

Sewer Permits Let, Six Hookups Made

The City of Farwell found itself doing a land-office business last week as calls piled up from citizens anxious to hook up with the new sewerage system.

Six installations have been completed, according to V. C. Venable, who is engaged by the city as plumbing inspector. Four of these were on business houses, he added.

Businessmen had been especially anxious to see the new system put into operation, and at present two east-west lines have been cut down the business district for service. One, northernmost line of the system, is abutted to the Santa Fe railroad property moving southeast toward Lubbock.

The other main line was laid down Avenue A, and was one of the first to be put into service.

Businesses now tied up to the sewer include Billington Barber and Beauty Shop, C. G. Davis Mercantile, Williams Laundry, and Sikes Motor Company. The two residences are owned by Loyd Cain and Bill Hall.

Venable said that "about 90" more businesses and residences are ready to go ahead with the installation. Permits for hook-ups are issued by Venable after the application has been approved.

Texico Boy and Girl In Car Accident

John White, son of Mr. and Mrs. Jack White, and Patsy Ingram, daughter of Mr. and Mrs. Edward Ingram, were hospitalized last Friday night after an automobile accident in the Oregon Mountains 12 miles from Las Cruces, N. M.

Mrs. White reported that John was scheduled to leave the hospital Monday afternoon, but added that Patsy had been retained for an indefinite period. Mr. and Mrs. Ingram went to Las Cruces Friday night as soon as they heard word of the accident.

According to Mrs. White, the two Texico youths were riding in a car with four other young people. Details of the accident are lacking, but it is believed that the driver fell asleep, allowing the car to leave the road and roll over a steep embankment.

All six riders were hospitalized, although none is believed seriously injured, Mrs. White reports.

The sextette had been attending ROTC activities at New Mexico A. and M., where White is a student.

Girl Recuperates From Appendectomy

Patsy Doshier, daughter of Mr. and Mrs. Lee Doshier of Texico, is recuperating from an appendectomy this week.

Patsy became ill while at school, Thursday, and was taken to a Clovis hospital, where her appendix was removed a short time later. She is reported to be recuperating nicely.

A junior student, Patsy is active in all sports at Texico schools, playing on the basketball and volleyball teams.

URGES NEW FOREIGN POLICY—J. Evetts Haley, noted historian, writer and cowboy of the Plains, was principal speaker at the annual Chamber of Commerce banquet last week. He criticized the United States foreign policy, and urged wide changes to meet the country's needs today.

Methodist Choir Gets New Robes for Members

Members of the choir of the Texico-Farwell Methodist church will appear for the first time Sunday morning dressed in their new maroon robes, announces Rev. Lance Hurst, pastor.

He said that the robes had been needed for a long time, and felt that the improved appearance of the members would be appropriate with the improved organization of the choir itself.

The singers have been completely reorganized since the pastorship of Rev. Hurst began, and he reports a large growth in choir membership.

Mrs. Willis Magness Sustains Broken Hip

Mrs. Willis Magness, who with her husband is visiting relatives at Edinburg, Texas, sustained a broken left hip on Wednesday of last week, it is reported here.

Relatives received word that Mrs. Magness slipped and fell to the floor in the home of her brother-in-law, Si Magness, breaking her hip bone in the fall. She was given medical attention, and a steel pin was inserted at the break, it is understood.

Clyde Magness, son of the injured lady, said the first of the week that he planned to go to Edinburg shortly to assist his father in bringing Mrs. Magness to her home in Farwell. She will be confined to her bed for some time.

Third Street Patched By State Repair Crew

Farwell businessmen and residents who lived along Third Street were glad to see a repair crew from the State Highway Department patching paving, Thursday afternoon. Third Street, paved two years ago, was beginning to show the effects of cold weather and heavy usage. Large cracks were beginning to appear, but were sealed by the repair crew.

Mayor Proclaims Education Week, Urges Citizens to Participate

The State of Texas
County of Parmer
City of Farwell

WHEREAS, the Governor of the great State of Texas has proclaimed the week of March 5 to and including March 10, as Public School Week for the State of Texas, and has announced that the theme of this occasion shall be "Democracy in Action," and there being a grave and serious threat to democracy as we know it, and

WHEREAS, it is believed that the citizens of this city should take part in this celebration and during such week that each citizen of our city should attend a public school at least one day;

IT IS THEREFORE PROCLAIMED that the week beginning March 5 and terminating March 10, both inclusive, be and it is hereby proclaimed Public School Week for the City of Farwell, and all citizens are urged to participate fully in this noble undertaking.

DONE at Farwell, Texas, this the 22nd day of February, A. D., 1951.

C. M. HENDERSON, Mayor

Public School Week Is Proclaimed By Governor Shivers

The annual Public School Week for Texas has been proclaimed by Gov. Allan Shivers, March 5 through March 10.

In issuing this proclamation, Gov. Shivers stated that the theme of the week will be "Democracy in Action," and he is urging every taxpayer to attend school at least one day during Public School Week.

Gov. Shivers asked the following questions in his effort to advance the important event:

"How long has it been since you were in a school? Do you know the new methods of teaching that are keeping the youngsters of this country up-to-date in Democracy?"

He continued, "Go to school and see for yourself. See where your tax money goes. Meet the teachers and students. See real democracy in action. Make plans now to attend school at least one day during the week. Take your friends and make a party of it," he urged. "You will be welcome."

In conjunction with the proclamation issued by Gov. Shivers and in order that parents of this county may see behind the scenes of the schools, a special program for the week has been outlined by each school of the county.

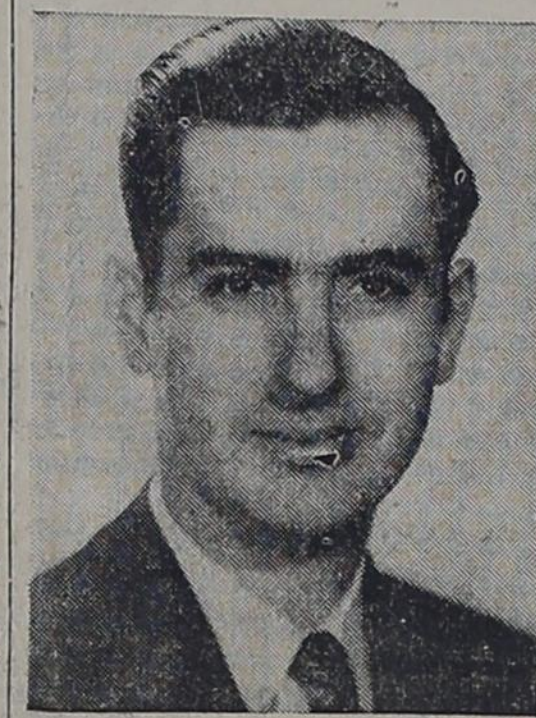

At Farwell, Supt. Jack Williams has outlined the following program for the week:

Monday—Public invited to attend any or all classes. An assembly program, "Bazaar in India," will be presented at 12:45 p. m., featuring William S. Willett.

Tuesday and Wednesday—public invited to attend any or all classes. Supt. Williams invites visitors to inspect and eat in the cafeteria.

Thursday—Parent-Teachers Association will convene in its regular meeting at 8 o'clock p. m., in the school auditorium.

Supt. Williams suggests that patrons send word to the schools in re-

Lariat Church Begins Revival

Church of Christ of Lariat will begin revival services, Sunday morning at 11 o'clock, it was announced this week.

gard to what day they plan to visit the luncheon, in order that the cafeteria staff will know how many meals to prepare.

At Bovina, special visitation days will be Monday and Tuesday and the public is invited to inspect the school program, W. H. Willoughby, superintendent, says. The sophomore class will present an assembly program at 10:30 Wednesday morning. Visitation will continue, and school patrons are invited to eat in the cafeteria.

