Texico's New Gymnasium Is Dedicated

Rainfall For Past Year Higher Than 1948

Rainfall received here during the year 1949 was 6.76 inches more than was recorded during the preceding year of 1948, according to figures compiled at the Capitol Freehold Land Trust in this city.

And the same records reveal that the moisture for 1949 was virtually double that received in 1947. During 1949, a total of 22.80 inches of moisture in various forms fell here, giving the area the wettest year recorded since 1941, when the local rain gauge registered more than 42 inches during the 12-month period. Only 11.48 inches of moisture was reported for the entire year of 1947.

In the year just closed, November proved to be the driest month, with only fourteen hundredths of an inch of moisture being received. March was next in the dry column, getting 27 of an inch, while December saw the weatherman allowing only .29 of an inch of precipitation.

As is generally the case in this region, the heaviest rainfall came during the seasons when it was most needed to benefit crop conditions as May topped all other months with a generous outpouring of 6.46 inches of moisture. Right behind was June, with a total of 4.85. September's fall was generous, accounting for the early sowing of a large acreage of wheat over the county.

Coldest day of the year, according to the Capitol records, was January 28, when the mercury fell to a erading of 7 degrees below zero. The following day the reading edged upward, hitting 5 below.

Month by month report of the 1949 rainfall is as follows

January	1.23
February	.98
March	.27
April	1.11
May	6.49
June	4.85
July	1.82
August	1.76
September	2.85
October	1.10
November	.14
December	.20
Total	22.80

Cicero Smith To Build New Yard At Bovina

R. C. Martin, manager of the Cicero Smith Lumber Co. at Bovina, stated Saturday that plans were taking shape for the new lumber yard that his firm is to erect in the near future.

Much of the preliminary work will be done in January, he said, with the main construction work scheduled to get underway in March. The new lumber yard will be located north of the railroad tracks in Bovina, just east of the Shirley Grain Co. plant.

Under the plans, the offices and yards will be about three times the size of the present quarters, Martin said, and will be modern in every detail. Plans for this expansion were going forward at the outbreak of the war, and since that time have been postponed for various reasons the manager added.

Draws \$100 Fine For Driving While Drunk

Hervey L. Creed, of Hereford, entered a plea of guilty to a charge of driving an automobile while intoxicated, in county court on December 27. He was fined \$100 and costs, in addition to having his drivers' license revoked for six months.

Creed was involved in a two-car crash in which no one was injured, last week, at the culvert spanning Running Water Draw on Highway 60 near Bovina.

ARE HOSPITALIZED

Mrs. Effie Johnson was taken to a Clovis hospital last Saturday, suffering a near-pneumonia attack.

Mike, 5-year-old son of Mr. and Mrs. John Getz, has been in a Clovis hospital the past week with an attack of pneumonia.

Mrs. F. W. Ayers, of Bovina, is receiving treatment in a Clovis hospital for flu and complications.

Dry Cold Snap Sends Mercury To Cellar

A dry cold snap, the first of the year, sent the mercury plunging from the high 50's to a Santa Fe station reading of 3 above zero in Texico-Farwell, Wednesday morning.

Warned of the impending drop by repeated radio broadcasts, local people dug out heavy clothes on Tuesday morning, but had almost begun to believe the cold was going around this area until the north pole moved in suddenly after six o'clock.

No moisture accompanied the drop in temperatures, and the prediction is for warmer weather on Thursday.

Mrs. Snodgrass Hurt When Cars Collide

Mrs. Rip Snodgrass celebrated her 36th birthday in a Clovis hospital, Tuesday, recovering from rather serious head injuries she received late Sunday afternoon when the car in which she was riding with her husband and son, Roy Harvey, 13, collided with another machine at the intersection of Third Street and Avenue A in Farwell.

Mrs. Snodgrass was thrown from the car to the pavement and suffered a head injury that gave family members grave concern for several hours after the accident. A large gash was knocked in her head at the base of the skull on the left side, and she was only semi-conscious for several hours after being removed to the hospital.

Witnesses to the accident said that the Snodgrass car approached from the courthouse street to the junction of Avenue A, which is the route of Highway 70 through Farwell. Snodgrass, who was driving, came to a stop to allow cars along the highway to clear. Then, after thinking that he had an opening, he drove onto the highway, only to be met by a car approaching from the west that he had not observed. The crash resulted.

Hollis Duncan, 27, of Las Cruces, driver of the second car, skidded his tires in a vain effort to avoid the collision. Investigating officers were convinced that Duncan was not driving at an excessive rate of speed, and no charges have been filed here against either one of the drivers.

Both Mrs. Snodgrass and her son were hurled from the car, but she was the only one to sustain injuries. Damage of about \$150 to each car was estimated.

Ford Building New Home In Farwell

Construction work was begun last week on another modern home in Farwell as workmen started on the residence of Mr. and Mrs. J. O. Ford long-time and successful farmers who live northeast of town.

The new home will be 36x50, composed of six rooms, bath and basement, and will be of brick veneer. The location is on the corner of B Avenue and Fourth Street, one block south of the Hardage Hudson building, with a south frontage.

Ford said that he and his wife would move to town, with their son, Gilbert, taking over the operation of the farm.

TO CHICAGO MARKET

Mr. and Mrs. Ben Smart, of The Furniture Mart, plan to leave here Saturday for Chicago, where they will attend the annual showing of the biggest furniture dealers in the nation. This will be their first trip to the Chicago market, although they have attended smaller showings in the southwest.

DICK REACHES OUT

Col. Dick Dasher, local auctioneer, is extending the scope of activities as a crier next week when he goes to La Mesa, N. M., to conduct a large implement sale. The sale is booked for January 10. La Mesa is located beyond Las Cruces, some 400 miles from here.

Parmer County farmers, along with those from Swisher, Castro and Deaf Smith counties, are raising their voices in protest over the recently-announced cuts in cotton acreage under the 1950 acreage allotments, Arlin Hartzog said here today.

In a meeting held at Oklahoma Lane last Thursday night, Hartzog was named as chairman of the Parmer county committee, with Leonard Smith as vice president and W. H. Long as secretary-treasurer. On Friday, these men, along with others from the county, attended a meeting of the board of directors, of the four-county group in Dimmitt, at which time plans were laid to send representatives from each of the counties to Washington, where they will contact officials in regard to the slice in acreage.

At the four-county meeting, Parmer men were advised that the other three counties were designating two men each to go to Washington. Bill Sherley, of Lazbuddy, and Long, of Friona, were chosen as Parmer cotton producers to visit the capitol. Hartzog said that Posey Cunningham of Castro county, Perry Bowser of Swisher, and Mr. Trawick of Deaf Smith would be in the group visiting Washington, along with other men not known here. Bowser will act as chairman of the group.

Specifically, farmers of these four counties are asking, through their delegates, that the present acreage allotment be increased by a minimum of 10,000 acres per county. Furthermore, they ask that the PMA offices in the counties be allowed to re-allocate acreage which may be turned in by farmers who do not wish to use the acreage which the law required the county committee assign their farms.

