NUMBER 49

SIXTY-SIXTH YEAR

20 CENTS

Oh Boy! What a magnificent tax break Dolph Briscoe's special session of the legislature gave to the public. We will now be relieved of paying sales tax on our utility bills. At our house this will amount to \$2 to \$3 a month. We could save that much by drinking two cups of coffee less per week.

Our homestead exemption will be increased, but we are not aged or infirm, except in the head. Our estate will enjoy a tax break but we do not plan to die right soon just to cash in on that goodie.

We will have the privilege of voting on several future tax reductions; however, the mechanics of these reductions are not worked out. Well, we bought a "pig in a poke" when we elected these bums to office so we suppose voting on a nebulous tax reduction will be "business as usual."

In short, as we said six weeks ago, the special session "stunk," in fact over \$2 million worth.

Tax reductions on the populace are in order, but, and this is crucial, legislation curtailing expenditures is a must also. To our knowledge that bunch of high rollers in Austin passed not one bill curtailing expenses.

In fact it seems that they will eventually completely disperse the state surplus in an effort to "make up" for lost taxes.

A government only needs income (taxes) to pay for its outgo. By reducing the outgo of the government treasury less income (taxes) will be necessary from the people.

The hullabaloo over taxes is not in the final analysis a "tax" revolt. It is a protest against the outrageous inroads of inflation on the American family income. So to do the proper job of aiding the family income it is inflation that must be controlled and if the government continues to deficit spend and cut taxes it will only increase the rate of inflation.

Therefore, it is easy to see that a small bit of "tax relief" without corresponding cuts in government spending is counterproductive. In other words a \$100 a year cut in taxes will be more than swallowed up in loss of buying power due to the inflation pressures caused by the tax decrease.

This is a typical political ploy; give you a hundred bucks in one pocket and sneakily slip two hundred out of the other.

The unmistakable signs of fall are in the air. Over on the park lawn groups of industrious cheerleaders are busy perfecting their fall routines. Football practice is starting and grunts and groans will emanate from practice fields for all to hear.

Good ol' Sol is lagging in the morning and hurrying away in the evening. Our soft maple is silently donning fall colors and soon a blaze of fall flowers will enrich the scenery.

The school administrations are hurriedly putting the educational machinery back in gear after a three-month hiatus and custodians are readying classrooms for eager (?) scholars.

Soon the glorious fall will be upon us, a time of mellow days, crisp evenings and rich contrasting foliage. It is a time of reaping nature's bounties and thanksgiving to the Lord for his goodness to his children.

Be glad you live on the High Plains.

Boosters To Meet

Farwell Booster Club will meet Monday, Aug. 21, at 8 p.m. CDT at Clara's restaurant.

Parents and fans, both men and women, are asked to attend this all important first meeting.

Texico Registration

Kenneth Shaw, far right, Texico Junior High principal, assisted students Tuesday and Wednesday as they registered for the 1978-79 school year. Among the students who registered Tuesday morning were, from left, standing: Jeff Johnson, son of Mr. and Mrs. Bobby Johnson, and Scott Elliott, son of Mr. and Mrs. Phill Elliott, both seventh graders. Seated are Sharlet Taylor, daughter of Mr. and Mrs. J.B. Taylor, and Ruth Scott, daughter of Mr. and Mrs. Orville Scott, both eighth graders, and Craig Tharp, son of Mr. and Mrs. Butch Tharp, seventh grader.

Registration Aug. 24 At Farwell Schools

Farwell students will register for classes for the 1978-79 school year next Thursday, Aug. 24. Elementary students are to register between the hours of 10 a.m. and 12 noon; however, kindergarten students may register at any time, according to Jerry Yows, elementary principal.

Seventh graders will register from 10:30 to 11:30 a.m. and eighth graders will register from 9 to 10 a.m.

Seniors are slated to register from 9-10 a.m.; juniors, 10:30-11:30 a.m.; and sophomores, 1-2 p.m.; and freshmen, 2:30 to 3:30 p.m.

The following courses are being offered at Farwell High School:

Zero period: Drama I, Vocational Agriculture III and IV; Shorthand, Chemistry, Advanced Math.

First Period: Boys athletics, Physical Science; Home Economics II; English I; English III; Vocational Agriculture II; Shop, Algebra II and Typing I.

Second Period: Typing I; Fundamentals of Math I; Shop, Vocational Ag II; Health, English III, English IV, Home Economics I, Annual, Plain Geometry, Girls Athletics.

Third period: Art, American History, World History, English I, English II; Biology, Government, Algebra I, Book-keeping.

Fourth Period: High School

Band, High School Physical Education; Home and Family Living, Speech, American History.

Fifth Period: American History, Office Practice, Consumer Math, World History, Advanced Shop, Biology, Vocational Ag I, Government, English I, English II, Home and Family Living, Physical Science.

Sixth Period: Plain Geometry, Physical Science, English IV, Health, Vocational Ag III, Algebra I, Typing I.

According to Tom Knoy, principal, shop period one and two are limited to students having had less than two years of shop, and shop period

Around School - -

Farwell Again Okays Speed Bumps

Farwell City Council at its Monday meeting again discussed placing speed bumps on streets around Farwell High School, and for the second time in three weeks okayed the project. School officials also reaffirmed their earlier decision to petition the city to place the speed bumps at strategic points in an effort to curtail speeding vehicles.

These decisions were reached following a lengthy meeting with C.E. Bartley of Amarillo, a representative of the Governor's Office of Traffic Safety, during which time he stated several times that, while speed bumps were not in violation of any agreement that the city had with his

office, they did not recommend them.

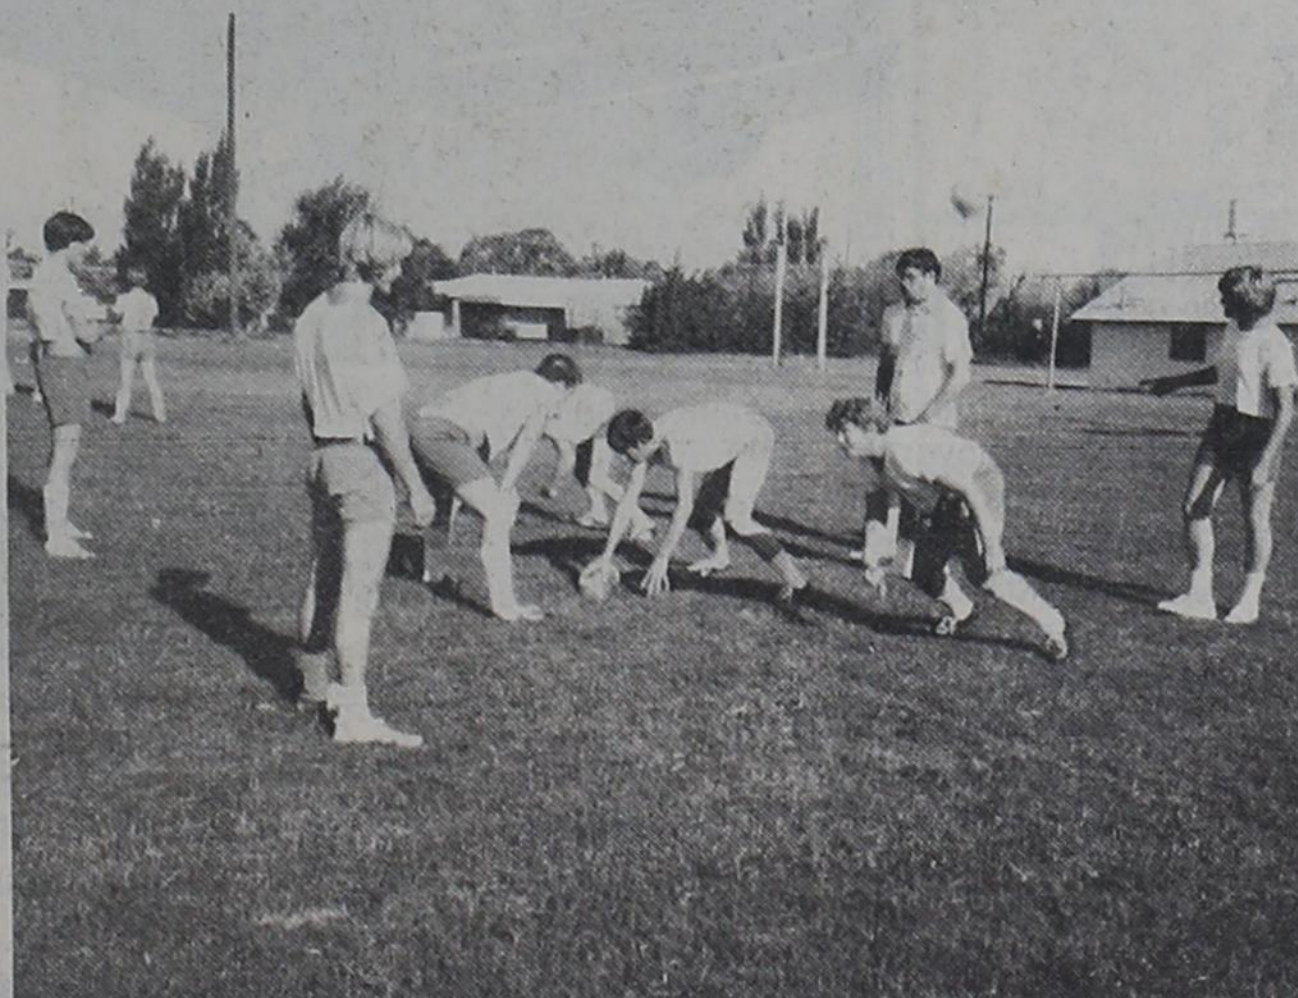

To back up his report, Bartley quoted extensively from a study of speed bumps conducted in San Jose, Calif. He also pointed out that Muleshoe had hired a private engineering firm to survey its traffic situation with the result that the firm recommended that Muleshoe take out all existing speed bumps and eliminate some traffic signals.

Bartley said that he could find no traffic engineer who would recommend the speed bumps as an effective remedy for speeding problems. However, he also stressed that the ultimate decision rested with the city council as he was

there only in an advisory capacity.

But Bartley did present some interesting findings of the San Jose study. In that study, six different type bumps and vehicles were used, tested a varying speeds. The study determined that speed bumps were not effective and that in fact disproved the theory that they slowed down traffic. According to the study the faster a vehicle traveled over the bumps the less discomfort was experienced.

Test speeds ranged from 5 to 45 MPH. Bikes, motorcycles and even fire trucks were included in the study, Bartley said. He explained that an

Drill Time

A typical scene at the Farwell and Texico football practice fields this week has been a lineup such as this as players and coaches go through conditioning drills and plays in the first week of practice prior to the '78 season. The two-a-day sessions began Monday and have created plenty of huffing, puffing and sore muscles as team members have been put through their paces. Farwell's Steers will face Tulia in a scrimmage session next Friday at 4 p.m. and Texico will go to Clovis to scrimmage the Wildcat JV on Tuesday at 10 a.m.

