

Mass Meeting Endorses Road Bonds

Mother and Daughter, Auto Crash Victims, Are Buried At Bovina

Funeral services for Mrs. Icie V. Bond, 65, and her daughter and only child, Dorinda Elizabeth Bond, 45, were conducted at the First Baptist Church in Bovina Monday afternoon by Rev. R. L. Butler, former local Methodist pastor now of Merkel, Texas, assisted by Rev. J. W. Riley, pastor of the Methodist Church at Tatum, N. M.

Burial took place at Bovina, under the direction of the E. B. Black Funeral Home, of Hereford.

Mrs. Bond and Miss Dorinda were killed instantly in an automobile crash which occurred early last Friday evening on the Canyon-Amarillo highway, in an accident which claimed the lives of four other people. Riding in the car with Mrs. Bond and her daughter were Miss Carolyn Kelly and Bob Lacy both of Amarillo. Lacy was killed outright and Miss Kelly died shortly after being removed to an Amarillo hospital.

The two other victims were R. T. Chandler of Plainview and Earl James Bolton of Rogers, Ark. Bolton was killed at the scene of the accident and Chandler lived only until Saturday noon, in a Canyon hospital. The two young men were in a car traveling south when their car collided head-on with the Bond machine in the middle of the pavement on a three-lane highway. The party in the Bond car was returning to Amarillo from Canyon.

Mrs. Bond at the time of her death was primary teacher in the schools at Tatum, N. M., where she had served the past 13 years. She joined the Texico faculty in 1929 and left here at the conclusion of the 1935-36 term to go to Tatum.

Miss Bond was a member of the Farwell school faculty from 1933 to 1938. Leaving here, she joined the Canyon school faculty, and later went to Amarillo. For one year she served as journalism head at West Texas State College in Canyon and then returned as journalism instructor in the Amarillo High School, which position she held at her death.

A crowd that overflowed the Bovina Baptist Church and stood in the yard outside gathered to pay respects to two of the most gracious and lovable characters ever to claim residence in this city.

Memorial services for Miss Bond were held at the First Baptist Church in Amarillo, Monday morning at 10 o'clock, and similar services were conducted at the Tatum school for Mrs. Bond during the morning hours.

Survivors of the two include Mrs. Flo Hall, an aunt, of Bovina; four brothers of Mrs. Bond, Rush Looney of Lubbock; Perry and Reagan Looney of Bovina; and two sisters of Mrs. Bond, Mrs. D. A. Atkins of Lubbock and Mrs. J. P. Macco of Bovina.

Thomas L. Bond, husband and father of the pair, died in October of 1938.

Pallbearers at the double funeral were Alfred L. Fourmentin, Marvin A. Looney, Will Perry Looney, Howard Reagan Looney, Waldon P. Slaton, Meyers J. Looney, G. D. Anderson, Jr., E. M. Rushing, Herbert and Glenn Williams.

Funeral Services Are Held On Wednesday

Following her death on Monday, March 21st, funeral services for Mrs. Elizabeth Rauh Burns were held in the Bovina Baptist Church last Wednesday afternoon, with Rev. Tom Kersey in charge. Interment was made in the Bovina cemetery.

Mrs. Burns, known to her many friends as Aunt Lizzie, passed away after an illness of only a few days.

Born at Huntington, Indiana, on April 20, 1860, she was 88 years and 11 months old at the time of her death. In 1887 she married Abram Burns, who preceded her in death on January 28, 1907. Mrs. Burns came to Bovina in 1933.

Survivors include one brother, Charlie Rauh, and one sister, Mrs. J. F. McCutchan, both of Bovina, and 21 nieces and nephews.

DISTANCE LENDS ENCHANTMENT . . . The two top men in the field of long-distance flying met each other during a nationally-broadcast radio program in New York. On left is Capt. Bill Odum, who flew non-stop from Hawaii to New Jersey, 5,000 miles, to break all such records for non-stop light plane flights. At right is Capt. James Gallagher, commander of "Lucky Lady II", B-50 long range U.S. bomber that flew non-stop around the world, refueling in flight.

FORMER CARDINAL STAR STILL PROUD BOASTER OF THE PAST

Suffers Burns When Hot Starch Spills

Donald Wayne, 2-year-old son of Mr. and Mrs. Perry Crawley, suffered first and second degree burns, the past Thursday at the Farwell Laundry, when a vessel of hot starch was upset on the little fellow.

He was with his mother at the laundry when the accident happened, and it is not known whether the child upset the starch, or whether it tipped and fell on him. Donald was burned from just below his eyes to his feet, with most of the burns on his left side.

Reports early this week were that he was getting along nicely.

Warning Issued On Garbage Dumping

The Farmer County Commissioners Court passed a resolution on Monday deploring the careless and persistent practice of dumping garbage along the right-of-ways in the county.

The extreme has been reached during recent weeks, with the unloading of garbage on private farm lands, the Commissioners pointed out.

Tin cans and junk iron dumped in the bar pits have been damaging tires on county road machinery, and farmers have reported cows with tin cans stuck to their feet during the past weeks. Dumping of waste paper and empty cardboard cartons has also been the subject of much complaint, members of the Court said.

Commissioners pointed out that it is unlawful to dump garbage along the highways or on private property, and urged that the offenders use junk yards provided for that purpose.

CONDITION SERIOUS

The condition of J. F. Partin, 80, who sustained a broken hip in a fall at his home in Texico on March 18, is reported to be unfavorable. Fears were expressed late Tuesday afternoon that he may not last very long.

TRUSTEE ELECTIONS

School trustee elections are scheduled for all the schools in Farmer County on Saturday, April 2. In addition to the selection of local trustees, two new county trustees are to be chosen, one in Precinct No. 2, and one in Precinct No. 3.

GENE LOVELACE OPERATED

Mr. and Mrs. Gene Lovelace left here March 20 for Boston, Mass., where he is undergoing treatment for high blood pressure. He submitted to surgery on Tuesday and is understood to be getting along satisfactorily.

Displaying the same egotism and confidence that carried him to fame in baseball with the St. Louis Cardinals, Paul Dean, famous ex-Cardinal pitcher, spoke to a good gathering of men and boys at the American Legion Hall last Thursday night, at the regular meeting of the Men's Club of Texico-Farwell.

"I know I know as much about baseball as anybody in the world," the former Cardinal star boasted. Then, after an hour's discussion of baseball technique, in which he went carefully into every phase of any particular play questioned by his audience, Paul pretty well convinced the interested group that his statement was not altogether a proud boast.

Dean, who is owner-manager of the Clovis Pioneer Club, was accompanied here by Don Bowles and R. B. McAlister of Radio Station KICA, and Ray Winkle, business manager of the Clovis Baseball Club.

McAlister, who introduced Dean, predicted a "great revival in sports for Clovis and vicinity with the arrival of Paul Dean on the scene."

Dean said that he had been playing baseball for 18 years, and said that the first thing he would list in becoming a great baseball player was a "clean life."

He reviewed some of his interesting experiences with the St. Louis Cardinals, and boasted that he was

Father Of Local Man Dies Of Heart Spell

James A. Payton, 70, of Altus, Oklahoma, father of N. W. Payton, of Farwell, died of a sudden heart attack last Thursday morning at 8:45, while operating a tractor at his home place near Altus.

Mr. Payton was operating a tractor, while his son, M. L. Payton, was riding the draw bar. The son noticed that his father had slumped over the wheel but presumed that he was listening to the motor, until it became apparent that the elder man was not driving the machine. Mr. Payton was rushed to a hospital, but was dead on arrival.

Funeral services were conducted in Altus on Saturday afternoon with Rev. Dorbel Tapp, of Hominy, Okla., in charge, following which interment was made in the Altus cemetery.

Survivors include the widow, four sons, Roy Payton, of Phoenix, Ariz.; N. W. Payton of Farwell, M. L. and Raymond Payton of Altus; two daughters, Mrs. Ruby Hunter of Altus and Mrs. Claude Preston, who is in Tokyo, Japan, with her husband.

The N. W. Paytons returned to their home in Farwell the first of the week and currently have as guests his brother and wife, Mr. and Mrs. Ray Payton, of Phoenix.

Breeding Set-Up Formed For County Dairymen

At a meeting held on Monday night, the Farmer County Dairy Cattle Club Artificial Breeding Association was officially formed, with directors of the Farmer County Cattle Club to serve as officers of the association for the current period.

County Agent Ollie Liner, in reporting the meeting, said that the organization would function under the current directors until October 1, at which time directors would be elected for another year. At present, Wendol Christian is president of the Cattle Club, Levi Johnson is vice president, L. M. Grissom, secretary-treasurer; Sterling Donaldson, J. T. Gee, Bill Hubbell and Melvin Sudrath are members of the board.

Herschel Morgan, who recently completed the special artificial insemination course at Texas Tech, and has been qualified, has been employed as technician for the association. The program will actually get underway as soon as the necessary implements are on hand.

