Jaime captures 2nd grid contest

Only three of the hundreds of participants in last week's Area Merchants Football Contest managed to get 11 of the 12 games picked correctly.

By virtue of being closest to the tie breaker (Texico 26, Portales 7), the first place cash prize of \$20 went to Julian Jaime. He was 21 off the tie breaker.

Winning the 2nd place cash prize of \$7 was Ronald Byrd, who was 30 off the tie breaker.

Also with 11 games picked correctly was Heber Cordoza. He didn't put down a tie breaker score.

Picking 10 games correctly were:

Ralph Serna, Awyna Sanchez, Paul Salguero, Michael Massicotte, Carolyn Johnson, Buster Herington and Teresa Cary.

Results of last week's games were:

Bovina over Farwell, UCLA over Tennessee, Duke over Army, Southern Cal over Ohio State, Michigan over Notre Dame, Tulsa over New Mexico, Dallas over Tampa Bay, Minnesota over Cleveland, NY Jets

Joe Jaime accepts the check on behalf of his brother, Julian Jaime, who won last week's football contest, from Delia "Dee" Madrid (and her dog "Sweetie"), of Sports Connection, one of the contest sponsors.

over Houston, Atlanta over Miami, Denver over Cincinnati, and Baltimore over Kansas City.

Each week's scoring is tabulated on Monday and is on display at the Tribune during regular business hours.

Next week will mark

the start of the "Leader Board," to show which participants are leading the overall contest. The overall winner will receive two tickets to the Dallas Cowboys - San Diego Chargers game in December plus \$100 in cash.

Two election precincts consolidated in Friona, Bovina

The Parmer County Commissioners on Friday agreed to consolidate two election precincts for the November constitutional amendment election.

Instead of two Bovina election precincts, there will be just one -- at the EMS building.

And the three Friona election precincts will have just one voting place. This will be at Calvary Baptist Church.

In other business, the commissioners:

-- Heard that Parmer County Sheriff Randy Geries will review his fee schedule for 2010 and make recommendations at the next council meeting.

-- Plans to give flu shots for all Parmer County employees. A date hasn't been set yet.

-- Adopted the proposed 2009 Parmer County tax rate at .4859 cents per \$100 assessed valuation, down from .5068 last year.

-- Received proposals for courthouse repair work from Karr Tuckpointing, of Iowa. This firm did such work here in 1995.

The proposals included patching terra cotta, recaulking doors and windows, painting steel lintels, repairing joint damage, etc.

County Judge Bonnie Heald said it's too expensive to do all the work at one time so the commissioners have to decide what work they will want done and when.

-- Discussed options for the janitor maintenance contract for the courthouse and law enforcement center.

Letter to the Editor

Dear Editor,

I am the president of High Plains Patriots, a non-partisan group whose purpose is to ensure American voters are informed and educated on political issues. And, twice this month we had this opportunity.

First, was the Town Hall meeting with Sen. Bingaman; about 450 attended. The second had about 100 attend. Both were great events that allowed Americans to exercise their freedoms and provided them an opportunity to learn about issues and voice their concerns.

I thank Sen. Bingaman for agreeing to host the Town Hall meeting. We also invited Sen. Udall and Rep. Lujan to Clovis for Town Hall meetings, unfortunately they responded by saying they were too busy.

The Health Care Forum was a wonderful event and I want to thank our extremely talented panel of political experts: State Sen. Gay Kernan, State Reps. Anna Crook and Dennis Roch, and County Commissioner Caleb Chandler.

Each thanked the audience for their attendance and promised to take our comments and concerns to local, state and federal officials. Additionally, their insight and information concerning various issues was extremely informative and appreciated.

Also, we had a distinguished panel of Health Care providers who read the 1,000+ pages of the Health Care Bill and provided valuable insight concerning the health care system and possible answers.

And, an excellent review of the Water Restoration Act and the Cap and Trade Bill was provided.

The High Plains Patriots truly appreciate the outstanding support in Clovis from McDaniel's Furniture and Patriot Outdoors provided for the forum.

If anyone is interested in High Plains Patriots and would like to learn more about these and other important issues facing Americans today, we meet the last Thursday of each month at The Masters Center conference room at 7 p.m. or go to our website: www.highplainspatriots.com for further information.

