Sudderth With Eighth Army In Japan

TAKEYAMA, JAPAN—Corporal Lee H. Sudderth Jr., son of Mr. and Mrs. L. H. Sudderth Sr., Farwell, Texas, is presently attending Air Transportation school, which is being conducted at Camp McGill, Japan.

Serving as Communication Corporal with Company "H", 5th Cavalry Regiment, 1st Cavalry Division, Cpl. Sudderth entered the service in April 1947.

Receiving his basic training at Fort Lewis, Washington, home of the famous 2nd Infantry Division, he volunteered for service in the far eastern command and was assigned to the occupation of Japan.

A student prior to his entry into the Army, Cpl. Sudderth attended Oklahoma Lane High School near Farwell.

If farm profits are to be maintained during the years immediately ahead, better and more efficient management practices must be made a part of each farm or ranch operator's plans.

POLITICAL ANNOUNCEMENTS

The State Line Tribune is authorized to make the following political announcements, subject to the action of the Democratic primary election in July:

- For District Judge, 64th Judicial District: ROBT. (BOB) KIRK
E. A. BILLS
- For Sheriff, Tax Assessor-Collector: CHAS. LOVELACE (Re-Election)
- For County and District Clerk: LOYDE A. BREWER (Re-Election)
- For County Judge: W. L. EDELMON
A. D. SMITH (Re-Election)
- For Commissioner, Precinct 1: E. R. (EMMETT) DAY (Re-Election)
- For County Commissioner, Pct. 2: C. H. (CHARLES) JEFFERSON
- For County Commissioner, Pct. 3: EARL F. BILLINGSLEY
- For Commissioner, Pct. 4: H. L. IVY
- For District Attorney 64th Judicial District: JOE SHARP

February Dates Given For Hereford Show

Fat stock from a four-county area

—Deaf Smith, Parmer, Oldham and Castro—will be on display in Hereford on February 24-25, it was announced today.

These are the dates of the annual Hereford Fat Stock Show, which gets considerable attention from producers of the area.

County Agent Ollie Limer, in discussing the show, said that his 4H club boys would likely enter some

calves and pigs, although most of the calves locally are fed out to hit the top later in the year for the Parmer county show, he added.

No information was available regarding FFA stock, but it was believed that some swine from the county chapters might be shown.

NEW 1950 HUDSONS AT SENSATIONAL LOWER PRICES*

*ON EVERY SUPER AND CUSTOM COMMODORE MODEL

With "The New Step-Down Ride"

Here are 1950's most beautiful automobiles • The only cars with "step-down" design, which provides America's lowest center of gravity and the steadiest road-hugging ride ever known • Along with more room than in any other car • Here's the added safety of Hudson's exclusive Monobilt body-and-frame** • The high-compression performance of America's most powerful Six • Or an even more powerful Eight • And all-range, Super-matic Drive† • Here, in short, are unique features that enable Hudson alone to bring you "The New Step-Down Ride"!

**Trade-mark and patents pending.

TODAY'S THE DAY!

The day to see the gorgeous Hudsons for 1950 that bring you a fresh motoring experience—"The New Step-Down Ride"—at sensational lower prices on every Super and Custom Commodore model.

This is the ride that cradles you in the lowest-built car of them all!

You instantly see that these New Hudsons have the lowest center of gravity in any American automobile—and as a result, you know instinctively, as you view them, that they hug the road more tenaciously and are therefore America's best-riding, safest cars!

You quickly see, too, that these low-built Hudsons for 1950 have full road clearance and more head room than in any mass-produced car built today—thanks to "step-down" design with its recessed floor!

And amazing head room is only one kind of spaciousness you'll find in these great cars! Through "step-

down" design and ingenious use of space that is wasted in other makes, these new, streamlined Hudsons of normal exterior width bring you seat cushions that are up to 12 inches wider than those in cars of greater outside dimensions.

In fact, when you try "The New Step-Down Ride", you'll find the New Hudson has more inside room than any other car, at any price!

You'll thrill to the get-up-and-go performance of your choice of two of the greatest engines in a long line of great Hudson engines—the high-compression Super-Six, America's most powerful Six, or the even more powerful high-compression Super-Eight!

But these are only a few of the great features of "The New Step-Down Ride" that mean more value at less cost. There are more, so many more that the only way to really appreciate all that the New Hudsons for 1950 have for you is to come in, try them yourself. May we expect you soon?

NOW... 3 GREAT HUDSON SERIES

Lower-Priced Famous Custom
Pacemaker Super Commodore

ONLY CARS WITH "STEP-DOWN" DESIGN

NOW ON DISPLAY

Hudson's exclusive
SUPER-MATIC DRIVE†

Hudson brings you no-shift driving with Super-matic Drive, which includes the fuel economy of over-drive—the only transmission that shifts gears for you just as you want, doesn't creep on starts or after stops, doesn't slip as you roll along—and that can be converted to conventional drive at the touch of a button.

†Optional at extra cost.

HEALTH NOTES

AUSTIN—Public health in Texas has received another boost with the February 1 formation of the Fort Bent County Health Unit.

State Health Officer George W. Cox, in announcing the commission of the Fort Bent Unit, said Dr. John R. Turner, a public health man of long experience in Texas and elsewhere, had been named as director. The budget is set up to include a director, a sanitarian, a public health nurse, and a clerk. Their operations will cover Fort Bent County in its entirety.

Texas now has forty-nine units, some of them serving more than one county. Altogether, fifty-seven counties within the state have protection of full-time health units.

"We've come a long way toward our goal of raising the standard of public health in Texas to a high plane," Cox asserted. He cautioned: "But we still have a long road ahead of us."

Ideally, a local health unit is designed, according to Cox, to promote better health among Texans it serves by performing these functions:

1. By investigating cases of communicable diseases, and tracking down, if possible, the source of the germ.
2. By teaching people, through meetings and personal visits, how smallpox, diphtheria, whooping cough, and other diseases are spread, and how immunization and sanitation will prevent their spread.
3. By making studies of venereal diseases (mainly syphilis and gonorrhea,) tuberculosis, poliomyelitis, etc., and providing for patient education concerning the illness affecting them.
4. By making home visits to expectant mothers referred by private physicians, and by holding well-child conferences which are designed to keep children in constant health.
5. By making periodic inspections of food-handling businesses like dairies, slaughterhouses, grocery stores, and cafes to make sure the operators are sticking close to sanitation laws.

