ST. JOHN'S LUTHERAN CHURCH

St. John Lutheran seeks the honor and glory of God

Early in 1921, a Lutheran service was held about 5 miles northwest of Lariat. Later that year, St. John Lutheran Congregation was organized.

Services were held in a home until 1924 when a schoolhouse was purchased and later that year moved to just beyond the north edge of Lariat. This served as a house of worship until July 1953 when the present church building was dedicated. In July 1956 a parish hall was built as an addition to the church providing Sunday School rooms, an auditorium and church office.

Editor's note: This is one article in a periodic series featuring a review of the area churches.

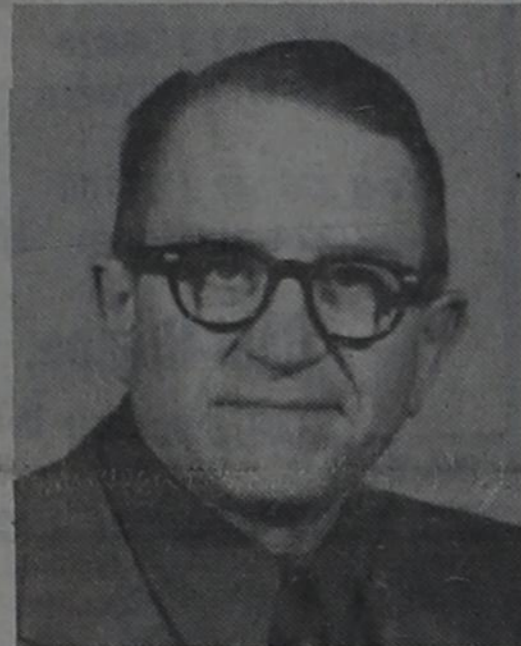

St. John congregation was served by pastors from Immanuel Lutheran Church of (Rhea) Rt. 2, Friona and Immanuel Lutheran Church of Hereford until 1924 when one pastor served Immanuel Rhea and St. John, Lariat.

In 1941 a parsonage was built which served as a home for pastors until the present parsonage was built in 1975.

During the past 63 years St. John Congregation has been served by about 15 pastors and about 7 pastors of neighboring congregations who served during the interim or vacancy when the congregation was without a pastor.

The present pastor is Herman J. Schelter, a native of Minnesota and graduate of Concordia Theological Seminary, Springfield, Illinois in 1944. He received a Master of

White: Fire Dep't not pushing petition

Farwell Volunteer Fire Department Chief Joel White said Monday the fire department was not involved in pushing the petition drive for a special city election.

Last week, David Kube brought a petition to the City Council with the names of more than 100 people requesting a special election next year.

For it to be held, at least 60 valid signatures are required. City Clerk Janie Bowery is checking the list.

If a valid total is reached, an election would be held to determine if the city government should be changed to five councilmen. Currently, there are two councilmen -- Jerry Monk and Fred Chandler.

When Kube presented the petition to the City Council, he was quizzed as to whose idea it was to push the petition. Kube mentioned the fire department in his answer.

But White stressed this week that Kube is not a member of the Farwell Fire Department "and we are

not a political organization. We are not pro or con the special election and Kube has no authority to speak for the fire department."

White noted that the fire department has 19 volunteers, some of whom live outside the city limits.

White said he believed some of the firefighters signed the petition "but as taxpayers, not as firemen."

Asked to comment about the indication that the firefighters were somewhat unhappy about funds they have gotten from the city council, Robert White, fire department secretary, replied, "Sure, we're unhappy when we don't get funds we ask for, but we are not going to complain. We see a need and most of the time the city council meets those needs."

When he presented his petition to the city council, Kube stressed that he thought Chandler and Monk had done a fine job but he felt more involvement was needed -- "three more aldermen to discuss the issues."

Texico seeks a computer system

Texico Schools have begun a coupon-saving project to get two IBM PC jr. computer systems.

Area residents are asked to save Universal Produce Codes (UPC symbols -- the bars on different products that tell what the prices are) for the following brands:

Bounty paper towels, Citrus Hill orange juice, Coast soap, Crest toothpaste, Encaprin arthritis pain reliever, Luvs diapers, Prell Concentrate shampoo, Puffs facial tissues, Sure Solid deodorant, Sure Roll-On deodorant, Tide laundry detergent, Crush carbonated beverage (16 oz. and 10 oz. bottles) Jif peanut butter, Scope mouthwash, Crush carbonated beverage (2 liter bottles), Pert shampoo, Liquid Prell shampoo, and Crush cans (specially marked pull-off tabs).

