

Secret Army-Navy Headquarters in East

America's eastern seaboard is guarded by a closely co-ordinated defensive and offensive system, by land, sea and air, with leaders working in unison at secret headquarters somewhere in the New York area. Above are two views of army and navy commanders conferring in the plotting room of the secret joint headquarters. (Official U. S. army and navy photos.)

Annual Junior Stock Show at Friona

At Last, New Fire Truck Now Certain

Fire Chief Ira Selman and his fireboys were in high glee Tuesday, when it was definitely decided that the department was soon to have a new—and badly needed—fire truck. Selman said that he expected delivery on the truck to be made about the 10th of March. The truck is being purchased from the City of Electra, Texas, and will be released to the local department when a new machine arrives there within the next few days.

Chief Selman and Assistant Fire Chief A. C. Green went to Electra the latter part of last week to inspect the truck, then under consideration. Selman said that some repairs and replacements would be necessary before the machine would be ready for top service. The truck being brought here is not a new truck by any means, but Selman stated that "it is plenty able to do anything that we might need here".

Rationing Board Will Handle Sugar Quota

Members of the Farmer County Rationing Board had a "sweet job" assigned them this week, with the announcement that they would take over the duties of rationing sugar to Farmer county residents. Chairman John Armstrong of the Rationing Board, stated early this week that the school teachers of the county would issue only the initial sugar rationing cards to users of the county, and once the cards are issued, it will be the duty of the Rationing Board to deal out sugar quotas in the future.

Mrs. Cassidy Passes; Buried At Dimmitt

Funeral services for Mrs. Mary Etta Cassidy were held at the Baptist church here Sunday afternoon, with Rev. P. J. Ausmas, primitive Baptist minister of Lubbock in charge, assisted by Rev. W. C. Wright of the local Baptist church. She was 76 years old.

Mrs. J. H. Martin To Leave Here Saturday

Mrs. J. H. Martin, for more than twenty years a resident of Farmer county, and for the past several years assistant postmaster in the Farwell office, has announced that she is resigning her position effective on Saturday, February 28th. In making the statement, Mrs. Martin added that she had made application for a government position as bookkeeper and accountant, and was due to take her final examination in Amarillo on Saturday. If she is accepted, it was believed that she would be offered an appointment either in Abilene or Fort Worth.

3-A Classifications To Be Reconsidered

The Farmer County Selective Service Board will meet Sunday afternoon, to begin reconsideration of men now in 3-A classification, with the view of determining how many in this group should be placed in Class 1-A. This decision was reached here this week on receipt of instructions from the State Selective Service office to the effect that unless a dependent was a "dependent in fact" the registrant should be reclassified. It was estimated by members of the local board that at least 75 percent of the Farmer county registrants were now in class 3-A, and that several weeks would be required to reconsider the entire list. Board members explained that reconsideration of registrants would begin at the lowest order number and work up.

COMMISSIONERS MEET

The Farmer County Commissioners' Court was in session here Monday. The only business transacted, according to the records, was routine matters, including the payment of regular current bills and the approval of Sheriff Earl Booth's expense account for the month of January, in the amount of \$449.00.

FFA SHOW CONSIDERED

T. A. McCutcheon, head of the Farwell vocational agriculture department, announced today that the FFA boys are considering a combination stock and poultry show, probably for Saturday, March 14th. The sponsor added that definite details were not yet arranged, with further announcements to be made next week.

Folks who mistreat health for years shouldn't be surprised to wake up some day and find it has left.

License Is Required For High Explosives

D. K. Roberts this week announced that he was in receipt of a communication from R. R. Sayers, of the Washington, D. C. Bureau of Mines, to the effect that he had been appointed Farmer county explosives licensing agent. Along this line, Mr. Roberts went on to say that under new regulations, any vendor, purchaser or firearm wishing to use high explosives in any manner is now required to secure a license.

WINS DISTRICT AWARD

Announcement has been made locally to the effect that Mary D. Christian, Oklahoma Lane senior 4-H club girl, placed first in District II in the State Scholarship contest. This is the first year that Farmer county girls have competed for honors outside the county, and undiscouraged by the fact that none of the six top prizes were captured, Mary D. and Oleta Thompson, also of Oklahoma Lane, have entered the contest again for 1942. Mary D. has enrolled as a victory demonstrator, and Oleta as food demonstrator. The victory demonstration is a new pledge to be carried out by Uncle Sam's "land army" for the duration. Briefly, a victory demonstrator agrees to produce food, take care of everything, and help her neighbors.

EVANS REELECTED

The Oklahoma Lane school board has re-elected C. E. Evans as superintendent for another term, it was learned here this week. Mr. Evans is now serving his second year as head of the Oklahoma Lane school system.

TO SAN ANTONIO

Miss Freda Acker, who for the past year has served as secretary in the office of J. D. Thomas, local attorney, left this (Wednesday) morning for San Antonio, where she has received a Civil Service appointment at Duncan Field, to serve as clerk-typist. She was accompanied to San Antonio by her mother, Mrs. N. C. Smith, who will remain with her for a few days before returning home.

Recapping Restricted

Information received here this week is to the effect that recapping and retreading of automobile tires is also under the ban, and that such work can be obtained only on certificates issued through the Rationing Board. Armstrong stated that as yet his office had not received enough information on the subject to know who would be eligible to obtain recapping jobs. Previously, it had been announced through the local office that the sale of new cars would be handled through the Rationing Board. Armstrong explained today that the purchaser had to produce a contract, with supporting data, showing that the car was contracted for before the first of the year in order to issue a new car purchase permit. He said so far, only one such deal had been brought to the attention of the local board.

Tire Quota Exhausted

He said that only two light truck tires remained in the February quota for the county—and 23 applications were on file for tires of this type. Who will get these two remaining tires will be decided when the board meets today (Wednesday). Three light tubes, 6 truck tires, and 22 truck tubes remained in the county quota on Tuesday. The following certificates to purchase were issued on Wednesday of last week, when the board was in session here:

- L. T. Camp, 1 tractor tire and tube.
- Myron Hillock, 1 tractor tire and tube.
- Ward Thompson, 1 tractor tire.
- W. M. Sherman, 1 tractor tire and tube.
- B. E. Roberson, 1 implement tire.
- Mrs. E. R. Day, 1 passenger car tire. (mail carrier).
- Henry L. Ivy, 2 tractor tubes.
- Henderson Grain & Seed Co., 1 truck tire and tube.
- Jack Dunn, 1 obsolete tire and tube.
- W. E. Fallwell, 1 truck tire.
- Paul G. Renner, 1 truck tire and tube.
- J. R. Thornton, 2 obsolete tires and tubes.
- M. H. Sylvester, 1 obsolete tire.
- E. M. Deaton, 1 truck tire and tube.