"AMERICA'S BOUNTIFUL FUTURE" * * * America's babies of today, more than ever before, are entering a world filled with boundless promise. A great economist finds that our country's indomitable spirit can make the next century the richest. Read this stirring commentary in The American Weekly, that great magazine distributed with next Sunday's Los Angeles Examiner.

The greatest damage from rats is not what they eat but what they waste or cause to be wasted.

Pan-Tech Officials Discuss Experiments

LUBBOCK—J. P. Smith, manager of Texas Technological college's Pan-Tech farm near Amarillo, has returned from a planning conference at Texas A. & M. college where experiments for the Panhandle agricultural plant were discussed.

Smith was accompanied by L. A. Maddox, animal husbandryman at Pan-Tech. Dean of Agriculture W. L. Stangel said the discussion included a possible research project on cross-breeding lambs, and another on breeding beef heifers.

Stangel also said Pan-Tech officials are planning on a service program for West Texas cattlemen to find the type and gaining capacity of calves. The test would involve calves by various bulls.

The Pan-Tech farm is located on the former site of the Pan-Tex Ordnance Plant. The farm, valued at 17,000,000, was recently turned over to Texas Tech officials by the General Services Administration.

Ground Water Local Problem, Say Experts

LUBBOCK—Ground water depletion in the United States has not reached an alarming rate, a ground water geologist has declared at Texas Tech.

R. M. Leggette, New York consulting hydrologist told a campus audience that certain areas in America are in danger because of over-pumping. He said the situation was a local one and not a threat to the entire nation.

He also pointed out the misconception some people have about ground water. Ancient ideas that ground water was furnished by distant mountain sources or even ocean water are utterly untrue, he said. Ground water is the product of local precipitation and nothing more, he said.

Leggette said research has shown that the movement of ground water through porous spaces tends to purify the water rapidly. In some cases, harmful bacteria have been removed

in communities that lacked adequate sewage facilities, merely through ground water percolation.

Leggette's lecture was sponsored by the American Association of Petroleum Geologists.

"TRAGEDIES OF THE STAGE" . . . The young impresario was positive he could help her. Marie shook her pretty head. "I have had such offers from men before," she said. Read how fame caught up with the girl from Nebraska. It's in The American Weekly, that great magazine distributed with next Sunday's Los Angeles Examiner.

50,000 Miles - No Wear!

1. Driven "Twice Around the World!" For 50,000 killing miles, six brand-new cars raced over the hot desert along the Mexican border . . . testing the wear-fighting qualities of amazing Conoco Super Motor Oil. At the end of 50,000 miles of continuous driving, engines showed no wear of any consequence . . . in fact, an average of less than one one-thousandth of an inch on cylinders and crankshafts. Startling proof—factory finishing marks were still visible on piston rings!

2. New-Car Mileage for 5 Years! This punishing road test—equal to 5 years' normal mileage—proved, as nothing else could, that Conoco Super Motor Oil, with proper crankcase drains and regular care, can keep your new car new! Gasoline mileage for the last 5,000 miles of the test was as good as for the first 5,000 miles . . . actually there was an average difference for the fleet of only 4/100 of a mile per gallon!

3. New-Car Power! Quicker Starts! Yes—the extra protection of Conoco Super Motor Oil keeps that factory flash . . . that showroom smoothness . . . year after year after year! Conoco Super Motor Oil's exclusive ability to OIL-PLATE metal surfaces makes your engine last longer, perform better, use less gasoline and oil! Conoco Super Motor Oil virtually stops wear before it starts . . . keeps your engine new and clean. Conoco Super Motor Oil has proved itself to be the great new modern wear-fighter!

State Supervisors Visits Texico Lunch Room

Miss Juanita Taylor, state supervisor for the school lunch program, visited and inspected the Texico school lunch room on Feb. 2. A definite date is not set for inspections due to the fact that only two state-wide supervisors are available.

Miss Taylor stated that she was well-pleased with the cleanliness of the building, excellent preparation of the food, and cheerfulness of the cooks. "I am glad to see most of the faculty eating at the lunch room," she said, "however, I wish more of the children could eat here."

Each month commodities are sent to lunch programs over the state. Some of these include butter, fresh apples, dried milk, dried eggs, potatoes, orange juice, canned peaches, peanut butter, honey, cheese, and tomatoes.

A four-day work shop for school cooks over this area is being planned by the State Department of School Lunches. It will be held at Eastern New Mexico University in early spring.

Smart Class

According to James Hibbs, book-keeping instructor at Texico high school: "The Texico bookkeeping class is far above the state average students. Statistics show that the

state average for state standardized test is 77 points. The Texico class average is 80.4 points."

The commercial law class has been studying actual cases of civil law cases in the near future they are expecting to take state standardized test to see if their average is up to other classes of the state.

Seniors Will Present Two Plays In March

Rehearsals have begun on two full length, three-act plays, "All A Mistake" and "The Adventure of Grandpa", by the senior class. Productions will be on March 3 and 10, respectively.

"All A Mistake" takes place on Oak Farm with most of the action on the lawn and in the drawing room.

The plot of the play is when George and his wife arrive at his uncle's home, expecting to find him dying, but finds it a mistake. George has married unknown to his uncle, who has threatened to disinherit him unless he marries Nellie H. He pretends that Nellie is his wife that all the women are named Nellie creates the greatest confusion imaginable. Oak Farm adjoins the state insane asylum and at last all are mistaken for lunatics.

Characters include: Capt. Obadiah Skinner, a retired sea captain, Douglas Williams; Lieut. George Richmond, his nephew, who starts the trouble, John White; Ferdinand Lighthead, who falls in love, doncher-know, played by David Houghteling; Nellie Richmond, George's wife, Patsy Ingram; Nellie Huntington, a friend, Lona Mae Jones; Nellie Skinner, antiquated but still looking for a man, Frankie Harris; and Nellie McIntyre, a servant, Coeta Roth.

