

ESA To Sponsor Nov. 11 Walk-A-Thon For Cystic Fibrosis

Theta Rho Chapter of Epsilon Sigma Alpha sorority will sponsor a walk-a-thon for Cystic Fibrosis November 11 from 2-5 p.m. CST at the Farwell track.

Fast and slow lanes will be provided for those who wish to walk or jog. All participants are asked to obtain one or more sponsors. Sponsors are asked to donate a minimum of

50 cents per lap. Anyone wishing to register is asked to contact LaMoin Williams, chairman, 825-2255, or Margaret Aycock, 481-3885. Prior to the start of the walk-a-thon all entrants will be asked to fill out an information sheet listing all of their sponsors.

Challenges will also be encouraged, reports Mrs. Ay-

cock. She added that anyone who earns \$25 or more will receive a t-shirt with the words "I did it" printed on it.

There is no age limit according to Mrs. Aycock, who explained that Cystic Fibrosis has always been the state ESA philanthropic project. In past years the local chapter has donated money to the fund,

but this is the first year to sponsor a walk-a-thon.

Seventy-five percent of all CF funds are used for research, care, education and community services for 13 percent going to fund raising expenses and 12 percent for administration.

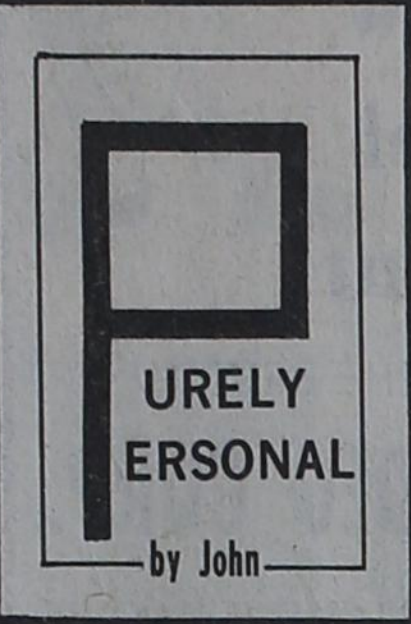

Cystic Fibrosis is a disease

that takes hold at birth and never lets go. Many children with this inherited and incurable disease will not live to adulthood. Those who do will face severe financial, emotional and physical problems with the things often taken for granted - health, care, employment, marriage, family planning.

CF attacks the lungs and

digestive system. It occurs once in every 1,600 births, the result of a child inheriting a gene for CF from each of his parents.

CF cannot be cured yet, but early diagnosis and special medical care is lengthening and improving the lives of affected children and young adults.

Election time all across the country is fast coming upon us. We daresay few individuals are completely aware of all the basic problems affecting the country on the national, state and local level. Therefore, as a guide to intelligent voting we believe that a look at a candidate's past voting record will be a good clue to the candidate's future voting record.

We believe that an assessment of a candidate's moral record be considered by a voter. A good question to ask is whether your candidate will succumb to public clamor or will the candidate act in a responsible way, not only for today but for the good of our succeeding generations.

When the sense of personal moral responsibility disappears, our leaders buckle under to the despotism of the majority. To please the electorate and win another term in office, our politicians do what is expedient rather than what is right. Public opinion polls often mean more in legislatures than the Constitution.

Frankly, we do not need anymore leaders who are sympathetic, who are sensitive, who feel for the people or are any of the popular code words for just plain "big spenders."

What we need in our various legislative halls are leaders with a feeling of moral responsibility, not only to those today but to those who will succeed us in this country. We also need leaders with that uncommon commodity inelegantly described as "guts."

To find and elect such representatives will require that the citizenry of this country vote in much larger numbers than they have in the past. It is a sad commentary on the vitality of our Republic when less than half of all those eligible to vote actually go vote.

How can we have a Republic wherein the "majority rules" when a majority does not even go to the polls? Obviously we cannot, and we are suffering the penalty of being governed by a minority-pressure group system.

Today our country is run for the benefit of minority groups. Each group has a special interest to promote and to hell with the rest of the people. This is evident in much of our recent legislation.

People evidently would rather be part of a "group" rather than a self-reliant individual. As a consequence, individual incentive, creativity, motivation and personal responsibility have declined as group influence becomes more important than individual excellence, as something-for-nothing replaces individual self reliance.

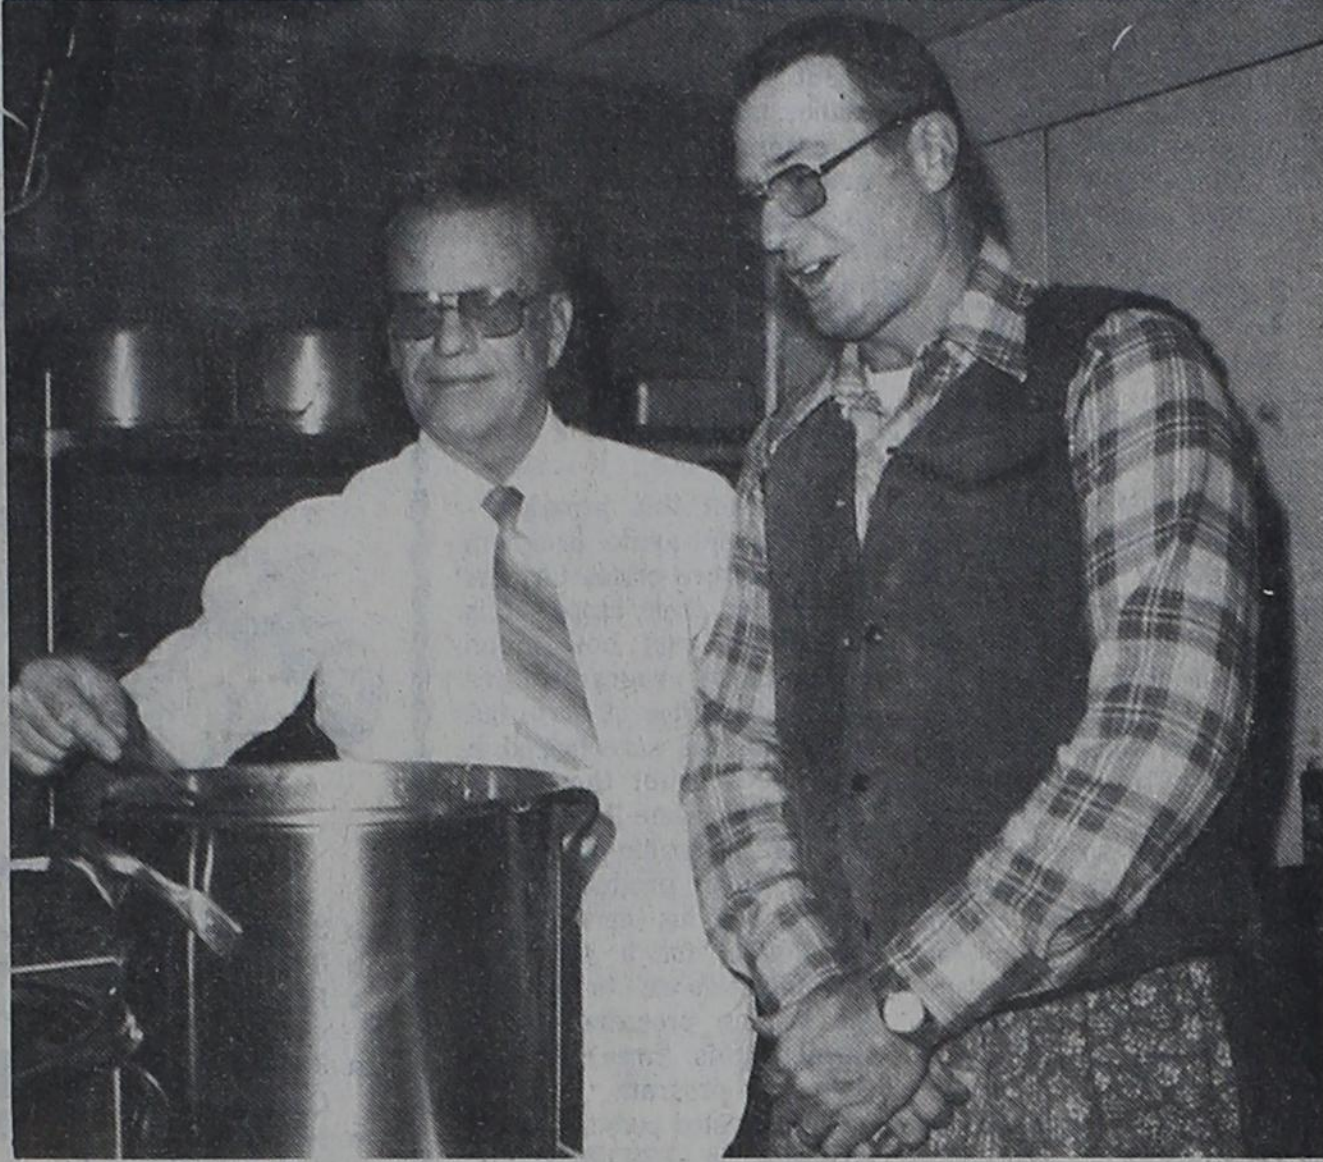

The problem of today and tomorrow is how to return this sense of personal and individual responsibility to the citizenry of the United States of America.

Obviously we cannot have this return to individual responsibility unless the vast majority of our people go to the polls and vote for it.

Therefore, we believe the most important thing to look for in the up-coming election is not who got elected but HOW MANY PEOPLE VOTED.

Remember in talking politics; Never argue with a fool - some people might not know the difference, or in reflecting on the above keep in mind Cole's Law. Thinly sliced cabbage.

To close on a more cheerful note remember the plumber's philosophy. 90% of everything goes down the drain.

'Looking Good'

Raymond Hadley, right, seems to be telling George Harrington that the pancake mixture for this Friday's Pancake Supper is "looking good." Prior to the Texico Homecoming game, the El Llano Grande Kiwanis Club will sponsor its annual meal. Tickets are \$1.50 for adults and \$1.00 for children under 12.

Texico Homecoming Royalty Crowned

Texico High School crowned its 1978 Homecoming Queen and King Monday night in the gymnasium. The honorees are Celia Johnson, daughter of Mr. and Mrs. Bob Johnson, and Jimmy Reid, son of Mr. and Mrs. W.O. Reid. They are seniors.

Other candidates vying for Queen honors were Tonye Harrington, senior, daughter of Mr. and Mrs. Moreland Harrington; Teresa Turner, senior, daughter of Mr. and Mrs. David Turner; Lori Harrington, junior, daughter of Mr. and Mrs. Eddie Harrington; and Roxanne Cherry, junior, daughter of Mr. and Mrs. Chuck Sluder.