Computer science teacher Ronnie Warmuth is spearheading the project.

"We need 15,000 UPC symbols to get the systems," Warmuth said. "We can get one for 7,500 codes. The systems would be used for all students, both in the elementary school and in the high schools."

If the schools were to purchase the two systems, it would cost more than \$1,000, Warmuth said.

He added that the project, co-sponsored by IBM and Proctor & Gamble, is available in only certain areas and he did not believe Farwell Schools could participate. So he is hoping all residents of the Twin Cities area will help in this effort.

The deadline for the UPC collection is Jan. 31, 1985.

Area residents can bring UPC's from the brands listed to Warmuth at the high school. Other collection points will be announced next week and weekly totals will be noted.

25 CENTS

Goettsch, Parker lead at contest midpoint

For the first time in this year's football contest, there was a tie for first place.

Both Maria Vidaurri and Angela Jaime had the same number of correct answers, plus having the same total for the tiebreaker.

Each had 10 answers correct. Ms. Vidaurri guessed the tiebreaker to be 38-7 in favor of Farwell, while Ms. Jaime predicted a 28-17 score. Farwell won, 26-0.

Both winners received \$7.50 prizes for sharing first place.

With nine answers correct were Sam Sanchez, Jane Kent, Duane Hamar, Mike Goettsch and Carl Dean Goettsch.

With the 26th annual contest at the halfway point, here are the leaders: 50 points -- Gay Goettsch, Jim Parker.

49 points -- Buck Gregory, Duane Hamar, James Williams.

skins-Dallas Cowboys game Dec. 9. The prize also includes lodging at the Regent Hotel in Dallas, transportation to and from the game and \$50 spending money.

Each contestant can have only one entry. Entry blanks are on the contest page in today's newspaper and are available at the Tribune office. You must be at least 12 years old to enter.

Totals are on display at the Tribune office from 8:30 a.m. to 5:30 p.m. All entries must be turned in at the Tribune office before 5 p.m. Friday (today) or, if mailed, bear a Friday postmark.

Scores in last week's game were on the low side as several upsets occurred. Many contestants who had been at the top of the pack scored in the 5 to 7 range.

Results of last week's games were: Texico over Hagerman, Friona over Floydada, Idalou over Muleshoe, Alabama over Penn State, Oklahoma tied Texas, Air Force over Notre Dame, TCU over Rice, Iowa over Purdue, LA Rams over New Orleans, Kansas City over San Diego, NY Giants over Atlanta and St. Louis over Chicago.

Farwell's Edwards honored

Frank Edwards of Farwell was recently honored for 32 years of active service as a deacon in the Oklahoma Lane Baptist Church.

The deacons of the church honored Edwards with refreshments and presented him with a plaque after services on Oct. 7.

Edwards was born in Union, Miss., in 1896. He came to Whiteflat, Texas, where he met and married Maybelle Donaldson on April 19, 1930. The Edwards farmed there for the next 25 years, raising "cotton mostly," he said.

Edwards said, "I remember back in those days, raising cotton was a little tougher than it is now. We used to get cousins, neighbors or anyone passing by to help pick cotton. Nobody liked to pick it but it was an honest day's work. Nowadays, you have all this fine machinery to help get in the crops.

"Picking cotton wasn't all there was to it either. We had to chop, hoe, and pull bolls among other stuff," he said.

After leaving Whiteflat, the Edwards came to Parmer County around Christmas 1966, settling in Bovina where they farmed for approximately 15 more years and then retired. They moved to Farwell in 1977.

"We've met some wonderful

people in our lives. The people here in Parmer County have all been so nice. We were made to feel welcome right off the bat," said Mrs. Edwards.

Edwards served as deacon in Whiteflat Baptist Church from 1936 to 1951. Mrs. Edwards was clerk and treasurer there for eight years prior

Divinity degree in 1975.

He and his wife have two sons -- one serving as pastor of St. James Lutheran Church of Grosse Pointe (Detroit), Michigan, and the other as pastor of Grace Lutheran Church of Oklahoma City, Okla.

The Rev. Mr. Schelter said the purpose and goal of St. John Congregation is to seek the honor and glory of God, carry out His will, manifest the unity of its faith in Jesus Christ as Lord and Savior, to spread the kingdom of God and to foster Christian fellowship and love.

