### Democrats are in real good shape

Would you believe this: my third political column in five weeks! It must be the weather.

Anyway, I thought it would behoove this columnist for me to pen a postscript on the recent national elections. (In other words, this is an "I told you so" column.)

What really got me as I watched the election returns on TV that night was this high-priced national broadcaster saying how surprised he was that so many incumbents were being re-elected despite the "groundswell" of folks who had indicated they would throw the bums out.

This just shows again how much TV newscasters are out of touch with reality. And if you think that's awful, just remember they're the folks you get your information from. Think about it.

What really happened was what I had forecast: 98 percent of the congressmen were re-elected. That's correct - 98 percent.

This is why I believe we need to put limits on the number of terms congressmen can serve. Otherwise, there is no real hope for long-term planning to keep this nation strong.

The main thing I saw was that the old Democratic machine put together in the 1930s has come back, but with a different mechanism.

For many years, Democrats have used labor, the black vote and "Democrats" (especially the big city machines) as the backbone of their victories.

In recent decades, we have seen the decline of the big city machine as many voters have moved to the suburbs and changed their allegiance to the Republicans. Also, the labor vote has been more evenly divided between the two parties.

But a new twist has been added: a growth in minority voters, besides the blacks. I'm referring to Hispanics and Asians. I believe these new voters are going Democratic in mass numbers just as preceding minorities have done throughout American history.

One example, I believe, is that the Hispanic vote gave the victory in the Texas' governor's race to Ann Richards.

My prediction is that you will see a further decline in GOP strength in Congress. Also, Bush may be re-elected president but it's a safe bet a Democrat (Phil Gramm?) will be elected in 1996. (Unless the Democrats shoot themselves in the foot again

## New fire truck asked

Farwell Fire Chief Joel White asked the Farwell City Council Tuesday to buy a new fire truck.

The cost is estimated at over \$100,000. It would take 9 months to a year for delivery.

The council didn't seem overly enthusiastic about the cost and may look into older trucks. White estimated that trucks built in the early 1980s cost about \$60,000. Mayor Chris Gikas said he will check with larger cities to see if they have anything available for Farwell.

Farwell has two pumbers - one built in 1956 and one built in 1972. The 1972 truck has had pump problems at the last three fires, said White.

The 1956 truck, in excellent shape with about 6,000 miles on it - isn't recognized by the state for insurance purposes. It only recognizes trucks not later than 30 years old. By having a pumper that is recognized by the state helps keep fire insurance rates down.

In other business, Parmer County DARE officer Karen Britten asked the council to help fund DARE at Farwell Schools (see Farwell School Board story in this issue for more details).

The city already had given \$1,244. Now it was being asked to pay the school's portion - another \$1,244.

Ms. Britten said Parmer County has a drug prob-

lem, noting cocaine, marijuana and alcohol. "First graders have told me what crack cocaine looks like and how it's smoked," she said.

Gikas said the council would wait to see what action the school board took the same night. If the school board rejected the expenditure, Gikas said he would personally try to raise the funds to put the program in here.

The council was visited by Gary Pitner, director of the Panhandle Regional Planning Commission. PRPC is spending \$300,000 for an area-wide study for waste disposal.

Of that total, the state is giving half. And Amarillo is providing \$37,000. And the Sybil Herington Foundation gave \$75,000. Panhandle cities are asked to participate at 25 cents per capita.

The council approved spending \$338.50 to join in.

The council also:

- Heard Gikas report that the 1990 census is expected to have Farwell up by 19 persons over 1980.

- Approved two variances - a fence at the Joe Jones property and a carport at the Joyce Hanna property.

- Agreed to seek insurance bids for 1991.

- Reported that water Supt. Dee Hammit has received a Special Certificate of Merit from the Texas Department of Health. He is one of 3 sewer plant operators in the Panhandle to be honored for his outstanding work.

## Grant sought for new well

The problem of the contaminated well at KKR Park dominated Tuesday's Texico City Council meeting.

Last week, the council was forced to close the well due to particles being found of carbon tetrachloride, a cleaning agent for metals. It is a carcinogen, meaning it possibly causes cancer.

The problem was found in new tests taken by a field environmentalist for the state Environmental Improvement Division.

So the council voted Tuesday to apply for a Community Development Block Grant to help build a new well. Mayor Doyal LaRue and councilman Butch Sharp will shepherd the application to Santa Fe for a hearing Friday.

In 1987, Texico received a \$50,000 state grant after going down to one well.

Texico now has three wells: one at the Santa Fe property is dry, the KKR one is closed and the Tower Park one is functioning.

The council was told that federal health inspectors and EID personnel will be in Texico this week to try to

## Harding captures 11th grid tilt

It was a real tough week last week for entrants in the Area Merchants Football Contest. Scores were really on the low side.

