**Health Note**

Texas State Department of Health

AUSTIN—Dr. Geo. W. Cox, State Health Officer, declares there's hardly anyone who hasn't caught cold at one time or another. The common cold is common indeed! Besides making you feel miserable, colds steal your time and your money. They fool you, too, because the early signs are often the same as those of more serious illnesses. And long-continued colds may pave the way for an attack of pneumonia, tuberculosis, or a chronic infection of the nose, throat, ears, or sinuses. So, do your best to keep from catching cold. And if you do catch one, take proper care of yourself so you can get rid of it.

When you have a cold:

1. Get as much rest as possible. Stay in bed or indoors for the first day or so, if you can.
2. Keep comfortably warm and dry. If you must go to work, wear clothes that will protect you adequately when you go outdoors, and avoid drafts and sudden chilling if overheated.
3. Drink plenty of citrus fruit juices, water, and other liquids. Eat simple foods which agree with you.
4. Protect other people as much as possible. Cover your mouth and nose when you cough or sneeze. Use paper handkerchiefs or paper napkins that can be burned. Wash your hands frequently with soap and water.
5. Blow your nose gently. If you don't, you may force infected material from your nose into your sinuses or middle ear and develop sinus trouble or serious ear infection.
6. If a cold starts with chills, fever, or aching, or seems more severe, or lasts longer than usual, consult a physician without delay.

House Calls  
Day or Night

"Can you serve company?" asked the housewife when she was hiring the servant.  
"Yes, mum; both ways."  
"What do you mean?" asked the puzzled one.  
"So's they'll come again, or stay away."

Stage Hand: "You received a tremendous ovation; they're still clapping. What did you say?"

Actor: "I told them I would not go on with my act until they quieted down."

Father: "I got a note from your teacher today."

Son: "That's all right, pa. I'll keep it quiet."

If you've been able to read this far down the column we would like to tell you that if you stop in here for a car check you'll have safer, pleasanter driving.

**VETERAN'S QUESTION BOX**

Q. Will I be entitled to subsistence allowance if I enter school under the GI bill to become an accountant?

A. If you enter training in a state-approved institution that has been in operation for more than one year, you may be eligible for subsistence.

Q. I have never applied for a GI loan, but now I am delinquent in a loan I secured to buy some stock and equipment for my farm. Will VA guarantee a loan to meet this indebtedness if I can find a lender?

A. Under certain conditions, VA may guarantee your loan to liquidate your delinquent indebtedness which was incurred in the purchase of stock and equipment for the operation of your farm.

Q. My uncle is a disabled peacetime veteran and unable to work because he is ill. Is he entitled to hospitalization in a VA hospital?

A. Your uncle may be entitled if he was discharged under other than dishonorable conditions for a disability incurred in line of duty or is receiving compensation for a service-connected or service-aggravated disability.

Q. As the widow of the World War II veteran, I was receiving death compensation from VA. Compensation was discontinued when I remarried, but shortly thereafter, my hus-

band, a non-veteran, was killed in an accident. Am I entitled to the compensation I was receiving prior to my second marriage?

