Freaking 'Em Out

"Freak 'Em Out!" was the theme for Tuesday's dress day at Farwell schools, and many students and faculty members participated by wearing their freakiest outfits and makeup. Tuesday was just one of the dress days scheduled at Farwell during the week-long home-

coming activities planned to raise Steer spirit for the homecoming game tonight [Friday] against the Friona Chieftains. Three of the wild faces greeting teachers and students Tuesday morning belonged to, from left, Elva Whitesides, encouraging school spirit with blue and white

URLEY  
ERSONAL  
by John

Last week the Getz family went on an extended fact finding tour to look at the corn crop in Iowa. Strangely enough our travels finally wound up at Rochester, Minnesota. That just happened to be where our son, daughter-in-law and two grandsons reside, so we stayed awhile and experienced Minnesota in the fall.

We often put little credence in government reports, but the Department of Agriculture reports of severe drought with resultant corn damage in Iowa appears to be the plain truth. We went from north to south through the middle of Iowa and it looked quite different than in years past.

To our eye, from the highway, there were virtually no harvestable corn fields. We did see at least two fields where it looked as if the farmer had tried to round-bale his corn. Needless to say, this produced some odd looking packages. We also noted a number of temporary, above ground silo-like enclosures which were full of chopped corn. An attempt to at least salvage something for feeding their livestock, we presume.

To a lesser extent, northern Missouri and southern Minnesota reflect this same condition. But neither of these two areas are nearly as important in corn production as Iowa, so did not pay too close attention to those spots.

If Iowa is any indication, the price of corn ought to go up, but then we often suspect that commodity prices are set in Disneyland rather than the market place.

As for fall in Minnesota, all we can say is that it is not as warm as the Panhandle, hasn't gotten as cold as the Panhandle, and is a darn sight wetter than the Panhandle.

Some have it and some don't. Humor that is. Art Buchwald makes a million at it, and James Watt gets driven out of office trying to be funny and falling on his face in the process.

Today, anybody who is the least bit in the public eye has to be oh, so careful whenever they utter a word. Even Howard Cosell took lumps over the use of the word "monkey." Watt catches blazes for using the word "cripple."

The Shrine of North America maintains 22 hospitals and burn centers to provide treatment for crippled and burned children. It is rightfully called "The world's greatest philanthropy." They have also put out millions of bumper stickers proclaiming "Shriners help burned and crippled children." Good grief!

Language is a precise tool for the expression of specific ideas. Some words convey a more specific meaning and must be used to properly express the thought meant. With today's emphasis on communications we do not see how words can be proscribed out of common use and still retain the clarity attributed to the English language.

Passing Thought—While we were in Minnesota, the Vikings acquired Manning and Casper. This pumped the Purple People Eaters up considerably. They just might knock the fumbling Cowboys for a loop Sunday. Then again good fortune might continue to smile on America's Team.

America is a free country, where the people are free to kid the politicians, while the politicians spend their careers kidding them.

To end on a happy note, let us inform you that the Food and Drug Administration permits up to 20 drosophila fly eggs in a glass of tomato juice and 75 insect pieces in a two-ounce serving of cocoa.

Maybe we'll go back to adding a wee drop of sterilant to our libations.

## Homecoming Coronation At Farwell Today At 3

Farwell High School has been buzzing with activity and school spirit all week with tonight's (Friday) homecoming football game on the minds of students and faculty.

Students have enjoyed various activities all week in anticipation of the big climax, and Thursday night's bonfire was planned to help boost spirit and show support for the football team in the homecoming outing against county rivals, the Friona Chieftains.

The bonfire was to begin at 8 p.m. with performances by the band and cheerleaders and talks from coaches and players.

Highlighting the week long event will be the crowning of the homecoming king and queen this afternoon (Friday) in a special pep rally at 3 p.m. in the school gym.

Candidates for the honor are, seniors, Sheran Smallwood and Alan Eubank; juniors, Denise Ford and Roger Robertson; sophomores, Sherilyn Thigpen and Eric Williams; freshmen, Dana White and David Woods; and candidates-at-large, Shel-

ley Ford and Todd Christian. Tammy Obenshain Jones, 1982 Homecoming Queen, will be on hand to crown the new king. He will in turn crown the 1983-84 queen.

Another special feature of the pep rally will be the appearance of many former Steer cheerleaders who will be doing a special cheer, many in their original uniforms. The cheerleaders will be honored at a reception at the Doyle Ford home following the pep rally. The reception is being sponsored by Farwell Booster Club.

Also being sponsored by the booster club will be the appearance of the "coming home" queens, who are Peggy Woodson Sudderth, 1954 queen; Phyllis Christian Crume, 1964 queen; and Cindy Watts Eldridge, 1974 queen.

The booster club has also invited the coming home kings of those years to take part in the festivities.

An enchilada supper, sponsored by the senior class, will be held prior to the homecoming game. Dinner will be served

between 5 and 7:30 p.m. in the school cafeteria.

The climax of the week's activities will come when the Farwell Steers face off against the Friona Chieftains at 8 p.m. in the homecoming game.

Souvenir programs will be on sale at the game, featuring pictures of the "coming home" queens, the king and queen candidates for this year, players, cheerleaders, Student Council members, twirlers, flag corps, and team captains.

After the game, the senior class parents will be sponsoring a dance in the band hall from 10:30 p.m. to 1 a.m. A live band will perform for those attending.

Today (Friday) ends a week of special dress days for students of the high school. The week began with crazy hair day on Monday; freak 'em out day on Tuesday; inside-out day on Wednesday; 50's day on Thursday; and dress up day today when all students and faculty show their pride in their school by wearing their best attire.

Mini-Parade, Coronation - -

## Texico's Homecoming Scheduled Next Week

Green and White spirit is running high at Texico as the Wolverines gear up for their homecoming game Friday, Oct. 7, when they host the Hagerman Bobcats.

Students and faculty are still planning and organizing to make this the biggest and best homecoming celebration ever. This will be the first year Texico has only one homecoming celebration during the year. In the past the school has had a football homecoming and a basketball homecoming.

