

GATHERS TWO BALES AN HOUR—That's the record of this cotton picker, perfected by N. L. Tharp, Oliver dealer of Clovis and large farm operator in Farmer County. Tharp says at least five of these machines will be in operation in this section this fall.

Cotton Picking Machines Assured

Farmers of Farmer and adjoining counties who have pondered the advisability of planting cotton due to the prospect of a serious shortage of pickers this fall may dismiss that fear from their minds.

This was sound advice issued here today by E. M. Deaton, local gin man, who also is connected with other cotton gins over this section.

Deaton said he had received definite assurance that at least five power cotton pickers, now being manufactured by the Oliver company, will be in operation in this section when cotton is ready for harvest.

Picker Has Been Proven
The cotton-picking machine was perfected by N. L. Tharp of Clovis, and was used successfully on 90 acres of the crop north of Bovina, belonging to Tharp, last fall. By actual time, the machine gathered 90 bales of cotton from as many acres in an elapsed time of 54½ hours.

"And I ginned the cotton, and can say that it ginned as good as any hand-pulled cotton I ever handled, with no damage to the grade or staple," Deaton said.

Recently, the Tharp-designed machine was shipped to the Oliver factory to be used as a pattern in the manufacture of a large number of machines to be placed in use this year. The Oliver company has already given definite assurance that at least five of the machines will be returned to this area.

Urges Planting
"People need have no fear of getting their cotton picked when these machines are put in operation," Deaton observed, and urged "every farmer in the county to go ahead with plans to put in a large acreage of cotton this year.

The machine is past the experimental stage, Deaton emphasized, stating, "We know they'll work and do a good job, for they have already been tried."

Many farmers of the county will testify that past experiences have proved that cotton is always a good cash crop, and probably the best war crop that can be produced in this county. "We would have had no shortage of cottonseed meal in this county this winter if we had produced a good cotton crop," Deaton pointed out in observing the various by-products.

One farmer, Deaton said, has already announced his plans to plant 400 acres in cotton this spring, and gave it as his opinion that the cotton acreage in Farmer county would be tremendously hiked when the farmers of the county are assured that they will have means of gathering the crop.

Ten Accepted For Military Service

Out of a total of eleven selectees sent to the Lubbock induction center from Farmer County last Friday, 10 were accepted for service in the army and navy, according to the boys making the trip.

Mrs. Bessie Lee Henneman, clerk of the local board, stated today that she was not in a position to reveal the names of the acceptable selectees for the reason that she had not been officially notified as to the disposition of the men.

A dietitian says that breakfast should be eaten in silence. What chance has the hubby who was out late the night before?

Know Your Driving Rules? Boy Scouts Do

Motorists of Farwell discovered to their chagrin the past Saturday that the majority of them actually knew very little about traffic rules—or if they did know them, they were being disregarded, with the result that the Farwell Scout Troop, taking over direction of traffic that day, collected \$18.40 in fines.

Motorists who in the past have been guilty of violating almost every traffic regulation in the books, were reminded of their carelessness when a Scout mounted the running board of the car and directed "pull over to the curb", where a fine of 10 was assessed.

Practically no driver escaped the shrill whistle of the Scouts, from the county judge on down to the youngest teen-ager permitted to drive. Parking around the postoffice and failing to stop at the railroad

crossing were the most common violations.

One driver, after being stopped a couple of times, handed the Scouts \$1 and asked that he be left alone the rest of the day. A woman driver, carefully navigating main street, went to the intersection to make a proper turn, but failed to signal—and drew a fine. County officials were warning each other, only to discover that the other fellow had been stopped, too.

All in all, the day proved profitable for both groups participating: the Scouts for the funds raised, and to the motorists for the reminders of violations. Only two or three persons halted by the Scouts refused to cooperate.

Scoutmaster Bob Barton today expressed his appreciation to local people for their cooperation.

Texico Still Lags On Sale Of Bonds

Bond sales in the Texico precinct increased about \$4000 during the past week, but the quota for the precinct was still about \$5,000 short, according to figures released by Mrs. Lucy Brown, Texico postmaster and bond chairman of the precinct.

Sales Tuesday afternoon stood at a little over \$14,000, against a quota of \$20,000.

Mrs. Brown said that any E bond sales made during the remaining days of the month apply on the quota and urged those intending to buy bonds to do so at once. "We'd feel awfully bad if we were the only precinct in the county that failed to make its quota," she said.

BONDS DEDICATED

Miss Adabud McGuire at the Security State Bank, today released the names of the following bond dedications that had been listed with her:

Mr. and Mrs. Mose Glasscock to Bob Cantrell and James Bruce.

A. J. Bagley to Bert Bernstein and Dense Justice.

Betty June Hubbell to Edwin Foster.

Naomi Louise Hubbell to Austin Young.

Helen Joan Hubbell to James Bentley.

Mr. and Mrs. E. A. Hromas to Clinton H. Skaggs and W. E. Lovell.

Frankie H. Foster to Edwin Foster.

Ernest Foster, Jr., to Edwin Foster.

Mr. and Mrs. George Lindop to Devere K. Lindop.

Bonnie Marlene Foster to Edwin Foster.