Under the set-up, a membership fee of \$1 per year is charged, which may be paid the first time the herd owner calls the technician. Charge for insemination is \$6.25 per cow—for three services, if necessary—of which \$4 goes to the technician, \$2 to the stud animal at Texas Tech, and 25c is retained in the county for incidental expenses.

Currently, registered Jersey and Holstein stud bulls from Texas Tech will be used. Liner said that dairymen who wish to use the semen from the animals should notify him or Morgan as soon as the cow is in need of service. Incidentally, he pointed out, service from the studs is not confined to registered cows.

Pedigrees of the bulls are on hand in the agent's office, and may be studied by any herd owner in the area. The service area, Liner added, is limited to a 25-mile radius of Farwell.

Farmer Appears Over On Red Cross Quota

It appears certain that Farmer County has maintained its record of oversubscribing its Red Cross quota, W. E. Williams, county finance chairman, said early this week.

With a quota of \$792.00, subscriptions already reported to Williams had reached \$712.00 early this week, with four solicitors yet to report. "I am so confident that our quota has been raised that I have already reported to St. Louis that we are over the top," he told a reporter.

At the time Williams was contacted, Friona, Lakeview, Lariat and Rhea had not reported, but he was confident that when all reports were in hand the quota would be oversubscribed.

Williams reported the following subscriptions in hand:

Farwell	\$342.00
Bovina	240.00
Lazbuddy	115.00
Black	15.00
Total	712.00

HEAVY FROST APPEARS

A heavy frost covered everything here early Wednesday morning, following sub-freezing temperature readings during the night. Fears are expressed that the fruit crop prospects have been damaged by the cold. Most fruit trees were in bloom at the time.

REVEREND O. O. HOLLODAY, local Baptist pastor, who is conducting a revival series at the Texico-Farwell Baptist Church. The services will continue twice daily through Sunday, April 3rd.

Good Crowds Attending Local Baptist Revival

Excellent crowds were reported today by Rev. O. O. Holloday, pastor of the Texico-Farwell Baptist Church, who is currently conducting pre-Easter revival services at the church.

Curtis Lee, of Clovis, a student of Eastern New Mexico College, Portales, is in charge of music for the services, Rev. Holloday said.

Special services are slated for Friday and Saturday nights. The Friday morning subject will be "Thy Fool" while Friday night Rev. Holloday will speak on "Christ—The End of the Law". He especially invites the public to attend this service.

Youth services will be featured Saturday night, with a youth fellowship meeting to be held after the service. "Life's Supreme Decision" will be the sermon topic. On Sunday morning the pastor will speak on "The Man of Sorrow".

Sunday School classes are being held nightly preceding the sermon, from 7:30 to 8:00, and morning services open at 11:00. The revival will conclude on Sunday night, April 3.

Condemnation Suit Heard Here Tuesday

Condemnation suits for right of way privileges of the Southwestern Public Service Co. for the erection of high tension electric lines across farms of Clyde Goodwine and Carl D. Greeson were heard in County Court here Tuesday.

Acting as special commissioners, H. Y. Overstreet, O. W. Rhinehart and Frank Spring granted Goodwine damages in the amount of \$1865.00 and Greeson was awarded \$805.40.

This clears all right of way privileges for the electric company across this county for the new high tension line that is to be erected from Oklahoma to Carlsbad, N. M. Poles for the new lines are already strung across the county and rection work in scheduled to get under way at an early date.

JeDon Porter was a weekend visitor in the home of his parents, Mr. and Mrs. John Porter. He is a student at NMMI in Roswell.

Pavement Of Roads In Offing

Plans to vote bonds to pave at least 240 miles of Farmer County farm-to-market roads were endorsed at a mass meeting held here last Friday night, and attended by a good representation of voters from this district.

When a vote was taken on the proposition of whether or not the bond issue was favored, 30 votes approved the move and none opposed. Several present did not vote.

The mass meeting was called by the Farwell Chamber of Commerce, and presided over by C. M. Henderson, who in turn called upon Sam Aldridge to lead the discussion. Aldridge then introduced W. L. Edelman of Friona, who has made an extensive investigation of the proposed bond issue.

Edelman presented a map of the county, showing the suggested locations of the farm-to-market road network, which consisted of three cross-county roads running north and south, with an equal number running east-west across the county. He insisted that none of the lines across the map indicated a definite location, but "are just suggestions". "The final locations," he emphasized, "are to be left up to the people of the county and the State Highway Department."

The road network has been so mapped that no farm will be more than five miles from a paved road, and at the same time, no road will favor any particular marketing center over another.

Petition For Election

A petition, asking the Commissioners Court to call a bond election, was presented at the meeting, already bearing more than 50 names, sufficient to call an election. Several signatures were added after the meeting closed.

It was brought out at the meeting that at present the State Highway Department was committed to pave the roads between Bovina and Lariat; another road from Friona south to the Bailey county line; and add a 10-mile stretch to the east end of the paving which now reaches to the Oklahoma Lane school house. But, it was also pointed out that such a program would require several years to build under the Highway Commission's present plan of allotting seven miles every two years to this county.

The proposed bond issue would amount to \$1,600,000.00, and it has been estimated that \$840,000 would be enough to pave the proposed 240 miles of road. The Commissioners Court will issue only what bonds are actually required for the road construction, should the bond issue be approved.

Figures presented by Edelman revealed that the cost per quarter of land in the county would amount to \$7.80 per year over a 30-year period.

A committee from the rural sections of Precinct 3 was named to meet with the Farwell Chamber of Commerce road committee on Thursday evening, March 31, at 3 o'clock to work out agreements on the location of the road in this precinct. Those named were Luther Grissom, Webb Gober, Henry Curtis, Willie Williams, G. T. Watkins, Lawrence McKillip and Nelson C.

Dairy Day Set for County Clubbers

Gathering to exhibit registered stock, Farmer county 4H and FFA club boys will hold their spring Dairy Day at the Friona FFA barns on Friday, April 8th, County Agent Ollie Liner and Friona ag man J. T. Gee have announced.

Bulls and heifers will be classified during the day, with A. M. Meekma, dairy specialist of the Extension Service, Texas A. & M., as the judge. The classing will start at one o'clock officials added.

During the morning, judging contests will be open to FFA and ag teams, as well as adults who wish to take part. This phase of the show is

scheduled to get underway at 10 o'clock.

Classes for bulls include: (1) Six months and under; (2) One year and under two; (3) Two years and over.

Heifers will be rated as follows: (1) Six months and under; (2) One year and under two, not in milk; (3) Two years and under three, also yearling in milk; (4) Three years and over.

Purple ribbons will be awarded to AA stock, that rating 90 points or over; blue ribbons go to the A group rating between 85-90; the B animals will receive red ribbons, rating 80-85; white ribbons go to the C's,

rating 75-80; the D animals will receive a yellow ribbon, rating 70-75; and those rated under 70 will be classified as E, receiving no ribbon. Cash prizes will also be awarded, Liner added.

All 4H and FFA boys of the county are eligible to enter their registered dairy animals at the show, which is growing into one of the high spots of the spring festivities. Following the show, a majority of animals will be consigned to the Plainview show, which opens on Saturday, April 9th, continuing through the 16th, Liner said.

Health Notes
By Texas Department of Health

AUSTIN—With the appearance of an unusual number of smallpox cases during the past week, Dr. Geo. W. Cox, State Health Officer has issued a warning that this dangerous, disfiguring and often fatal disease can once again become a widespread health problem unless vaccination is used to protect the public against it.

Four cases of smallpox were reported from one county, and while that number may not seem great, it is nevertheless the same total as was reported for the whole State during the entire year of 1948.

"Smallpox vaccination, which affords complete immunity from this disease, is a painless, inexpensive procedure, which should be used to protect every individual in the State," Dr. Cox said. "When we grow lax about our vaccination and allow susceptible persons to be exposed to smallpox, it follows that the disease will spread throughout the unvaccinated population, bringing serious illness and possible deaths."

Dr. Cox urged all parents to see that their children have been properly vaccinated, and if there is doubt about the immunity still being in effect they should be given another vaccination. If they are immune, the vaccination will not take, but if it does take, then the immunity was low and the vaccination was needed for their protection. "This same thing applies to adults," Dr. Cox said. "Check and be sure that your own immunity is established, as well as that of your children," he advised parents.

Make Housecleaning Easy On Yourself

COLLEGE STATION—Make the housecleaning job easy on yourself. There's no reason to do more than you have to. So cut down on your fatigue by cutting down on the unnecessary part of housecleaning.

Gladys Darden, assistant extension home management specialist of Texas A. and M. College, says that doing year-round cleaning by a well organized plan which fits your particular needs will save time, energy, cleaning supplies and finishes.