Candidates for the honor of homecoming king and queen will be chosen later this week and will be crowned just prior to the homecoming game.

Plans for the celebration include a special pep rally Thursday, Oct. 6, which will feature skits and cheers as well as the annual mini-float parade.

Parents and fans are invited to attend the pep rally which will begin at 1 p.m. MDT in the new gym.

All activities will climax at the game Friday night when the Wolverines face off against the Bobcats at 7:30 p.m. MDT in Wolverine Stadium.

Prior to the game, the Texico Athletic Booster Club will sponsor a chuck wagon barbecue dinner. Advance tickets are on sale now for the meal for \$2 for children and \$2.50 for adults. Prices will be 50 cents higher at

the gate. Serving time for the dinner will be 5:30-7 p.m. at the south end of the football field.

Mums are also on sale by the junior class, and anyone wishing to buy a homecoming mum may contact any member of the junior class or call 482-9130 or 482-3305.

Coronation of the king and queen is scheduled for 7 p.m. on the football field. Last year's royalty, Dana Morris and Brad Steward, will crown the new king and queen.

Crownbearers for the ceremonies will be Jennie Morris, daughter of Mr. and Mrs. Donnie Morris, and Tyrone Gooden, son of Mr. and Mrs. Boutte.

As part of the homecoming tradition, the Lady Wolverines volleyball team will play their game on Thursday, Oct. 6, when they host the Portales team at 4 p.m.

During the homecoming fes-

tivities, the senior class will be in charge of alumni registration. Prizes will be given to the oldest alumnus present and to the alumnus traveling the farthest to attend.

Each class and organization has a special part in the preparations, including decorating and planning of the parade and programs.

Each day of homecoming week is designated as a special dress day for the students. Tuesday is dress up day; Wednesday, "Those Were the Days," when students will dress as a character from any time period in the past; Thursday, "Day of the Future," when they will dress as anyone as predicted for the future; and Friday will be Green and White day, when students show their school spirit by wearing the school colors.

## Juniors Selling Flowers

Texico High School juniors are taking orders for mums for the October 7 homecoming.

The homecoming mums may be ordered in fresh or silk flowers with the cost of each corsage starting at \$8.50. Child size mums are \$5.50 each, and boutonnières are \$1.75 and \$2.

Deadline for ordering the fresh mums is Friday afternoon, Sept. 30, and deadline for ordering the silk flowers is Thursday, Oct. 6.

Persons wishing to order flowers should call 482-9130 or 482-3305, or contact any member of the junior class.

## Area Corn Harvest Now In Full Swing

Getting underway earlier than in 1982, this year's local and area corn harvest is in full swing with loaded trucks lined up at some elevators early this week. Tuesday night's rainfall slowed the harvest somewhat, but farmers were hoping to be able to get back in the fields soon if the sun continued the drying process as at Wednesday noon.

Spokesmen at area elevators report having received loads of corn before this week with the harvest beginning to get into full gear now in the Farwell area.

Martin Chandler, executive director of the Parmer County ASCS office in Farwell, reports approximately 60,000 acres of grain and sorghum to be harvested in the county, with 10,000 acres of ensilage harvest having been completed.

"There has been some damage to the cotton crops from the recent frost, but it is still too early to tell just how much damage. Little or no damage was done to the corn, but it killed a lot of vegetable gardens," said Chandler.

"The frost damage was spread over the county, but it seems that the elevation of the field and whether or not it had just been watered had a lot to do with the damage received," he said.

Sant Fury of the Curry County ASCS office in Clovis says the frost will speed the harvest up.

"Harvest of the sorghum is beginning to get started good in Curry County," according to Fury. The frost damage will cause the grain to weigh light and most of the cotton and soybean crops received damage.

Local elevators report a good harvest. Sherley-Anderson-Pitman at Farwell reports an average of 40-50 loads of corn a day at the first part of the week.

"Corn is weighing an average of 56 to 59 pounds per bushel with the moisture content running 17 1/2 to 25 percent. Most of the yields I know about have been about 6,000 to 10,000 pounds per acre," said Fred Chandler of Sherley-Anderson-Pitman.

Bob Dollar of Farwell received the \$50 bonus from Sherley-Anderson-Pitman for bringing in the first load of the harvest. He brought 19,000 pounds on September 19.

Lonnie McFarland of Sherley-Anderson in Lariat reports having received over 7.5 million pounds of corn since harvest began.

"The yield on some of the crops is excellent, around 10 to

11 thousand pounds per acre on a few. The weight average so far is 54 to 56 pounds per bushel, it's really going good," McFarland said.

He reports the moisture content on most of the loads to be about 22 percent, and says the harvest is just beginning to peak.

The \$50 first load bonus from Sherley-Anderson went to Calvin Meissner of Lariat for bringing in a load that weighed in at 54 pounds per bushel and had a moisture content of 23.10