First aid has been prominent on programs for most 4-H club girls' encampments this year.

With entries open only to boys who are members of the county 4-H or FFA clubs, the annual Farmer county livestock show has been set to be held March 6th and 7th at Friona, marking its eighth year as a feature attraction in this county.

J. T. Gee, head of the Friona vocational agriculture department, announced here today that calves and swine were the only animals that would be on exhibit.

Any boy in the county who falls within the age limits of either 4-H or FFA organizations, and who is a member of one or the other, or both, is eligible to put his stock on display at the show, with the deadline for entries being set at 1 p. m., Friday, March 6th, the opening day of the show.

The show, as is customary, will be held in the Friona bus barn, and the affair is being sponsored by the Lions Club of that city, it was revealed.

Although no announcement as to the judge for the show was made, Gee did report that all awards would be in defense stamps, ranging from \$5 for first prize down to \$1 for fifth rank.

Exhibitors of the grand champion and reserve grand champion hogs of the show will be given a registered gilt pig each, he added.

Classes Given According to Gee, the following classes have been arranged for entries in the show:

- Calves: One class only.
- Swine:
 - a. Fat litter.
 - b. Sow and litter.
 - c. Sows.
 - d. Bred gilts.
 - e. Open gilts.
 - f. Fat pigs.

Along with other regulations, Gee specified that officials had ruled that no animal was to be allowed to be moved from the show barn prior to 4 p. m., Saturday afternoon.

Judging will be done on Saturday, at which time the largest crowd is expected, officials have indicated.

In order that booths may be arranged, officials of the show have asked that all boys who plan to exhibit either calves or swine, or both, make their entries known as soon as possible.

New Plan Offered To Replace Sticker

Autoists who have been unfortunate enough to lose their Federal tax stamp will be glad to learn that provision has been made to remedy the situation in which they find themselves.

Mrs. Noma Lokey, Farwell postmaster, announces that blanks may be obtained at the local postoffice for making affidavit to the effect that tax stamps have been lost. These affidavits, when properly executed, are sent to the collector of internal revenue at Dallas.

If the records in Dallas show that the applicant has purchased and paid for an auto stamp, a certificate will be issued in lieu of the lost stamp, she said.

IS TRANSFERRED

R. B. Ezell, who just the past week received his initial appointment as an FSA assistant supervisor, located in the Farwell office, was transferred to Plainview over the weekend, taking up his work there Monday morning. No information as to when a new assistant would be available for Farmer county was obtainable locally.

For a better class of job Printing

Don't Get Excited About Classification

With the hope of saving registrants within the military age from making undue and unnecessary sacrifices on the theory that they were soon to be drafted, W. H. Graham, chairman of the Farmer County Selective Service Board, this week issued the following statement: "It has come to my attention that some boys who believed themselves soon to be drafted have suffered material and unnecessary losses, when, as a matter of fact there was no occasion for the sacrifices they have made.

"For example: A Texico boy recently disposed of all his possessions at a sacrifice on the belief that he was soon to be placed in the army. When he was examined at Lubbock, he was rejected—but it was too late then to recover the losses he had taken in disposing of his effects.

"The mere fact that you might receive a 1-A card should not be considered as definite evidence that you are to be drafted. That is merely a step in the classification proceedings. UNTIL A REGISTRANT IS ACCEPTED AT THE ARMY EXAMINING STATION, he should not consider himself a 1-A man.

"Even after he passes at Lubbock, it generally requires 30 days before he can be inducted. And present regulations provide a 30-day postponement of induction on acceptable grounds to give the registrant sufficient time to arrange his personal affairs. This postponement must be asked for in writing and filed at the Selective Service office.

"Under normal proceedings, 60 days (including a 30-day postponement, if it is wanted) will elapse from the time a registrant is accepted at Lubbock before he can be inducted.

"Don't take the other fellow's word for anything. He might be sincere in all his statements—but in error. Get the facts by calling at the office of the local board."

FSA Group Meeting Called For Thursday

Jess Coleman, supervisor of the Farmer county Farm Security office, today announced that another in the series of group meetings for FSA clients would be held in the local office on Thursday of this week, February 26th.

The meeting will be for the purpose of taking application for supplementary loans, the supervisor has announced, and those expected to attend were notified the first of the week. The meeting will begin at 9:30.

UNDERGOES OPERATION

Mrs. Mulkey Ezell, daughter of Mr. and Mrs. Roy B. Ezell of this city, underwent a major operation at the Morgan and White clinic in Clovis, the past weekend. She was believed recuperating the first of the week.

BURIED AT LITTLEFIELD

Jacob Ray Hopping, 41, was buried in the Littlefield cemetery on the afternoon of Feb. 13. He died in a Lubbock hospital the day before.

Hopping formerly lived here, and was the son of Cope Hopping, who served as Farmer county sheriff for five terms, many years ago. The Hoppings left here back in 1918.

Fourteen Boys Pass Lubbock Army Exams

Only 14 of the thirty Farmer county registrants who were sent out for their final physical examination on last Saturday were accepted at the Army examining station, it was learned here Monday.

Explaining the high percentage of rejections, board members said that most of those going to Lubbock last Saturday had been previously rejected on account of physical defects, and were re-examined under the lowered physical requirement regulations.

No induction call has as yet been received for any of these men, and board members today expressed the belief that it would be at least next month before any call could be expected.

Another shipment of 21 boys is scheduled to leave here for Army physicals on March 4th, it was announced at the Selective Service office.

