

FROM THE HOPPER

By HOP

Seen last Sunday afternoon, just out of Portales, a horse-drawn bundle wagon being driven across a field by a farmer.

Reflecting over this unusual sight of this day, I began to wonder how many teams are still in use on the farms of this county. I don't mean teams that are just kept about the premises to use in cases of emergencies, such as pulling the family car out of the mud, or to use in helping to get the tractor started on cold mornings.

But how many teams are actually used on the farms in this county to do the actual farm work? It would be quite interesting to know their number, if, indeed there are any.

There are any number of farms in the county today that do not possess a single hoof of livestock; not even a cow nor a hog. The farmer goes in exclusively for grain and wheat production.

This is a far cry from only a few years ago. Only a few years ago, any farmer who did not include a few head of livestock and a flock of chickens would have difficulty in getting financial backing. That was the day of the "cow, sow and hen."

The Santa Fe Railway Company, in promoting a farming program based on these essentials, ran an annual "cow, sow and hen" train all over this region to emphasize the importance of the program, and to introduce better breeding and feeding practices among the farmers.

We have gone through a great transition during the past 25 years in our farming practices. Today, the only horses produced are race and roping stock, used primarily for entertainment and sports events.

I used to think when I came home with a poor report card and suffered a good licking for my bad grades that I was a most unfortunate lad. But I realize now how lucky I really was. Now lads who come in with poor report cards are drafted into the Army.

Received the following letter from Mrs. T. G. Hudson of Gail, Texas, which make us feel a little better about this hectic newspaper business.

"I'm writing in regards to the State Line Tribune and how it gets around.

"T. G. and I went to the sale at Big Springs last week, so in taking what I thought I would need— included was my sewing basket 2 pieces of cake, a jar of water, writing paper and pencil, box of aspirin, Readers Digest, Amarillo Times, Fort Worth Star and State Line Tribune.

"In finding a seat at the sale barn and getting fixed to make a day, I started on the State Line Tribune. First, people I didn't know came and wanted to see the paper when I got through. They knew "so-and-so" that lived there. By the time it got around, fanned all the women and babies, Johnnie Williams from Portales had it and was seeing the happenings in the Twin Cities and Bovina.

"It's still a good paper. Best regards to you and your family."

Friday Deadline For Some PMA Practices

Friday, September 14th, is the deadline for filing prior approvals on a number of soil conservation practices, Joe Camp, head of the local PMA office, said Monday.

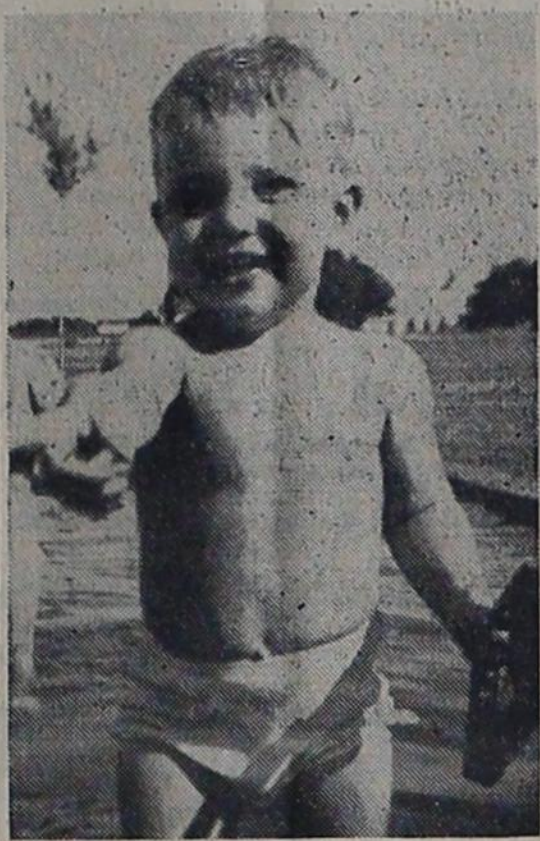

Included in the group are terracing, leveling of land, irrigation practices, seeding permanent pasture, and application of super phosphate. "We can give extensions of time to those who request them," Camp said, but went on to say that if such requests were not made, or applications turned in, no payments for the conservation work would be forthcoming.

New Baptist Pastor Comes to West Camp

Rev. T. L. Pounds, with his wife and daughter, Doris Jean, arrived at West Camp on Wednesday of last week, where Rev. Pounds will take over the pastorate of the Baptist Church.

The family came to this area from Tarzan, Texas, where the minister had been engaged. Doris Jean is enrolled in the Farwell schools, a member of the seventh grade, and the other member of the family is Walter, who is attending Texas Trade School at Dallas.

Mrs. Bert Williams and her father, A. J. Jones, left over the weekend for Snyder, Okla. to visit his mother and other relatives.

VICTIM OF FALL on Sunday evening was 18-months-old Jim Caldwell, above, son of Mr. and Mrs. Bedford Caldwell of Bovina. The child died in the hospital at Friona some three hours after falling out of his bed at the Caldwell home.

Caldwell Youngster Dies Following Fall

James Wayne, 18-months-old son of Mr. and Mrs. Bedford Caldwell of Bovina, died at 9:15 Sunday night in the Parmer County Community Hospital in Friona, following a fall from his bed around 6 o'clock that afternoon.

Young Jim, who is an identical twin to William Martin (Bill), never regained consciousness after his fall, Mrs. Caldwell said today. Provoked at being called from play for a bath and bed, the youngster apparently leaned too far over the side of his bed and fell, landing on the crown of his head.

Mrs. Caldwell and son, Phillip, rushed the baby to the Friona hospital, and after a short examination a brain specialist, Dr. Ellis, was called from Amarillo. Dr. Ellis confirmed the belief of hospital attendants that the lining of the brain had been torn loose at the base of the skull.

Funeral services were held at the Bovina Methodist Church at 3 o'clock Tuesday afternoon, with Rev. Oscar Bruce, former Bovina pastor now of Knox City, in charge, assisted by Rev. I. T. Huckabee. Pall bearers were Robert Wilson, Webb Guber, Gabe Anderson, Jr., and David Carson.

The little body was laid to rest in the Bovina cemetery, with Steed, of Clovis, in charge.

Immediate family survivors include the parents; two older brothers, Phillip, 12, and Don, 9; and the twin brother, William Martin. Grandparents are Mr. and Mrs. H. D. Phillips of Lubbock; and Mr. and Mrs. J. R. Caldwell of Oklahoma Lane.

May Close Gap On Texico Paved Road

Indications that the short gap in the State Line highway that enters Texico from the south may be closed at an early date were expressed here early this week by members of the Texico town council.

District Engineer Miller was in Texico last week and explained that the job had not been completed because the project had been "pigeon-holed" for the past few months. He indicated to Texico officials that he planned to close that gap at an early date. Already, councilmen said, Santa Fe officials have moved materials on the ground for building a new and larger crossing where the road will cross the railroad just west of the passenger station.

Work was suspended on the paving about a year ago, resulting in a "dead end" about three or four blocks south of its objective after right-of-way complications arose. When completed, the new pavement will connect with the main street in Texico.

Extending south along the Texas-New Mexico state line for a distance of 7½ miles, the pavement connects with a Bailey County farm-to-market pavement, and taps a rich agricultural section to the south, southeast and southwest of here.

Equalization Board To Meet Thursday

Equalization Board of the Farwell consolidated independent school district is scheduled to meet Thursday, Sept. 20, in the County Court Room at the court house in Farwell, it has been announced.

It is proposed to increase the assessed valuation of property that is owned in the district.

County Fair Opens At Friona Today

Parmer County residents who have been busy with crops and other work during the past few weeks will take a breather this weekend, as they turn out in numbers for the annual county dairy show and fair, which will begin at the show barns in Friona this (Thursday) afternoon.

As a fillip to the opening of the three-day affair, business men from the county will serve as hosts to a free barbecue this afternoon at 6:00, with the fair proper actually getting underway on Friday morning and continuing through Saturday afternoon, when the finale will be a grand parade plus a queen, a pig sale, and a calf roping event at the Owen Seamonds farm, east of town.

Wendol Christian is serving this year as fair association president, being assisted by other officials, agents of the county, and the county agent, with the home arts department being headed this year by Mrs. Grace Whitefield, of Friona.

The kids will even have something to do this year, other than looking at the animals and waiting their parents about hot dogs and cold drinks, as Friona businessmen are building some rides for the youngsters, and everybody will have a chance to pick a pretty girl to serve as Fair Queen, with most of the communities in the county being represented by the candidates.

The Queen contest, incidentally, is being sponsored by the home arts group with proceeds (at 1c per vote) going into a fund to support development of the ladies department at the fair, Mrs. Whitefield announced.

Candidates named this week include Mrs. Avis Carpenter, of Oklahoma Lane; Miss Lucille Hoffman of Rhea; Miss Carolyn Wilson of Bovina; Miss Darlene Sprawls of Farwell; Miss DeAnn Buske of Friona; and Miss Beatty of Black.

Voting on the contest will close at 10 a. m., Saturday morning, and the winner will be named just prior to the grand parade, in which she will have a prominent part. Defeated candidates will comprise the queen's court in the parade.

Judging opens Friday. Although milkings for the butterfat contest will get underway on Wednesday evening, actual judging at the fair is slated to open on the morning of the 14th, with community exhibits and agricultural products first in line. During that morning the home arts department, rabbit entries, beef cattle and Brown Swiss and Gurnsey entries will be rated; with Jerseys, Milking Shorthorns and Holstein-Freians coming up for their places that afternoon.

Judges will be busy during the morning hours on Saturday with the swine rankings, with the parade slated for 2 o'clock that afternoon to wind up the affair, and entries may be removed from the barn after 4 o'clock.

Raymond King, with the Lubbock Cotton Oil Company, has the largest judging assignment, being slated to rate the beef cattle, Jerseys, Guernseys, Brown Swiss and Holstein, J. K. Adams, Muleshoe county agent, will judge swine; Morgan Dennis of Dimmitt, is to pick the Milking Shorthorn winners; Alex Bateman, of Clovis, will judge the rabbit entries; Phillip E. Crystal, assistant county agent from Clovis, names the best community exhibits, and Mrs. Argen H. Draper, home demonstration agent from Hereford, has accepted the job as judge in the home arts department.

Work Progressing On New Farwell School

Construction work is going along at a fast clip on the new Farwell high school, Supt. Jack Williams reported this week, adding that indications were that a good deal of the concrete foundations would be run this week.

Raymond Griggs, of Clovis, is contractor for the job, with Weldon Boske serving as foreman.

Asked about a possible end of construction date, Williams stated that no work-day contract was drawn up, and added, "we don't have any idea, actually, when the building may be completed."

Various reports on steel shortages have caused local officials some concern, but the superintendent said the contractor felt confident that the necessary steel would be forthcoming. "We have our rating to get the steel, providing the shortage does not reach a point where school building programs will be curtailed," Williams concluded.

Bob Gerles left Friday for A & M College in College Station, where he will attend school.

FEED HARVEST STARTS

The combination feed grinder and mixing plant of the Farwell Hog & Cattle Co., located south of town, which will process feed for feeding operations for the city's newest business concern. The new firm will begin operations Saturday.

Floridian Floats From Odessa to Friona Friday

The first recorded glider landing in Parmer County history occurred at Friona the past Friday afternoon, when "Pop" Krohne, a Flying Farmer, piloted his engineless craft in for a perfect landing at Bengier Air Park.

"Pop", who makes his home in Florida and is a farmer by vocation, takes his glider business seriously, in spite of his 63 years, and is currently engaged in trying to break the glider mileage record of 310 miles.

The Krohne glider, an Army surplus craft which its operator converted from tandem to a single, soared in from Odessa in four hours, after the Krohnes has attended a convention of Flying Farmers at Fort Worth. Last year, using Odessa as his take-off point, "Pop" landed at Hereford.

Elvie Jennings, operator of the Friona park reported that Krohne told him he had hoped to reach Tucucqari, but as he approached Clovis he noted the thunderheads that brought rain that evening and revamped his flight plan to land at Friona.

When notified at Odessa of his arrival, Mrs. Krohne followed her bird husband to Friona and the glider was dismantled the next morning, packed on a trailer especially built for that purpose, and the Krohnes departed for their home.

Bovina Improvement Bonds Offered for Sale

Mayor J. T. Hammonds of Bovina said Monday that bonds voted in a recent election for a new city hall and fire station and extensions on the water system, are ready for sale.

When bonds are sold, plans will be completed for the designated improvements.

Lots for the new City Hall and Fire Station have been purchased, located between the Masonic Hall and Gaines Hardware. Mayor Hammonds says that plans for the building are being worked out by the fire department boys. Also scheduled are three extensions on the city water line, and installation of a new pump.

Property Once Deeded For Court House Will Be Sold At Public Auction Shortly

Block 50 in Friona, more commonly known as the "City Park", will go under the auctioneer's hammer at public auction in the near future, it was decreed by the Parmer County commissioners, when they held a regular session at the court house on Monday.

On May 10, 1910, George G. Wright, who owned the land on which the City of Friona is now located, deeded to the county commissioners, "for \$1.00 and other valuable considerations", the entire block, "for the use of a public court house". However, the court house was never built thereon and for some years, with the county's approval, the City of Friona has improved the property, making it into a park.

Now there is a paving program on in Friona, and Friona city officials petitioned the county to pay its part of the cost of paving around the block. The commissioners refused the request but considered giving the

Farwell Feed Lots To Open Saturday

Texico-Farwell's newest and one of our largest enterprises—the Farwell Hog & Cattle Co.—will open for business here Saturday.

Built at a cost of \$50,000 and financed by the Wilson Packing company, the feeding plant capable of handling 2200 head of cattle, the finishing touches were being whipped into shape today in preparation for beginning business. Construction of the huge plant began last May and was being completed two weeks ahead of schedule.

Work was completed this week on a large trench silo, which is 34 feet wide, 400 feet long and 15 feet deep, capable of handling many hundreds of tons of ensilage to be used in the feeding operations.