Classes Begin Monday - -

Texico Schools Set For 1978-79 Year

Texico teachers, administrators and school personnel are hard at work preparing for the first day of school - Monday, Aug. 21.

Teachers have been working in their individual classrooms this week, getting things in readiness for the start of the 1978-79 school year. A special in-service day for teachers will be held today (Friday) beginning at 10 a.m. MDT.

A reception for all teachers, staff members, school board members and their families will be held tonight at 7:30 p.m. MDT in the cafeteria.

High school students registered the week of Aug. 7 and junior high students registered

last week. Elementary students will register as they return to classes Monday.

In conjunction with registration, Judy Russell of Clovis, Texico Schools Nurse, will conduct an immunization clinic to administer shots and boosters to all Texico elementary students, both new and returning.

The immunizations will include DDT, DPT, polio, measles and mumps. The clinic will be conducted from 8-12 MDT. All students are required to have the immunizations according to the New Mexico state law.

Students must also bring a copy of their immunization record and be accompanied by one or both parents as the vaccinations and/or boosters cannot be given without the consent of the parents.

Classes on Monday, Aug. 21, the first day of school, will dismiss at 2 p.m. MDT.

A change in the exemption policy for the junior high and high school will also be implemented this year, said James Pierce, superintendent. Students having a "C" average and no more than one excused absence for the year may be exempt from final exams, he explained.

One new teacher has been added to the roster of Texico Schools. He is Ronnie Warmuth who will teach high school math.

Administrators for Texico Schools are Superintendent Pierce, James Harding, high school principal; Kenneth Shaw, junior high principal; and George Herrington, elementary principal.

School Board members include D. Smith Day, Aryle Crooks, Roy Richardson, Ronnie Curry and Herman Geries.

Elementary teachers are Rita Dunswoth, Alice Richmond, first grade; Ann

Pearce, second grade; Dale Schwartz, third grade; Nona Beth Holloman, Wanda Turnbough, fourth grade; Milton Grimes, fifth grade; Ima Gene Swinney, special education; Kay Singletery, Title I; Billy Carlyle, migrant instructor; and Rebecca Topliff, Title I migrant.

Those teaching in junior high are Carol Brock, math; Cecil Davis, science; Joan Edwards, resource room; Jerry Sadberry, music and band; and Anna Southard, English.

High school teachers are Kendale Burch, home economics, social studies; Sylvia Burgett, librarian, art; Juanita Hadley, English, Spanish; Paula Leighton, resource room; Roy King, health; Nadine Maben, science; Mary Peyton, business education; Paul Topliff, physical education; W.B. Walters, history and social studies; Eddie

(Continued on Page 2)

BTD Committee To Meet Tues.

Border Town Days Committee will meet Tuesday, Aug. 22, at 8 p.m. CDT at Clara's restaurant. Reports will be heard from various Twin Cities clubs, organizations and civic groups regarding the 1978 celebration.

A representative of each civic club, organization and group is asked to attend the meeting.

Plentiful Peaches

Mr. and Mrs. Hubert Ellison of Farwell are pictured with some of their peach trees which are bearing a good crop for the second year in a row. The trees were planted six years ago and have been bearing fruit for the past two years. To keep the tree limbs from dragging the ground the Ellisons have had to employ several common gardening devices. The ever-resourceful Ellison also used radiator hose clamps to repair another branch which was laying to close to the ground. The ploy worked and the tree, like the other peach trees, is bearing fruit.

Bike-A-Thon First - -

Farwell Jaycees Schedule MD, Labor Day Activities

Farwell Jaycees have slated several activities in conjunction with the annual Muscular Dystrophy Association drive and the upcoming Labor Day Holiday.

A Bike-A-Thon is scheduled for Saturday, Aug. 26. "Kids" of all ages are asked to assemble at the Farwell Service Center parking lot at 9 a.m. CDT that morning. Anyone wishing to participate in the fund raising event - there is no age limit - is asked to contact either Bill Johnson, 825-3848, or Robert White, 481-9043, before the morning of August 26.

There will be no time limit to the bike race and the route will begin at the parking lot at 9 a.m. and proceed east to

Lariat and back. At Lariat, participants will be treated to a "rest stop" complete with refreshments.

Local Jaycees and perhaps law enforcement officers will act as the official escort for the bike-a-thon riders.

Participants are asked to obtain their own sponsors, and the sponsors are asked to contribute money for each mile ridden. A spokesman for the Jaycees said they suggest a donation of 25 cents per mile.

All proceeds from the bike-a-thon will be donated to the Muscular Dystrophy drive.

Site for the local telephone pledges and donations during

the forthcoming Jerry Lewis Labor Day Telethon to benefit the MDA, will be Kirkland and Vinton, Inc. The Telethon on September 3 and 4 will be seen live from Amarillo and Las Vegas over Channel 10 KFDA.

The Jaycees will man the pledge center for the duration of the 22-hour spectacular. A special telephone number has been assigned to the center, 481-3807. Johnson is chairman and White is coordinator of fund raising activities.

"We're looking forward to this event, and we know the good people of Farwell will unite and help us in our fight against this people wasting disease," Johnson said.

Last year, \$1,600 was raised locally for the MDA.

It is a national voluntary health agency which funds extensive patient service and research programs throughout the world for those afflicted with muscular dystrophy and related neuromuscular disorders.

The Jaycees will also sponsor a Labor Day rest stop, beginning Friday, Sept. 1, at 6 p.m. CDT and continuing until Monday, Sept. 4, at 6 p.m. CDT, in conjunction with their other fund raising activities. The rest stop will also be located at Kirkland and Vinton in Farwell.

Travelers will be treated to free coffee, donuts and soft drinks.

Back To School Preparations

Texico teachers, administrators and school personnel have been busy this week with final preparations before classes begin again on Monday. Linda Harrison, elementary school secretary, is pictured stamping new textbooks for the 1978-79 school year. Elementary students will register Monday as they report for the first day of classes. An immunization clinic will also be held in conjunction with registration and the first day of school.

Texico Schools . . . (Continued from Page 1)

West, vocational agriculture; and Katherine West, journalism and English.

Topliff is the head boys varsity football and track coach. Mrs. Topliff is the new head girls varsity volleyball coach, and King will be in charge of the varsity and junior high girls track and basketball teams. Davis will be in charge of junior high boys football, basketball and track teams.

Staff members include Celeste Flores, migrant aide; Linda Harrison, elementary secretary; Dixie Jesko, library aide; Marcia Leavell, secretary to the superintendent; Virginia Loera, office aide; Audrey Kittrell, junior high secretary; Mary Powell, high school secretary; Also, Zonah Crooks, Kenneth Doolittle and Arthur Salguero, custodians; Ethelene Bell,

head cook; Mozelle Kirby, Wilma Scales, Marcine Tipton and Amelia Torres, cafeteria helpers; Max Carter, bus contractor; Mary McKinney, Grady, diagnostician; Charlene Pinkston, Melrose, diagnostician aide; and Raymond Hadley, in charge of maintenance.

Texico School Schedule

- Aug. 18 - Teacher's Meeting
- Aug. 21 - First Day of School
- Sept. 4 - Labor Day Vacation
- Oct. 26-27 - State Teacher's Meeting in Albuquerque
- Nov. 23-24 - Thanksgiving Vacation
- Dec. 21-Jan. 1, 1979 - Christmas Vacation
- Mar. 19-23 - Spring Vacation
- Apr. 13 - Good Friday Vacation
- May 25 - Last Day of School

Texico Hires Additional First Grade Instructor

Texico School Board Thursday hired Alice Richmond as a first grade teacher. She has taught kindergarten at Texico for the past several years. Mrs. Rita Dunsforth is also employed as a first grade teacher. The additional teacher was necessary due to last school year's exceptionally large kindergarten class. A bid was accepted from Clardy for milk for the cafeteria. A bid from State Farm in Clovis for bus insurance was also accepted. Attending the meeting were Superintendent James Pierce, Marcia Leavell and school

board members D. Smith Day, Aryle Crooks, Roy Richardson and Herman Gerles.

Speed Bumps . . . (Continued from Page 1)

Bartley said that traveling over speed bumps either at or below the prescribed speed limit should not be noticeable.

In the event that speed bumps are installed, Bartley said signs needed to be posted and the bumps needed to be painted with a bright reflective yellow paint.

Bartley admitted that he was not familiar with Farwell's traffic problems even though he had viewed the sight where two speed bumps had been initially placed. Therefore, he said again that it was the Council's decision.

He did point out though that the GOTS recommends that traffic problems be handled by a three-fold method. First, residents must be informed of the situation. They must be educated as to specific problems and what needs to be done about them, and law enforcement must be strict. He added that the municipal court system must back up the arresting officer if that method is to be effective. According to him, stiff fines for speeding are apparently the best way to curtail speeders and eliminate driving hazards.

Bartley also pointed out the highway department views speed bumps as being "more hazardous than helpful." Mayor Walter Kaltwasser said he felt that since the previous decision to install speed bumps had been reached by 10 local men (seven school board members and three city trustees) who represented the community in that respect that it should be allowed to stand.

Commissioner Fred Chandler agreed with Kaltwasser and the decision was reaffirmed. Commissioner Johnny Curtis was not present during the meeting.

Both Kaltwasser and Chandler asked James Craig, the school representative, to convey Bartley's report to the school board and to notify the city the following day if they intended to go ahead with the project as previously agreed upon. The next day, school officials reported that they still believed that speed bumps were the best solution to the problem.

Everyone seemed to agree that while they did not "personally like" speed bumps they did feel they were essential to alleviating traffic problems during the school year and hopefully would be instrumental in preventing any serious accidents or injuries.

The Council did decide to remove the remaining speed bump, which was partially torn up by vandals shortly after being installed a few weeks ago, until a further

study could be made as to the best size to use. Another speed bump installed last month was also completely torn out by vandals a few days after it was installed. The third bump was not installed at that time.

Location of the three bumps, as decided last month, will be across Avenue G from the home economics cottage to the gymnasium, and on Avenue H at the west end of the high school and the west end of the bus barn.

The Council also decided that it would be best to post 15 MPH speed limits during the regular school year and 30 MPH during the summer. An ordinance to this effect will be enacted in the future.

Signs will also be ordered designating that "speed breakers" are ahead.

In other business, the Council decided not to repeal the one percent city sales tax on gas and electricity bills. In a letter to the City of Farwell, Bob Bullock, state comptroller, informed city officials that they did have the option to repeal or keep the sales tax, but that action must be taken by September 10.

