

**OFF TO THE NATIONAL JAMBOREE**—Three Parmer Boy Scouts, all of Bovina, pause near The Tribune office before embarking on a 16-day whirlwind trip that will take them to notable places like Chicago, New York, Washington, and Valley Forge. They and 65,000 other Scouts have plans of seeing and meeting people like President H. S. Truman and Joe Dimaggio during the trip. The three, left-to-right, are Glendon Sudderth, Ted Walling, and Leon Ware.

**SAMPLE COPIES**

The State Line Tribune has printed a number of sample copies this week, which are being left at several places of business. If you receive one of these sample copies, consider it your invitation to become a regular subscriber. The subscription price is \$2 per year, and by turning in your subscription now, you will receive this newspaper every week, starting with our next issue.

J. E. McDONALD

### Two Farm-to-Markets Completed in Parmer

Workmen have finished black-topping two new farm-to-market roads in eastern Parmer County the past week, says W. S. Menefee, commissioner of Precinct No. 4.

The road extending north-south from Friona to Muleshoe was finished last Thursday. It extends over 11 miles.

Black-topping on Highway 299 running east-west from Oklahoma Lane almost to the Twin Houses is 10½ miles long and was completed about ten days ago. Both highways are two-lane width.

"One good thing about the roads is the difference it makes in time for anyone using them," Menefee says. "For instance, it puts me about 20 minutes out of Farwell. Before completion of the roads, it took an hour or an hour and one-half to come to Farwell, depending on the weather."

The contract for the two roads was let February 15.

### J. E. McDonald to Speak at Friona

State Commissioner of Agriculture J. E. McDoland of Austin, will be the principal speaker at the quarterly meeting of the Parmer County Farm Bureau, president Roy Miller has announced.

The Bureau meeting will be held in the Friona high school gymnasium in Friday of this week, with the program scheduled to get under way at 8:30.

"Memphis Bell", a beautiful, interesting and educational film, produced by the Army Air Forces, will be shown. The colorful feature-length film depicts a Flying Fortress bombing mission from Britain, and has been used as a feature attraction in many theatres throughout America.

Commissioner McDonald is in a position to bring first-hand information concerning Texas agriculture, and President Miller said today he was expecting a large crowd to hear the distinguished visitor.

In speaking of Friday night's meeting, President Miller offered the following comment: "The Farm Bureau is endeavoring to instigate a program that will strengthen the community cooperation in educational projects."

"The public is invited and urged to attend and take advantage of this opportunity to gain an inside picture of agriculture in Texas."

### Funeral Services Held For Mrs. Richards In Bovina Thursday

Funeral services for a Bovina pioneer, Mrs. Teanie M. Sabins Richards, were held at the Bovina Baptist Church Thursday.

Mrs. Richards, who has been ill for the last few years, succumbed in the Parmer County Community Hospital in Friona Wednesday morning, after she had been stricken with a cerebral hemorrhage.

Services at the Bovina church were at 10 a. m. Thursday, with Rev. E. J. Steigel, Bovina Baptist minister, and Rev. J. E. Tidwell, Friona Methodist minister, officiating.

Another service will be in the Baptist Church in Abilene. Interment will be there also.

Teanie Sabins was born in San Antonio, April 5, 1874. She was married to J. A. Richards July 7, 1889 in Austin.

Mr. and Mrs. Richards came to Parmer County in 1920 from Abilene, and located south of Bovina, where they followed farming and stock-raising until five years ago, when they retired.

Mrs. Richards is survived by her husband, nine children, Mrs. Jess Raynes, Ada, Okla.; Mrs. Luther Roberts, Abilene, Texas; Della Horn, Wichita Falls, Texas; Mrs. Edgar Chase, Artesia, N. M.; Mrs. Delbert New, Locke, Calif.; Frank J. Richards of Abilene; George S. Richards of Lawton, Okla.; and Cash and Earl Richards of Bovina.

She is also survived by twenty-six grandchildren, sixteen great-grandchildren, and one brother.

The Richards celebrated their 60th wedding anniversary last year.

### Hanna in Plane Crash In Swiss Mountains

Escaping with only minor injuries from a plane crash in the Swiss Alps recently was Cpl. Leonard Hanna, son of Mr. and Mrs. Bill Hanna of Route, Farwell.

A news release from the Second Armored Cavalry Regiment said the Farwell soldier was returning to his home station from a business trip to Zurich, Switzerland, with two others when the light plane engine failed and the trio was forced down. The accident was Saturday, June 17.

Accompanying Cpl. Hanna was Col. Marshall Wallach and Lt. Carlyle Heathcoe, who was piloting the plane. Hanna and Wallach escaped with only minor cuts and bruises, but Lt. Heathcoe had to be placed in the hospital for a dislocated shoulder.

The attending physician reported that Hanna, who has been a key man in his regiment football team, would be able to play when the season begins July 31.

### FROM THE HOPPER

By HOP

The identity of the person who set fire to the Texico outdoor privy early last Saturday morning probably will never be known. But the finger of suspicion strongly points to Town Marshal Chism.

There is an ordinance against unsanitary toilets in Texico, and this particular privy has given the town marshal considerable concern during the past several weeks. It seems that Marshal Chism has been threatening to take legal action against the owner of the privy, but he has been unable to locate anybody who would admit ownership of the unsanitary toilet.

As a means of settling his dilemma, it is reasonable to figure that the town marshal was the one who applied the match.

Members of our law enforcement department are justifiably mad at the way a large number of local motorists have been obstructing their movements to and about the scenes of fires in recent months.

They claim that it is not uncommon for the fire trucks to be completely blocked away from a fire by curious motorists when they arrive. Furthermore, the fire boys claim, many persons of all ages have a practice of overtaking the trucks on a run to a fire.

The firemen are recommending that both Texico and Farwell pass a city ordinance making it a \$25 fine to drive a car within a block of a fire.

Harold Carpenter tells this story about a farmer who was driven off the beam by the continued dry weather:

Driven completely nuts by the dry weather that had destroyed his crop, the old boy imagined himself a big league baseball pitcher, and would get out behind the barn and practice his warm-up tosses to his make-believe catcher.

Finally, the law took the old boy in charge and an officer started to an institution with him. The insane farmer placed himself at the rear of the railroad coach and continued to pitch ball. Another farmer passenger on the train asked the officer what was the matter with the demented fellow.

"The dry weather has driven him nuts, and he thinks he's a big league pitcher," the officer explained.

"Well," replied the second farmer, "all I've got to say is that if it don't rain pretty soon, he's going to have a catcher."

The Tribune is in receipt of an unsigned letter, mailed at Bovina, and signed, "An Ex-Bovinaite." For the benefit of the author, may we say that we do not print unsigned letters. There is nothing objectionable in the letter, and it is worthy of publication but we cannot make a practice of printing unsigned letters.

We can, if the contributor desires, withhold the name of the author. But for security reasons, all communications must be signed. We will still publish the letter in question if the person who wrote it will acknowledge authorship, and if she (or he) desires, we will leave off the signature when it appears in the paper.

**TO CHICAGO**

H. Y. Overstreet of the Capitol Freehold Land Trust made a business trip to the Chicago office this week, going by air.

### Three Bovina Scouts Leave for Jamboree At Valley Forge

Three Parmer County Boy Scouts, all of Bovina, are on their way to a national Boy Scout Jamboree at Valley Forge, Pa. They include Clendon Sudderth, son of Mr. and Mrs. Billy Sudderth; Leon Ware, son of Mr. and Mrs. E. M. Ware; and Ted Walling, son of Mr. and Mrs. Jess Walling.

The trio left at 2 a. m. Saturday in company with 35 New Mexico scouts who are to attend the jamboree. They are traveling in a chartered train from Albuquerque that will continue to take on Scouts until reaching Chicago.

Their initial train trip will take them through Chicago to Washington and Valley Forge, but their tour is to be rounded out by visits to Philadelphia where they will see a big league baseball game and perhaps meet Joe Dimaggio; New York City to see the Empire State building, which is the world's tallest; and Long Island, N. Y. While in Washington, they are scheduled to meet President H. S. Truman.

The major part of the 16-day trip will be spent in Valley Forge, the Scouts announced. There 10 days, they will make a huge encampment with around 65,000 other Scouts on the ground where General Washington kept his freezing revolutionary army in the bitter winter of 1777.

The National Jamboree, under normal conditions, is held every five years, the three representatives said, but because of unsettled world conditions, this 1950 meeting will be the first national one in 13 years.

The Parmer Scouts, all three second class rank, are members of Troop No. 34 of Bovina. Their scoutmaster is R. E. Everett. The Bovina Troop is a division of the Eastern New Mexico Scout Council.

### Absentee Voting to Begin on July Third

Absentee voting in the forthcoming Democratic primary election, to be held on July 22, will open on Monday, July 3rd, and will continue until July 19th.

Persons who plan to be absent from their voting precincts on July 22, may cast an absentee ballot by applying to the county clerk, either in person or by mail, for a ballot, which, when voted, must be returned to the county clerk's office.

Considerable time is required in casting an absentee ballot by mail, and voters planning to use this method are advised against waiting too late. To cast an absentee ballot by mail, the voter must first make application by mail to the county clerk for a ballot, which will be forwarded to him. The ballot, after it has been voted must be returned to the clerk's office not later than July 19th.

In casting a personal absentee ballot, the procedure is not so complicated. The voter merely appears at the clerk's office and fills out an application and he is handed a ballot, which he votes and hands back to the clerk.

### STOCKS FEED LINE

Herbert Potts, manager of the Lovelace Grain & Storage Company, announced today that his firm has stocked a complete line of El Rancho livestock and poultry feeds, which are now available to the trade here.

### CAR AND PICKUP COLLIDE

A Buick sedan, driven by N. T. Walker of Waco, and a Dodge pickup, driven by Mrs. George Bolton of the Oklahoma Lane community, collided at the intersection of Avenue A and Second Street in Farwell early last Friday afternoon, resulting in damage to both machines.

Mrs. Bolton was making a U turn at the intersection when Walker approached from the west when the cars ran together. Walker estimated his damage "four or five hundred dollars," with only slight damage to the Bolton machine. Both drivers were alone and neither of them was injured.

### PACE BROTHERS QUITTING

Johnnie and Randal Pace, who have operated the Pace Bros. Garage the past three years, are closing up the business on July 1st. Johnnie stated he was going to Hobbs to work as a mechanic, and Randal plans to take his family to California for a month's vacation before deciding as to his plans for the future.

### Fireworks Display At Drive-In July 4

Another one of those gigantic fireworks displays that featured the formal opening of the 4-Lane Drive-In Theatre, 2½ miles west of Texico on Mabry Drive, will be put on at the same place on Tuesday night, July 4th.

Myron Finklestein and John Whipple, co-owners of the theatre, said today they had arranged for an even more spectacular fireworks display than was shown on their formal opening, and there would be no increase in price.

**LIGHTS INSTALLED**

The Methodist Youth Fellowship has had lights installed on the Texico-Farwell church lawn to enable young people to play games after sundown, and for parties, announces Rev. Murphy Duncan, pastor.

## Rural Telephone Program Lagging

The rural telephone program in the Bovina and Farwell areas has been making slow progress, Harold Carpenter, director, stated here today as he revealed his keen disappointment at the progress made.

Carpenter said that only "about 70 or 80" applications had been filed from the Farwell section, with "about the same number" from the Bovina area. He estimated that there were at least twice that number of potential subscribers in both areas who will want the service.

Carpenter went on to explain that in his opinion the communities having the biggest list of subscribers would be the first to receive the service, and he urged all rural people

### Bovina Bond Election Scheduled this Week

Attention was called this week by W. H. Willoughby, superintendent of the Bovina schools, to the forthcoming bond election for Bovina Independent School District which is scheduled for this Saturday. In a telephone conversation with The Tribune, the Bovina superintendent asked that eligible voters keep in mind the special issue which will involve a proposed expenditure of \$125,000 for planned improvements to the school plant, including a new and larger gymnasium.

If the bonds are floated, and Supt. Willoughby said indications were favorable for election approval, the old gymnasium will be remodeled to seat an additional 350 persons. No longer used as a gymnasium, it would be used solely for an auditorium, seating near 600. At present, it will seat somewhere near 250. Supt. Willoughby had previously stated that a seating capacity of 1000 was needed for the proposed auditorium.

In addition to a new gymnasium and a remodeled old one, backers of the election plan to use some of the funds for improvements over the entire campus.

Supt. Willoughby estimated eligible voters in the Bovina district to number "about 350." Voters will cast their ballots at the Bovina Legion Hall.

Supt. Willoughby said increased state educational aid was held partly responsible for calling of the election.

The harvesting of the lightest wheat crop in several years neared the final stages early this week with the prediction that all of the wheat would be under shelter before the close of the week.

As was predicted previously, most of the new crop is being stored on the farms with very little of the grain finding its way to the elevators. Local elevator men said today "a few loads" are being hauled in each day, and Preach Cranfill of the Santa Fe Grain Company at Friona said he was getting "ten or twelve loads" each day.

Despite the fact that continued dry weather seriously affected the yield throughout most of the high Plains area, dryland fields that were worth harvesting have yielded even better than had been anticipated, with some fields producing as high as ten bushels to the acre.

