

## Parmer Exhibit 1st at Lubbock

The Parmer County agricultural exhibit at the Panhandle-South Plains Fair at Lubbock, which opened in that city on Monday.

Placing second was the Floy County exhibit, with Castro County rated third.

This is the fourth consecutive year that Parmer County has placed high in the agricultural division, winning two blue ribbons, one second and one third over the four-year period. In 1946 Parmer county rated second; moved up to first money in 1947; and the following year dropped to third place, only to come back again with top honors in 1949.

County Agent Ollie Liner, with the assistance of Robert Morton, agricultural director of the Farwell High School, assembled and arranged the display that topped the other entries in Monday's judging.

Parmer County individual exhibits also ranked high, garnering seven blue ribbons and one red at the Lubbock show. Harold Carpenter took first in alfalfa bundles; Mrs. Harold Carpenter won top honors with butter beans; Jimmie McGuire led the list with barley; Owen Patton placed first with hegari; and Donnie Carpenter's pumpkin led the field. Harold Carpenter also rated second with his cow pea exhibit.

Contributing items for the exhibit were N. L. Tharp, alfalfa bale; Alfa Dasher, sudan bale; Bill Meeks, mixed pasture grasses; Jack Walton, sweet sorghum; Judge Barker, watermelons; A. L. Hartzog, pumpkin and winter squash; Harold Carpenter, butter beans and pinto beans.

Grains: wheat, Joe Jesko; barley, Joe Menefee; oats, Bruce Parr; milo, Clyde Sherrle; hegari, Donnie Barker; black-eyed peas, Judge Barker; Chinese Red peas, Jimmy McGuire; alfalfa bundle, Lee Sudderth; sudan and oat bundles, Levi Johnson; sweet sorghum bundle, Jack Walton; permanent pasture grasses, Harold Carpenter; kaffir heads, Oscar Hubble; pears, Mrs. Ezell; and peaches, Mrs. Lee Sudderth.

### FROM THE HOPPER

By HOP

The Parmer County Fair has already outgrown its facilities. Now is the time to begin making plans for next year's show, by making sure that there will be plenty of room provided for the proper display of our fine livestock, agricultural products and other worthwhile exhibits. The entire county should cooperate in this undertaking, for it is one of the most outstanding county projects and deserves our earnest attention.

I want to join the many other people I have heard express themselves in congratulating Mrs. Erma Jobs on the splendid progress her recently-organized school band is making. Patrons of the school swelled with pride when the youngsters, under the direction of Mrs. Jobs, made their first public appearance at the football game last Friday night. All diked out in their flashy new blue and white uniforms, the youngsters made a most favorable impression as they paraded the field between halves.

Officers at the local bank asked that I write an article warning people against transient magazine-subscription peddlers that are continually infesting the town. "They cause us more grief than all our customers combined," one official said. I was all set to write a hot Hopper about such practice when I walked a mag peddler with instruction from my wife to write him a check for a 2-year sub to The Collier's magazine. So, it appears that anything I might say on the subject would be wholly out of order. I will add, however, even if I am stung by this peddler, that giving your subscription to such peddlers is a rather risky business.

Present calculations lead me to believe that I came out loser last Sunday afternoon when my wife and I drove out to help Mr. and Mrs. Claude Thomas celebrate the opening of their new home. As things stack up now, I am loser of a new \$15 hat and a gift of silverware, and all I got was a piece of cake and a

### Skunks In The House? No, Just Overdose Of Calcaordant

Housewives who have been searching their premises for intruding polecats can breathe easily again.

Bill Banks, the local gas man, has come up with the answer to those obnoxious fumes about the homes of local residents.

He explains that an overdose of calcaordant—required by State law—was injected into the gas lines last Saturday with the result that fumes around natural gas appliances has been rather pungent.

### Mrs. Mayfield, Polio Victim, Shows Some Improvement, Report

Mrs. J. T. Mayfield, Lazbuddy farm woman, who was stricken with polio several days ago, is reported by her husband to be showing slight improvement.

Mrs. Mayfield is receiving treatment at the Hendrick Memorial Hospital, where she was taken after being stricken and her husband reports that "she still suffers a lot, although she is able to force a slight movement of one of her legs".

### Consumers Grocery At Bovina Changes Hands

A deal was closed last week in which stockholders of the Consumers Fuel Association at Bovina sold the grocery and market business to Venable & Combs, merchants of that city.

Combs announced that the Venable & Combs stock would be consolidated with the Consumer stock at the latter location. The deal involves the grocery and meat stock as well as the locker plant, of the cooperative, but does not include the fuel and tire business, it was stated.

Luther Grissom, of the Oklahoma Lane community, has purchased the building occupied by the Consumer on Main street in Bovina and Venable & Combs have leased the location from him.

### Steel Arrives For Use On Texico Gymnasium

Steel frames were unloaded the first of the week at the site of the new Texico gymnasium, now under construction on the school campus. Supt. Agrie Jones reported, adding, "I was relieved to see them come in fearing we might get tied up on this material, due to the current steel situation."

Practically all of the cement under-floor base has been poured at the site and brick tile walls have reached a height of 5 feet in most instances lending encouragement to the hopes that the building may be occupied by Christmas or the first of the year.

As soon as sports can be moved into the new building, workmen will begin remodeling the interior of the old gymnasium, arranging a number of class rooms for the growing school.

### Close Games Played At Grady, Friday Night

Two close games were played by the Texico and Grady softball team the past Friday night on the lighted diamond at Grady, with the locals coming out behind in both encounters.

Particularly heartbreaking was the downfall of the Texico girls, who were leading 3-2 when Grady came up for the final time. With two out and the bases loaded, Bailey stepped in to connect with a grand slam homer and Grady went out, 6-3.

The boys' game, which ended 7-4 was called at the end of the fourth inning because of the hour, Coach C. B. Stockton reported today.

Tucker was on the mound for the boys while Patsy Ingram did the pitching for the girls.

A few small glasses of punch. I am telling Claude now that it will take several juicy venison steaks to square the account.

## Grain Storage Short As Harvest Opens

Present indications are that the storage space for grain sorghums will be the most critical ever experienced in this region, a check with local grain men forecast today.

At present, there is some storage space available, and much additional storage is being made ready just as rapidly as possible, but harvesting of the fall crop is just getting underway and it is being freely admitted by grain buyers that all the available space will not accommodate the grain produced here, with a record crop in prospect.

The chief bottleneck appears to be in the fact that all elevators of the country are still virtually filled with the 1949 wheat crop, to say nothing of the 1948 grain sorghums still on storage in the county. Furthermore, it appears certain that another shortage of rail cars faces this region. Outgoing shipments of grain—both wheat and sorghums—have been delayed by the lack of cars, grain men said today.

The Roberts Seed Co. in Texico is building additional storage and the Sherley Grain Co. at Bovina has just started another 350,000 bushel elevator there, with both these firms expecting completion by Oct. 20. In addition, Ray Ford at the Farwell Elevator says he has terminal storage to offer, and the J-A Grain Company, Lariat, has an expansion program underway. With all this additional storage being made ready, it still will not take care of the grain crop here this year, in the opinion of local buyers.

"Farmers might just as well begin to make plans to dump a large part of their grain on the ground," one buyer said.

### Cattle Stealing On Increase Near Here

Sheriff Chas. Lovelace reported today that while there had been no reported cattle thefts in Parmer County during recent weeks, reports from nearby counties say that such thievery is on the increase.

The sheriff of Lamb County reports the loss of 18 head during the past few months, and Castro County stockmen have been hard hit by cattle thieves recently, Sheriff Lovelace said.