H. H. Henson to Stafford Bradshaw.

Paul Roberson to Henry Young. Mrs. L. M. Grissom to Kenneth Grissom.

DRAFT BOARD TO MEET

The Farmer county local board will be in session here Saturday, it was announced today. The session will open at 2 p. m. and continue throughout the afternoon.

Local Business Man To Address Clubmen

M. C. Roberts, local successful grain man, will address the men of this community in their regular monthly meeting in the basement of the Methodist Church on Thursday evening of this week, it was announced today by C. M. Henderson, president of the Men's Club.

Mr. Roberts, an avowed anti-New Dealer, has agreed to keep politics out of his discussion and will bring to the Club a discussion on what some of the high-ranking men of the nation are thinking and saying today. Roberts has traveled extensively during recent months, and has conversed with some of the leading thinkers of the nation. It will be his purpose to bring to local ears some of the things these foremost thinkers are talking about "on the political and economic home front".

The customary luncheon will be served and those attending are asked to bring contributions. Coffee will be prepared by the Club. Mr. Henderson stressed the importance of giving a good hearing to the local speaker.

Calls Attention To Dog, Chicken Laws

Town Clerk W. L. Freeman today called attention to two Texico city ordinances that residents are asked to give more attention to than has been the custom in recent months.

He said that owners of dogs will be required to pay a license fee on each animal for the current year, which is \$1.00 per head, both for male and female.

Furthermore, he pointed out that many local people will soon begin their victory garden plans and persons owning chickens are reminded that they must be kept up, in compliance with an ordinance to that effect.

He added that the people of Texico had been very cooperative in regard to these two ordinances in the past when it was called to their attention, and he hoped for continued cooperation.

Mrs. Hubert Magness, of Friona, visited relatives here on Monday.

Oversubscribe Bond Quota

Red Cross Workers Named by Chairman

As the first step in laying plans for the annual county-wide Red Cross War Fund drive, County Chairman H. Y. Overstreet today named the workers in the various communities of the county who had been selected to assist in the drive. He said that officially the campaign would last through the entire month of March. Already, he reported, contributions are coming in, and he expressed the opinion that Farmer County would meet its quota of \$3100 with little difficulty.

Commenting on the large quota for this county, Overstreet observed that the activities of the American Red Cross are the largest in the history of the organization, "and it takes lots of money to carry on the work around the world".

The following co-workers have been selected to assist in raising the county quota:

Black, Mrs. Clyde Hays. Friona, Frank Spring, J. R. Roden. Lakeview, Mrs. E. L. Fairchild, Mrs. C. A. Guinn. Hub, Mrs. A. H. Boatman. Midway, Mrs. J. W. Crim. Lazbuddy, Bill Sherley. Lariat, Mrs. E. M. Deaton. Oklahoma Lane, Mrs. Ed McGuire. Rhea, Mrs. Floyd Schlenker. Parmerton, Mrs. Charles Turner. Bovina, Willie Williams, Mrs. Lady Barbee.

Workers for Farwell will be named next week, Overstreet added.

MEAL, CAKE SITUATION LOOKING UP IN COUNTY

A slightly improved cottonseed meal and cake situation is reported in Farmer County this week, the result of improved weather conditions and—most important—the announcement that four carloads of the protein feed are definitely headed this way.

The state office reveals that three carloads of cake and one of meal have been allocated Farmer County, two to come to Farwell, one to Bovina, and one to Friona. It was also indicated in a telephone conversation that a fifth carload might be assigned the county.

Dealers stated that some 10 carloads were allotted the county in January, to alleviate the critical feed situation, and one of these shipments is yet to arrive, which will help the February quota allowed thus far. Request has been made for 20 carloads of meal and cake during February.

Warmer weather has done a good deal toward helping out a serious situation, and if the meal continues to arrive in the county, it is believed that stockmen will be able to properly care for their herds.

Singers Of County Gather At Friona

The Farmer County Singing Convention will meet at Friona on Sunday, Feb. 20, it was announced here today by Harold W. Carpenter, president.

The group will gather in the grade school auditorium at 11 a. m., with the convention in session throughout the afternoon. Basket dinner will be spread at noon.

Among the visiting quartets to be in attendance will be the Sims' group of Clovis, and others. The Pickering family will also attend.

Officers of the association are: Harold W. Carpenter, president; Lester Kelly, vice president; Judge Lee Thompson, secretary.

Herd Owners Visit In Swisher County

With a view to considering stock for future purchases, a party of Farmer County stockmen and 4-H club boys were visitors in Swisher County the past week, accompanied by County Agent Garlon A. Harper. Harper said today that the group inspected herds at a number of Jersey farms in the county, but no purchases were made at the time.

In the party were Clarence Christian, Wendol and Donald Christian, L. M. Grissom, C. W. Grissom, Bill Foster, Billy Joe Foster, Sterling Donaldson, D. A. Donaldson, Scotty Gober, Kenneth Thompson and the agent.

LOSES CAR BY FIRE

Joe Lindsey lost his car, by fire, at an early hour last Friday evening a few miles east of here on the Lubbock highway. Joe says that he was returning from Muleshoe when he discovered the fire "all down around the engine". He expressed the belief that a short circuit was responsible.