A. Under the law, you lost your entitlement to compensation when your remarried.

FORD**

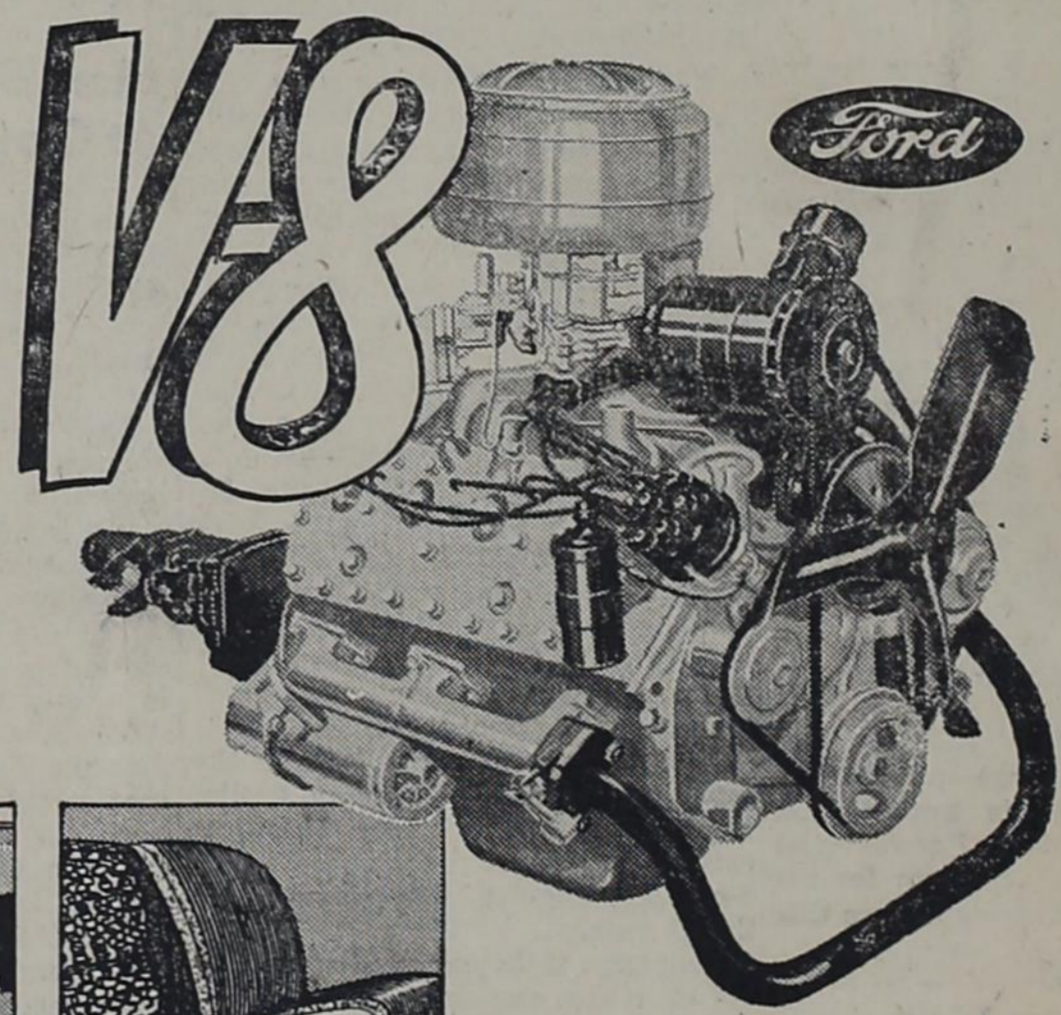

**IT'S HERE FRIDAY  
AND 50 WAYS NEW!**

**WITH  
THE EXCLUSIVE  
NEW 100 H.P. FORD**

**ITS QUIET WHISPERS QUALITY**

It's the quiet of new super-fitted pistons, new "hushed" timing gear, new fan designed for better cooling at slower, quieter speeds. And what power! There's a full 100 horsepower wrapped up in this V-8 design that makes you master of any road. It delivers more power than any other car anywhere near Ford's low price and sells for less than most conventional "sixes." And Ford offers a Six, too—an advanced Six with 95 horsepower.

**NEW SOUND CONDITIONING**

New "sound conditioning" in floor, doors and body panels insulates Ford's "Lifeguard" Body against road noises. More extensive body insulation and sealing in 41 areas give additional interior quietness and protection.

**NEW "HUSHED" RIDE**

Ford's famous "Mid-Ship" Ride is now so quiet you can talk in whispers while travelling at highway speeds. So smooth (with its great team of "Hydra-Coil" and "Para-Flex" Springs) that it virtually erases every bump.

**NEW QUALITY FEATURES**

New quality is easy to find in this 50-way-new Ford. You find it in the new push-button door handles, in the new rotary door latch that needs only a leather touch to open, yet closes so securely. You find it in new sparkling upholstery colors.