Those scheduled to leave here at 3 p. m., on March 4th, are: John Thomas Stormes, Elynn Francis Green, Elmer Finis Kirkpatrick Thomas Alexander Williams, Mac Lewis Flippin, Frances Joseph Huber, Lee Elzie Godsey, Fearless Elder Galloway, Juel Samuel Owens, George Tenplar Ben Babitzke, Jerry Loyd Brand, Charlie Weldon Cummins, Loyd Scott Kirkpatrick, R. T. Harbour, Charles Willard Bracken, Ollie Wayne London, Olin William White, Lawrence Gray, Benicio Guerrero, Floyd Lee Spring.

HEALTH OFFICIALS HERE

Dr. Doughty, district health superintendent, and Dr. Brown, of the state health department in Santa Fe, were last Wednesday visitors at the Texico school. During their stay, a number of health films were shown students from the first through the fifth grades, school officials stated.

HULSEY IN HOSPITAL

J. T. Hulsey, local resident, was taken to the Clovis Memorial hospital, on Sunday, where he is receiving medical attention. It is believed that Hulsey sustained a stroke, after having been ill for several days. His condition the first of the week was considered critical, it was announced.

Black ironwood is the heaviest wood grown in the United States.

PLEASANT HILL

Mrs. Grace Whitener, of Albuquerque, visited over the weekend with Mr. and Mrs. C. W. Whitener. She was enroute to Houston, Texas. Jimmie Cox was operated for appendicitis last week, at the Memorial hospital. He is getting along nicely. Lester Colwell lost a large number of little chickens when a brooder stove exploded last week.

Mrs. Buck Edlison, who has been quite ill, is showing improvement.

Miles Thomas came last week to visit in this community. Also his sister, Mrs. B. F. Bell.

Mr. and Mrs. A. J. Moorman and children visited with Mr. and Mrs. Paul Barnes, of Field, Sunday.

Mrs. McCormick spent a week in this community with Berniece and Euvetta.

Mrs. Slaton and Mrs. Marshall are the two new high school teachers, elected last Tuesday night to finish the term.

Miss Thomas, the district hot lunch supervisor, was here Monday.

Miss Louise Moorman, of Clovis, spent the weekend with her parents, Mr. and Mrs. A. J. Moorman.

Miss Mildred Smith spent Sunday with Miss Minnie Smotherman.

For plumbing see Lovett. 7ff.

FOR SALE—Weeping willow trees, 6 to 8 ft., 25c each. Sonny Graham, Farwell.

FOR CASH RENT—160 acres, 3 1/2 miles from Farwell. Fair improvements. See Mrs. Minnie Leftwich.

FOR RENT—Apartment in Farwell. See Mrs. Minnie Leftwich. 5-f.

FOR RENT—Five-room, newly-decorated farm home with garage, barn, good well, 4 acres garden and hog lots, 5 acres native grass. One mile northeast of Wilsey switch on highway. \$10.00 per month. See J. T. Coburn nearby. 13-3tp

FOR SALE or trade for livestock—Farmall tractor, cultivator, lister, all in good condition. W. R. Scott, 12 miles south Friona. 13-3tp

FOR RENT—Four-room stucco modern house, near Texico school. See W. L. Freeman, Texico, N. M. 1tp

THE WOLVERINE

Publication of Texico High School

FIRST GRADE

The first grade gives the flag salute and we have been singing the Star Spangled Banner. We think we should learn this song because of the importance of our national anthem at this time.

We are learning and singing the first and last stanzas of the Star Spangled Banner first. We feel that the last stanza is particularly appropriate at this time.

The first grade is looking forward to the month of March. It means kites and jumping ropes.

One reading group had fun making Winky's table and chairs from orange crates. We painted them green. Earl furnished the paint and Norman the brush. Esther made a pillow for Winky's chair.

Joyce Curtis spent the weekend with her grandparents.

Esther McDaniel spent the weekend with her grandparents.

Jokes

Margie Ann: What is the plural of man?

Edith: Men.

Margie Ann: What is the plural of child?

Edith: Twins.

Annita Myrl: What is an island, Wallace?

Wallace: It's a piece of land that went for a swim and couldn't get back.

FOURTH AND FIFTH

We have completed another six weeks period of school, and with only 12 more weeks left, we feel that we must do our best. We talk about the war in our social science periods but we realize that the most important thing that boys and girls can do is to get a good education and be prepared to take our places as useful citizens.

On February 13 we had a February program in our room. It consisted of poems, stories, and plays about Washington and Lincoln. After the program we had our Valentine box. Visitors present for the program were: Mrs. Ed Blaine, Mrs. Schur, Mrs. Fay, Maxey and Linda, Jane Wasson and Elaine Martin.

Last Wednesday we enjoyed seeing a picture show sponsored by the State Health Department. We learned many interesting things about the care of our teeth and the proper food we should eat.

FRESHMAN NEWS

Our class has finished their exams. We hope to have a few on the honor roll.

Some of the class has been absent because of illness or else they are working. Anyway, we hope to have them back as soon as possible.

In the future we are telling short stories we read out of class. Some of our favorite authors are Edgar Allen Poe and Booth Tarkington.

Kenneth Jacks remarked in general science that the membrane kept the bones from squeaking, but it seemed that no one agreed.

JUNIOR NEWS

The date for the junior play has not been definitely decided. We did have it set for March 6, but there is a tournament at McAllister and the Texico girls are invited to go. If we go the play will be given March 13.

The action of the play takes place in the Weston home in a small town in the East. Wanda Weston, played by Pearl Martin, is an authoress. She is supposed to be a girl with a commanding voice. She starts a correspondence with members of the "Jolly Bachelors Club". The bachelors have the desire to win her heart.

QUICK RELIEF FROM Symptoms of Distress Arising from STOMACH ULCERS DUE TO EXCESS ACID

Free Book Tells of Home Treatment that Must Help or it Will Cost You Nothing Over two million bottles of the WILLARD TREATMENT have been sold for relief of symptoms of distress arising from Stomach and Duodenal Ulcers due to Excess Acid—Poor Digestion, Sour or Upset Stomach, Gasiness, Heartburn, Sleeplessness, etc., due to Excess Acid. Sold on 15 days' trial! Ask for "Willard's Message" which fully explains this treatment—free—

"Your Home Cleaners" Farwell, Texas.

and hand, while she is not at all interested that way.