Officers are inclined to believe that the thieves are operating in pick-ups or small trucks and that the cattle are hauled out of the country before they are ever missed. In most cases reported lately, one and two head have disappeared, with the rustlers expressing no favoritism between beef cattle and milk cows.

Sheriff Lovelace had only two suggestions to make for combatting the practice: Examine herds regularly and frequently, and report immediately any losses; be on the lookout for strange trucks and pick-ups, and make a note of the license number.

### Telephone Service Is Improving

Telephone service in Texico-Farwell has been showing improvement during the past two weeks, for which the local patrons are grateful.

L. L. Gracey, manager of the Mountain States Telephone Co., of Clovis, was here on Tuesday and said that additional local equipment had been recently installed, and expressed the opinion the service here would improve.

At present, there are three circuits into Clovis, Gracey said, and these lines appear to be handling the local traffic fairly satisfactorily, although there are times when all circuits are engaged simultaneously causing a delay in placing long distance calls. Gracey promised an additional circuit to Clovis of the present facilities prove inadequate.

District Judge C. D. Russell, of Plainview, will be here Friday to meet with the Jury Commission for the purpose of drawing members of the Grand Jury, who will serve for the next six months, beginning on January 1st, 1950.

### Polio Fund Swells Over Parmer Co.

Although no definite check has been made up to this time, Loyde Brewer, chairman of the Infantile Paralysis Committee in Parmer County, said the response to the emergency drive was believed to be very satisfactory.

Brewer added that he expected to check all receipts on Saturday of this week. Several checks, as well as cash, it was learned here, have been sent direct to Dallas and no accounting has been made of such monies, Brewer said.

Meanwhile, Brewer urged all contributors to turn their money to their local postmasters before the close of the present week, deadline for the emergency fund drive.

### Woman Is Being Held On Forgery Charge

Sheriff Chas. Lovelace said today that Mrs. Caroline McCuan, about 24 years of age, was being returned to this city from Hereford, where charges of forgery would be filed against her. She was arrested in Jefferson, Ohio, officers said.

Mrs. McCuan is alleged to have forged the name of Mrs. George Robertson of Hereford to two checks which she passed at Bovina last July. One of the checks was given to H. C. Jackson and the other was cashed at the Bonds Service Station, both in Bovina officers here report.

Being held in Hereford is Ike Allen, who was wanted by Deaf Smith authorities. Allen, officers say, was arrested with Mrs. McCuan in Ohio. Mrs. McCuan is also understood to have passed a forged check in Texico when she made her appearance here in July.

### Attend Funeral Of Aged Dimmitt Lady

Mr. and Mrs. George McLean of Friona, Mr. and Mrs. C. W. Dixon of the Rhea community, Mr. and Mrs. Stacey Queen of Bovina, and Mrs. J. J. Spurlin of this city, drove to Dimmitt, Monday, to attend the funeral of Mrs. Rosa McLean, pioneer resident of Dimmitt.

Mrs. McLean, who would have been 90 years old next November, passed away in the Parmer County Community Hospital at Friona, last Saturday. She had been an invalid for a long time, spending the past several years in a wheel chair.

Mr. and Mrs. McLean came to Dimmitt in 1897 from Missouri, and she had been a Dimmitt resident since that time. Her husband died some 30 years ago, and since that time she had lived alone with the aid of a housekeeper, keeping up the various business interests her husband had established before his death.

She is survived by three daughters, Mrs. C. W. Dixon, Friona; Mrs. J. A. Huges, Lubbock; and Mrs. C. W. Anthony, Dimmitt. Thirteen grandchildren and 15 great-grandchildren also survive.

### TECH CAMPUS SIZE

Tech College campus at Lubbock covers 2,000 acres—1,700 of which are used by the animal husbandry, dairy manufacturers and other agriculture departments.

Frank Lee (Buddy) Smith, 17-year-old son of Ray Smith of Friona, became the victim of a tragic hunting accident, Sunday afternoon, when he and two companions, Jackie Luper and Darrell Franklin, were on an outing near Friona.

The accident occurred at the old Reed lake, about five miles north of Friona, where the boys had been target shooting with a .22 pistol and a shot gun. Relatives who talked to the boys reported that young Luper handed the gun through the window to Smith, on the outside of the car, and the pistol was accidentally discharged.

The bullet, a powerful long-range .22 load, entered the boy's shoulder just below the blade on the right side and ranged downward toward the heart.

Luper and Franklin loaded Buddy into the car and started for town, only to have trouble with their auto. John Lynn, who lives near the scene of the shooting, picked up the victim and rushed him to the Friona hospital. Leo McLellan, manager at the hospital, said the boy was dead when received around 5 o'clock, and Lynn is of the opinion that Smith had died before he took him into his car.

Funeral services were held Tuesday afternoon at 2 o'clock in the Friona Baptist Church, with the pastor, Rev. T. B. Allen, in charge.

The lad is survived by his father Ray Smith; a sister, Mrs. Gen. Mungus; and two brothers, John and David, all of Friona.

### Dr. Spring Named As School Physician

Dr. Paul L. Spring, of Friona, has been named school physician of this county, County Judge A. D. Smith announced today.

Under the provisions of the recently enacted Gilmer-Aiken bill, each county will be allowed a county health nurse of a school physician and Parmer chose a physician.

Schools of the county will cooperate in the cost of maintaining the new office, with a good share of the fund coming from the State. Asked about the duties of the school physician, Judge Smith said that he had not gone into the details of this phase of the law. "There is so much new legislation in connection with the Gilmer-Aiken Act that I have not had time to study it thoroughly," he said.

### Sherley Grain Adding New Elevator, Bovina

Construction work was started last week on an additional grain elevator by the Sherley Grain Co. of Bovina, and it is expected to be ready for use before November 1, G. D. Anderson, Jr., manager of the firm, stated early this week.

Anderson stated that four additional concrete and steel tanks, with a capacity of 350,000 bushels, were being erected at the Bovina plant, which would give the firm a total storage capacity of 875,000 bushels.

The new tanks are being raised between the office building and the main elevator bins. All bins will be connected and operated from one single dumping pit.

### FIRE THREATENS

A trash fire late last Friday afternoon at the rear of Hall's Grocery caused a run by the fire department. A small building, which was filled with discarded paper cartons and other highly combustible articles caught fire and momentarily threatened to spread to the main building of the establishment.

Completely overflowing what had been considered more-than-commodious barns at their installation three years ago, top quality livestock and swine were on display at Friona the past weekend for the "best yet" of the annual Parmer County Dairy Show and Fair exhibitions.

The fair opened on Thursday, with the majority of animals in the barns by early in the afternoon, and stalls were full long before the owners ceased arriving with new entries. Hasty arrangements were made to house the extras in the inside quadrangle of the show buildings, and some Jersey stock was even tethered outside the barns.

Interest leaped this year, with entries climbing in every division. Robert Morton, of the Farwell FFA department, who headed up the swine division, reported that he had listed a total of 97 animals, "not counting the numerous litters", and J. T. Gee, Friona ag man, said that he had not made a complete tally but over 175 livestock entries were on hand.

Judges T. L. Leach of Texas Tech, Raymond King, Castro county agent, and Morgan Dennis, Castro Shorthorn breeder, paid high praise to the quality as well as quantity of stock exhibited at the show, with Leach commenting that the Parmer entries in the aggregate were the best he had seen in the area.

