Parmer Boys File More Discharges Locally

Records at the office of the county clerk reveal the following discharges filed during the past week:

Sgt. Orville London, who with his wife is visiting friends here, was discharged on October 14 at Camp Carson, Colo. A truck driver, London served in the Naples-Foggia and Rome-Arno campaigns, holding the EAME ribbon and good conduct medal. He was overseas one year, in service three years.

A member of the 193rd tank battalion, S-Sgt. Clarence M. Meeks was released on October 17 at Fort Bliss, having a total of three years overseas service, in addition to 11 months in the States. He was a radio operator, and holds the American defense ribbon, the Asiatic-Pacific ribbon with one campaign star Ryukyus—and the good conduct medal.

Sgt. Joe Chernick was released from the army on October 16, at the separation center in Tucson, Arizona. In service three years, he spent his time in the States. He holds the good conduct medal.

Pfc. Claude J. Dyer, of Farwell, a truck driver, was discharged Oct. 13 at Fort Sam Houston. He spent 17 months overseas, holds the EAME ribbon, good conduct badge, American theatre and American defense ribbons.

Navy discharges filed, which give very little information as to the activity of the dischargee, included that of Truitt Ervin Coffman, Signalman 3-c, who was released at San Pedro, Calif., on October 12th; and Jim Cleve Dixon, pharmacist mate 2-c, who was discharged there on October 13th.

Pfc. Carl J. Melton, of the 1209th service command, was discharged Oct. 15 at Pine Camp, N. Y. He was in service three years and eight months, overseas 2½ years, and has the A-P ribbon.

Listed at Draft Office

Mrs. Bess Henneman, draft clerk, revealed that she had received separation notices on the following:

Henry Lee Green, MM2-c who was discharged October 1 at Shoemaker, Calif. He holds the A-P ribbon, the Bronze Star, and a presidential unit citation, and served with the 6th Seabees.

William Creighton Starr, supply sergeant with the Quartermaster Corps, was discharged September 29 at San Diego. Starr was with the Marine Corps.

Pfc. Marvin Eugene Weir was also discharged in California, receiving his papers at Oceanside, Sept. 28th.

Pfc. Thomas A. Daugherty, who served with the 12th Cavalry, was released October 1 at Camp Chaffee, Ark. He holds campaign stars from Bismark Archipelago, New Guinea, Luzon and Southern Philippines; the good conduct and American defense medal; the A-P and Philippine liberation ribbons, and the Purple Heart. He was in service four years, two of them overseas.

Seaman 1-c Marjorie Anna Meeks was discharged at Brooklyn, New York, on September 9th.

Pfc. Alvin K. Gaines, of Bovina,

Earlyday Cattleman Buried At Bovina

Graveside funeral services for M. K. Smith, age 68, were held at the Bovina cemetery Monday afternoon.

"Smithy," as he was familiarly known, passed away in a Clovis hospital Sunday afternoon, following an illness of several months. He had been hospitalized about ten days.

Smith came to Parmer county 30 years ago from Portales and worked as a cowboy in the old Star Ranch section, later acquiring a small herd of his own and settling on a farm along the Frio Draw south of Frio-na.

Recently, he moved to Bovina, where he made his home with two sisters until his death. "Smithy" was never married. Those who knew him acclaimed him as "a mighty good man." He is survived by four sisters, Miss Carrie and Miss Lula Smith, who lived with him; Mrs. Maudie Brown, Marble Falls, Tex., and Mrs. Murphy Perry, Earlington, Calif.

a member of the 77th Infantry outfit, was returned to the States and discharged October 2, at Santa Fe, after being wounded at Okinawa last May 2nd. He was in the Ryukyus campaign, holds the A-P ribbon and the Purple Heart.

Elmer C. Hall, a private, was discharged from Fort Riley, Kansas, on October 5th.

Having served on a submarine, Wilbur Dosier Thompson, SSM(T)2c, was discharged September 9 at San Pedro.

Chief Yeoman Joe Elton Palmer was released by the Navy on October 13 at San Pedro, having served at San Diego and aboard the USS La Grange.

New Model Ford Goes On Display Friday

O. C. Sikes, of the Sikes Motor Company, announced today that he would have one of the new 1946 model Fords on display at his showrooms on Friday, October 26th, in cooperation with a nation-wide showing of the new cars.

The display was scheduled some time ago, but had to be postponed due to strikes that delayed production of the new models. The Ford Motor Company has announced that it expects to have not less than 75,000 new cars and 50,000 new trucks off the assembly lines before Christmas.

Sikes said that the new Ford represented very few changes over the 1942 models. The display model being sent here is a Tudor 8-cylinder job, he added.

He further said that people were already voluntarily coming in and placing orders for the new cars, and he expected a brisk business as soon as the new models were generally available.

Grade Players Attend Tourney, Saturday

Coach B. A. Rogers said the first of the week that plans were being made to put grade players representing Texico in the softball tourney at Melrose on Saturday, October 27.

The youngsters opened their season just last weekend, when they played Center here, and will also have games with Center, on that court, on Thursday of this week.

No bracket for either the girls or boys was available today.

Sgt. James Beck Home From Japanese Prison

Sgt. James Beck, son of Mr. and Mrs. "Shorty" Beck of Clovis, former Texico-Farwell residents, returned home the latter part of last week from the Pacific, where he was held prisoner of the Japanese government for 30 months.

His brother, Edward (Rooster), also taken a prisoner at the fall of Bataan, arrived in El Paso the latter part of last week and is scheduled to report home this week.

Sgt. Beck visited with friends here over the past weekend and talked freely of his experiences while a prisoner of the Japs. He said he was fortunate to be in a camp where the treatment was not as severe as has been reported in other camps. Dysentery was the main trouble with the boys in his camp, Beck said, revealing that it had reduced his weight from 160 to 90 pounds.

Sgt. Beck had nothing but condemnation for the boys who managed to escape from prison camps. "You people in the States thought of them as heroes, but they are a bunch of dirty skunks, in my opinion," he said; and from that point went on to explain that every time a prisoner escaped nine men were lined up before a firing squad to compensate for the escapee.