Aubrey Tucker, director, is in charge of the band, which will present a parade in town with Bovina Thursday to climax the festivities.

Property Values Raised, Taxes Pushed Skyward

Year's First Rainfall Comes on Weekend

Rain, something which Panhandle residents had not seen for some months, fell over a wide area Sunday morning, including Parmer County in the most-welcome fall of the year.

In Farwell, records show that a total of three-quarters of an inch of moisture was realized from the precipitation, which brings a grand total of 1½ inches of moisture received thus far this year, including the January and February snows.

Wheat fields, which had looked browner and browner as days continued to spin by without any wet weather, rapidly reacted to the rain, and by Tuesday were showing bright green shoots where a week ago they had looked almost bare. Even fields which had been heavily grazed were responding to the fall and in general, the crop appeared to be headed for some sort of summer harvest.

Farmers in general over the county agreed that the moisture, though spotted in some instances and ranging from an inch to only a quarter of an inch, would pull the wheat through for several weeks, but hastened to add that additional moisture must be forthcoming in March and April if the crop is to hold its own against the expected spring winds.

The rain came at the conclusion of some two days of cloudy, misty and foggy weather, when it began to appear that the only thing the county was going to get was a trace of moisture. Some light hail was reported to have accompanied the fall in spots over the area, and the Twin Cities experienced quite a thunder storm during the early-morning hours Sunday.

Clearing skies came shortly after noon on Sunday, and roads and fields have dried rapidly, as the parched earth soaked up every bit of the precious moisture.

Willoughby says.

The public is invited to attend classes at Friona schools during the week, Supt. Dalton Caffey states; and patrons are invited to be guests at the school cafe, Tuesday and Wednesday. Special assembly will be presented by the Girls' Chorus in the gymnasium at 11 o'clock Wednesday morning.

The Lazbuddy schools will conduct school visitation week Monday through Thursday, according to Archie Sims, superintendent. A general assembly is scheduled Monday morning at 9 o'clock. Tuesday, parents will have an opportunity to go through all teacherages that are owned by the school, between 10 o'clock in the morning and 2 o'clock that afternoon.

The objective or aim of each teacher will be outlined in classes Thursday. All parents and patrons are urged to visit classes during the school week and to have lunch in the lunchroom, Sims says.

All county schools will be dismissed Friday, March 9, so teachers may attend the District Teacher's meeting in Amarillo that day.

Parmer County residents will feel the pinch of rising prices soon following action by the Commissioner's Court on Monday when some tax values in the county were hiked for the current year.

Principally, the hike in valuations is sustained on farm land, with an entirely new set-up being worked out by the commissioners for 1951, as they discarded the old custom of taxing land by zones at from \$4 to \$7 per acre and put the charges instead on the basis of irrigable, non-irrigable, or grass land.

According to the records, tax assessments for 1951 on level, irrigable land in Parmer county will be at the rate of \$7 per acre; smooth, non-irrigable land will be assessed at \$5 per acre; and grass land is set at \$4 per acre.

The over-all county tax rate will continue at the same level, 95c on the \$100 valuation, the commissioners decided as they worked out the financial scale at their meeting.

Along with the change in land values, something new has been added, with assessments being determined on houses in the county. The commissioners agreed to assess brick homes at the rate of 10 percent of \$20 per square foot; frame stucco residences at 10 percent of \$6 per square foot. Graneries will be assessed at the rate of 10 percent of \$2.50 per square foot; and grain elevators at 10 percent of 40c per bushel capacity.

All other valuations will remain the same as in 1950, it was decreed. Included in the list are irrigation wells, \$500 each; merchandise, 65 percent of Jan. 1 inventory; poultry, \$100 each; cattle, \$30 per head; hogs, \$15 per head; horses, \$20 per head; and sheep, \$5 per head.

A sliding scale will be followed on autos, trucks, pickups, tractors and combines, ranging from \$450 for 1951 models down to \$100 for those dated 1938.

Graveside Rites Held For Bovina Infant

Graveside rites for Marylin Sue Read, infant daughter of Mr. and Mrs. R. W. Read of Bovina, were conducted at 10 o'clock Monday morning in a Clovis hospital, only a few hours after birth.

Church of Christ minister Duval Lee conducted the services at Bovina cemetery. Steed Funeral Home, of Clovis, was in charge of arrangements.

Survivors include the parents, Mr. and Mrs. Read, and the grandparents, Mr. and Mrs. Nat Read and Mr. and Mrs. Buck Ellison, all of Bovina.

COMMISSION MEETS TONIGHT

The Farwell City Commission will meet tonight (Wednesday) at 7:30, announces Mayor C. M. Henderson. The meeting will be held in the offices of Henderson Grain Company, and all members of the commission are urged to make an effort to be present.

Mayor Henderson also requested that the new Chamber of Commerce directors be present at the meeting tonight.

Leading Citizens Are Surprised by C of C Honors

This past year was the first time since the organization of the Chamber of Commerce in 1946, that awards have been given the outstanding citizens of the year.

Two local people were selected for the honor: Mrs. Erma Jobs, instructor of band and music at Farwell Schools, and C. M. Henderson, mayor of Farwell and president of the Chamber of Commerce. Jack Williams, superintendent of schools, made the presentations of Shaffer pen and pencil sets engraved with names of the recipients, and the date of the occasion.

Both Mrs. Jobs and Mr. Henderson definitely were surprised by the honor which was bestowed upon them, as was evidenced by their statements later.

"After my first shock, I could walk up to the speaker's table to get my award, but I still couldn't say anything. I was totally surprised," was Mrs. Erma Jobs' statement when asked her reaction to being named one of Farwell's outstanding citizens of the year.

Mrs. Jobs was commended for her work with the Farwell school band in the three years she has been teaching music and band in the local public schools. Her first band here had thirty students, with only three high school members. The fifty

pupils now enrolled include an even number of elementary and high school students.

The first year, the organization was fairly well balanced—more than one would expect from a beginner's

group, the instructor says—although they lacked a bass horn, and there were too few clarinets. A bass horn was added in January, however.

Instruments Added
Instruments are added all along, and one student was transferred to a French horn only last week, Mrs. Jobs adds. Next year, she plans to have three separate bands in operation—beginner, junior, and concert. Two groups, beginner and concert, are the present divisions.

Asked about appearances that have been made by the Farwell group, the instructor states that they play at all football games and at special programs. The group attended the band festival at White Face last year and was complimented on both stage appearances as well as on playing ability. They were also in the parade at Eastern New Mexico University Homecoming the past fall.

Their first appearance was in a concert in May at the end of their first year. At that time, they could stay together and play simple songs such as "Pop Goes the Weasel."

They are now working on contest music for the regional Class B contest to be held in April. The music is quite difficult, Mrs. Jobs says. Bands from all over this section of the country will receive ratings at the contest.

ADDITIONAL SIGNERS STILL NEEDED TO COMPLETE RURAL PHONE DEAL

With details involving the telephone companies now operating in the Parmer-Deaf Smith proposed rural telephone area finally worked out the only thing holding up final plans on the project now is additional signers for the service within Parmer County.

Bruce Parr, who has been active in contacting interested rural parties in the Friona area, reported on Tuesday morning that "our immediate area has sufficient signers to insure the program," but went on to add that more contracts were necessary in the Oklahoma Lane, Farwell and Bovina communities.

Parr also clarified a statement in recent news releases involving the telephone service which has puzzled some interested parties. He explained that a statement to the effect that no charges would be made for users of the rural lines within a two-mile limit did not actually mean just that.

"For instance," Parr went on, "in the Friona area one subscriber is located near Rhea, while another is on the far southern edge of the community. If the program goes through and we have a service center established here, farmers who are served by the local dial system can call in to Friona, to their neighbors, or to parties on the far side of the area with no toll charges being assessed.