The city could repeal the tax if a majority of the governing body voted to do so. However to keep the tax, an ordinance will have to be enacted by the deadline.

According to the letter from Bullock, "The one percent city sales tax on residential use of gas and electricity will be automatically abolished effective October 1, 1979, unless an ordinance is received from the city continuing the tax."

The letter from Bullock was promoted by a newly-passed state law which recalls the 4 percent state portion of sales tax on residential use of gas and electricity by October 1.

In further action, a certified deposit in the amount of \$240 which had matured was okayed to be deposited in the general fund. Permission was granted to Janie Bowery, city clerk, to attend a tax assessors' meeting in Amarillo today (Friday). Kaltwasser and Chandler also conducted a short executive session with Mrs. Bowery, but no action was taken as Commissioner Curtis was absent. No reason for the special session was given.

"When an innovation is very difficult to establish, it is unnecessary." Vauvenargues

Farwell Elementary Supply Lists Made

The following lists of supplies needed by Farwell Elementary School students for the coming school term have been made by Jerry Yows, principal.

- Kindergarten**
1 box tissue
1 box crayons (basic colors, jumbo size)
- First Grade**
1 towel or mat
1 school box (cigar box)

- 1 box tissue
1 pair sharp pointed scissors
1 small bottle glue
1 box crayons (16 colors)
1 eraser
1 primary pencil
1 regular pencil

- notebook paper
2 spiral notebooks
1 box tissue
2 red marking pencils
1 small bag for art supplies
1 box No. 16 crayons

- Second Grade**
2 No. 2 pencils
1 Big Chief tablet
1 zipper art pack
1 box of crayons (16 colors)
1 bottle glue
1 pair scissors
1 eraser
1 set of basic water colors
1 box tissue

- Fourth, Fifth and sixth grades**
2 No. 2 pencils
1 eraser
1 box crayons (16 colors)
1 small bottle glue
notebook
notebook paper
theme binder for reading spiral notebook for math (5th and 6th grades)
small bag for art supplies
1 box tissue
small box map colors
1 black or blue ball point pen
1 red ball point pen (5th and 6th grades)

Farwell Schools . . . (Continued from Page 1)

five is limited to students with two or more years of shop.

All shop classes will be limited to the first 15 students who enroll, he said, adding that the cutoff is necessary due to space problems.

Farwell will also be operating a pilot teacher experience program, according to Knoy. Anne Corn will be in charge. It will be limited to only a small number of seniors, Knoy said, adding that three quarter units could be earned through the course during the year.

The pilot program is being sponsored by Future Teachers of America. Farwell is one of several pilot programs being operated this school year. Any senior who qualifies for it will actually work with students in one of the three schools.

Knoy said that they will mimeograph copies of the student handbook for grades seven through 12, and pointed out that a few changes have been made in the handbook.

Rather than having one overall theme for the entire school year he said that different themes will be emphasized from week to week. The cheerleaders will promote this project.

Slight changes were effected in the dress code, Knoy said. According to the book, students' hair must not be of such a style (rather than a length as previously stated) as to distract or disrupt the classroom.

Along with cut off jeans,

shorts, sweatshirts, bare midripts, tank tops, fish net shirts, and headbands, bare shoulders are also prohibited.

Regarding truancy, Knoy said that provision three of last year's handbook was eliminated. As a result of the change, students, even if they have a proper permit from home, may not leave school at noon without being counted truant. Students will be allowed to go home for lunch (if they walk) or they may ride home with parents.

The provision granting students permission to ride home to lunch with adults other than their parents was also eliminated from the new version of the handbook, Knoy said.

Some changes were made in the sports awards section also. Instead of giving individual plaques for each sport lettered in, one plaque listing all the sports will be presented to athletes.

Regarding discipline, the new handbook now states that any improper articles not belonging on the school grounds will be confiscated by school officials. The handbook now also states that any student convicted of a felony or misdemeanor may be called in to appear before the school board and extracurricular activities may be limited, Knoy said.

A new rule which has been added states that public display of affection on school grounds or during school activities is discouraged.

At Farwell - -

Breakfast Program Offered

Farwell Schools will offer a breakfast program this school year for the first time, available to all interested students, reports Jerry Yows, elementary principal. Breakfast will be served in the cafeteria from 8:30 to 9 a.m.

Students participating in the breakfast program who ride the bus are asked to go to the cafeteria immediately upon arriving at the school, Yows added. He further explained that the bus schedule is established so that the last bus

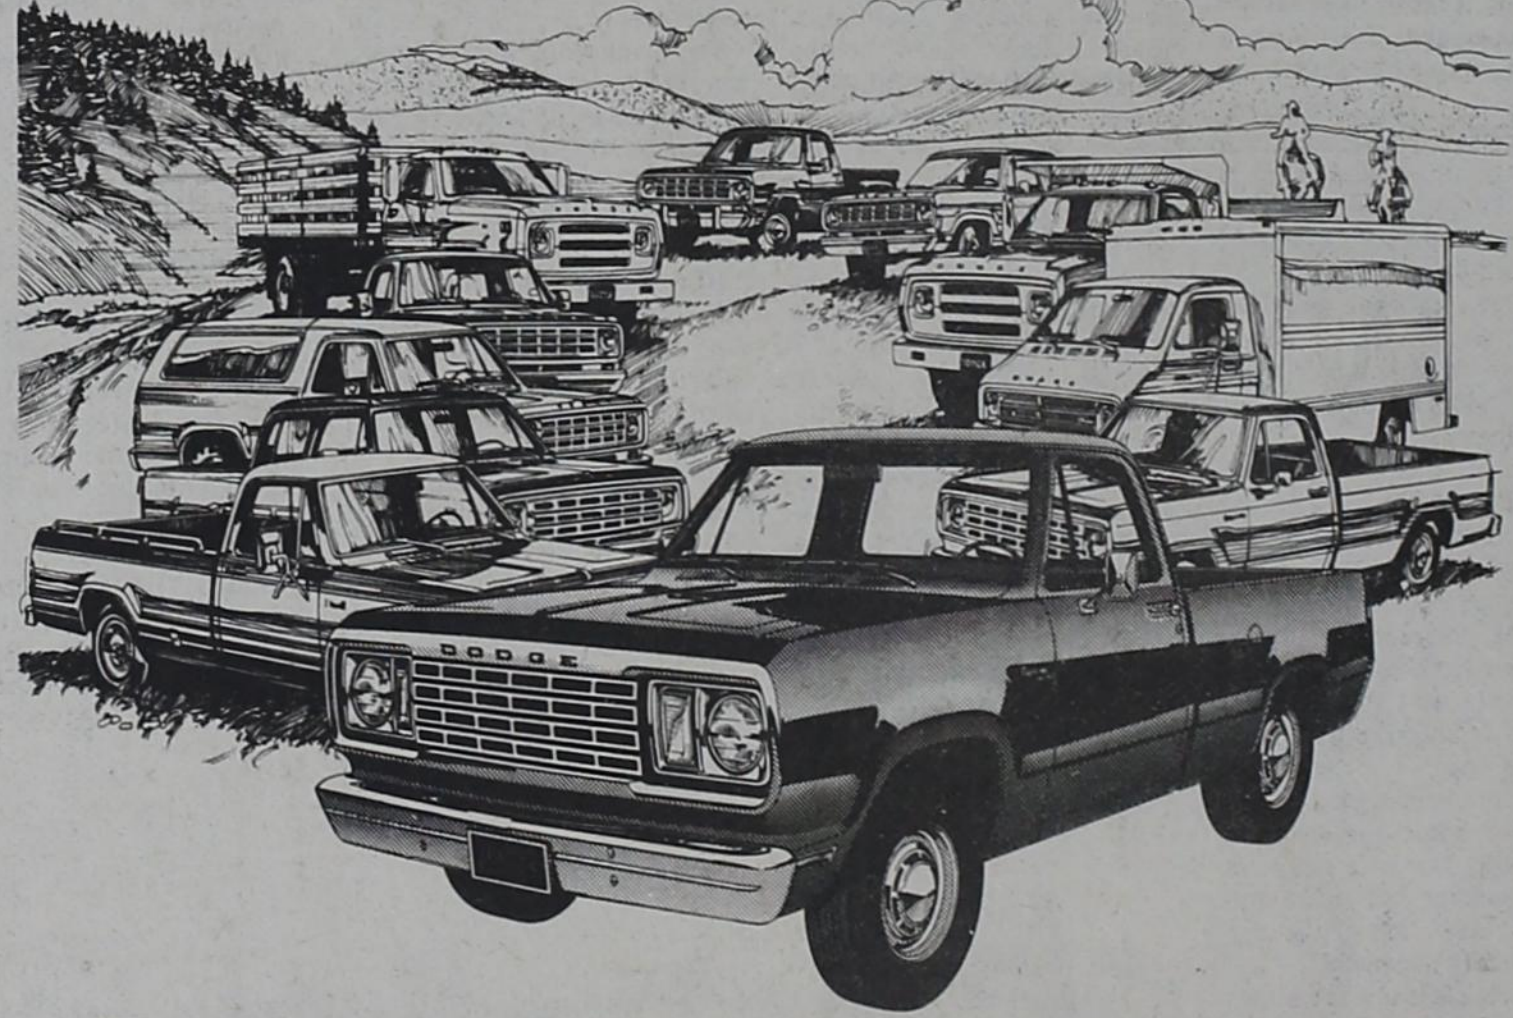

will arrive by 8:45 a.m. Some buses will run only five to 10 minutes earlier than they did last year.

Prices for the breakfast meal are 45 cents for students in kindergarten through the sixth grade; 50 cents for seventh through 12th graders; and 75 cents for adults.

Prices for the lunch meal are as follows: 70 cents for first through sixth graders; 75 cents for junior high and high school students; \$1.00 for teachers and \$1.25 for visitors.

OF ALL THE DODGE TRUCKS REGISTERED IN THE PAST 10 YEARS, 96 OUT OF 100 ARE STILL ON THE JOB.*

That's better than Chevy. That's better than Ford.

Dodge trucks have acquired quite a reputation over the years. A reputation for being tough and dependable. And the figures prove it. All but four out of one hundred Dodge trucks registered in the last ten years are still on the job. And that's good enough to beat both Chevy and Ford. But toughness and dependability aren't enough. Not for us . . . not for you. So we're busy building a

reputation for comfort and style, too. To make sure you not only get where you're going, mile after mile and year after year . . . but that you look and feel good while you're doing it. No wonder that from 1966 to 1976 we're the fastest growing truck company in America! *Source Registration Figures: R. L. Polk & Company. Trucks registered as of 7/1/76.