Election Judges Named For Year

The Commissioners Court, in session here Monday, named the men and women who will serve as election judges in their respective districts during the year. Those named were:

Black: Jim Black, Clyde Hays. Friona: Howard Morris, J. C. Wilkerson, Mrs. O. F. Lange, Elmer Euler.

Bovina: Aubrey Brock, I. W. Quicquel, H. L. Tidberg, Ed Ross. Rhea: L. H. Hoffman, Robert Calloway.

Farwell: B. N. Graham, J. P. Tate, J. W. Magness, John Armstrong. Oklahoma Lane: Sam Sides, C. C. Christian, A. B. Wilkinson, G. H. Lindop.

Lazbuddy: John Gammon, Mrs. Albert Carroll, Mrs. Robert Kimbrough, Alex Jesko.

The commissioners also passed a resolution converting into acreage a 3-acre tract of land in east Farwell that had been in town lots. Current bills were ordered paid.

Baptists To Honor Persons In Service

A dedicatory service, honoring the men and women who are members of the Baptist Church and those who have frequently attended the church will be held next Sunday morning, Rev. W. C. Wright, pastor, announced today.

A plaque, bearing the names of the persons to be given special honor, will be presented and a short dedicatory program will be given, preceding the usual morning worship period. The public is invited to attend the service.

Agent's Work Subject Of Magazine Article

C. J. Doose, local agent for Continental Oil company, is receiving national publicity in the current issue of the Red Triangle magazine, publication of the oil firm.

Referring to Doose as a "profit planner", the illustrated magazine agent for his business success here since taking over the bulk plant in July 1937. Doose is also commended for the service he is giving farmers living in the Farwell area.

The Red Triangle has nationwide distribution.

File Applications For Dairy Subsidies Now

Persons who intend to file applications for dairy feed subsidies for the month of January and the first 17 days of February should do so in the immediate future, not later than the 17th of this month, Ellis M. Mills, of the AAA office, advised today.

At the present time, there are indications from Washington that all food subsidies will be dropped after February 17th, and "we have no assurance that applications for payment may be okayed after that time", was the way Mills put it.

CAFE OPEN TODAY

The Farwell Cafe, which has been closed the past few days, reopened this (Wednesday) morning. Mr. and Mrs. Benny McDonald closed the place of business while the building and all fixtures were being given a thorough renovation and redecoration.

HOME FROM HOSPITAL

Mrs. F. J. Park, who was confined in the Clovis Memorial Hospital the past week, was returned to her home in Farwell on Monday. She is reported to be improved.

Final tabulations in Farmer county's Fourth War Loan campaign, as compiled by G. D. Anderson, county chairman, reveal that Farmer exceeded its quota by \$55,313.35.

Total sales for all classes of bonds during the special period up to noon Tuesday showed that bonds in the amount of \$302,313.35 had been sold in this county against an overall quota of \$247,000. Purchases of E bonds amounted to \$195,531.35, with sales of all other bonds reaching \$106,782.

The E bond quota for the county was \$113,000, which was exceeded by \$63,000.

Anderson said that sales are continuing to pour in, and gave it as his opinion that total sales in the county would amount to another \$10,000 during the month of February. He explained that all E bond sales made during the month of February would apply on the county's quota. "Actually," he said, "the campaign officially closed on February 15, but any sales of E bonds will be counted until Feb. 29."

Rallies Lead Drive

With the county quota already in sight, rallies at Oklahoma Lane and Friona, previously scheduled, were held during the past weekend, resulting in sales that put the county far over the top. Sales at Oklahoma Lane on Wednesday night of last week amounted to \$5,155.

The Friona rally, final one to be held during the campaign, netted sales in the amount of \$35,621. First reports said that sales mounted to \$347,000 at the Friona rally, but these figures were not borne out in the tabulation released in the final accounting.

"It was a swell piece of work and the committee is most happy over the outcome," Anderson remarked.

Repair Clinic Will Be Held In Farwell

With a turnout of interested farmers at the initial meeting on Monday night of this week, announcement has been made that a machine repair clinic will be conducted in the Farwell agriculture department during the next 10 weeks.

T. A. McCuiston, head of the department, stated that the clinic would be held from 8 to 11 o'clock on Monday, Tuesday and Thursday nights of each week.

In addition, he announced that farmers who wish to do repair work may use the shop any time after 1 p. m. on school days.

Those interested are urged to attend as much as possible. A good mechanic will be in charge of the work, McCuiston added.

In view of shortages in replacement units and parts for all types of farm machines, coupled with manpower shortages in repair shops, the clinic is expected to draw a good attendance from farmers over the area. The Farwell ag shop is well equipped, and almost any type repair work can be handled.

Machine Applications In Excess Of Quota

"We're ahead of quota on applications for tractors, combines and grain drills," was the way Ellis M. Mills, at the local AAA office, summed up the effect of machinery ration quotas on Farmer County for 1944.

Mills went on to point out that there was little hope of the quotas for the county being hiked in the future, unless, he added "the talked-of 20 percent national increase is allowed", which would naturally raise county allotments.

To date, the committee has received a request for a row binder, and admit that "the county does not even have a quota for this type machinery".