**NEW DRIVING COMFORT**

Not only does the 1950 Ford offer you more hip and shoulder room than any other car in its field—it offers you the long-lived driving comfort of a new foam rubber front seat cushion over new non-sag seat springs. Arrive relaxed after hours of riding.

There's a Ford in your future  
...with a future built in

But see it for yourself. Drive it so you can feel and hear the difference. And price it and see how much less it costs than any other really fine car.

**WAYLAND TAKES PART  
 IN CONVENTION, 1-4**

PLAINVIEW—A highlight of the Baptist General Convention in El Paso, November 1-4, from the viewpoint of Wayland College, was the election of Dr. J. W. Marshall as second vice president of the convention.

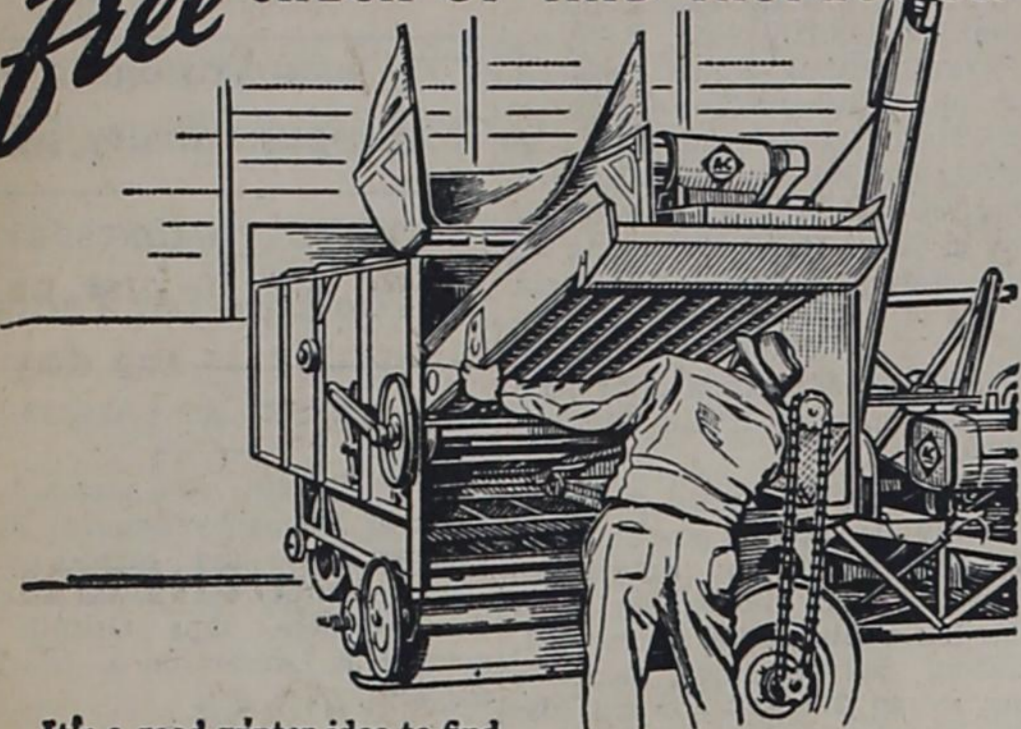

From the regular budget, Wayland will be allocated \$45,000. At an informal meeting before the convention proper began, Texas Baptist leaders expressed sympathy with the college's need.

A popular feature on the program was Wayland's International Choir, directed by Shelby Collier. Dressed

in colorful costumes from all over the world, they sang three numbers the afternoon of November 2 and held an audience of over 2000 for an hour that night with their musical program. They sang that noon at the El Paso Kiwanis Club.

Shown for the first time was a colored movie whose stars and co-author are at Wayland. One of the two who wrote the script for the picture, "The Open Door", is Mrs. Lake Pylant, a teacher at Wayland. The leading role was played by Herman Sandford, dean of students at Wayland, who recently was appointed a missionary to Africa. The leading girl's part was played by Ruth Sharpley of Corsicana, a sophomore at Wayland.

