove the cylinders as well.

Two illegal aliens who were picked up by the highway patrol recently are being held by the County officers, says Lovelace.

Leon Carl Larkin, 19, of Odessa was picked up by Texas DPS trooper Glenn Fant, according to the sheriff. Larkins was found sleeping in a vehicle stolen from Odessa. He will be returned to Odessa to face car theft charges.

## Texico - -

# Trustees To Attend Meetings In Santa Fe

Texico City Trustees Lewis Cooper and Vane Doshier will be in Santa Fe Monday to meet with several state officials. It was decided Tuesday night during the regular city council meeting that these trustees would represent Texico at Santa Fe.

They will meet with the Department of Finance Administration concerning the emergency loan for the city's new well. In addition, Cooper and Doshier will show Bob Baca, the state fire marshal, plans for the new fire station.

The two will also meet with Alvin Castillo, state auditor, and check with the highway department regarding the new safety signs for Texico.

The Council also accepted the city's budget which was approved recently by the Department of Finance Administration, according to state law.

Jim Allen of Water Tower Service Incorporated in San Angelo met with the trustees to suggest that an inspection be made of the water tower at the old city park well. The inspection will be completed

next month. The new city well to be located at the K.K. Runnels Memorial Park will be designated the KKR Well.

Billy Hammit, water superintendent, will attend an executive board meeting of the Water Supply and Pollution Control Association today (Friday). In January he will teach a WSPC school in Las Cruces, N.M.

The KKR Well was discussed relative to the location

of the valves and the building which will house the chlorinator. A sand trap will be installed prior to the well being put into service to eliminate sand from getting into the lines.

Those attending were Mayor Manford Turnbough, Trustees Cooper, Doshier and Marie Christian, City Attorney Harry Patton, city employees Mickey Fenn and Bill Hammit, and Allen.

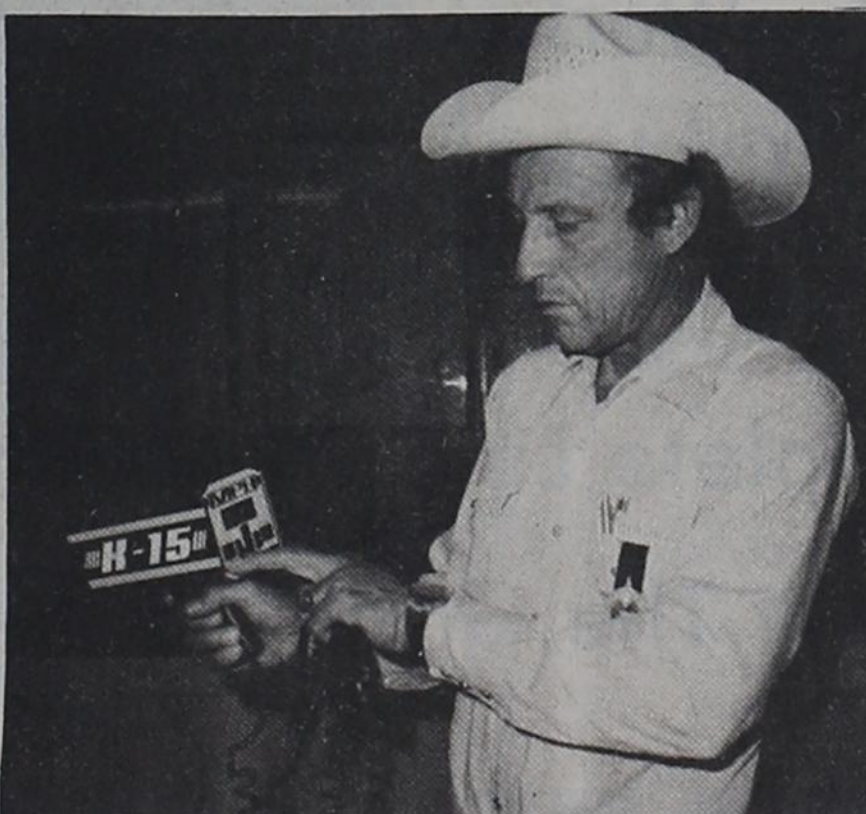

# Floyd Cherry Hurt In Colorado Mishap

Floyd Cherry of Texico, who attends diesel mechanic school in Denver, was seriously injured in an accident near Greeley, Colo., early last Sunday evening.

Cherry and a friend were working on an automobile parked near the highway when it was struck by another vehicle pushing the stalled car

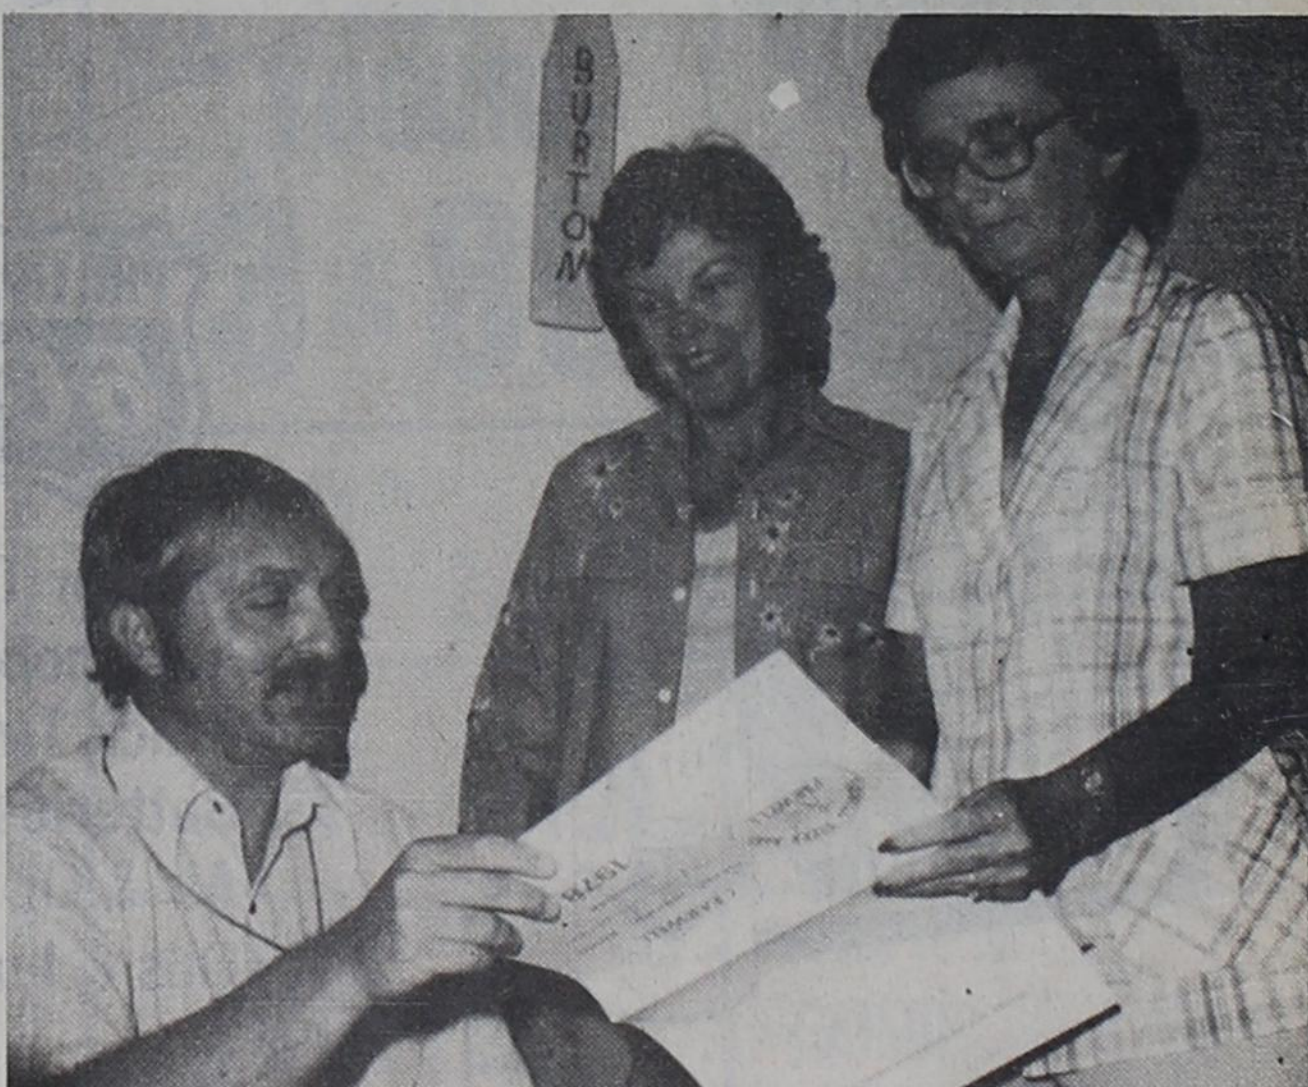

into or over on Cherry.

Cherry underwent surgery in the Greeley hospital Sunday night for removal of his spleen. He also suffered a broken leg and severe concussion. At mid-week he had been removed from intensive care and his doctors reported his condition as "improving." He still must undergo surgery for the broken leg.

## New Radar Unit

Farwell City Marshal Ronnie Mitchell is studying the new K-15 stationary radar unit which the city has just purchased for the city's police department. Mitchell said he will use the device to better police local problem traffic areas such as around the school buildings etc. According to Mitchell the unit is in good working order, but he added that it will not function in a moving vehicle.

## Steer Band Boosters Confer

Lynn Burton, Farwell band director, talks with Dolores Williams, center, and LaMoin Williams, co-chairmen of the Band Boosters calendar project. Band calendar sales are to begin this week. Representatives of the organization as well as band students will soon be contacting persons regarding the purchasing of advertising, calendars and birthdates and anniversary dates to be added to the calendar.

## Judge Fortenberry Hears Seven Cases

Parmer County Judge Paul Fortenberry has heard several cases since the last report. Luis Cardenas, 31, of Bovina was fined \$200 plus court costs for driving with a suspended driver's license.

Joe Rojas, 23, of Amarillo received a fine of \$100 plus court costs for possession of marijuana under two ounces.

Alfred Duran Flores, Jr., 23, of Muleshoe was fined \$100 plus court costs on each count for driving while intoxicated and for possession of marijuana less than two ounces.

Several area men were also fined \$100 plus court costs for driving while intoxicated. They include Steven Lee Fields, 28, of Lubbock; Jake Andringa, 62, of Muleshoe; Manuel Ramirez, Jr., 18, of Friona; and Jesus Barrera, 32, of Friona.

## FIRE CALLS

Neither the Farwell nor the Texico Volunteer Fire Departments reported any fire calls or ambulance calls this week.

## Texico School Board Approves Bus Drivers

At its recent meeting Texico School Board approved six bus drivers for the 1978-79 school year. They are Mr. and Mrs.

Max Carter, Mr. and Mrs. Mickey Fenn, Jean Skaggs and Danna Winn.

James Harding, high school principal, was appointed the official delegate for the high school activity association. Kenneth Shaw, junior high principal, was appointed to a similar position for the junior high.

The Board voted to purchase a fuel tank to store gasoline for the school buses. It will be located near the new bus barn which is under construction.

Attending the meeting were Superintendent Jim Pierce and board members D. Smith Day, Arlye Crooks, Roy Richardson, Herman Gerles and Ronny Curry.

Steer Fan Spirit

A car caravan of many Steer fans gathered at Farwell High School last Friday afternoon in preparation for the trip to Olton and the Steers' first game of the new football season. Cheerleaders helped in decorating the fans' vehicles with paint and streamers to boost Steer spirit. Marlon Inman, pulling the school's victory bell, led the parade of Steer boosters to the game.

## Farwell Council . . . (Continued from Page 1)

ing this ordinance shall be guilty of a misdemeanor and upon conviction may be fined a sum not to exceed \$200.

Ordinance No. 85 says that the maximum prima facie speed limit shall be 15 MPH during the hours of 8-4, when traffic-control signs are erected giving notice thereof, on those days when classroom instruction or other activities are being conducted at the named school along the streets indicated in the ordinance published elsewhere in this newspaper.

The City of Farwell has always had an ordinance dealing with livestock and fowl since the city was first incorporated, but this latest ordinance adds "some teeth to it."

Another ordinance pertaining to soliciting within the City of Farwell was tabled pending "further study." Since a similar ordinance was struck down recently in Lubbock by a district judge, the city fathers felt that it would be best to wait and see what develops

before passing the ordinance as originally drafted.

Attending the meeting were Mayor Walter Kaltwasser, Commissioners Fred Chandler and Johnny Curtis, and city employees, Mitchell, Mrs. Bowery, Jack Landrum, Dee Hammit, and John Johnson.

## Purely Personal . . .

(Continued from Page 1) Ralph Nader can castigate the auto manufacturers about faulty design, but who can guard against such careless work by the employees?

The foreign cars are not better designed than the US models, they are only put together better.

This accounts for the increasing gain in foreign car sales. The labor barons in Detroit had better put their labor house in order or the foreign competitors will continue to gain sales at the expense of their jobs.

## Farwell Pep Rally Today At 3 p.m.

Farwell Steer boosters are urged to attend the pep rally today (Friday) at 3:10 p.m. in the gym to show their support for the Steer squad who will travel to Morton tonight. Game time is 8 p.m.

Theme for this week's pep rally, provided by the varsity cheerleaders, is "Ambition is the driving force that keeps us looking ahead, not dwelling on our mistakes but learning from them. Set your goals high and give your all to reach them. Ambition is vital to success."

The Cheerleaders will lead attendants in a number of

yells, drills and fight songs. Speakers will be Tom Knoy, high school principal, and Robin Roberts.

## Rotary Club Sets Oct. 7 Work Day

Texico-Farwell Rotary Club will conduct a special work day to clean up the "main streets" in the Twin Cities, October 7. Workers will be divided into teams with Mike Norris and Mike Spearman serving as captains.

On that day the team with the fewest members showing up for work will treat the other team to a meal. Rotary members will concentrate on picking up trash and clearing away weeds, etc.

## Farwell City Marshal's Report

Farwell City Marshal Ronnie Mitchell reports that he has been investigating the theft of a bicycle belonging to Janene Berry. He said it was the first such theft in several months.

# Curry County Fair Winners Announced

by Pam Cain and Traci Gaddis

Another edition of the Curry County Fair has gone by, and Texico students are now the proud owners of many ribbons, trophies, much prize money, and many dollars from the sale of their animals. The students are members of Texico FFA, Texico 4-H, and Pleasant Hill 4-H.

Fair Board secretary Billy Dictson, reviewing the livestock sales figures, said it may have been the best junior livestock sale ever in New Mexico. The animals brought a total of \$84,660.91, which is \$800 above the sale figure at the New Mexico State Fair last year.

Texico students brought home a total of \$16,112.30. Exhibitors selling sheep made \$2323.50, while steers brought Texico students \$3750.50. Texico students sold more hogs at the sale and gained \$10,038.30 on pig sales.

Jeff Dunsworth, freshman Texico FFA member, exhibited the Grand Champion market hog. The cross pig sold for \$80.60 in the sale. He is the son of Mr. and Mrs. Eddie Dunsworth.

