

## GRAND CHAMPION WINNERS IN FIRST ANNUAL DAIRY SHOWING

THE GRAND CHAMPION and sweepstakes winner of the First Paramer County Dairy Show, La Chasse Oxford, exhibited by Tom Foster, Farwell.

GRAND CHAMPION JERSEY COW—Betty's Golden Buttercup, exhibited by Tom Foster.

GRAND CHAMPION SHORTHORN BULL—Navarro's Pride, exhibited by G. T. Watkins & Son, Farwell.

GRAND CHAMPION SHORTHORN COW—Choice Phyllis, exhibited by Levi Johnson, Farwell.

### Even Dogs Read the Want Ads

J. D. Thomas is authority for the declaration that even dogs read the want ads appearing in The Tribune.

And as proof of that statement, J. D. reported that he advertised for a lost dog last week. The dog, in some mysterious manner, had drifted a few miles in the country. But he saw the ad, nevertheless, and came trotting in home in company with a Pigg.

### Mechanic Advises Not To Overload Pick-ups

"If people don't stop overloading their pick-ups and trucks, they are going to be without transportation for the duration," Ollie Williams of Ollie's Garage declared one day last week as he surveyed the scattered parts of a pick-up that had been brought in for repair in the differ-

ential. Pointing to the gnawed gears of the disabled vehicle, Williams said, "We have been unable to get new parts in Clovis, Amarillo or Lubbock," and added that he doubted if the supplies could be obtained anywhere.

Discussing the ailment of the machine before him, he said that the pick-up had been overloaded, and strongly advised every pick-up and truck owner to guard against this common practice.

"People had better take care of their machines, for if they don't they are going to be without transportation and there is nothing the repair men can do about it," Williams concluded.

### TEXICO SCHOOL OPENS

Registration was conducted at the Texico school the past Friday, with the 1943-44 term actually getting underway the first of the week. Enrollment figures were not available the first of the week.

# Third Bond Drive Opens September 9

## Farwell School Pupils Register Friday

## Dairy Show Success; Winners Announced

The first annual Paramer County Dairy Show, held last Saturday at Bovina, was an outstanding success from every angle, officials declared, and bids fair to be the beginning of a movement in this county that will build up interest in the production of dairy cattle.

A total of 74 animals were entered in the show, all entries being confined to Jersey and Milking Shorthorn stock. Judging was done by Ray Mowrey of the Animal Husbandry Department of Texas Tech at Lubbock.

Mr. Mowrey explained in detail the placings as he made the selections, and following the show said, "The cattle in your show were of very high quality and would give good account of themselves in the larger shows."

### Agent Praises Show

Carlton Harper, county agent, in speaking of the show, had this comment: "I believe this show has been the most satisfactory piece of work of its kind ever presented in Paramer County. . . . I have never seen more interest than has been shown by the dairy breeders. . . . Paramer County is headed for a place in the sun in the dairy business."

### Exhibitors Pleased

A note of enthusiasm was also sounded by the men who exhibited stock in the show. Levi Johnson, Shorthorn breeder, remarked, "I am well pleased with the show. Let's start making plans for next year's show now and come back with even better cattle."

L. M. Grissom, Jersey breeder, had this to say "I am well pleased with the type of cattle and number we had in the show. Some of these young animals will really make a showing in future exhibits."

And Sterling Donaldson, Jersey breeder and president of the show, added this observation: "I believe our show was a huge success. I am ready to make plans for a better show next year."

### Divisions Made in Entries

Three divisions were set up in the main show for entries, Jersey, Shorthorn, and boys 4-H club Jerseys, while as an extra attraction a class was open to 4-H club girls to exhibit their animals.

In the Jersey division, Sterling Donaldson exhibited the junior female champion, Fawnett Foxey. The senior champion female went to Tom Foster's Betty's Golden Buttercup, and the grand champion of breed to Foster's Buttercup.

Donald Watkins had the junior champion Shorthorn female, Elwood Geneva Rose 20th. Choice Phyllis, owned by Levi Johnson, took both the senior champion and grand champion female Shorthorn awards.

La Chasse Oxford, exhibited by Tom Foster, was the sweepstakes winner of the show.