"When the subscribers have to use an operator for long-distance calls," he went on, "there will naturally be an extra fee for such service."

Officials regret the fact that confusion has arisen from the statement regarding the charges, but hope that the explanation will clear things up, Parr said.

Asked about signers in the Farwell, Oklahoma Lane and Bovina areas, Parr said that he understood the drive was lagging. "When the plan was first outlined, a map clearly showed the Friona trade territory, but just where and how a division of service would be made in other parts of the county was not clear, and has led to some resistance to the program," he explained.

He pointed out that Bovina is served by the Southern Association, with offices in Muleshoe, while Farwell telephones are installed by the Mountain States Company, with offices in Clovis. It would appear that two sub-stations would need to be established for signers over this area, with both Clovis and Hereford serving as the long-distance centrals.

Harold Carpenter, who has been making contacts in this section of the county, urged that farmers make a real effort to have the program explained, if they are in doubt, and get their contracts signed.

Calendar Is Released For Farwell Schools

Officials of the Farwell Schools have released a special events calendar for February. Included in the main events are those of the public school week for Texas, the ILM one-act play, and the junior-senior banquet.

The calendar is as follows: Friday, 2nd, eighth grade party at Oklahoma Lane gymnasium; 5th through the 9th, public school week; 8th, freshman-sophomore party; 9th, teachers' meeting at Amarillo; 22nd-23rd, one-act play (District Interscholastic League meet); 30th, junior-senior banquet.

The next National Jamboree of the Boy Scouts of America is scheduled for the summer of 1953, the third such encampment.

CONTEST IS ORGANIZED FOR 4-H BOYS TO INCREASE COTTON YIELD

A special contest which is open to 4-H members who grow cotton in Texas A. & M. Extension Service District two, is currently sponsored by the Extension Service and Plains Co-op Oil Mill, Joe Jones, county agent, says.

District Two consists of 18 counties on the high and south plains. First, second and third place prizes will be given for the highest yield per acre on irrigated land; and three prizes will also be awarded for high yields on dry land.

In each division, prizes total \$250 for first place, \$150 for second, and \$100 third place.

Purpose of the contest is to promote greater yields per acre of lint cotton on farms of the South Plains by improving the fertility and texture of soil and by better cultural practices.

The contest is open to any regularly enrolled 4-H club member, Jones says, between the ages of 9 to 21 years of age on July 1st of contest year. Previous winners may not enter the same contest again.

Crop record books must be kept complete, the county agent adds,

and must be turned in to him by January 15 to qualify for the yield contest. The county agent will submit the highest yield in each section to the District agent's office in Lubbock by January 20 to qualify for the yield contest.

Discussing the requirements for the competition, Jones says that drylands in this contest is that land which was not irrigated during the previous year and will not be irrigated during the current crop year. Also, it is emphasized that a member may enter only irrigated or dryland contest, but not both. Last summer fallowed will not be eligible this year.

Five acres of cotton are to be entered in the contest, and must be staked off plainly and designated to the county agent or judging committee not later than July 1 by the 4-H club member entering the contest.

The cotton must be the member's bonafide crop, Jones adds, with the contestant owning at least half share in the crop to be eligible. Only highest number of pounds of lint cotton per acre will be considered for prizes.

Any and all varieties of cotton grades and staples qualify and are acceptable. Three unrelated disinterested individuals, as well as the club members parent or guardian and the county agent must certify:

First, as to measurements of the five acres entered by July 1; second, all cotton on record book came from the five acres designated; and third, gin tickets will be attached to record book to verify number of pounds of lint cotton produced on the acres designated.

The three disinterested persons who are to certify to the above should also be named by July 1, Jones says.

The District Extension Agent of District Two will receive all records sent in by the respective county agents and will secure proper judges for the area contest. Area judging committee should be made known by July 1.

An Awards and Recognition Cotton Yield Day will be held in Lubbock at the Plains Co-op Mill after winners have been selected.

West Texas State campus in Canyon Friday.

Twenty-five schools have selected personality princes and princesses to attend the day-long function and from the royal court for the crowning of the College's Personality King and Queen. The crowning, which is performed at the formal dance in the college cafeteria, will be broadcast over Amarillo KAMQ at 10:15.

Skinney Ennis and his orchestra will furnish music for the affair. The bandleader attended the Pageant two years ago and is returning by popular demand.

High school personalities will register at the Student Union from 9 to 11 a. m. Friday and will then be taken on a tour of the campus. Following lunch, the group will be entertained at 1:30 by a play, "Why I Am A Bachelor", presented at the Branding Iron theatre.

Inter-club council of the college will be host to the group at a tea at 2:30. Dress rehearsal for the Pageant will be held at 4 o'clock, with an informal dinner at 5:30 in the Blue Room of the cafeteria.

High schools planning to send delegates to the affair are Bovina, Canyon, Shamrock, Stratford, Muleshoe, Springlake, Childress, Morton, McLean, Plainview, Amarillo, Dalhart, Pampa, Dumas, Phillips, Lefors, Hale Center, Lockney, Tulia, Stinnett, Perryton, Levelland, Darrouzett, and Goodnight. Amarillo College delegates will also be present.

Tentative Program For Wheat Meeting Released This Week

Farmer County Soil Conservation district supervisors met last Monday, February 19, in the work unit office in Friona, County supervisor Bill Kennedy reported today.

Supervisors present included H. L. Ivy, vice chairman; A. L. Black, secretary; Henry Renyolds and Clyde Sherrieb, members. Others attending were Joe Jones, county agent; Roy Euler, local farmer; and A. J. Lumm, district conservationist.

Jones reported that at the special election of supervisors in subdivision No. 2, Clyde Sherrieb was elected supervisor. The Board was re-organized, naming Sherrieb as new chairman; Ivy returned as vice chairman and Black re-elected as secretary.

A report on irrigation day, held in Farwell on February 15, was given by Jones. He and Black, with the assistance of other members of the board, outlined to Sherrieb the duties, responsibilities and functions of the board of supervisors.

Euler, a district cooperater in the Black community, presented to the Board a need for small earth-moving equipment which could be pulled by farm tractors. Following a thorough discussion, the group voted to purchase one small carryall type earth-moving machine on a trial basis.

Five new applications for district assistance were also approved.

Since 1910, more than 17,750,000 American boys and men were active in the Boy Scouts of America.

The 7th World Scout Jamboree will be held in the summer of 1951 about 35 miles south of Salzburg, Austria.

SCS Supervisors Meet in Friona

Tentative program for the wheat meeting to be held in Plainview on Wednesday, March 7, has been released by authorities. Beginning at 9:30 at the City Auditorium, the meeting will continue until approximately three in the afternoon.

Features, now listed include identification, Ed Granstaff and Keats Soder; recommended varieties, personnel from the Extension Service and experiment station; cultural practices and rotations, personnel from Extension Service or experiment station;

Seed certification, Leo Coffey; insect and disease control, Extension entomologist or experiment station personnel.

The meeting is open to all wheat farmers, vocational and G. I. teachers, county agents and others interested. Those planning to attend the meeting should see County Agent Joe Jones, so he may turn in an estimate on the number of people planning to attend from Farmer.

FFA Equipment Is Overhauled, Ready For Heavy Dirt-Moving

A war-surplus Allis Chalmers caterpillar that had been in disuse for several years has been overhauled for the FFA department of Farwell Schools, and Robert Morton, vocational agriculture instructor, announces that the machine will be available for hire for earth-moving projects.

Over \$200 was spent to put the bladed tractor in good repair, he said, and maintenance officials feel that the machine is ready for heavy use.