The scene of "The Adventure of Grandpa" takes place in Tod Hunter's fashionable dancing academy in Chicago. When a modern dancing academy is quarantined with its patrons inside, matters are apt to become uncomfortable, but when one of the victims is an old gentleman who has been making a flying call on his grandson for the purpose of becoming acquainted with his wife—and when that particular young spark never had a wife and is obliged to pretend a few minutes—

things are apt to get into a most terrifically complicated mess. But it is even more disagreeable when the girl with whom the young man is really in love is also on the premises. Add to this the blandishments of a maid and one can realize what hilarity so expert a writer as Mr. Hare can evolve throughout a single evening.

The cast includes: Monte Ray as the grandson, Benny Jim Billington; Tod Hunter, a young dancing master, Raymond Morgan; Otis Hammerhead (Grandpa), from Yellow Bud, Ohio, James Harding; Officer McCormack, who sees his duty and done it, Paul Clark; Lucy Hunter, our little wife, Betty Donahey; Dorothy May, just out of college, Peggy Donahey; Mrs. Pansy Hopscotch, fat, fair and forty, Mark Leavell; Marie Ribeau, the girl from Paris, Billie Roberts; and Kloomp, twelve days from Copenhagen over, Joyce Holland.

Luncheon Cooks Attend Food Preparation, Handling Course

Mrs. Russell Johnson and Mrs. Leona Bailey, Texico school cooks, attended a food preparation and handling course recently at Eugene Field school in Clovis. The meeting was open to all Curry county residents who handle food in anyway, and those interested.

Approximately 75, both men and women, attended. If an individual attended three meetings he received a "Food Handler's Certificate".

A guest from Santa Fe was present at two meetings, giving interesting lectures on preparing on serving food. Films were shown, one dealing with disease carried by mice; the second pertained to food preparation.

Warren Griffin, from Clovis, assisted, and hopes that in the near future regular meetings will be held.

The Ideal Girls

A flashing smile and a friendly hello are the trademarks of the "Ideal Girl".

Beauty is not important, while personality is the outstanding characteristic. The girl who is friendly and seems willing to help out a friend gets the vote. Some girls who may not be very attractive, but has a very pleasant personality that seems to shine through becomes ve-

ry attractive.

On the other hand, a girl may have beautiful features and be very snobbish and hateful. She is one that likes to make her friends feel inferior. She over-dresses and puts up a front that she is better than others. "The Ideal Girl" is tasteful in selecting her clothes by styles and color. She chooses clothes for girls her courteous. She is a perfect hostess and a gracious lady. There is more to being an ideal girl than just a rag, a bone, and a hank of hair.

An Ideal Boy

To me an ideal boy is one who first of all can be courteous and polite to everyone with whom he comes in contact. Respectfulness is another very important trait.

One who can abstain from strong drink, the habit of smoking and using bad language are other important details. In order to do these things one must have strong will power, but one who can stand up for the right things will reap threefold. He should develop his own character and not depend on the behavior of his associates as a measure of his conduct.

A boy's financial standing sometimes has a great bearing on the kind of boy he is. If one can possess much of the world's goods and not be superior to less fortunate, he is indeed, a gentleman. One does not have to have a lot of money in order to have fun on his date. Girls enjoy staying at home and playing records or cards. He should be a good conversationalist and should read extensively in order to have something interesting to say.

A boy should try especially to be neat and clean and should know what clothes are suitable for different occasions.

Meet The 'Seniors'

FRANKIE HARRIS

February 10, 1931, was an eventful day in the lives of Mr. and Mrs. A. W. Harris. A blue-eyed, blonde little girl, whom they named Frankie Lee, was born to them. Frankie was very active until she was stricken by polio at the age of three. She has completely recovered except for the fact that she is unable to join in athletic activities of her school mates.

One exciting day she marched into the big school building at Eunice, N. M., in her lavender voile dress, with long curls bobbing. She was starting to school! Frankie had gone to Brownfield, Lamesa and Clarendon before she moved with her parents to Texico in her sophomore year. She has been a member of the band for three years and is now president of the band club. Frankie is one of the six pep club leaders this year. She has always been popular and was class favorite in both the 10th and 11th grades. Her plans after graduation include college, where she hopes to major in English.

High School News

The Seniors have been busy the past week completing ads for the annual and getting it ready for press.

Each high school class has named a boy and girl to represent them in the annual as favorites. The identity of the students will not be revealed until the annual is released.

New lockers have been installed in the halls of the new classrooms and each student assigned a locker.

Grades To Present

PT-A Program, Feb. 23

The fourth grade is working with the third grade in preparing a short program for the next PTA meeting. The recitative play is "Tribute To George Washington". The grades will work together on a flag drill. They invite the public to attend the PTA meeting on February 23.

First Grade Farm Project

The first grade, under the direction of Mrs. LeRoy Faville, have a farm for their current project. The children have made a farm, complete with barn, farm house, elevator, and farm animals.

F. H. Ritchie, custodian, made and varnished the table on which the project was placed. Sand for the table was obtained from an irrigation well south of Texico.

Roger Sparks made the windmill, Judy Adams and Anna Lois Thatcher built the house. Those who obtained rocks for fences, sidewalks, etc. were: Billy Roth, Jimmie Cain, Leslie Dyer, Jimmy Clemens, Jean Lofton, Dale Carter, Tommy Wurster, Lee Spears, and Glendon Moss. The remainder of the class helped with coloring and cutting.

Home Economics News

New equipment has been added to the department, including egg beaters, mixing bowls, sauce pans, skillets, measuring cups, dish pans, bis-

"Meet the Folks"

I mean my stockholders, the folks who own Southwestern Public Service Company! Some of them are your neighbors . . . maybe they live right down the street . . . or sit across the aisle at church . . . or one of them might even be your best fishin' buddy!