A dairy production demonstration was presented by Leon Grissom and Wendol Christian of the Oklahoma

(Continued on Back Page)

## Sees No Object in Postponing School

"I would suggest that school officials proceed with their plans to open school according to their original arrangements," Dr. Geo. W. Cox, state health officer, advised local officials early this week in a long distance telephone conversation from his office in Austin.

Dr. Cox's statement was made to County Judge Lee Thompson and County Health Officer J. M. McCuan of this city, who had contacted him with reference to the infantile paralysis scare, which has been responsible for the postponement of opening schools in many places in Texas, including some in Paramer county.

The State Health Officer emphasized the importance of school officials being certain that the drinking water was free from contamination, and that other sanitary conditions were given the proper attention. He stressed importance of sanitary toilets and public cafeterias, and said that they should be carefully watched.

## Drys Win In Clovis

As a climax to the bitterest election ever staged in Clovis, the wets were given a thorough drubbing in Tuesday's special voting, when the dry element emerged victorious by the heavy margin of 599 votes.

The total vote was: For the sale of legalized liquor, 1185; Against the sale of legalized liquor, 1784.

Out of a total of 12 voting boxes in the city, the drys carried ten of that number by safe margins, while the wets had a majority in only two boxes. Voters in boxes 9b (Armory) and 9c (Kraus office) rolled up majorities for the wet issue, with all the rest of the boxes in the city going to the drys.

Unofficial tabulations, announced by election officials, gave the following results:

Voting Box	Wet	Dry
Library, 1a	125	195
Courthouse, 1b	111	191
City Hall, 1c	78	162
E. Side School, 1d	102	212
Key Grocery, 1e	69	189
Brown Plumbing, 1f	73	156
La Casita, 1g	59	201
Junior High, 1h	160	267
W. Machinery, 9a	67	106
Armory, 9b	199	59
Kraus Office, 9c	142	46
Totals	1185	1784

## Drilling Resumes On Jarrell Test

Drilling operations were resumed on the Jarrell No. 1 oil test northwest of Bovina the latter part of last week, after a delay of more than a week due to engine trouble.

Drillers on the location stated Sunday afternoon that the hole was at that time down to 4,250 and good progress was being made. The bit was in salt water and lime at that time, and a careful check was being kept of the log of the well with specimens being taken at every 50 feet.

The wildcat is being sunk on land belonging to J. A. Jarrell, 7 miles northwest of Bovina, on a lease block of the Stanolind Oil & Gas Company. Drilling is being done by the Big West Drilling company and a large diesel-electric rig is being used.

## Small Lad Loses Eye In Accident

Orville Grady, 3-year-old son of Mr. and Mrs. E. H. Freeman of this city, was taken to Amarillo last Friday, where his right eye was removed.

While playing with a pocket knife on Friday morning the little fellow lashed his eyeball competently open, necessitating an immediate operation. The accident happened while the family was visiting at House, N. M.

The Freemans live with their parents a block south of the Security State Bank. Both the father and mother have been working at the Clovis air base.

### HARDWARE TO OPEN

David Harrison, who resigned his position as cashier of the Security State Bank, effective Sept. 1, today announced he planned to be ready for business in his new hardware store about the latter part of next week.

Harrison said that some of the stock was scheduled to arrive here today (Wednesday) and that other shipments would follow soon. He will occupy the Albert Thomas building in Texico, and said that he would begin to display his new stock as it arrived.

Vacation is over, and registration of Farwell high school students will begin at the local institution on Friday of this week, September 3, Supt. J. T. Carter said today.

The registration schedule is as follows:

Seniors—9 to 10:30.  
Juniors—10:30 to 12.  
Sophomores and freshmen—1 to 3 o'clock.

Grade school students will not register until Monday, September 6, the superintendent stated definitely, asking that grade pupils do not come to the building on Friday.

On Monday, all groups will assemble at the school, the opening hour set at 9 o'clock. Grade pupils will register at that time, and high school students will be issued books and work out schedules. Dismissal will be made at noon.

Classes will begin in earnest at 9 o'clock Tuesday morning. The lunch hour is set from 12 to 1 o'clock and school will be concluded at 4 in the afternoon.