Parmer County Commissioners Appoint Election Officials

At their meeting Monday Parmer County Commissioners appointed county election officials. The first name listed for each precinct is the presiding judge and the second name is the alternate.

Election officials are: Black, Precinct one, Louise Robinson and Mrs. Glyn Hamilton; Friona, Precinct 2, Mrs. Ira Holt and Glenn Reeves, Sr.; Bovina, Precinct 3, J.E. Sherrill Jr., and Mrs. Elton Venable; Farwell, Precinct 4, Albert Smith and Mrs. Albert Smith;

Also, Lazbuddie, Precinct 5, C.C. Matthews, Jr., and Alton Morris; Oklahoma Lane, Precinct 6, Clarence Johnson and Harold Carpenter; Rhea, Precinct 7, Raymond Schueler and Carl Schlenker; Lakeview, Precinct 8, Otho Whitefield and Mrs. Russel O'Brian.

The Commissioners also okayed a request by Five Area Telephone to bury underground telephone cables on county roads.

Brown and Graham of Friona were engaged to audit the county's records. Septem-

ber 11 at 3 p.m. at the county courtroom has been designated as the date for the budget hearing.

The county audit for 1977 will be presented at the next session of the Commissioners Court.

Commissioners agreed to put a new motor in the car of the Bovina deputy sheriff. The revenue sharing budget hearing was held Monday in conjunction with the regular meeting, but no one appeared, reports County Judge Paul Fortenberry.

T.E. Lovett Rites Monday In Friona

Funeral services for T.E. (Taft) Lovett, 71, of Friona were conducted Monday afternoon at the First Baptist Church in Friona with Rev. C.H. Murphey, pastor, officiating. Burial was in the Lawn Haven Cemetery in Clovis under the direction of Parson-Ellis Funeral Home in Friona.

Mr. Lovett died Friday at the hospital in Friona. He was born Aug. 16, 1906 in Tulsa, Okla. He was a longtime resident of the Friona and Clovis area, having moved here when he was a baby.

Mr. Lovett married the former Velma Tucker in Clovis, July 7, 1940. He was a retired farmer and a member

of the Baptist Church in Friona. They were both active

T.E. "TAFT" LOVETT

in the Friona Senior Citizens Friendship Building Fund.

Survivors include his wife of the home; a daughter, Shirley Brown of Amarillo; three sisters, Mrs. Zelma Jernigan of Farwell; Mrs. Esther Bombarger and Maurine Winkles, both of Clovis; four brothers, Vernon of Truth or Consequences, N.M.; Vincent and Roy Lovett of Clovis; and Troy Lovett of Texico.

Pallbearers were all nephews; including Dwayne Winkles and Coy Bombarger of Clovis; and Donnie Lovett, Farwell; Terry and Tim Lovett of Dallas, and L.C. Lovett of Clovis.

Texico Woman's Sister Killed In Auto Wreck

Funeral services for Mrs. Willa Pearl Fahert, 63, were to be conducted Thursday morning at First Presbyterian Church in Clovis. Mrs. Fahert was killed Monday in an auto accident in Lubbock. She was a sister of Mrs. Maurine Caywood of Texico.

Mrs. Fahert was born in Farwell, and lived here until she was nine. She then moved to Indiana where she resided until 1937. She returned to Clovis and had lived there since that time.

Mrs. Fahert was active in many facets of the community. She was a retired nurse and had worked as a public health nurse for many years. She was the nurse in charge of the Tuberculosis Project for the 12 years of its existence and had been the school nurse at Grady and Melrose, along with her other activities in public health.

She was a charter member of Clovis Altrusa International and helped the group form an Altrusa chapter in Tucumcari.

She had been active in the American Legion Auxiliary, the Westminister Guild, the Tuberculosis Association, the United Way and the advisory committee for the LPN School at ENMU. She was a member of the Presbyterian Church.

She is survived by her husband, Joe A. Fahert Jr. of the home; one son, Joe Fahert III of Houston; and one daughter, Mrs. Terry Wiesner of Lovington, N.M. She is also survived by three sisters, Mrs. Mary Herrington of Borger, Mrs. Maurine Caywood of Texico, Mrs. Nadine Thomas, address unknown; and two brothers, T.O. Bell of Tucumcari and Galen Bell of Clovis.

SHERIFF'S REPORT

Parmer County Sheriff Charles Lovelace reports that his department has investigated the vandalism of a car located at 608 Avenue B in Farwell. The 1969 Ford, owned by Gene Garfield, had the windshield broken out.

According to Lovelace, Fred Curtis reported the theft of approximately 250 gallons of gas from an over head tank located behind Karl's Auto Clinic. The lock was broken during the theft. Loss is estimated at \$150.

Vandals also struck at Lazbuddie School, ransacking the principal's and superintendent's offices. Lovelace said "they were looking for money" and attempted to break into a floor safe. He added that none of the office equipment was taken.

Several other cases have come before County Judge Paul Fortenberry recently. Johnny Hernandez of Clovis, 30, and Calvin Young of Farwell, 42, were each fined \$100 plus court costs and given six months probation for driving while intoxicated.

WindSpirit Singers

These three gospel music singers will perform this Saturday and Sunday at 7 p.m. CDT at the First Baptist Church in Farwell. Members of the singing group called WindSpirit are James Symcox, former Farwell resident; Judy Williams, center, and Kathy Hamlin. WindSpirit, a new music group, has a wide repertoire which has allowed them to sing for civic organizations and local groups as well as churches.

Farwell Schools Slate In-Service Training

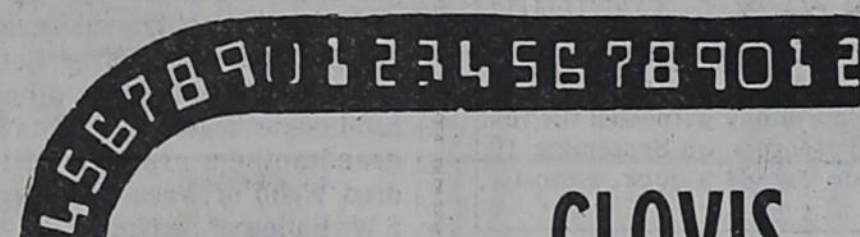

Farwell School faculty and personnel will begin a week of in-service training Monday, Aug. 21, reports Superintendent W.M. Roberts. All sessions will be conducted in the high school library.

Dr. Benito Cordova of Eastern New Mexico University, Portales, will conduct a bilingual education workshop from 9-4 p.m. CDT Monday.

A self study will be conducted Tuesday from 9 - until noon under the direction of Dr. Fred Stoker of West Texas State University, Canyon. A general faculty meeting is slated for 1 p.m. and building faculty meetings will begin at 2:30.

Dr. R.G. Robertson of ENMU will hold a behavior modification workshop from 9-4 on Wednesday. No in-service training sessions have been scheduled for Thursday due to registration. However, Thursday afternoon at 1 p.m. Pat Owen and Betty Turner will conduct an IORT Testing Program Workshop.

Baker Graphics Methods of Lubbock will conduct an audio visual workshop Friday at 9 a.m. The principals of each school will conduct a teacher orientation session Friday at 1 p.m.

WindSpirit To Perform In Farwell

WindSpirit, a new musical group, will be appearing at the First Baptist Church in Farwell this Saturday and Sunday at 7 p.m. CDT.

The group is composed of three young adults who like to share the "Good News of the Gospel" through their music.

James Symcox, former Farwell resident, and son of Mr. and Mrs. Vernon Symcox has been involved in music for the past five years. Other members of the group include Judy Williams and Kathy Hamlin.

School Lunch Schedule At Texico

MONDAY - Enchiladas, buttered corn, lettuce and tomato salad, crackers, fruit salad, milk.

TUESDAY - Hamburgers, lettuce and tomato salad, pickles, onions, Tater Tots, peach cobbler, milk.

WEDNESDAY - Pinto beans, steamed wieners, cole slaw, bread, cantaloupe, chocolate milk.

THURSDAY - Steak and gravy, cream potatoes, green beans, rolls, fruit gelatin, milk.

FRIDAY - Meat and cheese tacos, lettuce salad, buttered corn, peanut butter log, milk.

AROUND THE TWIN CITIES

Farwell Booster Club will meet Monday, Aug. 21, at 8 p.m. CDT at Clara's restaurant. All interested parties are asked to attend.

The Border Town Days Committee will meet next Tuesday, Aug. 22, at 8 p.m. CDT at Clara's restaurant.

Farwell Chamber of Commerce will meet Tuesday, Aug. 22, at noon at Clara's restaurant. The meeting was rescheduled from the regular date due to school starting in Farwell.

Texico Chamber of Commerce convened for its regular monthly meeting Monday night with five members present. They were Bill Thigpen, Joe Caywood, A.D. McDonald, President Tony Mendoza and Secretary Louise Engram.

Texico City Council will meet Tuesday, Aug. 22, at 6:30 p.m. MDT at the City Hall.

Mendoza presented a report on the Chamber's activities concerning the 1978 Border Town Days celebration and indicated that he planned to attend the next meeting of the BTDC committee.

Texico Woman's Club will meet Monday, Aug. 21, at 7 p.m. MDT in the community building.

Texico-Farwell Senior Citizens were to sponsor an ice cream social Thursday at 7 p.m. CDT at Farwell City Park. Admission was to be \$1.

Shannon McMillan Feted With Brunch, Recipe Party

Shannon McMillan, bride-elect of Greg Hargrove, was honored with a brunch and recipe party Friday at the home of Dardanelle Helton. Hostesses were Mrs. Helton, Bernice Norton and Doris

Ford. The appetizer serving table was covered with a candlelight linen cloth and centered with a recipe file box, a gift from the hostesses. The box contained candlelight and apricot silk

roses, baby's breath and kitchen gadgets. Those attending also brought recipes. The brunch table was also covered with a candlelight linen cloth and centered with a watermelon shell holding mixed fruits.

Silver and crystal appointments were used to serve quiche, pumpkin bread, cinnamon rolls, mixed fruit, coffee and tea.

Special guests besides the honoree were her mother, Mrs. W.G. McMillan of Lubbock and the prospective bridegroom's mother, Peggy Hargrove of Farwell. They were each given an apricot silk rose corsage.

Hargrove's grandmother, Mrs. Willie Williams of Farwell was also present.

Out-of-town guests included Shannon's sisters, Tracy and Melinda of Lubbock; her grandmother, Mrs. Grace McCracken, and Mrs. Tim Hatch, Shannon Lile, Jayme Sedberry, Mrs. Jack Dunn, all of Lubbock; Mrs. Buddy Lange of Plainview, Julie Lyons of Clovis and Deb Norton and Amy of Artesia, N.M.