Winnie Weston (Billie Nell Thompson) takes over when Wanda breaks her wrist. Winnie gets to writing on a romantic basis, though she has a fiancée, tansome Robert Radcliff (Billy Bob Drace). Three of the Jolly Bachelors have arrived in town to see how beautiful Winnie is. Robert is always coming around at the wrong time, pestering Winnie and trying to get her to marry him. She keeps putting him off and trying to keep from him the knowledge that the Jolly Bachelors are in town.

Romney Romaine, played by Bunk Parks, is the person who is never expected and always appearing. He is a poet from Kankaker, and is always saying poetry, especially to Ethel Eikin (Alvera Hall), who pretends she is Winnie while Romney is around. Ethel is always getting confused and calling him "Rummie", which makes him very angry at times. Ethel is supposed to be Wanda Weston's secretary.

This is a very funny play. Come and enjoy it. It will keep everyone laughing from beginning to end. Come see how everything is straightened out, and who does it.

FFA NEWS

Our judging team is planning to enter the judging contest at Farwell, March 7. There will be poultry culling and all types of judging. The contestants are allowed to enter only one division.

The Father and Son banquet has been postponed until after basketball season is over, so that we can devote our time to planning our program. We hope to make a big success and that everyone will have an enjoyable time.

March 2nd is a big night for us. A party has been planned that evening. It is strictly on our own and any girls that may succeed in entering will have to be privately brought.

HATTER

Red (Thompson) seems to be losing White's attention and a Brown at Rosedale is gaining it. When Red, White and Brown mix—Beware!

What girls like to hear Ernest sing during the noon hour. Could it be Mary Lee, Frances and Lena Bell?

Could be.

It seems that Ernest couldn't play ball for thinking about his girl. Hard luck, Ernest.

Just why was Leonard so jealous because one of those Farwell girls wouldn't let him in the car, too?

Did you ever see Helen without Betty Lou and Dorothy? James not into mischief? Bette Lou (Barbara) without a boy friend? James Orval with his hair combed? Esther listening to Mr. Powers in geometry? Billy Jo not talking about basketball? Wanda not interested in new songs? Ruby without a smile?

I bet Edna Earle and Billie Nell see a lot of cute soldiers while they are in California. We're patiently waiting to hear all about it.

Who was that letter to, Dan, that you were writing in study hall? He said it was to his BOY friend, but he called him "Dearest". Funny thing for one boy to call another.

Just what were Clarence and Bunk doing with those Farwell girls last Sunday?

George, what is this we hear about your car breaking down when you took Helen home? And why wouldn't the door stay shut?

What about William Dovie from Melrose, Bette Lou? And how about those other boys, and how come your name to be Barbara at certain times? Huh?

Peggy, we hear that you enjoy tickling other people's legs. That sounds bad, especially when you don't know whose legs they are. Eh, George?

Who were the kids that were throwing things (including ice cream) at the tournament? Musta been quite amusing (to them).

Somethin' is fishy somewhere. Wanda and Lila were asked twice, Sunday night, to go to church (by different people, I presume) and on the second invitation, Wanda accepted. I wonder why she didn't accept the first one. What about it, Wanda?

I wonder why Edna Earle always wants to come to play practice with Billie Nell. Edna Earle, give us an account of yourself.

Say, who are the gals who like to disturb the "Town Romeos" peaceful sleep at night. Boys, was your sleep disturbed, or was it your parents'?

Just why is Bill Knox so careful to stay out of the "gossip column". It

surely isn't the things he does!

Billy (White) who was your girl friend, Friday night? She wasn't a bit over 10 years older than you are. Mutt and Jeff.

THE MIGRATING GEESE

It was toward the close of day, And the sun weakened ray, Was shining over the quieted moor Giving it beauty and grandeur.

When of a sudden as I gazed, For my eyes weren't dimmed or glazed, And I could look the whole sky 'round Because the sun was near the ground.

Suddenly my ear overheard, A noise so of some large bird, Soaring in the still-light sky, Up within the heavens high.

As I looked I saw some geese, And from then I did not cease, To stand and watch those flapping bands Of flying ships, made without hands.

The geese were flying on their way To the South, and there to stay, While the Northern winter waned, And will return when Spring time dawns.

The sound those geese made flying over Submerged my heart, emerged a sigh Each with his own peculiar call, One from each and one from all. Troy Knighten (eighth grade).

EIGHTH GRADE NEWS

We are sorry the grade boys didn't win the tournament.

We had our six weeks exams last week. We did fairly well on them but not good enough for the teachers.

We heard a good joke about why we were short of rubber because there is a ruined heel in Germany and a flat tire in Italy.

We will be very glad when Alice Ruth comes back from California to hear about her trip.

HOME EC NEWS

The Home Ec club met in the home of Billie Nell Thompson. Two of the girls showed garments they had made this year. After playing several games, a refreshment course was served. The next meeting will be in the home of Esther Selman, the 1st week in March.

SIXTH AND SEVENTH

We are all through with our exams, except James Paul. He has been absent for two weeks on account of the mumps. We wish him a lot and will be glad when he is able to come back.

There were three seventh graders in the grade boys tournament at Clovis: Herman Hall, guard; Marvin Doolittle, sub forward; and Jerry Paul, manager. The grade team won the first game with Field by a score of 33 to 8.

The second game was with Grady. They led for the first three quarters and then we began to come up. We were one point behind when Johnson sank a field goal and just before the ball went through the goal, the bell rung and Grady won, 15-16.

What difference does it make if a worm does turn, it looks the same either way.

Quitting Time?

... Not for Us

QUITTING time doesn't mean a thing to your Electrical Company. Twenty-four hours a day, every day of the year, it brings better living to thousands of homes at the snap of a switch. It serves equally in industry, working as one of the most versatile tools ever given man's hand.

In this time of stress, when our whole country is devoted to production, we in the Electrical Industry are proud of the part Electricity is playing in making this land of ours a safer place for democracy. We are proud, too, that we were not found wanting when we were called on to serve.

No quitting time for the buying of U. S. Defense Bonds, either.

Local Happenings

Mrs. Macon Hostess To Woman's Club

Mrs. J. P. Macon was hostess, on Tuesday afternoon, when the Texico-Farwell Woman's club met in her home in Texico.

