

**FROM THE
HOPPER**
By Hop Jr.

For the first time in we don't know when, the papers are carrying stories about the tremendous snows that have fallen in the mountains of New Mexico and Colorado during the winter.

We understand that in Colorado the snowpack is as much as 200 percent above average, and that 75 millimeter cannons have been used effectively to dislodge loose snow and deliberately cause avalanches to roar down the mountains when they could be timed with safety.

Depending on what happens before the spring thaws, these big snowpacks could increase the normal run-off as much as 100 percent above the average—which would certainly be something in these days of dry, dry weather.

We mention this not because we feel that we may expect to derive any direct benefit from the great snowfalls, but this reminds us of something our old weather prophet, Willie Williams up at Bovina, told us several years ago.

Willie's own theory has been all along that the Great Plains can never expect to get much relief from dry weather until the mountains and lakes and rivers to the west once again replenish their great stores of water.

Just what Willie's computations along this line happened to be, he would never divulge. But he has always remained steadfast in his claim that our moisture had to come from the west.

Now, we do not subscribe to the sometimes offered theory that our underground water resources are replenished by the Rocky Mountains. In fact, most people have given up that idea, though it was popular at one time.

We do, however, admit that if it rains and snows all around us, it would seem that in time it might rain and snow here a little once in a while. It has been raining a lot down toward Central Texas.

Andy Rogers, our state senator, has been kind enough to send us copies of the proceedings of the legislature at Austin. We started reading the Senate Journal with the first copy or two he fired our way, feeling that it was a good time to start the habit as this was the beginning of a new year of legislation.

However, it was not long until we learned that the Senate Journal is terribly verbose and long-winded, and we finally gave up in disgust. The reader has to wade through pages of procedure to get any "meat" out of what's happening.

This made us once again thankful for newspapers (and not just because newspapering is our bread and butter). In spite of TV, in spite of mass-distributed magazines, in spite of radio, our newspapers still remain the basic source of NEWS about what's taking place around you.

If it weren't for the dedicated and quite competent reporters who daily sift out the chaff from the thousands of insignificant things that happen in Austin, Santa Fe, and Washington, and give it to us in the readable, understandable, and brief form of newspaper stories, we think anybody who tried to keep up with state and national affairs would go plain nuts.

We needn't remind our readers that many of you are worrying about your income taxes about this time.

What does a tax man think about income taxes?

T. Coleman Andrews, former commissioner of Internal Revenue, says the graduated income tax was "conceived in class hatred and vengeance."

Andrews points out that this graduated tax is, believe it or not, a page from the Communist Manifesto written by Karl Marx, the father of communism.

We don't mean to say that those who think the tax is a good way to raise federal revenue are communists. We DO point out, however, that a graduated income tax was one of the main points in how Marx proposes to destroy a free enterprise economic system, the remnants of which we still have in the United States.

We quote from Mr. Marx: "1. Abolition of property in land (Continued on Last Page)

Rabies Shots To Be Given In Texico Soon

Texico citizens were reminded this week that the time is near when all dogs should receive rabies shots. Dr. B. L. Russell, Clovis veterinarian, will be in Texico the second week in March to vaccinate all dogs, according to Mrs. Juanita Autrey, city clerk.

It is time for purchasing dog tags again and all dogs must have rabies shots before a dog can be licensed, she says. The exact date that the veterinarian will be here is to be announced later.

Grand Jury Meets At Farwell Monday

A special session of the Parmer County Grand Jury has been announced for Monday, February 18. The meeting of the jurors has been called for investigating 15 criminal cases, according to Chas. Lovelace, county sheriff.

Too, a petit jury list has been announced for the district court session which begins Monday. District Judge E. A. Bills will be on hand to try several civil cases and quite likely some of the individuals indicted by the grand jury. Both the grand and petit jurors convene at 10 a. m.

Several persons, charged with various offenses in the county, are now in custody at Farwell and their cases are to come up for grand jury action. The large number of cases pending is the reason for the summoning of the

Ground Observers Meet Tonight, 7:30

The Texico-Farwell Ground Observers Corps is scheduled to have its regular meeting tonight at 7:30 in the old Legion Hall on the state line. While attendance at recent meetings has picked up, the local group is still badly in need of members, and all who are interested are asked to be on hand.

Tonight's session calls for discussion on an observation tower. Plans will be formulated for raising funds for construction of an observation tower 15 feet high, a 12 x 12 building and a four-foot ramp on each side.

Anyone wishing to donate material or money for the structure may do so by contacting Wilfred Quickel or John Armstrong. It is hoped that construction of the tower can get underway in the near future.

It would be beneficial in the special alerts in which the local corps participates, say members of the organization.

In an alert on Sunday, February 3, the local corps this week received a valuation from the Air Defense Command at Oklahoma City. In regard to the small number of persons taking part it was excellent.

The Air Force sent out three high-flying planes and the GOC posts tracked them all the way from Oklahoma City to Clovis.

Plans call for another special alert in the near future.

Date of Senior Play Changed at Farwell

The Farwell senior play, which was scheduled to be presented on February 22, has been postponed until Thursday, February 23, because of conflict with the District 3-A basketball tournament which will be in progress at Springlake on that night.

Members of the class urge everyone to start making plans now to attend their annual dramatic production.

Wolverines Second In County Tourney

The Texico Wolverines breezed by their first two opponents in the Curry County Basketball Tournament last week at Melrose, but ran into a thundering herd of Melrose Buffaloes in the finals and fell 54-30.

In the championship game both teams were cold from the field, but the Buffs poured in 34 of 44 free throw attempts in coasting to the win. The Buffs hit 10 field goals and Texico connected for only seven. The Wolverines made good on 16 free throws.

The Texico team could never find the range against the rugged Melrose quint. Going into the game, Texico was hoping for a possible upset as they had come close to turning the trick in a pre-

District Tournaments Begin Next Week

Springlake to Host District 3-A Teams

Springlake will be host to the annual District 3-A basketball tournament next week. Participating will be teams from Friona, Farwell, Morton, Sudan, and Springlake.

Teams are seeded in brackets depending on the position in which they finished the regular season play. That puts Morton at the top of the heap in the boys division, and Friona in first place for the girls.

The only seeded place not yet worked out is a result of a tie between the Friona and Sudan boys. The game will be played off in the girls bracket, identical

grand jury, Lovelace says. Regular meetings of the grand jury are scheduled only in October and March, however, the jurors are subject to call at any time.

The grand jurors summoned are: Dalton Caffey, Tom Atkins, H. T. Edwards, W. L. Edelman, T. E. Rhodes, E. M. Ware, Lee Jones, Clyde Goodwine, Clyde Magness, Clyde Hays, Virgil Woodson and Jack Smith.

The 60 petit jurors are: (Continued on Last Page)

"OFFICIAL PUBLICATION OF PARMER COUNTY"

FARWELL, TEXAS THURSDAY, FEBRUARY 14, 1957 NUMBER 19

More Money Needed For County FM Roads

With the ever-increasing cost of acquiring the right-of-way for farm-to-market roads staring them in the face, along with the fact that Parmer County has received a considerable amount of black-topping in the past two years, the county commissioners are presently faced with a problem.

More money is needed in the right-of-way fund if the county is to continue to accept the farm

Citizens Requested To Have Dogs "Shot"

All dog-owners in Farwell have been asked to immediately have their animals vaccinated against rabies. The plea came from the City Commission last week after several rabies cases were reported nearby.

Rabies dogs have been reported in Clovis during the past few days and one dog was picked up here in Farwell this week after biting a child. The dog is now under observation.

The situation could become serious if dogs do not receive their rabies shots soon, says Wilfred Quickel, city manager. Unless dog-owners take steps to have them vaccinated immediately something will have to be done to enforce it. All dogs in Farwell must have a collar and rabies tags displayed, Quickel says.

Harold Cast led the Melrose scoring with 16 points and Joe Glaze was top scorer for Texico with nine.

In a first round game, the Wolverines ran into a fighting Field team but greater depth enabled them to pull away in the last half. In the semi-finals they were pitted against Rosedale and roared to a 54-39 win. Glaze again led the Texico scoring against Rosedale with 15 points and Jerry Henson had 14.

For Coach Paul Frederick's Texico girls team it was a nip-and-tuck game in the first round, with the Whirlwinds eking out a 51-49 win over Ranchvale. Ranchvale

COTTON JOHN SMITH

Cotton John to Speak At C-C Feed Saturday

A program, featuring top local talent along with Cotton John Smith of KGNC in Amarillo as speaker, is set for the annual Farwell Chamber of Commerce banquet Saturday night at the school lunchroom. The feed gets underway at 8 p. m.

Providing musical entertainment will be Susan LeVins, who last week appeared on the Ted Mack talent show in New York; Charles Phillips, a recent

Louisiana Hayride guest; and Snuffy Anderson and his combo, a high school instrumental group from Farwell.

Wilfred "Dutch" Quickel will be Master of Ceremonies and Heine Henderson will introduce the speaker. Retiring officers of the Chamber will be recognized and the new board of directors and the officers will be introduced.

A special invitation has been issued to farmers and newcomers in the area to attend the banquet. The talk for the night will be for the farmers and they are urged to be on hand to get acquainted with the townspeople. Newcomers to the area are especially urged to attend the feed. Cotton John is well-known by

farmers in the area. He is the farm editor of KGNC Television and Radio.

The menu will feature fried chicken and tickets to the affair are on sale at several business places downtown and they may also be purchased from any Chamber member. It is hoped that tickets will be purchased before Saturday night but for those unable to obtain them, they will be on sale at the door.

Miller Farm Sale Is Next Tuesday

The farm auction sale of Mrs. Ralph B. Miller will be Tuesday, February 19, with State Line Commission Company in charge. Auctioneer is Dick Doshier and clerk is Jerrell Doshier.

The sale will be three miles west and one and one-half miles north of Friona, and will start at 10 o'clock, Texas time.

Vona Ray Allred Dies at Age Three

Vona Ray Allred, three-year-old daughter of Mr. and Mrs. Kenneth Allred of Alamogordo, N. M., died about 3 o'clock Wednesday afternoon at Alamogordo after a short illness. Doctors had not diagnosed the cause of her illness.

Mr. and Mrs. O. S. Allred, of Texico, paternal grandparents of the child, were in Alamogordo at the time of her death.

Funeral services were pending here at press time.