**Jennings Is Top Man In County Voting**

Joe W. Jennings of Plainview, carried this county in his bid to be elected State Representative of the 120th District, although he was beaten out in the final tabulations from the seven-county area.

The vote in Parmer County stood: Jennings, 123; Harold LaFont, 89; Tom Deen, 91. LaFont was winner in the overall tabulations.

**All Amendments Lose In Parmer Balloting**

Final tabulations made on the special election held Tuesday of last week, reveal that all ten of the proposed amendments to the State Constitution failed by fairly heavy odds in the Parmer County voting.

Since there was so little interest in the election, The Tribune has not gone to the trouble of tabulating the results.

**District 3-B Crown Is Grabbed By Olton**

The Olton Mustangs sewed up the District 3-B football title, last Friday, when they dumped the last eleven on their schedule, Hale Center, 19-6. When final play is held in District 4-B, the Mustangs will take part in a bi-district fracas.

Dimmitt is second-high in the district, and Springlake, in defeating Farwell on Armistice Day, clinched the third-place rating. Hale Center is currently in fourth place, followed by Farwell, Friona, Anton, Amherst, Spade and Whitharral, in that order.

The Mustangs came through with a perfect batting average of 1.000 in taking the district title. Dimmitt, in losing to Olton, rated .889 during the season. Ratings for the other teams, the first of the week were: Springlake .773; Hale Center .625; Friona .556; Friona .444; Anton .375; Amherst .222; Spade .111; and Whitharral .000.

Olton has racked up 291 points to allow only 71; Dimmitt scored 256 to 70 for the opposition; Springlake garnered 234 and allowed 89; Hale Center has a total of 130 against 121, indicating tight matches; Farwell's Steers scored 213 and allowed 139; Friona hit paydirt for 116 against 212; Anton made 153 compared to 121; Amherst was on the losing end with 63 compared to 234; Spade had the same sort of standing, scoring 30 to 255; and Whitharral, in the cellar, racked up 34 points to 329.

## Thanksgiving Supper Is Planned For Nov. 23

Officials of the local American Legion and Auxiliary reminded today of the Thanksgiving covered dish supper, which will be held at the Legion Hall next Tuesday night, November 22nd.

"We especially urge all veterans who are not members of the Legion, to come and bring their families," a spokesman for the group said today.

The supper will be spread at 8 p. m., following which a social will be enjoyed.

## Womanless Wedding To Be Held At Lazbuddy

"If you haven't had anything to laugh about, or at least, come to the Lazbuddy school auditorium on next Monday night, November 28, for a hilarious evening," the Lazbuddy PTA invited this week.

At that time, a "Womanless Wedding" will be presented by the male representatives of the community, under the sponsorship of the Parent Teacher Association.

Time is 7:30, CST, and admission of 50c for adults and 25c for children will be charged at the door.

## Housewarming Held At Ray Stone Home

The recently occupied home of Mr. and Mrs. Ray Stone, near Farwell, was the scene of a housewarming social, the past Saturday night, with approximately thirty guests signing the guest book and number of gifts received from those unable to attend.

The new residence was beautifully decorated with bouquets of colorful fall flowers, and after the guests enjoyed a tour through the new home, delicious refreshments were served.

## Recent Nuptials Are Read In Oklahoma

MISS LuWanda June Holder, the daughter of Mr. and Mrs. W. T. Holder of Cartwright, Oklahoma, and Howard Leroy Ham, son of Mr. and Mrs. R. V. Ham of Farwell, were married in a quiet home ceremony on Sunday, November 6th, it has been announced here.

With Minister F. E. Wallace, Sr., of the Church of Christ, in charge, the nuptial vows were exchanged at 2:30 in the afternoon in the home of the bride's parents in Cartwright. A lovely floral and greenery arch was arranged between the living and dining rooms, where the couple stood.

Mrs. Ham chose as her wedding costume a two-piece dress in tan corduroy with contrasting accessories of dark brown. For something old she wore a locket belonging to her mother-in-law; something blue was the traditional garter; and she carried a white Bible belonging to a girl friend in Dennison, Texas.