But five participants managed to pick 10 of the 12 games correctly. By virtue of being closest to the tie breaker (Farwell 32, Vega 0), the winner was Hurshel Harding, who was 14 off the tie breaker. He received the first place cash prize of \$10.

Winning the second place cash prize of \$5 was Lynn Mahaney, who was 15 off the tie breaker.

Others with 10 right (with their totals off the tie breaker in parentheses) were Amanda Curtis (22), Steve Chandler (18) and Robert Lucio (23).

With 9 right were:

Lois Thornton, Cindy Cargile, Cindy Castleberry, Hal Helton, Rick Ketcherside, Fred Libby, Ken Shaw, Alan Warren, Angie White, Lupito Garza, Ray Stanley, Louie Delgado, Mark Milloy and Farwell High School speech class.

As the contest enters its final week this week - with the Dallas Cowboys' ticket package, including \$50 cash, as the prize - Roy King, Texico High School basketball coach, has the lead.

King only managed 6 right last week (and 7 right the week before). But other entrants were not able to take advantage of his relatively low scores. In fact, the three entrants who were tied for 2nd last week each had only 5 right.

The Texico High world history (4th period) class nabbed 8 right last week to move into sole possession of 2nd place - two points behind King.

In case there is a tie after the 12 weeks, the weekly tie breakers are used to determine the winner.

Here's the leader board after 11 weeks:

- 89 points - Roy King.
- 87 - Texico High world history (4th period) class.
- 86 - Rick Castaneda, Amy Jo Murray, Sammy Herrera.
- 85 - Mike Goettsch.
- 84 - Fred Libby, Clyde McDonald, Donnie McDonald,

Lucille Peugh, of Jones Pontiac, presents the first place check for winning last week's Area Merchants Football Contest to Hurshel Harding. Jones Pontiac is one of the contest sponsors.

Billy Roberts.

83 - Scott Brown, Douglas Hill, Steve Kittrell.  
Last week's results:  
Texico over Carrizozo, Hagerman over Loving, Friona over Muleshoe, O'Donnell over Sudan, Texas over Houston,

Texas Tech over TCU, Alabama over LSU, Ohio State over Iowa, Indianapolis over New England, New Orleans over Tampa Bay, Seattle over Kansas City and Minnesota over Detroit.

### County judge authorized

The Parmer County Commissioners voted Monday to make a change in how requests from residents for help with their electrical bills, grocery bills, etc., are handled.

Previously, the commissioners would vote on the individual requests. Now, the county judge is authorized to handle the requests.

This is because the commissioners approved a contract with the state Department of Human Services. The DHS will either provide

matching funds or reimburse the funds given. The county judge will handle the paperwork.

In other business, the commissioners:

- Approved seeking bids for a new police car.
- Approved seeking bids for a new pickup truck for the extension agent.
- Approved the Nov. 6 election totals.
- Discussed the possibility of giving longevity pay to county employees and officials. No action was taken.

### Memorial funds established

Memorial funds have been set up at both Security State Bank and Citizens Bank, Texico branch, for the Donald Lovelady family.

Lovelady, 28, of Texico, died on Nov. 7 in a one-vehicle accident that happened about 6 p.m. Police said Charles Adkins, 24, of

Clovis, was driving a pickup truck when it encountered ice 2 miles east of Farwell on U.S. 84.

Police said the pickup slid across the highway and the passenger side struck a tree on the median.

Adkins was hospitalized in Clovis with head injuries.

**Texico**

In other business, councilman Carolyn Burrows discussed the need to improve the agenda. She suggested that the councilmen get the agendas on the Fridays preceding meetings, for example. She also wanted more information included and to have city employees discuss their work with the council.

She was particularly unhappy that the annexation question came up without the council being able to answer questions from area residents. The attorney had been at the first meeting but hadn't been aware of the upcoming topic so he wasn't prepared, she noted. Then the attorney has been out of town and missed the past two meetings, at which the area residents continue coming to find out what the council's plans are.

When such a topic comes up, she indicated, it would be better for the council to have the background information ready immediately.

She also said closer communication is needed between the council and city employees to prevent problems like when the council found out the city was pumping water into the KKR Park pond although the council wanted it to go dry.

The council also:  
- Noted that Clovis and Curry County planned to sign a territorial control joint powers agreement Nov. 29. LaRue said he won't be able to attend the meeting but hopes a councilman can. He said part of the reason for the pact is planned airport expansion.

- Approved having the 1979 city pickup repaired. It's been going through a gallon of gas about every five miles.

- Decided to keep track of the time the city's policemen spend helping the county sheriff's office. The county may be billed for this service.

- Heard LaRue report that he hadn't had time yet to go with councilman Oran Jay

**Trap shoot scheduled**

The Texico-Farwell Lions Club will have its annual turkey shoot Sunday at 1:30 p.m. cdt at the trap shoot range on State Line Road, just north of Helton Oil Co.