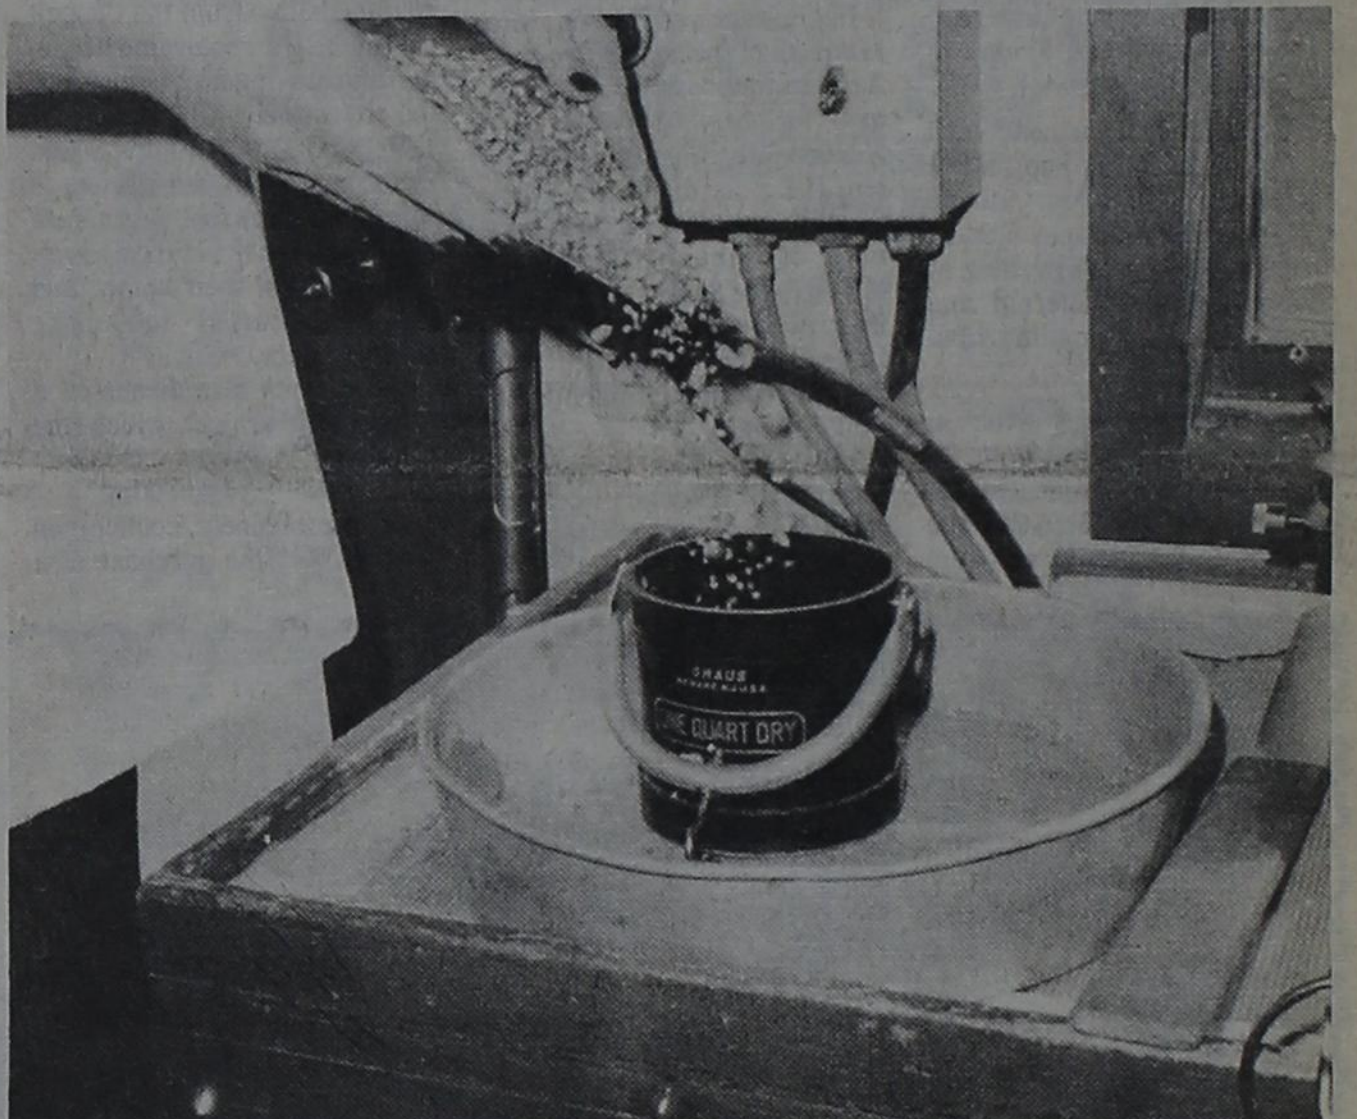

percent. Worley Mills of Farwell reports the harvest is looking good from their standpoint. Most loads so far have been weighing about 56 pounds per bushel, according to a Worley Mills spokesman.

"We're pleased with the production so far. The corn seems to be about normal, but the harvest won't be as big due to the reduction of acreage in the PIK program," he said.

Local elevator operators agree that the harvest will last

another week or two even with the acreage reduction and that the harvest of milo should begin soon after the corn is in.

Another note from the Farwell ASCS office: "The PIK availability on corn will be October 1. Those with grain in the loan will be able to come by anytime after the 1st, to pick up their warehouse receipt. They don't need to pick up the receipt until they are ready to sell the crop, we will pay storage costs for up to five months," said the ASCS director.

### Weighing Corn

"The harvest is looking good," agree local elevator operators as the area corn harvest enters full swing despite an early freeze and scattered rain showers. Corn is weighing 54 to 56 pounds per bushel with yields

being reported all the way from six to 11 thousand pounds per acre. A few area farmers have completed their combining, but many still have crops in the field. Most persons in the area

agree that the corn harvest will not be as big this year due to the PIK acreage reduction, but that the harvest will last another two weeks with the milo harvest beginning around that time.

## Rain Amounts Vary; More In Texas

Tuesday night's rain clouds seem to have deposited measurable moisture only on the Texas side of the line.

Richard Kelley of Pleasant Hill reported only a trace of rain, "Just enough to get the porch wet," and Golden West Seed in Texico reports no rain.

However, on the Texas side of the line, .25 was reported at the Ted Magness home southeast of town, and .50 inch was reported

at the Steve Jones home, further south.

Sherley-Anderson-Pitman in Farwell reported .03 and Worley Mills of Farwell reported no rain in the gauge there.

Sherley-Anderson in Lariat reported .10 inch in the evening shower, and roads were reported to be wet up to Clay's Corner.

The shower didn't stay over the Twin Cities area for long,

but reports of everything from a heavy downfall to a light sprinkle have been heard.

Predictions were for more showers Wednesday.

The moisture temporarily slowed the corn harvest, but even the small amount was welcome to the recently planted wheat and to fields being prepared for sowing the winter crop.

## LOOK UP AND LIVE!

Cotton harvest is here and the Coop urges extreme caution when operating farm equipment near electric lines.