Penny Bailey, Lt. Col, USAF (Ret.)

Candidates sought

The Texas Grain Sorghum will hold its biennial election on Nov. 13.

There are five district seats open on the 15-member board, including one from the Panhandle District which includes Parmer County.

Parmer County extension agent Benji Harrison urges local folks who want to participate to file.

Nomination forms may be obtained by calling Texas Grain Sorghum Producers at (806) 438-5994 and must be filed with their office, 4201 North I-27, Lubbock, TX 79403 by Oct. 13.

The election will be held by mail ballot.

We want to thank all the people in this area for the many ways they ministered to our family during our loss. We are privileged to live in a place where people show their care and love to others.

We are blessed by a caring pastor, ambulance crews, doctors, nurses, funeral directors and musicians. Other people have sent cards, flowers, food, made phone calls, visits, given a memorial message or gifts, words of comfort and run errands for us.

Thanks for whatever you did for us.
May God bless each of you.

Vandiver gives crop update

From Monti Vandiver, Parmer County extension agent -- IPM:

It's September and spring seeded crop production is winding down. Corn silage harvest continues at a rapid pace; reported yields range from 18 to 33 tons/acre. The yield in most fields is directly proportional to irrigation capacity. Grain harvest has begun or will shortly in a few corn fields that were heavily damaged by hail.

Very warm conditions in August and the first of September have pushed cotton maturity. Much of the area cotton has shed most of the squares and

small bolls in the top 3-5 nodes of the plant.

County stock show to have changes

From Parmer County extension agent Benji Henderson:

There have been some additions to next year's county stock show -- a gilt show has been added.

The gilt must have been farrowed between July 1 and Sept. 30. All breeds will be shown together. The high placing gilts will not be eligible for the premium sale; this is a jackpot show only. The entry fee is \$30.

The youth must be members of either one of the Parmer County FFA chapters or Parmer County 4-H to be eligible to exhibit a gilt in this show. The gilts must also have a Texas validation tag which can be ordered from the Parmer County Extension office or from your ag teacher in Friona, Farwell, or Lazbuddie.

Tag orders are due into the county extension office no later than Sept. 24, and cost \$8 each. This deadline is also for barrow tags for the spring major stock shows and the county show.

The county stock show will be Jan. 14 in Friona at the Community Center.

Heather Reed, Missionary

(Editor's note: Heather is the daughter of Kathy and Robert Adams, of Progress. She began in August a year-long mission trip to 11 nations and will send periodic updates to the Tribune.)

We are in a Romanian village called Stejeris and working with a pastor who goes into the city of Targu Mures and works also in the gypsy villages.

We were not supposed to be here this month, but in another part of the country. We had to pay a lot of this month's budget for our house and so barely have enough money for food. By that I mean that we are feeding 14 people three times a day with 21 lei – the rough equivalent of \$7. Literally I saw a meal at KFC in the mall for 16 lei, and that would only be for one person; we are feeding 14! The first couple of days all we had were some bread pasta and some tomato paste that the squad before us had left for us.

The second day we went into gypsy villages and visited with a woman who was struggling with depression and prayed for her.

Then we saw a woman who the June team had visited and prayed for when they were here. She was pregnant and her baby was not turning around to come out head first and so she was going to have to have a c-section and she cannot afford that kind of surgery. They prayed and the baby instantly turned

around and was born a couple of days later normally.

As we left her that afternoon, apparently she told Pastor to come back. He was given two trash bag size bags full of vegetables; then comes the father with yet another crate full of vegetables. There was not one person on the van who had words to say.

Literally, we had discussed that if we wanted more food than we were getting, we would have to use our personal money ... it was that serious. We worried because it was 8 p.m. and we had not eaten since 11 a.m., anything. So we were just floored. Several people cried.

The father said they had decided to tithe their crop to us. How amazing is that. It met our needs, like we could probably live for the rest of the time we are here with the bread we can now buy and the vegetables that we have from that family. We were just blown away by God's faithfulness.

I had the opportunity to talk with a young man about how his parents had both died and he felt so lonely and never felt secure in a relationship and that if there was a God that he would not have let that happen.