The public is invited to participate in the various shoots. In charge are James Craig and Bill Whitesides.

(Continued from Page 1)

Autrey to see what abandoned cars still need to be removed.

- Heard that the city now owns the property directly east of KKR Park and the previous owner is expected to clear away the debris within about 30 days. If not, the city will take action.

Other tidbits:  
\* Claytie Williams proved you don't have to be smart to be a millionaire.

\* I was glad to see Phil Gramm win. He's a sharp dude, who will likely be the Democratic nominee for President in 1992.

\* It also good to see Larry Combest win. He was unopposed. He works hard for this district - which is the No. 1 task for a congressman.

\* The redistricting due to the 1990 census will provide a huge margin for the Democrats in the House in the 1992 elections. You can forget about having a Republican president to balance a Democratic Congress. The Democrats will be strong enough to override virtually any Presidential vetoes.

Am I right on my predictions? Watch.

\*\*\*  
Can you believe it? New Mexico is putting a "you are now leaving New Mexico" sign at the state line - instead of at the entrance to Texico.

**Lambert pleads guilty in shooting**

Travis Gene Lambert pled guilty in District Court Wednesday morning to attempted capitol murder with a deadly weapon.

He was found guilty last December in the shooting of then-Bovina Police Chief Gary Coleman in July 1989.

He was offered a plea bargain of 50 years in prison, which he rejected. In a jury trial, he received the maximum sentence: 99 years in prison and a \$10,000 fine.

However, he appealed the decision because he had been denied a change of venue. The state court of appeals last month overturned the verdict for that reason.

Lambert was scheduled to go on trial again in mid-December in Muleshoe. However, he agreed Wednesday to

a plea bargain - 50 years in prison. Interestingly, this week's agreement was done in Farwell after Lambert said he

didn't want the change of venue, said District Attorney Johnny Actkinson.

With a 99 year sentence, Lambert will have been eligible for parole after 20 years. With a 50 year sentence, he is eligible after 17 years.

# Longhorns earn state playoff berth

The Lazbuddie Longhorns put it all together last Friday in a home game to whip district leader Silverton, 42-8, and get into the state playoffs.

Lazbuddie finished the regular season at 4-1 in district and 7-3 overall. The Longhorns and Three Way tied at 4-1, and Three Way lost the coin flip to see which team would go into the playoffs.

Lazbuddie hosts Meadow at 7:30 p.m. Thursday, Nov. 15, in the first round of the playoffs.

A big reason the Longhorns shocked Silverton was the return of two athletes who had missed some games due to injuries - Doug Barnes and Frank Gonzales.

Against Silverton, Lazbuddie fell behind quickly 8-0. But the Longhorns retaliated with 2 first quarter TDs: Kirk Jesko scored on a 44 yard run (the kick failed) and Barnes caught a 9-yard pass from Paul Williams (the Luis Gonzales kick was good).

Ahead 14-8, the Longhorns tacked on another score before halftime. Matt Cozby took a 29-yard pass from Williams for a TD (the kick failed) and Lazbuddie led 20-8.

It was all Lazbuddie in the second half as the Longhorns put 3 more tallies on the board. First, Jesko punched over from the 3 (the Gonzales kick was good). Then, Williams ran 62 yards for a TD (the Gonzales kick was good). Finally, Luis Gonzales ran in for a 20-yard score (the kick failed).

"We finally put together a good game," said Coach C.W. Williams. "I was able to substitute freely. Having Barnes and Gonzales back made it possible to have the whole team together for a change."

Williams credited Kirk Jesko for his work on offense; he gained 155 yards on 18 carries. Also, Williams said Cozby had some super

catches to help the offense, too.

Looking ahead, Williams said Meadow went undefeated in district and has a fast running back named Cody Andrews, who made the state finals in the 100 meter dash.

"If we can play against Meadow like we did against Silverton, we can beat them," said Williams.

Jesko was highlighted by the Lubbock newspaper for giving one of the week's outstanding performances. He had 12 tackles, including 4 behind the line of scrimmage, while rushing for 155 yards and 2 TDs.

## Mavericks nip Lions

In Play Inc. soccer action: The Mavericks beat the Lions 2-1 with goals scored by Gage Gregory and Landon Parham.

All fruits are available in 20 lb. and 40 lb. boxes. Also, the FFA will divide orders into halves and thirds.

Three Texico students were named to All District Band: Billy Rogers, Steven Horner and Calixto Nieto.

## 3 named All-District

Texico students won three seats in the All District Band at the Band competition held at Yucca Junior High Nov. 10.

Named were Steven Horner, 3rd chair tuba; Calixto Nieto, 9th overall in trumpet, and Billy Rogers, 5th chair overall in trumpet. Students from throughout Eastern New Mexico competed in this competition.

"This was not just in class A," said band director Robert Simmons. This competition included students from schools

of all sizes.