The former local boy added that he had a number of opportunities to escape, "but I wouldn't be responsible for nine of my buddies being shot."

The subject of food was brought up and Sgt. Beck said that he had just enjoyed a chicken dinner, and added quickly that the people of Japan were allowed one chicken a year, "provided they had \$30 to buy it with."

Discussing his plans for the future, Beck said that when he was discharged he presumed he would return to his former occupation as a monument designer.

Bovina Hunters Bring In Deer And Elk

A party of Bovina hunters returned home the latter part of last week from a hunting trip to Colorado, where they were fairly successful in their efforts.

Aubrey Brock headed the list with both a deer and an elk. Reagan Looney and his wife divided honors, with the former bagging an elk and the lady downing a nice deer. Charles Ross went for nothing, while his son, Junior, managed a deer.

D. C. Looney, Perry Looney and Ted Brock failed to connect with any game on the trip.

Curry Pioneer Passes In Amarillo Hospital

Monroe A. Tidwell, Curry county pioneer homesteader, passed away Monday morning at 4:30 in an Amarillo hospital. Funeral services were conducted by Minister C. A. Lorts, of the Central Church of Christ in Clovis, Tuesday afternoon at the Steed Memorial Chapel.

Tidwell, who was born in Tennessee in 1873, came to this country in 1908 and settled southeast of Clovis, where he proved up a homestead. Later he moved to Clovis, and recently had made his home in Amarillo.

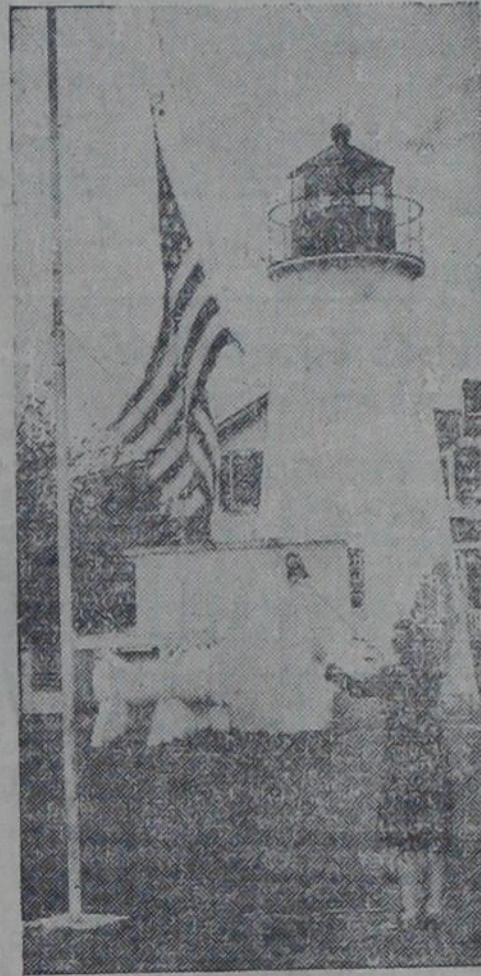

Although he had been in ill health for some time, Tidwell was not considered dangerously ill. His son, Rex, of Houston, had been to visit him and was enroute home when notified of his father's death, in Dallas.

Survivors include two sons, Rex of Houston and Sam M. of Amarillo, and one brother, W. J. Tidwell, of Newbern, Tennessee.

MRS. ALDRIDGE HOME

Mrs. Minnie O. Aldridge, who had been confined in an Amarillo hospital for several weeks, was returned to her home in Farwell, Tuesday night. She is reported as improved.

Lighthouse Keeper

The only woman lighthouse keeper in the United States coast guard service is Mrs. Fanny May Salter, who has been keeper of the Turkey Point Lighthouse, Maryland, since 1925.

REOPENS BARBER SHOP

Sterlyn Billington reopened his barber shop in Farwell last Saturday after a shut-down of several months. The business was closed when he went to the Navy and since his return it had remained closed while he was carrying on a rebuilding and improvement program on his premises.

Jarrell Farm Sale Tuesday, October 30

A general clean-up farm sale will be staged by W. H. Jarrell at his farm nine miles north and one mile east of Texico on Tuesday, October 30, starting at 10:30 a. m., Texas time.

Due to ill health, Jarrell is retiring from the farm and will go to California to spend the winter. He is offering his entire collection of farm machinery, eight head of cattle and a large list of miscellaneous items to the public at auction on the above date.

Col. Dick Doshier of this city will have charge of the sale and Ebb Randol and Frank Doshier will act as clerks. Lunch will be served at noon with plenty of free coffee. Auctioneer Doshier said that this would be a large sale and buyers are urged to be on time, as most of the day will be needed to dispose of the offerings.

A complete list of the items to be up for auction will be found on page seven of this issue of The Tribune.

COMMISSIONERS MEET

The Parmer County Commissioners were in session here Monday. The minutes reveal that the only business transacted during the session was the payment of current bills.

Karl Gast left last weekend for a visit at Earlville, Illinois. He was accompanied by Mrs. Ida Boltz, mother of Mrs. Gast, who had spent a few weeks here.

Mr. and Mrs. R. L. Kimbrow, of Mulshoe, spent Sunday in the home of Mr. and Mrs. S. E. Morris in Farwell.

S-Sgt. and Mrs. Lorenz (Shorty) Gast announce the arrival of Ronald Lorenz, on Monday, Oct. 22, weighing 9 lbs. Mrs. Gast is in Big Spring, while Sgt. Gast is stationed in Tyler, Tex.

The windup of the 1945 football season comes on Friday of this week, when the Bovina Mustangs will be entertained locally by the high-stepping Farwell Steers.

Having run through their official season with no defeats, the locals hope to put the finishing touches to a perfect season on Friday, as they make their second appearance before a local crowd.

Under the direction of Coach Jack Williams, the greenhorn six-man team has turned into pretty formidable opposition during its short sea-

son, showing wins over Bovina, Adrian (two games) and Vaughn. In a pre-season warmup scrimmage, they bowed to the veterans of Price College, in Amarillo.