Information from the state office was to the effect that all available binders had already been allocated to various counties, and unless some county cancels such an allotment, no binder quota will be given this county.

SELL TEXICO HOME

Mr. and Mrs. Mike Hill have announced the sale of their home in Texico to E. Stewart, with the new owner taking possession the first of the week. The Hills intend to reside in their apartment over the AAA office in Farwell until further business matters are disposed of, after which they expect to move to Glenrose, Texas.

Mrs. Bess Henneman and Mrs. Abie Crume spent the weekend in Amarillo with friends and relatives.

Cake and Meal

We have a limited amount of cottonseed cake on hand with more cars of cottonseed and soy bean meal and cake coming.

We are in the market at all times for grain sorghums, wheat, sudan, etc. See us before selling.

Farwell Bonded Warehouse

FARWELL PHONE 2481 TEXAS
E. M. Deaton, Gen. Mgr. W. D. Moore, Local Mgr.

Mrs. Hayden Cason was a business visitor in Amarillo over the weekend.

Mr. and Mrs. S. E. Morris and family visited in Muleshoe, the past weekend.

Thanks for a job well done!

Again, the people of Parmer County have demonstrated in a magnificent manner that they are keeping faith with the boys at home and abroad, on land, on sea and in the air, who are bearing our colors and pressing the battle to the enemies of democracy and decency. By oversubscribing our bond quota with such heavy odds, you have again proved to the boys that we of Parmer County are behind them.

The Parmer County quota was \$247,000. But the people of this county would not be satisfied with merely meeting their assignment. Instead, they met the askings and then topped it off with an additional \$55,313.35. That's the spirit that will demonstrate to Hitler and his gang of cut-throats that we are in dead earnest about this war.

We have all worked hard—it was a hard task. But the joy of accomplishment overshadows any sacrifice or

work we have done. We are thrilled with the results!

We want the people of Parmer County—from the smallest stamp buyer to the largest purchaser of bonds—to know that we are sincerely grateful for your support in this great cause. We are especially grateful to the outside talent, including Lt. Yates, Sgt. Bob Bertram, Cpl. Kelly Glazer, Cpl. Curley Cardinal, Cpl. Al Brewster of the Clovis Army Air Base, and Cpl. Ward and his company from the Amarillo Air Base, for their assistance in rendering programs at the various rallies throughout the county. And in a special way, we want to thank Col. Simpson of Amarillo, for his help.

Neither, are we unmindful of the local talent, the school children, the ladies of the county and others who gave their services so unselfishly in the accomplishment of a great task—and who share with us in rejoicing over the victory!

Parmer County War Bond Committee

Say, Pard

Even though they are short-handed, I've found that the boys at the Phillips Service Station in Bovina will come nearer giving you speedy and satisfactory service than any place I've pulled my hoopie into lately."

Yes, most of our former help is wearing the uniform today, but we're still carrying on, giving you the best service possible. Drive in for gas and oil, and leave your orders here for farm deliveries.

Local Happenings

Formal Dinner Class Social Highlight

One of the most elaborate events of the current social season was held the past Saturday night at Hotel Clovis, when seniors of the Farwell school, with their guests, enjoyed a formal dinner.

Stressing the Lincoln birthday motif, nut cups were patriotic in color, with tiny flags used as place cards. Spring flowers were arranged on the tables to harmonize with the arrangement, and favors were tickets to the midnight preview at the State theatre.

Entertainment for the evening was provided by Cpl. Kelly Glazer, Cpl. Curley Cardinal, Cpl. Al Brewster, and Sgt. Bob Bertram, all of the Clovis Air Base. Miss Theda White, as president of the class, presided as toastmistress.

Seated at the tables were Misses Jean Ann Hart, Tommie Ruth Shelly, Marilyn Claire Anderson, Peggy Williams, Theda White, Mary Bobst, Clara Gloyna, Joyce Sheegogg, Marjory Moore, Irene Burgess, Margaret Bigham, Edith Neill, Berthamie Thomas, Maxine Hughes, Nancy Lovelace, and Joan Booth; Supt. and Mrs. J. T. Carter, Mrs. Ruth Joss, Muggins Graham, Glenn Phillips, Vernon Symcox, Arlon Lovelace, Halcut Stone, Gordon Hastings, Wilbert Kalbas, Bert Williams, Junior Harding, Kenneth Hughes and Pete Booth.

Soldiers Honored With Dinner on Thursday

Sons of Mr. and Mrs. Chester Magness, Pfc. Earl Magness of the AAF, Roswell, and Pvt. Raymond Magness of Camp Ellis, Ill., were honored with a dinner Thursday night at the home of their parents.

After the covered dish supper was served, the evening was spent in visiting.

Present were Mr. and Mrs. Tom Foster, Mr. and Mrs. Sterlyn Billington, Mr. and Mrs. Joe Magness, Mr. and Mrs. S. E. Magness, Jr., Mr. and Mrs. J. D. McMillian, Mr. and Mrs. Willis Magness, Pfc. and Mrs. Earl Magness, Pvt. Raymond Magness and the host and hostess.