Simmons said Texico had a large number earning posts in All District Band considering the size of the school. Clovis had 54; Hobbs, 18; Portales, 8; Lovington, 5; Carlsbad, 5; Texico, New Mexico Military Institute, Artesia, Roswell, Goddard, 3 each, and Clayton, 1.

"These students all do other things besides band. They don't eat, drink and live their horn all day long," said Simmons.

Rogers and Nieto will try out for All State Band at ENMU-Portales on Nov. 28.

These students will go to Hobbs in December for two days of intensive rehearsals with guest clinician Van Ragsdale of Permian. They will also have a concert and many recreational opportunities.

# Steers slam Vega to win district crown

The Farwell Steers swept past the Vega Longhorns in an away game last Friday, 32-0, to capture its second straight district championship with a perfect 5-0 slate.

On the season, the Steers are now 9-0. This is the second consecutive year the Steers have ended the regular season undefeated.

Farwell begins its state playoff action with hopes of a state championship. The Steers, ranked No. 3 in Texas, first take on Booker, 6-3-1, at 7:30 p.m. Friday (today) at Randall Stadium, halfway between Canyon and Amarillo. If the Steers win six in a row, they will have the state title.

Here's how you get to Randall Stadium: drive to Canyon and head toward Amarillo on the interstate. Take the Hollywood Road exit and turn east. It takes you up to the front of the school, and you turn south into the stadium parking lot.

The Steers were not at their best against Vega. Darren Haseloff, tight end, middle linebacker and kicker, sat out the game due to injuries. He is expected to play against Booker.

Vega opened their game with a new quarterback. It showed because the QB was involved in two lost fumbles in Vega's first five plays.

On the third play of the game, Ruben Lucio recovered a fumble at the Longhorn 31. Farwell was held and Vega took over. On Vega's second play in this series they fumbled again; it was recovered by Michael Arce at the Vega 29.

Shawn Stewart sprinted up the middle 11 yards. On 4th down, Stewart gained 6 yards to the Vega 5. At 6:35 of

## Bus to go to Booker game; vehicle caravan planned

The Farwell Booster Club is sponsoring a bus to the Booker game.

The bus will leave the school bus barn at 5 p.m. Friday (today) for the game at Amarillo Randall High School. The cost is \$2 per person.

Also, the club is asking that fans who plan to drive to the game meet at the school at 5 p.m., also. These cars will form a caravan and streamers will be placed on their radio antenna.

In the first quarter, Joel Smith raced in for a 5-yard TD. Greg Actkinson ran the keeper play successfully for the 2-point conversion and it was 8-0.

On defense, Lucio recorded a "quarterback hurry" forcing a Vega punt. Farwell couldn't move, and Vega took over. Monty Delgado had a major tackle on this series.

In the second quarter, the Steers moved behind a 13-yard run by Stewart and passes from Actkinson to Delgado and Roger Billingsley. At 10:51, Stewart punched over from the 1 for a TD. Actkinson again ran in the 2 points and it was 16-0.

Actkinson intercepted an errant Vega pass and returned it 20 yards to the Vega 20. Delgado grabbed a pass for a first down at the 6. Farwell was stopped by a penalty, though. After both teams lost fumbles, Vega also intercepted a Farwell pass. Vega couldn't move and punted to the Steer 5.

Stewart then broke through the middle, shaking tacklers, and galloped 85 yards for the TD with 1:38 left in the half. Again, Actkinson scored the 2 points and it was 24-0 at the half.

Delgado returned the third quarter kickoff 43 yards. Stewart gained a first down by running for 12. But three successive penalties put Farwell in a 2nd and 23 situation. Vega intercepted a pass.

After moving into Farwell territory, Vega attempted a fake field goal on 4th down. Arce's tackle saved the day and Farwell took over on its 41. Stewart ran for 17 before Vega intercepted again.

In the 4th quarter, Billingsley caught a 13-yard pass and Stewart had a 14-yard run. Then Actkinson gained 15 before Stewart also ran for 15. Delgado caught a 7-yard pass but Vega intercepted at its goal line.

After Vega punted to its 40, the Steers engineered their final scoring march. Stewart and Smith grabbed large chunks of yardage before Actkinson bulled over from the 1 for a TD with 1:13 left in the game. Kirk Lingnau ran in the extra

points. In the final minute, Kade Kent recorded a quarterback sack.

Individual statistics: Rushing - Stewart, 16 for 221 yards; Smith, 19 for 92; Delgado, 8 for 15; Actkinson, 11 for 31; Arce, 1 for 1. Receiving - Billingsley, 3 for 29; Delgado, 2 for 20; Smith, 2 for 17.

Team statistics: Rushing - Farwell, 56 for 361 yards; Vega 28 for 35. Passing - Farwell, 7 for 15 and 66 yards; Vega, 1 for 7 and 32 yards. First downs - Farwell 23, Vega 2. Penalties - Farwell, 9 for 55; Vega, 6 for 37. Punts - Farwell, 1 for 27 yards; Vega, 7 for 44 yard average.