The school cafeteria, sponsored by the Parent-Teacher Association, will serve its first meal at noon on Tuesday, with Mrs. Jim Hughes in charge.

The lunch room has been one of the most popular additions to the school, having functioned successfully for several terms, and it is believed that it will receive even more patronage this year.

### More Typewriters Needed

Supt. Carter said that typewriters were still needed by the commercial department, in order to accommodate all students wishing the course and asked that any persons having idle machines loan them to the school during the term.

"They will be well taken care of, and returned to their owners in good condition," he emphasized.

In further discussing the opening of the 1943-44 term, the school head urged that parents understand the importance of children doing a major part of their studying at home during the evening hours, pointing out that those who attempt to do all their work at the school are apt to lag behind in classes.

Likewise, Carter went on, "We are asking that parents discourage their children in taking on too many outside jobs during the school term. We know that there are shortages of labor in almost every field, but we do not feel that it is to the advantage of the student to so load him with outside work that he cannot properly take in all he is being offered in the educational line."

## 2 Local Boys Home From North Africa

Two Texico-Farwell soldier lads, who have seen action in the North African campaign, arrived here the first of last week for a 30-day furlough with home folks.

S-Sgt. Carl Jones, son of W. H. Jones, who formerly lived here and Pfc. Pedro Cervantez, son of Mr. and Mrs. Avelino Cervantez, were among the fortunate ones to get back to the States as guards on a bpat bringing in German prisoners.

They docked on the east coast and turned them over to Mounted Police, who took them to internment camps.

Cervantez said he had been in "pretty hot places" during the African campaign. He added that Carl Bullok, another local boy in his outfit, was not fortunate in being selected for guard duty on the trip back home.

Cervantez is in a tank destroyer battalion and when asked to elaborate on what he meant by "pretty hot places", he merely shook his head and smiled. He did reveal that on two successive days their convoy was attacked from the air shortly after leaving Gibraltar on the way to England. "But the lead from our gunners kept them too high to hit us," he said.

He added that they left Africa with Italian prisoners, but left them in England and picked up Germans there. "The prisoners gave us so trouble on the way over and all of them seemed to be just as glad to land in the States as we were," he said.

Four hundred women have been employed during the last year by the Chicago park district to replace 568 regular park employees now in the armed services.

"A fifty dollar bond for every man, woman and child in Paramer County will be required to meet our quota for September."

Thus spoke G. D. Anderson, chairman of the War Bond Committee, in an interview today as he discussed plans for raising Paramer County's quota of \$316,500 in the Third War Bond drive, starting on Sept. 9 and continuing through the remainder of the month.

### Names Woman Chairman

Chairman Anderson said that Mrs. Pearl Kinsley, prominent club woman and civic leader of Friona, has consented to act as chairman of the woman's division. She, in turn, will name other women of the county to assist in the drive.

Other workers announced by Chairman Anderson include W. E. Williams of Bovina; Bill Sherley, Lazbuddy and H. Y. Overstreet of Farwell.

Anderson explained that the sale of series E and F bonds made any time during the month of September, would apply on the quota. But the sale of other securities must be made after the drive officially opens on September 9 if they are to be counted in the \$316,500 quota.

### A Hard Task—But Possible

Anderson admitted that the undertaking was to be a hard one. "It is by far the biggest financial undertaking we have ever faced in Paramer County—and one which will require real sacrifices on the part of many of our people," he observed, adding that the men of large means are "going to have to get under the burden this time". He said that purchases of fifty and one hundred dollar bonds "will not get the job done alone—we have got to have a number of thousand dollar buyers".

He cited poor crop conditions in Paramer County and payment of income tax on September 15 as some of the major difficulties to be faced in meeting the quota. "We can do it," he concluded, "but not with the usual complacency of the past."

## Farwell Captain Is Cited For Action In Five Combat Missions

ELLINGTON FIELD, TEX.—Thirteen Ellington Field trained pilots, bombardiers and navigators assigned to the Eighth Bomber command in England have been cited in recognition of five bomber combat missions over enemy-occupied Europe or the destruction of an enemy aircraft, according to a War Department dispatch received today by Col. W. H. Reid, commanding Ellington.