Generally speaking, the irrigated wheat was somewhat of a disappointment, with the best yields running around 18-20 bushels, where 30-bushel yields were anticipated. Green bug damage to the irrigated fields is blamed for most of the disappointing yields.

**(Ed's Note: See irrigated wheat story on Page 6 for some of the area's best yields.)**

Although the yield has been low in Parmer County, the quality this year has been far above the average. Practically all wheat harvested this year has tested No. 1 with an extraordinarily low moisture content. Some grain showed a moisture content of 10 plus.

Furthermore, the yield this year is of excellent milling quality. Alex Bateman, former county agent who now is connected with Roberts Seed Company, said today that he had been all over the county and had discovered only one field of "slick-headed" wheat on all his rounds.

"Farmers have certainly improved the quality of their wheat in the last three years," Bateman observed.

### Application Deadline Aug. 15, Says Official

One application for Smith-Doxey benefits will cover all the farmers in an organized cotton improvement group.

This was pointed out recently by Leil O. Buchanan, who is in charge of the Lubbock cotton classing office of the U. S. Department of Agriculture's Production and Marketing Administration.

"The popularity of this cotton improvement program has increased so much in the last few years that applications must be filed early in order to prevent a log-jam just before the deadline, Buchanan said, explaining that it takes at least 15 days to process applications and then deliver supplies of forms to gins, warehouses, compresses, and other agencies approved to take samples of cotton.

Any group of farmers organized to promote the improvement of cotton is eligible for free USDA cotton classing and market news services under the Smith-Doxey Act.

The deadline for filing applications for these services is August 15, 1950. Applications should be sent immediately to your local county agent or to Leil O. Buchanan, 1701 Avenue H, Lubbock.

### PRIVY BURNS

A 1 o'clock fire last Saturday morning destroyed an outdoor privy immediately south of the Furniture Mart in Texico. The local Fire Department extinguished the flames before the building collapsed, but its future usefulness is somewhat doubtful.

**Deaf Smith County Receives REA Loan**

The prospects of 186 rural families for getting electric service were advanced greatly with approval of a new REA loan of \$285,000 to the Deaf Smith County Electric Cooperative, Inc. of Hereford, T. E. Seigler, Jr., president of the board of directors, announced today. The new loan will be used for constructing new single phase line, system improvements, and a new headquarters building.

As a result of this loan, the cooperative will be able to render better service to present consumers, add new users in all three counties—Deaf Smith, Parmer and Castro—and provide an adequate headquarters and garage facilities for its operation.

The Cooperative now has 1,341 miles of power lines which bring electric service to 2057 rural consumers. Upon completion of its present building plans, the system will be increased to 1,458 miles of rural lines serving 2,158 consumers, the president said.

"It is our purpose to see that rural electrification in our area keeps pace with its advance in other sections of the country," Seigler declared. "Congress has indicated its interest in rural electrification by making about two billion dollars available for loans since 1935. The greater part of this is being utilized by rural electric cooperatives such as ours. This federal rural electrification program has been a leading factor in raising the nation's level of electrified farms from 1 out of 10 in 1935 to 7 out of 10 today. In Texas, only about 2 percent of the rural people had central station electric service in 1935. Today approximately 78 percent of the farm houses have adequate electric service. Upon completion of the new contract, more than 90 per cent of the people in the area proposed to be served by this

**HORSERADISH WITH HAM**

Horseradish sauce is delicious with cold ham; to make it, whip a half cup of cream and add a quarter cup of drained, prepared horseradish to it along with a half cup of creamed cottage cheese, a half tablespoon of vinegar and a quarter teaspoon of salt.

Cooperative will have service.

"We're going ahead with plans to serve the greatest possible number of rural people in our area. We operate on an area coverage basis—in other words, we hope eventually to bring service to every rural resident who wants electricity instead of only to those in our more thickly settled communities," he said.

"In addition," Seigler went on, "we recognize our obligation to provide service which is adequate to our expanding needs. We have rebuilt our living arrangements and our farm production around electricity, and it must be provided continuously and in ample amounts."

The rural electrification act requires that REA loans be repaid over a maximum 35 year period and carry 2 percent interest. The cooperative received approval of its new \$285,000 loan only after REA had completed a thorough study of the application, which indicated that the coop will be able to build new lines, a headquarters building and have adequate revenue from consumers' power bills to meet operating expenses and repay, with interest, all money borrowed from REA for its rural power facilities. Rates charged consumers by the coop are based on actual cost of service.

Since the Deaf Smith County Electric Cooperative, Inc. was organized in 1937, it has received \$2,577,000 in loan fund allocation from REA. The coop is meeting payments on schedule and has paid REA a total of \$353,699.26 in principal and interest on its loans, Seigler concluded.

## Questions & Answers Given for Veterans

Q—As the beneficiary of my late husband's NSLI policy, I am at present receiving monthly insurance payments. How should I proceed to collect NSLI dividends on this policy?

A—Since the policy was in force at the time of your husband's death, the NSLI dividend will be

sent to you, his beneficiary, automatically.

Q—My husband, a World War II veteran, died from a nonservice-connected disability. Am I entitled to a pension even though we had been married less than 10 years?

A—Since you were married within 10 years of the official close of World War II, you may be entitled if you meet income provisions, but there must be a record showing that at time of his death, the veteran also had a service-connected disability. However, it is not necessary that death result

uncle may apply, but would not qualify unless he had acted as a parent to the veteran.

## WEATHER PROPHECY

The Bible contains a weather proverb that is as true today as it was 20 centuries ago. "When it is evening ye say, It will be fair weather: for the sky is red. And in the morning it will be foul weather today, for the sky is red and lowering." Moisture and dust in the air makes the sky red. When heated by the morning sun, an updraft follows, heavy clouds form and rain probably will fall. But as nights are cool, moisture and dust settle to the ground.

## Jones Gives Control Of Cotton Insects

Farmers in the Lubbock County sector have been finding quite a few insects in their cotton, Joe Jones, county agent, says.

Every farmer in this area should check his cotton closely for the cotton fleahopper and the thrip. Jones will also check around the county from time to time.

The thrip dwarfs the cotton plant when it is small and the fleahopper feeds on squares causing them to shed when they are about pin point size.

With the short growing season and late cotton, farmers need to set first squares because an early crop is usually the one which matures; it also opens better. Jones explains.

In checking for the fleahopper, farmers should look on the terminal three inches of the plant.

Dusting has been used in the past for control of cotton insects, but this year spraying is also recommended. For any further information on insect control, farmers should contact the county agent's office at the Farmer County Courthouse, Jones states.

## Prarie Dogs to be Killed in This Area

A rodent control man from Lubbock will be in Farwell-Texico some time in July or August to kill out the prairie dogs, Joe Jones, county agent, says.

E. G. Pope, Mammal Control Supervisor of Lubbock, said in a letter to Jones: "I'll suggest that you get a list of everyone that wants this done, so that when the man arrives, he can go to work."

Everyone who wants prairie dogs exterminated should contact the county agent's office in the next two weeks, Jones said. They may either come by the office or write a card but they must remember to give the location of their place.

When the rodent control man arrives, an attempt will be made to get around to the home of anyone who wants prairie dogs killed, Jones states.

## Need One Teacher; Staff of 14 Planned

Bovina schools lack one teacher for the coming year's faculty list, said Supt. W. H. Willoughby this week. Willoughby said the school had received the resignation of Mrs. J. T. Hammonds, and had secured no replacement for her.

The superintendent said a 14-member faculty is planned for the coming term, adding that 13 were on hand last year. Six to eight of these teachers are used in high school, Supt. Willoughby said, explaining that there was some overlapping between the grade and high schools.

Mr. and Mrs. Arlin Lovelace of Albuquerque visited his mother, Mrs. Willie Lovelace, over the weekend.

**HEMINGWAYS AT EASE . . . Author Ernest Hemingway and wife chat in Havana with Colonel Taylor Williams (left) of the Ketchum, Idaho, Rod and Gun club. The Caribbean area has been the locale of some of Hemingway's writings. Williams was the winner of one of the trophies for the largest fish caught (100 pounds) in the first international sailfish tournament held in Cuba. Florida and Idaho sportsmen took part in the tournament.**

## Floors Refinished In Texico Schools

Workmen have completed the sanding and refinishing of the floors in all the rooms and the auditorium of Texico High School, Agrie Jones, superintendent, says.

Work on the floors in part of the grade school unit has been completed also, Jones points out. Work on the floors was begun about three weeks ago.

Windows will be repaired and sashes will be put on some of them this week, Jones states.

## Lazbuddie FHA Has Open House Friday

The Lazbuddie Chapter of the Future Homemakers of America will have open house Friday, June 30 from 8 to 10 p. m. in the home economics building of the Lazbuddie High School, Reta Joy Graef, FHA reporter, announces.

The open house is held to exhibit work done by the chapter girls as individual and group projects. Refreshments will be served and everyone is invited to attend, Miss Graef reports.

Mr. and Mrs. Keith Levy are visiting in the home of Mrs. Levy's mother, Mrs. J. D. Thomas of Farwell.

Ella Bradshaw and Pete Booth are new employees in the County Clerk's office at the Courthouse.

## Auxiliary Making Furniture Covers

The American Legion Auxiliary of Texico-Farwell is making slip covers for furniture in the recreation room of the Veterans' Hospital in Amarillo.

Mrs. John Getz, president of the auxiliary, has obtained the material to be used, also the patterns and instructions. The slip covers have already been cut out, they have only to be sewed and finished, she said.

"If anyone is interested in helping with this project, they should contact Mrs. Getz," Mrs. John Porter, reporter, says.

O. C. Sikes left Wednesday for a Ford Dealers meeting held all day, June 22, in Albuquerque.

Darlene Sprawls left Tuesday afternoon to visit Nancy Cliff in Sweetwater.

## PASTURE NEEDS A REST

Pasture plants need a rest period to regain their vigor and to allow them to produce a seed crop. Correctly planned programs of deferred grazing will give them this needed rest period.

## Oklahoma Lane Society Notes

By MRS. TURNER PAINE

Mr. and Mrs. G. H. Lindop were called to Sedona, Ariz., Saturday morning by the illness of Mrs. Lindop's mother, Mrs. T. W. Roberts. Mrs. Roberts formerly made her home here with the Lindops.

Mr. and Mrs. E. G. Snodgrass and Mrs. A. K. Snodgrass joined the Oklahoma Lane Methodists by letter Sunday. They come here from Valley Chapel to make their home. The community welcomes them.

Mrs. Leon Grissom also joined the Methodist Church by letter.

Joy Berry, little daughter of the Alton Berries, spent last week in Canyon visiting her grandparents, Mr. and Mrs. E. A. Berry.

Visitors in the D. K. Lindop home this week were Mr. and Mrs. Ed Akin and children of Amarillo, and Mrs. L. H. Cooper of Clovis. Jeanette Linzap spent Monday night with Linda Kay.

Mr. and Mrs. E. W. McGuire and Mr. and Mrs. Clyde Perkins motored to Levelland Sunday to visit Mr. and Mrs. Jimmy Nunley. Mrs. Nunley is known here as "Dora Dean."

Brother Charles Saddler of Dallas visited Earl Roberts Wednesday and Thursday.

A few scattered fields of wheat are being cut here this week. Earl and Loyd Routen are harvesting their irrigated wheat and Charlie Thompson has a pretty fair field of summer-fallowed wheat.

Alex Bateman attended business in the community this week.

Mr. and Mrs. J. W. Herington have returned from Frederick, Okla., with a load of winter seed barley they purchased for Fred Kepley.

Jo Veta Billingsley is spending two weeks in Canyon with her sister, Margaret.

Mr. and Mrs. Bruce Deavors and children of Clovis were visitors in the home of Mrs. Deavors' aunt and uncle, Mr. and Mrs. Bill Hanna, Sunday.

Mr. and Mrs. Tom Lindop spent Sunday with Mr. and Mrs. Alton Berry. Mr. and Mrs. Jim Billingsley were also afternoon guests.

Alpha Doshier, Jackie and Tuck are leaving for a fishing trip at Conchas Lake this week.

Mr. and Mrs. Guy Tandy and two children have been recent guests in the A. L. Tandy home.

Earl Roberts made a business trip to Friona Saturday to contact Bro. Tidwell in reference to intermediate encampment at Ceta Canyon. Earl

will attend as a counselor.

Mr. and Mrs. Turner Paine and children, Mrs. J. W. Bradshaw and Wayne, Mr. and Mrs. Stafford Bradshaw, Glennon, Linda, and Scotty Hanna, attended a reunion at the Fred Paine home in Bovina Sunday. Out-of-town guests came from Tulsa, Dimmitt, and Plainview.

Mr. and Mrs. J. R. Turlington of Clovis visited the Ed McGuire's Friday night and accompanied them to the chicken fry held at the L. M. Grissom home. The fry was for members of the "Variety Club" and their guests.

Mr. and Mrs. Earl Billingsley and Darwin spent Sunday with Mr. and Mrs. Leon Billingsley and family.