The primary basis for the request of 10,000 additional acres of cotton per county which will be made to Capitol Hill officials, is that a "trend" exists in Parmer and adjoining counties. Officials point out that during 1941, when Parmer producers were just beginning to turn to cotton, they were asked to divert cotton acres to "war crops", and actually, had not returned to large-scale cotton acreage before the past year, when allotments for planting were based on acreages grown in 1947 and 1948 and other factors required by the law.

With the increase of irrigation areas and a general trend toward diversified farming, the producers feel that this county should be given more consideration in cotton acreage allocations. The figure announced recently, and over which the furor is being raised, limits the county to 5008 acres of cotton, for both new and old producers, since farmers okayed the marketing program. Hartzog termed the 75 acres allotted by the state PMA committee to Parmer County, for new producers, a "joke".

During 1949, officials estimate that "over 10,000" acres of cotton were produced, emphasizing the trend toward prewar acreages, which were rapidly increasing.

The four-county delegation plans to leave here this weekend, to be on hand in Washington the morning of January 10th, for the open hearing on cotton allotments, it was announced. Final plans for the visit to the Capitol will be made at Dimmitt as the representatives get together on Thursday night to perfect and consolidate their briefs, Hartzog added.

New Bus Line Begins Operations Here, 1st

The Chisholm Trails Coaches, operating between Clovis and Wichita Falls, began operations through here on January 1st, and will maintain daily service between these two cities in the future.

The new bus line will be the first to operate out of here for points directly to the east, and will fill a long-felt need. Two buses daily, one at 6:45 a. m. and another at 1:45 p. m. from Farwell for points on the schedule. The buses will leave Bovina 20 minutes later.

The Fox Drug Store will serve as the Farwell bus station, with the Kimbrow Drug store serving as the stopping point in Bovina.

The new bus route will travel via Dimmitt, Tulia, Silvertown, Vernon to Wichita Falls, and all intermediate points along the line.

ANO HER GRASS FIRE

The local fire department made another "milk run", Monday afternoon, to extinguish a grass fire. Flying sparks from burning trash set off a collection of tumble weeds lodged against some road signs across the highway from the cotton gin.

FROM THE HOPPER

By HOP

Thanks to Mr. and Mrs. Felix Monroe for a generous hunk of venison, which the editor's family enjoyed to the utmost.

And here's a letter from Mrs. Buck Ellison, one of our esteemed Bovina subscribers, who takes the position that The Tribune has been partial to Farwell in its news coverage the past year. She complains, specifically, that this newspaper has not given proper consideration to news happening in and around Bovina. We will publish her letter in full next week and attempt to answer her arguments. In the meantime, we would like to point out that The Tribune maintains a regular paid correspondent at Bovina in the person of Mrs. Marie Venable, to whom all news items could be reported. A newspaper reporter is able to write only what has been told her, and in this connection we might ask Mrs. Ellison how many times in the past year has she made it a point to contact our regular correspondent or this office to report happenings that should appear in the paper?

Another evidence of the old policy on the part of Clovis to gobble up the surrounding communities was brought to light this week with the report that a new road leading from the Pleasant Hill community to Clovis is being surveyed, with the view of getting the route paved directly into Clovis. It makes no difference to Clovis interests that Texico has been working for a road to Pleasant Hill for years, which has repeatedly been blocked by the selfishness of Clovis. It makes no difference to Clovis that the Pleasant Hill community is being served by the mail and school bus routes out of Texico. It makes no difference to Clovis that a paved road to Texico would save thousands of dollars in construction costs on account of the shorter route. Not at all . . . all roads must lead directly to Clovis, and the smaller communities can go hang, is the established policy of our big brother on the west.

Brock Coming Back To Bovina Yard Position

A report that has been current for some time was verified last Saturday, with the announcement that Aubrey Brock, former manager of the Cicero Smith Lumber yard at Bovina, was being returned to Bovina at an early date.

R. C. Martin, present manager of the Bovina lumber yard, gave out the information, and said that the change would be made "about the first of March". The change involves a three-way shift of managers, he added. In the turn-over Martin will go back to Mobeetie, L. D. McCauley, now at Mobeetie, will be sent to Littlefield, and Brock will return to Bovina.

Brock went to Littlefield in May, 1948, after being located at Bovina for 22 years.

PROTECT MILK CANS

Old and badly battered milk cans or those with rust spots on the inside may cause even the best of milk to be graded down at the milk plant.

Converting Old Texico Gym To Class Rooms

Workmen, composed mostly of members of the Texico school board, were busy the first of the week, converting the old Texico gymnasium into class rooms to be used exclusively for the high school.

Two large class rooms are being partitioned off on the south end of the old gym. One will be used as a class room, with the other serving the commercial department. The remaining portion of the main auditorium will be used as a study hall, and will also continue to serve as an auditorium for school purposes, with the large stage being left "as is".

Backstage, one of the dressing rooms will be converted into the library, while the other will be redone and finished out as an office for Supt. Agrie Jones.

Supt. Jones said the first of the week that plans were for the new quarters to be ready at the beginning of the second semester, when an additional teacher, Mrs. N. L. Payton, will be added to the faculty "Eventually," Jones said, "we plan to move all the high school to the old auditorium building, with the original school building being used for grade students."

Local Lions Club To Be Organized, January 5

Organization of a combined Texico-Farwell Lions Club is slated for Thursday night of this week, January 5th, it has been announced here by representatives of the Portales Lions Club, which is sponsoring the drive for a local chapter.

Marty Ezell, formerly of Farwell and now of Portales, along with other members of the Portales club, was a visitor here recently, contacting local business men with a view to forming the Lions Club, and plans announced at that time were to the effect that the first actual meeting would be held on January 5th.

The organization meeting is to be held in the parlors of the Hamlin Memorial Methodist Church, beginning at 7:30, with the customary banquet being spread. All local men who are interested in becoming members of the group are cordially urged to be on hand at the church, Thursday evening.

New District Judge Takes Office 2nd

Judge E. A. Bills of Littlefield, was sworn in as the new judge of the 64th Judicial District on Monday morning in a brief ceremony conducted at the courthouse in Littlefield.

He went to Plainview on Tuesday to open the regular January term of the district court in that city.

Judge Bills succeeds Judge C. D. Russell, who has presided over the 64th District for the past 13 years. He announced his retirement some time ago, and Governor Allan Shivers appointed Judge Bills as his successor.

NEW HOMES AT BOVINA

Mr. and Mrs. Bob Johnston, Jr., are building a new, modern home at Bovina, and the Bovina school has a duplex under construction. Each will have three rooms and bath.

Health Note

Texas State Department of Health

AUSTIN—Take all deaths among children from 1 to 4 years old caused by the so-called childhood diseases, and they would total a little more than half the child deaths caused by accidents.

Figures released by the bureau of vital statistics, Texas State Department of Health, show accidental deaths in 1948 killed 593 children under 4 years of age, 218 of them under one year, while the combined deaths from diseases of childhood—scarlet fever, whooping cough, diphtheria, measles, poliomyelitis, and epidemic meningitis—killed only 324 children in the same age group. The report shows one of every three deaths in the 5-9 age group is accidental; four of ten deaths in the 10-19 age group is accidental, and very little decline is noted in that rate through the other age groups under 30.