The new firm will afford a ready market for a vast quantity of green feed and grain produced in this region.

Feeder cattle and hogs will be handled and fattened out for the market. Jewel Castor will be the general manager of the firm, assisted by "Toad" Thomas, both of whom are experienced feeders and cattlemen.

An elevator-type feed mill and processing plant, shown in the picture, has been erected to handle the power for the operation of the plant will be electric, furnished by a special line built to the site 1½ miles south of town by the Southwestern Public Service Co. The plant is located on the Texas-New Mexico state line along the new paved road leading south of town.

MRS. CLAY PASSES AWAY

Mrs. Luna Clay, formerly of Texico-Farwell, passed away Aug. 23 in a Seattle, Wash., hospital. Mrs. Clay had made her home with her daughter, Mrs. Ronald Carlock, for several years.

BEGINS JUNIOR YEAR

Robert Berggren of Bovina, went to Canyon the first of the week, where he began his junior year at the West Texas State College, as a student in agriculture. He plans to qualify himself to do county agent work.

The first load of the 1951 feed harvest received in this county was reported on Monday of this week by Boone Allison, operator of the Lariat Elevator.

Bringing in the first load of Martin milo was Allen Stancel, of West Camp, who is operating a dry-land farm in the area. The grain was received at the Lariat Elevator on Saturday afternoon and the customary premium payment was made for the initial load.

Boone stated that the Stancel crop, optimistically estimated, would harvest out around 1,000 pounds per acre, and the Saturday load tested 15 per cent moisture. The size of the field was not learned here.

Local elevator men contacted the first of the week, reported that they had no receipts of 1951 grain, with C. M. Henderson, of the Henderson Grain & Elevator, adding that he understood some of the "dehydrated" crop over the county was in the process of early cutting, to make way for possible wheat sowing this fall.

Insofar as this immediate area is concerned, things remain rather serious for the majority of fields, with the spotted showers of recent weeks hitting only here and there and failing to do any real good over a comprehensive scope. Some farmers, those who have been in the rain belt, are exceedingly pleased with the outlook for their feed, while others, less fortunate, have been forced to watch dry-land stuff deteriorate day by day in the blazing sun.

In the close vicinity of Bovina and Friona, and out along the Hub community, fields appear in good condition, irrigated or dry-land, but roadside fields near Farwell show the evidence of burning and some have been turned over to stock to salvage as much as possible by grazing.

Irrigated fields, which have become more numerous this year, bear every indication of a bountiful harvest and for a change, elevator men over the county hold out hopes of being able to take care of all the grain, due to increased storage and the rather short wheat crop.

In general, it seems that harvest will not get in full swing for some weeks, although the usual exceptions are made.

Showers Stimulate Fall Wheat Sowing

Widely scattered showers over a good portion of Parmer County the past Friday night have stimulated sowing of fall wheat in the favored sections, as well as giving late plantings of feeds crops a shot in the arm.

Reports gathered here indicate that the rains were not general over the entire county, but the amount of moisture received in the favored areas was very generous and beneficial. Most farmers who were in the rain belts report a full inch and upwards with some reporting an inch and a half.

Some farmers in the Oklahoma Lane settlement give out the most favorable rain reports, which range from a full inch upwards. Similar reports were heard from north of Bovina with C. L. Calaway reporting better than an inch.

Good showers, ranging from .60 of an inch to a full inch are reported from the Hub community in the center of the county, and also north of Friona.

The rains have brought out wheat seeding equipment in the soaked sections, while a large portion of the county remains too dry for such activity. All the sowing reported has been confined to summer tilled fields where the land has been kept in condition and free from weed growth. Some growers agree that the moisture is not as deep as they would like to see, but are proceeding with their sowing operations as a measure of protecting the soil from wind erosion when the fall winds begin to sweep over the level, unprotected fields.

Considerable dry land feed will not be aided by the moisture, but late plantings will be greatly benefited, farmers agree.

NOTICE TO PARENTS

Parents of children were warned today by Contractor Raymond Griggs and school officials that the children should be kept away from the new school construction.

Several large and deep excavations are being made, they warned, and the children should not be permitted to play in or around these places.

"We nor the school can be responsible for any mishap that might occur," stated the contractor.

STEERS WIN RAINY SEASON OPENER FROM MELROSE BUFFS FRIDAY NIGHT

Hopes perked up somewhat for fans of the Steers Friday night, as they watched the Farwell eleven score its first win during its first game.

The victims of the Steer offensive were the Melrose Buffaloes. They were outscored 13-0 by Farwell during the first two quarters which were played in a light but steady rain.

Responsible for the two TD's were Darrell Norton, quarterback, and "Pike" Jordan, back in the fullback slot despite reports that he would not return to play his senior year with the Steers.

Farwell's first score came at the end of the first quarter when the Steers were still driving uphill against the wind and rain.

Frank Guley set up the score with a sweep to the Melrose 22. Jess Coburn, right end, came around the west side of the field with a reverse which carried to the 17. The Melrose defense stiffened, but gave up a first down to Farwell on the 10 yard stripe.

That gave the Steers the opportunity they had been needing, Norton scored in the next two plays, the first of which carried the ball to the 1-footline. The attempted kick for extra point was fumbled.

Melrose Starts Well
The Buffaloes, who received to start the game, set in motion a steady series of plays good for two consecutive first downs. On ground, it looked as though their offense might prove to be a serious threat to the Steers.

The only other threat in the first half came after Farwell's second score. The Buffs drove to within 15 yards of the end zone, but the Steer's forward wall held for downs.

Scores On Long Run
Fullback Jordan was responsible for the longest run of the evening that resulted in a score.

He swept right end from the Melrose 22 late in the second quarter and walked the chalk for several yards before arriving in paydirt. This time, Halfback, Dennis Raney made good the extra point try with a drive through the middle of the line. score stood 13-0.

Second Half Even
Play in the second half proved to be more evenly matched. Although the field was still wet, the rain had stopped, and both teams attempted some passing. Farwell, however, still stuck pretty well to ground plays.

The most serious threat of the evening to the Steer's 13-point margin came early in the third quarter. The Buffs, on two first downs, punched to the Farwell 7. They scored another first on the Farwell 4. Dennis Raney batted down an end zone pass.

An offside penalty took from the Buffaloes an almost sure opportunity to score. The threat was removed as Farwell recovered a Melrose fumble on the 28.

In the last quarter, a quick kick by the Steers on second down soared over the Melrose backs' heads into the end zone. This strategy proved effective for some time, put Farwell again kicked several minutes later from its 45.

In the closing minutes of the game, Melrose tossed a long pass to within 12 yards of the Farwell goal. Interference was ruled by officials, and the Buffaloes saw their last chance to score.

That chance disappeared, however, as Melrose fumbled and Farwell recovered.

Fumbles, incidentally, helped the Farwell cause considerably during

the game. The Buffs, fumbling three times, recovered none of the bobbles. The Steers dropped the slick ball twice themselves, but only once did Melrose take possession.

Melrose is under the tutorship of a new coach this year, Glenn Ellison.

Texico Wolverines To Journey to Rosedale

Friday night of this week the Texico Wolverines will travel to Rosedale to seek their first win over the cowboys this season.

In spite of the loss of nine lettermen last year, the prospective players are shaping up well for a successful year.

The 17 prospective players of which 13 will be chosen as a traveling squad are: Arlye Crooks, Paul Crooks, James King, Kennard Harris, Kenneth Doolittle, J. B. Taylor, Charles Ott, Kenneth Allred, Billy Goldsmith, Donal Engram, Gayle Doolittle, Vernon Lewis, Claud McDonald, Clyde McDonald, Andre Palmateer, Robert Tucker, and Ronnie Ferguson.

Helton Perturbed Over Legion Attendance

Joe Helton, commander of the local American Legion, was quite perturbed over the lack of attendance at recent meetings of the organization, when interviewed this week.

At a meeting held Monday night, only four members were present. State Helton, "We can't do anything about interest in the organization until we get attendance." According to the commander, membership drive for the organization begins shortly.

Present at the Monday meeting were Helton, Loyde Brewer, Wilfred Quickel and Joe Jones.

Accepting Applications For Farm Home Loans

Walter Johnson, head of the Farmer County Home Administration office, said on Tuesday of this week that his office is still accepting applications for loans to build farm residences.

Recently, the FHA asked that more applications be submitted in this county, with Johnson stating that the money was available and applications almost non-existent.

Farm owners interested in such loans are invited to see Johnson at the local office on Tuesday of each week, or contact the FHA office in Hereford.

Lazbuddy PTA Will Sponsor Social Monday

Members of the Lazbuddie Parent-Teachers association are sponsoring a get-together of teachers and parents Monday night at 8:30, to begin the organization's activities for the coming school term, it has been announced.

Recreation and refreshments are on the agenda for the evening, according to the announcement. The P-TA cordially invites the entire community to attend the social and welcome the teachers.

Mr. and Mrs. "Cotton" Robertson have moved to the Charles Lunsford rent house.

Schoolmasters To Meet At Ranchvale Thursday

Curry county school masters will meet at Ranchvale on Thursday evening for a banquet.

After the banquet, they will discuss rules for softball, and initiate new members. Two of the Texico teachers will be initiated into the group. They are Curtis Miller and George Hill. Superintendent Agrie Jones and Principal Fern Stout are to be in charge of the initiation.

Texico teachers attending besides Miller and Hill are: Fern Stout, Agrie Jones, Carl Schmitt, John Adams, E. U. Scott, and Charles Stockton.

Primitive Baptist Meeting Slated

A special preaching service will be held by the original Primitive Baptist group at 419 Rencher in Clovis on Saturday night, Sept. 15, with Elder C. J. L. Bolinger in charge.

Services begin at 7 o'clock (New Mexico time) with a cordial invitation extended to the public. Services will also be held on Sunday morning, the song service beginning at 10:30 (NM time).

NEW MEMBERS

The Farwell Chamber of Commerce announces the acquisition of two new members, DeLozier & DeLozier, and Southern Union Gas Co., both of Clovis.

Safety Program Held At Farwell Schools

Patrolman N. E. Wells and J. A. Dumas conducted a program on safety Monday night at Farwell schools. Following a picture show on school bus safety, Wells made an explanatory talk and gave statistics on school bus accidents in Texas the past year. A question and answer period was then held.

A small attendance was reported at the meeting.

Has Operation To Remove Tumor

"Boog" Johnson, 13-year-old son of Dr. and Mrs. V. Scott Johnson of Clovis, formerly of Farwell, underwent surgery in Amarillo the past Friday for removal of a bone tumor on the upper part of his right arm.

Mrs. Effie Johnson, grandmother of the lad, reported the first of the week that he is recuperating satisfactorily, and has been returned to his home in Clovis.

Hospital Notes

Admitted were: Mrs. P. L. London, medical, Friona; Mrs. Glenn Harrelson, medical, Friona; Mrs. Weldon Dickson, medical, Friona; Jimmy Caldwell, accident, Bovina; Mrs. W. C. Williams Jr., medical, Friona; Mrs. O. L. Williams, medical, Farwell; and Mr. Cecil Bass, Friona.

Dismissed were Mrs. Weldon Dickson, Mrs. P. L. London, Mrs. Glenn Harrelson, Mr. M. A. Bartlett, Mrs. J. A. Bonney and baby girl, and Mrs. Joe Chavez and baby.

GOOD RESPONSE

Officials of the Baptist Church announce a good response to a drive held recently to secure dishes, cooking utensils and non-perishable foods for the Baptist Orphans Home, in Portales. Two boxes of canned stuff were packed for the Home, in addition to four boxes of dishes and utensils.

Mrs. J. C. Robertson has returned from a month's stay in California with her daughter.

TO SELECT TWIRLERS

George Hill announces today that try-outs will soon start for twirlers for the marching band at Texico schools. Requirements are that the prospective twirlers own a baton, be in the high school band and in or above the eighth grade. Students chosen will be instructed by an expert twirler, engaged by Hill.

INSTALLS NEW SCALE

The Roberts Seed Company in Texico has just completed the installation of a new Howe scale at its place of business. The new scale

is the latest Print-o-matic type, equipped with a 50-foot platform to accommodate large semi-trailer trucks.

SHERIFF OKAY

Sheriff Chas. Lovelace is reported recuperating satisfactorily from a recent major operation, sustained at the Memorial Hospital in Clovis. Relatives this week were not certain when Lovelace would be able to be returned to his home in this city.

Texico, N. M.

Jerry Pool Listed On Football Team

According to a news release from Eastern New Mexico university in Portales this week, newcomers on the college football team include a pair of half-pint halfbacks, Jerry Pool of Farwell and another boy from Borger.

The ENMU season officially gets underway against Panhandle A & M

College at Goodwell, Okla., Sept 22.

From early workouts, the release stated, the passing attack of the Greyhounds will be a definite asset when the team begins defense of its New Mexico Conference championship of 1950.

Workouts began Sept. 1. Pool was a member of the Farwell football team during his four years in high school and was well-known for his speed. He attended State track contests his junior and senior years.

DRIVERS IN SKIRTS

Three high school girls now operate buses for Texico Schools. The girls, all seniors, from left to right, are Janie Moss, Koleta Smith, and Marsha Peterson.

Gals're Drivin' Buses Now

During the past decade, women have invaded just about every kind of work previously considered by the male sex to be theirs exclusively but it has taken officials of the Texico school to provide a new wrinkle.

At the present time, three senior students—girls—are driving the buses which daily ply the routes bringing other youngsters to classes at Texico, Supt. Agrie Jones reports.

These young female drivers are Marsha Peterson, Janie Moss and Koleta Smith, and while it is something for Texico to have three skirted drivers at one time, the school has used women drivers before, in the persons of Billy June, Roberts, who graduated two years ago, and Mrs. C. B. Allen.