Prather Shelley, Mr. and Mrs. Doyn Merriman and Dale are spending a few days in Plainview assisting Bryan Smith in the remodeling of his grocery store.

Mrs. A. T. Hough, Mrs. George Brown of Rio Hondo, Texas, and Mr. and Mrs. Paul Myer of Mountaintair, N. M., visited in the J. D. Lewis home enroute to Rio Hondo. Mrs. Hough is an aunt of Lewis.

Visitors in the Lewis Caillouet home in Texico are his brothers, Herbert and Herman, and their mother from Greenville, Miss.

Jane Claire Overstreet entertained some of her friends with a weiner roast in the back yard of her home in Farwell Friday evening.

Jane Claire Overstreet left Tuesday for Snyder to visit Joan Cockrell, who was her roommate when she attended Hockaday.

Mr. and Mrs. D. Smoot and Mr. and Mrs. Warner Smoot and son visited in the home of Mr. and Mrs. Les Means in Texico Wednesday.

Mrs. Ed Orr of Moberly, Mo., is visiting her daughter, Mrs. John Aldridge in Farwell. Mrs. Orr has been ill and is resting at the Aldridge home.

Mrs. Odis Floyd and children of Bovina visited in the Les Means home Tuesday afternoon.

Mr. and Mrs. O. C. Sikes were in Albuquerque on business over the weekend.

John Porter was in Amarillo Tuesday on business.

# Social Events of Interest

## Sunday School Classes Hold Joint Meeting

The Ruth Sunday School class and the Golden Circle Sunday school class of the Texico-Farwell Baptist church, held their regular quarterly joint meeting, Monday night, June 26 in the undercroft of the church.

After the meeting had been called to order, group singing was enjoyed, after which an impressive missionary program was presented.

The program was opened by Mrs. Clyde Magness who gave a devotional talk on the promise of Christ, "I will never leave thee, nor forsake thee". Following this inspirational talk, Miss Evelyn Brown, then gave a report on her trip to Ridge Craft, North Carolina, where she was in attendance at the annual week encampment of the Baptist Young people.

Mrs. Travis Brown presented the group with an article, "My Neighbor and I", followed by a report of a Baptist Missionary girl who is preparing for missionary work in Italy. "One-hundred Years of Baptist Work in Nigeria, Africa", was then discussed by Mrs. John Lockhart, who was followed by Mrs. D. J. Brown with an interesting talk.

The closing speaker for the evening meeting was Mrs. Luther Moss, who gave a very challenging talk on "Are We Failing Our Missionaries". Following the challenge, the meeting was closed with a prayer.

The group enjoyed a social hour following the devotional program, as lovely refreshments were served by Mrs. Steryln Billington, Mrs. Olan Schleuter and Mrs. Raymond Martin.

## Young Women Have Visiting Party On Tuesday Evening

Young women of the Companion Sunday School Class of the Baptist church conducted a visitation campaign Tuesday evening, Mrs. T. E. Roth, member of the class, says.

"The visits proved successful and the class hopes to have more visiting parties in the future," Mrs. Roth states.

Members of the party were: Peggy Schlueter, Mrs. Erma Stone, Mrs. Aileen Pearce, Grace McDaniel, Mrs. T. E. Roth, and Dorothy Cassidy. Miss Schlueter served refreshments to the group at her home.

Mr. and Mrs. Wilbur Charles of Bovina visited in the E. W. Bridges home Sunday.

Marilyn Anderson left Saturday for Galveston to visit with her sister who is hospitalized there.

The Walter Hadleys spent the week in the home of his parents, J. R. Hadley, out of Texico.

Mrs. Belva Bandy of Tucumcari spent the weekend with her parents, Mr. and Mrs. F. J. Park of Farwell.

The Donald Rolands spent Sunday out from Friona with the Fred Barkers.

## Larita Rae Gibbs Honored With Party

Mrs. Claud Rose honored her niece, Larita Rae Gibbs, with a get-acquainted party, in the game room of the Rose home Monday night.

Miss Gibbs, who has been visiting the Rose family for the past week, is from Rush Springs, Okla.

Those attending the party were: Jane Claire Overstreet, Mary Belle and Nancy Aldridge, Arlene Kay Sprawls, Gloria Jean Sanders, Jerry and Rex Pool, Harold Doshier, Teddy Frank Gully, Claud Rose, Jr., Orlin Smith, and the honoree, Miss Gibbs.

Mary Belle Aldridge and Teddy Frank Gully received prizes for skill in games.

Refreshments of ice cream with strawberries, cookies and punch were served.

Miss Gibbs and Claud Rose, Jr. left Tuesday morning for Rush Springs. Claud will remain there for a visit.

## Methodist Junior Choir Meets At Church

The Methodist Junior Choir meets tonight (Wednesday) at 7:30 at the church, Rev. Murphy Duncan, pastor, says.

"Attendance so far has been good. There were sixteen members present at the last meeting," Rev. Duncan states.

The choir has been divided into two groups, with Jerry Pool as chairman of one section and Darlene Sprawls as head of the other. The two divisions will have a membership contest. The group which has the most members at a designated time will be treated to a party by the losers.

Jean Rogers is choir director, and Mrs. Glenn Phillips is pianist.

Refreshments will be served at tonight's meeting. Rev. Duncan invites all young people to attend.

## MYF and Junior Choir Hold Swimming Party

Mr. and Mrs. Glenn Phillips sponsored a swimming party for the Methodist Youth Fellowship and the Junior Choir at Hillcrest swimming pool in Clovis Saturday evening.

Those who attended included Don, Jerry, and Rex Pool, Darlene Kay Sprawls, Nancy and Mary Aldridge, Jane Claire Overstreet, Donald Joe Pipkin, Jean Rogers, Mildred Moore, George Duncan, T. W. Parton, Willie Joe Carpenter, John Christian, Billy Don Crume, Mary Joyce Rolland, Pete Hughes, and Oneta McMath.

After swimming, the group ate a picnic lunch in the park.

## To Mountains

Mr. and Mrs. Joe Crume and family plan to leave here Friday for Evergreen Valley northwest of Las Vegas, N. M. where they will spend a few days, including the Fourth, enjoying a brief summer outing. They plan to return home Tuesday night of next week.

## Oklahoma Lane Variety Club Entertains

The Variety Club of Oklahoma Lane entertained their families with a chicken fry at the home of Mr. and Mrs. L. M. Grissom, Friday evening, June 23.

Some 25 chickens were deliciously fried over a furnace in the backyard. There were served potato chips, tomatoes, salad, pickles, bread, gravy, cookies, and punch to complete a real feast.

Attending were Mr. and Mrs. Edd McGuire and their guests, Mr. and Mrs. J. R. Teedington of Clovis; Mr. and Mrs. C. C. Christian and family; Mr. and Mrs. W. E. Verner and family; Mr. and Mrs. John Mat, Mr. and Mrs. John Ginnings and Monte; Mr. and Mrs. Clyde Perkins, Mr. and Mrs. Jack Roach; Mr. and Mrs. Sam Sides and Freddie, Rev. and Mrs. A. D. Moore.

Mr. and Mrs. G. T. Watkins, Mr. and Mrs. Scotty Barry, Mr. and Mrs. J. R. Caldwell, Mr. and Mrs. Leon Grissom and son, Mr. and Mrs. Wendol Christian and family, and the host and hostess, Mr. and Mrs. L. M. Grissom and family.

The president of the club, Mrs. Verner, called a short business meeting after the feed. It was decided to eliminate the meeting in July since it would conflict with the community picnic July 4.

Therefore, the next meeting will be August 1 in the home of Mr. and Mrs. McGuire. Members are asked to bring thimbles.

## MYF Installs Officers In Candlelight Service

Jerry Pool was installed as the new president of the Methodist Youth Fellowship at the Texico-Farwell Methodist Church in a candlelight installation service Sunday night. Rev. Murphy Duncan was installing officer.

Other officers installed were Pete Hughes, vice-president; Mary Joyce Rolland, secretary-treasurer; Beth Sharp, chairman of worship program; T. W. Parton, chairman of world friendship committee; Oneta McMath, community service chairman; and Mary Belle Aldridge, chairman of the recreation committee.

## Visiting Thorntons

Visiting in the home of Mr. and Mrs. J. R. Thornton in Farwell this week are Mrs. Edna Kelley, her daughter-in-law, Mrs. J. P. Kelley and daughter, Nancy. Mrs. Edna Kelley is a sister of Mrs. Thornton. While here, the visitors, who are from Houston, visited Monday in the home of Mr. and Mrs. Wilfred Quickel where they were entertained with a dinner. They left Tuesday.

## Son Is Born

Mr. and Mrs. Loyde Brewer of Farwell are the parents of a son, born June 26 in the Parmer County Community Hospital in Friona. The 7-pound baby has been named Galen Ray. According to reports, both the mother and son are doing nicely.

## Miss Rauh Is Bride Of Bob J. White, Friday

Miss Charlene Rauh, daughter of Mr. and Mrs. Charlie Rauh of Friona, became the bride of Bob J. White, son of Mr. and Mrs. S. G. White of Muleshoe, Friday afternoon, June 23.

The ceremony was performed in the home of Rev. and Mrs. O. O. Holladay in Texico, with Rev. Holladay reading the reading vows for the double ring ceremony.

The bride was lovely in a street-length dress of pale blue net, complemented with white accessories. She was given in marriage by her cousin, A. R. McCutchan of Bovina.

Immediately following the ceremony the couple left for a honeymoon trip to points in New Mexico after which they will be at home in Muleshoe. Mr. Rauh is employed there.

## Visit in Vinyard Home

Mr. and Mrs. Leon Brandenburg and sons of Duncanville, Texas, visited in the W. W. Vinyard home the latter part of the week. The Brandenbergs and Mrs. Moore, a sister of Mr. Vinyard, also of Duncanville, who had been visiting the Vinyards, returned home together.

## Visit In Lubbock

Mr. and Mrs. Clyde Magness and Mr. and Mrs. Bill Banks visited in Lubbock Sunday afternoon with Mrs. Charles Bowman, who has been ill. Mrs. Banks, who had been visiting in Lamesa for a week, met the group in Lubbock and returned home with them.

## Celebrate Anniversary

Mr. and Mrs. Les Means visited in San Jon over the weekend with the H. C. Greens. They celebrated their 20th wedding anniversary and the Greens celebrated their 21st anniversary.

## WSCS Meets Thursday

WSCS of the Methodist Church will meet Thursday, at 4 p.m. at the T. W. Atchley home.

A regular business meeting will be conducted.

LaRue Gilkeyson, L. B. Garvin, Stanley Price, Mary Tom Bomar, and Don Burson, all of Silvertown, visited Jeanne Dudley Sunday.

Mr. and Mrs. R. C. Avery of Amarillo visited in the R. T. Monroe home over the weekend.

Ross R. Stuard, agricultural instructor at Lazbuddie, is in Ft. Worth attending a school held by Swift & Company.

Mr. and Mrs. R. T. Monroe spent the weekend at Palo Duro Canyon and Buffalo Lake near Amarillo.

Mr. and Mrs. R. T. Monroe and son are visiting Mr. and Mrs. Felix Monroe in Bowie, Texas.

Mrs. Johnny O'Neal from Lubbock visited Mrs. Sam Aldridge last week.

Mr. and Mrs. A. R. Batemen and family visited relatives in Lubbock over the weekend.

Mrs. Charlie Shaw and children visited Mr. Shaw in San Jon, N. M. over the weekend.

## Daughters Of Ruth Class Holds Meeting

The Daughters of Ruth Sunday School class of the Texico-Farwell Baptist Church held its regular monthly meeting Tuesday night, June 27, in the home of Miss Patsy Doshier.

A program based on the 4th of July was presented by various members of the class, and the decorations also were based on this motif.

During the business session new class officers were elected. They are: President, Patsy Doshier; vice-president, Violet Curry; secretary, Jo Beth Engram; class mistress, Peggy Donahey; group captains, Carmen Roth and Irene Hardage.

Those present for the meeting include Irene Hardage, Jo Beth Engram, Peggy Donahey, Carmen and Coeta Roth, class sponsor, Mrs. Dickie Magness, and the hostess and her mother, Miss Patsy Doshier and Mrs. Doshier.

## Here From California

Mrs. Jacks and children of Bakersfield, Calif., spent Monday night visiting in the home of Mr. and Mrs. J. E. Stone. They were enroute to Quitaque, Texas, where they will visit with Mrs. Jacks' father-in-law who is ill. From there they will proceed to Oklahoma where she will visit with her parents before returning home. Mrs. Jacks and Mrs. Stone are sister-in-laws.

Mrs. A. E. Hawkins and son of Clovis and Mr. and Mrs. H. H. Potter of Muleshoe visited Mrs. Jess Newton Saturday night. Mrs. Hawkins and Potter are daughters of Mrs. Newton.

H. B. Whitley and Ann are going to Pilot Point, Texas, to visit his mother who is celebrating her 89th birthday.

Mr. and Mrs. John Graham, Kent, and Denny, of Lubbock, visited in the B. N. Graham home Friday night.

Mrs. Orville London of Amarillo visited her mother, Mrs. Jess Newton, over the weekend.

