## Being sick is no fun

You know how you always talk about "sure are lots of folks around who are sick."

Well, I was among those "lots of folks" the past two weeks. Bronchitis, Doc Green called it.

Here we are, big, vibrant people. Then all of a sudden this little, old bug comes along and reminds us how really frail we are.

Bronchitis didn't sound so bad when I was diagnosed. And I didn't feel all that bad the day I went to the doctor. The next day it hit.

Let's put it this way: don't ask me about how Thanksgiving was. Or the day after. Or the day after that. Or the next day.

Heck, I don't even know who won the football games that weekend. Now, that's really bad.

Well, I guess it was time for me to get sick. It's the third time in my life that that's happened. Previously, I had the mumps in 1952 and pneumonia in 1967 (after an all-night field exercise in the snow during my Army days).

Of course, I'm not counting colds and flu bugs. They never stop coming along.

Yeah, I missed all those famous childhood diseases like chicken pox and measles. That surprised me since both my kids got a full complement of them. You just never know.

Anyway, I'd like to say "sorry" if I appeared out of sorts the past two weeks to folks who saw me. Yes, I was out of sorts. Not angry, just sick.

Just pass me the cough medicine...

Frances Kube reports that the enchilada supper put on by the Farwell Convalescent Center Auxiliary was a huge success with between 250 and 300 folks attending.

The dinner was to raise funds to buy a whirlpool tub and chair life for the center. The items have been ordered and it appears now there will be enough money available to pay for them.

Way to go, Auxiliary.

Just like to say that I'm going to miss Cecil Rundell, who passed away recently.

Cecil was a hard-working man who always had a smile on his face and was willing to help you when you needed it. We'll miss him.

There will be a Parent Effectiveness Training for parents of Farwell High School students Dec. 12 at 6 p.m. in the auditorium.

It will give the parents an opportunity to meet their children's teachers as well as learn about effective parenting.

"This informative meeting is for parents of all students, not just for those with problems," said principal David Reynolds.

Those new railroad tracks between Farwell and Texico are just great. I sure they last okay. It's such a pleasure to drive at a decent speed over them instead of 1 to 2 miles per hour like in the past.

A word of caution: With the new banked tracks, those Santa Fe trains now take that curve between 30 and 40 miles per hour.

In the old days, motorists liked to drive around the barriers when they were down because they knew the trains had to inch along at the crossing.

Not so anymore. Don't drive around the barriers; those trains can kill.

Another item that's spruced up our community are those new street lights on the north side of Avenue A in Farwell.

And soon Christmas decorations will be placed on many of them.

## It's tourney time!

The Farwell Varsity Tournament gets under way on Dec. 8.

The tourney features action from most of the local teams: Farwell, Texico, Lazbuddie, Muleshoe, Bovina, Grady, Adrian, and Olton are scheduled to pair off.

The Thursday games will be played in Texico and Farwell gyms so that none of the students will have to miss school to participate. There will be games starting at 4, 5:30, 7, and 8:30 on Thursday.

"We encourage everybody to come," said coach Larry Gregory. "There should be some very interesting games." The old rivals from neighboring towns will all be paired off against one another.

Gregory conceded that Farwell hopes to win its own tournament again this year. He noted, however, that there are some really good boys' teams in the tourney.

He suggested that Muleshoe and Texico might be the teams to watch on the girls' side of the action, but Lazbuddie has also been making a good showing.

"We really appreciate everybody at Texico - Ken Shaw, Roy King, and Curt Cook especially - for their help with this tournament. Without them and the Texico facilities, we would not be able to put on a tournament of this size," said Gregory.

Here's the Thursday matchups:

Girls: Grady vs. Olton, 4 p.m., at Texico; Muleshoe vs.

Bovina, 4 p.m. at Farwell; Lazbuddie vs. Texico, 7 p.m. at Texico; and Adrian vs. Farwell, 7 p.m. at Farwell.

The Grady-Olton winner faces the Muleshoe - Bovina winner at 4 p.m. Friday; the losers vie at 10 a.m. Friday.

The Lazbuddie - Texico winner faces the Adrian - Farwell winner at 7 p.m. Friday; the losers vie at 1 p.m. Friday.

The consolation championship is at 1 p.m. Saturday. The title game is at 7 p.m. Saturday.

Boys: Grady vs. Olton at 5:30 p.m. at Texico; Muleshoe vs. Bovina, 5:30 p.m. at Farwell; Lazbuddie vs. Texico, 8:30 p.m. at Texico, and Adrian vs. Farwell, 8:30 p.m. at Farwell.

The Grady - Olton winner faces the Muleshoe - Bovina winner at 5:30 p.m. Friday; the losers play at 11:30 a.m. Friday.

The Lazbuddie - Texico winner faces the Adrian - Farwell winner at 8:30 p.m. Friday; the losers play at 2:30 p.m. Friday.

The consolation championship is at 2:30 p.m. Saturday. The title game is at 8:30 p.m. Saturday.

All Friday and Saturday games will be held in Farwell. All times are CST.

"OFFICIAL PUBLICATION OF PARMER COUNTY"

NUMBER 15

SEVENTY-SEVENTH YEAR

25 CENTS

## Local pheasant hunt to start

The Theta Rho chapter of Epsilon Sigma Alpha sorority will sponsor its seventh annual pheasant hunting preserve located in Parmer and Bailey counties, for pheasant and duck hunting through the pheasant hunting dates, Dec. 10-25.