With Mrs. Mose Glasscock in charge, the program consisted of a talk by Mrs. Warren Powers on "Wise Use of Leisure Time", and papers by Mrs. E. E. Booth and Mrs. John Armstrong on "Dressing For the Kitchen" and "Am I A Charming Hostess?", all of which were well received by members.

During the business meeting, Mrs. E. G. Williams was named as spiritual chairman for the group, Miss Elsie Cunningham designated as homemaking chairman, and Mrs. John Armstrong elected as defense program chairman.

Members also voted to assess a fine of 25c to each member who did not attend or offer the hostess a reasonable excuse, the funds received to go into the club treasury.

Refreshments were served to Mesdames W. B. Hill, Earl Booth, E. E. Booth, Claude Thomas, Johnnie Williams, S. C. Hunter, John Armstrong, Marty Ezell, Clyde Magness, Warren Powers, Mose Glasscock and the hostess, Mrs. J. P. Macon.

Farwell Girl In Race For Jr. Prom Queen

Miss Flora Lee Williams of this city, is one of the five Texas Tech coeds in the race for junior prom queen of the college. Election was held last Thursday, and announcement of the winner will be made at the Junior Prom Friday evening. She was the nominee from Las Vivarachas social club.

Representing the same organization, Miss Williams served as model in a spring style show Wednesday evening, sponsored by Theta Sigma Phi, honorary journalism society, in a Lubbock department store. Women from ten campus organizations served as models for sports and informal clothes.

Miss Williams is a junior journalism major and is the daughter of Mr. and Mrs. Johnnie Williams.

Junior Play Tryouts Are Being Held

Miss Dorothy Shaw stated this week that tryouts were now being held for parts in the annual junior play of the Farwell school, which will be held "some time in April".

The play is entitled "Murder in the Night", and is a three-act comedy drama, she added. The definite cast and characters will be announced later.

Golden Anniversary Is Celebrated Sunday

Friends from all over Parmer county gathered in the home of Mr. and Mrs. J. F. Foster in the Oklahoma Lane community, on Sunday afternoon, February 2nd, in commemoration of the Foster's golden wedding anniversary.

Holding open house, Mr. and Mrs. Foster entertained throughout the afternoon. A beautifully decorated wedding cake was cut by the couple, and their two daughters, Mrs. C. C. Christian and Mrs. L. M. Grissom, assisted in the serving of guests.

A set of gold-banded china was presented the couple by their children, and many gifts were received from the friends who called to offer their congratulations.

Mr. and Mrs. Foster came to Parmer county over 20 years ago, and have resided at the same homeplace since settling here.

Washington Program Is Held On Saturday

Stressing a patriotic theme, the annual Washington dinner observance was held at the Methodist church on Saturday evening, sponsored by the ladies of the Christian Service organization.

A varied program was presented during the evening, including piano solos by Pete Booth and Mrs. C. M. Henderson, vocal solos by little Nancy Caroline Johnson and Mrs. W. H. Graham, and a reading by young Darlene Kay Sprawls.

Decorations of colored candies and miniature American flags, mounted in gum drop holders, were arranged on the serving tables, featuring the red, white and blue motif.

Courses of the meal were served at the various "colonies", with the visitor picking his own fishes.

Special Assembly Program At School

Having as its principal attraction a style review by members of the homemaking department, an assembly program was held at the Texico school last Wednesday morning.

Lola Mae Rowe acted as announcer for the review of clothes, with Bette Lou Fyfe, Helen McDaniel, Esther Selman, Mescal Richards, Frances Parrish and Alverda Hall modeling house coats, play suits and sports clothes.

Other numbers on the program included a piano solo by Mary Lee Moss; vocal duet by Ernest and Tommie Vigil; vocal solo by Ruby Doolittle; instrumental numbers by Lan Gonzales, Albert Mendoza and Ernest Vigil; a number by the girls' chorus; patriotic songs by the entire group and a piano solo by Tommie Randol.

As a finale to the program, John White led the audience in repeating the pledge to the American flag.

Valentine Party Held By Home Ec Girls

Carrying out a Valentine theme in decorations and entertainment, girls of the Farwell homemaking department entertained guests at the school, on Tuesday evening of last week.

Clever and amusing games were arranged for the guests to enjoy, and the hostesses served refreshments of sandwiches and coffee at the conclusion of the evening.

Home From Plainview

Mrs. J. C. Banks Sr. has returned from Plainview, where she spent the past week visiting Mr. and Mrs. Gordon Harper. The Harper's young daughter, Sue, was badly burned a few days ago when a pan of hot water was spilled over her face and arms, but reports this week were that she had been dismissed from the hospital and was recovering as well as could be expected.

ENMC Students Give Program, March 6th

Supt. L. A. Hartley, of the Texico school, announced today that a special program would be presented in the auditorium of the school on March 6th, by students from Eastern New Mexico College, at Portales.

The complete program was not available here, but it was believed that musical numbers would be the feature attraction. The program will begin at 10:30 a. m., and the public is cordially invited. No admission charge will be made.

42 Social Held

Mr. and Mrs. Claude Thomas entertained at their home in Farwell, last Saturday night, with Mr. and Mrs. Olan Schleuter, Mr. and Mrs. Roy Bobst, Mrs. W. H. Graham, Warren Powers and the host and hostess enjoying a round of "42".

Play Date Changed

Mrs. Wesley Osborne, sponsor, this week asked that the public take cognizance of the fact that the Texico junior play, slated to be presented on March 6, will not be given until March 13th. This change in date has been made in order that girls of the school may attend a basketball meet at McAlester, she added.

Deputy Visits Here

Carl G. Cliff, deputy state superintendent of schools, was a visitor at the Farwell institution on Tuesday of this week, sitting in on various classes and making a routine check-up.

To Dalhart Office

Mrs. Geneva Wilcoxson, who for the past year and a half has been a member of the secretarial force in the local Farm Security office, was notified the past weekend that she was to report for duty in the Dalhart office on Thursday morning, Feb. 26. She and her daughter, Shirley, will leave here today (Wednesday).

Parents Here

Mr. and Mrs. J. M. Metcalf, of Oklahoma City, arrived here unexpectedly the past Saturday night, for a visit with their daughter, Miss Hazel Metcalf, who is a teacher in the Texico schools. They plan to remain for two or three weeks.