Twin City MOD Total \$970.84

Total money derived from the 1957 March of Dimes drive in Texico-Farwell was \$970.84. Students at Farwell School contributed \$150.18 to boost the total on the Texas side of the line to \$502.06.

In Texico the total announced last week was \$468.78 and there was no change this week, according to Mrs. John Adams, chairman.

roads which are included in the state highway department program, county officials say.

There are several ways which the county can raise the money and they have presented the road situation to the citizens of Parmer County. The problem which they are facing has been explained in an advertisement elsewhere in this issue and the commissioners ask that all county citizens take time to read it.

The road problem came up at the regular meeting of the commissioners court Monday. It was emphasized that something would have to be done about getting more money for accepting farm-to-market roads. Also, the possibility of sometime constructing four-lane highways on 70-84 and 60 was discussed.

However, the highway expansion was secondary and the commissioners were of the opinion that farm-to-market roads would be more beneficial to the county as a whole than would the four-lane

highways.

For the past two years this county has received an average of 16 miles annually. While there is no assurance that Parmer will continue to receive this much, it seems likely that each year there will be a comparable number of miles included in the program.

Since the road program got underway 10 years ago, the right-of-way fund has been adequate for accepting roads received, but recently \$15,000 has had to be borrowed to replenish the depleted fund. This money has to be paid back, along with obtaining right-

(Continued on Last Page)

he is well pleased, and wishes to express appreciation to all who directed community drives, as well as others who contributed.

Here is the report by communi-

MOD Total Goes Over \$3000

Parmer County's 1957 March of Dimes contributions total \$3,102.34. This exceeds slightly the \$3,000 dollar goal, according to Raymond Euler, campaign director, who says

He is well pleased, and wishes to express appreciation to all who directed community drives, as well as others who contributed. Here is the report by communi-

ties, partially broken down:

Rhea—Jack Patterson, chairman, \$77, direct solicitations: Black—Mrs. Woodrow Whitaker, chairman, \$391.01, mostly from the supper and auction, balance from coin collectors in business places. Lazbuddie—Mrs. Joe Jesko, chairman, grade school, \$53.48, high school, \$8.30, basketball game and "42" party, \$55.12, coin collectors, \$14.85, total, \$131.75. Bovina—A. J. Ellison, chairman, Women's Study Club mother's march, \$143.21, Lady Gaines cake and coffee sale, \$126, Bovina JC's (telephone) \$556, Bovina Schools \$112.07, and coin collectors \$119.17, total \$1056.45. Friona—Mrs. Leonard Coffey, chairman, elementary school \$137.19, grade school \$63.15, high school \$42.82, coffee day, \$68.84, Fire Department contribution \$100, American Legion Dance and game night \$125, Modern Study Club mother's

(Continued On Last Page)

County Salaries Lowered

Reversing a decision made in a January meeting, Parmer County's commissioners lowered their salaries at a meeting Monday. At a previous meeting they had decided to increase the commissioners salaries from \$1,800 per year to \$2,400, and the county judge's pay from \$3,000 to \$3,600.

They voted to return their salaries to what they have been in previous years. Little discussion was heard before the action, but unofficially, complaints from some other county officials and citizens were listed as reasons.

It was pointed out that the commissioners had the authority to raise their own salaries but did not choose to do so if there would be any dissatisfaction. Other business at the meeting included setting the tax rate for the year at 95 cents, the same as it has been in the past. The property valuation was also set at the same.

The Security State Bank of Farwell was named depository for the county for the next two years. Precinct election officers for the year were named. They are as follows: Black, Precinct 1—John Benger, (Continued On Last Page)

WIN SECOND PLACE—Pictured above are the Texico Wolverines, who were runners-up in the Curry County Basketball Tournament last weekend. Front row, left to right, Weldon Bell, Bobby Stover, Jerry Henson, Dickie Adams, Buddy Spears, and Monty Singletery, manager. Back row—Jerry Bowers, Raymond Hadley, Dick Lockhart, Joe Glaze, J. C. Kelley, and Chas. Stockton, coach.

Texico to Face Grady in District 6-B Tournament

The Texico Wolverines will meet the Grady Bronchos at 2:30 (MST) next Wednesday afternoon in the first round of the District 6-B tournament. Drawings for the tournament, which will take place at the ENMU gym in Portales, Wednesday through Saturday, were conducted at Portales Tuesday night.

Other first round games include Tatum-Ranchvale at 1 p. m. Wednesday, Elida-Rosedale at 4, Floyd-Ft. Sumner at 7; and Melrose-Field at 8:30.

Dora, Rogers, and Causey drew

first round byes. Melrose was top seeded in the tourney and they were followed by Floyd, Elida, and Tatum.

Should Texico win its first round game, and they will be favored to do so, they will meet the winner of the Floyd-Ft. Sumner clash at 7 p. m. Friday in the quarter-finals.

Semi-final games will be played at 7 and 8:30 on Friday night, while the game for third place will be played Saturday night at 7. The championship game will get underway at 8:30.

Trophies will be awarded to first, second, and third place teams in the tourney. Officials will be Jim Asimos, Bill Chapman, and Pat Gant.

Friday night. The winner will meet Springlake in the first game of the lower bracket, which includes second-seeded Farwell.

Farwell drew a bye and will not play until 8:30 Thursday in the semi-finals. The boys finals are set for 8:30 Friday.

Morton is the tourney favorite but Farwell and Friona could both come through on top. Friona, although starting slow, has handled both the Indians and Steers in recent games to definitely make it a team to be reckoned with.

Farwell was tied with Morton for the league lead last week until the Indians nosed by them 43-41. So, in all probability it will be a "dog-eat-dog" fight for the crown.

Do We Keep Informed On National Affairs?

Keeping up with the affairs of our national government is a difficult task, but many of us claim that we do follow closely its many functions.

As a yardstick, for measuring one's knowledge on several of the leading issues, which are to come up soon for legislative action, following is a survey, recently conducted by the American Press magazine.

If a person can express an intelligent opinion on most of the questions, it should be an indication that he is well-informed on governmental happenings.

The questionnaires sent out by the magazine are for obtaining the opinions of weekly newspaper editors on leading issues.

Our answers follow the questions. We could have explained our reasons more fully, but the space given on the questionnaire was limited.

1) President Eisenhower has asked Congress to authorize him to use U. S. forces, if he considers it necessary to stop Communist aggression against countries in the Middle East.

No—Not without authorization of congress. 2)During recent years Congress has appropriated about four billion dollars each year for countries in other parts of the world, to help prevent their going communistic.

Less—Friendship cannot be purchased. 3)Do you want to see John Foster Dulles continue as Secretary of State?

No. 4)Do you think the "soil bank" plan should, a. be left for another year; b. extended to cover drought relief, flood relief or credit needs; or c. eliminated?

Left as is for another year. 5)Do you favor or oppose a bill which would return federal price supports to a fixed 90 percent of parity for the "basic" crops?

Oppose—High price supports do not guarantee high net farm income. They encourage non-farming investors to compete with true on-the-farm families.

6) At present, corporation taxes are 30 percent on the first \$25,000 of profit and 52 percent on profits above \$25,000. Unless Congress extends the legislation establishing this tax, it will drop to 25 percent and 45 percent on April 1st.

Other—Reduce taxes only after budget is balanced. 7)A bill has been offered to increase the present \$600 individual income tax exemptions to \$700.

8)Do you think corporations should be exempt from taxation on the portion of their earnings which is distributed as dividends and upon which the individual shareholders pay taxes?

No. 9)Bills have been introduced into Congress requiring that cooperative corporations and savings and loan associations be subject to federal income taxation in the same manner as other business corporations.

10)If Congress should cut items in the budget by say two billion dollars, would you suggest that taxes be cut by that amount or that this potential surplus be used to reduce the national debt?

Reduce debt. 11)In what departments of government would

you like to see Congress make the most drastic cuts in expenditures?

Domestic—Reduce or eliminate "services" that businessmen, farmers, and housewives don't need anyway.

12)At present, most people over 65 cannot collect Social Security pensions if they earn over \$1,200 a year. Would you favor eliminating this restriction?

Yes—If SS is a kind of "life insurance" as it advocates say, there should be no such restriction.

13)A bill has been introduced calling for an appropriation of a minimum of \$600,000,000 a year for five years to be used to speed school construction. Do you favor such a program?

No—If we can't educate our own kids, we ought to stop raising them.

14)If a school aid bill is passed, do you think it should include a provision denying aid to area in which schools are segregated?

No. 15)Federal scholarships, to help 100,000 students with ability, but who can't afford college, to have a college education are expected to be proposed to Congress.

Against—Scholarships of all kinds go begging now. 16)In order to curb "filibustering," the Senate may consider a rule change so that a simple majority, instead of a two-thirds majority, can call an end to discussions.

Yes—Majority rule is democratic principle. 17)Would you favor giving the vice president specific executive duties and relieve him of his job of presiding over the senate?

No. 18)Would you favor legislation to increase first class postal rates to five cents, with the provision that letters would automatically be sent by airmail to localities where airmail would be faster?

No—Really not qualified to answer. 19) Do you feel that the Post Office should set rates based on paying its own way—or continue to be subsidized by taxes?

Pay its way—Definitely! 20) Would you favor lowering present draft period of two years to eighteen months?

No—Not qualified to answer. 21) The Federal Communications Commission has been asked to rule on whether television stations can broadcast "Pay As You See" programs.

Yes—Why not? 22) What news magazine, if any, do you read regularly to keep informed on national and international affairs?

None—Daily reading of any major newspaper does a better job.

JOTTIN'S from jeanne

We want Bonnie Williams or Vera Armstrong to do something for us—send us the recipe for this delicious chocolate cake that they specialize in. We've had a request for the recipe.

And speaking of recipes, we have one that gives a new twist to an old idea, and it's perfect for a salad plate. You might like to try it. Incidentally, this particular recipe has a "tart" flavor.

JELLIED POTATO SALAD

- 4 or 5 medium potatoes, cooked
6 tablespoons vinegar
1 small onion, grated
2 tablespoons salad oil
1 1/2 teaspoon salt
dash of pepper
1 pk. lemon gelatin
1/4 cups hot water
1/2 medium cucumber (if desired)
5 or 6 radishes, sliced (if desired)
5 tablespoons mayonnaise
2 stalks celery, sliced
1/4 medium green pepper, sliced

Add to diced, warm potatoes, 3 tablespoons vinegar, onion, salad oil, salt and pepper. Mix gently and let stand 30 minutes. Dissolve gelatin in hot water, add remaining vinegar, pour about two-thirds cup of mixture into mold. Decorate with cucumber and radish slices, or jell plain. Beat remaining gelatin (once it has thickened slightly) until it looks like whipped cream. Add dressing, remaining vegetables and potatoes. Spoon potato-vegetable mixture for the chilled gelatin in mold, then chill in refrigerator until firm.

