

# VETERANS DAY Nov. 11

## Border Banter

By Mike Pomper

### It's a real horse race!

I am really enjoying this year's Area Merchants Football Contest.

It's a real kick to see how close the race is for the grand champion prize.

In the nine years I've been running the contest, by the time it reaches the 9-week mark, as it did last week, a few participants have pulled out in front of the pack.

Not this year. "The pack" is basically in the lead. I estimate that more than 50 entrants have a realistic chance of still winning the contest this year. That's fantastic.

We're having our usual good turnout. With three weeks to go, about 540 persons have entered the contest. Since you have to be at least 12 years old to participate, that's a goodly portion of our community.

While the number of overall participants has stayed relatively constant over past years, what's different this year is the number of entrants who haven't missed a week.

We're getting close to 400 participants every week - and that's much higher than usual. I think the reason is because so many folks still have a chance at winning the Cowboys' package.

In a year when the Dallas Cowboys are reigning Super Bowl champions, and every one of their home games is sold out, it's great that the Tribune - and the contest sponsors - are able to offer a package including 2 tickets to the Cowboys - Redskins game, hotel lodging for 2 at the Radisson Hotel, \$50 cash, and other amenities of the trip.

I know that newspapers like Lubbock, Amarillo, etc., can offer more to their football contest winners than we do. But for a small weekly paper like we are, I take pride in what we do offer. I'll put it up against other small weeklies anywhere!

Each year, when I write a column before the start of the annual 12-week football contest, I always point out that you don't need any "11's" or "12's" to win the grand prize. You simply need to average just over "8" each week to be in the running.

Well, this year, if you were averaging over "8" so far, you would be in the lead alone! After 9 weeks, "72" is leading the contest - that divides out to be exactly "8" per week.

And we have 5 folks tied for that mark - Brett Curtis, Kathy Curtis and Betty Kelley, all of Farwell; Don Gartin, of Lariat, and Tonya Gartin, of Lazbuddie.

But they better not get too comfortable about being on top - five more entrants are at 71, one slim point behind.

And there's another 5 contestants at 70, just 2 points in arrears.

It seems like each week since the start of the leader board after Week 3, that there's been a new leader. For awhile Mike Camp was on tap, then Eric Delgado, then Larry Gregory. Although they no longer in first, they still have a good chance to take it all.

Personally speaking, I like it when the lead changes

Ground breaking on the addition to St. John Lutheran Church took place during the morning worship service on Aug. 22. Pictured are: Rev. Greenthaner, shoveling, and church members (from left) Shawn Haseloff, Ernest Ramm, Richard Haseloff, Ray Haseloff, Ruth Owen, and Carla Kaltwasser.

## St. John's Church expanding its facilities

by Judy Pomper

Members of the St. John Lutheran Church congregation in Lariat are using a combination of old-fashioned hard work and modern ingenuity to expand their facilities.

With luck and a lot of hard work the spacious addition which will serve the whole community, and is expected to cost little more than an ordinary new home.

Ground-breaking took place during the Aug. 22 worship service. Rev. E. Richard Greenthaner used the traditional shovel to break the ground. Then members of the congregation, led by Wilburt Kalbas, used an old fashioned plow to loosen the soil in the area where the foundation would later be poured.

The building committee hoped to show that the job could be done if all the members of the congregation pulled together and expended some old fashion hard work.

"This is kind of a team thing with the whole congregation - both the old and the young working together," said Rev. Greenthaner.

Steve Meeks was chosen as the local contractor. He will use trained professionals to do the skilled labor, and as many untrained volunteers as possible to complete the job in the most cost effective manner.