This is a fund-raiser for the group's philanthropic projects. In the past this has included \$15,000 (over three years) to the Community Center; money and equipment for the New Mexico Girls Ranch; the establishment of the Rosa Roberts Educational Fund with Opportunity Plan, Inc.; playground equipment for the Farwell City Park, along with donations to such worthy causes as the Texico-Farwell Rotary Club polio project, Hodges Cancer Center, St. Jude's Children's Hospital and the Parmer County Child Welfare Board.

Sorority members make sure that all areas of their preserves have plenty of cover

for birds to hide in so there will be some birds there for the hunters. They talk to the landowners to get permission for the use of their land and pay a fee to the Texas Parks and Wildlife Department to establish a shooting reserve. Then the land is posted as such.

After the land is set up, the sorority estimates the number of hunters who can safely hunt in each area. They patrol the preserves to make sure there are no unauthorized hunters.

To hunt on the ESA preserves, one must be a licensed hunter and purchase a permit for the preserve. All permits are good from the date they are issued through the closing day of the season. Permits are good for any or all land secured by the sorority. Each participating landowner is given one or more complimentary permits.

All permits are good from the date they are issued through the closing day of the season.

They may be purchased at Hughes True Value starting Dec. 9. The permit sales will move to the Farwell Community Center at 6 p.m. on Friday, Dec. 9 and will continue until 10 p.m. Friday night. On Saturday, Dec. 10, the permits will be purchased at the Community Center from 5 - 10 a.m.

After opening days, the permits may be purchased by calling: Altha Herington, 481-9351, LaMoin Williams, 825-2531, or Terri Nichols, 481-3408.

The ESA permits cost \$75 if they are purchased Dec. 9 or 10. Those purchased Dec. 11-17 are \$50, and those purchased Dec. 18-24 are \$25.

Texas hunting licenses may be purchased locally at Hughes and at the Parmer County Clerk's office. This is located on the first floor of the Parmer County Courthouse.

A \$25 non-refundable deposit will be required to hold all reservations with the balance of the permit price to

be paid when the permit price to be paid when the permit is picked up. Receipt of deposit will be acknowledged with a post card. If it becomes apparent ESA cannot accommodate a hunter because the quota has been filled, his deposit will be returned. Deposits may be mailed to Altha Herington, P.O. Box 542, Farwell, Texas, 79325. Her phone number is 481-9351.

When making reservations, hunters should indicate whether they will hunt with dogs. The preserve land will be posted and open only to hunters buying ESA permits. Each hunter will be given a map of the posted land

and will be free to hunt on any of the preserve land. The preserve will be patrolled so that only those having permits will be allowed to hunt.

In conjunction with the hunt, there a contest for the longest Pheasant tailfeather.

Also, Alpha Rho Lambda chapter of Beta Sigma Phi will serve breakfast from 5 to 8:30 a.m. on Dec. 10 at the Farwell Community Center.

The all-you-can-eat breakfast will consist of sausage, eggs, biscuits, gravy, and coffee. The cost is \$4 for adults and \$2.50 for children 10 and under.

## Local VIP's tour bases

The U.S. Air Force invited several local VIP's to spend three days learning about the Air Force by touring bases in California and Nevada.

Farwell mayor Chris Gikas, Texico mayor Steve Chancey, and Farwell school Supt. John Grigsby were part of the group that went Nov. 16, 17, and 18.

Many of the members of the party were members of the Committee of Fifty in Clovis.

"Each of us had to pay for our own trip," said Grigsby, but he noted that the price of \$125 was nominal for a three day trip to California and Las Vegas.

"We flew from Cannon Air Force Base to McClellan Air Force Base near Sacramento, Calif. the first day." He noted that the flight was on a converted Air Force tanker. "It was comfortable but not plush."

At McClellan, the Air Force has a large research and development installation. Air planes and equipment are tested, and the results are carefully recorded there. All of the purchasing of spare parts goes through McClellan so that the Air Force can discover trends or patterns of equipment breakdowns.

Sometimes parts must be manufactured from scratch for planes that are 20-30 years old, but are still too good to junk. There are facilities to manufacture entirely new parts right there.

"They are also doing a lot of electronic research there," noted Grigsby.

He noted that modern airplanes are controlled by computers, and some of the research is aimed at scrambling the messages sent to the on-board computers of enemy planes. If you scramble the computer message, you can cause the enemy planes to crash. Of course, there is also research going on to shield the onboard computers that belong to us from possible enemy attack.

"The Air Force is also replacing all the wires in

the communications network with fiber optics," said Grigsby. The hair-like wires can carry more messages than copper wire without the danger of the wire being cut or broken. "We watched one guy tie 5 knots in a fiber optic cable, and it worked just fine after that," said Grigsby.

Grigsby said that the group learned a lot about the F111 while they were on this trip. "The F111 is a fascinating piece of machinery. Everywhere we went they stressed that the F111 is the only one of its kind to the mission it is designed to do."

From McClellan, the Clovis group went to Nellis Air Force Base near Las Vegas. The 3 million acre installation houses the fighter pilot school.

Another part of the base houses a NATO training center. "We saw pilots from West Germany and France training there," said Grigsby. The pilots simulate coordinated action in the event of emergency.