We just read an article listing 125 ways to stay on a diet. It failed to mention the best one, however. That is to have a husband who asks you every day, "Well, how much do you weigh today?"

We are taking on a personal project—and only need a few people to help us. We, that is the writer of this column, will begin sale of all-occasion cards in about two weeks. All money that we take in from this project will be donated to the swimming pool fund, and our plans now are to sell them just as long as our little bit can aid in this worthy project.

We have already made our pledge to the fund—just as much as we thought we could afford—and we are supporting the ESA projects 100 percent.

But to get a swimming pool, we realize that everyone needs to get busy and do just as much as possible. If we don't get a pool this time, we are afraid we never will. Our kids deserve recreational facilities in Texico-Farwell.

If you need all-occasion cards, just let us know. We'll sell them to you.

We enjoyed scanning over a March 14, 1929 edition of The Tribune this week. Although we didn't recognize most of the names, we found many that you read about in our columns today.

One story that interested us was the one on an invitational track meet at Farwell. Guest teams included Hereford, Portales, Muleshoe, Olton, Tulia, Canyon, Littlefield, Clovis, Melrose, Grady, Oklahoma Lane, Friona, Bovina, Texico, Pleasant Hill and Elida. Noticed too, that the championship loving cup was presented by O. C. Sikes.

We learned that in 1929, W. J. Matthews had the only accredited

flock of Barred Rock chickens in Curry County.

In a story about a high wind unroofing Texas Utilities building in Farwell, Ben Smart was the witness.

In the J. C. Penney Co. ad, some of the flapper costumes pictured were "something to see" with the store plugging the Easter season.

Series of ads distributed through the news stories of the paper, very much resembled those that appear in the paper today, for Jackman's of Clovis.

In Texico School notes, we saw several names on the honor roll of people we have met. In the second grade, Warren G. Harding was listed, and we noticed Eileen Randol (Cantrell) was a third grade honor student. Others were J. J. Spurlin, fifth grade; and Allie Blanche Graham (Crume) and Joe Blair, eighth grade.

The Randol Mercantile Co. was advertising Ladies' Spring Hats, and an advertiser, whose messages appear in The Tribune today, was Kemp Lumber Co. Security State Bank was urging customers to "pay by check" and there was a section for Clovis news items.

We think courtesy is one of the most needed attributes, but we could never expound its merits as well as an editorialist of the Kaufman Herald.

We couldn't resist using the thoughts here.

COURTESY IS PRICELESS

Courtesy is a wonderful thing—what a heck of a world it would be without it.

Actually, though, it is too bad we don't have to buy courtesy. Times are pretty good just now and most of us could afford at least a perfunctory collection of courteous manners.

We could, for example, buy a ten cent supply of "smiles" for those we meet each day; presumably a dime's worth would last indefinitely. Then how about a nickel carton of "thank you's" or "you are welcome's." And, of course, we would need an everyday amount of "pleases."

One of the most useful and money saving purchases of all could be made in the huge, big large, gaint, economy size package of APC (All Purpose Courtesies). This package would be complete with a how-to-do-it kit, and could be carried with you wherever you go; ready for use without a moment's loss. Naturally there would be an ample amount for you to pass on to the members of your family.

It would be difficult to estimate the cost of APC, but it is safe to say that we could afford it if we wanted to.

Let's suppose that everyone in Texas had bought a package of APC from the Texas Safety Association at the beginning of last year during their perennial sale. If they had, then about 2600 more people would be looking forward to Spring in Texas today. Too.

Everyone we've talked to has been so thrilled over the recent successes of one of Texico-Farwell's prettiest and sweetest young ladies, Susan Levins.

Not only is Susan talented, but she seems to have immeasurable vitality, and a certain "sparkle" that adds to her musical performances.

We're very proud of her.

CARD OF THANKS

For loving help and sympathy shown us by so many friends at our time of grief in the recent loss of our husband and father, we would like to express our gratitude. We were indeed comforted by your many kindnesses.

LAZBUDDIE

MRS. CALVIN EMBRY

LAZBUDDIE BAPTIST NEWS
Rev. C. K. Roberts, Pastor

The Lazbuddie Baptist Church entertained the Tierra Blanca Baptist Association Thursday evening, February 7. A very interesting program on the theme of evangelism was given. Mrs. John Agee and daughter, Rosemary, gave the special music.

Rev. and Mrs. C. K. Roberts, along with others of the membership, attended the District 9 Brotherhood annual evangelistic rally in the First Baptist Church, Lubbock, on Tuesday evening of this week.

Lazbuddie Baptist membership will participate in the central Sunday School study course beginning Monday evening, February 18 at 7:30, at the Oklahoma Lane Baptist Church. There will be five churches attending, including Bovina, Farwell, Friona, Lazbuddie and Oklahoma Lane.

Members of the Lazbuddie Baptist Church voted for opening a building fund for a new auditorium. This action was taken at their regular Wednesday evening service.

Pauline Cammack Circle of the WMU met Monday afternoon in the home of Mrs. W. R. Broadhurst. Mrs. John Agee gave the last study on "Home Missions U. S. A."

Refreshments of a salad plate, cookies, coffee and hot tea were served to Mesdames Bert Gordon, F. W. Greene, Carrie Withrow, H. G. DeLoach, L. B. Hambricht, Wesley Barnes, Dan Cargile, Abe Mallouf, A. E. Redwine, W. R. Broadhurst, John Agee and Frank Spittlar.

Mr. and Mrs. Deboe Carpenter, Shirley and James, were in Austin, Thursday, where Shirley took her state examination for beauticians. They visited the state capi-

TEXICO BAPTIST NEWS
Rev. C. C. Morgan, Pastor

Seniors of Texico High School were special guests at the morning worship service Sunday and a large crowd was on hand for the services. The Odie Thompson quartet from Clovis presented special music for the occasion and Miss Connie Tharp also sang a special number, "I'd Rather Have Jesus".

Sunday School attendance was 157 and training union attendance was 83.

Rev. Mitchell, a missionary to the Jewish people in the Southern Baptist Association territory, was guest speaker for the Sunday evening service.

In observance of the association-wide missionary schools, the local church has had guest missionary speakers for special services each night this week. Everyone is cordially invited to the programs tonight (Thursday) and Friday night.

Speaking Monday night was Dr. J. T. Hart, a missionary in Argentina and Chile for 44 years. He and his wife are currently doing work in the schools of missions here in the United States.

Mike Naranjo, missionary to the Indians, was Tuesday's guest speaker.

Starting the school of missions program off was a missionary rally held Saturday at the Central

Baptist Church in Clovis at which time all missionaries of the Plains Association were present.

WMU met Wednesday at the church to complete their mission study book, "Japan Advances" with Mrs. Nora Day teaching the closing study.

Present were Mesdames Day, S. G. Billington, B. A. Kelley, M. H. Potet, J. O. Ford, C. C. Morgan and D. J. Brown.

Texico seniors and their sponsors will be honored again on February

19 with the annual WMU banquet for this group. The banquet is to be in the church basement and will begin at 8 o'clock. A student from Wayland College will be the guest speaker for the evening, and committees are working out other details for the program.

Sponsors of the seniors are Mrs. Jimmie Allman and Mrs. Agrie Jones. Other special guests will be Agrie Jones, school superintendent; Mrs. Gorman Byrd, Girls' Auxiliary counselor; and Paul Frederick, coach at Texico School.

Social Events of Interest

Mrs. Gaundlet Meets With Texico 4-H'ers

Meeting with the Texico Women's Club 4-H Club Friday was Mrs. Mozelle Gaundlet, assistant County Demonstration Agent, and Mrs. Fred Danforth, one of the leaders, according to Patsy Hill, reporter for the club.

The Texico Club is invited to present two numbers on the program at the recognition banquet March 7 in Clovis. President of the club, Gale Hadley, remarked that she felt this is quite an honor and the club voted to prepare two numbers.

The president presided over the meeting. Roll call and minutes were read by D'Rene Danforth, secretary-treasurer. The club song was led by Sandra Pendergrass, song leader, and refreshments of pops and homemade cookies were served by Jean Hadley, recreation leader.

Project books were distributed by the agent and she expressed a pleasure in seeing so many present for the meeting, but urged the girls, "Be sure you have your parents' permission and support to enroll in the 4-H projects. We want every girl who begins a project to complete it!"

Several members reported on progress thus far in their new projects.

The next meeting is Friday, March 1, at 4 p. m. at the school, the president announced. Mrs. Gaundlet and Mrs. Hadley, co-leader, will meet with the girls and refreshments will be served. Each member is urged to bring something to work on during this next meeting.

An officers training school is set for Saturday, February 23, and Mrs. N. W. Peyton has volunteered transportation to all officers of the club so that they might attend.

National 4-H Week will be observed by the local club when they prepare a window display here in Texico and present a 10-minute radio program during the week of March 2-9.

Attending the County 4-H Council meeting Monday night in Clovis were Mrs. John Hadley, Mrs. Fred Danforth, Gale Hadley and D'Rene Danforth.

Class Meets, Honors Mrs. Hazel Stallings

Companion Class of the Texico Baptist Church met Thursday night in the home of Mrs. Frances Boling for a regular business and social meeting and to honor Mrs. Hazel Stallings with a pink and blue shower.

Mrs. Coeta Doolittle, president of the class, called the meeting to order and Dot Camp opened the meeting with prayer. The minutes were read and a treasurer's report was given.

Names were turned in for the visitation, but no date was set for the project.

A nominating committee composed of Mrs. Camp, Mrs. Patsy Webb and Mrs. Margery Fought, was appointed by the president to select candidates for class officers. Mrs. Camp then presented the devotional and Mrs. Doolittle dismissed the meeting with prayer.

Next meeting of the group will be held on Thursday, March 7, at the home of Mrs. Margery Fought.

Following the business meeting, a game of "pin the baby bundle on the stork" was played, after

which, Mrs. Stallings was honored with a stork shower. Several persons who were unable to attend also sent gifts.

Refreshments of a salad plate, coffee and pop were served. Favors were miniature baby buggies made of marshmallows.