The Junior Swine Show produced other champions. James Barfield, Texico FFA member, exhibited the Chester White Champion. Wayne Holland, Texico 4-H member, showed the Reserve Champion Poland China pig. Kevin West, Texico 4-H member, also showed the Champion Hampshire pig and received the swine showmanship trophy.

In the open class, Codie Burch, Texico third grader, exhibited the Duroc Grand Champion pig, and Gerald Whitener, a former Texico FFA member, showed the Reserve Grand Champion Duroc.

In the Junior Market Lamb Show, Pam Southard, Texico FFA president, showed the first place and Reserve Champion black-faced cross lamb.

In the Horseshoe Pitching Contest, Danny Reid, an eighth grader, received a trophy for first place in the junior division, and Raymond Hadley, Texico Schools maintenance supervisor, received second place in the adult division.

### JUNIOR MARKET BARROW & GILTS

Duroc Light Weight - 3rd, Steve Kittrell; 4th, Jeff Holland; 7th, Dwight Brown;

Duroc Medium Weight - 5th, Jubal Pierce;

Duroc Medium Heavy Weight - 2nd, Terry Curry; 3rd, 4th, 5th, Kevin West; 6th, Ronnie Dunsworth; 7th, Charlene Whitener;

Duroc Heavy Weight - 1st, Kevin West; 2nd, 3rd, Melissa Singletery; 4th, Dwight Brown; 7th, Kent Harding;

Chester White Light Weight - 1st, James Barfield; 2nd, Chester White Heavy Weight - 2nd, Terry Curry.

Hampshire Light Weight - 2nd, Jeff Holland; 6th, Jeff

Tharp.

Hampshire Medium Weight - 1st, Kevin West; 7th, Wayne Holland.

Hampshire Heavy Weight - 3rd, Charlene Whitener; 4th, Jeff Dunsworth;

Cross Medium Weight - 1st & Grand Champion, Jeff Dunsworth;

Cross Heavy Weight - 4th, Keith Hadley; 6th, Jimmy Reid.

Polands Light Weight - 1st, Wayne Holland; 6th, James Barfield.

Polands Heavy Weight - 2nd, Ron Kirby; 3rd, Sheila Smith.

Pen of Three - 2nd, Kevin West; 3rd, Charlene Whitener; 4th, Dwight Brown.

Chester White - Champion, James Barfield.

Hampshire - Champion, Kevin West.

Crosses - Champion, Jeff Dunsworth.

Polands - Reserve Champion, Wayne Holland.

Open Fat Class, Hampshire - 1st, Gerald Whitener.

Open Fat Class, Duroc, Heavy - Codie Burch, 1st; Gerald Whitener, 2nd & 3rd.

### OTHER EXHIBITORS

Martin Singletery - 1st and 2nd, White Leghorn Poultry.

Penny Fahsholtz - 1st, Duck Marla Fahsholtz - 2nd, Duck.

Brett Taylor - 2nd, Wheat, Tascasco; 1st, Beans, Lima Pod; 3rd, Pinto Pod Beans; 1st, Beans, shelled Pinto;

Melissa Singletery - 2nd, Home Living I Headscarf; 3rd, Totebag; 1st, Bulletin board; 1st, Junior foods, Home Living, No-Bake Cookies; 1st, Baking-I, Plain Muffins.

Jubal Pierce - 1st, Sweet-milk biscuits; 2nd, Baking-I, Plain Muffins; 2nd, Junior Home Garden; 3rd, Squares and Bars, Brownies;

Britt Crooks - 3rd, loading chute;

Doyle Duncan - 3rd, Tomatoes, whole; 1st, Tomatoes; 1st, Cabbage, green, large head; 1st, beets; 2nd, Vegetables, beans; 2nd, Baking II, loaf nut bread; 1st, biggest zucchini; 3rd, junior home garden.

Pam Southard - 4th, Suffolk Rams, 2 yrs. and older; 3rd, Ewes Purebred, 2 yrs. and older; 2nd, Ewes Purebred yearlings; 1st & 2nd, Ewes Purebred under one year; 3rd, Flock of Lambs. (All Breeding)

Jeff Christian - 2nd, 4th & 5th, Ewes Purebred 2 yrs. and older.

Mary Lou Rivas - 2nd, House Dress, Cotton Blend; 1st, Work Apron; 2nd, Fancy Apron.

Ricky Pierce - 3rd, White Leghorn Poultry;

Laura Horne - 3rd, Pies.

Nikie McDaniel - 3rd, Baking III, Layer plain cake, unfrosted; 3rd, Plain Rolls; 2nd, Other Baked Goods; 1st, Plain Yeast Roll; 2nd, Buttercake; 1st, 3 Plain Yeast Rolls; 3rd, Jumpsuit; 1st, Squash; 1st, Yellow Corn.

Sheryl Day - 1st, Peas; 1st Vegetables; 5th & 7th, Suffolk Sheep; 1st, Beans; 2nd, Junior Open Canning.

Sharlet Taylor - 1st, Yeast Bread White Loaf; 2nd, Plain Rolls; 2nd, Pecan rolls.

Beth Kelley - 1st, Street Length Dress; 1st, Black Faced Cross; 8th, Suffolk Cross; 8th & 10th, Hampshire Cross. (Junior Market)

Pam Southard - 1st & Reserve Champion, Black Face Cross; 2nd, Black Face Cross; 2nd, Fine Wool Cross; 3rd, Fine Wool Cross; 3rd & 6th, Suffolk; 5th, White Face Cross; 5th, Suffolk Cross.

### Texico Lunch Menu

MONDAY - Fish sticks with tartar sauce, macaroni and cheese, blackeyed peas, cornbread, cantaloupe, milk.

TUESDAY - Hamburgers, lettuce, tomatoes, onions, pickles, Tater Tots, chocolate and peanut cookies, milk.

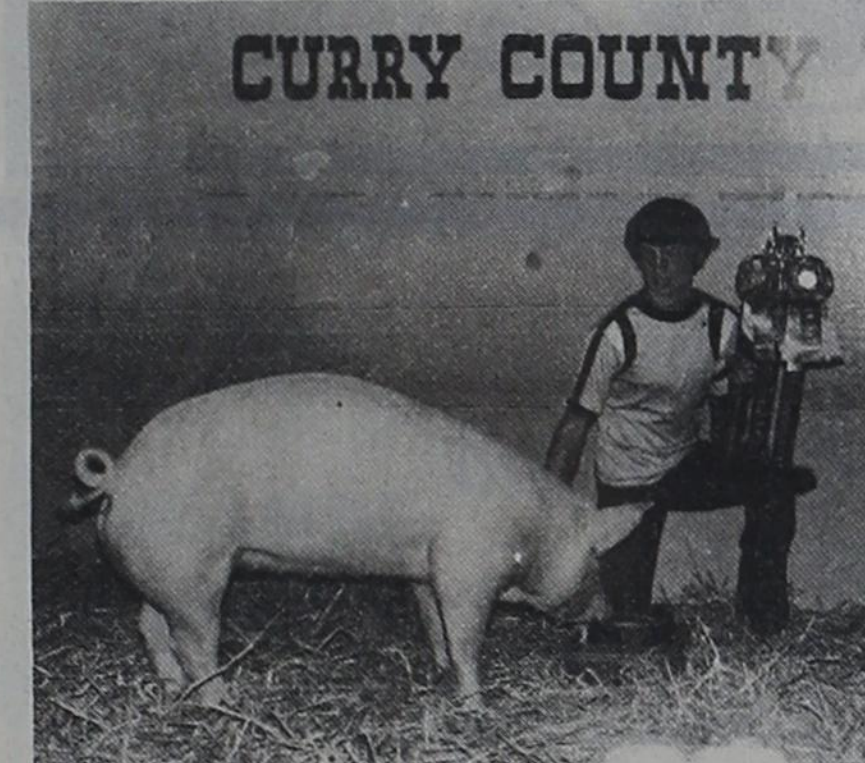

WEDNESDAY - Pinto beans, coleslaw, hominy, cornbread, banana, chocolate milk.

THURSDAY - Fried chicken, potato salad, celery stick, hot rolls, peanut butter and syrup, milk.

FRIDAY - Burritos with chili, shredded cheese, lettuce and tomato salad, cobbler, milk.

### 1st Place Winner

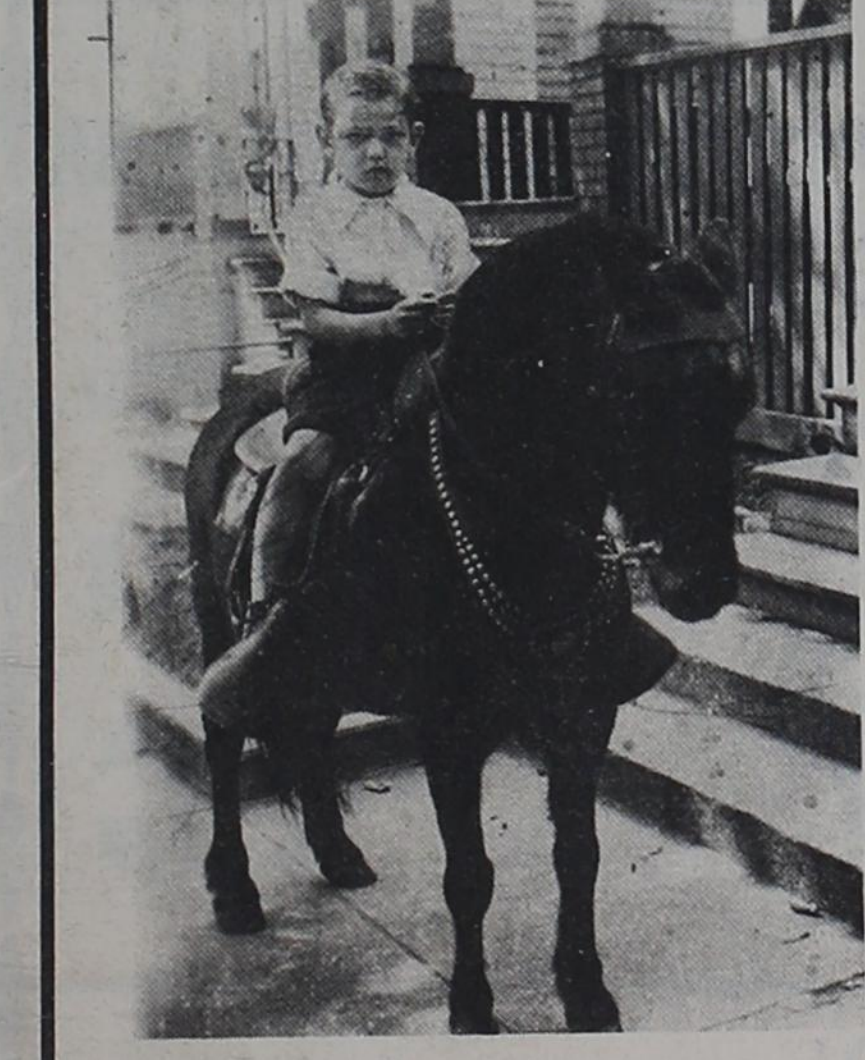

Danny Reid, son of Mr. and Mrs. W.O. Reid of Texico, is shown with the first place Junior Division Horseshoe throwing trophy he garnered last week at the Curry County Fair. (Texico School Photo)

Grand Champion Swine

Jeff Dunsworth of Texico is pictured with this Crossbreed gilt which captured grand champion honors last week at the Curry County Fair. Jeff, the son of Mr. and Mrs. Eddie Dunsworth, is a member of the Texico Future Farmers of America Chapter. Jim Pierce of Texico was the breeder for this grand champion entry. (Texico School Photo)

### Guess Who This Is . . .

Happy Birthday  
Coach Alana  
September 17th

## This I Know - - -

by Leonard Harper

Minster  
Farwell Church of Christ

The opposition of the Church of Christ to the user of mechanical instruments of music in worship is well known. Probably the most arresting feature of the worship service for one who visits for the first time is the A-Capella music. This raises a natural question, "Why doesn't the church of Christ use pianos and organs and other such musical instruments?"

A better question than "Why not?" is "Why?" Why do religious bodies almost universally use such instruments in their services? Those who use such instruments have the burden of proof. Why do you use them and by what Bible authority do you defend their use?

Throughout the Old Testament David is credited with having introduced this matter into God's service. By the time of the Psalms it was a generally accepted practice among the people BUT WHERE IS THERE ANY RECORD THAT IT PLEASSED GOD? David was guilty of many sins and this was one of them (Amos 6:3-5). Why was it wrong to use these instruments in worship? Because he had no command from God to do so. The absence of the right to do so makes the matter wrong.

Music in worship to God is mentioned nine times in the Testament: Matt. 26:20; Acts 16:25; Rom. 15:9; I Cor. 14:15; Eph. 5:19; Col. 3:16; Heb. 2:12; 3:15; Jas. 5:3. In each of these instances God specifies singing. Where is the playing of an instrument mentioned in any of them? It is not. God forbids us to add that which he has not specifically commanded.

"Why do churches of Christ not use instruments of music in their worship services?" A better question is "Why does almost everyone else use them?"

### New Store Manager

Leroy Rojas of Muleshoe is the new manager of Pay 'N Save grocery store in Farwell. He and his wife, JoAnn, and son, Leroy Jr., are hoping to move to Farwell in the near future. Rojas, a graduate of Muleshoe High School, has worked for Pay 'N Save stores for the past two years.

# Convalescent Center Chit Chat

As Reported by the Center Staff

New admissions: Minnie Hand of Clovis who is sharing a room with Dora Johnson; Cora Baker of Portales who is sharing a room with Bertha Kaltwasser; and Mrs. Ollie Carpenter of Farwell.

Rhay Harmon has moved to another convalescent center near his home town of Tucumcari, N.M.

Floe's quote from her own personal thoughts for the day: "When you can't sleep, don't count sheep, talk to the shepherd."

Bingo prizes are getting low. Any kind of small item such as writing tablets, envelopes or stationary, writing pens, cologne or perfume (not aerosol), small "what-nots," or "pretties," candy, hose, stockings, etc., will do nicely for these prizes. Any donations will be greatly appreciated.

The September birthday party was to be Thursday.

Reminder: If you have any kitchen gadgets to donate for use in the newly-organized Kitchen Band (rub boards, wooden spoons, old pots, pans, etc.) please bring them by the Convalescent Center or contact Floe Copeland at 481-9027 and she will pick them up.

Many thanks to the Ruth and Golden Circle Sunday School classes of the Texico Baptist Church for donating a total of six subscriptions of the Tribune to the Center, says Mrs. Copeland. We could still use several more copies to have enough to pass around for all to see, she adds.

Nell Walling brought several prizes for Bingo and some supplies for the crafts rooms.

Mrs. Blain donated some men's clothing to be used wherever it's needed.

Chloe Crawford regretted that she had to take out her lovely blue shag carpet, but in accordance with state regulations all carpet must meet certain fire standards and requirements. Chloe's room is still very attractive as she brought several items from home, including a lovely bed spread, antique rocker and a small refrigerator. According to the fire standards throw rugs may not be used at the Center either.

The Center is very proud of a new Lumi-Tronic III blood pressure unit donated recently by Gladys Kaltwasser and Patsy Berry. Floe explains that it is a new electronic kind of sphygmometer that requires no stethoscope and is very easy to use as well as being accurate. Many thanks, she says.