Mr. and Mrs. C. R. Austin and daughter, Elaine, of Mankato, Minn., visited in the home of Mr. and Mrs. B. N. Graham the first of this week. Mr. Austin is a brother of Mrs. Graham.

Mr. and Mrs. Thomas H. Lindsey of Dallas arrived Monday to visit Mrs. Lindsey's parents, Mr. and Mrs. E. F. Lokey. They plan to remain for a week.

Mrs. L. S. Pool's parents, Mr. and Mrs. L. S. Simpson, and her brother and his family, James Simpson and daughters, all of Tulia, visited in the Pool home in Farwell Sunday.

Joe Jones, Parmer County agent, left Monday for Lubbock, where he will attend an irrigated pasture school.

## For Your Picnic

# Former Farwell FFA Chapter Member Tries New Seed Variety, Gets Results

By **SONNY GRAHAM**  
Tribune Staff Writer

No, farmers have generally agreed, this year just isn't a very profitable one for the wheat boys. "A miss," was the way one prominent Farwell wheat raiser termed it.

By and large this may be true, but evidence has been uncovered that should make area farmers who are turning under crop failures sit up and take notice. O. C. Thompson and his son, Dan, are trying out a seed variety that is a newcomer to this region, and are reaping 38-bushel-to-the-acre results with it.

This was the yield from the lighter of two fields. The other, which was too green to cut before presstime, is expected to top 40 bushels.

The new wheat is called Canadian Point Five, and is not generally available in this territory. The Thompsons obtained their seed from the late J. J. Hahn of Muleshoe after he had returned from a harvesting season sweep of the northern part of the continent.

**Six Acres for Seed**  
This batch of seed, being only a small amount, was sowed to six acres of irrigated land on the Thompson farm. Thompson and Dan explained that they used this meager six-acre harvest to seed larger fields later. That was two years ago.

This year, they have 39 acres of irrigated wheat, but only 16 of it is Canadian Point Five. These acres stand head and shoulders above the surrounding field, which is seeded to a bearded variety of wheat. The new variety is beardless.

Dan, who formerly was a member of the Farwell FFA chapter, said this year's patch was planted "about October 5" on land that had received no special preparation. The father-and-son team harvested their wheat last week, so this would give the new variety a growing season comparable to other more common varieties in this area.

Hairy vetch, a legume, volunteered along with the wheat, Dan explained, and may have helped its growth, as it added nitrogen to the soil. The vetch did not interfere with harvesting operations, however. It matured about the same time as the wheat, and the two were harvested simultaneously.

Naturally, the vetch seed will have to be separated from the wheat, but Dan replied that this was no longer a problem.

**Watered Three Times**  
The 16-acre plot was watered three times this year, he said. Dan explained that this season had been an exceedingly dry one. Last year, because of natural rainfall, the wheat was watered only twice. A field of 40 acres yielded 35 bushels, he said.

The new variety appears to be well adapted to irrigation farming, judging from results on the Thomp-

**THOMPSONS MAKE GOOD WITH NEW VARIETY**—Proving that experimentation may bring a change for the better, O. C. Thompson and son, Dan, stand deep in their 38-bushel-per-acre field with Robert L. Morton, Farwell FFA adviser. Dan is a former FFA protege of Morton's, and owns the healthy field 50-50 with his father. The Thompson farm is located 4 1/2 miles south of Lariat.

son farm. How well would it be suited to dry-land practice—which, after all, represents a major portion of this area's methods?

The Thompsons answered the query with a reference to J. C. Howard of Clovis, who had just moved in to the Thompson farm to begin cutting.

He was using two 14-foot self-propelled Massey Harris machines. Howard, who had also tried the new variety on his farm near Clovis, stated that Canadian Point Five seed was the best dry-land variety he had ever used. He has about 400 acres of the wheat on non-irrigated land this season, and intends to begin harvesting soon.

**Best Wheat Harvested**  
Howard also pointed out that the Thompsons' wheat was the best he had cut this season. The Clovis farmer had been doing extensive harvesting with his two machines near the Thompson farm.

Although a 40-bushel yield is not abnormally high for irrigated wheat, farmers of this section had trouble making that type crop this year.

Six to ten bushels was about all most dry-land farmers were able to do, and land under irrigation was crowding 30-bushel yields as a maximum. Much of the irrigated wheat had received high estimates, but yield was disappointingly low when the harvest was in.

Thompson said the field was relatively undamaged. A very light hail when the crop was young had not injured it extensively, and only a few stalks were laying on the ground. The owners speculated that

wind caused the dry stalks, heavily burdened with a full head of wheat, to collapse.

**Milling Quality High**  
How about milling quality? The partners replied that their last year crop had been sampled and tested by an improvement association in Lubbock. It tested 94 percent milling quality, they said.

The 39-acre patch is the maximum allowed under existing government restrictions, Dan explained, adding they would grow more wheat if it were permissible.

It's been a mighty poor year for most wheat farmers. Few will disagree with this statement, but farmers like the Thompsons prove that to every cloud there is a silver lining.

**CHINESE FEET**  
China became an important market for leather-soled shoes after the Empress Dowager Tzu Hsi outlawed the ancient practice of binding women's feet to keep them tiny.

# Just An Idea In 1944:

## Parmer County Community Hospital Is Busy Place Today

By JEANNE DUDLEY  
Tribune Staff Writer

Back in August of 1944, one woman had an idea and in April of 1947, the Parmer County Community Hospital, in Friona, opened its doors to the public as the first hospital ever in operation in this county. To date, the dream of Mrs. H. H. Elmore, of Friona, is still the county's only hospital, and with good equipment, and a skilled, efficient staff, is doing a king-size job of handling medical patients of the area.

When Mrs. Elmore conceived the ideal of a county hospital, she first talked to a friend, J. L. Shaffer, and Shaffer in turn carried the idea to others, with the result that a meeting attended by some 10 or 15 interested persons was held in Friona, at which time a temporary board to promote the idea of a community hospital was named.

Heading the board of directors was Joe Poindexter, assisted by Shaffer, Pete Buske, Sloan Osborn, and Frank Spring.

Details of operation of the proposed Parmer County Hospital were explained in a meeting in Farwell on December 13, 1945.

The question of finances was the next problem. That was to be worked out by selling memberships to individuals or families, and a goal of 500 memberships was set. At the same time, board members began making contacts to see what they could secure in the way of surplus Army buildings and equipment, as admitted, it looked well-nigh impossible to jump out and take over such a project literally from the ground up.

And so, in the fall of the year following the inception of the idea, two barracks buildings from the deactivated Prisoner of War Camp at Hereford, one of them the actual hospital from the grounds, was moved onto foundations run in the northern part of Friona. Afterward the current lobby and bed-wing of the hospital, along with the kitchen, was added to complete the plant.

Shaffer, reviewing the project, stated that at the time the hospital got underway, actual indebtedness ran around \$17,000 to \$18,000—and the current debt has been cut to \$8,950, with the hospital plant now invoiced at around \$64,000. "Our actual invoice might be higher, if you consider the fact that the hospital owns a little over nine acres of land within the city limits of Friona, a good deal of which is used for parking space, but which could be cut into lots and sold," Shaffer added.

The well-kept T-shaped building is surrounded by a large area of grass, with sidewalks leading to the main entrance. The most recent improvement was the connecting of the hospital outlets with city sewage.

