

ON THE LINE
by Dolph Moten

And then there was the fellow who pointed out that "There ain't no need to be getting in a hurry about discarding those 48-star flags just because Alaska's coming in. What are they going to do with Arkansas?"

That might be worth some consideration.

From time to time, we are reminded that we go overboard on sports. That applies when we're newspapering or just trying to be an average-like citizen. Anyway, can't help but notice that the wire services have made no mention about what's going to happen in regard to the football teams of those Little Rock high schools which have been closed down by the governor to avoid violence. Leads one to believe that without a school there will be no football team.

School is important, sure, but you can have school anytime. You have to play football games in the fall of the year, when they're scheduled.

To you people who think sports are overemphasized: we're joking.

This department's prediction of last week's Bovina-Farwell football game wasn't just exactly right. But it wasn't so far wrong that we're afraid to try again. Here goes!

Farwell 35
Lazbuddie 6

Probably we're so far off on that one that we won't have the nerve to try still a third prediction.

A column, "Plains Farming," written by Duane Howell in The Lubbock Avalanche Journal recently pointed out that regulations concerning irrigation tailwater will be enforced to a greater degree in the future than they have in the past.

Howell quotes Tom McFarland, general manager of High Plains Underground Water Conservation District, as saying the organization's board of directors has authorized the bringing of lawsuits, if necessary, to enforce the rules.

Howell writes, "When a complaint against a farmer is lodged, he will be required to appear at a hearing before the district board of directors," McFarland said. "The farmer will be given an opportunity at the hearing to show why a lawsuit or an injunction should not be lodged against him to prevent this waste," he explained.

"If the farmer agrees to stop the waste, the directors will grant him a period of time to get the water under proper control.