Anna Hill enjoyed an all-day outing with her daughter, Lawana Trantham. Ruby Hulse spent Sunday with her daughter, Cathryn Bogard of Clovis. They enjoyed a "delicious meal" at a local restaurant, she reports.

Thelma Pattison and husband Leslie enjoyed shopping for a wedding gift for their niece, Melinda Pattison.

Visiting Lois Massey were her brother and wife, the J.M. Haglers of Truth or Consequences. They enjoyed a nice outing, even visiting her old home place for a few hours. She reported that the house had been painted and the lawn had been trimmed.

Visiting Ruth Myers was her daughter and husband Faye and Coleman Wright of Bentonville, Ark.; two sons, Rufus Myers of Albuquerque, N.M.; and Audie Myers of Los Lunas, N.M., and two grandchildren, Rose and Dale Wright of Hereford.

Ollie Utsman enjoyed celebrating her 72nd birthday Thursday at the home of her daughter, Billie Blain.

Domitilla Madrid enjoyed a day out with her son and family, the Tim Madrids.

Nora Edens went with sister-in-law Retha Edens to the home of Louise Roark to take her a birthday gift.

\*\*\*\*\*  
Visiting Annie and Dick Dunn were their sister-in-law, Edna Bell; and Mrs. George Rogers of Evansville, Ind.; a granddaughter, Brenda Cook of Portales; Connie Nash of Portales; another sister-in-law, Virginia Bell of Portales, and her daughter, Bernice Hale and Mrs. Joe Bell.

Mary McDerman has returned from the hospital. Everyone is happy she is back. Visiting her were her daughter, Maggie Lancin of Lubbock; a grandson, Steve Franz of Plainview; and her brother and wife, the Leonard Striggs of Clovis.

## Notes On Nutrition

### LITTLE KNOWN FACTS

**LITTLE KNOWN FACTS ABOUT CANDY**  
Proteins, minerals, vitamins, carbohydrates, fats or combinations of these nutrients are provided by the nonsugar ingredients, such as chocolate, nuts, fruits and milk, used in candy. These ingredients contribute to the nutritive merit of candy, as well as to its texture and taste.

A good, balanced diet includes six basic essentials: proteins, fats, carbohydrates, vitamins, minerals and water. At least two (and usually more) of these are found in every ingredient used in the manufacture of candy. For instance, molasses has a good amount of calcium and iron, and chocolate liquor contains riboflavin, calcium and iron.

**Around The House** with Laura Jacobs  
Assistant Farmer County Extension Agent for Home Economics

I have notes from all over this week. Hope some of them are just what you've been needing to know.

**"Cleaning Indoor Plants"**  
Since indoor plants don't have the cleaning effect of rainfall to keep their leaf surfaces free from dust, a careful cleaning once or twice a month is helpful.

For smooth-leaved plants, a wet sponge or soft cloth rinsed frequently in clean water is a dependable method.

Plants with hairy leaves require special attention. A camel hair brush used carefully to avoid brushing the leaves works well.

**"Open Code Dating"**  
Open code dating assures the consumer that the refrigerated foods purchased are fresh.

The pull date commonly found on dairy products indicates the time for the retailer to remove the product from the shelf. The product still has a normal home storage life.

Processed meats may carry a package date indicating when the item was packaged.

Use dated foods before their expiration date to avoid spoilage and waste of food.

**"Reflective Tape on Children's Clothing"**

Returning to standard time means children may be coming home from school around dusk.

Protect your children by sewing reflective tape on their jackets and rainwear. It's easy to sew on and you can create a variety of designs... make it simple or intricate.

Be sure your children are safe this fall. Sewing on reflective tape is an easy way to protect them.

**"Home Lighting"**  
Good lighting emphasizes

the placement and direction of light. General lighting can be direct or indirect.

Local lighting illuminates areas for specific activity such as reading or sewing.

Special effects lighting is primarily decorative.

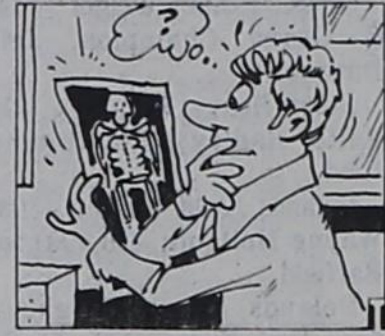

Ideal lighting provides the amount and kind of light where it is wanted or needed.

## QUICK HEALTH QUIZ

By C. H. Tracy, M.D.

Is there a lot in your head about your body? This quiz can help you tell.

1. What's the largest organ of your body?
2. What can be done about insect bites, minor cuts and bruises while camping out?
3. What are the bones of the spine called?

### ANSWERS

1. Your skin is your body's largest organ. It acts as a sense organ, helps regulate body temperature and is the first line of defense against germ invasion.
2. A number of effective antiseptic preparations are available for healing and soothing insect bites, minor cuts and burns. Some of them, such as Campho-Phenique, can also be used on poison ivy and poison oak.
3. The bones of the spine are called vertebrae.

## Tu Tu King Teaches Ballet, Tap Dancing

By Shirley Gorman

If you are interested in poise, gracefulness and general fitness, then Tu Tu King of Lubbock might just have the right program for you.

Mrs. King who operates a school of ballet in Lubbock and other Panhandle towns, recently started teaching one day a week in Farwell. Every Thursday afternoon from 1 to 9 p.m., she teaches a variety of classes at the Farwell Country Club.

She teaches ballet, tap dancing, tumbling and a combination class for girls, ages three to 17. She also has a little boys tumbling class.

On Thursday evenings, Mrs. King teaches a women's exercise class. If enough interest is shown she will also offer a belly dancing class in the future.

The benefits of any of the above classes are many, says Mrs. King. Besides losing inches, participants improve their physical fitness in general, as well as learn poise and gracefulness.

Grace and coordination are emphasized in the combination as well as ballet classes, according to the instructor. Tap dancing utilizes rhythm and coordination, and tricks are an important part of the tumbling classes. "I help students to become well-rounded," Mrs. King said. "We work on all parts of the body but we have fun also."

Mrs. King has approximately 30-35 youngsters enrolled in her classes. She said she is currently working on the time difference to enable Texico youngsters to also enroll in the classes if they desire.

"I am flexible with my scheduling," Mrs. King said. "I will try and work out an appropriate time for anyone who is really interested in learning."

She said she also gives private and semi-private lessons as needed and as can be worked into her schedule of regular classes. Usually these are reserved for students who require a little more work or who are interested in advancing themselves. "I try to handle their special needs on a limited basis."

Mrs. King teaches classes six days a week traveling to different towns throughout the week. Anyone interested in signing up for her Farwell classes may contact Mary Ann Lingnau or Patsy Camp.

Mrs. King, a professional dancer, says she takes her dancing seriously. "A group of mothers from here asked me to teach my classes in Farwell so I decided to come," she explained. "I live, eat, and breathe dancing."

She said she encourages her students to take their work seriously and to perform for their parents and other family members and friends.

She hopes to put together a group of her students who will be available to perform for clubs, organizations, etc.

Mrs. King also teaches modeling and is a strong supporter of the Cinderella Pageant system. The pageant emphasizes poise, talent and All-American qualities rather than just beauty, she said.

A Cinderella Pageant will be staged in Muleshoe in January and, according to Mrs. King, Farwell girls will be eligible to enter. Age divisions are 3-6, 7-9, 10-12 and 13-17. They will model sports wear and a party dress as well as perform a talent; however girls in the 3-6 age bracket do not have to perform a talent.

Competition is on the local, district and state level. Mrs. King said that anyone who takes her classes is eligible to enter. Last year 11 of her students advanced to state competition.

"It is a good experience for the girls as they meet so many different girls as well as learn confidence and awareness," Mrs. King explained.

Her students will stage a Christmas program in which each class will perform numbers utilizing the skills they have learned. Last Christmas she and her students put on the "Christmas Candy Machine." Either in May or June, they will have a recital, she said.

Visiting last Wednesday morning in the home of Mrs. Alma Boss were Mrs. Gladys King and Mrs. Lillie Daniels of Amarillo, Mrs. Genevieve Randol and Mrs. Retha Bell Grissom of Farwell and Mrs. Ruth Doolittle of Texico. After visiting at the Boss home during the morning, the ladies went to a Clovis restaurant for lunch and reported having a "lovely time."

Guests in the home of Mr. and Mrs. Joe Magness in Farwell over the weekend were Mr. and Mrs. William Anderson of Vernon. They also visited with the W.T. Magnesses and other relatives in the area while here. Anderson is a cousin of W.T. and Joe Magness.

Visiting in the home of Mrs. Linnie Mae Crook in Farwell is her sister-in-law, Mrs. Vera Shuck of Chester, Okla. She has also been visiting in Bovina with her brother and sister-in-law, Mr. and Mrs. French Crook.

Mr. and Mrs. Doyle Green of Farwell traveled by plane to Montgomery, Ala., Labor

Day Weekend to visit their son, Darwin. Darwin and his fiancée, Debra Allen, also of Montgomery, plan to be married October 14. The Greens plan to return to Montgomery for the wedding. Miss Allen works for the state laboratory there and Green is employed by the federal laboratory.

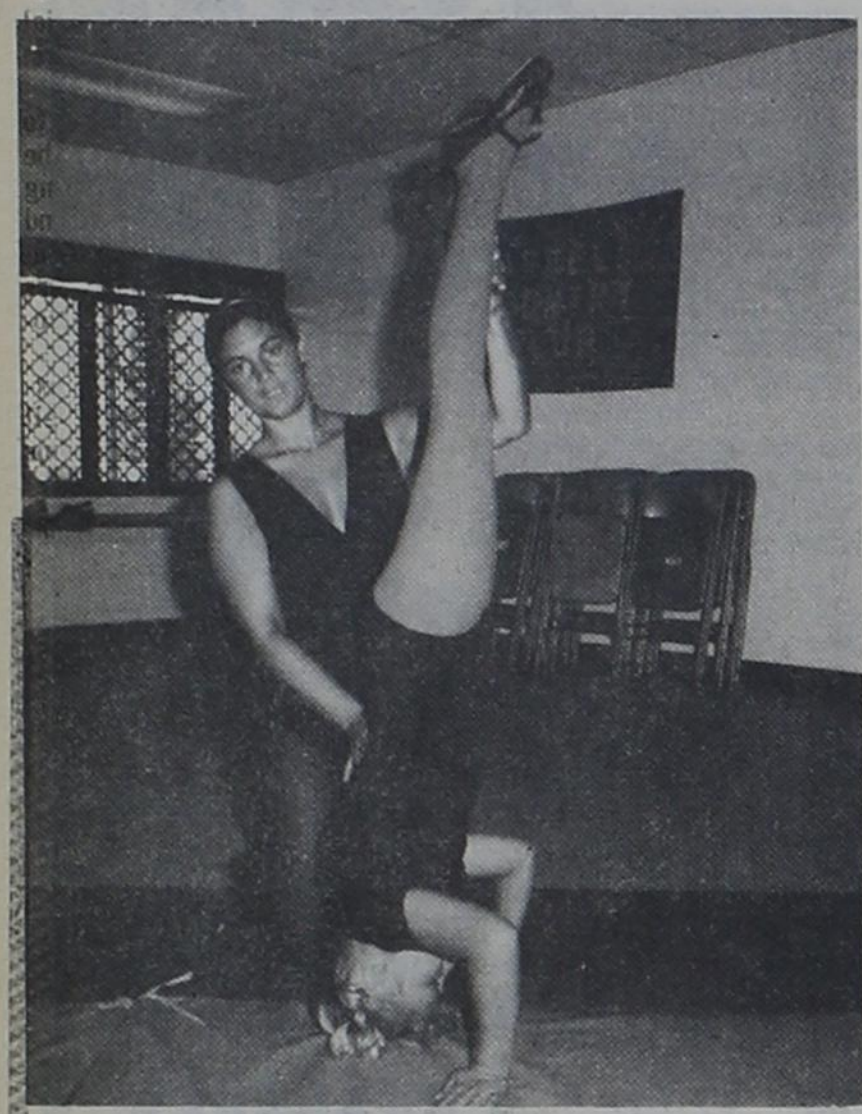

Mrs. J.V. Stancell of West Camp recently returned from a nine-day visit to St. Louis, Mo., to visit her daughter and family, Mr. and Mrs. Larry Taylor, Kevin and Kimberly.

Greg and Camille Carey of Ruidoso, N.M., plan to visit her mother, Beulah Hobbs of Farwell, this weekend.

Sherri Curtis, daughter of Mr. and Mrs. Johnny Curtis of Farwell, demonstrates a head stand tumbling maneuver with the help of instructor Tu Tu King of Lubbock. Recently Mrs. King began teaching a series of classes in ballet, tap dancing and tumbling at the Farwell Country Club. She also has a woman's exercise class on Thursday evenings.

### How To Carve A Leg Of Lamb

It is not difficult to do a professional carving job. Try the following technique on your next leg of lamb. You'll find the results especially pleasing and easy to get with an electric slicing knife such as the General Electric model shown below.

### Hospital Notes

Mrs. G.D. Anderson of Farwell underwent surgery at Lubbock last Friday. She was reported to be in satisfactory condition at mid-week and was expected to be released to return home sometime Wednesday.

Mrs. Ophell McDonald of Farwell remains hospitalized at Methodist Hospital in Lubbock after undergoing foot surgery Monday. Her condition is reported as "good," but according to family friends she will remain hospitalized for 5-10 days.

# you can do it too!

## Just look at Florence Sutton of Fort Worth She did it!

BEFORE

AFTER

"Since I started Pat Walker's 17 months ago I have lost 126 lbs. and 145 inches. A lot has happened since my first picture appeared in the paper. I have lost more weight and I have even lost a 1/2 size in my shoe size. Needless to say, I feel and look like a different person. On one occasion a person both my husband and I know wasn't going to speak because they thought my husband was with somebody else. This person is amazed at the change I have made. I made a New Year's Resolution last year to do something about my weight problem, I think I have kept that resolution. I have tried a number of diets but the Pat Walker routine is one I could live with the rest of my life. The biggest thrill I get is shopping for clothes and being able to pick and choose. When you wear a size 24 1/2 you don't have much choice, but size 10 you have a better selection. I intend to continue the Program and get down smaller than a size 10. I still receive encouragement from the personnel at Pat Walker's and from my family at home. If you have a weight problem this is the place to come."

**Florence Sutton**  
737 Comal  
Fort Worth, Texas 76108

### Will it work for you? You bet!

At Pat Walker's Figure Perfection Salons, we have the "you can too" attitude because over the last 14 years we have helped millions of women from Fort Worth, Texas to Sydney, Australia reach their perfect figure without crash dieting, without strenuous exercise and without even the embarrassment of disrobing. You can enjoy complete privacy. Our salons are exquisitely decorated . . . your visits will be pleasant breaks in your day. The price is quite reasonable (based on \$2 per treatment) and you know just how much your program will cost before you begin. If it sounds too good to be true . . . call us today and we will prove it to you.

## Mrs. Raymond Hadley Honored With Shower

Mr. and Mrs. Raymond Hadley were honored with a baby shower on September 1 in the Home Economics Room of Texico High.

Forty-three guests were served cake and punch at the afternoon party. The cake,

decorated with yellow and green icing, featured a large stork and the names, "Raymond, Jr." or "Jessica." Mrs. Ima Swinney made the cake.