"They really kept us busy on this trip, and they showed us a lot of things. And, they really made an effort to answer all of our questions," said Grigsby. "Of course I had to ask what they meant a few times, they use so much specialized jargon that it was sometimes hard to understand the answers."

As an educator, Grigsby noted that the trip reinforced some impressions of the military that he has held for the past several years.

"The military is a good way for some young people to go. It offers a fairly structured environment where they can do a lot of growing up and learn a trade at the same time."

He noted that the military offers some students a chance to learn sophisticated electronic trades that are not available in small towns.

"For the students who don't particularly know what they want to do, the military is a better option than going off to college and just partying."

Our special Christmas issue is only weeks away. Please send your favorite recipes to us (State Line Tribune, Box 255, Farwell, Texas 79325) so we can share them with our readers.

## Choir to present program

The choir of the First Baptist Church of Farwell will present a special Christmas Choral Celebration at 7 p.m. Dec. 18 at the church.

"Thou Shall Call His Name Jesus" will feature the church sanctuary choir, with Ronald Byrd, music director, and special guest artists, Connie and Allison Ware.

The Wares, who have performed in Farwell before, are music evangelists.

The choral celebration is in four parts:

- Part 1: "The Promise of the Messiah."
- Part 2: "The Coming of the Messiah."
- Part 3: "The Meaning of

His Coming."

- Part 4: "The Celebration of His Coming."

Rev. Rick Sullivan said:

"Centuries ago, Handel wrote the magnificent work, "The Messiah," which traced the coming of our Saviour through the scriptures. In our thinking and planning of this musical presentation, our thoughts were again drawn to the

scriptures, particularly the Old Testament prophecies of Isaiah.

"It has been our desire to explore together, in an hour length program of music and dialogue, the meaning of the coming of Jesus: to the Jews who longed for Him, those who witnessed His birth, and we who believe in Him today."

If it takes energy to do it, LP-gas can get it done more efficiently.

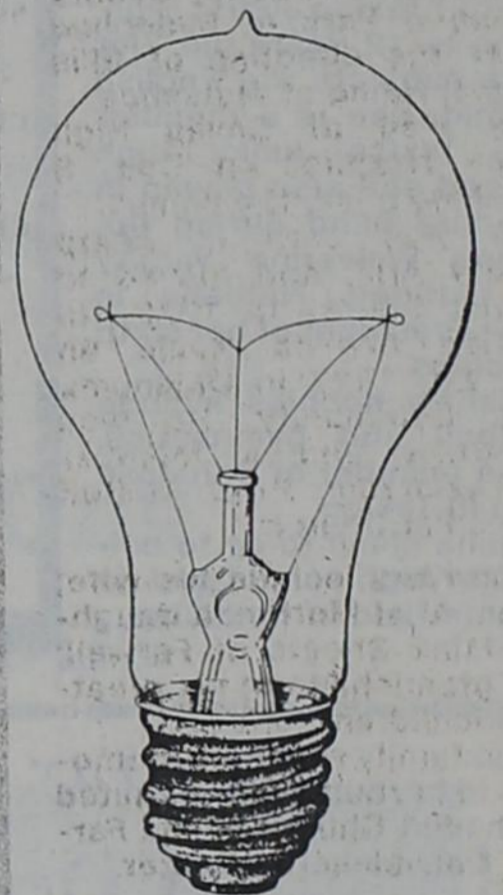

Producing energy for your home is a pretty costly process in terms of natural resources.

For instance, it takes a lot of coal, or oil, or natural gas to make electricity. And in the process, over 60% of the natural energy is wasted.

LP-gas on the other hand, utilizes energy more efficiently because 100% of it is

put to work. So when you heat, dry clothes or cook with LP-gas, you're actually helping to conserve America's energy resources.

Come by and let us show you how using LP-gas around the house or farm can help you to save money. And stop wasting America's resources.

## "Jax Tax Fax"

### Itemized Deductions

By Jack Kirkland, CPA

This week's tax tip concerns itemized deductions. Taxpayers generally have a choice of using the greater of their itemized deductions of the standard deduction allotted to all taxpayers. For 1988, the standard deductions are as follows:

Married - Joint Return or surviving spouse	\$5,000
Married - Joint Return, one spouse 65 or older	5,600
Married - Joint Return, both spouses 65 or older	6,200
Married - Separate Returns	2,500
Married - Separate Returns, 65 or older	3,100
Single	3,000
Single, 65 or older	3,750
Head of Household	4,400
Head of Household, 65 or older	5,100

Itemized deductions include home mortgage interest, personal property taxes, state income taxes and charitable contributions. Other itemized deductions subject to special limitations are medical and dental expenses, casualty and theft losses, moving expenses, employe expenses, personal interest and investment expenses.

**TAX TIP:** Find yourself in the chart above. If your itemized deductions are close to or exceed your standard deduction, con-

sider accelerating certain deductions into 1988. If you are not going to be able to itemize this year but might in 1989, consider postponing payment of itemized deductions until 1989.

Remember, as with most tax laws, there are exceptions to the exceptions when calculating itemized deductions. You should contact your CPA or tax preparer to personalize your tax planning. If you should have any questions concerning this article or other tax issues, feel free to give us a call.

# Crop share leases to be topic of Muleshoe meeting

Farmer County Agent Entomologist Mike Blanton said a meeting will be held in Muleshoe Dec. 15 about Crop Share Leases. It will be the only meeting of its type in the area.