Something new was added this year with each community of the county preparing a booth showing the various field, garden and orchard crops of that particular locality, and the women, not to be out-done, turned out their choice selection of lovely handwork for the home arts division, presided over by Mrs. Bertie Stowers.

### Grand Champions Listed

Fred Kepley, of the Oklahoma Lane community, was probably one of the proudest exhibitors at the fair, for his Shorthorn bull took grand champion honors in his first appearance at the fair. Taking grand champion rating for the second consecutive year was the Shorthorn female exhibited by John S. and Maxine Thompson.

"Volunteer", pride and joy of the Friona FFA's group of beautiful Jersey animals, was again the grand champion bull of his division, while a Jersey cow owned by Ray Strickland of the Friona FFA group, snagged top honors for her owner.

Elmer Langford, of this city, exhibited both grand champions in the Hereford division, D. C. Burnett of Friona made a clean sweep of the Brown Swiss division, as did Gary Crow in the Guernsey and Holstein-Friesian departments.

Donnie Carpenter and Darrell Norton, both of Farwell, each took a grand champion honor in the swine division, and each showed Chester Whites. Carpenter had the top ranking sow while Norton showed the boar.

### Farwell Booth Wins

In the community exhibits, the Farwell booth was placed first, with a total of 601 points scored. Jimmy McGuire was chairman of the committee, with John Aldridge and Joe Camp as members to prepare the entry.

Second-place community honors went to Lakeview, with a total of 590 points; Oklahoma Lane was a close third with 569; Black scored 586 for fourth; Friona, 581 points for fifth; Bovina, sixth with 575; and Lazbuddy 574 points for seventh. The Rhea community also exhibited.

FFA booths from the county chapters were predominant in interest, with most comment coming on the clever Bovina arrangement of a "Punkin-Head Farmer".

Some of the home arts department entries drew especial interest from the large crowds that flocked to the fair, and one of the most talked-about articles was a spread, made before the Civil War of handmade thread. It was shown by Mrs. Ken-

# County Leases More School Land

### TO MOVE HERE

Mr. and Mrs. Alonzo Owens and family, of Cumberland, Ky., are making plans to move to Texico, where they will make their home. Mrs. Owens is already here and expects to be joined by her husband in the near future. Owens, who is employed in the coal mines in Kentucky, is reported to be seeking a place to live where his work will not be interrupted by repeated strikes.

The Commissioners Court, in session here Monday, leased 531.3 acres of Parmer County school land, located in Andrews and Gaines counties to Ben Harwith, of Midland.

In exchange for the lease, Parmer County received \$10.00 per acre bonus. The lease runs for 10 years with annual payments at the rate of \$1 per acer leased in addition to the bonus.

Money realized from the lease goes into the Parmer County Permanent School Fund and will be invested in government bonds, with the interest

from the bonds going to the schools of the county.

Already more than \$100,000 has been realized from the sale of oil leases, royalties and rentals from the Parmer County school lands located in the two South Plains counties. Most of the land is surrounded by producing oil wells, but none has been discovered on property belonging to this county.

County officials maintain that if oil is ever found on these lands, the school funds of the county will be materially benefitted.

**Health Note**

Texas State Department of Health

AUSTIN—Now is the time to have your baby protected from whooping cough, says Dr. Geo. W. Cox, State Health Officer. The Texas State Department of Health recommends that vaccination against this disease be administered at three months of age with a booster dose of vaccine when the child is two years old. There is many a child whose life could have been saved if he had been immunized in infancy, said Dr. Cox.

"Whooping cough," said Dr. Cox, "first masquerades as an ordinary cold, with running nose and eyes, followed by a slight cough. These symptoms develop about 1 to 14 days after exposure. Then in about another week the cough develops into a series of continued attacks, in an effort to expel the troublesome mucous. An attempt to breathe during the choking spell produces the characteristic whooping sound. In mild cases it may be absent. The whooping stage lasts 4 to 6 weeks and may then take another two or three weeks to decline gradually.

"Here are some facts about whooping cough:

"1. The disease starts like a common cold, 1 to 14 days after exposure. In about another week the cough develops and the whooping usually begins.

"2. It is one of the communicable diseases children often catch at school. After a child has reached the age of five, fatalities occur less frequently. Children may carry this disease home to babies.

"3. Most important of all is to see that infants are vaccinated against whooping cough, for most deaths occur among children less than one year of age.

**"GONE WITH THE WIND" RETURNS TO BORDER**

Scotty Levins, of the local Border Theater, announced today that he would show "Gone With The Wind" at the local movie house on Sunday and Monday, October 2nd and 3rd.

Two features will be run on Sunday with the first one starting at 2:30 p. m. and the second at 6:45. Only one showing is scheduled for Monday, with starting time at 8 p. m.

In announcing the return of this film Levins said that those who are interested in seeing the picture, either for the first time or for a repeat, should take advantage of the local showing, as the film is to be taken out of circulation in December.

**Cottonseed Reports Are Available To Growers**

COLLEGE STATION — Cotton growers were urged today to write for the free cottonseed market news reports issued by the PMA, USDA's southwest cotton office at Dallas.

According to John McCollum, area manager, many cotton growers are not making full use of this report and in certain cases they are not receiving maximum returns for their cottonseed. He pointed out that unlike many other agricultural products, there are no organized markets to provide basic cottonseed information. Therefore, farmers are entirely dependent upon local quotations with no basis for comparisons unless they receive these reports.

Current cottonseed prices are gathered by PMA from ginners and cotton oil mills.

McCollum said cotton growers particularly need this cottonseed market information this year since the CCC has a cottonseed loan program in operation. These reports will help growers determine whether it would be more profitable for them to place their seed in loan or sell it, he explained.

The cottonseed report may be obtained by writing local USDA cotton classing offices, or Mr. McCollum at 1104 South Ervay St., Dallas, 1, Tex.

**Great Things Expected Of New Tech Chorus**

LUBBOCK—Before too long, Texans should be hearing great things about the Texas Technological College mixed chorus of 40 voices. That's the aim of Prof. Gene Hemmle, newly-appointed head of the music department who has become one of the southwest's outstanding authorities on choral music.

Dr. Hemmle is returning to Texas after having completed work on a Ph. D. at Columbia University. He was head of the music department at Texas Western University from 1946-1948.

"We hope to make the mixed chorus a touring group which will visit Texas cities throughout the school year," Dr. Hemmle said.

He explained that all Texas Tech students will be eligible for membership on the mixed chorus. Tryouts will get underway shortly after enrollment has been completed.

A girl's chorus and general chorus also will be organized this fall. The men's glee club will continue under the direction of Richard Richards, instructor of music.

You are hereby commanded to appear before the Honorable District Court of Parmer County at the Court House thereof, in Farwell, Texas, at or before 10 o'clock A. M. of the first Monday next after the expiration of forty-two days from the date of the issuance of this citation, same being the 14th day of November, A. D. 1949, then and there to answer Plaintiff's Petition filed in said Court, on the 26th day of September A. D. 1949, in this cause, numbered 1486 on

the docket of said court and styled Doris Williams, Plaintiff, vs. Katherine Williams, Defendant.

A brief statement of the nature of this suit is as follows, to-wit:

Plaintiff alleges that he married defendant November 10, 1948, and because of the excesses, cruel treatment and outrages administered to him by the defendant, their further living together was rendered insupportable. That no child issued from said union and marriage and there is no community property. Plaintiff prays for judgment for absolute divorce from defendant, as is more fully shown by Plaintiff's Petition on file in this suit.

The officer executing this process shall promptly execute the same according to law, and make due return as the law directs.