N. W. Peyton, who owns the buses and contracts them to the school,

stated that statistics produced at the School Bus Drivers Institute proved that high school girls in New Mexico had attained the highest safety driving record in the state, with high school boys next in line, while the adults trailing, with the women in third place and the men in fourth.

The girls don't quite outnumber their male counterparts in the driving assignment this year, however, as three seniors boys are also on the job, including Ronny Ferguson, Jr., Andre Palmateer, and Donald Engram. Contractor Peyton handles the seventh bus being used at the school.

Just what will happen when the gals have to monkey with a contrary motor or a flat tire as they make their rounds remains to be seen. In the meantime, they take 'em out and get 'em back in, safely and on time, and that's the main thing.

HERE IS BIG NEWS

For Small Grain Growers

MARKED INCREASES IN SMALL GRAIN YIELDS have been evidenced by recent tests by universities and farmers alike.

More and more farmers are using FERTILENE liquid fertilizer to increase yields.

HOW FERTILENE HELPS

When Fertiline is applied to seed grain, nourishment is added that is ready for the seed to use immediately after germination. This helps develop better root structure and top growth in early stages, and makes impressive increases in yield.

YOU CAN'T TELL BY LOOKING

No one can tell by looking at your soil or seed whether it is good. The soil can be tested, but there's no way to test the seed. A test on part of your acreage will let you decide if Fertiline is helpful.

YOU DON'T NEED SPECIAL EQUIPMENT

Applying Fertiline is simple. Sprinkle over seed grain, mix thoroughly on barn floor, and allow to dry before planting. Treated seed runs freely through the drill.

Costs Less than 60c Per Acre

One Gallon of Fertiline is diluted with 1/2 gal. of water and is used to treat from 10 to 12 bushels of seed grain. Costs less than 60c per acre.

WANTED—Clean cotton rags at The Tribune office.

New Chicken Processing Plant Is Opened For Business In Texico On Tuesday

Birds—chickens to the laymen—by the thousands are due to roll out of Texico's newest business during the next few days, as the Texico Produce Company began operations in its chicken processing plant Tuesday.

John Getz, responsible for the introduction of the new Northwest chicken—a cross between the ever-popular fryer and the white-meated juicy pheasant—said Monday afternoon that he already had commitments over New Mexico which would insure the usual disposition of some 3,000 birds per week.

Getz has been shipping the dressed birds to Albuquerque, Roswell, Carlsbad, Hobbs and Clovis for the past several weeks, but with the opening of the new plant, the fryers will come into Texico on foot and will be slaughtered, picked and dressed at the new plant.

Serving as foreman of the new plant will be E. L. Chambliss, and local ladies will be used to de-pin and clean the chickens after they have been mechanically dipped in boiling water and run through a mechanical picker. This picker, incidentally, actually doesn't "pick" the feathers. On the contrary, rotating flexible rubber "fingers" slap at the bird and literally beat the feathers from the carcass.

After the chickens are cleaned, they will be chilled in ice water and then packed in ice in a specially constructed freezing room at the plant, located in the building formerly occupied by Pace Bros. Garage, where the temperature will remain at 34° Fahrenheit. For shipping, the birds will go into ice chests, packed in finely chipped ice with outlets below to drain water from melting. The company will operate its own trucks for delivery to produce markets, Getz said.

Seeking Local Growers
"We would like," Getz said on Monday, "to secure growers for the birds in our own immediate area, otherwise we will continue to have them grown out at Plainview and Lubbock and shipped in to our plant."

Asked about the grower plan, Getz stated that certain specifications as to quarters, feed, etc. would have to be complied with, and he hurried to add that the company is seeking quarters for large numbers of birds, with a minimum of 500 to a grower. "We'd like to put two or three thousand birds with one grower", he commented.

Growers will be required to pay for their shipments of day-old chicks at the rate of 20c per chicken, with the company guaranteeing a market-plus price at the end of the 10-week growing period.

Commenting on the new chicken, which has proved popular since its introduction here a little over a year ago, Getz stressed the fact that the bird "does not have a 'game' taste." In other words, he grinned, "If you like chicken, good, juicy, large and still tender, you've missed a taste treat if you haven't tried the Northwest."

Local residents, who have been buying the birds as they were ready for market, and placing them in individual freezer lockers, are assured that plenty of chicken will still be available for them.

Getz pointed out in conclusion that the new plant will actually be a produce company, with top market prices being offered for chickens—either hens or fryers—and eggs, in addition to the specialized line of handling the Northwest chicks.

Water District May Plan Elections

Jesse M. Osborn, of Muleshoe, temporary director of precinct 3 of the High Plains Underground Water District, announces the naming of three Parmer County men to assist the director of Parmer, Bailey and Castro counties in holding an election, advising all interested parties and furnishing information in regard to Water District No. 1.

Named by Osborn are Tom Caldwell of Bovina, Bruce Parr and Raymond Euler, of Friona.

Anyone in Parmer county desiring any information about the creation of such a district may contact these men, Osborn said. If the district is created, residents will hold an election in January, 1952, for the purpose of electing directors, with the present directors serving only temporarily after appointment by the State Board of Water engineers.

School Enrollment At Farwell Climbs

Enrollment at the Farwell school continued its upward spiral shown during the past few years at the opening of the current term, Supt. Jack Williams said today, estimating that the present figure exceeded the 1950-51 term by some 20 students.

As of Monday of this week, a total of 371 students had been enrolled throughout the school, and the school head added "We know of about six or eight that are still out." Breaking the figure down, high school enrollment totals 106, leaving the number of elementary school students at 265. The largest high school class is the freshmen, with 31 registered, while the juniors come next in line with 28, the seniors have 26 members, and the sophomores are at the bottom of the enrollment scale with only 21.

For tops in enrollment, however, the second graders take the prize, with a total of 43 youngsters. This group is divided into two distinct classes, with Mr. L. S. Pool receiving 25 of the pupils and Mrs. L. W. McDermitt in charge of 18 second graders.

Mrs. Loyd Cain has a total of 33 in the first grade; there are 26 listed in the third grade, taught by Mrs. C. E. Sanders; Mrs. R. D. Hensley also has 33 fourth graders; while Mrs. Earl Booth handles 40 in the fifth grade. The sixth graders number 30, taught by Mrs. Dorothy Jack; Shelby Jones has a listing of 28 seventh graders, and Edward Rierson seats 32 for eighth grade instruction.

Extra Period Added
Supt. Williams, in commenting on the school in general, announced that an extra period had been added to the day's activities, with the students forfeiting 30 minutes of their noon hour for a 30-minute class meeting period.

All class meetings, when necessary, can be held at 2 o'clock, not to last for more than 30 minutes, the superintendent said, in order that no regular classes will be upset. The noon breather last for only 30 minutes.

Oklahoma Lane W.M.S. Has Tour Thursday

A Community Missions tour was conducted last Thursday afternoon by the Woman's Missionary Society of the Oklahoma Lane Baptist Church.

Twelve members and one visitor met at the church at 3 o'clock for a brief business session. Final plans were made for visiting the sick. Mrs. Bill Hanna of Farwell was the first to be visited. After prayer and scripture reading, Avis Carpenter and Louise Christian sang "He Whispers Sweet Peace to Me."

Mrs. Alice Robertson, oldest member of the Oklahoma Lane church, was the next to be visited. She is a patient in a Convalescent Home in Clovis. The a-fore-mentioned program was rendered at the Home.

Old Settler Visits Bovina Last Week

One of the really old timers of Parmer County was a brief visitor at Bovina last Friday when Ed Wallace stopped off there to inquire about some of his old acquaintances.

Wallace, who is now in business at Bisbee, Ariz., says he was formerly employed as cowpoke of the old Star Ranch in the southeastern corner of Parmer, now known as the Lazbuddy community. He said he worked for the Star outfit back in 1902.

Among the old acquaintances he recalled, still residents of Parmer County, were Henry Reynolds of Bovina, and Henry Curtis of southeast of this city. He recalled that he and Curtis engaged in a slam-bang fist fight on one occasion that "lasted about 45 minutes." He adds that he and Curtis were good friends after they had settled their argument in the usual manner of rough and ready cowpunchers of that day.

FFA Has Regular Meeting Monday Night

The FFA chapter of the Farwell school held its first regular meeting of the current term on Monday evening, with business being disposed.

Robert Morton, director of agriculture, said that three new officers were named by the group, replacing those elected in the spring who are not enrolled in ag this year. Those elected were: Donald Pipkin, reporter; Phillip Cassidy, treasurer; and Wayne Morris, second vice president.

Other officers for the group include Jesse Coburn, president; Ronny Dial, first vice president; Duane Martin, secretary; Darrell Norton, sentinel; Duane Herington, parliamentarian; and Clarence Kube, historian.

Various committees required to carry on the work of the chapter are to be named this week by Coburn.

Community Assets Rated At Lions Club

Concluding a speech made recently at Lions club meeting, Rev. Thurman Harris of Portales presented the Lions with a Community appraisal card, to give the town a rating as a good community.

Nineteen ballots were cast by the Lions and rating was determined by the cross-section, Otis Huggins, boss Lion states. Perfect score was 10 and Texico-Farwell fell below the five mark in several instances.

Listed below are the requirements for a good community as given by Rev. Harris and the rating derived for Texico-Farwell, by the ballots.

1. Has civic pride and community loyalty, characterized by friendly and cooperative spirit—4.6.
2. Has cooperation and active support of its most influential citizens, feeling deep responsibility and willingly assuming community work—4.
3. Offers opportunity for comfortable standards of living for all who are honest and industrious; including good homes—6.2.
4. Emphasizes the value of good music, good reading and wholesome entertainment, providing same for all citizens—3.1.
5. Actively concerned about protecting health and providing physical safety for all; including safe milk, water, etc.—4.
6. Provides facilities for wholesome recreation for children and adults—3.5.
7. Insists on high standards of efficiency in schools, with good teachers, adequate equipment and freedom from political interference; serving children and adults—8.2.
8. Has efficient local government, honestly and competently administered, with genuine concern for community good—5.
9. Maintains churches which exercise constructive influence in the community, with religious training for all—6.6.
10. Has one or more organizations for co-operative community planning—5.

W. C. Reynolds To Explain OPS Rulings

Price Specialist W. C. Reynolds of the Lubbock district OPS office will be here next Wednesday afternoon September 19 to assist business men who handle toys, games and Christmas decorations in amending pricing charts. The deadline for filing this addition to the charts is September 29. It should be filed with the district OPS office, 1202 Texas Avenue, Lubbock, Texas.

While here, he also will assist other types of merchants who may need help or information in complying with the federal pricing regulations.

Under the co-sponsorship of the Office of Price Stabilization and Farwell Chamber of Commerce, he will maintain offices in the courthouse; but he will make personal calls on merchants if they will get the request to him.

Merchants of this area are invited to call on the OPS representative for the information they need. Present plans call for a clinic to be held here on the same day of each week throughout September.

Visitors in the Mitz Walling home are her brother, Junior Gunn of Forrest, N. M., and Miss Biddy Cast of Quay.

Miss Claudene Bridges, daughter of Mr. and Mrs. Elmer Bridges, left Tuesday for Clinton, Okla., where she will begin nurse's training.

John Christian and Gerald Norton left the first of the week for A & M College in College Station, where they are enrolled in school.

Farwell Junior and Senior Officers Given

Class officers for junior and senior classes of Farwell high school were announced this week, after regular organizational meeting by the groups.

Jesse Coburn is president of the senior class. Other officers include: Darrell Norton, vice-president; Lueta McKillip, secretary-treasurer; Rex Pool, reporter. Mr. and Mrs. Bill Foster and Mr. and Mrs. W. T. Magness were selected as room parents, and Coach Kenneth Livingston is sponsor.

Class members discussed sale of advertising for the annual, and it was reported that \$400 in ads had been sold. Staff members from the senior class are Joan Spurlin, Katherine Magness, Jackie Doshier and Charles Phillips.

Marie Gober was elected president of the junior class; assisted by Buil Dollas, vice president; Jimmy Guley, secretary-treasurer. W. M. Roberts is faculty sponsor, and Mr. and Mrs. Gober, and Mr. and Mrs. John Aldridge were named room parents.

WMU Meeting Held

Seven ladies of the Baptist WMU met at the church on Thursday afternoon for the regular Bible Study. Mrs. S. G. Billington brought the study, after which a short social hour was enjoyed.

In Roth Home

F. L. Haines and Mrs. George Woodhouse, both of Canadian, accompanied by H. L. Haines of Follette, visited in the home of Mrs. T. E. Roth, last weekend.

Class To Meet

The Companion Class of the Baptist Church is slated to hold regular meeting on Tuesday night, September 18, in the home of Mrs. Jerry Paul, beginning at 8 o'clock.

Oklahoma Lane Baptist Church News Is Given

The Sunday School attendance at the Oklahoma Lane Baptist Church last Sunday was 103.

The Young People's Sunday School class sponsored a social last Tuesday evening at the Gym in honor of the young people who are going away to college. Eugene Verner had charge of the games. Ice cream and cookies were served to ninety persons, thirteen of whom were honorees.

Eugene Verner brought an inspiring message at the prayer meeting service last Wednesday evening.

Thursday was Community Missions day for the W. M. S. Thirteen women met at the church, after which time they visited the sick.

A cordial welcome awaits you at the Oklahoma Lane Baptist church.

Cover Crop Seeding Approved Locally

Parmer County has been put on the approval list for another PMA practice, that of seeding winter legumes for cover crops, according to Joe Camp of the PMA office.

This is actually a part of the 1952 program, Camp explained, but added that such practice would have to be started during the winter months of this year.

Farmers wishing to receive prior approval for such practice are asked to visit the local office and show their receipts for purchase of planting seed. Some 15 winter legumes are included, each with a different rate of pay. The most popular in this county are hairy vetch and Austria winter peas, with the former paying 12c per pound and the latter 5c per pound.

Bobby Poteet left Wednesday for College Station, where he is enrolled at A & M.