Attending the couple were Miss Mildred Holder, sister of the bride, as bridesmaid, and Preston Doshier, of Farwell, as best man.

Some forty guests, principally intimate friends and members of the immediate families, were present, and an informal reception was held following the ceremony.

Out-of-town guests included Miss Martha Dailey of Plainview and Preston Doshier of Farwell.

Mrs. Ham was formerly an employee of the telephone company, in Clovis. Ham is employed at Hardage Judson company in Farwell, and the couple will reside here following a honeymoon at Lakeside cottage at Alamogordo Lake.

### WOMAN'S CLUB MEETS

Emphasizing international relations in its program, the Bovina Women's Study Club entertained recently with the annual guest day tea at the American Legion Hall. Hostesses for the affair were Mesdames William Thornton, I. W. Quickel, Bill Kyle and Billie Sudderth.

Speaker for the occasion was Mrs. J. E. Johnson of Clovis, a war bride and a native of Germany. She discussed conditions in Germany and her impressions of the United States. A musical program was presented by Mrs. Pat Kunselman, Mrs. John Wilson and Arnold Schueler.

A patriotic theme was used at the tea table, which was covered with a white damask cloth. The centerpiece was an arrangement of red, white, and blue carnations and chrysanthemums, flanked by six tapers of the same colors.

About forty members and guests attended.

### Dust Bowl May Return, Unless Progressive Control Is Used

LUBBOCK—Although the "dust bowl" years of the early 1930s are faint recollections to many West Texans, a Texas Tech college scientist warned today that lean years might return to many Great Plains farms unless progressive agricultural methods are adopted at once.

Dr. A. W. Young, head of the plant industry at Tech, said he has noted visible evidence of neglect in recent months which has led to wind erosion. Constant vigilance, it seems, is the price of good crops and better soil.

Solving the wind and water erosion problem is not a local matter, r. Young pointed out. It is a challenge facing agricultural areas from Texas through the Dakotas. But in West Texas, sweeping winds act as a constant reminder to scientists that every means available must be used to preserve the fertility of the soil.

On solution has appeared in the form of proper management of crop residues. Dr. Young says that every piece of crop residue left on the surface of the soil serves as a natural wind-break or dam.

"Every piece of stubble left on a field helps to stimulate water penetration of the soil, and organic matter which decomposes in the fields

acts as a binding agent which holds soil particles together in spite of the strong winds," he said.

Soil tests at Tech indicate that once native sods are broken for cultivation, as much as 50 percent of the organic matter may disappear within two years. Removal or plowing under of crop residues furthers wind and water erosion and organic losses. As long as crop residues are left to disintegrate, conservation of soil and water are aided.

This brings up an important question. Can crop residue, if properly managed, eliminate the dust storm menace?

"No," Dr. Young admits, "it can't. Science accepts the theory that the Plains had dust storms long before man ever touched the soil with a plow. But it isn't a hopeless case, and the proper use of crop residues can prevent those 'black dusters' which drew hundreds of tons of top soil off of our best farm land."

One of the best ways to conserve moisture in the soil is to leave residues on the surface as a barricade against runoff water, thereby permitting more water to penetrate the soil. Moist soils will produce a vegetative cover which can prevent wind erosion. The crop residues are returned to the soil as organic matter in the cyclical process.

"Right now it's simply a matter of convincing the farmer that he should leave crop residues on the surface

and use a chisel-type plow with sweeps which will work the soil underneath the residue without turning it under," Dr. Young said. "The effect—in greater fertility and decreased erosion—will become apparent right away."

#### LEGAL NOTICE

##### CITATION BY PUBLICATION THE STATE OF TEXAS

TO: Benjamin F. Capps, Defendant, Greeting:

You are hereby commanded to appear before the Honorable District Court of Parmer County at the Court House thereof, in Farwell, Texas, at or before 10 o'clock A. M. of the first Monday next after the expiration of forty-two days from the date of the issuance of this citation, same being the 12 day of December A. D. 1949, then and there to answer Plaintiff's Petition filed in said court on the 24 day of October A. D. 1949, in this cause, numbered 1488 on the docket of said court and styled Lorena Capps, Plaintiff, vs. Benjamin F. Capps, Defendant.