Plan the order of cleaning routine

so that it fits in with the daily schedule, continues Miss Darden. Sort out the jobs which must be done once a week, once a month or less often so that several do not come on the same day.

The easiest way is the best way to do the jobs. Make as few motions as possible while housecleaning. Use both hands, and avoid those extra rubs and pats that take the extra time and energy. At the same time, route your work to save steps.

And another thing to remember is to do the job in as comfortable a position as possible while working. Sit whenever you can and rest between jobs. Short rest pauses or changing jobs once in a while help reduce fatigue.

Don't forget breakfast and lunch. Eat heartily, and wear easy action clothes, shoes and hose which are comfortable and well fitting, says Miss Darden.

Be sure your posture is right for the job. Extra kneeling and stooping tire a person out rapidly. Longer handles on the dust pans, mops and wall brushes help maintain a better posture while housecleaning, Miss Darden concludes.

A Samurai was a member of the military caste in Japan.

Johnson Grass Rated All-Around Grass

COLLEGE STATION.—Johnson grass is just an all-around good grass. It seems to lead the field for heavy yields of high quality forage. This includes, of course, the cool-season grasses and legumes that may be grown in johnsongrass fields.

This information comes from Robert R. Lancaster, extension pasture specialist of Texas A. and M. College. Idle johnsongrass land throughout the blacklands and elsewhere needs only fencing and stock water to make it available for leasing as hay or pasturage. So you don't need to apologize to anyone for growing johnsongrass for pasture or hay, says Lancaster, except those whose fields become infested by seed from yours.

Six steers grazed 11 acres of fertilized johnsongrass for five months at the Texas Agricultural Experiment Substation at Temple, and gained 1.58 pounds a day. This indicates a yield of more than four tons of green forage to the acre, or one-fourth as much on a dry-matter basis.

Results from these experiment station tests show that early-cut johnsongrass hay is richer in protein, phosphorus and total nutrients, and rates highest among other grasses in the most valuable nutrients. In addition to a summer graze of johnsongrass equivalent to one ton of 10 percent protein, a cool-season crop of oats and sweetclover can follow. Lancaster says this would be expected to yield approximately two tons

of 20 percent protein on a dry-matter basis.

If you figure on leaving the johnsongrass for grazing, make a pasture out of it and fertilize with 200 lbs. of 16-20-0 or 400 lbs. of 6-10-0 of commercial fertilizer to the acre, until a legume gets well established, suggests Lancaster.

Wayland Students Will Conduct Series, Hawaii

PLAINVIEW—Dr. J. W. Marshall, president of Wayland College will lead a group from Wayland College to Honolulu April 5 where they will conduct a city wide revival in the Nuuanu Baptist Church from April 10 through the 17.

Dr. Marshall and Dr. J. Ralph Grant, pastor of the First Baptist Church in Lubbock, will lead in the preaching services there.

Three Wayland College students will leave with the college president to help in the youth work and lead the song services. Two of these, Sam Choy and Mori Hiratani, are from Hawaii. Miss Flora Favor of Buckeye, Arizona, is going as pianist for the group.

Miss Flavor and Mori Hiratani were two of a group of Wayland students who conducted youth revivals in Alaskan Baptist churches last summer. Hiratani and Sam Choy, who is the Baptist Student Union secretary on the campus, were members of the Oriental team which toured the southland last summer conducting youth revivals in churches and summer camps.

J. L. Harden, Wayland business manager, will also go on the trip. It is possible that a few others will go.

While they are in Hawaii, Dr. Marshall said that they would visit friends before the revival and especially visit the homes of the Hawaiian students—Sam Choy, Mori Hiratani, Muriel Okamoto, Betty Takahashi, and Eddie Arakawa.

Dr. Marshall also announced that they would be happy to try to de-

liver messages to friends and relatives of all who would write the names and addresses.

AH, ME!

National Peanut Week has been set for April 3 to 9. Farm sales of peanuts increased from \$12 million in 1932 to \$225 million in 1948, and over four million acres are planted to goobers in the United States.

Poultry And Egg Shipments Rise

AUSTIN—Rail shipments of eggs from Texas stations totaled 88 carloads in January, the University of Texas Bureau of Business Research reported.

This compares with 7 carloads in December and 20 in January 1948. Eggs received by rail at Texas stations totaled 13 in January, 28 in December, and 11 in January of last year.

Take Your Family To Sunday School

Almost everyone who has occasion to meet and work with young people—as I have had the privilege of doing for a good many decades—is struck by one eternal quality recurring in the youth of every generation. That quality is eagerness; eagerness to do, eagerness to achieve; eagerness to learn. It is a vertiable Niagara Falls of energy and potential power.

The boys and girls of today have this wonderful quality, this new hope for the world. Within themselves, they have the potential power to rebuild the world nearer to heart's desire. If they will it so, they can make this a productive and peaceful world. But young people can utilize their tremendous energies to produce good in the world only if they are able to harness them and put them to work efficiently and intelligently. Helping to turn these mighty energies into the true power of spiritual adulthood is the work—the sole work—of the Sunday Schools of our churches. Nowhere else are the training and spiritual education and lessons in self-discipline and self-realization available to our young people. The work of our Sunday schools therefore becomes a primary consideration of every responsible adult in this nation.

Our public schools do an important job of helping to train young minds. There are countless civic programs which help to train young bodies and coordinate young muscles and teach some of the lessons of good sportsmanship. These have the deserved support of most of our citizenry. Yet without spiritual education, a sound background or moral and religious training, all other courses of training fail.

In this most important of all the responsibilities of education—that or training the mind and spirit—countless millions of adults are woefully neglected or indifferent or both. To provide for the schooling of a child's mind, to provide for his physical health, yet to neglect the

health and growth of the soul within him is to rob him of his birthright—and cripple his spirit.

Until every boy and girl, and every man and woman in this nation has become an active participant in a Sunday school and church program, we are neglecting our most important national resource—the spiritual power of our people.

It is not enough merely to send your children to Sunday school. Take them to Sunday school this Sunday—take them regularly—join in the work of the church of your choice—help to make that work more far-reaching and significant—put your own faith to the test—and you may discover in yourself new spiritual strength which will bless your own life, that of your family and the community in which you live.

Most garden soils should be prepared for spring in January or early February. Be sure to allow for good drainage of the garden plot.

CAMPUS BEAUTIES—Beauty queens recently elected by the student of Wayland College are Wylfae Whatley of Groom, Fredia Blasingame of Wellington, Alta Faye Phillips of Seminole and Velma Umphries of Phillips.

Joint Meet Scheduled Fort Worth, Ap. 1-2

COLLEGE STATION.—The spring meeting for the Texas Home Economics Association and the Texas State Nutrition Council will be held

in Fort Worth, April 1 and 2. Bess Edwards, District Agent for Extension District 8, Stephenville, will preside over the joint session on Friday. "A New Look At Bread" will be discussed by Mrs. Clara Gebhard Snyder from the Wheat Flour Institute in Chicago, and Dr. Johnnie Christian will lead the College Home Economics Clubs in a panel discussion.

Gayle Roberts, Tarrant County Home Demonstration Agent will preside over the afternoon session. "Taking the 'Di' out of Diabetes" will be discussed by Mr. Kenneth F. Smith, from the Dallas Diabetes Association, and home economics in business by Neva Harbison of the Philco Corporation.

Other speakers for the joint sessions of the Association and the Council will be Dr. Ercel S. Eppright from Iowa State College, Frances Russell leading a panel discussion on school lunches and Mrs. Ellwood Street from the Hogg Foundation on home and family life.

Executive meetings of both organizations will be held on the evening of March 31. Dr. Florence I. Scouler of North Texas State Teachers College is president of the Texas Home Economics Association and Albertine Berry from Mrs. Tucker's Home-makers' Department, Sherman, is chairman of the Texas State Nutrition Council.

When eggs are kept in the refrigerator, they should be stored with the large end up. This keeps the air cell in that end from moving around and damaging the membrane.

"TROUBLED LITTLE MINDS" • • • Dr. Hemilton, the famous psychologist, tells you how she finds the reason for a child's unhappiness by watching him at play. For the fascinating details of this unusual treatment be sure to read it in The American Weekly, that great magazine distributed with your Sunday's Los Angeles Examiner.

FROM THE HOPPER

By HOP

A great transformation is soon to take place in the domestic duties of Jim Hardin, confirmed bachelor. Don't get me wrong . . . Jim is not contemplating matrimony so far as I know. Jim has been batching down on his sandhill starve-out for more than ten years now, and all this time a large range has afforded him all the heat for his house as well as served him in the preparation of his meals. But Jim is on the REA now and he has installed a spanking new electric range which he intends to do his cooking on hereafter. But Jim is not ready to give up his old coal-burner yet. "I am going to sell it when the weather warms up," Jim says.