Birthday Dinner Given Linda Sue Mills

Little Miss Linda Sue Mills celebrated her eighth birthday on Monday, when a dinner was held at the home of her parents, Mr. and Mrs. Ellis M. Mills.

The Valentine motif was predominant in table decorations, and the elaborate birthday cake was shaped like a figure "8".

Enjoying the dinner were Eva Ann and Nita Nell Paul, Paula Sue Arnold, June Breeze, Lucile Williams, Norma Jean Jacques and the honoree, Linda Sue Mills.

Summers Twins Are Five Years Old

Mrs. R. B. Summers and Mrs. Lester Vincent entertained in the Summers home, February 10, honoring Elaine and Jerry Wayne, twins of Mr. and Mrs. Summers, on their fifth birthday.

Games were played, with an amateur radio hour being the highlight of the evening. Participating on the "program" were Glenna Ruth Davis who read; Elaine Summers, who sang two numbers; and Pat Pigg, Jerry Wayne Summers and Joe Elaine Magness, who enacted a story.

Many lovely birthday remembrances were received by the two young honorees, after which the lighted birthday cakes were presented the twins and the guests sang "Happy Birthday", assisted by Mrs. Bill Hubbel.

Ice cream and cake were served to Delores Low, Pat Pigg, Jeanette Lindop, Beverly Joy Hubbel, Joe Elaine Magness, Trudy Magness, Jerry Dale Summers, of Clovis, Glenna Ruth Davis and the twins.

Sending regrets were Pat Aldridge, Arlon Lee Smith and Jackie Bell of Clovis.

Mothers attending were Mrs. Keith Pigg, Mrs. Tom Lindop, Mrs. Bill Hubbel and Mrs. Joe Magness.

Mrs. Joss Directs PTA Program

Mrs. Ruth Joss was in charge of a program presented by Farwell students on the "Constitution", last Thursday night, when the Parent-Teacher Association met at the school.

Preceding the program, the entire group repeated the preamble to the Constitution. A clever quiz on constitutional origin and history was presented by Duane Sprawls, Peggy Schleuter, and Marjory Moore. Mrs. Hazel Atchley led the group in several songs.

Due to the absence of the president, Mrs. J. D. Thomas, as vice president, was in the chair. During the business meeting, the group voted to spend \$100 for new library books for the school.

Supper Slated For February 22nd

The annual Washington birthday dinner sponsored by the WSCS of the Methodist Church will be held in the church parlors, Tuesday evening of next week.

Serving will begin at 7:30. Offerings will include stew waffles and coffee, Boston brown bread and baked beans, pie, cake and ice cream, all at nominal prices. The public is invited.

Visitors Here

Mr. and Mrs. Johnnie Ogletree and son, from California, have been visiting in the home of Mr. and Mrs. E. U. Billingsley. Mr. Ogletree has departed to report for duty at Pearl Harbor. Mrs. Ogletree and son will remain with her parents.

Watkins-Laitinen Vows Read in Washington

Mr. and Mrs. C. T. Watkins returned the first of the week from Port Angeles, Wash., where they attended the wedding of their son, Gilbert Watkins, AMM3-c, of the Coast Guard, and Lempi Laitinen, S1-c of the SPARS, performed on February 5.

The double ring ceremony was read by Rev. H. R. Cederberg of the First Baptist Church of Port Angeles.

Given in marriage by Donald McLean, the bride wore a white satin gown with close fitting bodice and a full skirt, which extended into a long train. Her fingertip veil was caught by a wreath of white lilies of the valley, and she carried a bouquet of white roses.

The maid of honor, Louise Thomas, S1-c of the SPARS, was dressed in blue net and taffeta, and carried a bouquet of yellow roses. Barbara Jones, S1-c, who served as bridesmaid, wore pink jersey and white net, with pink roses as corsage.

Mrs. Watkins, mother of the groom, wore a navy blue dress with a corsage of red and white roses. O. K. Ott, AMM3-c, attended the groom, and Robert Evanson and H. Hackett, both of the Coast Guard acted as ushers.

The bride is the daughter of Mr. and Mrs. Asarias Laitinen, of Gardner, Mass., and is stationed in Washington, as is Mr. Watkins.

Program Given On Valentine Evening

A Valentine program and social evening was held at the Methodist Church on Monday evening, by members of the junior and high young people's departments of the church.

Included on the program was "America" sung by the group with Mrs. W. W. Vinyard at the piano; a piano solo by Joan Booth; vocal solos by Mrs. W. H. Graham, Nancy and Marcia Anne Johnson; violin solos by Rosamond Booth and Rev. Paul Tripp; and a violin duet by the two.

Sponsored as a money-raising campaign to provide funds for the departments, each guest had received in advance a "heart" which was turned in at the door bearing a small cash contribution.

Clarence Summers Is Birthday Honoree

Mr. and Mrs. R. B. Summers were host and hostess to a group of friends who gathered in their home February 7th, honoring Clarence Summers on his birthday.

Games were played and to climax the evening the large birthday cake bearing lighted candles was presented to Clarence.

