Rundell of Oklahoma Lane. Back row, left to right: Young of Oklahoma Lane; Brock of Bovina, Ford of Farwell, Spitzer of Lazbuddy. Amarillo Times Photo

## Girls' Tournament At Bovina Sets Finale

Final windup of the 1945-46 cage season in Farmer County will come this weekend, when girls' teams from the five county schools meet in Bovina to decide who will wear the county crown. Play will open on Thursday night and conclude Saturday night, with a round-robin style being used for the decision.

Having won the county last year and pushed through to second place in the state just two weeks ago, the Friona Squaws are the favored team in the meet, while at the extreme other end are the luckless Farwell lassies, who have been lambasted every time they walked on the court this season.

Lazbuddy is classed by most observers as the only serious threat to the Squaws, while Bovina and Oklahoma Lane will doubtless fight it out for third place. Trophies for the champion and the runner-up have been ordered, although they may not be available this weekend.

Probably the best game of the entire series, the Friona-Lazbuddy clash, comes on the opening night of the meet, with the teams slated to hit the floor at 9:20. Prior to this match on Thursday night, the Oklahoma Lane and Bovina teams will tangle in a battle that is also expected to have its exciting moments.

Skipping then to Friday afternoon to resume play, Friona comes back against Oklahoma Lane at 2, and at 3:30 the Lazbuddians take the floor opposite Farwell. Friday night action will begin at 8 o'clock, with Bovina and Friona as contestants, and then at 9:20 the Oklahoma Lane and Farwell girls engage in sport.

The Bovina-Farwell contest is scheduled for 3 o'clock on Saturday afternoon, with Oklahoma Lane and Lazbuddy on the court at 3:30. The local girls return opposite Friona at 8 Saturday night, and the final game putting Bovina opposite Lazbuddy, is to begin at 9:20.

Official referee of the tournament will be C. D. Holmes, superintendent of the Friona school.

Mr. and Mrs. I. W. Quickel of Bovina, spent Sunday visiting in the Roy Thornton home, near Farwell.

### TO OUT-OF-TOWN SUBSCRIBERS

Under new policy, a charge of 10c is made for change of address. Please include this when you notify us of such change. Otherwise, The Tribune will not be forwarded to new addresses.

### FARWELL CAFE CHANGES

The Farwell Sandwich Shop has been leased by Ray Cheyne, and he took possession the first of the week. Cheyne, who comes here from Portales, was formerly employed at Cretney's in Clovis, later going to Portales, where he operated a drug store. He said the business would hereafter be operated under the name of Ray's Cafe.

### Red Cross Goal Lags In Texico Also

S. C. Hunter, Texico businessman, who has been placed in charge of soliciting subscriptions for the American Red Cross in Texico, stated today that Texico was also lagging in its support to the drive.

He said that the local precinct had been given an assignment of \$440 in the current campaign, and to date little more than \$300 had been raised. Hunter added that the Texico quota this year was just half of the asking in 1945. Most contributors, he said, who had been very generous in the past, were reducing their contributions considerably this year.

The drive officially closes on April 1st, and Hunter said he sincerely hoped to be able to report the Texico quota in full.

### Cattle Inspector Warns Against Cattle Scab

Harry Whitley, Parmer County cattle inspector, today warned stockmen of this county to be on their guard against the outbreak of scabies among the large herds of cattle in this county.

Whitley said that during the past two months, four counties in southwest Texas had reported outbreaks of scabies, and he said that each new county reporting seemed to be bringing the disease further this way.

The belief was expressed by Whitley that the disease originated in Old Mexico and was being spread by cattle shipments in trucks. He warned that stockmen of this county should be very careful about bringing cattle into this county from outside points lest an outbreak occur here.

### BIG PROPERTY HOLDERS

Texas State College for Women, established by act of the 27th Legislature in 1901, now has physical properties valued at approximately four and one-half million dollars.

### Farwell Faculty Is Hired Another Year

On the recommendation of Supt. H. A. Clift, all members of the Farwell school faculty were employed for another year in a special meeting of the local school board Monday night.

Supt. Clift had been re-elected as head of the school a week previous to Monday night's meeting.

Those comprising the faculty are Mrs. Harry Whitley, Mrs. Lenton Pool, Mrs. Leroy Hunton, Virgil Kelley, Miss Berthamae Thomas, Miss Ann Nabors, Mrs. Earl Booth, Robert L. Morton and Jack Williams.

Supt. Clift called attention to the school census that is being made during the month of April, and urged that all parents in the district whose children have not been enumerated attend to this important matter before he close of the month.

He explained that State aid to the local school was based on the enrollment and added that it is highly important that all children living in the district be counted on the census.

### Texico Prepares For Election In April

Legal notices have been posted, calling for the bi-annual election to be held in the Town of Texico on Tuesday, April 2, at which time a mayor, clerk and two councilmen are to be elected.

Town Clerk W. L. Freeman said today that as yet he was not prepared to state just which councilmen would be retired this year, adding that his own term and that of Mayor M. C. Roberts expire this year.

The election will be held in the Town Hall and the polls will be open from 9 a. m. to 6 p. m. The following have been named as election officials: Judges, John Dooze, E. O. Faville, W. N. Phillips; clerks, Mrs. Ed Blain, Mrs. John Grant.

### Klopper's Sale Will Feature Furniture

Headed by an exceptionally good list of household furnishings, the John Kloppers have announced a general clean-up sale to be held at their farm, located 1 1/2 miles east of Lariat on Tuesday, March 26th.

In addition to the household goods, there will be nine head of cattle, eight hogs, and more than 400 good chickens. Other items to be offered to the highest bidder will be farming tools, feed and a number of miscellaneous items.

The sale will be in charge of Col. Dick Doshier and Randol & Doshier will act as clerks. Lunch will be served at noon with plenty of free coffee.

America's cotton crop is the largest in the world.

## Value of Supplement Feed Shown In Texico FFA Class Hog Showing

### Movement Started For More Street Lighting

A committee from the Farwell Chamber of Commerce has been appointed to work out the possibilities of securing additional street lights for Farwell, in both the business and residential sections of the town.

C. M. Henderson, president of the CC, announced today that the committee, composed of Bill Moss and Otis Huggins, plan to make a survey this week to ascertain just how many additional street lights can be placed in both the business and residential sections of the town.

He said that the Southwestern Public Service company stood ready to make additional light installations along the city streets, providing an extension of not more than 300 feet would be required. Henderson gave it as his opinion that at least one street light to each block could be installed in the residential sections with the proper cooperation of the property owners. The cost, he said, would be very nominal.

### Former Farwell Man Dies Suddenly Of Heart Attack

Will Haynes, age 65, former Farwell man and for a number of years employed in a clerical position by the Santa Fe Railway Company, died suddenly at his home in Canadian, Texas, last Friday afternoon.

Funeral services were conducted at Canadian on Tuesday of this week and the body was taken to Silverton that afternoon for burial.

Haynes entered the employ of the Santa Fe in Farwell in 1916, and was connected with the local freight office until 1930, when he was transferred to Canadian.

Besides his wife, he is survived by two daughters and two sons. His father and mother, who maintained their home here until a few years ago, also survive, and are now living at Silverton.

Mrs. Haynes has been in poor health for the past several years, and her husband was engaged in washing the dishes at the family home when stricken without any warning. "He was dead when he hit the floor," his son-in-law, J. B. Hoover, said in reporting the death here.

### Stunt Night Sponsored To Buy Playground Equipment for School

Sponsored by the Parent-Teacher Association, a stunt night program will be held at the Farwell school on Thursday evening of next week, March 28, it was announced today.

Plans for the program were made at the regular meeting of the PTA group, held last week, with a view to beginning a playground equipment fund of \$300.

Each grade in the local school is invited to present a stunt, and in addition, all clubs or organizations in the school are also eligible to take part in the contest. Judges will be present at the program, to rate the first, second and third-place stunts, sponsors said.

Last fall the PTA voted to buy badly needed playground equipment for the school, and the stunt night program will be the first of a series of programs to raise funds. Later, the PTA reports, several 42 tournaments are planned.

Some of the equipment has begun arriving at the school, with new sings and a health bar being set up. A slide is enroute, and seesaws are also expected.

Preceding the business session, Mr. H. A. Clift made an excellent address on "Managing Your Moods" carrying on the PTA theme of "The Family Builds For The Future".

The stunt night program will be enlivened next Thursday with music by the Hardage Brothers, and gate charges will be 20c and 30c.

### ACCREDITED LIBRARY

Texas State College for Women has the only department of library science in Texas that is accredited by the American Library Association for training of school librarians.

### MATADOR EDITOR HERE

Mr. and Mrs. Douglas Meadows, publishers of The Matador Tribune, were callers at the local Tribune office on Monday for a "shop chat". Editor Meadows is president of the Panhandle Press Association, and is well known over the Plains region for his column, "Trail Dust", which appears in a number of plains publications.

### Brother Dies Tuesday In Amarillo Hospital

Edwin Middick, brother of Mrs. Bess Henneman of this city, died early Tuesday morning at St. Anthony's Hospital in Amarillo, following an illness of a week which was never determined by attending doctors.

The young man, who would have been 30 years old in a short time, was discharged from the Marines only a few months ago. He spent over a year in the Pacific and after his return to the States was confined to a military hospital for some time for treatment of a jungle disease. When taken to the hospital last week it was at first thought that he was suffering a recurrence of the disease.

Funeral services will be held tomorrow (Thursday) at Boxwell Brothers Funeral chapel in Amarillo at 2:30.

Middick is survived by his wife, his parents, one sister and one brother, all of Amarillo, and Mrs. Henneman of Farwell.

Another brother, "Bud", is also in the hospital, having been confined a few days following Edwin's illness. Mrs. Irene Corey, sister, reported that his condition was still serious, but it is hoped that a second transfusion will save his life. Both brothers apparently were stricken with the same disease.

Mrs. Henneman was called to Amarillo Tuesday morning and will remain the rest of the week.

### Fuller Burial Rites Set For Thursday

Funeral services for Joe S. Fuller, age 74, will be held at the Steed Funeral Home in Clovis, Thursday afternoon at 2:30, conducted by Rev. Fred Pruitt, of Guthrie, Okla.

Fuller, who has been operating a small grocery store in Bovina the past few years, died at the family home in that city early Tuesday morning. Burial will be made in the Clovis cemetery.

Survivors include his wife, Mrs. Edna Fuller, one daughter, Miss Louise Fuller, one son, Roy Fuller, all of Bovina; one sister, Mrs. Katie Steinhart of Springfield, Mo.; two nieces, Mrs. Grace Swain and Mrs. T. E. Nobles of Clovis; a cousin, Mrs. Will Eshleman, east of Clovis; and a sister-in-law, Mrs. Mollie Watson, of Clovis.

### New Business Building At Bovina Underway

C. O. Smith, who recently disposed of the Phillips 66 agency in Bovina, has started construction work on a new business building in that town, which will be 40x60 feet, and located on Main street.

Smith has announced that he plans to open a first class grocery and market in the new location. He added that he has most of his equipment already on hand, and hopes to have the new business open within the next few weeks.

### TEXICO CAFE CHANGES

Johnnie Benger has sold his Texico Hotel Cafe to Mrs. T. O. Wilson of Clovis, who took over the business last Friday. She will be assisted by her daughter, Miss Mildred, in the operation of the cafe. Mrs. Wilson said that she would continue serving regular meals and short orders.