Those contending for King honors were James Barfield, senior, son of Mr. and Mrs. J.K. Barfield; Johnny Maben, senior, son of Mr. and Mrs. C.J. Maben; Britt Crooks, junior, son of Mr. and Mrs. Arlye Crooks; and James

Hadley, junior, son of Mr. and Mrs. Raymond Hadley.

Theme for this year's traditional celebration is "The Green, Green Grass of Home."

Green and White spirit boosting activities continued Tuesday as the students dressed in the style of the 1950's. Wednesday was "costume day."

The homecoming parade was to begin at 4:30 p.m. MDT Thursday. A water polo match and a car bash was to follow at the school. The traditional bonfire was to begin at 7 p.m. MDT.

However, due to inclement weather earlier this week, tentative plans called for having a pep rally in the old gym if it would not be possible to have the bonfire.

The El Llano Grande Kiwanis Club will sponsor their annual pancake supper this Friday from 3-8 at the school

cafeteria. Tickets are \$1.50 for adults and \$1 for children under 12.

Ray Mears Seeks JP Re-election

Ray E. Mears, a Parmer County resident since 1940, re-announces that he will be a candidate for re-election for Justice of the Peace, Precinct 1, in the November 7 General Election.

Mears first assumed the duties of Justice of the Peace in 1972 when he was appointed to serve the unexpired term of J.R. Thornton. In 1974, he was elected to his first full term.

RAY E. MEARS

In authorizing this newspaper to make his re-announcement Mears made the following statement:

"If re-elected to another term I will try to do as good a job for the people of this community as I have in the past."

Mears also said that he wanted to be able to visit all his constituents before the election, but due to the weather might not be able to get around to everyone.

Your vote and influence will be greatly appreciated.

Wolverines Garner State Playoff Spot

"State in '78" has been the battle cry of the Texico Wolverines since the present grid season began in September. This was to be the "Year

of the Wolverines" and so far the Green and White have been able to accomplish their goals.

The number one ranked Class A Wolves blasted number six ranked Melrose Friday night, 48-7, to win the undisputed 2-A conference title. Texico is 6-1 for the year and has an unblemished conference record.

Coach Paul Topliff and his Wolverines are "tickled" (Topliff's favorite word) that Friday's win has given them a trip to the state playoffs slated for November 10 or 11. He is proud of the total team effort which has carried the Green and White to this stage in their prep career. He is also grateful for all the support provided by the school system and community.

The trip to the state playoffs climaxes a three-year struggle to put Texico on the prep football map. So far it is working. Suddenly Texico is one of the many New Mexico teams which everyone from sports writers (who probably had to look Texico up on the map) to fans are talking about.

In a few weeks Texico will face the District 3-A runner-up in the first round of playoff action. Topliff speculated that their opponent would probably be either Capitan, Reserve or Carrizozo. Earlier this season the Wolves crushed Capitan, 33-0, at Capitan.

Texico began their season with a bang, winning big over Mountainair on the road; but they dropped the next game - also on the road - to Christ the King of Lubbock. They came back strong to win the next five games - three of which were away from home.

The stunning Texico offense

has notched 307 total game points in its victory belt this season, and there are two remaining non-conference games to go. The awesome defense has given up only a measly 35 points in seven outings, and the defensive stars were responsible for two shut-outs.

In addition to that some Texico player has been named either the Amarillo Globe News New Mexico player of

the week or runner-up player almost every week of the 1978 grid season.

The Wolverines have come a long way since the days when winning two or three games out of nine or 10 were considered a "good" season, and if they can win the next five outings - in particular the trilogy of state playoff games - they might just be the Class A champions in 1978.

Turn Clocks Back

Mary Powell, Texico High School secretary, reminds everyone to remember to turn their clocks back one hour this Sunday at 2 a.m. At that time, Twin Cities residents will join the rest of the nation in converting from Daylight Savings Time back to Standard Time. A special reminder to all trick-or-treaters: with the change in time, darkness will fall an hour earlier, so start early and be careful in making your rounds.

Only Two Call 11 In Upset Week

Only a few area prognosticators who enter the weekly football contest manage to maintain a rather proficient talent as they continue to pick as many as 11 and 10 games correctly even during an "upset" week such as the past one.

Two male guessers correctly predicted the outcome of 11 games and a woman claimed third by calling 10 games right.

Phil Brennan called 11 right and only missed the tiebreaker by 14 points to receive the check for \$7.50. He called the tiebreaker 14-7 in Farwell's favor. Actually, the Steers edged by Springlake-Earth, 7-0, to claim the district win.

Brennan tripped up in his predictions when he picked the Cardinals over the Jets.

Otto Lingnau won second place by virtue of calling 11 right and being 42 points off the tiebreaker. He optimistically picked Farwell over Springlake, 42-14; but erroneously sided with Arkansas over Texas. Lingnau received a \$5 check.

Deanna Yruegas missed two and was 11 points off the tiebreaker to claim the third place check of \$2. She was closer on the tiebreaker, picking Farwell 12 and Springlake 6, but fell down in the game guessing category by selecting Melrose over Texico and Arkansas over Texas.

Jimmy Castleberry also called 10 games right, but missed the tiebreaker by 20 points.

Karen Lusk and Jerry Roddam still maintain their first place overall lead with 58 points each.

Three persons with one less total points - 57 - are in second place overall. They are Lorine Dannheim, Eugene Lonsdale and Champ Porter.

In third place with 55 total points are Carlton Newell, Robin Roberts, Judy Smith and Beulah Williams.

Several persons have 54 total points to be in fourth place, including David Dannheim, Carl Dean Goettsch, Greg Hromas, Jack Allan Kirkland, Nicky Liethen, Tim Lusk, Larry McDorman, Ruth Newell, Earlene Porter, Marilyn Rains, Radney Robertson, Steve Taylor and Jo Walker.

Since only a few points separate the top leaders it's still anyone's game with the final outcome not being known until the very last week.

But for all area football enthusiasts it's never too late to enter the weekly contest and compete for the \$7.50, \$5 and \$2 winnings.

Rain, Cold Temperatures End Indian Summer Days

An early winter storm moved into the Twin Cities area late Sunday afternoon bringing with it intermittent rains and cold temperatures. The blast of frigid air sent local residents scurrying for warmer coats, rain caps and gloves.

As is usually the case with moisture at any time of year, the farmers were both pleased and hampered by the latest moisture readings. Nearly half an inch or more of rain has been reported in the Texico-Farwell and Lariat area.

Since the corn harvest is about 95 percent finished, the moisture caused this no significant problems, Seth Ralston, county agent, said.

While the recent rain benefited the young wheat and barley plants, it was somewhat detrimental to cotton,

soybeans and sunflowers. The first showers fell late Saturday night, beginning again Sunday night and continuing throughout Monday. The intermittent showers also fell Tuesday, but had begun to abate by late Tuesday afternoon. However, dreary, dark overcast skies continued to dominate the weather horizon at midweek although the temperature had begun to warm up.

Clovis received a total moisture count of .65. Grady, located north of Clovis, reported a half inch of moisture and temperatures in the 38-40 degree area.

Muleshoe reported .23 and Friona recorded .15 amount of rainfall during the two-day period.

Wednesday morning the sun shone brightly again, and temperatures began warming up; however, another cold front was predicted to move into the area by nightfall.

Takes First Place

Phil Brannan of Farwell, left, called 11 games correctly and missed the tiebreaker by 14 points to claim first place in the annual Merchants Football Contest last week. He receives the winning check of \$7.50 from Bill Thigpen of Worley Mills, one of the contest sponsors. Otto Lingnau won second place and \$5 with 11 correct guesses and a 42-point miss on the tiebreaker. Deanna Yruegas lauded in third with 10 right choices. She was only 11 points off on the tiebreaker and received a check for \$2.

1978 Corn Eligible For 3-Year Reserve Loan

The 1978 crop corn may now be placed under CCC loan for a period of three years, according to Prentice Mills, county executive director of the ASCS office. This is the loan program where producers may isolate their crop from the market for a period of three years - or, until the price reaches an acceptable level. Under this program, CCC pays the storage on the corn placed under loan. Storage payment is made (25 cents per bushel) at the time the three year agreement is entered into.

Of course, the producer agrees to leave his corn under loan until the market reaches a certain level, or refund some or all of the storage payments advanced to him. Also, interest stops on this type of loan after the reserve agreement has been in effect for one year.

This program was developed with the thought in mind that by isolating some of the grains from the market that prices would strengthen. It being

thought that this program - plus the set-aside program - would improve prices farmers receive for their crops. It is not known just how much effect these programs have had on the price of corn, but something has sure helped it lately. No doubt these programs had some bearing on the more favorable prices.

Any corn producer who plans to hold his (her) corn off the market for a period of time might do well to look into the holding program offered through this three-year reserve loan program.

All interested persons should contact their ASCS office.

James Wesley Clark Lost In CG Collision

James Wesley Clark, 25, son of Mr. and Mrs. Joe Clark of Clovis and a graduate of Texico High School, was one of 11 men drowned last week when a U.S. Coast Guard cutter collided with an Argentine coal freighter and sank in Chesapeake Bay.

Funeral arrangements for Clark are pending.

Clark's body was found in the hull of the ship. At midweek, one other body had been found and nine more were still missing.

The dead and missing men were part of the 29-member crew on board the Cuyahoga, the Coast Guard's oldest cutter.

The cutter collided with the Santa Cruz, a 521-foot coal freighter at 9:15 p.m. Friday under a clear sky and bright moon. The freighter was bound from Baltimore to Buenos Aires.

According to one survivor, the missing men never had a chance. They were asleep at the time of the accident and were trapped by water that flooded their quarters.

Clark, the youngest of two sons, joined the Coast Guard September 10, after leaving his job as an insurance adjuster.

Two weeks before the fatal accident Clark had missed his regularly scheduled training

mission - his first - to take a test for pilot training. He had to make up that sea voyage last weekend.

Clark graduated from Texico High in 1971 and from Eastern New Mexico University in 1975, earning a BBA in business administration. While at ENMU he was a member of Sigma Nu fraternity.

While at Texico school, Clark received numerous honors and recognitions.

He received the FFA Greenhand Chapter award in 1969. That year he attended the FFA National Convention and served as president of the sophomore class. He also played on the basketball team.

Clark was the basketball homecoming escort for 1971 and that year he was also president of the senior class and a member of the student

council. He was named "most handsome" in 1970 and was crowned the football homecoming king in 1971. While a senior he was named the FHA beau, Mr. OEA, most popular, and best personality. He was also a member of the National Honor Society.

Last Rites Held For Lon Cochran

Funeral services for Lon J. Cochran, 83, of Muleshoe were held Thursday in Muleshoe at the Trinity Baptist Church with Rev. Jess Rains officiating.

Burial was in the Muleshoe Cemetery under the direction of Singleton-Ellis Funeral Home.

Mr. Cochran died Tuesday in Farwell Convalescent Center following a lengthy illness.