Issued and given under my hand and the Seal of said Court, at office in Farwell, Texas, this the 26th day of September, A. D. 1949.

## Ground Broken for New Palsy Treatment Center at Lubbock

A ground breaking ceremony for the new \$42,000 cerebral palsy Treatment Center was held Wednesday, September 21 at the time of the regularly scheduled meeting of the Lubbock Rotary Club, co-sponsors of the project.

The new building, to be located at 34th Street and Avenue M in Lubbock, will be a one story masonry construction providing facilities for physical therapy, occupational therapy and speech therapy for the cerebral palsied.

The Treatment Center, at present located at 1317 Tenth Street in Lubbock, completed its first year of operation on August 22. During the year 202 cases of cerebral palsy were registered for treatment and 2997 treatments were given. Seven clinics were held at approximately two month intervals with two orthopedists specializing in the care of the cerebral palsied present to examine the patients each month.

One fourth of the cases treated during the past year were two years of age or less is registered. The youngest child registered was five months of age.

Cases came to the Treatment Center from 80 towns and surrounding

areas in Texas, New Mexico, and Colorado, extending southeast 500 miles to Cuero, Texas, and north about 325 miles to Holly, Colorado.

Cases coming to the Center are referred by their local physicians or by orthopedic specialists. During the last year 102 physicians referred cases for care at the Center.

Facilities of the Treatment Center are available to all cases in need of care. The next clinic for the examination of patients will be held Monday, November 14, with Dr. C. B. Sadler, Amarillo, and Dr. E. T. Driscoll, Plainview, examining patients. Parents are requested to register children at the Center at some time before the clinic date. Further information may be obtained by writing Dr. E. E. Snell, director, or by calling Lubbock 6541.

### Hey, Kids! Circus Comes To Town For One Show

The elephants, the clown and the red wagons are coming!

The above announcement is being hailed with delight by the juvenile element, while some of the "older boys" are already thinking up some excuse to be on hand when the all-

new Stevens Brothers Circus and menagerie pitch their tents in Texico for one performance at 2 p. m. on Sunday, October 2nd.

Many new and novel features will be seen in this season's program, foremost of which will be Dolly Jacobs world-famous trained elephants, three herds of the largest elephants traveling with any motorized show; Sanchez Family, a recent importation from Mexico, in acrobatic and wire numbers; DeKohl Trio, European jugglers; Riggs Trio, comedy bar act; Neilson Sisters on the high trapeze; Virginia Lynne, sensational equilibrist; Paul Benjamo and his troupe of clowns; Bob Grubbs' liberty horses; "Oklahoma Shorty" and his troupe of trick riders and ropers; Stevens Brothers prancing ponies, riding dogs and monkeys, always a treat for the children; all combined with what is said to be the largest collection of wild animals carried by any motorized circus.

Popular prices will prevail for this

engagement, animal cages will be on display at the show grounds at 10 a. m. for free inspection by the public. Dolly Jacobs will have her elephants down-town at noon circus day at the Texaco Service Station in Texico.

### Teubel Is Chairman Of District 5 USO

Henry Teubel of Tulia, has been named District 5 chairman of the Texas USO Reactivation campaign, T. E. Braniff, state campaign chairman, announced today.

The district headed by Teubel includes Farmer, Castro and Swishes counties.

The Texas campaign will raise \$500,000 toward the national goal of \$10,100,000 for USO, Teubel said.

"The cold war continues," he declared, "and our people have called for a big Army, Navy and Air Force so that our country will be ready to meet any pressures from the enemy.

"Ninety-eight thousand of our own young men and women from Texas are now in uniform, and it is up to us one and all to keep up their ties with home, so that they may return to us as happy and useful citizens," he continued. "The best way to do this is through USO, which is on the scene to serve them whether they are stationed at some military establishment here in the United States or at an overseas outpost.

"The USO provides the thousands of veterans in Army, Navy and Veterans hospitals with regular professional entertainment, and the frequent reminder so valuable to their morale that neither they nor their heroic deeds have been forgotten.

"If our young people can give up valuable years out of their lives in the defense of their country, we civilians at home certainly can show our gratitude and our support by way of the USO," he concluded.

Buy a bond every pay day!

"BOON TO BABIES" . . . Parents! Here's encouraging news of how doctors are saving thousands of infants each year from the often fatal danger of diarrhea. Don't miss important medical report on these new drugs. It's in The American Weekly, the great magazine distributed with next Sunday's Los Angeles Examiner.

"How did your wife get on with her slimming diet?"

"Fine—she disappeared completely last week!"

Father: "Say, it's 2 o'clock. Do you think you can stay all night?"  
Suitor: "I'll have to telephone home first."

Father: "Did you give Rita that copy of 'What Every Girl Should Know'?"

Mother of Co-Ed: "Yes, and she's writing a letter to the author suggesting the addition of three new chapters."

Before your evening drive stop in at our service station for a safety checkup on your car. Your ride will be pleasanter.

**Steers Take To Road For Weekend Game**

The Farwell Steers, who have thus far staged all their 1949 gridiron skirmishes at home, will take to the road on Friday of this week, being slated to play the Hale Center squad there at 8 that night.

This will be the third conference match of the season, with the Steers having two nice black marks for victories over the Friona Chiefs and the Whitharral Panthers.

Coach Louis Purvis reported the first of the week that Donald Ford, stellar end, would likely be out of action this weekend, having received a ruptured blood vessel on the calf of his right leg. To Carey Joe Magness will go the thankless task of trying to fill Ford's shoes at the end slot, it was indicated.

Other members of the team, the coach indicated, will be ready to do battle again on Friday night.

Scouts report that Friona played Hale Center an exceptionally close ball game last weekend, losing only in the last quarter, and this makes things look pretty good for the locals, who slammed the Chiefs down recently. In comparative scores, Farwell beat Friona 26-6, while Hale Center out-pointed the Chiefs 26-12 in their game.

**Yearling Schedule Is Changed By Coach**

Attempting to get matches "more in the class of our junior boys", Coach Shelby Jobs said on Monday that he had re-arranged the schedule of games for the Farwell Yearlings for the remainder of the season.

The locals played Dimmitt there last Thursday night bowing to a heavier and more experienced squad, 35-0.

Reviewing the outlook today, the coach said that Farwell will play the Friona juniors here on October 13th and will go to Friona on October 27 to return the game. On Thursday of this week, September 29, the Littlefield grade school players are slated to come here for a match.

Lineup for the past Thursday included Magness at left end, Dollar at left tackle, Pipkin at left guard, Daniels at center, Cassidy at right guard, Jesko at right tackle, Jordan at the end and Dial, Gerles, Doshier and Gully in the backfield.

**Freshmen Plan Five Game Season, 49**

**CANYON**—WTSC freshman football team will open a five-game season in Lubbock, Friday, September 30, against the Texas Tech first-year team. Coach Borden Price has been sending 35 frosh hopefuls through workouts here since September 1 and prospects are rated the best in the history of the school.

The schedule is as follows:  
 Sept. 30—Texas Tech, day, Lubbock.  
 Oct. 6—Sandia Air Base, night, Canyon.  
 Oct. 29—New Mexico U. Frosh, day, Canyon.  
 Nov. 4—Hardin-Simmons Frosh, day, Abilene.  
 Nov. 19—Texas Tech frosh, day, Canyon.

**To Santa Fe**

Mrs. Louis Caillouet and daughter left Saturday for Santa Fe, N. M., where they plan an extended visit with Mr. Caillouet, who is employed on a road construction gang near that city.