State Health Officer George W. Cox said, "State and local health officials can prevent epidemic diseases, and safeguard food and water supplies, but it is up to the individual citizen to protect himself from untimely death by accident."

According to the report, of 100 accidental deaths, 30 involve motor vehicles, 12 are due to falling or crushing, 5 are due to drowning, and 4 are due to burns.

And despite frequent reports of death resulting from "not knowing it was loaded," only three of every 100 accidental deaths involve firearms, the Health Department report revealed.

The state health officer pointed out that only diarrhea and enteritis, and pneumonia exceeded accidents as a cause of death in the first four years of life. "We've made remarkable progress in prolonging life during the last decade," Dr. Cox asserted, "But apparently we've prolonged it only to have it snuffed out in accidents—mostly foolish accidents."

"SOFT-HEARTED HARDIN" *** Wes Hardin was a religious man—even taught Sunday School. Yet, he killed 35 men—15 of them before he was 19. Jails couldn't hold him... then he met his match in Capt. John Armstrong, the greatest of the Rangers! Don't miss his thrilling story in The American Weekly, that great magazine distributed with next Sunday's Los Angeles Examiner.

POLITICAL ANNOUNCEMENTS

The State Line Tribune is authorized to make the following political announcements, subject to the action of the Democratic primary election in July:

For District Judge, 64th Judicial District: ROBT. (BOB) KIRK

HOWDY FOLKS...

A Westerner entered a saloon with his wife and six-year-old boy. He ordered two straight whiskies.

"Hey, pa," said the kid, "ain't ma drinkin'?"

Then there was the Scotchman who was run over by a beer truck. For the first time in his life the drinks were on him.

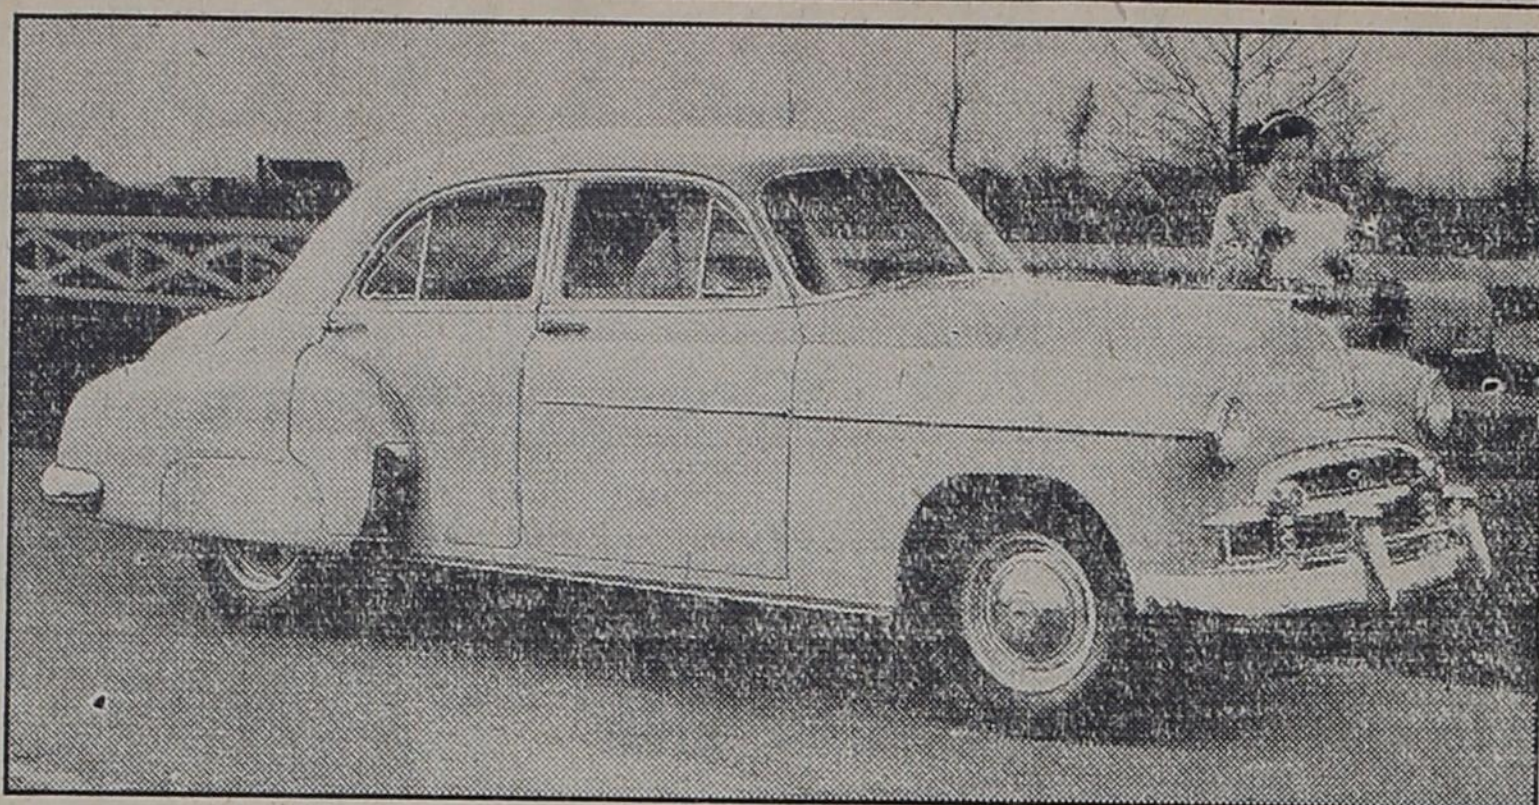

It may be unpleasant to play poker with a "bad loser" but it is even more unpleasant to play poker with ANY kind of a winner.

No kidding, folks—you and your car will like our one-stop service! Our attendants are all courteous and friendly, and enjoy giving your car the best in gas, oil and lubrication.

One of Two Sedans in 1950 Chevrolet Line

The Styleline, one of two individually designed sedans which have achieved immense popularity with Chevrolet owners, will have new beauty in 1950. Improved grille work, sturdier bumper guards and more tasteful ornamentation are some of the exterior improvements. New Chevrolet also offer increased power and comfort with the Powerglide automatic transmission as optional equipment on De Luxe models.

Automatic Transmission Is Chevrolet Feature

The automatic transmission, hailed as the most revolutionary driving aid since the advent of the self-starter, makes its first appearance in the low-price automobile field Saturday, January 7, with the introduction of 1950 Chevrolets.

Chevrolet's application is an exclusive development known as Powerglide. A product of company research covering the entire postwar period, it is the chief element in an optional, extra-cost "power team." Included is a larger, more powerful engine and many refinements that extend throughout the line of new passenger car models.

4 YEAR OLD BOY WAS WASTING AWAY

My son Bobby Jean, 4, had been suffering from vomiting spells. Each attack sent him to bed with fever for 2 or 3 days. We tried all kinds of medicines but he continued to lose weight and grow pale and weak. We started giving him HADACOL and since the first dose he has never had a vomiting spell or fever. He gained 4 pounds in 2 weeks and is full of pep and energy. It is really remarkable how HADACOL has helped my child.