Miss Joan Williams

Has Ice Cream Social

Miss Joan Williams was hostess to an ice cream party Sunday afternoon at the home of her parents, Mr. and Mrs. Johnnie Williams, in Farwell. The occasion was in commemoration of the birthday of Miss Jane Adams.

Ice cream and cake was served to: Joe Jones, Sonny Graham, Charlie Christian, Sonny Nann Randol, Jeanne Dudley, Jane Adams, Merle Clements, Miss Williams and her parents.

Party Planned Friday

Members of the Junior Training Union of the Baptist Church will be entertained with a party Friday night in the home of Mr. and Mrs. Luther Moss. The party is staged in honor of those who will be promoted to a different department.

Leaves for Tech

Miss Joan Williams left Monday morning for Texas Technological college in Lubbock, where she will receive her degree in January. She arrived at school early to participate in club rush week activities.

To Dallas

Mr. and Mrs. Hamlin Overstreet took their daughter, Jane Claire, to Dallas Saturday, where she enrolled in Hockaday. The Overstreets returned home Tuesday.

Dinner and Style Show Scheduled Tomorrow Evening At La Vista

Latest fall fashions will be shown tomorrow night (Friday) at the La Vista in Clovis, when Texico-Farwell Woman's club sponsors a dinner and style show. Thelma's of Clovis will present fashions in sports wear, evening wear, and daytime styles.

The show will begin at 8 o'clock (Texas time). Models will be included in the show from Clovis, Portales, Muleshoe, Bovina, Texico and Farwell.

Special music for the social function is under the direction of Mrs. Erma Jobs, and the program will be furnished by Mr. and Mrs. George Hill and Miss Jean Rogers. Commentator is Thelma Price of Clovis. Town and County Beauty shop will do hair styling for the show.

Models for the parade of fashions will include: Jean Rogers; Mildred Davis, Muleshoe; Mrs. George Hill; Nancy Aldridge, Jeanne Dudley, Merle Clements, Mrs. Kate Phillips, Mrs. Katie Ellison, Epvina; Mrs. Nina Glasscock; Mrs. C. M. Henderson, Mrs. Robert W. Anderson;

Also Mrs. Glenn D. Phillips; Mrs. Joe Helton; Mrs. Melvin Snider Jr.; Mrs. Bill Liles, Bovina; Mrs. E. G. Williams; Mrs. Agrie Jones; Mrs. Elmer Hargrove; Mrs. Ray Sudderth; Mrs. Boone Alliston, Lariat; Mrs. Buddy Jones;

Mrs. A. D. Smith, Mrs. Jerry Miller, Portales; Mrs. Elizabeth Woodley, Muleshoe; Mrs. Andrew Sutter, Clovis; Mrs. Joy Giles, Clovis; Miss Nancy Lawrence, Clovis; Mrs. O. C. Kyzer of Portales; Mrs. Clarence Christian, Miss Jane Adams, Mrs. Irene Dyer, and Mrs. G. D. Anderson Jr., Bovina.

Clovis Floral will furnish flower arrangements and corsages for the show.

Mrs. Roberts emphasizes that men are welcome to attend the fashion showing.

Rev. Hurst Attends Meeting in Roswell

Rev. Lance Hurst, local Methodist pastor who is secretary of the board of missions and church extension of the New Mexico conference, spent the first of the week in Roswell for a mid-year meeting.

Rev. Hurst says district superintendents of the conference made requests for the coming year for mission funds to build new churches.

The pastor returned home Tuesday.

Junior GA's Meet

Members of Junior GA's of the Baptist church met Thursday afternoon in the home of Mrs. John Lockhart. Regular business was conducted and girls worked on their ranking in the GA.

Attending the meeting were: Phyllis Magness, Janet Branscum, Wilma Norton, and Sue Fields.

A program will be held for the group in Mrs. Lockhart's home today (Thursday).

Mr. and Mrs. Joe J. Murphy and children, Patricia and Jimmy, of Belen, N. M., and Mrs. Joe H. Molina of Seattle, Wash. are visiting in the home of their parents, Mr. and Mrs. T. H. Richey of Texico. They will depart shortly for their respective homes.

Pink and Blue Shower Honors Two Women

Mrs. Gibert Kaltwasser and Mrs. Henry Haseloff Jr. were honorees at a double pink and blue shower held in the home of Mrs. Walter Kaltwasser Friday afternoon.

Hostesses for the occasion were Mesdames Emil Haseloff of Leveland; Mrs. Adolf Haseloff Jr.; and Mrs. Kaltwasser.

Colors for the social affair were green and yellow and the flowers used in the decorative scheme and corsages for the honorees were large yellow mums. Games were played and prizes were given.

Refreshments consisted of punch served from a miniature bassinet, individual cakes topped with a green and yellow flower; and nuts. Favors were minute plastic dolls wrapped in blankets.

Honorees were given telegrams with directions for finding the gifts, which were presented in decorated baby baskets.

Attending the shower were: Mesdames Alvin Kriegel, Henry Kriegel, Martin Kriegel, Ernest Kube, Ben Kube, Elbert Keilberg, H. Schaffer, W. Gummelt, E. Ramm, Fred Ramm, D. Gerles, Albert Ramm, W. Zock, G. P. Meissner, J. A. Kalwasser, W. Schur and daughter, Edna.

Those sending gifts were: Mesdames Albert Kube, B. Stovall, M. Kalbas, O. Lingnau, Alvin Daude, H. A. Daude, Martin Kube, and Roy Murphy.

Mrs. Porter Installed Toastmistress Prexy

Mrs. John Porter was installed as president of Clovis Toastmistress Club at a meeting held in the Green Room of the Village, Tuesday night. Mrs. Nell O'Donald of Clovis was installing officer.

Toastmistress was Louise Cox and Dorothy Forbes, topic mistress, spoke on "Are You In Favor Of Community Chests?" Rev. James, of Clovis, discussed the outlook for tomorrow.

Outgoing officers were presented corsages of yellow daisies tied with blue ribbon. A steak dinner was served to guests preceding the meeting.

Attending from Farwell were Mrs. Porter, Mrs. Lenora McDermit, and Mrs. Lura Rundell.

Mass Installation Held At Legion Zone Meeting

Representatives from all posts in the zone were present at a Legion and Auxiliary zone meeting in Dimmitt Tuesday night, where installation services for all post and zone officers were held.

Mrs. L. A. Pitt, 18th district Auxiliary president of Amarillo, and Rhea Smith, 18th district zone commander, were installing officers. Special guests were Roy Beard, 18th district adjutant; and W. H. McGregor, service officer of Lubbock.

Attending from Farwell were Mr. and Mrs. Loyde Brewer, Mr. and Mrs. Graham Thornton, Mrs. Glenn Phillips, Iris Thornton, and Joe Helton.

Brewer is the former commander and Thornton is the former zone adjutant.

Golden Circle Class Meets Monday Night

The Golden Circle Class of the Baptist Sunday School held a regular meeting on Monday evening, with Mrs. John Lockhart serving as hostess in her home.

Mrs. Mable Martin, vice president, had charge of the meeting, with the group joining in singing, following which Mrs. Lockhart conducted the devotional.

During the business session, new officers were named, including: Mrs. Murray Dial, president; Mrs. Dorothy Jack, first vice president; Mrs. Joe Reed, fellowship; Mrs. Ophelia Billington, stewardship; Mrs. Mable Martin, class ministress; Mrs. Fern Hardage, secretary; Mrs. Ona Bradshaw and Mrs. Ione Chappell, group captains.

Clothes, which the group had been making for their adopted daughter at the Portales Baptist Orphan's Home, were prepared for delivery and taken to Portales on Tuesday.

Present were Mesdames Fern Hardage, Mable Martin, Carolyn Fields, Iona Chappell, Ruth Reed, Ophelia Billington, Carrie Hardage, Eva Branscum, Clytie Dial, Mable Sharp, Nell Autry, and the hostess, Mrs. Lockhart.

Langfords To Move To Monett, Mo.

Mr. and Mrs. J. M. Langford, who have resided near Farwell for the past 31 years, are winding up their affairs preparatory to moving to Monett, Mo.

The Langfords have recently returned after purchasing a home at 1101 E. Broadway in Monett, with Langford reporting that Monett is located "in the beautiful Ozark country, 43 miles west of Springfield, Mo."

Mrs. Dewey Green, daughter of the Langfords, and family have been residents of Monett for the past 10 years, moving there from Bovina. The Langfords are retiring from active farm life, leaving their farm in charge of their son, Elmer Langford.

Visitors In Doose Home

Visiting in the home of Mr. and Mrs. John Doose last week was a brother and his wife, Mr. and Mrs. Albert Allison of Bowie, Texas, and daughter, Mr. and Mrs. Clarence Crawford of Albuquerque, N. M.; also Mr. and Mrs. Jack Booth of Abilene, Texas. Mrs. Booth is the daughter of the late T. C. Taylor, who homesteaded in Texico in 1906 across the road from Doose, Judge Taylor practiced law in Texico and Farwell.

Representatives To Associational Meet

Rev. and Mrs. C. M. Fields, D. J. Brown, Miss Evelyn Brown, and Mrs. Barney Kelley, all of the Texico Baptist church, accompanied by Rev. T. L. Pond of West Camp, were in Rosedale Tuesday.

The group was in attendance at a regular associational meeting, when the fiscal year's work was concluded for the Plains Baptist district.

Students' Taking-Off

Miss Mary Belle Aldridge, daughter of Mr. and Mrs. John Aldridge, will leave on Friday by train to continue her schooling at Stephens, in Missouri. Miss Carmen Roth has already enrolled at the University of New Mexico in Albuquerque, being taken to that city last weekend by Mr. and Mrs. Ansel Doolittle.

Meeting Announced

Mrs. A. D. Smith, of Farwell, announces that a regular meeting of the Daughters of the American Colonists will be held Saturday, Sept. 15, in the home of Mrs. John D. Brown, in Clovis. Members are asked to attend.

Visits In Amarillo

Mrs. Jess Newton went to Amarillo Saturday of last week where she visited in the home of her daughter and family, Mr. and Mrs. Orval London. The Londons returned her to Farwell, Wednesday.

Visit With Relatives

Mr. and Mrs. M. F. Parton and sons, Delbert and Claudell, and Grandma Roberts spent Sunday visiting with relatives in Sudan, Littlefield, Amherst and Lubbock.

Leaves for A & M

John C. White, son of Mr. and Mrs. Jack White of Texico, left Tuesday morning for Las Cruces, where he is a sophomore student at A & M. His major is agriculture.

On Vacation

Mr. and Mrs. Guy Cox have gone to Truth or Consequences, N. M., where they are enjoying a fall vacation outing.

Mr. and Mrs. Dick Crume, of Lubbock, visited with friends and relatives in Farwell on Sunday.

Fern Stout of Texico Schools Presents Talk to Farwell P-TA

"Do We Have Each Other" was the subject of Fern Stout, principal of schools at Texico, who spoke at the first annual meeting of Farwell Parent-Teachers Association Tuesday night.

Mrs. Jack McManigal, president, presided over the meeting and reported that the Farwell Parent-Teachers Association was given a Grade A certificate of rating for last year.

Mrs. Sterlyn Billington presented the suggestions of the planning committee in form of a motion that the P-TA contribute \$200 for new library books for the new high school.

The finance committee, headed by Mrs. Potts, presented several money-making projects for the year including sponsoring of a White Elephant auction, a home tour, a home talent show, and selling sandwiches at the home football games.

Chairmen of other committees reported to the group. Members of the association then voted to give \$2.50 to the class having the most parents at P-TA each meeting, according to percentage. The money is to be used as the class chooses. The ninth grade won Tuesday evening.

Jack Williams, superintendent of schools, proposed an insurance plan where each child may be insured going to and from school and on the playground for \$1 each.

"Mother's Viewpoint", a short skit by Mrs. Foster, Mrs. Billington, Mrs. Potts and Mrs. Snider, concluded the program.

Refreshments of lime freeze and cookies were served. Hostesses were Mesdames J. E. McManigal, S. O. Billington, H. C. Potts, Everette Christian, Tommy Hestand, John Mount, Tom Foster, W. M. Roberts, and Miss Jennie Bolton.

James Orval Francis Honored At Supper

James Orval Francis of Austin was honored with a supper at the home of his parents, Mr. and Mrs. Orval Francis Thursday night.

Served on the lawn, the meal consisted of fried chicken, potato salad and all the "trimmings", homemade ice cream, and cake. Attendees were Mr. and Mrs. Jimmie Graham, Mr. and Mrs. Elmer Howell and Charlene, Mr. and Mrs. Emmett Hob, Mr. and Mrs. Ansel Francis and girls of Clovis, Claude Francis, Mr. and Mrs. Roscoe Burris of Texico, James Scott of St. Vrain, and the Francis family.

Smiths in Tuesday From Topeka, Kan.

Judge and Mrs. A. D. Smith arrived home Tuesday from Topeka, Kan., where they had spent several days visiting relatives.

The local people report that Topeka has been hit again by heavy rains and some flooding was in evidence. The Smiths visited in the home of her sister and attended a golden wedding anniversary of her brother and wife, where a niece modeled the wedding dress worn by the honoree at her wedding, fifty years ago.

Back from California

Mrs. C. A. Cassidy and Beverly returned recently from California, where they visited her brother, A. L. Smith in Fresno; and her son, R. A., at Fort Ord. R. A. enlisted in the service two months ago. The local people traveled by bus and were gone two weeks.

Leave On Monday

Mr. and Mrs. Rudolph Renner, Mrs. Lee Renner and Mrs. Henderson left Monday morning for Truth or Consequences, New Mexico, where Mr. Renner and Mrs. Henderson will remain to take a course of the mineral water baths. Mrs. Lee Renner and Mrs. Rudolph Renner will return home shortly. The group members are from Friona.

Executive Group Meets

Executive committee of American Legion Auxiliary met Thursday night and decided to meet the first Thursday of each month. The group planned the program for the coming meeting of the organization. Subject will be "Southern Folk Songs."