**License Issued**

According to records at the office of County Clerk Loyde Brewer, a marriage license has been issued to Waymon Wilkins of Friona and Miss Joyce Ann Jones, of Portales, on Friday, September 23rd.

**In Ezell Home**

Visitors in the home of Mr. and Mrs. Roy B. Ezell the past Friday were their daughter, Mrs. Eugene Parker and Nancy Hulst, 5-year-old great-granddaughter of the Ezells, both from Roswell.

**In Moore Home**

Mrs. Edith Pilcher of Frederick, Okla., is visiting in the home of Mr. and Mrs. J. C. Moore in Texico, while enroute to her home after a trip to California.

Miss Twila Strickland and Miss Ruth Williams of Lubbock, were weekend visitors in the home of Mr. and Mrs. Ralph Humble over the weekend.

Les Means spent the past Friday in Plainview attending to business matters, and stayed overnight in the home of Mr. and Mrs. Tommy Templeman, of that city.

Mrs. Howard Ellison of Bovina spent Monday visiting in the home of Mrs. N. W. Peyton in Texico.

Harry Jesko returned to his home here the past Friday night after spending several weeks in Chicago and other Illinois points with relatives.

Mr. and Mrs. Ray Mears and daughter, Georgie Lee, visited with relatives in Vernon last weekend.

**Mrs. Carson Meets With PTA Unit**

Mrs. Raymon Carson, president of Lamb County PTA council, met with the Lazbuddie PTA unit, Monday night to discuss the advantages of joining the congress of PTA. The 29 members present voted to join the congress.

It was decided to have a membership drive, with a prize of \$5 going to the room which brings in the largest percentage of members, both in grade school and high school.

The next meeting will be on Monday night, Oct. 3, at 8 o'clock. All residents of the community are urged to attend.

**Approaching Nuptials Are Revealed Here**

Mr. and Mrs. W. N. Foster, of Farwell, announce the engagement and approaching marriage of their daughter, Barbara, to George Harold Trimble, son of Mr. and Mrs. G. F. Trimble, of Bovina.

The ceremony will take place in the Bovina Methodist Church, Oct. 23, at 3 o'clock. The public is invited to attend.

**RETURN HOME FRIDAY**

Mr. and Mrs. E. E. Booth returned home Friday, bringing with them their young great-granddaughter, Tracey Lee McDaniel, of Lubbock, to spend a week. The Booths left several days ago, taking their granddaughter, Miss Rosamond Booth, to enter college in Denton, Texas, and continued their outing to Dallas, for a visit with relatives, and a business trip to Shreveport, La.

## Texico Teachers Will Be Honored, 29th

Teachers of the Texico school, along with new parents of the community, will be honored on Thursday evening, September 29th, when the first meeting of the Texico Parent-Teacher Association will be held. The evening will be designed to foster closer acquaintance between the parents and educators.

Members of the school faculty this year are Supt. and Mrs. Agrie Jones, Mr. and Mrs. C. B. Stockton, Mr. and Mrs. John Armour, John Adams, F. D. Stout, Mrs. LeRoy Faville, Mrs. Frank Seale, Mrs. B. A. Rogers, Mrs. Jimmie Allman and James G. Hibbs. "Come and get acquainted with your child's teacher, and through your cooperation we will have a better school," PTA officials said today, in urging all parents of the community to be at the school auditorium at 8 o'clock, Texas time, Thursday.

## Sunday School Classes Hold Joint Meeting

The Golden Circle and Ruth Sunday School classes of the Texico-Farwell Baptist church held their regular quarterly joint meeting Monday night, September 26, in the undercroft of the church.

Mrs. Jones L. Winter, of Clovis, associational WMU president, gave a very interesting study on "Jesus and Missions", to approximately twenty attendants.

A short business session was held after which delicious refreshments of hot coffee, canapes and cookies were served by the hostesses, Mesdames Frank Seale, R. L. Day, Walter Hardage and Odie Branscum.

## Wilkins-Jones Rites Are Read Sunday in Friona

Miss Joyce Ann Jones, daughter of Hubert Jones of Portales, became the bride of Waymon Wilkins, son of Mr. and Mrs. Joe Wilkins, of Friona in a simple ceremony held Sunday afternoon, September 25, in Friona.

Rev. James Tidwell, Friona Methodist pastor, performed the single ring nuptials in the Methodist parsonage. Witnesses were members of the immediate families.

The bride was charmingly attired in a street-length dress of aqua and carried a white Bible on which lay a cluster of white carnations, interspersed with white satin streamers.

Miss Barbara Hale of Clovis, was the bridesmaid and wore black crepe with a pink carnation corsage. G. A. Collier, of Friona, acted as best man.

Following the ceremony, a reception was held in the home of the groom's aunt, Mrs. Raymond Adams of Friona, with a large number of friends and relatives attending. Miss Yvonna Lee Wilkins presided at the guest register, while Miss Alta Mae Wilkins and Miss Mary Nell Fulks were in charge of the serving table.

The couple will be at home in Friona, where the groom is employed.

## Silver Anniversary, Housewarming Held Sunday At Field

A double celebration was held on Sunday afternoon by Mr. and Mrs. Claude Thomas, of the Field, N. M. community, when the couple observed their silver wedding anniversary and also held a housewarming of their new home. Mr. and Mrs. Thomas formerly lived here.

The residence, completely modern, was recently finished, with Mr. and Mrs. Thomas doing the building. For Sunday the house was beautifully decorated with large bouquets of various fall flowers. The couple received the guests at the door and a lovely serving table was presided over by their daughter, Miss Edna Ruth, and Mrs. Peggy Greathouse of Texico.

Attending from Texico-Farwell were Mr. and Mrs. Paul Wurster and son, Tommie; Mrs. Albert Thomas, Mr. and Mrs. Olan Schleuter, Mrs. Peggy Greathouse, Mr. and Mrs. Guy Cox, Mr. and Mrs. W. H. Graham and daughter, Sammy, Mr. and Mrs. LeRoy Faville and Mikala Anne.

## Local Girl Named As ENMU Choir Officer

PORTALES—With the election of officers, plans for the year by the Eastern New Mexico University choir are well underway, according to Joe I. Myers, director.

Margaret Cole, Portales junior, has been chosen president, with Jess Lara, Scottsbluff, Neb., freshman, as vice president; Peggy Rogers, Texico sophomore, treasurer; and Maydelle Smith, Portales senior, secretary.

Miss Rogers is also a member of the choir social committee.

Plans for activities include a concert in late October, presentation of Handel's "Messiah" in December and an operetta in the spring.

## Visit In El Paso

Charlie Bieler of this city, accompanied his daughter and son-in-law, Mr. and Mrs. Marty Ezell, of Portales, to Albuquerque, the past weekend, where they were called by the death of Mr. Fent, relative of the local man. After stopping in Albuquerque, the party went on to El Paso to visit Mrs. Jimmie Alsop, the former Anita Mary Bieler.

Rogers, Elton Lobban and Albert Vohs, all of Clovis.

## First Birthday Noted For Tim Rhodes

Mrs. Aubrey Rhodes of Bovina entertained in her home Thursday, Sept. 15, with a party honoring her son Tim's first birthday.

The large white cake was decorated with a pink candle and was placed on a central table on the lawn.

Colored movies were taken of the children as they played, and refreshments of ice cream and cake were served to the children and their mothers. Party favors were small hats which the children wore without too much objection.

Those present were Mrs. Robert Calaway and sons, James Lee and Bobby Gene; Mrs. Paul Jones and Randy, Mrs. Glenroy Davies and Wayne, Wendell, and Jackie; Mrs. William Thornton and Irene, Mrs. Bass Elliott and Vance, and the hostess and son, Tim.