Coach Rex Cumpton commented: "This victory gave us our undisputed District Championship. Offensively, I felt we played pretty well except for turnovers. Ours stats were good and the number of plays we ran were good. We just didn't do a good job inside the 20 yard line. We will have to be much stronger in that area in the playoffs. Defensively, we played very well. We limited everything they did. Our defense has been strong all year and we will keep depending on it to give our offense the ball in good shape."

## Conference attended

Eight Farwell advanced Spanish students attended a Conference at Prude Ranch near Fort Davis on Nov. 3 and 4.

The group left Farwell following the football game Friday night and drove all night to arrive at Ft. Davis in time for breakfast. They met there with students from all over the state of Texas and students from Mexico. They attended workshops and learned some Mexican folk dances.

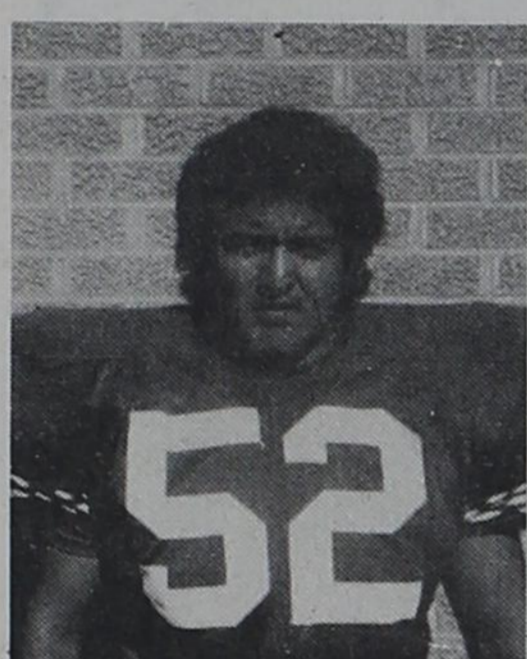

They also toured historic Fort Davis where they saw the overland stage route and enjoyed cherry phosphates in an old fashion drug store.

Making the trip were: Mark Milloy, Angela Ceniceros, Cody Monk, Kaci Stephens, Isela Mendoza, Norma Ortega, Robin Ray, Alma Garcia and sponsors Brenda Riddle and David Reynolds.

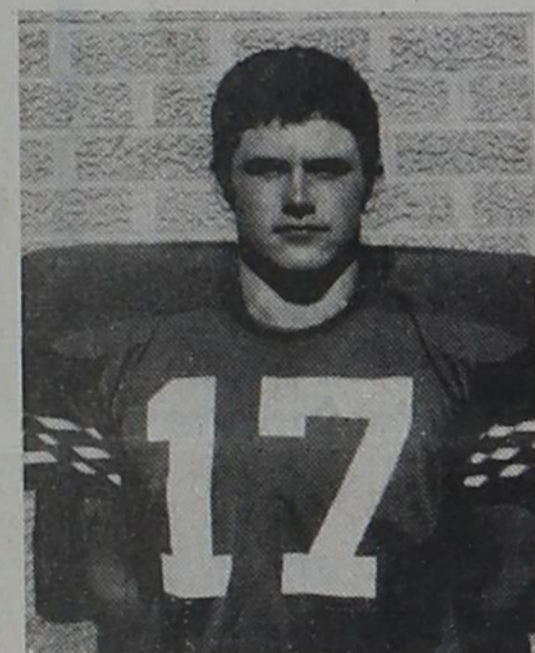

## Steers of the Week

Offensive Players of the Game were Shawn Stewart, with 221 rushing yards; Joel Smith, with 92 rushing yards, and Roger Billingsley, with 3 catches for 29 yards. "Billingsley did a very good job in his first varsity start," said Coach Cumpton. Defensive Players of the Game were Michael Arce, with 7 tackles (4 unassisted and 3 behind the line) and a fumble recovery; Greg Actkinson, with 6 tackles (3 unassisted, a recovered fumble and an interception), and Ruben Lucio, with 9 tackles (2 unassisted, 1 behind the line, 1 covered fumble and 1 caused fumble).

**Can your CD make this statement?**

Alliance Short-Term Multi Market Trust seeks higher yields than CDs and money market funds by investing in high quality, short-term securities around the world. And the Fund offers you two ways to invest with Class "A" and Class "B" shares.

Class A shares' yield of 10.28%, calculated according to SEC regulations, represents an annualization of the dividends paid on Fund shares during the month ended 9/30/90 and is based on the maximum offering prices on that day. Average annual total return since inception (5/5/89) of 10.83% assumes reinvestment of dividends and the maximum 3% sales charge.