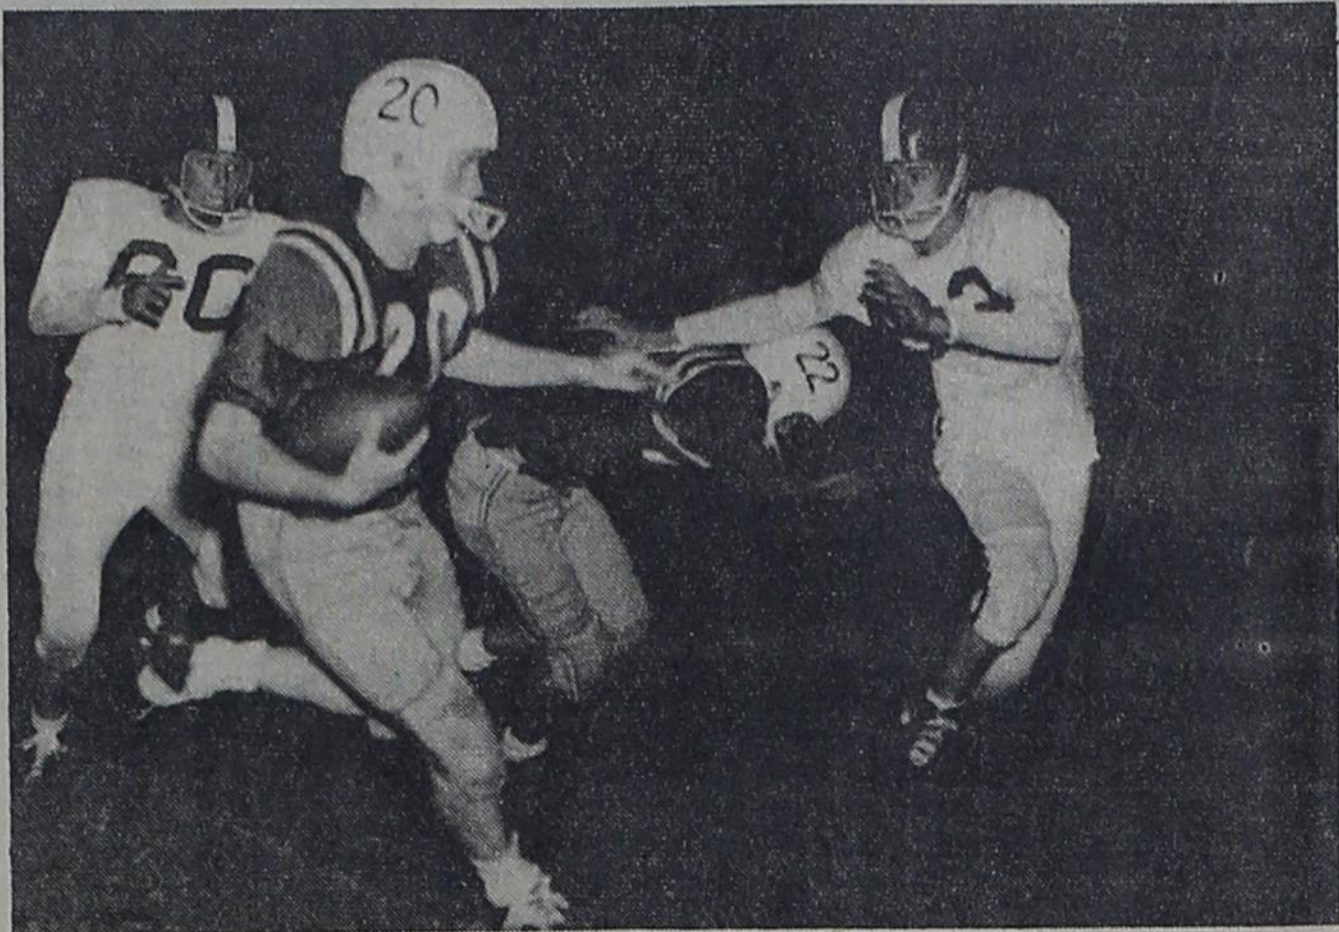

"Complaints against farmers who waste irrigation water may be made by neighbors, the district itself, and others."

Tailwater problems locally are possibly fairly scarce. Or else the majority of the people have gotten used to them. We hear very few complaining about tailwater. Not nearly as many as were heard a few years ago.

Later in Howell's column, McFarland is quoted as saying that the district has helped the tailwater situation in the past by "employing educational methods."

"However, there remains a minority element within the district that persists in allowing tailwater to escape their land," McFarland added.

That minority element, we (Continued on next page.)

BERRY BOUNDS — Phillip Berry, 20, star senior Steer fullback, ripped off a touchdown jaunt on Farwell's first offensive play against Bovina Friday night. Here he's shown skirting right end in the game's third quarter. Mustang defenders bearing down on him are unidentified. Gerald Christian, 22, senior halfback, is in the process of throwing a key block for Berry.

Fall Kills Man

A construction worker was killed in Farwell Sunday night. L. T. Jackson, 56, of Clovis, fell from atop the addition which is being constructed at Sherley-Anderson-Pitman, Inc., elevator. Time of the accident was about 8 p.m. He was killed instantly.

Jackson was employed by Chalmers and Barton Construction Co. of Hutchinson, Kan., which has contract for the 700,000 bushel, 10-tank addition.

Estimated height of the (Continued on last page.)

SOPHOMORE STANDOUT — Carroll Huggins, 24, Steer sophomore back scored a pair of touchdowns against Bovina Friday night. With the ball cradled in his arms like a baby, Huggins is shown circling left end in the fourth quarter. The Mustang defensive man, with arms outstretched and a snarl on his lips, is unidentified.

Meet L'buddie Friday Night

Farwell's Steers will meet their second Parmer County foe in two weeks Friday night when they take on the Lazbuddie Longhorns there at 8. The Class B Longhorns have a 1-1 record for the season. They lost to New Deal, 6-30, and whitewashed Cooper last week, 18-0.

Coached by John Bond, Lazbuddie has an experienced squad — only one sophomore in the starting lineup. As a whole, the team is light. The line averages 155 pounds per man while the backs average 144.

This will give the Steers a one-pound-per-man weight advantage in the line. In the backfield, Farwell, with a 160 pound average, will be 16 pounds per man heavier.

Coach J. D. Atwell's boys have played only one game, downing Bovina last week, 29-8. They suffered no serious injuries in that game, Coach J. D. Atwell reports, and will be at near top strength for this week's melee.

Larry McDorman, first unit fullback who has been out of action with a sprained ankle, began workouts this week and it's possible he will see some action. The 150-pound junior, however, is not listed as a starter.

Lazbuddie operates from multiple formations, Coach Bond reports, all of which are directed by quarterback Darrel Jennings. Jennings, a 150-pound junior, has been the leading ground gainer for the Longhorns and does the passing. The passing attack is considered "fair" by Coach Bonds with Right End Dean Watkins doing the bulk of the receiving.

Probable starters for the Longhorns are Smithy Lawrence, 123, left end, senior;

Dennis Nelson, 150, left tackle, senior; Jerry Weaver, 140, left guard, junior; Dwayne Teague, 140, center, senior; Earl Ryder, 150, junior; Jerold McGehee, right tackle, 220, junior; Watkins, 160, right end, senior; Jennings, quarterback, 150, junior; Roy Max Miller, 140, left halfback, sophomore; Lonnie Briggs, 130, right halfback, junior; and Jerry Koelzer, 165, fullback junior.