The motor was overhauled, and new batteries and a new magneto were installed, he explained. "We've got to go to work and earn back that \$200 now," he said. R. D. Hensley, transportation superintendent of the school, probably will operate the "cat" Morton added.

Also, another small, rubber-tired tractor is being overhauled for odd jobs around the school campus.

Measurable Moisture Received Locally

Moisture that actually showed up in rain gauges over the area visited Friona and vicinity early Sunday morning and during that forenoon, breaking a long-continued dry spell and giving wheat fields a chance to get back in the running for a summer harvest.

In Friona proper, some seven-tenths of an inch of rain was recorded, while farmers living in all directions from town reported that snows in some instances brought their total fall up to an inch or over.

Some light hail was reported, and in town residents were aroused from sleep around five o'clock Sunday morning as a number of large hail stones fell, however, no damage of any kind from the short-lived fall was recorded.

Falling easily and persistently, the moisture stayed where it would do the most good, on the fields, rather than running off into bar ditches. Both city and country roads, which had felt the work of graders recently, were definitely muddy and hard to negotiate until after noon Sunday when clearing skies and a brisk wind dried things rapidly.

Although this is admittedly "a long ways" from the total moisture needed, all people of the area were in agreement that the wheat would be given a terrific boost by the timely precipitation, and even the first of the week, the response of the crop could be noted by the green shoots showing up in fields that had looked practically bare or brown during recent weeks.

Mrs. Glen Harrelson, office nurse for Dr. Paul Spring, and more commonly known to her friends as "Kelly" underwent surgery at the local hospital during the past week. She is showing steady improvement.

Bids Are Asked On New City Hall

Advertisements asking bids on the construction of a new city hall in Friona were authorized by the city fathers the past week, with the deadline for such bids being set for Monday, March 12th.

Approximately \$15,000 is available in bonds for such construction, with the building to be located on the southwest corner of the block just north of the city park on Main.

Hopes have been expressed by officials that the contract can be let and the work concluded during the coming summer.

Conservation News Given by Kennedy

Bill Kennedy, head of the Parmer County SCS office, in Friona, reported today that Joe S. Menefee, three miles south of Friona, has bought another place under a coordinated conservation plan. Menefee has been a district cooperator and has had a plan on his home place for several months, Kennedy added.

Each year the Fort Worth Press sponsors a contest and awards a prize to the best conservation farmer of each established district. Parmer's district will be included this year, Kennedy reports, and plans are being considered as to how the best conservation farmer in the district will be selected.

"We would like to quote here Louis P. Merrill's expression of what a true conservation farmer is", Kennedy said.

"A conservation farmer or rancher is one who:

1. Sees the land; different trends, condition, which of Nature's laws have been violated; treatment needs, proper use;
2. Understands what he sees. "The

land is the Lord's and the fullness thereof"; second only to the heavens in the order of creation; the source of food, clothing and shelter; God's greatest material gift to man; with the right to own goes the duty to conserve.

3. Works with understanding; Uses the land for what it is best suited; treats it according to its needs; improves its productiveness; cooperates with Nature and obeys her laws; learns to love the land; always leaves it better than he found it.

4. Enjoys his work. Conservation farming or ranching is his badge of good citizenship; has pride in his trusteeship of the land; shares his vision, understanding, work and pleasure with others; enjoys the fruits of his labor in the knowledge that "He who tends the soil with care and diligence shall reap a greater stock of religious merit than he could by the repetition of ten thousand prayers."

Senior Play Slated For This Weekend

Nine members of the Friona senior class will take over at the Methodist Church on Friday and Saturday evenings of this week, March 2-3, when they present "Sunrise By Request", their annual class play.

Raymond Cook, who is directing the group, said that the play is an unusually clever religious comedy, and invited residents of the vicinity to be on hand for the presentation.

Curtain time each evening is 8:00, with admission charges being set at 25c for grade school children, 50c for high school pupils, and 75c for adults, Cook added.

Graduation Dates Are Planned at School

Graduation dates for some twenty members of the 1950-51 senior class of the Friona high school have been set, Superintendent Dalton Caffey said on Monday of this week.

Baccalaureate services for the class will be held on Sunday, May 13th, with the commencement exercises on the following Thursday night, May 17th. No definite program plans have as yet been revealed, although the seniors are already making contacts for speakers for these important occasions.

Asked if it was likely that graduation activities would be held in the new auditorium of the school, Caf-

fey replied, "It is probable", but declined to say definitely that such would be the case.

Work on the auditorium has been going forward at a good pace for the past several weeks, the superintendent explained, and it is expected that the roof will be put on the new building this week. Seating arrangements for 1003 people will be available in the building, and these seats are now on hand, Caffey went on to say.

As for the new school gymnasium, workmen will concentrate on that phase of the building program following completion of the auditorium. Officials explained at the outset that the auditorium was first on schedule, since the old one in the grade school building was converted into classrooms, leaving the school completely minus such a gathering hall. The gymnasium in the present high school has continued to be in use.

Holy Week Services Planned by Pastor

Rev. James Tidwell, pastor of the Friona Methodist church, announced on Monday that he was beginning plans for special Holy Week services which will be held nightly, except Saturday, in the week preceding Easter Sunday, March 25th.

Complete plans have not been worked out, but the pastor added that he planned to have devotional services each evening. He also expressed the hope of having a special musical program presented by the high school choir under the direction of Glen Cunningham on Wednesday evening, and added that communion services will likely be held Thursday night.

"The devotionals will be planned along the line of self-analysis and dedication, as we prepare for the sacred season of Easter," Rev. Tidwell said.

Beginning at the evening hour on Easter Sunday, Rev. Caradine Hooten, of the Board of Temperance in Washington, D. C., will be at the church for a week of revival services, with Rev. A. B. Cockrell, of Post, in charge of the singing, the pastor reminded.

Visits Parents Here

Misses Wanda and Lila Robason, both of West Texas State College in Canyon, and Miss Tila Rue Day, nurse trainee at Northwest Texas Hospital in Amarillo, arrived here by bus Saturday afternoon for a weekend visit with their respective parents. The girls returned to their work on Sunday evening.

Arrive Saturday

Mr. and Mrs. A. W. Anthony Sr., and Mr. and Mrs. Ernest Anthony returned to their homes north of Friona the past Saturday afternoon. The foursome had enjoyed a ten-day trip to Vinton, Louisiana, where they had visited with relatives and friends.

Dinner Held Friday In Roden Home

Mr. and Mrs. Ralph Roden entertained in their home in Friona the past Friday with a family dinner, honoring Mrs. A. G. Campbell, of Waco, an aunt of Mrs. Roden's.

Mrs. Campbell is spending several days with her sister, Mrs. J. D. McMillian, of Farwell, and this is the first visit the sisters have enjoyed in some twenty years.

Present at the dinner were Mrs. Campbell, Mr. and Mrs. McMillian of Farwell; Mr. and Mrs. Gilbert Boatman and Mr. and Mrs. H. T. Magness of Friona; Mr. and Mrs. Roden and family.

In Farwell Sunday

Mr. and Mrs. J. K. Anthony and Darrell and Mr. and Mrs. Vance Crume and Judy were in Farwell, Sunday afternoon, visiting in the home of Mr. and Mrs. W. H. Graham. Graham, father of Mrs. Crume, has been ill since the first of the year.

Amarillo Man Speaks At Church Sunday

Wilson Arden, district lay leader and a member of the San Jacinto Methodist Church of Amarillo, spoke at the morning hour in the local Methodist Church, Sunday.

Occasion of Arden's visit was the church commemoration of annual layman's day, with the morning service being arranged by Friona laymen. Arden was accompanied to Friona by his wife.

During the services, the Week of Dedication offering was taken as the church members took part in contributing a monetary effort toward work in mission fields.