He had lived in Muleshoe since 1942, moving there from

Haskell. The Mount Pleasant native was a retired carpenter, a member of Trinity Baptist Church and a veteran of World War I. He married Nancy Coffman on Jan. 18, 1945 in Clovis.

Survivors include his wife; a son, John J. of San Jose, Calif.; four daughters, Victoria Derrick of Omaha, Tex.; Mary Pierce of Elmore City, Okla.; Juanita Lightfoot and Anita Boyd, both of Grand Prairie; two sisters, Barbara Case of Muleshoe and Bertha Riddle of Mount Pleasant; 16 grandchildren; 16 great-grandchildren, and a great-great-grandchild.

Accident Victim Reported Stable

Lyndon Donahey, a 1978 graduate of Texico High School, remains in stable but critical condition at El Paso Eastwood Hospital in the intensive care unit there, reported his sister, Kerri, on Tuesday. Lyndon received a skull fracture and internal injuries in an automobile accident late last Friday night near Clouderoft. N.M. The pickup he was driving apparently missed a curve and dropped down an embankment approximately 300 feet, said his sister. A passenger in the pickup received only minor injuries. The two boys were en route to a camping-hunting outing for the weekend. Lyndon, the son of Mr. and Mrs. Jack Donahey, is a freshman in mechanical engineering at New Mexico State University in Las Cruces.

Jr. High Band Wins First

Farwell Junior High band recently earned first place during the Harvest Festival parade at Brownfield. Two of the band's cornet players are pictured with the awards. Logan Dollar, son of Mr. and Mrs. Bob Dollar, holds the check for \$100 and Domingo Rubio, son of Mr. and Mrs. Domingo Rubio, Sr., holds the trophy. Both boys are eighth graders. Lynn Burton is the band director.

Services Held For Former Resident

Funeral services for John P. Tate, 87, formerly of Farwell and Lubbock, were conducted Saturday at the Henderson Funeral Chapel, Lubbock. Rev. Doyle Holmes, director of Missions of Lubbock Baptist Association, officiated.

Burial was in Resthaven Memorial Park under the direction of Henderson Funeral Directors.

Mr. Tate died Thursday of last week following a short illness.

The Frazier, Kentucky native had farmed in Farmer

County and was active in Farwell civic affairs. After retiring from farming in 1949 he moved to Lubbock. In 1969 he moved to Dallas.

Tate married Vera M. Gerrard in Oklahoma, August 15, 1916. He was a Baptist.

Survivors include his wife; a son, John F. of Dallas; three grandchildren and seven great-grandchildren.

Pallbearers were Woodrow Lovelace, Maurice Hearne, A.D. Bradley, Aaron Pendergrass, John Hays and Duane Parker.

Convalescent Center Chit Chat

No services were held Sunday afternoon due to the fact that the Texico Assembly of God Church does not have a pastor at this time. Instead, Dora Verner played the piano and everyone sang songs.

Many, many preparations are in the works for Tuesday's Halloween Carnival. The fun gets underway at 6 and will continue for two hours.

Bingo games will be played at 20 minute intervals and baked "goodies" will be offered as prizes.

Peggy Jones and Nell Walling will "gaze" into a "Crystal Ball" to tell the fortune of any soul who dares to tempt the "spirits" on the "Eve of all Hallows."

A "gory organ recital" is also in the works. Residents will be on hand to distribute treats to all the little spooks who come trick-or-treating. The residents will be dressed in traditional Halloween garb.

A costume contest will also be staged for everyone, regardless of age. Everyone is encouraged to wear typical Halloween clothing or costumes. No one knows who the judges are and they won't be unveiled until the winners are chosen at 7 p.m.

Admission is free, but a fee of 25 cents will be charged for each fun-filled activity in which persons partake. All proceeds go to the activity fund.

Free refreshments will be provided by the Texico Chapter of Future Homemakers of America.

The newly-organized Center Kitchen Band "The Pot Lickers" will also offer its premier performance. Make plans now to attend and have lots of "Witching Hour" fun to remember for a long, long time.

Several Auxiliary members have been busy as little bees working on the hats consisting of paper plates sprayed with red paint and tied with bright red and white striped bows which the Pot Lickers will wear as their official outfits.

Red was chosen because it is the Auxiliary's official color.

Those helping Floe Copeland, activity director, with the project were Jan Marsh, Martha Curtis, Mary Mesman, and Liz Kaltwasser. They have also been working to decorate the Center with all the usual Halloween decor, including witches, scarecrows and hobboblins.

Ruby Hulse has especially been enjoying watching the decorations go up as for years she taught school and can

remember decorating many bulletin boards and school rooms. She also recalls how excited the children would get as the time drew closer to the big day.

Floe's quote: "Though we travel the world over to find the beautiful, we must carry it with us or we find it not." Ralph Waldo Emerson.

Willie Shields spent the weekend with her family, the Byron Shields in Portales. She reports they certainly had lots of delicious food for the small family get-together. They also enjoyed watching the Dallas Cowboy game on TV.

Also joining the Shields were the Gary Williamsons of Carlsbad, N.M., Willie's grandson and wife. While there they made a five-generation picture.

Visiting Nina Dickinson were her son and wife, Mr. and Mrs. Curtis Dickinson of Alamogordo, N.M.

Visiting Annie Callahan were her sister-in-law, Lois Callahan and Mr. and Mrs. Joe Callahan of Plainview.

Visiting Lois and Milton Poteet were their son and wife, Mr. and Mrs. Bob Poteet of Arlington who came to take Lois for a checkup in Amarillo. They also took Milton to Clovis for a checkup. The visit was ended after two days with a chicken dinner at their home in Texico.

The Poteets also had a surprise visit from their grandson, Johnny C. Crume of Orlando, Fla., who was passing through town while driving his truck from Florida to Phoenix, Ariz. They had not seen him in four years.

Bertha Kaltwasser spent Sunday with her son and family, the Walter Kaltwassers.

Pete Hollis of Friona visited his brother, Jack the Burro Kid last week. Jack also enjoyed a visit from his favorite girl "Bev" of Canyon, Tex.

Visiting Dick and Annie Dunn were his son and wife, the Joe Bolins of Ft. Sumner, N.M.

Thelma Pattison went to church Sunday in Clovis and brought home a beautiful fresh cut bouquet of autumn colored flowers. Then she had to go to Albuquerque for a week so she brought the lovely creation in for the Dick Duns to enjoy.

Nora Edens and Jack Hollis went to the Senior Citizens morning coffee on Tuesday with Mona Coburn. Nora was also visited by her grandson

Couple Wed In Alabama

Debra Allen and Darwin Green, both of Montgomery, Ala., exchanged wedding vows in a ceremony Saturday, Oct. 14, in Montgomery.

Green, formerly of Farwell, is the son of Mr. and Mrs. Doyle Green of Farwell.

Mr. and Mrs. Doyle Green and their son and daughter-in-law, Mr. and Mrs. Dwight Green, and Mrs. Virgie Shaw,

and wife, the Howard Edens. This was the first time she had seen her grandson's wife.

Visiting Cora Baker were her daughter and husband, Mr. and Mrs. Richard Couper of Dardanelle, Ark. She also enjoyed an outing to Portales to visit her grandchildren, the West Bales.

Visiting Mary McDerman was Romona McDonald, her daughter-in-law, Randy and Brenda Rappy, her son and wife; and Jarrod Rappy, a great-grandson, all from Lubbock.

Cora Lunsford was certainly glad to see her daughter, Thelma Plaister, upon her return from vacationing in St. Louis, Mo.

Visiting Lois Massey was her brother, J.M. Taylor of Truth or Consequences, N.M.

Everyone was saddened by the loss of Lon Cochran. He was to be buried in Muleshoe on Thursday.

A big thank-you is extended to Martha Curtis for printing the posters advertising the Halloween Carnival and to Mary Mesman and her children Johanna and Berny, who put the posters up around town.

all of Farwell, left on October 9 for Montgomery. Brent Green of Farwell and Gary Green of WTSU, Canyon, traveled by plane later to participate in their brother's wedding. They all returned to their homes on October 16.

After a wedding trip to the Smoky Mountains in Tennessee, the Darwin Greens are making their home in Montgomery where both are employed.

Deadline Reminder

Wednesday at 11 a.m. IS the final deadline for news for that week's issue unless of an emergency nature. Clubs or organizations that meet any night except Tuesday should get the reports in prior to Wednesday.

Reports of Tuesday night functions should be brought or called into the office by 9 a.m. Wednesday. All others should be reported Friday through Tuesday.

If the news or meetings happen before Tuesday evening, PLEASE don't wait until 10 o'clock Wednesday morning to report it.

Hospital Notes

Gary Martin, son of Mr. and Mrs. Delbert Martin of Texico, was taken to the hospital in Friona Sunday. He was treated and released that same day. He is reported to be "feeling better" now.

The Latest

Looks as if there will be something for everyone at the Halloween Carnival at Farwell's old gym Saturday night. Besides lots of good food being offered by the juniors, there will be gobs of fun things to do. From the traditional spook house to the popular dunking board, there will be lots of ways to have fun while helping the various classes and organizations earn a little money for their treasuries.

The seniors are sponsoring a hay ride, the first time in a long while this event has been around. A spokesman for the group reminds parents of youngsters wanting to take the hayride that there will be one or more adults along at all times and that the ride will be a safe one.

All in all it promises to be an exciting evening with the climax to be the coronation of a Halloween Carnival Queen and King.

Various sized ghosts, goblins, Supermen, witches and Star Wars characters will be out in force next Tuesday night for that other traditional bugaboo: Trick or Treat night. Motorists are urged to be extra cautious that night to avoid hitting a child who may dart from the darkness into

the street. Unfortunately, most children forget that they are not the only persons who must use the streets. So, be careful all you trick-or-treaters and you drivers.

Visiting this week in the home of Mr. and Mrs. I.W. Quickel of Farwell are his aunt and uncle, Mr. and Mrs. Dave Tucker of Lacsresenta, Calif.

Teacher Experience - -

Farwell High School Implements Program

Students interested in a teaching career and/or learning more about working with children might qualify for an elective program at Farwell High School known as the "teacher experience program."

Juniors and seniors are eligible to participate -- if they qualify -- and they must also be members of Future Teachers of America.

Anne Corn, high school math teacher, is in charge of the new program and she also serves as sponsor of the FTA Chapter.

Eleven students are participating in the program which will continue throughout the school year.

Students work directly with a teacher for one full class period every day. They also meet with Mrs. Corn in her capacity as coordinator of the

program for a period every six weeks.

The student will be evaluated by both Mrs. Corn and the teacher whom the student is assisting.

The program is ideal for the student who is seriously considering a teaching career, but it is not limited to such students.

"The experience will be good for any student and it will help him to make a more realistic career choice," Mrs. Corn said.

She explained that the students and teachers have a choice in picking their partners.

"If we as teachers take more responsibility in a teacher training program, we have a built-in chance on governing the end-product," she added.

