

Poliomyelitis Outlook Is Not Alarming, Says Parmer County Medic

FROM THE HOPPER
By HOP

The Parmer County Fair Association is badly in need of at least a half-dozen discarded WPA outdoor toilet bases for use at the county fair grounds. Many of these old bases have been discarded with the installation of modern plumbing and they are needed at once so they may be installed at the fair grounds. If you have one or more of these discarded toilet bases, notify Dan Etheridge at Friona, and arrangements will be made to pick them up. Better still, take them to the fair grounds.

An experience I had the other day convinced me that this is the most dangerous season for automobile drivers, operating on the rural roads of the county. I took a short spin through the county with a friend and the way he zipped across road intersections on the trip fairly made my hair stand up. All intersections are rendered dangerous by high feed crops that grow right down to the corners of the fields. It is impossible to see an approaching automobile coming in on a crossroad to the left or right. My experience prompts me to warn drivers to slow down at these crossroads. We have already lost too many good men by automobile accidents at these road crossings, and we are due to lose more unless extreme caution is taken by all drivers who drive along these country lanes. Don't take unnecessary chances. It's so useless . . . and death is so permanent.

As the calendar now stands, we will not have another election until the second Tuesday in November. But you never can tell what might bob up in Parmer County. Looks like we have had enough elections to last us for a while, and furthermore, it costs lots of money to conduct an election. You would probably be amazed to know how much money has been spent on elections and election supplies in this county during the past two years.

George Young of Radio Station KAMQ, Amarillo, has sent me a card, certifying that I am now a full-fledged member of the Cuckoo Club. There are plenty of people who will agree that I have been a member of this organization for some time, but this is the first time I have been so recognized officially.

As things now stand, chances are good for Texico-Farwell to be without coal next winter . . . and, needless to say, that is "just around the corner." John Getz of the Farmers Supply, Texico firm which has always served as the coal merchant for the Twin Cities, states that he does not intend to stock coal for this winter's use. John refers to his experience in the coal business last year, and declares he doesn't want any more of it. He said he only handled one car last year, and, actually, he lost money on that one car, considering the numerous 100-pound-sack deliveries he was called upon to make. The gas and electric age has just about put the coal dealer out of the picture, but there are still some few people who must rely on coal for heating purposes during winter. If the local coal users are forced to truck their own coal in from Clovis and Bovina, it will mean that the cost will be about five dollars more per ton, which is as cheap as truckers can afford to haul it. So, I have been casting about during the past few days for a solution to the problem. Talked to C. M. Henderson, whose grain trucks make occasional trips into Colorado near the coal fields and he has agreed to bring coal in by the truckload, "if there is sufficient demand." He said a truck load would amount to 15 or 20 tons and he would be willing to send one of his trucks by a coal mine for an occasional load if it can be disposed of upon arrival here. "We have no coal bins and are not prepared to handle it unless unloaded direct from the truck to the customer," Henderson explained. I made a survey of known coal users here, not including several small customers who usually buy in 100-pound quantities. I found three local coal burners who were willing to accept

(Continued on last page)

"At the present time there is no need for alarm concerning the number of children afflicted with poliomyelitis in Parmer County," assured Dr. H. Hamilton Cooke of Parmer County Community Hospital, Tuesday morning.

The doctor, in making his statement of assurance warned, however, that there was a definite need for citizens to consider safety precautions for their children and young adults.

"So far, there have been five cases of polio in Parmer County," the doctor went on, "and two of these individuals had been in the county less than forty-eight hours before the symptoms of the disease appeared. A positive diagnosis was made in the county and the cases immediately were dispatched to poliomyelitis hospitals for treatment."

Dr. Cooke said three patients had contracted the disease within the county this year, one of them being diagnosed at an early stage of the illness. This patient was isolated at once and removed to a special type hospital for necessary attention. The remaining two were taken from the county without notification of the County Health officer, said Dr. Cooke.

In pointing out things that should be given attention with regard to the crippling disease, the doctor said "There is a definite danger of polio being spread by contact or by body discharges to other children or young adults. Every contact should therefore be considered a possible source of spreading the disease, especially during the early stages of the attack."

Dr. Cooke said if a child in one's family appeared ill, the family doctor should be contacted immediately, regardless of circumstances.

In event suspicion arises the case may be poliomyelitis, the case should be reported at once to Dr. Paul L. Spring, Friona, who is the county health officer.

"This should be done before the child is removed outside the county or the state," said the doctor, "and is supported by a state law. If the illness is diagnosed as poliomyelitis by a doctor outside the county, insist that he inform the health officer at once. Proper steps can then be taken immediately to limit all possible contacts and keep the disease from endangering other children."

All citizens are asked to cooperate in this prevention program for the mutual welfare and health of the youth of the county.

DR. H. I. WOLLARD

Dr. Wollard To Preach At Methodist Church Morning And Evening

Dr. Harold I. Wollard, director of the Wesley Bible Chair at Eastern New Mexico University, Portales, will preach at the Methodist Church here Sunday, August 21, occupying the pulpit at both the morning and evening hours.

Dr. Wollard was a pastor for thirteen years before entering the educational phase of his ministry, and has been active in youth and adult work. He left a pastorate in Denver for the position at Portales, where he has been the past year.

At the morning service, Dr. Wollard's topic will be, "Educating Youth for Christ." For the evening sermon, his topic will be, "The Faith That Prevails."

Mr. and Mrs. Willis Magness were business visitors in Friona, Monday.

Set Dates for County Fair

Voters Turn Down Road Bonds Again

For the second time in three months, the voters of Parmer County turned down a road bond issue in a special election Saturday.

Tabulations of the election reveal that the vote fell short 113 ballots of a necessary two-thirds majority, which was even more decisive a defeat than the bond issue suffered in a previous election May 28.

May 28, the vote was short only 8 ballots of the necessary two-third majority required for passage.

With 183 more votes being cast in Saturday's election than were polled during the first election, opposition to the bond were even more impressive.

Six voting precincts voted in favor of the bonds May 28, but there were only three favorable boxes in Saturday's balloting, with Friona rolling up the heaviest vote by large odds.

County officials expressed the opinion this week that there would not be another county-wide election called in the near future to vote on the same issue. However, moves to create a special road district in the northeastern part of the county still remained a possibility, and further movement in that direction may be forthcoming.

May 28, voters turned down an issue of \$1,150,000 while in Saturday's election the vote was on an \$8,000,000 issue.

Tabulations of the vote in Saturday's election, which were announced by County Clerk Loyde Brewer following the official canvass by County Commissioners is as follows:

	For	Against
Farwell	71	99
Bovina	46	81
Okl. Lane	32	74
Friona	297	46
Black	14	22
Rheer	44	5
Lakeview	24	17
Lezuddy	37	99
TOTALS	565	453

And here's how the same boxes voted in the election held May 28:

	For	Against
Farwell	53	43
Bovina	36	39
Okl. Lane	54	35
Friona	281	32
Black	17	7
Rheer	54	2
Lakeview	35	5
Lezuddy	23	120
TOTALS	553	282

Double Capacity Of J-A Grain Elevator

Work was begun a few days ago to double the capacity of an elevator of the J-A Grain Company at Lariat. Concrete blocks to be used in construction of the addition are being moulded on the site and actual construction work will get under way just as soon as steel is available.

The storage capacity will be increased from 60,000 to 120,000 bushels. The present elevator was built last year by John Aldridge and Buddy Jones and is being operated by C. M. Henderson.

Oil Test Southwest Of Here Abandoned

After reaching a reported depth of "around 6000 feet," the oil test southwest of here, near the Luther Moss farm, was abandoned last week for reasons unannounced.

Farmers of that section reported drilling operations were going forward one day, and the next morning the rig was moved from the site.

TEXICO CEMETERY IS CREDIT TO COMMUNITY

Through the efforts of the Texico Cemetery Association, the Texico cemetery is now one of the neatest-appearing burial grounds to be found anywhere in this region, and is certainly a credit to the untiring efforts of the association membership.

Mrs. E. G. Blair, secretary of the association, however, gives a great deal of the credit to "everybody in the community, especially the Texico own Council and Ben Smart of the Furniture Mart."

The Town Council has helped to finance the work and Smart was instrumental in getting a new power mower at wholesale cost.

Tree ripe peaches, free from bruises, are best for quick freezing.

Bovina School Students Register September 2

REV. C. S. CADWALLADER

Louisiana Minister Comes Here To Lead In Baptist Revival

Rev. C. S. Cadwallader of Ruston, La., will do the preaching at a revival meeting, which opens for two weeks at the Texico-Farwell Baptist church Sunday, August 21.

In addition to being an evangelistic preacher, Rev. Cadwallader is a trained singer, and will have charge of the song services during the meeting. In former years, he pastored churches in Dallas and San Antonio, and is known for his sound preaching and evangelistic work.

Services will be held at the regular hours on Sundays. During the week, the morning services will start at 10 a. m., and will be devoted to a study of the Book of James. Prayer services and the booster band will open the evening program at 8 o'clock, with the preaching hour scheduled to begin at 8:30.

Rev. O. O. Holladay, pastor, extends a cordial invitation to attend these services, which are being conducted in conjunction with similar services at all twenty-one Baptist churches in Curry and DeBaca Counties.

BANKS IMPROVED

J. C. Banks, Sr., of this city, who has been quite ill the past several days, is reported to be showing improvement. His condition caused considerable family alarm last week, and all children were summoned home.

Those at his bedside included Mrs. Ray Partlow, Ardmore, Okla.; Mrs. Charles Bowman, Lubbock; Mr. and Mrs. Garland Harper, Arlington, Mr. and Mrs. J. C. Banks, Jr., Clovis. Two of the children, Mrs. Clyde Magness and Bill Banks, live here.

FFA's Tour Texas' Woody Wilds

By SONNY GRAHAM

If you've never been on a trip with the Farwell FFA boys, you really haven't lived yet. I say this with a feeling of authority, because I just returned from my second (and final) one.

Resigned that I am bound by my commitment made last week prior to my departure to write a story about one of these annual sojourns, I feel that a good place to begin anything is at the very start.

Last Thursday night, having made the decision to accompany the FFA group, final plans and ideas concerning the trip were drawn up over a thought-provoking pool table. The group had decided, for reasons known to no one, to leave at 2 a. m. Friday morning. The only plausible explanation we had for the unearthly hour of activity was the theory that it would keep us from sleeping past a desired time. It kept us from sleeping, period.

Surprisingly enough, everyone was on time for the all-board signal, and we left about five minutes after two. Everyone was in high spirits, includ-

Registration for children intending to enroll in Bovina schools will begin Friday, September 2, according to Superintendent W. H. Willoughby. Willoughby, in making the disclosure, stated activity would start at 9 a. m., buses making the routes for children not living in town.

Monday, September 5 will mark the official opening of school, when a general assembly will be called at 9 a. m. Children will remain in classes all day in order that school activities may be scheduled. Lunch will be served in the school cafeteria.

The superintendent said his faculty was now complete with thirteen teachers secured for the 1949-1950 term. He named them as follows:

W. H. Willoughby, superintendent; R. E. Everett, principal; Clovis Ratliff, high school coach; Weldon Spinks, vocational agriculture; Mrs. Pauline O'Keefe, homemaking; Mrs. Anna Noble, English; Mrs. Otie Ellison, social science; Mrs. Florence Eubanks, commerce; Floyd Montgomery, elementary principal; Miss Grace Paul, fourth grade; Mrs. Myrna Hammonds, third grade; Mrs. Floyd Montgomery, second grade; and Mrs. Leola Williams, first grade.

In addition to these instructors, Superintendent Willoughby named other school workers, including Bob Willford, school custodian; Mrs. White, Mrs. Combs, and Mrs. Berggren, cafeteria; F. E. Crook, bus department.

Coach Ratliff informed that football practice for the Mustangs would begin Monday, August 29.

Mother, Child Burned When Cooker Explodes

Mrs. Raymond White and her 25-month-old daughter, Barbara Ann, sustained first degree burns early last Thursday morning when a pressure cooker blew off the lid, throwing steam and the top onto the mother and child.