### Spring Heads Hospital

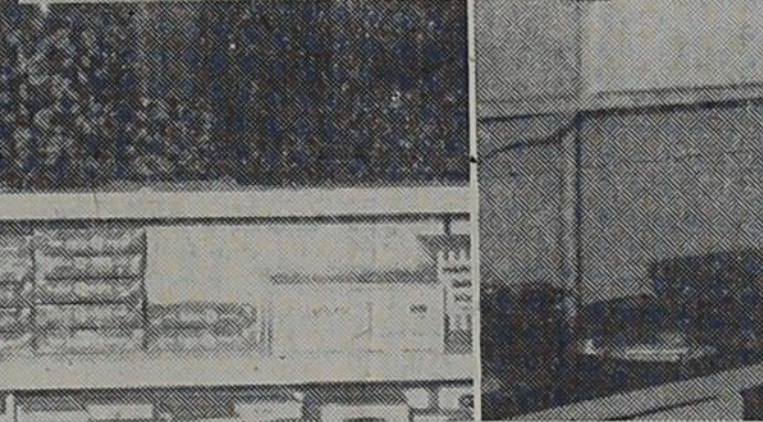

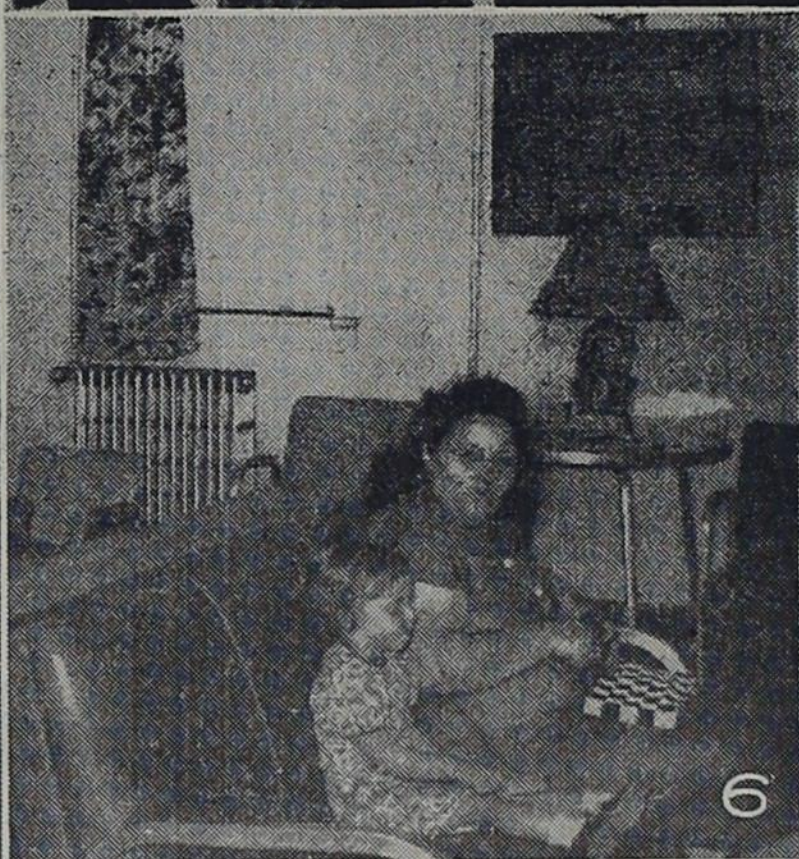

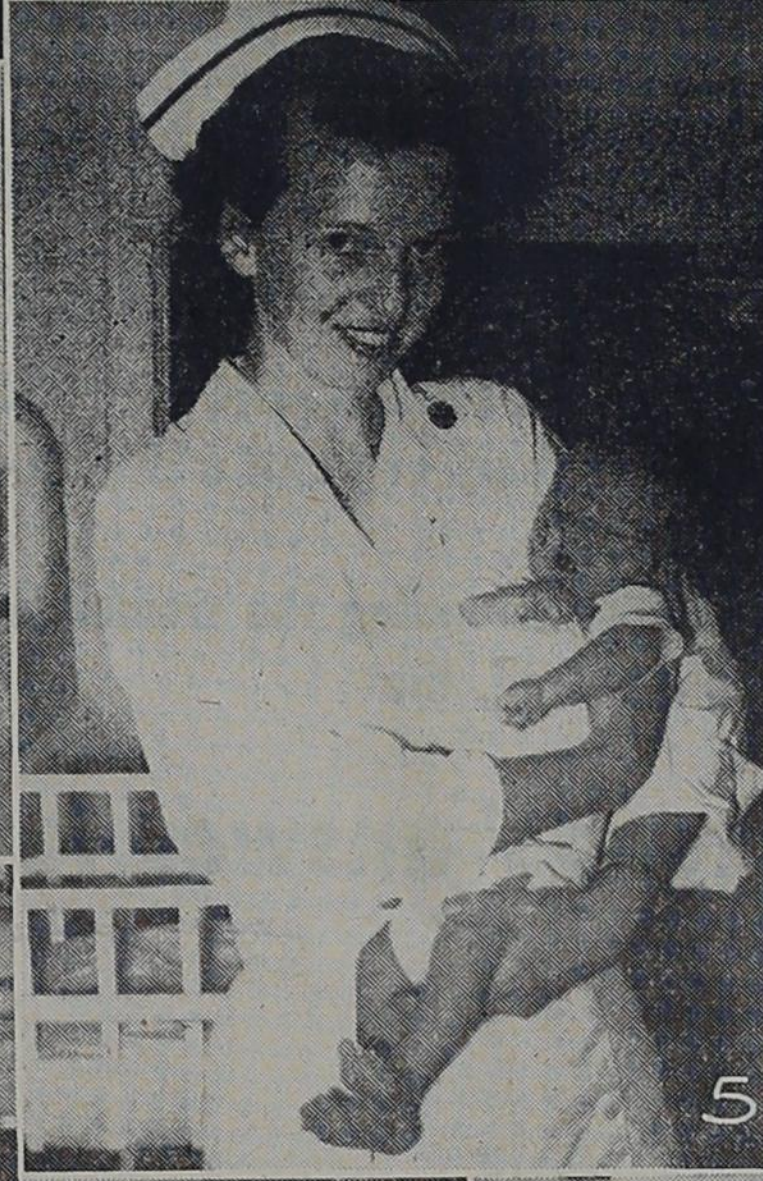

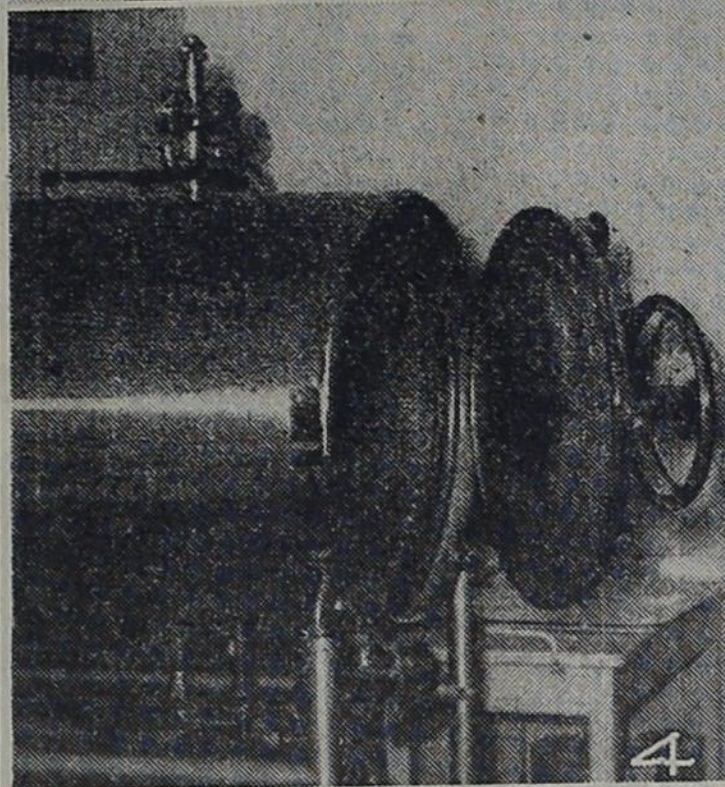

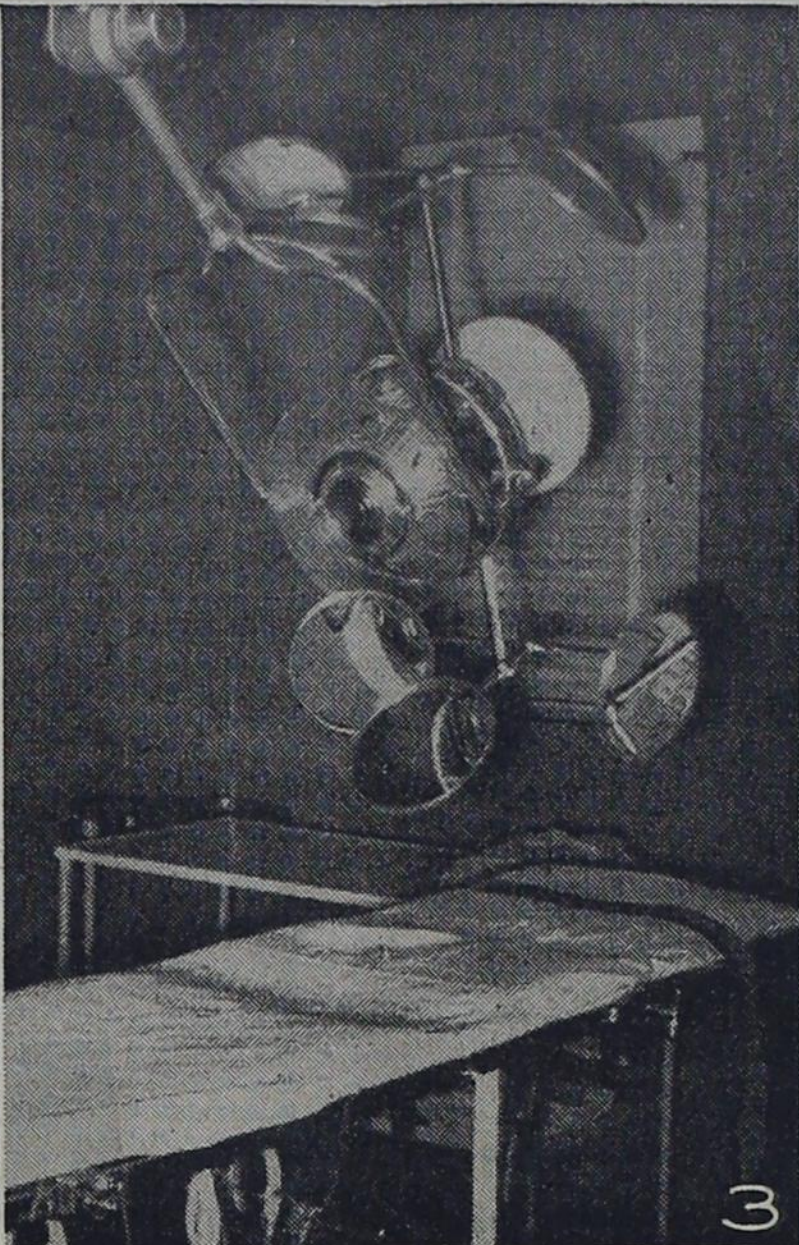

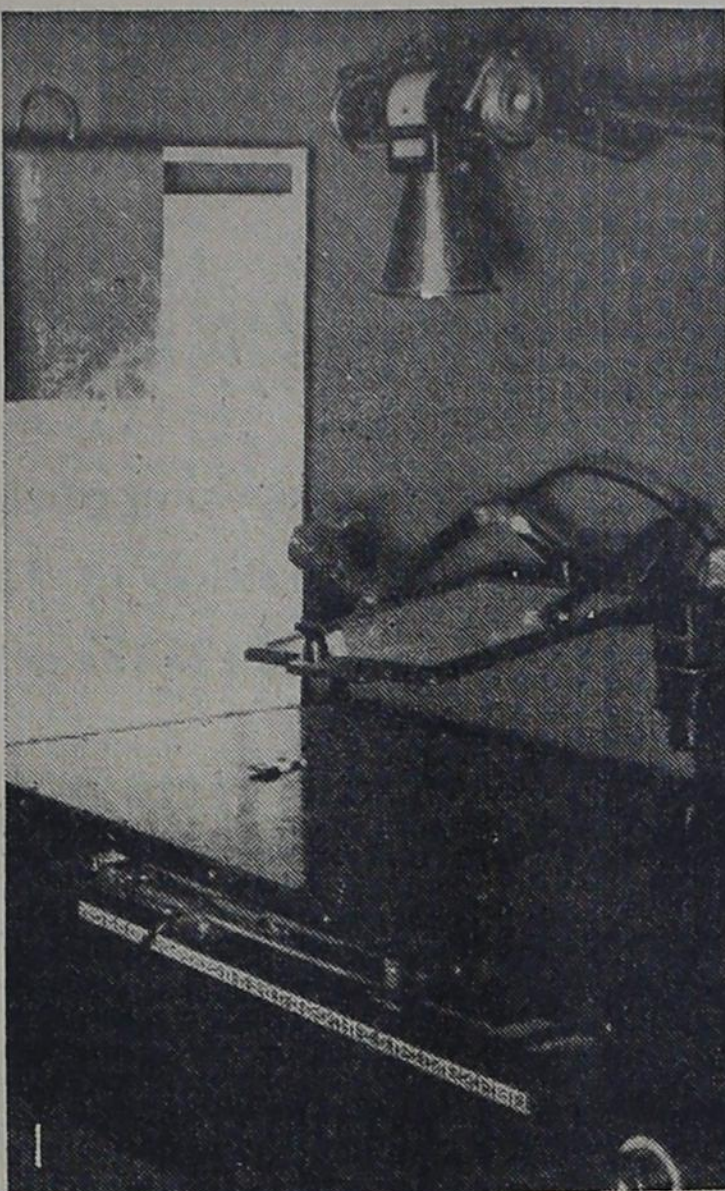

Head of the bustling hospital today is genial Dr. Paul Spring, a Friona product, the son of Mr. and Mrs. F. L. Spring. On the medical books, he may be known as "Dr. Spring", but to his patients, most of whom went to school with him or knew him as the kid who used to work in the City Drug Store, he is "Dr. Paul" or even more simply "Paul."

Even before he was graduated from the Friona high school, Dr. Paul was interested in the line of work which he has made a profession, working at the City Drug as a "soda jerk" and apprentice in general around the establishment. Texas Technological College was his first choice as a stepping stone to the medical profession, from which he received his degree in 1941, and in 1944 the young Friona doctor was with the graduates of Southwestern Medical College at Dallas.

Internship came at the University Hospital in Little Rock, Arkansas, after which he served in the Army in Japan and Korea, holding the rank of Captain. His final residency came at St. Ritas Hospital in Lima, Mo., and on May 16, 1949 he became a member of the Friona Hospital staff.

Dr. Paul, while completing his work as a general "M. D." also received special training in pediatrics, and his office reveals the fact that it is kids to whom he is devoted. The most unusual toys charm the reluctant small fry into remaining still, and the soft-spoken doctor has yet to come home from a trip out of town without something to add to his collection to entertain the youngsters. For a special treat, he keeps at all times, a desk drawer full of vari-colored suckers which he dispenses at the conclusion of the visit.

Pride and joy of Dr. Paul is his pediatrics table, which was added shortly after he took up his work at the hospital. This handsome appearing table is completely adequate for small children, on which they may be examined, weighed and measured, all without being moved. In fact, the doctor grins, "It does everything

(1.) Equipment in the lead-walled X-ray room of the hospital; (2.) Dr. Paul Spring examines one-month-old Judy Collins, daughter of Mr. and Mrs. Dean Collins; (3.) Elaborate lighting system predominates in the sterile operating room; (4.) The autoclave, recently purchased, used for sterilizing equipment and gauze, located in the delivery

room; (5.) Mrs. William Landrum poses with three-day-old Walter Dan Carlton, son of Mr. and Mrs. Aubrey Lee Carlton; (6.) Patients in the comfortable lounge of the hospital; (7.) Busy manager Ralph Roden answers the phone in the hospital pharmacy; (8.) Zayde Blakemore and Mrs. Rita Agee prepare a meal in the well-equipped kitchen.

Tribune Staff Photos

but tell you why they cry at a doctor's office."

The hospital has air conditioning in the pharmacy and refrigerated air in the operating room, the X-ray room, and the pharmacy, all of which is a part of the former PW hospital and was air conditioned when it was assigned to the Friona project. The bed-wing of the hospital is not air-conditioned, although some consideration has been given the idea, while the clinic offices of Dr. Paul are equipped with a rotary-type conditioner.

The majority of the technical equipment for the project came from the Cactus Ordnance Plant when it was de-activated. Equipment not acquired then has been added gradually as the hospital grew.

An autoclave for sterilizing surgical instruments is featured in the operating department, along with a resuscitator for emergency needs, and two oxygen tanks are on hand, one of which was added only recently. The resuscitator, incidentally, came through virtue of donations by interested citizens, and other equipment about the hospital has also been acquired in this manner.

The X-ray unit is one of the prides of the hospital, with all walls in the room being lined in lead to prevent escapement of the radiation rays. The room, Ralph Roden, manager, explained, came "as is" so far as the protective covering is concerned, and current value of the unit and equipment is estimated at around \$2500 to \$3000. The X-ray table, one of the most elaborate of its kind, came from the Cactus Ordnance plant.

First hospital manager, when a

temporary office building was established upstairs in the old Friona State Bank building, down town, was Lora Mae McFarland; then after the hospital was actually a reality, J. R. Roden, Friona druggist, took over and established the pharmacy, doing the prescription work himself. Roden was followed by Mr. Tyler, Alice Moore, Leo McLellan and finally by Ralph Roden, who joined the hospital to be the pharmacist and found himself advanced later to manager, which position he currently holds. Rex Tynes, of Hereford, is now in charge of the hospital pharmacy.

### Considered 25-Bed Hospital

Friona Community hospital is considered a 25-bed hospital. It has six private rooms, three wards including the O. B. Ward and a nursery. The rooms represent hard work and a civic obligation; most of them were furnished by private citizens, clubs, or civic minded groups. One room was furnished by M. C. Osborn, Jr., and another by Mrs. Charles Schlenke in memory of her husband. The Lazbuddy club was another donor.

Each private room is furnished with a bed, dresser, straight chair, and a lounge chair. One of the rooms has all olive green furniture, complete with regular hospital bed.

The neat spacious waiting room was possible through the generosity of several Friona merchants. It is attractively furnished in chrome and plastic-upholstered furniture, and complete with central tables on which a wide variety of reading material is constantly available through contributions.

Five registered nurses are members of the hospital staff and two "RN's" are on emergency call. Regular nurses include: June Plezewski, Dorothy Kelley, Dorothy and Elenor Scheuler and Carol Fallwell. The Scheulers are local girls who returned to Friona after they finished their training. Mrs. William Landrum and Gladys Wilson, both holding RN ratings, are available on call, it was explained.