Participants in the program are required to keep a "diary"

of their activities and read educator magazines.

Mrs. Corn referred to the students as "good kids who are enthusiastic," adding, "I am proud of them."

Students participating in the new program are Tonda Fulcher, Gayla Goldsmith, Donna Kalbas, Carolyn Lovvorn, Trudy Watkins, Blaine Buchenau, Rhonda Dale, Tammi Hernandez, Scott Haden, Lucretia Turner and Yalonda Vidarri.

Yruegases Have Son

Mr. and Mrs. Benny Yruegas of Farwell are parents of a son born Thursday, Oct. 19, at the hospital in Muleshoe.

The new arrival, who has been named Nicolas Gerald Yruegas, weighed seven pounds, one ounce and was 20 inches in length at birth.

Maternal grandparents include Mr. and Mrs. Dwayne Winkles of Clovis and Mr. and Mrs. Bill Hager of Sheridan, Ark. Paternal grandparents are Mr. and Mrs. B.C. Yruegas of Farwell.

Great-grandparents include Rev. Glenn Lethgo of Clovis, Mr. and Mrs. O.L. Winkles of Texico, Mrs. Lucy Ancira of Texico, Mr. and Mrs. Nestor of Muleshoe and Mr. and Mrs. Charles Hager of Sheridan, Ark. His great-great-grandmother is Mrs. H.P. Winkles of Texico.

Joe Millers Have Boy

Mr. and Mrs. Joe Miller of Rock Hill, S.C., are parents of a son born September 8. The new arrival, who has been named Jared Scott, weighed seven pounds, 13 ounces and was 21 inches long at birth. He has one sister, Amy who is 2.

Paternal grandparents are Mr. and Mrs. Ernest Miller of Rock Hill and the maternal grandparents are Mr. and Mrs. Billy Dollar of Farwell. Mr. and Mrs. W.H. Dollar of Farwell are the maternal great-grandparents.

Joe Hawkines Have Girl

Mr. and Mrs. Joe Hawkines of Burlington, Kan., are the parents of their first child, a daughter, born October 13. The new arrival, who has been named Tamara Ann, weighed six pounds, one ounce, and was 21 and 1/2 inches long at birth.

Maternal grandparents are Mr. and Mrs. Truitt Hardage of Farwell and the paternal grandparents are Mr. and Mrs. Wayne Hawkines of Burlington.

Maternal great-grandparents are Mr. and Mrs. Willie Hardage of Farwell and Mrs. Opal Jackson of Clovis.

Engagement Announced

Mr. and Mrs. Paul Frisbie of Plainview wish to announce the engagement of their daughter, Mary Paulette, to Steve Foster, son of Mr. and Mrs. Demp Foster of Lazbuddie.

The couple plans to be wed on December 2 at 4 p.m. in the First United Methodist Church of Plainview.

Miss Frisbie is a 1970 graduate of Goodland High School, Goodland, Kans., and attended Fort Hays State University in Hays, Kans. She is employed at Holley Fertilizer in Plainview.

The prospective bridegroom is a 1970 graduate of Lazbuddie High School and graduated from Texas Tech University in 1976. He is a farmer in the Lazbuddie community where the couple plans to make their home.

Farwell BYW Has First Meeting

The Baptist Young Women for 1978-79 held their first meeting October 4 at First Baptist Church in Farwell.

New officers for the year are Pam Monk, president; Terri Baker, secretary; Roene Stewart, mission study; Sydney Chadwick, mission action; Roberta Johnson, mission group; Susan Franse, chairman and historian; and Leandra Byrd, prayer calendar.

During the business meeting activities for the month of November were discussed.

World Prayer Day will be Nov. 6. Mrs. Byrd will be in charge of the program. A definite time has not been set.

A Bible Study is set for November 15 at 6:30 p.m.

After the business meeting Mrs. Stewart presented a program entitled "The Call." Leslie Lunsford said the closing prayer.

Anyone wishing to join the BYW is asked to attend one of the November meetings.

Elementary Students Publish Newspaper

Farwell Elementary School recently published the first edition of its official newspaper entitled, appropriately enough, "Kid's News."

The paper was distributed recently at a cost of five cents per copy.

This month the busy beavers who gathered and compiled the news and pictures and distributed the finished copy were Nancy Alana and the fourth grade pupils.

In the future the fourth, fifth and sixth grades will take turns putting out "Kid's News" on a monthly rotating basis.

Since Halloween is a big event during this month the issue contained the latest news pertaining to that special day.

The Halloween carnival was mentioned along with the names of the elementary candidates for Queen and King. A short history of Halloween and the jack-O-lantern were included.

New teachers were introduced and the new elementary playground equipment was

described. Class favorites were also named.

News from individual classes made up a major part of the newspaper. Sports reports as well as a "Dear Abby" section were also included.

The fourth grade reporters also made up jokes complete with illustrations.

Mrs. Alana acted as supervisor and in that capacity she assigned "beats" to her eager reporters, helped them with deciding on the questions to ask, and assisted with typing and binding the finished product for distribution.

Reporters were Suzanne Hardage, Bill Knoy, Sharon Myers, Laurie Harper, Jerry Tomlinson, Shonda Foster, Daniel Hutchins, Ladd Brown, Homer Anzaldua, Jason Schilling, David Woods, Jimmy Lovato, Jerry Cole, Danny Rubio, Sherri Curtis, Holly Brewer, Paula Hull, Mike McCracken, Angie Bristow, Dana White, Melinda McMillan.

Junior high news was also included in the newspaper with some of those students helping gather copy.

Money from sale of the newspaper will be utilized to purchase things for the classroom that puts out the edition each month.

Mrs. Alana said the newspaper idea actually got started last year as an English project for her fourth grade class.

Toward the end of the year they put out the first edition.

"The idea became popular and now we have two other grades helping us," she said.

If you are interested in reading the first edition of "Kid's News," perhaps you can talk an elementary or junior high student into sharing his copy.

Leigh Kirkland Feted With Bridal Shower

Leigh Ann Kirkland, bride-elect of Mike Woods, was honored at a bridal shower Tuesday evening at the home of Annette Black in Farwell.

Gold and white decor was featured in the home and refreshments of gold punch, coffee and assorted cookies were served from a table covered in gold and centered with a fall floral arrangement. Crystal and silver appointments were used and gold napkins inscribed in white, "Mike and Leigh Ann" completed the table decor. Robin and Vickie Vinton, cousins of the honoree, presided at the table.

Miss Kirkland was assisted in opening the gifts by Sherry Christian. The honoree, her mother, Mrs. Jack Kirkland, and the prospective bride-

groom's mother, Mrs. Carliss Woods, were presented corsages of gold chrysanthemums.

Hostesses were Mesdames Annette Black, Peggy Jones, Peggy Hargrove, Dot Deel, June Magness, Donna Jordan, Sarah Haseloff, Joyce Hargrove, Maxine Williams, Rubie Craft, Mina Sheets, Dickie Magness, Patsy Berry and Kay Hagler.

Angela Kube Has Birthday

Angela Dawn, daughter of S/Sgt. and Mrs. Wayne Kube of Clovis celebrated her first birthday recently.

King and Queen Candidates

Many Activities On Tap For Halloween Carnival

Farwell Schools plan to celebrate Halloween in a big way this year with its second annual Halloween Carnival slated for this Saturday at the old gymnasium. Activities will kick off at 6 p.m.

Besides offering everyone of all ages plenty of fun and enjoyment, the funfest will also feature the coronation of a Halloween Carnival Queen and King. The coronation is expected to begin at approximately 9:45 p.m. in the auditorium.

Balloting for Halloween King and Queen candidates will end at 7:30 so that officials will have ample time to count all the money before the coronation gets underway. All money jars and donations should be turned into the class sponsors no later than 7:30.

Many and varied booths will be operated throughout the night sponsored by school classes and organizations.

The senior class will provide bingo and a hayride. The juniors will sponsor the concession stand and the basketball toss.

The sophomore class will operate the football throw and the country store. The freshmen will handle the dunking board - to be located on the north side of the gym - and the marriage booth.

The high school speech department will operate the spook house and make-up booth.

The FHA will sponsor the bean bag toss and darts while the FTA will handle the cake-walk and the fortune telling booth.

The junior high will show scary movies in the woodwork shop. The cheerleaders will sponsor the fishing pond.

King and Queen candidates for the different classes are listed below:

Kindergarten has four candidates, two for each session. Those representing the morning class are Brandy Martin, daughter of Mr. and Mrs. Mike Martin, and John Ford, son of Mrs. Dorothy Ford.

The afternoon session candidates are Chris Tant, son of Mr. and Mrs. Pres Tant, and Cynthia Beavers, daughter of Mr. and Mrs. Orville Beavers, Jr.

Candidates for Judy Howard's first grade class are Lance Castleberry, son of Mr. and Mrs. Jimmy Castleberry, and Leslie Monk, daughter of Mr. and Mrs. Jerry Monk.

Those representing Lynn Roberts' first grade are Sonya Curtis, daughter of Mr. and Mrs. James Curtis, and Benny Vidana, son of Mr. and Mrs. Antonio Vidana.

Candidates for Nancy Burch's second grade class are Kristi Stephens, daughter of Mr. and Mrs. Keith Stephens, and Jeff Atkinson, son of Mr. and Mrs. Johnny Atkinson.

Candidates for Jean Pat-schke's second grade class are Todd Thigpen, son of Mr. and Mrs. Vernon Thigpen, and Kelly Brown, daughter of Mr. and Mrs. Gary Brown.

Third grade candidates are Todd Bartley, son of Mr. and Mrs. Bo Bartley, and Kelley Foster, daughter of Mr. and Mrs. Gary Foster; Steve Gerles, son of Mr. and Mrs.

Don Gerles, and Laurie Embry, daughter of Becky Embry of Farwell and Lee Embry of Lazbuddie. Third grade teachers are Billie Carlyle and Jeanne Bartley.

Candidates for Nancy Alana's fourth grade class are Bill Knoy, son of Mr. and Mrs.

Named To Who's Who

Bobby Stancell, son of Mr. and Mrs. Jackie Stancell of Allen, Tex., formerly of Farwell, and the grandson of Mr. and Mrs. J.V. Stancell of West Camp and Mr. and Mrs. L.E. Martin of Muleshoe, has been selected to be included in "Who's Who Among High School Students."

Stancell is rated in the top five percent of the nation's seniors due to his high scholastic and academic achievements. He is a senior at Allen High School.

BOBBY STANCELL

Local Persons To ACU Homecoming

Several local persons were in Abilene over the weekend to attend activities at homecoming at Abilene Christian University.

Mr. and Mrs. J.W. Eubank, Gina and Alan, Mrs. J.H. Eubank, Mrs. Jimmy Castleberry, James, Leslie and Lance, and Kayle Watts, left Farwell early Saturday and attended the ACU-East Texas State game that afternoon.