Mrs. Joseph Prejean RFD No. 3, Box 231D Beaumont, Texas

IS HADACOL A MIRACLE FORMULA?

No, there is nothing miraculous or mysterious about HADACOL. The potent health-giving benefits of HADACOL are based on a proven scientific fact: Lack of sufficient vitamins and minerals in most diets leaves the door WIDE OPEN to diseases and weaknesses of all kinds. HADACOL, the scientifically balanced dietary supplement, helps to CLOSE that door and keep it closed.

BOBBY JEAN JUST ONE OF THOUSANDS!

Had it not been for HADACOL, the story of Mrs. Prejean's little boy, as told in her letter above, might have had a tragic ending. His system was run down to the danger point. Medicines and treatments didn't help. What he really needed was a supply of "building materials" for his poor little wasted body—and that's what he got from HADACOL. Today, like thousands of others, he is healthy again!

WHO SHOULD TAKE HADACOL?

HADACOL is not a medicine. It is a concentrated FOOD formula containing all the important vitamins in the B Complex group as well as these vital minerals: iron, calcium, phosphorus and manganese. If you are not getting your full daily quota of these essential dietary components, you may be heading straight into danger—weakness, loss of appetite, and then disease!

Let HADACOL help you stay on the High-way of Health!

Only \$1.25 for the regular size—\$3.50 for the large family and hospital economy size.

At your drug store or by mail order.

Help yourself to HEALTH with... HADACOL.

**Duffy Vice President
In Charge Of Traffic**

Appointment of Gerald E. Duffy as vice president in charge of traffic for the Santa Fe Railway, effective January 1, was announced last week by Fred G. Gurley, president. Duffy succeeds James J. Grogan, deceased.

Duffy has been assistant vice president in charge of traffic since June 28, 1944. He was born in Binghamton, N. Y., June 16, 1898. His railroad career was begun in 1915 as a stenographer with the D. L. & W. upon his graduation from high school in Scranton, Pa. He later worked as a stenographer with the Erie Railroad at Scranton.

In 1918 he entered Case University in Cleveland, Ohio, and later attended George Washington University in Washington, D. C., while working in the office of the U. S. Railroad Administration. As secretary to W. L. McMenimen of the U. S. Railroad Labor Board Duffy moved to Chicago where he obtained his law degree from Kent College of Law in 1921.

Duffy entered Santa Fe service in 1924 as an attorney. In 1929 he was promoted to commerce attorney and a few months later was transferred to San Francisco where he handled the company's legal affairs until his promotion to assistant to the president at San Francisco in April, 1942. He transferred to Chicago as assistant vice president, traffic, in 1944.

**'Tug-of-War' Is Seen
Between Rug Buyers**

COLLEGE STATION—Right now there seems to be a "tug-of-war" between the twist-type carpets and rugs and the "cut-pile" type, so far as consumer preference is concerned. The twist type is becoming more popular and is actually challenging the long supremacy of the other type, says Mrs. Bernice Claytor, extension home management specialist of Texas A. & M. College.

She says consumers prefer the twist-type with the harder surface and nubby or pebbly look, because it shows soil and footprints less easily, has ood scuff resistance, is of plain color yet may give a two-tone effect because the uneven surface provides highlights and shadows.

The big difference between the two types of carpets is that in the twist-type the loops of yarn are left uncut while in the cut-pile types are sheared off leaving the familiar soft, velvet-like surface.

Another trend in buying, she says, is toward the small, bright-colored cotton rug. They are especially popular with the younger generation because they add cheerful color to the home at little cost and are well suited for informal house furnishings. Larger cotton rugs are being favored for their informal pattern and good color even though they are less durable than wool in a rug.

When small rugs are used, Mrs. Claytor says they should be fixed so

they will not slip for many serious home accidents are caused from falls on small or throw rugs.

**Food Supplies Indicate
Plenty To Eat In '50**

COLLEGE STATION—A look at the possible food supplies for 1950 reveal that Americans are in for a good year so far as eating is concerned, says Louise Mason, extension foods and nutrition specialist of Texas A. & M. College.

Total supplies of meat and fish in 1950 are expected to be larger than in 1949. There'll be more pork, more grain-fed beef, more fish, but perhaps less lamb and mutton. Turkeys should be plentiful throughout the year.

There should be plenty of orange juice for the breakfast tables of the nation, she says. Florida is expected to harvest a record and much of it may go into frozen concentrates.

Lemons and grapefruit supplies are expected to be smaller because of the freeze damage last year in Texas, California, and Arizona. Apples, pears, grapes, and other fruits should be plentiful during the coming first half of the new year. Supplies later in the year may depend on how much the poultrymen get for their eggs during the first part of this year. Good supplies of fats and oils are predicted.

Indications now point to smaller quantities of fresh and canned vegetables but to near record quantities of frozen vegetables, she says.

THRIFTY MEAT LOAF

Three-fourth lb. ground beef, 1/4 lb. ground pork, 1 teaspoon salt, pepper to taste, 1/2 cup cornflakes, 1 egg, 1/2 cup tomato juice, grated onion to taste, chopped green pepper to taste, 1/2 cup grated raw potato, celery to taste, chopped.

Combine all ingredients and mix thoroughly. Pack in loaf pan. Bake in moderate oven (350 degrees F.) Five to six servings.

WANTED—Sewing of all kinds, including button holes. Mrs. Raymond Martin, 5 blocks south of bank in Farwell. 12-2tp

Lower Farm Income Is Forecast For Year

COLLEGE STATION — Does the outlook for somewhat lower farm income in 1950 mean a cut in farm family spending?

Mrs. Florence Low, extension home management specialist of Texas A. & M. College, doesn't believe that farm families generally will cut their spending during 1950 as much as the farm income is expected to be reduced.

She says families do not change their spending habits easily and tend to keep up their spending even after income has dropped. Savings and credit provide the cushion families use to maintain this spending.

Other factors that may help to keep the farm family spending on a fairly high level, says Mrs. Low, are a wider extension of electricity to rural areas and spending on housing may be stimulated by the provisions of the Federal Housing Act of 1949. Slight reductions in the price of consumer goods will also benefit farm families.

If reductions do come, they are expected to show up in reduced spendings for gifts and contributions, recreation and house furnishings and equipment, says Mrs. Low. Little change is expected in the amounts spent for food and clothing.

High farm incomes for the past several years have enabled many farm families to acquire a good stock of household equipment and this will not have to be replaced for several years. Young families and others who have not acquired household goods are more likely to miss the extra income which would have been spent on these items.

Plans For Early Chicks Should Be Laid Soon

COLLEGE STATION—Now is the time to make plans to get everything in readiness for those early chicks. Decisions must be made on how many, where will they be purchased and will they be raised for egg production or for meat purposes?

C. B. Ryan of the poultry department of Texas A. & M. says buy the chicks close to home if you can. Get them on feed and water as soon after they hatch as you can because the chicks are off feed and water after they hatch, their chance of living and doing well decrease. Good,

CHARMING SHARMAN . . . Sharman Douglas, 21-year-old daughter of Lewis Douglas, United States ambassador to Great Britain, arrives with her grandmother, Mrs. Emma Zinnser of Hastings, N. Y., at Idlewild airport, New York City, from London. Sharman is spending a Christmas vacation at her family's Arizona ranch.