The serving table also featured a yellow and green tree branch with numerous baby dolls attached to it. Nuts were served from diaper-shaped napkins, and the serving napkins were folded in the shapes of diaper shirts.

Mrs. Hadley was presented a corsage made from yellow and white infant socks. Her mother, Mrs. J.W. St. Clair, of Muleshoe, and her mother-in-law, Mrs. John Hadley, of Texico, were presented corsages made from baby rattlers.

Hostesses included: Mesdames Kendale Burch, Sylvia Burgett, Kay West, Paula Leighton, Nadine Maben, Marcia Leavell, Virginia Loeira, Mary Powell, Audrey Kittrell, Mary Peyton and Margaret Lacy.

The hostess gift was an automatic baby swing and a diaper bag filled with a dozen diapers. The couple also received the baby book that was used to register guests and gifts.

Out-of-town guests included several of Mrs. Hadley's relatives: her parents, Mr. and Mrs. J.W. St. Clair of Muleshoe; her sister, Jeanette Pierce of Spearman; her sister-in-law, Mrs. Johnny St. Clair of Muleshoe; and her niece, Darlita Pierce from Lubbock.

**Learning To Sew**

Learning to sew can be fun. Just ask Lazbuddie ninth graders, Gay Elliott, seated, daughter of Mr. and Mrs. Leonard Elliott, and Sandia Zamora, daughter of Mr. and Mrs. Eddie Zamora. The two girls seem to be enjoying themselves as they observe home economics instructor Mrs. Marca Morris demonstrating how it's done.

## Sisters Visit

Visitors in the home of Mrs. Ebb Randol, Tuesday, Sept. 5, were three of her sisters, Mrs. Elbert King, Amarillo; Mrs. Euel Smith, Clovis; Mrs. Truman Doolittle, Texico; and a long time friend, Mrs. Quilla Daniel, Amarillo.

This was the first time the four sisters have been together for a visit in a long time. All present enjoyed bountiful dinner, picture taking and a lot of visiting.

On Wednesday Mrs. Roger Grissom and Mrs. Riley Boss joined the group for lunch at a restaurant in Clovis.

## Marriage Licenses

The Parmer County Clerk's office has issued two marriage licenses since the last report. They went to Rogelia DeLao Orrantia and Graciela Ornelas; and Alberto Valdez and Dora Guerra.

## Texico Woman's Club Sets Membership Tea

Texico Woman's Club annual membership tea will be Monday, Sept. 18, at 7 p.m. MDT at Texico Woman's Club building.

The program, "Parade of Our Nation's First Ladies," will be demonstrated with dolls outfitted in authentic costumes of the country's first ladies. Mrs. Reeves of Friona will present the program and

demonstration.

The membership tea is to acquaint anyone interested in the purposes and projects of Texico Woman's Club. The club is a member of the General Federation of Women's Clubs, the largest women's organization in the world.

Anyone interested is cordially invited to attend.

## National Young Homemakers Week Slated Sept. 17-23

Farwell Chapter of Young Homemakers of America will observe National Young Homemakers Week, September 17-23. Four activities are planned by the local group for

next week. Sunday, members will present red carnations to the church they attend. Throughout the week radio spot announcements will be made

to explain purposes of the organization.

Tuesday, local chapter members will present a cake to Future Homemakers of America, their "little sister" organization. Friday, a coffee will be given in the home of Sharon Eubanks. Any young homemaker interested in attending is asked to call 389-5389 or 825-3822 for further information.

Objectives of the organization are as follows: 1. To help individuals develop their abilities. 2. To develop better understanding of home and family members. 3. To strengthen bond between home and community.

## Texico Baptist WMU Has Royal Service

Women's Missionary Union of the First Baptist Church in Texico met September 6 at the church for the regular Royal Service program entitled "Two By Two: Kenyans on Bold Mission."

Mrs. Nora Day was in charge, serving in place of Chairman Mrs. Olan Schlueter. Mrs. Anson Bowers played "Precious Memories" on the piano. Mrs. Dee Brown read from Acts 5: 12-16. Afterwards she gave the calendar of prayer for the missionaries having birthdays on that day. Others taking part in the program were Mesdames

Mary Dorris, Anson Bowers, Vernon Kirby, Weldon Dane and Barney Kelley. Mrs. Grace Jones said the dismissal prayer. Also attending was Mary Hill.

Mrs. Day presided over the short business meeting. New officers were elected but they will be announced at a later date.

The group decided to reimburse Mary Dell Brown for her part in furnishing the meal for the Plains Association WMU Executive Board Meeting held September 5. Mrs. Brown is president of the organization.

## Dessert Ideas

A well-stocked dessert emergency shelf and freezer will pay off when unexpected company drops in. This special topping can be mixed in a couple of minutes and used to top scoops of your favorite sherbet, fresh or canned fruit, or ice cream. Just put 1 cup of flaked coconut in a bowl and sprinkle it with 1/4 cup white wine; toss it lightly with a fork until it's well mixed.

## Farwell Young Homemakers Attend Amarillo Convention

Several Farwell Young Homemakers attended the Area I Young Homemakers Convention Saturday in Ama-

rillo. The Farwell Chapter was responsible for registering the voting delegation. Bobbie Pierson and Sheree

Montgomery were local members of the delegation. Others attending were Janice Fant, advisor; Tina Sides, Linda Foster, Nedda Travis, Sharon Eubanks, Ruth Ann Bennett and Val Bass, special guest.

Three speakers were included in the convention program. Tony Guess of the Department of Public Safety gave a talk and slide series on self defense for women. Phil Carpenter, co-ordinator of the Mental Health Program in Plainview, spoke on "Effective Parenting," and Joyce Cheatham of Lubbock, Young Homemaker advisor, presented a crafts program entitled, "Put Some Spice In Your Life."

Officers were elected and installation was conducted after the noon meal and business session. New officers include Mrs. Eubanks from the local club who was elected vice-president.

An awards banquet was held that evening. Amarillo Mayor Jerry Hodge greeted attendants. Introduction of special guests included Mr. and Mrs. W.M. Roberts of Farwell.

Fred McClure, assistant to Senator John Tower, gave the evening address. Following that Young Homemakers and Young Farmers individual awards were given and officers for the 1978-79 were introduced.

The local organization expressed thanks to Farwell Hardware for donating a door prize.

## ESA Sorority Has Dinner In Clovis

Theta Rho Chapter of Epsilon Sigma Alpha sorority met Monday night for dinner at a

Clovis restaurant. Afterwards they returned to Rosa Roberts' home for the business meeting.

The organization will have a two-day rummage sale Sept. 22-23 from 8 a.m. to 6 p.m. at the old Irrigation Supply building. Anyone wishing to donate to the sale is asked to leave their things at the building September 21 beginning at 1 p.m. Or, they may call Debbie Williams at 481-3889 or 683-5434 to make arrangements to have the items picked up.

ESA members also decided to enter a float in the Farwell Steer homecoming parade slated for October 6.

Attending the meeting were Judy Jones, Margaret Aycock, Joyce Williams, Caren Spearman, Robin Gregory, Lillie Christian, Dickie Chandler, Debbie Williams, Ann Liethen, Wessie Edwards, Dardanella Helton, Maxine Williams, Jeannie Norris;

Also, Nell Walling, Diane Actkinson, Dot Christian, Lamoine Williams and Leslie Lunsford.

## Daughter For Tim Engrams

Mr. and Mrs. Tim Engram of Farwell are parents of their first child, a daughter born September 6 at the hospital in Friona. The new arrival, who has been named Amanda Kathleen, weighed five pounds, 15 1/2 ounces and was 18 1/2 inches long at birth.

Louise Engram of Texico is the paternal grandmother and the maternal grandmother is Janie Bowers of Farwell.

Mr. and Mrs. W.T. Magness of Farwell are the maternal great-grandparents and Mrs. S.E. Magness of Edinburg is the maternal great-great-grandmother.

## Ray Larsons Have Girl

Mr. and Mrs. Ray Larson of Brownfield are the parents of a daughter born August 30. The new arrival, who has been named Kayla Jenee, weighed eight pounds, 10 ounces, and was 20 inches long at birth. She has one brother, Kevin, who is three years old.

Maternal grandparents are Mr. and Mrs. John R. Hadley of Texico, and the paternal grandparents are Mr. and Mrs. Merrill Larson of Las Cruces, N.M.

Great-grandmothers are Mrs. J.J. Vanderford of Ft. Sumner, N.M., and Mrs. F.A. Larson of Moriarity, N.M.

## Crim Family Reunion Held In Oklahoma

Members of the J.W. Crim family met recently at Lake Fort Cobb, Okla., at the cabin of Buck and Darlene Crim for a family reunion.

The long weekend was spent visiting, swimming, skiing and fishing. The prize fish, a five-pound catfish, was caught by Kevin Hall and Greg Crim. The Buck Crims hosted a barbecue dinner for all on Sunday.

Attending were J.W. Crim, Max and Barbara Crim, and Kevin and Cindy Hall and Brandy, all of Muleshoe; Fred

and Evelyn Curtis of Farwell; Lovel and Lois Johnson, and Gerald and Terri House, all of Garland, Tx.; Mabelena Monroe of Clovis; Dave and Cheryl King, Michelle and Michael of Ft. Worth; Robert and Sue Curtis and Clay of Amarillo; Buck and Darlene Crim and Lisa of Weatherford, Okla.; Doyle and Gayla Crim and Jeremy of Oklahoma City; and Greg Crim of Dallas.

**BARBECUE BEEF SANDWICHES**

4 cups diced leftover beef  
1/2 cup butter or margarine  
2 large onions, diced  
1 large green bell pepper, diced  
3 stalks celery, diced  
1 bottle (26-oz.) catsup  
2 Tbsp. Worcestershire sauce  
Juice 2 lemons or 1/3 cup dry red wine  
1 tsp. salt  
1 tsp. hot sauce  
1/4 tsp. allspice  
1/2 tsp. garlic powder

In a large skillet, melt butter and saute onion, bell pepper, and celery until soft but not browned. Add 1 cup of water and all remaining ingredients, except meat. Simmer 30 minutes. (If you are using lemon juice, include squeezed lemon halves and remove before adding meat.) Add beef and simmer 15 minutes. Serve on hamburger buns or French rolls. Serves 8.

For additional recipes write Commissioner Reagan V. Brown, Texas Department of Agriculture, P.O. Box 12847, Austin, Tex. 78711.

Lose By Two Field Goals - -

# Steers Corralled By Tough Olton Mustangs

The Farwell Steers invaded Olton Mustang territory Friday night, but came away shy of a victory as they were edged 6-0 in a tough battle. Statistics tell the story as the Blue and White amassed only 45 total yards compared to 295 for Olton. But the Steer defense also has a story to tell as it denied the host team even one touchdown; individual players made several

game saving tackles; and a goal line stand in the waning seconds of the game stymied a strong Mustang scoring drive. Farwell kicked off to Olton, opening the first round of 1978 grid action for both teams. Several plays later Olton fumbled -- the first of five such maneuvers -- and the Blue and White recovered on their own 47. However, "turn about was

far play" as a Mustang picked off a pass intended for Steer James Castleberry. But the Steer defense held them on downs. Second stanza action opened with a bang as the Steers recovered a fumble and Raul Garza scampered into the end zone on the next play. However, "all that glitters was not gold" as a clipping penalty nullified the score.

An exchange of fumbles followed with neither team able to move the ball into the end zone. With a little less than four minutes in the quarter, Willie Martin made three stops in a row, but facing a fourth and five situation the Mustangs kicked a field goal to take a 3-0 lead. With 10 seconds left in the half Olton kicked another field

goal, increasing its lead to 6-0. An exchange of punts followed in the opening stanza of the second half. D.D. Foster broke up a pass attempt during the Mustangs' next offensive drive and also joined with Willie Martin on a tackle to jar the pigskin loose allowing the Steers to take possession on the fumble recovery.

The Steers drove deep into Mustang territory, all the way to the nine, but then had an attempted field goal fall short to leave the Blue and White still scoreless.

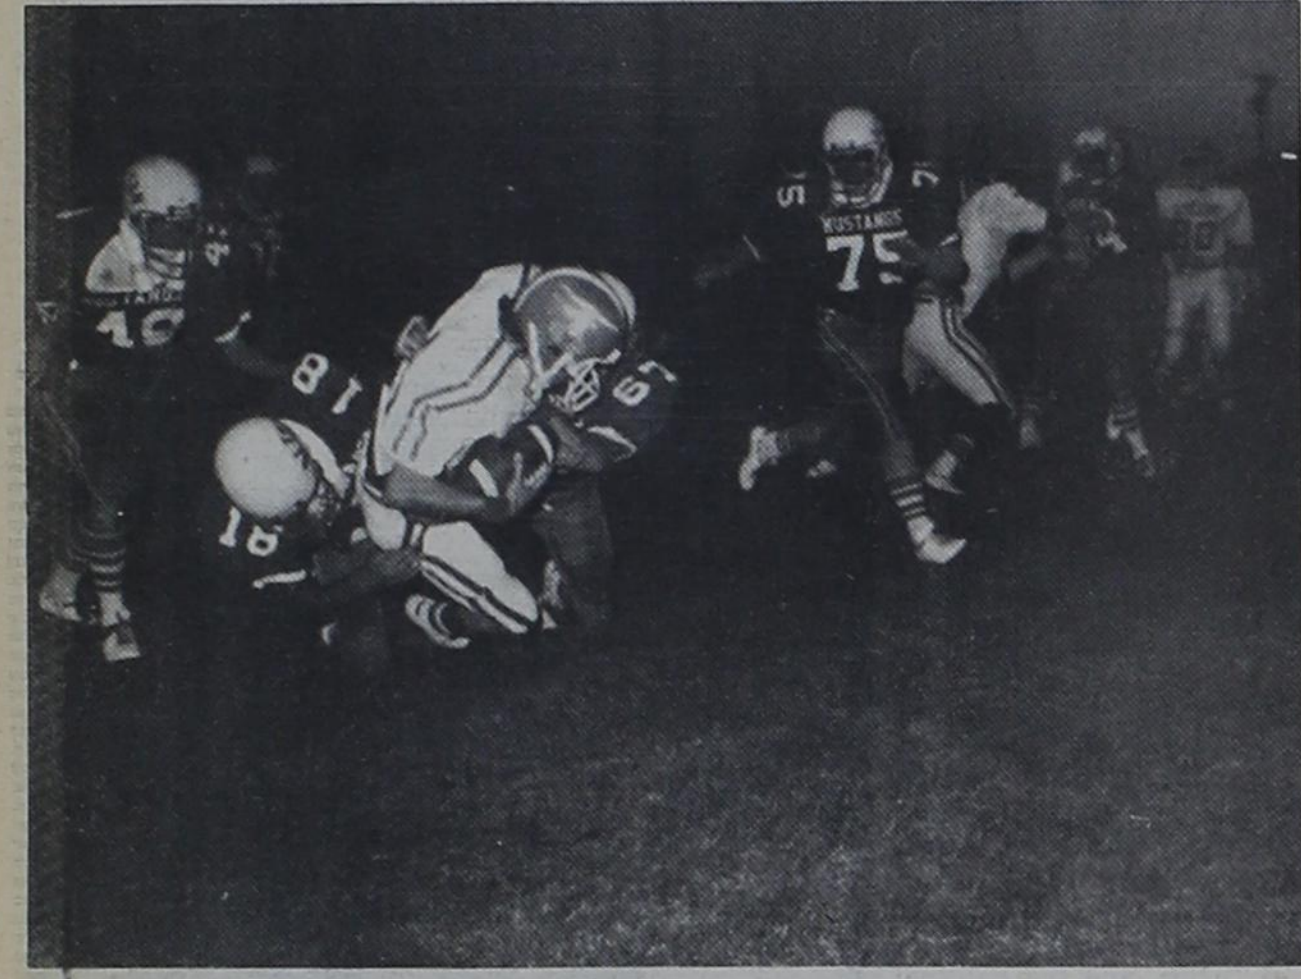

Early in the final quarter, Foster executed a touchdown saving tackle as a Mustang headed for a sure six-points.