What I mean is that your Public Service Company belongs to people right in your own community . . . all of them "just folks" like yourself . . . and no one of them owns more than 2% of the total stock! As a matter of fact, you may be one of them, too. It's a pretty good chance that some of your savings at the bank or in your life insurance policies have been re-invested in your Public Service Company.

So, you see, a great many people have an interest directly or indirectly in this company . . . that's the way free enterprise works . . . it's the American way!

cut cutters and a double boiler. For the first time this year, the girls cooked and served a typical American breakfast on Tuesday. A study of breakfasts and planning of variations has been the group project the past week.

Valentine Parties In Grades

The first, second, third and fourth grades had Valentine parties Tuesday afternoon. Games were played and refreshments served, followed by the Valentine exchange.

LeRoy Allen and Mary McDaniel were chosen as first grade king and queen.

MEET THE SENIORS

BILLIE ROBERTS

July 18, 1932, a little blue-eyed, red-headed girl came to Mr. and Mrs. J. W. Roberts. Billie has always been a tom-boy, or so she says. One eventful day she started on what was to be a 12-year venture. With blue pinafore and white lacy blouse, she was one of the cutest little girls in the first grade class in Claude, N. M. When she was in the seventh grade, she moved to Pleasant Hill, where she attended school until this year,

transferring to Texico. Billie has two sisters, Betty and Nora Mae.

The biggest interest in Billie's life has always been athletics. She has been on the main team in basketball for the last four years, three at Pleasant Hill and one at Texico. She has won five all-star awards in the four years of high school.

Her ability to drive made her a good selection to operate a school bus on one of the Pleasant Hill routes. There aren't many girls who can drive a school bus—and as well as Billie does. Billie was in the junior play last year at Pleasant Hill and her acting ability will be appreciated when the seniors give their annual plays this year.

She is this year studying typing, office practice, American government, and, of course, athletics. Her plans for "after graduation" are incomplete at present.

Coach Appreciation

Did you ever stop to think, "Would I like to be a basketball coach?" You would? Well, maybe you might not. Coaching is one of the hardest—and sometimes the most thankless job on the school faculty.

The old saying, "The players win the game and the coach loses the game" is still seen and heard throughout spectator columns. This is very unfair and is far from being right.

The coach has to produce a good team although his material is not up to par. If the material is poor, he has to use it and still make a team. This takes much hard work and still he draws spectator criticism for not having the best team.

A coach is the spirit of the team. He keeps going through everything looks dark and still tries to inspire

them to victory. Sportsmanship and the will to win is stressed to the team; therefore appreciation should be practiced among the spectators toward the team and especially the coach for his untiring efforts in the field of coaching.

CHATTER . . .

Guess Clodine Allen still has her eye on that P. H. boy. She tried to play ball Tuesday night and watch him at the same time.

Bennie Jim Billington and Peggy Sue Caldwell finally broke Cupid's bow.

Single boys, here's your chance. Betty Lu Donahey's boyfriend has left town—she might be lonesome.

James Hibbs needs to catch up on girls' basketball rules before he calls another game for his home team!

Charlene A. seems as tho Jimmy Farley likes you. How about this?

Must be hard for Monte Jones to keep his mind on college studies. He had to call Peggy Jo Donahey in the middle of the week, the weekend was too far away.

Glenda Doshier, seems you still have the old boy friend. Why not get a new one?

Hear Jo Beth E. has a new heart-throb. Douglas Williams?

Doris Leavell, Odessa Miller, Jo Sandra Magerus, who is it interests you in third period?

When Joe Cox joined the navy it sure left Lona Mae in the dumps, but maybe some other handsome boy will move in soon.

She is well mannered and very age and does not try to look older.

Mr. Hibbs: "If there are any dumbbells in the room, please stand up."

A long pause and then a lone student stood up.

Mr. Hibbs: "What, do you consider yourself a dumbbell?"
Frankie Harris: "Well, not exactly that, sir, but I do hate to see you standing by yourself."

Mrs. Allman: "Take this sentence. Let the cow be taken out of the lot. What mood?"
Carmen Roth: "The cow."

Keith: "Mr. Hibbs just hung himself!"
Mr. Jones: "Holy Smoke! Did you cut him down?"
Keith: "Shucks, no, he isn't dead yet."

ANOTHER CONTRIBUTION
Loyde Brewer, chairman of the Parmer County March of Dimes, announced Monday that another \$5 had been turned into the fund, contributed last week by the Oklahoma Lane Variety Club. This brings the total for this county in 1950 to \$3437.

DEARBORN 2-WAY PLOW

for your
Ford TRACTOR
This is the plow for irrigated land or wherever you want an extra smooth plowing job . . . without dead furrows or back furrows. Equipped with 16" bottoms, it will plow a full 9 inch depth under average conditions.

The plow is quickly attached to the Ford Tractor and is easily raised and lowered by means of the Ford Hydraulic Touch Control Lever.

Changing from one bottom to the other is accomplished by moving the Touch Control Lever to the "up" position, which raises the plow.

Resetting the Touch Control Lever to the desired working position will then lower the opposite bottom.

What's more, both bottoms may be locked in working position, and the plow becomes a most efficient ditching tool!

Come in soon and learn more about this plow . . . one of the finest implements for a Ford Tractor.

Looking over a tachograph chart just removed from a Continental Oil Company test car are Norman Penfold (left), assistant to the director of Southwest Research Institute, and W. B. Pate of Conoco's mechanical laboratory. The chart shows oil test car has been run more than 800 miles during preceding 14 hours at an average speed of 60 miles per hour. Daily charts of this type were kept on six test cars and four trucks which piled up a total mileage of over one-half million miles over a 70-day period to check on anti-wear qualities of new super motor oil. Teardown and measurement of moving parts of motors at end of period showed virtually no wear on moving parts and proved that with proper crankcase drains and regular care, the new Conoco Super Motor Oil will keep an engine clean and at top performance. Another amazing result of the 50,000-mile test run was that gasoline mileage for the last 3,000 miles was as good as for the first 5,000 miles—actually there was an average difference for the fleet of only 4-100 of a mile per gallon.