From Perryton

Mr. and Mrs. W. T. North were here from Perryton during the past weekend, for a visit in the home of her parents, Mr. and Mrs. Claude Darr. The Norths formerly resided in Texico.

In Peyton Home

Mr. and Mrs. Charles E. Daniel of Altus, Okla. visited Wednesday through Sunday in the home of their daughter and family, Mr. and Mrs. N. W. Peyton.

In Crume Home

Guests in the home of Mr. and Mrs. Van K. Crume, in Farwell on Sunday evening were Mr. and Mrs. F. B. Christesson and daughter, Candace, of Portales.

Mr. and Mrs. Horace Hunter of Purcell, Okla. visited at the beginning of the week in the home of Mr. and Mrs. Ira S. Levins.

ESA Rush Season Plans Begin Monday Night

Formulation of plans for rush season began Monday night, at regular meeting of Theta Rho chapter of Epsilon Sigma Alpha, held in the home of Mrs. M. C. Roberts, educational director of the group.

Attending the meeting were Julia Symcox, Rose Bishop of Clovis, Dardanella Helton, Jeanne Dudley, Iris Thornton, Dorothy Quickel, Nell Walling, and the hostess, Mrs. Roberts.

Attendants discussed the recent style show sponsored by the club, which cleared approximately \$70. Also on the discussion agenda was a worthy community project to be undertaken by the group.

Members began plans for their yearly program and a committee consisting of Mrs. Roberts, educational director; Nell Walling, president; and Dorothy Quickel and Jeanne Dudley was selected to plan a yearbook to be submitted to the group.

It was decided to have dinner at the El Monterey preceding the next meeting, Wednesday, September 26. Regular meeting will then be held in the home of Iris Thornton.

Peytons Entertain At Ice Cream Supper

In honor of Mr. and Mrs. Audrey Jester of Ft. Sill, Oklahoma, Mr. and Mrs. N. W. Peyton entertained with an ice cream supper in their home Wednesday evening.

Jester, Corporal in the U. S. Army who has been stationed at Ft. Sill, Oklahoma, left Thursday for Camp Peterson, California, from which he will embark for the Far Eastern Theatre.

Those attending the affair were Mr. and Mrs. Howard Ellison and son of Bovina, Mr. and Mrs. Monk Horton of Clovis, Mr. and Mrs. Randolph Jester of Pleasant Hill, Mr. and Mrs. C. E. Daniel of Altus, Oklahoma, Mr. and Mrs. Audrey Jester, and Mr. and Mrs. Peyton.

Texico PTA Holds First Meeting Tonight

First Texico Parent Teachers association meeting for this year will be held tonight (Thursday) at the Texico high school, at 8:30 (CST). Mrs. Perry Crawley, president of the group, says.

Mrs. Crawley urges all patrons of the school to attend the meeting, stating that members will discuss Amendment No. 2 of the State constitution. Also the membership drive for the organization, will begin.

Mr. and Mrs. Stover Parents Of Twins

Mr. and Mrs. Bob Stover are the proud parents of twins, a boy and a girl. The boy topped the scales at 6 lbs. and 12 oz. and the girl weighed 7 lbs. They have been named Joel Wayne and Judy Marlene. The babies arrived Sunday morning, Sept. 2, and both mother and babies are doing nicely.

In Randol Home

Mr. and Mrs. J. R. Fain and son, Sam Randol, of Dallas, were here the last of the week for a visit in the home of Mrs. Fain's parents, Mr. and Mrs. Sam Randol. Fain is in medical school in Dallas, and the family returned to their home on Sunday.

With Grandmother

Miss Edna Ruth Thomas, daughter of Mr. and Mrs. Claude Thomas of Field, N. M., has been visiting in the home of her grandmother, Mrs. Albert Thomas, in Farwell. The two spent Monday in Amarillo.

WATCH OUT

For late summer and early fall colds that take all the fun out of life.

Now is a good time to stock up the family medicine chest in preparation for those sniffles!

New Homes Tour Will Be Held September 20

Sponsored by the Farwell Parent-Teacher Association, a tour of new homes in this city has been scheduled for Thursday, September 20, it is announced by Mrs. Jack McManigal.

Mrs. McManigal added today that she was not at liberty to list the new homes which would be open for inspection during the tour, since definite commitments had not been made. However, around ten homes will be included, she reported.

Tickets for the tour are being sold at \$1 per individual. Those making the tour are asked to be at the Farwell home economics building by 2 o'clock, not later than 3 o'clock, and will be guided to the various homes from that starting point.

Local ladies will act as hostesses in their own homes, and will conduct visitors through the residence.

J. H. Stones Have Guests In Home

The J. H. Stones of Texico had as their guests for dinner Sunday, Sgt. and Mrs. A. H. Jacks of Murphreesburg, Tenn., Mr. and Mrs. Ray Stone of Clovis, and Mrs. Maude Jacks of Quitaque.

Sgt. Jacks, a brother of Mrs. Stone is stationed at a Tennessee air base. He and his wife, enroute to Farwell, picked up Mrs. Jacks as they passed through Quitaque.

The three visitors were scheduled to leave the first of this week for their homes.

CARD OF THANKS

To our many friends who were so considerate of us during our recent bereavement: we take this means of expressing our very deep appreciation.

Mr. and Mrs. W. K. Cain, Jimmie and Sonny Cain, Mr. and Mrs. W. M. Cain, Mr. and Mrs. Ernest Cain, Mr. and Mrs. R. J. Cain, Mr. and Mrs. Raymond Willis, Mr. and Mrs. C. F. Gray, Mr. and Mrs. Marvin Gray, Mr. and Mrs. R. E. Mears.

Mrs. Jess Newton and Mrs. Bess Mansfield visited in the home of Mrs. Newton's daughter, Mrs. A. E. Hawkins, in Clovis Sunday.

Staff Announced For 1951 Wolverine Tale

Bobbie Williams, senior of the Texico schools, will head the staff for the school paper, "The Wolverine's Tale", for the coming year. Editor Williams has had a semester of journalism training during which time she served as grade school editor.

Jo Sondra Magerus will serve as assistant ed and is "especially suited

to this position because of her interest in English and writing," Miss Williams points out. Jo Sondra is also junior class reporter.

Position of sports editor will be filled by Pat Doshier, who has been active in sports during her high school career, and was reporter of her class during one term.

Marsha Peterson will be primary editor. "She has enjoyed working with youngsters and writing their stories during previous training," Miss Williams says.

Home economics news will be reported by Jane Moss, who is plan-

ning to be a home ec instructor. She has served as elementary editor, it has been announced. Secondary editor is Bettye Bridges, "who has taken part in all school activities," Miss Williams continues.

Both the business manager, Richard Hapke, and assistant, Yvonne Horton, have had business training. Richard is employed at the State Line Tribune and Yvonne is training to do secretarial work. Richard is also agriculture reporter, and Yvonne, pianist for the Junior High glee club is music reporter.

Mrs. N. W. Peyton, sponsor of the

Wolverine's Tale and instructor of journalism, states that staff members were chosen according to interests and abilities.

Lactation Test Finished On Brown Swiss Stock

Kenwood Jean Lee 176297, a registered Brown Swiss cow owned by Martin Fulcher, Black, Texas, has recently completed a 305 day lactation record on Herd Test of 8,994.0 lbs. milk, 4.71 per cent, 423.21 lbs. fat on two time a day milking, according to Fred S. Idtse, Secretary of The Brown Swiss Cattle Breeders' Association, Beloit, Wisconsin. The animal is 4 years 2 months old.

Leave for Abilene

Mrs. Ethel Thomas and son, Warlick, left over the weekend for Abilene. Mrs. Thomas is house mother at an Abilene Christian College dormitory, and Warlick is a student at the college.

Elect Student Council

Student Council of Farwell schools will organize some time this week, it has been announced. Mrs. Otis Prescott has been selected as sponsor of the student governing association.

The way to make your dreams come true is to wake up and get busy.

Hartley Is Chairman Of Plains District

Earl E. Hartley, Clovis lawyer and former city attorney, has accepted the chairmanship of the Plains District Boy Scouts of America, 1951 finance campaign, according to an announcement from John Campbell, Lovington, who is the campaign chairman for the Eastern New Mexico Area Council.

Hartley, along with the chairman from the other seven districts in the southeastern part of New Mexico will set up organizations to secure funds for running the scouting movement in this area for the next 12 months.

At a recent meeting in Portales the 1951-52 budget for the nine county area council was set at \$61,975.24. Finance drives will be launched in early October and running throughout the month in more than 40 different cities and towns in the council. No community has a quota in dollars but is in the plans of the scout leaders to give at least 10 per cent of the people a chance to contribute to the scouting movement.

Mr. and Mrs. Hartley have two sons, Teddy, 11 years old, who has had three years as a Cub and is now ready for Boy Scouts; Tommy aged 7 is looking forward to the time that he can be a Cub. Mrs. Hartley has been a Den Mother in Pack 30 for the past three years.

Hartley will announce other key workers in the finance drive within a few days.

The Plains District is composed of Fort Sumner, Melrose, Grady, Farwell, Texico, Bovina and Clovis.

"A SCHOOL FOR MOTHERS-IN-LAW"—Look for Fannie Hurst's common sense suggestions for turning meddlesome home-wreckers into friendly in-laws. Being a good one isn't easy, and sometimes the Trouble isn't even the mother-in-law's fault. Read it in the American Weekly, that great magazine distributed with next Sunday's Los Angeles Examiner.

For students: The Tribune, \$2 year.

BROTHER PASSES AWAY

Murray Dial left early Tuesday morning for Phoenix, Ariz. after receiving word that his brother, J. W. Dial, had passed away there after a lengthy illness. The funeral was scheduled to be held in the East Texas early this week.

FOUR ADDITIONS MADE

Rev. C. M. Fields, pastor of the local Baptist church, reported 242 attendants at Sunday School the past Sunday and an overflow crowd at church. The pastor states that four additions were made to the church. One-hundred-six persons attended training union that night.

Then there was the fellow who spent all his money to rid himself of halitosis, only to find out that his friends didn't like him anyway.

Springlake Is Host To Steers Friday P.M.

Starting a three-game series away from home, the Farwell Steers will go to Spring Lake on Friday of this week for a night clash with their erstwhile foes who are no longer in the same district.

Last year, as local fans ruefully remember, Spring Lake far outclassed the locals and proceeded to hand them a good defeat. However, Coach Tommy Hestand reported on Tuesday of this week that he understood the Lakers had sustained heavy losses via graduation last spring, and "appear to be in about the same condition we are in—short on material and experience."

Reports indicate that backfield man Watson, whom some fans will remember, is again on the Spring Lake lineup, Hestand added.

As to the Steers, things could be worse—but they could be better, too. Practice injuries have plagued the locals, with other injuries sustained in the game against the Melrose Buffaloes last week. Rex Pool will probably be out of the lineup for two weeks or more, with an injured knee, but on the cheerful side of the ledger, Donald Pipkin, who had an injured heel, and Buil Dollard, who got a gash over his eye last week, are expected to be back in the lineup this weekend.

Speaking of the team in general, Hestand reported that he had 9 boys out for workouts now, with Lynn

Carpenter due to go on the eligibility list in October, when he will have been here for one year. Carpenter, a junior, will finish the season and have one more year with the Steers.

Hestand went on to say that the team this year is being made up of four sophomores, four seniors, and three juniors, with officials deciding to keep freshmen out of regular games until they have had one year with the squad.

Looking back, the coach commented that the squad showed up very well for early-season play last Friday night, and he particularly praised the blocking of the Steers, although adding in the same breath that "they could stand improvement." The Steers this year will average only 145 pounds per man, Hestand said, with four of the regulars under 135 pounds.

Schedule Is Reviewed

At present, the remainder of the current year's schedule shapes up as follows:

Sept. 21, Vega, there.
Sept. 28, New Deal, there, conference.

Oct. 5—Anton, here, conference.
Oct. 12—Petersburg, there, conference.

Oct. 19—Happy, here, conference.
Oct. 26—Open.

Nov. 2—Friona, here, conference.
Nov. 9—Bovina, there, conference.

Starting lineup for Friday night: Left end, Jesse Coburn; left tackle, Duane Herington; left guard, Vern Pense; center, Buil Dollard; right guard, Doyle Vaughn; right tackle, Donald Pipkin; right end, Ronny

Dial; quarterback, Darrell Norton; halfbacks, Dennis Raney and Calvin Barber; fullback, Pike Jordan.

Texico Wolverines Tounce Outsiders

Texico Wolverines started their 1951 softball season Friday afternoon by trouncing the Texico Faculty and Outsiders by a large margin.

The loss of 9 seniors last year didn't seem to be a handicap for the cagers.

The faculty team was represented by Fern Stout, catcher, Monte Jones, pitcher, E. U. Scott, first base, Son Stockton, second base, Curtis Miller, shortstop, Carl Schmitt, third base, Bud Peyton, left field, J. B. Taylor, center field, George Hill, right field, and W. O. Reid, substitute catcher.

The Wolverines were represented by Kenneth Allred, catcher, Billy Goldsmith, pitcher, Paul Crooks, first base, James King, second base, Charles Ott, short stop, Arlye Crooks, third base, Kennard Harris, left field, Donal Ingram, center field; Kenneth Doolittle, float field; and Vernon Lewis, right field.

The cagers will travel to Rosedale Friday night of this week for their first scheduled game.

Whirlwinds Clash With Cowgirls

Texico Whirlwinds will be playing their first official softball game of the season Friday night of this week. Game time will be 8:30 C.S.T., when they meet the Rosedale Cowgirls on the Rosedale diamond.

Fern Stout, coach, reported today that the tilt will be one of the toughest for the Whirlwinds this season as Rosedale only lost two girls from their squad last year. The Cowgirls won the county tourney last season, although the Texico squad beat them in conference play.

The Whirlwinds replacements of last year are proving good and will be able to handle the job before the season is over. The cagers should be stronger this year in few of the fact there are more girls with more experience this year.