But the Mustangs are in no mood for foolishness from the Steer squad. Doped to take Farwell out with comparative ease when the teams opened the year, the Mustangs were roundly disappointed, and their only hope of winning a game this season comes on Friday, as they have lost all other matches.

Sweetheart To Be Crowned

One highlight of the afternoon will be the crowning of the football sweetheart, with four high school girls vying for the honor. Contestants are Mary Ruth Petree, La Moine Jones, Maxine Ford and Sybil Ham, and the final voting comes at four o'clock Thursday afternoon.

Ceremonies for the crowning of the team sweetheart will be carried out at half-time, sponsors announce.

The game will get underway at 2:30 in the afternoon, and all local people are invited to see the finale of the 1945 season.

War Fund Quota Lags At Half-way Mark

"We have just about half of our quota in hand," said H. Y. Overstreet, county War Fund Chairman, last Saturday as he was preparing to leave for Chicago, where he will be the rest of the week on business.

Reminding the workers that the quota was scheduled to be raised by the last day of October, he urged that they make a thorough canvass of their respective communities and send in their reports as soon as possible.

"Some of the workers have not reported since the drive got underway and we may be nearer our goal than I have been advised," Overstreet added.

TO OPEN SHOP

Mr. and Mrs. Benny McDonald have leased the building formerly occupied by the Farwell Cafe and plan to put in a sandwich shop and confectionery. McDonald said today that it would likely be the latter part of November before he would be ready for business.

Texico Nears Quota On War Fund Drive

Lacking less than \$50 of having the \$600 quota in hand, S. C. Hunter today expressed the opinion that Texico would raise its share of the National War Fund by the close of the month.

Hunter explained that he still had a few contacts to be made, and asked that those not yet solicited see him during the next few days.

Texico FFA Boys Buy Six Hereford Calves

Six registered Hereford calves were added to the Texico ag department last weekend, as project work for the purchasers, supervisor Tom Hudson said today.

The calves were bought from A. L. French of Elida, by Delmar May, Gerald Baldock, Clifford McDonald and Clarence Vaught, and will be fed out during the school year and next summer for showing at the 1946 New Mexico State Fair.

For a better class of job-printing,

Hopes for a late frost that would allow late feed crops in Parmer County to mature more fully were dispelled here Tuesday morning, when residents awoke to greet the first visit of Jack Frost, who had left the trace of his icy fingers over the entire outdoors.

It all means that farmers of Parmer County will go into the winter with the shortest feed crop ever raised here in a single year. Only a few scattering fields have produced any grain whatsoever, with most of the feed crops being classed as mere "fodder crops".

Few plantings were made before early in July, due to continued dry weather which affected about seven counties in the Texas plains country. Plantings made early, where moisture from local showers was sufficient to bring the crop up, have yielded some grain. However, such plantings were few and surplus grain this year is written off the books.

On the other side of the ledger, however, row crop farmers have turned their fields to wheat in such volumes that Parmer has the biggest wheat acreage ever known in the county. Most of the wheat seeding was completed over the past week, and many fields of early plantings are now affording abundant grazing for livestock.

County Agent Lee McElroy gives it as his opinion that very little of the immature feed crops will be put up as ensilage this year, due to the scarcity of labor to handle such operations, and expects that most of the fodder crops will either be gathered with a binder or left in the fields for grazing by the stock.

Mens Club Honors Local Ministers

The regular monthly meeting of the local Men's Club on last Thursday evening was given over to honoring three ministers of local churches.

Minister Lewis C. Cox, of the Church of Christ, had a previous engagement and sent his regrets for not being able to attend.

Rev. Charles S. Walker, pastor of the Methodist Church, who has been returned to the local pulpit for another year, was introduced by W. H. Graham as "not a new preacher but a warmed-over one". He responded by expressing his appreciation for being returned here.

Olan Schleuter presented Rev. Virgil Hunton, newly-called pastor of the Baptist Church. Hunton said that he was glad to be back in this part of the country, revealing that he was born near Forrest, northwest of Clovis in Quay county, and said he hoped "the people here will think of me as a citizen of both states". From that point he launched into a series of humorous stories that brought many laughs to those present.

At the business meeting, Bill Hall was named to investigate getting the Christmas street lighting restored in Farwell, and Ray Mears was appointed to see about the lights on the Texico side of the line.

The matter of having at least two stop lights installed in Farwell along Main Street was discussed, and E. F. Lokey was named to investigate this installation. It was recalled that a similar movement was started some months ago, but was dropped due to wartime restriction.

Chairman C. M. Henderson reported that he had been approached by an outsider who was investigating the possibilities of putting in a movie in Texico or Farwell. It was agreed by members of the Club that the move be given "every encouragement".

Texico Cemetery Water System Is Completed

A large crowd of volunteer workers gathered at the Texico cemetery last Thursday and completed the installation of 1100 feet of water pipe to be used in irrigating the grounds.

Mrs. E. G. Blair, secretary of the Cemetery Association, announces that all installations, including the well, pressure pump and pipe, have been paid for by volunteer subscriptions, and that plans are now underway for setting out shrubbery and other decorative plants on the grounds.

Register October 31 For Texas Winter Semester

AUSTIN—Between 2500 and 3500 students are expected to register at the University of Texas October 31 for the winter semester, Max Fichtenbaum, assistant registrar, reports.

With the additional students, enrollment is expected to be around 1500, for approximately 5200 old students—those now in school—have already pre-registered for the winter semester.

A considerable number of the students who will register October 31 will be former servicemen, he believes, and records indicate that over 1000 veterans will be in school during the winter. There are now 844 veterans enrolled.

Only one day has been set aside for registration, and there will be no provisions for latecomers. Classes will begin November 1.

Because of the number of married students who will be entering school and because Naval students are still using dormitory space, there is an acute housing shortage for University students, the deans of men have said.