Starters for the Class A (Continued on last page.)

Speedy Steers Slaughter Bovina's Mustangs, 39-8

Featuring a fast, explosive offense, Farwell's Steers gored the Bovina Mustangs here Friday night, 39-8. It was the first game of the season for Coach J. D. Atwell's Steers. For the Mustangs it was their second ef-

fort and their second defeat. The Farwell lads, outweighed in the line, wasted little time in showing their superiority—they scored the first time they got their hands on the ball. By the end of the first quarter, they had built

up a 2-0 lead and from there on, there was little question as to the game's outcome. Farwell's forward wall, question mark of this year's team, outcharged the heavier Mustangs and did an outstanding job of opening holes for

the veteran-studded backfield to run through. On defense, too, linemen turned in a more-than-acceptable performance as they allowed the visiting Parmer County team only seven first downs.

One of the highlights of the contest was the performance of Carroll Huggins, Steers' sophomore back who got his chance to break into the starting lineup because Fullback Larry McDorman was out with an injury. Taking advantage of the opportunity, Huggins scored two of the Steers' touchdowns and displayed fast, shifty, broken-field running ability.

Bovina took the opening kickoff on its own 33, picking up one first down, which was aided by a Farwell penalty, the Mustangs were forced to punt from their own 44. James Lawlis' punt was partially blocked as Johnny Lovelace took it on his 42 and moved it

back to the 46. On the Steers' first offensive play, Quarterback Lovelace handed the ball to Phillip Berry, running from the fullback slot. The senior letterman went off tackle on the right side, broke into the clear, and raced untouched 54 yards to give the Farwell team a quick lead.

Lovelace failed in his attempt to carry the ball over for two extra points. Ramey Brandon, Mustang quarterback, took the ensuing kickoff on his seven and returned it to the 20. After one play, which lost two yards, Bovina fumbled and the Steers recovered on the 18.

A penalty set the Steers back to the 23. A Lovelace pass went astray and Huggins picked up three to the 20. Then Huggins, with some well-laid blocks in front of him, turned on the steam through the left side and the Steers had a 12-0 lead. Again the extra points effort was futile.

The kickoff was returned to the 13. Making six yards in three downs, Bovina was forced to punt. Brandon's boot went out of bounds on the visitors' 29-yard line.

From that point, the shocking Steers added their third tally. Lovelace passed true to End Owen Huffaker, who scampered across the goal line. Berry took over the points-after chores from Lovelace and went across the right side standing up to make the score 20-0.

Bovina was forced to punt again just before the first (Continued on last page.)

Fire School Postponed

Opening session of Farwell Fire Boys special school was postponed. It was scheduled to be last Thursday night. Ray Henderson, who will be in charge of the school, was

called to the West Coast. This was reason for postponement. Opening session of the five-week school has been rescheduled for tonight (Thursday). Starting time is 7, Otis Huggins, chief, says.

Henderson is from Texas A & M College Fireman's Training School and is a former chief of the fire department at Galveston.

Classes, which won't be more than three hours in length will be held for five weeks, probably on consecutive Thursday nights.

Instruction will be offered on all phases of fire fighting in the five sessions, Huggins says. This is the first time such a course has been offered here.

Huggins urges all members of the department, as well as prospective members, to be present.

Texico's Band Slaves To Work, But Expect Pay

Saturday is "slave" day! Texico band students are willing to work for the citizenry to help pay their way to the state fair in Albuquerque. The list of proposed duties include most anything that needs to be done by patrons.

They are washing cars at Wheeler Ave. "68" Station, mowing lawns, washing windows, and "will even cook dinner," the reporter says.

Anyone wishing to take advantage of these services, for a fee, of course, is asked to call Stone's Variety, where headquarters for the operation will be.

To add more money to the treasury, they will also be selling Spudnuts all day Saturday, for 60 cents a dozen.

Anniversary Observed Two Days Before Death

Mr. and Mrs. Walter S. Menefee of Lazbuddie, pioneer Parmer County people, had a moment of happiness Saturday a week ago before his death last Monday. The day marked the observance of their 50th wedding anniversary, and although Mr. Menefee was ill and bedfast and no celebrating with friends could be enjoyed, the couple had the satisfaction of knowing that they managed to attain the 50th milestone before his death. Mr. Menefee, a former county commissioner from the Lazbuddie precinct, was buried in Muleshoe last Tuesday.