Mrs. White said the accident happened while she was preparing to do some canning and at the same time preparing breakfast for the little daughter. She gave it as her opinion that other children of the family had tampered with the cooker, disarranging the pressure gauge, before she put it into use.

Mrs. White was burned about the left arm as she sought to protect the child from the flying lid and escaping steam. The child was burned all over her back, but neither was seriously injured. They are reported to be recovering satisfactorily.

Jim Moore and Jim Bob Drace returned home last Friday from a fishing trip to San Marcial Lake, bringing with them the evidence of a successful trip. They brought in several large catfish in addition to some bass and crappie.

At a meeting of the directors of the Parmer County Dairy Show and Fair, held Tuesday night at the show-barns in Friona, Sept. 22, 23, and 24 were chosen as the dates for holding the annual exhibition this year.

In selecting these dates, it was pointed out that the Panhandle-South Plains Fair opens at Lubbock Monday, Sept. 26, allowing local exhibitors to enter the Lubbock show if they desire. Furthermore, the Tri-State Fair opens at Amarillo immediately following the Lubbock show, which would give time to take exhibits to that showing also.

Directors of the fair association estimated that the cost of staging this year's dairy show and fair would run in the neighborhood of \$1300,00 which would be defrayed by the sale of advertising in the fair catalogue, and committees were named to sell advertising space.

A new department is being planned for the fair this year and each of the eight committees in the county will be asked to arrange booths of agricultural products, consisting of 15 products produced in the respective communities. Special committees were named to collect and arrange for these community exhibits.

Individual exhibits are solicited and will be an important part of the showings, especially among the women's division, which will be under the direction of Mrs. Julia Fairchild.

The committees selected to look after the community exhibits are:

Friona—Joe S. Menefee, Steve Struve, Clyde Sherrieb; Bovina—Rural Barron, T. G. Hudson, Henry Reynolds; Farwell—John Aldridge, Jimmie McGuire, Joe Camp; Lakeview—Fred Barker, Sr., Fred Barker, Jr., Russell O'Brian; Lazbuddy—D. B. Ivy, J. W. Gammon, Glenn Dunn, Nelson Foster; Oklahoma Lane—Harold Carpenter, A. J. Dasher, Owen Patton; Rhea—Charles Schlenker, Raymond Schueler; Black—Bruce Parr, Elton Wylly, D. C. Allmon.

Raymond King, Castro county agent, will judge the community and individual exhibits.

In the livestock division, T. L. Leach of the Lubbock Tech College, will judge the hogs, beef cattle, and Jerseys, while Morgan Dennis, Dimmitt breeder, will judge the milking shorthorns.

Amarillo Woman Draws Fine For Driving Auto While Intoxicated

Mrs. Reba Jones of Amarillo was fined \$75 and costs in county court here Monday by County Judge A. D. Smith after she had entered a plea of guilty to driving an automobile while intoxicated.

Mrs. Jones was taken into custody by Deputy Charley Jones at Friona Sunday afternoon and brought here and lodged in the county jail over night, and was arraigned the following morning.

CC DIRECTORS TO MEET

President C. M. Henderson has called a meeting of the directors of the Farwell Chamber of Commerce to be held at his office on Thursday evening at 8 o'clock. The director said important matters would be discussed by the chamber.

ing myself, but I knew, from previous experience, that a few hundred miles of road joggle would cure any frivolity.

Checking with an ancient Texas map, we discovered the road to be traveled before reaching Daingerfield State Park, our destination, would be almost six hundred miles in length. Another unhappy discovery was that the engine of the bus was controlled by a governor that limited speed to forty-five miles per hour. As we moved into rolling country, we seldom moved faster than forty.

I was right about things quieting down. Most of the group tried the impossible feat of arranging themselves in a comfortable position in order to go to sleep. Before noon Friday, everybody was hot, thirsty, hungry, and exceedingly bored of riding with the feet of the fellow opposite him hanging heavy in his lap.

Traveling concrete highways in a modern automobile incorporating independent wheel suspension isn't much of a tourist's chore anymore,

but the eternal jerk accompanying a maddening bumpety-bump, bumpety-bump on a school bus isn't fit for man or beast. Before we got to Daingerfield half of us were sick and the other half stupefied from the constant annoyance of concrete sections.

Let me interrupt a moment to tell of the country. After leaving Paris, the terrain became more rolling and was heavily wooded. Pine trees made their appearance, and we discovered we were really getting down into hill-billy country. Cotton remained the principal crop, many vegetables being grown for the family's own consumption.

It was apparent that a great number of people were common laborers and "sharecroppers," because houses were dilapidated and living conditions pitiful.

We could not understand how it was possible for people in general to be so destitute when cropland was rich and overburdened with healthy crops. It became a common sight to pass a home containing twelve to

Health Note

Texas State Department of Health

AUSTIN—Tooth decay or dental caries is a destructive, progressive disease of the teeth. A large part of a tooth may be destroyed by decay with little evidence of decay on the surface, says Dr. Geo. W. Cox, State Health Officer.

Surveys of large groups of pre-school children reveal that 50 percent of them have decayed teeth at three years of age, 75 percent at four years of age, and 90 percent at five years of age. Six out of ten children age 4 and 5 have as many as seven or more cavities.

Decay begins most frequently in the small pits and fissures on the chewing surfaces and at the points of contact between the teeth. Pits and fissures with structural flaws should be filled at once to prevent decay.

Dr. Cox said, "Dental examination and care should begin with the three year old child, and periodic examinations and necessary care should follow, thereafter, as often as the dentist advises. The first baby teeth should be kept in a healthy condition until it is time for them to be lost.

"X-rays aid the dentist in finding hidden cavities, especially those between the teeth. Many of these beginning cavities are located in areas where they cannot be found in any other way. X-ray pictures are also useful in finding other conditions that require immediate attention, such as abscesses, impacted teeth, broken roots, bone destruction due to pyorrhea, extra teeth, and other information that is important in the treatment of the case.

"With periodic examination and adequate dental care for each child, beginning at three years of age, the great majority of the children will reach adulthood with good dental health."

WTCC Continues Its Fight For Upstream Water Development

ABILENE—A further examination of the facts of upstream water development in the light of domestic water may change conclusions of the Department of Interior, D. A. Bantzen, manager of the West Texas Chamber of Commerce, has written Secretary J. A. Krug.

Guaranteed Radiator

REPAIR SERVICE

AT

STOVALL'S

The Most Modern Shop In New Mexico

Half block West Hotel Clovis

The statement follows the 38-page letter written by Secretary Krug, in transmitting a Texas water study to Senator Lyndon Johnson. In this letter Krug said, "It is doubtful that the repayment ability of the water users of many of the upstream developments in Texas will ever be found to be sufficient to equal the reimbursable costs."

This statement was challenged by WTCC.

It called upon Secretary Krug to apply the formula of economic loss to lack of water as well as flood damage to criteria upon which multi-purpose dams may be built by the federal government.

"A further examination of this conclusion, we believe, will produce a wholly contrary result," the letter said.

"You will note in our report several new approaches to and facts on this water resource development problem, which I am sure will intrigue you."

They were listed:

First, that West Texas has wholly insufficient water for domestic and industrial needs, which can only be overcome by upstream development.

Second, a new approach to the water problem in computing the economic loss from lack of water as well as from flood damages.

Third is the possibility of the government obtaining more reimbursable revenue from the sale of domestic and industrial water from small dams on the upper tributaries than under the present multi-purpose dam policies.

Bantzen also urged Secretary Krug to lend support to the Hoover commission recommendation that domestic water be given priority of use in multi-purpose reservoirs.

Meanwhile, the West Texas Chamber of Commerce has continued its hammering for more domestic water in West Texas and is advocating the

construction of multi-city dams for the purpose of supplying municipalities with water.

The latest effort is on behalf of the Bob Baskin Dam Assn., for the construction of a dam on the Double Mountain Fork of the Brazos, which would supply water for 25 or 30 drought-stricken West Texas towns. The State Water Board at Austin has been asked for recovery of some 300,000 acre feet of water from the Brazos River Authority for this project. A meeting will be held with the BRA in the immediate future to further prosecute this request.

Largest Airplane To Be In Dallas, 27th

Texans will have a chance to see the Navy's giant Constitution, the world's largest commercial-type airplane, when the mammoth ship visits the Naval Air Station in Dallas Saturday, August 27.

It will be on display from 9 a. m.

to 5 p. m. on that date and civilian visitors will be admitted to the naval base during those hours to see and be escorted through the big ship.

More than 28,000 Texans were taken on a tour through the Constitution when it visited Dallas, unannounced, in May. Twice that number are expected to see it on its August visit.

Aboard the big plane will be 97 midshipmen from the Naval Academy at Annapolis, Md., who are making an air cruise of the nation. They Pullman car, two box cars and a city the Dallas Invites You civic hospital-ity committee on arrival at the Tex- as air field.

Built at a cost of \$15,000,000, the Constitution's size and facilities make it comparable to a "flying city." A Pullman car, two box cars and a city bus could be stored in its fuselage. Twenty-five homes could operate at a peak load off its electrical system. Its rudder towers five full stories high.

Three decks of cabins on the big craft allows a passenger capacity of

180, plus a crew of twelve. In the ship's galley, 300 meals can be prepared on each flight.

The Constitution cruises at 300 miles an hour, carries a gasoline load of 10,000 gallons and could fly non-stop from Dallas to Paris, France.

Roy Rogers Booked For Rodeo At Boys' Ranch September 4

Excitement has been running high at Boys' Ranch ever since it was learned that Roy Rogers, famous screen cowboy, would appear in person at Boys' Ranch annual rodeo September 4. Dale Evans, Roy's leading lady on the screen, and his wife off the screen, will accompany him and appear at the rodeo.

Both Dale and Roy said they would be happy to come to Amarillo for this big event, and insisted on paying their own expenses. They are donating their transportation, expenses, and their time.

Because Roy's famous horse, Trigger, is on location, he will not appear with Roy. But Roy and Dale will be the feature attractions at the Rodeo.

This year, all the boys at the Ranch are going to participate, even the little fellows. The youngest ones will try their hand at calf riding on some small yearling calves. Even the 5-year-old son of the superintendent will straddle one of the calves.

The older boys will participate in bronc and steer riding, trick roping, and trick riding, ribbon roping, and many other events. From the looks of the number of entries and the number of events, the Rodeo this year will be the biggest and best yet.

The date of the Boy's Ranch rodeo is September 4, and it will be held at the Tri-State Fair grounds in Amarillo. There will be two performances—one in the afternoon and one in the evening. Roy Rogers and Dale

Evans will appear in both of them. Tickets are on sale now for both performances. The entire proceeds of the rodeo will go to Boy's Ranch. Prizes money will be given to the winner of the different events, and Roy Rogers has offered to donate some boots and metal figures of trigger as additional prizes.

Put a circle around September 4th on your calendar. That's the day of the fifth annual Boy's Ranch Rodeo, to be held at the Tri-State Fair Grounds. Remember, Roy Rogers will be there in person.

Football Season Opens At Tech Sept. 1st

LUBBOCK—Football players of Texas Technological college, seeking its ninth Border conference championship and the third in succession this fall, will report for the season September 1.

Coach Dell Morgan and his aides expect a rough fall, with one of the toughest schedules ahead which could be planned. Four Southwest conference opponents, five of the Border conference and Tulsa of the Missouri Valley circuit will be faced.

Twenty-five lettermen will be back, along with several likely transfers and many promising sophomores. But nine key lettermen have been lost from the 1948 champions and coaches see difficulty molding a winning team.

Big Don Williams, letterman tackle, has been shifted to guard to fill a major vacancy. With several good fullbacks, it is expected a shift or two from that post to right half-

back will be made to correct another deficiency.

Three ends graduated, but replacements are seen in Dick and Hugh Jackson, brothers from Phillips, both transfers. Jack Davis, Littlefield sophomore, also is expected to help.