Saturday night the group attended the Freshman Follies, a college presentation of musical acts and various skits in which D'Lynn Eubank, daughter of the J.W. Eubanks, participated.

The local families returned to Farwell Sunday.

Meet 'N' Treat Survey Shows Fewer Tricks

WVHOOO's taking the trick out of Halloween treating?

Almost everyone!

According to a survey conducted by the National Confectioners Association, more than 90% of American cities are reporting fewer Halloween tricks and incidents of tainted treats than a year or two ago. The same percentage also reported a decrease in or absence of hoax calls to police about tainted treats. Smaller cities.

The survey polled police chiefs across the country to learn more about community efforts to make Halloween a safer holiday for all family members.

More than half of the cities indicated a definite trend toward organized treating hours, neighborhood events, parades, contests, carnivals and haunted houses were also on the upswing.

The survey was conducted as part of the NCA's "Meet 'N' Treat" program, which began in 1972 to curb the rise of tainted treat incidents and encourage accurate reporting of them. The program urges families to make treating rounds together and organize neighborhood parties. It is being publicized this year in cooperation with the National Safety Council and Consumer Products Safety Commission.

Roger Robertson, son of Mr. and Mrs. Raymond Robertson, and Sandy Coleman, daughter of Mr. and Mrs. Jim Coleman. Their teacher is Gretchen Montgomery.

Those representing Betty Turner's sixth grade are Sheila Smith, daughter of Mr. and Mrs. Eddie Smith, and Steven Stancell, son of Mr. and Mrs. Benny Stancell.

Junior high candidates are Shelly Ford, daughter of Mr. and Mrs. Jerry Ford and Benny Mesman, son of Mr. and Mrs. Ben Mesman, seventh grade; Tammy Obenshain, daughter of Mr. and Mrs. Harlan Obenshain and Elcio Silva, son of Dr. and

Mrs. Robert Silva, eighth grade.

High school candidates include Lana Turner, daughter of Mr. and Mrs. Raymond Turner, and Doug Brewer, son of Mr. and Mrs. Don Brewer, ninth grade; Robin Vinton, daughter of Mr. and Mrs. Robert Vinton, and Byron Mayfield, son of Mr. and Mrs. Billy Mayfield; 10th grade;

Also, Lisa Hughes, daughter of Mr. and Mrs. Walter Hughes, and Willie Martin, son of Mr. and Mrs. Bill Martin, 11th grade; and Yolanda Martin, daughter of Mr. and Mrs. Bill Martin, and Kirk Magness, son of Mr. and Mrs. Ted Magness, 12th grade.

Happy Halloween

Lois Poteet and the other residents and staffers at Farwell Convalescent Center are all ready for the Witching Hour which falls next Tuesday. Besides displaying "Happy Halloween" signs and smiling jack-o-lanterns, the Center - along with Auxiliary members and other volunteers - are staging a Halloween Carnival next Tuesday. Kids, young and old alike, will have lots of activities and treats to delight even the most serious. Be there for a night of fun.

"Look What I Have"

Little Angelica Madrid, four-year-old daughter of Mr. and Mrs. Tim Madrid of Texico, poses happily with two pumpkins which were given to the family by a friend. Angelica can hardly wait until the pumpkins become jack-o-lanterns in time for next Tuesday's Halloween celebration. One of the pumpkins measured 55 inches around the middle while the other pumpkin is 65 inches around.

County Commissioners

Accept Jail Work Bid

Parmer County Commissioners met Monday and accepted a bid in the amount of \$36,500 from Tago Industries, Inc., of Hereford to complete a cell block of the county jail.

Work is expected to begin next week and is to be completed around the end of March of next year. Some material from the old jail will be used.

To finance the project \$36,500 of the Revenue Sharing funds has been re-designated to law enforcement.

The county received \$18,250 in Revenue Sharing funds which were distributed to the four precincts. Those funds are used to purchase needed equipment.

The funds were also distributed in such a way as to even

out the past Revenue Sharing payments so that each precinct has received the same amount.

In the future all Revenue Sharing payments to precincts will be made on an equal basis.

The Commissioners also agreed to pay the city of Bovina \$250 to help defray the cost of purchasing radio equipment and beepers for the new ambulance. People are being trained now to operate the new vehicle.

Laura Jacobs, home extension agent, presented a general report on 4-H activities.

Seth Ralston, county agent, reported on results of the State Fair in Dallas in which three Bovina youths exhibited barrows.

USE IN SAID CITY, EFFECTIVE OCTOBER 1, 1979.

BE IT ORDAINED BY THE CITY COMMISSION OF THE CITY OF FARWELL:

Section 1. The City of Farwell, by a majority vote of the membership of its governing body, hereby votes to continue the taxes authorized by the Local Sales and Use Tax Act (Article 1066c, Vernon's Texas Civil Statutes) on the receipts from the sale, production, distribution, lease, or rental of, and use, storage, or other consumption of gas and electricity for residential use, effective October 1, 1979, as authorized by Section 6 of House Bill No. 1, Acts 1978, 65th Legislature, Second Called Session.

SHERIFF'S REPORT

Parmer County Sheriff Charles Lovelace reports that four pigs have been stolen from the Jake Perea place three miles east of Farwell. Total value was placed at \$320.

Approximately \$2200 in carpenter tools were taken from a construction site at Missouri Beef Packers.

Eleven small pigs were taken from the ag farm in Friona.

Fortenberry

Hears Cases

Parmer County Judge Paul Fortenberry has heard five cases since the last report.

Harold Danton Stanberry, 31, of Bovina was fined \$250 plus court costs for driving while intoxicated. Willie P. Wilson, 42, of Friona was fined \$100 plus court costs for DWI.

Two youths were also fined \$150 plus court costs for possession of marijuana less than two ounces. They are Pablo Martinez, 18, of Friona and Ramon Berrea Martinez, 20, of Bovina.

Carolina Espinoza, 21, of Bovina was fined \$25 plus court costs and ordered to make restitution for breaking several windows at the home economics cottage in Bovina.

Also taken was an 850 pound steer. The pigs weighed between 25-30 pounds each, according to Lovelace.

A Bovina 13-year-old took a 1976 pickup belonging to Elvie Jennings of the Bender airport and took two other juveniles "joy riding" for two days in Bovina. The vehicle was taken from a lot in Friona where it was to have been repaired.

During the incident the pickup received approximately \$164 worth of damages.

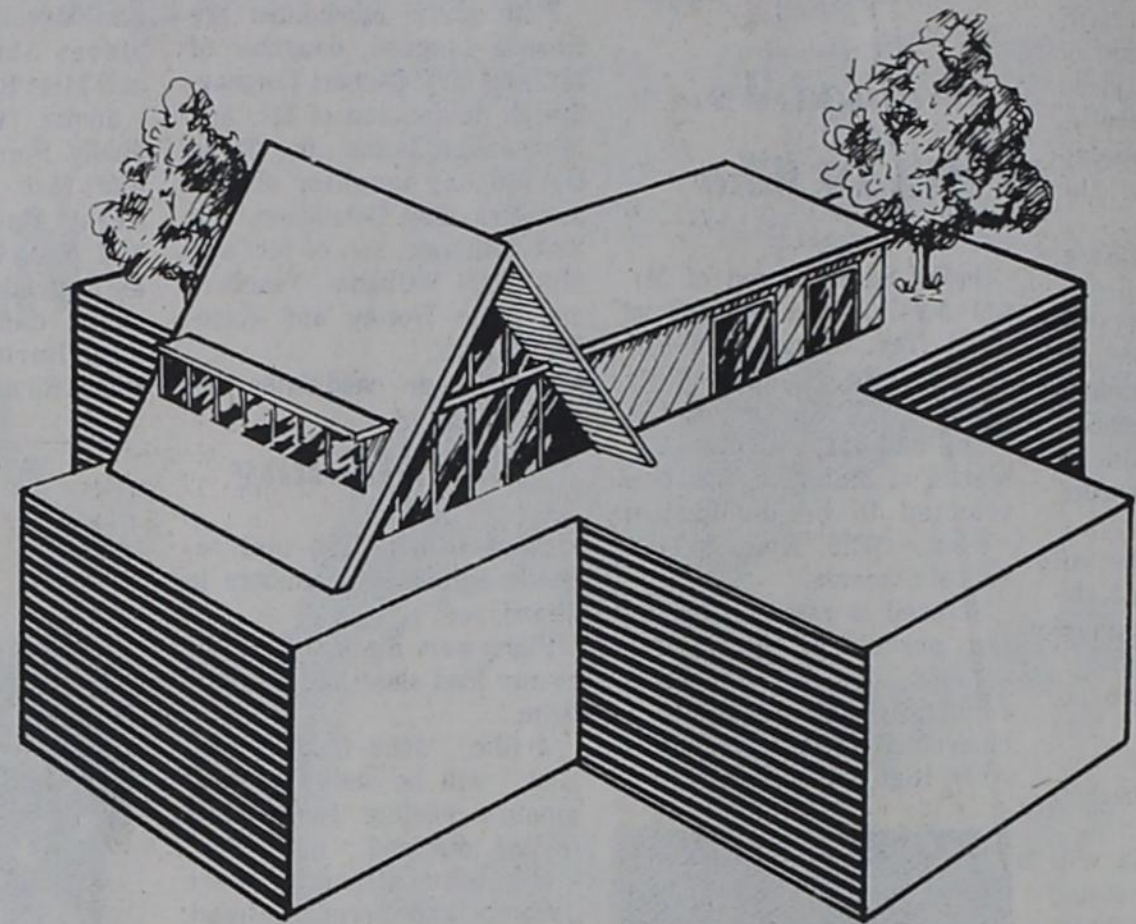

According to Lovelace, a Bovina adult also drove the pickup. An informal hearing was conducted in county court Tuesday concerning the incident, but no charges were filed.

Kent Hance.

When Kent Hance began work in the Texas Senate, he did not sit on the sidelines like most freshman Senators. He sponsored Legislation to remove a State Supreme Court Judge from office following his indictment for perjury. He led the fight in the Senate trial to impeach a District Judge from Duval County for misconduct in office. This was the first such trial in more than 30 years, and was the first major effort to clean up corruption in Duval County. He sponsored measures to remove the Senate's top employee for questionable conduct.

Wherever Kent Hance found waste in government, he acted. He sponsored and passed into law "sunset legislation" that abolishes state agencies on a periodic basis unless they are re-established by the Legislature. This helps to keep agencies from getting out of hand, and to eliminate those that are no longer needed. He made welfare fraud or food stamp fraud a felony in Texas.

In his four-year term, Kent Hance never missed a day in the Senate's five sessions, regular and special. In four of those five sessions he didn't miss a vote. In the fifth, he had a 96% voting record.