Final rites for Walter Scott Menefee were conducted last Tuesday at the Lazbuddie Baptist Church with the Rev. C. K. Roberts of Lubbock, assisted by the local pastor, Rev. Bill Curry.

Born Aug. 30, 1889, in Collin County, Mr. Menefee died Monday at the age of 69 years in Parmer County Community Hospital.

He was married to Miss Lena Poits on Sept. 6, 1908, at Wolfe City, and to this union were born four children. He had been ill several months.

The Menefeas moved to Parmer County in January, 1925, and were living on the same land they first acquired. He served as County Commissioner for 12 years and retired from farming in 1950. He became a member of the Baptist church at the age of 13 years and was a charter member of the Lazbuddie Baptist Church.

Survivors include his wife, Lena; three daughters, Mrs. Paul J. (Ruby Mae) Syms, Albuquerque; Mrs. Juel (Frances) Treider, Lazbuddie; Mrs. Sam (Ruth) Long, Hereford; one son, Joe Scott of Corpus

Texico Church Has Revival

A revival is now in progress at the United Pentecostal Church in Texico, with Rev. and Mrs. Garvin Tidrick of Ft. Worth as the evangelists. Meetings will continue this week and next week.

Services begin each night at 8 o'clock in the evening with music and special singing a feature of each service.

Rev. B. L. Barnes, pastor, extends a cordial welcome to the public to attend the meetings.

Texico Teams Grab Grady

Texico High's softball teams continued their softball winning ways Friday night at Grady. The local boys slapped the hosts 18-3 in a game called at the end of five innings because of the 10-run rule.

Texico girls had a rougher time as they came from behind to win 18-15.

Connie Tharp was the winning hurler for the girls as she staved off Grady's attempt to regain the lead. Raymond Hadley was the boys' winning pitcher.

It was the second straight victory for each of the teams. They defeated Logan squads earlier.

Wesley Ingram highlighted offensive play for the Wolverines. He hit a grand-slam (four run) home run with the score tied, 3-3, in the third inning. This blow started the Wolverines on the road to the easy win.

Harla Jean Wall and Trudie Lambert each hit a home run for the girls.

In the two games played, Ladonna Stewart has been on base 10 consecutive times. Mary McDaniel is close behind in this department. She has reached first base safely in eight out of nine trips to the plate.

The teams journey to House Friday. This week's games will be in the afternoon; the first two were played at night. Junior high teams will be idle until they take on House here September 30.

Lions Gross \$918.50 on Sale

Texico-Farwell Lions grossed \$918.50 on their broom sale which was conducted Friday and Saturday. This was the largest sale ever for the local club.

It was the third consecutive year for this type of promotion. It is one of three projects conducted annually by the club. Lions netted 25 per cent of the sale — \$229.62. Otis Huggins, a member of the club, reports

Merchandise sold was manufactured by Texas Blind Shops. Items included different types of brooms, ironing board pad and cover combinations, door mats, mops, and other household items.

Money derived from the sale will be used to carry on projects of the club through the year.

Band Mothers Set Bake Sale

To help sponsor Texico Band's trip to state fair in Albuquerque, mothers of band members are having a bake sale Saturday at Piggly Wiggly.

Mothers are asked to bring their baked goods to the grocery store by 10 a.m.

Fred Danforth, band director, wishes to express appreciation to Piggly Wiggly, Stone's Variety, and Wheeler Ave. 66 Station for their help in raising money for the trip.

TOWN HALL REMODELED — Texico town hall has been undergoing remodeling for the past several days. Main office has been made smaller and more storage space has been made available throughout the building. Mrs. Juanita Aubrey, town clerk, is shown standing behind the new counter in the remodeled office. Morgan Billington is contractor for the improvement.

OKLA. LANE by Avis Carpenter

DAUGHTER BORN

Mr. and Mrs. Norman Head announce the birth of a baby daughter, born September 2, at Clovis Memorial Hospital.

MRS. SYMCOX NAMED PRESIDENT

Oklahoma Lane Home Demonstration Club met Thursday in the home of Mrs. Edmund Kitten.

Other officers include Mrs. W. T. Magness, vice-president; Mrs. Windbourn Hardage, council delegate; Mrs. Joe White, secretary-treasurer and reporter; and Mrs. Kitten, parliamentarian.

Others present for the session were Mrs. Harold Travis, Mrs. Walter Kaltwasser, Mrs. Gilbert Kaltwasser, Mrs. John Range, Mrs. Bill Dollar, Mrs. Clarence Johnson, Mrs. Neal Bradshaw and one visitor, Miss Marilyn Kitten.