A registered nurse is on duty 24 hours a day, if it is at all possible, officials explained, adding that occasionally, "we get caught short." Miss Kelly ordinarily serves as office nurse for Dr. Paul, with Miss Plezewski alternating in this capacity and as surgical nurse.

Nurses aides are Nettie Mae Collier, Thelma Jones, Zayde Blakemore, and Lucy Jones. Margaret Hanson and Hazel Lee Guinn assist as part-time aides.

The hospital kitchen, adequately equipped with labor-saving devices, is in charge of Mrs. G. A. Collier, and Mike Pavalus serves as laboratory technician and handles the X-ray work.

### Laboratory Recognized

The laboratory has been recognized by the Texas State Health department of the state and is approved to handle physical tests now required by the state before marriage licenses can be issued. Lee Spring, Dr. Spring's brother, who just finished two years at University of Texas medical school in Galveston, is assisting Pavalus in the laboratory work during the summer months.

Marvin Gilliland of Gilliland Funeral Home in Hereford has agreed to

provide the hospital with an ambulance. The plan is still in tentative stages; a storage place for the vehicle must be found and a driver is not yet available.

Will W. Jones, janitor, has been with the hospital ever since it opened, having been off duty for a few months. He has also been one of its patients. About a year and a half ago, Will went in to the boiler room from which the hospital is heated by gas-heated steam—he struck his match and landed outside the boiler room door, from which point he was taken to a bed in the hospital for several days while recuperating from burns and shock.

Approximately 465 memberships have been sold, though some of them are inactive. The head of the family pays \$100 for a lifetime membership which entitles him and each member of his family special privileges. Dues for each year are \$16 for the head of the family and \$8 for each additional member. The member patient pays for his medicine and room rent at a reduced rate; the membership fee pays the doctor bill.

Payment of the membership fee makes a member an owner in the hospital and entitles him to one vote in election of directors who manage the corporation. Members elect the directors to carry out their wishes at their regular annual meetings. Members also approve the by-laws which govern the corporation and may amend them by a two-thirds vote.

About 50 percent of the patients treated in the hospital are members, while quite a large number of the patients treated carry health benefit insurance, Manager Roden said.

If a party happens to move out of the county, membership is transferable to another party with payment of a \$10 transfer fee. The new member then must keep the annual dues for the membership paid.

"Parmer County Hospital is not a co-operative hospital, but is a community enterprise," Roden explained.

The hospital averages 60 or 70 patients a month, and usually the doctor will see 30 or 40 patients a week, which includes clinic patients. The highest number of patients ever in the hospital at one time was 26—most of them surgical patients. Approximately 10 babies are born in the hospital a month, however, June must be the month of babies. Dr. Spring says possibly 15 or 16 infants are expected to be born in the hospital this month.

The largest number of babies ever present at one time in the nursery was five—at the beginning of this month. Newcomers who filled the nursery to capacity were: Terry Sue, daughter of Mr. and Mrs. Doyle Cummings; Robert Paul, son of Mr. and Mrs. Tilden Slagle; Jerry Mack, son of Mr. and Mrs. Vernon Tedford; Jamie Joy, daughter of Mr. and Mrs. James Tarpley; and Byron Harlow, son of Mr. and Mrs. George Grant.

First head of the hospital was Dr. R. C. Stokes. He was later joined by Dr. E. D. Anderson, who has now set up practice in Clovis. Dr. H. Hamilton Cooke was the third doctor; he came from California and stayed about a year. The hospital began its current boom while he was there and with the addition of Dr. Spring has been growing ever since. Dr. Cooke left the organization some months ago and is practicing in Hereford.

Dr. William B. Childress helped Dr. Spring in the hospital for a while; he left in June to set up practice in his home town, Floydada.

### Henderson Added to Staff

The latest doctor to be added to the staff is Dr. C. C. Henderson, who arrived last weekend. A graduate of Southwestern university in 1945, he interned in the navy, then practiced in California. He just finished two years residence surgery at the M. D. Anderson Hospital in Houston. After a six months stay in Friona, he plans to go to the Mayo Clinic for further study.

The hospital does not have an anesthetist on duty, for work of this kind, they call Eve Gilliland from Hereford; Bookkeeper is Lillian Mahon from Bovina and Mrs. Charlie Bainum is receptionist.

Teddy William Renner, son of Mr. and Mrs. John W. Renner, of Friona, is probably the youngest appendectomy case the hospital has ever had. Teddy, who will be two years old July 16, had to have an emergency operation Tuesday night. Dr. "Bud" Barnett of Hereford, and also a former Frionan, operated on the young patient.

Probably the most unusual case the hospital has ever treated was in May of this year. Clyde Field, while irrigating, was walking down the road near the field being watered. He noticed "a bright something" partially buried in the dirt of the road and whacked at it with a shovel. It was about the size of a fountain pen, and resembled the core of a dry cell battery.

Field took his pliers to cut off the top, and the object exploded in his face. He was confined to the Parmer County Hospital; where he was treated for the loss of his forefinger, and part of another on his left hand, as well as multiple contusions and cuts about his hands, arms, face and chest. Glass was removed from his left eye, but the eye itself was not seriously injured.

The theory was that the object was a detonator lost by a seismograph crew.

### Hospital To Change Hours

Dr. Spring says that the hospital plans to change hours this week. They have been staying open on Saturday afternoon and closing on Thursday, now doctors will be on duty Thursday and will be available only on call on Saturday.

The current board of directors is: Pete Buske, Sloan Osborn, Jim Shaffer, Floyd Schlenker and A. W. Anthony, Jr. Others who have served along include Johnnie Gammon and Lee Thompson.

Shaffer said that the board is in contact with government officials in Washington concerning possible erecting of a new hospital. There is a bill pending that would make long-term low-interest loans to such community hospitals, and Parmer hopes to be on the ground floor when and if the bill is approved. If it should be okayed, the new hospital should be located directly across from the present plant. A single long wing would serve as the clinic and office buildings, the remainder of the hospital could be added later, utilizing the present building for the meantime.

Fifty-nine of Texas' 254 counties are larger than Rhode Island.

## Parmer Lags Behind In New Bond Drive

Series E savings bonds sales in Parmer County for the National Independence Drive are lagging far behind most Texas counties, according to a sales report received from Gordon C. Brown, director of promotion, in Dallas. The report includes sales for the fourth week. The drives began May 15, and was planned to extend to July 4, Independence Day.

Parmer, assigned a quota of \$22,000, has bought only \$712.50 worth of bonds, being 3.24 percent of its quota. Dawson County is leading Texas sales on a percentage basis, with 257.11 percent from \$41,137.50 worth of sales on its

\$16,000 quota.

Seven counties have registered no sales during the four-week period. These include Borden, Glasscock, Kennedy, King, McMullen, Real, and Somervell.

Compared to surrounding counties Parmer compares unfavorably with exception of one—Oldham County with 1.88 percent. Bailey leads counties in this area with 115.08 percent; Castro, 58.68 percent; and Deaf Smith, 19.86 percent.

Texas county average is 39.30 percent, recording \$9,466,045 sales from a state quota of \$24,088,000.

A postoral tribe near the Red Sea buried its dead by pelting the body with stones until it was covered, according to the Encyclopaedia Britannica.

### LEGAL NOTICE

#### CITATION BY PUBLICATION IN DELINQUENT TAX SUITS THE STATE OF TEXAS COUNTY OF FARMER

In the name and by the authority of the State of Texas.

Benjamin A. Crane, Mrs. Benjamin A. Crane, Jennie M. Pettyjohn and her husband, Mr. Pettyjohn; whose residences are unknown, the heirs and legal representatives of all of the aforesaid parties, deceased, whose name and residence are unknown, and the respective unknown heirs and legal representatives of all the above named parties, defendant, and their heirs and legal representatives, the unknown owner or owners of the hereinafter described property and their heirs and legal representatives, whose names and places of residence are unknown, and any and all other persons, including adverse claimants, owning, or having, or claiming any legal or equitable interest in or lien upon the hereinafter described property delinquent to plaintiff herein for taxes.

YOU ARE HEREBY NOTIFIED that suit has been brought and is now pending in the Honorable District Court, 64th Judicial District Parmer County, Texas, wherein the State of Texas, County of Parmer, and Farwell Consolidated Independent School District is/are plaintiff; City of Farwell is/are implied party defendant; and Benjamin A. Crane, Mrs. Benjamin A. Crane, Jennie M. Pettyjohn and her husband, Mr. Pettyjohn is/are defendants, by the filing by said plaintiff of a petition on the 16th day of June, 1950 and the file number of said suit being No. 1219 and the nature of which is a suit to collect delinquent ad valorem taxes on the following described property, to-wit:

Lots 1 to 3, Block 34, Original Town of Farwell, Parmer County, Texas, together with interest, penalties, costs, charges, and expenses of suit which have accrued, and which may legally accrue thereon.

The amount of taxes due each plaintiff, exclusive of interest, penalties and costs is as follows:

State of Texas	\$7.79
County of Parmer	10.05
Farwell Consolidated	22.58
Independent School District	
<b>TOTAL</b>	<b>\$40.42</b>

The names of all taxing units which assess and collect taxes on said property not made party to this suit are City of Farwell, which is made party plaintiff.

Plaintiff and all other taxing units who may set up their tax claims herein seek recovery of delinquent ad valorem taxes on the property hereinabove described, and in addition to the taxes all interest, penalties, and costs allowed by law thereon up to and including the day of judgment herein, and the establishment and foreclosure of liens, if any, securing the payment of same, as provided by law.

All parties to this suit, including plaintiff, defendants, and intervenors, shall take notice that claims not only for any taxes which were delinquent on said property at the time this suit was filed but all taxes becoming delinquent thereon at any time thereafter up to the day of judgment including all interest, penalties, and costs allowed by law thereon, may, upon request therefor, be recovered herein without further citation or notice to any parties herein, and all said parties shall take notice of and plead and answer to all claims and pleadings now on file and which may hereafter be filed in said cause by all other parties herein, and all of those taxing units above named who may intervene herein and set up their respective tax claims against said property.

You are hereby commanded to appear and defend such suit on the first Monday, after the expiration of forty-two (42) days from and after the date of issuance hereof, the same being the 31st day of July A. D. 1950 (which is the return day of such citation), before the honorable District Court of Parmer County, Texas, to be held at the courthouse thereof, then and there to show cause why judgment shall not be rendered for such taxes, penalties, interest and costs, and condemning said property and ordering foreclosure of the constitutional and statutory tax liens thereon for taxes due the plaintiff and the taxing units parties hereto, and those who may intervene herein, together with all interest, penalties, and costs allowed by law up to and including the day of judgment herein, and all costs of this suit.

Issued and given under my hand and seal of said court in the City of Farwell, Parmer County, Texas, this 16th day of June, A. D. 1950.

LOYDE A. BREWER  
Clerk of the District Court,  
(Seal) Parmer County, Texas  
64th Judicial District.

If this citation is not served within 90 days after its issuance, it shall be returned unserved.

# ANOTHER STRIKE

AGAINST THE PUBLIC AND INDUSTRY AND AGRICULTURE SERVED BY FIVE WESTERN RAILROADS

President Truman's EMERGENCY BOARD recommends a 40-hour week and a pay increase of 18 cents an hour, or \$1.44 a day for switchmen represented by the Switchmen's Union of North America.

• Notwithstanding the tremendous increase in their expenses involved, the

Railroads' answer to Board is...

# YES! NO!

Union leaders' answer to Board is..

In face of Board findings to the contrary, union leaders insist on 48 hours pay for 40 hours work. This would be an average increase of 31 cents an hour, or \$2.48 a day. So Union leaders have called a completely unjustified strike on 5 Western railroads, effective June 25.

On June 15, an Emergency Board appointed by President Truman under the terms of the Railway Labor Act recommended the railroads grant switchmen a 40-hour week and a wage increase of 18 cents an hour, or \$1.44 for an 8-hour day.

Despite the added financial burden involved, the railroads are ready to accept these recommendations, as they have always accepted Emergency Board recommendations on national issues.

But the leaders of the Switchmen's Union refuse to accept! They demand an average increase of 31 CENTS AN HOUR OR \$2.48 A DAY—although their present earnings are substantially higher than those of workers in other industries!

#### Board Says Demands Unjustified

In its report, the Board declared this demand unjustified by all the evidence presented. It also pointed out that it would give the switchmen an unfair pay advantage over other groups of railroad employees, and would add too great a burden to railroad costs.

Here is another case of a railroad union flouting the findings of an Emergency Board—another case of calling a crippling

strike in an outrageous and reckless attempt to force demands which the Board clearly labels as unjustified!

Leaders of the Switchmen's Union are calling this strike in defiance of the Board—in defiance of the facts—and at the expense of the public!

In its report on this case, the Board made this statement:

"The railroad industry, the Board believes, needs above all else a period of relative stability to adjust and adapt itself to present competitive post-war conditions."

Despite this warning, the leaders of the Switchmen's Union are upsetting the apple-cart—forcing a completely unjustified strike against everybody who uses the railroads.