Mrs. Hershel Morgan entered the osteopathic hospital in Clovis, Monday, for treatment.

Indisputable proof that it pays to add a supplement to pig rations was offered at the Texico school, the past Friday, when the FFA chapter, under the direction of supervisor Tom Hudson, put on exhibit three pens of pigs which had been fed out as an experiment.

The final statistics offered by the boys of the chapter at the conclusion of a 100 day feeding period are not to be denied. Lot No. 1, fed on Purina Hog Chow, showed a total gain per hog of 168 pounds during the feeding time. Lot No. 2 fed on grain, had a 50-lb. per hog gain, and Lot 3, given Robert's hog supplement, showed a gain of 159 lbs. per animal.

At the beginning of the feeding test, the four hogs in Lot 1 weighed 87 pounds, at the end of the test, the total gain was 672 lbs. for the four. In Lot 2, the initial weights stood at 77 and reached 127 at the end of 100 days, for a total gain of 200 pounds. Lot 3 showed a total gain for the four of 636 pounds, beginning with 88-pound weights and reaching a final weight of 247 per animal. Average daily gain per hog for Lot 1 was 1.68 pounds; for Lot 2, .50 lb.; and for Lot 3, 1.59 lbs.

In the first group, the four hogs ate 2,944 lbs. of grain and 596 pounds of supplement, for a total feeding of 3,540. This group showed a gain of 438 lbs. for 100 lbs. of grain, and 89 lbs. per 100 lbs. supplement. The total pounds of feed eaten for 100 pounds of gain was 527, and the cost per 100 lbs. gain, \$15.42. Breaking it down to a fine point, Lot 1 showed a cost of 15 1/2c per lb. of gain, with 5.27 lbs. of feed eaten for 1 lb. of gain.

Comparatively, Lot 2, fed only grain, made a very poor showing. Eating 3,167 lbs. of feed, the four gained 100 lbs. for 1,583 pounds of grain; showed a cost of \$42.10 for 100 pounds of gain, breaking down to a cost of 42c for 15.88 pounds of grain eaten to make one pound of flesh.

Lot 3, on Roberts supplement, came nearer to Lot 1, which had received Purina chow. These four pigs ate 3,225 pounds of grain and 472 pounds of supplement for a total of 3,697. They took 508 pounds of grain and 74 pounds of supplement for 100 pounds of gain, totaling 582 pounds of feed at a cost of \$16.65. Total pounds of feed eaten per one pound gain was 5.82 pounds, at a cost of 16 2/3c.

All animals were bought by the FFA chapter last fall, Director Hudson pointed out, penned on the same day, and daily records of feeding and gain were kept by the boys in order that all angles of the experiment could be considered.

L. C. Dalton, of the State office in Las Cruces, was an out-of-town visitor and made a brief talk at the show, while a short movie was shown by Mr. Roundtree, of Roswell, representative of the Purina Co.

Marvin Doolittle, president of the FFA chapter, also introduced M. C. Roberts, of Roberts Seed, Ray Mears of the Farmers Supply, John Hadley, former Texico FFA clubber, Supt. B. A. Rogers and Supervisor Hudson, who made talks.

Eight hogs, from Lots 1 and 3, were sold in Clovis on Tuesday, at a total of \$325.61, Hudson reported. Clovis scales showed that hogs on Purina supplement had gained 36 pounds each since last Friday to Tuesday morning, while those on Roberts supplement gained 35 pounds each in the same period.

Lot No. 2, which was not fed a supplement during the testing period, will be fattened before selling. Hudson explained, adding that until the last four were disposed of, it would be impossible to show how much profit the chapter realized.

In addition to the pig show, five Hereford calves, which are being fed out by chapter members for showing at the State Fair in Albuquerque next fall, were on exhibit.

### BROTHER-IN-LAW DIES

D. J. Brown, who lives southwest of Texico, received a telegram on March 13th, advising him of the death of a brother-in-law, Charles Melson, 42, in Los Angeles, Calif. His passing was attributed to a heart attack.

Henry White, of Amarillo, was here the first of the week visiting relatives and friends.

**Club Meets Thursday**

The Lazbuddy Community Club met Thursday for an all-day gathering in the home of Mrs. Raymond Precure. The ladies gathered early and quilted until the noon hour, when a bountiful meal was furnished and served to visitors and members in buffet style.

Visitors present included Mmes. Henry Clements, George Johnson and C. E. Briscoe, all of Muleshoe; Mesdames O. T. Treider, Virgil Teague, Rhynie Steinbock, Raymond Treider, Clarence Weems, Frankie Henson; and Mrs. Earl Meacham of Grand Island, Nebraska.

The meeting was called to order by the president, Mrs. Frank Hinkson, and minutes were read by Mrs. H. W. Carpenter, secretary. A business meeting took up plans for the Lazbuddy carnival, to be held March 29, and to which the public is cordially invited.

Mr. and Mrs. Joe Jennings of Muleshoe visited Mr. and Mrs. Finis Jennings, Sunday.

Mrs. O. T. Treider visited Mrs. Ervin Wellman in the YL community, Sunday.

Joe Weems and Marvin Smith are visiting with Mr. and Mrs. Clarence Weems and family.

Mr. and Mrs. Grady Herington, of Farwell, visited Mr. and Mrs. Frankie Henson, Sunday.

Mrs. Clarence Weems and Mrs. D. B. Ivy shopped in Clovis, Wednesday.

Mr. and Mrs. Walter Steinbock and daughter visited Mr. and Mrs. Orian George of the Progress community, Sunday.

Mr. and Mrs. H. H. Henson, Jr., spent the weekend with his parents in the Oklahoma Lane community.

Mr. and Mrs. A. Choate and son, E. B., spent Sunday with Mr. and Mrs. J. C. Sneed at Hale Center.

Mr. and Mrs. Payne and daughter, Pauline, were shopping in Clovis, Wednesday.

Mr. and Mrs. Charlie Gustin, Mr. and Mrs. O. N. Jennings, Mrs. Joe Bates Jennings and son left Thursday to attend the fat stock show in Fort Worth.

Parker Burford, of Lubbock, is visiting his parents, Mr. and Mrs. W. O. Burford.

Mrs. Frank Hinkson and Mrs. Virgil Teague went to Clovis Wednesday to meet Mrs. Earl Meacham, who has spent the last two months in Phoenix, Ariz. She will visit her daughter several weeks before returning to her home at Grand Island, Neb.

The young people of the community enjoyed an evening of singing in the home of Wenonah Thorn, last Wednesday. The next meeting will be in the J. M. Baker home.

**SANTA FE CARLOADINGS**

Santa Fe System carloadings for week ending March 16 were 22,638 compared with 24,303 for same week in 1945. Cars received from connections totaled 9,836 compared with 14,886 for same week in 1945. Total cars moved were 32,474 compared with 39,189 for same week in 1945. Santa Fe handled a total of 32,916 cars in the preceding week this year.

There's many a person on the air who should get the air.

**Two Billion Pounds Products Shipped**

Food and agricultural products delivered for shipment during December, 1945, totaled more than two-billion pounds, according to E. A. McBryde, district director.

Products were scheduled for foreign shipments, including UNRRA, and for domestic and territorial programs. Deliveries for foreign shipments, other than UNRRA, amounted to 1,354,788,524 pounds, or 66% of the monthly total, he said.

On a commodity basis, grain and grain products made up the major portion of shipments reported. Other deliveries included dairy products, cotton, fruits and vegetables and smaller quantities of sugar, meats, poultry, fats and oils.

**Museum Building Will Be Finished at Canyon**

CANYON—Setting a date for resuming of construction on the second unit of the Plains Museum here will be one of the subjects discussed at the annual meeting of the Pan-

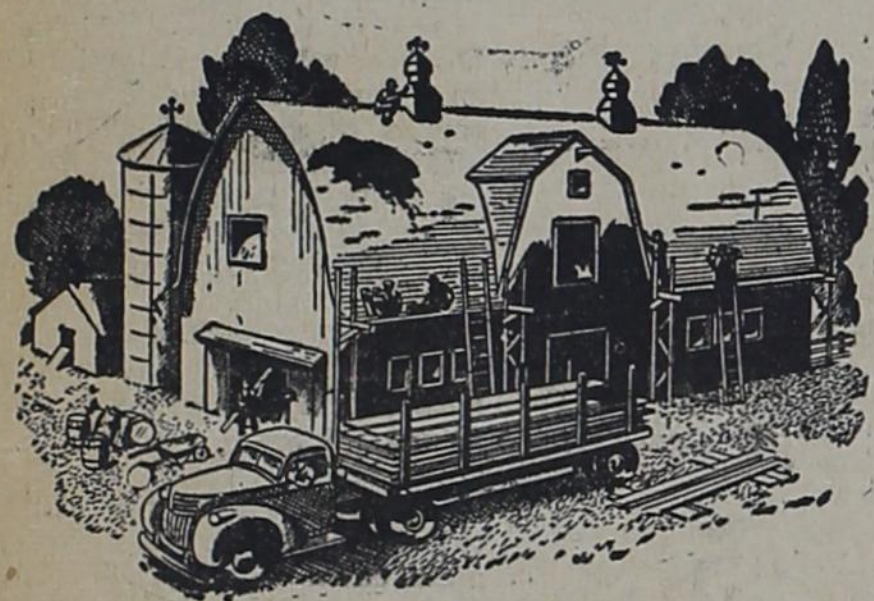

handle-Plains Historical Society in its annual meeting in Canyon on May 10.

This unit was begun before the war by the Works Progress Administration, and the concrete framework was completed. Most of the materials are on hand, and a campaign to raise \$60,000 to finish and

equip the annex has been underway for some time.

President Newton Harrell of the Society will preside at sessions to be held at 3 and 7 p. m.

Dr. L. F. Sheffy, secretary of the Society, has announced that ticket reservations for the annual banquet will be received at a later date.

**Repair Needs**

Shortage of materials makes it next to impossible to do any large-scale building, but we can help you with those little repair jobs that need attention now.

**CEMENT**

We have both Portland and Atlas White, suitable for all types of concrete and stucco work.

**PAINTS & VARNISHES**

Byrle Elliston, who has presented Hereford's attractions at the State exposition for many years, will be in charge of the booth as chairman of the Hereford Chamber of Commerce committee.

**"Design For Living" To Be Stressed In Class**

AUSTIN—A "design for living" through recognition of the indigenous material of a community will be emphasized in classes held at the University of Texas this summer in a special course entitled "Creative Arts in the Community".

"Better choral music by training local talent, better architectural planning through use of native materials and products distinctive to the Southwest; civic improvement through an awakening of the townspeople; all these are the tanyible goals of the course," Donald Goodall assistant professor of art and member of the committee sponsoring the course, said.

Through a \$1,500 grant from the American Institute of Architects and the Carnegie Foundation, scholarships are now available for nine teachers of high school and college and college major students in the arts and architecture. Applications should be made directly to Hugh McMath, chairman of the committee and associate professor of architecture, the University of Texas, Box

2115, before May 1.

"We plan to print the way to a complete community," Goodall stressed. "By this we mean the development concurrently of music, art, drama, architecture, and natural resources, both human and physical."

"If each community in Texas would make an evaluative survey of its resources, its potentialities, and its lack of progress in comparison with other communities, then the state would become more beautiful and more useful," he said. "Teachers taking this course will get the necessary rudiments for helping their own towns plan for more efficiency, and for development of their resources."