In Congress, Kent Hance will continue this kind of representation where it is needed most... at the Federal level. Kent Hance has proved that when he sees evidence of corruption, waste or inefficiency in government he does not look the other way... HE ACTS. West Texas needs Kent Hance in Congress.

Let's make sure the man we send to Congress is the man with qualifications we can measure—and count on...!

Wolverines Garner District 2-A Crown

The Texico Wolverines raked Melrose, 48-7, Friday night to cinch the District 2-A crown. By virtue of that win the Green and White are assured of a berth in the upcoming state playoffs.

Texico, the number one ranked Class A team, now has a 6-1 record for the season, their best gridiron record in recent years.

Melrose scored first midway through the first period when Junior Dickenson went in from the one. Jamie Widner kicked the PAT. The score capped an 81-yard drive and was maneuvered in 10 plays.

However, that was the last time Melrose struck paydirt as the visiting Wolves dominated the game for the next three and one-half quarters.

Texico's first scoring drive began shortly after the next kick-off. Barry Goode plunged in from the one, following a 61-yard drive completed in 13 plays. Keith Hadley ran in for the two extra points and Texico squeaked ahead, 8-7.

The Buffaloes fumbled on their next possession and Texico again assumed ownership of the pigskin. The drive started on the Melrose 20-yard line. Quarterback Hadley connected with Eloy Ortiz on an 18-yard aerial for Texico's second score. Hadley passed to Duwain Hill for the two extra points, and the Wolverines increased their lead to 16-7.

The Wolves got on the scoreboard again early in the second quarter as Hadley tossed an eight-yard pass to James Barfield. The score followed a 71-yard drive. Goode made up the bulk of the yardage - 51 - by running up the middle. Britt Crooks kicked the PAT and Texico increased its lead to 23-7.

Goode went to the well again, darting in from the four. Hadley passed to Hill for the two points, making the score 31-7 with 4:19 left in the first half.

But the Wolves were still not finished as they added another three points before the first half ended. Crooks kicked a

37-yard field goal to make the score, 34-7.

In the third quarter, Hill bounded in from the three. Crooks kicked the PAT and Texico increased its lead to 41-7.

Melrose took the kick-off but fumbled it two plays later. Howard Horne recovered for the Wolverines.

Texico then drove to the Melrose 25 where they attempted a field goal which was ruled no good.

The Wolves scored for the final time in the latter part of the third period. Hill went in

from the three. Crooks added the PAT and the Green and White took the victory, 48-7.

Follows Blocking

Wolverine Duwain Hill (#32) follows the blocking of teammate Jimmy Reid (#62) in Friday night's encounter with the Melrose Buffaloes. Hill scored twice during the game and also caught passes to make good two extra point tries. The Wolverines are now champions of District 2-A and are heading for the state playoffs in November. Barry Goode, (#44) Texico Wolverine back, picks up good yardage as he scrambles away from a would-be Melrose tackler in Friday's game at Melrose. Goode scored twice while picking up 149 yards in 17 carries. The victory over Melrose clinched the District 2-A title for the playoff-hungry Wolverines who will now go to state. Homecoming Tilt Tonight - -

Topliff, Wolverines Proud To Be In State Playoffs

The Texico Wolverines and their coach Paul Topliff are in somewhat of an enviable position as, with two remaining non-conference games on their schedule, they have clinched the District 2-A crown and have landed a berth in the state playoffs.

The stunning 48-7 victory over district rival Melrose Friday night capped a three-year effort to make it to the playoffs and to give Texico football an "air of respectability."

All that hard work, determination and perseverance, not to mention polished gridiron skills, apparently have paid off as the Wolves will face the District 3-A runner-up either November 10 or 11 at an as yet undesignated site.

Topliff said their opponent will probably be either Captain, a team the Green and White have already defeated this season; Reserve or Carri-zozo. Even the optimistic Texico coach is not giving odds on who will emerge the victor after all the excitement of the state playoffs have died down.

"It's just too early to tell," he said. "We are just very glad to be in the playoffs. I am particularly proud for the young players, the administration and community. We needed this state playoff berth."

Topliff said the Wolverines still have "a few kinks to work out."

"I was concerned that Melrose ran up our middle so

early in the game Friday night," he added. "We didn't play with a lot of emotion either," he continued. "We need to get our emotion back."

Topliff praised all the Wolverines for their efforts Friday night. "Everyone did their job well," he said.

David Cavallero, with 28 tackles and one fumble recovery, drew the defensive "Wolverine of the Week" honors. "He dominated on the inside for the first quarter and a half," Topliff explained.

Barry Goode, who scored twice while racking up 149 yards on 17 carries, was named the offensive "Wolverine of the Week."

Britt Crooks received the specialty team award. Joe

Martinez and Jimmy Reid tied for the "hardest hit" honors.

Even though the Wolverines have the state playoffs on their horizon, they are concentrating first on the remaining two games of their season.

Tonight (Friday) they take on number two ranked Tatum in the Texico Homecoming tilt. Game time is 7:30 p.m. MDT.

DAVID CAVALLERO

Barry Goode and David Cavallero have been named "Wolverines of the Week" following the Texico victory over Melrose Friday night. Cavallero Named Top New Mexico Player

Texico Wolverine David Cavallero has been selected the Amarillo Globe News New Mexico Player of the Week.

During Texico's final loop outing Friday night Cavallero

made 28 tackles, 18 unassisted. He earned 18 of his tackles during the first half of the Melrose conflict. Cavallero managed to maintain his high overall total even though he

played sparingly in the final quarter.

The 5-9, 155-pound junior was making his third start since being moved to first string October 6 against Ft. Sumner.

"He played well," coach Paul Topliff told the Globe News. "Anybody who has 18 tackles in the first half has got to be moving. They ran our middle a lot early and we noticed that he was making tackles in other linebacker's slot all the time."

"Defensively he probably made the biggest contribution of anybody during the first quarter and a half. He was covering from defensive end to defensive end. In fact, he was stepping in front of my other linebacker and making the tackle - he was getting there so quick."

until the last quarter," coach Cecil Davis said.

The pass defense broke down and Yucca completed two long passes that put them back in the ball game, he said. James Robinson caught two crucial on-side kicks. "He was cool and dependable in a hot place in the game," Davis said.

John Hill calls for state tax freeze

"Our state taxes in Texas are among the lowest in the nation, and I want to keep them there. As I've said many times, I'll veto a tax increase before the ink dries on the bill."

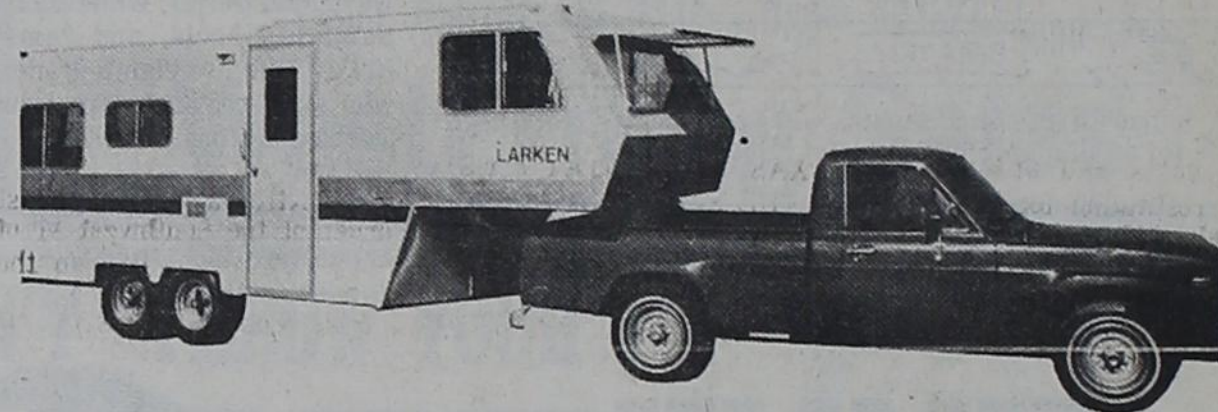

As Attorney General, John Hill proved he could increase the efficiency of his office without any unnecessary budget increases. He absorbed a three-fold increase in his office caseload by hiring top legal talent capable of higher productivity. The result: his staff lawyers doubled their average workload, and the increased court judgments and enforcement of civil penalty laws returned \$25 for every \$1 of state funds spent on his office.

As Governor, John Hill will insist on this same type of increased productivity for all state agencies. He will institute new controls over federal funds, demand that we follow our "pay-as-you-go" budget policy, and use zero-base budgeting to eliminate unneeded programs before any new programs are added. And he'll block any state tax increase - there won't be any new taxes under John Hill.

Volleyball Girls Aim For District Tourney

The Wolverine varsity girls defeated district foe Melrose Thursday of last week, besting them 16-14 and 15-3. Having suffered two losses each, Texico and Floyd are tied for second place while Tatum holds down the number one slot.

If the Wolverines should outscore Tatum Thursday of this week the district race will be thrown into a three-way tie. Then a playoff game will be slated prior to the start of the district tournament next Friday and Saturday.

The first and second place teams in the district tourney will advance to regional competition.

Total points scored in both games were Celia Johnson, 16;

Teresa Turner, 8; Lisa Coffey, 3; and Sheryl Day, Jana Jesko, Becky McDonald and Tonye Harrington, 1 each.

"Celia played an exceptionally good game," coach Becky Topliff said. "She served very well. Both Lisa and Tonye spiked well. It was a good team effort."

The junior varsity lost to Melrose, 15-6 and 15-6. They won the second game 15-5.

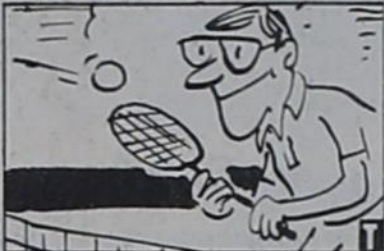

Total points scored were Kelley Dobbs, 7; Leslie Elliott, 2; Delinda Duncan, 5; Laura Horne, 6; and Roxanne Cherry, 7.

The junior high lost two of the three games, 15-4 and 15-8,

and won the second game, 15-10. The JV and the junior high closed out their seasons Tuesday and Wednesday of this week. The varsity was to play Tatum Thursday for the final home game.

SAFETY TIP

As sporting equipment sales increase, so too does the frequency of eye injury.

Your best protection against speeding balls, say experts at The National Society for the Prevention of Blindness, is safety eyewear. People who don't need visual correction should wear a lensless, rubber-covered wire frame eye protector available at many sporting goods stores, or non-corrective industrial strength safety glasses with cable-type temples, available from industrial safety supply firms or optical outlets.

For people who wear prescription glasses, the Society recommends industrial-strength safety glasses with optical-grade corrective plastic lenses and cable temples. Without safety eyewear, sports enthusiasts are needlessly risking severe eye damage, even permanent loss of sight.

Offensive backs Kelley, Todd Geries, Bibbs and Garcia all carried the ball well, according to Davis.