All students expecting to enter the University October 31 should have temporary room reservations before coming, if at all possible, Dean H. R. Gibson says. Although 100 or more hutments will be secured by the University for veterans, these probably will not be set up until the spring term next March, he said.

New degree courses offered this winter are the bachelor of fine arts in radio broadcasting; bachelor of science in ceramic engineering, and bachelor of naval science and tactics in engineering, business administration, and arts and sciences.

Dressed or Canned Hens Find Ready Market

COLLEGE STATION—Farm women who are culling old hens from their flocks will find a ready market for these birds if they are placed for sale as dressed or canned hens. Supplies of such hens have never equaled consumer demand in most sections of Texas, and poultry products "standardized" under the Extension Service requirements always find a ready market, says Myrtle Murray, home industries specialist. Many consumers buy canned chicken to send overseas, Miss Murray states, and old hens are good for canning because they do not overcook.

A standardized product bears the 4-H label, which is identified in marketing circles with high quality products. In order to get hens "standardized", the seller must have her county home demonstration agent score method of killing, bleeding, dressing and wrapping. In case of canned chicken the agent must check recipe and method used. Other considerations, such as cleanliness of the seller, her kitchen and work area, also enter into the score.

The agent will then score the product and methods used and if it runs 90 or above, the produce may be submitted to an Extension Service headquarters specialist for her scoring. A sample of dressed chicken will be scored by the food preparation specialist, who will check it in the seller's home if the product is perishable. The food preservation specialist will score canned chicken, if two cans of each kind are sent to her.

Only after the food specialist has approved the product as standardized and Miss Murray has sent a statement to that effect to the seller, the county home demonstration agent, and the distributing agency, can the product bear the 4-H label.

When a consumer sees a 4-H label on a dressed hen or canned chicken—or any other product—she knows it meets the Extension Service standardization requirements and that she is getting a high quality product.

Funds Sought For Museum Work

AUSTIN—Funds for carrying on extensive field collecting for the Texas Memorial Museum on the University of Texas campus will be sought during the coming year, according to approval granted by the

Board of Regents in their recent meeting.

During the seven years which Museum has been operating, it has steadily increased its collections. Formation has been assembled on the localities from which desirable collections, both in history and natural history, may be made by field expeditions, Dr. E. H. Sellards, di-

rector, reports.

"The collecting expeditions contemplated will include fossil, minerals, and historical objects. Ultimately collections will be made from each of the 254 counties in the state," he said.

"The Museum has now a record of more than 350 localities from which collections could be made, but

funds now available are insufficient to carry out extensive collecting."

Although New Mexico ranks fourth in area among the 48 states, it has the smallest water area of any state in the Union. Vast arid and semi-arid districts require irrigation for abundant activity.

Get The Most From Electrical Appliances

COLLEGE STATION—Electrical appliances for making home work easier will soon be on the market, and farm women will be buying new cleaners, mixers, irons and other appliances which they have had to do without during the war. Electrical appliances, if used in the correct manner, can save a great deal of energy and time, says Mrs. Bernice Claytor, home improvement specialist for the Extension Service. All too often, however, the housewife starts out using her appliances without checking to see if her methods are best for time and labor saving.

"When the homemaker buys a new appliance, it will save her time and work in the long run if she studies out first the best way of doing the job. Just as an example, here are a few pointers in cleaning a room with a vacuum cleaner. First the housewife should see that there is enough light and ventilation in the room for a good and comfortable

job. After she decides on the best method of doing the job, she must eliminate any part of the task possible, or combine step in cleaning. "If you can use one attachment for several jobs," says Mrs. Claytor, "you may be able to do all those steps before the attachment is changed. Keep everything within easy reach so that when you need to change attachments you can do it quickly. Attachments have a specific job. Be sure you are using the right one for the job you are doing." Proper method of using any electrical appliance will save money, too, she concludes, because the appliance will last longer and need fewer repairs.

Bumper Sorghum And Potato Crop, Bailey

COLLEGE STATION—Farm folks in Bailey County, which rubs shoulders with New Mexico, can hold their heads high if and when other counties boast about big crops.

Counay Agent J. K. Adams reports modestly that Bailey "has completed a successful vegetable harvest". He quotes railroad freight office records that 62 carloads of potatoes were shipped from Muleshoe, the county east, alone. He also quotes the Muleshoe freight agent that many additional carloads were loaded at other shipping points where icing could be made. Furthermore, truckers hauled out an unknown amount.

Meanwhile, the canning plant at Muleshoe canned 28,000 cases of green beans for military and civilian consumption. The onion crop, he estimates, also may require the services of 62 freight cars to get it to market. Looking ahead, he reports that a farmer who is growing 82 acres of asparagus is expecting quite a labor problem when cutting of sprouts commences next spring. That suggests another big crop.

The outlook for big yields in the fields also is good. Rain on Sept. 29 justifies doubling an earlier estimate of a 200-carload shipment of grain sorghums, Adams reports. Prospects for bundle feed for roughage are more than 100 percent brighter than in the third week of September.

Practically every acre of an 887-acre certified seed farm in the southwestern corner of the county will produce seed this year for planting in 1946. New varieties of combine hegar are expected to yield 1,400 pounds of seed an acre in spite of the drought. A handful of foundation Sooner milo planted the same day and on the same plot with German millet promises to be a suitable

type for dry years. Its early heads are maturing along with the millet.

Rounding up his survey, Adams says that about one-half of the wheat on the 60,000 acres seeded in Bailey County is above ground. He believes that the recent soaking rain will bring up the remainder soon and will, perhaps, encourage farmers to plant wheat on the estimated 67,000 acres still barren. He adds that this would help control wind erosion.

Army Is Seeking Many Enlistments

Now that the shooting is over, American soldiers are finding time to enjoy their overseas assignments—time for sight-seeing, shopping in quaint bazaars, and short trips to near-by places of interest.

Many soldiers overseas are sending home gifts; some purchased in civilian-owned stores and others procured from PXs, open only to servicemen.