This is done by preaching the Word of God, administering the Sacraments, Baptism and the Lord's Supper -- by instruction in God's Word in the worship Service, in Sunday School and Bible Classes, in children's confirmation classes and in adult classes for those who seek to become affiliated with the church later in life.

One goal of the congregation is to seek and reach those who are not affiliated with a Christian church. Through such teaching of God's Word and administration of the Sacraments the Holy Spirit brings and keeps people in faith in Jesus Christ, receiving forgiveness of sins, the sure hope of eternal life, and strength to live a godly life here, said the Rev. Mr. Schelter.

St. John Congregation is affiliated with The Lutheran Church--Missouri Synod, Texas District which has

congregations and missions in some 28 countries overseas. Together with District and Synod the congregation seeks to reach people with the Gospel outside the community, in Texas, America and the world--to train pastors, teachers and missionaries through its colleges and seminaries, sending them and supporting them in missions, especially in areas where there are no Christian churches, or missionaries.

St. John also carries out its goal through auxiliary organizations--Lutheran Youth fellowship for youth, and Lutheran Women's Missionary League for women.

St. John Congregation encourages and teaches obedience to the government, paying taxes, voting, serving in office and being useful citizens in the community--giving the community its support.

The needy receive help and support from St. John Congregation through the agency of Lutheran world relief and world hunger. It is a faithful supporter of "The Lutheran Hour" and the TV program "This Is The Life."

A Braille center meets monthly when ladies of St. John and neighboring congregations prepare Braille books for the blind throughout the world.

St. John congregation has a pre-kindergarten school which meets once a week.

Carpeting prices to be checked

The Farwell Booster Club decided Tuesday night to check into the cost of carpeting the weightlifting room at Farwell School.

The club discussed various projects it might be able to provide

partial funding for, such as video camera and pole vaulting pit.

But the club seemed to lean toward the carpeting as a likely project.

Edwards

to coming to Parmer County. Edwards served as deacon at Oklahoma Lane Baptist Church from 1951 until this year when he retired.

He has spent 48 years serving as deacon for the two churches.

Edwards went on to say, "As far as I know, I'm the last surviving veteran of World War I in Parmer County." He served in the Infantry in 1918, spending 11 months in France, Belgium and England.

"Half of our company went to the front line during the tour in England. The other half stayed at Camp

Standon near Liverpool under a spinal meningitis quarantine. I was among the quarantined bunch," he said.

After his discharge from the service, Edwards came back to Mississippi where he went to work building roads for the county.

"Now that was hard work. We used an outfit called a 'wheeler'. It was a thing with wheels and a scoop under it and pulled out two yards of dirt at a time," he said. "It took two mules to unload and five to load the

thing. We sure were tired at the end of the day. After a few years I decided to look for a lighter kind of work."

He said, "An old boy told me that you could go to Texas, get six mules and start farming and you could ride all day. That sounded a whole lot easier way to make a living than building roads. And it was, too."

This year the Edwards took a trip back to Mississippi with the Christian and Corn families of Farwell. They traveled over some of the same roads Edwards helped build.

Ed Corn asked him, "How in the world do you remember these roads?"

Edwards replied, "If you'd work-

ed on them as many years as I did, you'd remember them, too."

Edwards recalls the first time he went 'snipe' hunting. "I was about 7 years old and they took me into the woods, gave me a sack and a little light and said they would 'drive' the 'snipes' out.

"Well, that light lasted about 15 minutes and went out and so did I. I commenced to screaming and hollering. I was scared to death."

Since then, he found out what 'snipes' were and it sure wasn't the birds he thought they were. There is no such creature.

When asked what future plans he had, Edwards simply said, "Just to live and enjoy each day as it comes."

Real estate office opens

Ronald Byrd has opened his own real estate business in Farwell.

He will be specializing in farms and ranches. His new office is

located on E. Highway 70.

Byrd was associated with J.B. Sudderth Realty for the past six years.

In reference to his knowledge of real estate, Byrd stated, "I had a real good teacher."

Byrd grew up in the West Camp area and attended school in Muleshoe. He is married to the former LeAndra Chadwick of Farwell.

They have two sons, Chad 10 and Quinn 5, and reside at 705 3rd St. in Farwell.