The Bailey County Field Crops Committee will sponsor a Crop Share Lease Workshop at 8:30 a.m. at the Bailey County Civic Center.

Two Extension economists will be in Muleshoe to present the program: Steve Amosson from Amarillo and Jackie Smith from Lubbock.

Farmland rental with crop-share leasing agreements is widely accepted in Texas. Crop-share rental agreements result in a tenant and landowner sharing the risks of farming. Crop-share rental ratios in most areas of the state are set by tradition and may not promote fairness or economic efficiency under every condition.

Farm leases are negotiated agreements between tenants and landlords. Differences in situations and bargaining strengths allow individual agreements to vary considerably. The Freedom to negotiate terms can serve to allocate land among tenants in a way that contributes to economic efficiency in agriculture. Alternative methods of share-lease calculation will be discussed which can help to promote an equitable share-lease agreement and thus promote economic efficiency.

The following topics will be discussed during the workshop:

1. Advantages and Disadvantages of Share Lease
2. Economic Principles Behind Share Lease

3. Calculating an Equitable Share Lease Arrangement Based on Investment

4. Factors Influencing Calculation

5. Practical Exercise and Discussion of Results

6. Calculating an Equitable Share Lease Arrangement Based on a Market Approach

7. Potential Effect of 50-92, 092, Program Participation on an Equitable Crop Share Lease Agreement.

8. Course Wrap-up and Evaluation

This program will require a \$5 registration fee, but everyone is invited to attend and participate in the workshop.

Sunday, Dec. 18 - 7 p.m.

**"Thou Shall Call His Name Jesus"**

First Baptist Church Sanctuary Choir

Centuries ago, Handel wrote the magnificent work, "The Messiah," which traced the coming of our Saviour through the scriptures. In our thinking and planning of this musical presentation, our thoughts were again drawn to the scriptures, particularly the Old Testament prophecies of Isaiah.

It has been our desire to explore together, in an hour length program of music and dialogue, the meaning of the coming of Jesus: to the Jews who longed for Him, those who witnessed His birth, and we who believe in Him today.

# Krivanek sparks Texico past Anton

Texico defeated Anton 48-40 in the first round of the Anton Tournament last weekend.

"We made 12 of 14 from the free throw line," said Coach Curt Cook. "It made all the difference in this game. Pete Fuentes was especially hot. He made 7 of 8 from the line."

Darrell Krivanek led the scoring with 22 points, and an outstanding offensive effort. Also scoring were: Pete Fuentes, and Brett Patrick, 7 each; Jaime Estrada, 6; Kenny Shaw, Keith Harrison and Gerald Krivanek, 2 each.

In the second game of the Anton Tournament, Witharral nosed ahead of Texico 60-59.

"We led almost the whole game, then in the fourth quarter Witharral had a string of 11 points in a row. We only managed to score 6 points in the fourth quarter," said Coach Cook.

Jaime Estrada had an exceptional game, he scored 20 points. Darrell Krivanek scored 14, Pete Fuentes, 11, Brett Patrick, 6, Kenny Shaw, 4, Gerald Krivanek and Dwayne

Hamilton, 2 each.

The team made 10 of 14 free throws.

In the third game of the tournament, Texico matched up against Hart, a 2A school. The Wolverines lost 58-46.

"We didn't capitalize on some 1 on 1 situations early in the game, and that really cost us," said coach Cook. "We were 26-25 at the half, and they opened up the half with 8 quick points in the first 3 minutes of the second half. Their 8-0 run shot our defense."

Coach Cook noted that Hart had only 2 fouls in the whole second half. They made very few mistakes for the Wolverines to capitalize on.

Scoring for Texico were: Pete Fuentes, 12; Jaime Estrada, 10; Keith Harrison, 8; Benjy McDaniel, 6; Darrell Krivanek, 5; Kenny Shaw, 3; Brett Patrick, 2.

"We are playing together pretty well this year," said Cook. "The team has a better feel for where the others are on the court this year than they did last year. The free throws are really improved."

## Varsity Girls

The Texico Lady Wolverines lost to Anton at the Anton Tournament last weekend 67-50.

"Overall, we were very disappointed," said Coach Roy King. "We didn't play nearly as well as we can play. Hopefully, we can take our mistakes and learn from them." King cited rebounding as one area that needs work.

Scoring were Andria Chadwick, 14; Jennifer Gentry, 13; Tracey Askew, 9; Amy Chadwick, 6; Leslie Steward, 4; Jennifer Williams and Denise Gonzales, 2 each.

Tracey Askew led the rebounding with 7, and Jennifer Gentry followed with 5. Leslie Steward led the Steals column with 3, and Andria Chadwick led the Assists with 6.

\*\*\*

Lazbuddie girls defeated the Lady Wolverines 62-52 at the Anton Tournament last weekend.

Tracey Askew led the scoring for Texico with 18 points. She was followed by Andria Chadwick, 13; Leslie Steward, 10; Amy Chadwick, 4; Jennifer Gentry and Jennifer Williams, 3 each, and Denise Gonzales 1.

Tracey Askew led the rebounds column with 7, and Leslie Steward followed with 5. Andria Chadwick led the steals column with 5, and Jennifer Gentry followed with 4. Andria Chadwick and Leslie Steward each had 3 assists. Texico's record is now 1-2.

Texico's JV girls defeated Clovis' Marshall Junior High 41-28 on Nov. 29.