The awards were made for "courage, coolness and skill displayed by these men upon occasions which reflect great credit upon themselves and the armed forces of the United States," the communique stated.

Included in the list is: Bronze Oak Leaf Cluster to the Air Medal—Capt. Julian R. Thornton, Jr., 24, of Farwell, bombardier. Capt. Thornton is the son of Mr. and Mrs. J. Roy Thornton.

### BAPTIST REVIVAL AT BOVINA IN PROGRESS

A revival meeting is in progress at the Baptist Church in Bovina and will come to a conclusion on next Sunday night.

Rev. E. J. Speegle, former pastor of the Bovina church, who is now attending a seminary in Fort Worth, is doing the preaching. Good crowds have been attending the services.

The public is invited to attend any and all the services.

## Schools of County To Be Open Monday

All schools of Paramer County are expected to be open Monday, Sept. 6, County Judge Lee Thompson revealed here today.

The Friona school, which was scheduled to open on Monday of this week, has been postponed until next Monday. On that date, the Farwell, Bovina and Lazbuddy schools are scheduled to begin, he said.

Oklahoma Lane instigated the 1943-44 term on Monday. Supt. H. D. Bentley, of that school, is using two substitute teachers to begin the term.

Opening of the common schools of the county will be governed by beginning of high schools, where such students of the common districts have been transferred for the term.

Controversy Over Drafting of Fathers Slows up War Effort

General J. Watt Page, State Selective Service Director, Friday made public a digest of his remarks at headquarters staff conference on the subject of the induction of fathers. He said:

"I am asked many times every day—and I know all of you are—about the drafting of fathers. If I could be given one convincing argument that 18, 19 or 20 year old boy, unmarried, owes a greater moral obligation to fight for his country than the father of children, then I'd be glad to 'go over to the camp' of those who think fathers should not have to serve in the armed forces.

"This is a young man's war. The older men cannot stand the terrific strain of present-day combat duty. The man in his thirties may stand up to the gaff for two or three or four days, but after that he is done and become a liability instead of an asset in the front lines. That does not mean, however, that there are not thousands upon thousands of other jobs in the armed services which can be handled by the older men.

This drafting-of-fathers controversy, of which so much has been made, is a potent weapon in the hands of those who are most interested in slowing up our war effort through creating confusion and unrest among our people. It has been used to strike a glancing blow on the heads of some of our lawmakers.

"We should analyze carefully the sources from whom emanate this disturbing propaganda concerning fathers. The great hue and cry does not come from the fathers themselves. From my personal observations I am convinced that the vast, vast majority of the fathers feel it is not only their duty but their privilege to take their place in the armed services in this war to preserve everything which is precious to us. Thousands have already done so. If fathers should not be taken now, then what real right have we to retain in the services those fathers already there? What would the discharge of all fathers now serving mean? It would mean the disruption, in a greater or less degree, of our fighting teams—our fighting units; it would mean prolongation of the war; it would mean that many hundreds of boys who would otherwise come back to their homes will not come back—ever."

representative for the United War Chest of Texas, declared on a visit here last Friday.

"Of the \$125,000,000 to be raised by the national War Fund for the Military Front, the Home Front, and the United Nations Front, more than \$67,000,000 will go to the aid of the American men in uniform through the USO, United Seaman's Service and war Prisoners Aid," Mr. Wright said.

More than \$40,000,000 will go to United Nations relief, including the relief of suffering in both occupied and unoccupied countries, and about \$4,000,000 will be used for refugee relief. Seventeen war appeals agencies approved by President Roosevelt's War Relief Control Board will participate in this National War Fund Program.

Through local War Funds being set up in each of its 254 counties, Texas is seeking to raise its apportioned share of nearly \$5,000,000 in the National War Fund total. Governor Coke R. Stevenson is honorary chairman of the campaign in Texas. George A. Butler, prominent Houston attorney, is president and campaign chairman.

H. Y. Overstreet will direct the Campaign in this county.

Troops in regions where it too cold to shave are issued beard clippers.