Wesleyan Guild Meets

The Wesleyan Guild of the Methodist church held a regular session, last Wednesday evening, in the home of Mrs. Keltz Garrison.

After a short program, a social hour was enjoyed. Attending were Mrs. Frances King, Mrs. John Porter, Miss Lovilla Gay, Miss Hazel Anglin and Miss Jennie Lee London.

To Glenrose

Mr. and Mrs. M. L. Drager and family, of the Rhea community, left the past Tuesday for Glenrose, Texas, where they will spend a couple of weeks while Mrs. Drager receives medical treatment. From there they plan to motor to Copperas Cove, to visit a brother before returning to their home.

Mrs. W. S. Anglin, of Tahoka, Texas, arrived here Sunday night for a visit with her daughter, Miss Hazel. She expects to return to her home today (Wednesday).

Miss Janie Orr spent the weekend visiting with friends and relatives in Hereford.

Mrs. Jeff Hooper and twin daughters, who had spent the past several weeks in Abilene, returned home the past Saturday.

J. B. Shewmaker and Miss Clara Lee Shewmaker, of Pampa, visited Sunday with Miss Elsie Cunningham, in Farwell.

Mrs. Lee Bradshaw the past weekend took up duties in the offices of County Clerk D. K. Roberts and attorney John Aldridge.

G. W. Dyer visited relatives in Oklahoma last week, including a sister in Oklahoma City.

Mrs. W. W. Bigham returned home Saturday from Houston, where she spent two weeks visiting relatives.

Mrs. James Oliver Martin, of Fort Worth, and Mrs. Ray Nicewarner, of Abilene, arrived the past weekend to spend several days visiting with friends and relatives in Texico and Farwell.

Mack Nobles, of Amarillo, spent Sunday with his parents, Mr. and Mrs. B. E. Nobles, in Farwell.

E. J. Sloan, who is enrolled in McMurry college in Abilene, was a weekend visitor in the home of Rev. and Mrs. E. J. Sloan.

Miss Geraldine Thomas was here from Lubbock over the weekend, visiting with friends and relatives. She is attending business college in that city.

Billy Banks has gone to Corpus Christi, Texas, where he hopes to secure employment.

Tid-Bits »

Thinking about the way office gals are flocking to various army centers to type before plenty of uniforms, Hazel Anglin was looking into the future this week, and remarked that she thought a beauty shop might do a landslide business at the camps. "The boys would probably be so glad to have somebody hold their hands that they'd get manicures twice a day," she opined.

And the height of homesickness came to light the past week, when Pvt. Kirt Crume, who is stationed in South Carolina, wrote that the wind had been blowing so much that he was getting homesick for "a good old West Texas sandstorm".

Mr. and Mrs. O. B. Pipkin are a chastened pair of parents. Just recently son Jess Herbert came home in the wee sma' hours, reporting that he had been to a late show in Clovis, missed the bus and had to wait for the three o'clock train, which story his folks pooch-pooched. Then the Pipkins went to a late show, missed the bus, and had to wait for the three o'clock train. Period.

LeRoy Faville offers a ray of hope for those who shudder at the possibility of having to drink their coffee with only one spoonful of sugar, when they customarily take two. "Just order a half cup," he advises.

The Jeff Hoopers, who prepared for one baby and got two in December, have been having quite a time. Thinking that their living quarters were just too small for four, the Missus and kiddies have since been with her parents in Abilene, while Jeff batched it. This week, however, he reported triumphantly, "I've got some news! My wife and kids are visiting me."

"Bring home a can of cat food? I should say not," remarked the irate male element. "Let the cat eat the bones." His wife gave him a level look and remarked cryptically, "Look dear, there AREN'T any bones in beans and potatoes."

One local husband, whose wife has gone all-out for defense work, is about to give up the sponge. Dropping her out for class the other nite, he said sourly, "See if they are going to start a class in homemaking. I'd better get in on it!"

And the sweetest Valentine gift we've heard of: a 5-lb. sack of sugar.

ST. JOHN'S EV. LUTHERAN CHURCH

Lariat, Texas

Rudolph Weiser, Pastor.

Mid-week Lenten service, Wednesday, Feb. 25th at 9 p. m. Sermon: "Verily, I say unto you, today shalt thou be with me in Paradise".

CARD OF THANKS

We wish to take this means of expressing our sincere appreciation for the many acts of kindness and the beautiful floral offerings tendered us in our hour of bereavement.

Mrs. H. J. Hollis and family, Mrs. Myrtle Scarbrough and family, C. A. Cassady and family, R. M. Cassady and family.

Bovina Scouts Join In Scrap Collection

Scoutmaster Davis King has announced that the Bovina Boy Scout troop is cooperating in the national drive to round up waste paper, old magazines, tinfoil, etc., and urge all Parmer residents to make it a point to save such material instead of carelessly destroying it.

Mr. King was in Farwell on Monday, and announced that if there was no collecting agency operating here his boys would be glad to take over the job; however, thus far, some collecting has been done by the local Scout troop.

Residents who have any amount of such material on hand, and who have not been visited by the Scouts, are urged to contact either Jeff Hooper, local scoutmaster, or Mr. King, at Bovina, whichever is handier, in order that no essential materials may be destroyed.

In spite of bad breaks here and there, 1941 will go into the books as the year of greatest total agriculture so far in the history of the United States, says Secretary of Agriculture Claude A. Wickard.

Help in Defense

Another way to help in the defense program is to save all those empty tooth paste and similar tubes. Bring them to us, where they will be sent in for conversion into defense needs.

RED + PHARMACY

Dick Bobst, Lubbock business college student, was a Farwell visitor the past weekend with his parents and friends.

Mrs. Jaquetta Strickland, who is attending business college in Amarillo, visited with home folks over the weekend.

Mr. and Mrs. W. W. Vinyard enjoyed a weekend visit with friends and relatives in Plainview and Lockney, Texas.

Demonstration Club Notes

By Special Staff Reporters

Lazbuddy 4-H Club
The Lazbuddy 4-H club met in regular session, February 12. We had a short talk on "accurate measurements", which are vitally important during the rationing period. Miss Cunningham showed the club girls some of the articles needed for measurement, and which should be kept handy when baking.