## Former Residents Of Byers, Texas, Enjoy Reunion, Sunday

Mr. and Mrs. Fred Kepley and Mr. and Mrs. Ode Gulley and son, Buddy of Farwell, visited in the home of Mr. and Mrs. A. L. Davis of Muleshoe, Tex., Sunday, and enjoyed a picnic style luncheon. The occasion was a reunion of several families who formerly lived at Byers, Texas.

Those who enjoyed the day with them were Mr. and Mrs. Otis Beason and niece, Susan Nail, Amherst, Tex.; Mrs. W. H. Davis, Lubbock; Mrs. Alonzo Clary and daughter, Luanna, and Miss Lorene Clary, Hot Springs, N. M.; David Wyer and Dorothy Waggoner, Miss Verona Warner, Muleshoe; Mr. and Mrs. Harlow Davis, Mr. and Mrs. A. L. Davis, John Davis, and Mr. and Mrs. Cecil Davis, all of Muleshoe.

## J. O. Glover Honoree At Birthday Social

On the night of Sept. 17, J. O. Glover was surprised when several relative and friends gathered at the Glover home to help him celebrate his 67th birthday.

After a social hour, a lovely cake presented by Mr. and Mrs. Troy Armstrong was cut and served with coffee to those present.

## Murray-Hamm Services Are Held In Arizona

Outstanding among the late summer nuptials was the recent marriage of Miss Zoelleen Zella Murray, the daughter of Mr. and Mrs. Troy T. Murray of Prescott, Arizona, to Archy De Hamm, son of Mrs. Felix Monroe of this city.

The wedding took place in the First Baptist Church at Prescott, with the pastor, Rev. Franklin Dodson officiating at the 8 o'clock rites.

Preceding the ceremony several nuptial selections were played by Mrs. Bert LaFuze, organist and John Weston, soloist. He sang "Because" and "I Love You Truly". Mrs. Stanley L. Power sang the prayer "O, Precious Love".

For the wedding, the church was decorated with large baskets of white gladioli and blue delphiniums. The couple was married beneath an arch of white ace vine flanked by single cathedral stands bearing tall white tapers.

Given in marriage by her father, the bride was lovely in a gown of white satin styled with a basque effect, featuring a sweetheart neckline finished with seed pearls, and the full skirt terminated in a long train with fitted sleeves ending in petal points. Her fingertip veil was of bridal illusion and was held in place by a coronet cap caught with seed pearls. She carried an orchid cascaded with stephanotis and her only jewelry was a double strand of pearls, a gift of the groom.

Miss Vanora Murray attended her sister as maid of honor and Misses Jo Anne Black and Wanda Murray were bridesmaids. Mrs. Howard Porter was matron of honor.

Charles McDonald, former resident of this city, served as best man.

During the reception, Mrs. Bennie McDonald, former resident of this city and mother of the best man, assisted with the serving.

The couple is residing at 311 S. Marina Street in Prescott. Hamm attended the Farwell high school and later attended Bensons School of Commerce in Clovis. He is employed at the Zunic Motor Co., in Prescott.

**VETS SHOULD WATCH FOR ELIGIBILITY CHANGES**

Certain changes in certificates of eligibility for World War II veterans planning to train under the GI Bill have been made, and it will be necessary that all veterans comply with these new instructions in order to avoid delay in entering school. Robert W. Sisson, Veterans Administration regional manager at Lubbock, announced today.

Certificates of eligibility issued to World War II veterans planning to train under the GI Bill from now on will include (1) the name of the course a veteran wants to take, and (2) the name of the approved school at which he wants to pursue the course.

The new type certificate will be good only for the listed course in the specific school named.

The additional information on certificates of eligibility, Sisson explained, will aid VA in its effort to help veterans get training that will be of direct use to their readjustment to civilian life, or avocational purposes.

Also, Sisson added, a veteran asked to select a school and course before he even obtains a certificate would be more apt to give serious thought to his educational objectives and to the institution in which he wished to pursue those objectives.

In the past, veterans were not asked to list the course or school on applications for GI Bill training. Certificates of eligibility, therefore, could be used for nearly any course in any institution that had appropriate GI

**Bill approval.**

But Public Law 266, passed August 24 of this year, prohibits veterans from taking GI Bill courses for avocational or recreational purposes, or courses in institutions not in existence for at least one year. The new type certificate—with course and school listed—have become necessary in order to screen applications and to prevent veterans from taking cour-

ses at government expense which have been prohibited by law.

Veterans who had certificates of eligibility issued before September 1, 1948, have been urged repeatedly by VA to exchange them for certificates bearing identifying "C" or claims numbers. Those few veterans who still have the old certificates should surrender them for the new type—listing course and school—before commencing a course of training.

Veterans who never have had a course of training and now have unused certificates of eligibility—issued after September 1, 1948—may use them as they are until March 1, 1950. They need not be exchanged for new certificates, but after March 1, 1950, they will not be valid.

Those certificates, Sisson added, may not be used for elementary flight, private pilot and commercial pilot courses, or for any course for which veterans are required to submit justification that the training will serve a bona fide use in present or future business or employment.