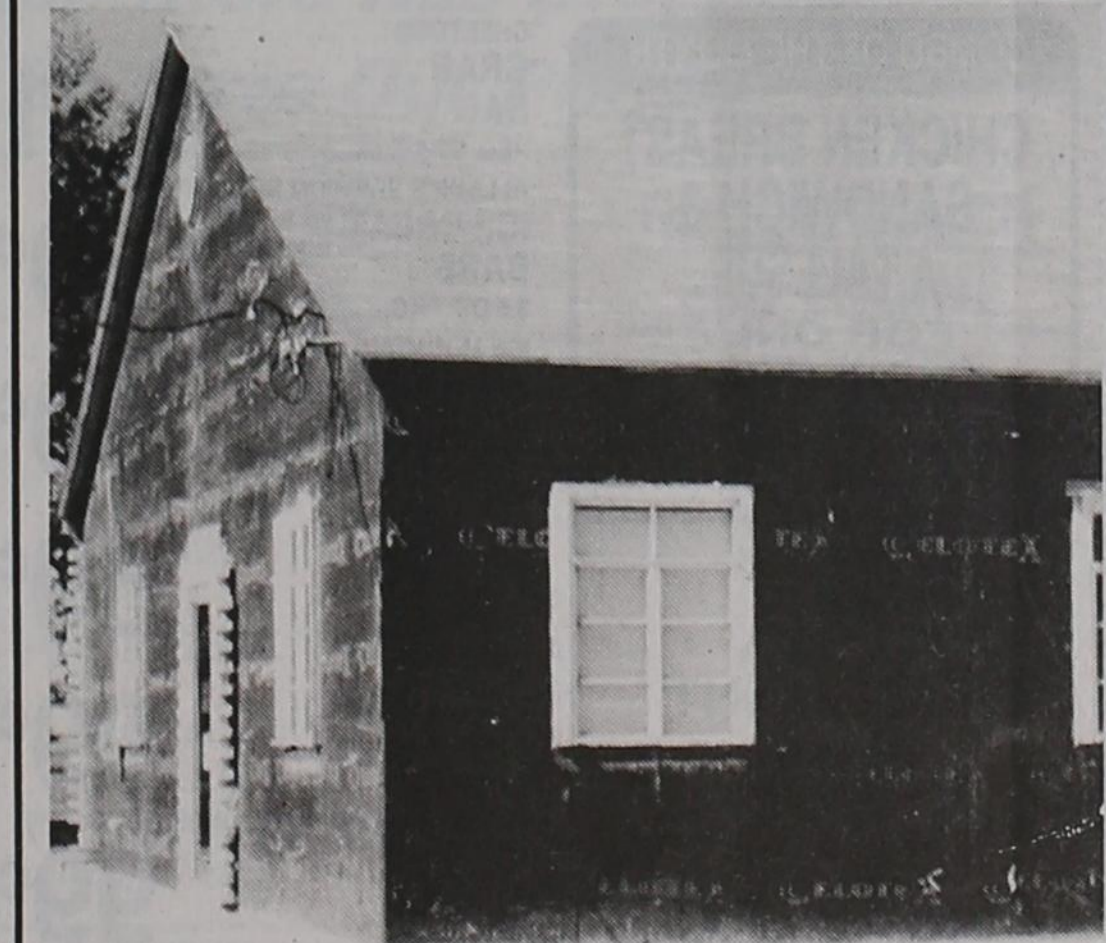

For instance, the congregation has already removed brick from the portion of the building where the addition will join the present building. They laboriously took down each brick and removed the mortar that held them together. They also ripped out a sidewalk and four trees before professionals poured the foundation.

"We did a lot of 'sweat equity,'" Greenthaner quipped. The project will expand the Sunday school classrooms, add an office for the pastor, enlarge the braille printing room, double the size of the church kitchen, add handicapped bathrooms, improve the furnace, add a lighted basketball court, and eventually, enlarge the size of the church itself.

The project will be done in two phases. The first phase, which has already been started, will enlarge the total size of the building, and the second phase will change the way the space is used within the structure. For instance, members of the congregation will be asked to help gut the current kitchen and remove a wall so that the room will be about double its current size. Volunteers will remove cabinets and counters. They will also be asked to help with cleaning, painting, and moving furniture.