The Regular Army is seeking recruits to serve as "guardians of victory" in occupation armies in Europe and the Pacific. Soldiers who enlist or reenlist in the regular army can retain present grades and seniorities. They also may have fur-

GOOD SERVICE IS NOT COSTLY

Contrary to general opinion, the type of service received is NOT determined by the total cost. The price you pay is determined by the necessary merchandise you order, plus our basic charge for professional service. Everyone, regardless of how much or how little he spends, is treated with the same care and attention to every detail.

THE RIGHT TRACTOR FOR THE PARTICULAR JOB

THE proverbial Jack-of-all-trades was master of none. The modern world of science and technology passed him by.

The same principle applies to farm tractors. The tractor that does a wide variety of jobs unsatisfactorily can't possibly produce the greatest results at the least cost in any job.

But that's what the farmer—particularly the small operator—has got to do to meet postwar competition: he's got to produce the most food possible with the least effort and, consequently, at the lowest cost.

The farmer with 10 acres in truck crops needs one kind of tractor. The farmer with 100 acres in wheat alone needs another kind—or, as is usually the case, two or more different tractors. The tractor which does a good job on the Great Plains may be useless in the

rice territory. And so it goes.

Conditions of climate, the lay of the land, and the character of soils in the different parts of this vast country, together with wide variations in the nature of crops and the size of operations, combine to produce wide differences in the requirements for tractors. Harvester's policy is to meet all these requirements.

That is why Harvester's postwar line includes a great variety of Farmalls and other specialized tractors and attachments rather than a single tractor with a single system of tools. Every tractor in the line was developed after scientific research and testing under actual operating conditions showed the specifications needed for efficiency and economy.

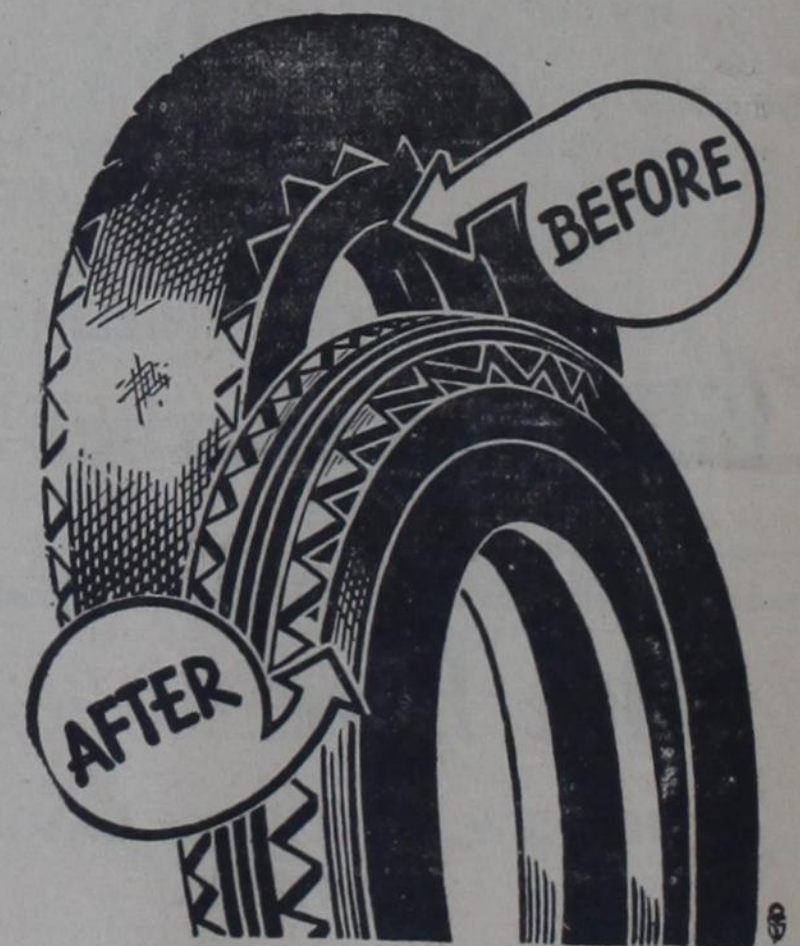

Every Harvester-built tractor is the right machine for its particular job.

Bridal Shower Honors Mrs. Chas. Thompson

A bridal shower honoring Mrs. Charles Thompson, recent bride, was given last weekend in the home of Mrs. Tom Foster, with Mrs. L. M. Grissom as associate hostess. The entertaining room were made festive with decoration of autumn flowers.

Mrs. Thompson is from Ohio, and was serving with the Waves prior to her marriage. Mr. Thompson is the son of Mr. and Mrs. Lee Thompson of Oklahoma Lane, and has recently been discharged from the Air Force, having served as a captain in the CBI.

Guests attending the social were Mesdames Oleta Paden, J. I. Hanna, C. C. Christian, Clarence Barber, Harold Carpenter, Wendol Christian, Lee Thompson, Wade Carpenter, G. W. Magness, Lewis Cox, J. W. Magness, J. R. Caldwell, Sam Billingsley, W. E. Martin, Sam Sides, John Payne, Mable Martin, E. M. Deaton, Ed McGuire, and Joe Donaldson.

Regrets were received from Mesdames S. O. Billington, Robert Rundell, E. A. Hromas, Ernestine Lovell, R. D. Hammond, Leonard Ginnings, Audie Leroy, Lee E. Meeks, Leon Billingsley, Clyde Perkins, Jess Terry, W. W. Hall and Bedford Caldwell.

Recital Sunday At Methodist Church

Mrs. Florence Millwee Vinyard will present piano students of various ages, Sunday afternoon, in a recital to be held in the auditorium of the Methodist Church at 3 o'clock.

The pianists will play groups of classical, popular and patriotic numbers, Mrs. Vinyard announces, and reading will be given by expression students of Mrs. A. D. Smith.

The public is extended an invitation to attend.

In McGuire Home

Mr. and Mrs. Jack Griffin and his mother, Mrs. Lucy Griffin, of Columbus, Miss., were guests the first of the week in the E. W. McGuire home. Griffin was recently discharged from the Navy, in California. He and Mrs. Griffin were friends of Jim Ed McGuire, son of the local people, when the two were stationed in Port Arthur, Texas.