"Arts and the Community" is a new field of study and is being offered at the University this summer for the first time.

**GI Wives, Children To Go Overseas in April**

Wives and children of GIs will begin arriving overseas after April 1, Lieutenant Colonel Robert L. Hardy, Commanding Officer of the West Texas Army Recruiting District in Lubbock, has been advised.

Berchtesgaden, scenic mountain retreat once favored by Hitler, will soon become the homesite for many of these American families. Soldiers homes are being constructed in the area beneath Hitler's shattered eye. Berchtesgaden is one of the 56 cities selected by officials in Germany and Austria to house thousands of American families.

**Saucy Vegetable Suppers**

You can promote vegetable dinners to a new pitch of popularity by serving them with condiments and sauces that flavor-heighten their appeal. Beets can be glamour-coated by steeping in distilled white vinegar and spice. Corn, with bacon snippets added, is the better for a bit of broiling with chili sauce on top. And cauliflower takes on new character, has greater charm when a snappy hot sauce crowns its glory.

**Mustard Sauce for Cauliflower**

Combine—  
½ pint thick sour cream  
1 tablespoon prepared yellow mustard  
Heat, and serve over cooked cauliflower. Yield: ½ cup.

**Cabbage with Ketchup Butter Sauce**

Shred or slice—  
1 head cabbage.  
Cook, uncovered, in boiling salted water 8 to 15 minutes, or just until tender. Drain thoroughly. Place in serving dish. Pour over top—Ketchup Butter Sauce (recipe below). The cooked cabbage may be placed in casserole, covered with Sauce, topped with bread crumbs, then browned in oven a few minutes.

**Ketchup Butter Sauce**

Combine equal portions of—  
tomato ketchup  
butter.

Heat, then serve over cooked vegetables. (2 tablespoons per serving).

**Hashed Brown Potatoes**

Slice thinly—  
2 large cold cooked potatoes.  
Brown in small amount of—  
fat.

When browned, add—  
3 tablespoons India relish  
2 tablespoons tomato ketchup.

Season to taste with salt and pepper. (Serves 2)

**Thrifty Texans Buy Savings Bonds**

"Texans are not only patriotic, as evidenced by their record purchases of U. S. War Bonds during the war years," Nathan Adams, State Chairman of the Advisory Committee for Texas, declared, "they are also thrifty. With the war over, Texans continue to buy U. S. savings bonds in a satisfying manner with a total of \$17,681,000.00 invested in Texas during January."

"Availability of U. S. Savings Bonds with the same rate of interest as War and Victory Bonds is a direct result of demands by management, employees, and schools throughout the land," he continued. "Savings Bonds are being handled on the same basis as War Bond purchases with payroll savings plans, banks, schools, and other issuing agents. Too much stress cannot be put on the value of accrued savings through Savings Bonds investment for both the individual and the nation. The individual should continue to save for his own security and for the security of the financial structure of his country."

"The best way to safeguard the country from ruinous inflation is for individuals to continue to invest in U. S. Savings Bonds," Mr. Adams concluded.

National sales of E Bonds in January amounted to \$640,900,000.00, which was 80 per cent of the January, 1945, rate, according to figures released by the Savings Bonds Division of the U. S. Treasury. Redemptions for the month amounted to only 1 per cent of all the outstanding E Bond holdings.

BANNER STRIPE BAGS by Garay

Bring out the flag — wave a bright banner. At last — the perfect accessory bag! Pretty? Come on in and have yourself a peek at that expensive-looking fabric, the gorgeous riot of colors. Practical? Just snap that handsome lock, and look down into all that good down-to-earth roominess. Nary a bulge in a bagful. Two-striped or multi-striped, with plastic frames to blend, in tortoise-shell color or white, and your choice of a matching plastic handle or . . . have it handle-less.

**LOOK AT THESE**

Well, Brother, we have those good bargains in good wheat farms right now. Don't miss them! We have one that will fit any purse.

How about 1954 acres of good type wheat land with good elevator and granary room for 60,000 bushels of wheat; well improved, fenced and cross-fenced, with all the necessary machinery to farm same; with repair shop, electric welder, drills, and all kinds of tools to go with it?

Another one, 1280 acres, well improved, perfect place, as good as can be found on the caprock.

Another one, 960 acres, half in wheat and half in grass, with lots of good improvements; modern in every way.

Another one, 320 acres mixed land, wheat and row crop; well improved, modern in every way; good 7-room house, hen houses and brooder house all wired for electricity; within half mile of good paved highway and a town of elevators and cotton gins.

Another one, 218 acres, fairly improved, 1 1/2 miles from town with good school and churches.

Another one, 2460 acres deeded land, 1600 acres in grass, 760 in farm; well improved, modern in every way.

All these farms are located in Parmer County, within reasonable distance of good schools and churches, and plenty of fine water.

If you are interested in farm lands, don't wait—see me at once. CHAS. LUNSFORD REAL ESTATE AND LIVESTOCK EXCHANGE Farwell, Texas.

**OKLAHOMA LANE**

Mr. and Mrs. Ralph Caldwell and daughter, Mr. and Mrs. Caldwell and children and Bessie Ruth Caldwell spent the weekend with their parents, Mr. and Mrs. J. R. Caldwell.

N. C. Smith and his brother, Will-et Smith, were visitors in the Clyde Perkins home. Clyde has been on the sick list for a week or more.

Mr. and Mrs. Fred Paine have received word that their son, Thomas Glen, has landed in the States.

Garland Billingsley has arrived home.

Rev. Rollo Davidson will hold a meeting in the Oklahoma Lane Methodist Church, beginning April 2.

Mr. and Mrs. W. E. Verner and Mr. and Mrs. Scottie Barrie were attending business in Amarillo, Wednesday.

Mr. and Mrs. W. E. Verner and children were visitors in Portales, Sunday.

The next meeting of the Variety Club will be held Tuesday, April 2, with Mrs. C. Christian. It will be an all-day meeting and the ladies are asked to bring a covered dish.

Mr. and Mrs. S. H. Sides were Hereford visitors, Tuesday.

Thieves are slow to enter a lighted barnyard and even animals pesthy away from light.

**Home Canning Sugar Is Now Available**

Effective last Monday, March 11, spare stamp No. 9 in ration book 4 became valid for the purchase of five pounds of sugar, to be used exclusively for home canning during 1946.

This information was made available here last weekend by the board in Hereford, which now handles rationing data for Parmer, Castro and Deaf Smith counties.

The sugar stamp can be "cashed" any time between now and October 31 and no application to the ration office is necessary. Officials warned however, that the sugar obtained is to be used solely for home canning and preserving of foods for home consumption.

**INFORMATION BULLETIN**

"Professional Education of Teachers for the Post-War Era" is the title of an information bulletin sent recently to Texas schools, libraries, and veterans centers by the University of Texas College of Education. The five major departments of the College are curriculum and instruction, educational administration, educational psychology, history and philosophy of education, and physical and health education.

**Dust Off The Hoe  
And Hit The Dirt**

COLLEGE STATION—Gardening time for 1946 is at the doorstep of the majority of Texas homes.

Warmer weather moving north into the central and north central portions of the state permits planting beets, English peas, carrots, cabbage and other hardy vegetables now, says J. F. Rosborough, horticulturist for the A. and M. College Extension Service. Turnips, spinach, radishes, white potatoes, parsley, onions, mustard, and head and leaf lettuce may be added to this list during February.

Best results are obtained when it is possible to plant these hardy and semi-hardy vegetables 20 to 30 days prior to the average date of the last killing frost in a given area, Rosborough says.

Vegetables like tomatoes and peppers, which are frost tender, lend themselves well to starting in a hotbed or plant box. The seeds may be field setting. There is advantage in planting the beds and boxes early in February in central, north and northeast sections, but in the high plains area of the state such operations may be done late in the month. In areas where frost-free days will appear in the next three weeks, selecting, treating and bedding sweet potato slips for production should be attended to now.

Recognizing that most Texas families learned a good deal about successful gardening during the war years, Rosborough offers these points as refreshers to insure better production from the home plot:

Treat seed before planting. Soak over night in water seeds which germinate slowly. If barnyard fertilizer is used apply it several weeks or as far in advance of planting as possible; if commercial fertilizer is used apply it in the row seven to ten days ahead of planting. Drain site well. Rotate garden site or rotate vegetables within it. Flat rows in low rainfall areas, or where no irrigation water is available; ridged beds for irrigation or high rainfall areas. Replant every week some kind of vegetable and keep the garden plot in full production. Use good seed and control bugs.

Crooked dough brings no man wealth, except and perhaps the pretzel manufacturer.

Australia provides the world's foremost supply of raw wool.

**THE POCKETBOOK  
OF KNOWLEDGE** BY TOPPS

**Health Notes**

By Texas Department of Health

AUSTIN—"Immunization is superior to all other means of communicable disease control because immunity becomes part of oneself and is always there as a defense against certain diseases."

This is the statement of Dr. Geo. W. Cox, State Health Officer, who adds: "Immunization is the best and most effective means of protection against diphtheria, tetanus, smallpox, whooping cough and typhoid fever." According to Dr. Cox, the ages that are best for immunization of children are: for diphtheria and tetanus,