Boot shop opens

David Aronce of Friona has opened a boot shop at 622 Wheeler in Texico.

Aronce worked as a bootmaker and an inspector for Adams Boots in El Paso, so he has an eye for quality.

His store will sell first quality leather boots and high quality boots with slight imperfections.

"I like the area," said Aronce. "There is lots of traffic, and it is in a nice town."

Texico exams set

Texico schools will have their nine week exams Thursday and Friday, Oct. 18 and 19.

DANGER!

HIGH VOLTAGE

COTTON HARVEST IS HERE AGAIN and BAILEY COUNTY ELECTRIC COOPERATIVE ASSN. urges extreme caution when operating farm equipment near electric lines!

In recent years, many tragic incidents have occurred involving cotton module builders and power lines. The extended portion of the cotton module builder can come into contact with overhead electric lines if the operator is not very careful.

The same problem exists with overhead baskets on cotton strippers.

We urge farmers and their employees to be alert to these potential hazards and to take every possible precaution to avoid serious injury... or even death! When you are moving a module builder, be sure the packer arm is lowed as far as it will go. When using a stripper with an overhead basket, be sure to check for overhead lines before dumping.

If some piece of equipment DOES contact these 7200 volt lines, it is important that you or the operator not try to simply back away. The line could break, or if it's already broken, it could tangle in the equipment and break again, compounding the problem and increasing the danger. Jump clear of the machine, being sure NOT to touch the ground and the machine at the same time. Move quickly away at a right angle to the power line. Then call the Cooperative office whether or not the line is broken so they can help you.

REMEMBER -- a little precaution is ALWAYS worth the time it takes !!

Farwell Elementary students make cameras

Students in Mrs. Craig's 3rd grade class at Farwell Elementary School made box cameras that actually took pictures. The cameras were made from oatmeal boxes and painted black in-

side with a piece of black construction paper to form the shutter.

A plain piece of paper was used as film. Mrs. Craig said the children were

"terribly excited. They couldn't believe it."

The kids are doing photograms now and learning how to use a real camera.

Turner backs Educational Bond Act

Dr. James Turner, director of business affairs at Eastern New Mexico University, spoke at the Texico-Farwell Rotary Club meeting last week and urged support of the Educational Bond Act on the November election ballot in New Mexico.

The act, established by the state Legislature, would provide more than \$6 million for ENMU projects.

On the Clovis campus, \$1,696,800 would be for the construction of Phase IV, a new facility that would centralize the instructional and

operational functions of computing services. A portion of the funds would be used for alterations of the areas that are currently occupied by computer and other programs.

The act also includes a formula for the four-year institutions to purchase science and engineering equipment for instructional purposes. Four percent, or a maximum of \$160,000 of the available \$4 million for this activity, would be for Eastern.

There will also be \$4 million designated for all New Mexico col-

leges and universities to purchase new library materials, library equipment and to improve the efficiency of libraries through usage of data bases and inter-library loans.

All told, the act would provide \$64 million for New Mexico education.

Southern Union Gas opens Farwell office

Farwell's natural gas users can stop their monthly bill-paying trips to Clovis.

Southern Union Gas Co. has opened a business office in Farwell's City Hall as of Oct. 1, and residents

can begin paying their bills there. Larry Cochran, Southern Union Gas Company agent, will be in charge of Farwell's gas service, handling new installations, repairs and maintenance. Janie Bowery,

Farwell city clerk, will help with collections.

"We are excited about this change," Cochran said. "Opening an office here in Farwell brings us closer to our customers. I think everyone will find us more accessible and more responsive to their needs."

Hours are 8 a.m. to 5 p.m., Monday through Friday. Residents may call 481-3849 for information or assistance.

Southern Union Gas Company, a division of Dallas based Southern Union Company, is a natural gas distribution company serving 360,000 customers in Arizona, Oklahoma and Texas.

Troop 200 visits refuge

The Cub Scout pack meeting will be held on Oct. 25 at Lockwood School in Clovis at 7 p.m. MDT.

At the pack meeting, boys will receive awards for their achievements and they will join in some enjoyable activities.

Cub Scout leaders' training will be held Oct. 22 and 23 in Clovis. New leaders will learn about planning and carrying out Cub Scout programs.

The Cub Scout Pow Wow will be held at Goddard High School in Roswell on Nov. 10. The Pow Wow is a place for leaders to learn new arts and crafts and games and skills to teach the boys. Leaders will have the opportunity to learn how other leaders carry out the Cub Scout activities.