A brief statement of the nature of this suit is as follows, to-wit:

Plaintiff alleges that she was married to defendant on or about the 30th day of November, 1947, and they lived together as husband and wife until on or about the 15th day of March, 1949, and because of the excesses, cruel treatment and outrages administered by defendant, their further living together was rendered insupportable. That there is no community property, and that one child was born to said union, to-wit: Anna Patricia Capps, a girl now one year of age; that said minor child is

now in the custody of plaintiff, and that she is a fit and proper person to have such custody. Plaintiff prays for absolute divorce from defendant, and custody of said minor child; as is more fully shown by Plaintiff's Petition on file in this suit.

The officer executing this process shall promptly execute the same according to law, and make due return as the law directs.

Issued and given under my hand and the Seal of said Court, at office in Farwell, Texas, this the 24th day of October A. D. 1949.

Attest:  
LOYDE A. BREWER, Clerk

# Wolverines Dump Steers In Final Game

The Springlake Wolverines put a fitting climax on an Armistice Day game played on their gridiron in the middle of a fall sandstorm, last Friday, scoring twice in the final quarter to run up a 20-0 rout over the Farwell Steers.

The 1949 season's finale showed up the Steers in their worst game of the year, with neither offense or defense able to function. The weather, which was rough for all concerned, may have had something to do with the collapse of the local team before a good many dismayed fans, who had followed the Steers to the game.

With the strong west wind raking the field through the entire session, the game was entirely puntless, each team preferring to take its chances on fourth down rather than have an attempted kick blown back over their heads—or land someplace in the middle of a plowed field.

Actually, Springlake never appeared 20 points better than the locals until the final minutes of the sandy battle. They took a 6-0 lead early in the second quarter and managed to hang on to that lead through the two threats by the Steers.

Springlake was able to get its offense functioning better at periods during the afternoon, with Quarterback Barlow doing the heavy work, including passing, running, intercepting Steer passes, and in general making pretty much of a nuisance of himself so far as Farwell was concerned. Tailback Junior Smith showed his wares on several occasions but never displayed the speed he had been credited with during the year. Barlow got the first touchdown, while Smith was credited with the other two six-pointers, and Barlow passed to Barratt for the extra.

The Steers pulled only two offensive plays during the afternoon which ran up any yardage. On their first play from scrimmage, in the initial period, blockers broke loose Jerry Pool for a 25-yard gain, and just as the half ended, Don Ford passed to Melvin Terry on the 30 and Terry was halted within touching distance of the goal line when time ran out. The local interference work was completely nil, with ball carriers being nailed for losses far more than they gained during the match.

### First Quarter

Getting the wind to their backs, the Steers kick to the end zone with Smith returning to the 38. Barlow gained two before hit by Nix, Smith added four, Christian got Maxey for nothing but Smith went through the

middle for a first down on the 49. Underwood burst through to the Steer 38, Smith gained nothing, Barlow got two, and McKillip stole the ball on the 30 for the Steers.

Pool broke out to the Springlake 33, Terry added 3, Ford got the same, Pool did another three and Ford pushed over a yard for a first. Pool was downed for nothing by Crawford and McFatten, then was hit by McFatten to lose six. Ford to Poteet was incomplete, Pool tried it on the ground but got only five and the ball went over to Springlake on their 29.

Smith racked up four, then was hit by Pool for nothing, Barlow reached the 39, Underwood lost two feet, Smith reached the Steer 48, Hargrove added two more, Barlow was downed on the Steer 34, then got nowhere as Norton nailed him down, went again for seven before Pool snared him, and Smith pushed to the 15 as the quarter ended. Score, 0-0.

### Second Quarter

Poteet and Dollar stopped Higgins cold, but Barlow drove through the center of the line for a score. His kick was off and the Wolverines led 6-0.