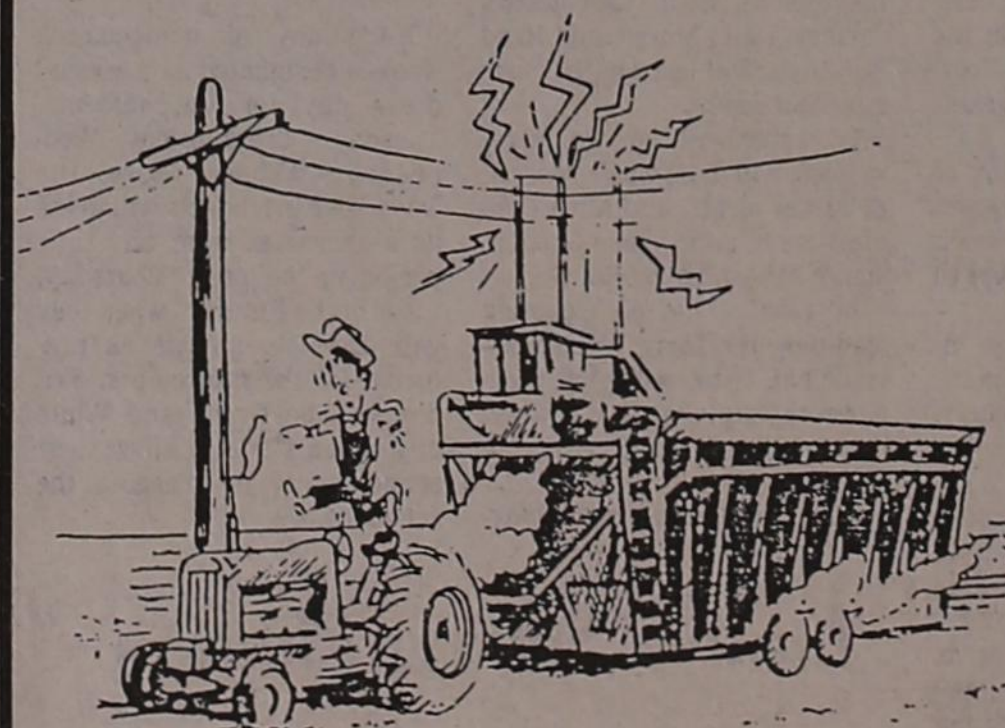

In recent years, many incidents have involved cotton module builders. The extended portion of the cotton module builder can easily come into contact with overhead electric lines if the operator is not careful. The same problem exists with overhead baskets on cotton strippers.

We urge farmers and their employees to be alert to these potential hazards and take every possible precaution to avoid serious injury or death. When moving a module builder, be sure the packer arm is lowered as far as it will go. When using a stripper with an overhead basket, be sure to check for overhead lines before dumping.

If some piece of equipment does contact these 7200 volt overhead lines, it's important that you or the operator not try to simply back away. The line could break, or if it's already broken, it could tangle in the equipment and break again, compounding the problem and increasing the danger.

Jump clear of the machine, being sure not to touch the ground and the machine at the same time. Move quickly away at a right angle to the power line. Then call Bailey County Electric Cooperative at (Area Code 806) 272-4504 whether the line is broken or not.

# Low Scoring Contest Sees Change In Leaders

Last week's Merchants Football Contest pairings must have been more difficult to guess with the week's scores showing very few high marks.

With the tie game between Muleshoe and Idealou, the highest possible score was 11, and two persons managed to pick all 11 games correctly and another five entrants managed to choose 10 winners.

In the contest the week before, two persons also called perfect scores, BUT, a whopping 32 entrants were off by only one. Not so this week when only five persons could come that close.

Many entrants managed only seven or eight correct choices to scramble the overall standings after the third week of guessing.

Ricky Castaneda of Hereford took the first place check of \$7.50 for naming 11 winners and being 11 points off on the tie-breaker score.

Mary Ann Fellers of Clovis came in second for the \$5 check by guessing 11 winners and being 14 points off on the tie-breaker.

Persons correctly naming 10 winners were E.M. Lonsdale, Sr., Tim Norton, Johnny Torres, Ronnie Warmuth, and Modine Whittington.

Several persons managed to guess nine games right, but the majority of the entries fell below the nine-point level.

Games most frequently missed for last week included Texas Tech at Baylor, Plainview at Palo Duro, and Lubbock Christian at Hart.

The standings of the overall leaders also changed, with some high pointers moving

down and two new leaders moving into first place.

Ronnie Warmuth and Johnny Torres moved up from second place to share the first place spot with 40 points each.

Those in second place holding total scores of 38 points include James Harding, Roy King, Ann Liethen, Ruth Scott, Sheryl Thigpen, Kay West, and W.M. Roberts.

Last week's first place leader, David Dannheim, dropped to third place along with nine others who all have 37 points. They include Darren Coffman, Jody Ketcherside, Pat Owen, Charlotte Pierce, Dick Pylant, Dale Sikes, Texico Computer, and Modine Whittington.

In fourth place with 36 points are Johnny Atkinson, William Dannheim, Ronnie Dunsforth, Linda Gerie, William D. Howard, Kevin Owen, Roger Robertson, Brian White, and Dolores Williams.

Still in the running with 35 points in fifth place are Hobby Coffman, Lorine Dannheim, Richard Engelking, Ray Ford, John Franse, Paul Fulcher, Mrs. B.L. Harding, Doris Herington, Keevin G. Kelley, Teresa King, T.J. Kittrell, Michael Littlejohn, Carlton Newell, Charlie Pitts, Carolla Smith, Cynthia Thigpen, and James Williams.

Results of last week's games were Valley over Lazbuddie, Dimmitt over Olton, Shallowater over Springlake-Earth, Seagraves over Farwell, Lubbock Christian over Hart, Memphis over Kress, Friona over Dalhart, Muleshoe and Idealou tied, Clovis over Albuquerque El-dorado, Hereford over Lubbock

Monterey, Plainview over Palo Duro, and Texas Tech over Baylor. Texico took Jal 21-17 on the tiebreaker.

Two tickets to the Dallas Cowboy-Washington Redskin game await the overall winner, and in addition, the winner will receive \$50 in cash, overnight lodging at the Regent Hotel in Dallas, and free transportation to and from Texas Stadium.