Farwell Cub Scouts have been busy in recent weeks.

The Bear den held its first meeting on Sept. 13. During that meeting the boys visited the State Line Tribune. By the end of the meeting, the boys had accomplished one requirement for two different achievements without even knowing that they were working toward a badge.

The Bear den was presented with a flag from the VFW in Clovis. They will use it each time they say the Pledge of Allegiance, and when they march in parades.

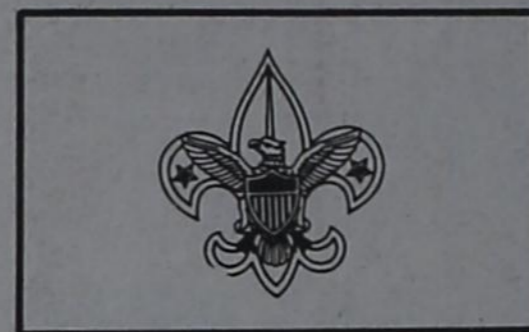

This month the Bears are learning about the wild west. Steven Hillock displayed Indian arrowheads and spearheads that he had made in the traditional Indian manner. He told the boys about some of the customs of the Indian tribes of this area. The boys enjoyed his talk so much that they stayed at the meeting past their usual time.

Rainfall reported

Snow, snow everywhere -- except in this area. But wait...the Farwell-Texico area is going to get it sooner or later.

The area had quite a little rain-storm Monday night along with all the rain it had during the day.

According to area reports, Farwell received about half an inch while Texico had about nine tenths. In other areas, east of town around Lariat reported seven tenths of an inch, north of town had three quarters and south had one inch.

The boys have also made Indian style drums and rattles.

Members of the Bear den are: Clay Corn, Craig Wahl, Mark Chandler, Brandon Kirkland, Jody Mahaney, Kevin Welch, Manny

Saiz, Clint Austin, and Robbie Pomper. The co-leaders are Lynn Mahaney and Judy Pomper.

Boy Scout Troop 200 visited the Muleshoe National Wild Life Refuge on Oct. 12 and 13 for a campout. The highlight of the trip was watching the sandhill cranes. Boys also worked toward skill awards.

Boy Scout Camporee will be held Oct. 26 at Ft. Sumner, N.M. During the weekend, boys will learn camping skills and participate in skill events.

Alligator captured

Jason Newson, 13 of Farwell, recently captured and killed an 11 foot, 500 pound American alligator. Jason is the youngest registered alligator permit holder in 1984 according to Texas Parks and Wildlife. Hunting with Jason was his father, Hal Newson, owner of Newson's Wild Life Management Center, and Butch Helfelfinger of Waco. Also along with the hunters was a professional alligator hunt guide from Houston. The catch was taken on a two-day hunt from Pecan Bend Lake in Ft. Bend County.

Steers on rampage

by MARK COLE

The Farwell Steers successfully completed their first step on the road to a third straight district title by shutting out the Vega Longhorns, 26-0 at Steer Stadium Friday night.

The Steers were led by a tough defense which allowed Vega only 2 first downs. An explosive running game piled up 286 yards behind running backs Kevin Owen, Roger Robertson and Bobby Ford, and quarterback Blake Kelley.

The first half went slowly for the Steers, because of turnovers, but the defense stood firm and kept the Longhorns from gaining any advantage.

Early in the 2nd quarter it was the defense which came up with the first big play for the Steers. After pinning Vega close to their own end zone they forced a punt on 4th and 15. The Vega punter fumbled the snap and Steer defensive lineman Ricky Sikes alertly covered the ball for six points. This was the only

scoring opportunity for Farwell in the first half.

In the second half the Steers came out and exploded on a 65-yard, 6-play scoring drive. Roger Robertson and Kevin Owen drove the ball to the 49 on short carries. Blake Kelley made the biggest play of the drive on a 2nd and 3 play when he kept the ball and broke into the secondary and sprinted 49 yards into the end zone. Kevin Owen provided the 3-yard run for the 2-point conversion.