Class of 1930

The Pleasant Hill Class of 1930 had a reunion recently in Clovis. Some of the graduates who gathered for the occasion are, from left, back row: Maudie Lee Ritter and Sallie Talley Cole, both of Clovis; George Goodman, Riverside, Calif.; Esther Lovett Bombarger, Clovis; Eric Pierce and Gladys Bell Pierce, both of Pleasant Hill; front row: Janie Patterson Grey, Flint, Tx.; Mabel Bocox Hess, Amarillo; and Novella Bell Harris, Clovis. Following dinner at a Clovis restaurant everyone gathered at the home of Mrs. Cole for dessert, visiting and plenty of reminiscing of the good old schools days at Pleasant Hill High. Goodman was a member of the class but moved away before graduating.

Announce Engagement

Mr. and Mrs. Wayne Pierce of Farwell announce the engagement and approaching marriage of their daughter, Cherry Jean, to Johnny Eugene Fulgham, son of Mr. and Mrs. E.H. Fulgham of Clovis. The couple will be married Saturday, Aug. 26, at 8 p.m. CDT at 409 Second Street in Farwell. Elder J.O. Richardson of Farwell, the bride-elect's grandfather, will officiate at the ceremony. All friends and relatives are invited to attend the ceremony and reception to follow.

Mrs. Foster Hosts H.D. Club Meeting

Hostess for the August 10 meeting of Oklahoma Lane Home Demonstration Club was Jenine Foster. For the opening exercise Mrs. Foster read Solomon 8:7. Members answered roll call by giving a camping tip.

Laura Jacobs, assistant county extension agent, gave the program on care in cleaning furniture. During the business session members heard a report from the H.D. Council and also discussed future programs.

At the August 24 meeting in the home of Beverly Foster the program on "Over The Counter Drugs" will be given by Lynne Mahaney.

Present for last week's session were Laura Jacobs

and the following club members: Susan Franse, Pauletta Curtis, Nelda Wilhite, Beverly Foster, Jenine Foster, Lynne Mahaney and Reta Dollar.

Micah Jones Has Birthday

Micah Jones, son of Mr. and Mrs. Harold Lee Jones of Farwell, celebrated his second birthday Tuesday. The birthday cake was shaped and decorated like Snoopy.

Attending the birthday besides the honoree and his parents were newborn brother, Shilo Kaylan; his grandmother, Sara Walraven of Ft. Sumner, N.M.; his grandparents, Mr. and Mrs. Melborn Jones of Farwell; and his great-grandmother Mrs. Gladys Finnen of Farwell.

MICAH JONES

Marriage Licenses

Parmer County clerk's office has issued two marriage licenses since the last report. They went to Larry Hutchins and Katherine May Eichem; and David Lynn Patterson and Lucinda Aguirre.

Convalescent Center Chit Chat

Rev. Herman Schelter, pastor of St. John Lutheran Church, Lariat, held church services at the Center Sunday.

Aleane West of Hereford visited Mrs. Nina Dickinson Sunday.

Ice Cream Social Set

Texico-Farwell Senior Citizens were to sponsor an ice cream social Thursday at 7 p.m. CDT at Farwell City Park. Cake will also be served along with the ice cream.

Price for the refreshments was \$1 per person and everyone was invited to help the Senior Citizens with this monetary project.

Texas egg production stood at 214 million for May, a jump of four per cent over 1977. Agriculture Commissioner Reagan V. Brown notes.

Several members of the Calvary Baptist Church in Abilene visited Mr. and Mrs. Milton Poteet. The pastor of the church is their son, Jerry Poteet.

Wilma Walding's nephew and wife from Texico, Mr. and Mrs. Judge Stone, visited her recently.

Ruth Myers and Harold Mardis enjoyed dinner in Clovis last Thursday with Mardis' son, H.B. Mardis. Another son, Burl Mardis of Muleshoe visited them Sunday. Several residents have returned from the hospital, including Annie Callahan, Mary McDerman and C.H. Whitener.

Ramona Brooks donated blackeyed peas to the Center. The cooks also wish to thank whomever left the peaches at the Center.

Bingo winners were Christa Gohlke, Thelma Kittrell, Bobby Hix, Lyra Holland, Domitilla Madrid, Nora Edens and Cora Lunsford.

Pleasant Hill Class Of 1930 Has Reunion

The Pleasant Hill Class of 1930 recently had its 48th reunion at the home of Sallie Talley Cole of Clovis. Prior to the get-together in Mrs. Cole's home, they all enjoyed dinner at a restaurant in Clovis.

Everyone visited and reminisced about their lives at the former Pleasant Hill School.

Attending the reunion were Mrs. Cole, Eric and Gladys

Bell Pierce of Pleasant Hill; Novella Bell Harris, Esther Lovett Bombarger, and Maudie Lee Ritter all of Clovis; Mabel Bocox Hess of Amarillo and Janie Patterson Grey of Flint, Tx.

Victor and Blanche (DeLozier) Pierce of Whitney, Tex., were unable to attend. Class members Elmo Donahay and Claude Lee are deceased.

Pleasant Hill Exes Have Class Reunions

Several Pleasant Hill classes held reunions recently in conjunction with the community wide reunion staged August 6 at the community center.

dinner at a Clovis restaurant August 5 and then proceeded to a home of one of the graduates to reminisce, visit and talk over old times.

met in the home of Maurine Winkles of Clovis for their 42nd class reunion. Six of the seven graduates attended, including Mrs. Winkles, Forrest Bell of Shreveport, La., Hubert Singletary of Brownfield, Wayne Burford and Leona Taylor Gossett, both of Clovis and Minnie Winkles Hillard of Portales. Lewis Christian of Fresno, Calif., was unable to attend.

Members of the class of 1941 held their 41st reunion at the home of Elvis and Geraldine (Jarrell) Bell of Clovis. Others attending were Dorothy Davis Smith, Perry Winkles and Jimmy Neely Donahay, all of Clovis, and Norman Smith of Las Vegas, N.M. A total of 10 students graduated in 1941.

The 1948 graduates gathered at the home of Bob Horton in Clovis for their 30th reunion. Those attending were Billie Ruth (Betts) Hill and Joe Roy Davis of Clovis, Marvin Foster of Carpinteria, Calif., Jack Donahay of Texico, Hoyt Patterson of Clovis, and Marjorie Whitener Watkins of Farwell. There were 12 graduates in all, but only eight were able to attend the reunion.

Several graduates of the 1926 class also gathered at the Pleasant Hill reunion, including Hazel Bingham Eshleman of Texico, Vivian Daniels of Mexico, Mo., Faye Singletary Wilson of Friona, Gordon Smith of Clovis, Rose Talley Goodman of Denver, Marbelle Westphal Brazier of Amarillo, and Susie Fedric Donahay of Clovis.

Recent visitors in the home of Mr. and Mrs. Melborn Jones of Farwell were her brother and family, Mr. and Mrs. Dan Hayes Finnen, Mike and Danny of Montgomery, Ala.; his mother, Mrs. Grace Jones and his brother and wife, Mr. and Mrs. Lavon Jones, all of Lubbock. Mrs. Lavon Jones also visited with her mother, Mrs. Dora Verner, her sister, Mrs. Bill Meeks, and her brother, Ray Verner.

former Betty Gilson. Visiting in the home of Mr. and Mrs. James Craig of Farwell Friday through Sunday were their daughters and families, Mr. and Mrs. Richard Mills, Matthew and Kerry of Lake Thomas, Tex.; Mr. and Mrs. Mark Palady, Jayme and Danielle of Clovis; and Janye Craig, who was home between semesters at Sam Houston State College, and Craig's mother, Mrs. Annie Craig of Plainview.

Mrs. Eddie (Katherine) Traxson of Ft. Worth arrived here Saturday night to visit a few days with her mother, Mrs. Estellene Billington in Farwell. The two ladies enjoyed visiting with other relatives and friends here before Mrs. Traxson left for her home Tuesday.

Visiting this week in the home of Mrs. Ina Bieler of Farwell were her daughters and families, Mr. and Mrs. Paul Jireaux of Miami, Fla., and Mr. and Mrs. Ted Horner and children of Texico; her grandson, George Cunningham of Miami, Fla.; her brother and family, Mr. and Mrs. Wayne London of Amarillo, and her son, Tony Gilson of Amarillo. Mrs. Jireaux is the

Meeting Re-Scheduled

4-H Leaders Workshop Slated In September

A weekend workshop especially for 4-H leaders and other adult volunteers who work with youth in Extension foods and nutrition projects will be offered at the Texas 4-H Center near Brownwood on Saturday and Sunday, Sept. 17-18.

The workshops sessions, beginning at noon Saturday and ending at noon on Sunday, will deal with topics including "Planning a Foods and Nutrition Project;" "How to Conduct a Foods and Nutrition Educational Tour;" "Ideas for Making and Buying Kitchen

Helpers;" and "How to Teach Project Lessons."

Instructors for the workshop will be Frances L. Reasonover, Foods and Nutrition Specialist, and Alma Bullard, 4-H and Youth Specialist, both of College Station. Also assisting will be Carolyn Gilbert and Jeanette Altenhof, of the Texas 4-H Center staff at Brownwood.

For further details concerning this workshop, Laura Jacobs may be contacted at the Parmer County Extension Office located in the Court-house or phone 481-3619.

Texas - -

CowBelles Establish Scholarship Fund

The Texas CowBelles announce the establishment of the Texas CowBelle Scholarship Fund. Money from this fund will go toward providing financial assistance to deserving students enrolled in four-year publicly funded colleges and universities in Texas.

This first year, two \$500 scholarships will be awarded in October: one scholarship to be given to a student majoring in Foods and Nutrition; the other to a student majoring in Agricultural Communications.

Anyone interested in applying for either scholarship

should contact the head of the department offering the specific major.

Believing that the quality of a nation depends largely upon the kind of education its citizens receive, the Texas CowBelles adopted the scholarship program and for this purpose memorial donations, honorary gifts and other contributions to the Fund are being sought.

Anyone wishing to make such a contribution may do so by sending it to: The Texas CowBelle Scholarship Fund, c/o Mrs. Bobby Howard, Rt. 1, Box 25, Haskell, TX 79521.

School is just around the corner. And the shopping for school clothes is in full swing. Clothing that offers comfort in this day of energy conservation is an essential.

Efforts to conserve present supplies of oil and gas products and to control utility costs may mean less comfortable temperatures in schools, homes, and other buildings. Instead of reaching for the thermostat to adjust temperatures when we feel uncomfortable, we can learn that, with time, our bodies will become acclimated to reasonable temperatures.

Comfort level differs with each individual. Some may be comfortable at 72° and others at 80°. Obviously, comfort is a

relative factor affected by one's age, sex, metabolism rate, activity level, food intake, amount of body surface, and one's psychological comfort level.