He added that defensive end Kent Harding played his best game. "Ronnie Landis, defensive tackle, penetrated well into their backfield," Davis said.

Jeff Day punted three times for an average of 30 yards.

"I was really happy that they won their fourth game this season," Davis said. "Four games is the most any junior high team has won at Texico. They have a real good chance to win five," he continued.

Steers Edge Springlake For First District Win

by Radney Robertson

According to the records, the Springlake-Earth Wolverines had never lost a Homecoming game. But when the Farwell Steers visited the Wolverines Friday night, that record was broken, as the Steers walked away with a 7-0 victory. The win upped the Steers season record 3-3 and 1-0 in district play.

The Steers took the opening kick-off from the Wolverines and began downs on their own 34-yard line. They were able to move out to the 37-yard line before fumbling. The Wolverines recovered and had their first possession on the 40-yard line. But after only three downs the Wolverines were forced to punt and Farwell took over on their own 17.

On first and 10, Max Lonsdale took the ball and dashed 23 yards and picked up a Steer first down on the 40-yard line. After progressing to the Wolverine 48, Raul Garza then broke loose for 24 yards, moving the Steers all the way to the Wolverine 24, closer yet to a Steer score.

Four plays later Garza took the ball and ran five yards into the end zone for a Farwell TD. The PAT attempt by Robin Roberts was good and with 6:14 left in the first quarter the Steers had jumped out in front, 7-0.

Roberts then kicked the ball 53 yards and the hosts took over deep in their own territory at the eight yard line. The Wolverines then began progressing downfield on what looked like would be a scoring drive. But after penetrating to the Steer six yard line, S-E faced a fourth and five. They went for it, but Steer Mark Owen stopped the ball carrier for a three yard loss. The ball went over to Farwell who took over on the nine yard line.

The Steers were unable to move the ball and punted it away after three downs. The Wolverines took over on their own 45, but were also unable to make any offensive progress and punted the ball

away after three downs.

Farwell then took over on their own 15, but again failed to pick up a first down and were forced once again to kick the ball away. Spr-Earth took over on the Steer 39 and were able to move to the 13-yard line before a penalty set them back to the 28. Two plays later the Wolverines were penalized again, this time being moved back to the 36. Not being able to pick up a first down, the Wolverines attempted a field goal from the 31. But the kick was short and the Steers took over on their own 31. After only two plays time ran out and Farwell went to the locker room with a 7-0 halftime lead.

The second half failed not only to change the pace of the game, but also the score. The see-saw action of the ball being exchanged between the two teams on downs continued throughout the entire half.

The only change of pace took place early in the third quarter when the Steers took the ball on their own 46 and two plays later Raul Garza scrambled 38 yards for a first

down on the Wolverine 13. But two penalties moved the Steers back to the 33-yard line. The Blue and White was able to move to the 27, but this was not quite far enough for a first down, and Steer Robin Roberts attempted a 37-yard field goal. The kick was short and Farwell was unable to up its score.

The game then returned to its previous pattern and neither team was able to score. The game ended with the Steers picking up their first district win, 7-0.

Raul Garza has been selected "Steer of the Week" for his play in the Farwell-Springlake-Earth game. He scored the Steers' and the game's only touchdown and carried the pigskin 18 times for 111 yards.

Farwell JV, Yearlings Lose To Springlake

Farwell junior varsity dropped a narrow loss to Springlake-Earth Thursday of last week, 14-6. It was the third straight loss by a single touchdown for the future Steers in as many outings. It was also the District 3-A opener for both squads.

Neither team scored in the opening quarter. Springlake scored first in the second quarter on a 55-yard run. Point after touchdown failed.

Farwell bounced back when Blake Buchenau took the pigskin in from the four, also in the second period. The PAT was no good and the game was tied at 6-all.

Things did not remain that way for long as Springlake scored for a second and final time in the third quarter, on a 50-yard run. The try for two points was good and the JV visitors garnered the 14-6

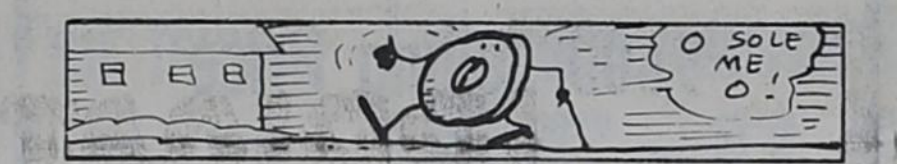

victory.

Coach Mike Martin said that Rusty Smallwood did not see any action due to an injury. He further explained that Waverly Coates played a little offense, but no running with the ball, and he did not play defensively, due to an injury.

Martin said he was pleased with the team. "All the games we have lost in the past three weeks have been good close ones," he added.

According to Martin, they expect "all district games to be tough."

The combined 7th-8th Yearlings lost to Springlake, 26-8.

The oldest letter is "o," unchanged in shape since its adoption in the Phoenician alphabet about 1300 B.C.

Coach Alana Praises Farwell Steer Win

"We feel like we played pretty well overall, both offensively and defensively, but we did make some penalty type mistakes," coach Don Alana commented following the Farwell Steers victory over district rival Springlake-Earth, Friday.

Max Lonsdale, who had been out with a broken wrist, saw action for the first time since his injury. Boyd White, also out with an injury, did not play Friday night. It was not

known for sure when he will be able to resume play.

Several Steers were honored following the Steers' first District 3-A win. Raul Garza, who scored the lone touchdown and carried 18 times for 111 yards, was named "Steer of the Week."

Lonsdale was given the "outstanding offensive back" honors. He made 140 yards on 13 carries.

Mac Langford, who, accord-

ing to Alana, played his best game of the year received the "outstanding offensive lineman" award.

Rowdy Chandler was named the "outstanding forcing unit man." He played a good game as a linebacker, Alana said.

Robin Roberts received the "outstanding secondary honors." "We had a lot of run support from him," Alana said.

Tonight (Friday) the Blue

and White will face arch rival Bovina in the second game of the conference schedule. The excitement gets underway at 7:30 p.m. CDT in Steer Stadium.

Bovina has a 2-3-1 record. The Mustangs have 16 returning starters and a new coach - Monte Barnes - their third coach in three years. Last year the Mustangs finished 3-7 overall, losing all district games.

Steerettes - -

Volleyball Team To Play For District

The District 3-A girls volleyball championship will be on the line Monday when the Steerettes face Bovina in the playoff game at the Bovina gym at 6:30 p.m. Should Farwell win, another playoff match will be necessary.

This is the first time in many years that the Steerettes have fielded a volleyball team and is the first time to compete on a district level. Bovina is the only other District 3-A school having an entry in the girls volleyball division, thus the playoff

between the two teams for the right to go regional.

In action at Farwell Monday night the Steerettes came out on the short end of a three of four game series with the Bovina Fillies. Bovina won the first game 15-3, the Steerettes took the second game 16-14,

and the visitors won the next two games by identical 15-4 margins.

Coach Glen Morton said that Janice Lillard probably played best for the Steerettes. He also commented that "Sharon Kalbas and Trini Garcia also played fairly well."

A TAXPAYER'S BILL OF RIGHTS IS PAST DUE

Bill Clements believes we still have a chance to preserve our future by establishing constitutional protection against excessive taxation and runaway government spending.

Bill Clements believes the people of Texas should have the power necessary to ratify or reject tax policies made by legislators.

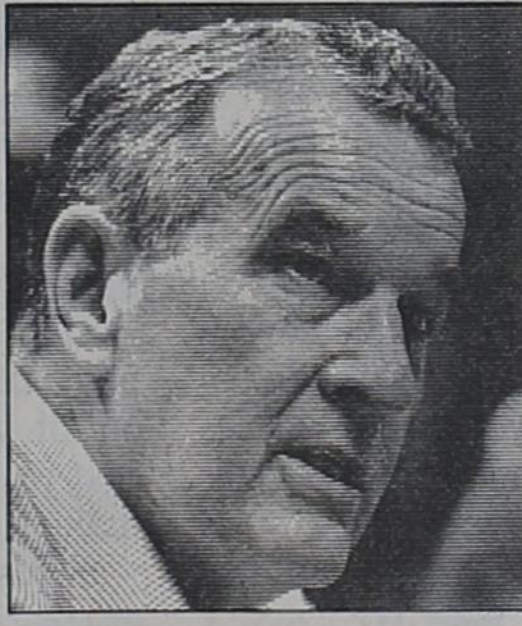

To establish this power (of the people), Bill Clements will introduce an amendment to the Texas Constitution that would give the people of Texas this right.

Bill Clements' "Taxpayers' Bill of Rights" would:

- Give Texans the right of initiative and referendum, a phrase that means we, the people, have a right to vote on the taxes to be levied on us.
- Place a ban on corporate or personal income tax in Texas.
- Require a two-thirds record vote of both houses of the legislature to pass a tax bill.
- Allow local taxpayers to call an election to ratify or reject a tax increase created by a local governmental unit.

Bill Clements believes in Texas and the people of Texas. Bill Clements thinks that elected officials must work for the people and represent them properly.

As governor of Texas, Bill Clements will work for and with the people of Texas.

It's about time someone recalled that our form of government was conceived to be a servant of the

people and provide the means to insure that principle endures.

BILL CLEMENTS, A GREAT GOVERNOR FOR TEXAS.

DPS Trooper Bishop Investigates Accidents

DPS Trooper Jim Bishop of Farwell investigated a one-vehicle accident which occurred Thursday afternoon of last week on Avenue E in Farwell. According to Bishop, Carolyn Gibson allegedly lost control of her vehicle, a 1969 Dodge Charger, as she attempted to turn into her driveway.

Bishop said she drove across her yard, hitting the northwest corner of her house; continued across the back alley, hitting a neighbor's fence, driving into their yard and finally coming to rest against a tree.

Mrs. Gibson was taken to the hospital in Muleshoe where she was treated for possible head injuries. Bishop said he issued a citation to Mrs. Gibson for unsafe speed and not having a valid motor vehicle inspection sticker.

Bishop investigated a two-car collision late Tuesday afternoon on Highway U.S. 84, 25 feet from the Farwell city limits.

W.T. Copley of Muleshoe, driving a 1974 Ford pickup, was westbound entering the city when Mrs. Sallie Chandler of Farwell, driving a 1974 Pontiac, allegedly turned left in front of him causing the collision. No one was injured.

Bishop cited Mrs. Chandler for failure to yield the right-of-way when turning left.

On Saturday Bishop investigated a two-vehicle accident on U.S. Highway 60 in which two pickups collided when one apparently crossed the center line. (See pictures elsewhere in the Tribune.)