Newspapers Chosen To Advertise New Super Motor Oil

Continental Oil Company has budgeted an advertising program in excess of three million dollars for 1950 to introduce its newly-announced motor oil, according to Paul Wurster, local agent for Conoco. Exceeding the 1949 expenditures by more than half a million dollars and marketing the largest appropriation in the Company's history, Wurster said that a large share of the advertising this year, as in the past, will be apportioned to newspapers. "We believe newspapers fit themselves to our distribution system

WANTED—Man with car wanted for route work. \$15 to \$20 a day. No experience or capital required. Steady. Write today, Mr. Sharp, 120 East Clark Street, Freeport, Ill. 18-2tp

FARM BUREAU INSURANCE
Raymond Euler, Friona. 15-tfc

FOR RENT—6-room modern house in Texico. See Carl Davis. 19-tfc

FOR SALE—1940 3/4-ton Dodge pickup—4-wheel drive. Good cab and motor. R. L. Edwards, Bovina, Tex. 18-1tp

FOR SALE—F-30 4-row tractor, lister and planter attachments. Also 12-ft. Holt combine. Both in excellent condition. May be seen at Williams Ford Tractor Dealers in Clovis. Phone 4098, Clovis, or write Box 689, Clovis. 17-tfc

more efficiently than any other medium," Wurster said, "and therefore they have again been selected to carry that bulk of the Conoco advertising impact."

The advertising will feature the new Conoco "Super Motor Oil," recently announced by the company after eight years' laboratory research, two winters of testing in the North and a 50,000-mile road test along the Mexican border.

Wurster said the advertising will stress the 50,000-mile test of the new oil, which showed "virtually no wear" in the engines of the six automobiles and four trucks used in the 70-day run in sizzling heat that at times reached 110 degrees in the shade.

National magazines, television, billboards, and farm publications also will be used for Conoco advertising this year, Wurster said.

Farewell Luncheon Honors Ed Blain

Honoring Ed Blain, members of the Texico-Farwell Fire Department gave a luncheon at the Legion hall last Wednesday evening, serving sandwiches, pie and coffee to a number of friends and well-wishers.

Blain, who had served as assistant fire chief the past several months, was presented with a hat by the firemen, with Otis Huggins making the presentation.

Ferry Crawley, who has been a member of the department for some time, was named to succeed Blain as assistant chief under Chief Stanley Thigpen. Blain has been succeeded by Johnnie Lewis in his capacity as a member of the Texico Town Council.

Mr. and Mrs. Blain left here the first of the week for Neesho, Mo., where they will make their future home.

High School Home Ec Students To Visit ENMU On Feb. 18

PORTALES. — Home Economics students from 57 high schools in New Mexico and West Texas have been invited to attend the third annual hospitality day at Eastern New Mexico University on Feb. 18, according to Miss Maria S. Friesen, assistant professor in home economics.

Last year 175 girls and their sponsors spent the day on the University campus engaged in home economics activities. This year activities will include exhibition of projects from visiting schools, a demonstration by Miss Pauline Monroe of the General Electric company, a noon luncheon in the University cafeteria, a campus tour, and activities of the University economics club.

With registration scheduled for 9:30 a. m., the activities of the day will be climaxed at 3:30 with a tea in the newly completed women's dormitory on the University campus.

Registration from the various schools should be made by Feb. 11, requests Miss Friesen.

TO CONTROL MANGE

A single spraying with a concentration of .125 percent lindane will give good control for hog mange. Four pounds of 25 percent wettable lindane powder mixed with 100 gallons of water will give this concentration. Use from 2 to 3 quarts of the spray on each animal and be sure that every part of the body is covered.

As monopolies, agriculture and labor, in collusion with politics, tower far above business.—Robert R. Young, railroad Magnate.

Milking Machine Is Discussed At Meet

The Marlowe milking machine, of which Levi Johnson is distributor in Parmer County, was discussed the past Wednesday night, when Johnson sponsored a meeting at the Friona American Legion Hall.

Mr. Marlowe, inventor of the machine, was on hand to discuss his milking apparatus, and some 50 herd owners of the county were present.

Broiled Chicken

Select young plump chickens. Split down the back and breast bone. Brush with melted butter. Place skin down on greased rack in broiler pan with top surface about 4 inches from source of heat. Broil 15 to 20 minutes, depending on size, turn, brush with fat, and continued broiling until done. When juice is no longer pink and flesh is tender the chicken is done. Allow one half small broiler per person.

Variation: Broiled chicken barbecue. Baste frequently with your favorite barbecue sauce while broiling.

Bovina Happenings

BY MARIE VENABLE

The Four Square Club held a regular session, Thursday night at the Legion Hall.

Mrs. Earl Derrick and baby daughter returned the past weekend. They had been visiting relatives downstate for two weeks.

Rev. E. J. Speegle and family arrived Friday from Louisiana. He will be pastor of the Baptist Church.

T. D. Mann, of Albuquerque, visited in the home of Mr. and Mrs. J. O. Combs the past weekend. He is a brother of Mrs. Combs.

Mrs. J. D. Stevens' mother returned to her home after spending a week here.

Mrs. Pete Vestal and family and D. H. Wilkerson went to Lubbock Saturday night to visit Mr. and Mrs. Marvin Jordan, who are the proud parents of a baby girl. Mrs. Jordan is the former Erlene Wilkerson. Mrs. Wilkerson had spent two weeks in the Jordan home.

Billy Bob Alverson left Friday for Detroit, Mich., to attend a diesel motor school for two weeks.

Mrs. W. E. Williams and son were visitors in Canyon, Saturday.

Mr. and Mrs. Clovis Ratliff and son moved into the new teaching Saturday. Mr. and Mrs. Weldon Spinks and family are also residents of the teaching.

The Baptist Brotherhood met on Monday night at the local church. Friona's Brotherhood presented the program, after which, refreshments were served to about 24 men. President Floyd Montgomery urges all men to attend these meetings.

Mr. and Mrs. Harold Combs and daughters, of Clovis, visited in the J. O. Combs home last weekend.

Mr. and Mrs. Oscar Combs were called to Lubbock Saturday by the death of one of his relatives.