Cotton Farmers Warned Of Production Quotas

COLLEGE STATION—Texas cotton farmers will have to take cotton marketing quotas under consideration in planning their 1950 farming operations, B. F. Vance, state production and marketing administration director, pointed out today.

Approval of cotton marketing quotas by more than two-thirds of the nation's cotton farmers in the December 15 referendum means that the quotas will be in effect on the 1950 crop.

A cotton farmer who plants within his cotton acreage allotment can market all of his cotton without penalty. His marketing quota is the production from his acreage allotment. He also can obtain a government loan on his cotton at 90 per cent of parity, and he will be eligible to receive conservation assistance payments from the PMA.

A cotton farmer who plants more land to cotton than his acreage allotment must pay a penalty amounting to one-half parity price on any excess cotton which he sells. Current parity price is about 30 cents, which would mean a penalty of about 15 cents a pound on excess cotton if marketing quotas were in effect on this year's crop. Parity changes, and so the marketing penalty will change from month to month.

Under the law, excess cotton subject to a penalty is that cotton produced from the acres in excess of the allotment. The amount of cotton subject to penalty will be determined by multiplying the number of overplanted acres by the normal cotton yield of the farm.

In addition, cotton produced on a farm where the cotton allotment was overplanted will not be eligible for a government cotton loan. Nor can the farm receive PMA conservation assistance payments.

Bake the fruit cake at a temperature of 250 degrees and allow about 45 minutes of baking time for each pound the cake weighs.

Don't Shop By Impulse; It's Poor Investment

COLLEGE STATION—Shopping by impulse is a good way to get a poor return for the money, time, and effort spent at the grocery store, says Louise Mason, extension foods and nutrition specialist of Texas A. & M. College.

The impulse shopper buys what appeals to her at the time and often doesn't consider the needs of her family nor her pocketbook. On the other hand, the wise shopper goes to market with a list that includes the items needed by her family and shopping for her is fast and easy, for she knows what she wants.

Miss Mason says that it is a good idea to work out menus for several days in advance and if storage space is available in the pantry or kitchen, you can save many trips to the store. Be sure to include food items that will give the family nutritious and essential foods at every meal.

She says it is often necessary to adjust the market list to what the markets offer. Staples like flour and sugar can be listed definitely, but meats, fish, or poultry for the main dish, and fruits and vegetables often must be chosen in accordance with supplies and prices.

In buying fruits and vegetables,

compare price serving of fresh, frozen, canned, or dried before making a selection. In buying meat, eggs and canned goods, she says, it is wise to take advantage of cheaper grades where possible for budget meals. These offer as much nutritive value as higher grades and are often just as good for many cooking purposes or for mixed dishes.

Student Exodus Gets Underway This Week

General exodus of college and university students who had been enjoying the Yuletide vacation in this area with friends and relatives got underway the first of the week, with most of the trippers leaving here on Sunday and Monday.

Schools in some instances reopened on Monday, others on Tuesday. Back to West Texas State at Canyon on Sunday went Toby Booth and A. C. Henneman, while Jess Herbert Pipkin and family returned to Canyon earlier last week.

Returning to Texas Tech were Jo Ann Williams, Jim Bob Roop and Mr. and Mrs. Warren G. Harding; Bobby Hart has gone back to Austin to resume his studies at Texas University; Rosamond Booth departed the first of the week for North Texas State College and Pete Booth has gone back to Indiana to resume his work at that university.

JeDon Porter, of NMMI, reported back to Roswell after a holiday visit here, and Howard Graham has re-entered classes at McMurry in Abilene. Warlick Thomas, who is enrolled at ACC, spent the holidays here, although he now makes his home in Abilene. Mary and Phyllis Mendoza are back at work in an Albuquerque commercial school.

Returning to Eastern New Mexico at Portales were Peggy and Jean Rogers, Charles Felts, Mary Ruth Pe-tree, Sonny Graham, Nathan Harding, Beryl Brown, Mary Harding, Norma Lee Sanders, Grace McDaniels, Monty and Gervadene Jones, James Box, Bill Matrin. Paul Young has returned to Wayland College, at Plainview.

Rundell Home Scene Of Family Gathering On New Year's Day

The home of Mr. and Mrs. W. I. Rundell, in the Oklahoma Lane community, was the scene of a family gathering on New Year's Day, with a family members present except Weldon Rundell, Mrs. Lena Rundell and Leonard.

A full-course family style dinner was served at the noon hour and the afternoon was spent in visiting.

Those present for the affair included Mr. and Mrs. Myron Hillock and family, Mrs. Julia Hillock and family, Mr. and Mrs. Dick Doshier and family, Mr. and Mrs. Cecil Rundell and family, Mr. and Mrs. L. D. Rundell and son, Mr. and Mrs. Robert Rundell, Jr., and daughter, Mr. and Mrs. Billy Gene Dollar and son, Mr. and Mrs. R. B. Rundell and family, Miss Cathie Ann Rundell, Mr. and Mrs. Sam Rundell, Mrs. Dorothy Eason and Peggy, and Mr. and Mrs. Jack Glenn.

Visit In Odessa

Mr. and Mrs. Smokey Gast, of this city, were weekend guests of relatives in Odessa. They were accompanied on the trip by Mr. and Mrs. G. H. Schooling of Clovis, parents of Mrs. Gast.

Surprise Housewarming Given Clyde Perkins

A surprise housewarming was enjoyed in the lovely new home of Mr. and Mrs. Clyde Perkins, of the Oklahoma Lane community, Monday night, January 1st, at 8 o'clock, as a number of friends gathered to visit in the Perkins home.

Games of forty-two were played by the men present, while the ladies enjoyed parlor games.

At 9 o'clock Mr. and Mrs. Perkins opened the many lovely gifts presented by their guests, after which refreshments of punch and cookies were served.

Those present were Mr. and Mrs. L. M. Grissom, Mr. and Mrs. Lee Jones, Rev. and Mrs. A. D. Moore, Mr. and Mrs. A. B. Wilkinson, Mr. and Mrs. E. R. Barry, Mr. and Mrs. Leon Billingsley and family, Mr. and Mrs. Tom Foster and family, Mr. and Mrs. W. P. Shelley, Mr. and Mrs. E. W. McGuire, Mr. and Mrs. Clarence Christian, Mr. and Mrs. Walter Verner, Mr. and Mrs. John Porter and Earl Roberts.

Regrets were received from Mr. and Mrs. Troy Armstoring, Mr. and Mrs. Conda Jones, Mr. and Mrs. Robert Rundell, Mr. and Mrs. Claude Primrose, Mr. and Mrs. Lowell Primrose, Mr. and Mrs. A. Milstead, Mr. and Mrs. F. E. Kepley, Mr. and Mrs. Turner Paine, Mr. and Mrs. J. W. Herington and Nelson C. Smith.