These factors present problems when several people with different comfort levels attempt to live in the same environment. Humidity and wind velocity levels also effect comfort.

The layers of today's fashions offer versatility in dressing for comfort. The easy-care, easy-wear fabrics and fashions offer reduced laundering costs.

Shop today for comfort. Then dress in comfortable fashions this fall.

Tri Delta Chapter Wins National Award

The 38th national convention of Delta Delta Delta Sorority created special memories for members of the High Plains Alumnae Chapter, because it was there the chapter was honored with a second place national award recognizing their program for Collegiate/Alumnae Relations.

The High Plains Chapter was selected on the basis of the members' work with Tri Delta collegiate chapters at the University of New Mexico in Albuquerque, and at Texas Tech University in Lubbock. Alumnae chapters throughout the nation, regardless of their size, competed for this award in two categories: Alumnae chapters without a college chapter in their town, the category into which High Plains falls; and alumnae chapters located in a college town with a Tri Delta chapter.

Mrs. Wayne Henneberger, chairman of the Collegiate/Alumnae Relations committee, presented the honor to Mrs. Jen Pressley, president of the

local alumnae chapter. Also representing the High Plains chapter at the convention were Mrs. George Byrd from Elida and Mrs. Sarah Goudy from Clovis.

The second place award entitles the group to a complimentary rental of a slide presentation of the founding and history of Delta Delta Delta. The presentation has been reserved for use at the chapter's November 1978 Founders' Day Celebration.

The 14 members of the High Plains Chapter are scattered in Portales, Clovis, Elida and Fort Sumner in New Mexico and Farwell, Texas, but the group hold at least four meetings each year and participates in a number of Tri Delta related events.

The chapter's activities which led to the award include sending flowers at rush, remembering the two college chapters with cards on holidays, sending notes and gifts to new pledges and initiates, notes to the chapter on special Tri Delta occasions, and recognizing scholarship achievement.

"We have a number of new ideas, and the convention instilled in us a great deal of fresh enthusiasm to share with our chapter," commented Mrs. Byrd. She will direct the chapter's collegiate/alumnae relations program during the coming year.

Consumer Food News

COLLEGE STATION - Best buys at Texas grocery markets this week include eggs, bananas, several fresh vegetables and some items on "special."

Also, dairy products are a bargain, considering their nutritive value, says Mrs. Gwendolyn Clyatt, a consumer marketing information specialist with the Texas Agricultural Extension Service, The Texas A&M University System.

This week's price-quality trends include the following:
POULTRY - Egg supplies are plentiful with medium size likely the best buy. Whole and split fryers are features this week in some markets.

FRESH FRUITS - Bananas are among the least expensive fruits. Cantaloupes and watermelons have moderate prices. Compare prices closely on peaches, plums, pears, grapes and nectarines - as prices vary.

FRESH VEGETABLES - Best values include okra, carrots, cucumbers, dry yellow onions, soft-shell squash, corn and potatoes.

Hamlin Memorial United Methodist Church News

The United Methodist Women met Wednesday to continue their study of Women of the Bible. The future events the UMW has included a Home Demonstration canning program at the church Tuesday afternoon and Wednesday morning, September 5 and 6. This program will be a great help for individuals in planning to put up some of next year's fruits and vegetables. The community of the Twin Cities is invited.

Hamlin Memorial has received word that the Reverend Ted Dotts of St. John's United Methodist Church in Lubbock, will be the Harvest Thanksgiving preacher November 19-21. Ted has the reputation of being a powerful, spirit-filled preacher.

Some of Hamlin Memorial's laymen plan to attend the Laymen Retreat at Ceta Canyon, August 25-27. An outstanding layman will give the programs and Bishop Alsie Carleton will lead the Bible Study.

At the men's breakfast last Monday, Troy Christian and Rev. Duane Knowlton, pastor, cooked. Steve Foster brought a message of hope for many

who are working hard this summer. It centered on the fact that work requires proper leisure. Leisure is an individual thing but absolutely necessary for a person's well-being - physical, mental and emotional.

Rally and Promotion Exercises will take place during the August 27 morning's worship service. This is a time when the value of Christian education and endeavor are upheld in the spiritual life of the congregation.

The Committee on Finance met Sunday evening to discuss our local church's financial participation in the United Methodist Church. Approval of its apportionments to the local church will be made after several church leaders and officers attend a workshop on apportionments in September.

Some of Hamlin Memorial's congregation are planning to attend a "Seasoned Citizen's Retreat" at Sacramento, N.M. the 28th-31st of this month.

A tremendous program is planned for August 22, 8 p.m. with Malcolm Cartier, an Israeli, presenting a slide talk on places, history, and biblical archeology of Israel. The public is invited. Come and share with us this young man's enthusiasm and expertise of the Holy Land.

CERTIFICATION OF AMENDMENT NO. IV
NATIONAL SCHOOL LUNCH PROGRAM

We certify to the Texas Education Agency that the above-named school district's Free and Reduced-Price Meal and Free Milk Policy Statement, which was approved for the 1976-77 school year, has been amended to include the below listed eligibility income scale in lieu of the previously adopted scale. We agree to use the income scale indicated below as a criterion for determining the eligibility of students for free meals and reduced-price meals and free "extra" milk for schools participating in the Special Milk Program beginning with the 1977-78 school year and thereafter or until subsequently amended.

FREE AND REDUCED-PRICE ELIGIBILITY INCOME SCALE
(Minimum Guidelines Increased by 25% for Free Meals and Milk and Increased by 95% for Reduced-Price Meals)

Family Annual Income

Family Size	Free Meals	Reduced-Price Meals
1	\$0- 4,190	\$ 4,190- 6,530
2	0- 5,500	5,500- 8,580
3	0- 6,810	6,810-10,630
4	0- 8,110	8,110-12,660
5	0- 9,310	9,310-14,530
6	0-10,510	10,510-16,400
7	0-11,600	11,600-18,100
8	0-12,690	12,690-19,790
9	0-13,680	13,680-21,330
10	0-14,660	14,660-22,870
11	0-15,640	15,640-24,390
12	0-16,610	16,610-25,910
Each Additional Family Member	\$970	\$1,520

Each school district may determine the price charged for reduced-price meals, but in no case may the charge for a reduced-price lunch exceed 20¢ or a reduced-price breakfast exceed 10¢.

Rebecca Topliff Volleyball Coach

REBECCA TOPLIFF

Rebecca Topliff is the new coach of the Texico varsity girls volleyball team. She will also be a Title I migrant instructor for the elementary grades. She is the wife of Paul Topliff, mentor of the varsity Wolverine football and track teams. They have two children, Paul, 11, and Tonia, 8. Mrs. Topliff taught junior high social studies and elementary physical education last year. She obtained her B.S. degree in physical educa-

tion from Eastern New Mexico University, Portales.

She is currently working on a degree in elementary education. She attended classes at ENMU this summer and will take one course during the upcoming school year.

Mrs. Topliff says she is looking forward to coaching the volleyball team. She held her first team meeting last Saturday evening prior to the watermelon feed sponsored by the Texico Booster Club.

Volleyball Workouts To Begin This Week

Texico Girls varsity volleyball team, under the direction of new head coach Rebecca Topliff, began workouts Tuesday. The Wolverines practice daily in the gymnasium at 6:30 p.m.

This season the varsity girls will compete in District 6-A against Dora, Melrose, Tatum, Floyd, and Elida.

The following is a schedule of district games: Sept. 5 - Dora; Sept. 21 - Melrose; Sept. 26 - Tatum; Sept. 28 - Floyd; Oct. 5 - Elida.

Other games include Sept. 12 - Grady; Sept. 16 - Eunice Invitational; Oct. 3 - Dora; Oct. 5 - Elida; Oct. 10 - Floyd; Oct. 14 - Texico Invitational; Oct. 19 - Melrose; Oct. 24 - Elida; Oct. 26 - Tatum; Nov. 3 - District.

Texico Boosters Meet, Have Watermelon Treat

Texico Wolverine Booster Club met Saturday night at the high school. New officers elected during the past school year assumed their duties. They include Raymond Hadley, president; J.K. Barfield, vice-president; and Janice Turner, secretary.

Booster Club dues are \$5 per person. Members present were given a list of names of businesses to contact regarding sponsoring the football and basketball schedules.

Throughout the upcoming school year the Boosters will meet the third Tuesday of

every month at 8 p.m. MT in the high school.

Following Saturday's business meeting, ice cold watermelon was served to the Boosters, coaches and varsity football boys and volleyball girls. The Booster Club sponsored the treat.

Texico, Farwell Set Scrimmages

Both the Farwell Steers and the Texico Wolverines have been busy this week with two-a-day drills and conditioning exercises designed to prepare the Twin Cities athletes for the 1978 gridiron season.

Prior to the first football game each team will test their mettle in scrimmages.

Farwell has only scheduled one scrimmage game. They will meet the Tulia Hornets next Friday at 4 p.m. CDT at Tulia.

Texico will have two scrimmage games with Clovis. The first is slated for next Tuesday, Aug. 22, at 10 a.m. when they take on the Clovis junior varsity in Clovis. On Wednesday, Aug. 30, the Wolverines

will scrimmage the Clovis sophomores at 3 p.m. at Wolverine Stadium.

Don Alana is the head Steer mentor and is assisted by Royce Baker, Larry McDorman, Bill Phillips, Mike Martin and Glen Morton.

Paul Topliff is the head Wolverine coach and is assisted by Roy King.

Ninety 90 Students Attend Summer Reading Program

Approximately 90 students participated in the summer reading program held at Farwell Junior High and Elementary libraries, reports Pat Owen, director of the program.

Janice Fant was in charge of the elementary library and the junior high teachers were in charge of the junior high library.

Jerry Yows, Carrie Anderson and Clay Williams showed the films throughout the summer reading program.

Numerous persons served as storytellers and high school students also volunteered their services to aid the program.

Mrs. Owen said she sincerely thanks each and every volunteer who helped with the project.

Public Hearing To Be Held On Solid Waste Landfill

In keeping with provisions of the "Solid Waste Disposal Act", Article 4477-7, Vernon's Texas Civil Statutes, a public hearing will be held by the Texas Department of Health on August 25, 1978, at 10:00 a.m. on the application for a permit by the City of Farwell for a municipal solid waste landfill.

The hearing will be held at the Commission Room, City Hall, in Hereford. The facility involved is an existing 7-acre Type III landfill site located east of Farwell, 1.3 miles from the Texas - New Mexico State line, on the north side of the AT&SF Railroad.

Municipal solid waste facilities throughout Texas are under the jurisdiction of the Texas Department of Health and are required to be operated in accordance with

the Department's "Municipal Solid Waste Management Regulations." The Department's jurisdiction includes the collection, handling, and storage of solid waste and disposal by energy and material recovery, sanitary landfill, composting or other approved methods.