Mr. and Mrs. David Carson purchased the Earl Ware farm west of Bovina last week. The Wares are moving back to East Texas around the first of March.

Frank Hermes and Mrs. George Reisinger left the first of last week for Cincinnati. Mr. Hermes had visited here for a month. He formerly resided in this county.

Mrs. Vernon Estes entered Clovis Memorial Hospital Wednesday for major surgery. Her condition is reported as satisfactory.

Mr. and Mrs. Alvin Looney will move into the home recently purchased from Otho Hammonds some time this week.

E. C. Berry was called to Lubbock Friday by the sudden death of his brother.

Wilbur McLean, who has been here on furlough with his family and his father for two weeks, left Sunday for California to go overseas.

Mr. and Mrs. Will Parker visited last weekend in Roswell with Mr. and Mrs. Eugene Parker. Eugene underwent major surgery last week and is reported to be doing fine.

Mrs. Fred Langer and daughter made a business trip to Clovis, Friday.

Mr. and Mrs. Elton R. Venable were business visitors in Hereford and Amarillo, Tuesday, going on to Channing to visit Mr. and Mrs. Rufus Standefer and children, who formerly lived here.

Miss Almata Huff visited her mother in Clovis, Sunday afternoon.

Mrs. Pete Frazier and daughter, of Amarillo, have spent the past week with her parents, the Tommie Hortons. Mr. Frazier joined them for the weekend and they returned to Amarillo.

Mr. and Mrs. Afton Williford and family of Lubbock visited in the R. N. Williford home, Wednesday.

Mr. and Mrs. Al Kerby have moved into their new home, the former Holiness parsonage.

Mr. and Mrs. Lawrence Ham, of Roswell, visited in the Henry Minter home, Saturday night.

Mr. and Mrs. Hop Graham, of Farwell, were in town Saturday.

Miss Ollie Godsey was a Clovis shopper, Monday.

Mr. and Mrs. Henry Minter spent the latter part of the week in Farwell, redecorating their house.

Mrs. George Trimble and Loyce Marie and Mary Alice Englant were Amarillo shoppers, Monday.

Mrs. Harvey Alverson is now employed at Gaines Hardware.

The American Legion Auxiliary will sponsor a bake sale, Saturday, Feb. 18 at Venable & Combs grocery, beginning at 1:30.

The fire department was called to a grass fire at Monroe Finley's farm west of Bovina, Friday. About 100 acres of grass was destroyed. People are asked to be more careful of cigarettes and matches.

Mr. and Mrs. Elmer Venable and children and Mrs. Oscar Venable visited in the Vester Venable home in Farwell, Sunday.

Mr. and Mrs. Bill Denney motored to Oklahoma City the middle of last week to take their son, James, for medical attention for eczema.

Mr. and Mrs. Ervin Bryant and family, of Amarillo, spent the weekend in the J. R. Glover home. Mr. Glover, who has been ill for several months, is showing improvement.

Mr. and Mrs. Wesley Frazier and son, Jake Frazier, Mr. and Mrs. Albert Crites, all of Cortez, Colo., visited in the A. G. White home the past weekend.

Rev. Speegle, new pastor of the First Baptist Church, visited in the J. R. Glover home, Sunday.

Mr. and Mrs. John Stagner and Mr. and Mrs. Jack Stagner and family, of Clovis, and Mr. and Mrs. Hilary Tidenberg were guests in the J. R. Glover home, Sunday.

Mr. and Mrs. Loney left Monday morning for Hot Springs, N. M., to spend a few days.

Mr. and Mrs. Duard Lee and Sheila spent Sunday in the home of Mr. and Mrs. Byron Turner and family. Lee is pastor of the Bovina Church

of Christ.

Mrs. Frank Ayres and Mrs. A. G. White were in Clovis, Friday.

Wesley Ayres and Verna Lee Ishman were in Clovis, Sunday night.

BRIDAL SHOWER GIVEN
A "come and go" shower honoring Mrs. A. V. Warren, the former Bonnie Foster, was held Friday afternoon from 3 to 5:30 in the home of Mrs. George Trimble. Mrs. Emmitt Tabor and Mrs. Buck Ellison were assistant hostesses.

The serving table was laid with a pink lace cloth on which was arranged a yellow floral centerpiece set off by pale green candles. Corsages of gardenias were presented to the bride; her mother, Mrs. Tom Foster, and to Mrs. C. P. Warren, mother of the groom.

Refreshments of angelfood cake and punch were served. Registering was done by Mrs. C. P. Warren, C. R. Elliott, Troy Armstrong, H. L. Tidenerg, H. D. Bradshaw, Paul Jones, Joe Wilson, Odie White, Jessie Walling, J. P. Macon, Reagan Looney, Will Foster, Pete Davies, Byron Turner, Pat Ellison, Mable Ellison, J. C. Denney, Jewel Tabor, Geogre Trimble, Tom Foster, Misses Loyce Trimble, Bettie Foster and Mary Alice Englant.

Regrets were sent by Mmes. Nat Reed, Jessie McSpadden, Bobbie Stephens, Lawrence Edwards, Ezra Englant, L. C. Moore, Lillie Fuller, Wilbur Charles, Billie Jo Foster, Pat Kunselman, Lester Rhinehart, Jimmie Charles, John Tabor, T. W. Ayers, Alice Moore, A. G. White, Lillian Mahan, Levi Johnson, J. T. Hammonds, A. B. Wilkinson, R. C. Martin, Frank P. Wilson, Charles Ross, Bill Venable, Vaughn Bowen and Charles Lovelace; Mr. R. T. Harbor.

STUDY CLUB MEETS
The Bovina Women's Study Club met Thursday afternoon in the home of Mrs. Bedford Caldwell, when the group studied gardening.

Mrs. I. W. Quickel was program leader and roll call was answered with "Garden Hints". Mrs. J. P. Macon discussed planning and developing a yard, and Mrs. Bass Elliott gave a talk on flower arrangements.