#### FIVE WESTERN RAILROADS AFFECTED BY THE JUNE 25 STRIKE

The five railroads affected by this strike, which goes into effect at 6:00 A.M. local time, Sunday, June 25, 1950, are:

- Chicago Great Western Railway Company
- Chicago, Rock Island & Pacific Railroad Company
- The Denver & Rio Grande Western Railroad Company
- Great Northern Railway Company
- The Western Pacific Railroad Company

It is time to put an end to such un-American tactics!

The Answer to a Raw Attempt At Dictatorship is "No!"

In the interest of the public who depend on the railroads every day, there can be only one answer to this outrageous and dictatorial action by the leaders of the Switchmen's Union. And that answer is—"NO!"

We are publishing this and other advertisements to talk to you at first hand about matters which are important to everybody.

## YOUNGSTERS OPERATED FOR APPENDICITIS

Teddy William Renner, who will not be two years old until July 16, became the youngest appendectomy patient at the Farmer County Community Hospital, last Tuesday, when the youngster underwent emergency surgery.

Recuperating in good style, the youngster was dismissed to the home of his parents, Mr. and Mrs. John Renner, the last of the week.

## "PICTURE BOARDS" ARE ARRANGED AT HOSPITAL

Two bulletin-size glass-encased picture boards will go into use in the Farmer County hospital at Friona this week, as young patients of Dr. Paul L. Spring, hospital head, get their pictures posted.

One of the boards will include pictures of all babies delivered by Dr. Spring since he took over his work at the hospital in May of 1949, and the other is to be devoted to youngsters between two and ten years of age who are patients of Dr.

## Spring.

Parents of children who fall in either classification are urged to bring in small snapshots to be added to the collection.

## STEWARDS INSTALLED SUNDAY MORNING

New members to the board of stewards of the Friona Methodist Church were installed at the morning worship services on Sunday by Rev. James Tidwell, pastor.

Among the new members are Dick Rocky, Wes Long, Merle Massey, Joe Moyer and Forrest Orborn. C. A. Mercer is the new chairman of the board, succeeding A. W. Anthony, Sr., while Hoyt Smith succeeds Wesley Foster as secretary of the official body.

## LEGION GROUP HAS FUND DRIVE GOING

A current drive to raise funds is being conducted by the Friona American Legion Post, O. J. Beene, commander, said today, with the hope being expressed that the drive

will draw sufficient money into the treasury to finish up payment of the Legion Hall.

The Hall, which also houses the City offices and the Soil Conservation office, is the former old hotel located at the Hub, which was moved to Friona some time past and completely renovated, providing spacious and well-furnished quarters for all Legion and Auxiliary meetings.

## LOCAL BUSINESSES TO CLOSE FOR JULY 4th

Friona business houses, with the possible exception of filling stations and the drug store, will be closed Tuesday of next week, July 4th, businessmen advise.

Grocery stores are warning customers to get their picnicking supplies on the day preceding, Monday. As usual, the bank, postoffice, and SCS office will observe the national holiday.

## LEGION MEET DATE CHANGED TO JULY 10

Due to the fact that a number of residents are expected to be out of town next Monday night, preceding the Fourth of July holiday, the Friona Legion Post will not hold its regular meeting on Monday night, July 3rd.

Commander O. J. Beene announced Monday that the meeting would be

held the second Monday evening of the month, the date being July 10.

## LOCAL MUSICIANS TAKE PART IN FESTIVAL

Musicians representing the Friona Baptist Church took part in the district musical festival held at Plain-

view, the past Friday afternoon with five delegates from the local church.

Ratings were announced at the conclusion of the meet, ranging from superior on down, officials reported. Mary Lou Miller, vocalist, was judged as excellent; Betty Joyce Agee, also singing rated excellent plus; Sandra Brock, pianist, excellent; and

Deann Buske, pianist, excellent minus. Mrs. Roy Miller, church pianist, accompanied the two singers in their performance.

Mr. and Mrs. Weldon Dickson returned Sunday night from Carter, Okla., where they had visited briefly during the weekend.

## for Championship Performance!

Your driving "score" will be low for operating costs... high for power and performance... when you OIL-PLATE your engine with new Conoco Super Motor Oil.

**Proved by 50,000-Mile Road Test!** After a brutal 50,000-mile road test, engines lubricated with new Conoco Super Motor Oil showed virtually no wear at all... in fact, an average of less than one one-thousandth of an

inch on cylinders and crankshafts.

This means that—with proper crankcase drains and regular care—new Conoco Super Motor Oil can keep new-car power... new-car performance... new-car gasoline mileage... year after year!

Ask Your Mileage Merchant for Conoco Super Motor Oil today! It's far and away the champion of 'em all!

Come in and let me tell you about "50,000 miles no wear!"

# Bovina Happenings

BY MARIE VENABLE

Everyone is asked to be reminded that from July 3 to 8 is cleanup week for Bovina. Let's keep polio from starting if we can by cleaning up everything between these dates.

Miss Sarah Venable made a business trip to Hereford Friday.

Mrs. Molly White and Mrs. Hubert Ellison visited in Amarillo Thursday. Mrs. Ellison drove to Pampa and visited her daughter. Mrs. Ellison's girls stayed in Pampa for a short visit.

Mr. and Mrs. M. W. Thredkeld spent Sunday in Amarillo with friends and spent the day fishing.

Hinton Blaylock is visiting relatives in Oklahoma. He is also doing some fishing.

Miss Helen Stall of Sterlington, La. is here visiting in the Rev. and Mrs. E. J. Speegle home.

Marvin Thredkeld returned Saturday from Sunray, Texas, where he has been visiting the past week with relatives.

Tom D. Mann is in Albuquerque this week on business.

Mrs. Vernon Estes and Mrs. Oscar Bruce took a large number of children to Clovis Tuesday for a picnic and to attend the show "Cinderella."

Mr. and Mrs. Jimmie Charles and Mark attended a family reunion of the Frost family in Lubbock Sunday.

Mr. and Mrs. Billy Sudderth, Mr. and Mrs. R. G. Barron, Mrs. James Watkins, and Mrs. John Wilson attended a Young Adult retreat at Ceta Canyon the past weekend.

Mr. and Mrs. Waldon Jefferson and Forest Jefferson of Amarillo, Texas visited in the Charlie Jefferson home Sunday.

Charles Dan Smith of Lubbock visited his parents the past weekend. Mr. and Mrs. Blankenship of California visited in the Frank Smith home Sunday.

Miss Katherine Jefferson, Misses Patsy and Norma Lee Loflin spent the past weekend visiting in Friona. Emmitt Tabor's mother, Mrs. Roulston of Dallas, is visiting her.

Mrs. J. D. Marlin of Weatherford, is visiting in the Bob Williford home this week.

Mr. and Mrs. Ben Drager of Oklahoma City, are visiting friends and

relatives here this week. Mr. and Mrs. Billy Jo Ebertine of Amarillo visited the past weekend with friends and relatives.

Mr. and Mrs. J. W. Gooch returned the past weekend from Dallas where Mrs. Gooch underwent surgery. She is reported to be doing fine and is up and around.

Mr. and Mrs. L. C. Rhodes and son Keith of Amherst and Mr. and Mrs. Ray Brooks and daughter of Houston, visited Sunday in the home of Mr. and Mrs. A. C. White.

Margaret Jo Venable, small daughter of Mr. and Mrs. Elton R. Venable, was taken to the Parmer County Community Hospital Friday night after receiving a cut on her left hand from falling on a baby bottle. The cut required one stitch to close it, but she was able to return home.

Mrs. Ray Davies is receiving surgery in Amarillo this week, after being in an automobile accident some time ago.

Mr. and Mrs. Pat Kunselman and son moved in with the John Wilsons the past weekend. Mr. and Mrs. Robert Read are moving into the house previously occupied by the Kunselmans. It is owned by Mr. and Mrs. A. G. White.

Mrs. Roy Ezell is spending a few days in the home of her son, Mr. and Mrs. Gene Ezell.

Mrs. Bob Williford has a niece from Ft. Worth visiting her at this time.

All the Richards family returned from Abilene Sunday after being

gone since Thursday to attend the funeral of Mrs. Richards. Mrs. Richards died Monday night and was buried in Ft. Worth.

Mrs. Lillian Mahan and son, Gregory, and Miss Dana and Betty Turner left Sunday for Odessa to spend a few days visiting friends and relatives.

Mrs. J. D. Wilkerson and children left Tuesday for Corpus Christi, after spending the past month visiting in the home of Mr. and Mrs. O. V. Venable home.

Tom Mann spent Saturday in Clovis visiting and shopping.

Mr. and Mrs. Mannion and children left Friday evening for a week vacation in Arkansas visiting relatives and friends.

Mr. and Mrs. Leroy McDonald and boys visited in Bovina Sunday.

Mrs. Gene Ezell is working in the postoffice while Mrs. Von Bowen is enjoying a two-week vacation.

Jerry Bell of Clovis is visiting in the home of Mr. and Mrs. Henry Minter this week.

Mr. and Mrs. T. G. Hudson moved the past week to Ft. Sumner, N. M. where they are going to make their home. We all regret their leaving and hope they will visit us often.

Milton and Mary Jane White of Hereford are visiting their grandmother, Mrs. Molly White, this week.

Staff Sgt. Joe Stock of the Roswell Air Base spent the past several days visiting in the home of Mr. and Mrs. A. B. Wilkinson.

## BIRTHDAY DINNER FOR MRS. J. R. CALDWELL

Friends of Mr. and Mrs. J. R. Caldwell followed them home from church last Sunday to surprise them with a dinner to celebrate Mrs. Caldwell's birthday. Those present included Mr. and Mrs. Lee Thompson, Mr. and Mrs. Frank Ayres, Mr. and Mrs. Ward Thompson, Mr. and Mrs. Levi Johnston, Mr. and Mrs. Duard Lee and Shelia, and Mr. and Mrs. Mel Gunn. A very nice day was reported.

Sapphire balls up to a quarterinch in diameter are being substituted for steel balls in bearings subject to high temperatures of chemical corrosion.

## ACHIEVEMENT AND EXHIBIT TEA FOR SUMMER PROJECT

Thursday afternoon, June 22 at 5 o'clock, a tea in the homemaking department of the Bovina School was held for the girls and their guests.

Presiding at the guest book was Irma Jo Kelley and presiding at the serving table were Betty Rose John-

ston, Dana Turner, and Lonetta Thompson.

The appointments on the tea table were pink painted asters and green candles. The exhibits and projects were on display showing the work of the homemaking teacher, Mrs. O'Keefe.

The guests served were Mrs. Frank Ayres, Mrs. Lee Thompson, Mrs. E. D. Poden, of Plainview; Mrs. E. C. Berry, Mrs. E. E. Woefel, Mrs. J. E. Owens, Mrs. E. H. Moody, Mrs. Clifford Leake, Marcella Vernor, Margaret Vernor, Mrs. Homer Kellep, Mrs. E. H. Young, Lonetta Thompson, Yvonne Moody, Bertha Owens, Margie Ann Leake, Betty Rose Johnston, Mrs. Vernon Ward, Mrs. Levi Johnston, Mrs. Bill Johnston, Irma Jo Kelley, Mrs. E. D. Sands, June Gay Looney, Mrs.

W. E. McCuan, La Juanda Speegle, Chaney Speegle, Billie Ward, Betty Turner, Lillian Young, Joa Dawn Berry, Dottie Young, Dana Turner, and Mrs. O'Keefe.

Mr. and Mrs. Joe Lawrence Langer of Snyder, Texas, visited in the Joe Langer home this week.

Miss Sarah Marie Venable and Mrs. Oscar Venable left Monday for Stevensville, Texas, to take Mrs. J. D. Wilkerson and children part of the way home. She lives in Corpus Christi, Texas.

### POT CALLS KETTLE RED

Moscow, after a 99 per cent "pure" election, now charges that recent Communist voting in Yugoslavia was rigged. Just a case of the pot called the kettle Red.

## Farwell Chamber of Commerce Moves To Nip Young Weed Crop in the Bud

In action designed to thwart development of weed growth in the city, the directors of the Farwell Chamber of Commerce has recently considered ways and means of developing a program for control of unwanted vegetation.

During the meeting, two methods of weed control were considered. One was the use of a poison spray solution, but was pretty generally discarded on the grounds that this practice endangered surrounding residential greenery—sometimes for miles around.

Several members pointed out that they had either had or heard of unfortunate experiences with poison spray, particularly on windy days. They warned that if the spray was to be used, it should be applied with considerable caution.

The other, and generally agreed more practical way, of weeding was the mowing system. This had been used in previous years, with varying degrees of success. Mowing will curb weed growth, the members (council) agreed, but they will grow out after an extended period.

### Committee Makes Survey

Several men were appointed on a committee to survey Farwell to determine the extensiveness of weed growth and whether it warranted control action. Serving on the committee was Robert Morton, M. A. Snider and J. R. Thornton.

Morton reported they found the weed situation not alarming, although some areas in West Farwell were beginning to be overgrown. He said the committee recommended action on these areas two blocks on First Street before possible rainy weather caused them to grow beyond control.