Track Prospects Are "Fair," Coach Says

Prospects for a senior track and field team at the Friona schools for 1951 competition are believed to be "fair", by Coach Raymond Cook, who added however, that he had actually done little with the boys yet, and could not definitely assess the value of the squad.

Some 31 boys reported for preliminary practice in the gymnasium of the school last week, with seven of this group from the junior department. Plans on Monday were for actual track workouts to get underway immediately.

Cook said that he hoped to take in several invitation meets before time for county competition, but added that he had nothing definite to announce along this line at the present time.

Work on Addition Near Completion

Construction work on the new addition at the Parmer County Community Hospital, in Friona, was nearing completion the first of the week, Ralph Roden, manager, reported.

Workmen were busy on the last-minute painting details on the interior of the addition the first of the week, and it was expected that the addition would be completed this week. Exterior work will be concluded later, Roden said.

The project adds one room for patients. (Continued On Page 7)

Leading Citizens—

(Continued from Page 1)

Members of the band received their uniforms the first year of the organization. Funds were obtained by donation and through diligent efforts of the parents of the Band Mothers' Club. Mrs. Jobs emphasizes.

Discussing the Club further, the instructor says that the organization is very active. "I couldn't have done anything without the backing I've had here," she continues. "I've never seen anything like it." In explaining her statement, she says that not only the school, but the town as a whole has shown particular interest in the development of the band.

Cooperation Secret of Success

She attributes the success of the group to its cooperation and working together as a unit. At first, she remembers, they found it difficult to mark time, but through cooperation, they mastered the drills.

Mrs. Jobs feels that the band has a good chance of becoming even more outstanding, because of the many young members. Only three of the students enrolled in the group will graduate this year.

A full band rehearsal is held nearly every day, and students work hard on drills. All members were experienced to begin with, so Mrs. Jobs expresses her pride at their marching ability during football season. She particularly emphasized the number of younger students who excelled.

Have Fun, Too

Asked about the humorous side of her work, Mrs. Jobs relates one incident at the beginning of her work. The band room was located where the fourth grade is now, in a fairly central spot in the school building.

She says that she imagines her rehearsals practically broke up over other classes, so she was quite thrilled when her classes were taken to new quarters, away from the high school building.

Mrs. Jobs taught at Plains for eight years before coming to Farwell.

Henderson Began in 1942

C. M. Henderson, when asked if he was surprised at receiving the Chamber of Commerce award said, "When I first realized that I was to get the award, I could hardly speak." He explained that the presentation was a compliment, and he felt quite honored.

Henderson has double-sided civic responsibilities. He is mayor of Farwell and president of the Chamber of Commerce. The two organizations are highly coordinative, he says, and it is possible for him to work hand-in-glove on both community enterprises.

In discussing the two offices, Henderson emphasized that members of the Chamber of Commerce are aware

of what the City Commission is undertaking. Most problems are openly discussed at CC meetings. In fact, major problems are decided by the CC instead of the Commission.

One thing that Chamber of Commerce directors have tried to impress on the citizenry, according to the mayor, is that city matters are discussed at meetings of the organization. Meetings are held on the final Monday night of each month and all citizens are urged to attend.

Getting back to the presentation of the pen and pencil set, Mayor Henderson again expressed his appreciation. "I appreciate the highest honor 'he people here have given me, and I hope I'm worthy of it," he said.

Men's Club First Activity

Henderson recalled that he began working on community projects in 1942, when the Texico-Farwell Men's Club was organized. The club was active during the war—"very active." No officers were elected, it was just a free, open affair.

In conjunction with both cities, it brought the civic-minded citizens of both towns together to discuss community problems.

They worked for clean cities and other sanitation projects, but their major effort was the improvement of the fire department. The organization bought the first new fire truck for the Twin Cities.

After the Club was disbanded, the Lion's Club was organized and took over the responsibilities and duties of the inactive group. The Lions chapter was organized only in 1949.

Since Mayor Henderson became interested in civic problems, he has spent a major part of his time working for improvements in Farwell and has gained more and more responsibility in regard to city functions.

He can be described as one of those people who can always find time for the job that needs to be done, regardless of how busy he is with his own work.

TANK CARS HAVE LONG HISTORY

The modern railroad tank car is a descendant of the flat car loaded with barrels of oil and used in the early 1860's. In 1865, wooden tanks holding 40 to 50 barrels each, were placed upright on a flat car. Soon these were replaced by iron tanks holding 90 barrels each. By the late 60's, the horizontal tank car came into use. Since that time, although the design has not changed greatly, safety devices and insulation improvements have been added.

The typical railroad tank car today has a capacity of about 8,000 gallons, although some may carry up to 12,000 gallons. At the beginning of 1950, nearly 100,000 tank cars supplemented the movement of oil by pipe lines, tankers and barges.

Former Resident Is Married at Lubbock

Before an improvised altar decorated with gladioli and fern, Miss Mariana Wiley, daughter of Mr. and Mrs. R. C. Wiley of Lubbock, became the bride of Walter Bob Rogers, son of Mr. and Mrs. Earl Rogers, also of Lubbock.

The candlelight double ring ceremony was performed recently by Carl Spain, Church of Christ minister, in the home of the bride's parents.

Preceding the ceremony, Mrs. Cleon Hamilton played "I Love You Truly" and "Because".

Wearing a tan suit and carrying a bouquet of pink roses, the bride was given in marriage by her father.

Miss Nelda Kay Rogers, sister of the groom, served as maid of honor. She wore an orchid suit with navy and pink accessories and a pink carnation corsage. Max Barnett was best man and candelighters were Stanley and Lometa Wiley, brother and sister of the bride.

A reception was held following the ceremony, with guests served from a lace covered table which was decorated with gladioli and a tiered wedding cake with miniature figurines.

Mr. and Mrs. Rogers will be at home in Waco, where he is stationed at Connally Air Force Base. Both are graduates of Roosevelt High School in Lubbock and the bride attended Draughon's Business college and was employed by Lubbock Hardware & Supply Co. Rogers completed requirements for a degree from Texas Tech in January.

The Wileys are former Parmer County residents, having lived in the Midway community until 1946. J. W. Crim is an uncle of the bride.

WSCS Meets in Home Of Mrs. Overstreet

The WSCS of the local Methodist Church met in the home of Mrs. Anne Overstreet, Thursday afternoon.

Mrs. B. N. Graham was in charge of the program, "Health Of Our Indians", assisted by Mrs. Albert Thomas.

Cake topped with whipped cream and cherries, with coffee, was served to Mesdames G. W. Atchley, Lena Yoder, Albert Thomas, J. R. Hadley, Ralph Humble, Roy B. Ezell, A. D. Smith, B. N. Graham, W. H. Graham, and one guest, Mrs. Effie Johnson.

Visit M. C. Roberts

Visiting in the M. C. Roberts home over the weekend were Mrs. Roberts' brother and sister, Jack Doshier of Madisonville, Ky., and Mrs. Arthur J. Harris of Dallas. Mrs. Jeff Jennings, of Dallas, was also a house guest. The visitors arrived Saturday and left for their homes Tuesday morning.

From Tucumcari

Mr. and Mrs. Herman Askins, of Tucumcari, visited Sunday afternoon in the home of Mr. and Mrs. W. H. Graham in Farwell. The two families were former neighbors in Melrose, N. M.

Other visitors in the Graham home during the afternoon were Mr. and Mrs. J. K. Anthony and Darrell and Mr. and Mrs. Vance Crume and Judy all of Friona.

Plan Parties

Both freshmen and sophomore classes of Farwell schools are planning parties to be held Thursday night, March 8. Freshmen will have a skating party at Oklahoma Lane gymnasium, and the sophomores will enjoy a bowling social in Clovis.