Refreshments of ice cream and cake were served to Muggins Graham, Notoma Hodges, Norma Jean Thomas, Duane Sprawls, Joan Booth, Glen Phillips, Bob Sudderth, Peggy Schleuter, Theda White, Halcut Stone, Mary Lorraine Hicks, Elton Young, Billy James Moore, Don Summers, Bertha Gast, the honoree and Mr. and Mrs. Lester Vincent.

NEWS FROM OUR BOYS IN CAMPS

AT FORT ORD

Pvt. Gilbert Schueler, who has spent the past year in Washington, is now receiving special training at Fort Ord, Cal., but adds, "I still think Farmer County is the best place in the USA". Schueler is with the MP division.

GETS SECOND STRIPE

Jess Herbert Pipkin, son of Mr. and Mrs. O. B. Pipkin of this city, writes his parents from near Memphis, Tenn., where he is on maneuvers, that he has been given a corporal's rating. He is a paratrooper.

NOW NURSE CADET

Miss Jaquetta Lee Strickland of this city, has been promoted to a nurse cadet and writes her folks that she is "seeing a good many of the big-wigs" in her camp. She is in training at Houston, Tex.

IN BOOT CAMP

Pvt. Buster Gast, who was inducted from Clovis recently, has been assigned to the navy and sent to San Diego, Cal.

IN ITALY

S-Sgt. Carl Bullock has had a recent change in his APC number, which leads relatives here to conclude that he has been moved from Africa to Italy.

ANOTHER JONES IN

W. H. Jones, formerly of this city and now of Clovis, sent his fourth son to the army, with the induction last week at Santa Fe, of Pvt. Paulie Jones. Paulie formerly worked for The Tribune, but has been in Clovis the past four years.

COMPLETES COURSE

News comes from Sheppard Field, Tex., that Henry W. Finley, son of Jim Finley of Oklahoma Lane, has completed an intensive course in airplane mechanics at Sheppard Field. Before entering the school, Finley received basic training at one of the basic training centers of the AAA technical training command.

GETS DISCHARGE

Bill Flippin, of Friona, has been given a medical discharge from the navy after nearly two years of service. Bill was in the Seabees, and had attained a machinist mate first-class rating at the time of his discharge. He received a bad foot injury while working on a caterpillar tractor in the Hawaiian Islands a year ago. Five bones were broken when his left foot got caught between the track and wheel of the machine. "But I'm lucky," he smiles, adding, "you ought to see some of the other boys".

TO NAVY

A. G. Acker, formerly of Farwell and who has been attending A&M recently, is here this week on a short visit with friends before entering the Navy.

VISITS HERE

Lt. and Mrs. Jimmie McElroy visited briefly with relatives in Texico and Farwell, on Monday. They were enroute to Louisiana, where Lt. McElroy will be stationed, after having spent some weeks in California.

GUEST OF SISTER

Lt. Kenneth Neill was a visitor here last weekend, the guest of his sister, Miss Edith Neill, of the Farwell faculty. Lt. Neill, who recently received his wings at San Angelo, was enroute to Virginia on his new assignment.

FINISHES BASIC TRAINING

Cadet Rollin E. Morse, son of Mr. and Mrs. B. F. Morse, of Linn Creek, Mo., formerly of Farwell, has recently completed his basic flying training course and was graduated from Harana AAF at Tucson, Ariz.

Wedding of Former Local Girl Held

Nuptial vows for Miss Lorraine Danner, formerly of Farwell, and Carrol Cochran were read at the First Baptist Church in Fort Worth, February 6, with Rev. George Norris officiating.

The single ring ceremony was used. Attendants were Mr. and Mrs. Minter Box of Abilene and Miss Alta Mae Grater, of Abilene.

A beige street length dress was worn by the bride, with a corsage of carnations. Daughter of Mr. and Mrs. G. C. Danner of Bovina, the bride was a resident of Farwell for several years. She was employed by F. W. Woolworth in Clovis for some time, being transferred to Abilene last fall.

Mr. Cochran comes from Sudan. He was commissioned in the Air Corps, but recently received a medical discharge. At present he is employed at the North American Aircraft factory in Fort Worth, where the couple will reside.

Ruth Sunday School Class Has Party

The Ruth Sunday School Class of the Baptist Church held their monthly social at the home of Mrs. Jack White, Monday night, in the form of a Valentine party. Mrs. Harry Whitley was assistant hostess.

Refreshments of punch, sandwiches and heart-shaped cookies were served to Mesdames John Lockhart, Luther Moss, Judge Stone, Owen Ford, Alvenia Sharpe, John Porter, and Miss Elizabeth Preston.

Valentine Party Is Held Saturday

A Valentine party for the beginner-Primary department of the Methodist Sunday School was held on Saturday afternoon at 4 o'clock, with the youngsters gathering at the church.

The group played games and made and exchanged Valentines, after which they were served heart-shaped cookies topped with pink and soda pop.

Home From Temple

Roy Thornton returned Thursday from Temple, Texas, where his wife is receiving medical treatment at Scott and White. Mrs. Thornton is reported improved, but will be confined to the hospital the remainder of this month.

Lutheran Ladies Aid Has Gathering

The Lutheran Ladies Aid met last Wednesday afternoon in the home of Mrs. M. Krieger.