In other defensive action in the final period, James Castleberry charged through to block an attempted field goal and stop another scoring threat.

In the final seconds of the game the Steer defense dug in its heels and refused to budge, holding the Mustangs on the two-yard-line.

## Corralled Mustang

Farwell Steers Leonel Jaime (#77), Rowdy Chandler (#76) and Boyd White, (#40) effectively corralled this Olton Mustang Friday night, tackling him and forcing a fumble. However, when the long night of play ended the Steers were on the short end of the 6-0 score. Chandler was named "Steer of the Week" for his offensive and defensive performance.

## First Down Yardage

Farwell Steer Raul Garza (#24) gained a first down on this play in the first quarter of action Friday at Olton. Early in the second stanza Garza scampered into the end zone for six points, but the touchdown was called back due to a clipping penalty. The Steers were unable to put it together for the rest of the contest, losing 6-0.

## Morton Next Foe - -

# Steer Coach Comments: Defense Played Well

The Farwell Steers made their 1978 gridiron season debut Friday night with a 6-0 loss to the Olton Mustangs. "We played a lot of young, inexperienced players and we made mistakes," head mentor Don Alana said. "It sometimes happens that way." "Inexperience in key areas really hurt us," he added. "We have a tough pre-district schedule, but we will be all right in time."

The defense played well overall, Alana commented, adding that it was obvious from the statistics that the offense did not play as well.

However, in spite of the loss several players have been singled out for honors, including Rowdy Chandler who was named the "Steer of the Week."

"Rowdy probably played his best game, both offensively and defensively," Alana said. Chandler was also named the "outstanding forcing unit man."

Bruce Mayfield received the "outstanding offensive lineman" honors, and Robin Roberts was named the "outstanding offensive back." Mark Owen was accorded the "outstanding secondary back" award.

James Castleberry and D.D. Foster were also cited for recovering three and two fumbles, respectively.

"Olton was tough," Alana said. "Tougher than we thought they would be. They were much improved over their performances in two

scrimmages." The Steers will travel to Morton this Friday to tangle with the Indians. Game time is 8 p.m. CDT.

Coach Larry McDorman provided the following scouting report on the Morton team. He said Morton was equal in size to Olton but had greater team speed. "They

are bigger than we are," he said.

Morton also started their season last Friday, winning over Plains 31-13.

The Class AA school was 0-10 last season. David Moore, a senior halfback, is considered to be one of the best running backs, according to McDorman. Bob Wynn will lead the Indian attack against the Steers.

Another Indian to watch is Jimmy Jeffcoat, a senior tight end. Lonnie Bracken, receiver,

"has great hands and a 4.8 speed in the 40-yard dash."

Morton's biggest asset is the return of all secondary starters, according to a review of the team which appeared recently in the Lubbock Avalanche-Journal.

The Indians also boast 10 returning lettermen. Dub Smith second-year coach, was quoted in the Lubbock paper as saying "We lack size and speed, but I think we can be a determining factor in the 3-AA race."

## STEER OF THE WEEK

ROWDY CHANDLER

Rowdy Chandler has been named the Steer of the Week by the Farwell coaching staff. Head coach Don Alana cited Chandler for "probably playing his best offensive and defensive game." Chandler was also named the "outstanding forcing unit man."

## Texico, Farwell Jr. High Gridiron Games Slated

Texico ninth graders will host Melrose this Saturday at 10 a.m. for the first regular season game.

The eighth grade game with Portales has been re-scheduled for Saturday, Sept. 30, at 10 a.m. at Texico.

Farwell junior varsity and 7th and 8th Yearlings were to host Morton Thursday for

their first games. Full reports will be published next week. They have an open date next week.

## Stop Punt Return

This action occurred in the second half of the Steer-Mustang clash Friday night after Farwell had just punted to the host team. Following a penalty on the play, the Mustangs set up its offensive drive near their own 10-yard line. The would-be punt return man is greeted by several Steers who were in on the stop.

Win Season Opener - -

# Wolverine Aerial Attack Demoralizes Mountainair

When the Texico Wolverines got off the bus Friday night, after traveling 200 miles to Mountainair, N.M., they were ready to play ball. And play

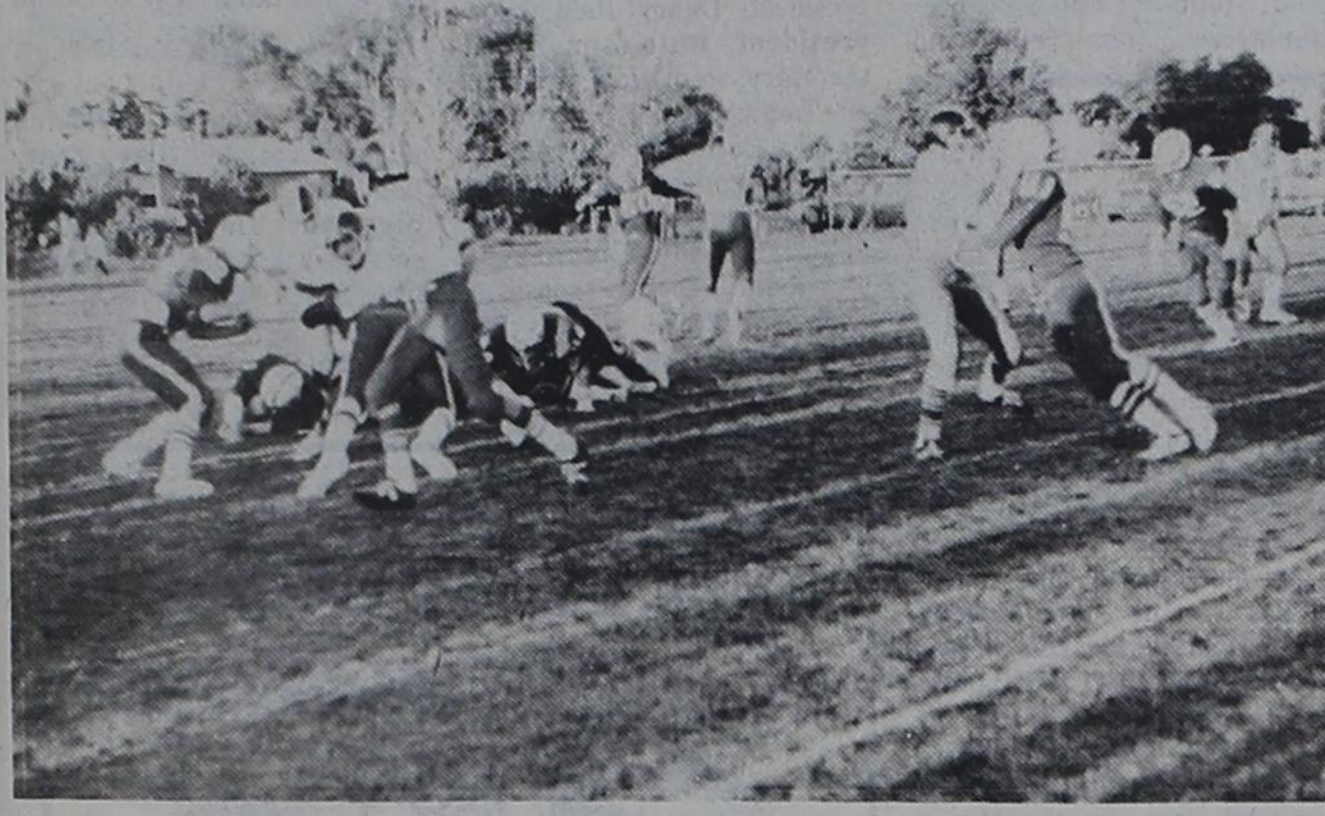

ball they did, burying their opponents under an avalanche of scores, and winning the first non-district game for both teams, 51-0.

Quarterback Keith Hadley gave a stunning aerial performance as he connected on 12 of 20 passes for 302 yards, riddling Mountainair's defense

and playing an important roll in securing Texico's first Class A win of the year.

PAT kick increasing Texico's lead to 21-0.

Hadley again hit brother James with a six-yard pass for another six points. The PAT again failed, however, and Texico increased its lead to 45-0.

James Hadley set the tempo for the match in the first quarter as he ran the opening kickoff 63 yards, setting up the Wolverines first score of the night. Five plays later, Barry Goode punched the pigskin in from the one and Britt Crooks added the point-after-touchdown kick as the Wolverines took a 7-0 lead.

On the next series of downs Keith drilled an 86-yard bomb to his brother for another six points. The run for two points failed, and at halftime the Wolverines were in command of the game, 27-0.

Hadley cranked up his arm for the final score of the game, hitting Eloy Ortiz from 24 yards out. The PAT failed and Texico finished the game on the positive end of the 51-0 score.

Keith Hadley then bounded in from the three to clinch another six points. Crooks kicked the extra point to make it 14-0.

The Green and White exploded for another 24 points in the second half. Crooks got things underway in good form in the third stanza, intercepting the ball in enemy territory and running it back 25 yards for the score. The PAT failed again and the score was 33-0.

Next action for the Wolverines will be tonight (Friday) when they travel to Lubbock to take on Christ the King school in a game starting at 7:30 CDT.

Texico razzle-dazzled its way through the second act, earning another 18 points. Keith Hadley connected with brother James for a 36-yard score and Crooks added the

Barry Goode followed suit with a two-yard scamper to paydirt and Crooks booted the extra point increasing the bulge to 39-0.

## Wolverines Of The Week

KEITH HADLEY DUWAIN HILL

Keith Hadley, left, and Duwain Hill, were named the offensive and defensive "Wolverines of the Week" for their outstanding performances in the Texico-Mountainair gridiron match last Friday. Hadley threw for four touchdowns and intercepted the ball one time. He passed for a total of 302 yards. Hill had an equally impressive night as he made 10 unassisted tackles, recovered one fumble and intercepted the ball three times. James Hadley who caught three touchdown passes received offensive honorable mention and Robert Thornton who executed 12 unassisted tackles was named the defensive honorable mention.

Coach Topliff Says - -

### Wolverine Action

Pictured is a typical gridiron scene captured Friday night at the Texico Wolverine game at Mountainair. The Wolves went on to claim a 51-0 victory over the host team. Texico travels to Lubbock tonight (Friday) to face Christ the King school at 6:30 p.m. MDT. (Texico School Photo)

### Texico Quarterback - -

#### Keith Hadley Receives Globe-News Grid Honor

Keith Hadley, Texico Wolverine quarterback, has been named the Amarillo Globe-News New Mexico Player of the Week for the first week of the 1978 gridiron season.

from the three for another score. In addition, from his safety position on defense he picked off a Mountainair pass.

probably averaged twice a ball game. We faced 11-man fronts and 8-man lines."

The Texico senior earned the honor by virtue of his spectacular air show executed Friday night in Mountainair, throwing for a total of 302 yards including four touchdowns. Hadley had more than a 50 percent pass completion rate as he connected on 12 of 20 passes.

Hadley's performance was all the more spectacular and impressive because just a short time ago, last season in fact, the Wolverines could not throw the ball. The ball was put up only on rare occasions and with less than fantastic results.

"He throws a strong ball," Topliff went on to say. "He can probably throw 65 to 70 yards in the air. We came out this spring practice to put the ball up in the air. We want to put the ball up 25-30 times a ball game."

The versatile field general also skipped into the end zone

"We didn't have anybody who could throw," Texico Coach Paul Topliff was quoted as saying in the Amarillo newspaper. "Everybody knew it and we knew it. We

Topliff was also quoted as saying, "We're sure tickled with him. I have had him since he was a sophomore and he came up from a freshman as a pretty good thrower. He's just matured as a quarterback."

## Wolverine Offense, Defense Function Well For 1st Win

"One win does not make a season, but it sure does help," commented Texico head coach Paul Topliff following the Wolverines 51-0 trouncing of Mountainair, N.M., last Friday night.

Goode carried 10 times for 47 yards.

played this well and lose. "The players themselves got mentally ready to play and I am proud of them for that. The coaches can get their bodies in shape but the rest has to come from the players themselves," Topliff said.

ball we can explode almost at any time." The awesome Wolverine defense also sacked the quarterback nine times.

Even though he is "super proud" of the whole team, several players have been singled out for individual honors.

"This year I am pleased to say that our offense and defense are both good, something that has not always been true in the past. We intercepted the ball six times and jarred the ball loose three times for fumble recoveries," Topliff said.

"I'm not downplaying the win at all - because it is always great to win - but I would have been satisfied to have

"It's a very nice feeling to know that when we have the

Topliff went on to say that Mountainair was a good Class A team, and were rated Number One last year for the first seven weeks of the season.

Duwain Hill is the defensive "Wolverine of the Week" by virtue of making 10 tackles. (Continued on Next Page)

### Texico Volleyball Girls Defeat Dora In 1st Game

Texico girls volleyball teams hosted Dora Tuesday of last week, winning all three matches. The varsity Wolverines trounced their counterparts, 15-9 and 15-11. Texico junior varsity won, 15-7 and 15-3, and the junior high team was victorious, 15-12 and 15-13.

Scoring points in the first varsity game were Tonye Harrington, 5; Jana Jesko, 4; Celia Johnson, 4; and Lori Harrington and Liz Cavallero, 1 each.

In game two, point getters were Jesko and Teresa Turner, 4 each; T. Harrington, 3; Johnson and Becky McDonald, 2 each.

In the first JV game, Kelly Dobbs scored nine points followed by Lisa Coffey with 4 and Teresa Golledge, 2. In the second set, Dobbs drilled 14 points and Golledge, 1.

In the first junior high conflict, Ruth Scott scored 7 points, followed by Lisa Crooks, Jo Hill and Sharlet Taylor, 2 each, and Jill Jesko and Corinna Hungerford, 1 each.

Coach Rebecca Topliff said the JV girls played "pretty good" together for the first organized game. "We discovered weaknesses which we will work on," she said, adding that "the girls sometimes hesitated before going after the ball. We're really working on that because in a different game situation it

might hurt us a lot." "We were naturally nervous for the first game. Dobbs was a super server." According to Mrs. Topliff, Dora "had a very good team."

Of the varsity girls, Mrs. Topliff said, "I was pleased with their performance but they could have been more aggressive. We served well and made some mental mistakes," she continued. "The first game was not easy to win and in the second we had to come from behind."

She complimented the varsity girls for "good setting and spiking," adding though that there is room for improvement. "I expect all the girls to be able to set and spike." Mrs. Topliff said. "I think we were more nervous during the second game than the first, but everything worked out okay."