Rev. Greenthaner estimates that the building project will cost about \$125,000 - \$140,000. The more that the members of the congregation are able to do for themselves, the less it will cost in the long run. The crux of the problem for the project's contractor is knowing when to call in professional help, which professionals to contact for which parts of the job, and when to rely on enthusiastic, but

## Williams wins 9th grid tilt

Of the hundreds of participants in last week's Area Merchants Football Contest, only one entrant managed to get 11 answers right - Ryan Williams.

Ryan, son of Mr. and Mrs. Mark Williams of Farwell, is a freshman at Texas Tech University in Lubbock. Each Friday, he and another Tech freshman, Eric Chadwick, call in their picks to the Tribune.

For his super feat, Ryan receives the first place cash prize of \$10.

Three participants got 10 answers right. By virtue of being closest to the tie breaker - Fort Sumner 14, Texico 7 - the second place cash prize of \$5 went to Melissa Davis. She was 8 off the tie breaker.

Others with 10 right, and their totals off the tie breaker, were Cindy Castleberry, 21, and Kevin Thompson, 23.

With 9 right were:

Charles Aycock, Lewis Cocper, Paul Crosnoe, Shawn Haseloff, Hal Helton, Modean McMillan, Thomas Reed, Albert Smith, Carolla Smith and Alan Warren.

Results of the 9th week were: Lazbuddie over Silverton, Dimmitt over Friona, Kress over Bovina, Olton over Morton, Nebraska over Colorado, Ohio State over Penn State, Wisconsin over Michigan, Texas Tech over Texas, Indianapolis over New England, Green Bay over Chicago, NY Jets over NY Giants, and Miami over Kansas City.

Due to several surprise victors (such as Texas Tech, NY Jets, Wisconsin and Miami), there has been a big shake-up at the top of the leader board, as the contest hit the two-thirds mark. The overall winner gets the Dallas Cowboys package - tickets, cash, hotel lodging, etc.

It seems there has been a new leader atop the leader board almost every week for the past half dozen. And this year is really exciting because there's a large number of entrants who still have a legitimate chance at winning the Cowboy tickets - with three weeks to go.

Five entrants are tied for the overall lead, including a mother - son combination and a county man and his daughter-in-law! Here's a look at the leader board:

72 points - Brett Curtis, Kathy Curtis, Don Gartin, Tonya Gartin, Betty Kelley.

71 - Jerry Cochran, Tasha Cochran, Eric Delgado, Larry Gregory, Doug Hill.

70 - Mike Camp, Harold Carpenter, Sammy Herrera, Greg Taylor, Courtney Carthal.

69 - Avis Carpenter, Richard Carpenter, Darla Cochran, Rebecca Delgado, Evelyn Goldsmith, Rick Lewis.

68 - Pam Carpenter, Rick Castaneda, Lance Castleberry, Gary Foster, Robert Lucio, Donnie McDonald, Corby White, Carl Dean Goettsch, Gay Goettsch, Gerald Hardage, Dardanella Helton, Lynne Roberts, Joyce Sikes and Rick Stanley.

Texico Tech freshman Ryan Williams won last week's football contest. Accepting on his behalf from Bob Anderson, of Security State Bank, was Ryan's mother, Joyce Williams. Security State Bank is one of the contest sponsors.

## Amendments voted on

Twenty-one percent (797) of the 3,860 eligible Parmer County voters turned out for Tuesday's election. This was a heavier turnout than expected.

"The state only estimated about a 10 percent turnout,"

## Winning ticket sold here

There was one winner in the Texas lottery drawing Oct. 27 for \$3.8 million.

The winning ticket was sold at Hughes True Value in Farwell to Marvin Foster, 56, of Portales. Foster said that he owned the ticket with his son Mark.