Weekly prizes of \$7.50 goes to the person who names the most winners correctly and \$5 to the entrant who guesses the second most games correctly.

Entries should be in the Tribune office no later than 5 p.m. Fridays or if mailed, bear a Friday postmark. Entries are limited to one per person, and entrants should remember to put their names on the entry

blanks. Two entries were received this week bearing no names, therefore, someone probably did not get his score recorded.

Warning to this week's would-be entrants: The Tribune's fearless editor, who selects the game pairings for the pickings each week, says the easy stuff is over and now it's down to the nitty gritty.

Please Deliver

Jimmy Carmack, left, of Carmack & Sons in Clovis, one of the sponsors of the Merchants' Football Contest, accepts the second place check for \$5 from John Getz of the Tribune. Carmack is to deliver the check to last week's second place winner, Clovis resident Mary Ann Fellers. Mrs. Fellers was one of two persons calling 11 games correctly for a perfect score in last week's contest. The first place winner was Rick Castaneda from Hereford, and both he and Mrs. Fellers were unavailable for a picture. Castaneda was 11 points off on the tie-breaker and Mrs. Fellers was 14 points off. Eight weeks remain in the guessing game and the contest leaders have 40 points. Only five points separate holders of first place and those in fifth place.

 PAINTING HELP  
 SPOKEN HERE

Dear Uncle Joe:  
 The house we bought last year was freshly painted. But now there seems to be a paint failure. One large area on the south side of the house is beginning to peel. Please advise.  
 Signed, Puzzled

Dear Puzzled:  
 I'll bet dollars to donuts that behind that peeling is either a bathroom, a shower or else a laundry room with an unvented dryer. Excessive moisture is seeping thru the walls and lifting the paint film.  
 First, cure the cause. Install a window fan to lower the humidity and allow the wood to dry thoroughly before repainting.

## Paine Granddaughter Weds In Lewisville

Deborah Paine, daughter of Michael L. and Ann Paine of Lewisville, Tex., and granddaughter of Mr. and Mrs. Turner L. Paine of Farwell, was united in marriage with Robert L. Mitchell of Luke AFB, Ariz., Saturday, Sept. 24. Parents of the bridegroom are Robert and Darlene Mitchell of Espanola, N.M.

Wedding vows were exchanged at the Cindy Lane Baptist Church of Lewisville with Rev. James Andrews officiating.

The bride wore a formal gown of old ivory slipper satin fashioned with a sweetheart neckline, a pleated cummerbund at the waist fastened at the back with satin roses, and featuring

full length sleeves ending in points over the wrists.

Her float length tulle veil of old ivory was attached to a wide brim hat sprinkled with seed pearls and a ringlet of tulle flowers.

A 100-year-old ivory Cameo pendant belonging to her great-grandmother served as something old; her bridal veil was something new; her wedding gown belonging to her mother was something borrowed; and a blue lace garter was something blue.

She carried a bouquet of white roses and blue button carnations encircled with baby's breath and fern.

Her attendants were Laura Christine Paine and Denise

Maerie Gilliland, both of Lewisville.

Serving as best man was James Moore of Denton, and William H. Sheppard of Denton served as usher.

The reception hall of the church was the scene of a reception honoring the couple following the wedding ceremony.

The bride's table was covered with an ivory cloth and centered with a large blue candle decorated with dark blue flowers. The tiered wedding cake was decorated with white and blue and was served with punch, nuts, and mints.

Presiding at the table were March Gilliland of Lewisville and Sherry Sheppard of Denton.

The couple is now at home in Glendale, Ariz.

Attending the wedding from this area in addition to Mr. and Mrs. Turner Paine were Velda Jolley of Farwell and Ora Smith of Clovis.

## Farwell Study Club Members 'Volunteers For Community'

Farwell Study Club (GFWC) members have adopted a new slogan for this year, "Volunteers to Help Improve Our Community," and has set as one of its goals for helping the community the project of raising \$1,000 for the renovation of the Farwell Civic Center.

The club met Monday evening, Sept. 19, at the proposed center and heard Janie Bowery tell them of plans that are already in motion for the building's renovation, including plans to improve the design of the space, and the upcoming events that are listed on the calendar to benefit the building project.

Club members then went to the home of Carrie Christian where they were served assorted salads, crackers, cookies, tea, and coffee by Mrs. Chris-

tian and the co-hostess, Ellen Wurster.

Julia Symcox said grace before the salad supper and following the meal, club president, Frances Kube, presided over a business meeting.

Roll call was answered with members giving suggested ways the new civic center could be used. Some of the suggestions included gospel singings, box suppers, musicals, family reunions, showers, health fairs, rabies vaccination clinics, and conventions.

Mrs. Wurster read the minutes and gave the treasurer's report, stating that the club had sold 126 Caprock District Cook-

books.

A motion was passed that the club assist with the upcoming Arts and Crafts Fair and Quilt Show by manning the concession stand and doing other acti-

vities whose proceeds will go to the Civic Center.

In other business the group voted to sponsor a rummage sale on October 14 and 15 in the club building at the rear of City Hall on First Street.

New members joining the Study Club at the meeting were these guests: Edith Crawford, Mildred Haseloff and Mary Lou Hillock. Having joined at an earlier time were Louise Roark and Lela Atchley. Other guests were Dodie Atkinson and Dora Verner.

## Shakespearean Comedy Opens ENMU Season

"Lord, what fools these mortals be," says Puck, in William Shakespeare's "A Midsummer Night's Dream," the 1983-84 Eastern New Mexico University production season opener. "Midsummer" plays September 28, 29, 30 and October 1 in the University Theatre. The performances will be at 8:00 p.m.

"A Midsummer Night's Dream" is Shakespeare's most popular pastoral comedy. It exists in a world of kings and queens, fairies and elves, wistful lovers and roughhewn rowdies. Normally their worlds never overlap, never touch, but during the midsummer night or summer solstice, the world goes topsy turvy—light is dark and dark light. Fairies weave a web of enchantment in which mortals are inextricably caught. The faithful lovers throw off their partners and, in the spell, love another. A mortal is transformed with the head of an ass and the fairy queen falls madly in love with him. Before it's sorted out, the mischievous Puck, and the audience enjoy a good laugh. Perhaps it all is nothing but a dream, perhaps there is no fairy king or queen and then again perhaps it is quite true, the result, of course, it all depends on you.