Attending were Mesdames Margaret London and Risa, Margery Fought, Ruth LaRue, Wilma Nell Whitener, Hazel Stallings, Patsy Webb and Patricia, Mary Lynn London and Patti Lynn, Ysleta Kittrell, Ida Lou Combs, Raymond Lightfoot, Jim Terrell, Dorothy Camp, Doris Martin, Colene Bocox and Debbie, Bess Burris, Coeta Doolittle, Tena Roth, Esther Ferguson and the hostess.

Goals for 1957 Set for ESA Monday

Goals for 1957 were chief topics for discussion when members of Theta Rho chapter of ESA met in the home of Nell Walling Monday night for a business session.

The chief project for the group, other than the annual visit from Santa Claus, will be the promotion financially, with projects and publicity, to aid in the swimming pool project, which has been outlined by Jess Landrum. The group wishes to work with all civic organizations of the area, in the promotion of a swimming pool.

Also, members decided to endorse the polio vaccine program by having each ESA family to receive the series of shots.

International convention for ESA was announced by Sylvia Watkins, president, as set for June 20-23 in Memphis, Tenn.

After a request was heard from the Chamber of Commerce, ESA voted to assist with a reception honoring the new doctor, with date set in the near future.

First project with all funds to go to the swimming pool fund, will be the sale of candy. The group hopes to sell 144 cans of the delicacy with \$50 profit to go to the fund. The organization has already made a cash donation of \$100, says Mrs. Watkins.

Next meeting will be in the home of Mrs. Gilbert Kaltwasser of Oklahoma Lane, an inactive member of the group.

The hostess served angel food cake, topped with strawberries and ice cream, with coffee to Mesdames Rosa Roberts, Sylvia Watkins, Irene Dyer, Irene Jones, Joann Getz, Dorothy Quickel, Lamoine Williams, Wilma Liner, Maxine Williams and Jeanne Graham.

Howard Jenkins Weds Miss Parker

Miss Marjorie Parker, daughter of Mr. and Mrs. Walter Parker, of House, N. M., became the bride of Howard Jenkins, son of Mr. and Mrs. R. T. Jenkins of Lariat in a recent ceremony at the home of Mr. and Mrs. Wayne Harris of Clovis.

Leslie Earwood, pastor of the Church of Christ in Clovis, officiated, at the double-ring ceremony. The bride wore a street length dress of brown crepe and a corsage of white carnations. Attending her as matron of honor was Mrs. Leslie Earwood. Benny Harris served as best man.

Jenkins is a senior at Eastern New Mexico University, and the bride completed her work for a bachelor of arts degree with a major in secondary music education at mid-term at ENMU.

Texico Woman's Club Plans Bake Sale

A bake sale and rummage sale is being sponsored by the Texico Woman's Club this Saturday at their building on Main Street in Texico. The sale will begin at 10:30 a. m. announces Mrs. Judge Stone, chairman of the finance committee. All members are asked to bring a homemade pie, cake, cookies or candy for the sale. People in the community are invited to stop in and buy these pastries for their weekend meals.

"We shall appreciate members volunteering to work at the building during the bake and rummage sale," says Mrs. Stone.

More repair work is being done on the building almost every evening with cabinets and a partition for the kitchen being constructed this week.

Material for the draperies has arrived and that committee is working on them. This committee includes Mrs. Agrie Jones, Mrs. Ansel Doolittle, and Mrs. Avis Patterson.

Two sets of shelves, painted a light green to match the walls of the building, have been given the club by Agrie Jones. This will shelve the 50 some-odd books recently donated by the Curry County Library.

Mrs. Russell Johnson, club member, has been confined to the hospital this week. A flower was sent to her from the club.

Regular club meeting is Monday night at 8 p. m. at the home of Mrs. Judge Stone. Assisting with hostess duties is Mrs. John Adams. Reuben Nieves, prominent attorney in Clovis and assistant District Attorney, will be the guest speaker.

WSCS Conference To Be in Albuquerque

The 16th annual meeting of the Woman's Society of Christian Service of the Methodist Church will convene in the First Methodist Church of Albuquerque February 19, 20 and 21 and will attract women from Methodist Churches in eight states, including Arkansas, Louisiana, Texas, Kansas, Nebraska, Oklahoma, New Mexico and Missouri.

This is the first time the South Central Jurisdiction has met in New Mexico. Theme for the 1957 conference will be "The Spirit of Christ—For All of Life." Reports of the work the woman's division of the churches is doing in mission and domestic fields will be stressed.

Five major speakers, headed by Bishop W. Angie Smith, head of the Oklahoma-New Mexico Conference, are scheduled for the three-day meeting.

All women of the Methodist Church who are interested are welcome to attend this conference. Making tentative plans to represent Hamlin Memorial Methodist Church at the meet are Mrs. W. H. Graham Sr. and Mrs. Irene Graham.

Violet Curry Will Wed John B. Plant

The engagement and approaching marriage of Miss Violet Marie Curry to John B. Plant has been announced by her parents, Mr. and Mrs. Claude C. Curry of Route 1, Clovis.

The prospective bridegroom is the son of Mrs. John B. Plant Sr. of Tallasee, Alabama.

The couple will repeat wedding vows on Sunday, February 24, at 2:30 p. m. in the Clovis Air Force Base Chapel with Chaplain (Major) Daniel E. Fredrick officiating.

The bride-elect is a graduate of Texico High School.

Harts Entertain With Bridge Party

Mr. and Mrs. Bob Hart entertained friends with a bridge party at their home on Saturday evening.

Present for the occasion were Mr. and Mrs. Joe Helton, Mr. and Mrs. Mitz Walling, Mr. and Mrs. John Lovelace, Mr. and Mrs. Bob Anderson, Mr. and Mrs. Glenn Phillips;

Also, Mr. and Mrs. Don Williams, Mr. and Mrs. Bert Williams, Mr. and Mrs. Elmer Hargrove, Mrs. M. A. Snider Jr., Mrs. Gene Lovelace and the host and hostess, Mr. and Mrs. Hart.

Farwell, Texas

MR. AND MRS. C. L. MOODY

Bell-Moody Vows Read In Clovis

The 10th and Pile Street Church of Christ in Clovis was the scene of the recent wedding of Miss Catherine Bell and C. L. Moody. Minister of the church, Ernest E. Highers, performed the double-ring ceremony.

The bride is the daughter of Mr. and Mrs. A. B. Bell of Route 2, Texico, and the bridegroom is the son of Mr. and Mrs. R. H. Moody, 719 Lea, Clovis.

Misses Darlene and Marlene Bell, twin sisters of the bride, were candlelighters for the ceremony. They were attired in dresses of pink and wore pink flowers in their hair.

Weldon Bell, brother of the bride, and Roscoe Fenn of Amarillo were ushers.

A bridal arch covered with greenery centered the altar and was flanked on either side with white wrought iron candelabra holding white tapers. Bouquets of white gladioli and pink snapdragons flanked the candelabras.

Given in marriage by her father, the bride wore a two piece suit of white wool featuring a peplum and long sleeves. Her dainty white hat was trimmed with seed pearls. She carried an arrange-

Former Farwell Girl In Hobbs Production

A former Farwell girl who started her dramatic training in school productions here is starring in "The Moon Is Blue," to be presented by the Community Players in Hobbs, N. M., February 14-16.

She is Rose Hatch, remembered here as Rose Booth, daughter of Earl Booth, Parmer County sheriff from 1933 to 1947, and Mrs. Booth, who taught in the Farwell High School. Rose was graduated from Farwell High as valedictorian in 1949. Her grandparents, Mr. and Mrs. E. E. Booth, still reside here.

Rose appeared in her first play as a seventh grader, and thereafter took part in most of the school's dramatic productions. She is not sure that she was very good, but "I had fun!"

As Patty O'Neill in "The Moon Is Blue," she is the only girl on stage, and goes through F. Hugh Herbert's delightful adult comedy fending off men whose intentions she questions.

A graduate of ENMU at Portales, Rose is now Mrs. Norman Hatch and the mother of two boys, Rick, age three-and-a-half, and Scott, thirteen months. Her husband is choral director at Heizer Junior High in Hobbs, while Rose works at radio station KHOB as continuity and copy writer.

"The Moon Is Blue" will be performed at the air base theater near Hobbs, Thursday through Saturday. Curtain time is 8 p. m., MST.

ment composed of an orchid, stephanotis, p.o.m. mums and mother of pearl.

Something old was a handkerchief belonging to the bride's grandmother, Mrs. R. S. Hines; something new was her wedding ensemble; something borrowed was a pearl necklace and earrings, borrowed from the matron of honor; and something blue was a garter given to her by Rose Walls. She also carried an old penny in her shoe for luck.

Mrs. Jack Vaughn of Clovis attended the bride as matron of honor. She wore a pink capri dress featuring an embroidered bodice, full skirt and matching bolero. She carried a bouquet of white pom mums.

Serving as best man was Jack Vaughn, also of Clovis. Immediately following the ceremony, a reception was held in the church parlor. Mrs. Lewis Heglin, sister of the bridegroom, presided at the bride's book.

Members of the reception party included the bride and groom, their parents, the wedding attendants, Mrs. Neal Walls, and Mrs. Roscoe Fenn.

An arrangement of pink roses and white stock in a silver epergne centered the reception table.

For a wedding trip to White Sands, Ruidoso and other points of interest in New Mexico, the bride wore a black linen dress with a duster to match and the orchid from her bridal bouquet.

The bride was formerly employed by the Clovis National Bank and the groom is employed as manager of the Clovis National Bank branch at Clovis Air Force Base.

Out of town guests for the wedding were Mr. and Mrs. Roscoe Fenn of Amarillo and Mrs. Claud Dyer of Texico.

Esther SS Class Has Regular Meet

Esther Sunday School class members of First Baptist Church, Farwell, held their regular monthly meeting at the home of Mrs. Calvin Murray on Monday evening, February 11.

Mrs. James Patrick presented the devotional for the evening on "God's Plan."

Following the program and business, the group enjoyed a social hour.

Attending were Mesdames Horace Battenfield, Calvin Blain, Bruce Blair, Fred Curtis, Raymond Martin, Leroy McDonald, James Patrick, Herbert Potts, Pete Rundell, Cecil Rundell, Jim Terrell, Billy Dollar and two new members, Mrs. Sue Chumley and Mrs. Bill Craft, and the hostess, Mrs. Murray.