Examining a copy of the Sunday issue of the Dallas News, Bob Kyker recalled some of his cow-punching experiences, by explaining that when the cowboys could get hold of an issue of such a paper back in those days it would afford enough packing to make a bed that would last all winter. He said that a large batch of newspapers, ripped up make an excellent "hot roll" as the cowboys called their beds in those days. Furthermore, such a bed was light and easy to carry about on horseback or on the chuck wagon, he added.

Uncle Jim Richards was down from Bovina the latter part of last week getting new license plates for his car. "I don't see any reason of buying new ones, the ones I have are plum good yet," the old cowhand reasoned.

Whether or not Parmer County is soon to have a series of farm-to-market roads built from a bond issue will be known in the not-too-distant future. While the Chamber of Commerce in Friona, Bovina and Farwell have taken the initiative in laying the groundwork, that does not mean that these organizations are going to cram a bond issue down the throats of the taxpayers, who are to have the final word on the matter. If you think a network of paved roads criss-crossing the county will be a good investment and will enhance the price of your property, then you will probably support the issue. If, on the other hand, you feel that the investment is not a good one and you are opposed to saddling debts on the coming generations, you have the privilege of opposing the issuance of such bonds. One thing that we must keep in mind is the fact that this series of proposed roads will not mean that pavement will be in front of every farmer's door. The present plan now is to locate the roads so that no farm will be more than five miles from pavement. It will mean an increase in taxes, estimated at about \$7.80 per quarter section each year over a period of 30 years. That, in round numbers, would mean that land owners would pay \$936.00 per section to retire the entire bonded indebtedness. One land owner was heard to say this week that he would "write a check right now" for his part of the bond issue.

No Arrests In Farm Home Burglaries

Sheriff Charley Lovelace said today that no arrests had been made in two farm home burglaries committed early last week.

On Sunday entrance was made of the Fowler home in the Luzbuddy community where a radio shotgun and wrenches valued at \$100.00 were taken.

On the following Wednesday, burglars entered the John Lovelace home, 5 miles southeast of this city, and got off with two radios, a wrist watch, an alarm clock, and groceries valued at \$15.00, which included fresh meat and milk taken from the family refrigerator. Entrance was made during daylight, while Lovelace was in the field and his wife was teaching school in Farwell.

Sheriff Lovelace expressed the belief that the jobs were committed by different parties.

\$450.00 Turned In On Scout Drive

"Roughly, four hundred and fifty dollars," was the way Frank Seale put it last weekend when asked about the result of the financial drive staged in Texico-Farwell recently.

Seale went on to add that some of the solicitors had not made final reports, and he also added that he felt certain the fund would be swelled when all reports were in hand. In this connection, it was urged that all workers complete their list and make their reports as early as possible.

Three Held Here On Car Theft Charges

Three young men are being held in the Parmer County jail on a charge of car theft, and will probably face the charges when the grand jury convenes in mid-April.

The three being held are Fred Sunderland, 18, of Ridecrest, Calif.; Theodore Torrence, 24, of Overland Park, Kan.; and Clarence Palmer, 19, of Inyokern, Calif.

The trio was arrested last Thursday near Amarillo by highway patrolmen, a short time after they left here in a new Hudson belonging to Claude Rose, which had been left just west of the bank in this city.

The car was missed just a few minutes after it was taken, and members of the Highway Patrol, who happened to be in town at that time, broadcast patrolmen to be on the alert.

Canyon patrolmen sighted the car speeding toward Amarillo and gave chase, only to discover that they were being out-distanced by the fleeing trio, although the patrol car registered 105 m.p.h. in the chase. Broadcasts were flashed ahead to Amarillo patrolmen, who threw up a road block just outside Amarillo on the Canyon-Amarillo highway.

There the chase ended and the three were taken into custody and returned to Farwell, where they were lodged in jail.

Sheriff Charley Lovelace said that one of the trio, Torrence, was wanted in Kansas on a car theft and hijacking charge. He is said to have jumped bond while awaiting trial. Another, Palmer, is understood to have served time in Oregon for car stealing. Sunderland seems to have had a clean record in the past, Sheriff Lovelace said.

Officers are working on the theory that the same three young men stole a Plymouth in Clovis early Thursday morning and abandoned it east of this city, a short while before the Rose car was taken. If they can be connected with the Clovis car theft, officers here said, they will face federal charges for transporting a car across a state line. Federal officers were here this week investigating this angle of the case.

Local Faculty Attends Teachers Meeting

Between 500 and 600 teachers from four counties of Eastern New Mexico gathered in Tucumcari, the past Friday, for the spring meeting of the Eastern New Mexico Branch of NMEA.

Supt. B. A. Rogers stated that notable speakers included Mr. Rooser; Pat Sweeney, high school supervisor; Mrs. Barker, grade supervisor; and Floyd Santistevan, who spoke on "The Teacher's Retirement Plan in New Mexico."

Under new legislation discussed at the meeting, which goes into effect with the opening of the 1949-50 school term, the Texico faculty will be increased by one or possibly two teachers, Rogers reported. The law now requires that primary teachers (first and second grade) handle not more than 22 students, while the pupil load on teachers from the third through the eighth grades is 25. Previously, the pupil load was set at 30 per teacher.

Attending from Texico were Supt. and Mrs. B. A. Rogers, C. E. Sanders, F. D. Stout, Mrs. Jimmie Allman, Mrs. Gladys Prescott, Mrs. Regina Neill, Mrs. Frank Seale, Mrs. LeRoy Faville, and John Adams.

MOORE IMPROVIG

Reports reaching here Monday indicated that J. D. Moore, Jr., salesman for the Henderson Grain & Seed Co. of this city, who underwent an emergency operation in San Antonio, early last week, was getting along satisfactorily, and would be able to return home soon.

Moore's family, and his father and mother, Mr. and Mrs. Dick Moore of east of town, are in San Antonio with the stricken man.

Farwell Class Play Comes April 7th

"Bolts and Nuts", a merry, mad-house three-act comedy, will be presented by the Farwell seniors in the school auditorium on the night of Thursday, April 7th, it was announced today by Mrs. Mary A. Payton, who is directing the group.

Actually, the play takes place in a hospital for the mentally ill, with a mad scramble being occasioned by various relatives and hangers-on of rich Benjamin Bolt, deceased, to find the money he concealed in the hospital.

Whether or not the characters are actually insane is more or less left up to the audience, with the various scenes taxing the credulity of playgoers.

Miss Rebecca Bolt (Bonnie Foster) is Benjamin's legal heir, and as such inherits the hospital, where the mad hunt for the hidden money is carried out. Other characters include Miss Bolt's niece, Venita, played by Alta Norton, her current boy friend, Fink Starr, who has delusions of grandeur, by Warlick Thomas; Lutie Spinks, the maid, who suffers a tic that causes her to wink madly and thus confuses all the men in the place, Rosamond Booth; Martha Grubb, a melancholia, Betty Gulley; Dr. Hippocrates Joy, the psychiatrist, A. C. Henneman; Henry Guober, the negro porter, Toby Booth; Rhinea Plachett, a timid lawyer, Herman Gerie; Miss Prupella Fig, who suffers from claustrophobia, Theda Branscum; Cadwaller Clippy, afraid of cats; Jackie Holland; Gertie Glossup, who fears contamination, Louise Ruddled; Tommy, her brattish child; Mary Ruth Petree; and Jack Garden, a young intern, R. A. Cassidy.

The curtain is slated to rise at 7:30, and all local playgoers are urged to be on hand for one of the funniest productions of the year.

New Employees Added To Hospital Staff

Two new employees have recently been added to the staff at the Parmer County Community Hospital, in Friona.

Miss Frances McDonald, R. N., A. A. N. A., a graduate of Boston City Hospital and with several years experience in both anaesthesia and general nursing, is to replace Mrs. Sheppard as superintendent of nurses.

Dolores Kurck, graduate of St. John's Hospital in Margo, N. D., has been appointed as surgical nurse and general floor supervisor. Also employed in the hospital as night supervisor is Miss Marion L. Becknell, graduate of a Texas hospital, who has had several years experience in general nursing and supervisory work.

The hospital is now completely staffed with registered nurses of the highest abilities and qualifications, officials report.

Dr. Cooke Is Named Co. Health Officer

Dr. H. Hamilton Cooke, head of the Parmer County Community Hospital at Friona, was named as county health officer, by the Commissioners Court at the regular meeting here on Monday.

His duties are to begin on April 1st. Dr. Cooke succeeds Dr. R. C. Stokes, who moved from the county some months ago, and the office has been vacant since that time. Other business transacted at the meeting of the Court consisted of the approval of current bills.

HOME ON FURLOUGH

Pvt. Fred Curtis, son of Mrs. Ray Mears, arrived home Sunday for a 30-day furlough, after spending the past six months at Hachinohe, Japan, with the Air Corps. He will report next to Camp Campbell, Ky.

Curtis said that he did not enjoy his stay in Japan. "There was snow on the ground every day I was there," he said.