Penny Pierce led with 11 points. Also scoring were: Jessica Gutierrez, 10; Krystala Cross and Regina Isaac, 6 each, and Chanda Campbell and Marsha Hamilton, 4 each.

Krystala Cross led rebounding with 13, and Leslie Cross and Penny Pierce followed with 9 and 8 respectively. Regina Isaac had 11 steals, and also led in assists. The JV played much better

than their last game in this event.

"Penny Pierce and Krystala Cross really helped our overall game. I also thought Regina and Jessica played their best games," said coach Roy King.

## 7-8 Girls

Texico's 7-8 grade girls defeated Clovis' Marshall Junior High 8th grade 40-18 on Nov. 29.

Leading rebounders were: Marsha Hamilton, Virginia Terrazas, and Brandy Steward, 4 each.

Virginia Terrazas led in steals with 7, and Laura Vega and Wendi Isaac had 4 each. Virginia Terrazas led in assists with 5.

"This bunch of kids makes things happen," says coach Roy King of the Texico Junior High girls. They now have a 2-0 record.

## JH Boys

Texico Junior High lost to Clovis' Marshall Junior High 8th grade 55-42 Nov. 29.

"We played a good 3 quarters. We were down by 2 points at the end of the 3rd quarter, but Marshall scored 6 unanswered points to start the fourth quarter and we fell to far down," said coach Michael Littlejohn.

gado, 8; Matthew Williams, 10; Kelvin Gooden, 8; Ryan Null, 8; Jeff Lynn, 2; and Anthony Garcia, 2.

# Steers beat Elida, go to 7-0

The Farwell Steers crashed through the century mark to defeat Elida 100-45 on Dec. 6.

The fast paced game was the 7th straight win for the Steers. It featured the speed and team interaction that has been the hallmark of the Steers.

Leading scorers for Farwell were: Michael Day, 25;

Shawn Stewart, 24; Jeff Actkinson, 21.

The Farwell Steers shot past Melrose 73-55 on Dec. 2. The win brought the Steers to a 6-0 pre-season record.

Scoring were: Shawn Stewart, 20; Michael Day, 14; Greg Actkinson, 12; Jeff Actkinson, 10; Monte Delgado, 9; Dustin Hardage, and Curtis Chisom, 4 each.

Coach Larry Gregory cited Shawn Stewart for his offensive playing. He also cited Greg Actkinson for his rebounding.

"Melrose has a tall team," said coach Larry Gregory. "We shot poorly at first, but we finally made some free throws this game. We still have too many turnovers, but that isn't unusual for the kind of fast paced of ball we play."

### JV boys

The Farwell JV boys' basketball team won one game and lost two in the Muleshoe Tournament last weekend.

"We played pretty well in the first and third game of the tournament. We didn't play so well in the second," said coach Rex Cumpston. "The boys are doing a good job of getting up and down the floor, but continue to make some mistakes from time to time."

"We really need to improve our free throw shooting. We would probably have won all three games if we had done a better job from the foul line."

In the first game, Farwell edged out Muleshoe 54-52. Scoring were: Michael Lovett, 8; Kirk Fly 7; Marcus Sullivan, Adrian Smith, and Cody Monk, 6 each; Chad Byrd and Sammy Herrera, 4; Ray Haseloff, Darren Haseloff, and Mike Loera, 2 each.

In the second game, Farwell was beaten by Portales, 59-45. Scoring were: Adrian Smith, 11; Michael Lovett, 9; Cody Monk, 6; Darren Haseloff, 5; Sammy Herrera, Kirk Fly, Chad Byrd, 4 each; Marcus Sullivan, 2.

In the third game, Bovina defeated Farwell 63-59. Scoring were: Adrian Smith, 13; Chad Byrd, 11; Darren Haseloff, 10; Michael Lovett and Marcus Sullivan, 6 each; Sammy Herrera, Kirk Fly, Stephen Ketcherside, 4 each; and Matt Foster, 1.

### JV girls

The Farwell JV girls played a tough game at Melrose last week. They lost 40-28.

"We only had 6 girls play, and one of them - Amanda Curtis - was running a 102 degree fever."

The team only has 7 members regularly.

### Varsity girls

The Farwell High School Steerettes lost to Melrose 59-46 on Dec. 2.

The team started out keeping pace with Melrose. The first quarter ended with Melrose ahead 20-18.

Then the Steerettes had a disastrous second quarter; they managed to score only 4 points to Melrose's 18 in that period. It was an uphill battle from there on out. The Steerettes managed to outscore Melrose 16-11 in the final quarter, but it was not enough to make up for the second quarter.

Scoring were: Lorri Murray, 10; Kara Camp, 8; Lena Ortiz, 7; Leslie Monk and Terri Hillock, 6; and Angie White, 5.

\*\*\*

The Farwell Steerettes lost a close match to Elida 47-45 on Dec. 6.

Farwell led the first quarter, and was down by only 1 point at half. They fought hard during the remainder of the game, but couldn't pull out the victory.

Lorri Murray led Farwell's scoring with 16 points. The Steerettes have a 2-5 season record.

### 8th grade boys

Farwell Junior High 8th grade boys and girls both earned the consolation trophy in the Grady Tournament last weekend.

In each case the teams were paired against Clovis Gattis - a basketball power - in the first round. Each Farwell Junior High team came back to beat Portales in the second round and drew a bye in the third to finish third in the tournament.