Director Patrick Rucker has chosen to produce the play in a style reminiscent of a production in Shakespeare's time. Eastern's actors will perform before a set as light and delicate as the play itself. Fashioned from thin iron bars, set designer Richard Holen has created the suggestion of a sixteenth century Elizabethan playhouse.

"A Midsummer Night's Dream" opens the five event season which also includes "The Elephant Man" in Nov-

ember, "The King and I" in February, "Deathtrap" and "The Dance Show" in April. General admission tickets are \$4.00, but the season ticket is \$16.00—a savings of 20 percent. Season ticket order forms are available from the Office of Promotion at 562-2378 at Eastern or through the box office. Reservations for "A Midsummer Night's Dream" can be made at the University Fine Arts Box Office in the Theatre Lobby at (505) 562-2710.

## Winning Combination

prize money and points toward the state competition scheduled for later this year. Cindy reports that the Lubbock event drew participants from all over the country and she was one of 25 entries in her class. "It was

really tough competition," she said, "but I think Jay did all the work." Jay, at three years old, was the youngest horse in the competition, and was trained by Cindy in her first effort at horse training.

To enter the wedding setting the bride and her attendants descended the stairs of the garden house which was decorated with grapevine ivy and burgundy bows.

An arch at the foot of the stairs was decorated with silk maple leaves adorned with large burgundy lilies and pink snowdrops. Gray wicker wedding bells were centered on top of the arch. The walkway was carpeted with astro turf and draped with white rope and decorated with burgundy bows.

The patio was decorated with floor plants and hanging plants, along with the kneeling bench, unity candle, and rice bag holder. Centered on the piano was a five-votive candelabra decorated with burgundy lilies, pink snowdrops and leather leaf fern.

Pianist LeAndra Byrd accompanied Cyndie Chadwick, Susan Johnson and Karen Austin as they sang "We've Only Just Begun" after the mothers were seated. After the vows were said they sang "That's The Way."

Given in marriage by her parents and escorted by her father, the bride wore a white organza gown with an empire bodice featuring a standup collar overlaid with chantilly lace and silk venise lace accents. The bodice and the long sheer fitted sleeves were also trimmed in matching laces. The long A-line chapel length skirt was trimmed in venise lace striped with chantilly lace motifs scattered near the hemline.

Her two-tiered fingertip veil fell from a lace covered bandeau decorated with seed pearls.

She carried a silk bouquet of burgundy roses, pink enchanted lilies, cosmos, star flowers, satin silhouette hearts, and pink picot ribbons.

# Wolverines Beat Panthers, Keeping Win Streak

by Johnny Torres  
The Texico Wolverines battled the Class 2A Jal Panthers last Friday night and came away with a 21-17 victory which spoiled the Panthers' homecoming celebration.  
Texico won the coin toss and elected to receive, but they were unable to penetrate the tough Jal defense and Texico was forced to punt.  
The Panthers received the ball at the 48-yard line and marched into Wolverine territory and kicked a 40-yard field goal and the Green and White found themselves trailing 3-0 with 6:54 left in the first quarter.  
Late in the quarter the Jal defense intercepted a Brad Steward pass and a couple of plays later, Jal converted the interception into a touchdown. The PAT was not good and at the end of the first period, the Panthers led 9-0.  
For much of the second quarter the two teams traded possession of the ball with neither

team being able to move against the opposing defense.  
Finally Texico mounted a drive sparked by a 35-yard run by Billy Bibbs and a 10-yard carry by Brad Steward. Bibbs then ran the ball in from four yards out to score Texico's first touchdown.  
Quarterback Steward passed to Terry Tubbs for two points on the PAT and at halftime Jal led, 9-8.  
Jal received the ball in the third quarter, but was unable to move against the Wolverines. Texico's offense encountered the same problem when they got the ball as defense played a key role in the third quarter when neither team could score.  
To open the fourth period, Brad Steward connected with Tubbs on a 31-yard pass play. Billy Bibbs and Brad Steward each added 10 yards and Bibbs then plunged into the end zone from three yards out.  
The PAT pass was not good and with 10:03 left in the game the Wolverines led 14-9.  
Jal scored eight more points in the fourth period, the touchdown coming on a nine-yard run by Jose Ruiz and a two-point conversion on a pass completion to Brian Beckham from Mark Hill to put their score at 17.  
Texico drove the ball to the 39-yard line on their next possession and on fourth down, Brad Steward connected with Danny Powell on a 34-yard aerial. Bibbs then went the five yards for a touchdown.  
The PAT kick by Brad Steward was good and the Wolverines enjoyed a 21-17 advantage with 2:58 left in the game.  
Jal then desperately tried to mount a drive but the Wolverine defense held solid to hold onto the 21-17 victory.  
Leading the rushing attack for Texico was Brad Steward who carried the ball 18 times for 100 yards. Bibbs carried 21 times for 89 yards and all three Texico touchdowns. Ronnie Gal-

van carried seven times for 44 yards.  
Steward completed five of 11 passes for 75 yards.  
Defensively the Wolverines were led in tackles by Tommy Boarman and Brad Steward who each contributed 15. Joe Steward had 13 tackles and one pass interception.  
Tonight (Friday) the Wolverines will be at Springer to play the Class 2A Red Devils in their homecoming.  
On Friday, Oct. 7, the Wolverines will host Hagerman for the Texico homecoming celebration.