Wedding Anniversary Will Be Celebrated

Mr. and Mrs. A. J. Jarrell, who live eight miles north and two east of Farwell, announced today that they would observe open house at their home on Sunday, January 8th.

The occasion will be the celebration of the Jarrell's thirtieth wedding anniversary, and friends and relatives are invited to visit them between the hours of 2:00 and 5:30 p. m.

Miss Bonnie Foster To Marry A. V. Warren

Mr. and Mrs. Tom Foster of Oklahoma Lane this week announced the engagement and approaching marriage of their daughter, Bonnie, to A. V. Warren, of Bovina.

The nuptials will be held Jan. 6, at 10 o'clock, performed in the Oklahoma Lane Methodist church, the Rev. Roscoe Trostle, Stinnet, Texas, officiating.

Mr. and Mrs. Foster issued the public an invitation to attend the ceremony.

Is Visiting Here

Mrs. Mildred Morrow, of Brandon, Mississippi, arrived the past weekend for a visit with her foster father, J. D. Hamlin, who is confined in a Clovis hospital. Mrs. Morrow is also enjoying a visit with friends in Farwell.

Mr. and Mrs. Mack Nobles, of Amarillo, visited Sunday in the home of Mrs. Anne Overstreet, in Farwell.

Alumni Banquet Is Held In Texico, December 27

The annual banquet and social for former Texico students and teachers was held at the school the past Tuesday night, December 27th, at which time Presley Landon, of Texico, was named as president, to serve in that capacity during 1950.

B. A. Rogers, of Texico, was elected to the vice presidency, but no secretary was named at the meeting.

Travis Brown, of Portales, retiring president, served as toastmaster for the occasion and informal talks were given by those seated around the banquet table, with each guest asked to introduce himself and tell where he was now residing.

A trio composed of Misses Lona Mae Jones, Frankie Harris and Jean Rogers sang several numbers, with Miss Peggy Rogers accompanying at the piano, and Miss Jones gave a reading.

The banquet tables featured Yuletide decorations, and the meal was prepared and served by members of the local Legion Auxiliary to around 50 attendants.

Langfords Celebrate 45th Anniversary

Mr. and Mrs. J. M. Langford celebrated their 45th wedding anniversary on January 1st, at the home of their son, Elmer Langford.

A delicious turkey dinner was served to the following: Mr. and Mrs. John Reagan and daughters of Melrose; Mrs. Emma Lee Hogland of Los Angeles, all old neighbors of the honorees; and their children, Mr. and Mrs. Dick Barber of Clovis; Mr. and Mrs. W. W. Williams and family of Clovis, Mr. and Mrs. Elmer Langford and sons of Texico, Mr. and Mrs. Dewey Green and family, of Gravette, Ark., were unable to attend.

New Year Dinner Is Held In Jesko Home

Mr. and Mrs. Harry Jesko entertained on Sunday, when a number of relatives and old friends gathered in their home in Farwell to enjoy a New Year's dinner, complete with turkey and trimmings.

Out-of-town guests were Mr. and Mrs. Ben Snell and Mr. and Mrs. Bub Snell and children, Janie, Dick and Donna Sue, all of Clovis; Mr. and Mrs. Anthony Jesko and son, Tommy, of Muleshoe, Anthony Jesko is a nephew of the local man.

Back From Oklahoma

Mr. and Mrs. J. F. Barnett returned home last week from a holiday trip to visit relatives at El Reno, Okla. Barnett says the moisture is good all the way east from Shamrock and that wheat conditions around El Reno are very encouraging.

J. F. Pesch Celebrates 84th Birthday, Saturday

J. F. Pesch, who resides west of Bovina, was honored with a surprise birthday supper in his home, Saturday, December 31, the occasion celebrating his 84th birthday.

A beautifully decorated cake, bearing the inscription, "Happy Birthday, Dad," with the numbers "84" just below, served as the centerpiece for the dining table.

Those attending the affair included Mr. and Mrs. Lee Osborn, Mr. and Mrs. Sand and family, Joe Pesch, Mr. and Mrs. Frank Pesch, Mr. and Mrs. Lewis Pesch, Mr. and Mrs. E. A. Hromas, Mrs. Clifford Leake and daughters, Mr. and Mrs. Arnold Hromas and daughter, Mr. and Mrs. J. W. Hromas and daughters.

As the guests departed, they joined in singing "Happy Birthday" to Mr. Pesch.

From Albuquerque

Mr. and Mrs. R. C. Crawford, of Albuquerque, spent Sunday and Monday visiting here in the home of Mr. and Mrs. John Dooze. They were accompanied by Mrs. Mary Emma Crawford, also of Albuquerque, on the trip.

Home From California

Mr. and Mrs. W. O. Barber returned home early last week from a month's holiday outing to California. On their return here, they moved from east of town to the Lazbuddy community, where they will be on a farm.

Returns Home

Mr. and Mrs. Dogie Rutherford left the first of the week for their home in Big Lake, Texas, after having spent several weeks in the home of her parents, Mr. and Mrs. G. W. Dyer. Mrs. Dyer has been ill for some time but her condition is slightly improved.

In Matthews Home

Visitors in the W. J. Matthews home over the holidays included Mr. and Mrs. Jimmie Caldwell and Sandra, of Kermit, Tex.; Mr. and Mrs. Jack Stallings and Leroy, from Clovis; Jacks mother, Mrs. Flint Stallings, from Slaton, Tex.

License Is Issued

Attached at the office of Clerk Loyde E. Brewer issued a marriage license, the past Friday, to A. V. Warren, of Bovina, and Bonnie Marlene Foster, of Oklahoma Lane. The couple will be married on January 9th, it is announced.

Returns To School

Jane Claire Overstreet, who had spent the holiday season with her parents, Mr. and Mrs. Hamlin Y. Overstreet, in Farwell, departed on Monday to resume her studies at Hockaday, in Dallas. She was accompanied to Amarillo by her mother.

Jack Wines and Dean visited in Dumas with Dave and Ronnie, who are in a hospital recovering from a recent automobile accident.

Mrs. Stella Hall of Ontario, Calif., sister of Hinton Blalock, visited in his home, Friday.

Mr. and Mrs. N. C. White moved Saturday to Friona.

Mr. and Mrs. Al Kerby left Thursday for an extended visit with her sister, in El Paso.

Mr. and Mrs. Frank Wilson and daughters returned Saturday from a

visit with relatives in Oklahoma.

Mrs. Barney McKinney returned the past weekend from a visit in the eastern part of the state with relatives.

Stacey Queen is receiving medical attention in Savannah, Mo.

Rev. and Mrs. Weldon Franks recently attended a Sunday School convention in Dallas. Rev. Franks and Billy returned home Saturday and Mrs. Franks remained to spend a few days.

Congratulations to Mr. and Mrs. Spinks on the birth of a daughter the past week. He is a teacher in the Bovina school.

Mr. and Mrs. Travis Anglin and family, of Borger, visited during the New Year holidays in the D. J. Manion home.

BOVINA EX-STUDENT BANQUET HELD

The Bovina Ex-Student banquet was held at the high school cafeteria

on Monday night, December 26th.