Hallowe'en Carnival On Friday Night

Hectic preparations for the tunnel of love and the witches' corridor were going forward at the Farwell school this week, as the Hallowe'en carnival, biggest pre-Christmas attraction at the school, loomed up for Friday night, October 26th.

Black cats, witches, pumpkins and ghosts—all the traditional color and fun of a Hallowe'en carnival will be arranged, and sponsors advise that there will be plenty of food on hand—practically from soup to nuts.

A total of 15 booths are being laid out this week, including all types of customary entertainment, and campaigning for queen favorites was in dead earnest, as each class in high school sought to elect its choice for the throne. Candidates in the race are Sybil Ham, senior; La Moin Jones, junior; Maxine Ford, sophomore; and Mary Ruth Petree, freshman.

Voting for the queen will positively close at 10:45, the night of the carnival, and coronation ceremonies for the king, queen and their court will begin at approximately 11:15. Votes sell for one penny each.

The doors to the carnival will open at 8 o'clock, and no charge will be made for admittance.

Harrisons, Walkers Honored At Social

Mr. and Mrs. David Harrison, who are leaving soon to make their home in Quanah, Texas, and Rev. and Mrs. Charles Walker, who have been returned to the local Methodist pastorate, were honored with a social held in the church parlors Sunday, following the evening services.

Mrs. B. N. Graham and Mrs. W. H. Graham presided at the lovely serving table, pouring coffee and chocolate from silver services. Bouquets of fall flowers were used to decorate the entertaining rooms.

Following the serving, B. N. Graham, local layman, gave a short talk, a farewell to the Harrisons and a "welcome back" for the Walkers. Some thirty-five members of the church were present for the affair.

Mr. and Mrs. A. D. Cody were Sunday guests in the Carl Davis home. Cody was recently discharged from the Navy.

Miss Johnson Crowned 'Miss Texico', Friday

Miss Delphine Johnson, representative of the Freshman class, was crowned "Miss Texico" the past Friday night, when the annual race for the throne was held in connection with stunt night at the school auditorium.

The honor of "Miss Grade School" went to Virginia Hegler, of the third grade, when the final votes were counted, and presentation of the two winners was made before a large crowd.

In the stunts, the junior class was awarded first place for the high school division, presenting a "Li'l Abner" skit which sent the crowd into gales of mirth. "The Quarrel", a negro playlet, was presented by the third and fourth graders for first place in that department; and the ag boys put on quite a show with their "dilapidated Ford", to win the prize in the club division.

Week Of Prayer Held At Methodist Church

The annual Week of Prayer program is being held this (Wednesday) afternoon and night at the Methodist Church, sponsored by the women of the church.

At three o'clock this afternoon the members of the Woman's Society for Christian Service will have charge of the fore part of the program, and at seven o'clock in the evening a covered dish luncheon will be laid in the parlors of the church. The evening program will be directed by the Wesleyan Guild.

All members of the church, as well as visitors from other congregations, are invited to attend.

Parmer Eastern Star Members To Amarillo

A number of Parmer County Eastern Star members, as well as the regular delegates, Mrs. Fred Kepley and Nelson C. Smith, are attending the Texas Grand Chapter, which is being held this week in Amarillo.

Visitors on Monday night included Mr. and Mrs. Charles Ross, Mesdames Aubrey Brock, Reagan Looney, W. O. Cherry, Anna Henry and Mr. and Mrs. Charley Bainum.

Other members plan to attend the Grand Chapter later in the week.

Party Held Thursday In Lewis Cox Home

Mr. and Mrs. Lewis C. Cox, who recently moved into the new parsonage of the local Church of Christ, entertained a group of the younger married people of the church, Thursday evening, with a social in their home.

Radio and quiz games were enjoyed, after which refreshments were served to Mesdames Edsel Paden, Sterlyn Billington, Walter Moeller, Leon Cantrell and Lee Bradshaw; Mr. and Mrs. Seth Rollins, Mr. and Mrs. Herbert McDaniel, Mr. and Mrs. Charley Thompson, all of Farwell; and Mr. and Mrs. Grayson Roberts, of Clovis; and Miss Berthmae Thomas.

Guests At Clovis Base On Friday

Mrs. E. W. McGuire, Mrs. Leon Billingsley and Earl Roberts, all of the Oklahoma Lane community, were guests of Sgt. Marvin Brock and Cpl. David Roaney at the Clovis Air Base the past Friday.

The two boys were guests in the McGuire home at Christmas time two years ago, and since that initial visit had spent a large portion of their free weekends with the McGuires. On shipping orders, they invited the local people over for a farewell.

Sgt. Brock is from Chicago, while Cpl. Roaney hails from Boston.

Methodist Youth Hold Meeting Here Sunday

Some sixty-five young people, representing the Methodist Youth Fellowships from Portales, Wesleyan and First Church of Clovis, Ranchvale and Texico-Farwell, gathered in the local church the past Sunday afternoon for the regular district meeting.

Taking up the evangelistic phase of the Crusade for Christ, which is the particular emphasis of the Methodist Churches this year, Jimmie Bell, of Clovis, delivered the principal address of the afternoon, and a vocal solo was given by Lt. Herbert Mosher, of the Clovis Air Base.

The banner for attendance went to the Portales aggregation, and two new ministers, Rev. Grant of Clovis Wesleyan Church, and Rev. Royce Herndon, associate pastor of First Church, Clovis, were welcomed.

Following the business, during which time it was voted to meet the third Sunday in November with the Wesleyan Church in Clovis, the local group provided refreshments, which were served in the parlor of the church.

Mr. and Mrs. Bill Moss announce the arrival of a daughter, who was born October 21, at a hospital in Clovis. The young lady weighed six pounds at birth.

Richey-Molina Rites Read In Seattle

Word was received last week by Mr. and Mrs. T. H. Richey of Texico, of the marriage of their daughter, Miss Helen Ernestine Richey, to Joe H. Molina of New York. The ceremony was performed September 8 in Seattle, Wash.