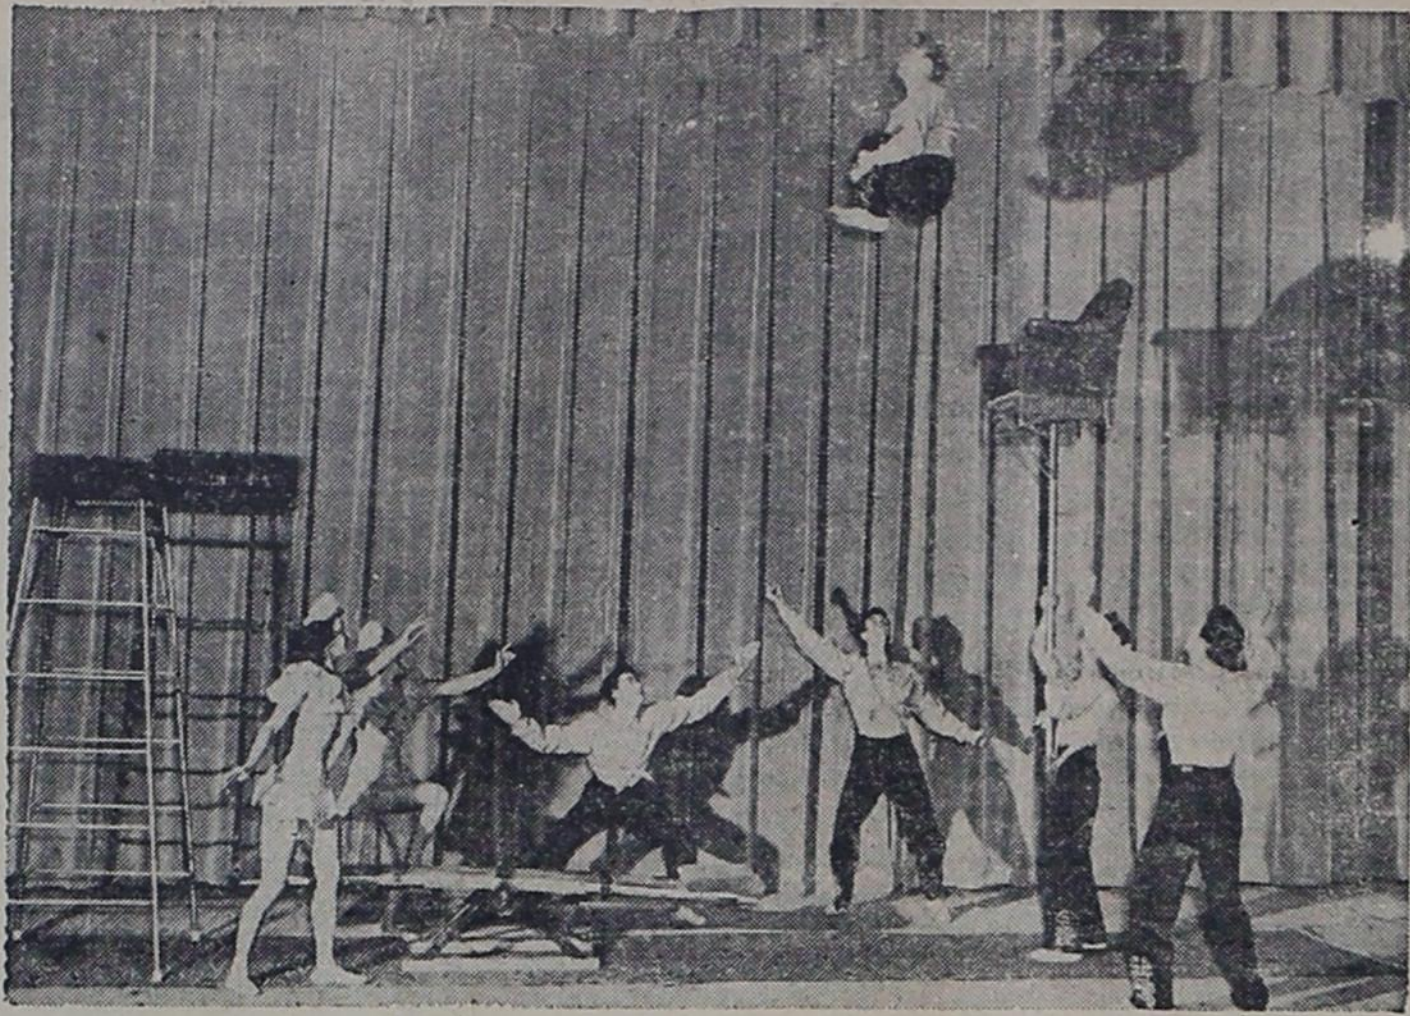

The date the certificate was issued may be found in a box "Item Six" in the upper right hand corner of the certificate, directly to the right of space for the veteran's name.

Supplemental certificates of eligibility—issued before September 12, 1949, to veterans desiring to change courses or schools—may be used for enrollment in current fall terms only until November 1, Sisson said.

After November 1, and until March 1, 1950, the supplemental certificates no longer will be valid—with a single exception.

That exception is a supplemental certificate obtained by a veteran for the purpose of changing his school, but not his course, without loss of credit.

But even in that case, the supple-

mental certificate will not be good if the course taken is flight training or one of the types requiring justification.

Effective March 1, 1950, all outstanding supplemental certificates of eligibility—regardless of the purpose for which they were issued—will be void.

After his application is processed and found to be in order, he may use it only for the course and school listed.

**Former Texico Lad Is Now Corporal**

Robert D. May, son of Mr. and Mrs. Lucus D. May of Pomona, California, has recently been promoted to the grade of corporal, it has been announced. May is currently assigned to the 5th Air Force at Johnson Air Base near Tokyo, Japan. He was sent overseas last May. Young May was graduated from the Texico high school in 1946, enlisting in the Air Corps at Clovis on May 17, 1948. He had his basic training at Lockland Field, San Antonio and received advance training at Chanute Field, Ill.

**14 ARE ADDED TO WTSC FACULTY LIST**

CANYON—President James P. Corbette has announced the addition of 14 new faculty members at West Texas State College.

They are: Enilio Caballero, art; Truett Smith, Bible and director of the Baptist Student Union; J. Weldon Butler, Bible and director of the Methodist Student center; Earl L. Craig, Bible and director of the Church of Christ Student center; Frances Burba and Gilford Cox, business; Josephine Sage, women's physical education; Mrs. Hester Ann Finley, home economics; Dr. Colbert C. Held, geography; Vaughn Vandergriff, journalism and director of

publicity; and June Wimberley, music.

In the Demonstration school new members are Toney Brown, science; Miss Alice Payne, English; and Mrs. A. B. Holt, second grade.

**Texans May Drive On 88,443 Miles Of Roads**

Texas now has, in all, 88,443 miles of passable roads of all types.

Most rapid progress has been made in farm-to-market roads, 14,500 miles of which have been financed by the state highway department in conjunction with federal aid since V-J Day.

The figures are from a survey taken by the Bureau of Public Roads at the direction of the U. S. Senate. Texas statistics were compiled by the highway department in cooperation with county road officials.

Farm-to-market roads are located

upon the recommendations of district engineers after conferences with county commissioners. Location is determined by the highway commission on the basis of need as these figures show:

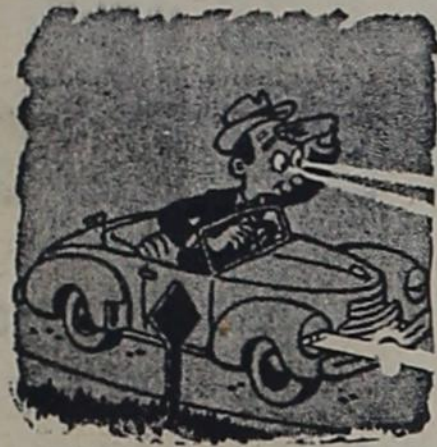

72 per cent of FM roads carry school buses; 74 percent carry mail routes; 24 per cent carry milk routes; and 87 per cent carry one or more of these services.

Other roads built under the farm-

to-market program service oil fields and forest-lumber operations.

When the present program of FM construction is completed, the vast majority of farm dwellings will be within one mile of a paved road.

Boilers, fryers, milk, lettuce, canned apricots, peaches and mixed fruits join the list of plentiful foods for June.

See your way to safe driving with good lights. We will replace dead bulbs or adjust sealed beams quickly, efficiently and inexpensively. Come in today!

# Steers Run Wild To Smother Whitharral

It was just their game. And the Farwell Steers went completely wild, last Friday night, in routing the Whitharral Panthers, 43-2, chalking up the second conference win of the season for the locals. Not only did they score on their own plays, they converted pass interceptions into touchdowns—and even made the two points allowed Whitharral, the result of a bad center pass which turned into a safety for the visitors.

Nix was credited with one touchdown, Terry got three but only two were legal as Farwell was offside on his 75-yard scamper, Ford went into the end zone twice and kicked one extra point, Poteet and Coburn each had a single six-pointer.

Starting off with vim and vigor, the Steers had scored within the first couple of minutes after play began, and from there on they practically went wild except for a flurry of mishaps in the latter part of the second period which gave Whitharral a safety count of two points.

Conversely, the locals were apparently unable to stop the center driving of Hughes, star Panther back, but Hughes just wasn't able to carry the ball all the time, and when his teammates tried the totting, the locals were up in arms.

**First Quarter**  
Receiving on the opening kickoff, Ford grabbed the leather on the 25 and bulled his way to the 47. Pool got 2 and Coburn went across to the Panther 47 for a first down. Terry to Poteet was incomplete and Pool then made 7. Sweeping around end, Terry scooted for his initial touchdown and the conversion try fluked. Score, 6-0.