"For the first game I feel that the junior high girls played very well," commented coach Billy Carlyle. "We have a lot to work on but I feel very good about the season."

The Texico teams hosted Grady Tuesday. This Saturday the JV will participate in the Eunice Invitational. Texico is scheduled to play the Jal JV at noon and the Eunice JV at 2 p.m. MDT.

Next Thursday, Sept. 21, Texico hosts Melrose in the first district game. Game time is 4 p.m.

### Student Of The Week

At Texico School

Sheryl Day, a senior, is Texico's first "Student of the Week" this year. A member of the volleyball and basketball teams, Sheryl served as last year's Pep Club president. She is also a member of the FHA and FFA clubs. Last week at the Curry County Fair, Sheryl placed second in the senior division of the Ladies' Lead Competition. In this, each contestant is required to model a hand-sewn wool garment and show a lamb before a panel of judges. The sheep and garments are both considered in the final judging. She will be competing in this same contest at the New Mexico State Fair on Sunday. The daughter of Mr. and Mrs. D. Smith Day, Sheryl enjoys motorcycles, horses, playing the piano and singing.

[Selection of "Student of the Week" made by anonymous committee.]

### Texico Classes Name Officers For Year

Texico classes and organizations have the new school year underway with new slates of officers.

Leading the seniors are president, Mike Scott; vice-president, James Barfield; secretary, Teresa Turner; treasurer, Celia Johnson; and Student Council representatives, Liz Rojas, Tonye Harrington, and Pam Southard. Senior class sponsors are Nadine Maben and Kendale Burch.

Junior class officers include president, Kelly Dobbs; vice-president, Teresa Doolittle; secretary, Roxanne Cherry;

treasurer, Cindy Taylor; reporter, Leslie Elliott; and Student Council representatives, Lori Harrington and James Hadley. Junior class parents are the Dobbs, Powells, Sluders, Kelleys, Crooks, Donaheys, and Taylors. Class sponsors are Mrs. Sylvia Burgett and Mrs. Paula Leigh-ton.

Sophomore officers this year are president, Teresa Golledge; vice-president, Schree Rucker; secretary, Rhonda Tharp; treasurer, Lisa Coffey; parliamentarian, Allen Hall; and Student Council representatives, John Kelley and

Delinda Duncan. Mrs. Juanita Hadley and Mrs. Kay West are their class sponsors.

For the freshmen the officers are president, Kent Harding; vice-president, Todd Gerles; secretary and treasurer, Lisa Crooks; reporter, Tracy Dobbs; parliamentarian, Kerri Gaddis; and Student Council representatives Lou-Ann Edwards and Jeff Day. The class sponsors are Ronnie Warmuth and Mrs. Dixie Jesko.

In the Junior High, class officers are eighth grade: president, Danny Reid; vice-president, Ruth Ann Scott; secretary, Pam Hoy; treasurer, Tammy Landis; parliamentarian, Earl Bibbs; reporter, Paul Salguero; and Student Council representatives, Becky Schwartz and Billy Askew. Mrs. Carol Brock is sponsor.

Seventh grade officers are president, Kevin West; vice-

president, Ronnie Dunsworth; secretary, Gilbert Sandovl; treasurer, Jeff Johnson; reporter, Tammy Cash; parliamentarian, Ronnie Landis; and Student Council representatives, Dana Morris and Valda Cavallero. Cecil Davis is sponsor.

Class officers for the sixth grade are president, Paul Topliff; vice-president, Steye Smith; secretary, Elayne Horner; parliamentarian, Cheryl Scott; treasurer, Billy Bibbs; and Student Council representatives, Danny Powell and Buck Gaddis. Mrs. Anna Southard is sponsor.

FFA freshmen Greenhand officers are Jeff Day, president; James Kelley, vice-president; Delinda Duncan, secretary; Becky McDonald, treasurer; Willie Bibbs, Sentinel; and Terry Curry, reporter. Eddie West is sponsor.

### Texico's This, That And The Other

by Journalism I class members

The first Pep Club meeting was Thursday, Sept. 7. Club dues will be \$1 per person, and Pep Club members should pay their dues by September 20 with no exceptions. Pep Club members were to meet Thursday, Sept. 14, at 4:30, to make posters for the upcoming football and volleyball games.

FHA members are selling pecans. The sale will end September 29. Pecans are being sold at \$3.25 a pound or \$39 a case.

Mr. Sadberry, band instructor, sponsored an instrument showing by Phillips House of Music for interested band members.

Another game has been added to the high school football schedule this year. The Wolverines will play Capitan October 13.

The FHA had a get-acquainted party in the Home Ec room recently. Mrs. Bobbie Copeland, a representative of the Farwell Convalescent Center, spoke to the club about volunteer work.

### SP/4 Arthur Salguero Jr. Participates In Army Exercises

Spec. 4 Arthur Salguero Jr., son of Mr. and Mrs. Arthur

Salguero Sr., of Texico is participating with other American and allied troops in REFORGER '78, NATO's largest yearly exercise, held in Germany.

More than 11,000 soldiers were flown to Germany and some 37,000 tons of equipment and supplies have been shipped from the U.S. for the massive exercise.

REFORGER (Return of Forces to Germany) results

from a 1967 agreement between the U.S., United Kingdom and the Federal Republic of Germany. The U.S. agreed to return stateside-based forces to Germany each year for exercises to demonstrate allied solidarity.

The entire exercise emphasized the orderly disposition of forces and stressed deployment procedures and techniques.

Salguero is regularly as-

signed as a medical aidman with the 326th Medical Battalion at Fort Campbell.

He entered the Army in June 1976.

### Wolverine Offense, Defense Functions Well . . .

(Continued from previous page) three interceptions and one fumble recovery to his credit. Robert Thornton who was responsible for 12 tackles received honorable mention.

Keith Hadley who threw for four touchdowns and a total of 302 yards, plus intercepting the ball once, was named the offensive "Wolverine of the Week." James Hadley who ran for paydirt three times received honorable mention.

Other Wolverines drawing the coach's praise were Ron Kirby, who played the defensive end slot as "good as Steve Turner did last year" and David Cavallero, middle linebacker, who executed eight tackles and one "super hit" which forced a fumble.

Mark Powell was also cited for completing seven tackles. Topliff said he was proud of his captains -- K. Hadley, Jimmy Reid and Doug Scioli -- who have proved themselves to be "super leaders."

"They handled the younger players very well and were

responsible for getting them ready to play," Topliff said.

He added that the entire offensive and defensive lines, coached by assistant Roy King, also deserve credit for playing a superior game.

Topliff feels that the Wolverine quickness and aggressiveness "made the difference," and he predicts that any losses in the future will not be incurred because they did not try hard enough. "We were a very physical ball club and we hustled well for the first game."

The Wolverines' next foe is Christ the King of Lubbock, who lost to Lubbock Christian last week, 26-0. They are a Class AA ball club. The game is set for today (Friday) at 6:30 p.m. MDT in Lubbock.

"They are bigger than we are with tackles in the 180-190 lb. range and they have some fine athletes like their quarterback and wide receiver," he said.

Even though the Christ the

King offense gained only 19 yards in 14 attempted passes and 45 yards on the ground last week, Topliff said they are capable of playing "high caliber ball."

But coming off such a spectacular first win of the season, Coach Topliff and the Green and White believe they are capable of being competitive with their district and non-district foes.

### Menswear Fall Fashion Trends

Men's fashions for fall and winter depict the "natural" look in styling, fabrics and color.

In tailored clothes, the natural, softer shoulder is in vogue, with notched collars, narrow lapels, fuller cut jackets and back vents, says Marlene Odle-Kemp, a clothing specialist with the Texas Agricultural Extension Service, The Texas A&M University System.

Dress shirt collars have shorter points -- some rounded or short button-downs.

Pants are fuller straight legged and pleated at the waist.

Ties are narrower, ranging from three and one-half inch silks to two-inch knits, the specialist reports.

Sweaters are bigger, looser and bulkier than ever.

Fabrics are natural in cotton/polyester shirting wool

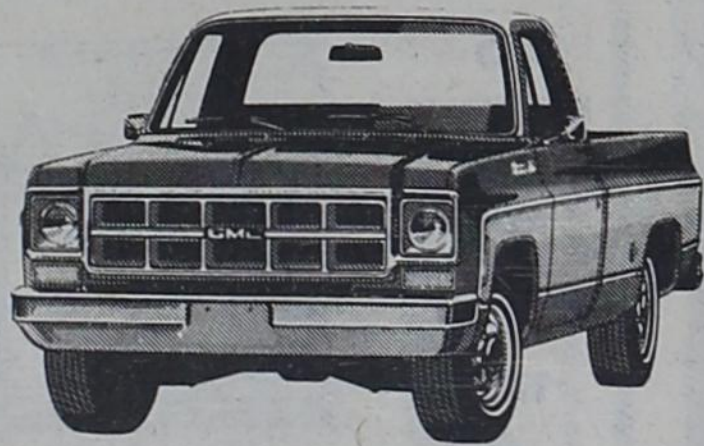

for tweed, herringbone, check and shetland suiting.

Leather is a must for outerwear with wool and acrylic for sweaters and pullovers.

Colors are grey, blue-grey, brown and earthy heathers with white and red accent, the specialist adds.

"Green wood makes a hot fire." English Proverb

HEAT PUMP

YOUR CONSTANT COMPANION FOR HEATING & COOLING EFFICIENCY

No matter what the weather outside, the heat pump works quietly... efficiently... automatically to keep your family comfortable. Since it pulls much of its heat right out of thin air, the heat pump actually saves energy as it works. In fact, it delivers as much as two units of heat for every one heat unit of electricity it uses. Costs are the lowest of any electric heating/cooling system available.

For year 'round heating and cooling efficiency, the heat pump is your constant climate control companion. Call us today for more information.

SOUTHWESTERN PUBLIC SERVICE

With Lazy B Wranglers -

## James Hobbs To Sing For President Carter

James Hobbs of Lubbock, formerly of Farwell, and his three compadres who make up the western musical group - the Lazy B Wranglers - are scheduled to perform at the White House on September 20.

The four-member group from Estes Park, Colo., will sing at an outdoor barbecue on the White House lawn hosted by President and Mrs. Carter for executive office employees and their guests. The group's appearance has been in the making for the past year.

Other members of the group include Jeff Chandler, whose father arranged the appearance, Lynn Campbell, and Tom Justin, senior group member.

Chandler's father helped in the Carter presidential campaign, and in working on the National Democratic Finance Committee he came to know several top people - including Bob Strauss. So the father sent one of the group's albums to these friends, and after deciding the group was "good enough" they were booked for the performance.

Hobbs, the son of Mrs. Beulah Hobbs of Farwell and the junior member of the group, is in his second season as a Wrangler. He first learned about the Wranglers when he met Chandler through a mutual friend. He decided to stay because he liked the "family entertainment situation."

A star in his own right, Hobbs' musical career began at an early age. He says that the church started him into music, adding that he is particularly fond of gospel music but he also enjoys the music performed by the Wranglers.

Reared in Farwell and a graduate of Farwell High School, Hobbs is also a graduate of Lubbock Christian College. At LCC, he was a member of the A Cappella Chorus for three years and an officer and member of the men's quartet. He traveled a year for the college as a member of the 1974 Hard Travelers, was in the barber-shop quartet of the musical comedy "The Music Man" in 1975, and co-hosted and sang in the 1976 Master Follies.

The Wranglers are very excited about the White House performance and feel that it is a "once in a lifetime deal."

Hobbs feels that besides being a "stepping stone to my career, it is also a privilege and an honor - something I will remember for the rest of my life.

The Wranglers have three albums to their credit and have made numerous appearances on the Grand Ole Opry and the Louisiana Hayride. They also perform nightly during the tourist season at the Lazy B Ranch in Estes Park.

Prior to their September 20 concert at the White House, the Wranglers will present a show for a convention in Pittsburg. On September 15 and 16 they will appear again at the Grand Ole Opry in Nashville, Tenn. Following the eastern tour, they will return to the western United States to appear at Colorado State University with the Monroe Doctrine, a regional bluegrass group.

The style of the Wranglers is similar to that of the Sons of the Pioneers that achieved fame in the old Roy Rogers movies. They perform original compositions as well as many of the Pioneers' old standards. The originals still carry the western flavor music which they are trying to preserve.

Campbell, a history teacher, feels that the appearance at the White House will be an experience that he will be able to share with his students. He joined the Wranglers in 1970, after moving to Estes Park to teach at Park High School. He had always been active in music, singing with a barber-shop quartet while in high school.

Justin, who currently owns the Lazy B, has been involved with the ranch for the past ten years. He says he is the only real cowboy of the group as he was raised on ranches in Arizona and Texas. Justin first was asked to run the Lazy B, and later bought it. He has been a Wrangler since his earliest association with the Lazy B.

Chandler, who was born in Little Rock, Ark., was reared in a musical family, and is "self-taught on everything." He is proficient on base, guitar, steel guitar, fiddle and banjo. Chandler, now 25, joined the group at age 19 and has been with them ever since. He is a Harding College graduate.

The Wranglers have aspirations for a successful musical career, but point out that they are just trying to make a living. They do not plan to change their style very much for the White House performance.

### To Perform At White House

The Lazy B Wranglers of Estes Park, Colo., have been invited to appear at the White House on September 20. James Hobbs, standing right, a graduate of Farwell High School and Lubbock Christian College, is the junior member of the western musical group. The Wranglers will perform at an outdoor barbecue on the White House lawn hosted by President and Mrs. Carter for executive office employees and guests. Other members of the group are, from left, standing: Lynn Campbell and Jeff Chandler; kneeling: Tom Justin.

### GOP Convention - -

## Jimmy Briggs Serves On Platform Committee

Jimmy Briggs of Lazbuddie attended the Republican State Convention which convened in Dallas last weekend. He was a member of the Platform Resolutions Committee and also chaired the state caucus for rural areas. Briggs is County Commissioner of Lazbuddie Precinct 4.

The GOP platform resolution which was adopted at the convention is as follows:

Agricultural Resolution Adopted by Texas State Republican Convention Sept. 9, 1978

WHEREAS, an economic crisis exists in rural America where farmers and ranchers are caught between falling prices and skyrocketing production costs such that many farmers and ranchers are unable to recover their cost of

production and receive a fair return on their investment, and

WHEREAS, the economic problems of farmers and ranchers are spreading to other agribusiness enterprises, and will spread further, and

WHEREAS, the Carter Administration and Democrat Congress have failed to take effective action, and

WHEREAS, Texas farmers and ranchers need help now

THEREFORE BE IT RESOLVED, that the Republican Party of Texas supports the legislative initiatives of Senator John Tower to furnish farmers and ranchers with the necessary means to continue to meet the food and fiber demands of all our people.

AND BE IT FURTHER RESOLVED, that we create a board of active participating farmers to work inside USDA.

AND BE IT FURTHER RESOLVED, we also support Senator Tower's current legislation to restrict the importation of meat and meat products and require the labeling of such imports for the health and economic benefit of consumers and producers.

AND BE IT FURTHER RESOLVED, that we support farmers' efforts to obtain parity prices for their products in the market place, by developing laws and enforcing existing laws against unfair trade practices pertaining to both imports and exports.

of the pound man or police officer who finds an animal or fowl at large in the city in violation of Section 2 to take up and impound the same at some place designated by the City Commission for the impounding of animals and fowl. Such animal or fowl shall be sold at a public auction for cash, after seven (7) days' notice of the time, terms and place of sale has been given by publication in the official newspaper of the city and by posting in some public place in the city, such notice to describe the animal or fowl to be sold.