Clovis Gattis defeated the Farwell 8th grade boys 77-37. "Gattis had us outmanned," said coach Kendall Devault.

Scoring were: Troy Cunningham, 19; Kade Kent, 12; Ryan Williams, 3; Jody Mahaney, Eric Chadwick, Dean Rubio, and Adam Hobbs, 2 each.

The Yearling boys defeated Portales 46-31 in the second round. Farwell led throughout the whole game against one of the larger schools in our area. One of the most exciting moments of this game was a long shot by Jody Mahaney that hit the basket on the buzzer.

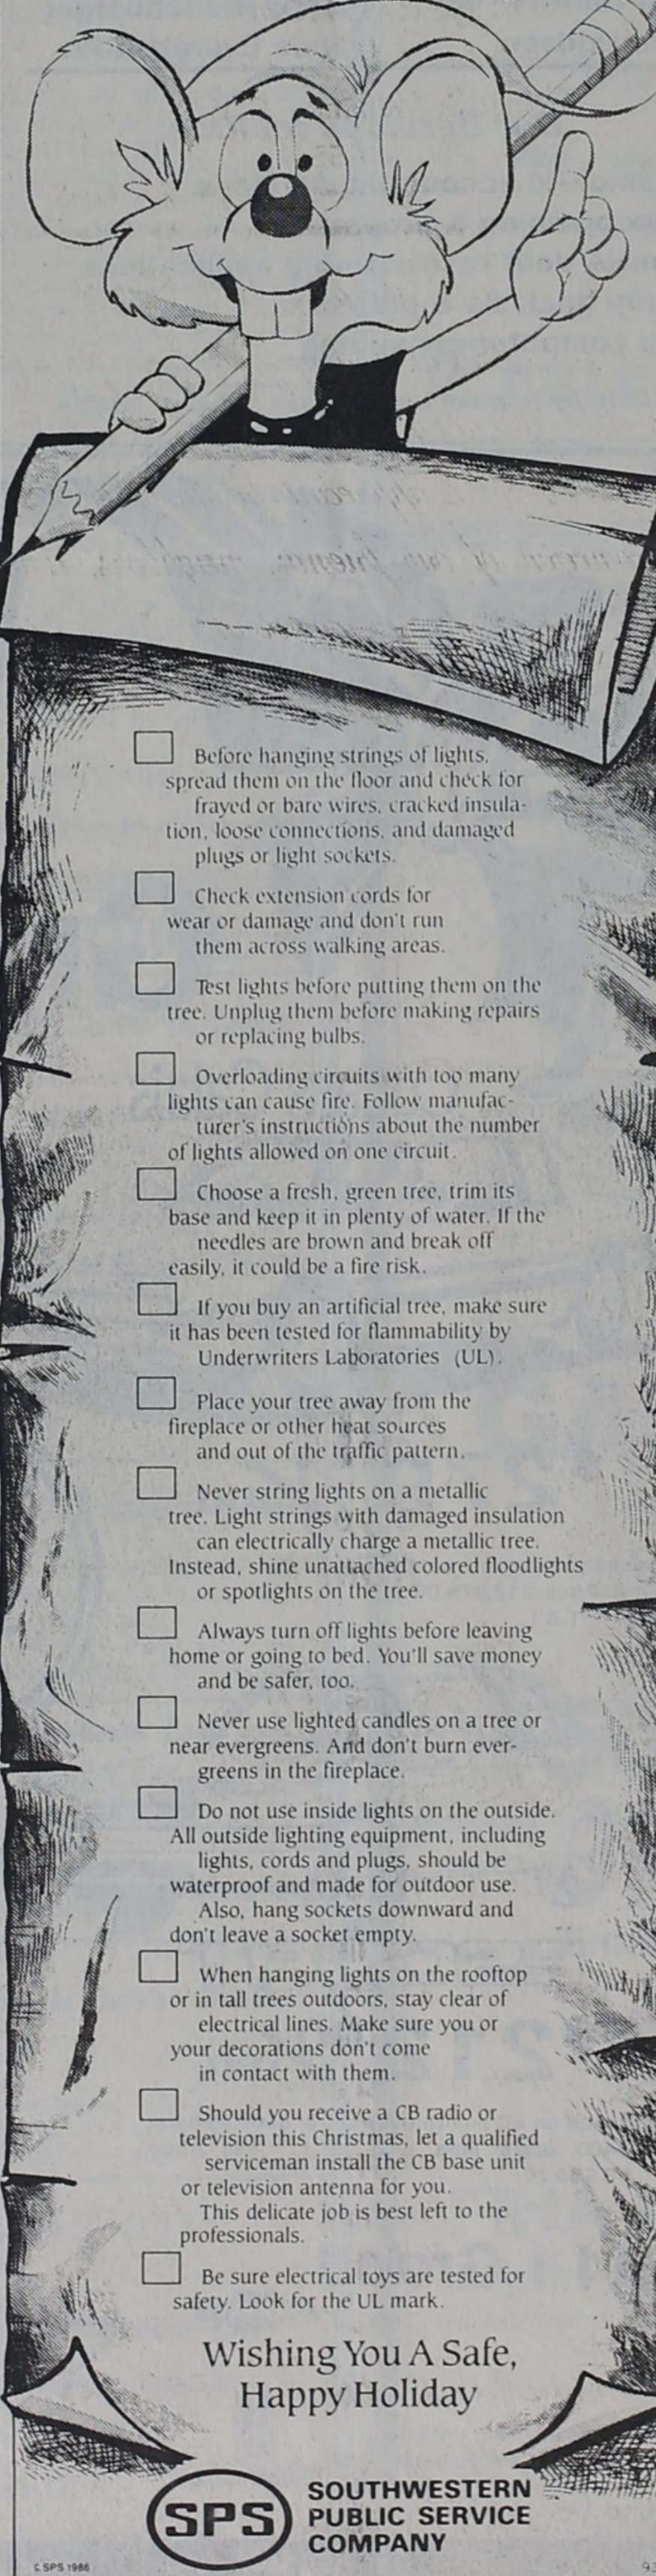

Scoring were: Troy Cunningham, 16; Ryan Williams, 13; Kade Kent, 10; Brandon Kirkland, Jody Mahaney, and Eric Chadwick, 2 each; Dean Rubio, 1.

"Everybody is improving a lot," said coach Devault.

## Check Safety To Make The Holidays Bright

- Before hanging strings of lights, spread them on the floor and check for frayed or bare wires, cracked insulation, loose connections, and damaged plugs or light sockets.
- Check extension cords for wear or damage and don't run them across walking areas.
- Test lights before putting them on the tree. Unplug them before making repairs or replacing bulbs.
- Overloading circuits with too many lights can cause fire. Follow manufacturer's instructions about the number of lights allowed on one circuit.
- Choose a fresh, green tree, trim its base and keep it in plenty of water. If the needles are brown and break off easily, it could be a fire risk.
- If you buy an artificial tree, make sure it has been tested for flammability by Underwriters Laboratories (UL).
- Place your tree away from the fireplace or other heat sources and out of the traffic pattern.
- Never string lights on a metallic tree. Light strings with damaged insulation can electrically charge a metallic tree. Instead, shine unattached colored floodlights or spotlights on the tree.
- Always turn off lights before leaving home or going to bed. You'll save money and be safer, too.
- Never use lighted candles on a tree or near evergreens. And don't burn evergreens in the fireplace.
- Do not use inside lights on the outside. All outside lighting equipment, including lights, cords and plugs, should be waterproof and made for outdoor use. Also, hang sockets downward and don't leave a socket empty.
- When hanging lights on the rooftop or in tall trees outdoors, stay clear of electrical lines. Make sure you or your decorations don't come in contact with them.
- Should you receive a CB radio or television this Christmas, let a qualified serviceman install the CB base unit or television antenna for you. This delicate job is best left to the professionals.
- Be sure electrical toys are tested for safety. Look for the UL mark.

Wishing You A Safe, Happy Holiday

SPS SOUTHWESTERN PUBLIC SERVICE COMPANY

lost a very close game to Clovis' Gattis Junior High 38-36 at the buzzer.