Class B shares are subject to back-end sales charge if shares are redeemed during the first 3 years (3% year 1; 2% year 2 and 1% year 3). The Fund's Class B shares' 9.90% yield, calculated according to SEC regulations, represents an annualization of the dividends paid on Fund shares during the month ended 9/30/90. Average annual total return since inception (2/5/90) of 8.26% assumes reinvestment of dividends.

Neither class of shares of the Fund is guaranteed and past performance is not an indication of future performance. Net asset value and yield for both classes will fluctuate with changes in interest rates and other market conditions, so CLASS A SHARES

## Financial picture brightens

The Farwell Schools are in a much stronger financial position. CPA De'Aun Willoughby reported at Tuesday's School Board meeting there is now a reserve of \$234,257. She also reported that there had been a build-up of \$62,000 in the general fund. Mrs. Willoughby reported an increase of more than \$17,000 in federal funding this year. She also said, "This year you will retire all of your bonds." Mrs. Willoughby commended the school system because

the record keeping has improved.

In other business, the board:

- Approved having the DARE drug education program implemented. Parmer County police officer Karen Britten is in charge of it. The program already has been implemented in the other three county schools. It will cost Farwell Schools \$1,244.

- May increase the fee for driver's education from \$50 to \$85 or \$90 to keep its charge in line with other schools.

- Commended teacher Judy Howard for the work she does on the Fun Run, Bucakroo Play Day, weight lifting with canned goods which are later donated to the indigent, the track meet, and the circus.

- Heard Jerry Dee Owen report that he was pleased with preliminary TAAS results which have not yet been analyzed. Owen also said the Junior High will use a Macintosh computer to network all of the computers in the lab.

- Owen reported that he has had some problems this year with computer maintenance because the school no longer carries the agreement it had last year for the repair of computers.

- Hired Kendall Devault as a driver's education teacher. They will set the new driver's education fee later.

- Presented Owen with a certificate of recognition from the State Board of Education and the TEA for exceptional achievement by Farwell Junior High on the TEAMS test.

- Board president Doyle Johnson commended the junior high staff on its achievement.

- Heard reports from vocational agriculture teacher Richard Montgomery and home economics teacher Laura Adkins on the vocational programs.

- Heard Gwen Corn report that there have been VCRs and other missing equipment in the Farwell Elementary School.

- Accepted bids for the two reconditioned color TV's and two gas cook stoves. The bids for the TV's were \$50 and \$40 each. Bids for the stoves were \$150, \$137.75, and 122.25. They were the only bids accepted.

- Voted to keep the property casualty insurance at the same rate as last year, \$3,000 deductible with a premium of \$14,200.

'Book Buddy'

Veronica Escamilla writes a page in a book with her "Book Buddy," Karen Neie. The Texico Elementary School book buddy program teams two students together of different grade levels to improve reading skills for both. The book writing project is in honor of National Children's Book week.

### Grid scores

### Veterans Day program held at Farwell school

Guy Austin was the featured speaker at Farwell Junior High School's Veteran's Day ceremony. Austin served as a corporal in a field hospital during

World War II. He was overseas 20 months, 12 of them in Germany from the invasion onward.

"It was like a Mash unit, but we didn't have any helicopters. We had to keep the hospital close to the front lines," said Austin.

Part of what he told the junior high students included: "People today don't value their freedom, and they don't know what their freedom has cost - not only in World War II but in other wars as well."

"We take too many things for granted each day. We think that they just come naturally, but our country was made by men and women who sacrificed many things, even their lives that we may have this privilege," he said.

"People today condemn President Truman for dropping those 2 bombs on Japan, but we were packing our equipment to invade Japan when it happened. His dropping those 2 bombs saved many American lives. Nobody knows what it would have cost in American lives to invade a country that didn't value human life."

The Veteran's Day program was sponsored by the Farwell Junior High Student Council.

It featured a flag raising ceremony at the flagpole outside the school and the talk by Austin.

# Wolverines move into state title tilt

In a real nail-biter, the Texico Wolverines, ranked No. 1 in New Mexico, won their state semi-final football game against the Carrizozo Grizzlies last Friday at home, 13-12.

The victory improved Texico's record to 10-1 and put them in the state championship game against Hagerman.

The title game will be played at 7 p.m. mdt Friday (today) at Texico against Hagerman, which won the other semi-final game over Loving, 33-8. During the district action, Texico beat Hagerman - coached by ex-Wolverine coach Dave Lynn - by a 21-5 margin.

The Carrizozo game opened with it looking light a high-scoring affair as both teams scored on their first possessions. But then the necessary defensive adjustments were made, resulting in only 2 TDs by both teams.

Texico began in good field position as Josh Autrey returned the kickoff 33 yards to the Wolverine 43. Immediately, Autrey broke a pair of tackle as he burst up the middle, then turned outside to the Grizzlies' 35. But the big gain was nullified due to a clip - the first of several penalties which hurt Texico throughout the game.