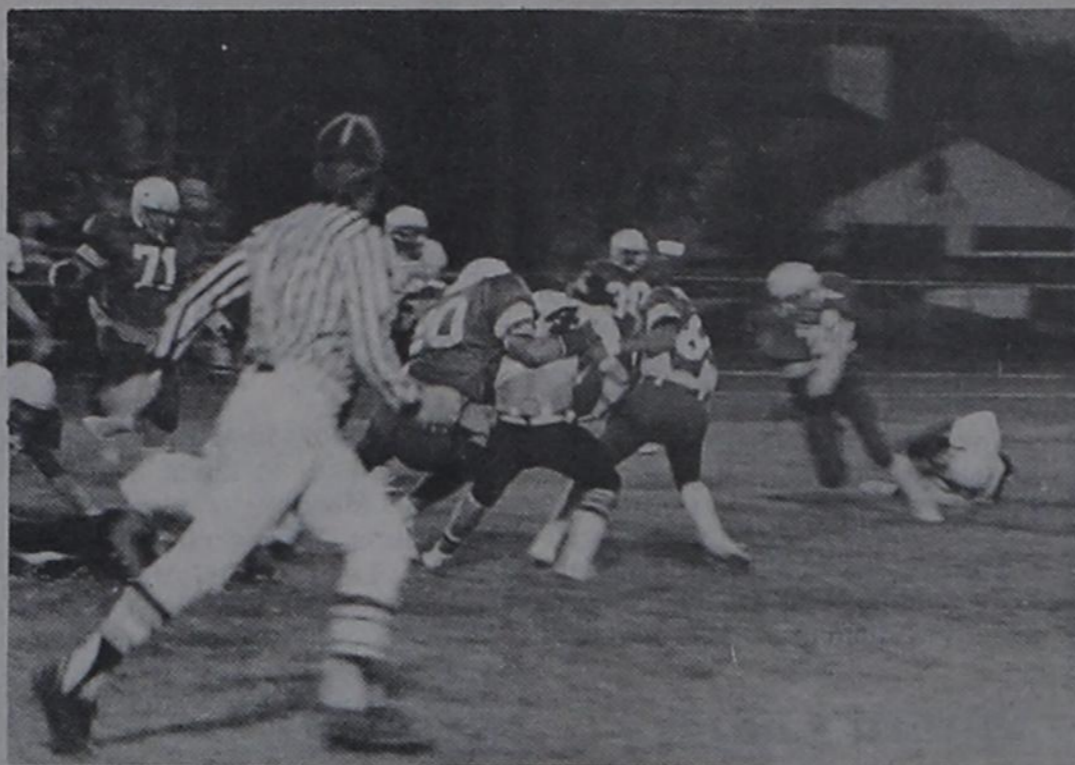

The Longhorns attempted to strike back, but the Steer defense remained unmovable. Kevin Owen made a big tackle at the line of scrimmage on first down, and Carey Stancell made the stops on 2nd and 3rd downs, which forced a punt.

The Steers took advantage of regaining possession of the ball, and march downfield for their 2nd straight scoring drive.

Roger Robertson began the drive by making a pair of 5-yard runs, which was followed by a Bobby Ford sprint for 30 more. Kevin Owen added two 6-yarders which brought the ball to the 2. Bobby Ford carried across from that point for the TD.

The Steers led 20-0, but were unable to score again until late in the game when David Rubio recovered a fumble, to give the Steers possession on the Vega 10.

David Woods carried the ball to the 2 on first down, and Kevin Owen powered his way across the goal line on 3rd down to finish the scoring.

Defensive efforts

The Farwell Steer defense zeroes in on Vega runners. The defense kept Vega from scoring as Farwell won, 26-0.

Barnes pleased with defense

The Farwell Steers zapped Vega in their first district game Friday night by a score of 26-0.

Coach Monte Barnes said, "We had an excellent game on defense. We held Vega to two first downs for the entire game. The two first downs were on penalties for roughing the punter. Vega never ran more than three plays in a row during the whole game."

Barnes said, "The defense played extremely well. Their effort was great and enthusiasm was good. The offense was a little slow getting started. The field position hurt us a little bit because of Vega's punts. They came down close to our goal line a couple of times."

Blake Kelley got things rolling in the second half offensively by breaking a 47-yd TD run. "From

there we gained momentum and looked better," said Barnes.

Bobby Ford had 65 yards on 10 carries, one TD, and 2 pass receptions.

Ricky Sikes, a lineman on offense and defense, recovered a fumble in the end zone for the first TD in his high school career.

Barnes said, "We threw the ball better this week but we still need to improve our offensive execution."