School Teams Play Softball Contest

Texico students tried out their softball wares on each other the past Friday, when the girls' team,

DOVE SEASON IS HERE

Yes, dove season is here again, and as you nimrods take to the fields, we remind you to stop in for practically any size ammunition you might be using. We stock shotgun shells from .410 to 12 gauge.

ROSE DRUG & GIFT SHOP

Farwell, Texas.

officially known as the Whirlwinds, contested the junior boys and took the match, 6-1 after leading all the way.

On the mound for the winners was Marsha Peterson, with Pat Dasher handling the job of catching, while Rodney Powell pitched an excellent game for the junior boys, with his battery mate being Allen Kelly.

A few of the sophomore girls included on the team, and made a good showing for themselves. In this group were Roxie Henson, shortstop; Aloma Palmateer, center field; and Catherine Bell, left field.

Other girls taking part included Esther McDaniel, first base, Margie Reid, second base, June Breeze, third base; Neva Sparks, floating fielder; and Anita Brown, right field.

Mrs. J. F. Parton, who has been visiting her daughter in Phoenix, Arizona, returned here last week for a visit in the home of her son, M. F. Parton.

Mr. and Mrs. John Lockhart and family were dinner guests in the home of Mr. and Mrs. Jack White in Clovis Sunday.

Yearlings Set to Go, But Schedule Isn't

The Farwell Junior High Yearlings are ready and rarin' to go this season, says Coach Shelby Jobs, but the team is having schedule trouble. To date, only three games are filled in on the 1951 schedule.

Two of these have been set with Bovina, at home and away. The other is a road game with Morton. "I hope to get other games, of course," said Jobs, "but right now the schedule is incomplete."

Bovina will come here for the season opener Friday night.

He listed as possibles a return match with Morton here, two games with Amherst, and games with Vega. However, the distance of Vega may scratch out plans for contests.

"The team is shaping up well," says Coach Jobs optimistically. "We're still on fundamentals like blocking and running timing plays, but have the best line interference we've seen in a long time."

The coach earmarked Branscum and Norton for their downfield blocking, and Pool and Hardage for blocking in the backfield.

"We've got some pretty fast backs this year, too," he said, naming Geries, Watts, Christian, Pool, Hardage, Smith, and Foster.

"Two young backs, Jack and Venable, are coming along well. Also, two young tackles, Hammonds and Owens, are showing up fine, too."

The coach predicted that other boys who are as yet inexperienced also will be making names for themselves as the season progresses.

Included on the squad roster are H. R. Billingsley, end; Deon Branscum, tackle; Phillip Crume, guard; Robbie Foster, back; Don Geries, back; Gene Hardage, back; Lavon Jones, tackle-guard; Don Pool, back; Jerry Poteet, end; James Roberts, end; Ed Rolland, guard; Pudge Rose, tackle; Billy Watts, back; Jesse Meeks, guard-center;

Eddie Smith, back; Dan Hammonds, tackle; Gerald Hardage, end; Troy Christian, back; Dennis Jesko, guard; Don Utsman, center; James Norton, guard; Truitt Hardage, end; Bert Williams, guard; Jerry Williams, tackle; Jerry Dee Owens, tackle; Jerry Venable, back;

Donnie Carpenter, back; Douglas Hillock, tackle; David Willard, end; Duane White, guard; Rolland Hillock, back; J. T. Jack, back; John McCuan, end; John Herington, guard; Johnnie Williams, end; M. D. Lovvorn, tackle; Harvey Lesly, guard.

Bovina Happenings

By JEANNE KERBY

School Enrollment Is Smaller at Bovina

Supt. W. H. Willoughby announced Monday that school will be dismissed a half day on Friday, Sept. 14th, so the children may attend the Parmer County Fair at Friona.

The school cafeteria has opened this year with facilities for serving 250 meals daily and according to reports, is one of the most modern in this section of the country.

The state allows the school cafeterias to serve grade A B and C meals and the local one serves only grade A which includes protein and milk. The school is reimbursed 7c for each meal and also receives commodities from the federal government.

This year, they will receive canned fruits, dried eggs, dried milk and some canned fruit juices. Prices for the meals this year are 30c for junior and high school students and 25c for the grade school children.

Enrollment Tabulations
Final tabulations on the enrollment for the year have not been completed, but at the present time, it looks as if it will drop below last

year. There have been sixteen seniors, twelve juniors, 28 sophomores and fourteen freshmen enrolled with a total of sixty-nine in High School compared with 84 for last year. The number of six-year-olds has also dropped.

Under new bus regulations, the school board has set up a system of buying one new school bus each year. This year two busses have been purchased to off-set the years that none were bought. These busses are now at the school bus receiving station at New Boston, Texas and plans are being made to bring them to Bovina soon.

In addition to the new busses, the old busses have been reconditioned and are in good shape. It is hoped these will carry them through the school year without any major repairs, Supt. Willoughby says.

Several of the classes and organizations at the school have elected their officers for the coming year. The others will be elected in the near future. Those who have been elected include the Yucca Staff—Editor, Larry Berry, Typist, Roy Young, Printer, Mark Charles; and Reporters, Yvonne Moody and Cathryn Jefferson.

Senior Class officers are: Charles Verner, president, Tiny Walling, vice-president; Clara Derrick, secretary-treasurer; and Yvonne Moody, reporter.

Junior Class officers are: Jerry Ellison, president; Carolyn Wilson, vice-president, Rex Isham, secretary-treasurer, Cathryn Jefferson, reporter; and Margie Leake, student council.

Miss Grace Paul spent the weekend visiting with her sister and father at Lazbuddy.

4-H Boy Back from Utah

(Editor's Note: Jamie Tidenberg, Bovina 4-H club member, returned recently from a tour sponsored by Progressive Grain Co-operative. Printed below is the story of the trip as Jamie tells it.)

On Wednesday night, August 22, there were fifteen 4-H members from all over the state gathered at the Herring Hotel in Amarillo. After we had gotten acquainted with one another, we were entertained with a banquet there in the hotel. Speeches were given by some men of the Co-operative and we became acquainted with some of the co-op employees who were also at the banquet.

After an enjoyable time together, we retired to our beds because we knew we would have a hard day on Thursday.

It was an enthusiastic group that waited in the lobby of the hotel bright and early Thursday morning. It wasn't long till we were ready to board the chartered bus that was to carry us on our long journey. As we left that morning, there were 24 on the bus in all. That day we went into Colorado, where we visited Royal Gorge and went on to Salida, Colorado where we spent the night.

Next morning, Friday, we drove on through Colorado and spent the night in Provo, Utah. We went over the Monarch Pass between Salida and Gunnison, Colorado.

Saturday we drove on into Salt Lake City, which was about 75 miles from where we spent the night. We went to the Poultry Co-op in Salt Lake City and saw how the turkey was processed, starting at the very first and going on till it was finished. This was very interesting.

We then went out to the great Salt Lake where we went swimming. We couldn't sink because the water was 54 per cent salt. We enjoyed this very much.

Next we went back to Salt Lake

JAMIE TIDENBERG

City to the Temple Square. We attended an organ recital in the great Norman Tabernacle. The huge organ and the beautiful grounds around the tabernacle and temple there on the square were fascinating. We left the city after we had driven around. We went by the Capital of

Utah and other places of interest in the city.

We arrived in Ogden, Utah about 4:00 P. M. and went directly to the co-op elevator where we saw something many of us had never seen before. We saw a box car full of wheat unloaded by a powerful mechanism powered by electricity. This could be done in four minutes.

That night the co-op entertained us with a picnic in beautiful Ogden Canyon a few miles out of Ogden. This we all enjoyed and appreciated. We spent the night in a motor court in Ogden.

The next morning, which was Sunday, we drove on to Logan, Utah where we went to church in a group. We then had a wonderful turkey dinner in one of the cafes in Logan.

We were to be in Logan until Wednesday morning and were to be guests on the State Agricultural College campus. That afternoon, we went on to the college and were registered. The American Institute of Co-operatives was to be in session there and would have representatives from many other states.

Monday morning we heard speeches by men from many different states. We had dinner in the College Cafeteria and met young people from many other states. There was a total of 29 states represented at the convention.

Tuesday morning, there was to be a program presented with a different group taking part. As our part of the program, we sang a song. We were glad that we were able to have a part in the program for the convention.

That night we were entertained with a picnic and barbecue in Logan Canyon. This we enjoyed very much. This was to be out last night on the campus of the Utah State College.

Wednesday morning we left the campus early. We were going farther north. We had a beautiful drive around Bear Lake in northern Utah. We came across the southern corner of Wyoming and down back into Colorado. We spent that night in a

small town about 100 miles from Denver.

Thursday morning we drove on into Denver. This was the most beautiful drive of the entire trip. At one time that morning we were 11,000 ft. high and the temperature was 30 degrees. This was really a change for us.

We visited the museum in Denver which is "really some museum". It contains three floors of things of historical background. That night the group stayed in Colorado Springs.

We left early the next morning for home. We had a wonderful trip, but most of us were ready to go home. We arrived in Amarillo that night and started towards our separate homes.

The trip was sponsored by the Progressive Grain Co-operative and the ones to receive the trip were chosen by their records in 4-H work.

TWO SONS HOSPITALIZED

Mrs. Lucy Chambliss and her son-in-law, Herman Estes, went to Ft. Worth over the weekend. Mrs. Chambliss went to see her two sons who are hospitalized in Ft. Worth. Her son, Dale, is suffering a light case of polio. Bill, who is a line-man, fell from a 30-foot pole breaking his leg and some bones in his foot. Both boys are reported as doing as well as could be expected.

Mrs. Warren Queen and children accompanied them to Ft. Worth to visit with her daughter, Mrs. Louise Richardson.

WOUNDED IN ACTION

Mr. and Mrs. J. I. Gober received word this week that their son, Scottie, who has been serving in Korea has been wounded in action. He was to be shipped to a hospital in Tokyo and when able, he will be sent back to the States.

Mr. and Mrs. E. A. Hammonds are the owners of a pretty new white car.

Mustangs Preparing For Season Opener

The Bovina Mustangs will open their football season Friday night at 8:00 P. M. when they meet the Melrose Buffaloes on the local gridiron. This will be their first regular eleven man game. They have been working hard and are in pretty good shape and have been practicing numerous plays.

Coach Ratliff gave the following boys that will probably be on the starting line-up: Centers, Jerry Ellison, 45 lbs., and Giles Walling, 132 lbs.; Guards, Rex Isham, 235 lbs., and Charles Verner, 138 lbs.; Tackles, Sam Sudderth 258 lbs., and Jamie Tidenberg, 165 lbs.; Ends, Danny Pounds, 156 lbs., and Densil Young, 154 lbs.; Backs, Glenn Hromas, 153 lbs., Leon Ware, 140 lbs.; Stanley Venable, 162 lbs.; Huey Lowery, Bob Burnett 143 lbs.; and Oakley Stevenson, 136 lbs.

Coaches Ellison and Bradley of Melrose listed the following boys for their starting line-up. Left end, Daly 155 lbs.; left tackle, Bolin, 207 lbs.; left guard, Smith, 140 lbs.; Center, Jones, 145 lbs.; right guard, Bradley, 146 lbs.; right tackle, Stewart, 155 lbs.; right end, Cockrell, 185 lbs.; quarterback, Widner, 121 lbs.; Full back, Barron, 174 lbs.; half backs, Widner, D., 145 lbs.; and Blasingame, 180 lbs. The subs are Keith Baten and G. E. Free of Bovina.

This will make an average for the Bovina line about 176 lbs. to the Buffaloes 162. The Buffaloes will be a little stronger in the backfield with an average of 155 lbs. and the Mustangs at about 150 lbs. This should be a pretty evenly matched game.

Everyone come on out to the football field Friday night and see a good game and back the Mustangs.

Mr. and Mrs. J. T. Hammonds and daughter visited in Brownfield, Texas on Sunday with Mrs. Hammonds' parents, Mr. and Mrs. J. N. Hester. Also in their home were Mrs. Hammonds sister, Mrs. Lily Anderson and son of Pampa, and her brother and family, Mr. and Mrs. Neyland Hester and children of Dallas.

Mr. and Mrs. Marion Carson and three sons spent Sunday in Odessa, Texas.

BOVINA BAPTIST CHURCH NEWS

M. D. Durham Pastor

OPPORTUNITIES FOR SERVICE

Sunday School	9:45
Morning Service	11:00
Training Union	7:30
Evening Worship	8:30
W.M.U. Wednesday	2:30
Prayer Meeting Wednesday	8:00

Three people were added to the church in the service last Sunday morning. This makes a total of 37 additions in the last seven months. The ordinance of Baptism was observed in the Evening service.

Last Sunday's attendance record was Sunday School, 130, Morning worship, 172, Training Union, 67, Evening worship, 135.

Plans are being made to organize a Royal Ambassador chapter. The church is interested in the young people, and is striving to give them every advantage possible. This organization will be headed by one of the laymen.

The young people had charge of the Training Union assembly program last Sunday evening. The theme of the program was "Prayer". Several scriptures were read concerning prayer, and J. D. Kelly closed the program with an inspirational talk on prayer. The intermediates will have charge of the assembly next Sunday evening.

The Sunday School secretary reports that the Sunday school is advancing in every phase of its work over last year. Every point of the six-point record system was increased in the month of August over last year. The superintendent has his plans completed for promotion day on the 30th of September. There will be several promotions in the Sunday School.

The doors of the Bovina Baptist church are always open to those who desire to attend its services.

Mr. and Mrs. Andy Moorman and Dorothy, and Mrs. Lawrence Rhodes and Randy and Mr. and Mrs. Eual Hart visited with friends in Claude, Texas on Saturday.

Dinner guests in the Buck Ellison home on Sunday were Mr. and Mrs. Frank Ayres, Mrs. C. W. Grissom, Mr. and Mrs. Howard Ellison and Mickey, and Mrs. Maude Rury.

Many Band Activities Are Planned for Year

The band for the Bovina school is making great plans for this year it has been announced. Keith Baten, instructor, said they had about 37 members and he is hoping they will be able to interest more students in band.