Jimmie Ray Glover offered the invocation, and former Supt. W. O. Cherry, now of Lorenzo, served as toastmaster. The welcome was extended by C. A. Ross and vocal solos given by Barbara Jean Davison.

Ellen Marie Estes gave a piano solo, following which Byron Dial spoke and Supt. W. H. Willoughby discussed "The School Today".

Delores Wilson led the high school chorus with Mrs. W. O. Cherry as accompanist, and Ray Hart gave the benediction.

New officers for the alumni association are Eugene Ezell, president; Melvin Stagner, vice president; Lillian Mahan, secretary; and Mary Leatrice Looney, treasurer.

Some 120 former students and teachers were present for the affair, following which an ex-student dance was held in the Legion hall. Western decorations predominated, and attendants wore Western attire.

LEGION-AUXILIARY HOLD CHRIS MAS PARTY

The American Legion and Auxiliary of Bovina Post 58 held its annual Christmas party recently at the Hall, which featured seasonal decorations and a beautifully decorated tree.

Games were enjoyed and refreshments served to Mr. and Mrs. Howard Looney and girls, Mr. and Mrs. Fred Langer and daughter, Mr. and Mrs. Gene Ezell and family, Mr. and Mrs. Marion Carson and sons, Mr. and Mrs. Billie Sudderth and sons, Mr. and Mrs. Elton R. Venable and family, Mr. and Mrs. Otis White, Lee Hopingardner, Mrs. Mable Newberry, Jack Baker, R. T. Harbor, Mr. and Mrs. Leonard Gee and family, Joe Moore, Mr. and Mrs. L. C. Moore.

Gifts were exchanged and hostesses were Mr. and Mrs. Gene Ezell, Mr. and Mrs. Billie Sudderth, Mr. and Mrs. Howard Looney, Mr. and Mrs. Elton R. Venable, Mr. and Mrs. Fred Langer.

Francisco Pizarro was the Spanish conqueror of Peru.

This Year, Too... ELECTRICITY WILL BE YOUR BIGGEST BARGAIN!

No doubt about it... this year, *all year*, your best buy will be low-cost electric service. While prices on most everyday items were on the upgrade all around you, your Public Service Company continued to bring you *dependable* electric service at the *lowest* cost possible.

Just think! All the services you use today for electrical living would have cost nearly twice as much only a few years ago. True, you are using *more* electricity today than you were then, but the good living and many comforts that are yours *electrically* in this year 1950 are still the most economical item in your budget. Low-cost... dependable... electric service makes it that way!

Bob Kirk Announces As Judge Candidate

The Tribune is authorized this week to announce the candidacy of Robt. (Bob) Kirk, of Lamb County for the office of District Judge of the 64th Judicial District.

Following is the statement issued by Mr. Kirk:
To The Voters of the 64th Judicial District:

I wish to announce to you my candidacy for the office of District Judge of the 64th Judicial District, com-

ROBT. (BOB) KIRK

posed of Bailey, Castro, Hale, Lamb, Farmer and Swisher Counties.

No one has solicited me to run for Judge, nor have I asked permission of anyone to get into this race. As a free born American and as a native

son of Texas, being under no obligation to anyone, except my God, my country, my family, and my conscience, being tied by no corporate strings, and with no axe to grind, I present myself as a candidate for the office of your District Judge.

I am 34 years old, married, and have one daughter.

I received my legal training in the law school of Baylor University, from which I graduated in June, 1938. Following this I practiced law in Waco for a few months, and then in the Spring of 1939 I moved to Lamb County, and it has been my home ever since.

I am now serving my second term as County Attorney of Lamb County, to which office I was elected shortly after returning from military service.

Since judicial procedure should be a correct application of the law to the facts found in each case, there is little place for a platform in a judicial candidacy. However, there is one thing that I can and do promise, and that is that as your District Judge, I will inaugurate and maintain a schedule of regular visits at stated times to each and every county in the District so that the lawyers, and those who have business with the Court will know when and where their cases will be tried. With such a schedule set up, all who need the Court may know that their rights will be handled as speedily as possible, and long, tiresome and expensive delays will not result.

Following is a list of organizations to which I belong and take part, they are listed for the purpose of showing that much time is spent in rendering public service and I am thus better qualified to meet the various problems that present themselves to the

office of District Judge: Steward in the Methodist Church, Past President Lions Club, twice Past Commander of the American Legion Post, Adviser Lieutenant local camp Woodmen of the World, one of 12 men in the nation on the National Service Committee of the Woodmen of the World, Veterans of Foreign Wars, Disabled American Veterans, member Masonic Lodge and Shrine, member Board of Directors of South Plains Council Boy Scouts of America, present President Littlefield Community Chest, member of Chamber of Commerce, Holder of commercial and instructors single and multi-engine flying license; treasurer of the Lamb County Rural Roads Association, and member of committee to help handicapped persons return to employment.

Your vote and influence in my behalf will be appreciated.

ROBT. (BOB) KIRK.

PURINA MILKING CHOWS

The results of twenty-one years of dairy feeding research covering about 2000 cow years, are in every Checkerboard Bag of Purina Milking Chows. Proof of the results of the Purina Dairy Program are found in the record of the Purina Research Farm Herd—the herd average production has increased from 6800 lbs. to 14,167. This is a grade herd and no female replacements have been purchased.

Many dairymen the country over are also getting excellent results. Come in, let us tell you about the Purina Dairy Program.

District Games Open This Weekend For Farwell Teams

Games which will have a bearing on district rating for the Farwell Steers begin this weekend. Coach Louis Purvis reported today, with the Bovina Mustangs to play hosts to the Steers on Friday night, January 6th.

The two girls' teams will also meet at Bovina, in official county play, Coach Jack Williams added. Competition for girls is set up by counties, whereas the boys compete in district games during the regular season, and both groups wind up with tournaments.

The Steers and the Mustangs have not yet met on the cage court this season, and what will happen when they get together cannot be predicted, coaches said today. On the other hand, the Farwell girls are hoping to get on the winning side in their official meeting with Bovina, as that squad has taken the locals twice previously in non-conference play.

Looking forward to next week, district play continues here on Tuesday night, January 10th, when both boys and girls from Wildorado are slated to make an appearance in another pair of games on the dark-horse side, since no pre-game dope is available.

On Thursday night, January 12th, the squads go to Vega for conference tilts, and on January 13th and 14th, will participate in a tourney at Abernathy.

Girls County Tourney Goes To Lazbuddy

The new Lazbuddy gymnasium is to be the scene of the 1950 girls' county tournament, Farmer county coaches announced Tuesday, following a meeting of supervisors on Monday evening of this week.

Two nights will be given over to playing off the tourney title, officials said today, with games planned for Tuesday and Thursday nights, February 7th and 9th. No games will be held during the day.

On Tuesday night, the 7th, Farwell meets Bovina and Friona clashes with Lazbuddy, while the Thursday night contests feature the winners and losers of the initial matches in the final playoff for first, second and third positions.

The county champ is determined by two factors, standing in round-robin play during the season, and rating in the tournament. Should a tie result—one team having won the tourney and the other rated tops in conference play—a playoff game will be necessary, probably during the boys' district tournament, which is to be held in the Farwell gym on Friday and Saturday, February 10th and 11th.