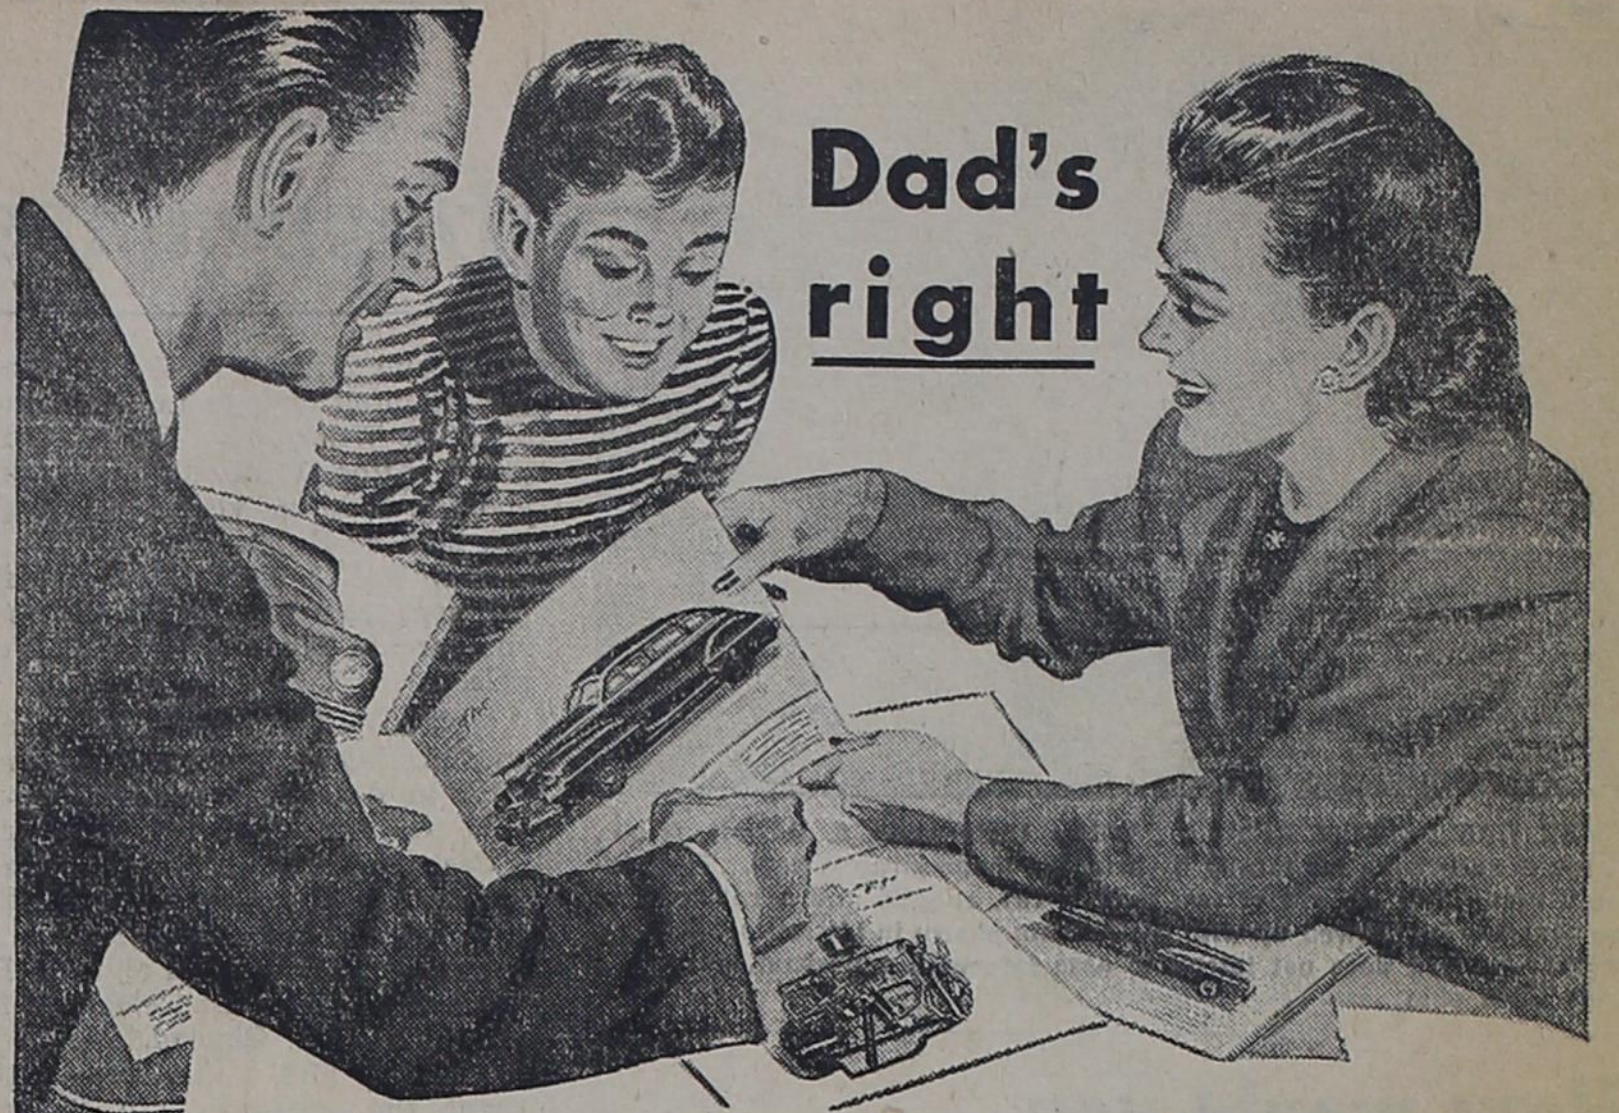

9 to 12 months; Schick' test, 6 months later, re-immunize if immunity has not been established; smallpox, 6 to 12 months, re-vaccination at 6 to 12 years; whooping cough, 6 to 12 months. Tetanus or lockjaw is not common, however, when it does occur it is usually fatal. The tetanus germ gets into cuts, scratches, abrasions and particularly deep wounds, so that it has always been an important problem of public health as well as military medicine. Other ways to fight disease are through good sanitation measures. The provision of safe water supplies, the pasteurization of milk, the supervision of food and other precautions have in many communities reduced typhoid fever to a minimum. Isolation and quarantine have their place and are extremely valuable, but none of them has the quality of immunity, or being a part of oneself, and consequently always available.

**Teachers Must Receive Increased Salaries**

LUBBOCK—The need for greatly increased salaries and other inducements for the teaching profession has definitely reached an emergency status, according to President W. M. Whyburn of Texas Technological College. Tech's president was led to make this statement following his attendance of the recent annual meeting of the National Association of School Administrators in Kansas City, Mo.

There were more than two hundred public schools officials from Texas in attendance at the meeting. The present shortage of public school teachers and the potentially greater shortage in the future, Dr. Whyburn says, is due to the fact that the teaching profession is not being chosen by college graduates.

Tribune want ads get results.

**Dad's right**

—wanting another OIL-PLATED engine

**CONOCO**  
**N<sup>th</sup>**  
MOTOR OIL

and remember another big thing:  
Don't say octane—SAY N-TANE®  
...CONOCO N-TANE GASOLINE

Motorists' Lesson I from World War II is that cars with OIL-PLATED engines don't quit easy. Though some are being traded for style's sake now, you can safely figure that the owners are repeating on OIL-PLATED engines! They make sure to get them—the same as you can do —by using Conoco N<sup>th</sup> motor oil, with its added OIL-PLATING ingredient. This acts magnet-like, forcing engine parts to attract and hold a close-bonded surfacing of lubricant.

And that's protective OIL-PLATING—the wear-fighter!

Like a shield over the fine-finished inner surfaces that you want preserved, OIL-PLATING is in position against wear . . . in position to discourage carbon, gum, and sludge—to encourage oil and gasoline economy. You want all that, and it's yours for the asking. Just ask for Conoco N<sup>th</sup> oil in any car. In the case of an older car, you certainly need a Spring oil change now, so this is exactly your time to OIL-PLATE. Pay just a bit more for it! See Your Conoco Mileage Merchant. Continental Oil Company

**MARINE QUOTA UNLIMITED**

The Marine Corps is some 51,000 men ahead of schedule in discharging men from the Corps. Younger men are needed now for replacements. Those men enlisting now will have the advantage of faster promotions. The older men holding the higher ratings are being discharged; therefore, these vacancies will have to be filled by younger men.

While these men are serving their enlistment in the Marines and gaining valuable knowledge, they are also preparing themselves for a better position in life. Upon discharge, they may attend the college of their choice. If unable to attend college, the discharged Marine may attend any trade or vocational school and learn a skilled trade. All of this will be paid by the government, plus added money for living expense.

This opportunity is open to any alert, ambitious young man between the ages of 17 and 25, with no dependants, and in good physical condition. A word for men 18 to 25, the Marines are not accepting anyone through the draft. You can only join the Marines by volunteering before you have received your notice for induction. Don't be drafted, enlist now.

For more information about the Marines, call or write Marine Recruiting Office, Post Office Building, Lubbock, Texas.

**DEER HERDS INCREASE**

In spite of the fact that 30,000 deer are killed annually in Texas, the number of deer in the state is reported to be increasing.

**MUSKRAT FUR POPULAR**

During the last few years, the muskrat has taken the place of the opossum as Texas' leading fur-bearing animal.

COMES THE ELECTRONIC HOT DOG . . . The "Radio Chef," promised for several months, arrived at New York to make life more complicated. The gadget for dispensing the electronically cooked frankfurters is being demonstrated by Sammy Kaye. The frankfurters are wrapped in cellophane and enclosed in an oven-fresh roll, ready for the consumer, who deposits a dime in the inevitable slot.

**BOBBY HAS POSSUM PET . . .** Bobby Underwood, 8, Detroit, Mich., is always surprising his family by bringing home strange pets. They recently made him get rid of two cats, a rat, rabbits and a rattlesnake. The next day he showed up with the possum shown in his arms. Bobby's two-year-old dog does not intend to associate with a possum, according to his tilted chin.

## Bovina Happenings

Mr. and Mrs. R. N. Williford and Mr. Riddling were in Lubbock, Sunday. The Willifords visited their nephew, Afton Williford and family, and Mr. Riddling visited his daughter, Mrs. P. E. Findley.

Mrs. Walter Neil Westmoreland and son, from Kermit, are guests of her parents, Mr. and Mrs. Bill Venable.

Melvin Wheeler was home Sunday and Monday from the Veterans hospital in Amarillo, visiting his parents, Mr. and Mrs. U. B. Wheeler.

Cash Richards is having a new addition built at his home, putting two rooms above a new garage.

Mrs. Wilford Quickel and Ike Bill of Farwell, spent last week with Mr. and Mrs. I. W. Quickel.

Mr. and Mrs. Thurston Battey spent the weekend with Mr. and Mrs. Lloyd Battey.

The Tom Sawyer play, presented at the high school auditorium last Thursday night by 70 children out of Mrs. Aubrey rhodes' and Mrs. Williams' rooms, was given before a full house. A group of seventh and eighth grade girls directed by their teacher, Mrs. Cherry, gave several vocal numbers between acts. The evening was enjoyed by all who attended.

Mr. and Mrs. Frank Newman and children of Antelope, Texas, and Mr. and Mrs. Hugh Howard of Plainview, visited their brothers, Slim, Hubert and Barney McKinney last week.

Mr. and Mrs. Levi Johnson and children and Mr. and Mrs. Mel Gunn were dinner guests in the Hubert McKinney home, Sunday.

Mr. and Mrs. L. C. Moore Jr., of Amarillo, Texas, spent the weekend with his parents, Mr. and Mrs. L. C. Moore.

Bill Venable was transacting business in Albuquerque, last week.

Mozelle and Sula Moore of Clovis spent the weekend with their parents in Bovina.

Mr. and Mrs. F. W. Ayres attended to business in Amarillo, Monday. Mrs. Ruth Lloyd, of Friona, is painting the scenery behind the baptistry in the new Church of Christ building this week. She is staying with her aunt, Mrs. Free.

Mr. and Mrs. Harold Turner and Don, Betty and Dana Turner spent the weekend at Grady, visiting Mr. and Mrs. Reed.

Mr. and Mrs. Walter Bishop, from Wilson, Texas, spent the weekend with Mr. and Mrs. A. G. White.

Patricia Sue Cherry was the guest of Alice Kay Collins over the weekend.

Walter Lee and Alice Steelman made a business trip to Clovis, last Friday.

School was dismissed the past Friday while members of the local faculty attended a teachers meeting in Amarillo.

Mrs. Nettie Lee Wilson spent the weekend with her mother, Mrs. Giles Williams, at San Angelo.

Billie Joe Eberting is home with his discharge papers. He has spent the past week in the Pacific.

### Birthday Party Given Wilbur Dee Pounds

A birthday party was given Tuesday afternoon, in Miss Dennis' room at the school for little Miss Wilbur Dee Pounds. Many nice gifts were presented the honoree, and refreshments were served after games were played.

Attending the party were Murlene Crook, Dennis Venable, Tempy Willis, Bobby Johnston, Peggy Jo Stump, Leon Richards, Betty Venable, Donnie Springs, Mary Sue Moody, Dennie Ware, Jurise Dennis, Sue Hoffer, Darvin Apple, Judy Jersig, Roberta Edwards, LaVerne Sands, Jackie Davis, Sonny Cranfill, Kenneth Phillips and the honoree.