Strongest spots for the Red Raiders seem to be at tackle and center. All-Conference Marshall Gettys and John Andrews, starters of last year, are back, along with reserves Doug McSwane and Bobby Broyles. Jerrell Price, all-state two years at Brownfield high school, is seen as a stand-out addition at tackle.

Bobby Williams is back at center for his fifth year, bolstered by J. B. Mahler, 1948 letterman, and Aubrey Phillips, 6-4, 225-pound sophomore.

Tech this fall is expected to do more passing, with at least four acceptable chunkers at quarterback.

Barlow Purchases Registered Jersey

COLUMBUS, Ohio, August 8, 1949—B. J. Barlow of Farwell has purchased the registered Jersey Cowslip Observer Nell Rose. The animal comes from the herd owned by Preston Williams of Muleshoe.

The purchase adds to the steadily growing number in this area. Dairymen buy Jerseys because of the high quality of milk they produce.

Purebred Jerseys are registered by The American Jersey Cattle Club which has its national headquarters in Columbus. Several programs are available through the American Jersey Cattle Club to help breeders get the most profits from their Jerseys.

Recommends Tax On Natural Resources To Construct Roads

BROWNWOOD—Immediate enactment of a program providing a tax revenue from natural resources to assure future stabilization of the State's economy by investing in permanent improvements, such as rural roads, soil and water conservation, state hospitals and public buildings, is the pressing need in Texas today. This recommendation came from Gilbert Smith, former President of the Texas County Judges and Commissioners and now executive director of the Texas Rural Roads association, speaking here today before the 19th annual convention of the West Texas Press Association.

In sounding a warning, Smith said: "The day is inexorably coming when the natural resources of this state will be exhausted, as oil and natural gas are being drained off to other sections of the country in such a rapid fashion that within twenty-five years Texas will be a great blighted area." He urged action to stabilize this condition before it was too late.

"As our natural resources are depleted," the Director of the Texas Rural Roads association said, "the state will have to rely more and more upon its agricultural economy, and certainly no one can disagree that rural roads are the arteries feeding our agricultural economy."

"The State Highway department has been doing a splendid job in building one of the finest highway systems in the country," Judge Smith declared. "But it is now time to bring the rural roads of this state up to par and that to take Texas out of the mud, we must balance the scales between the highway and the rural roads programs."

"The Texas Rural Roads association, following a meeting of the board of directors in June, recommended a plan embodying the sound

business premise, that natural resources, Texas' greatest capital assets, should leave capital gains to the state in the form of permanent improvements, as they are drained away," Smith said. "These should include soil and water conservation, rural roads and such public and institutional buildings as the Legislature finds necessary."

"They should be paid for out of a reasonable severance tax on natural resources," he continued. "The money should go exclusively to such permanent projects and under no circumstances should it go into the general state operations funds."

The Rural Roads association director called attention to a recent re-

port from the National Planning association to the President's Council of Economic advisers, which coincides closely with the association's recommended program.

"This report," Smith said, "goes so far as to suggest the federal government levy a production tax on these resources, if the state fails to collect adequate tax revenues, as the present rate of production will dwindle the supply sharply within the next twenty years."

"The exhaustion of these major fuels is depriving us of a very important source of raw materials for industry, besides paralyzing our future economy and menacing our national security," he warned.

Ford's solid "Lifeguard" Body

Ford's feel safe—Fords ARE safe. Ford bodies are steel bodies—heavy gauge "Lifeguard" Bodies. Together with Ford's own 5 cross-member box-section frame you get a structure that's 59% more rigid.

White sidewall tires available at extra cost.

Winter Grazing On The "Must" List

COLLEGE STATION—There are items that should be on every dairyman's "must" list, and one of these, says R. E. Burleson, associate extension dairy husbandman of Texas A. & M. College, is small-grain pastures for fall and winter grazing. Plan at least one acre for each cow in the herd, for it is one way to get more feed for less money and that means lower production costs and more net income.

Silage is another source of cheap feed nutrients so have the silo ready for filling by the time the crop you are growing for silage is ready for harvesting.

In many sections of the state, it will pay you well to supplement the drying pastures with plenty of good quality hay and silage, says Burleson. Give the cows all they will eat. They will pay you well for it.

Summer time isn't over in Texas, and chances are good that many pastures will be brown from the heat and dry weather before fall crops are available, so have the supplements ready.

Herd culling is always in order, says Burleson. Make the herd fit the feed supply. The same amount of feed produces more milk when fed to high producing cows, he adds. There is no profit in feeding cows that only pay their board bill. They should be culled.

The mark of an efficient dairy herd is a high average production of milk and butterfat per cow. The efficiency of the breeding program is indicated not only by the high average production, but also by the increasing percentage of uniform high producing females born in the herd each generation and a decreasing number of low producers born each generation.

The proved-sire system of breeding, says Burleson, has demonstrated its worth as a sound method of improving the efficiency of dairy herds. Through artificial breeding associations, services of outstanding bulls are widened and are made available to dairymen who could not otherwise afford to own such animals.

Fertilizer Supplies 10-15 Percent Above Last Year

COLLEGE STATION—Reports indicate there will be about a 25-percent increase in the amount of nitro-

The Case for Raisins

Reasons for raisins in your current kitchen economy are these: Raisins are point free. They are now readily available every season of the year. Under modern methods of preparation and packaging, boxed raisins stay fresh and tender all the time. And they add fine flavor, high style, and food value to all your wartime meals.

These recipes, for instance, show how versatile the raisin is:

Raisin Sauce for Meats

Rinse—
1 cup seedless raisins.
Simmer for 15 minutes in—
2 cups water.
Combine to make a paste—
2 tablespoons cornstarch
2 tablespoons sugar
1/4 teaspoon salt
2 tablespoons cold water.

Add to raisins, and heat until thickened. Remove from heat.

Add—
1 tablespoon butter
2 tablespoons lemon juice.

Mix well. Serve over heated canned pork, baked ham, or ham loaf.

Waldorf Surprise Salad

Soak—
1/2 teaspoon evaporated horse-radish for 10 minutes in—
1 tablespoon cold water.

Add, mixing well—
1/2 cup mayonnaise.

Add—
1/2 cup chopped celery
2 1/2 cups cubed, unpeeled apples
1/2 cup seedless raisins.

Cover, place into refrigerator, and allow to stand for at least 1 hour before serving. Serves 4.

Raisin Bran Muffins

Cream together thoroughly—
2 tablespoons shortening
1/4 cup sugar.
Add, beating well—
1 egg, beaten.
Add—
1 cup bran
3/4 cup milk.
Let stand until bran soaks up moisture.
Sift together—
1 cup sifted all-purpose enriched flour
1/2 teaspoon salt
2 1/2 teaspoons baking powder.
Add—
3/4 cup seedless raisins.
Add to first mixture. Mix only until flour disappears. Fill well-greased muffin tins 2/3 full. Makes 12 muffins. Bake for 30 minutes in preheated oven (400° F.).

Raisin Fruit Cake

Sift together once—
2 1/2 cups sifted all-purpose flour
1 1/2 teaspoons baking powder
1/2 teaspoon soda
1/2 teaspoon salt.
Combine—
1 1/2 cups seedless raisins
1 cup water.
Bring to boil and cook for 2 minutes. Add gradually, stirring constantly, until thickened—
2 tablespoons flour.

Add—
2 teaspoons lemon juice
1/4 teaspoon ground cloves
1/4 teaspoon ground cinnamon.
Cool.

Add, mixing well—
1 cup chopped nut meats
1 cup sugar
1/2 cup butter, melted
1 teaspoon vanilla.

Add—
2 eggs, beating thoroughly after each addition.
Fold in dry ingredients. Pour into a lightly greased tube cake pan, the bottom of which is lined with waxed paper. Bake in a slow oven (325° F.) 1 1/4 hours. Remove from pan at once to cake rack.

gen fertilizers for the coming year; a probable increase of 10 to 12 percent in the production of potash materials and about 15 percent increase in the production of phosphate materials.

This does not mean, says M. K. Thornton, extension agricultural chemist of Texas A. & M. College, that Texas farmers will get their proportionate share of these fertilizers. They can if they'll buy their fertilizer supplies early and hold them until needed, he adds.

There is limited storage space available in the factories and mixing plants and when this space is filled, the plants have to restrict operations. There is also a transportation problem—just so many box cars can be loaded each day—and when the peak shipping periods arrive, every farmer cannot expect to get his share or what he needs when he wants it.

Thornton suggests that farmers get their fertilizers well in advance of

the peak periods. This will spread the load over the entire year and will permit the manufacturers and distributors to maintain an even flow of fertilizers to the various sections of the state.

Fertilizer can be stored on the farm without deterioration, says Thornton. Keep the fertilizer dry and off the floor and it can be done by placing boards under the bags. This will permit air to circulate around the bags and will help take care of the necessary ventilation.

It is another case of where cooperation between the manufacturer, distributor and consumer can result in benefits to all parties concerned, says Thornton.

CHOATE RECEIVES BA DEGREE

Edward Choate, son of Mr. and Mrs. Albert Choate of Lazbuddy, received the Bachelor of Arts degree in English and history at Highlands University, Las Vegas, last week. Choate was a member of Kappa

Sigma fraternity, and was awarded the Mu Honor award this year. He is also a charter member of Phi Gamma Mu, national historical society organization.

Other positions held were associate editor of The Southwest Wind, annual publication of the university. He will complete his MA work at the University of Utah next year.

NOTICE

Mrs. Alice B. Moore, business manager of Parmer County Community Hospital for the past two and a half years, wishes to express her appreciation and congratulations to all directors, staff of doctors and all patients of the hospital; and wishes to state that the reason for her resignation was not because of dissatisfaction, nor any other reason beside illness. Congratulations are also expressed to all hospitals, and Mrs. Moore's utmost desire is to see the Parmer County Community Hospital continue to grow.

ALICE B. MOORE

GOOD LUCK HUG . . . If there were a blue ribbon for cute poses, little Diana Hulme and her father's Afghan hound would surely win it. They were snapped like this at the Richmond dog show (London) as the Afghan waited to enter the judging ring.

Local Happenings

Marriage Vows Read In Church Ceremony Unites Former Local Couple

The marriage of Miss Travis Chapman, former resident of this city, and daughter of Mrs. Homer E. Marable of Portales, N. M., and Glenn Williams, son of Mr. and Mrs. E. G. Williams, former residents of this city and now of 114 east 15th in Amarillo, was solemnized Saturday afternoon, August 13th, at 2 o'clock, in the First Baptist Church in Amarillo, with Rev. W. C. Bryant, pastor of the Temple Baptist Church officiating at the single-ring ceremony.

Baskets of white gladioli and candles were arranged on either side of the altar, and cheffers, fern and palms completed the decorations.

Mrs. Fred H. Galle, organist, played a nuptial prelude and accompanied Charles V. Eads, who sang "Because" preceding the ceremony and "The Lord's Prayer" at the close. "Romance In A" formed the musical background as vows were spoken, and the traditional wedding marches were used.

Miss Helen Taylor and Miss Patricia Alexander lighted the candles. They wore identical dresses of pink organdy and wristlets of pink rosebuds.

Miss Carolyn Williams, sister of the bridegroom, was maid-of-honor. Her gown was of orchid organdy over taffeta, styled with a fitted bodice and full ballerina-length skirt. She wore a matching horsehair braid half-hat and matching mitts, and carried a bouquet of pink gladioli and stephanotis.

Miss Maxine Ford of Farwell and Mrs. Lloyd Taylor, bridesmaids, wore pale green organdy dresses styled identical to that of the maid-of-honor, matching horsehair braid half-hats and mitts, and carried bouquets of peach gladioli and stephanotis.

Herbert Williams was his brother's best man. George T. Stevens, Jr., of Canyon, and Jim Adams were ushers.

Given in marriage by her mother, the bride was attired in a gown of white embroidered organdy over taffeta, fashioned with a fitted bodice, self-covered buttons, a wide collar, full sleeves with flyaway cuffs and full ballerina-length skirt. She wore a white horsehair braid picture hat, and carried a bouquet of gardenias and baby breath.