Joe Hughes said the ticket was sold the night of Oct. 26 at the drive-in building he put up next to his hardware store. Andrea Chadwick, the clerk who sold the winning ticket, called Foster a regular customer. She calls him "the \$27 man" because he always buys \$27 worth of tickets.

Hughes was called Thursday by lottery officials informing him of the win. Foster will receive a check for \$190,000 each year for the next 20 years.

Because the winning ticket was sold at Hughes True Value, the store gets 1 percent commission, or about \$38,000.

## Kretsinger to leave

Dr. Frank Kretsinger will be moving to San Antonio in mid-December.

Dr. Kretsinger has practiced at the Farwell Clinic for the past few years. He and his family have lived in Muleshoe.

He said the move will allow him to spend more time with his family.

The Farwell Hospital District is finalizing arrangements for another doctor, from Morton, Texas, to move to Farwell and take over Dr. Kretsinger's practice.

The new physician is expected to begin her practice here Dec. 1. This will allow both doctors to work together for two weeks.

## Crime Stoppers in business

The new Parmer County Crime Stoppers now has a toll free number for folks to call - 1 (800) 774-8477.

Parmer County Chief Deputy Don Hatley, who is in charge of the program, said rewards can vary from \$50 to \$5,000. Folks calling are given a number so they can remain anonymous.

Posters have been ordered and will be placed around the county. Also, the new program has been incorporated and has a tax number.

often. It means I'm making the contest rugged enough to allow folks who are lagging behind to catch up.

Some newspapers offer such easy contests that it's very difficult for someone several points behind to pull up to the front-runners. That certainly hasn't been the case with us this year. It's been musical chairs at the top spot.

Regardless of who eventually is the overall winner, I appreciate all the folks for participating. And I hope they enjoy the thrill of the chase as it gets down to the nitty gritty.

Good luck to all!

Rumor of the Week: Wal Mart is looking to build a bigger store somewhere in Clovis and close its mall store.

**Amendments**

said Parmer County Clerk Bonnie Warren. Normally elections which feature constitutional amendments and bond issues get much lower voter participation than general elections.

Oct. 28 was a warm fall day, but the weather turned very cold on Oct. 29. The Twin Cities had a few flakes of snow and some mighty gusty wind. The temperature dropped about 50 degrees in 24 hours.

That's the bad news. The good news is neither boys' team is ranked in the top 10.

### Mahaney wins

Members of Alpha Rho Lambda Chapter of Beta Sigma Phi wore Halloween masks when they met at the home of Mr. and Mrs. Jack Allen Kirkland on the evening of Oct. 28. Lynne Mahaney won a mask competition with the little ghost glasses that she made.

Plans were made for a social Nov. 13 with members and their spouses. A trip to Lubbock Dec. 4 was discussed.

The proposed "Christmas On Parade" home tour was postponed. There isn't enough time to do the research necessary to do a good job on a new project this year.

Following the meeting members enjoyed snacks of fruits and vegetables, chips and dips, cherry cheesecake, and Halloween cookies served by Michele Kirkland.

### Longhorn of the Week

Chris Cozbey, playing at noseguard on defense for the first time when Coach Scisson changed up his defense, earned Longhorn of the Week honors for his play against Silverton.

## Longhorns destroy Silverton, 53-8

The Lazbuddie Longhorns took a giant step toward making the state playoffs when they destroyed Silverton, 53-8 last Friday, at home.

Here's how the playoff picture looks with the final district games being played tonight (Friday):

Amherst is in 1st place with a 4-0 district mark. Lazbuddie and Silverton are both 3-1 in district. But tonight, Lazbuddie takes on a weak Cotton Center team while Amherst and Silverton face off. A Lazbuddie win and a Silverton loss puts the Longhorns into the state playoffs automatically. If Silverton upsts Amherst, there's a 3-way tie for first and a coin flip is used.

The win over Silverton put Lazbuddie's overall mark at 7-2. This is the last season for Lazbuddie to be in 6-Man football, as they move to 11-man next season.