Mr. and Mrs. Bruce Blair and children visited during the week-end with his mother at Eldorado, Okla.

Mrs. Ruth Thornton To Wed in Colorado

Mrs. Ruth Thornton, former Farwell and Bovina resident and Lowell Cook of Cripple Creek, Colo., will be married this evening (Thursday) at the Palmer Park Boulevard Baptist Church in Colorado Springs, Colo., at 8 o'clock. Rev. W. C. Bryan, who grew up in the Farwell area, will officiate at the ceremony.

Mr. and Mrs. J. R. Thornton left Farwell Wednesday to go to Colorado Springs to attend the wedding. They met their daughter and son-in-law, Mr. and Mrs. Rondal Price, and planned to go to Colorado with them.

The wedding reception will be held at the home of the Thorntons' son and family, Lt. Col. and Mrs. Julian Thornton at their home on Palmer Park Boulevard, Colorado Springs.

Mrs. Thornton taught in the Bovina School prior to moving to Colorado where she has been employed as a teacher in the Woodland Park School system. Cook is superintendent of the Woodland Park Schools.

The J. R. Thorntons and the Prices planned to return to their homes on Monday of next week.

Lutheran Ladies Have Meeting

Sixteen members of the Lutheran Women's Missionary League of St. John's Lutheran Church of Lariat met for a regular meeting at the Parish Hall on Thursday afternoon, February 7.

Rev. Martin Moser, pastor of the church, presented the devotional to open the meeting. Mrs. Elizabeth Kaltwasser then gave the topic for the day which was from the missionary league quarterly.

Mrs. Mildred Haseloff, newly elected president of the organization, presided during the business session. Most of the business for the day included plans for the new year. One of the projects for the

group is the making of drapes for the Parish Hall, and a committee was appointed to decide on what material would be suitable and about the price of the project.

Mrs. Moser will present the topic at the next regular meeting of the group. After the meeting adjourned, she served refreshments to the group.

Bradley Billingsley Has Birthday Party

Bradley Billingsley celebrated his seventh birthday on Sunday, February 10, with a party held at the home of his parents, Mr. and Mrs. Scott Billingsley.

Guests for the party were Randy Robertson, Lewis Bradshaw, Warlick Dollar, Dannie Foster, Ricky Hubbell, Rhonda Robertson and Sandy Billingsley.

The children enjoyed playing games and riding Bradley's horse, "Smokey."

Refreshments of ice cream and cake were served and the children also enjoyed staying for supper with Brad.

Texico Women to Clovis Meeting

Mrs. Fred Danforth and Mrs. Agrie Jones represented the Texico Woman's Club at a meeting of the Clovis Woman's Club Tuesday afternoon.

Guest speaker for the day was Mrs. Milton Davidson, who gave pointers on what to do in emergencies such as in a case of a hydrogen bomb tragedy.

After the meeting and program, guests were served refreshments of open face sandwiches, white heart-shaped cakes and coffee. The serving table was covered with a lace cloth and was centered with a Valentine arrangement of red carnations and a white styfoam heart.

Mrs. C. A. McKee, president of the Clovis Woman's Club, presided at the silver coffee service.

METHODIST CHURCH NEWS

Rev. Vernon Willard, Pastor Sunday school attendance was 93 Sunday, with 100 present for the worship service. Special music was brought by the choir, singing "He Lives".

The evening service was inspired by the small children saying their memory verses. Family night was enjoyed last Wednesday night, with 60 present. A panel discussion was given on "How The Older Church Members Can Help The Youth".

The Naomi Circle of the WSCS met at the church Monday afternoon to continue their study on "Youth in a Responsible Society." Participating on the program were Mrs. George Douglas, Mrs. Vernon Willard, and Mrs. R. E. Blankenship. Mrs. Clarence Christian gave the meditation.

BAPTIST CHURCH NEWS

Rev. Irving Looney, Pastor Attendance for Sunday school February 10, was 112 and attendance for training union was 63. For the evening service a film was shown on the "Conversion of Saul". There were 80 present to see it.

Sunday, February 17, Mrs. Gorman Byrd of Texico, will teach a Sunday School class in Spanish at 10 a. m. Everyone who has Spanish persons working for them are welcome to bring them. Also, Mrs. Byrd will lead a training union class at 6:30 p. m.

Starting Monday, February 18, to the 22, the Bovina Baptist Church, First Baptist Church of Farwell, Lazbuddie Baptist Church, First Baptist Church of Friona and Oklahoma Lane Baptist will go together to have a group training school at the Oklahoma Lane Baptist Church, at 7:30 p. m. There will be classes for all ages.

Both circles of the WMU met at the church for their Royal Service program of the month, Monday afternoon. The program, under the direction of Mrs. Wayne Hardage, was entitled "Like A Watered Garden". Scripture reading for meditation was from Psalms 1 to 3 and Jeremiah 17:7-3. Those present and on the program were Mesdames Wayne Hardage, Jack Roach, Walter Verner, Frank Edwards, Claude Watkins, Howard Garner, and Harold Carpenter.

Brotherhood of the church met Monday night for supper and a short business session. The local Brotherhood voted to take a Brotherhood program to Dora, New Mexico this coming Wednesday night. Those present were Howard Garner, Harold Carpenter, Bernard Nelson, Delbert Garner, J. B. Sudderth, Virgil Woodson, Walter Verner, Sterling Donaldson, and Bro. Looney.

The Deborah Class met with Mrs. Sterling Donaldson Monday night for their monthly business meeting and social. Mrs. Dee

Brown presented the devotional. Mrs. Donaldson served refreshments to Mesdames Dee Brown, Alton Pruitt, Harold Carpenter, Lee Mason, Wayne Hardage, Neil Stewart, Delbert Garner, Vernon Symcox, and Jimmie McGuire.

Visiting Sunday in the home of Mr. and Mrs. Sam Billingsley were Mr. and Mrs. Conda Jones, Mr. and Mrs. Claude Primrose, Mr. and Mrs. Merrill Rundell and girls, Mrs. Lola Bolton, Mr. and Mrs. Jeff White from Muleshoe, and Mr. and Mrs. Alton Berry and Doris Jane of Farwell.

Mrs. Howard Garner has returned home from Shellrock, Iowa where she has been visiting relatives for the past two weeks.

In Wichita Falls

Mr. and Mrs. Robert Rundell spent the weekend in Wichita Falls, where they attended the Golden Wedding Anniversary celebration of Rundell's oldest brother and wife, Mr. and Mrs. Johnnie Rundell. Rundell's sister, Mrs. E. V. Holbert, from Ford City, returned home with them to visit with relatives for a few weeks.

Mrs. Lynne Smith, mother of Mrs. Charles Hukill, is sick with a chest cold this week.

Mr. and Mrs. John West of Farwell, were dinner guests of Mr. and Mrs. R. E. Blankenship, Sunday.

Mrs. Clyde Perkins underwent surgery in Amarillo last week. She is home now and is recovering fine.

Mr. and Mrs. Benny Darnell, of Amarillo, visited relatives in the community Sunday.

SICK THIS WEEK

Larry and Conda Jones, sons of Mr. and Mrs. Melborn Jones, have the measles this week, and Darwin Billingsley, son of Mr. and Mrs. Billy Frank Billingsley, has the mumps.

Mr. and Mrs. Bryan Blevins are in Port Arthur this week visiting their son.

Mrs. Donald Jones is visiting Donald's parents in Snyder this week.

Spending the night with Mr. and Mrs. Harold Carpenter Saturday night were Rev. and Mrs. Mike Naranjo, Tessie, Louise and Nora Sue. He is an Indian missionary for Taos, New Mexico and vicinity.

Mrs. Susie Jesko was a business visitor in Muleshoe on Thursday.

In Pruitt Home

The home of Mr. and Mrs. J. M. Pruitt, Sunday, was the scene of a family get-together for their children. Present were Mr. and Mrs. E. M. Pruitt and family from Clovis, Mr. and Mrs. R. H. Pruitt from Texico, Mr. and Mrs. T. J. Coston and family from House, New Mexico, and Alton Pruitt and family from Muleshoe.

RETURNS HOME

Mr. and Mrs. M. C. Roberts received word this week that their son, Bill, who was hospitalized last week at Mayo's, has returned to his home in Fort Worth. Mrs. Roberts reports that Bill's condition is somewhat improved.

News from PLEASANT HILL

MRS. ROBERT SERVATIUS

Has Party On Birthday

Miss Darlene Boatwright entertained last Saturday night with a party in observance of her birthday at the home of her parents, Mr. and Mrs. Otto Boatwright. Attending were Anna Thatcher, Billy Hukill, Eugene Servatius, Kenneth Murdick, Pauline Servatius, Lee Spears, Mildred Hukill, Joyce Boatwright, Edwin Mageau, Mrs. Boatwright and Mrs. Robert Servatius.

Refreshments of punch, cake, pop corn and bubble gum were served.

HAS HEAD INJURY

Wayne Fahsholtz, son of Mr. and Mrs. Edwin Fahsholtz, was confined to bed last week because of a head injury he received when he fell from his horse. His condition was reported as good after being treated by a physician.

Membership Drive Mapped By Bureau

Parmer County Farm Bureau will stage its sixth annual membership drive the week of March 11. This is the date set by directors in their February meeting for the worker's banquet. Workers and guests will be invited to the banquet to hear speakers and map plans for contacting new farmers of the county who have not yet become affiliated with Farm Bureau.

The tentative goal set for this year is 700 members, according to Jack Patterson, vice-president and membership chairman. He gained approval from the directors to place advertisements in county papers the next four weeks, pointing out some of the accomplishments of Farm Bureau, and problems it is working on now. He said he believed that if people know the facts regarding Farm Bureau activities they will give their support without personal solicitation. He pointed out that anyone who wished further information

regarding claims made in the papers were welcomed to call at the office for such information.

Patterson, President Gilbert Kaltwasser, and one or two others were in Ft. Worth attending a membership chairman's rally Tuesday of this week. Plans were presented for all counties wishing to use them in soliciting membership in an effort to wind up 1957 with 75,000 members in Texas Farm Bureau, and leading the southern states in membership. Present TFB membership is 70,000, a record number for Texas.

Governor Price Daniel designated February 17-23 as Farm Bureau Membership Week, during which state facilities will be utilized to publicize the drive. Parmer County's drive will be after this date, but the educational activities will not have been forgotten by then, believes Patterson.