For her daughter's wedding, Mrs. Marable chose gray crepe with black accessories. Mrs. Williams, mother of the bridegroom, wore white sheer with navy accessories. Both had corsages of pink carnations.

Following the ceremony, the couple left for a wedding trip to New Mexico. Mrs. Williams traveled in a blue and white suit with navy accessories and a corsage of red roses. After August 28, the couple will be at home at 2110 Seventh, Canyon.

Mrs. Williams was graduated from Portales High school and attended New Mexico University at Albuquerque. She is employed as secretary at Khiva Temple.

Mr. Williams was graduated from Farwell High school, received his BS degree from West Texas State College at Canyon, his MA degree from Sam Houston State College, Huntsville, and served three years in the Army. He is employed by the Happy public schools.

Home From Washington

Mrs. Charley Lovelace and children returned home Sunday from Cheney, Wash., where they spent several days visiting in the home of Mrs. Lovelace's parents. Mr. Lovelace met them at Denver and they came from there by auto.

Officers Installed At Auxiliary Meeting Monday Night

Highlighting the regular meeting Monday evening at the American Legion hall of the American Legion Auxiliary, Justice-Williams Unit No. 516, was installation of officers for the coming year and a message from the retiring president, Mrs. Mae Porter.

Mrs. H. E. Campbell, 18th district president, of Canyon, Tex., presided over the installation ceremony and was assisted by Mrs. Sample, president of the Canyon Auxiliary unit. The local unit provided corsages for the visitors and officers to be installed, and Mrs. Frank Seale played appropriate music.

Officers elected were installed by an impressive ceremony. They are: President, Mrs. John Getz; first vice-president, Mrs. John Porter; second vice-president, Mrs. Bill Banks; corresponding secretary, Mrs. Lee Meeks; secretary-treasurer, Mrs. Bill Meeks; historian, Mrs. Bess Henne-man; chaplain, Mrs. Claude Dyer; sergeant-at-arms, Mrs. Sterlyn Billington; assistant sergeant-at-arms, Mrs. Raymond Martin.

Upon receiving a past president's pen, presented by Mrs. Campbell, Mrs. Porter briefly expressed herself. "A year ago, when I first occupied this chair as your president, the responsibility seemed gigantic, almost overwhelming, but with an humble and grateful heart I resolved to give all that I possessed mentally, physically, and spiritually.

"The year's work is behind me, the last page is about to be written. For my mistakes, I ask your charitable consideration; any accomplishments achieved I want to share with the officers and members who have made possible a year of service by their cooperation, loyalty, and work in harmony.

"This is an important meeting, in that it marks the beginning of another year, a year that is already filled with unborn dreams and promises of great things. For me it is also a sad event—my page is written for good or ill and nothing can be erased or changed, but my memories are beautiful and will live in my heart forever. If I have brought a little sunshine, if I've helped to life a care, made the way a little brighter, or a burden helped to share, then I'll feel that God has blessed me, and surely has heard my prayer, for I asked that, he would lead me, and would use me everywhere. Truly the song is ended but the melody lingers on, and to my successor my wish is that her year may be a great success."

The Unit voted to help sponsor a bingo party for the hospital veterans August 26 in Amarillo. Ten dollars was contributed to help pay for prizes and couples of American Legion, and Auxiliary members are expected to go to Amarillo to assist with the party.

The regular joint meeting of the American Legion and Auxiliary will be held at the Hall Tuesday night, August 23, at 8:30, and will be featured by a covered-dish supper. All Legion members are urged to attend and are invited to bring their wife, mother, or friend.

The Auxiliary takes this means to publicly express its appreciation to Mrs. Campbell for relating her impressions of the state convention held in Fort Worth, August 5, 6, and 7, 1949, and for the inspiration obtained from her visit to the local unit.

Mr. and Mrs. Eugene Poem of San Diego, Calif., have been visiting his sister, Mrs. Sam Sides.

Vaughn Family Group Hold Reunion Sunday

Members of the Vaughn family assembled in the home of Mr. and Mrs. Newt Clark Sunday to enjoy a family reunion. A picnic dinner was spread at the noon hour after which the evening was spent in visitation.

Those present for the occasion included Mr. and Mrs. Hayden Jennings and family of Clovis; Mr. and Mrs. Buell Jennings of Clovis; Mr. and Mrs. Cliff Jennings, Mr. and Mrs. Quincy Jennings and family of Albuquerque; Mr. and Mrs. Ben Jennings and family and Mr. and Mrs. Bernard Davis of Clovis; Mr. and Mrs. M. Y. McGuyer and Mary Lou of Ft. Sumner; Mr. and Mrs. Charlie Wall and family of St. Vrain; Mr. and Mrs. Charles Holderman of Muleshoe; Mr. and Mrs. Thomas Crump and baby of Grier; Mrs. Maudie Douglas of Muleshoe; Mr. and Mrs. Hillard Moore and daughters of Muleshoe;

Mr. and Mrs. Ray Bonds, Muleshoe; Mrs. Alma Boaz, Kaw City, Okla.; Mrs. Alva Sparks, Lawton, Okla.; Mr. and Mrs. Elton Vaughn, Texico; Mr. and Mrs. Herbert Harmon and family, Clovis; Mr. and Mrs. Sam Randol and daughters, Talma and Hettye Nann, Farwell; Mr. and Mrs. Grayson Roberts and daughter, Texico; Mr. and Mrs. Leon Cantrell and son, Clovis; Mr. and Mrs. J. Randall Fain, Abilene; and Tommie Vaughn, Livermore, Calif.

Okla. Lane Variety Club Meets At Schoolhouse

The Oklahoma Lane Variety club met at the school house last week. The evening was spent sewing school dresses. Also, some of the ladies enjoyed some bean shelling. Refreshments of punch, ice cream, and angel food cake were served by the hostess, Mrs. Cloyde Perkins.

Those present included Mrs. Shelley, Mrs. Pruitt, Mrs. C. C. Christian, Mrs. J. R. Caldwell, Mrs. L. M. Grissom, Mrs. Thad Watkins, Mrs. Janie Sides, Mrs. Dora Verner and girls, Mrs. Ellis R. Barry.

The next meeting will be held September 6 in the home of Mrs. Sam Sides. Ladies should come prepared to embroidery.

Former Supt. Here From Sweetwater

Mr. and Mrs. H. A. Clift and children, Nancy Jean and Riley, were here the first of the week visiting old acquaintances and friends. They spent Monday night in the home of Mr. and Mrs. Lenton Pool.

Clift is a former superintendent of Farwell schools, serving during the 1946-47 term. He is connected with the faculty of Sweetwater schools at the present time.

Return From California

Mr. and Mrs. E. E. Booth returned home Saturday from Riverside, Calif., where they had been visiting for several days.

Jerald McDaniel, grandson of the Booths, who has been visiting the summer months, returned to his home in Riverside, Calif.

Mrs. Blanche Leiner, a daughter of the Booths, returned here with them to spend an extended vacation.

Attend Reunion In Old Home State

Mr. and Mrs. Buster Gast and Mrs. Karl Gast are expected to arrive home early next week from a trip to Erville, Ill., where they are in attendance at a family reunion. They are returning through Colorado, where they will visit with Mrs. Buster Gast's family before proceeding home.

Miss Mary Sue Stover returned home Sunday after spending a week in Levelland, Tex.

Ex-Student Banquet Scheduled for Aug. 28

According to information received the first of the week from the Junior class of the Farwell High school, an ex-student banquet will be held Sunday, August 28 at 1:30 in the Farwell school cafeteria, sponsored by members of the junior class.

All former students are urged to make preparation to attend this get-together.

Tickets will be sold by members of the sponsoring class to all persons planning to attend. A complete program for the affair will appear in next week's Tribune.

Visits Old Home

Charley Crume, custodian at the county courthouse, returned home last Friday from a ten-day visit with old friends at Crane and Kansas City, Mo. Crume worked with a railroad construction gang as a young man and helped build the grade that brought the railroad to Crane. This was the first visit to the old stumping grounds in many years.

Return From Vacation

Vacationing in Ruidoso, N. M., last weekend were Superintendent and Mrs. Jack Williams and children. They returned home Monday, reporting a pleasant vacation, except for rainfall, which "fell every day we were there."

Tour Caverns Sunday

Mr. and Mrs. Jim Moss and children, and Mr. and Mrs. Gene Coffman and children made a tour through Carlsbad Caverns, Sunday.

Here From Topeka

Mrs. W. C. Porterfield and daughter, Dorothy, of Topeka, Kan., are here visiting in the home of Mrs. Porterfield's sister and brother-in-law, Judge and Mrs. A. D. Smith.

In Smart Home

Mr. and Mrs. W. T. Sanderson of near Progress, Miss Doris Sanderson of Portales, Andy Callas of Sedan, N. M., and Miss Hazel Dishman were visitors in the home of Mr. and Mrs. Jim Bob Smart the past Friday night.

In Birchfield Home

Mr. and Mrs. Roy Birchfield and son of Arcata, Calif., arrived here Saturday to spend the next several days visiting with his parents, Mr. and Mrs. J. H. Birchfield, and other relatives.

Returns Home

David Russell, employee of Henderson Grain & Seed Co., who makes his home with Mr. and Mrs. Jess Newton, returned here the past weekend from the National Guard encampment in El Paso, which he has been attending for two weeks.

License Issued

According to records at the office of County Clerk Loyde Brewer, a marriage license was issued to Lawrence T. Crouse and Gladys P. Dawson Friday, August 12.

Return From Florida

Miss Iris Thornton, assistant cashier at Security State Bank, returned home Sunday from a trip to Florida, where she visited in the home of her brother, Maj. Julian Thornton. She made the trip home by plane.

Frank Wilson, who has been visiting in the home of Mr. and Mrs. Loyde Brewer for the past several days, left for his home in Graham, Tex., early Monday morning. He is a cousin of the local lady.

E. E. Booth and Mrs. Blanche Leiner visited with Mrs. Liener's daughter in Lubbock, Tuesday.

Birthday Celebration Honors Two, Monday

The home of Mr. and Mrs. Sam Randol, south Farwell, was the scene of a double birthday dinner Monday, August 15, honoring Tommie Vaughn of Livermore, Calif., and Mrs. Sam Randol.

Following a delicious dinner at the noon hour an evening of visitation, music and singing was enjoyed by the entire group.

Five sisters, one brother, and their families were present, and they are as follows:

Mr. and Mrs. Hayden Jennings, and Mr. and Mrs. B. P. Davis and children, Clovis; Mrs. Mintie McGuyer and daughter, Ft. Sumner; Mrs. Maudie Douglas, Muleshoe; Mrs. Nannie Clark, Mr. and Mrs. Elton Vaughn, Texico; Mrs. Alma Boaz, Kaw City, Okla.; Tommie Vaughn, Livermore, Calif., and the Sam Randol family.

Visitors in the home of Mr. and Mrs. Bob Stover Sunday included Mrs. R. T. Thomas and children; Mrs. Billy Thomas and son, Levelland; Mr. and Mrs. John Houston and children of Amherst, Tex.; and J. W. Reed of St. Vrain.

Lawrence Overstreet, who has been visiting with his mother, Mrs. Anne Overstreet, for the past two weeks, returned to his home in Oklahoma City, Sunday afternoon.

Miss Nancy Johnson of Clovis, spent the past Friday visiting with Miss Darlene Sprawls. Miss Sprawls returned home with Miss Johnson to spend the weekend.

Mr. and Mrs. B. N. Graham visited with their daughter, Mrs. Raymond Ross at Morton the first of the week. Mrs. Ross underwent minor surgery Monday.

Mrs. John Lockhart and children left the past week for Paris, Tex., for an extended visit with relatives and friends.

Mr. and Mrs. J. D. Lewis and family left the past week for a vacation trip to the south Texas valley. They will return to their home the latter part of this week.

Miss Doris June Sanderson of Portales, spent several days the past week visiting in the home of her sister and brother-in-law, Mr. and Mrs. Jim Bob Smart.

Mr. and Mrs. Dogie Rutherford of San Angelo, Texas, spent the past weekend visiting in the home of Mrs. Rutherford's parents, Mr. and Mrs. G. W. Dyer.