The meeting opened with a scripture reading. After a business session, delicious refreshments were served to Mesdames E. Kellberg, E. Kube, H. Daude, Mary Kube, E. Ramm and Miss Velma Kube.

The next meeting will be with Mrs. Ben Kube on March 8.

Mrs. Margaret Knox has gone to California to visit her husband, who is in the army.

Pvt. Glen Bishop, of the Amarillo Air Field, visited with Mr. and Mrs. B. J. Brown here on Monday.

Mr. and Mrs. N. L. Goldsmith are the parents of a baby girl, born on Monday night at the Clovis Memorial Hospital.

Mr. and Mrs. Mack Nobles, of Amarillo, visited last Wednesday with his parents in Farwell.

Farming Talk

By GARLON A. HARPER
County Agricultural Agent

Texas A. & M. Extension Service

Farmer County has been selected to represent this Extension District in a new 4-H Club Contest. This is a hog sanitation contest, which gives the 4-H club boys who participate a real opportunity to do some good progressive work in hog production.

Five boys will be selected out of the county to participate in the contest. These boys will be selected on the basis of their knowledge of proper methods of swine production and on the attitude of the boy and his parents toward club work.

Each of the boys will receive, FREE, 30 sacks of cement which he will use in construction of swine sanitation improvements—such as concrete hog wallows, concrete feeding floors, concrete farrowing house floor, or other needed improvements. The boys will take the cement and built improvements they think are most needed on their farms. At the end of the year the work of the five boys who have been selected to participate in the contest will be judged by a committee of farmers from this county.

Basics to be used in naming the boy who has done the most outstanding demonstration will be (1) skill and ingenuity shown in construction work and (2) results achieved in

satisfactorily raising a litter of pigs by using these improvements.

Farmers can go a long way in getting around the present rather unfavorable hog situation by proper swine sanitation which will reduce production costs and will allow the farmer to market hogs sooner. Results from this contest should be of considerable assistance in getting this idea across to our farmers.

The winner in the county contest will receive a \$50 War bond and his records will be entered in the state contest for competition with winners from the 11 other districts. The state contest winners will receive for first, second, and third awards a \$100, a \$50 and a \$25 war bond.

I believe this is an ideal contest and one which should receive a lot of attention from our 4-H club boys. Any boy who wishes to enter the contest should advise me immediately and he will be considered.

Remember that this contest will do three things for the boys who enter: (1) give information which will enable him to produce better hogs for less money; (2) give free to each 30 sacks of cement; and (3) give the boys an opportunity to win some very nice awards.

If your boy is interested in this contest why not give him an opportunity to learn some things which will make him a better hog farmer than you are?

Season Finale Held At Pleasant Hill

The windup of the current cage season, with the exception of county and district tournaments, was held by the Texico teams on Friday night of last week, when the two met the Pleasant Hill aggregations on that court.

The boys went out ahead in a fast scramble, 19-17, to end the season with a win, while the girls were dropped 14-22, in a game that never proved dull.

Scoring between the girls' team was close until the last quarter, when loss of Betty Flye through fouls threw Texico out of gear. Hall turned in one of the best games of the year at guard.

Pleasant Hill came near upsetting Texico's applear in the last few seconds of the boys' game, by knotting the tally. Bowers broke the tie and saved the day. Incidentally he sank 14 of the 19 points made during the game.

Brackets Drawn For Curry Cage Tourney

Drawing for bracket placements of the Curry County cage tournament, to be held Feb. 18-19 in Clovis, were made the past weekend.

Both Texico teams drew a bye in the opening round. The boys face the winner of the Pleasant Hill-Melrose game at 4:10 Saturday, while the girls open their round at 12:10 Saturday, meeting the Grady-Pleasant Hill winner.

Grady and Rosedale meet at 10:10 Friday morning, the winner to take on Ranchvale at 3 Saturday. Finals in the boys bracket will be at 10:10 Saturday night.

For the girls, Field and Rosedale meet at 3:30 Friday, with Ranchvale playing the champ at 11 Saturday. Finals are at 9:30, Saturday night.

Hours given above are Texas time.

Fischer and West have been named as referees.

Tentative lineups for Texico are: boys—Bowers, White, Roop, Drace, Paul; girls—P. Flye, B. Flye, Hall, Williams, Caldwell, Brown.

The bracket has also been drawn for the district tournament, boys only, which will be played in Portales Feb. 24-25-26. Drawings will be listed in The Tribune next week.

Rigid Restrictions Put On Mail to Prisoners

New restrictions which have been announced for mail to American boys held as prisoners of war in camps under German control have been received here. Officials have urged that all persons sending mail to such addressees check the following regulations carefully.

Mail headed for German camps will not be delivered if it bears endorsements or slogan such as "V for Victory", and such characters as postoffice cancellations reading "Buy U. S. Savings Bonds Ask Your Postmaster", or stamps with patriotic themes.

Letters properly enveloped and sealed and postal cards addressed to prisoners of war shall be placed by the sender in an outer unsealed envelope (requiring no postage), addressed to "Postmaster—Prisoner of War Mail". The letter will be removed from the outer envelope by post office employees and forwarded without postmarking. It will be dispatched to the New York office for censorship treatment. Letters and cards may be handed to clerks at windows without the outer unsealed envelope, and when so received will likewise be forwarded without postmarking for censoring.