Against Silverton, the Longhorns spotted their opponent an 8-0 lead before pouring it on. Silverton scored on a safety and a 10-yard run to open their margin. But Lazbuddie scored on a 5-yard TD run by Jon Colby Miller to put six points on the board (the kick was blocked). So it was 8-6 in Silverton's favor at the end of the first quarter.

The second quarter was all Lazbuddie. First, Jonas Hernandez scored from the 3 as Lazbuddie took over the lead, 12-8. Jody Copp hauled in an 11-yard TD pass from Brett Thomas. The kick was blocked again but Lazbuddie was now ahead 18-8.

Hernandez then scored on a 42-yard pass play from Thomas. The kick was blocked again and it was 24-8. Shannon Bomer made a strong defensive play as he scored from the Silverton 29 on a blocked punt. The Elliott kick made it 32-8. And just before halftime Lazbuddie grabbed 2 more points on a safety to take a 34-8 lead into the locker room.

The Longhorn attack continued in the third quarter. Miller scored on a 43-yard run and Copp tallied again, this time on a 17-yard pass from Troy McBroom.

The final score came in the final period as Miller tallied on

a 20-yard run. The extra point came on a pass from Elliott to Chris Cozbey.

Miller ended up with 17 rushes for 227 yards and 3 TDs. Thomas was 9 of 12 for 124 yards through the air, and 2 TDs.

Team statistics were: first downs - Lazbuddie 16, Silverton 5; rushing - Lazbuddie, 263 yards, Silverton 174; passing - Lazbuddie 9 of 12 for 158 yards, Silverton 3 of 7 for 5 yards; penalties - Lazbuddie 1 for 5 yards, Silverton 0 for 0.

Individual statistics were:

Rushing - Hernandez, 5 for 58 yards; Copp, 1 for 3; Miller, 17 for 227; passing - Thomas 9 of 12 for 158 yards; pass receiving - Hernandez, 2 for 76 yards; McBroom, 2 for 48; Copp, 2 for 28; Miller, 1 for 5; Dee Martinez, 1 for 1.

On defense, Shannon Bomer blocked a kick and returned it 29 yards for a TD, and Miller recovered a fumble. Tacklers were: Bomer, 3 unassisted and 5 assisted; Hernandez, 2 unassisted and 12 assisted; McBroom, 3 unassisted and 12 assisted; Chris Cozbey, 3 unassisted and 5 assisted; Miller, 4 unassisted and 12 assisted; Martinez, 3 unassisted and 7 assisted; Elliott, 3 assisted; Wade Angeley, 2 assisted; and Josh Warren, 1 assisted.

### Housing plans move ahead

Gene Copeland of Calhoun Property Management of Mansfield, La, the company which plans to develop land south of Farwell for retirement housing, said Oct. 29 that his company is still awaiting information on funding for the project.

He noted that although the project is "moving at a

snail's pace, everything is still favorable at this point." He plans to come out here soon to see how the paperwork is coming along.

When the project began the Tribune was told that it would probably take 4-6 months to get approval from the Farmer's Home Administration.

Interest rates are the lowest since 1970. Our improvement loan rate is currently 6.95% fixed for 10 years. A \$35,000 center pivot financed for 15 yards will have an annual payment of \$3,830 for the first 10 years. A 10 year loan would cost \$4,971 per year. You can't hire a hand to move pipe this cheap. # Fort Sumner nips Texico

by Travis Arthofer

The district championship was on the line as the Wolverines met the Fort Sumner Foxes on a cold and bitter night at Texico last Friday. The Foxes prevailed, 14-7.

The Wolverines, 4-5 overall and 3-1 in district, now advance to the state semi-finals against Loving, 5-4, at 7 p.m. mst at Loving Saturday.

Fort Sumner's opening kickoff might have been an omen of how the outcome would happen as the special team of the Foxes recovered it. It really didn't matter though as the Wolverines and Foxes had a defensive stand-off in the first half, as both teams went into halftime tied 0-0.