### Music Students Go To Hereford Festival

A group of students of Miss Mattie Mae Swisher's singing class attended the district seven state music festival at Hereford, last Saturday. All made very good showings, receiving ratings of "excellent", "superior" or "superior plus".

Those competing were Denny Ware, Billie Derrick, Patsy Loflin, Delores Wilson and Martha Williams. Jimmy Ware was unable to sing because of a sore throat.

### Party Saturday Night In Caldwell Home

A party honoring Lt. and Mrs. George Robert Caldwell and Mr. and Mrs. E. T. Caldwell of Amarillo, was held in the home of their mother, Mrs. Margeurite B. Caldwell, Saturday evening at 8 o'clock. Games and music were the highlights of the evening.

Refreshments were served to Mr. and Mrs. C. O. Smith, Mr. and Mrs. John L. Wilson, Mr. and Mrs. Frank Wilson, Mr. and Mrs. Troy Armstrong, Carolyn Wilson, Rita Caldwell, the honorees and the hostess.

### Revival At Local Church of Christ

A short revival will begin at the new Church of Christ in Bovina on Sunday morning, March 24, at 11 o'clock. Bro. Raymond Rhodes, of Ft. Worth, will preach. Services in the afternoon begin at 2 o'clock, and short talks by visiting preachers will be given, in addition to singing. Preaching will be held each evening of the following week up to and including Friday night, March 29, at 8 o'clock.

### Denzil Eberting Given Birthday Social

A birthday party was given in honor of Denzil Eberting at the home of Jerrie Niece, last Friday night. Kathryn Robards acted as hostess.

Various games were played for the entertainment of the guests, and a refreshment plate served at the close of the evening, featuring a birthday cake topped with 18 candles.

Those present were Denzil Eberting, Donald Watkins, Delores Wilson, John Tabor, Martha Williams, Kenneth Horton, Rosa Lee Denney, Louise Moody, Gene Hawkins, Charlene King, Patricia King, Eney Hampton, Billy Bob Alverson, Wauldon Jefferson, Charles Ross, D. C. Looney, Shelby Anne Jersig, Stacy Queen, Durward Bell and Kathryn Robards.

### Mrs. J. Sam Gaines Notes 69th Birthday

Mrs. J. Sam Gaines was surprised last Thursday on her birthday, when a host of friends and neighbors arrived at her home with a covered dish dinner and gifts galore.

The table was spread with a lovely lace cloth, centered with a huge cake bearing 69 candles, denoting the age of the honoree. The house was decorated with beautiful cut flowers.

Enjoying the occasion were Mesdames M. F. Hall, Evelyn Macon, Nettie Lee Wilson, Lulu White, Lorent Jefferson, Mel Gunn, Alma Lou Vassey, Oleta Hoffman, Gladys Tidenberg, Sallie Potts, Lucy Wilson, Ether Glover, Mary Richards, and daughters, Joe Looney, Polly Venable, Orpha Parker, Lottie and

Red Gaines, Elliot, Lorena Brock, Dottie Ward, Marie Venable, Jake Kyle, Waltman, Lady and Troy Armstrong.

Regrets were sent from Mrs. Bingham, Ollie Williams, Calhoun, Kimbrow; Misses Katherine Robards and Lois Jean Inness.

### Surprise Party Given

Velya Turner was surprised on her birthday, last Monday, when a group of friends went to her home north of town, in the afternoon, loaded with gifts and many good wishes.

Refreshments were served to Mrs. Buren Vassey, Mrs. Gene Ezell, Mrs. Lucille Walling, Mrs. Joe Wilson, Mrs. Otis White, Mrs. Harold Turner and Mrs. Buck Ellison.

### 39th Wedding Date Celebrated Sunday

One of the gala events of the season occurred Sunday, March 17th, when a host of friends and relatives gathered in the home of Mr. and Mrs. F. W. Ayres to honor them on their 39th wedding anniversary.

The table was spread with a lovely lace cloth, centered with a huge bowl of beautiful snapdragons. When the couple returned from church Sunday morning they found an array of beautifully wrapped packages on and around a table in the living room. Guests dropped in from one o'clock to six, with coffee, hot spiced tea and cake being served.

The guest register was signed by Mr. and Mrs. A. G. White, Mr. and Mrs. Buck Ellison, Mr. and Mrs. Byron Turner, Mr. and Mrs. J. I. Rury, Mr. and Mrs. Walter Bishop of Wilson, Texas; Mr. and Mrs. I. W.

Quickel, Mr. and Mrs. C. R. Elliott, Mr. and Mrs. Levi Johnson, Mr. and Mrs. Hubert McKinney, Mr. and Mrs. Mel Gunn, Mr. and Mrs. Ward Thompson, Mr. and Mrs. Ebb Randol of Farwell, Mr. and Mrs. J. W. Magness and Mr. and Mrs. Roy B. Ezell of Farwell, Mrs. E. V. Isham, Mr. and Mrs. Clarence Christian, Mrs. Margeurite B. Caldwell and Rita, Mr. and Mrs. Otis White, Mr. and Mrs. Reagan Looney, Mrs. John L. Wilson.

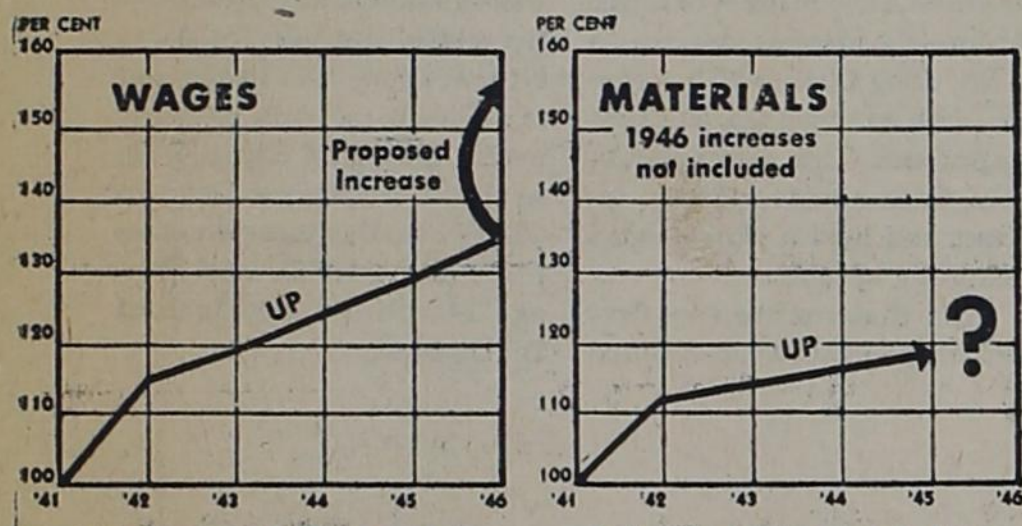

Regrets were received from Mrs. Jennie Shroyer of Avonsdale, Ariz., Mr. and Mrs. George Magness of Farwell, Mr. and Mrs. J. F. Foster, Mr. and Mrs. Hubert Ellison, Mr. and Mrs. F. H. Wilson, Mr. and Mrs. Troy Armstrong, Mr. and Mrs. J. W. Ellison, Mr. and Mrs. Clarence Jones, Mr. and Mrs. Bill Venable, Mr. and Mrs. Vernon Ward, Mr. and Mrs. Rob Caldwell and Tom, Mr. and Mrs. J. P. Macon, Mr. and Mrs. Clarence Givens of Stillwater, Okla.; Mr. and Mrs. R. S. Johnston, Mr. and Mrs. Elmer Venable, Mr. and Mrs. W. E. McCuan, Mr. and Mrs. Will Parker, Mr. and Mrs. Leo Hoffman, Mr. and Mrs. Frank Hastings, Mr. and Mrs. O. V. Venable.

LUBBOCK—Water storage capacity at Texas Tech will be increased to 200,000 gallons with the installation of a new surface water tank, according to W. T. Gaston, business manager.

The tank, the same size as the one now in use, will be installed by May 1. Increase in water capacity will provide better pressure and will be used to facilitate the new sprinkling system, used to water the campus, which will begin work this spring.

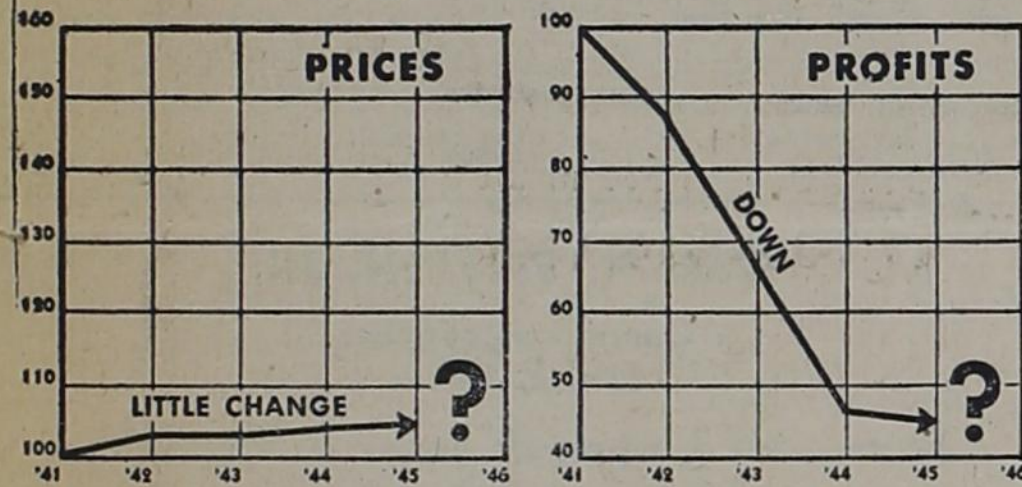

## How would you CHART YOUR COURSE?

Pictured here are the records of four "life lines" of our business—four things which largely control the destiny of any business, whether it be a farm, a factory or a store. They are Wages, Materials Costs, Prices, and Profits. Suppose these were pictures of what is going on in your own affairs. How would you chart your future course from these facts?

With the proposed increase, wage rates will have risen from \$0.85 1/2 per hour in 1941 to \$1.33 1/2 in 1946—a gain of 56.1%. Weekly average would be \$53.40.

By the end of 1945, prices on all commodities other than farm products, and food had gone up 19.2% since 1941. Chart does not show effect of 1946 increases.

Using U. S. Bureau of Labor Statistics with 1941 prices equalling 100, prices of farm machinery in 1945 were only 104.9.

Profit per dollar of sale has declined until in 1945 it was slightly less than four cents, as against 8.4 cents in 1941.

### What about wages?

Wages have risen steadily for five years. Before the strike which began on January 21 in ten of our plants and which has choked off nearly all farm machinery production, earnings of employees of these plants averaged \$1.15 1/2 an hour, not including any overtime. The Union demanded a 34 cents per hour increase and a Government board has now recommended a general increase of 18 cents an hour, which would make average earnings \$1.33 1/2 an hour. Weekly average would be \$53.40.

### What about materials?

No one seems to know how high materials costs will go. The Government has increased steel prices as much as \$12.00 a ton, with an average increase for all grades of 8.2%. Steel is the most important material we buy, but prices on other materials are also increasing.

### What about prices?

There has been no general increase in our prices since they were frozen by the Government in early 1942. Since then a few small increases have been allowed where particular machines were substantially changed in design.