Ford booted to the 25 and Hughes came back 10 yards. On the next play Hughes fumbled and Dollar fell on the 36, covering for the Steers. Pool made 4, then rushed to the 18. Terry to Poteet failed, Pool was on down to the 1-foot market and Nix bored over center for the score. Ford missed his kick. Score, 12-0.

Ford's boot went to the 25 and again Hughes received, getting to the 35. Lewis made 2, then lost 4 and Hughes was knocked loose from the ball with Farwell covering. Coburn lost 2 as Westmoreland got into the action, Nix made 7 and then hit it again for 3. Pool to Poteet was incomplete and the ball went over on the 30 to Whitharral. Havins got 2 and then met Norton, Burnett was dumped by McKillip for a minus 3, and Burnett tried a pass over center which Farwell intercepted, taking over on the 25. Farwell fumbled and covered to lose 4, Poteet went to the 22 as the quarter ended.

**Second Quarter**  
Pool chased madly around, shook loose twice and leaping almost his own height into the air, shot a pass to Ford, waiting with outstretched hands in the end zone. Terry's kick went to one side. Score, 18-0.

Farwell kicked off, with Burnett being driven out of bounds on his 19. Burnett got 3 yards before meeting Ford, Hughes hit the center and advanced to midfield. Burnett got 8 as Pool snared him and Hughes met Hughes of Farwell for nothing. Burnett shot a pass to Billings for a first down, Hughes failed to gain, Burnett pushed on down to the 19 but the play was called back and Whitharral assessed 5. Westmoreland dropped into the backfield, passing to Billings, but Terry slapped the ball. Havins to Westmoreland was also incomplete but a third try clicked. Yardage was insufficient and the Steers took over on the 19.

Poteet fumbled and recovered for 4 but the locals were offside and got fined 5. Raney scooted through for 10, Poteet slammed on down to midfield but again Farwell was offside and lost 5. Raney got back 5 and lost it on another penalty. Poteet tried an incomplete pass on the 23, a bad center pass to Nix went over his head and he finally covered on the 1-foot market, and the second bad backward pass to Nix forced him out of his own end zone for a Whitharral safety.

Ford kicked off from the 20, with Billings receiving on the Steer 42. Havins got 5 and Burnett went nowhere as Coburn nailed him. Hughes also drew a blank, and an attempted pass from Westmoreland was hit by Ford and Poteet who fumbled it into the intended receiver's hands. Burnett got 5 as the half ended.

**Third Quarter**  
Farwell kicked off to the 25 and Hughes returned to the 32. Billings passed to Westmoreland over center with the play reaching the 50. The second aerial backfired, as Terry intercepted on the 28. Terry then got loose for a beautiful touchdown run which was nullified when one of his teammates was offside. Trying the same play, Terry almost was loose again but was stopped for 8, Coburn got 3, Pool lost 7 and Nix kicked out on the Panther 47.

Hughes got 3 as Pool drove him to the ground, Westmoreland added 4 and then went on to the Farwell 47. Coburn drove Burnett back for 2

and Whitharral got a 5-yard penalty. An incomplete pass was tried and a line plunge netted nothing as Terry came in fast. Whitharral tried to kick out but Dollar blocked the ball and the Steers took over on the 50.

Pool to Ford was incomplete and Terry shot one, with Coburn and Poteet of Farwell, Westmoreland and Havins all failing to hold the ball. Terry then broke loose for a 50-yard touchdown scamper and Ford's kick was true, leaving the count at 25-2.

Ford kicked to the 10, and Hughes blasted his way back downfield to the 50. Westmoreland tried a pass over center which Nix intercepted. Terry to Coburn was incomplete but Terry got to the 30 as the period ran out.

**Fourth Quarter**  
Terry to Poteet connected on the first play for a counter but Ford's kick was no good. Score, 31-2.

Farwell kicked, with Burnett fumbling back to the 32 before he recovered. Burnett tried a pass which was incomplete and the second short center aerial was stolen by Ford who went galloping from the 35 for another Steer touchdown. His kick failed and Farwell led, 37-2.

Kicking again, the Steers sent the ball to the 38, Burnett came back to the 43, and London slammed Hughes for nothing. Burnett got back only to the line of scrimmage and then Coburn stepped in to intercept another Panther pass and was off from the 50 for his counter. An incomplete pass was tried for conversion. Score, 43-2.

Ford's kick was out on the 41 and Hughes got one yard before Whitharral fumbled with Magness recovering on the 48. Poteet to McKillip was incomplete, Raney made 2, Poteet to Magness was no good and Farwell kicked, with the Panthers on their 30. Havins got 2 as Christian hauled him down, Hughes advanced to the 42 where he met Nix and Pool snared Burnett on the 50.

Westmoreland reached the Steer 40, Raney and McKillip slapped down a pass try after Magness had almost intercepted the first aerial, and Burnett got 5. Gage reached the 35 and the ball went over. Pool tried an incomplete pass, made 7, Raney lost 5 as time ran out.

## Local Teams Will Go To Ranchvale, 30th

Winding up the first month of softball, the Texico teams will play another series of night match, Friday, when they are entertained on the Ranchvale diamond, coaches at the school said today.

Indications are that the locals will go into the games as the underdogs, as Coach C. B. Stockton said Tuesday that he understood the Ranchvalers thus far have a perfect score.

Tentative lineup for Friday night puts Tucker on the mound. Clark behind the plate, Gant on first, Hale on second, White at third, Reed in center field, King in right field, Brown in left field, Horton at shortstop and Doolittle at short center field, Coach Stockton revealed.

Coach F. D. Stout was undecided about some positions for his girls, but said that P. Ingram would be on the hill with Doshier catching, Roberts at first base, Holland or Reed at second, Caldwell at third, and the fielders will be named from J. Ingram, Vigil, Sparks, Curry, Donahey and Allred.

Rabbi Maimon, minister of religion for Israel, has asserted that the government "will not exercise compulsion over the religious observance of its citizens." There had been some fear that Israel would become a theocratic state.

## FAIR—

(Continued from Page 1)

neth O'Brien, of Friona. Other notables included a 90-year-old quilt shown by Mrs. Opal Jones of Friona; a 46-year-old pillow case entered by Mrs. George Stowers of Friona; and a doily, hand-knitted of No. 60 white thread, made as a wedding gift for Mrs. W. H. Graham of Farwell, by an Oregon friend.

Outstandingly beautiful was a white crocheted luncheon cloth, by Mrs. M. M. Sherley of Friona, and extraordinary hand-made chenille bath mats of different designs were shown by Mrs. George Reed of Friona.

**Parade Held Saturday**  
Climaxing the weekend, a parade wound its way through Friona shortly after noon Saturday, with a large number of entries.

Little Miss Barbara Lloyd, daughter of Mr. and Mrs. Fred Lloyd of Friona, practically stole the pet show as the 18-month-old girl came trudging down main carrying her black and white puppy—usually by the neck. Two tiny Shetland colts were paraded, their size showing up even more by contrast with a huge white dog that actually stood higher off the ground than the ponies.

The Friona Band, led by Glenn Cunningham, provided music for the parade, and members of the Hereford Riding Club, in matched costumes and on matched horses, also were starred. Cash prizes were presented winners of the four competing divisions of the parade.

ford Riding Club, in matched costumes and on matched horses, also were starred. Cash prizes were presented winners of the four competing divisions of the parade. In speaking of the fair this week, President Dan Ethridge, of the association, said that members were already considering plans to enlarge the arena for the 1950 showing. A complete list of all winners in the various divisions of the show is to be found elsewhere in this issue. Joan of Arc was killed by burning to the stake in 1431.