However, if it hadn't been for a holding penalty, Johnny Salinas would have had a 62-yard TD run near the end of the first half.

Leroy Salinas and Sky Byrum were defensive standouts. Leroy had numerous tackles for losses, and Byrum made an interception of Foxes' quarterback Ben Segura.

Midway through the third quarter, however, Fort Sumner broke the game open with a 5-play, 27-yard drive after a Wolverine fumble. They scored on a 2-yard plunge.

After the Foxes scored again in the final period to increase their lead to 14-0. Johnny Salinas scored a TD on a 5-yard

scamper. Unfortunately, there were only 19 seconds left to play in the same when he scored.

A big factor in the game could have been Texico's four turnovers to Fort Sumner's two.

Team statistics were: first downs - Texico 7, Fort Sumner 9; rushing - Texico 123 yards, Fort Sumner 132; passing - Texico 45, Fort Sumner 129; punting - Texico 5 for 32.2 yard average; Fort Sumner, 2 for 50.5 yard average; penalties - Texico 7 for 70 yards, Fort Sumner, 5 for 55.

Individual statistics were: rushing - Joel Barba, 12 for 55 yards; Hadley Gilbert, 7 for 30; Sky Byrum, 12 for 16; Johnny Salinas, 3 for 13; passing - Barba 1 for 4; Byrum 1 for 1. Receiving - Salinas 1 for 35 yards, Bobby Winegeart, 1 for 10.

## Wolverines of the Week

Coach Partain named Johnny Salinas, left, as Offensive Player of the Week, and Sky Byrum as Defensive Player of the Week.

## Lady Spikers face Logan in regionals

The Texico Lady Spikers will face Logan in the Regional Playoffs at Dora at 3 p.m. mdt Saturday. Texico qualified for regionals by being the district runnerup.

The winner of the Texico-Logan match will play the winner of the Dora-Grady Game at 7 p.m. mdt. Both the first and second place teams in the regional playoffs will go to state.

Dora beat Texico 9-15, 15-12, 12-15, 7-15 in the District finals on Oct. 30.

Scoring for Texico were: Dara Jenkins, 1 ace, 13 kills, 4 saves; Carol Servatius, 6 aces, 5 saves; Kelley Cooper, 1 ace, 4 kills, 2 saves, 5 blocks; Alison LaFrenz, 1 ace, 17 kills, 6 saves, 3 blocks; Chesna Campbell, 5 aces, 7 saves, 2 blocks; Misty Barnes, 6 kills, 1 save, 3 blocks; Jodi Chadwick, 3 aces, 1 save.

Texico Lady Spikers' Coach Michael Littlejohn called Jessica Russell off the bench to score the winning points of the District semi-final volleyball game against Tatum at Texico on Oct. 28.

By winning the match, Texico won the right to face Dora for the volleyball championship Saturday night.

Texico was ahead of Tatum 13-8 at the end of game 4, and they had won two of the other three games in the match 15-7, 15-11, 13-15. If the Lady Spikers had lost the game, they would have had the chance to play another to decide the match.

The Lady Spikers got off to a quick start in game one. Dara Jenkins scored 6 points, and Alison LaFrenz scored 5 points. Kelley Cooper, Chesna Campbell and Jodi Chadwick also contributed points. The Lady Spikers kept the Coyotes corralled.

In game 2, the Lady Spikers ran up an 11-1 lead before Tatum came back with 7 points. Tatum tried keep its momentum rolling, but they were outscored. Scoring in game 2 were: Jenkins, 2; Cooper, 5; Campbell, 6; Alison LaFrenz, 3.

Tatum squeaked past the Lady Spikers 15-13 in game 3. The Lady Spikers hit a cold streak at the start of the game, and Tatum ran up 5 points in a hurry. Tatum later added several more. The Lady Spikers played good defensive ball during this game. Cooper had a kill and a stuff block that really changed the flow of the game. LaFrenz made a terrific save.