Baptist Women Meet To Organize WMU

Women of the Baptist Church met in special session, Monday afternoon to organize a Womens' Missionary Union for the local Church.

Four women from Rosedale were featured on the program, including Mrs. Bachrel Riddel, associate WMS president; Mrs. Lucian Madole, Mrs. Ray Osborne and Mrs. Herman Chandler.

The visitors presented a royal service program, based on home mission work.

Following the program, officers for the new organization were elected with Mrs. C. M. Fields as president. Other leaders of the group are Mrs. Sterlyn Billington, first vice president; Dickie Magness, second vice president; Mrs. W. M. Roberts, secretary-treasurer; Mrs. Barney Kelly, young people's director. Standing committees will be appointed later.

Regular meeting time was set for every Wednesday afternoon at 2:30. Coffee or hot chocolate was served with cookies to Mesdames C. M. Fields, Billington, Magness, Roberts, Kelly, S. G. Billington, Morgan Billington, E. G. Williams, Luther Moss, Olan Schleuter, D. M. Whitley;

To Hold Bake Sale

The ladies of the United Pentecostal Church in Texico will hold a bake sale, Saturday morning, March 3, beginning at 10:30, for the purpose of raising funds to meet payments on the church building.

According to reports from Jim Bob Smart, a nice selection of cakes, pies, and other edibles will be on hand at the Curd building, directly across the street south of Jim's Cafe, in Texico.

Mr. and Mrs. Jerry Paul have been visiting his mother in Missouri.

District PTA Meet Staged at Bovina

The district meeting of the Parent Teachers Association was held at Bovina schools last week, according to Supt. W. H. Willoughby, who said that some 48 persons were present at the meeting, used as a school of instruction of PTA personnel.

Farwell, Friona, Nazareth, Hereford, Childress and Hart were represented at the meeting, which lasted from 9:30 a. m. to 3 p. m. Saturday.

District officers, including Mrs. Orville Smith, president, were on hand. Other officers were Mrs. Patterson of Hereford, district vice president; and Mrs. Carl Rea, who is president of the Bovina chapter.

Instruction on the nature and meaning of PTA insignia and history was given those attending, and Mrs. Smith pointed out some pertinent facts about the Texas PTA. She reported that there are now more than 2224 PTA units in Texas, with an aggregate membership of more than 55,000.

Mrs. Smith also called attention to the district convention, which will be held in Childress, April 17-18.

BAPTIST CHURCH NEWS

The young people had their regular social last Tuesday night. Mrs. Gladys Tidenberg and Don Roundtree, sponsors, were in charge of the games and refreshments.

The Brotherhood met on Monday night, Feb. 19, with 13 present. The theme of the program was "My Father's Business". A nominating committee was appointed to select new officers for the next six months, with the committee to report at the next meeting, Monday evening, March 5.

The WMU met Wednesday afternoon, Feb. 21st. Plans are being made for the junior-senior banquet, the date to be announced later. Mrs. Vernon Ward had charge of the mission study program. Appearing on the program were Mrs. Bill Bradshaw, Mrs. J. W. Gooch, Mrs. Gladys Tidenberg and Mrs. M. D. Durham. There were 17 present.

After prayer meeting last Wednesday evening, the church gave the pastor, M. D. Durham, and family, a warm welcome and reception to Bovina with a lovely grocery and linen shower. Refreshments of pie, coffee and hot chocolate were served.

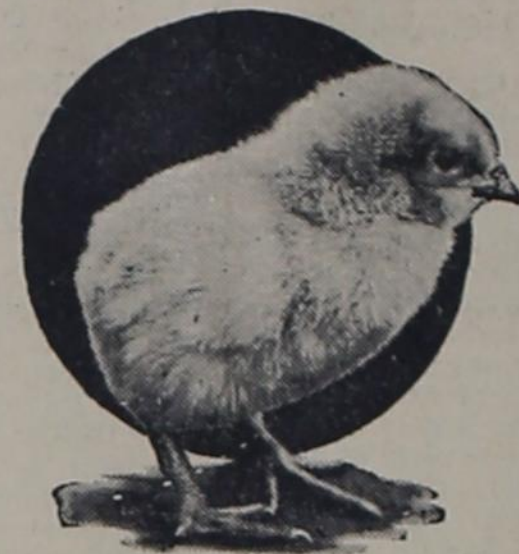

Due to inclement weather, attendance at Sunday School and morning worship was smaller than recently. At Sunday School were 103; morning worship, 118; training union, 83; and evening worship, 112. The church welcomed into membership Rooney Jarvis and mother, who came on the promise of a letter.

Everyone is looking forward to the coming revival, beginning Wednesday night, March 21, and continuing through April 1. Almost everyone present at the morning service last

Sunday pledged to pray every day for this revival. The pastor will do the preaching with local talent in charge of the music. The public is invited.

A welcome is extended the general public by Rev. Durham, who invites residents to worship at the church next Sunday.

Chuck Wagon Supper Held for Two Classes On Friday Evening

Something new in the way of entertainment was offered at the annual gathering of the Friona high school junior and senior classes, and their guests, the past Friday evening when a chuck wagon supper was held in the education building of the Friona Baptist Church.

With members of the Women's Missionary group of the church in charge of arrangements, a typical Western theme was carried out for the spring feed. Indian and saddle blankets were hung about the walls of the room, with a saddle tossed casually in one corner, and old-fashioned lanterns were hung over the dining tables for illumination.

Over the serving table, where the guests helped themselves in true chuck wagon style to barbecue, beans and the accompanying dishes, a tarp had been arranged, with a keg on hand for watering purposes, and a washpan and towel available for those who felt a need.

Table favors were black sombreros, made from chocolate mints and drops, and programs were inscribed on black boots, made from construction paper.

Roy Miller acted as toastmaster for the occasion, offering the invocation and then presenting Mrs. Clyde Sherrieb, president of the WMU, who extended the welcome to the 54 guests. The response was given by Keith Brock.

Special music was in the form of a quartet number, presented by Claude Miller, J. Sanders, Raymond

George Washington Tea Given by Girl Scouts

Members of Troop 3 of Friona Girl Scouts entertained their mothers and the Brownies last Monday afternoon, February 19th, with a George Washington tea in the home of their sponsor, Mrs. Frank Spring.

Receiving the guests at the door were Judy Barnett, Jan Edelman, Connie Cruse and Billy Rae McKee, while Lue Ellen McLean had charge of the guest register and Betty Agee and Peggy Taylor directed games.

The serving table was typical of the Washington theme, with an imitation cherry tree as the centerpiece, flanked on either side by candles made by the Scouts. Small American flags were also used.

Lile and Phila Buske, Lila Blewett and Bonnie Stowers assisted with serving, while Linda Gaye Gee presided at the punch service. Scout songs were directed by Mrs. Ralph Miller.

Mothers present for the affair were Mesdames N. M. Cruse, Fern Barnett, J. T. Gee, James McLean, G. B. Buske and C. T. Stowers, while the Brownies attending included Jo Lynda Stokes, Lynette Pritchard,

Robbie Boggess, Mary Tom Spring and Gladys Dean.

Youth Meeting Is Held in Amarillo

Representatives from the Friona Methodist Church were in Amarillo Saturday night, where a youth fellowship meeting was enjoyed in the San Jacinto Methodist church, in observance of World Brotherhood Week.

Rev. James Tidwell, Horace Kendrick, and Forrest Osborn accompanied the local young people to the meeting. Special emphasis at the program was devoted to hearing four young men, now students in the United States, from Mexico, Korea, Japan, and Esthonia.

The local delegates reported a very interesting meeting.

Special Movie Will Be Shown at Church

The "Eleventh Hour", a sound movie, will be given its Texas premiere Sunday evening, March 4th, at the local Congregational Church, Rev. George E. Meyer, pastor, announces.