Health Notes

By Texas Department of Health

Austin, Texas—"The elementary and secondary school Physical Fitness Club program of the Health and Emergency Medical Service, Texas Civilian Defense, organized and sponsored by the University Interscholastic League is recognized throughout the Nation as one of the best of all state plans for sponsoring physical fitness activities in the schools," Dr. Geo. W. Cox, State Chairman on Health and Emergency Medical Service, recently declared in Austin.

This program is organized on a voluntary basis, and is threefold in its scope. First, it includes dental and health examinations; second, participation in the schools required physical fitness activities, and third, participation in organized games.

Such a program will make a valuable contribution to national fitness in that it will develop in the individual organic power, neuromuscular skills, and endurance. In the first year over 200 clubs have been organized in Texas public schools with approximately 12,000 boys and girls participating. Nearly 400 boys and girls qualified the first year for the individual physical fitness certificate award.

With the beginning of the 1943-44 school term the University Interscholastic League will again actively promote the physical fitness club program in the schools throughout the

George Washington called it "BURNING SPRING"

Today, it becomes 100 Octane Aviation Gasoline!

CARE FOR YOUR CAR—FOR YOUR COUNTRY

NATURAL GAS, seeping up through rock and earth and water, fed the flame which Washington described as a "burning spring." Today, natural gas flows from control wells to feed a gigantic maze of tanks, and towers. In these it is formed into an astonishing variety of essential wartime chemicals. These petroleum chemicals are basic materials for 100 octane aviation gasoline, synthetic rubber, explosives, plastics, medicines and anesthetics. The list is almost endless because natural gas is an overflowing source of hydrocarbons (carbon-

hydrogen compounds). When split, these become the chemical building blocks for constructing an almost limitless number of products.

It is easy to understand, therefore, the importance of two Phillips facts: 1. Phillips Petroleum Company has, we believe, the world's largest proven natural gas reserves. 2. Phillips has for many years been a leader in extending the frontiers of knowledge concerning hydrocarbon chemistry.

From now on, every time you see the Phillips 66 Shield, let it remind you that Phillips refineries in addition to producing gasolines, lubricants, and fuel oils, are also gigantic chemical plants pouring out weapons for victory.

## Family Reunion is Observed

A family reunion was held in the home of Mr. and Mrs. Roger Grisom Tuesday night of last week, with several out-of-town members in attendance to enjoy a chicken dinner and visiting.

Guests were Mr. and Mrs. C. B. Purselley and family, Mr. and Mrs. Lawson Williams, Mr. and Mrs. Reese Bennett, Mr. and Mrs. Joe Purselley and daughter, all of Clovis; Mr. and Mrs. Clyde Massongill and children of Long Beach, Calif.; Mrs. M. C. Leckie and daughter and Mrs. Loyd Roberts, al of Carlsbad, N. M.; Mrs. Mattie Purselley, Mr. and Mrs. Riley Boss and Miss Wanda Boss.

## Birthday Party Held For Toby Booth

Toby Booth was honored with a birthday social the past Friday evening, when a number of young friends gathered at his home to celebrate his 12th birthday.

Following miscellaneous games, and presentation of gifts to the honoree, refreshments were served.

## Daughter is Visitor

Mrs. G. P. Fowler of Carnegie, Okla., daughter of Mr. and Mrs. J. H. Stone, arrived here the first of the week and will be with her parents for the next few weeks. She is just back from Corvallis, Ore., where she visited her husband, now in the army.

## Here From California

Mr. and Mrs. Clyde Massongill were here last week from Long Beach, Calif., visiting relatives and attending some business matters. Clyde, an experienced carpenter, has been employed at a shipyard in California the past several months.

## Scout Water Meet

Scoutmaster Bob Barton today announced that he was planning to take the Farwell Scout troop to Clovis, Friday afternoon, to participate in the water meet to be held at Hillcrest Park. Various water contests will be staged by the Scouts coming from this area to the meet.

Mrs. Lovilla Kessie visited in Friona and Amarillo over the weekend.

## We Who Are Americans Book Review for Guild

The current book "We Who Are Americans", which is causing much comment, will be reviewed by Mrs. J. T. Carter at the regular meeting of the Wesleyan Guild tonight (Wednesday).