We elected new officers to take the place of those who resigned. They are: president, Pauline Rink; vice president, Maxine Eubanks; secretary-treasurer, Clara Treider.

Those present were: Joy Welch, Betty Jo Tartar, Clara Treider, Lillies Treider, Anita Steinbock, Billie Rae Treider, Pauline Rink, Maxine Eubanks, Bobbie June Treider, Weronah Thorne, Anna Marie Crain, Billie Jo Welch, Laura Seaton, Naomi Cantrell, Miss Hughes and Miss Cunningham. Our visitor was Mrs. J. O. Cantrell and we were very happy to have her. We would enjoy having all mothers of 4-H girls visit our meetings.

Council To Meet

The Parmer County home demonstration council will meet February 28 at 2:30 p. m., war time, at the Blackwell hardware store in Friona.

The principal business of the February meeting is setting the budget for 1942. Each member of the council is to be ready with recommendations from her club as to how funds will be raised to meet expenses of the council through 1942.

Following adjournment of the regular business session, an election will be held. The president of each club will present the candidate from her club to be considered as a county delegate to the district II meeting of the Home Demonstration Association, to be held at Lubbock on April 11. Parmer county is eligible for three voting delegates at the district meeting.

Rhea Club

The Rhea club met Feb. 17 in the home of Mrs. F. T. Schlenker. After the business meeting a game was played determining the best guesser of flower and garden seed. Mrs. John Potts, a visitor, was awarded the prize. Mrs. C. V. Potts then told about the 4-H club scholarship girls, as to how they achieve the scholarship and its being made possible by the club ladies each paying 5c at the next meeting. She also named the girls from this part of the county who are trying for the award.

The demonstration, "Beautifying The Country Home", by Miss Cunningham, gave some good ideas on landscaping and improving homes.

Following was a talk by Miss Kate Adele Hill, district agent, a special guest at the meeting. We enjoyed her talk immensely. She told us to help

Close Games Spill Texico In Tourney

Going down by terribly close margins, all three competing teams from Texico, senior boys, grade and second team boys, were spilled before reaching the higher brackets in the Curry county cage tournament, held the past weekend in Clovis.

The seniors went out of the running in their initial encounter, taking a last minute 24-22 defeat from Ranchvale, after having held the lead the major part of the game.

Out in front 17-8 at the half, the locals stalled during the third quarter, but a furious Ranchvale defense intercepted a few passes and and game got closer, with Ranchvale forging out in front at the last minute. Starr led the scoring, taking 12 for the winners. Summers was second, with 10 for Texico.

Grades Play Two
Doing a little better, the grade boys took their first game over Field in a breeze, 33-8. Coach A. D. McDonald reported, and then, apparently unable to "get serious and settle down" let Grady slip through to take a 17-18 win over them in the second round.

The Grady match was nip and tuck throughout, but the heart-breaker to local fans was the basket which Johnson scored just after the whistle ended the game, leaving Texico on the downbeat.

In the second string division, the locals were also dropped by a single point, 15-16, when they met the Pleasant Hill aggregation. Coaches reported the game was close throughout all four periods, neither team ever holding much of an advantage.

in defense and Red Cross work, but our first duty was to provide food, clothing and recreation for our families at home. She emphasized raising and canning food for our families, thereby leaving the factory-canned for the Army and civilians in towns and cities.

Refreshments of date pudding and hot fruit juice were served to: Misses Adele Hill, Elsie Cunningham and Freida Gallmeier; Mmes. Amelia Schlenker, C. L. Calaway, Chas. Rogers, C. V. Potts, Elmo Dean, Vernon Estes, Pete Huffman, Herman Schuler, Russell Harrington, Travis Brown, John Potts, Wayne Parker and the hostess, Mrs. F. T. Schlenker.

The next club meeting will be on March 3, in the home of Mrs. Vernon Estes.

Oklahoma Lane Club

The Oklahoma Lane club met in the club room, Feb. 20, with Mrs. F. E. Kopley as hostess. After a business session, our demonstrator, Miss Cunningham, gave us a lot of new ideas on beautifying our homes giving us a view from every angle. She telling us different shrubs adapted to West Texas.

Those attending were: Mmes. Ellis Barry, F. E. Kopley, W. N. Foster, Thad Watkins, R. Caldwell, A. E. Wilkinson, Clyde Perkins, R. L. Henson, Lee Thompson, W. E. Verner, Charlie Summers, Levi Johnson, Ed McGuire and Dick Doshier.

Help Your Neighbor Club

Club met in the home of Mrs. T. E. Daniel, Feb. 12. The afternoon was spent in quilting for the hostess. Refreshments of cocoa and cake were served to Mmes. Claude Hurst, Robert Leach, J. E. Johnston, J. L. Stevens, Early Stevens, Miss Dona Hurst and the hostess.

The next meeting will be in the home of Mrs. J. E. Johnson, Feb. 26

District Tournament Slated For Weekend

The annual district tournament for this immediate section of New Mexico will be held in the Clovis Junior high gymnasium this weekend, with senior cage teams beginning play on Thursday afternoon. The meet will last through Friday and Saturday, with finals Saturday night.

Coach A. D. McDonald, head of the Texico team, stated that his boys would be entered in the tournament, scheduled first to face the Field aggregation at 2:40 (Texas war time), on Thursday afternoon.

Earlier in the season, the locals were soundly defeated by the Field squad, but their improved playing during the past few weeks leads fans to hope that the game will be a close one.

Should they come out ahead in the first tangle, the next game will be opposite Pleasant Hill at 2:40 Friday, the coach reported, Pleasant Hill having drawn a bye in the opening round.

Parmer Farmers May Get Cotton Insurance

Keltz Garrison, of the local AAA office, announced today that 1942 cotton crop insurance listing sheets have been received from the state office, with the yields and premium rates established for all farms in Parmer county.

"We expect to have notices out to all farmers this week concerning their individual yields and premium rates, and anyone who wishes to insure his 1942 cotton crop with the Federal Crop Insurance Corporation must do so before March 31, the last day on which applications for insurance can be accepted," Garrison said.