### Henderson Urges Cleaning

President C. M. Henderson urged citizens to do some policing of their own premises, as this would clear the way for a weed cutter should one be used. Accumulated wire, castoff lumber, trash piles, and holes in the earth were named as cleanup projects for Farwell citizens.

### Texico School Receives Jeep and Hospital Bed

Texico schools received a four-wheel-drive army surplus jeep Friday, Agrie Jones, superintendent, said this week.

## Graham Training for Methodist Caravan

OSKALOOSA, Iowa—Howard E. Graham, son of Mr. and Mrs. B. N. Graham of Farwell, is attending the Methodist Youth Caravan Training Center here preparing for voluntary service in local Methodist churches during the next seven weeks.

Experienced in the leadership of Christal activities among fellow youth, Graham is one of 280 college young people and 70 adult counselors who will work as members of Caravan teams this summer. Caravanners will serve a total of 500 churches in the United States, Cuba, and Hawaii this season.

## ANNOUNCING:

# New Seed Department

Mr. Frank Morris, seed specialist, has been added to our staff here in Friona, allowing us to serve the grain producers of this entire area to a greater extent than ever before possible.

Morris will set up a complete testing laboratory for thorough testing of seeds; his services will be available to all producers at no charge.

Santa Fe Grain takes this as another step in encouraging producers of this territory to produce certified seed—to build a volume of supply allowing extensive export as well as complete local service.

We invite you to meet Mr. Morris and avail yourself of these latest of services offered by your Santa Fe Grain Company.

## BLUESOX BREAK 4-GAME LOSING STREAK, NOSE OUT LAZBUDDIE NO. 1 9-8 SUNDAY

Taking their first win in the last five starts, the Texico-Farwell Bluesox outdistanced Lazbuddie No. 1 on the local field Sunday afternoon to tie league standings for third place with the Lazbuddie nine.

Scoring was fairly evenly distributed during the game, with Texico-Farwell taking the lead early in the first with a single run. Two more were added in the third, and one in the fourth to deadlock the score 4-4 as Lazbuddie made one in the third and three in the fourth.

Lazbuddie jumped ahead in the sixth inning, however, with a two-run lead, but the Bluesox rattled out three tallies in the seventh and two in the ninth. Lazbuddie also took two runs in the ninth, but fell short of a win by two points.

Texico-Farwell's big inning was the seventh, when Pete Hughes and Jess Pipkin both homered with none on. Hughes' fielding also was outstanding, said Manager Wilfred Quickel. Hughes, playing right field, scooped up a shoestring drive that enabled the Bluesox to clamp a double play.

Left-hander Toby Booth started the game for the Bluesox, and was relieved in the sixth by righthander Don Ford, who received credit for the win. Barns toed the mound for Lazbuddie until the ninth, and was relieved by White. Barns was charged with the loss.

### THE BOX SCORES

Texico-Farwell	ab	r	e	Lazbuddie No. 1	ab	r	e
C. Woods	3	0	1	D. Foster	4	0	1
P. Hughes	3	1	1	S. L. Oliver	5	2	1
G. Woods	3	1	1	C. Barns	4	0	1
J. Woods	5	3	2	S. H. Foster	4	0	0
J. Pipkin	4	1	1	J. Robason	4	0	0
White	4	0	0	B. Barns	4	1	2
L. London	4	3	1	R. Broyles	5	1	2
Smith	5	2	0	Jesko	5	0	1
Booth	2	1	0	C. A. Parham	1	0	0
Ford	2	1	0	White	2	0	0
B. Dollar	1	0	0				

### West Texas-New Mexico Amateur LEAGUE STANDINGS

Rank	Team	w	l
1st	Muleshoe	8	0
2nd	Portales	6	2
3rd	Lazbuddie No. 1	4	4
	(tie) Texico-Farwell	3	4
4th	Bovina	3	5
5th	Lazbuddie No. 2	3	5
6th	Dimmitt	2	5
7th	Big Square	0	8

Next Sunday the Bluesox go to Bovina for an afternoon game. The Bovina nine has met Texico-Farwell once before, and scored a 5-4 win. This was the Bluesox' second win over Lazbuddie No. 1, said Manager Quickel.

### BEEES DELAY MAIL

A swarm of bees gathered on the rear of the mail truck driven by John Lumnianick as he drove from the postoffice to the railroad station. Lumnianick hurried back to the post office where two bee-keepers collected the insects and the mail moved again, almost an hour late.

## Heavy Water Usage Tests Pump Strength Of Farwell Facilities

Hot and dry weather is again testing the strength of pumping facilities at the water tower in Farwell, announces V. C. Venable, water superintendent. "We are at present using twice as much water as ever before" the superintendent stated, adding that at present there was no immediate danger.

"Sundays are our most difficult days," he said. "People are at home watering their lawns and taking baths on weekends, and Sunday is the most taxing day on facilities."

Venable said he was barely able to keep up with Twin City usage last Sunday, explaining that Sunday morning found him with a minus 20,000 gallons by 8 a. m. Previous to that, he had not had the pumps on, but after turning on both pumps, with a combined capacity of 1400 gallons per minute, it took him until 9 that evening to overtake consumption and fill the 52,000 reservoir.

Venable said there was no immediate danger of a serious water deficiency, but asked consumers to observe one caution for "safety's sake."

This caution is to turn off all water taps when hearing the fire siren. This would enable the company facilities to raise water pressure in the tank rapidly, he explained, and produce adequate protection in case of a large fire.

Practically the same situation existed here last year until a larger motor was installed on the old well in the pumphouse. That motor boosted capacity to 1400 gallons per minute, and seemed adequate at that time for any unforeseeable situation.

However, Texico-Farwell had an unprecedented building boom, and water used to raise new lawns has severely taxed local pumps.

For instance, Venable said, last Sunday the Twin Cities used approximately 230,000 gallons, or about four tankfulls.

Some relief from the heavy consumption may be expected with natural moisture, which, so far, has been somewhat negligible.

## Parallel Parking Not Being Practiced

Surveys of down-town parking on Main Street the first of this week indicated that drivers were not observing requests by Mayor C. M. Henderson that Farwell automotive operators voluntarily accept parallel parking before it is imposed by the state.

Mayor Henderson, in making his request, explained that the main thoroughfare in Farwell also is a zoned portion of Highway 70-84, and is therefore subject to traffic regulation by the state.

If drivers undertake parallel parking voluntarily, Mayor Henderson said, it probably will not be necessary for Main Street to be placed under restriction.

Mrs. Bess Mansfield, who works in the sheriff's office, has returned from a two-weeks vacation.

## Dr. W. Carl Clement To Preach Sunday

Dr. W. Carl Clement, district supervisor of the Clovis district of the Methodist church, will be in Farwell-Texico Sunday evening, Rev. Murphy Duncan, pastor of the church, says.

Dr. Clement will preach at 8 p.m. and after the service, the first quarterly conference of the local church will be held.

There are about 30 churches in this district, Rev. Duncan states.

## Sprays Expected in By this Weekend

The new 180-spray watering system for the Parmer County Courthouse probably will be completed the latter part of this week, according to Nobel Goldsmith, courthouse caretaker. He made this statement this week with the reservation that workers did not meet unexpected difficulty with the installation.

Work was at a standstill last week because of the shortage of pipe fittings for the 4-inch main that was laid from the water tower, but the parts arrived from Dallas, and the new main was practically finished Monday of this week.

Two crews are working on the project, said Goldsmith. These include a Farwell Water Company crew and a plumbing crew from Frank Smith in Bovina.

Asked whether he could plant a new lawn this season, Goldsmith replied that he doubted it, as hot weather would prevent proper growth of the young seed. However, he hoped to begin seeding in September. Present plans call for a new lawn of bluegrass.

Bluegrass was selected because of its adaptability to shaded areas. Considerable sunshine will be available for the grass in its early start as all trees surrounding the yard have been heavily trimmed, but eventually, the grass will have to grow in shade.

The sprays, located at ground level, are arranged in symmetrical rows the length of the courtyard in front, and also extend eastward in order to wet areas near the rear of the Courthouse.

## Parmer Boys Receive Registered Jerseys

Registered Jersey cows have been purchased by two Parmer County boys, according to a news release from the American Jersey Cattle Club in Columbus, Ohio.

Charles Verner of Farwell has purchased Oaklands Double X from the herd owned by I. C. Sprague of Tulsa, and Dale Berggren of Bovina has bought Noble Gem Becky II from the herd owned by the Friona FFA Chapter.

The club claims that Jerseys are especially noted for producing milk that averages more than 5 percent butterfat, and said that the breed calved and began producing milk from three to six months sooner than other dairy herds.

## Lounge Revamped In Courthouse

New fixtures have been installed and redecoration is planned for the ladies' lounge on the first floor of the Parmer County Courthouse. Nobel Goldsmith, custodian, said the lounge would be finished in pastel shades, probably green. He expected the redecoration work to be finished by the end of the week.

Tribune job printing is best.

## All-Day Picnic Set For July Fourth At Oklahoma Lane

In keeping with a practice established several years ago, plans are being laid for the annual all-day picnic at the Oklahoma Lane auditorium on Tuesday, July 4th.

The gathering will be featured by a basket dinner, with the program scheduled to get under way at 10 a.m. No set program has been arranged, but will consist of a free skating party in the forenoon, with a baseball game in the afternoon, with other sports activities being staged as the day progresses.

Basket dinner will be served in the auditorium, with free lemonade and ice cream for all. The public is cordially invited.

Officials of the Oklahoma Lane Cemetery Association plan to take advantage of the gathering to hold a business session late in the afternoon. Plans for the employment of a caretaker for the cemetery grounds will be one of the items to be discussed, it was learned.

## C. of C. Has Small Turnout Monday

The regular monthly meeting of the Chamber of Commerce, held on Monday night, drew only a small attendance, with considerable discussion evolving around items of interest for the betterment of the Twin Cities.

The weekly trades day event, which has been in operation for the past year, was described as "on its last legs" unless more merchants of the two towns give their support to the program. Only 21 local merchants are now supporting the trades day now as compared to 56 when the program was launched last August.

All members of the City Commission, who were present at the meeting, heard recommendations for enactment of city ordinances to curb certain practices that were considered nuisances. High on the list was the practice on the part of local motorists in obstructing traffic when the fire trucks are making a run. Next in line was a recommendation that the sale of fireworks and the explosion of same be prohibited inside the city limits.

Mayor C. M. Henderson announced that Engineer Bill Howren of Amarillo had informed him that plans and specifications for the Farwell sewer system would be ready at an early date. Howren maintains that the system can be built for the \$40,000 bond issue, Henderson reported. As soon as the plans are completed, bids will be asked on the construction work.

Members of the City Commission said they were willing to pass any ordinance that would have the backing of a substantial majority of the citizenship of the town, but they were going to proceed cautiously in regard to such matters. "We don't want to pass a bunch of ordinances that we can't enforce," Mayor Henderson commented.

## Camp Attends Meet At Lubbock Tuesday

In attendance at a District II meeting at the Hilton Hotel Tuesday was Joe Camp, Parmer PMA secretary. The meeting dealt with developing district recommendation on the 1951 agricultural conservation program. The called convention lasted one day, and was attended by representatives from 16 counties included in District II.

We have the answer to your fireworks question.

See our complete stock and make your selections early.

Fox Drug Store  
Farwell, Texas

## THREE FALSE ALARMS HEARD SUNDAY; PRANKSTERS WARNED BY CHIEF

Pranksters, presumed to be teen-aged residents of the Twin Cities, were to blame for three false alarms Sunday, reports Chief Stanley Thigpen. He said two of the calls were answered and a third was recognized as a false alarm before the truck was put into service.

Sam Lewis, who answered the third call, said a "feminine voice" reported a fire at the Texico School. After Lewis asked for identification, the prankster hung up.

The other two calls, both of which were answered, were a reported grass fire at the Farwell School, and another blaze at the Texico School. Officials investigating the alarms reported no smoke or other evidence of a blaze.

Chief Thigpen warned that the youths probably were not aware of the seriousness of their play, and asked parents to watch carefully for further evidence of false alarms.

Mr. and Mrs. E. R. Coburn of Eagle Lake, Fla., visited in the home of Mr. and Mrs. B. N. Graham in Farwell the latter part of the week.

Agrie Jones, superintendent of Texico Schools, was in Clovis Monday on business.

## Amarilloan Fined For Port Evasion

A six-car caravan that attempted to evade inspection and road fees at the New Mexico Port of Entry at Texico was seized by Texico officials last week, and an Amarillo man was fined \$100 and court costs by Justice of the Peace Sam Lewis.

Lewis reported that the caravan of used cars had attempted to de-tour the Port by taking a rural road north of the town. The Amarillo man said he had stopped at the Port on previous trips, but pleaded guilty to evasion last week. The caravan was enroute to Arizona.

### BILLS IN FARWELL MONDAY

District Judge E. A. Bills was in Farwell Monday on a regular calendar day, Sam Aldridge, county attorney, says.

Judge Bills, who is from Littlefield, spent the day attending to non-jury trials. He will be in this area again August 2 to call dockets and to attend to other non-jury trials, Aldridge stated.