## Wolverine Big Lick Awards

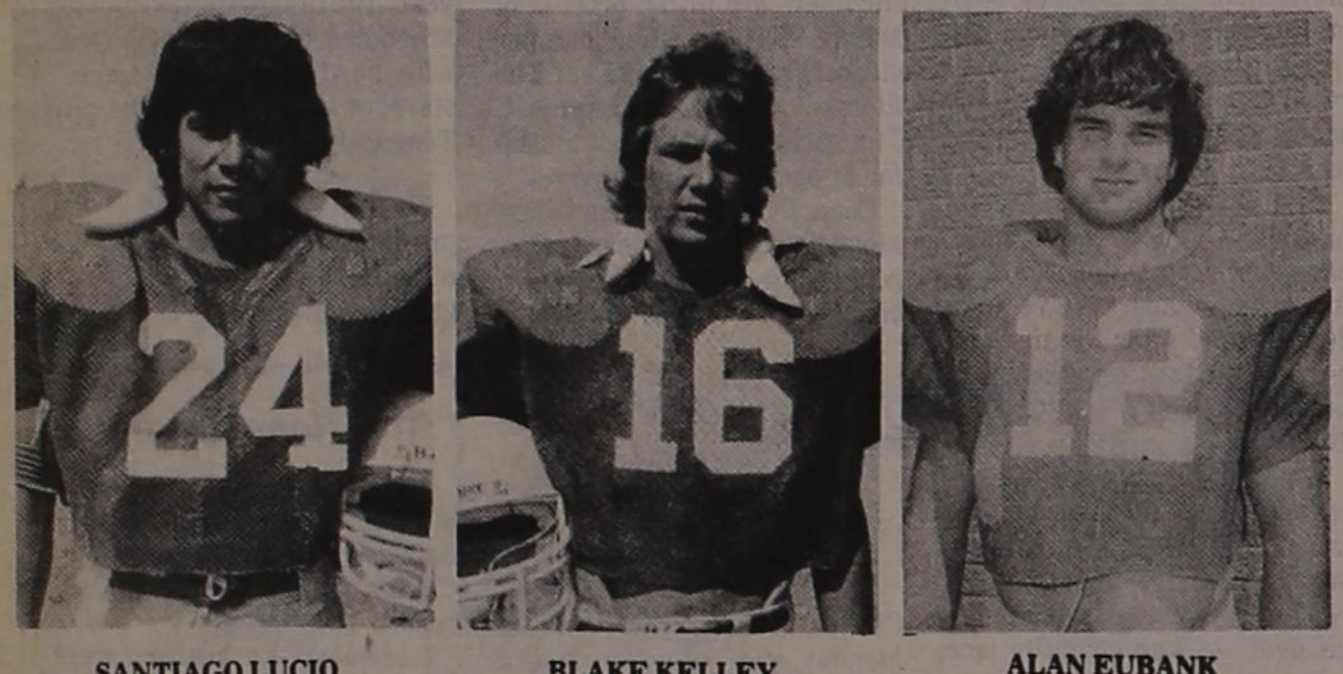

**TERRY TUBBS**  
Terry Tubbs was selected for the offensive Big Lick Award this week by the Texico coaching staff. In last week's game against Jal, he caught two passes for 23 yards and one pass for a PAT. Defensively, he had nine tackles, two quarterback sacks, one knocked down pass, had one big play on a reception, and kept the team's drive going, say the coaches.

**BRAD STEWARD**  
Brad Steward has been chosen for the defensive Big Lick Award this week by the coaching staff at Texico. Brad had 15 tackles and three big plays in the game against Jal. He also played well on the offensive side, making 100 yards on 18 carries, threw one PAT pass, made 75 yards on five of 11 pass completions and kicked one PAT extra point.

**TOMMY BOARMAN**  
Tommy Boarman was named an outstanding player on the Wolverine squad by Texico head Coach Dave Lynn. In the game against Jal, Tommy racked up 15 tackles, two quarterback sacks, and had three big defensive plays. "He really is a good player and I think he deserves some credit for his outstanding effort," said Coach Lynn.

Santiago's record for the game included a quarterback sack and stopping several plays. He also made one touchdown, and picked up 10 yards on two carries. "He played really well," said Coach Bruce Dollar.

**BLAKE KELLEY**  
**ALAN EUBANK**  
Blake Kelley and Alan Eubank were chosen as offensive Steers of the Week by the Farwell coaching staff for their play in last week's game against Seagraves. ## Homecoming Game Tonight - - High Flying Eagles Soar Past Steers 48-18

by Mark Cole  
Farwell Steers traveled to Seagraves Friday evening and clashed with the strong home team which resulted in the Steers' first loss of the season with a final score of 48-18.  
The Eagles, led by an opportunistic defense, capitalized on seven turnovers to win the hard-hitting battle and chalk their annual homecoming game victory into their win column.  
To open the game, the Eagles had to run only a short 18 yards to paydirt with back Gilbert Rangel bursting up the middle for six points. The extra point kick was blocked on a fine effort by Steer Santiago Lucio.  
Less than two minutes later the Eagles scored touchdown number two, this time with Russell Davis running five yards for the score, and Eagles' quarterback Chad Floyd passing to brother Owen Floyd for the two-point conversion and a 14-0 lead.  
Later in the first quarter Seagraves received the ball but this time were stopped by the Farwell defense. Tackles by Alan Eubank, Santiago Lucio, Roger Robertson, Blake Kelley, Paul Fulcher, Jesse Anzaldua, and Berny Mesman brought up the crucial 4th down and nine, where Eubank single-handedly stopped the ball carrier just short of the first down marker.  
Farwell's offense then took control and came alive to drive downfield with an impressive combination of running and quick passes. Tosses to Roger Robertson for 10 yards and a run of eight by Paul Fulcher brought the ball to the 46. From there Lucio carried twice for 10 yards, and Fulcher added another four. Eubank sprinted 25 yards on a keeper for the score, and Farwell trailed by a score of 14-6 at the close of the first quarter.  
In quarter number two, Seagraves added two more touchdowns to increase their lead. The scoring came on a one yard run by Davis and a 10-yard toss to Owen Floyd. At the half the score showed Seagraves beginning to pull out in front with a 28-6 lead.  
Early in the third quarter the Eagles again got on the board with three more short runs of four, five, and 15 yards, all for