This week's game will be against Lazbuddie at 7:30 p.m. in Lazbuddie Friday (tonight).

Farwell Junior High dominates Vega, 28-6

Farwell Junior High beat Vega, 28-6, Oct. 11.

"This was another good performance by our junior high school. We got a very strong effort from our starters again this week, especially in the first half. We were ahead 28-0 at the half. We had the kind of effort where we were able to let our younger players get some quality playing time again. We had some good individual performances and a super overall team effort," said Coach Rex Cumpton.

Individual statistics include: Jeff Atkinson: rushing, 131

yards; passing, 2 completed for 63 yards; scored 2 TD's and recovered one fumble.

Jaime Mendoza: rushing, 34 yards; receiving, one for 33 yards; scoring, 1 TD.

Curtis Chisom: rushing, 4 yards; scoring, 1 TD; recovered one fumble.

Reuben Ortega: rushing, 25 yards; scoring, 2 extra points; receiving, one catch for 30 yards.

David Price: one pass interception.

Total offense: rushing, 196 yards; passing, 63 yards.

Recipients of the Steer of the Week award for this week are offensive player Bobby Ford, pictured, and "the whole team" for defense. Bobby got his award for 65 yards on 10 carries, 1 TD and 2 pass receptions. The whole defense team award was for total teamwork, said Coach Monte Barnes.

Farwell JV beats Vega

The Farwell Junior Varsity team beat Vega on Oct. 11.

The first score was on a pass from Damon George to Longley. The extra points were scored by George. The second score was on a pass from George to Longley.

"The defense was outstanding, led by Longley," said Coach Larry Gregory.

In the game against Sudan on Oct. 4, Farwell won 22-14.

Schueler re-elected

Raymond Schueler of Rhea community was recently re-elected to the Parmer County Soil and Water Conservation District board of directors Oct. 2. Schueler represents Zone #1 of the district.

The purpose of the Parmer County SWCD, with headquarters in Friona is to promote sound soil and water conservation programs on farms and ranch lands within the district and to serve as a voice for farmers and ranchers on conservation matters and other issues affecting private property rights of landowners.

The board of directors coordinates the conservation efforts of various local, state and federal agencies and other organizations and has authority to enter into working agreements with these governmental agencies and private concerns to carry out its purposes.

Schueler, who is a long time resident of the Rhea community, has been farming a number of years. He is active in local church and community affairs. Raymond and his wife, Lorna, have four children and five grandchildren.

Whitewash time

Texico's Wolverines posted their second straight shutout as they defeated Hagerman, 19-0, last Friday. The Wolverines, 1-0 in district play, opened the scoring in the first period when Billy Bibbs scored from the 9 yard line with nine minutes left. It was the first of his three touchdowns.

With 8:21 left in the second quarter, Bibbs struck for paydirt again, this time from the eight yard line. Then in the fourth quarter Bibbs punched over from the one, with 4:45 to go.

Texico also converted on one extra point, a kick by Danny Powell. For the game, Bibbs rushed 33 times for 181 yards. Danny Powell ran 12 times for 71 yards, Ronnie Galvan 11 times for 51 yards.

Doug Thornton caught one pass for 20 yards, and Regan Williams caught one for 8 yards. Powell was 2 for 5 in the passing department.

Texico's ground game racked up 323 yards, while Hagerman could only manage 15 yards in 24 attempts. In the air, Texico gained 28 yards and Hagerman 54.

Texico Wolverine Coach Dave Lynn said his team is performing better as it gets more experienced. "We lost some good athletes after

last season, but our kids are improving rapidly," Lynn said. "Offensively, we are showing more variety and defensively, we are doing extremely well."

Texico has shut out its last two opponents, Springer and Hagerman.

As for the whitewash of Hagerman, Lynn said the Wolverines had trouble getting the ball into the end zone "and penalties came at inopportune times. But our secondary is performing better as the kids get more experience."

He also noted that Danny Powell returned as quarterback after an injury, thus helping the offense.

Texico is 1-0 in district play and takes on Melrose (1-1 in district) at 7:30 p.m. (MDT) tonight (Friday) in Texico.

Big Lick Award

The Big Lick awards went this week to, from left, Kyle Snipes for offense, and Jody McDonald and Mike Hardegree for defense.

Lady Spikers stay in 1st place

Despite a loss to Floyd last week, the Texico Lady Spikers varsity girls' volleyball team remained in first place with a 4-1 record. The team is 9-2 on the season. Floyd won, 15-17, 9-15, 15-6, 15-9 and 8-15.