Mr. Molina formerly made his home in Manhattan, New York. He received his discharge in August, after 34 months overseas service. He is now employed by the Associated Oil Company of Seattle.

Mrs. Molina expects to arrive early in November to spend the Thanksgiving holidays with her parents. She is to be discharged from the Wacs shortly, and following her visit here will join her husband in Seattle, where they will make their home.

Returned Prisoner Is Honored, Sunday

Sgt. Rochell Cochran, of Clovis, who was recently liberated from a Japanese prison camp, was honored with a dinner on Sunday, given by his sister, Mrs. W. E. McCuan, of Bovina.

Sgt. Cochran, who spent three and one-half years as a prisoner of the Japs, reports good health and states he is more than happy to be home.

Here From Canada

Mrs. Fay Dunning, of Niagara Falls, New York, and Misses Gwen Philipson and Emma Lee, of Wainfleet, Ontario, Canada, arrived here Saturday night to visit for a few days with Sgt. and Mrs. Fred Kurelovitch and daughter. Mrs. Kurelovitch and Mrs. Dunning are sisters. The ladies are making the trip by car to California, where they will spend the winter.

Visits Here

Mrs. Vernon Symcox, of Plainview spent the first of the week with Mrs. Dorothy Lovelace in Farwell. She is the former Juanita Petty, and was previously employed at the FSA office in Farwell.

Visits Here

Mrs. T. H. Lindsey, the former Jane Lokey, is here from Daytona Beach, Florida, for a visit with her parents, Mr. and Mrs. E. F. Lokey.

PTA Asks Pies

All women of the Farwell community who have children in school are urged to cooperate in supplying pies for the PTA booth at the Hallowe'en carnival Friday night. Pies should be taken directly to the booth at the carnival.

Mr. and Mrs. Clifford Kyker, of Levelland, and Robert Kyker, of Carlsbar, were visitors during last weekend in the home of their parents, Mr. and Mrs. Bob Kyker, in Farwell.

Mr. and Mrs. John R. Pool, Miss Winnie Pool and Mrs. J. S. Pool of Portales, visited Sunday in the home of Mr. and Mrs. L. S. Pool in Farwell. John Pool was recently discharged, and with his wife is visiting in this area.

SOPHS PLAN ASSEMBLY

The Sophomores have been working very hard trying to get ready for the assembly program. We have two plays, "The Gym Ghost" and a pantomime, "The Legend of Walking Slowly". Most of us are satisfied with our six weeks grades except in algebra. We plan to put on a 3-act play later on.

GENERAL NEWS

Room 3 has charge of the fish pond at the carnival. Come around and fish with us. We are also working on our Halloween assembly program for October 31.

Joe Moore and Jimmie Charles may be seen wandering around the campus this week as they are home on leave. It sure is good to see our ex-students back occasionally. Also Jimmie Howard was seen around B. H. S.

Mr. and Mrs. Charles Ross and son, Charles Jr., were present at the ballgame at Lubbock, last Friday night, between Tech and Baylor. The score was 7-7.

Mrs. E. W. Sheets entertained last Thursday evening with a chicken dinner honoring Dolores Jeanne's 12th birthday. The dining table was centered with a large angel food cake, beautifully decorated with candles. At the close of the meal ice cream and cake was served to the group. She received several gifts.

The Mustangs were mangled by the Whitharrel Panthers, Friday. The final score was 19-36. We plan to de-horn the Farwell Steers this coming Friday.

The Pep Squad was out doing its part at the ball game last Friday. We plan to be well represented at the Farwell-Bovina game Friday.

New Container For Air Freight Use

DALLAS — Development of a free-fall cargo container which will be useful in delivering air express freight to small towns and communities not equipped with airport facilities is revealed in the U. S. Steel News, employee publication of U. S. Steel Corp. subsidiaries.

In a now-it-can-be-told article entitled "Boxes From Heaven", the magazine relates the contribution made by the Corporation through one of its subsidiaries, the Gerrard Steel Strapping Company, in fashioning a container used by the army to drop supplies without aid of a parachute.

Although the box is made of wood, it is steel strapping that makes it impact-proof. The steel has sufficient elasticity to absorb the shock of the fall without breaking. When dropped from great heights, the box does not crack open or explode, although it sometimes rebounds from the ground as much as 30 feet.

The box, equipped with a wire cutter which enables it to be opened in 22 seconds, was used by the army to deliver such varied articles, as gas, ammunition, food, medicine, and rifle parts.

"Boxes Away!" may well become

the slogan of a peacetime bombardier, since the container in effect will place all towns on an air express line. The box also will be invaluable in dropping supplies to isolated communities in time of floods or forest fires.

Workers Accept Job of Clothing Collection

Henry J. Kaiser, national chairman of the Victory Clothing Collection for overseas relief, scheduled for January 7-31, 1946, announced today that already 1,395 men and women have agreed to serve as local chairmen in their communities.

The majority of these men and women organized their communities in the successful collection of used, serviceable clothing, last spring. Wisconsin leads with 97 acceptances; Texas is second with 89 and New York third with 87.

America's spring cleaning yielded enough clothing to help 25,000,000 war victims in Europe, China and the Philippines, according to the United Nations Relief and Rehabilitation Administration.

The goal of the Victory collection is 100,000,000 serviceable garments, in addition to shoes and bedding. Contributors are invited to attach good-will letters to their gifts.

Clinics For Business Reconversion Study

AUSTIN—Business "clinics" to help the merchant meet reconversion problems are being conducted by the University of Texas Bureau of Industrial and Business Extension Training, and the State Board for Vocational Education.

A series of three meetings are held for the merchants and businessmen: the first to discuss reasons for reconversion, and the importance of the sales person's position; the second deals with the function of distribution; the third with the techniques of reconversion selling, James R. D. Eddy, director, said.

"The Bureau, a part of the Division of Extension, will hold the clinics wherever requested," Eddy said. "Usually chambers of commerce make the requests for the training, but others may do so."