Section 4. The owner of any animal or fowl impounded under Section 3 may redeem the same by paying to the City a pound fee of Seven dollars (\$7.00) and the cost of keeping the animal or fowl, which cost shall not exceed One dollar (\$1.00) per day for each animal or fowl, and the cost of advertising, if any. The owner of any animal or fowl sold as provided in Section 3 may redeem the same by paying to the purchaser double the amount paid by him for such animal or fowl and his reasonable expense for keeping the animal or fowl; provided the owner shall redeem the animal or fowl within thirty (30) days after the sale; otherwise the animal or fowl shall become the absolute property of the purchaser.

Section 5. If, at any time of sale under the provisions of Section 3, there can be found no purchaser for any animal or fowl impounded, the pound man shall kill such animal or fowl and deposit the carcass in such place as may be designated by the City Commission.

Any person guilty of violation of this ordinance shall be guilty of a misdemeanor and upon conviction may be fined any sum not to exceed Two hundred dollars (\$200.00).

This ordinance shall be in full force and effect after its publication according to law.

PASSED AND APPROVED this 11th day of September, A.D. 1978.

THE STATE OF TEXAS

TO: L. E. CANNON, JOHN CANNON, LORA DICKSON,

GEORGE HERRING DICKSON, SAM CLAUD DICKSON and NELLIE TAYLOR, the unknown husband or husbands, and the unknown wife or wives of each of said parties, all of whose present whereabouts and place of residence are unknown, and if deceased, then their unknown heirs, assigns, devisees and legal representatives, all of whom are unknown, and whose places of residence are unknown, and all unknown claimants whose places of residence and whereabouts are unknown, Defendants, GREETING:

You are hereby commanded to appear by filing a written answer to the Plaintiff's Petition at or before ten o'clock A.M. of the first Monday after the expiration of forty-two days from the date of the issuance of this citation, same being Monday the 30th day of October, 1978, at or before ten o'clock A.M. before the Honorable District Court of Parmer County, Texas, at the Court House of said County in Farwell, Texas.

Said Plaintiff's Petition was filed in said court on the 12th day of September, 1978, in this cause, numbered 4396 on the docket of said court, and styled:

BILL ADAMS Plaintiff, vs. L. E. CANNON, ET AL Defendants.

The names of the parties to the cause are as follows: Bill Adams is Plaintiff, and L.E. Cannon, John Cannon, Lora Dickson, George Herring Dickson, Sam Claud Dickson and Nellie Taylor, the unknown husband or husbands, and the unknown wife or wives of each of said parties, all of whose present whereabouts and place of residence are unknown, and if deceased, then their un-

known heirs, assigns, devisees and legal representatives, all of whom are unknown, and whose places of residence are unknown, and all unknown claimants, are Defendants. A brief statement of the nature of this suit is as follows, to-wit: Plaintiff is suing in trespass to try title to recover title to all possession of: All of Lots 10, 11, 12, 13 and 14, of Block 3, of the Langford and Nutt Addition to the Town of Farwell, Parmer County, Texas, as shown by plat of said addition of record in Volume 24, Page 412, et seq. of the Deed Records of Parmer County, Texas.

In the alternative Plaintiff pleads and invokes the 5- and 10-year statutes of limitations as same apply to land titles in the State of Texas, as is more

fully shown by Plaintiff's Petition on file in this suit. If this citation is not served within ninety days after the date of its issuance, it shall be returned unserved. The officer executing this process shall promptly execute the same according to law, and make due return as the law directs. Issued and given under my hand and the seal of said Court, at office in Farwell, Texas, this 12th day of September, A.D. 1978.

### ORDINANCE NO. 84

AN ORDINANCE PROHIBITING THE KEEPING OF LIVESTOCK AND FOWL; PROHIBITING LIVESTOCK AND FOWL FROM RUNNING AT LARGE; PROVIDING IMPOUNDMENT AND DISPOSITION; AND PROVIDING A PENALTY FOR VIOLATION OF THIS ORDINANCE.

BE IT ORDAINED BY THE CITY COMMISSION OF THE CITY OF FARWELL, TEXAS:

Section 1. It shall be unlawful for any person to keep any stock, barnyard or domestic

animals or fowl within the City of Farwell limits.

Section 2. It shall be unlawful and is hereby declared to be a nuisance for horses, mules, donkeys, cattle, sheep, goats, hogs, or fowl to run at large within the corporate limits of the city and any person owning or having control of the same who shall knowingly permit any horse, mule, donkey, cow, bull, steer, sheep, goat, hogs or fowl to run at large, unattended, within the corporate limits of the city shall be deemed guilty of a misdemeanor.

Section 3. It shall be the duty

tan bonos para la reconstrucción o adquisición de facilidades (terrenos, equipos y mejoras) con la intención de desarrollar oportunidades de empleo. Estos bonos se pagarán solamente de los ingresos de la venta o arriendo de estas facilidades. Gobierno local debe determinar que la construcción o adquisición de tales facilidades es necesaria para desarrollar oportunidades de empleo.

La terminología de la enmienda propuesta tal como aparecerá en la boleta es como sigue:

"La enmienda constitucional para extender la competencia de los jueces de paz en causas civiles."

NO. 6 (S.J.R. 45)  
S.J.R. 45 propone una enmienda a la constitución de Texas para permitir que la legislatura aumente el número de jueces en cualquier corte de apelaciones civiles. Al presente, cortes de apelaciones civiles están limitadas a un juez presidente y dos jueces asociados. La enmienda también permitiría a las cortes que sesionen por secciones, con la concurrencia de una mayoría de los jueces en la sección siendo necesaria para decidir una causa.

La terminología de la enmienda propuesta tal como aparecerá en la boleta es como sigue:

"La enmienda constitucional que da a la legislatura el poder de autorizar las ciudades y pueblos para expedir bonos para financiar el desarrollo de áreas deterioradas. Solamente se pagarán los bonos de los ingresos de los incrementos en impuestos municipales. No pagos se pueden hacer de los ingresos de impuestos municipales, servicios públicos u otros servicios."

La terminología de la enmienda propuesta tal como aparecerá en la boleta es como sigue:

"La enmienda constitucional que da a la legislatura el poder de autorizar las ciudades y pueblos para expedir bonos para financiar el desarrollo de áreas deterioradas y prohibir cualquier ciudad o pueblo de conceder su dinero o prestar su crédito para tales fines."

La terminología de la enmienda propuesta tal como aparecerá en la boleta es como sigue:

"La enmienda constitucional autorizando a la legislatura para extender de impuestos aparatos de energía solar o de viento."

La terminología de la enmienda propuesta tal como aparecerá en la boleta es como sigue:

"La enmienda constitucional autorizando a la legislatura para extender de impuestos aparatos de energía solar o de viento."

## AVISO PUBLICO UN RESUMEN DE LAS ENMIENDAS PROPUESTAS A LA CONSTITUCION ELECCION GENERAL 7 DE NOVIEMBRE DE 1978

### LA ENMIENDA PARA ALIVIO DE IMPUESTOS (H.J.R. 1)

H.J.R. 1 propone una enmienda a la constitución de Texas permitiendo a la legislatura que exente propiedad personal intangible; requiriendo que la legislatura exente ciertos artículos caseros y efectos particulares; y permitiendo a la legislatura que exente todo o parte de la propiedad personal del hogar seguro, de la imposición de impuestos estatales y locales sobre propiedad.

La enmienda requiere a la legislatura que disponga la imposición de impuestos sobre tierras agrícolas y rancheras basada en su capacidad productiva en vez de su valor de mercado y permite a la legislatura que disponga la imposición de impuestos a bosques de madera basada en su capacidad productiva.

La enmienda permite a los gobiernos locales que extiendan la exención actual de no menos de \$3,000 del hogar seguro residencial para personas de 65 años o más de edad para incluir ciertas personas incapacitadas.

La enmienda concede una exención de \$5,000 en el valor de mercado del hogar seguro residencial en los impuestos para escuelas públicas sobre propiedad. Autoriza a la legislatura que conceda una exención adicional de los impuestos para escuelas públicas sobre propiedad de una cantidad que no exceda \$10,000 del valor de mercado de hogares seguros residenciales de personas 65 años o más de edad y ciertas personas incapacitadas. Si la persona de 65 años o más de edad es elegible para esta exención la cantidad total de los impuestos para escuelas públicas sobre el hogar seguro de aquella persona no puede incrementarse.

La enmienda previene que gobiernos locales incrementen los impuestos sobre propiedad a menos que el cuerpo administrativo provea aviso público y lleve a cabo una audiencia pública. La enmienda requiere a la legislatura que disponga por ley que cada propietario reciba aviso de la revaluación de su propiedad y la cantidad de incremento en sus impuestos.

La enmienda limita las apropiaciones de los ingresos de impuestos estatales en una cantidad que no exceda la tasa de crecimiento económico estatal que se anticipa, con la legislatura autorizada para conceder exenciones de emergencia. La enmienda prohíbe la valuación de propiedad inmueble a través del estado para los fines de impuestos sobre propiedad. Se requiere que la ejecución de

normas y procedimientos uniformes para la valuación de propiedad con el propósito de impuestos sobre propiedad, se origine con la autoridad que impone los impuestos sobre propiedad.

La terminología de la enmienda propuesta tal como aparecerá en la boleta es como sigue:

"La enmienda constitucional disponiendo alivio de impuestos para hogares seguros residenciales, personas mayores de edad, personas incapacitadas, y tierras agrícolas; extensiones de bienes muebles; la verdad en procedimientos tocante a la imposición de impuestos, incluyendo participación de ciudadanos; de nuevo definiendo la base de impuestos; limitando los gastos del estado; y la administración de impuestos sobre propiedad."

### NO. 1 (S.J.R. 50)

S.J.R. 50 propone una enmienda a la constitución de Texas para eliminar la referencia arcaica al "Instituto de Sordos y Mudos." La enmienda permitiría al estado de Texas que compre productos y servicios de individuos incapacitados en facilidades de rehabilitación no lucrativas sin cumplir con los requisitos de oferta que se aplican a otros contratos estatales. La enmienda también eliminaría la formalidad de la aprobación de ciertos contratos estatales por el Gobernador, el Secretario de Estado, y el Contralor de Cuentas Públicas.

La terminología de la enmienda propuesta tal como aparecerá en la boleta es como sigue:

"La enmienda constitucional eliminando la referencia arcaica al "Instituto de Sordos y Mudos," permitiendo que ciertos productos y servicios de personas incapacitadas sean usados por agencias y departamentos del gobierno del estado, requiriendo que otros productos y servicios requeridos en la operación del gobierno del estado sean obtenidos por ofertas concedidas al postor responsable que ofrezca el precio más bajo, haciendo que todos los procesos de procuración sean sujetos a las leyes establecidas por la legislatura y eliminando el requisito que el Gobernador de Texas, el Secretario de Estado, y el Contralor de Cuentas Públicas de Texas participen personalmente en tales negociaciones."

### NO. 2 (S.J.R. 55)

S.J.R. 55 propone una enmienda a la constitución de Texas para permitir que gobiernos locales emi-

## PUBLIC NOTICE SUMMARY OF PROPOSED CONSTITUTIONAL AMENDMENTS GENERAL ELECTION NOV. 7, 1978

### "The Tax Relief Amendment" (H.J.R. 1)

H.J.R. 1 proposes an amendment to the Texas Constitution allowing the legislature to exempt intangible personal property, requiring the legislature to exempt certain household goods and personal effects, and allowing the legislature to exempt all or part of the personal property homestead from state and local property taxation.

The amendment requires the legislature to provide for the taxation of farm and ranch land on the basis of its productive capacity instead of its market value and allows the legislature to provide for the taxation of timber land on its productive capacity.

The amendment permits local governments to extend the present exemption of not less than \$3,000 of the residence homestead of persons 65 and older to include certain disabled persons.

The amendment grants an exemption from public school property taxes of \$5,000 of the market value of the residence homestead. It authorizes the legislature to grant an additional exemption from public school property taxes of an amount not to exceed \$10,000 of the market value of the residence homesteads of persons 65 years of age or older and certain disabled persons. If a person 65 years of age or older qualifies for this exemption, the total amount of public school taxes imposed on that person's homestead may not be increased.

The amendment prevents local governments from increasing property taxes unless the governing body provides public notice and conducts a public hearing. The amendment requires the legislature to provide by law for each property owner to receive notice of the revaluation of his property and the amount taxes will be increased.

The amendment limits appropriations from state tax revenue to an amount not to exceed Texas' estimated economic growth rate, with the legislature authorized to make exceptions for emergencies.

The amendment prohibits the statewide appraisal of real property for property tax purposes. Enforcement of uniform standards and procedures for appraisal of property for property tax purposes is required to originate in the taxing

authority where the property tax is imposed.

The wording of the proposed amendment as it will appear on the ballot is as follows:

"The constitutional amendment providing for tax relief for residential homesteads, elderly persons, disabled persons, and agricultural land; for personal property exemptions; for truth in taxation procedures, including citizen involvement; for a redefinition of the tax base; for limitations on state spending; and for property tax administration."

### NUMBER ONE (S.J.R. 50)

S.J.R. 50 proposes an amendment to the Texas Constitution to delete an archaic reference to the "Deaf and Dumb Asylum." The amendment would allow the State of Texas to purchase products and services done by handicapped individuals in nonprofit rehabilitation facilities without complying with bid requirements applicable to other state contracts. The amendment also would eliminate the formality of the approval of certain state contracts by the Governor, the Secretary of State and the Comptroller of Public Accounts.

The wording of the proposed amendment as it will appear on the ballot is as follows:

"The constitutional amendment deleting the archaic reference to the 'Deaf and Dumb Asylum,' allowing certain products and services of handicapped individuals to be used by agencies and departments of state government, requiring the procurement of other products and services required in the operation of state government to be made under bids awarded to the lowest responsible bidder, making all such procurement processes subject to laws enacted by the legislature, and eliminating the requirement that the Governor, the Secretary of State, and the Comptroller of Public Accounts of Texas be personally involved with such transactions."

### NUMBER TWO (S.J.R. 55)

S.J.R. 55 proposes an amendment to the Texas Constitution to permit local governments to issue bonds for the reconstruction or acquisition of facilities (land, equipment and improvements) designed to develop employment opportunities. These

bonds would be payable solely from the revenue from the sale or lease of these facilities. The building or acquisition of such facilities must be determined by the local government to be necessary to develop employment opportunities.

The wording of the proposed amendment as it will appear on the ballot is as follows:

"The constitutional amendment to provide that the legislature may permit political subdivisions to issue revenue bonds to develop employment opportunities for its citizens."

### NUMBER THREE (S.J.R. 44)

S.J.R. 44 proposes an amendment to the Texas Constitution which would allow the legislature to authorize cities and towns to issue tax increment bonds to finance the redevelopment of blighted areas. The bonds are to be paid solely from revenue from municipal tax increments. Payment cannot be made from the revenue of municipal taxes, utilities, or other services.