Scoring for Texico were: Jenkins, 2; Cooper, 3; Campbell, 2; LaFrenz, 2; Chadwick, 4; Misty Barnes, 2.

Jenkins opened game 4 of the match with 3 quick points. Scoring by Carol Servatius and Cooper brought the Lady Spikers to a comfortable 9-2 lead. Misty Barnes contributed two great saves, but Tatum pulled up to a 9-8 score. Chadwick aced a serve and LaFrenz added 3 points to the score when Tatum got the ball back. When they failed to capitalize on their position, Littlejohn called up Russell who served one right inside the line. That gave her enough confidence to make the game point.

Scoring were: Jenkins, 3; Cooper, 4; LaFrenz, 3; Chadwick, 1; Carol Servatius, 2 and Jessica Russell 2.

## Espinoza scores for Texico

Texico Junior High lost 12-6 in its last game. Mark Espinoza scored Texico's TD. "He's scored al-

**Lucille Franse has poem published in anthology**

Farwell English teacher Lucille Franse, has had an original poem, "Embers of Eden" published in "The National Library of Poetry - A Break in the Clouds," an anthology of modern American poetry.

Below is a copy of the poem published with Mrs. Franse's permission.

*Embers of Eden*

Did he go east, or was it west of Eden here today?  
I've lost my innocence because he said he knew the way.  
A newborn was I, but I knew the rib from which I came,  
So trusted his word and now, I'll never be the same.  
I thought his love was perfect then, my love would make it so,  
But when the innocence was lost I saw perfection go.  
Now Adam is not here with me in Eden, I'm alone,  
No longer innocent, but lost, and where had Adam gone?

The Farwell Community Center will also have a series of informative programs and music all day long. There will be demonstrations of candy making, sewing, and holiday gift ideas among other things.

There will be displays of antique cars, tractors, model tractors, the Lions Club display, and "many other different and really nice things," according to Mrs. Gustin.

They will also have a formal dedication when the whole project is complete.

# Hart blanks Farwell

The wind chill must have been below zero last Friday at Hart as the Longhorns, one of the top-ranked teams in Texas, beat the Farwell Steers, 42-0.

Farwell is now 1-3 in district and 1-8 overall. The Steers end the season with a home game against Kress tonight (Friday) at 7:30 p.m.

The Steer attack against Hart was hurt because top running back Brent Harrison was sidelined due to a broken leg. And, once again, the Steers used a lot of junior varsity players.

Farwell chose to kick off and Hart started at its own 30. Farwell used a 6-man defensive front much of the game in an attempt to stop the Hart running attack.

On defense, Derrick Haseloff and Reace Bennett had good tackles. But Hart ran a reverse successfully to get to the Steer 3. Hart scored from the 1 at 5:42. The kick made it 7-0.

Brock Anderson returned the kickoff to the Steer 23. Farwell was held and punted to the Steer 43. Hart ran around end for 42 yards, then scored from the 1 at 3:33. The kick failed and it was 13-0.

Farwell was held and its punt blocked, Hart taking over at the Steer 23. Hart scored on a 12-yard QB keeper as the first quarter ended. The run for extra points made it 21-0.

Blaze Hardage returned the kick to the Steer 20. Farwell was held and its punt attempt blocked again, with Hart recovering at the Steer 4. Hart scored from there, taking a 28-0 lead.

Jon Sullivan had a good punt return to the Steer 40. Farwell was held and punted, but the punt receiver fumbled the ball at midfield, with Jeremy Ortiz on the recovery. Farwell was held and punted to the Hart 13. Bennett recovered a fumble at the Hart 18. On fourth down, QB Jason Taylor was sacked when Farwell went for it.