I got to tell him about how God can show up in such a mighty way when we are weak and lonely. It was really cool to see him melting to knowledge of God's love; he also really responded well to physical touch, which is something that orphans miss out on a lot. So I would see he was yearning for love and was open to receiving it. Just pray that he would be open to the body of Christ.

In Christ's Love and Service,
Heather

Odds and ends

More odds and ends today, folks:

Michael Moore, the movie director who likes to shock, recently has put out a movie that basically says that capitalism is evil.

But Moore says democracy is good.

This simpleton doesn't even understand that one goes with the other.

But he gets around this by saying, "another system is needed."

Does he get specific? No. What a fool.

Longtime readers know I started my campaign for health care reform more than 20 years ago.

If reforms had been made piecemeal over the

years, there would be no big debate or outcry now. And our nation would be in strong economic shape.

But I'm not a politician and we all have seen what has happened. Medicare is about to go bust unless something is done.

Anyway, both the Democrats and GOP agree that the system must change, but the debate has been distorted by rumors and lies.

What a mess. The obvious solution is for the leaders of our two political parties to work together, iron out their differences and come up with a compromise for the good of our nation.

Yeah, and I also believe in the tooth fairy.

By the way, just to show you I'm not out in "left field" when it comes to the health care situation, take a look at the headline on an editorial in the recent non-partisan AARP (the Association of Retired People) editorial: "Health Reform: The Time To Act Is Now."

Lazbuddie revises transfer policy

The Lazbuddie School Board on Sept. 8 revised the policy for students transferring into the school district.

The revision allows for a tuition to be charged students if they don't keep up to standards including grades, attendance, test scores and behavior.

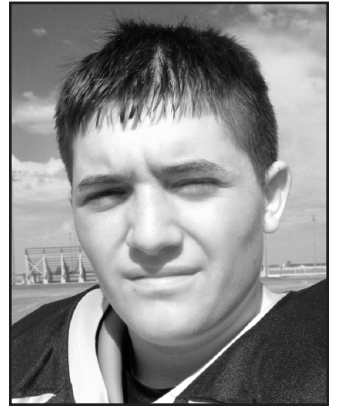

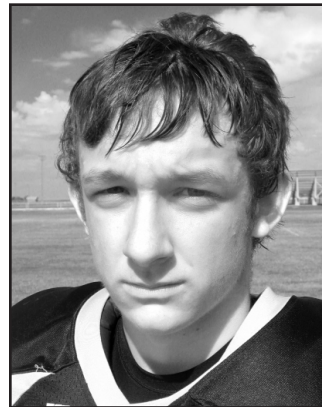

If that happens, they can be charged a tuition. But the tuition will be waived if students adhere to the school standards.

In other business, the board:
-- Set the public FIRST hearing for Oct. 13. See ad elsewhere in today's Tribune for details.
-- Reviewed 14 applications for the superintendent's post. The next step is to put together a list of finalists and the interview process can start.

Lefors defeats short-handed Lazbuddie

A short-handed Lazbuddie Longhorn squad lost to Lefors on Friday, 56-8.

The game ended just into the 3rd quarter due to the 45-point rule when Lefors returned the Lazbuddie kickoff for a TD.

Lazbuddie's score came in the 2nd quarter on a 25-yard pass from Kayle Jesko to Riley Smith.

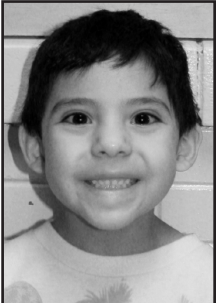

The kick for 2 extra points was made by Todd Nichols.

Of the 18 Longhorns who practiced last month, 6 have been injured.

Two running backs, Charles Baca and Colton Hill, are expected to be out at least one more week.

The Lazbuddie JV schedule has been cancelled with JV players moved up to assist the varsity.

Take a look at these improvements from 2008: reading, up from 84 to 94; math, up from 86 to 94; writing, up from 92 to 100; and science, up from 79 to 88.

They just missed out on Exemplary status, where you need a 90 percent in all four subject areas.

There were a record number of Bovina entrants in the Tribune's football contest this year. Remember - the Appraisal District has a box for you to put your ballots in. The deadline is 3 p.m. each Friday.

The tribute to the Fire, Police, and EMS Department at the Football on 9-11 was great from what I hear. Again, we cannot thank enough of these departments. Thank you for your dedication and service to our community.