Other action of the directors included election of John Henderson of the Summerfield area to replace Roy Grace as director. Grace has moved to Spade. Roy Miller reported on the last FB and government agency meeting.

Gilbert Kaltwasser reported on the January 10 drought relief meeting in Lamesa. Current legislative activity was discussed, including the new egg bill, feed bill, variable insurance rate bill, and several others. Kaltwasser, Donald Christian and Jack Patterson reported on the president's and membership chairman's rally in Lubbock January 16.

Membership drive captains selected were Franklin Bauer, Dennis Williams, J. T. Jones, M. T. Glascock, T. E. Lovett, Roy Miller, Claude Osborn, Bruce Parr, Harry Hamilton, J. D. White and Spencer Hough.

GRAIN SORGHUM

Is Parmer County's Principal Unallotted Money Crop

Why Do Grain Sorghum Producers Support Farm Bureau?

1955—USDA announced intention of reducing grain sorghum supports to 60% of parity. Your Farm Bureau "Watchdogs", stationed in Washington were informed of this intention 24 hours in advance and protested in the name of Farm Bureau, asking 75% supports.

RESULT—70% supports were announced.

1956—Farm Bureau again asked for 75% of parity. Some Eastern and Northern Congressmen opposed. Texas Farm Bureau Representatives met with other state Farm Bureau leaders and presented the problem.

RESULT—In a few days Congressmen from other states, changed from opposition to support and authorized 76% supports with no acreage controls.

Your Membership Makes Such Things Possible, Farm Bureau Is Supported By Over 1½ Million Farmers—Voluntarily.

"Right on the Corner Right on the Price"

THE
H. D. AGENT'S CORNER
Jimmie Lou Wainscott

I just received this article from College Station on allowances for children, and thought that it would be good information to pass on to you.

When children beg and tease for nickels, dimes and quarters, parents may be using the wrong approach to the problem. Money management has to be learned as does reading, writing or arithmetic, according to extension home management specialists. Learning this job, one step at a time, is part of a child's education.

Parents who have tried allowances for children report that usually less money is required than by the unplanned "hand-out" method. Even more important, the child gets valuable training and satisfaction from learning how to get the most for his money. A personal allowance increases a child's pride and interest in co-operating with the family group.

A child needs opportunities to weigh wants and needs in terms of what he has to spend. This helps him to develop self-control and respect for the value of money.

He needs to learn the value of savings. The practice of saving a part of his allowance for his larger wants and needs will help him in the future to save for a home, car, furniture, education and emergencies. A plan achieved is encouragement for other plans.

Early training in record-keeping will be helpful throughout life. A simple record of expenditures can be kept by the older child, who earns some of his money or has a larger allowance.

Have you made any different breads lately? It is one way of varying your menus. You might like to try this recipe for Orange Nut Bread.

2 cups flour
½ cup sugar
1 teaspoon salt
2 teaspoons baking powder
5 tablespoons fat
2 eggs
1 cup milk
¼ cup orange juice
2 tablespoons grated orange rind
½ cup chopped nuts

Sift the dry ingredients together in a mixing bowl. Cut in the fat. Add the nuts and orange rind. Beat the eggs, add the milk and orange juice and combine with the dry ingredients, stirring until well mixed, but leaving the mixture rather lumpy. Pour into an oiled loaf pan and bake at 350 degrees F. from 50 to 60 minutes.

Officer Election

Margaret Mabry of Friona was elected chairman of the Parmer County 4-H Girls Council at a meeting in Farwell Saturday morning. The meeting was held in the office of Parmer County Home Demonstration Agent, Miss Jimmie Lou Wainscott. Others elected were Katherine Smith, Lazbuddie, vice-chairman; Sharron Thorn, Lazbuddie, district council delegate; Janie Parker, secretary; and Barbara

Tentative plans were also made by the group for activities to be held during National 4-H Week, which is from Saturday, March 2-9. More plans will be made for 4-H Week this month.

The group also discussed and made plans to sell concessions at the annual fair in Friona in April. The money derived from the sales will be used to send delegates to the 4-H Roundup held annually at College Station.

There were 10 members and three leaders present.

SAFE - SOUND - SECURE

There are good reasons why more people insure with Farm Bureau than with any other Parmer County Agency.

The Parmer County Implement Co. News

"The Place Where Most People Trade" Friona, Texas—Wednesday, February 13, 1957

A revival is in progress at the Methodist Church. It will close this Sunday. Dr. Ray Johnson is the evangelist and Rev. David Binkley of Memphis, Texas, who is a former pastor of the Friona Methodist Church, is song leader and director of youth work.

Why not put a fertilizer attachment on your lister and do two jobs at once? We have 'em—you need 'em. Come by and let us show you how it works.

Dempsey Watkins and several of the senior boys from Friona High School went to Sherman this weekend and visited Austin College. These boys made the trip with Mr. Watkins: Don Reeve, Wesley Barnett, Phillip Weatherley and Don McMahan.

This is one of our favorite poems. It's called "True Vision" and was written by M. M. Parrish. "We got Miss Meade," said our second grader, "Gee, but she's pretty! Us guys wouldn't trade her for all the others." How soon they begin to exercise their masculine discrimination. I thought, amused—with deeper merits ignored, refused. I met Miss Meade; her face was one of the plainest I'd ever looked upon, and a bit severe; but when she smiled I saw with the gaze of a trusting child; there was nothing stern, nothing commanding, but only the love and understanding for little children she might have had. Oh, the x-ray eyes of a tiny lad.

Goodyear tires have proven their dependability. It costs no more to buy the best. More people ride on Goodyear tires than any other kind.

We were in Steve Messenger's office the other day and the odor of Ammonia was so strong

we had to mention it. Steve just laughed and said he had to keep it for reviving some of his income tax customers.

Now is the time to get your planter ready for spring. Get your parts at the Parmer County Implement Company now and avoid a rush when planting season gets here.

We have a number of good used four row tractors with equipment. Come by and take a look.

If you are out of town, just call 2091 for any parts you need and we will be glad to send them out by mail.

Several men have been working in the J. B. Douglas' back yard—just across the street from our house. John Bill reported they were making an H-Bomb shelter, but our mother, not even looking at what was going on, said, "Oh! I guess they are just digging a hole to plant some trees." To which John Bill replied, "Must be the biggest tree in the world then." Turned out he was almost right. The big hole was for a storm cellar that will make the best bomb shelter in town.

If you are in the market for a used pickup you should visit our lot. We have about any model you want and about any price you want to pay.

Our shop is busy; it's always busy. But, Ben Woody, our shop foreman, says bring 'em in and yours will be next.

Fred White is building a shop next door—on the west—to his home. Fred will open a battery and electric shop there before long.

Indians used oil for medical purposes, and the white man's first commercial promotion of oil was as a cure-all. Today oil lets Texans make money to buy their health in other ways, and converted into gasoline, often hurriedly puts an end to all of a careless auto driver's ailments.

Smile and the world smiles with you. Snore and you sleep alone.

Company is headquarters for all kinds of irrigation supplies—tubes, tarps, ditches, levelers, anything you need. Call 2091 or 2201 for all of your irrigation supplies.

Mr. and Mrs. Frank Spring, Dr. and Mrs. Paul Spring were in Dallas last weekend. Mrs. Melba Miller drove as far as Bowie with them where she visited her granddaughter and her parents—Leslie and the Glenn Cunninghams.

Have you driven a '57 Oldsmobile? We will be glad to take you for a demonstration ride in the dream car of '57. It costs no more in the long run to own an Olds.

Texans take something that you can't feel, hear, taste, see or smell and convert it into gasoline, vinegar, alcohol, carbon black, diesel oil, ammonia, nylons, electricity, plastics, synthetic rubber components, etc, etc. That something is Texas natural gas. Anything detected by the five senses in gas is not the gas, but some impurity or foreign element. As a safety measure, natural gas is "perfumed" before it is piped into your house.

It will pay you to come by and get our price before you buy any used equipment. We have some real good buys in used four row tractors and equipment.

Indians used oil for medical purposes, and the white man's first commercial promotion of oil was as a cure-all. Today oil lets Texans make money to buy their health in other ways, and converted into gasoline, often hurriedly puts an end to all of a careless auto driver's ailments.

Smile and the world smiles with you. Snore and you sleep alone.

Parmer County Implement

March 15 Deadline For Reserve Sign-Up

Parmer County farmers are advised that contracts for starting in the conservation reserve program this year must be signed on or before March 15, according to Joe Magness, chairman of the Parmer County Agricultural Stabilization and Conservation Committee. After that date, no more contracts involving annual payments for 1957 will be accepted.

Magness explains that Congress has authorized payments to producers under the conservation reserve program which will not exceed \$450 million in any calendar year. Money for payments has been allocated to states and counties and funds not used by the county by the March 15 closing date will be reapportioned to other counties which have a "waiting" list.

Unused funds in a state may go to other states with "waiting" lists. As more farmers sign contracts, the increasing number of farmers who will receive annual payments in the succeeding years will reduce the funds available for new farmers to enter the program.

Bringing the situation closer to home, Magness points out that the initial allocation of Parmer County for the 1957 program is \$100,000. Part of this figure will be used for annual payments to the relatively few farmers who signed contracts last fall, he says.

The balance is available for those who sign contracts before March 15. Assuming a "full" sign-up this year, a greater part of the funds available to the county for next year will be used for making annual payments.

To that extent there will be reduced funds for initial payments for those who wait until next year to sign up, Magness says.

He also points out that Form MQ-31 is now available in the

county office. About 50 percent of the farmers in the county have already signed one of these forms and every farmer in the county should sign one. The purpose of the form is to preserve history acres on allotted crops regardless of the number of acres a farmer plants.

This can help to hold the base on a farm and it also helps acreage history for the county and state. "All farmers who have not yet signed this form are urged to do so at their earliest convenience," Magness concludes.

Lazbuddie FU To Have Barbecue

Lazbuddie Farmer's Union will sponsor a barbecue supper at the Lazbuddie School cafeteria on Thursday evening, February 21, starting at 6:30 o'clock.

Admission to the supper will be \$1.25 for adults and 75 cents for children. Everyone is cordially invited.

Reports of the Washington Bus Trip, a recent project of the Farmer's Union groups over the state, will be heard. Representing the local organization were Mr. and Mrs. James Welch of the Lazbuddie community.

Next Thursday Deadline For New Cotton Allotments

Thursday, February 21, is the deadline for filing an application for a 1957 new grower cotton allotment, according to an announcement from the Parmer County ASC office this week.