Social Security Benefits Available At Age 65

After a worker begins to draw old-age and survivors' insurance payments, he should remember that if he has a living wife she, too, may be entitled to benefits when she attains age 65. Therefore, said James L. Farmer, manager of the Amarillo field office, it is important that contact be made immediately with the field office manager, who will gladly furnish all necessary information concerning filing of claims for benefits.

The Amarillo office is located at 324, new postoffice building, and someone is there at all times to wait on the public.

STEERS BLANK ADRAIN, 38-0

Playing before a large crowd of local spectators, most of whom were seeing—and enjoying—their first game of six-man football, the Farwell Steers stepped out briskly against Adrian, last Friday, to hand the visitors a sound 38-0 spanking.

The game belonged to the blue-and-white players throughout, as they marched down to score shortly after the whistle opened the fray and were still going strong when the game ended.

Receiving the ball, Farwell pushed down to the 10-yard line, where Morgan stole the ball from Williams, local halfback, and Adrian was on the offensive. But the Steers quickly messed up an attempted pass on the part of Fortenberry, and on third down Adrian booted out, with Williams snagging the pigskin and galloping to the Adrian 10. A neat lateral, Robertson to Ford, put Ford into the end zone, but the try for extra point was fouled up.

Adrian displayed some ground-gaining ability as they again took the ball, when Fortenberry tossed a beautiful pass to Speed on the Farwell 40, and things momentarily didn't look too good for Farwell. On the next play, however, Williams got in front of an Adrian pass, and the Steers were off again, Ford and Hart carrying to the Adrian 30. In a beautifully executed spinner, Williams got to the 18-yard line, lateraled to Robertson who raced to the 5, and when crowded, lateraled back to Ford, who went into paydirt and then dove over for the extra.

In the second quarter, Farwell scored again, when snappy ball handling paid off. Robertson started out, lateraled to Ford, who went outside end and then tossed back to

Robertson, cutting in inside the end man. As Robertson was hit, he spun around and tossed the ball to Ford in the clear, and 25 yards later he was in the end zone. The try for extra point was stopped on the line of scrimmage.

Farwell kicked off again and Morgan reeled off some nice yardage for Adrian, but hard tackling stopped the advance. A touchdown play came from a pass, Williams to Ford, but was invalid as Farwell was on the side. Hitching up their pants, the Steers hit Adrian again, and in three plays put Ford back over the line.

As in the first half, the Steers breezed goalward as soon as the second half began, breaking Summers lose for 40 yards and a touchdown, with Booth tossing in a beautiful block to speed the ball carrier on his way.

Morgan and Redden sparked their team with a drive down into Steer territory, but the gain was short-lived. Ford then carried to the 40, and passed to Robertson for another six points. Ford went over for the extra, the final count of the game.

The fourth quarter showed strain on both teams, with neither able to hold the ball. Farwell would gain and fumble, Adrian would recover and then fumble, and the Steers would repeat the performance.

Morgan and Redden were the drivers of the Adrian attack, while Youngblood, Fortenberry and Speed also showed up well at times, Fortenberry tossing several nice passes. Redden, a classy runner, bounced out for gains on several occasions, but his teammates were unable to sustain an attack that might have scored.

Although the Farwell first string kicked over the dope bucket in the opening game at Texico last Friday afternoon, handing the slated-to-win Texico-ites a decided 12-22 defeat, Coach Tom Hudson reported ruefully today.

Rosedale Upsets Dope In Softball Games

The Rosedale girls' softball team kicked over the dope bucket in the opening game at Texico last Friday afternoon, handing the slated-to-win Texico-ites a decided 12-22 defeat, Coach Tom Hudson reported ruefully today.

"We were just too cocky," Hudson said today, offering no excuse for the defeat. Pre-game dope had indicated that Texico would have little trouble in handling the visitors but Rosedale came on the diamond in search of victory and was not to be denied.

The boys' game also came close to being an upset, with Texico trailing behind for the first several innings. The locals finally shaped up, however, and came through to win 12-6, led by Baker, catcher; Doolittle on second and Johnson on first.

Coach C. E. Sanders reported that if Rosedale had had more men like Herington, left fielder, the outcome of the game might have been different. Herington was responsible for catching every out of the game, Sanders said, in addition to crossing the plate once for the losers.

Grade Teams Play

The Texico and Center grade boys and girls also mixed it up during the afternoon, with Center emerging victorious on both counts. The boys' game, which saw Texico explode into life in the middle of the fray, stood at a close 15-16 count, while the girls were defeated 14-11.

Coach B. A. Rogers paid particular praise to young Wall, local pitcher, who did an excellent job during the afternoon, and the girls also showed up well, having had very little pre-game practice or coaching, he added.

County Softball Meet Goes To Ranchvale

The Curry county softball meet, which will see both boys' and girls' teams in action, will be held at Ranchvale on November 3rd, Coaches C. E. Sanders and Tom Hudson reported the first of this week.

Coach Hudson said that his girls would go into tournament play against the Melrose aggregation, which they defeated in the first game of the season. If they win this match, they next face the winner of the Ranchvale-Rosedale tangle.

A complete bracket was available for the boys, with Field to play Rosedale and Ranchvale drawing a bye in the upper half. The lower half of the bracket throws Pleasant Hill against Melrose and Texico versus Grady, with the winners to meet later.

Grady Comes Friday

The two teams from Grady are slated to make an appearance on the local diamond on Friday of this week, October 26th, the coaches add in the final home games of the year.

Summer Session Slated For West Texas State

CANYON—In response to many requests from prospective students, a 10-week summer session in 1946 has been determined by the West Texas State College executive staff.

Under the plan adopted, summer classes will be of one hour duration and will be held five days a week. A total of twelve semester hours credit may be earned. Advantages of the plan include a single registration, one final examination period and one commencement.

However, some courses will be shorter than ten weeks, especially basketball games, Roy Bedichek, director of the University of Texas Interscholastic League, announces. The summer session will open June 4 and close August 14.