Texico shook off the bad luck, and continued marching down field: Autrey for 8, Benjy McDaniel for 11, Autrey for 4, Autrey for 2. McDaniel then threw a crisp pass to Freddy Chavez for a first down at the Carrizozo 5. Autrey punched for 3; Hector Orozco gained 1, and Autrey raced around end for the 1-yard TD at 7:15. Orozco's kick - which turned out to be the difference in the final score - made it 7-0.

Tatum took over at its 44 after a 24-yard runback. It moved the ball successfully behind tailback Chris Barela. The drive was helped by a one-handed catch by James Silva that put the ball on the Texico 1. After a loss, Carrizozo's Barela scored from the 3 at 4:16 of the first period. The kick was low and Texico still led, 7-6.

Louie Delgado returned the kickoff to the Texico 39. Texico then used McDaniel and Autrey for its rushing yardage. McDaniel ran options for 11 and 5 yards. Autrey gained 4, 6, 4, 6, 4 and 4. McDaniel then snuck for a first down at the Grizzlies' 12. Held short of a first down, Texico tried a 25-yard field goal but it veered off to the right.

With 5 minutes left in the half, Autrey returned the punt 20 yards to the Texico 35. Neither team could move effectively and Texico got a break when a Carrizozo "bomb" was dropped by a receiver at the Wolverine 5. Josefre Gonzales intercepted at the Wolverine 10 and the half ended shortly thereafter.

Carrizozo started on offense in the 3rd quarter. Orozco and Hamilton had big tackles and Texico got the ball back at its 45. Autrey and Orozco gained two first downs, then Autrey burst up the middle for 26 yards to the Grizzlies' 7. McDaniel ran the option for a 7-yard TD behind good blocking. The kick was blocked and it was 13-6 Texico.

On defense, Billy Rogers had a QB sack for a loss of three yards. And McDaniel made a good stop of a Carrizozo receiver. A tackle by Tom Derouin and Gonzales forced the punt.

Texico was held and punted, where Warren Martin made an unassisted tackle on the receiver. A roughing the passer call gave Carrizozo a first down on the Texico 40. Carrizozo moved to the Texico 6 but was held. On 4th down, they went for the TD but the ball popped off the hands of the receiver.

Texico lost a fumble at its 16 and this time Carrizozo took advantage, culminating the short drive with a 3-yard TD pass at 10:04 of the fourth quarter. On a fake field goal attempt, the pass failed and Texico still led by 1 point.

Autrey had a 28-yard return to the Carrizozo 47. A lateral failed and Carrizozo recovered at the Wolverine 40. Hamilton then made successive major tackles, one for a loss of 2 yards, the other for a loss of 1 yard. The third down pass failed and Carrizozo punted to the Texico 14.

Martin caught an 11-yard aerial but 3 runs fell short and Texico punted to the Grizzlies' 43 (with a good tackle by Martin).

Carrizozo got a first down at the Texico 44 before a clipping penalty put the ball back at its own 30. It was 1st and 36 for the Grizzlies. A pass failed; a triple reverse gained but a yard; a "bomb" was dropped, and the 4th down desperation pass failed. Texico took over at the Carrizozo 31 with 1:29 left and ran out the clock.

"Our offense was not as productive as we have had in the

## After the game...

The Texico Booster Club will host a social following the Texico-Hagerman game Friday to congratulate the team for making it into the state playoffs.

"We're going to have this whether we win or lose," said Sydney Martin of the Booster Club.

They plan to serve hot dogs, chips and Cokes to the boys and to as many fans on a first come, first served basis.

past. We can't play like that and win. We had a bad case of nerves," said Coach Bruce Scroggins. "It has been so long since these guys have been in a playoff."

The last Wolverine team to win a state football title was in 1983.

As for Hagerman, "we beat them 21-15 before. They are the fastest team played, said Scroggins. "Hagerman is always dangerous. Coach Lynn does a good job. He'll have special tricks for us. We'll try to be prepared."

"I don't think we've won 10 in a year to be district champs before. It's nice, a lot never get this opportunity," said Scroggins. "We're proud of what we've accomplished."

Individual statistics: Rushing - Autrey, 22 for 137 yards; Orozco, 6 for 16; McDaniel, 11 for 39; Akers, 1 for 6. Receiving - Chavez, 1 for 14; Martin, 1 for 11. Passing - McDaniel, 2 for 4 and 25 yards.

Team statistics: First downs, Texico 11, Carrizozo 11. Net yards rushing - Texico, 40 for 198; Carrizozo, 37 for 97. Net yards passing - Texico 25, Carrizozo, 109. Total yards - Texico 223, Carrizozo, 216. Passing - Texico 2 for 5, Carrizozo 7 for

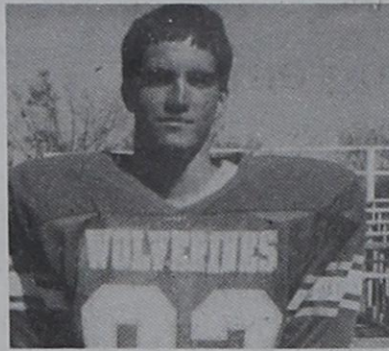

19. Punts - Texico, 3 for 31 yard average, Carrizozo 4 for 38.3 yard average. Penalties - Texico 8 for 80 yards, Carrizozo 3 for 50.