Officers have been elected for the coming year. Don Owens will serve as president with Mark Charles as vice-president, Lula Belle Childers, secretary-treasurer, and Margie Leake and Donna Smith, reporters.

The new band suits have arrived, and are maroon trimmed with white.

First activity the band has planned, is a pep rally for Thursday night preceding the opening of the football season on Friday night. The Pep Club will aid with the rally and plans include a snake dance through town.

Friday afternoon the band will march in the parade in Friona opening the Parmer County Fair. The band has also been invited to march in the parade in Amarillo on Sept. 24th in connection with the Tri-State Fair.

The band and Pep Club will present half-time activities on Friday night at the football game.

Mr. and Mrs. A. G. White and Mr. and Mrs. Byron Turner were hosts Sunday for a dinner with Mr. and Mrs. Dudley Stout, Royal and Martha, Danna, Betty and Gary Turner, Mr. and Mrs. Charles Goodnight and Paul, and Mrs. Lawrence Rhodes and Randy as guests.

Mr. and Mrs. Thurman Chandler and son of Broadview, New Mexico visited with her parents, Mr. and Mrs. Lee Thompson on Sunday.

Dorcas Circle Meets In Richards Home

The Dorcas Circle of the Methodist Church met on Wednesday in the home of Mrs. Earl Richards. They attended the morning services for the revival at the Methodist Church and went to the home of Mrs. Richards where they enjoyed a covered dish luncheon at the noon hour.

Mrs. Lloyd Battey gave the devotional using as her subject "Bearing the Cross". Mrs. John Wilson had charge of the lesson.

Members present were Mrs. Lewis Pesch, Mrs. John Wilson, Mrs. Frank Wilson, Mrs. T. J. Hoppingardner, Mrs. Pat Kunselman and Ricky, Mrs. Marvin Threlkeld, Mrs. Lloyd Battey, Mrs. Mable Newberry and the hostess.

The next meeting will be held in the home of Mrs. Mable Newberry, Oct. 3rd.

Mr. and Mrs. Lloyd Killough and sons of Dimmitt, Texas visited Sunday in the home of Mr. and Mrs. E. D. Ashcraft. Mrs. E. H. Moody is on the sick list this week.

Mrs. Liles Selected As Auxiliary President

The American Legion Auxiliary met on Monday night, Sept. 3 at the Legion Hall. Election of officers was held.

Mrs. W. L. Liles will be president for the coming year. Other officers include Mrs. Ernest Woelfel 1st vice-president, Mrs. Harry J. Charles, 2nd vice-president, Mrs. Billie Sudderth, secretary-treasurer, Mrs. Marion Carson, Sgt-at-arms; Mrs. Elton Venable, Chaplain; and Mrs. Mabel Newberry, Historian.

The officers were to be installed at a joint meeting at Dimmitt Tuesday when all the district officers were installed jointly.

Following the business session, the Auxiliary and the Legion enjoyed a joint social hour.

Mr. J. I. Rury of Fletcher, Oklahoma visited Wednesday night with his sister and husband, Mr. and Mrs. A. G. White.

Mr. and Mrs. Lester Rhinehart and Sandra went to Amarillo recently to visit with Mrs. Rhinehart's sister, Mrs. M. O. Lee, of Houston, Texas who was visiting in Amarillo.

Have Officers Meeting

Mrs. W. L. Liles, president of the Legion Auxiliary had a called meeting of the officers on Monday night at the Legion Hall. They laid plans for opening a membership campaign.

The president named the committees for the coming year and the three outstanding members were elected to serve on the Executive Board. They were Mrs. Fred Langer, Mrs. Art Mast and Mrs. Frank Smith.

Vega Longhorns To Play Here Friday

The Vega Longhorns will furnish competition for the Friona Chiefs on Friday night of this week, when local fans get their first opportunity to see the Chiefs in action on the home gridiron.

As to what may be expected at the meeting, Coach Raymond Cook said on Monday that he had no information on the Vega team, adding that they had not yet been in action. The Chiefs, on the other hand, scalped the Spring Lake squad last weekend in opening the season.

The local line suffered very little through graduation last year, with Coach Cook reporting six out of the seven linemen as returnees, while the backfield is also composed principally of experienced men. Some 28 students are turning out for practice.

Tentatively, Coach Cook sets his lineup for Friday night as follows: Center, Max Cruse; right guard, Max Wells; left guard, Virgil Phipps (the solitary freshman); right tackle, Walter Haws; left tackle, Doyce Barnett; right end, Ross Miller; left end, Frankie Allen; quarterback, Darrell Robbins; fullback, Frank Reed; left halfback, Jay Cobb; right halfback, D. O. Robason. Incidentally, with the exception of the two ends, all linemen hit the 170-pound mark on the scales. The backfield runs in the 135-145 average.

Vega's probable lineup will include: center, Bud Cotton; guards, Don Ferguson and B. R. Wilson; tackles, Johnny Van Meter and Jon Cooper Wimberley; ends, Don Harwell and Dave Davidson; quarterback, Phil Price; halfback, Harold Dillehay and Lawrence Jones; fullback, Gerald Sides.

With changes being made in the interscholastic league this year, Vega is no longer a conference opponent, nor was the Spring Lake team. The remainder of the schedule, as it is at present, follows:

- September 21—Open.
- September 28—Anton, there, conference.
- October 5—Petersburg, here, conference.
- October 12—Happy, there, conference.
- October 19—Hereford, here.
- October 26—Bovina, here, conference.
- November 2—Farwell, there, conference.
- November 9—New Deal, here, conference.

Officials for the Friday night contest will be Cecil Massey, umpire; Otto Mangold, head linesman; and Oscar Hinger, referee. Game time is 8 o'clock.

Blackburns In Car Accident In Okla.

Mr. and Mrs. Johnny Blackburn and daughter were involved in a car accident between Lawton and Duncan, Oklahoma, on Sunday evening, it is reported here.

Mrs. Blackburn suffered a broken arm, while her husband received only minor abrasions and bruises and the youngster was not injured. The Blackburns, enroute to Alabama, had planned to spend the first night of their vacation outing with his brother, Keith, and family, in Duncan, having left their home in Friona on Sunday morning.

Reports here from Keith Blackburn were to the effect that the car driven by John had topped a rise on the road only to face a car coming out of a sideroad, driven by an elderly couple. The two vehicles collided and extensive damage was sustained by both automobiles. Keith did not report, in his telephone conversation, whether the other couple involved sustained injuries.

New Arrivals

Recent arrivals at the Parmer County Community Hospital include:

- A daughter, Ethel Irene, born to Mr. and Mrs. J. A. Bowery of Raymondville, Texas, on September 3rd, weighing 6 pounds, 2 ounces;
- A son, Joe, born to Mr. and Mrs. Jose Chavez of Black, on September 3rd, weighing 7 pounds, 12 ounces;
- A daughter, Carlene Kay, born to Mr. and Mrs. Carl Greeson of Black, on September 6th, weighing 7 pounds, 3 ounces.

Friona Chiefs Take First Gridiron Game

The Friona Chiefs got off to a good start on their 1951 season the past Friday night, by playing an excellent defensive game and cashing in on one touchdown opportunity to defeat the Spring Lake eleven on that field, 6-0.

Jay Cobb set up the only score of the game when he took the ball just inside midfield on fourth down for the Chiefs, and with six yards to go, unreeled a total of 21. Darrell Robbins, quarterback, swept end to the promised land, but the try for conversion was unsuccessful.

Coach Raymond Cook, in speaking of the game, paid especial praise to the defensive work of his squad, while adding ruefully that the team did not yet have the offensive punch necessary to follow up their chances to score. Five penetrations were chalked up by the Chiefs during the game.

Classes Are Started, Enrollment Is Up

Classes for the 1951-52 school term began at Friona on Wednesday of last week, with registration for both grade and high school students being held on Tuesday, September 4th.

Supt. Dalton Caffey reported at the first of the present week that a total of 526 students were registered for the current term, with the majority being in the grammar school. Around 165 are classed in the upper five grades of the school, he estimated on Monday.

With classwork being slightly hampered by lack of space, the superintendent said however, that "things are going nicely", and indicated that the various temporary arrangements now in force would be changed around the middle of September, when some groups will move into a new building now in the process of construction.

This building, incidentally, will be another "temporary" home for the high school students, who were dispossessed from their building by fire shortly after the close of school in May, and when construction is finally complete on the campus the students will return to a new high school and the other building will be turned into a top-notch new cafeteria to serve the school.

No Contract Yet
As to the new high school, Supt. Caffey reported that six bids were opened by school officials on Thursday evening of last week, but added that none of them proved acceptable, due to the amount involved.

"We're doing some re-figuring and hope to be able to let a contract in the near future," he told a reporter, adding that the contractors "want the job, but on their first bid they just didn't want it badly enough."

FBI Representative Speaks To Lions

Carl C. Perriman, a member of the Federal Bureau of Investigation office in Amarillo, was the guest speaker at the Friona Lions Club meeting, held on Thursday evening of last week.

Perriman gave a short background history of the FBI, and then recounted two cases with which he was familiar, in outlining the operations of the Bureau. In closing, he admonished the group to "go with your children to Sunday School", adding that in his experience as an FBI worker he seldom encountered a delinquent who had received spiritual training in early life.

Some forty-four Lions were present to hear the speaker, and a short business session pertaining to the local fair which opens today (Thursday) was handled before the speaker was presented.

WMU Circles Meet At Baptist Church

Regular meetings for both circles of the Baptist Women's Missionary Union were held at the church on Tuesday afternoon.

Mrs. Wesley Hardesty conducted the Bible study for the Ruth circle, while Mrs. Russell Pogue had the same assignment for the Kimbrough group.

Heavy Showers Fall Over Area on Friday

Heavy, soaking showers, followed by cool weather, brought welcome relief from the heat in this area during the past weekend, with the rains being received on Friday evening and night.

The local official gauge in downtown Friona showed a total of .68 of precipitation, with most of it falling slowly enough that the moisture was absorbed by the thirsty ground and very little went as runoff waste.

On all sides of town, reports indicated that from half an inch upwards was received, giving the overabundant feed and cotton crops additional incentive toward a huge harvest.

Scout Council Lays Plans On Friday

Members of the local Girl Scout Council met the past Friday in the home of Mrs. Granville McFarland, laying plans for the coming year and electing Mrs. Ralph Wilson as chairman, with Mrs. McFarland as vice chairman.

First business was making arrangements for the annual hot dog sale, to be held at the Parmer County fair in Friona this weekend.

The group discussed beginning of meetings, to start around October 1 after a summer vacation, and indications are that Friona will have six, or possibly seven troops of Girl Scouts this year, Mrs. McFarland reported. A troop numbers from 10 to 25 youngsters, with one adult leader available locally for every five girls, she added.

Dr. Wright Opens Office In Friona

Dr. J. R. Wright, Naturepathic physician, will open his office in Friona the early part of next week, according to present plans, with the building formerly occupied by the Friona Bakery being revamped for his quarters.

The Wrights come to Friona from Plainview, where Dr. Wright has been practicing. The physician has been engaged in his profession for 21 years.

In the family are Mrs. Wright and sons, Richard, 16, and Charles, 15, all of whom have taken up residence in Friona. The couple also has another son, at present serving in the Army.

Weekend Revival To Come In September

In conjunction with a simultaneous effort in all Texas Baptist churches to conclude their evangelistic drive for the summer, a weekend revival is planned for the First Baptist Church in Friona.

Dates for the special campaign are September 21, 22, and 23, it was announced by church officials, who added that at their request the local pastor, Rev. Russell Pogue, will be in the pulpit for the messages.

Further information on the short-term revival, concerning hours of worship, will be announced next week, and all residents of the community are invited to take part.

BRINGS IN PEACHES

E. E. Kuykendall made a business trip to Farmington, New Mexico, over the weekend, returning here on Tuesday with a truck load of peaches which were sold to local residents for canning and freezing.

Tierra Blanca Baptists Will Meet In Canyon

All churches of the Tierra Blanca Baptist Association are expected to be represented at Canyon on Thursday of this week, when the annual associational meeting is held.

Rev. Russell Pogue, local pastor, said on Monday that he and his family planned to attend the all-day meeting, and that it was likely that other members of the Friona church would also be present.

SCHOOL OUT FRIDAY

There will be no school at Friona on Friday of this week, as officials ruled to dismiss classes in order that students might attend the Parmer County fair, which opens here on Thursday afternoon. Regular classes will be resumed on Monday of next week.

Marca Lynn Massey Has 6th Birthday

Marca Lynn Massey celebrated her sixth birthday the past Friday, September 7th, when she entertained a number of young friends in the home of her parents, Mr. and Mrs. Merle Massey, north of town.

The youngsters enjoyed games during the afternoon, at the conclusion of which they were served individual cupcakes iced in pastel shades and ice cream. Favors included balloons, balls and bats.

Present were Danny and Joe Murphy, Linda Kay and Joe Bob Johnson, Joe Taylor, Karen Sue and Joel Osborn, Judy and Beth Crume, Darrell Anthony, Sharon Reeve; Mrs. Curtis Murphy, Mrs. Ernest Osborn, Mrs. Herschel Johnson and Mrs. Vance Crume, all of Friona; and Mr. and Mrs. J. D. Massey, grandparents of the young honoree, from Claude, Texas.

Modern Study Club Has First Meeting

The Modern Study Club held its first meeting of the fiscal year last Tuesday, September 5th, at the club house, with Mrs. Lilah Gaye Gee, president, in charge.