Natural gas prices are at a low! Reports estimate a serious decline in our gas bills this winter. I can't wait to see one of my bills a little smaller.

ESL classes go from 5:30 - 7:30 and Citizenship classes are from 7:30 - 9:30. We encourage anyone to come down and attend.

These classes are for adults only and even if you are able to attend only one day a week or an hour a class, any participation is encouraged.

Bovina Schools left the playing of the Presidet Obama speech on education up to the teachers' discretion. So some classes heard and some didn't. If you missed it and you want your child to hear, there is always YouTube.

Texico defeats Portales

By Mike King

The Texico Wolverines improved to 3-0 Friday night with a big victory over the defending Class 3A champs Portales Rams, 26-7.

The powerful Wolverine offense seemed to move at will on the Rams but an important part of the story of this game was the "Sack Attack" of the Texico defense.

Humberto Burciaga, Sean Rusk and Brandon King combined for 5 sacks with Burciaga and King tallying 2 each.

Matt Vasquez, Dathan McWorter and Jairo Lozano also applied strong pressure on the Ram quarterback.

The line pressured,

hurried and harassed the high-powered Portales offense from the opening series. The defensive line was just one piece of a swarming defense that smothered the Rams time and again.

Linebackers Seth Bailey and Jonathan Hill flew to the ball and provided crushing blows that stifled the vaunted Portales running game. The defensive backfield of Edgardo Meza, Marques Pena, Jose Posada, Donovan Johnson and Quinn Winkles blanketed the Rams receivers, enabling the pass rush to get pressure on the quarterback.

When Texico had the ball, Meza, Bailey, and

Posada ran through huge holes opened up by the line and the crushing lead blocks of fullback Roger Gomez.

After a scoreless first quarter, Meza started the scoring in the 2nd quarter with a 74 yard scamper as Gomez and the line blasted open the Ram defense. The Jose Posada kick made it 7-0.

The Wolverines had several other scoring chances in the first half but were hampered by penalties and fumbles. Meanwhile, the Wolverine defense did its job keeping Portales out of the end zone.

In the 3rd quarter, a bobbled direct snap led to a defensive TD for Portales, which scored from 23 yards out to tie the game at 7-all. That was the only score the Rams would get.

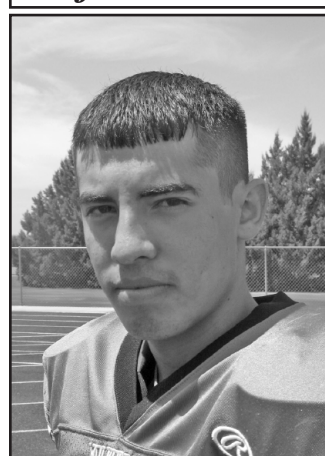

The Wolverines responded quickly. QB Bailey found Winkles with a perfect pass down the right sideline for 30 yards. Winkles hauled it in with a nifty dance to keep inbounds at the Ram 6.

From there, Johnson scored to give Texico the lead for good. The Posada kick made it 14-7.

On the ensuing kickoff, Posada booted the ball high and short and Johnson outthusted the Rams special team to make a leaping grab of the ball, giving the Wolverines possession at the Portales 40.

It took the Texico offense just 2 plays and

Wolverines of the Week

Coach Autrey named as Wolverines of the Week: offense - Roger Gomez, above; defense - the entire 11-man squad.

38 seconds to score on another Johnson run, followed by a Posada kick.

The 4th quarter saw the Ram offense mount a charge only to be stymied by the Wolverine defense. A sack and a penalty with the offense on the move ended the last Portales scoring opportunity.

Bailey finished off the scoring with a 58-yard power run right through the heart of the Ram defense.

As coach Ryan Autrey said after the game, this is just another step up that ladder leading to the team's goal.

Team stats: 1st downs, Portales 7, Texico 13; rushing yards, Portales 99, Texico 297; passing yards, Portales 56, Texico 102; pass attempts, Portales 10 for 19, Texico 8 for 15; and penalties, Portales, 8 for 61 yards; Texico, 11 for 75.

Mustangs tip Steers

The Bovina Mustangs topped the Farwell Steers at Farwell last Friday, 31-28.