Springlake kicked and Ford fumbled the ball in the tricky wind, finally covering on the 10. Ford gained one, Pool added two tries to rack up 1, then got nothing and Springlake took over on the Steer 12. With a touchdown at stake, Steer defense tightened. Smith got two as Ford stopped him, then added a yard, Terry slapped down a pass try, and Barlow fumbled and recovered but the ball went to Farwell on the 12.

Ford was slammed by Barlow for nothing, Nix got only one, Pool went no place, then scooted for 11 yards. Terry got a yard, Coburn ditto, Ford made no gain, and Pool was stopped by Barlow for one with Springlake taking over on their 25, but on the first play the Wolverines fumbled and Pool covered on the 34. Pool to Magness was incomplete, Ford lost three but Pool reached the 40, and Jordan drove through to scotch Poteet on the 35, where the ball changed hands again.

Barlow tried a pass, slapped down by Ford then was pushed back on the pass try to lose 8, two more aeri-als were also off, with the Steers again in possession, on their own 40. Ford to Poteet reached the Springlake 35, the Steers got a 5-yard fine for too much time, Ford to Terry hit the 20 and Terry was caught on the 1-yard marker as the half ended, 6-0.

### Third Quarter

Farwell booted with the wind, Bar-

low received on the 30 and got nowhere. In three tries through the line Barlow ran up 8, then went on for a first on the local 41. Underwood got nothing, Smith fumbled and Ford recovered for Farwell on the 40.

Nix gained 2, Ford to Poteet looked good but was dropped, Ford hit the Springlake 40, Pool got 1. Ford to Poteet was incomplete, Ford gained 5, then nothing, and Springlake took over on the 40. Barlow got nothing as Poteet and Dollar speared him, Smith reached the 48, but neither Underwood nor Barlow could gain and the Steers got the leather on the 40.

Ford to Terry slipped at the last second, Pool gained 8 in two tries, Ford shot an incomplete aerial, and the ball went to Springlake on the 30.

Smith gained five, Barlow stumbled and lost eight, Smith got another 5, and Barlow made a first down on the 45. Crawford added four, Smith got two, Barlow reached the 30 where Pool stopped him, Smith lost one, then made two as the quarter died with the score still 6-0.

### Fourth Quarter

Smith met Ford for nothing, Poteet did the same for Barlow, and the locals were in possession on their 20. Ford to Poteet was incomplete, Terry made five, Ford tried another pass which was slapped down by McClement, Pool got four and Springlake gained the ball on the 29.

Smith made 2, Barlow pitched out to Smith who went for a counter but the ball was returned and the Wolverines fined 15 yards. Barlow to Smith connected for 15, Barlow got nothing, then reached the 10 for a first; Smith, carrying the ball for all four tries, went over on the final plunge for the second counter and Barlow passed to Barratt for the extra. Score, 13-0.

Springlake kicked and again Ford fumbled and recovered, reaching the 25. His first pass was intercepted by Barlow on the 30 and the runner hit the 14 before he was stopped. Underwood got a yard, Barlow covered ground but was called back and the Wolverines fined 5, and Pool intercepted Barlow's pass on the 4-yard line, only to be knocked to the ground by his teammate, Terry, also after the ball.

Ford got out four yards, Pool went to the 10, then lost 2, and Ford's pitch-out to Pool got nothing with the ball over on the 10. Underwood made eight, then fumbled and covered for no gain, Smith got nothing, but broke loose on his second try for the touchdown, with Underwood hit-

ting the line for the extra. Score 20-0. Springlake kicked to the Farwell 15, Ford reached the 35, tried two incomplete passes and then carried to the Springlake 45 as the game ended.

## Cage Sessions Now Underway At Texico

Coaches C. B. Stockton and John Armour started workouts last week with boys of the Texico school and Coach Fern Stout is working with the girls, preparatory to the opening of the 1949-50 cage season.

Both departments report a good turn-out of prospective players, with Coaches Stockton and Armour listing around twenty boys out for practice, while Coach Stout reported he was working some 18 girls for places on the team.