A social hour followed the program and refreshments were served

to Mmes. Lloyd Battey, Bedford Caldwell, Tom Caldwell, David Carson, Bass Elliott, Clarence Jones, Reagan Looney, J. P. Macon, I. W. Quickel, Aubrey Rhodes, William Thornton, Willoughby and A. B. Wilkinson.

SURPRISE BIRTHDAY SUPPER
A surprise birthday supper was held in the home of Mr. and Mrs. T. G. Hudson honoring T. G. on Sunday evening, Feb. 5th. Present were Mr. and Mrs. A. M. Wilson, Mr. and Mrs. Emmitt Tabor, Mr. and Mrs. Nat Reed, Mr. and Mrs. Fred Carson, Mr. and Mrs. Dan Grounds, Mr. and Mrs. Cash Richards, Mr. and Mrs. David Carson and son, Mr. and Mrs. Marion Carson and sons, Mr. and Mrs. Paul Jones and son, and R. T. Harbor.

Questions & Answers

Q—My husband, a World War I veteran, gets a pension and does not give me enough to pay doctor bills. Could I get a part of his pension?

A—Pension may be apportioned only where the veteran and his wife are living together. If you are living together, you may not be granted a part of his pension.

Q—Is it important for me to show that I have had experience in the line of business in which I am an applicant for a GI business loan?

A—It is important to show such experience because the law explicitly provides: "... that ability and experience of the veteran, and the conditions under which he proposes to pursue such business or occupation are such, that there is a reasonable likelihood he will be successful ..."

Q—Will I have to go to VA for advisement and guidance in event I wish to change my educational course under the GI Bill?

A—To avoid possible delays, a veteran seeking to make his first change of course may go to his school for counseling service. If

the school has no organized counseling service or if the student seeks further changes in his course after the initial change, he must go to VA for advisement and guidance.

Q—I was discharged from the Army four years ago and now wish to enter a course of embalming. What school may I attend and get the benefits provided by the GI Bill?

A—You may enroll in any school of embalming approved by the state in which the school is located, provided it is willing to accept you.

Good Try, Steers ADRIAN CROWNED DIST. CHAMP

The Adrian Matadors did it again. They are undisputed champs of District 11-B by virtue of an unblemished conference record for the '49-'50 season. They ran over challenging Bovina in the finals Saturday night in the Farwell gym 31-45, proving they were the tops of the tournament as well as round-robin play for the season.

District Chairman Weldon Reno, Adrian superintendent, awarded Captain Voyles a handsome trophy at the conclusion of the final contest. The Matadors will represent District 11-B in the regional play-offs in Lubbock some time this month.

The Matadors got their biggest scare of the year in the opening game of the tourney Friday night when they stalled against Farwell's determined Steers. For a few fleeting seconds it looked as though the home-town quint might upset an unbeaten conference leader, but it wasn't in the cards.

Farwell led Adrian by a meager one-point margin in the last minute of play, only after a long, up-hill climb of nip-and-tuck play during the entire game. Voyles pulled the fat from the fire for the Matadors, however, crapping in a field goal with something like 50 seconds left to play.

Nervously, Farwell attempted to counter the one-point deficit when they regained control of the ball, but pressure shots in close range of the bucket just wouldn't fall for the luckless Steers. Adrian won 33-32.

Poteet on All-District Team

Bovina's best stand against the Adrian steam rollers was in the last quarter of the finals, when they outscored the Matadors 15 to 13 points. The Mustangs were never able to overcome Adrian's lead, however, and succumbed 45-31 with the final whistle. Banks led scorers with 16 for Adrian; Hromas took 14 for Bovina.

Six boys were named to the all-district team after the finals. Adrian placed two boys, Banks and Pinnell; while Bovina, Friona, Vega, and Farwell placed one each, Hromas, Laceywell, Harwell, and Poteet, respectively. A tie between two players necessitated the sixth member.

Play-By-Play

Tournament play opened Friday night when Lazbuddy fell before Friona 43-25. The Chiefs had little difficulty brushing by the smaller Longhorn team, and had Lazbuddy trailing 24-12 at the half. Third-quarter tally was 33-17. Laceywell of Friona led scoring with 15; M. Steinbock and Crim scored 8 each for Lazbuddy.

Farwell Out Early

Scoring in the hottest game of the tournament between Farwell and champ Adrian was neck-and-neck. The Steers trailed two points at the end of the first quarter, 10-8; and were five points behind at the half, 21-16—their largest deficit of the evening.

Poteet led scoring in the third canto and brought the trailing challengers up and over the Matador five, 28-27. Farwell continued to hold a lead until the final minute, when Voyles disrupted the Steers' hopes of an upset with a field goal, giving Adrian a one-point finishing margin.

Poteet was leading basket-maker of the game with six field goals and two free tosses for 14 points; Banks steered scoring for Adrian with four makes from the court and three from the free-shot line for 11 points. Adrian keeps it up.

Saturday Adrian maintained their game-winning drive by besting Vega 38-21. Vega had been seeded, along with Farwell, as the only hope of an Adrian downfall. The Longhorns trailed all four quarters, but nearly overtook Adrian in the third round, 18-17. Banks of Adrian was high for the game with 11, and Dillehay collected 7 for Vega.

TEXICO JUNIOR GIRLS COUNTY CHAMPS; SENIORS LOSE IN FINALS TO FORREST

Two Texico girls' teams showed the stuff that makes winners at the Curry County cage tournament held the past weekend in Clovis, with the junior representatives taking the crown in their divisions while their older sisters were less fortunate, losing their final contest.

Galloping over Field, Center and Rosedale, the youngsters sewed up the title match on Saturday, much to the delight of Coach John Armour who was not disappointed in his early predictions of winning. The senior girls, coached by Fern Stout, apparently are doomed as finalists, as for the past several years they have lost a hot semi-final or last-round match.

Starting off play on Thursday, the little girls ousted Field from competition by taking them 13-25, and went on into semi-final play where they tossed Center, 11-23. The final game was with Rosedale, which they also took by a good margin, the tally standing at 15-27 when the last whistle blew. Esther McDaniel starred in the forward post throughout the meet.