Bovina is now 3-0 in pre-district while Farwell is 0-3.

Farwell started at its 11. Colby Read ran for 15 as Fernando Banuelos had a good tackle. Bovina had a QB sack but a penalty gave Farwell a first down. Landry Actkinson hit Kyler Steinbock with a 16-yard pass, with Ricardo DeLaRosa on the tackle.

The long Steers drive was halted on a Desmond Fox interception at the Bovina 10; he returned it 10 yards.

Bovina's Frankie Guevara ripped off runs of 5 and 10 yards. Fox ran for 10, tackled by Mason Howard. Guevara ran for 15 more. Steinbock had a TD-saving tackle on a 20-yard run by Rolando Perez.

Guevara picked up 10 to the Farwell 5. Zac Stancell had an awesome tackle as Bovina faced a 4th and goal from the 2. QB Dorian Vela kept for the TD at 4:22. Daniel Rivera kicked the point after and it was 7-0.

A pooch kick didn't work for Bovina and Farwell got the ball near midfield.

Bovina's Guevara had a good tackle and Miguel Jaramillo broke up a pass. Farwell punted to the Bovina 28.

Farwell's Edgar Cuevas had a strong

tackle, and Bovina punted. Farwell's Victor Mendoza had runs of 6, 5, 6 and 6 yards as the 2nd quarter opened.

Actkinson hit Kolten Morris with a 10 yard pass, as Andrew Marrufo made a good tackle. Rodrigo Zapata also had a strong tackle. But Farwell moved the ball downfield and got a TD on a 2-yard plunge by Read at 9:33 behind a lead block by Howard. The kick was wide and Bovina still led, 7-6.

Bovina started at its 41. Vela hit Fox with a 7-yard pass. On defense, Howard had a good tackle and Mason Coburn had good pass defense. Bovina punted to the Farwell 10.

A pitch was fumbled, and recovered by Bovina's Perez in the end zone for a TD. The Rivera kick made it 14-7.

Bovina tried an onside kick but Farwell got the ball at its 40. Matt Knoll had a good tackle. Actkinson then passed to Caleb Christian, who ran to the Bovina 1. After a penalty, Read scored from 6 yards out behind blocking by Matt Martin and Nathaniel Gonzales at 4:43. Read ran for the 2 extra points behind Stancell, tying the game at 14-all.

Bovina started at its 38. Vela hit Marrufo with a 9-yard pass, with Russell Schilling on the tackle. Schilling then

made a good pass defensive play. Guevara burst

up the middle for a 52-yard TD at 3:55. The Rivera kick put Bovina ahead, 21-14.

Hunter Black returned the kick 25 yards to the Farwell 35. Bovina's Miguel Jaramillo intercepted a long pass and returned it 20 yards to midfield. Two penalties against Farwell put the ball on the Steers 17. Read had a QB pressure. With less than a minute left in the half, Rivera booted a 27-yard field goal to open a 24-14 lead.

The Mustangs opened the 2nd half on their 35. Actkinson had a good tackle. Then Aaron Warren recovered a fumble at the Bovina 32.

Actkinson hit Caleb Christian with an 8-yard pass. On 4th and 4, Farwell was held on a running play.

For Bovina, Vela passed to Marrufo for 11 yards. But Farwell's defense played tough, with Stancell and Collin Christian combining for a strong tackle, and Rane Carpenter having a QB sack for an 11-yard loss.

Farwell got the ball back at its 27. Collin Christian caught a pass for 11 yards, tackled by D.J. Hancock. Steinbock took a short pass and raced for 30 yards. Read ran for 19. Actkinson scored from the 1 at 2:08 behind Warren. A pass for extra points failed and it was 24-20.

JH, JV Colts fall to Farwell

From Coach DeLeon:

Bovina JV lost to Farwell 7-6. "The whole team played hard. The defense was hitting real hard and this was the third game in a row in which they forced turnovers. The offense moved the ball well."

The Maroon team lost to Farwell, 14-6. "This was their first game of the year and they played real well. The defense

played extremely well."

The White team lost to Farwell, 20-8. "The score doesn't indicate how tough a game this was. Both sides of the ball played extremely well. For many of the kids, this was their first football game ever played, and they did a real good job."