The wording of the proposed amendment as it will appear on the ballot is as follows:

"The constitutional amendment to give the legislature the power to authorize cities and towns to issue bonds to finance the redevelopment of blighted areas and prohibiting any city or town from granting its money or lending its credit for such purposes."

### NUMBER FOUR (S.J.R. 53)

S.J.R. 53 proposes an amendment to the Texas Constitution to allow the legislature to exempt from taxation solar or wind-powered energy devices.

The wording of the proposed amendment as it will appear on the ballot is as follows:

"The constitutional amendment authorizing the legislature to exempt from taxation solar and wind-powered energy devices."

### NUMBER SIX (S.J.R. 45)

S.J.R. 45 proposes an amendment to the Texas Constitution to allow the legislature to expand the number of judges on any court of civil appeals. Presently courts of civil appeals are limited to a chief justice and two associate justices. The amendment also would allow the courts to sit in sections, with the concurrence of a majority of the judges sitting in the section necessary to decide a case.

The wording of the proposed amendment as it will appear on the ballot is as follows:

"The constitutional amendment permitting the legislature to increase the number of justices on a court of civil appeals, permitting a court of civil appeals to sit in sections, and requiring a concurrence of a majority of justices to decide a case."

### NUMBER SEVEN (S.J.R. 48)

S.J.R. 48 proposes an amendment to the Texas Constitution eliminating the State Building Commission and the State Building Fund. The authority of the State Building Commission has been transferred by law to the State Board of Control.

The wording of the proposed amendment as it will appear on the ballot is as follows:

"The constitutional amendment to repeal the constitutional authority for the State Building Commission and the State Building Fund."

### NUMBER EIGHT (H.J.R. 42)

H.J.R. 42 proposes an amendment to the Texas Constitution allowing certain political subdivisions or districts in the state that can presently issue bonds or other indebtedness or otherwise lend their credit to support such activities. The amendment also grants justices of the peace concurrent jurisdiction with county courts where the amount in controversy is between \$200 and \$500, except where the legislature gives exclusive jurisdiction to another court.

# September 27 - - SCS Sets Field Day At Knox City Center

A field day will be held at the Soil Conservation Service Plant Materials Center at Knox City on September 27. Mack Mauldin, district conservationist for SCS at Friona, said the public is being invited to the event. The Center serves both Texas and Oklahoma.

A.C. Spencer, executive director of the Texas State Soil and Water Conservation Board, will be the principal speaker. He will speak at 12:30 p.m.

Guided tours will be conducted through the 90-acre Center from 8:30 a.m. to 3:00 p.m. The Center is located on FM 1292, two miles north and two and a half miles west of Knox City.

A barbecue lunch will be available on a prepaid basis at \$3.00 per plate. Payment should be sent to Doris Crowover, Chamber of Commerce, Box 91, Knox City, Texas 79529, by September 15.

Seed or rootstock from native plants that show potential for solving specific soil and water conservation prob-

lems are collected, then grown and evaluated at the Knox City Center. The more promising ones are then tested under field conditions on farms of soil and water conservation district cooperators under a wide variety of conditions.

Selections which prove superior to commercial varieties are then released to seed growers. These producers then grow seed and sell it to the public.

More than 1100 strains of grasses, legumes, forbs, and woody plants are being tested at Knox City.

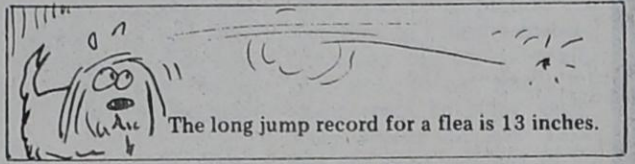

About 9,000 pounds of seed were produced at the Center last year, mostly for trial plantings across Texas and Oklahoma. Some 5,000 woody plant seedlings were also produced as well as 250,000 rhizomes of plants that have to be propagated by planting underground shoots.

Two new plant varieties - 'Alamo' switchgrass and 'Aztec' Maximilian sunflower - were certified and released earlier this year as a result of work done at the Center.

## King Size Tomatoes

Neil Stewart of Farwell has his hands busy these days carrying home-grown tomatoes that are as big or bigger than grapefruit. The middle tomato Stewart is holding weighs 2 and 1/8 pounds and all three tomatoes weigh 5 1/4 pounds. Stewart, a city tomato farmer, has had quite a success story growing healthy vines which have produced these larger than usual tomatoes. Oh yes, they reportedly taste delicious.

The long jump record for a flea is 13 inches.

## Inspect Bovina Dam

Parmer County Commissioners inspected the Bovina dam site Monday as part of their regular bi-monthly meeting. They were accompanied to the site by representatives of the Soil Conservation Service in Friona. They noted that grass is beginning to grow at the dam and that "everything else was okay." The yearly inspection tour is required by law.

After a lengthy discussion the Commissioners approved the proposed 1979 budget. No one appeared to question or offer any comments on the budget, reports Judge Paul Fortenberry.

## EFFECTIVE SEPTEMBER 7, 1978

The Directors of Deaf Smith Electric Cooperative have voted to begin accepting contracts for the conversion of gas wells to electricity. The Cooperative is placing No Limitation on the size wells to be converted.

The Board of Directors and Management of Deaf Smith Electric are hoping that the convenience of electric irrigation and the conversion of many inefficient gas wells will strengthen the area economy.

Contracts can be signed at the electric cooperative's office in Hereford. For further information call Deaf Smith REC - 364-1166.

364-1166

## On The Farm In Parmer County

By SETH RALSTON  
County Agent

Without a soil test, it is difficult to determine how profitable fertilization is. That's why soil samples should be collected now and tested so that a fertilization program can be planned for fall crops.

A profitable return from fertilization depends on the level of available nutrients in the soil before fertilization. Nutrients in the fertilizer must supplement those in the soil to insure an adequate supply of those nutrients needed. Since soils vary in nutrient levels, this means that each soil and each nutrient must be considered. Then fertilizer should be applied that contains those nutrients that are not available in the soil in quantities required by the crop.

Soil tests are used to determine which nutrients are deficient in the soil and needed in the fertilizer. No profit can be expected from a nutrient applied to a soil that contains a high enough level to support yields above that possible by the most limiting production factor.

Now is the time to collect soil samples for fall-planted crops such as small grains and winter forages. Early sampling will insure time to obtain the fertilizer needed as well as to prepare to use the best application methods.

"Man by nature is fond of novelty." Pliny The Elder

## Consumer Food News

**COLLEGE STATION** - Consumers can expect more stable grocery bills through the rest of 1978 -- barring unforeseen weather problems or other disruptions, a Texas home economist predicts.

Mrs. Gwendolyn Clyatt, a consumer marketing information specialist with the Texas Agricultural Extension Service, The Texas A&M University System, made the food-price forecast.

According to Mrs. Clyatt, this week's price-quality trends at Texas grocery markets are the following:

**GROCERY MARKET FEATURES** - Look for special prices on canned vegetables and fruits, peanut butter and pasta products.

**FROZEN FOOD FEATURES** - Specials include orange juice, French fries, vegetables and ice milk.

**FRESH VEGETABLES** - Items in best supply at economical prices are carrots, cucumbers, corn, dry yellow onions, bell pepper, yellow and zucchini squash.

Eggplant is more plentiful with slightly lower prices. New-crop sweet potatoes have moderate prices, but buy only a 10-day supply.

**FRESH FRUITS** - Good-supply items with economy prices include bananas, prunes, cantaloupe and watermelon.

Plentiful items are nectarines, plums and grapes. Peach supplies are lower, but quality is still good.

**POULTRY** - Look for large supplies of eggs and fryer chickens. Medium-size eggs are a better buy than usual.

**BEEF** - Supplies are ranging from stable to slightly higher, but prices are about the same. Consider less-tender cuts, such as chuck cuts, round steaks, ground beef and liver.

**CONSUMER WATCHWORDS:** Short-grain rice is ideal for puddings and stuffings, while long-grain rice is best as a side dish, in soups and with gravies.

**FOR SALE** - 30 inch white Kenmore gas range with continuous cleaning oven. Two years old. Call 481-9446. 52-2tc

**SEWING MACHINE CLINIC** - fall tune-up special: delint, oil and adjust upper and lower tensions, \$7.50 in the store. We can repair your machine to sew knits, polyester, denim etc. 30 years experience. Clovis Sewing Center, 115 West First, Clovis. 763-5775. 1tfc

**CARD OF THANKS** - I would like to say thanks to everyone for the cards, phone calls and prayers while I was in the hospital following surgery. They were greatly appreciated. Thanks to everyone.

**TWO MINUTES WITH THE BIBLE**  
BY CORNELIUS R. STAM, PRES. BEREAN BIBLE SOCIETY CHICAGO, ILLINOIS 60633

**ARE YOU LISTENING?**  
The Apostle Paul had much that he yearned to teach the believers at Judea—wonderful truths that would have thrilled them—but they were "hard to be uttered," or difficult to explain to them, since they were "dull of hearing." The word "dull" in Heb. 6:12 really means "slothful" or "disinterested." They were not merely hard of hearing, as we say, but were too lazy, too indifferent, spiritually, to pay attention. They were not sufficiently interested.  
This is always a serious condition in the light of the fact that "God hath spoken," and that disobedience to His Word will be judged (Heb. 1:1,2; 2:1-3). Yet, alas, this is the condition of the professing Church today. The great majority of religious people are not sufficiently interested in what God has said to engage in diligent, prayerful study and, like those of Paul's day, still have to be taught "the first principles" of the Bible. They have remained babes, spiritually, un-

able to digest anything but "milk," and so remain "unskillful in the Word of righteousness" (Heb. 5:12-14).  
What has brought this condition about? Is it because God is unwilling to lead us further into His truth? Most assuredly not. It is because so many men of God in high places no longer have the single passion to know God's Word and to make it known. They could be as greatly used of God in teaching the Scriptures as their predecessors were, but they are "slothful of hearing" and hence have little of value to teach.  
And this is reflected in the religious masses. They "Love" their Bibles, but not enough to study them for themselves and become workmen whom God can approve. Let us not be numbered among these. Rather, let our one great passion be to gain a clear understanding of God's Word, rightly divided—for His sake, for our own sake and for the sake of our fellow men.

## Political Roundup Slated In Clovis

The New Mexico "Political Yeast is swelling" as 25 state and local candidates declare their intentions of attending the "Meet the Candidate Roundup" scheduled at Clovis September 27 at 7 p.m. MDT.

The Political Education Committee of the Curry County Farm and Livestock Bureau, with Joy Pattison as chairwoman, is sponsoring the event.

The meeting will be held in the lecture hall at Clovis High School, according to Cleo Harrison, co-chairwoman. The hall is located adjacent to the high school cafeteria on the west side of the high school building.

Helen Kelley and Alice Pierce, members of the Political Education Committee, have been busy making plans for the social hour which will follow. Other committee members who will help host the meeting are Johnny Elliot, Hubert Qualls, Troy Lovett and Joe Roark.

Voters from Curry, Roosevelt and Quay counties are invited to attend. The purpose of the meeting is to better acquaint the voting public with the various candidates, their philosophy and stands on issues facing the country, state and nation.

Curry County Farm and Livestock Bureau members feel "the time has come when it behooves the citizens of our country to become more concerned about our government if we are to maintain our American way of life."

State candidates will have an opportunity to say a few words at the meeting, and local candidates will be introduced.

Voters will have the opportunity to meet and visit with the following: Bruce King (D) Governor; Joe Skeen (R) Governor; Toney Anaya (D) U.S. Senate; Hoyt Pattison (R) State Representative; George Bannister (R) State Representative; Barney Barnard (D) State Representative; Caleb Chandler (D) State Senator;

Also, Mrs. Nila Baer (R) Secretary of State; Shirley Hooper (D) Secretary of State; Charles W. Rawson (R) Court of Appeals; C. Jack Emmons (R) State Auditor; G.W. McKim (R) Corporation Commission; Leila Andres (D) Court of Appeals Judge; Alex J. Armijo (D) Commissioner of Public Lands; Al E. Castillo (D) State Auditor;

And, Reuben E. Nieves (D) Dist. Judge-9th Judicial Div. I; Fred T. Hensley (D) Dist. Judge-9th Judicial Div. II (if not in court); James R. Williams (D) County Commissioner; Cullen Williams (D) County Commissioner; Emery W. Kirk (R) Sheriff;

Also, Ernest Trapp (D) Magistrate Judge Div. I; Vernon L. Kirby (I) Magistrate Judge Div. I; Russell L. Muffley (R) Magistrate Judge Div. I; Viola Higgins (D) County Clerk; and Leo Dow (R) Lt. Governor.

### Texans Face Caterpillar Peril

As if fire ants and killer bees were not enough to worry about, Texans also may have to cope with an onslaught of poisonous caterpillars.

The fuzzy beige, gray or reddish brown caterpillars called tree asps usually appear in the spring and September through November, the Texas Medical Association says. But the Southeast Texas Poison Control Center in Galveston already was getting reports of stings as early as July. To make matters worse, another authority says large numbers of the caterpillars appear every four or five years.

This year may be prime time for the fuzzy pests, especially considering that 1978 falls into an approximate five-year cycle that includes 1923 and 1958. In 1923, San Antonio Schools closed because so many tree asps were on the grounds. In 1958, more than 2,000 victims, an unusually high number, were treated by some doctors in Southeast Texas.

The tree asp, also called "possum bug," "woolly slug," "Italian asp," "woolly worm," "perrito," or "puss caterpillar," does not actually bite or attack. Instead victims are stung by brushing against spines intermingled with the caterpillar's regular hair along its back.

Usually there is a sharp pain almost immediately after the sting, followed by some swelling and redness at the

sting site. Pain can radiate to a fairly large area within about 10 minutes and can last several hours. Some patients also have nausea and vomiting.

Case reports show that most symptoms usually go away within about a day although some pain, redness and swelling may last longer. If symptoms are severe or if someone is allergic to insect stings, the individual should go to a physician or emergency room.

Home treatment to reduce pain includes applying an ice pack over the sting site and also applying a gauze bandage soaked in one part household liquid bleach and nine parts water. Taking antihistamines and pain medicine also may help.

It is easy to come in contact with tree asps since they eat a wide variety of plants, and can show up almost anywhere, including fences, sidewalks and other places where humans could be stung easily. They appear all over Texas but are most common in the region south and east of Dallas. The caterpillar's range also covers Oklahoma, most Southern states and Maryland.

Thanks! You have just proven the pulling power of a small Tribune ad.

### Quick Summer Dessert Ideas

It's no secret Americans have been in love with chocolate ever since it made its appearance a few hundred years ago. You can rely on this Chocolate Crunch Crust to be the perfect holder for any flavor ice cream or cream pie filling. Simply melt 4 squares semi-sweet chocolate and 3 tablespoons butter in a saucepan over very low heat. Add 2½ cups corn flakes and mix well. Spread mixture on bottom and sides of a buttered 9-inch pie pan. Chill until firm. To serve, fill with ice cream or cream pie filling.

Ice cream desserts are truly an American tradition. The more colossal a concoction you can dream up the better. Give your family a chance to be imaginative and have your own Ice Cream Parlor contest -- you have to provide the makings, of course, so be sure to include a variety of syrup toppings. A peppermint one, for instance: Just combine ½ cup maple-honey flavor syrup and ½ teaspoon peppermint extract. Or Rum Syrup: Combine ½ cup maple-blended syrup and ½ teaspoon rum extract.