It should be kept in mind that insurance yields are based on the seven year period, 1934 through 1940, and no producer may insure for more than 75 percent of his average yield for that period, he warned. Also, any producer who desires may insure on the basis of 50 percent of his average curing the base period.

Garrison continued, "We would like to urge all cotton farmers to seriously consider this insurance, since it is based on actual losses, insured with the FCIC, owned by the government, which is a non-profitable institution. The corporation was not set up for the purpose of making money, and at present has paid out better than \$2 for each \$1 received under the wheat insurance program. We realize of course, that some farmers in the county have had losses to the extent that their insurance would be too high for them to afford; however, the majority of the farms in the county would have been ahead, had they had crop insurance on their cotton during the past year—and we have no assurance that 1943 will not be another disappointing year. We usually have more disappointing years than any other type in West Texas."

Any questions regarding cotton crop insurance should be directed to the Triple A office, and "we will be glad to explain or write in for the answer to all questions," Garrison said. Anyone desiring to sign an application may do so at any time by dropping by the office. It will only take about two minutes to complete the entire transaction.

Girls Lose Out In Friona Tournament

Coach Velna Sheriff reported the first of this week that the local girls' basketball squad failed to place, last weekend, when a county cage meet for girls was held at Friona, with Oklahoma Lane, Farwell, Lazbuddy and Friona participating.

The girls opened up against Lazbuddy, losing 32-21, and next lost by 11 points to Friona, Miss Sheriff reported. Both games were well played, and with Hughes "on" at the basket, Farwell was definitely in the running. The third game, however, was a rout for the Oklahoma Lane players, who downed Farwell 34-12, the local girls entirely unable to locate the goal.

In the final encounter, Friona defeated Lazbuddy to take the county championship.

4-H Club Girls To Have Knitting Classes

According to Miss Elsie Cunningham, home demonstration agent, Parmer county 4-H club girls are to learn to knit at their regular club meetings in March.

Each girl is requested to bring knitting needles, size No. 6, and yarn to the club meeting. Any heavy leftover wool yarn may be used and two or more colors of yarn may be combined if so desired.

Miss Cunningham stated that the girls will be started out on 6 inch squares, which will be given to the British War Relief Society when completed. In this way, every Parmer county 4-H club girl will be taught the principles of knitting at the same time she cooperates in the victory effort.

The squares will be knitted together at the British War Relief headquarters for different sized coverlets, the agent went on to say.

Meetings of 4-H clubs for March will be held according to the following schedule:

- Bovina, March 11, 1:40 p. m.
- Farwell, March 9, 4:00 p. m.
- Friona, March 11, 3:30 p. m.
- Lakeview, March 10, 1:45 p. m.
- Lazbuddy, March 12, 11:30 a. m.
- Midway, March 12, 10:00 a. m.
- Oklahoma Lane juniors, March 9, 11:30 a. m.
- Oklahoma Lane seniors, March 9, 12:15 p. m.

BOVINA NEWS

Mrs. David Wines and son left Wednesday for their home in Oklahoma, after visiting relatives here the past week.

Miss Christine Davies, of Lubbock, spent the past weekend with her parents, Mr. and Mrs. Raymond Davies.

David Carson, who is in the Air Corps at Lubbock, spent the weekend with his parents Mr. and Mrs. Fred Carson.

Mrs. Mercer Norton is on the sick list this week.

Bill Eberting and Jack Waltman were Clovis business visitors Monday.

Mr. and Mrs. Ross Terry visited in Clovis, Sunday.

Mrs. Herman Jones, of Texico, visited her mother, Mrs. Stacy Queen, here, Monday.

Mr. and Mrs. Vester Venable and family, of Texico, visited in the O. V. Venable home, Sunday.

Mrs. Norman Wilson has returned to her home after spending the past few weeks with her daughter, Mrs. John Byler, in Lubbock.

Miss Fay Dell McCuan is on the sick list this week.

Mrs. Stacy Queen and son were Clovis shoppers, Saturday.

Mr. and Mrs. L. D. Parker and family, of Amarillo, visited in the Will Farker home, Sunday.

Mr. and Mrs. Otis White visited his brother in Hereford, Saturday.

Mrs. Mary Gaines purchased the

Mrs. Harrison Gee is on the sick list this week.

Congratulations to Mr. and Mrs. Jake Calhoun on the birth of a son, born Friday, Feb. 20. Mr. and Mrs. Calhoun, formerly of Bovina, now reside in Amarillo.

Eyesight and Teeth Requirements Eased

Local boards throughout Texas have been directed to reopen and consider anew the case of every registrant who has heretofore been classified in Class 1-B or class 4-F, predicated on deficiencies in teeth or eyesight, Gen. J. Watt Page, State Selective Service director, said today.

Army physical requirements, Gen. Page pointed out, have heretofore specified that registrants must have an adequate number of serviceable natural teeth (three pairs of biting and three pairs of chewing teeth) opposite each other when chewing and must be able to read test cards at 20 feet without glasses which a normal person can be read at 100 feet without glasses, provided the same matter can be read by the registrant at 40 feet with the use of glasses.

Registrants who could not meet these requirements have been placed in class 1-B or class 4-F, according to the degree of deficiency.

The Army has now provided for a liberalization of dental and visual requirements for acceptance of registrants for general military service, Gen. Page said, and the revised physical standards provide:

1. That registrants who have no disqualifying physical defect except a lack of the required number of teeth, when in the opinion of the examining physician they are well nourished, of good musculature, are free of gross dental infections, and have sufficient teeth (whether natural or artificial) to subsist on the Army ration, will be accepted for general military service in all branches.
2. That registrants whose visual

acuity is below 20/100 but not below 20/200 in each eye without glasses is correctible to 20/40 in each eye, will be accepted for general military service in all noncombatant branches.

The actual possession of suitable glasses by an individual is not required for his acceptance under the new standards.

Gen. Page stated that all class 1-B and 4-F registrants who are found to be eligible for military service under the liberalized dental and visual requirements of the armed forces, unless upon reconsideration of their classification they are deferred for other reasons, will be placed in class 1-A and sent to Army examining boards for final determination as to their acceptability.

He said: "These new standards will make available for service in our armed forces many thousands of men who have already been given deferred classifications, as well as a large number of the new draftees who would have failed to qualify under the old Army physical requirements."