Tucker, White, Gant and Doolittle are the returning lettermen for the boys' squad, being boosted by Horton, Williams, Jester and Clark, four transfers from Pleasant Hill, who have also seen previous service. In addition, a good number of greenhands are reporting.

Coach Stout has an even greater number of experienced players on hand to develop his team. Returning from a successful season last year are Patsy and Jo Beth Ingram, Curry, Doshier, Allred, Caldwell, Reed, Sparks and Roth, several of whom were first stringers. Three experienced players have transferred from Pleasant Hill—Roberts and the Donahy twins—and Jones has come to Texico from Grady, along with other new freshmen prospects.

## Stadium Ticket Sales Continue at Fast Clip

Ticket sales, the proceeds of which will go into a fund for erection of permanent bleachers at Steer Stadium in Farwell, are continuing at a fast clip, members of the stadium committee reported today.

Mrs. Grace Snider was recently named to the committee, taking the vacancy left by the resignation of John Aldridge, and Ed Hardage has been chosen as a sixth member to help with the sales and management of the project.

Committee members now include Jack McManigal, chairman; Lenton Pool, secretary-treasurer; John Armstrong, Everett Christian, Walter Hardage, Ed Hardage and Mrs. Grace Snider.

## Another Service...

We are pleased to announce the association of Joe C. Callahan, a graduate of the Fort Worth School of Purina Feeding Advisory Service, with our firm.

In addition to his schooling, he has had several years' experience with feeding problems peculiar to this area, and he will offer his experience to livestock and poultry breeders on their feeding problems.

Too, Mr. Callahan is well qualified in the field of fertilization, and the use of insecticides. He will be associated with us as our field representative, and we invite you to avail yourselves of his technical services in whatever problem you may have.

## Basketball Workouts To Start This Week

Limbering up workouts and familiarity sessions will be held for prospective Farwell Steer cagers this week, Coach Louis Purvis said today, with the grid season having been closed for the locals the past Friday afternoon.

This week, the coach could give out little information as to the likely calibre of his squad. There are a number of returning lettermen, plus several smooth-looking greenhands, but workouts will be necessary to tell who's who, Purvis said.

Coach Jack Williams has been putting his girls through their paces for several days, and with a good group of returnees, is looking forward to a brisk season.

The complete schedule of games is not yet available, but Coach Purvis said Monday that the initial round is slated for Saturday, December 3rd, and the Farwell invitation tournament will be held the weekend of December 17th.

### BABIES ARE EXAMINED

Twenty healthy babies were examined at the clinic held last Tuesday at the Texico school by Mrs. Annette Wiggins, county nurse, and Dr. Catman, county health doctor.

### GINNINGS INCREASE

The Department of Commerce shows that 5412 bales of cotton had been ginned in Bailey County up to Nov. 1 of this year. For the same period 564 bales had been ginned in Farmer County.

## Masons To Attend Scottish Rite

Eleven Farmer County Masons are in El Paso this week, attending the semi-annual reunion of the Scottish Rite of this area. Four of the visiting Masons are candidates for their 32 degree work, which will be conferred at El Paso.

Candidates for degrees are Gober Wilkinson, Harrold, Texas; Glenn Dunn, Lazbuddy; Reagan Looney, Bovina; Bass Elliott, Bovina. Others in attendance are W. E. Williams, Bovina; A. B. Wilkinson, Farwell; E. P. Abbott, Ed Ross, Elmer Laurie, Henry Reynolds, Joe Wilson, all of Bovina. Mrs. Dunn and Mrs. Looney accompanied their husbands on the trip.

### LT. FREEMAN HERE

Lt. Belvin Freeman, son of Mr. and Mrs. W. L. Freeman of Texico, was here last week visiting his parents for a few days. Belvin flew up from El Paso, where he is currently stationed. He is due for a move in December, but has no idea concerning his next assignment.

### TEN CARS STORAGE

M. C. Roberts, of the Roberts Seed Co., stated today that he had secured terminal storage for ten carloads of grain at Fort Worth, which he was filling just as rapidly as he could get the grain out. This will help relieve the local storage situation to some extent.