"Gattis had some huge girls," said coach Patsy Camp. "But, we played as a team. We set the ball up and ran good plays. We took good shots, and pressed exceptionally well."

Coach Camp cited Alicia Smith and Molly Miller for being high point scorers.

On the second night of the tournament, Farwell Junior High's girls defeated Portales 45-22. The victory gave the team the consolation trophy because another Portales team cancelled its Saturday game.

"We didn't play as well Friday as we did Thursday," said Coach Camp in spite of the fact that the team won Friday.

Coach Camp cited the good defense played by Liz Galvan and Angie Ceniceros. "We started off slow, but we regained our composure and pressed well," she added.

## Pheasants raised

The Kregg Wilson family of Bovina started raising pheasants 2 years ago as a project to help their children earn some money for college.

This year they sold live pheasant cocks to hunting preserves from Melrose, N.M. to Louisiana. They have also started selling gourmet hickory smoked pheasants from their farm.

"We smoked some of the pheasants four our personal use," said Kregg Wilson. "This year we decided to have some processed at a state inspected facility and smoked for sale."

Wilson is selling the birds at \$20 per box of 2 birds. "I've seen some advertised from Minnesota for \$40 per box for birds," said Wilson.

In addition to the pheasants, the Wilson family also raised quail on the Flying W Pheasant Farm which is located about 2 miles east of Bovina.

Jan Fontanilla of Farwell Country Club called to report that member Gene Echols scored a hole-in-one on Dec. 1.

It was his first in 20 years of golfing. Echols was using a 4 iron on the 11th hole when the event occurred. He hit the

ball, and turned his head as he followed through. When he looked back, he wondered where it went.

Echols threw his cap in the air when witnesses Rick Ketcherside, Harry Sheets, and Jack Kirkland showed him where the ball was.

# County sends 9 to 4-H food show

Nine winners in the recent Parmer County 4-H food show will put their culinary skills and knowledge of nutrition on the line Dec. 10 at the South Plains District 4-H Food Show in Lubbock.

Contestants from 20 counties will vie for awards in four food categories and three age divisions, said Parmer County Extension Agent Rochelle White. Winners in the senior division will advance to the state competition next summer.

Contestants will register at the Texas Tech University Center ballroom, beginning at 9 a.m. Judging will be at 9:45 a.m. The public is invited to view the dishes and witness the presentation of awards in the ballroom at 1:30 p.m.

Nine 4-H'ers will represent Parmer County. Their names and the categories they represent are as follows.

Glen Branson, son of Mr. and Mrs. Glen Branson of Bovina, will participate in the senior class main dish competition.