Near Fatal Wreck

DPS Trooper Jim Bishop of Farwell investigated this accident which occurred Saturday, about 12:30 p.m. two miles northeast of Farwell on U.S. Highway 60. Mrs. Gay E. Maes of Clovis was driving a 1964 Chevrolet pickup and pulling a 1963 Chevy pickup (being steered by Pablo Maes of Clovis) headed westbound when she allegedly crossed the center line, colliding head on with a 1975 Ford pickup pulling a half nose horse trailer. Driver of the eastbound vehicle was Danny R. Garcia of Roy, N.M., a student at Eastern New Mexico University. Ferron Mark Lucero of Portales was a

passenger in the pickup. Mrs. Maes was taken to the hospital in Clovis by the Farwell ambulance and treated for head injuries. Maes received minor cuts but was not taken to the hospital. Neither Garcia nor Lucero were injured, but the three horses traveling in the trailer were injured. Two were treated for injuries and the third was put to sleep. Bishop cited Mrs. Maes for driving on the wrong side of the road when not passing. The pickup in the second photo is so smashed up because the trailer rolled over it before coming to a rest on the other side.

Midwest Video Gets Own 'Earth Station'

Reminiscent of science fiction movies and television shows, Clovis received its own "earth station" this week when a 16-foot earth station receiving antenna was placed on its "pad" at the base of the Midwest Video Corporation cable tower, near Green Acres Lake.

The addition of the earth station will enable Midwest Video to add two new channels

to its current service. The two stations are to be added to the cable Monday and ready to go on the air 24-hours daily by Wednesday, Nov. 1.

The antenna, mounted on a cement foundation, will withstand winds up to 125 mph, and was assembled here from what was termed "a giant erector set."

The antenna will face south-

east and southwest, receiving signals from a SATCOM I RCA satellite, located some 22,500 miles above the equator.

The stations to be added to cable service are channel 9, WTCG-TV, from Atlanta, Ga., Independent network; and channel 11, CBN-TV from Norfolk, Va., the Christian Broadcasting Network. Both stations broadcast 24-hours

daily. Because of the addition of the two stations, a channel realignment was necessary, according to Midwest General Manager George R. Doerr.

The new channels are as follows:

- Channel 2, KFDA-TV, CBS, Amarillo.
- Channel 3, KENW-TV, PBS, ENMU.
- Channel 4, KAMR-TV, NBC, Amarillo.
- Channel 5, KVII-TV, ABC, Amarillo.
- Channel 6, Local Weather-Time-Music-News.
- Channel 7, KOAT-TV, ABC, Albuquerque.
- Channel 8, KSWB-TV, NBC, Roswell-Lubbock.
- Channel 9, WTCG-TV, IND, Atlanta, Ga. (ch. 17).
- Channel 10, KOB-TV, NBC, Albuquerque.
- Channel 11, CBN-TV, REL, Norfolk, Va.
- Channel 12, blank.
- Channel 13, KFDW-TV, CBS, Portales-Clovis.

Texico City Council Has Brief Meeting

Texico City Council conducted a short meeting Tuesday night. Since Curry County has been unable to obtain the gravel needed to repair some streets in Texico, the Council will assist in the search.

Water Superintendent Billy Hammit's vacation was approved for this week.

Max Carter will represent the city at the Eastern Inter-Community Water Supply meeting in Portales Thursday of this week.

Some kind of ground cover will be planted at the K.K.

Runnels Memorial Park to help hold down the dust in the spring.

The Council approved bills for payment and the magistrate report. They also looked over the quarterly report.

Attending were Mayor Manfred Turnbough, and trustees Vane Doshier, Lewis Cooper, and Marie Christian; and city employees Mickey Fenn and Carter.

This I Know - - -
by Leonard Harper
Minister
Farwell Church of Christ

Religious division is tragic. Good friends who work together, and play together, and eat together cannot attend church together. The Bible did not bring about that condition. Saddest of all is the divided home where, because of denominationalism, the mother and father go in different directions on Sunday creating a stress and confusion in their lives and in the lives of their children that often is never overcome.

Denominationalism is not of Christ. He is the head of his church but not of any denomination (Eph. 1:22-23; Col. 1:18). He bought his church with his blood (Acts 20:28). Would any denomination dare make that claim of their denomination? He saves the church and takes it to heaven in the end of time (Eph. 5:23-30). That cannot be said of any denomination. The blood of Christ is non-denominational. Could non-denominational blood buy and save a denominational church?

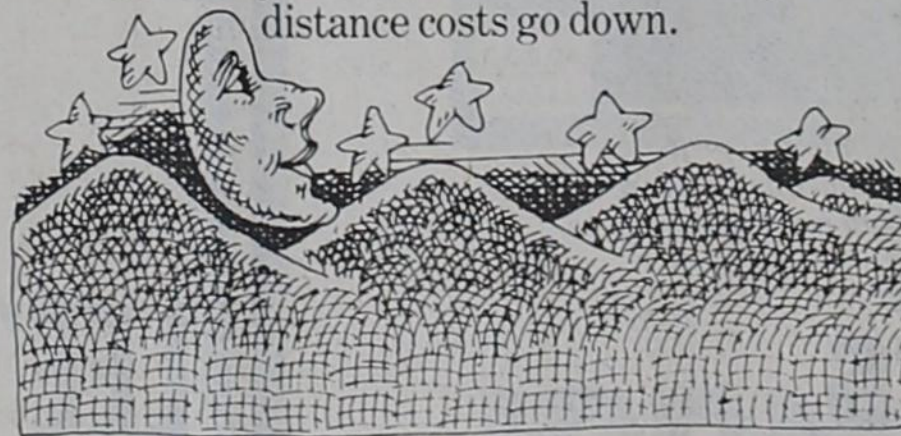

The plea of Churches of Christ is for the unity of all believers on the basis of the New Testament pattern. Only in this way can there be any unity at all. We must "All speak the same things," there can be "no divisions" among us, and we must be "perfectly joined together in the same mind and in the same judgment" (I Cor. 1:10-13). Is this true of obedient believers in the twentieth century? It can be and must be if we are acceptable to God.

Look at the state of religion in the world today. Examine your Bible and look deeply into your own soul. Do you want to be a part of the problem or a part of the solution? Know the freedom that is in Christ and his church.

Are you paying too much for your long distance calls?

You may be if you haven't been paying much attention to when and how you place your calls. But here are three ways you can keep in touch with old friends and still keep your long distance charges to a minimum.

Dial direct. Whenever an operator places your out-of-state long distance call, it costs more than if you dialed it yourself. So check the directory for the area code you need, dial the number yourself, and watch your long distance costs go down.

Call during off-peak hours. Did you know that after 5 p.m. you save 35% on out-of-state calls that you dial direct? You save even more, a full 60%, if you make these direct-dial calls during the week between 11 p.m. and 8 a.m.,

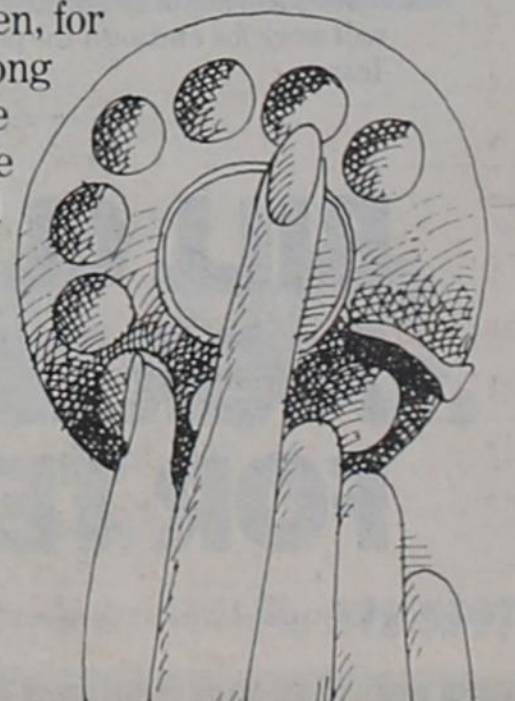

or on weekends until 5 p.m. on Sunday. Check your telephone directory for information about similar discounts for holiday calls and for those calls made within Texas after 5 p.m.

Take advantage of the 60-second bargain call. Perhaps you haven't heard that you no longer pay a three-minute minimum rate on your out-of-state long distance calls. So now it will cost you even less for those brief calls you make to confirm reservations or travel plans - or just to give short messages to friends or relatives.

Remember then, for the best value in long distance calls, take advantage of these special rates. And always dial direct.

Most good farmers don't wait until planting time to buy Pioneer - brand seed . . . not anymore. The best farmers seem to think that having the seed with the greatest potential is too important to leave to chance. So ordering next year's seed as soon as they've seen this year's results is becoming a habit . . . practically a tradition. Why? Because, when you compare Pioneer performance to brands that are always available and compare the advantages of ordering early to the disadvantages, you've got to pick up the phone and call this Pioneer dealer.

Fall fashions are exciting— if you can get into them.

I can hardly believe the ease with which I have lost weight and inches during my Pat Walker Program. Over the years I have been through the whole bit — calorie counting, carbohydrate counting, crash diets, starvation diets, losing 5-10 pounds and immediately gaining it back. Having lost 35 pounds and 44 1/4 inches my outlook has completely changed.

I have gone from a size 14-16 to size 10 and feel so much better physically and mentally and have more energy than I have ever had.

Thanks to Pat Walker I have finally learned to eat properly and maintain my weight. The management and staff at Pat Walkers are great — without their help and encouragement I would never have made it.

TWO MINUTES WITH THE BIBLE
BY CORNELIUS R. STAM, PRES. BEREAN BIBLE SOCIETY CHICAGO, ILLINOIS 60635

THE BIBLE AND ITS AUTHOR

Back on the shelf she placed the book with a sigh. It was too dull and uninteresting to wade through. She didn't feel like reading anyway; in fact, she was utterly bored, and she didn't feel like doing anything.

The next night was different - very different. At a party she had met the kind of man she could really go for. He seemed interested in her too, and in the weeks that followed they saw more and more of each other, until she was sure she loved him.

One night he mentioned something about a book he had written, and somehow the title rang a bell with her. Where had she seen it? It bothered her that she couldn't remember. When she reached home, though, it dawned on her all of a sudden. This was the book she had found so boring. She hadn't even noticed the name of the author.

Taking the book down from the shelf again, she began reading. As she read page after page, she asked herself: "Why did I think this book was dry? Say, this is some book! I had no idea that he could write - and so well!" And thus, avidly, she continued reading far into the night.

Yes, it makes a great deal of difference if you know the author - and especially if you love him! How many believers in Christ there are whose most precious hours are spent in reading and studying the Bible - a book which once seemed dull and uninteresting to them! The reason? They have come to know the Author!

Our Lord said: "This is life eternal, that they might know Thee, the only true God, and Jesus Christ, whom Thou hast sent" (John 17:3). But how do we obtain the "life eternal" with which this knowledge is bound up? Our Lord said: "He that BELIEVETH on Me hath everlasting life" (John 6:47). Salvation is, after all, a love story to be believed, and by which we come to know Him who "loved us and gave Himself for us."