HOWDY FOLKS . . .
Love consists of a little sighing, a little crying, a little dying—and a great deal of fibbing.

Mistress: "No mail this morning?"
Maid: "No, the postman and housemaid have quarreled."

"Excuse me, but I'm in a hurry. You've had that phone twenty minutes and not said a word."
"Sir, I'm talking to my wife."

He: "That's a flimsy dress you're wearing."
She: "That's a flimsy excuse for staring."

Haynes-Ogden Rites Read In Tucumcari

Word has been received here of the marriage of Miss Ina V. Haynes, formerly of Texico, daughter of Mr. and Mrs. Raymond E. Haynes of Tucumcari, to Don Ogden, son of Mr. and Mrs. Roy E. Ogden, also of Tucumcari.

Rev. R. L. Patillo, pastor, read the beautiful ceremony in the Tucumcari Baptist Church on Sunday, March 20th.

Mrs. Rowland Stephenson was at the piano for nuptial selections, with C. E. Dunn as soloist. Floral decorations, interspersed with white tapers, featured a color scheme of pink and white.

The bride, wearing a bridal gown of white satin, was given in marriage by her father. Her headdress was of illusion, with a halo-like ruffle at either side, and the veil fell from the headdress. Something old was a brooch belonging to her mother; something new was a dainty lavalier, a gift of the groom; a garter served as something blue, and for something borrowed she carried a linen handkerchief.

The maid of honor was Miss Meredith Williams, cousin of the bride, of La Jolla, Calif. She wore blue net and carried a colonial bouquet of pink rosebuds. The bridesmaids, Misses Patsy Branch and Frances Martin, were dressed in pink net and wore pink carnations in their hair.

Young Gene Haynes, brother of the bride, and Priscilla Arnold acted as ring bearers, with Denny Carter as train bearer. The boys wore white pique suits and Priscilla wore a formal gown of white satin.

As mother of the bride, Mrs. Haynes wore a dark green suit with pink and black accessories. Her corsage was of pink roses. Mrs. Ogden, mother of the groom, chose a black suit spiced with white and fuchsia and had a corsage of roses.

Kenneth Ogden, brother of the groom, served as best man, while D. C. Haynes, brother of the bride, and Jack Ogden, brother of the groom, were the ushers.

Following the ceremony, a reception was held in the Haynes home, with Mrs. Hershel Arnold and Mrs. Newton Nix in charge of the table.

Mrs. Ogden attended the Texico school through her sophomore year, graduating later at Tucumcari. She was also a student of San Diego Junior College, in California, and was an employe of the Southern Union Gas Company at Tucumcari before her marriage.

A graduate of the Tucumcari school, Ogden was in naval service for two years, and received his college training at State College, N. M.

After a wedding trip to Old Mexico, the newlyweds will be at home in Tucumcari, where Mr. Ogden is associated with his father in the Ogden Plumbing Company.

From California

Dr. and Mrs. A. L. Dillon and daughter, Eva Ann, of Laguna Beach, California, spent Sunday in the home of Mr. and Mrs. Jess Newton, of this city. Mrs. Dillon is a sister of the local lady. Other visitors in the Newton home Sunday included their daughter, Mrs. H. H. Potter, and family, of Muleshoe.

Go To Lamesa

Mrs. Grady Box, of Grady, N. M., accompanied by R. D. Williams of this city, left Sunday afternoon for Lamesa, where Mrs. Box was called by the illness of her grandmother. The elderly lady sustained injuries when she fell, last week, at her home south of Lamesa.

Birthdays Noted By Donald, Dean Crume

Both Donald Bruce and Walter Dean Crume, sons of Mr. and Mrs. Joe Crume of Farwell, celebrated their birthdays last week, with socials being held for the youngsters.

On Tuesday, March 22, Donald played hosts to his classmates, noting his seventh birthday. The party was held in the first grade room at the Farwell school.

The Easter motif was used, with wax bunnies being distributed to the children as favors. Assisted by Mrs. Harry Whitley, first grade instructor, Mrs. Crume served refreshments to 26 youngsters at the conclusion of the party.

Dean's fourth birthday was celebrated on Saturday, March 26, with a party at his home.

Games were enjoyed and each child received a balloon as a favor, after which birthday cake and ice cream was served to Barry McCuan, Janie Bradshaw, Steven Dale and Carol Smart, Iris Goldsmith and Gwayne Cason, of Farwell, and Judy Crume, of Friona.

Mrs. Ezell Is Hostess To Methodist Group

Mrs. Roy B. Ezell was hostess to the regular meeting of the WSCS of the Methodist Church, the past Wednesday afternoon, with Mrs. W. H. Graham in charge of the study program.

Assisting Mrs. Graham in the study were Mrs. Ruby Dixon, Mrs. Jim Moss and Mrs. B. N. Graham.

At the conclusion of the social hour, a sandwich plate was served to Mesdames A. D. Smith, Ralph Humble, Harvey E. Carrell, Grace Sanders, Mary Clary, Lena Yoder, G. W. Atchley, Ruby Dixon, B. N. Graham, W. H. Graham, Albert Thomas, Jim Moss, members; Mrs. Jess Newton and Mrs. Claude White, guests, and the hostess.

To Mineral Wells

Tom Adkins, accompanied by Will Hardage, spent the weekend visiting in the home of Adkins' parents. The men attended the reburial services of Tom's half-brother, held in Mineral Wells on Sunday. The deceased was a veteran of World War II and his body was returned to the States from Europe.

Guests In Rose Home

Mr. and Mrs. Carl Compton and small son, of Wilson, Oklahoma, visited in the home of Mrs. Compton's aunt, Mrs. Claude Rose, the past week. They were enroute home from a tour through the Carlsbad Caverns.

Home From Vacation

Mr. and Mrs. Loyde Brewer and son, Byron, returned Sunday night from a two-weeks vacation trip, during which they visited relatives and friends in California and other states. They were accompanied by Mrs. Brewer's mother, Mrs. C. L. Vestal, and grandmother, Mrs. Ida Merrill, both of Friona.

Enroute To California

Mr. and Mrs. Bill Kaffir Jr., and family, Mrs. Charley Calahan and son, Dean, and Bill Kaffir, Sr., visited briefly Tuesday morning in the home of Mr. and Mrs. R. D. Williams. They were enroute to their home in California, after visiting their grandmother, and mother, who is seriously ill at Lamesa.

Mrs. Elmer Bridges was a weekend visitor in Weatherford, Oklahoma.

TEXICO COUPLE CELEBRATE GOLDEN WEDDING ANNIVERSARY ON MARCH 5

Mr. and Mrs. Virgil Boone, of Texico, celebrated their 50th year of married life at the home of their daughter, Mrs. E. L. Mayberry, of 200 Ross, in Clovis, on March 5th, with a family gathering and dinner.

Inasmuch as that date was also Mr. Boone's 76th birthday, the celebration took on double significance.

Mrs. Mayberry baked the cake for the occasion, a practice she has maintained for the past 23 years on her father's birthday. Present for the observance were Mr. and Mrs. Mayberry and children; Mr. and Mrs. Raymond Boone and children, and Mr. and Mrs. Ralph Boone, all of Clovis. One son, Therman Boone, and his family, who live in California, were unable to be present.

Mr. and Mrs. Boone moved to Texico three years ago, after purchasing the Triplett duplex, and have resided here since that time. Before they operated a farm just south of the railroad underpass west of Texico, where Boone had been engaged in farming and stockraising since 1922.

As a young cowboy of 26, Boone was working for his uncle, Virgil Brownfield, for whom the town of Brownfield was named, on the Fish Creek cattle ranch, when he began courting Miss Ora Keith, a young maiden on an adjoining cattle ranch. They were married at Sweetwater on March 5th, 1899, by a justice of the peace named Hopkins. The wedding took place in a small hotel in Sweetwater, and the Boones left immediately for a brief honeymoon, intending to visit with relatives east of Fort Worth.

Enroute to their destination, they were informed that some sort of an epidemic was raging at Fort Worth, and all incoming persons were placed under quarantine. "Course we didn't want to be placed under quarantine, so we stopped at a small town called Santa and visited with my brother," Boone relates.

After the honeymoon trip, the newlyweds returned to the Fish Creek ranch, where they remained for 16 years. During that period the oldest child, now Mrs. Mayberry, was born.

In 1918, they pulled up stakes at the old Fish Creek headquarters and headed for New Mexico, purchasing a small ranch north of Tolar, on Peach Canyon, where they lived six years. The next move was three miles west of Texico, where they resided until coming to town three years ago.

Four children have been born to the union, and all are living at the present time.

"We went through some pretty lean years on the ranch after moving to New Mexico," Boone recalls. But with a grin of satisfaction, he admits "it was worth it... we have reared four children and we are mighty proud of all of them."