## Texico gets audit report

"Everything's in good shape," CPA Sandra Johnson told the Texico School Board Tuesday concerning her budget audit.

Mrs. Johnson commended Marcia Leavell on the budget. She also commended the district for the way the activity funds had been managed.

"According to the auditors' findings, student activity accounts earned \$90,424," said Supt. R. L. Richards. "I want to compliment the community for supporting the school and the students as well."

Richards estimated that \$85,000 had been spent of those accounts.

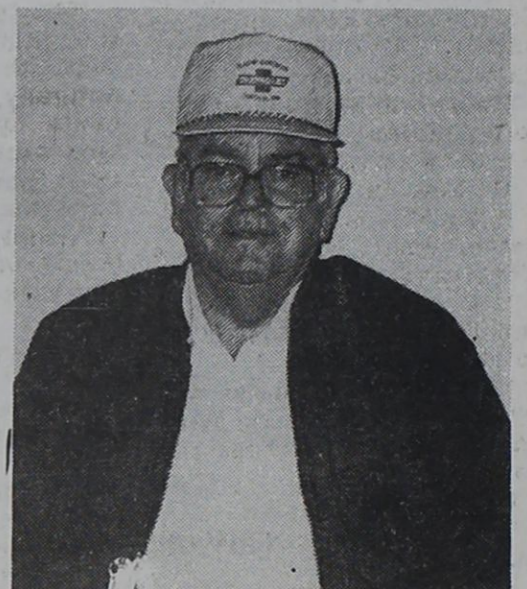

The board also:

- Approved a request by Warren Martin and Josefre Gonzales to hold the prom in the new gym.
- Accepted the resignation of aide Lupe Cabrero, and hired Tony Chavez as the Chapter I aide.
- Approved sending coach Michael Littlejohn to the state North-South volleyball game.
- Adopted a resolution for the school board election calendar. On Feb. 5, three board positions will come up for election.
- Increased the elementary school secretary's salary.
- Approved buying two typewriters for the junior high.

## Church plans harvest festival

Hamlin Memorial United Methodist Church will present its annual Harvest Festival Nov. 18 - 20.

The event will begin with Bill, Jerri and Corrie Savuto who will tell about their mission in Belize, at the 10 a.m. service on Sunday.

While they were in Belize, Bill taught at the Methodist Mission School and Jerri was a registered nurse who headed the national BIB program which encouraged breast feeding of infants.

They have also been missionaries in Jos, Nigeria. Bill was field treasurer for the mission headquarters in Jos and Jerri was involved in various medical programs.

They now live in Muleshoe. There will be a pot luck dinner at 6 p.m. before the evening worship service.

On Nov. 19 there will be a churchwide breakfast at 7 a.m. sponsored by the United Methodist Men. Peggy Gikas will speak to those assembled about the Methodist Children's Home in Waco.

There will be a worship service at 7 that evening featuring the Savutos.

On Nov. 20 there will be a salad luncheon at noon and an evening worship service at 7 p.m. The speaker at the evening service will be the founder of the Korean Methodist churches in Lubbock and Clovis.

Rev. and Mrs. Zi Hyung Sa will speak on the final day of the Mission Festival.

Rev. Sa founded a Korean ministry in Clovis through Trinity United Methodist Church there because a large number of Korean families are expected to move into the Clovis area due to the closure of a military base in New Hampshire.

Even before the announcement of the re-assignment of personnel at Cannon, the church had 37 people attend services.

Some of those he serves speak only English; some speak only Korean. Services are conducted in English, Korean and sign language.

Rev. Sa was born in China. He graduated from Seoul (Korea) National University in 1948 and came to the United States in 1956. Since then, he earned bachelor's and master's degrees in music education degree, and a master of divinity degree from Garrett - Evangelical Theological Seminary in Evanston, Ill.

In June 1989 he passed the mid-term evaluation and began working on his final thesis for a Doctor of Ministry degree from Garrett.

He has started Asian ministry churches in several cities in Wisconsin.

Rev. Sa published a book, "Victorious Lives of Early Christians in Korea," in 1985.

Junior One entrants were (front row) Candy Davis, Shawna Edwards, Ramsey Bennett, Kia Morris, Holly Engelking, Ginger Sides; (back row) Melody Montgomery, Roslyn Bennett, Mandy Cooper, Sarah Montgomery, Shena Seaton, Watson Langford and Amber Richardson.