The picture is a new Hollywood film. The story was written by Alan S. Shilin and produced under the direction of Alex Ferguson. The picture, Rev. Meyer added, is to be the feature attraction at the church fam-

ily night this coming Sunday.

Family night will open with the usual fellowship supper at 7:00 p. m. and the church extends its invitation to all church families, members and friends.

At the morning hour, the pastor will speak on "In Pastures Green," or "They Shall Be Filled". Special music will be featured.

Reader for the morning service will be Fern Sanders; altar attendants will be Phyllis Treider, Gladys Dean and Dudley Bainum; official greeters and ushers, John Fred White and Chilly Sanders.

Mission Study Is Held On Tuesday

Regular mission study for the Women's Missionary Union of the local Baptist Church was held at the church at 3 o'clock, Tuesday afternoon of this week.

During the afternoon, Mrs. Claude Osborn continued her review of the book, "American Freedom and Catholic Power".

NO PASTOR YET

Mrs. H. T. Magness, who is serving on the pulpit committee of the Friona Baptist Church, said on Monday that officials have not definitely selected a resident pastor for the church as yet. The assembly has been without a pastor since the first of the year, when Rev. T. B. Allen resigned and accepted a pulpit at Aspermont.

Son Born Sunday

Mr. and Mrs. Jack Kykendall announce the arrival of their first-born a son, on Sunday, February 25th, at the Farmer County Community Hospital. The youngster weighed seven pounds and one ounce on arrival. Mrs. Kykendall is the former Miss Jimmie Stevick.

Miss Patsy Cobb, who is in beauty school in Amarillo, spent the week-end visiting in Friona with relatives and friends.

In Day Home

Mr. and Mrs. Walter Jasper, Mr. and Mrs. Edgar Reed and Dennis, Ted Ratcliff and Mrs. Sally Parker, all of Amarillo, and Norman Phillips, of Borger, were Sunday visitors in the home of Mr. and Mrs. Emmett Day in Friona.

ATTENDS CONVENTION

Frank Spring, local banker, returned the past weekend from Fort Worth where he had spent several days attending a district bankers' convention. Accompanying him on the trip were Mrs. Spring and Mr. and Mrs. Granville McFarland.

To Oklahoma

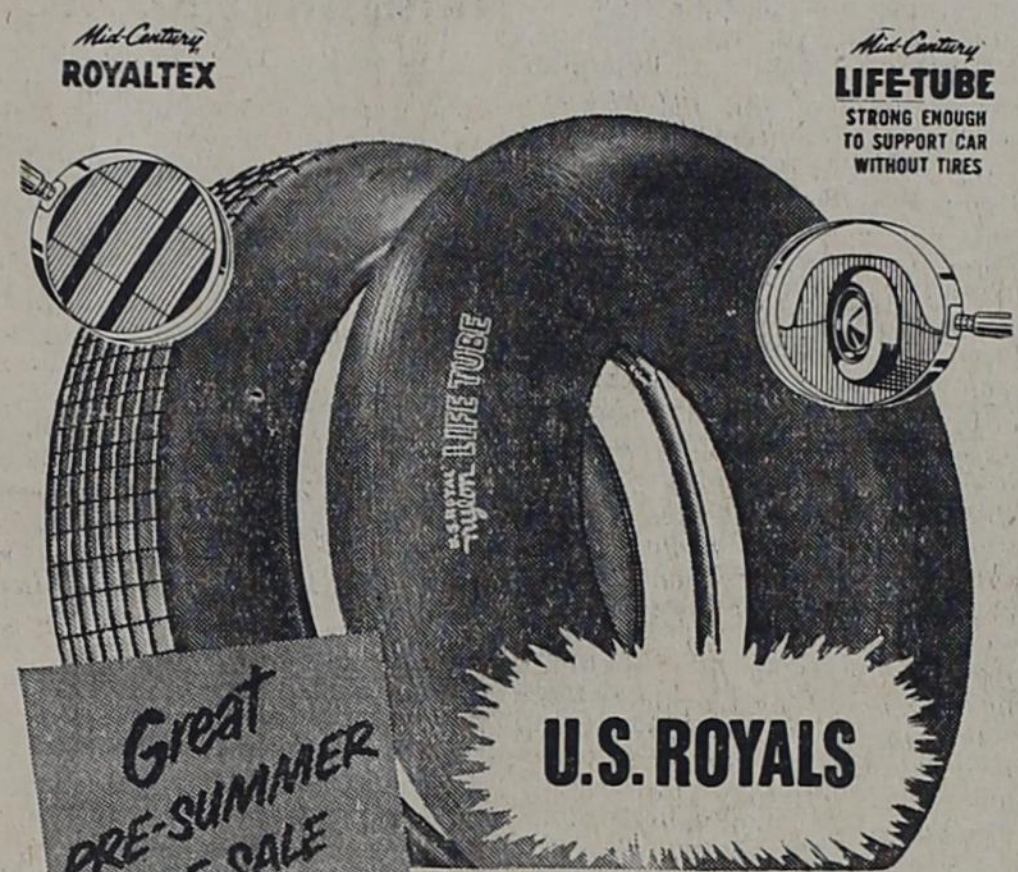

Mr. and Mrs. J. K. Anthony and son, Darrell, left early Tuesday morning on a business trip to Hobart, Oklahoma. They expect to return home this (Wednesday) afternoon.

Mr. and Mrs. Hadley Reeve and family were visitors in Amarillo, Sunday.

BOVINA GIRLS, RATED SECOND IN COUNTY, WIN SECOND IN DISTRICT

The Bovina girls, going into the district tournament rated as the second-best team in Parmer County, turned out to be the second-best in the entire district, as the result of tournament play at Happy last weekend.

Although soundly defeated in the championship match by Dimmitt, which has a team highly favored to grab state honors again this year, the Bovina lassies pushed aside all opposition with little difficulty until they ran up against Dimmitt.

Lavelle Pounds, forward, and Irma Jo Kelly, guard, were named among the 12 girls listed as all-district players.

Bovina's first game, which was to have been played Thursday against Briscoe County (Silverton), never materialized, and the Parmer Countians moved on to the second round on their last-minute bye.

"We didn't call it a forfeit," Coach R. E. Everett said Tuesday. "A number of the teams that were to have been in the tournament simply did not show up."

Hart First Victim

Bovina met Castro No. 2 (Hart) for the first game, and defeated their opponents, 25-14 Friday. Pounds, displaying what made her all-tournament material, scored 25 points for the winners, even though she did not play the entire game. Galyon made 14 for Hart.

The semi-final match was played against an old foe for the Bovina girls—Vega, with Coach Everett reporting the game a tight affair until the last quarter.

Final score was 38-27, favoring the Bovina squad, but at half-time the Vega six had held the finals-bound Bovina team to a scant one-point majority, 17-16. Pounds again got her 25 points for the evening and Harris was high for Vega with 9. However, scoring was evenly distributed for the losers, as Price and Wiseman got 8 points each.

Dimmitt Re-Is On

Dimmitt, which had already rolled over the Parmer County champions—Farwell—earlier in the meet, took on Bovina in the finals and proved far superior to anything offered in the way of district competition.

Bovina was pounded 20-56 by the Castro County sextette. Coach Everett, when asked if he considered Dimmitt to be all-state material, wryly avoided a direct answer by saying, "Well, Texas is going to have a good champion."

Odom, the big point-maker from Dimmitt, who was also all-tournament stuff, racked up 23 points for honors of the evening, retiring at the half. Nelson, a freshman, was second for Dimmitt with 20 points.

Pounds, although rather effectively muffed by all-stater Smithson, managed to bucket 11 points for Bovina.

Farwell Loses Opener

Coach Jack Williams' Farwell girls, unfortunate enough to draw Dimmitt for their first opponent, bowed out of play on Thursday.