Auxiliary Will Sponsor Covered Dish Supper

The Texico-Farwell American Legion Auxiliary will sponsor a covered dish supper on Thursday night, March 31, at the local Hall, at 8 p. m., officials said today.

The occasion is in observance of the national founding of the American Legion, which occurred during the month of March.

Each Auxiliary member will bring a covered dish, which will be assigned by the social committee, made up of Mrs. Mary Lou Cason, Mrs. Kate Phillips, and Mrs. Billie Phillips.

After the supper, various table games will be arranged, and everyone is urged to be on hand.

Are Dinner Guests

Mr. and Mrs. Johnnie Williams, Mr. and Mrs. Bert Williams, Mr. and Mrs. J. H. Stone, all local residents, and Mr. and Mrs. Hal Stone of Clovis, were dinner guests in the J. E. Stone home Sunday.

Magnesses Return

Mr. and Mrs. Willis Magness returned Monday afternoon from Mineral Wells, where they had spent the past several weeks. Mrs. Magness, who suffered a light stroke some months ago, received medical attention at the health resort.

Here For Weekend

Mr. and Mrs. J. R. Fain, students at ACC in Abilene, were weekend visitors in the home of Mrs. Fain's parents, Mr. and Mrs. Sam Randol. Mrs. Leon Cantrell, of Clovis, also visited with her parents over the weekend.

Here On Vacation

Miss Jane Claire Overstreet, who attends school in Dallas, is here enjoying a spring vacation in the home of her parents, Mr. and Mrs. Hamlin Y. Overstreet.

Mrs. Joe Camp and children are in Ballinger, visiting with relatives.

Mr. and Mrs. Billy Bob Drace and daughter, Mona Lynn, of Abernathy, visited with relatives and friends in Texico over the weekend.

CARD OF THANKS

To all of you who were so kind and considerate of us in so many ways during our recent bereavement, we take this means of expressing our appreciation for your many evidences of affecting toward "Aunt Lizzie" Burns.

Mr. and Mrs. Cha's. Rauh and Charlene, Mr. and Mrs. J. F. McCutchan, Mrs. Bula Pumroy, Mr. and Mrs. Earl Rauh and Melvin, Mr. and Mrs. L. J. Dudley and family, Mrs. Lois Hundley, Mr. and Mrs. A. R. McCutchan and Wayne, Mr. and Mrs. E. L. McCutchan and Junior, Mr. and Mrs. D. A. McCutchan and family, Mr. and Mrs. C. A. Pumroy and family.

Bovina Happenings

BY MARIE VENABLE

AMATEUR SHOW SLATED

Thursday night, April 14, an amateur show will be sponsored by the Rainbow Girls of Bovina, in the local auditorium. Paul Dean, owner and manager of the Clovis Pioneers, has been invited as emcee.

Anyone of any age can enter and prizes will be given each age group. A pie supper will be held following the amateur performances. Proceeds will go toward helping the Rainbows attend grand assembly.

TO INTERSCHOLASTIC LEAGUE

Bovina will participate in the interscholastic league meet at Friona, April 1-2. Entrants will be made in track, the girls will enter the volleyball tourney, and representatives will also participate in the literary events. School will be dismissed on Friday.

STUDY CLUB MEETS

The Bovina Womens Study Club convened in regular session in the beautiful home of Mrs. Lloyd Battey on March 27th. Roll call was answered by giving "Bright Sayings of Children."

The study was "Children and Child Welfare", with Mrs. Arnold Hromas as leader. Mrs. Reagan Looney gave an interesting part on "The Child's Place in the Home". Mrs. Billie Sudderth spoke on discussing sex questions with children. "Delinquency in Our Community" was taken up by Mrs. Aubrey Rhodes.

Refreshments of pineapple pie a la mode with coffee were served by the hostesses Mmes. Lloyd Battey and Otha Hammonds. Members on hand included Mmes. Arnold Hromas, W. M. Thornton, Robert Wilson, Charles Ross, Aubrey Rhodes, Tom Caldwell, Bill Kyle, J. P. Macon, Billie Sudderth, David Carson, Reagan Looney, A. J. Ellison, A. B. Wilkinson, Webb Gober, Bedford Caldwell and Lester Rhinehart.

HANDKERCHIEF SHOWER

A farewell party and handkerchief shower was given for Mrs. Alma Vassey last Tuesday evening in the home of Mrs. R. L. Green. Table games were arranged. Hostesses were Mmes. R. L. Green, Frank Pesch, E. H. Moody.

Refreshments were served to Mr. and Mrs. Earl Ware, Mr. and Mrs. Arnold Hromas and Charlotte, Mr. and Mrs. W. O. Cherry, Mr. and Mrs. Charlie Gray, Mr. and Mrs. Sam Sides, Mr. and Mrs. Hilary Tidenberg, Mrs. O. W. Rhinehart, Mrs. Weldon Franks and children, Mr. and Mrs. Troy Armstrong, Mrs. Joe Looney, Mrs. D. C. Looney, E. H. Moody and children, Frank Pesch, E. L. Green and the hostesses.

Mrs. Vassey has moved to Vernon, Texas, to make her home.

Mr. and Mrs. George Trimble and Loyce Marie and Miss Mary Alice Englant returned Friday from a two week vacation in Hot Springs, Ark.

Mrs. Fred Peters and daughter, of Amarillo, visited in the David Carson home the past week.

Mrs. Pearl Gary, of Enid, Okla., has been visiting in the Wilbur Charles home. She is a cousin of Mr. Charles.

Mrs. J. G. Charles received medical care at Friona, Saturday.

Hal Wade McSpadden, of Lubbock, visited here last weekend.

Mr. and Mrs. Jack Woltman made a business trip to Lubbock, Wednesday.

Mrs. Vernon Este was a business visitor in Friona, Saturday.

Mr. and Mrs. Aubrey Brock of Littlefield visited here Saturday.

Mr. and Mrs. Jack Woltman, Mr. and Mrs. Bill Kyle and Mrs. Roy Davies made a business trip to Amarillo, Tuesday.

Mrs. Cash Richards and Mrs. A. M. Wilson made a business trip to Amarillo, Friday.

Mrs. Lillian Mahan is now employed at the Friona hospital.

Bill Bradshaw, Aubrey Ellison, Mr. and Mrs. Frank Ayres, Mr. and Mrs. Jim Ellison, and Mr. and Mrs. Buck Ellison left the first of the week on a fishing trip to Possum Kingdom Lake.

Mrs. Frank P. Wilson is visiting her sister in Amarillo this week.

Mrs. Alma Vassey spent the past week in Hereford with her mother, Mrs. Beach.

Mrs. Stanley Barber and Sandy are visiting in Groom, this week.

Mr. and Mrs. Troy Armstrong and Mrs. J. Sam Gaines visited the past weekend in Amarillo.

Mrs. J. Eloise Johnson and Mrs. Janet Granberger and son, Billy, were weekend visitors in the Alfred Berggren, Leroy and Ronald Berggren homes. They will visit in Canyon and Amarillo before returning to their homes in Colorado.

Mrs. Giles Williams returned the last Friday from Los Angeles, after spending the winter. Mrs. Lizzie Dickenson, sister of Mrs. Williams, returned with her for a few days.

Mrs. Ora Lee Vaughn, of Albu-

querque, aunt of R. T. Harbor, is visiting here.

Mrs. L. D. Knight is in the Friona hospital for medical care.

Staff Sgt. and Mrs. Clyde Blalock of San Antonio left Sunday, after spending the weekend here with relatives and friends.

Mr. and Mrs. Chester Venable returned from Dallas, Monday. She has been visiting her brother and family for the past three weeks.

Pat Ellison, Sarah Venable, Jean Danner and Barbara Foster enjoyed a picnic in Clovis, Friday.

Miss Delores Wilson is confined to her home with a bad throat.

Mrs. Eldon Rhodes and children

are visiting in the A. G. White home this week.

Miss Delores Wilson and Fred Hoffer made a business trip to Farwell, Saturday.

"YOU CAN'T BEAT THE PONIES" . . . So you think playing favorites is a slow but sure way to win at the races? Then meet Davey Johnson, the fabulous gambler whose inside information, tremendous bankroll and "safe" system did not save him from dying a pauper. Read it in The American Weekly, that great magazine distributed with next Sunday's Los Angeles Examiner.

Birthday Social Held

Phyllis Kay Christian, daughter of Mr. and Mrs. Clarence Christian, celebrated her second birthday on Friday, March 25. All the small fry came dressed in formals. The evening was spent in playing games, singing songs and giving readings. The table was decorated with spring flowers and a beautiful birthday cake. Mrs. Charlie Hromas took pictures of the children.

After Phyllis Kay opened her many lovely gifts, ice cream, cake and cookies were served. Each child received an Easter bag of candy with a rabbit card attached.