touchdowns. The Eagles then led by a very comfortable 42-point margin, with the score, 48-6.  
Things finally began to pick up for the Steers in the fourth quarter when they took control of the ball. A nine-yard pass from Eubank to Kelley and a nice 71-yard completion to tight end Kevin Owen (who was moved to the position from guard only days before the game) brought the ball to the one-yard line. Lucio then went across the goal line for the touchdown, and the Steers then trailed 48-12.  
Later with the Eagles controlling the ball the Farwell defense once again held the powerful Seagraves offensive unit. Farwell's defensive stand was highlighted by a third down sack of the quarterback by nose guard Lucio for a loss of 10 yards which forced a punt on fourth down.  
The Blue and White took possession of the pigskin on the four-yard line and advanced the full 96 yards to score the last points of the evening. A run by Lucio for eight and a catch for 14, as well as a Eubank pass to Owen for 10 yards brought the ball away from the goal line to give the Steers some breathing room.  
With the clock running into the final minutes of the game, Eubank found enough time for a big play. A roll-out to the left and some excellent blocks from the solid Steer offensive line were all Eubank needed to burst 85 yards for the touchdown and a final 18 points for the Steers.  
The final score of an amazing 48 points for Seagraves and a respectable 18 for the Steers, resulted in the first loss of the season for the Blue and White.  
Tonight (Friday) the Steers will no doubt bounce back and play a good homecoming game against county rivals, the Friona Chieftains.

"We played all right, they were just a better team," said Coach Bruce Dollar about the Steers' first loss of the season.  
"We made five fumbles and some other mistakes that hurt us. When you're playing a better team you can't make any mistakes. They were a lot bigger, but we are not going to be bigger than any of the other teams this year, we've got a really small team," the coach said.  
He named Santiago Lucio as his defensive Steer of the Week and Blake Kelley and Alan Eubank as offensive Steers of the Week. "They played a really good game."  
This week's game will be homecoming against the Friona Chieftains tonight (Friday) at 8 p.m.  
"Friona is good. They are a bigger school and the players are bigger. They have 25 seniors on the team this year," said Coach Dollar.  
Texico's Lady Wolverine spikers beat Dora Tuesday afternoon 15-0, 15-0, in games that reportedly were won on the team's serving ability.  
"We passed really well as a team and had good serving and hitting. We did what we had to do and played well with a serving average of about 80 percent in the games," said Coach Mike Littlejohn.  
He named Helen Boarman, Valda Cavallero, and Cheryl Scott as outstanding in the serving department. Helen made nine of 11, Valda made six of 7, and Cheryl made five of six.

## Texas Events Calendar Offered Free To Public

AUSTIN - The astonishing scope of colorful occasions that Texans choose to celebrate is to be found in the new "Calendar of Texas Events" just released by the State Department of Highways and Public Transportation.

Covering events throughout the state for the months of October through March, the Calendar is an inventory of things Texans do in the winter-time.

Crammed into 182 days of the six-month period, Texans (and guests) will gather for 692 reasons to frolic, parade, dance, eat chili, rodeo, and race anything from antique cars to rattlesnakes.

Twenty-one formal chili-cooking contests range from the Czech-accented Czilihspiel in Flatonia to the annual world championship affair at the unlikely site of ghost-town Terlingua. Other food fetes include the East Texas Yamboree in Gilmer, a gumbo cookoff in Seabrook, New Braunfels' rous-

wing Wursthfest, peanut festivals in Floresville, Grapeland and Whitesboro, rice festivals in Bay City, Katy and Winnie. They'll be cooking cabrito in Sinton, barbecue and beans in Ballinger, oysters in Edinburg, and shrimp in Aransas Pass. There's even a Sugarfest in Weslaco.

Autumn will be welcomed in Willsboro throughout October. Winter is celebrated at the All Valley Vegetable Show in Pharr and in Mission at the Texas Citrus Fiesta. Lots of candlelight tours and carol events highlight the holiday season. March ushers in spring and azalea trails in Houston and Tyler, dogwood festivals at Palestine and Woodville.

In between, just for variety, Chappell Hill has scheduled a Scarecrow Festival, and the Great Gobbler Gallop is set in Cuero.

Variety is the word among those 692 listings. For a free copy, write Calendar of Texas Events, Box 5064, Austin 78763.

**5 Students Will Receive UT Scholarship Awards**

Outstanding high school seniors across the state will be interested in a \$10,000 scholarship to The University of Texas at Austin. The Texas Excellence Award for Scholarship and Leadership is the first of its kind in the state. Funded by alumni through The Foundation for Texas Excellence of The Ex-Students' Association, the award is based solely on academic accomplishment and leadership in extracurricular activities. Presented for the first time in 1982, five more such awards will be presented in March 1984. Each award will be granted over a four year period (\$2500 per year). To be eligible, students must rank in the top five percent of their class at the end of their junior year in high school. Beyond scholastic achievement, students must demonstrate leadership ability. Approximately ten finalists will be selected in a process involving University deans, distinguished alumni, and other UT officials. Following on-campus interviews, five recipients will be chosen. Announcements will be made in the winners' hometowns by local Texas Exes Clubs, and awards will be presented on campus in the fall. One hundred years ago, the Texas Legislature established The University of Texas at Austin to serve the State of Texas as a "University of the first class." Today the Texas Excellence Award celebrates that tradition by emphasizing The University of Texas' alumni commitment to academic excellence. Eligible high school seniors may obtain applications from their school counselors or from The Ex-Students' Association, P.O. Box 7278, Austin, TX 78712. Applications must be postmarked no later than November 1.

**The Royal Mile**  
The most famous thoroughfare in Scotland is called the Royal Mile. It's in Edinburgh, the capital, and it runs down a hill from Edinburgh Castle on its rock to the Palace of Holyroodhouse, one of the two homes of Queen Elizabeth II in Scotland.

British royalty has been traversing it for centuries. It consists of five palaces: Out of Holyroodhouse you come to the Canongate, then the High Street, the Lawnmarket, Castlehill and finally the Castle Esplanade, where the famous Edinburgh Military Tattoo is held during the International Arts Festival.

Teacher's Scotch Information Centre points out that the Royal Mile passes many historical spots, including John Knox's House, St. Giles' Cathedral, Parliament House (where the last Scottish Parliament was held in 1707), and even the home of Deacon Brodie, who was Robert Louis Stevenson's model for Dr. Jekyll and Mr. Hyde.