The group is to meet in the parlors of the Methodist Church at 9 o'clock and Mrs. D. K. Roberts, president, extended an invitation to any visitors who might care to hear the review.

## Covered Dish Luncheon To Be Held, 7th.

Mrs. Willis Magness will act as hostess on Wednesday, September 7, when the local Church of Christ ladies gather in her home for a covered dish luncheon.

The luncheon is to be held at one o'clock, and all church ladies are urged to attend.

Miss Hazel Anglin, who spent the past week with relatives in Tahoka and Lubbock, returned to Farwell on Sunday.

Mrs. M. C. Kuykendall and Mrs. J. N. Brewer, both of Amarillo, returned to their homes last Friday after spending a week in the J. L. Nally home. Mrs. Kuykendall is Mr. Nally's sister, and Mrs. Brewer is a sister of Mrs. Nally.

Mrs. Barney Roberts of Joplin, Mo., and Mrs. W. C. Bryant and son of Westbrook, Texas, are visiting in the home of their mother, Mrs. J. Sam Gaines in Bovina.

Mrs. Hazel Blake of Abilene, is visiting in the home of Mr. and Mrs. Felix Monroe. She is Mrs. Monroe's cousin.

Mr. and Mrs. Roy B. Ezell are spending a few days in Roswell with a daughter, Mrs. Eugene Parker, who is ill.

Miss Mary Eunice Graham, who has been visiting her parents, Mr. and Mrs. B. N. Graham, left Saturday for Raton, N. M., where she will teach again the coming term.

Mrs. Bess Henneman and son, A. C., visited with relatives in Amarillo, last week.

Miss Oleta Rhinehart, who has been in Washington, is visiting at the home of her parents, Mr. and Mrs. O. W. Rhinehart in Bovina.

James Albert Collins, of Vernon, visited Saturday in the home of Mr. and Mrs. Willis Magness. He is a nephew of Mr. Magness.

Bobby Hart spent part of last week in the mountains of New Mexico, near Cowles.

## NEWS FROM OUR BOYS IN CAMPS

### HAM ON FURLOUGH

Cpl. Howard Ham, of Goldsboro, North Carolina, arrived the first of the week to spend a ten-day furlough with his parents, Mr. and Mrs. R. V. Ham. Cpl. Ham has been in the service for nine months. This is his first visit home.

### CHAPLAIN HERE

Chaplain John B. Abbott, son of Mr. and Mrs. Press Abbott of Bovina, is spending a few days with relatives and friends at Bovina, awaiting orders for his next assignment. He has been stationed at Seattle, Wash. He says the work of a chaplain is very strenuous, but "I like it even better than I had anticipated."

### LIKES NAVY LIFE

Seaman 3-c Edwin Foster of the Navy Seabees reports that he likes Navy life fine. He is stationed at Camp Peary, Va. Edwin is a son of Mr. and Mrs. Ernest Foster.

### IN COMMUNICATIONS

Thanks in advance for your coop-tech. Sgt. James P. Landon of Texico, New Mexico is doing communications work at a South Pacific Army base, it was reported here. He entered the service in September 1940, training with the air force at Santa Fe in communications. He came overseas shortly after the outbreak of the war.

He is the son of Mr. and Mrs. J. O. Landon of Texico.

### LARIAT SOLDIER PROMOTED

Private Thomas C. Quisenberry, son of Mr. and Mrs. Charles Quisenberry of Lariat, Texas, was promoted to corporal recently. A farmer in civilian life, Corporal Quisenberry is an armorer in an infantry heavy weapons company. His unit is part of the Fifth American Army, in North Africa (including Sicily).

### VISITS AT PLEASANT HILL

Cpl. Junior Whitener stopped off last week to visit his uncle, C. H. Whitener, while enroute to Houston. Cpl. Whitener has received an honorable medical discharge, having been wounded during the battle of the Solomon Islands.

### JACK DUNN HOME

Ap. Seaman Jack Dunn, Jr., arrived here the first of the week from Austin, Texas, for a brief furlough with his parents, Mr. and Mrs. Jack Dunn, north of town.