Seniors Take Field, Ranchvale

Field was a 21-29 victim of the senior girls, as they got into tourney play, with Swinford bagging 11 for Field as Patsy Ingram found the basket to slam in 16 for Texico.

But the Ranchvale game—that was the one. Count was tied between the squads at 4-4 in the first period, the Whirlwinds held a 9-8 lead at the half and had pushed up to 17-14 as the last round began. Then came the battle. With seconds to go, Texico came from behind to tie it up 22-22 as the period ended and the game went into an overtime which the locals finally won 25-26 after getting three points down.

Grant, strong arm of the Ranchvales, hit again and again to drive the guards wild and rack up 16 to lead the scoring. Patsy Ingram got 13 and her co-worker, Betty Donahy, bagged 7.

Behind only one fielder, 8-10, as they opened the last quarter of the championship game, the locals felt the loss of Billy Roberts, star guard, in the last few minutes and Forrest rushed ahead to win, 19-11.

Thomas and McCutchen led the scoring parade, taking 10 and 9 respectively for Forrest, while Peggy Caldwell topped Texico with 5. Patsy Ingram, usual high scorer, was swarmed by the Forrest guards each time she received the ball and was unable to move a peg during the game.

Junior Boys Stage Upset

Although they were eliminated in the semi-finals, the Texico junior boys staged the biggest upset of the tournament when they handed the Clovis quint a 22-21 defeat in the opening round of their division.

With Arlyle Crooks and Goldsmith hitting for the locals, they eased past the strong Clovis aggregation as the crowd howled. In the next round, however, Grady pushed the hard-fighting juniors out of play, 24-20.

The senior boys, drawing the Clovis B string, made their first and last appearance Thursday night, as they were downed 35-19. Gant had 7 to lead Texico, Mason scored 14 to pace Clovis.

Silage of "canned pastures" ranks next to improved pastures as the best source of low feed nutrients.

Farwell Girls Meet Bovina Tonight

Tonight's the night.

For the last time this season, the Farwell and Bovina girls will lay it on the line tonight (Wednesday), to determine the 1949-50 champion of girls' basketball in Parmer County, with the winner to represent the county at the district tangle.

The Lazbuddy gym will be the scene of the fray, which is scheduled to get underway at 8:15. Coach Jack Williams, of the Farwell school, revealed following a meeting of coaches on Monday morning.

Right now, both the locals and the Cowgirls have one hand firmly gripping the seasonal trophy, and neither is willing to admit that the other will be able to dislodge them as they collide tonight.

Bovina holds top rating for play in conference games during the season, and Farwell took first at the tournament held last weekend, with each of these divisions counting as one-half of the title. To get the crown, one team must be ousted in the play-off of the contenders.

C. D. Holmes, superintendent of schools at Stratford, and former Friona school head and popular referee of this area, has accepted an invitation to call the game and will be assisted by J. C. Knowles, principal of the Borger school, who during the current season has been calling with Holmes.

Admission for the game will be 50 and 25 cents, and although Lazbuddy boasts a large seating capacity in its new gym, spectators who are interested in the game are advised that they had better be on hand some minutes before game time if they expect to find a place to sit.

ENMU Gym Will Be Scene of Tourney For District Six

Cage play goes down the home stretch in New Mexico next week, as one of the most interesting tournaments for the section will unwind in the Eastern New Mexico University gym, when contestants from District 6 assemble to determine their champion.

Play begins on Wednesday night. Coach C. B. Stockton, of Texico, said today; sessions will be held afternoons and evenings Thursday and Friday; the semi-finals will come off Saturday morning and teams will go into the finals that night.

The Clovis Wildcats were seeded as No. 1, Rogers was listed as No. 2, Portales, No. 3, and Melrose (Curry county champs) as No. 4.

For a change, the Texico Wolverines got a break, when they drew a bye in the first round of the meet. They will play the winner of the Melrose-Causey match at 3:50, Texas time, Friday afternoon.

M. Ward, R. Barton, M. Appling and S. Cain have been named as officials for the meet, and will alternate games.

Poultry of all kinds is on the plentiful foods list. Service it often.

Farwell Girls Win County Tournament

Playing a thriller which was not decided until the final minutes of an extra play-off period, the Farwell girls clinched the county tournament championship Thursday night in ousting contending Lazbuddy, 40-34.

With the crowd howling for blood, the local girls—who had upset the dopesters in dumping favored Bovina in the first go-round of the meet—fought down the stretch with the determined Lazbuddians as the finale of the meet unwound in the new Lazbuddy gym.

Score at the end of the first period stood at 11-10, Farwell; the locals held a 19-16 lead at the half, but were tied up at 24-24 with their opponents at the end of the third canto and the fourth regular quarter ended at 33-33.

Determined guarding on the part of the Farwellites held the sprinting Lazbuddy trio down to a solitary charity score in the play-off period as the locals bagged seven points to win.

Proving her value, Engelking led the losers by scoring 24 of Lazbuddy's 34 points; Dial had 18 and Randall 17 for Farwell.

In the other game of the evening, the Bovina squad soundly spanked

Friona, first toppled by Lazbuddy, as the Bovina girls went all out to avenge their defeat at the hands of Farwell on Tuesday night.

All-Tourney Stars Named
Farwell got a lion's share when the all-tournament awards were handed out Thursday night, with three local players—Valarie Dial, forward, Bettye Foster and Billie Christian, guards—on the list.

Other all-stars included Janean Ellison of Bovina, Shaffer of Friona and Engelking of Lazbuddy, all forwards; Dorothy Moorman of Bovina, and Gonser of Lazbuddy, guards. Honorable mention went to Janean Lunsford of Farwell and Tila Rueday of Farwell for defensive work.

Tucumcari Trims Texico Wolverines

The high-flying Tucumcari boys, who have been mauling cage competition right and left this season and appear to be headed for the state championship in New Mexico, added another to their string of victories last Friday night by downing Texico.

However, the Wolverines showed surprising strength against their top-rated opponents, and were out-pointed only 38-25 in a game which gave fans plenty to think about when the score was knotted at 13-all as the half came round.