### What about profits?

Risk is part of the American profit and loss system, so we do not, of course, ask either our customers or the Government to guarantee that we can be certain of profits each year. The chart tells the story of our profits during the war. Although Harvester produced more goods than ever before, it had no desire to get rich out of war, so our rate of profit has steadily gone down. What our 1946 profit will be is extremely uncertain.

### What is the next step?

As you can see, our present situation is that with frozen prices and declining profits, we are asked to pay higher materials costs and to make the biggest wage increase in the history of the Company. Can we do this?

Wages and materials consume all but a few cents of every dollar we take in. If our prices continue frozen, and cost of wages and

materials continues to rise, obviously our Company will begin to operate at a loss at some point.

The exact point at which operating at a loss would start is a matter of judgment. Government agencies and union leaders may have opinions as to where that point is. But if they turn out to be wrong, they can shrug their shoulders and say: "Well, it wasn't my responsibility. I didn't make the decision."

The management of this Company cannot and will not say that. It dares not gamble. It has to be sure. Continuation of our service to millions of customers, the future jobs of thousands of employees, and the safety of the investments of 39,000 stockholders depend on our making as correct a decision as is humanly possible.

### What about future prices on farm machinery?

The judgment of Harvester's management now is that we cannot safely make the huge wage increase recommended by the Government until the Government authorizes adequate increases in the prices of farm machinery to cover the resulting increased costs.

That is not a judgment that makes us happy. The Company does not want to raise prices. We prefer to lower prices, when possible, and we know our customers prefer to have us do that. We have produced at 1942 prices, and hoped we could continue to do so. We have delayed seeking general price relief in the hope that it could be avoided. Now we are convinced that it cannot be avoided any longer. The price question must be settled. Until it is settled we do not see how we can settle the wage question. Until the wage question is settled we do not see how we can resume production and begin turning out the farm machines which we know our farmer customers need.

Because of the important stake which both farmers and city dwellers have in this controversy, we are bringing these matters to your attention. Through the cross currents of today's conditions, we are trying to chart a course that is fair to our employees, to our farmer customers, and to our stockholders.

## Kaltwassers Honored With Lovely Shower

Mr. and Mrs. Walter Kaltwasser were honored with a post-nuptial and "welcome home" shower, given Sunday, March 10, in the home of his parents, Mr. and Mrs. J. A. Kaltwasser, with the ladies of the Lariat Lutheran Church acting as hostesses.

Mrs. Kaltwasser is a former English girl, and she and Kaltwasser were married while he was stationed in England during the war. She and their 11-months-old daughter arrived in Farwell a few weeks ago.

Refreshments were served by the Lutheran Ladies, with the guest list showing the following names:

Mr. and Mrs. Alb Kube and son, Mrs. G. Dannheim and son, Mr. and Mrs. F. B. Stovall and sons, Mrs. Hattie Haseloff and niece, Dorothy Haseloff, of Vernon; Mr. and Mrs. Alvin Lingnau and family, Mr. and Mrs. Walter Schwede, Henry Ogery of Littlefield, Mrs. Mary Kube, Rudolph and Velma Kube, Mr. and Mrs. Emil Haseloff of Levelland; Mr. and Mrs. Buddy Jones, Mr. and Mrs. Boone Allison, Mr. and Mrs. Dick Gerjes and sons, Mr. and Mrs. Fred Kepley and daughter, Mr. and Mrs. A. H. Daude and family, Mr. and Mrs. H. A. Daude, Mr. and Mrs. Conda Jones, Mr. and Mrs. Lee Jones, Mr. and Mrs. Claude Darr, Mr. and Mrs. Ed Ramm and family, Mr. and Mrs. Alvin Kriegel and sons, Mr. and Mrs. Martin Kriegel and family, Mr. and Mrs. Ben Kube and son, Mr. and Mrs. Ernest Kube and daughter, Mr. and Mrs. O. C. Petree, Wilbert Kalbas, Mr. and Mrs. Everett Christian, Mrs. W. I. Rundell.

Regrets were received from Alb Kriegel, Gilbert Kaltwasser, Mr. and Mrs. Roy C. Murphy, Mr. and Mrs. Robert Rundell, Mrs. Ernest Kalbas, Mr. and Mrs. Otto Lingnau and family, Mr. and Mrs. Elmer Kennedy, Mr. and Mrs. Ed McGuire, Mr. and Mrs. Sam Rundell, Mr. and Mrs. C. J. Dooze, Mr. and Mrs. Rochelle Christian, Miss Jennie Lynn Bolton, Mrs. Fred Bolton, Mrs. Henry Haseloff and family of Vernon; Mr. and Mrs. William Haseloff of Vernon; Mr. and Mrs. Adolph Haseloff of Vernon; Rev. and Mrs. A. O. Kaltwasser and daughter of Harrell, Texas, and Mrs. C. Davis.

Wearing of the turban in Persia was abolished by decree.

## Local Members Attend ME Conference, Clovis

A large number of local women, along with men of the Hamlin Memorial Methodist Church, were in Clovis the middle of last week, attending the state conference of women from all Methodist Churches in New Mexico.

Mrs. B. N. Graham and Mrs. M. C. Roberts represented the Woman's Society of Christian Service and the Wesleyan Guild of the local church as delegates.

Other local members who attended several of the meetings included Mesdams Roy B. Ezell, Ralph Humble, Harvey E. Carrell, Ruby Dixon, Bess Mansfield, Frances King, Bess Henneman, B. A. Rogers, W. W. Vinyard, W. H. Graham and V. Scott Johnson.

One of the outstanding affairs of the conference was the banquet on Wednesday night when the Wesleyan Guild and Clyde Campbell Circle of the Clovis Church and the Wesleyan Guild of the local Church acted as hostesses.

Mrs. J. C. English, of Clovis, was toastmaster, introducing the various state officers and the state Guild secretary, Mrs. Mottenger, of El Paso.

Dr. Mary Shannon, of the national jurisdictional council, who served as missionary in India for 30 years, and Miss Monta McFadden, who spent 12 years in Brazil as a missionary, were the principal speakers. The local organization was represented on the program by Mrs. W. H. Graham, who gave a vocal solo.

## Miss Edna Beryl Hall, Austin Young Wed

Miss Edna Beryl Hall, of Elk Creek, Virginia, and Sam Austin Young, formerly of Oklahoma Lane, were married on March 12th in the Altagate Methodist Church at Pulaski, Virginia, with Rev. D. A. Warner officiating, it has been announced here.

Mrs. Young is the daughter of Mr. and Mrs. E. J. Hall of Elk Creek and Young is the son of Mr. and Mrs. E. H. Young of the Oklahoma Lane community, recently discharged from the navy.

Mr. and Mrs. John Porter and Mr. and Mrs. Ray Sudderth have gone to Hot Springs, N. M., to spend a few days.

## Norton, Blythe Nuptials Are Read in Germany

Mr. and Mrs. Wm. M. Norton, Sr., formerly of Bovina and now of Quemado, Texas, are announcing the marriage of their son, Major Wm. M. Norton, Jr., to Miss Marjorie Blythe, of 1-A Bathurst Street, Lancaster Gate, London, England.

The marriage was performed on January 2nd, 1946, in Munich, Germany.

Mrs. Norton is employed as a secretary in the office of the Commanding General of the International Military Tribunal in Nuremberg, Germany. Major Norton is serving with the 1929th Signal Co. Dep. Avn., under the 9th Air Force, at Munich. He expects to remain in the army of occupation until Dec. 31, 1946.

## Basketball Teams Are Honored At Parties

The Texico and Farwell basketball squads, both boys and girls, were entertained the past weekend, when socials were held honoring the players and their coaches.

Ed and Walter Hardage acted as hosts to the Farwell teams and their directors on Thursday night, staging a weiner and marshmallow roast at the caliche pit north of town. Over 60 youngsters attended the affair.

On Friday night, Norma Lee Sanders was hostess in the Lewis Pierce home in Texico to teams from both schools, with games being arranged for entertainment.

Refreshments of ice cream and cakes were served to a large number of guests, with the individual cakes being inscribed "Yea, Farwell" and "Yea, Texico", to compliment the teams.

## Special Programs At Church of Christ

Minister Ebb Randol, of the Lariat Church of Christ, has announced a lectureship for the Lariat church, beginning March 31 and continuing through April 7, with visiting pastors bringing special addresses.

The theme of the program is "The History of the New Testament Church." Minister Randol said. Services will be held at 11 and 8 o'clock on the opening day, March 31, and closing day, April 7, while week-day services are slated at 10 a. m. and 8 p. m.

Speakers during the lectureship will include Minister Randol, Paul Foutz of Morton; Grover C. Ross of Monahans; S. A. Ribble of Muleshoe, F. P. Drennon of Melrose, C. D. Smith of Dora, N. M.; W. A. Kercheville of Portales, Lyle Bonner of Canyon, Roy Tidwell of Portales, Manzy Simms of Clovis, Lewis C. Cox of Farwell, Silas Howell of Clovis, R. L. Allen of Eunice, N. M.; and D. H. Perkins of Lubbock.

## Schoolmasters To Meet

The Texico faculty will be hosts on Thursday evening of this week, when the annual Curry County Schoolmasters meeting is held here. Various business is up for discussion during the evening, and a feed will be spread for the crowd.

## Return From Trip

Mr. and Mrs. George Magness returned to their home in Farwell the last of the week, after spending several weeks on vacation. They visited in the lower part of Texas, at Edinburg with relatives, and included a trip to Mexico in their itinerary before returning home.

## Rites Held March 12 For Hoyle-Glover

Miss Carey Jeanne Hoyle, daughter of Mrs. Engle Southard of Clovis, and Jimmy Ray Glover, son of Mr. and Mrs. J. R. Glover of Bovina, were married March 12 at 10:30 o'clock, in the Central Baptist Church in Clovis. The rites were performed by Rev. J. C. Banks, Sr., of this city, an uncle of the bride.

Attired in a two-piece suit of light beige wool complimented with black accessories and a corsage of gardenias, the bride was attended by Mrs. Erwin Bryant, sister of the groom, who chose a grey wool suit accented with black accessories and a white carnation corsage.

Johnnie Glover, of Bovina, brother of the groom, served as best man.

Mrs. Glover is a graduate of the Clovis High School and has been attending Eastern New Mexico College at Portales as a sophomore, majoring in secretarial science and theology. Glover is a graduate of the Bovina high school, and was recently discharged from the Navy.

The couple will have residence in Bovina.

## Khiva Temple Plans Fete For May 17, 18

Lee Thompson, Aide to the Potentate of Khiva Temple, A. A. O. N. M. S., said one of the best parades ever put on by Khiva Temple will be held on Saturday, May 18, at 3:30 p. m., starting from 5th and Fillmore, in Amarillo.

Oriental pageantry by the officers, uniformed units of Khiva Temple in all their color, beauty, retinue, glory, pomp and splendor, combined with drill formations, floats, good music, novice antics will make this a parade worth seeing.

A full form ceremonial will be held, good entertainment for everyone. Nobles are requested to bring in their reports on cases of crippled children within their counties who need the services offered by the Shriners Hospitals for Crippled Children. Camel Herders will hold a reunion on Friday, May 17, to which all Nobles and candidates are invited.