Also, farmers were reminded that March 1 is the final date for accepting acreage reserve soil-bank agreements for 1957 cotton.

NEWS FROM THE FARM BUREAU

By RAYMOND EULER

Jack Patterson, vice-president and membership chairman, is busy getting things in order for the annual membership drive, which is set to begin on March 12. Of course, he has several fellows helping him in this work, but he has the responsibility involved. He wants us to tell you that it will save your local treasury some money if you will promptly respond to your statement by mail. It will save some other farmer and his friend some money and time too, because they will have to come to see you if you have not remitted by mail. He said that if you should happen to not want to renew, it would be helpful if you would use the return envelope to state that fact, and if you don't mind, even telling why. That way, the organization may receive some helpful suggestions to better serve members and non-members alike. Farm Bureau is, after all, he says, a service organization that intends to be of service to all farmers and citizens, whether they are members or not; and he believes that if your wishes are known, and put to use, you would then want to give your support as a member. If your wishes are not known, or are ignored, your support could not be expected, he says.

Mr. Hoffman, Congressman from Michigan, recently asked this question on the floor in Washington: "Why should I make the people of my district mad at me (voting for economy measures in government) if the administration and the Congress are to pour their dollars down rat holes across the seas?" . . . Mr. Multer, Congressman from New York, had this to say regarding claims by Federal Department heads that they could find no way to cut their budgets: "Tell them that you are going to cut 10 percent of their salaries if they cannot show you how they can cut their own budget." . . . We hope the number of statesmen seriously considering positive measures toward a more business like administration is increasing substantially. . . . And you ought to read on page 1368 of the February 5 Congressional Record the list of clubs listed in the United Nations Phone Directory. It was read in the record by Mr. Gross, Congressman from Iowa. His point was that the United States furnishes fully one THIRD of the running expenses of what he calls "this Modern Tower of Babel." He listed 24 such clubs, which he says maintain, at your expense, offices and private telephones; and then he read one to be called if your particular club had been omitted from the list, "Clubs-general information." Congressman Gross suggested this as a good place to cut appropriations. What do you think?

He also called attention to a "Delegates Bar-South," and "Delegates Bar-North," located in the celebrated United Nations Building. We believe that if every State Farm Bureau had a few of these facts presented in their conventions, they would withdraw any statement they may have in support of United Nations, just as Texas Delegates did in November.

Farm Bureau members are opposed to such elaborate and stupid spending of the citizens' tax dollars while there are so many places in America that the money could be put to good, productive use.

Remember that you are living in a country that still permits you to write your congressman or other representative about this and other matters important to your present and future economic security. Use that opportunity often.

Consider this: He, that being often reproved hardeneth his neck, shall suddenly be destroyed, and that without remedy. Proverbs 29:1.

A 1,500-acre tent city will house the Fourth National Scout Jamboree at Valley Forge, Pennsylvania, next July 12-18.

Back To '55 Levels

Price supports on grain sorghums produced in this area are back to roughly the same level they were in 1955. Sunday, the USDA announced substantial cuts in level of supports on many commodities, including cotton, corn, and feed grains, all important to this area.

The supported price (net to the farmer) is being estimated locally at \$1.59 this year, compared with \$1.53 in 1955. The props are 16 cents per hundred lower than they were a year ago.

THE HAPPY HOMEMAKER

If you are one of those homemakers who regularly fill out your income tax forms, you should have it done by Friday of this week. Like just about any other job, this one is made much easier by careful planning and preparation. If you have kept good records all year, the final preparation really isn't such a hard job. If you haven't, by all means get started right this year and save yourself endless time and worry next February.

Many of our homemakers are

PLANNING IS WORTHWHILE

JOHN GETZ Agent For Parmer County

learn to do their work easier in connection with their home demonstration club work this winter. Most of us get into a habit of doing things a certain way and just keep doing them that way without thinking. Maybe there is a quicker and easier way of doing ordinary tasks. If there is, some of the women at the club meetings are almost sure to come up with the idea.

In a conversation with Inez Sherry one afternoon last week, this question was asked, "Can you tell that the new methods of doing things save time?" Her answer was, "They may not save any time, but they do save you." If there is any way of doing things in a way that will conserve a homemaker's energy, all of us should be anxious to learn about it.

Those of you who are having parties in the near future, are in luck. There is no end to the pretty decorations and refreshments you can use with the Valentine theme that make a pretty and enjoyable party.

children enjoy is the George Washington theme. This can be used in an educational way as well as an entertaining way. A word scramble game makes an ideal way to teach our smaller children some American history that they will long remember.

Those of us who have daughters in homemaking classes in school are missing a good opportunity to improve our cooking and sewing skills if we do not take advantage of the things they learn at school. Besides the benefits we will receive

will benefit from sharing their experiences with us.

Just because we have never done a given task a certain way shouldn't be offered as a reason for the way of doing it not being sound. We are never too old to learn, and, who knows, we may have been doing it wrong all these years.

When Missus Tike was asked if Ez would ever chase another woman she said, "Lands, no—he's much too fine and decent for that—besides he's too old."

Are You Just Crowing About Your Problems? Why Not Join Your Neighbors in Farm Bureau and Do Something About It?

TOURNEY RUNNERS-UP — The Texico Junior High girls basketball team came out second in the Curry County Tournament last week, finishing behind Melrose. Front row, left to right, Jerry Thigpen, Barbara Seal, Phyllis Kelley, D'Rene Danforth, Pauline Servatius, and Judy Adams. Back row—Coach Paul Frederick, Joanne Brown, Patricia Patterson, Mary McDaniel, Connie Tharp, Gale Hadley, and Christina Bowers.

Texico Junior Girls Capture Second In County Meet

Texico Junior High girls copped second place in the Curry County Basketball Tournament held at the Melrose gym last weekend. They were able to take their first two wins by pretty easy margins, but fell nine points short in the final game.

Drawing Field in the first round, Texico scored 45 points and let the Field team manage a meager 12 points. Patricia Patterson and Christina Bowers were high scorers for the game.

In the semi-final game, they faced the Ranchvale team and scored a 21-14 victory. Christina Bowers was high point, racking

Texico Farm Bureau Will Meet Tonight

B. A. Rogers, local chairman, announces that Texico Farm Bureau will meet tonight (Thursday) at the school lunchroom for a regular meeting. Meeting time is 8 o'clock (CST).

A representative from the ASC office in Clovis will be present to further discuss the Soil Bank program.

Rogers would like to urge all new members of the Bureau to please attend the meeting. Light refreshments will be served following the program.

Rich MILK
for good health!

Clovis, N. M.

up 13 of Texico's 21 points. The final game was not an easy one for Texico, as they went down in defeat to the Melrose girls 27-18. Patricia Patterson was high scorer for this game with 10 points. Texico junior boys were unable to bring home a trophy but played two good games.

Facing the Field team in the

first game, it was an easy win for the Texico boys. The final score was 46-14. Bobby Walker was high scorer for the home team.

In the semi-final game, Melrose had a four point lead as the whistle blew, to take a 24-20 victory, putting the Texico boys out of the tournament. The Texico team had good defense, but was short on offensive power.

FARWELL BAPTIST NEWS Rev. E. J. Keith, Pastor

Sunday School attendance on February 10 was 155 and training union attendance was 82.

Rev. Keith reports that there was good response to the religious census taken by the church on Sunday afternoon. Rev. Keith says that the workers covered the territory pretty well in the census.

WMU members met Monday at the church for a mission study program.

Rev. Keith urges everyone to make plans to attend the study course which is to begin at the Oklahoma Lane Baptist Church on Monday evening, February 18, at 7:30. There will be books taught for workers in every department of the Sunday School. The study course is for all churches in this side of the Tierra Blanca Association.

Another reminder is issued that the church revival will get underway on Sunday, February 24, with Rev. Eugene Brand, pastor of the First Baptist Church of Skellytown, as the guest evangelist. Rev. Keith, who has worked in revivals with Rev. Brand in the past, says that he believes that his coming here will be a blessing to the church and to the community.

Everyone is cordially invited to the services at the church this Sunday and every Sunday.

Texico "42" Teams Have Two Games Left

Both Texico "42" teams have two games left on this season's regular play. The Schlueter team, which has a 10-1 record for the season, will play Ranchvale there on Monday night, February 18, and will be host to the Rosedale team here on the 25th to end the regular play.

The Texico Roberts team hasn't fared so well in season play, having won six and lost five. They will play Broadview at Broadview on the 10th and then will be host to Ranchvale here on the 25th.

A spokesman for the group says that a meeting of directors will be called soon to set the date for the tournament. The Schlueter team is currently tied with the Field team for first place honors, and are counting on the tournament for a county win.

IS HOSPITALIZED

Timmy Crume, son of Mr. and Mrs. Kirt Crume, was hospitalized the first of this week in Clovis Memorial Hospital with a severe case of mumps.

Timmy is a first grader at Farwell School.

Friona Upsets Farwell, 56-40

The Friona Chiefs pulled their second upset in as many weeks Tuesday night when they ran roughshod over the Farwell Steers, 56-40. The win gave Friona a sweep for the night as the Squaws defeated the Farwell girls team 46-23.

The win for the Chiefs gives them a 4-4 record against district teams and it puts them into a tie with Sudan for third place in the conference standings. Morton finished first with a 7-1 record and Farwell was second with 5-3. The Chiefs never gave Farwell

a chance, getting hot on outside shots early in the game and building up a 11-5 lead at the end of the first quarter. The Steers, while out-bounding Friona and getting shot after shot under their own basket, were ice cold and could never get rolling.

The Chiefs continued to score handsily in the second period and had built up a 30-15 lead at halftime. Third period score was 44-23. Farwell Coach Calvin Murray substituted freely throughout the contest, trying to come up with a clicking combination.

Johnny Lovelace, sophomore center for Farwell, was the top scorer of the game, pouring in 18 points. For Friona, Wesley Barnett had 14 and Weldon Fairchild had 13.

In the girls game, Farwell was no match for the Squaws, who had already sewed up one-half of the district crown. Farwell managed only two points in the first period while Friona scored 10, and by halftime the score read 29-8. The third quarter score was 40-14.

Friona's Phyllis Dean copped scoring honors for the game, getting 20 points. Teammate Johnnie Hand had 14 and L'Orchid Latham had nine for the losers.