Those present were Judy Roach, Jerry Roach, Zale Billingsley, Velva Christian, Charlotte Hromas, Darlene Hromas, Karon Boone, Janice Lekae, Little Miss Patton, Rebecca Ann Foster, Gwendolyn Christian, Carolyn Barber and the honoree.

Assisting with the games were Jo Veta Billingsley, Mrs. J. C. Boone, Mrs. Charlie Hromas, Mrs. Jack Roach, Mrs. Dorothy Roach, Mrs. Tom Foster, Mrs. Patton, Mrs. Everett Christian, Mrs. Wendol Christian and Mrs. C. C. Christian.

Mr. and Mrs. J. R. Caldwell had as houseguests last week their daughter, Bessie Ruth, and M. Vimmick, of Seagraves, and Mr. and Mrs. Tom Caldwell.

Rebecca Ann Foster spent the weekend with Mr. and Mrs. Scottie

Had waffles and syrup lately?

There's nothing better than hot crisp waffles with lots of melted creamy butter and syrup to perk up tired appetites. Take your waffle maker off the shelf and surprise the entire family by serving them tonight.

Your waffle maker is just one of many inexpensive electrical conveniences designed to make your work easier, your kitchen complete. And low cost dependable electric service is always at hand to help better your living.

So take that waffle iron, toaster or mixer off the shelf . . . use them frequently and think about all the comforts and conveniences of electric living.

SOUTHWESTERN PUBLIC SERVICE COMPANY

24 YEARS OF GOOD CITIZENSHIP AND PUBLIC SERVICE

One small plea on behalf of thousands is made by two-year-old Gordon Strickland of Orange, Texas, who like 20,000 other handicapped youngsters in Texas, is receiving assistance made possible by the annual Easter Seal Sale of the Texas Society for Crippled Children. This year 1,000,000 Texans will receive sheets of the Easter Seals with the request that they buy and use them. The sale dates are March 21 through April 17.

Don't Burn Leaves, Save Them For Use

COLLEGE STATION—Don't burn the leaves.

Instead, turn them into a leaf mold or a compost. By burning the leaves, you lose the value of organic matter and kill off the grass that's already growing.

Other plant refuse besides leaves works fine in a compost too, such as clippings, weeds, and vegetable tops, says Sadie Hatfield, extension landscape gardening specialist of Texas A. and M. College.

Nature is constantly making soil fertilizers. Dead wood, old leaves, and other plant materials make acid which releases mineral plant food already in the soil. When released, this matter can be used by plants and tree roots.

A simple enclosure of scrap lumber, brick or stone should be provided to hold the compost together. In sections of the state where high winds are a daily thing, a compost pit is preferable—almost a necessity, says Miss Hatfield. If a pit is available, spread a thin layer of soil over its contents, after adding the leaves or grass clippings. In the dry part of the year when there isn't much rainfall, it's a good idea to wet the entire pit once or twice a month to insure a well-rotted compost.

If a well-balanced plant food mixture is desired, add a 100 pounds of 4-12-4 commercial fertilizer to a wagon load of compost mixture. Sprinkle the fertilizer over the pit before covering it with a layer of soil. The fertilizer speeds up the leaf rotting process.

In acid soil areas, such as the eastern part of the state, add 100 pounds of lime as well as the fertilizer to the pit contents. Compost of this type is especially good for soils which tend to pack, or become hard and crusty during dry periods, Miss Hatfield adds.

It usually takes about three months for leaves, weeds and small

limbs to rot. Use a half pound to a pound per foot of row space for flowers, vegetables or shrubs. Mix the compost thoroughly into the soil before seeding.

If you're figuring on using the compost material for pot plants, use a mixture of one-half compost and one-half good loam soil or sand.

Save the leaves for compost material, urges Miss Hatfield. It's one of Nature's best fertilizers.

The offensive, sickening odor left by cockroaches is caused by an oil secreted by their scent glands. The odor can be removed by washing the articles in hot soapy water.

When Your Back Hurts -

And Your Strength and Energy Is Below Par

It may be caused by disorder of kidney function that permits poisonous waste to accumulate. For truly many people feel tired, weak and miserable when the kidneys fail to remove excess acids and other waste matter from the blood.

You may suffer nagging backache, rheumatic pains, headaches, dizziness, getting up nights, leg pains, swelling, sometimes frequent and scanty urination with smarting and burning is another sign that something is wrong with the kidneys or bladder.

There should be no doubt that prompt treatment is wiser than neglect. Use Doan's Pills. It is better to rely on a medicine that has won countrywide approval than on something less favorably known. Doan's have been tried and tested many years. Are at all drug stores. Get Doan's today.

DOAN'S PILLS

LEGAL NOTICES

CITATION BY PUBLICATION THE STATE OF TEXAS

TO: John R. Havens, Cora Havens, Willis M. Wilmore, Ona Wilmore and Thurza O. Wilmore, and the unknown heirs, assigns and legal representatives of the aforesaid defendants, if said defendants be dead, GREETING:

You are commanded to appear and answer the plaintiff's petition at or before 10 o'clock A. M. of the first

Monday after the expiration of 42 days from the date of issuance of this Citation, the same being Monday the 9th day of May, A. D., 1949, at or before 10 o'clock A. M. before the Honorable District Court of Parmer County, at the Court House in Farwell, Texas.

Said plaintiff's petition was filed on the 21 day of March, 1949.

The file number of said suit being No. 1466.

The names of the parties in said suit are:

C. W. Dixon, George Messenger, and W. M. White, Trustees for Friona Baptist Church, as Plaintiffs, and John R. Havens, Cora Havens, Willis M. Wilmore, Ona Wilmore, and Thurza O. Wilmore and the unknown heirs, assigns and legal representatives of the aforesaid defendants if said defendants be dead, as Defendants.

The nature of said suit being substantially as follows, to-wit:

This is a suit in trespass to try title. Plaintiffs allege that on March 1, 1949, they were the owner in fee simple of Lots 1, 2, 3, and 4, Block 73, of the original Town of Friona, Parmer County, Texas, and that thereafter on the second day of March, 1949, the defendants and all of them unlawfully entered upon said lands and dispossessed plaintiffs thereof their possession thereof and withhold possession thereof for a period of ten days to plaintiffs' damage in the sum of \$10.00, and plaintiffs ask for their damages and specifically plead the five-year statute of limitations, and asks for title and possession to the above-described lots and their damages and general relief.

If this Citation is not served within 90 days after the date of its issuance, it shall be returned unserved.

Issued this the 21 day of March, A. D., 1949.

Given under my hand and seal of said Court, at office in Farwell, Texas, on this the 21 day of March, A. D., 1949.

LOYDE BREWER, Clerk, District Court, Parmer County, Tex. (SEAL)

CITATION BY PUBLICATION

THE STATE OF TEXAS

TO: Charles H. Wilcox, and Mrs. Charles H. Wilcox, L. T. Lester; and the unknown stockholders of the Bank of Bovina; and the unknown heirs, assigns and legal representatives of Harry L. Green, H. L. Green, and Harry Green; and the unknown heirs, assigns and legal representatives of the foregoing defendants whose names, residences and addresses are unknown.

You are hereby commanded to appear and answer the plaintiff's petition at or before 10 o'clock A. M. of the first Monday after the expiration of 42 days from the date of issuance of this Citation, the same being Monday the 9 day of May, A. D. 1949, at or before 10 o'clock A. M. before the Honorable District Court of Parmer County, Texas, at the Court House in Farwell, Texas. Said plaintiff's petition was filed on the 21 day of March, 1949.

The file number of said suit being No. 1467.

The names of the parties in said suit are:

Ewing Halsell and wife, Lucille Halsell; Wm. R. McCluskey and wife, Eva Halsell McCluskey; J. V.

Holmes and wife, Clarence Halsell Holmes; Frank R. Wood and wife, Mary Halsell Wood; Charles H. Wilcox, Mrs. Charles H. Wilcox, L. T. Lester, the Unknown Stockholders of the Bank of Bovina, and the unknown heirs, assigns and legal representatives of Harry L. Green, H. L. Green and Harry Green, and the unknown heirs, assigns and legal representatives of the foregoing defendants, whose names, residences, and whereabouts are unknown, as Defendants, and O. W. Rhinehart, as Plaintiff.

The nature of said suit being sub-

stantially as follows:

This suit is brought in Trespass to Try Title. Plaintiff alleges that on January 1, 1949, he was the owner in fee simple and in possession of Lots 1 and 2, Block 116, original Town of Bovina, Parmer County, Texas, and thereafter, on the second day of January, 1949, the defendants, and all of them, unlawfully dispossessed plaintiff thereof his possession thereof and withhold from him the possession thereof, to his damage in the sum of Ten Dollars, and plaintiff further pleads the five and ten year statutes of limita-

tions and prays for judgment for title, possession of said lands, and damages and costs of suit.

If this Citation is not served within 90 days after the date of its issuance, it shall be returned unserved. Issued this the 21 day of March, A. D. 1949.