Mr. and Mrs. J. J. Spurlin of Texico, left Saturday morning for a few days visit with relatives and friends in Oklahoma.

Mr. and Mrs. Billy B. Sinclair and daughter of Dimmitt, spent Sunday visiting in the home of Mr. and Mrs. Guy Cox.

Bovina Happenings

BY MARIE VENABLE

Men of the Telephone company were around the middle of last week to sign up people who wanted to install a telephone. They said it would be soon, within the next six weeks, that every person who wanted one would be able to have it. They are to begin installation within the next ten days.

Mr. and Mrs. Harold Combs and daughters, of Clovis, visited in the home of Mr. and Mrs. Oscar Combs last week.

Mr. and Mrs. B. M. Garnett of Johnson City, Kan., visited in the home of Mr. and Mrs. Ezra Englant the past weekend. Mr. Garnett is a cousin of Mrs. Englant.

Elton R. Venable made a business

trip to Tolar, N. M., Thursday.

Miss Sandra and Katherine Jefferson spent the past weekend visiting their grandparents in Clovis.

Miss Cherry Ann Free of Dumas, Tex., is visiting in the Bill Green home.

Earl Richards and Elton Venable attended the sale in Muleshoe Wednesday.

Several people motored to Portales, N. M., Tuesday evening to see and hear Bob Wills and his band.

Mr. and Mrs. Bill Green and family of Dumas spent the past weekend visiting in the Dave Wines home.

Mr. and Mrs. Aubrey Rhodes purchased a new Chevrolet the past week.

Mrs. John Wilson returned the past weekend from receiving medical care in Oklahoma.

Mr. and Mrs. J. A. Loflin purchased a new Plymouth this past week.

Mrs. Claud Barker received a hand injury Tuesday while at the Help Self Laundry in a ringer. She was taken to Friona hospital, where twenty stitches were used for the injured hand.

Mr. and Mrs. Byron Turner and family, Mr. and Mrs. Harold Turner and son Don, left Tuesday for Oklahoma to visit relatives and friends.

Mr. and Mrs. A. M. Wilson, owners of Wilson's Food Market reported a pipe burst in their store last week, flooding the establishment with two inches of water.

Mr. and Mrs. Joe Hromas are driving a new Ford this week.

Mr. and Mrs. Bob Johnston and family of Lubbock, spent Sunday in the home of Mr. and Mrs. Bob Johnston, Jr.,

Mr. and Mrs. Vernon Estes and family are vacationing in California this month.

Mr. and Mrs. Jack Ellison and family of Marietta, Ga., have been visiting in the J. W. Ellison home the past week.

Judge and Mrs. G. W. Kefley of Wheeler, Tex., visited in the home of Mr. and Mrs. Oscar Combs this past week. Mrs. Kefley is Mr. Combs' sister.

Mrs. O. D. Hudlow and daughter, Mrs. Charlie Igo, and two sons of Andrews, Tex., visited in the home of Mr. and Mrs. Harvey Alverson this past week.

Mr. and Mrs. Aubra Ellison and family, Mr. and Mrs. J. W. Ellison, have been vacationing in Cheyene, Wyo., and the mountains for the past 12 days. They returned home Monday.

Mr. Erwin Boatman, who received medical care in the Clovis Memorial hospital all last week, spent the past weekend here with his family. He is to return to the hospital Tuesday to undergo major surgery.

Radford Venable, son of Mr. and Mrs. Elton Venable, was quite ill Saturday night, when he drank about a cup of furniture polish while his mother turned her back for a moment.

Mr. and Mrs. Kenith Horton left Thursday for Albuquerque, N. M., where they will make their home.

Mr. and Mrs. Armstrong and Harvey Alverson are spending the present two weeks at Conchas Lake, near Tucumcari, N. M., fishing.

Bovina and Friona played baseball in Bovina Sunday. Friona won 8-0.

Mr. and Mrs. Ervin Bryant and family of Amarillo, Tex., visited in the J. O. Glover home Sunday.

R. T. Harbor is employed at the Nat Reed Gulf Filling station.

Mr. and Mrs. Gene Leach have the greatest and deepest sympathy of all Bovina people on the death of their small daughter and the illness of the one in the hospital at this time.

Miss Patsy Danner of Clovis, N. M., visited her father and sister here the past weekend.

Mr. and Mrs. Frank Thompson and family of Portales, N. M., visited in the Lee Thompson home Sunday.

Elmer Thompson is at Portales, N. M., visiting, this month.

SHOWER HONORS BOVINA LADIES

The Church of Christ ladies gave a double pink and blue shower Tuesday, August 9, in the home of Mrs. Lee Thompson, in honor of Mrs. Cecil Bunch and Mrs. Garland Billingsley.

Those present included Mesdames Ward Thompson, Sam Sides, A. R. Jester, H. L. Ellison, E. E. Woelfel, Mell Gunn, J. R. Caldwell, Loula Smith, Carrie Smith, Claude Primrose, Levi Johnson, Betty Rose Johnson, Arthur Moorman, Charlie Jefferson, Will Parker.

Those who were unable to attend but sent gifts included Mesdames Robert Rundell, Lily White, Lillian Mahan, Mable Ellison, Mrs. McKinney, Elmer Venable, Oscar Venable, Patsy Ellison, Jeanne Ellison.

After the gifts were opened the hostesses, Mrs. Lee Thompson and Miss Lonett Thompson, served punch and cookies. The two honorees received a corsage as they entered the door.

BLALOCK HOME SCENE OF FAMILY REUNION

A family reunion was held Saturday, August 14, in the home of Mr. and Mrs. Hinton Blalock with all children present. Members of the family included Sgt. and Mrs. Clyde Blalock, San Antonio, Tex.; Mr. and Mrs. Bill Green and family, Dumas, Tex.; Mrs. Dick Free and daughter, Dumas; Mr. and Mrs. Bob Blalock and daughters, Hobbs, N. M.; Mr. and Mrs. Walter Blalock, Clovis, N. M.; Mrs. Harold Brown and children and Glen Blalock of Bovina, and Mr. and Mrs. Dave Wines and sons, Bovina.

PROGRAM BEING PLANNED

AUSTIN—Program planning is now underway for the Texas Personnel and Management Association's eleventh annual conference to be held at the University of Texas Oct. 27-28. Leaders in business, industry, education and government comprise the membership of the organization.

Many a person's mind has been closed for years, but not for repair or alterations.

Former Hall County Residents To Have Picnic, Sunday 21st

All former Hall County residents now living over the high plains will have a big get-together and basket dinner at MacKenzie Park in Lubbock Sunday, August 21.

Harry Delaney has arranged a program, which will get underway at 10 a. m., to be followed by a picnic dinner at 1 o'clock. Prizes will be awarded to the oldest lady and the oldest man in attendance, and the party coming the longest distance also will receive a prize.

Mrs. R. E. Stroup, president of the Hall County group, insists that all former Hall Countians be on hand for the big get-together.

"CRAZY QUILT DIVORCE LAWS"***Read Senator Pat McCarran's expose of the fantastic divorce mixup and his forthright plan for solving it. Many face possible criminal prosecution because of conflicting state divorce laws! Read it in The American Weekly, that great magazine distributed with next Sunday's Los Angeles Examiner.

25 YEARS... on the job

This month marks the 25th anniversary of the day we first went to work for the folks in the Panhandle-Plains-Pecos Valley-Eastern New Mexico area. We say "went to work" because that's exactly what we did.

Our job for the past quarter-century has been to keep pace with the great strides these folks—our customers—have made . . . agriculturally, industrially, commercially.

We've really enjoyed our work, and we're looking forward to many more pleasant years "on the job" for the area we serve.

Our 25th Anniversary

In the years to come . . . as in the past . . . it is our constant aim to keep pace with the ever-increasing power needs of the vast area we serve . . . to provide low-cost, dependable electric service for better living—electrically—for everyone.

SENATE JOINT RESOLUTION NO. 5

proposing an amendment to Article III of the Constitution of the State of Texas, authorizing the Legislature to provide for the creation and establishment of rural fire prevention districts.

BE IT RESOLVED BY THE LEGISLATURE OF THE STATE OF TEXAS:

Section 1. That Article III of the Constitution of the State of Texas be, and the same is, hereby amended by adding to said Article a new section, to be known and designated as Section 48-d, reading as follows:

"Sec. 48-d. The Legislature shall have the power to provide for the establishment and creation of rural fire prevention districts and to authorize a tax on the ad valorem property situated in said districts not to exceed Three (3c) Cents on the One Hundred (\$100.00) Dollars valuation for the support thereof; provided that no tax shall be levied in support of said districts until approved by vote of the people residing therein."

Sec. 2. The foregoing Constitutional Amendment shall be submitted to a vote of the qualified electorate of the state at an election to be held on the second Tuesday in November, 1949, at which election all ballots shall have printed thereon (or in counties using voting machines, the said machines shall provide) the following:

"FOR the Constitutional Amendment authorizing the Legislature to provide for the creation and establishment of rural fire prevention districts;" and

"AGAINST the Constitutional Amendment authorizing the Legislature to provide for the creation and establishment of rural fire prevention districts."

Each voter shall mark out one of said clauses on the ballot, leaving the one expressing his vote on the proposed amendment; and if it shall appear from the returns of said election that a majority of the votes cast are in favor of said amendment the same shall become a part of the Constitution of the State of Texas.

Sec. 3. The Governor of the State of Texas shall issue the necessary proclamation for said election and have the same published as required by the Constitution and laws of this State.

Sec. 4. The sum of Five Thousand (\$5,000.00) Dollars, or so much thereof as may be necessary, is hereby appropriated out of any funds in the Treasury of the state not otherwise appropriated, to pay the expenses of such publication and election.

HOUSE JOINT RESOLUTION NO. 36

proposing an Amendment to Article III of the Constitution of the State of Texas authorizing the Legislature of the State of Texas to provide for the establishment and creation of hospital districts; providing for the Governor's proclamation and submission to the electorate.

BE IT RESOLVED BY THE LEGISLATURE OF THE STATE OF TEXAS:

Section 1. That Article III of the Constitution of the State of Texas be and the same is hereby amended by adding to said Article a new Section to be designated as Section 60, reading as follows:

"Section 60. The Legislature shall have the authority to provide by law for the establishment and creation of hospital districts in the counties of this State under such conditions as the Legislature may fix by law and to provide for the support of said districts by a tax on the ad valorem properties situated in said counties; providing, however, that before any such district shall be created it shall be approved by a vote of the people in said district."

Sec. 2. The foregoing Constitutional Amendment shall be submitted to a vote of the qualified electorate of the State at an election to be held on the second Tuesday in November, 1949, at which election all ballots shall have printed thereon (or in counties using voting machines the said machines shall provide for) the following:

"FOR the Amendment to the Constitution of the State of Texas authorizing the Legislature to provide for the establishment and creation of hospital districts;" and

"AGAINST the Amendment to the Constitution of the State of Texas authorizing the Legislature to provide for the establishment and creation of hospital districts."

Each voter shall mark out one of said clauses on the ballot, leaving the one expressing his vote on the proposed Amendment, and if it shall appear from the returns of said election that a majority of the votes cast are in favor of said Amendment, the same shall become a part of the Constitution of the State of Texas.

Sec. 3. The Governor of the State of Texas shall issue the necessary proclamation for said election and have the same published as required by the Constitution and Laws of this State.

HOUSE JOINT RESOLUTION NO. 32

proposing an Amendment to Article I of the Constitution of the State of Texas, by adding thereto another Section following Section 15, providing that the Legislature may provide for trials in lunacy cases without a jury; further providing for the submission of this Amendment to the voters of this State prescribing the form of ballot; providing for the proclamation and publication thereof.