Holding the Bobbies the first quarter, Farwell slowly began to fall behind. Five points on the low end of the score at the end of the first period, the locals allowed their opponents a high 16-point gain in the second and made only two fielders in the entire last half as Dimmitt picked up an additional 17 to top Farwell, 47-20.

Betty Foster, who was named among the tournament all-stars, got 10 points for the Parmer team, as Odom and Nelson vied for scoring honors for the Castro County sextette, bagging 17 and 16, respectively.

Eight Junior Teams To Compete in Bovina Tourney This Week

Entries from eight schools have been received for the Bovina invitation junior tournament, scheduled this weekend, school officials announce. Both boys' and girls' brackets have been drawn up.

Students who are 15 years of age before May 2, 1951, are ineligible for participation, and players who meet the age requirement are eligible regardless of grade classification.

Competition in the boys' bracket begins Thursday night at 7 when the Bovina and Texico teams lock horns, with Hereford facing Canyon at 9:00.

Friday night's competition for the male quints begins with a battle between two county teams, Lazbuddy and Bovina B scheduled at 7 o'clock. Last tilt in the first round will cast Farwell opposite Friona a 9 o'clock.

Second round boys' play begins Saturday morning as winners of the Bovina-Texico and Friona-Farwell matches come out for the semi-final. Losers of this game are slated for competition at 1 p. m. At 11 that morning, winners of the Lazbuddy-Bovina B game are pitted against the top quint of the Hereford-Canyon match, and losers play at 4.

Happy drew a bye in first-round play and takes the winner of the 11 o'clock match at 3 in the afternoon. Consolation game will be played at 7 o'clock Saturday night, followed by the championship contest at 9.

Girls' Bracket Outlined

For the girls, Bovina meets Canyon in first-round play at 5 Thursday afternoon, followed by the Texico-Friona match at 6. The Bovina B squad meets Happy at 8.

Only three girls' games will be on tap Friday, with the Farwell sextette pitted against Lazbuddy to end the first round. Winners of the Bovina-Canyon and Texico-Friona contests take the court at 6 that afternoon with the losers scheduled on court at 8 o'clock.

Saturday morning, low teams of the Bovina B-Happy and Farwell-Lazbuddy scrambles play for an opportunity as consolation contenders, and the teams in the winning bracket meet at 2 o'clock.

Consolation game is scheduled for 6 p. m., and the championship match hits the floor at 8 p. m.

First and second place, and consolation trophies will be presented in both brackets.

Wolverines Win Third In District Tourney

Texico's Wolverines took third place in the District Six basketball tournament at Eastern New Mexico University's gymnasium by slapping down the Rogers Eagles, 43-33, in a consolation game, Saturday night.

Defeating the Causey cagers, 42-21 on Thursday evening, Coach C. B. Stockton's squad won a semi-final berth against the Portales Rams for Friday evening.

The Rams grabbed an 18-5 lead in the first period, which the Wolverines could not overtake although they made a spirited comeback in the second and third periods to control the backboards and outscore Portales, 21-17. In the finale, Portales allowed the locals only 4 points as they took 11 to cinch the game and go into the finals against Clovis.

Saturday night in consolation finals, the Wolverines took a comfortable lead from the Eagles in the first quarter and maintained it, leading 21-13 at the half. Keeping their edge, they were out in front by 10 points when the last whistle blew.

Wayne Tucker, captain of the local team, accepted the trophy for the Wolverines.

Tucker Is Listed On All-District Roster

Wayne Tucker, senior and captain of the Texico Wolverine cage team, was selected a member of the all-district team by coaches of District Six, following conclusion of tournament play last weekend.

Son of Mr. and Mrs. Hugh Tucker of Texico, Wayne has been on the varsity squad for three years, having been a sub his freshman year.

All-district players were named by the coaches for all-round playing ability and sportsmanship. Tucker was the only Texico cager to receive the honor; Elida placed one man, Rogers had two, and Clovis and Portales each had three players honored.

Texico Teams For Tourney Released

Eighteen girls and 13 boys from Texico school are eligible for competition in the Bovina junior cage tournament this weekend, Coach John Armour says.

Female players will include Anita Brown, Jo Sondra Mageris, Darlene Rhoten, Catherine Bell, Shirley Stover, Nadine Thornton, Kathryn Curd, Sue Doolittle, Margie Reid, Yvonne Horton, Esther McDaniel, Roxie Henson, Phyllis Tucker, Charlene Allen, Aloma Palmateer, Anita Tharp, Sue Reid and Charlotte Wilme'h.

Boys who will enter the meet are Terry Horton, Robert Tucker, Paul Crooks, Kenneth Doolittle, Kenneth Allred, Jimmy Henson, Bobby Goldsmith, Jimmy Moss, Kenneth Reid, J. B. Taylor, Marvin Pendergrass, Allen Lockhart and Allen Kelly.

Steers Move to Track, Conditioning in Order

Coaches of Farwell High School mustered out about 20 boys last week to whip them in shape for the spring track season. Tommy Hestand, head coach, reported that the prospective members of the team would be in need of quite a bit of conditioning before taking to the cinders in a meet.

Several experienced boys will return from last year's squad, although Hestand felt that he could still use some recruits. Returning lettermen include Jerry Pool, sprinter, relay; Don Geries, hurdles Beryl Nix, shot and discus; Jessie Coburn, one-half and 880; Frank Gully, sprinter; John Christian, hurdles and high jump; and Ted Magness, distance.

Magness, as well as Dennis Rainey and Ronnie Dial, are carryovers from the junior high team of last year, and probably will be scheduled to join the varsity this season.

Three weeks of training stand between the Steers and their first scheduled track meet. It will be at Farwell and the Hereford trackers will be guests for the meet. Coach Hestand said it was possible that Texico might be included in the meet, making it a three-way affair.

Asked what he considered to be the chief competition in Parmer County, Hestand replied that he felt Bovina's Mustangs were the team to watch.

The Steers have a new track to work on, it was announced by school officials the first of the week. A banked track circle has been cut behind bleachers of the football field, encircling the gridiron.

HOME FROM HOSPITAL

Mrs. John Getz, who has been confined to a Clovis hospital with rheumatic fever, was returned to her home in Farwell, Friday. She will remain in bed for another week or two, her husband reports.

IS TRANSFERRED

Mr. and Mrs. Russell Johnson, of Texico, received word this week that their son, Billy J. Johnson, has been transferred from Camp Polk, La., to Fort Sam Houston, in San Antonio, where he is attending medical school.

The quota of stewards ratings are unlimited for March, he added. Young men interested are asked to call at the recruiting station, located in the Clovis post office building, or phone 6622, Clovis.

Chili Supper Postponed For Farwell FFA Chapter

A father-and-son chili supper for the Farwell Chapter of FFA was postponed last week because the main speaker, J. T. Gee, vocational agriculture of Friona Schools, was unable to attend.

Robert L. Morton, Farwell adviser, reported that the supper was indefinitely postponed. It may be necessary to include the supper in the annual father-and-son banquet this spring, he said, because of the difficulty of securing a date on the school calendar.

The supper had been planned as an activity in observance of National FFA Week. Gee has been ill recently.

District FFA Meet Held at Dimmitt

Representatives of the Hereford District of Future Farmers of America met in regular session at Dimmitt recently. Students were present from Dimmitt, Lazbuddy, Hart, Canyon, Hereford and Bovina.

Friona and Farwell, also in the district, were not represented. Special guests were on hand from Happy.

Record books were checked and members discussed ways to create interest in maintaining better records on projects. Some of the groups will enter grass and cattle judging contests in Amarillo this weekend.

The next meeting is scheduled at Hereford, to nominate district officers.

HAS APPENDECTOMY