### LEAVES MONDAY NIGHT

Pfc. Vance (Kater) Crume left Monday night from Amarillo for Fort Lewis, Washington, after enjoying a ten-day stay here with relatives and friends. He and Mrs. Crume visited in Hereford Thursday.

### HERE FROM ARIZONA

Warrant Officer Carthon Phillips arrived here Monday from Tucson, Ariz., for a furlough with his parents, Mr. and Mrs. Frank Phillips of south of town. Phillips was stationed in Java in the early stages of the war and "took a good beating from the Japs." Now he wants to get back in the war zone to avenge some of the experienced he as a member of the famous 19th, suffered when they were so completely outnumbered.

### HAS BULLET WOUND

Carl Deaton, Seaman 2-c, son of Mr. and Mrs. E. M. Deaton, writes his family a very vague note about receiving a bullet wound, but fails to explain the details, only to state that the bullet lodged in his arm and that he is keeping it for a souvenir. Carl entered service early last May and has already been "shipped out" to an unannounced location.

Mrs. Clara Green of Levelland, a niece of Willis Magness, visited in the Magness home during the weekend.

Mr. and Mrs. C. J. Doose and family were visitors in Lubbock over the weekend.

Mrs. Dorothy Lovelace spent the weekend with her parents near Friona.

Mrs. C. M. Wilson, mother of Mrs. Stanley Hillhouse, arrived here the first of the week from Stigler, Okla., for a visit in the Hillhouse home.

Mrs. Lizzie Sherrill of Floydada, is here visiting in the O. B. Papkin home. She is Mrs. Pipkin's mother.

## Deadline Nears on Overseas Packages

By NELSON C. SMITH

To my patrons and others who may be concerned:

Weeks are required for ships to reach Alaska, Iceland, Sicily, Greenland, England, Africa, Indo China, South America and many island in the Pacific, and we have men in all of these places. The Postoffice Department therefore, has set a deadline for the mailing of Christmas packages to men overseas, this being October 15th. After that date parcels may be mailed only if the soldier or sailor has made written request for the article, and this request must be presented at the postoffice with the parcel for mailing.

To insure against disappointment of the men overseas, parents and friends should buy now! and mail now!

Parcels must not exceed five pounds in weight. No package shall be longer than 15 inches nor greater than 36 inches in length and girth combined. It should be marked "Christmas Parcel." No more than package a week may be mailed by each individual to the same person.

The parcel must be strongly packed, in a strong container, wrapped in strong paper, and securely tied. (In fact patrons should be more particular with the preparation of all parcels as numbers of them are poorly prepared for mailing.)

Perishables, such as fruits are prohibited. Cutting edges of sharp instruments must be protected. Glass should be well packed. Shipments of any food items are discouraged, and the same is true of clothing.

Addresses must be written clearly and completely.

Please do not disappoint your friend, relative, father or son, by being negligent of the above advice.

### HAS NICE STOCK

W. E. Williams of the Williams Mercantile company of Bovina, recently returned from market, where he was fortunate in locating a pretty good stock of merchandise for fall and winter. He was exceedingly fortunate in securing some exceptional values in ladies coats, suits and blouses.

Likewise, he obtained a fairly good line of ladies dresses, which were going out at a rapid rate the first of this week.

Mr. Williams, like all other merchants over the country, has experienced difficulty in keeping a full stock in recent months. However, at present, his stock of fall goods is fairly complete with the exception of school clothes for boys and he is expecting a shipment of these items any day. He says that his store has been drawing trade over a wide area during the past few months.

## FOUR NEW REGISTRANTS

Mrs. Bessie Lee Henneman, clerk of the local board, today announced the names of four new 18-year-old registrants, who registered here during the month of August. They are Norbert Otto Schueler, Floyd Leroy Rector, Floyd L. Thompson and John Robert Kimbrow.

### REVIVAL AT BOVINA

A revival meeting will begin at the Pentecostal Holiness Church in Bovina on the evening of Sunday, Sept. 5, with Rev. T. V. Manning of Boise City, Okla., doing the preaching. Services will start at 8:30 each evening. Rev. C. W. Howard, pastor of the church, extended a cordial invitation to the public to attend.