The instructions apply to air mail as well as ordinary mail.

Since postage on letters and post cards sent by air mail to prisoners of war in Germany must be prepaid, particular care should be exercised to see that stamps containing slogans or patriotic themes are not used.

Parcels sent to prisoners must have the "Next-of-Kin" label affixed and prepared in accordance with instructions of the Provost Marshal General. In no circumstances will packages be accepted if on the wrapper appear the objectionable endorsements.

The term "prisoner of war" also includes "civilians" interned in Germany.

SANTA FE CARLOADINGS

Santa Fe system carloadings for week ending Feb. 12 were 21,501 compared with 20,453 for same week in 1943. Cars received from connections totaled 13,174 compared with 12,232 for same week in 1943. Total cars moved were 34,675 compared with 32,685 for same week in 1943. Santa Fe handled total of 35,963 cars in the preceding week of this year.

FSA Lists Repayments By Borrowers in '43

Nearly 50 percent more money was repaid to the Farm Security Administration in this region during the last fiscal year than was loaned by the agency, Wilbur B. LeVeque, local supervisor, said today. FSA loaned \$3,517,422 in the region, and borrowers repaid \$5,049,339.

These figures are part of the complete record being given district supervisors by regional director Ray E. Davis.

Region 12 comprises New Mexico, the Oklahoma Panhandle and the western portion of Texas.

"We believe these repayment figures afford ample proof of what financial assistance plus supervision will do for any small farmer," LeVeque said. "Such a repayment record means that the contribution of these people to the nation's food production effort was enormous."

The farm ownership division of FSA, which makes loans to help tenants become landowners, also will show a remarkable repayment record, according to Mr. Davis' report. The regional director declared that most of these borrowers were on the variable payment plan, enabling them to make larger payments in good years and smaller payments in bad years. As a result, many are as much as 15 years ahead of schedule on repayments. Six borrowers paid off FSA loans in full last year, entirely from farm earnings.

Truck Expansion Must Be Approved by ODT

The Office of Defense Transportation in Lubbock reminded today that any expansion of trucking operations must have the prior approval of the ODT.

Under the order, a motor truck operator seeking to expand operations must apply to the ODT district office in which his headquarters are located.

Approval of an extension or inauguration of trucking service will be given only (1) when such service is necessary to the war effort or the maintenance of essential civilian economy; (2) when it cannot be performed by existing means of transportation or when existing service is not as convenient or expeditious as the proposed service and a positive need is shown, or when it will conserve existing facilities to a degree outweighing in importance the added use of new facilities; and (3) when the proposed service will contribute directly and in important degree to the war effort or is needed to sustain health and welfare of civilians; or when the new service can be furnished without additional demands on critical materials or manpower outweighing public benefit from the new service.

The district manager may issue, pending disposition of written applications, an emergency order of approval for a period of no more than seven days, and renewals or extensions when the need is demonstrated.

The ODT emphasized that the district manager may rescind any order approving expanded trucking operations when the facts upon which the order was issued were misrepresented, or when conditions which warranted issuance of the order no longer exist.

The order applies to all rubber-borne trucking operations—common, contract and private carriers.

Navy Urges Use Of V-Mail Letters

If your letter is to go overseas, write V-Mail, because greater use must be made of V-mail or it may become necessary to discontinue carrying other personal mail overseas by air.

This warning, contained in a letter from the Chief of Naval Operations to all ships and stations of the U. S. Navy, was made public by the Navy Public Relations Office.

Overseas operations are taxing air mail transportation facilities severely. V-Mail takes up less than 2% of the space and weight of regular mail. Unless the majority of letters to and from personnel overseas go by V-Mail, there is the likelihood that air cargo space will be insufficient to accommodate even a small percentage of unfilled personal mail.

V-Mail is now receiving first transportation consideration over all mail except officer messengers and official registered air mail.

Truck Replacement Outlook Is Dark

A recent survey of commercial equipment in the Lubbock ODT district shows 13,641 farm vehicles in the area, which is composed of 36 counties, 3 in New Mexico and 32 in Texas. These units, ODT warns, will be called upon during coming months to assume a tremendous burden of moving farm products—and replacement will be negligible.

In no case, will replacement of the units be in excess of approximately 3%, or 3 new trucks for each 100 now in operation, Richard E. Wood, manager of the Lubbock office, points out.

Increasing age of farm trucks and shortages of replacement parts and manpower for repair and upkeep

will likely be felt in a similar way this year in handling the crop, the directed added, urging that every farmer treat his truck as if it were the last one obtainable for the duration.

Farmers are further urged by the ODT not to consider sale or transfer unless it is absolutely necessary.

TO HAVE FIELD DAY

County Agent Garlon A. Harper said today that he would be in Levelland, Hockley County, on Thursday of this week, attending a special field day meeting of agents in the district. Principal demonstration of the meeting will be on terracing.

LOSES TIP OF FINGER

Kenny, 2½ year old son of Mrs. Johnie Ogletree and grandson of Mr. and Mrs. E. U. Billingsley, lost the tip of one finger and had another badly mashed when his hand became caught in the belt of an electric separator.