Given under my hand and seal of said Court, at office in Farwell, Texas, on this the 21 day of March, A. D. 1949.

SPORTS

Interscholastic League Meeting, April 1-2

The first Interscholastic League meet to be held in Farmer County schools in several years will be staged on Friday and Saturday of this week, April 1, and 2, at the Friona school.

Supt. Jack Williams said today that the Farwell school would be dismissed all of Friday, with a number of students to be entered in literary events on that day. Saturday will see the track and field meet, with preliminaries beginning at 9:30 Saturday morning, and the finals to be held during the afternoon.

Teams from the school will participate in girls' volleyball, boys' grade and junior high softball, while other individual entries are also arranged.

In grade school track, the Farwell boys enter the 50 and 100 yard dashes, the 440-yard relay, pull-8ps, high and broad jump, with Troy Christian, Ronnie Dial, Frank Gullett, Dennis Rainey, Junior Potect, Robert King, Freddie Magness, Billie Medley, Buil Dollar, Leon Langford, Jerry Bradshaw and Jessie Cox among the entrants.

The junior high track entries include:

50-yard dash—Melvin Terry, Spike Jordan, Sonny Spurlin.

100-yard dash—Berlye Nix, Terry, Harold Doshier.

440-yard relay—Nex, Doshier, Jesse Coburn, Terry.

Broad jump—Terry, Coburn, Darrel Norton.

High jump—Terry, Jordan and Rex Pool.

Chin-ups—Bobby Joe Crume, Neil Walls, Jerry Doshier.

Senior entries:

100-yard dash—Toby Booth, Jerry Pool, Warlick Thomas.

220-yard dash—Booth, Pete Hughes.

440-yard dash—Donald Ford, John Christian.

880—Hughes.

Low hurdles—Hughes.

440-relay—Booth, Pool, Ford and Thomas.

Vault—Hughes.

Broad jump—Thomas, Booth, and Pool.

High jump—Thomas, Christian, Pool.

Shot—Ford.

Discus—Booth, Bob Dollar, and Christian.

Tennis entries will include Toby Booth in boys' singles; A. C. Henne-

man and Warlick Thomas in boys' double; junior Bill Crume, singles.

The literary entrants are as follows:

Typing—Jeanean Lunsford and Frances Daude.

Spelling—Gloria Dial, Lavoyda Billington, 5-6th grade; Jo Hanna and Jo Ann Cochran, 7-8th grade.

Story telling—Larry Cooper, third grade.

A spelling contest, which is being sponsored over the area by the Amarillo Globe-News, is open to high school entrants, with Farwell to be represented by Kayla Felts, Wanda White, Jo Ann Cochran, Jo Hanna, Donald Ford and Rosamond Booth.

TRACKSTERS TO CLOVIS

Texico tracksters were in Clovis last Thursday, when a number of track and field practice events were run off, Coach C. E. Sanders reported today. Schools represented included Clovis, Melrose, Texico, Bovina and Rosedale, Tucker, of Texico, was high point man of the meet and carried off honors by running the 440 to 54.6 seconds. Another record was copied by Saxton, who hurled the javelin 157.5 feet.

"The Calamity Kids" To Appear, April 8

The lives and loves of a pair of 13-year-old orphan twins, Midge and Micky Starr, will be aired on the Texico school stage Friday night, April 8th, when "The Calamity Kids" will be presented by members of the Texico senior class.

The plot deals with the attempt of tight-fisted Gideon Garvey (Vernon Blain) and Opal Ludlow (Claudene Bridges) to secure the twins from old Emily and Hezekiah Hoskins (Grace McDaniel and Buddy Pearce) who have given young Midge (Coeta Roth) and Micky (Anesl Doolittle) a home.

Aided and abetted by the Hoskins, the incorrigible twins play innumerable tricks on their aunt and uncle, convincing them that they will be much happier without the services Midge and Micky as servants.

Also members of the Hoskins' household are Bonnie Blue (Delphine Johnson) and Brad Rivers (Beale Stewart) who in the course of the play discover that true love never runs smooth. Frankie Harris takes the part of a gossiping old maid Clara Clabb, while Norma Lee Sanders is Loraine Ludlow and Kenneth Bridges is Elmer Ludlow, children of Opal Ludlow.

The play is to begin at 8:00, Texas time. Mrs. Gladys Prescott is in charge. Admission will be 25c and 45c.

SPECIAL 9c SALE

Mr. and Mrs. J. E. Stone, of the Stone Variety in Texico, will celebrate their first anniversary in their new business on April 1st. As a way of showing their appreciation for the splendid business enjoyed during the past year, a special 9c sale will open on April 1st and continue through April 9th. "You can say this is no April Fool joke; we are going to have some real bargains during this sale," Mrs. Stone, store manager, said.

JACK CRANE HOME

Jack Crane, veteran of World War II, who has been receiving treatment in a Dallas hospital for the past several weeks, was returned here Sunday and is now under treatment in a Clovis hospital.

Friends said today that Crane was somewhat improved, but added that he was still in a serious condition. Crane is suffering with a leg ailment.

Barney Harding and son, Jimmie, went to San Angelo last week for a visit with Mr. and Mrs. H. H. Carlyle, formerly of Muleshoe.

Jack Chambless visited his parents in Brownfield, Texas, the past weekend.

Paul Dean Speaks To Local Mens' Club

(Continued from front page) an even better pitcher than his more famous brother, Dizzy Dean. "Dizz was a great pitcher, but he always drew easier assignments than I did," he explained. "It was always my luck to have to oppose such men as Carl Grove, Hubbel Waddell and others of like ability on the mound." Despite this, he said, he succeeded establishing a good record for his mound performances.

"My idea of a good manager is to act and then think afterwards," Paul explained, admitting that sometimes such speedy acting might be wrong. "But you have to act quick sometimes, and you don't have time to figure out everything."

He gave it as his opinion there "not more than two out of ten" are really good managers in all the baseball clubs "from the majors down to Class D."

Paul gave his own idea of an all-star baseball club. As catcher, he chose Bill Dickey; for the mound work, he placed himself first and his brother, Dizz, for relief work. Bill Terry would be his first baseman; Frankie Frisch would occupy second; Hanous Wagner would take care of short stop; and on the hot corner at third, he named Pie Trayner. In the outfield, he placed Joe Meadows in left; Tye Cobb at center; and Stan Muesel in right.

Dean is starting a baseball school in Clovis on April 1st and has asked that all young men who think they have baseball ability to be on hand. "If a boy can throw and run, we can teach his how to hit and field," Dean promised.

MOVE OFFICE

The Farwell Real Estate & Commission Co. now operated by Dick Doshier and Jack Spurlin, has moved to new quarters across the street from their old location and is now located in the building next to Attorney Roy Cook's office. In addition to handling real estate and auctions, they are agents for the Panhandle Mutual Insurance Co. and are writing insurance on wheat.

Mr. and Mrs. Bill Hall left here Sunday for points in East Texas, and may continue their journey into Arkansas before returning home the latter part of this week.

ACA News

Joe Camp, Secretary

Parity Support Announced

1949 grain sorghum support price has been announced at 70 percent of parity based on prices April 15, 1949. If these prices are the same on April 15 as on February 15, this would mean approximately \$1.97 per hundredweight in the county.

Cotton support will be based on 90 percent of parity. Wheat support has not yet been announced.

Grain Sorghum Delivery

Commodity Credit Corporation has announced they will take about eight million bushels of early delivery grain sorghums in Texas, on a voluntary basis. This grain must grade either No. 1 or No. 2 yellow milo. Farm stored and county elevators will be given first preference. Farmer county has been given an allotment of a little over a million bushels of the eight million needed. Any of you farmers wanting more information regarding this please contact the ACA office in Farwell.

Indicates Acreage Allotments

All indications point to wheat and cotton acreage allotments for the 1950 crop year. It will be necessary for us to fill out farm worksheets on all farms in the county within the next 60 days. This worksheet calls for acreage of all crops planted during the years 1941, 1945 through 1949. It would be a good idea for all producers to be thinking about this so you will have it when necessary for us to secure the above information.

MASS MEETING ENDORSES COUNTY ROAD PROGRAM

(Continued from Page 1)

The Rhea and Lazbuddy districts, under the plan, will actually receive more pavement than the Friona, Bovina and Farwell districts, based on the taxable valuations of the precincts. Sponsors explain that these two precincts have been least favored by past road-building projects, and it is hoped that if the proposed plan is consummated, the entire county will be knit together by a network of pavement.

A bowlegged man can always be thankful he wasn't born a girl.

OR OTHER APPLIANCES

Please drop in to see us . . . we have a nice selection of each in stock.

We could use some good used electric refrigerators, butane gas refrigerators, and natural gas or butane ranges now. If you are planning to make a swap, or if you are planning to purchase outright, see us . . . we will save you money on your deal.