### GOOD LOCAL RAIN

A good rain, exceptionally local in its scope, fell north of Bovina Friday night. Frank P. Wilson said that an inch and one-half fell at his farm. Many wheat farmers in the favored section began sowing wheat the first of this week, it is understood.

Cow, 4 years and over—Leon Grissom, Barbara Foster.

#### Girls 4-H Club Winners

Heifer not in milk—Mary Lou Ford.

Cow in milk—Barbara Foster.

### Second Series Bangs Tests To Be Run Soon

The second series of Bang's disease tests on dairy cattle in Parmer County will be run "probably the early part of next week", County Agent Garlon A. Harper said today.

Some 200 animals are slated to undergo tests during this checkup, with Dr. E. E. Kraus, Clovis veterinarian, in charge. In a previous group of tests, around 300 cattle were tested, showing a high ratio of disease-free stock.

A complete schedule will be laid out with the veterinarian, and dairymen notified as to when Dr. Kraus will visit their farms. A nominal charge of 50c per head is being made.

How about making your purchase of that extra bond today?

### Rural Carriers Sell War Bonds on Routes

By NELSON C. SMITH,  
Rural Carrier, Ferwell, Texas

It is my happy privilege to announce that Hon. Frank Scofield of Austin, War Bond Administrator for Texas, has designated all Texas Rural Carriers as special salesman for war bonds, and the Texas carriers have taken \$300,000 as their goal for a two month period beginning Sept. 1st.

As far as is known, the Texas carriers are the only organized body of Government workers who have undertaken such a patriotic campaign and they are expecting the active cooperation of every Rural Route patron who can buy bonds. It is especially requested that such patrons buy their bonds directly from the carriers.

Rural Carriers are not limited to sales on their Routes, but they are ready and willing to make sales at all times to any person who wishes to buy. These sales will not in any way interfere with your quota toward your local program, but you will be doing your local Rural Carrier a favor by making your purchases through him.

Do not leave your stamps or money in the mail box, just meet your Carrier or leave a note in the box asking him to honk his horn or drive by your house for a bond sale.

Thanks in advance for your cooperation.

### ODT May Help Get Truck Tires

Eligible truck operators who hold tire rationing certificates but who are unable to locate within their county the proper tires may apply to their nearest Motor Transport District Office of the Office of Defense Transportation or assistance, the ODT announced today.

This information will in turn be transmitted daily to the Office of the Rubber Director, who will endeavor to arrange for the proper redistribution of tires so that all the certificates can be honored as soon as possible after issuance.

This procedure was decided upon, the ODT stated, after some truck operators reported they were unable to obtain critically needed tires and as a result had to keep vehicles out of operation.

In some cases, it was reported, important war freight was delayed for this reason.

It is hoped that the new arrangement will help assential operators

to obtain prompt relief, the ODT stated.

### SANTA FE CARLOADINGS

The Santa Fe System carloadings for the week ending Aug. 23, were 22,718 compared with 23,188 for the same week in 1942. Cars received from connections totaled 13,147 compared with 12,312 for the same week in 1942. Total cars moved were 35,865 compared with 35,500 for the same week in 1942. Santa Fe handled a total of 33,792 cars in preceding week of this year.

I feel like I want to do something about all these apparently unnecessary deaths and body wrecks, but now-a-days I am usually in such a state of weariness and daytime slumber I darn near envy the victims.

### To the People of this Community:

#### PLAIN WARNING TO YOU!

Here is a plain warning for you . . .

"This war will last until 1949 or longer if the home front fails to back up our men in battle"

Frank Knox, Secretary of the Navy.

**3rd WAR LOAN**  
Buy More Bonds

Buying War Bonds to the point of temporary personal sacrifice is the most direct way you can comply with Secretary Knox's appeal.

"Temporary sacrifice" is the correct phrase because you are only lending your money when you buy War Bonds. This government which never has defaulted on an obligation will pay you back \$4 for every \$3 invested if you hold the bonds for 10 years.

The least you can do is to back the attack with War Bonds today.

Buy extra Bonds above your normal Bond buying.

THE EDITOR

Buy a War Bond every payday!