On defense, Bennett had a good tackle. Then Farwell recovered a fumble near midfield. A person foul against Hart gave Farwell its 1st first down on the game. But two penalties then went against Farwell, giving Hart the ball as the half ended.

Farwell kicked off to open the third quarter. Preston Ketcherside made a TD-saving tackle at midfield on the kick returner. Justin Mahaney, Brock Anderson and Haseloff had good tackles. On 4th and 1, Hart went for it but failed, keyed by a Sullivan tackle.

Farwell was held and punted, with Steven Miller making the tackle. Hart hit on an 80-yard TD pass at 6:45, making the score 35-0.

On offense, Farwell had a 4th and 1 at its 29 and went for it - making it on a QB sneak. But Farwell fumbled at its 31, and Hart took it in at 4:13 for its final TD, making the score 42-0.

Farwell started at its 46. Anderson, now in at quarterback, gained 8 for a first down. Farwell went for it on 4th and 7 at the Hart 41 but failed as the third quarter ended.

On defense, Anderson broke up a pass and Miller had a good tackle. Hart missed on a 34-yard field goal try. On Farwell's last offensive series, Haseloff gained 14, Anderson ran for 8 and Miller broke loose for 10.

Individual statistics were: rushing - Haseloff, 30 yards; Anderson, 22; Miller, 9. Passing - Jason Taylor hit 1 of 4 passes for 2 yards.

Comments from Coach Stan Stroebel: "We got beat by a good football team. I don't think we played the game I think we are capable of playing. I can't put any excuse on the weather - we just got beat." Strobel.

## Fruit sale under way

The annual Farwell FFA fruit sale is under way, announced FFA adviser Richard Montgomery.

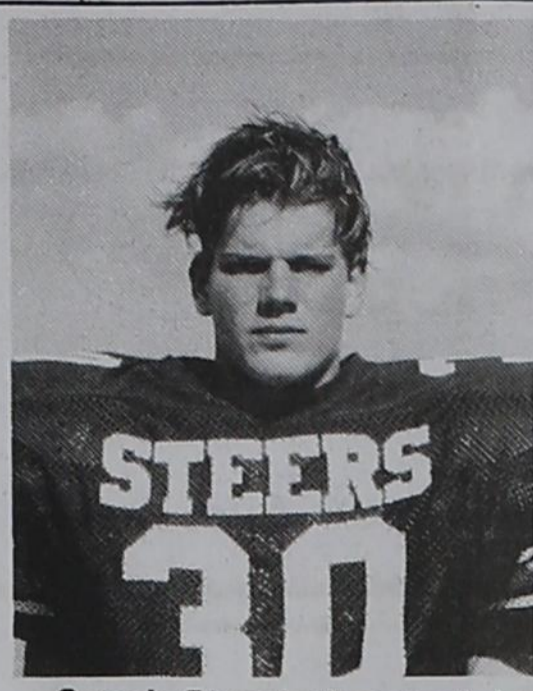

Being sold are: red delicious apples, Texas navel oranges, smoked turkeys, grapefruit, pineapples and sausage (hams and turkeys are available for Thanksgiving).

All fruits are available in 20-lb. boxes. Also, the FFA can divide orders into halves or thirds if requested.

To order, contact any Far-

well FFA member or call Montgomery at 481-3676 or 481-3351.

Coach Stroebel named Jon Sullivan as his Defensive Player of the Game.

## Hospital District buys land

The Farwell Hospital District has purchased a couple of acres just east of the Farwell Church of Christ. No decision has been made yet on how to use it although one idea is for assisted elderly units - where senior citizens can live on their own but get daily care from the Convalescent Center.

Also, Jerry Ellison is putting together a bid for building three more senior citizen apartments at Heritage Square Garden Homes. Six units are now occupied. Original plans called for 12 units to be built in all.

## Approaching marriage

Dale and Rick Sikes announce the approaching marriage of their mother, Joyce Sikes, to Art Smith, father of Twila Gorley, Yvonne Richards and Karen Smith.