"Selling short" means selling something you don't own, but which you expect to buy.

Forrest Plays Here On Friday Night, Jan. 6

Two teams from Forrest—both of whom are reported to be among the strong cage contenders in this area—will make their appearance on the Texico court Friday night of this week, January 6th, Coach C. B. Stockton reported.

The boys' team from Forrest is understood to be particularly strong, Coach Stockton said Tuesday, as he went about the job of preparing his quintet for the weekend battles.

Texico's girls, who feature a superior brand of defensive ball, are out to take a win from Forrest, Friday night, as a warmup feature to a hard battle on Saturday night, when both local teams go to Grady. The Grady girls, coaches report, have been making a clean sweep of all opposition this season, while the boys, in turn, have made things hot for their opponents.

Boys In New Suits

The boys will be sporting their new suits, Friday night, Coach Stockton added, proudly exhibiting the uniforms which arrived the first of the week.

Carrying out the school colors, the new suits—ten in number—are made up of white jerseys with green and white numerals, and white satin trousers with green edging on the side seams.

Game time Friday night will be 7:30, and regular admission charges will prevail.

More Attendance Asked At Local Cage Games

"We want to know where the fans are staying on game night," Supt. Jack Williams said, in seeking of cage matches held recently at the Farwell school.

While most sports are drawing a full house, attendance at the local hardwood games has fallen off alarmingly this season, the superintendent went on, saying that support from patrons was necessary to "make things pleasant both financially and morally."

"No matter how good a team is, it is apt to hit a slump if it feels the lack of support at home, and on the other hand, strong support encourages players to improve," Williams explained, in pointing out that the conference season is just now getting underway for the two Farwell clubs.

"We need the paid admissions, too, but as much as anything else, we need spectators on hand to let the teams know that they have the backing of their home-town fans," he admitted.

The next home appearance for the local squads will be on Tuesday evening, January 10th, when Wildorado will appear here for two games. The first tilt gets underway at 7:30 and officials urge that a good crowd be on hand.

The corner stone in the Texas capitol building weighs about 16,000 pounds.

Club Swine Entries To Fort Worth Show

Eighteen gilts and barrows belonging to Parmer County 4H club boys will be among swine entries at the Southwestern Fat Stock Exposition in Fort Worth, County Agent Ollie Limer said today.

The Fort Worth show gets underway the last of January, and at present plans are for the boys to truck their swine to the exposition city on January 26th, Limer added. Walter Verner has offered the use of his truck to transport the animals to Fort Worth, and the boys who plan to show their stock will go by auto with Limer.

Exhibitors from this county will include James Tidenberg, who will show three Hampshire barrows; Rex Isham, one Duroc barrow; Max Crum, three Duroc barrows; Charles and Donald Ray Verner, eight Chester White gilts and barrows; and Jim Roy Daniel, three Poland China barrows.

Agent Limer added that he had been advised by Fort Worth officials that January 30 would be designated as "4H Club Day", and that passes would be issued to clubbers for entries to the fair grounds and for the rodeo. Boys who wish to attend the rodeo are reminded that they must notify Limer before the 15th, in order that reserved seats may be set aside.

The show opens on January 27th and runs through February 5th.

May Secure Trees For Windbreaks In Area

"If you are interested in securing seedlings, at a bargain, to set out windbreaks on your farm or around your property, now is the time to get in your orders," said County Agent Ollie Limer, today.

Limer went on to say that the trees, available through the Texas Forestry Service, College Station, will not be shipped on orders received after February 1st. Persons wishing the trees may either write direct to College Station, or check with Limer.

The seedlings are offered at an exceptionally good price, with around 1,000 of them selling for \$5, the county agent explained. However, orders will not be accepted for less than 100 trees. Several kinds are offered, and Limer will furnish further particulars to individuals interested.

The grub of the cockchafer is a tidbit in France.

PARTING REPORT . . . Retiring A. E. C. chairman, David E. Lillenthal, said that Senator Johnson (D., Colo.) is right about possibility of atomic bomb more powerful than 20 million tons of T. N. T. World War II bombs were 20,000 times as strong. Lillenthal claimed that congressional investigators hampered the progress of atomic discovery in this country.

Superintendents Will Attend Austin Meet

Parmer County school superintendents left this (Wednesday) morning for Austin, where they will spend two days attending the Texas administrators meeting, Supt. Jack Williams, of Farwell, announced before his departure.

Making the trip to Austin will be Supt. Williams of Farwell, Supt. Dalton Caffey of Friona, Supt. Archie Sims of Lazbuddy and Supt. and Mrs. W. H. Willoughby of Bovina.

The school heads plan to leave Austin, Friday afternoon, to return to their respective homes.

FEED MIXER AT MEARS

Ray Mears, at the Mears Feed & Produce, has received a Little Giant feed mixer and said this week that he planned to have it in operation within the next few days. When installed, he will be in a position to do custom mixing for the public.

TERM EXAMS NEXT WEEK

Supt. Jack Williams, of the Farwell school, reminded students in need of a little additional cramming that next Wednesday and Thursday, January 11 and 12, would be mid-term examination days at the school.

COLD REMEDIES

We have a complete line of cold remedies, including the new drug, Anahist, as well as all the old reliables.

FOX DRUG STORE

Swine Breeders Set Date For Hog Sale

Members of the Southwestern Swine Breeders Association, meeting in Clovis recently, set the date of their annual swine auction, which will be on Tuesday, February 7.

Kenneth Bozeman, of Lubbock, has been engaged to conduct the auction, which will be held this year at the Farmers and Ranchers sale barn in Clovis, starting at 1:30 p. m.

Officials of the sale stated the first of the week that present indications are that there will be between 40 and 50 head of bred gilts consigned to the sale.

FRANK SEALE TO FARM

Frank Seale, who has operated the Frank Seale Equipment Co. here the past several months, announced the first of the week that he was making arrangements to give up the business and go to the farm.

He said that he would sell the business outright if he had the opportunity, otherwise, he planned to close the establishment. Seale will farm the Hassell place northeast of town and will likely close a deal for additional land this week.

HOSPITAL AT BEAUMONT

The sixth Texas Baptist hospital, built at a cost of \$1,250,000, was opened in September at Beaumont.

Pre-School Clinic To Be Held January 10

Curry County health officials will be at the Texico school on Tuesday, January 10th, for a regular clinic it was announced today by members of the Texico Parent Teacher Association.

The clinic will begin at 1 o'clock, at the school, and there is no charge.

NEW EXTENSION CLASSES

New extension classes in education are now being offered in Seminole, Denver City, Seagraves and Leveland by the Texas Tech college extension service.

ON CHANGING ALTITUDES

"Boiling water's not so hot, way up on the mountain top", is a rhyme for housewives to remember when moving to higher altitudes.

GIVE PLENTY OF SUPPORT

Plumbing fixtures are heavy. Be sure that the supports under the bathroom are strong enough to support them.

TOPS IN FRUITS

Grapes top the list of all fruits tested at the Big Spring Field Station. They bloom late and usually escape the late spring freezes.