Farwell RA Boys Meet February 6

Farwell Royal Ambassadors held their regular meeting at the Farwell Baptist Church on Wednesday, February 6. Members of the group presented the various parts on the program for the evening.

Present for the meeting were the counselors, Raymond Martin and Horace Battenfield. Members attending were Jimmy Martin, Morris Reed, Dickie Gerles, Mickey Rundell, Johnny Sprows, Jimmy Keith and Mike Billington.

On Friday night, February 1, the local Royal Ambassadors won a basketball game from the Oklahoma Lane RA group.

Mrs. Russell Johnson Is Hospitalized

Mrs. Russell Johnson, who has been confined to the hospital in Clovis since Friday afternoon, was reported to be "feeling much better" late Wednesday.

Although her condition is improved, family friends say they do not know when she will be able to return to her home.

Jerry Johnson of Carlsbad, N. M., and Bill Johnson of Cherokee, Oklahoma were here during the weekend to be with their mother. They returned to their homes Monday.

The State Line Tribune has news you can't find elsewhere.

Claim Only What Taxes You Have Paid

Most of us have our income tax withheld from our salaries by our employers during the year and like it that way. Some of us, however, pay income tax through quarterly payments. Folks who pay their income tax through quarterly payments often make a very common error. In filing their tax return, they claim to have paid four quarterly payments on their tax when actually they have paid only three payments and are filing their tax returns and paying the tax instead of making the fourth payment. If you paid estimated tax during the year, be sure to claim only the tax you have paid.

OUR NEW PAVING COSTS MONEY

As the commissioners of Parmer County we feel that the citizens we serve should know what the Commissioners Court is up against. It has to do with the construction of more farm-to-market roads in Parmer County.

In the last few years we have been receiving about an average of 16 miles of farm-to-market roads each year, the cost to the county being acquiring the right-of-way. In the past we have had funds available to accept the roads which were given to us in the state program.

As the cost of obtaining these easements has increased, the right-of-way fund has been depleted. In fact, money has had to be borrowed for this fund.

If we are to continue to accept farm-to-market roads for Parmer County, there will have to be more money available for the purpose of acquiring these rights-of-way. Too, the highway department has plans to build four-lane highways on 70-84, and 60. The acquisition of farm-to-market roads is foremost on our minds, but the four-lane highways can be acquired in future years if there are necessary funds.

There are three ways which the Commissioners Court can secure these funds:

1. A bond issue
2. Raise in the property valuations
3. A 30-cent increase in the tax rate.

In regard to No. 2, we do not feel that raising the property valuation would be a good business practice. We are getting enough money in all other funds to carry on our county government and to raise the valuation would put excess money in these other funds.

The Commissioners Court has the authority to carry out this plan, but if it were done, each time the county received 95 cents it would have to send the state 65 cents.

We believe that No. 3 would be the most feasible plan. This plan would increase our tax rate from 95 cents on each one hundred dollar valuation to \$1.25. This extra 30 cents would go into the right-of-way fund.

At present, the right-of-way fund receives 10 cents of this 95 cents, which produces approximately \$9,000 per year in taxes. The 30 cents extra added to the 10 cents would yield approximately \$36,000 per year, which we think would be sufficient to obtain all the Farm-to-Market roads that are offered over a period of a few years.

To put this plan into effect, it would have to be left up to the voters of Parmer County. As your commissioners, we feel that a matter as important as this should be brought to your attention.

Signed:

- A. D. Smith, County Judge
- E. G. Phipps, Commissioner, Precinct No. 1
- C. H. Jefferson, Commissioner, Precinct No. 2
- J. H. McDonald, Commissioner, Precinct No. 3
- H. L. Ivy, Commissioner, Precinct No. 4.

Morton Indians Edge Steers, 43-41

A last-period rally by the Farwell Steers fell short Friday night and the Morton Indians eked out a 43-41 win in a District 3-A contest. Prior to the game, both teams were tied for the leadership in the district and the win assured Morton of at least a half of the district crown.

In a preliminary game, the Morton girls team rolled over the Farwell lasses 67-46.

The Steers were playing catch-up ball all the way as Morton jumped to a 13-6 lead in the first period and had increased it to 18-6 before Farwell could score again. A late second period surge brought the score to 22-18 at half-time.

In the third period Morton increased its lead to 34-27 but a 14-point fourth quarter almost brought Farwell from behind. In the late minutes of the game, the Steers had moved to within two points of the visitors and had possession of

the ball. A pass interception resulted in a quick field goal that iced the game for the Indians.

Johnny Lovelace led the Farwell scoring with 19 points and Gattis had 15 for Morton.

In the girls game both teams played on equal terms in the first half but in the third period Morton scored 19 points while Farwell was scoring five, to take the win. Quarter scores were 19-17, 36-33, and 52-38.

Mary Ann Walls had 19 points for Farwell and Stevenson had 37 for the visitors. Fincher had 22 points for the winners.

Wolverines Cop Second Place in County Tourney

(Continued from page 1.)

led 19-16 at the end of the first, 28-27 at halftime, and 40-38 at the third-period point. It took a 13-point fourth period to give Texico the win.

In the semi-finals the Whirlwinds met Rosedale and fell by a 53-41 count. Rosedale led all the way with the quarter scores being 14-8, 23-19, and 40-30.

Barbara Sapp led the Texico scoring in both games, with 33 points against Ranchvale and 26 points against the Cowgirls.

The Texico girls have only one game remaining to be played this year, going to Rogers for an encounter tomorrow night. Coach Chas. Stockton's Wolverines also go to Rogers tomorrow night for a district clash and they return home Saturday night for a game with Elida.

The Texico junior high boys will play the preliminary game Saturday night. It will be the last home basketball game of the season for Texico. Next week the Wolverines enter the District 6-B tournament at Portales.

Tribune Has Two New Employees

Wilburn Reagan, who has been employed by the Portales Daily Tribune for the past two years, joined The Tribune mechanical department this week. Reagan replaced Leo McWilliams as backshop foreman. McWilliams recently took over as manager of the Tribune's commercial printing department.

Also joining the force was Doyle Goldsmith, a sophomore at Farwell Schools.

Miss Wainscott To Speak at PTA Meet

Miss Jimmie Lou Wainscott, Parmer County Home Demonstration Agent, will be guest speaker at the regular meeting of the Farwell Parent-Teacher Association to be held tonight (Thursday) at the school auditorium.

Miss Wainscott's topic for the evening will be "Particularly Homemaking."

A musical program, under the direction of Mrs. Erma Jobes, Farwell band director, will be presented.

Mesdames Ben Smart, Cecil Rundell, Robert Morton, C. C. Christian, Wilfred Quickel, Mitz Walling, Ollie Burton, Johnny McDonald, Lester Norton and James Spurlin will be hostesses for the evening.

Texico Commission Has Light Session

Business was light for the Texico City Commissioners when they had their regular monthly meeting last Thursday night. The meeting was originally scheduled for Monday night but was postponed due to several commissioners being unable to attend.

Business included discussion on accepting a traffic ordinance for the city, which would permit Police Magistrate Sam Lewis to try violations in city court rather than justice of peace court. A model traffic code was given to the commissioners by Attorney Dan Buzard and they are now studying it for possible adoption at a future meeting.

The possibility of setting aside a certain amount of water and sewer revenue in a sinking fund was brought up. It was decided to investigate this more fully before taking action. If adopted, the money accumulated could be for retiring water and sewer bonds after 10 years from the time the bonds were sold.

Lewis Pierce appeared before the city dads and issued a complaint at the way the commission was running the town.

The following bills for the month of January were approved:

- Fire Fund — Leroy Faville Insurance, \$64; Fire plug rental, \$32; and Southern Union Gas, \$16.80.
- General Fund — Leroy Faville Insurance, \$35.69; Southwestern Public Service, \$35.73; Texico Waterworks, \$7.55; Mountain States Telephone, \$16.80; and meter refunds, \$90.
- Street Improvement Fund — A. O. Poteet, \$58.33.
- Water Fund — Mountain States Telephone Co., \$8.40; Clovis Printing, \$3.93; Lang Transit Co., \$3.53; M. B. McKee, \$6.69; Southwestern Public Service, \$84.24; and Farwell Waterworks, \$11.46.

Springlake Host To District Meet

(Continued From Page 1)

count 50 percent toward determining the district champion. That is, if the same team that leads in regular season play wins the meet, that's all.

If some other team wins it, however, the champ of the tournament must play off a tie with the best team in regular season play for the crown.

Two Charged With Burglary Returned From Littlefield

Two Indiana youths, charged with burglary of McKillip Motor Company in Farwell, are in custody in the Parmer County jail this week. They were brought to Farwell from Littlefield on Monday of this week by Parmer County Sheriff Chas. Lovelace.

The youths, Bill Zambo, 20, and Tom Blackburn, 17, were tried on similar charges in Lamb County and were convicted. Their cases are pending here for grand jury action next week. If they are indicted here, they will be tried here in district court before being sent to the penitentiary, Lovelace says.

Three other youths involved in the Farwell break-in, were juveniles and were returned to Indiana.

A. J. Redden, charged with theft of a car owned by A. B. Morgan of Farwell, was returned from Ft. Worth last week by the sheriff. Redden's bond was set at \$1,500 and his case was bound over to the grand jury.

The sheriff's department also reported the arrest of Les Latimer,

Clovis, between Bovina and Friona Saturday afternoon. He was charged on a DWI and was released on a \$500 bond. His case is to come up soon in Parmer County Court.

Simone Maignie Has Lions Program

Simone Maignie, who recently arrived in Farwell from France, was a special guest at the regular meeting of the Texico-Farwell Lions Club Monday night. Following the business meeting she showed colored slides of pictures taken in Europe.

During the business meeting the Lions made plans for visiting the Bovina Lions Club tonight. About 12 of the Lions are planning to make the trip to Bovina.

Sam Lewis Tries 30 Cases in January

Thirty cases were tried in the Texico Justice of Peace court during January, reports Sam Lewis. They included speeding, 10; illegal passing at yellow line, 1; violation of state corporation commission laws, 15; reckless driving, 1; truck overweight, 1; and trucks overweight, 2.

Fines ranged from \$10 to and including \$100, Lewis says.

Also, the Texico JP reports that he tried one drunken-driving case in Clovis last week. It was a trial by jury and it was declared a mistrial when the jury could not reach a decision.

Lewis tried the case after Clovis JP's disqualified themselves.

The Tribune wants to be a better newspaper for Texico-Farwell. We will always appreciate your suggestions.