To assure that all municipal solid waste sites are located and operated in such a manner as to minimize potential hazards to the health, welfare and physical property of the people and the environment, each disposal facility in Texas is required to be evaluated by the Department of Health prior to receiving a permit. The law is applicable to municipally-owned as well as privately-owned solid waste sites.

Each applicant for a permit for a solid waste facility in Texas -- and there are

approximately 1,200 such facilities -- is required to submit supporting data and/or a design of the facility as a basic part of the application for a permit. All information concerning the facility, as well as copies of the Department's regulations, will be presented during the public hearing and will be available for review by all interested parties.

The public hearing is an important part of the Department's evaluation process prior to making a determination on whether or not a permit should be issued. The purpose of the hearing is to insure that all interested parties have full knowledge about a solid waste disposal facility and that they are provided an opportunity to

present testimony relating to the facility. The permit applicant, or a representative of the applicant, will be present to answer questions.

Public hearings on municipal solid waste facilities are conducted in accordance with the "Administrative Procedure and Texas Register Act," Article 6252-13a, Texas Revised Civil Statutes, according to Jack D. Carmichael, P.E., Director of the Division of Solid Waste Management, Texas Department of Health, 1100 West 49th Street, Austin, Texas 78756; telephone number (512) 458-7271; and at the Department's Regional Office located at the Old Health Center Building, West Texas State University Station, Canyon, Texas 79016; telephone number (806) 655-7151.

without an attorney, said Mr. Carmichael, but all evidence submitted must be legally admissible (as opposed to hearsay) if such evidence is to be used as a basis for decision by the Department.

Copies of the complete application and supporting documents are available for review by any interested party at the Division of Solid Waste Management, Texas Department of Health, 1100 West 49th Street, Austin, Texas 78756; telephone number (512) 458-7271; and at the Department's Regional Office located at the Old Health Center Building, West Texas State University Station, Canyon, Texas 79016; telephone number (806) 655-7151.

Health Tips

A disturbance in the tiny canals of the inner ear can destroy the best-laid travel plans. When the body's balance mechanism, contained in the inner ear, is bothered by motion, suddenly the traveler may be concentrating more on the nausea, vomiting or dizziness of motion sickness than on the pleasures of a long-planned vacation.

To help prevent motion sickness, which is much easier than controlling it once it starts, the Texas Medical Association offers these suggestions:

--Try to ride in the front seat of a car, midship in a boat and in the middle, usually over the wing, in an airplane;

--Avoid heavy meals, excess alcohol and other substances that might cause an upset stomach under normal conditions. During prolonged periods of motion, simple foods and small amounts of liquids can be taken. For short trips, avoid eating anything.

--Proper head position also can be helpful. Try tilting your head back, keeping the line of sight at about a 45 degree angle. Also try to steady the head against a pillow or other solid object;

--Focusing on a distant, stable object instead of concentrating on pitching, swaying nearby surroundings aids some people. But make sure

the object looks very stable. Some authorities say a moving horizon and emotional factors such as fear are two of the main causes of motion sickness;

--Over-the-counter drugs such as dimenhydrinate, meclizine and cyclizine can be useful. These are not the trade names so read the labels to find the ingredients. Ideally these drugs should be taken before traveling, but if motion sickness starts to sneak up unexpectedly, taking a pill immediately may help. Many airlines carry the drugs on-board for just such occasions. Since these drugs make some people drowsy, do not operate a vehicle if you use them;

--Sitting still and avoiding reading helps many people avoid motion sickness. If motion sickness does occur, the victim may eventually get used to the motion and recover. One pilot would eat a load of pancakes, take his plane up and do acrobatics until he began to get sick. He would land, vomit and then eat another stack of pancakes. He repeated the process until he got used to the motion.

If you are not up to such heroics, sip simple fluids to keep from becoming dehydrated if the problem continues for quite awhile and take a motion sickness drug at recommended intervals.

The New Melroe End Wheel Drill For Precision Seeding

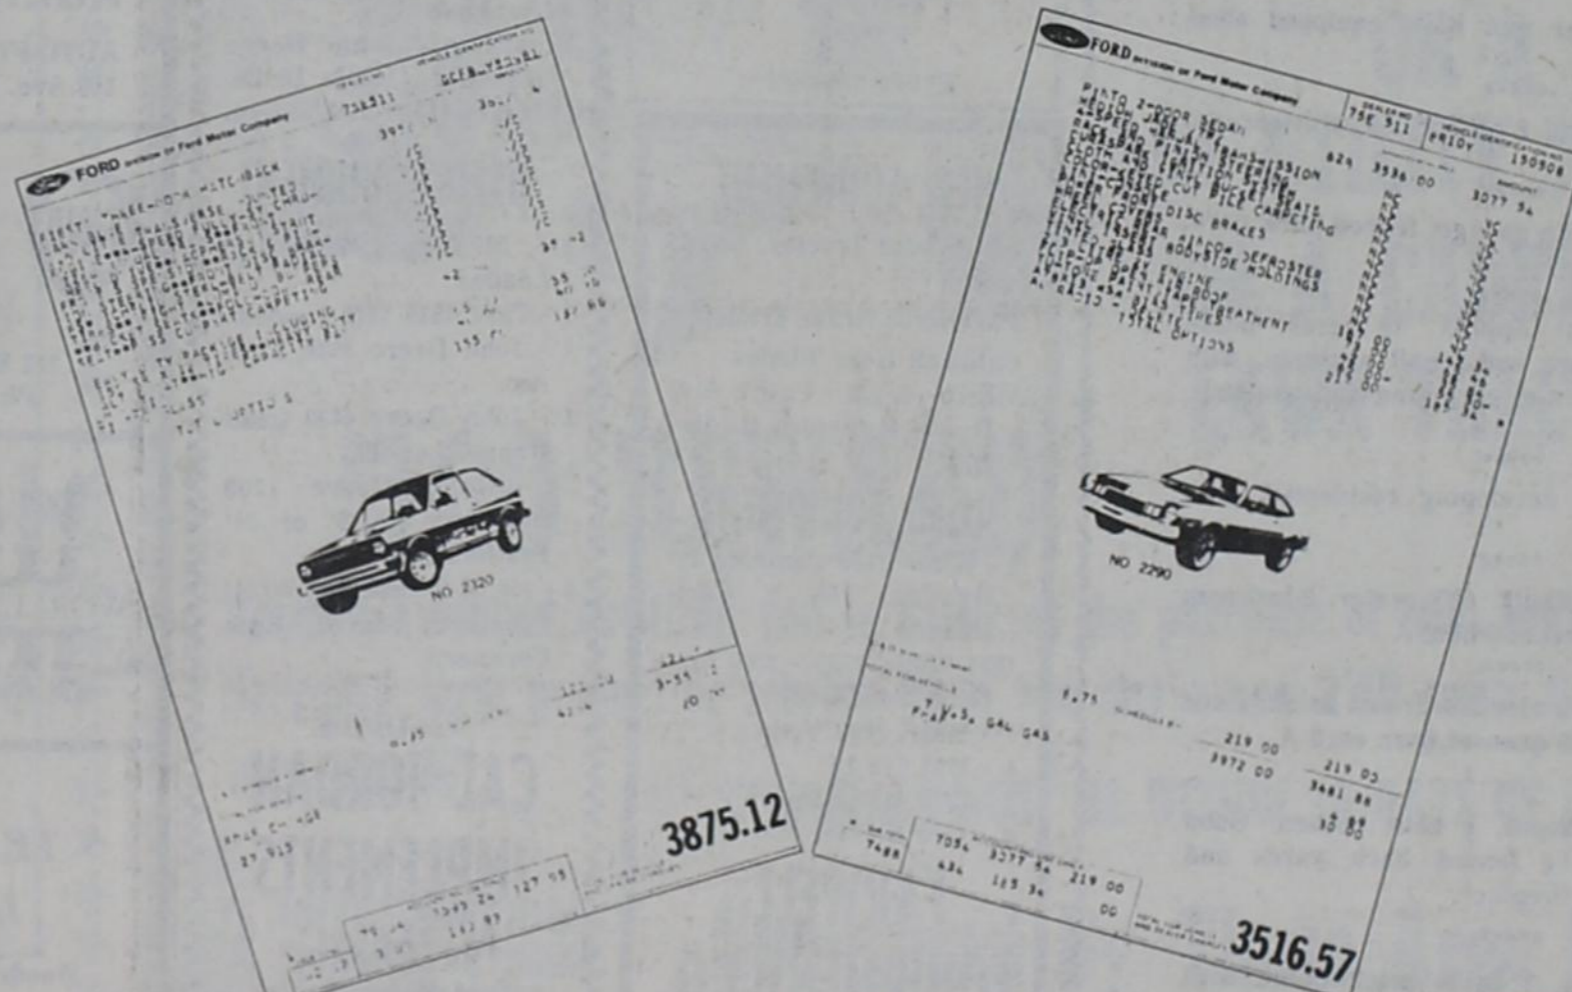

At first glance it may look the same, but the Melroe End Wheel Drill has changed...and changed where it counts. A close look will reveal a new special feed system that provides precision seeding, row after row. The new feed system features an all new specially designed feed cup to maintain an even flow, new diagonally fluted feed wheels that allow accurate seed metering, and a new improved clutch and chain drive system. Also, seeds are planted at an even depth. Furrow opener pressure springs are set at an angle, instead of vertically, for a more even seed penetration, regardless of ground profile. Take a look at some of the other built-in features. Like a simple, sturdy frame with limited obstruction. A grain box that holds a bushel and a half per foot. A cluster gear box that allows over twenty application speeds. Or furrow opener boots that are made of steel to stand up better to rocks. And steel footboards that fold up and out of the way. Scrapers are standard equipment. Drag chains are available. Check out the New Melroe line of end wheel drills. Sizes range from 10 to 14 feet with 6, 7 and 9 inch spacings. One of them is just right for your farm and crops.

Regional Meeting Set For Small Farmers

Small farmers from eight states will have an opportunity to discuss their special problems at a meeting in September 6-7 in Albuquerque. Delegates from Texas, New Mexico, Colorado, Arizona, Utah, Nevada, California and Hawaii will attend the meeting jointly sponsored by the U.S. Department of Agriculture and the Community Services Administration. According to Dr. Dempsey H. Seastrunk, assistant director of the Texas Agricultural Extension Service, participants in the regional small farm conference will be nominated by local county USDA Rural Development Committees and community groups of farm operators "who really know what the appropriate

definition of 'a small farmer' is in a given area." Six delegates from each of the continental states and four from Hawaii will be nominated. Conference expenses will be shared by USDA and CSA. The meeting at the Albuquerque Convention Center will be the last of five held across the country. Others have been held in Montgomery, Ala.; Ames, Iowa; La Grande, Ore.; and Portland, Maine. The meetings are intended to give small farmers an opportunity to express concerns and to tell how responsible government agencies can better expand money and effort to help, points out Seastrunk.