Mrs. Gee spoke briefly on "Looking Ahead" as pertaining to the club work of the year, and introduced the various program chairmen, who in turn outlined various details of their work. Chairmen included Mrs. Katherine Blackburn, program; Mrs. Cornelia Kelley, finance; Mrs. Lorraine Welch, community service; Mrs. Ethel Ruth Spring, club house; Mrs. Dessie Mae Beane, social; Miss Lola Goodwine, Lions Club; Mrs. Orma Flippin, membership and courtesy; Mrs. Allo Reeve, youth conservation; Mrs. Grace Whitefield, home arts (Parmer County fair); and Mrs. Jane Williams, federated counselor. Mrs. Ray Reeve is in charge of music, with Mrs. Eva Miller as pianist. New yearbooks for the club were distributed at the meeting by Mrs. Blackburn, and Mrs. Reeve lead in group singing.

Highlight of the meeting was a review of the trip to Lions International in Atlantic City by Mrs. Rea Foster, which she and her husband made in May of this year.

Hostesses were Mrs. Jane Williams and Mrs. Tom Lewis, and thirty-four members and two guests were present, the guests being Mrs. Billy Joe Brown of Midland, and Mrs. Rex Johnston of Commerce.

Special Program Will Be Given On Friday

Concluding the yearly Mary Hill Davis observance, a special missionary program will be held by the local WMU of the Baptist Church on Friday of this week, beginning at the church at 2:30 in the afternoon.

Mrs. Joe Talley is in charge of the program, which will detail missionary work in the state, with the offering this year going to the support of city missions, it is reported.

All women of the church, whether or not they are regular attendants of the WMU are invited to be on hand for this meeting.

FRIONA YOUNG PEOPLE PACK SUITCASES AS THEY PREPARE TO LEAVE FOR COLLEGES

Prospective doctors, teachers, veterinarians, nurses, pastors and others have been packing suitcases during the past few days, as the yearly exodus of local young people headed for institutions of higher learning comes again.

A total of 31 young people will be entered in colleges and universities from Friona this year, with the majority of them choosing schools in Texas, a survey the first of this week revealed.

To Texas Technological College at Lubbock will go a good hunk of local talent, as some of the group enrolls for the first time while others are picking up their work where they left it last spring when vacation began. Included on the Tech list are Harold Joe Wells, Roy V. and Mary Lou Biller, Tim Magness, Dorothy Nell Guinn, Murna Welch Miller, John Smith, Lavon Rogers, and Keith Brock.

West Texas State at Canyon also gets the nod, with prospective students being Viddian Weis, Wanda Robason, Helen Nita and Alice Ruth Carr, Martha Blankenship, and Steve Messenger. Ray Nell Foster and Vera Ann Jones will both enroll at North Texas at Denton, with Ray Nell going as a sophomore transfer from Tech while Vera Ann opens her college work this year.

One student is listed for Southern Methodist University at Dallas, in the person of Lunell McFarland, a graduate the past spring of Stephens in Missouri; five are listed for Texas A & M, Charles Osborn, Wayne and Kenneth Bainum, Jimmie Gore and J. Vonne Fulk.

Two would-be doctors will be at the University of Texas medical school in Galveston, with Lee Spring in his final training and Lee Cranfill just entering the school after work at Texas University. Also in the same category is Ruby Shafter, who is beginning her training toward an RN at Vanderbilt, in Nashville, Tenn., a school especially for doctors and nurses. Miss Tila Rue Day is continuing her nurse training at Northwest Texas, in Amarillo.

To Texas University will go Joe Allen Osborn, while Tommy Lacey will return to Hardin-Simmons University at Abilene, and Robert Lacey will continue his training at Southwestern Seminary, in Fort Worth. June Shulk has enrolled in a business school in Amarillo.

Fall Meetings Are Resumed Tuesday

Fall and winter meetings of the WSCS of the Methodist Church were resumed on Tuesday, when members gathered at the church to sort and pack clothing to be sent to the community service center at Robstown, Texas, and then concluded their gathering with a program.

Mrs. Willard Stewart had charge of the monthly program. Theme of the September meetings will be "The Earth is The Lord's". Mrs. J. T. Gee and Mrs. Opal Jones assisted in presenting the program, with Mrs. Jake Lamb in charge of the meditation.

Homemakers Class Has Social On Thursday

Mrs. Clyde Sherrieb and Mrs. Ray White served as co-hostesses the past Thursday night, when the Homemakers Class of the Baptist Sunday School enjoyed a social in the home of Mrs. Sherrieb, northeast of town.

At the conclusion of the evening, refreshments were served to Mesdames Claude Miller, Joe Talley, Calvin Talley, Joe S. Menefee, Ralph Smith, Wallace Rogers, Wesley Hardesty, James Tarpley, James Terrell, Leonard Haws, W. S. Crow, and the hostess.

Visit In Clovis

Mr. and Mrs. Emmet Day of Friona and their daughter, Miss Tila Rue, who is in nurse's training at Northwest Texas Hospital in Amarillo, were dinner guests in the home of Mr. and Mrs. Marvin Glidwell, Clovis, on Friday evening.

CALF ROPING SUNDAY

Calf roping will be held at the Seamonds place east of Friona on Saturday afternoon, September 15th, at 3 o'clock, it has been announced. A special attraction of the afternoon will be the appearance of the dancing horse troop, from Hereford.

Reception Is Held On Sunday Night

The Congregationalist's reception for the teachers was an even bigger and better success than ever Sunday night. The lower floor was packed to the doors. Every dish, every glass was used and all the silverware and all the other ware that wasn't silver but took the place of it and some brought over from the manse. The feed was "sumptuous", according to the guests.

The pastor, the Rev. George E. Meyer, introduced the guests, bade them welcome and turned the well laden tables over to them.

The program upstairs, i.e. in the sanctuary included a devotional service, the reading of the Ten Commandments with junior choir response of the "Kyrie Eleison", special by the orchestra, hymn singing and a prayer Dedication of the picture "A Wonderful Life." The orchestra played two numbers early in the program held downstairs. The picture was well received and pronounced a most excellent one with a great lesson to teach. Cecil Robison operated the machine.

Following the presentation of the picture as the congregation stood in the darkened room a closing prayer with benediction was given by the pastor. This is an annual affair with the Congregationalists, and both hosts and guests are looking forward to next year's reception which is as usual to be held the evening of the second Sunday in September.

Departing Students Honored, Thursday

The young people's department of the Baptist Sunday School entertained on Thursday evening of last week, honoring local students who plan to take up their work for a higher education in the near future.

The social was held in the home of Mr. and Mrs. Claude Osborn, near Friona, with some thirty prospective students and adults on hand. Refreshments were served at the conclusion of the evening.

To San Francisco

In company with dealers from over this area, Bud Crump departed Saturday for El Paso, Texas, where the group boarded a plane for San Francisco to visit the Byron-Jackson Pump Company plant, in the California city. The trip is sponsored by the pump company, with the men returning via plane to El Paso on Tuesday.

Past Matrons Club Meets on Friday

The Kinsley Past Matrons Club met the past Friday in the lovely country home of Mrs. Bev Buchanan, with the ladies gathering for a regular session at 2:30.

At the conclusion of a business meeting and social hour, ice cream and cake was served to Mesdames Martha Russell, Pearl Kinsley, Ed Boggess, J. T. Guinn and Opal Buchanan.

Visiting Here

Mrs. Barrett, former local resident who has recently moved to Odell, Texas, has been visiting with Mrs. Rosa Anderson and other friends and relatives in this area.

Visit In Memphis

Mrs. Bud Crump and children spent the weekend in Memphis, visiting with relatives and friends, while Mr. Crump was on a trip to San Francisco.

Half-Century Club Has Installation

The Half Century Club held the first regular meeting of the year on Thursday afternoon when they met at the La Vista in Clovis for a luncheon and installation service.

The president, Mrs. Howard Looney presented Mrs. Harry J. Charles as the installing officer and presented her with a corsage. She also presented each officer to Mrs. Charles as they were installed.

Mrs. D. C. Looney was installed as president, Mrs. W. L. Liles as vice-president, Mrs. Truman Ford as secretary and Mrs. Joe Hromas as reporter by proxy, Mrs. Don Rountree as Treasurer. Each officer was presented with a corsage as they were installed.

Mrs. Truman Ford, chairman of the program committee, presented each member with a year book for the coming year. At the close of the service, Mrs. Charles presented the

out-going president with a gift on behalf of the club.

The luncheon was enjoyed following the installation.

The next meeting will be held on Sept. 20 in the home of Mrs. W. L. Liles.

Leave for San Diego

Mrs. Sherley Hennigh of Laverne, Oklahoma is spending a few days with Mrs. C. W. Grissom in the home of her parents, Mr. and Mrs. Buck Ellison. They left on Tuesday for San Diego, California where they will meet their husbands, who are returning from eight months service in China with the Navy. Also making the trip with them are Mrs. Maude Rury; and Audrey Jester, who will report to Camp Stowe.

Mr. and Mrs. Emmitt Hollingsworth of Boise City, Oklahoma visited over the weekend in the W. J. Wade home.

Mrs. Joe L. Langer and Penny Lee of Amarillo are visiting in the home of Mr. and Mrs. Joe Langer.

Mrs. Bill Denney is confined to her home suffering a nervous condition.

Society Notes

Mrs. Johnnie Williams, Jeanne Dudley and Jo Ann Williams visited in the G. D. Anderson, Jr. home on Thursday evening.

Mrs. Nat Read had three of her sisters and one brother-in-law visiting with her this past week. They were Mrs. Jewel Flippin of Snyder, Texas, Mrs. Ruth Carlton of Bridgeport, Texas and Mr. and Mrs. Walter Wiggins of Lorainé, Texas.

Mrs. Eva Rogerson of Amarillo spent Wednesday visiting in the home of her nephew and family, Mr. and Mrs. A. B. Wilkenson.

Mr. Marvin Threlkeld and Marvin, Jr. spent several days last week in Sunray, Texas visiting and attending to business.

Mr. and Mrs. Travis Lloyd and children spent the weekend in Childress visiting with relatives.

Mr. and Mrs. Oscar Chenault of Ft. Worth visited last week in the home of their daughter and family, Mr. and Mrs. Archie McCutchen. While they were here, the men took a trip to Conchas for a little fishing, but reported poor luck.

Mr. and Mrs. H. W. Alverson went to Childress on last Tuesday to attend the funeral of Mrs. Alverson's nephew.

Mr. and Mrs. Blake Gooch and son of Plainview, Texas visited in the home of his brother, the J. W. Goochs, on Sunday.

Mr. and Mrs. Jim Ellison have purchased Frank Barnett's rent house and have moved into their new home. Mr. and Mrs. Olin Hardy have moved into the Bill Venable house.

Mr. and Mrs. Carol Steelman have purchased a pretty new cream colored Dodge car.

Mr. and Mrs. Amos Steelman are driving a new green Chevrolet pickup.

Mr. and Mrs. Herman Jones and sons of Richmond, California spent the weekend in the home of Mr. and Mrs. J. T. Jones.

Mr. and Mrs. A. L. Kerby and Paula Kay spent the weekend with his parents near Portales, New Mexico.

Mr. and Mrs. Putman, and Mr. and Mrs. Tom Wright and Paula of Gould, Oklahoma spent several days in the home of Mr. and Mrs. G. D. Anderson, Jr. last week.

Mr. and Mrs. Stout and Mr. and Mrs. Black of Broadview, New Mexico attended the Church of Christ in Bovina on Sunday night. Mr. and Mrs. Stout are the parents of the minister of the local church.

Reports from Mr. and Mrs. Durwood Lee, former pastor of the Church of Christ, said that their daughter, Shelia, is much improved and is able to attend school. She had been receiving treatment at the Preventorium at Amarillo.

The Bovina Rainbow will hold their Installation Service on Monday night, Sept. 17th, at 7:30 at the Masonic Hall. Miss Margie Leare of Bovina will be installed as Worthy Advisor with Miss Jo Ann Spurlin of Farwell as Worthy Associate Advisor.

Mr. and Mrs. Arnold Hromas and Gaylan left on Tuesday for several days visit in South Dakota.

Mr. and Mrs. A. M. Wilson visited in Tulia on Sunday with his mother, Mrs. A. M. Wilson.

Mrs. Paul Trenfield of Higgins visited Sunday and Monday with Rev. and Mrs. I. T. Huckabee.

Mrs. Stella Wilson of Tribbey, Oklahoma is spending several weeks with her daughter and family, Mr. and Mrs. Richard Perkins.

The Junior High football team is showing great improvement with several boys showing prospects of making good high school material. This is the first year for the Junior High to have a team and will give the boys a little more seasoning before reaching high school age. The Junior High team has about eight games on schedule for this year. They have new suits and are going to make a fine addition to our school.

Mrs. Stanley Barber of Woodward, Oklahoma spent a few days last week with her mother, Mrs. Jesse McSpadden, and other relatives. She was on her way to Ft. Smith, Arkansas and her two children remained here with Mrs. W. L. Liles while she is away.

Mr. J. R. Ward of Columbus, Texas visited here last week with relatives. He visited with his son and family, Mr. and Mrs. Kenneth Ward and children of Rhodona Beach, California who were also in Bovina. They returned to their home on Friday.

Johnnie Dickinson and her sister, Dude Jones, made a business trip to Weatherford, Texas. Their brother, Elton Carnes, of Weatherford returned home with them.

Guests in the E. A. Hammonds home the past week were Mrs. Hammonds sister, Mrs. Alvin Gerkin and son of Anadarko, Oklahoma. Mayne Adams of Friona also visited in their home on Thursday.

The revival at the Methodist Church closed with the service Sunday night. They had good attendance for the services with 18 additions to the church. Rev. Clarence Bounds of White Face was in charge of the services.

Mrs. James Watkins visited in Friona on Sunday.

The P.T.A. cancelled their plans for the picnic that was to have been held on Monday night due to the death of the Caldwell child. The first meeting of the year will be held on Oct. 8th and plans for this meeting will be announced later.

Joe L. Langer phoned his wife on Monday from California. He had just landed in the States after serving for the past year in Japan. He said he would be home in the near future, but didn't know exactly when he would arrive in Bovina.

Rev. and Mrs. E. D. Baker, former pastor of the Methodist Church, passed through Bovina Monday and stopped for a while to visit with friends.