## Here From Arkansas

Mr. and Mrs. Jack Dunn and their daughter, Jill, are here to spend a week visiting with relatives and friends in Texico-Farwell and Clovis. They have been spending the winter in Hot Springs, Ark., and plan to return there this week.

## Attend Celebration

Mr. and Mrs. Willis Magness, Mr. and Mrs. George Magness and Mr. and Mrs. Roy B. Ezell were in Bovina, Sunday, where they attended the celebration staged by Mr. and Mrs. F. W. Ayres in recognition of their 39th wedding anniversary.

## CARD OF THANKS

We take this method to express our thanks for the kindness shown us during our recent bereavement in the loss of our father. We also thank each one for the beautiful floral offerings.

Mr. and Mrs. Bill Moss and family, Mr. and Mrs. Jim Moss and family, Mr. and Mrs. G. V. Bohannon and family, Mr. and Mrs. D. O. Rolland and family, Mr. and Mrs. W. J. Williams and family, Mr. and Mrs. W. H. Moss and family.

## NEWS FROM OUR BOYS IN UNIFORM

### TO OVERSEAS DUTY

Lt. Harry D. Nifong, brother of Mrs. Hamlin Overstreet of Farwell, has received his call for overseas duty and has reported to Kearns, Utah, for assignment. Mrs. Overstreet visited her brother and parents at the family home in Mansfield, Texas, last week. Lt. Nifong is an Air Corps engineer, and has been stationed in Texas for some months.

### HERE ON VISIT

Chief Pharmacist Mate Odus Rollins and wife, who were only recently married, arrived here this week to spend a brief leave in the home of his brother and wife, Mr. and Mrs. Seth Rollins.

### AT LUNSFORD HOME

James B. Williams, former 1st Lt. in the Air Corps, and his wife are here visiting his sisters, Mrs. Chas. Lunsford of Farwell and Mrs. Les Means of Texico. Williams received his discharge at Leavenworth, Kansas, last week, and intends to enlist within the next 90 days. He has spent the past six years in the Army, including one year in England as a bombardier. He attended the local schools several years ago.

### OVERSTREET IN STATES

Capt. Jimmie Overstreet has notified his mother, Mrs. Anne Overstreet of Farwell, that he is now back in the States and is to receive his discharge at San Antonio. Jimmie spent 15 months with an engineer outfit, in India.

Mr. and Mrs. M. C. Roberts were in Amarillo, Saturday, taking his mother to her home, after she had spent several days here.

Mrs. Lillian Bailey of Amarillo, visited her sisters, Mrs. Clara Green and Mrs. Dixie Stewart, last week.

TEXICO, N. M.

**Capitol Office Closes At Dalhart, 15th**

DALHART, March 15—One of Dalhart's historic landmarks—the Capitol Freehold Land Trust office which has been here since the town was founded in 1901—has closed.

This office and its predecessors had charge of XIT ranch land in Dallam and Hartley counties, all of which has now been sold, eliminating need of the office.

XIT history, of course, reaches back into the early 1880s when U. S. Senator Chas. B. and John V. Farwell, Chicago brothers, built the present \$3,000,000 state capitol in Austin in return for three million acres of land sprawling across 10 Panhandle counties from a point near Lubbock to the Oklahoma line. This land became the XIT spread.

Originally, some English capital was interested in the ranch and administration was by the Capitol Freehold Land Investment Co., Ltd. About 1915, the name was changed to the Capitol Reservation lands, then in recent years to the Capitol Freehold Land Trust.

Company headquarters have always been in Chicago, but the offices that came to Dalhart originally were in Channing. Three trustees—Farwell, Winston, Kent Chandler and Albert D. Farwell—now direct the Chicago headquarters. All are related by blood or marriage to the original Farwell brothers.

Closing of the Dalhart office left only one other in Texas, and the only one outside Chicago. It is at Farwell in charge of H. Y. Overstreet. Cecil C. Jones, formerly of Texline, has been with the Trust 13 years and was overseer of the Dalhart office.

Some 35 years ago a start was made cutting up the mammoth XIT into smaller ranches or farms. Three years ago there were about 150,000 acres of XIT land in Dallam and Hartley counties. They have been sold at the rate of 50,000 per year.

Remaining XIT lands are now all in Deaf Smith and Parmer counties. And while Overstreet released no figures, estimates are that the remaining lands constitute about two and a half per cent of the original ranch acreage.

**Stadium In View At Texas Tech**

LUBBOCK—With the goal in sight, Texas Tech alumni and Lubbock civic leaders have intensified efforts to complete the drive for funds to erect a new \$300,000 stadium for the college.

Leaders have announced that only about \$25,000 more is needed to reach a \$150,000 campaign goal set to raise funds to match \$150,000 underwritten by Clifford B. Jones, presidentemeritus of Tech, and others. Alumni solicitors say virtually every ex-student in the Lubbock area who has been asked has contributed some amount.

Ex-students and friends throughout Texas have been asked to send checks to the Texas Tech Foundation, Box 96, Tech station, Lubbock.

**PLENTY OF FISH**

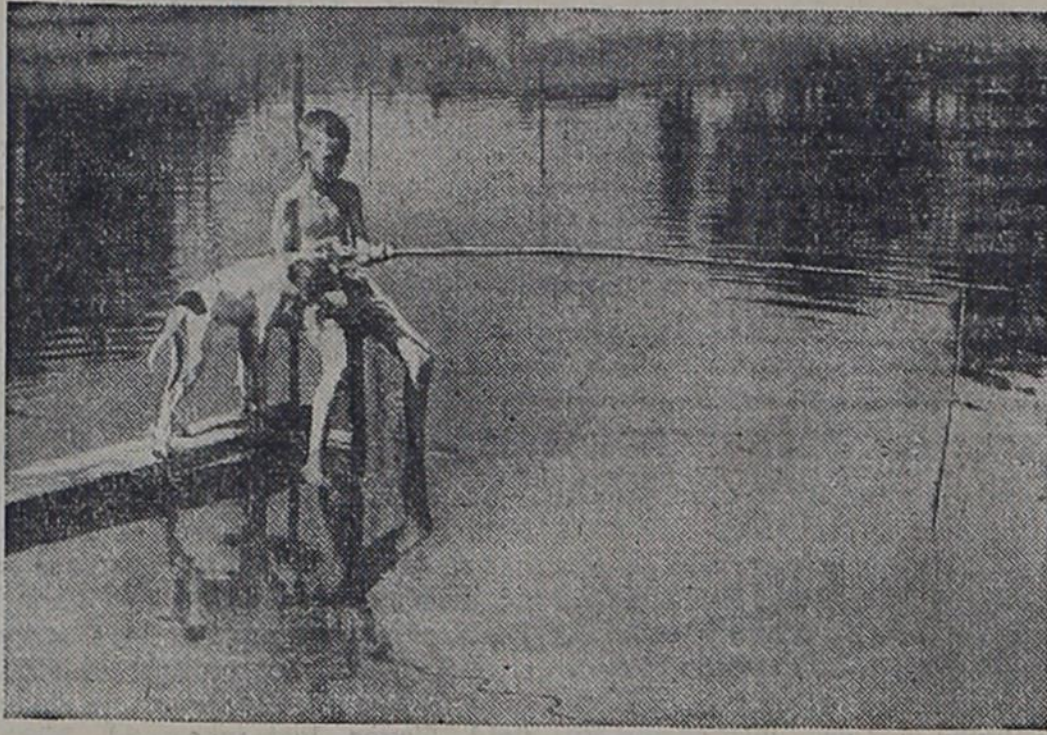

Federal fish hatcheries in Texas have a total pond surface of 175 acres from which three million fish are distributed annually.

**Farm Fish Ponds Prove Popular**

Relaxation as well as food is provided by the farm fish pond. This pond on a North Carolina farm yielded 90 fish in three days this spring—all of them edible. It was built by simply throwing up earth dam across a low, graded field, then equipping it with a spillway in the corner. It is fed by springs and was stocked with bluegill and bass.

**A. D. Smith Asks Support For County Judge**

In support of my candidacy for County Judge of Parmer County, Texas; I submit the following:

I was born and reared on a farm in Johnson County, Texas; near Grand View, graduated from high school at Grand View and attended the University of Texas for two years, taught school in Johnson County, Texas for two years, then came to New Mexico and taught school. I lived at Fort Sumner, De Baca County, New Mexico where I taught school for ten years, and was County Superintendent of Schools of De Baca County for four years. I was Superintendent of Schools at Melrose, Curry County, New Mexico. I went to school in New Mexico and graduated from the New Mexico Normal University, now Highland University, at Las Vegas, New Mexico, with an A. B. degree.

At the close of my second term as County Superintendent at Fort Sumner, I attended law school at Cumberland University, Lebanon, Tennessee, graduated at this University with the degree of Bachelor of Laws, took the State Bar Examination at Austin, Texas, and received license to practice law in all the Courts of the state of Texas. I commenced practicing law at Friona, Parmer County, Texas, on October 1, 1931, and practiced law there for five years, then, was elected County Attorney of Parmer County which position I held until May 1, of last year, when the Commissioners' Court appointed me County Judge to succeed Judge Lee Thompson, resigned.

The County Judge is Judge of the Probate Court and of the County Court. All Probate cases and proof of wills come before the County Judge. The Administrator of all Estates of deceased persons come before the County Judge. The County Judge has jurisdiction in Criminal cases for Misdemeanors and in all cases appealed from the Justice Courts. In the trial of Civil cases the County Court has jurisdiction of Civil cases where the amount in controversy does not exceed one thousand dollars. The County Judge is chairman of the Commissioners' Court, and in this County he is Ex-

Officio County Superintendent. I have been County Judge about eleven months and have devoted my entire time to the duties of the office and now I would certainly appreciate being elected for another term. Respectfully yours,  
A. D. SMITH (Pol. Adv.)

**Natural Rubber May Be Grown in Texas**

LUBBOCK—Guayule experimentation plantings conducted at Texas Technological College in connection with the government's emergency rubber project proved that this natural rubber could be grown successfully in West Texas, according to Dr. A. W. Young, head of the plant industry department at Tech.

Approximately one acre of guayule was planted at Tech in March 1941, at the same time that plantings were made in many parts of the United States. At the end of two years growth the rubber yield was 5.14 per cent, which compared quite favorably with reports from other plots, Young says.

With the end of the war the government's project was curtailed. However, one-fourth of the acreage at Tech will be continued to finish the experiment next year.

**CHEMICALS FROM GULF**

AUSTIN—Important chemicals from the Texas Gulf which may be used for many purposes are becoming more and more important to industry, W. P. Schambra of Freeport, chemical engineer for Dow Chemical Co., said in a recent talk at the University of Texas. Practically unlimited quantities of the major raw materials necessary for magnesium and for intermediate products that go into the manufacture of plastics are to be found in the Gulf, he said, mentioning sea water, oyster shells, salt, fresh water, sulphur and natural gas.

"Texas plants will be in the industrial picture as never before, because the peace-time use of magnesium alone has been estimated at 60 million pounds per year, and lower cost production can be had in the state," he said.

Academic credit for dancing is being given this year for the first time at the University of Texas.

**Helps build up resistance against MONTHLY FEMALE PAIN**

When taken regularly! Lydia E. Pinkham's Vegetable Compound does more than relieve monthly pain when due to functional periodic disturbances. It also relieves accompanying weak, tired, nervous, jittery feelings—of such nature. Taken regularly—Pinkham's Compound helps build up resistance against such monthly distress. Pinkham's Compound is worth trying!