Information from the USDA indicates there are about 1.8 million small farm operators who together own about 37 percent of the farmland and control 31 percent of all farm assets, including land, machinery and buildings. In addition to the delegates, officials from concerned federal and state agencies and from other interested groups will be invited to attend, notes Seastrunk.

Office In Bovina - - Clayton Williamson, City Manager of Bovina, will become the new County Secretary in Parmer County for the High Plains Underground Water Conservation District No. 1, effective August 21. The new office location will be in the Bovina City Hall at 323 North Street, phone number 238-1116. All business pertaining to well permits, or other such activities, will be handled at this new office. The office will be open from 8 a.m. to 5 p.m., Monday through Friday.

American FB Endorses Range Improvement Bill

The American Farm Bureau Federation has given "wholehearted endorsement" to an omnibus bill designed to improve range conditions of public grazing lands (H.R. 10587). A.W. Langenegger, a Hagerman N.M., rancher, and president of the New Mexico Farm and Livestock Bureau, testified recently before a Senate subcommittee studying the measure. Langenegger urged prompt, favorable consideration of the House-passed measure and said: "A serious commitment of this kind has been long needed. We believe firmly there is a complementary relationship between the grazing of livestock and the overall

condition of rangeland." He applauded a provision which calls for 80 percent of the grazing fees to be used for on-the-ground range maintenance and improvement and suggested that permittees be granted the increased grazing capability which accrues from improved rangeland management. Farm Bureau supported recommendations of a grazing fee technical committee which Langenegger called "far more equitable than the formulas recommended by the Secretaries of Interior and Agriculture." Provisions to give the Secretary of Agriculture additional discretion and control over wild horses and burros also won Farm Bureau support.

On The Farm In Parmer County

By SETH RALSTON
County Agent

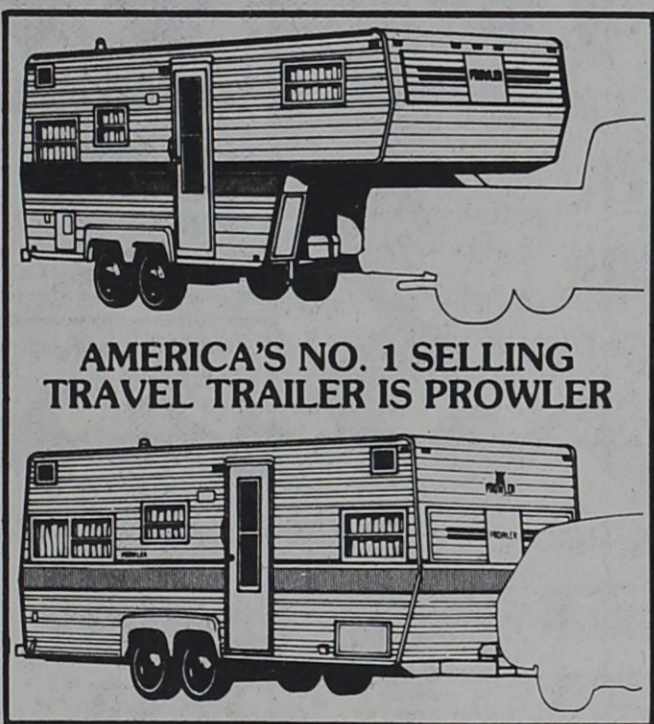

Stored grain should have air circulation to minimize molds, bacteria and insects -- the things that cause grain quality to deteriorate during storage. Cooling the grain limits these factors, thus reducing deterioration. Adequate aeration may be obtained with a continuous, aeration system. The airflow rate may be as low as 1/10 cubic foot per minute per bushel of bin capacity. Start aeration when the bin is being filled. This will remove any excess heat and moisture not removed in drying and cooling prior to storage. In the fall when mean daily temperatures show a steady decline of 10 to 15 degrees, aerate whenever the mean daily temperature is 10 degrees cooler than the grain temperature. Continue until the average grain temperature in the bin is about equal to the outside air temperature.

Royal Ambassadors Return From Backpacking Trip

Several members of the Royal Ambassadors from Farwell and Lubbock went on a backpacking trip to the Pecos Wilderness near Las Vegas, N.M. August 7-11. Adult sponsors were Rev. Dudley Bristow, pastor of First Baptist Church in Farwell; Joe Hughes and Mark Chadwick of Farwell; and Bill Bice, the RA leader at Calvary Baptist Church, Lubbock.

Campers were Blaine Buchenau, Jack Smallwood, Rusty Smallwood, Todd Gerles, Tim Hughes, and Mark Bristow, all of Farwell, and Duain Lee of Lubbock.

Each hiker carried his own equipment and enough food for one week, Bristow said. The backpacks weighed from 40-50 pounds each. Chadwick rode a horse, and another horse was used as a pack animal. Each camper cooked his own meals which consisted mainly of dehydrated foods bought in grocery stores and later repackaged in plastic bags,

Bristow said.

The Wilderness is made up of 167,416 acres of underdeveloped forest land and includes parts of the Carson and Santa Fe National Forests. Elevation ranged from 8,400 to 13,103 feet above sea level. The campers hiked about 35 miles during the week long stay, from Mt. Peak to Valley Floor.

Daily afternoon showers occurred and day time temperatures were often in the seventies. However, the nights were cold, occasionally near freezing. But overall the weather was clear and crisp, Bristow said.

Skills were taught in trip planning, equipment and shelter, rope craft, tool craft, fire craft, cooking, first aid, safety and sanitation, map and compass, nature study, conservation, fun and worship. Many of these skills were taught with the help of the RA campcraft book, Bristow explained. They also found time to fish for German Brown

Trout.

A Bible study was conducted using the Youth Bible Study Notebook by John and Susan Sooter. The study helped each person learn to see what was in each Bible passage. It was a guide to help each camper study the Bible and apply good works to their life.

The following letter was written by Bristow: "It is my prayer that this trip will become an annual event in the R.A. work at the local Baptist Church. And may it have helped prepare these young men to reach the R.A. aim.

1. A knowledge and an appreciation of and commitment to God's will for their lives.
2. A sense of personal responsibility for Christian missions.
3. A knowledge and an understanding of the work of their church and denomination.

4. A keen desire to use their lives through Christian witnessing and service to others.

5. Growth in physical competency, including bodily development, vitality and skills.

6. The deepening of Christian appreciations, attitudes, standards, and conduct in their social relationship.

7. The development of self expression, reasonable self-confidence, and emotional control.

May these be used as stepping stones in guiding boys as they try to reach their maximum for Christ. To help each boy to develop the

realization that the individual Christian is the 'hub' of the world missions.

"Royal Ambassadors at First Baptist, Farwell, is open for any boy from grades one-12. Call 481-3202 or see any man at the church for information about our program, helping boys grow into manhood, dedicated to the service of Christ."

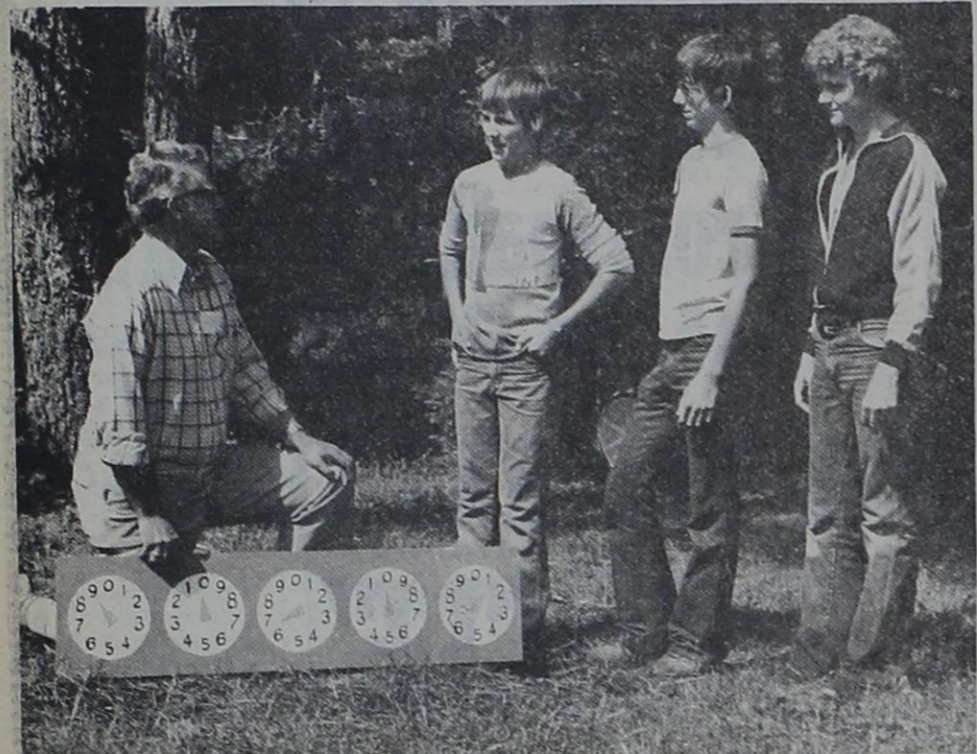

Yours,
Bro. Dudley Bristow

Meeting Rescheduled

Farwell Chamber of Commerce will meet Tuesday, Aug. 22, at noon at Clara's restaurant. The meeting was rescheduled from the regular date because school starts in Farwell on August 28.

Wesley Hukill Gets WTSU Scholarship

Wesley Hukill, son of Mr. and Mrs. W.D. Hukill of Farwell, has received a Residence Hall scholarship from West Texas State University for the 1978-79 academic year.

Residence Hall scholarships are awarded on a competitive basis with academic background and ability as important factors.

The scholarship, which ranges from \$100 to the maximum of \$400 per year is awarded by the Student Financial Aid and Scholarship Committee at West Texas State University.

Students apply for the scholarship through the Student Financial Aid Office at West Texas State University.

Wesley will be a junior majoring in agricultural business and economics. He is a graduate of Farwell High School.

Attend Electric Camp

High above the plains of Texas, in the cool of the Sacramento Mountains of New Mexico, a delegation of 4-H'ers and leaders from Parmer County attended the 4-H Electric Camp recently. The camp is located 28 miles southeast of Cloudcroft, N.M. Instructor Don Pemberton of Lubbock is pictured with three Farwell youths who attended the camp. The youths, from left, Tom Mesman and Ted Mesman, sons of Mr. and Mrs. Ben Mesman, and Craig Kaltwasser, son of Mr. and Mrs. Gilbert Kaltwasser.