Also against Floyd, Texico's junior varsity lost, 5-15 and 11-15; and Texico's junior high lost, 14-16, 16-14 and 8-15.

Against Portales last week, Texico's seventh-eighth grade squad won, 15-6 and 16-14; the eighth-ninth squad lost, 10-15, 15-9 and 10-15; and the junior varsity (playing against Portales freshmen) lost, 4-15 and 7-15.

Texico Juniors stay undefeated

Texico Junior High upped its record to 4-0 by defeating Ft. Sumner last week, 18-14.

With 1:40 left in the game, Cory McDaniel punched over from three yards out to overcome the Ft. Sumner 14-12 lead.

In the first quarter, Ft. Sumner scored on a 65-yard punt return. Then McDaniel scored the first of his three touchdowns by bowling over from the 1 yard line. Ft. Sumner scored again on a 50-yard pass interception to give them a 14-6 lead. Late in the second quarter, McDaniel scored from 2 yards out to close the score to 14-12. That's the way it remained until McDaniel's final TD.

For the game, McDaniel rushed 34 times for 151 yards. Urban Orozco ran 7 times for 32 yards, Larry Powell twice for 9, and Keith Harrison twice for 23.

Bret Taylor and Orozco both caught two passes, while Lance Akers caught one. Larry Powell was 5 for 9 in the pass department, with one interception.

Overall, Texico gained 275 yards, to Ft. Sumner's 59.

Leading tacklers for Texico were McDaniel, 12; Orozco and Bret Taylor, 7; Aaron Scott and Ronnie Autrey, 5. Terry Allen had a pass interception. Autrey recovered two fumbles, McDaniel one and Scott one.

Big Lick winners were (offense) Cory McDaniel and the offensive line and (defense) Taylor and Orozco.

Four-game totals show Texico outscoring its opponents, 52-28. McDaniel has gained 532 yards; Orozco, 72; Harrison, 36, and Powell 19. McDaniel has scored 6 TD's.

Harrison, Akers and Taylor have caught three passes each. Powell is 11 for 27 in the passing department, with one TD.

The four-game totals show Texico gaining 781 yards to its opponents' 244. Texico has had 36 first downs, with 646 yards rushing and 135 yards passing.

Texico has recovered 11 fumbles to its opponents' 10, been penalized 31 times to its opponents' 18.

The junior high football game against Tucumcari this Saturday, Oct. 20, will be in Tucumcari.

Harris takes over reins at Lazbuddie

Steve Harris is the new coach for the Lazbuddie Longhorns. He replaced Coach Bo Williams, who has resigned.

In the game last week between Lazbuddie and Kress, the Kangaroos beat the Longhorns, 26-6.

"We probably played the best game we played all year. The boys played a real good game and had fun doing it," said Coach Harris. "Good field position had a lot to do with the game. They (Kress) had

308 yards for total offense and we had 100 yards."

A freshman, Timmy Lust stepped in as quarterback. He completed 5 of 16 passes. Lust made a 24-yd. TD pass to Paul Gonzalez.

Harris said, "I think there's only one way for us to go, and that's up. We have eight new good-size kids. The school spirit is up and starting to percolate. I think people will start looking at Lazbuddie a little differently."

PEOPLE POWER 60,000,000 STRONG

They are all member-owners of the nation's 40,000 cooperatives found in every state from coast to coast.

They are the people you know and work with every day, committed to the cooperative way of conducting business because it's proven to be both highly efficient and an extremely economical way to meet a variety of needs.

There are cooperatives for electric and telephone service, farm credit, farm marketing and farm supply, food, insurance, health and day care, and credit unions. They're found in the city, in the country, and in between. Cooperatives are big and they're small, but they provide the goods, services and jobs that benefit the entire country.

Co-op people are proud of their consumer-owned business. They've grown and flourished and helped their communities thrive. And thriving communities mean a better America in every way.

Band attends marching contest

The Farwell High School band went to Lubbock Oct. 13 to participate in the Texas Tech Marching contest.
 This was a pre-contest of the Universal Interscholastic League to get ready for the big contest next week.

The upcoming contest to be held Oct. 20, will be at Jones Stadium in Lubbock.
 "The band did real well. They were judged pretty hard," said band director Lynn Burton.