BE IT RESOLVED BY THE LEGISLATURE OF THE STATE OF TEXAS:

Section 1. That Article I of the Constitution of the State of Texas be and the same is hereby amended by adding another Section thereto following Section 15, to be designated as Section 15-a, to read as follows:

"Section 15-a. The Legislature shall have the authority to enact all laws necessary to provide for the trial, adjudication of insanity and commitment of persons of unsound mind and to provide for a method of appeal from judgments rendered in such cases. Such laws may provide for waiver of trial by jury in cases where the person under inquiry has not been charged with the commission of a criminal offense and shall provide for a method of service of notice of such trial upon the person under inquiry and of his right to demand a trial by jury."

Sec. 2. That the foregoing Constitutional Amendment be submitted to a vote of the qualified electors of

this State at an election to be held throughout the State on the second Tuesday in November, A. D., 1949, at which election all ballots shall be printed thereon:

"FOR the Amendment to the Constitution of the State of Texas providing that the Legislature may provide for trials without a jury in lunacy cases" and

"AGAINST the Amendment to the Constitution of the State of Texas providing that the Legislature may provide for trials without a jury in lunacy cases." Each voter shall scratch out one (1) of said clauses on the ballot, leaving the one (1) expressing his vote on the proposed amendment. In counties or subdivisions using voting machines, the above provisions for voting for and against this Constitutional Amendment shall be placed on said machine in such a manner that each voter shall vote on such machine for or against the Constitutional Amendment.

Sec. 3. That the Governor of the State of Texas issue the necessary proclamation for said election and have the same published as required by the Constitution and Laws of this State.

HOUSE JOINT RESOLUTION NO. 19

proposing an Amendment to the Constitution of the State of Texas authorizing the Legislature to provide for Civil Service in certain counties upon a vote of the people therein.

BE IT RESOLVED BY THE LEGISLATURE OF THE STATE OF TEXAS:

Section 1. That Article XVI of the Constitution of the State of Texas be and the same is hereby amended by adding to said Article a new Section, to be known and designated as Section 62-c, reading as follows:

"Section 62-c. The Legislature is authorized to provide for the creation of Civil Service Systems for county employees in the respective counties of this State, but any system so authorized and established shall be approved by a vote of the people in said county. Any Civil Service System established by virtue of this Section shall apply to appointive offices only, and the limitations on term of office heretofore provided by Section 30 of this Article shall not apply, but the duration of such offices shall be governed by the provisions of such Civil Service System. This Section shall not apply to counties having a population less than

seventy-five thousand (75,000) people."

Sec. 2. The foregoing Constitutional Amendment shall be submitted to a vote of the qualified electorate of the State at an election to be held on the second Tuesday in November, 1949, at which election all ballots shall have printed or written thereon (or in counties using voting machines the said machines shall provide for) the following:

"FOR the Constitutional Amendment authorizing the Legislature to provide for Civil Service in counties upon a vote of the people therein"; and

"AGAINST the Constitutional Amendment authorizing the Legislature to provide for Civil Service in counties upon a vote of the people therein."

Each voter shall mark out one of said clauses on the ballot, leaving the one expressing his vote on the proposed Amendment, and if it shall appear from the returns of said election that a majority of the votes cast are in favor of said Amendment, the same shall become a part of the Constitution of the State of Texas.

Sec. 3. The Governor of the State of Texas shall issue the necessary proclamation for said election and have the same published as required by the Constitution and laws of this State.

HOUSE JOINT RESOLUTION NO. 22

proposing an Amendment to Article V, Section 7 of the Constitution of the State of Texas to provide that the Judge of the District Court shall conduct its proceedings at the county seat of the county in which the case is pending, except as otherwise provided by law; providing for election proclamation and submission to qualified electors of the State.

BE IT RESOLVED BY THE LEGISLATURE OF THE STATE OF TEXAS:

Section 1. That Section 7 of Article V of the Constitution of the State of Texas be amended so as hereafter to read as follows:

"Sec. 7. The State shall be divided into as many judicial districts as may now or hereafter be provided by law, which may be increased or diminished by law. For each district there shall be elected by the qualified voters thereof, at a General Election, a Judge, who shall be a citizen of the United States and of this State, who shall be licensed to practice law in this State and shall have been a

practicing lawyer or a Judge of Court in this State, or both combined, for four (4) years next preceding his election, who shall have resided in the district in which he was elected for two (2) years next preceding his election, who shall reside in his district during his term of office, who shall hold his office for the period of four (4) years, and shall receive for his services an annual salary to be fixed by the Legislature. The Court shall conduct its proceedings at the county seat of the county in which the case is pending, except as otherwise provided by law. He shall hold the regular terms of his Court at the County Seat of each County in his district at least twice in each year in such manner as may be prescribed by law. The Legislature shall have power by General or Special Laws to make such provisions concerning the terms or sessions of each Court as it may deem necessary.

"The Legislature shall also provide for the holding of District Court when the Judge thereof is absent, or is from any cause disabled or disqualified from presiding."

"The District Judges who may be in office when this Amendment takes effect shall hold their offices until their respective terms shall expire under their present election or appointment."

Sec. 2. The foregoing Constitutional Amendment shall be submitted to a vote of the qualified electors of this State at an election to be held on November 8th, 1949, at which time all ballots shall have printed thereon:

"FOR the Constitutional Amendment providing that the District Court shall conduct its proceedings at the county seat of the county in which the case is pending, except as otherwise provided by law"; and

"AGAINST the Constitutional Amendment providing that the District Court shall conduct its proceedings at the county seat of the county in which the case is pending, except as otherwise provided by law."

Each voter shall scratch out one of said clauses on the ballot, leaving the one expressing his vote on the proposed Amendment. In counties or other subdivisions using voting machines, the above provision for voting for and against this Constitutional Amendment shall be placed on said machine in such a manner that each voter shall vote on such machine for or against the Constitutional Amendment.

Sec. 3. The Governor shall issue the necessary proclamation for

election and have the same published as required by the Constitution and Laws of this State.

HOUSE JOINT RESOLUTION NO. 15

proposing an amendment to the Constitution of the State of Texas by adding a new Section to be known as Section 48-b, authorizing the Legislature to provide for the establishment of health units, and authorizing a tax in support thereof.

BE IT RESOLVED BY THE LEGISLATURE OF THE STATE OF TEXAS:

Section 1. That the Constitution of the State of Texas be and the same is hereby amended, by adding a new Section to Article III of said Constitution to be designated Section 48-b, reading as follows:

"Section 48-b. The Legislature shall have the authority to provide for the organization of county-city health units and the operation thereof and to authorize counties and cities to provide a tax of not to exceed twenty cents (20c) on the One Hundred Dollar (\$100) valuation of taxable property in counties and cities for the purpose of financing the said county-city health units; provided that no such tax shall be authorized except by a vote of the people residing in the city or county in which said tax shall apply. The foregoing tax shall be levied only on county valuations."

Sec. 2. The foregoing Constitutional Amendment shall be submitted to a vote of the qualified electors of this State at an election to be held throughout the State on the second Tuesday in November, 1949, at which election all ballots shall have written or printed thereon:

"FOR the Constitutional Amendment authorizing the Legislature to pass laws for the creation and operation of city-county health units and to authorize cities and counties to vote a tax in support thereof" and

"AGAINST the Constitutional Amendment authorizing the Legislature to pass laws for the creation and operation of city-county health units and to authorize cities and counties to vote a tax in support thereof."

Each voter shall scratch out one of the said clauses on the ballot, leaving the one expressing his vote on the proposed amendment.

Sec. 3. The Governor of the State of Texas shall issue the necessary proclamation for said election and shall have the same published as required by the Constitution for Amendments thereto.

FARWELL, TEXAS

**CITATION BY PUBLICATION
THE STATE OF TEXAS**

TO: John Davies, Anna Wertz and husband, F. W. Wertz; Mrs. Ada Hamner, and husband, W. A. Hamner; Arthur Davies, Wilbur Blain Eshom; Harold F. Eshom; Beulah E. Pearman and husband, Cecil Pearman; June Benjamin and husband, Richard Benjamin; and Ruth Eshom, and their unknown heirs, assigns and legal represents, Defendants, Greeting:

You are hereby commanded to appear before the Honorable County Court of Parmer County at the Court House thereof, in Farwell, Texas, at or before 10 o'clock a. m. of the first Monday next after the expiration of forty-two days from the date of the issuance of this citation, same being the 3rd day of October A. D. 1949, then and there to answer Plaintiff's Petition filed in said Court, on the 15th day of August A. D. 1949, in this cause, numbered 684 on the docket of said court and styled R. Tilden Slagle, Plaintiff, vs. Raymond Davies, et al, Defendant.

A brief statement of the nature of this suit is as follows, to wit: Plaintiff has filed his petition for the adjudication of heirship, alleging that the above named party defendants are the sole and only heirs at law of John W. Davies, deceased, and that he has acquired title to all of Section 13, Rhea Block "A", Parmer County, Texas, from the said heirs at law of John W. Davies and their assigns and as such is the owner in fee simple of said land, as is more fully shown by Plaintiff's Petition on file in this suit.

The officer executing this process shall promptly execute the same according to law, and make due return as the law directs.

Issued and given under my hand and the Seal of said Court, at office in Farwell, Texas, this 15th day of August A. D. 1949.

Attest (Signed)
LOYDE A. BREWER, Clerk
County Court, Parmer County,
Texas

(Seal)

**Some Improvement
In Vet's Housing**

AUSTIN—Housing for the married veteran at the University of Texas is a little easier to obtain now, but there is still a 10-month waiting period.

Veterans Housing Director F. C. McConnell, who oversees University-sponsored low-cost housing, says the waiting period for housing has been cut from 18 months to 10 in the past year.

He hopes the period will be reduced to zero by June 1950, and the enrolling veteran can be furnished housing immediately upon application for it.

Tribune want ads get results.

**HOUSE JOINT RESOLUTION
NO. 5**

proposing an Amendment to Section 5 of Article III of the Constitution relating to sessions of the Legislature and what may be considered thereat and an Amendment to Section 24 of Article III relating to compensation of Members of the Legislature; specifying the time when the Amendment shall take effect if ratified; and providing for the submission of the proposed Amendment to a vote of the people.

BE IT RESOLVED BY THE LEGISLATURE OF THE STATE OF TEXAS:

Section 1. That Section 24 of Article III of the State Constitution be amended to read as follows:

"Sec. 24. Members of the State Senate and House of Representatives shall receive from the State Treasury an annual salary of Three Thousand Six Hundred Dollars (\$3600), to be paid in monthly installments on the first of each month.

"They shall also be entitled to mileage in going to the seat of government for each session of the Legislature and returning therefrom, which mileage shall not exceed Two Dollars and Fifty Cents (\$2.50), for every twenty-five (25) miles, the distance to be computed by the nearest and most direct route of travel from

a table of distances to each county seat prepared by the State Comptroller."

Sec. 2. That Section 5 of Article III of the Constitution be amended to read as follows:

"Sec. 5. Two (2) regular sessions of each Legislature shall be held; and until otherwise provided by law, the time of the convening of the first regular session shall be at noon on the second Tuesday in January of each odd-numbered year, and of the second regular session, at noon on the second Tuesday in January of each even-numbered year.

"At other times, when called by the Governor, the Legislature shall convene in special session.

"Appropriations for monthly recurring expenses and salaries paid by the State shall be made for a period of not more than twelve (12) months.

"At the second regular session of each Legislature, only proposals to amend the Constitution and to make appropriations to pay monthly recurring expenses and salaries and such other measures only as four-fifths (4-5) of the Membership of each House may determine shall be considered."

Sec. 3. The Amendments proposed herein, if ratified by the people, shall become effective January first, A. D. 1950.

Sec. 4. The foregoing Constitutional Amendments shall be submit-

ted to a vote of the qualified voters of this State at a General Election to be held throughout this State on the second Tuesday in November, 1949, same being November 8th, 1949, at which election all ballots shall have printed thereon:

"FOR the Constitutional Amendments relative to sessions of the Legislature and to compensation of its members."

"AGAINST the Constitutional Amendments relative to sessions of the Legislature and to compensation of its members."

Each voter shall express his vote on the proposed Amendment in the manner provided by law.

Sec. 5. The Governor of this State shall issue the necessary proclamation for said election and shall have same published as required by the Constitution and laws of this State.