Jason Slagle, son of Mr. and Mrs. Dennis Slagle of Friona, will participate in the Junior 1 main dish competition.

Tammy Stormes, daughter of Mr. and Mrs. Sammy Stormes of Bovina, will participate in the Junior 1 fruits and vegetables competition.

Mandy Magby, daughter of Mr. and Mrs. Skip Magby of Lazbuddie, will participate in the Junior 1 bread and cereal

competition.

Jim Bob Sides, son of Mr. and Mrs. James Sides of Farwell, will participate in the Junior 1 nutritious snacks and desserts division.

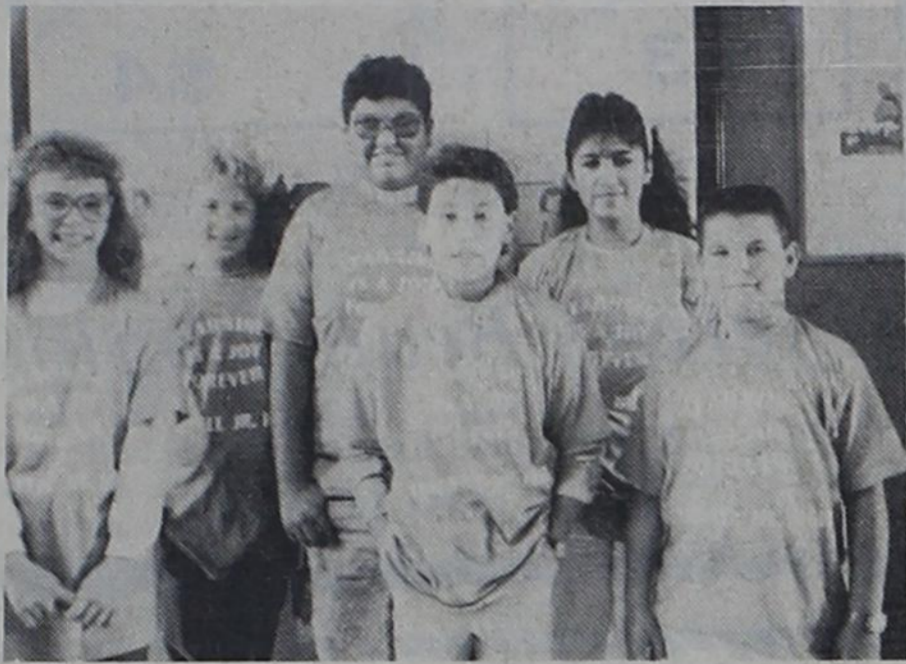

Laura Goen, daughter of Mr. and Mrs. Jerry Goen of Friona, will participate in the Junior 2 main dish division.

Julie McDonald, daughter of Mr. and Mrs. Donnie McDonald of Lazbuddie, will participate in the Junior 2, fruits and vegetables division.

Jody Copp, son of Mr. and Mrs. Rick Copp of Lazbuddie, will participate in the Junior 2 bread and cereal division.

Lance Goen, son of Mr. and Mrs. Jerry Goen of Friona, will participate in the Junior 2 nutritious snacks and dessert division.

The district food show is one part of the year-round foods and nutrition project in 4-H, the county Extension agent, said. She said the project helps youth learn the relationships among science, food, and nutrition, food preparation, food buying, time management, use of energy, and food storage and safety. Four-H is the youth development program of the Texas Agricultural Extension Service, an arm of the Texas A&M University System.

Students of 6 weeks

Farwell Junior High students of the six weeks are Melissa Schwertner, Eric Delgado, Chanse Stephens, Jill Actkinson, Michael Mendoza and Sandra Hernandez. They are wearing T-shirts with the school's new motto: "Learning is a Joy Forever." The students of the six weeks are chosen by the faculty at their discretion. The award is not necessarily tied to academic achievement.

## Variety show to be presented

The annual Wolverine variety show will be Thursday, Dec. 15 at 7 p.m. in the Texico Educational Complex instead of Friday night as previously reported.

"We have an excellent show with a lot of student talent and talent from the local area that is designed to put everyone in the Christmas spirit," said Kay West, yearbook advisor.

The show is sponsored annually by the yearbook staff as a fund-raiser.

In a departure from past tradition, the winners of Mr.

and Miss THS, Class Favorites and Most Popular honors will not be revealed until May at the academic awards assembly. Elections for these honors are scheduled for April.

Admission is \$2 for adults and \$1 for students. Pre-school children can watch for free.

Last Friday night we had our enchilada supper to raise funds for a new whirlpool tub. It was a huge success! About 300 persons were served Lupe's delicious enchiladas. And take-out meals were available.

The Ladies Auxiliary came out in full force to sell their scrumptious pies and to help serve. The remaining pies were taken to the Beauty Box and were quickly sold out.

My sincerest gratitude to Lupe Vidaurri, Lynne Gann, Bertha Martinez, Robert Vidaurri, Geneva Rubio, and the Ladies Auxiliary, for making this fund raising effort the success it was. Also, a very special thanks to uncle Ray Norman of KCLV radio who publicized the event.

With the supper and previous fund-raisers, the ongoing donations from caroling and generous supporters, and a contribution from the Memorial Fund of the Farwell Hospital District, we have met our goal.

The whirlpool has been ordered and we are anxiously awaiting its arrival. What a wonderful Christmas present you have given our residents. Thank you! And Merry Christmas to you!