**New Refrigerator Car To Be Much Lighter**

AMARILLO — A streamlined, stainless steel experimental refrigerator car which will be 5000 pounds lighter and which will have many other advantages over cars now in use is expected to be put in operation on the Santa Fe Railway by mid-1946, F. G. Gurley, president, informed local officials here today.

Conforming to studies made by the Santa Fe and shippers of fruits and vegetables, the new car will have a one-inch air gap between the side lining and insulation, thus making for more uniform temperature inside the car. Other features will include a special sliding door and a convertible lightweight bulkhead.

Designed by Consolidated Steel Corporation, Ltd., the car is under construction at that company's Los Angeles branch, where it is scheduled to be completed by May.

Built with unpainted, stainless-steel ends and stainless steel sides and doors, the car will be equipped with a unique but simple and rugged sliding door with a six-foot maximum opening.

Gurley said the car was designed to make best possible use of the Preco circulating fan. For pre-cooling loads and for loads that generate heat, cooled air must circulate through the load, but for solid or frozen loads circulation should remove heat that penetrates through insulation from the exterior.

Every effort is being made to produce a refrigerator car consistent with regulations of the Association of American Railroads and the Interstate Commerce Commission, as well as one which is satisfactory to shippers of fruits and vegetables, Gurley declared.

**BIRDS ARE CATALOGUED**

Approximately 800 species of native birds in Texas have been catalogued.

**Health Notes**

by Texas Department of Health

AUSTIN—The child who cannot hear is badly handicapped. Hard-of-hearing children are often considered backward and become greatly retarded in school when in reality they may be highly intelligent, but simply cannot hear much of what is said to them. Children who appear backward in school should be observed carefully to determine if hearing is a factor in the situation.

According to Dr. Geo. W. Cox, State Health Officer, many injuries to the ear can be prevented by keeping foreign objects out of the ear canal, taking good care of the ears during colds and other diseases and observing certain precautions when swimming.

"The cause of middle ear trouble often is diving and swimming," Dr. Cox said. "Whenever the nose is under water the breath should be continually and gently expelled thru the nose to keep nasal passages free of water. Protect the ears further by wearing a rubber cap."

The State Health Officer declared that no hard instrument of any kind should be used in cleansing the ear canal since it may be injurious. Using ordinary precautions can do much to avoid minor ear trouble which may later lead to partial or complete deafness, the doctor added.

**BAND IN UNIFORM**

LUBBOCK—The Texas Tech band expects to wear uniforms it has had in mothballs for three years for the first time in May. The white outfits were purchased from the Army—with Army buttons on them. No appropriate buttons have been available during the war, but Director D. O. Wiley has announced a supply has been located and the band will appear in the new whites for concerts in about two months.

**CASH INCOME DROPS**

AUSTIN—Cash farm income in Texas dropped 41 per cent in January under what it was in January, 1945, the University of Texas Bureau of Business Research reports. The decline of cotton ginnings from 362,000 bales in January, 1945 to 33,000 bales in January, 1946, as well as a similar decline in marketings of cottonseed accounted for practically all the drop in income.

The Bureau's Texas Business Review for February computed the January cash income as \$58,000,000 as compared with approximately \$98,000,000 in January, 1945.

Zinc is a metallic ore usually found with lead.

Deaf children like two-year-old Sue, above, whose father was killed overseas, are given special instruction in speech development at the Dallas Pilot Institute for the Deaf, Inc. Here Sue feels the cheek of her teacher, Miss Ruth Orenbaum, in order to pick up speech sound vibrations and learn to duplicate them.

**BAHM IS AUTHOR**

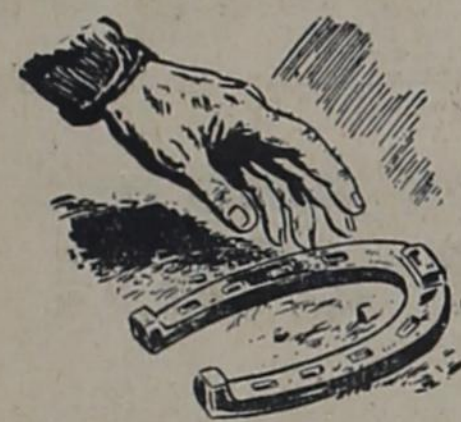

LUBBOCK—Dr. Archie J. Bahm, associate professor of philosophy and sociology at Texas Technological College, is the author of a pamphlet, "What's Ahead for Me", concerning occupations, marriage and education of interest to high school and college students.

The pamphlet is distributed by the Hogg Foundation of the University of Texas.

FOILED in his attempt to stop Hawkins (Bovina) from one of his shots, Thomas (Farwell) sticks with his man. In the background, J. Tabor of Bovina No. 24 and Bob Hart (No. 29) of Farwell await the outcome. Farwell won 23-21 to take the Parmer County championship.

### Equal Budget Sought For Curry Schools

An attempt to set up an equalized budget for all teachers in Curry county is being made by superintendents and school men of the county, Supt. B. A. Rogers, of the Texico school, said today.

Under this plan, Rogers explained, the county teachers would draw identical or similar salaries in all schools, according to the amount of college training they have had, and the amount of actual school work they are handling.

Tentative plans start the salary scale with teachers who have had two years of college, and graduate upward through those who hold Master's Degrees.

An auditor from the State department is expected here next Tuesday, to look over the budget, and Supt. Rogers said that it was likely the plan would be approved or discarded while the State representative is in the county.

Asked about the expected budget for 1946-47, the school head replied that rumors over the state had it that teachers might receive from a 10 to 30 percent raise, "but we'll have to hear from the budget man on that before we know what salaries will be next year".

### Nominating Committee To Select Ticket

A nominating committee whose duty it will be to select three men to be placed on the ballot for the forthcoming school election in the Farwell district, was named by the Farwell school board Monday night.

This committee has been asked to meet Friday afternoon of this week to select the three candidates to be placed on the ballot. Present members of the board whose terms expire this year are Verney Towns, Boone Allison and W. H. Graham.

Members of the nominating committee are B. N. Graham, Odie Branscum, Bob Hammonds, Grady Herington, Dick Gerjes, C. M. Henderson, Sam Aldridge and Frank Phillips.

### Coach Asks Help In Sodding Gridiron

"We need help!" Coach Jack Williams exclaimed the first of the week to a local reporter, explaining that plans are underway now to completely overhaul and sod the local gridiron, just west of the school building in Farwell.

T. E. Levy, county commissioner, has promised the use of county machines in putting the field back in use, after it has been neglected for four years, and with the bulldozer recently received at the school from army surplus goods, Williams is of the opinion that the grid can be put in tip-top condition.

"What we are going to need," he explained, "is good sod—Bermuda, of course, to stand the wear and tear of a football field—so that we can completely re-sod the entire field and have it in first-class shape by time football practice opens next fall."

Williams issued a plea to anyone in town or in the neighborhood, who plans to overhaul yards and will have excess sod on hand, to contact the school, "and we'll be glad to come after it".

The field will be 120x60, regulation size for 11-man football, the coach added, although present plans are for Farwell to have six-man football again this year. "We can lay out a six-man field, and there will be plenty of room for a large field when 11-man is played here," he said.

Plans are underway to scrape the grid deeply, in order that goat-heads and grassburrs will be completely cleared away. Water pipes were put down several years ago when the field was first laid out, so plenty of water will be available to keep the field up in good shape.

"We will be needing sod in a week or so," Williams concluded, "so if you have any that you can spare for the football field, we would appreciate hearing from you."

### No Track This Year

Asked about track workouts, the coach said that instead, the boys would concentrate on getting the gridiron in shape. Williams then plans two weeks of spring basketball workouts, followed by a month of spring football training.

### Track Workouts Slow In Windy Weather

March breezes have kept track workouts at a minimum at the Texico school during the past ten days, Coach C. E. Sanders said today, adding that he had a squad of some 20 men this year.

The first competitive events in which the locals will enter will be at Fort Sumner on April 12, when the annual Fox Relays are held. The date for the Curry county track and field meet has been announced as April 19, but no definite decision as to where the meet will be held has been made to date, Sanders said, adding that he planned to invite the tracksters to Texico.

Currently, Baker on the javelin, M. Doolittle on hurdles and Freeman, on the mile, have been making the best showing in the workouts, the coach said. He added that other members of the squad were developing in the various lines and expected to be able to offer good competition when the spring meets are held.

Chutney is a relish made from partially ripe mangoes and other fruit and spice ingredients.

### Fishing Plans Already Underway At Bovina

A Tribune reporter visited in Bovina last Saturday, and about the only subject that could arouse interest was that of fishing, and the urge to get off to where "they are biting". Troy Armstrong couldn't stand it any longer, so he went up to Buffalo Lake last week, and reports a very nice catch of small mud cats and one nice channel catfish.

Jim Ellison, who swore off last fall and sold his boat, motor and all tackle, was heard to remark that he was leaving this weekend for Hot Springs, New Mexico, where he has an invitation to join an old fishing partner for a try on Elephant Butte Lake.

And Aubrey Brock, his lumber business being blocked by OPA regulations, allowed he was taking off soon to catch up on his fishing after being grounded since the war began.

### Local Inventor Has Show At Lubbock

Paul A. Schmidt, of this city, is exhibiting five of his recent inventions at the Industrial Exhibition being held in Lubbock this week.

Schmidt, for many years an Iowa farmer, has been devoting considerable time the past several years to perfecting a wire winder, which eliminates much of the work in winding and unwinding barbed wire in fence construction. More recently he has been working on other inventions that will set and pull steel posts, and attach barbed wire to insulators with great speed.

He came here a few weeks ago and has been carrying on his work of perfecting his ideas. The wire winder, he explains, can be attached to the rear of a car and will wind up wire with ease and speed.

### Macon Adding Office At Bovina Business

J. P. Macon, operator of the Macon Elevator in Bovina, has begun construction work on a new office building in connection with his elevator in that city.

Installation has been completed on a new automatic, heavy-duty platform scale, which is 10x45 feet and has a capacity of 50 tons. Macon says he expects to have all the new improvements ready for operation in advance of wheat harvest.

### DISCHARGES FILED

Sgt. Dallas E. Coldiron, who served with a photo reconnaissance group in the Asiatic-Pacific theatre, was discharged at Fort Bliss on March 11. His ribbons include the A-P, American theatre, good conduct and victory. Coldiron spent 23 months in the States, six overseas.

Pvt. Robert Leach, Jr., received his discharge at Fort Lewis, Wash., on March 5. Leach spent nine months in service, has the victory ribbon.

Cpl. Lloyd Calvin Mingus was released from the Marines at Ocean-side, Calif., on Jan. 17. He was in the battles of Saipan, Tinian, Okinawa, Iheya Jima and served in the occupation of Japan. Mingus entered service on Jan. 28, 1944.

Charley Derward Wines, radio-man second class, was released at the naval separation center at Jacksonville, Florida, on March 8. He entered service on May 20, 1942, and served on the USS Patoka and USS Aristeus.

## Step Out In Fresh Clothes

Please Don't Wait Until The  
Last Minute To Bring In  
Your Easter Cleaning!

Easter is just around the corner, and our thoughts turn to new clothes. But, for most of us the old suit will have to last another season. Don't worry about that . . . bring it in and let us renew its appearance, and you'll be ready to join the "Easter Parade".