**HOUSE JOINT RESOLUTION
NO. 38**

proposing an Amendment to the Constitution of Texas by adding to Article XVI thereof a new Section to be Numbered 63 and authorizing the Legislature to provide for a statewide system of retirement and disability pensions for appointive officers and employees of the several counties of this State; providing that participation therein by counties shall be voluntary, and authorized by the qualified voters of such county, and providing that adminis-

tration of said system may be committed to the same body set up to administer the statewide municipal retirement system authorized under Section 51f of Article III.

BE IT RESOLVED BY THE LEGISLATURE OF THE STATE OF TEXAS:

Section 1. That Article XVI of the Constitution of the State of Texas be amended by adding thereto a new Section, to be numbered Section 63, which shall read as follows:

"Section 63. The Legislature shall have the authority to provide for a statewide system of retirement and disability pensions for appointive officers and employees of the counties of this State under such a plan and program as the Legislature shall authorize; provided, that participation therein by counties shall be voluntary, and shall first be authorized by vote of the qualified voters of such county. Administration of such system may be committed to the same body as may be set up to administer the municipal retirement system provided for by Section 51f of Article III."

Sec. 2. The foregoing Constitutional Amendment shall be submitted to the qualified electors for members of the Legislature at an election to be held throughout this State on the second Tuesday in November, 1949; and at said election the ballots shall have printed thereon the words "FOR the Constitutional Amend-

ment authorizing a statewide system for retirement and disability pensions for appointive county officials and employees," and "AGAINST the Constitutional Amendment authorizing a statewide system for retirement and disability pensions for appointive county officials and employees." Each voter shall strike out one of said clauses on his ballot, leaving the one unmarked which expresses his vote upon the proposed amendment.

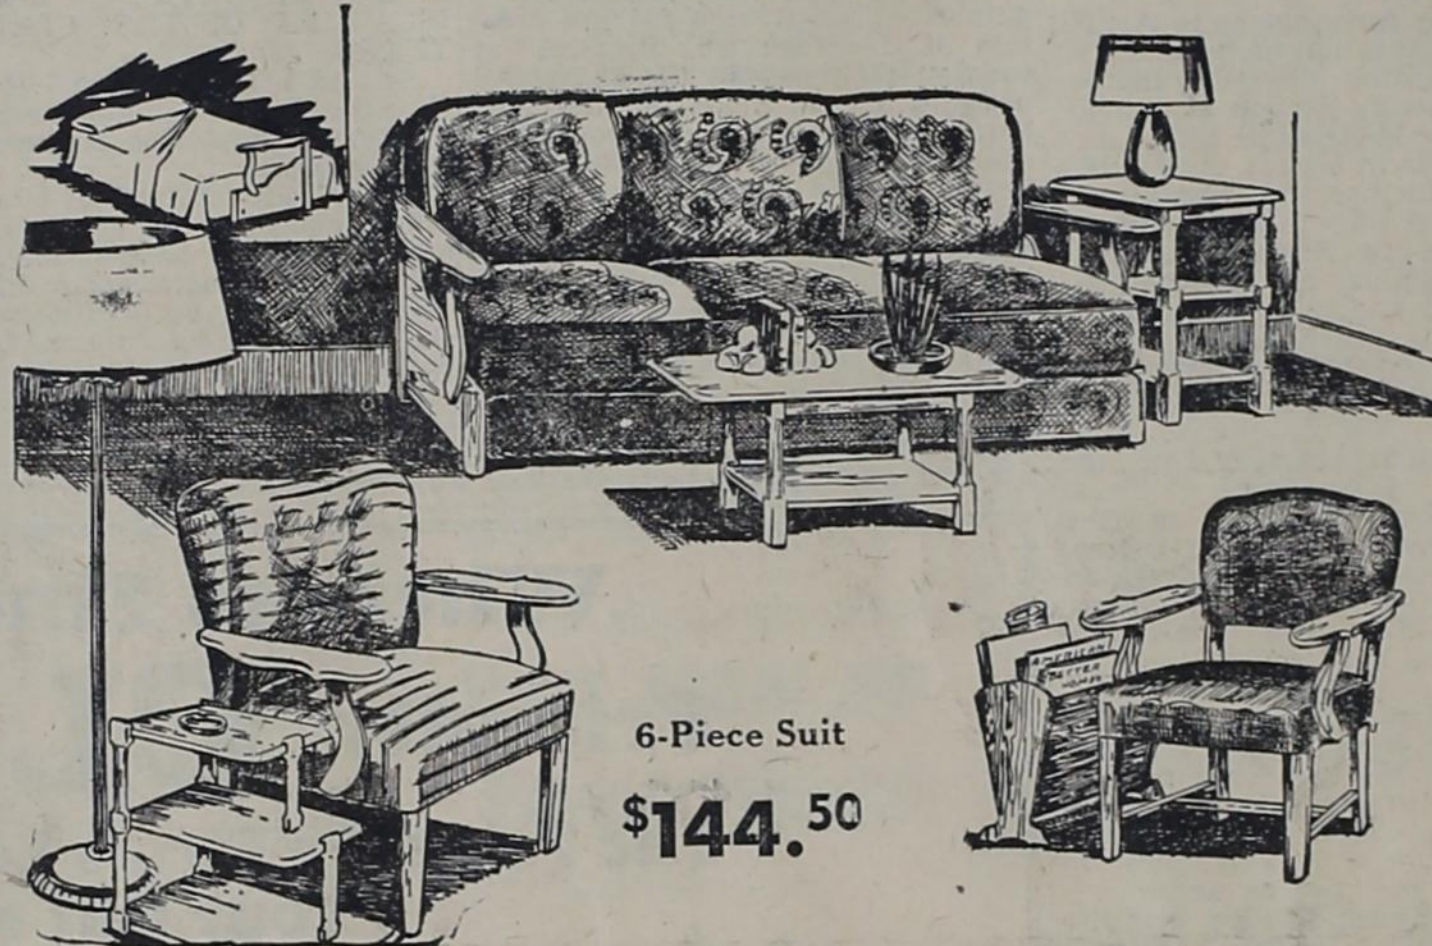

Sec. 3. The Governor of the State of Texas shall issue the necessary proclamation for said election, and shall have the foregoing proposed amendment published as required by the Constitution for proposed amendments thereto.

Sec. 4. If at said election, a majority of the votes cast are "FOR the Constitutional Amendment authorizing a statewide system for retirement and disability pensions for appointive county officials and employees," the foregoing proposed amendment shall become Section 63 of Article XVI of the Constitution of Texas, and proclamation shall be made by the Governor thereof.

Sec. 5. The sum of Five Thousand Dollars (\$5,000), or so much thereof as may be necessary, is hereby appropriated out of any funds in the Treasury of the State of Texas not otherwise appropriated, to pay the expenses of such proclamation, notice and election.

World's Largest State Fair To Be Held In Dallas Beginning Oct. 8th

A bigger, brighter, gayer, more fantastic and original spectacle is the promise which the world's largest state fair holds to the two million visitors expected for the gigantic 16-day exposition starting Oct. 8 in Dallas, W. H. Hitzelberger, vice president and general manager of the State Fair of Texas, has announced.

"The 1949 Fair will be the best-balanced show in the history of the exposition," Hitzelberger said. "This year we will see to it that sprawled over the 187 acres of fair grounds will be more of everything which fairgoers like, and that quality-wise all phases of the giant show will be at least two cuts above anything ever before seen at the Fair."

Commercial exhibits such as foods, agriculture, automotive, home show, and farm implements will feature more interesting displays than at any time since the war. This is attributable, Hitzelberger said, to new market conditions and increased competition for public interest.

Two new foreign exhibitors—the British and Belgian governments—will add a new international flavor to the Fair by presenting the best of their export articles in a serious bid for Southwestern favor.

More money for livestock premiums has resulted in a heavier flow entries than for any previous Fair. Headlining the 1949 livestock exhibits will be the National Aberdeen Angus show, Oct. 8-13. Herds from all states and from Canada are expected. Other breeds in the Beef Cattle show include Herefords, Shorthorns, and Brahms. Breeds in the Dairy Cattle show are Holstein-Friesians, Jerseys, Milking Shorthorns, and Guernseys.

Other major shows of the livestock division will be swine, sheep, Angora goats, Quarter and Palomino horses, and an outstanding junior livestock show. Premiums total \$66,235.

An entirely new type of agriculture show is being built to provide a harvest of ideas for farmers who wish to increase crop yields and incomes. Featured will be flax, grain sorghum, grass, corn, cotton, peanuts, rice, wheat, roses, pecans, oats and barley. Living, growing specimens of each crop will be presented in a dramatic setting "showscaped" by the nationally-famous Lambert Landscape Co. of Dallas.

A revolutionary poultry exhibit will discard competitive classes and instead show how to raise better poultry under typical farm and backyard conditions.

Three major football tilts—Texas vs. Oklahoma, SMU vs. Rice, and SMU vs. Kentucky—top an impres-

sive nine-game gridiron schedule in the Cotton Bowl which is being increased in capacity from 67,431 to 75,347 by addition of a second deck on the east side. The Fair's parking lot is also being enlarged at a cost of \$25,000 to accommodate 1,000 additional cars under all weather conditions.

Also in the Cotton Bowl will be six nights of free 30-minute fireworks shows and the spectacular "Marchiesta" climaxing Music Festival Day, Oct. 19.

Entertainment features being signed for the Ice Arena, Grandstand and Auditorium, will round out the best-balanced entertainment program in the Fair's history, Hitzelberger said.

Free outdoor acts on the Midway will include the Stratosphere Man, highest sway pole performer in the world; and the Waldrofs, daredevil motorcycle act 100 feet in air.

The women's division will feature two new classifications, potted plants and ceramics, and the world's largest cake baking contest.

Most breath-taking event of all, however, is expected to be Rural Youth Day, Oct. 15, when 75,000 4-H Club boys and girls, Future Farmers and Future Homemakers will be the honored guests of the Fair. "Interest in this day alone is a good indication that the 1949 Fair will be the most successful ever staged," Hitzelberger said.

LEGAL NOTICES

SENATE JOINT RESOLUTION NO. 4

proposing an amendment to the Constitution of the State of Texas by amending Section 19 of Article 16, so as to provide that the qualification of no person to serve as juror on grand juries and on petit juries shall be denied or abridged on account of sex; providing that existing provisions of the Constitution shall be construed in conformity herewith; providing for the submission of this amendment to a vote of the people of Texas; providing the time, means and manner thereof and making an appropriation for such purpose.

BE IT RESOLVED BY THE LEGISLATURE OF THE STATE OF TEXAS:

Section 1. That Section 19 of Article 16 of the Constitution of Texas be amended so as to hereafter read as follows:

"Section 19. The Legislature shall prescribe by law the qualification of grand and petit jurors provided that the qualification of no person for service on grand juries or on petit juries shall be denied or abridged on account of sex, and no person shall be exempt from service on grand juries or petit juries on account of sex."

Section 2. The foregoing Constitutional amendment shall be submitted to a vote of the qualified electors of this state at an election to be held on the second Tuesday in November, 1949, at which all ballots shall have printed thereon:

"FOR the amendment to the State Constitution qualifying women as grand and petit jurors."

"AGAINST the amendment to the State Constitution qualifying women as grand and petit jurors."

Each voter shall scratch out one of said clauses on the ballot, leaving the one expressing his vote on the proposed amendment.

Section 3. The Governor shall issue his proclamation calling said election and have the same published and said election held in accordance with this Resolution and the Constitutional Laws of this State, and return shall be made and the votes canvassed and counted as provided by law; and if said amendment is adopted by the vote of the

qualified electors of this State, the Governor shall issue his proclamation as required by law.

SENATE JOINT RESOLUTION NO. 1

proposing an amendment to Section 2 of Article VI of the Constitution repealing the provision making the payment of a poll tax a qualification of an elector; requiring the Legislature to pass a general registration law for voters; providing for the necessary election, proclamation and publication by the Governor, and making an appropriation.

BE IT RESOLVED BY THE LEGISLATURE OF THE STATE OF TEXAS:

Section 1. Section 2, Article VI of the Constitution of the State of Texas be and the same is amended hereby so as to read hereafter as follows:

"Section 2. Every person subject to none of the foregoing disqualifications, who shall have attained the age of twenty-one (21) years, and who shall be a citizen of the United States, and who shall have resided in this State one (1) year next preceding an election and the last six (6) months within the district or county in which such person offers to vote, shall be deemed a qualified elector; provided that before offering to vote at any election a voter shall have registered as an elector before the first day of February next preceding such election. This provision shall be self-enacting. The Legislature shall pass a general registration law requiring registration of voters at a time not later than the first day of February for each election to be held for that calendar year, and the Legislature shall have power to prescribe a registration fee. The Le-

gislature may authorize absentee voting."

Sec. 2. The foregoing Constitutional Amendment shall be submitted to a vote of the qualified electorate of the State at an election to be held on the 8th day of November, 1949, at which election all ballots shall have printed thereon (or in counties using voting machines the said machines shall provide for) the following:

"FOR the amendment to the Constitution of the State of Texas eliminating the provisions in said Constitution making the payment of poll tax a requirement for voting, and providing for a general registration law."

"AGAINST the amendment to the Constitution of the State of Texas eliminating the provisions in said Constitution making the payment of poll tax a requirement for voting, and providing for a general registration law."

Each voter shall mark out one of said clauses on the ballot, leaving the one expressing his vote on the proposed amendment; and if it shall appear from the returns of said election that a majority of the votes are in favor of said amendment, the same shall become a part of the Constitution of the State of Texas.

Sec. 3. The Governor of the State of Texas shall issue the necessary proclamation for said election and have the same published as required by the Constitution and laws of this State.

Sec. 4. The sum of Five Thousand (\$5,000.00) Dollars, or so much thereof as may be necessary, is hereby appropriated out of any funds in the Treasury of the State not otherwise appropriated to pay the expenses of such publication and election.

Parmer County 4-H Club Farwell High Faculty
Defends Softball Title Completed This Week

Who has the best 4-H softball team—Parmer or Castro County? A friendly rivalry is determined to find the answer to the question next week at Bovina, where the Parmer Countians will battle with invaders from Castro.

The contest came about, says County Agent Ollie Liner, one of the head ments of Parmer's team, from controversy at the state playoffs at the annual state-wide 4-H meeting in College Station a short time ago. Parmer County's group won second place in the tournament, but did not meet Castro opposition because Castro's team was defeated in another bracket.

Raymond King and Jacob Acker, coaches for the Castro boys, challenged Liner and his group to a game, and the date has been set for Tuesday evening at 8 on the Bovina field.

Liner, who co-sponsors the team with Wendol Christian, announced the Parmer lineup would be: Glendon Suddreth, pitcher; C. W. Grissom, Donald Christian, Darrell Norton, James Tidenberg, Kenneth Howard, Giles Walling, Marvin Massey, and Leon Langford.

The Parmer team expects stiff opposition because King said strength of his team was sapped for the state meeting because some of his boys were unable to attend.

All vacancies have been filled and the 1949-50 faculty for Farwell schools is complete, advised Superintendent Jack Williams, Monday afternoon. Williams, in making the announcement, said the final vacancy in the home economics department had been filled by Mrs. John Lovelace, who has taught in the same capacity for the past several years.

Williams said teacher meetings would be held in the near future, in order that a schedule for the coming term might be drawn up. This week officers of the school were at work formulating a class schedule. Announcement will be forthcoming with reference to resumption of the new term, said Williams, when asked what could be said about the starting of school.

Meanwhile, work goes ahead on the face-lifting program for the buildings and grounds. Many of the classrooms have been completely redecorated and finished in attractive pastel shades. Floors and desks have been sanded, and much additional blackboard space added.

Farwell's new football field is at last reaching the stage promoters had hoped and worked for a number of years. An excellent carpet of bermuda grass extends from one end zone to the other, the result of three years of effort by patrons of the school.

Four Men From Parmer Attend Conservation Meeting At Lubbock

Attending an annual meeting of soil conservation supervisors for this district at Texas Technological College, Lubbock, the past Wednesday, were Buddy Jones of Farwell, and A. L. Black, W. L. Edelman, and J. T. Gee, of Friona. They discussed prominent matters concerning soil conservation for this section while attending the meeting.

Home Demonstration Head To Visit Parmer County Soon

Coming here from Lubbock soon will be Kate Adele Hill, district extension home demonstration agent of Texas A. and M. College, said Ollie Liner, county agent, early this week. Liner said the representative would be at the county agent's office in the courthouse August 23 at 11 a. m., and reminded those who wished to see her to be there at that time.

Conducts Revival In South Texas

Conducting a summer revival at the First Baptist church in Mont Belvieu, Tex., is the Rev. O. O. Holladay, pastor of Texico-Farwell Baptist church. Rev. Holladay left here this week for the city, located near Houston, and is expected to return from the two-week revival Monday week.

Perry is a drink made from pear juice.

Two More New Homes Going Up In Farwell

Construction work is almost completed on one new home and a second one is underway in Farwell this week, to add to the number of new homes to be erected here this summer.

Mr. and Mrs. Smokey Gast expect to occupy their new 18x30 quonset home in east Farwell within another week. It is being erected just north of the Chas. Beiler residence.

Work is progressing on a 26x36, two-bedroom home, being built by Sam Randol on Eighth Street northeast of the Farwell school. Randol said today he planned to rent the property when finished. He said he also planned erection of a similar house in Texico, to be located east of the school building.

LINER ATTENDS SALES, FARM BUREAU MEET

Attending the annual Plainview hog sale in that city last week was County Agent Ollie Liner. Also, he attended a Farm Bureau meeting at Lubbock. Present with him at the bureau meeting were Fred Bolton, R. H. McFarland and Bill Johnson. Bolton and McFarland are officers of the Parmer County organization.

ANNUAL STAFF TO MEET

There will be a meeting of the 1949 Farwell high school annual staff in the home economics building Thursday night at 8:30, according to Gary Joe Magness, editor of the publication. Magness, in making the announcement, urged all members to be present, as important business discussion would take place at that time. Work for the new annual will be planned, he said.

FOX DRUG STORE

New Water Mains Laid For Southern Farwell

Laying of 400 feet of new four-inch water mains for the southern section of Farwell was expected to be completed this week, according to V. C. Venable, manager of the Texico-Farwell Water Co.

When contacted Monday morning, Venable said work had just begun, and the four-inch main extending to the Farwell school would be tapped for the new lines. Most of the earthmoving will be done by a mechanical ditch-digger, said Venable, thus decreasing time necessary for installation of new pipe.

The line will run south through alleys behind homes of Lloyd Cain, Charley Hromas, Buddy Jones, and John Aldridge, serving those homes with new water pressure. At present, facilities are inadequate to handle increased usage brought about by construction of the Hromas' and Jones' homes.

Also to be laid during the present stage of work will be 256 feet of four-inch line at Farwell schools. This will complete a job started some time ago, which was undertaken in order that the school might have an adequate supply of water. The large mains installed will lower fire insurance rates for the school, said Venable.

Preaching Lawyer Becomes Evangelist

Texts instead of briefs, decisions for Christ instead of judgments in court, are now the consuming inter-

est of Clifton W. Brannon, Longview, Texas, attorney.

He has served a very profitable business and professional connection to enter the field of full-time evangelism. He has been secretary and general counsel for R. G. LeTourneau, Inc., and affiliated firms.

Relating how energy and need had driven him at early age to the peak of a lawyer's ambition—practice before the Supreme Court of the United States—Clif Brannon asserted: "When at the close of my message at Elk City, Okla., last Sunday, two strapping big men, among others, came to accept Christ, I got a bigger thrill than when I first stood before the nine solemn men of the Supreme Court."

Brannon, now first vice-president of the Baptist Brotherhood of Texas, has spoken in over 300 churches since 1946. During the last 12 months, he had addressed 226 church groups. The heavy schedule of church engagements in addition to his professional duties led to such physical strain he had to drop one or the other. He chose religion.

ATTENDS BROTHER'S FUNERAL

E. R. (Scotty) Barry returned home the first of last week from Long Beach, Calif., where he was called to attend the funeral of his brother, R. E. Barry, 49, of that city. The California man died suddenly and unexpectedly of a heart attack. He is survived by his wife and a four-year-old son.

The Farwell man went by El Paso and picked up another brother, W. T. Barry, who accompanied him to Long Beach.

FFA'ERS TOUR—

(Continued From Page 1)

fifteen members of one family, scantily clothed, and living in a house that had neither windows nor doors. What they do when winter comes is a mystery to us.

Camp was established in the park about five o'clock Friday afternoon, and the remainder of the evening was spent preparing ourselves for an expected five-day stay.

The state of Texas is to be commended for its care and maintenance of parks such as these. We were extended many courtesies and afforded the most comfortable place obtainable for camping in such rugged country. Mother Nature was the only one we could blame for inconveniences we suffered. Camping is expected to be rough, and she did everything she could to make our so.

It rained every day we were there. The aid was humid and hot. We saw the sun not more than three hours in five days, and every mosquito for miles around must surely have come to our camp for a feast.

Few of us knew anything about chiggers, but now we know better than to romp in luscious patches of inviting grass that grow everywhere. Most severe victim of the little red bugs was R. D. Hensley, co-sponsor of the trip, who received a dandy crop of welts on the lower regions of both legs. He claims one-third of his trip was wasted scratching.

Some of the boys were unfortunate in that they took no cots to sleep on, choosing to spend nocturnal hours next to terra firma. Nighttime rainfall provided numerous soggy bedclothes for them.

Probably the most unbearable part of the entire trip was the cooking. What chuck had been taken on the trip either was the wrong variety, or was spoiled entirely. Also, our meager supply was exhausted in three days, and were it not for twenty cans of vienna sausage, we surely would have perished.

The campers were divided into four groups. My group, which was made up of five boys, ate four pounds of steak and a mountain of French-fried potatoes for supper one evening, after going mealless for a day. The fact that the steak was fried without flour in bacon grease, and the potatoes burned, black bothered us not at all; we had been filled.

Swimming, and its co-partner, sunburn, were the main time consumers. Water-filled noses and ears and sca-

ly, blistered faces became a common sight in camp. In fact, you weren't in style without a neon nose and seared shoulders.

After five days at the park, we began the trek homeward, stopping briefly in Dallas to tour the new and gigantic Dallas News building. Few felt that time spent visiting the newspaper was wasted. At the conclusion of the tour, the friendly management gave every member of the group a copy of the comic section, which we promptly strewed up and down Dallas streets, much to the discomfort and concern of "Prof" Morton, FFA advisor.

Also to be found on the Ft. Worth-Dallas highway is a case of eggs which tilted out of a bus window, leaving a trail of sticky yolks and whites.

While on the trip our group purchased two ten-cent watermelons "guaranteed to be ripe." They were ripe, alright, and had been for two weeks previous the day we purchased them.

Our last night was spent at a roadside park near Post. A double-header freight train everyone swore must have gone through camp roused our slumber in time to resume the journey at five Thursday morning.

We had picked up many sacks of ripe peaches at Weatherford the previous day. Not knowing what else to do with them, they were used most effectively for ammunition when a riot broke out about ten miles from Farwell over a piece of bubble gum.

The wheels of the peach-splattered vehicle groaned to a stop near the bus barn at Farwell school, and everyone staggered out, agreeing what a wonderful, refreshing trip it had been. Those not having stomach enough to clean up the bus deposited the required twenty-five cent piece in an outstretched palm of Prof Morton, and turned their red noses homeward to a clean, cool bed.

HOPPERS—

(Continued from Page 1)

a total of eleven tons upon delivery. Now, who is going to come forward and agree to take the remainder of a 20-ton load? If you plan to use coal this winter and would want a few hundred pounds or a few tons, let your desires be known to Mr. Henderson. Better attend to this right away, as considerable time is required to make all necessary plans to get coal in here before snow begins to swirl.