The club voted to arrange an agricultural display for Maize Days in Friona and all members are urged to assist in this work.

Next meeting will be September 25 in the home of Mrs. Joe White.

SON'S BIRTH NOTED

Word was received here last week of the birth of a son to Mr. and Mrs. Howard Allen of Bunnell, Fla. Mrs. Allen is the former Lillian Young.

named Steven Howard. Maternal grandparents are Mr. and Mrs. E. H. Young of Bovina. Mr. and Mrs. Allen have a daughter, Karen.

Donnie Carpenter, Derrell Garner and Johnny Gulley left Sunday to attend college at West Texas State College in Canyon. Carpenter is a sophomore and the other two boys are freshmen.

Joe McWilliams, who underwent major surgery September 2, was dismissed to his home Monday.

Mrs. Pauline Taylor and Mrs. Jenny Barkley who visited last week in the home of Mr. and Mrs. D. W. Carpenter and other relatives, left by plane Sunday morning to return to their home in Gastoria, N. C.

CHURCH CIRCLES MEET

The Lydia and Ruby Parker Circles of the W.M.U. met at the church for a business meeting and to conclude a mission study book, "God's Plan of World Missions."

Mrs. Harold Carpenter, outgoing president, presided as new officers were elected. They are Mrs. Walter Verner, president; Mrs. Jack Roach, first vice-president; Mrs. Howard Garner, second vice-president; Mrs. Carpenter, secretary-treasurer; Mrs. Lora Brown, stewardship; Mrs. J. M. Pruitt, community missions; Mrs. Wayne Hardage, prayer chairman; Mrs. Frank Edwards, mission study;

Also, Mrs. Claude Watkins, chairman of Lydia Circle and Mrs. Bernard Nelson, chairman of Ruby Parker Circle. Attending the meeting were Mesdames Frank Edwards, Harold Carpenter, Lora Brown, Walter Verner, Wayne Hardage and J. M. Pruitt.

On Sept. 13, 1847, U. S. Marines stormed through the "Halls of Montezuma" on their way to Mexico City.

News from PLEASANT HILL BY MRS. BUCK TAYLOR

PARTY HELD

Mrs. Ed Henry was hostess to a party in her home Wednesday morning. Those present were Mrs. E. C. Kirby, Mrs. J. J. Armstrong, Mrs. H. M. Hopper, Mrs. Buck Taylor, Mrs. Robert Servatius, Jimmie Weatherford and Mrs. Corda Battey.

Mrs. Buck Taylor and her nephew, Billie Servatius, were in Anton Thursday night to spend the night with her mother, Mrs. Janie Anderson, who returned home with them to spend a week or two with the Taylors and another daughter, Mrs. Robert Servatius.

Visiting Sunday in the home of Mr. and Mrs. Ed Henry and Harry were Mr. and Mrs. Lawrence Bowers of Texico. Mr. and Mrs. Amos Shockley and Myrtle are visiting her parents, Rev. and Mrs. C. C. Morgan in Texico this week, while their home is being remodeled.

Spending last week in the Weldon Dane home was his sister, La Donna of Petersburg. The Danes were in Lubbock Sunday with his brother and family, Mr. and Mrs. B. B. Dane, and visiting this week in the local home is her mother, Mrs. Effie Griffin of Bowie.

Mr. and Mrs. Troy Lovett and girls were Sunday dinner guests of her mother, Mrs. R. L. Bain of Ranchvale.

Mr. and Mrs. Weldon Wilks were in Farmington several days last week, sight-seeing. Mr. and Mrs. Dewey Pierce and Mr. and Mrs. Lowry Winkles and Larry were in Amarillo Thursday on business. Visiting in the home of Dale and Johnnie Pierce Sunday were Dale Brown and Terry Lovett.

Sunday dinner guests in the home of Mr. and Mrs. H. M. Hopper were Mr. and Mrs. J. J. Armstrong. Afternoon callers were the E. C. Kirbys of Clovis.

Miss Opal Tadlock was an overnight guest in the home of Alene Crocker Monday. Kathryn Barnes spent Friday night with Darlene Boatwright.

Mr. and Mrs. Otto Boatwright made a business trip to Plainview Friday. Visiting Miss Pauline Servatius Friday evening was Coleta Doshier.

The Jimmie Weatherfords visited in the home of the W. D. Waltons Sunday evening.

LIVE BETTER Electrically

Call Farwell Electric IV6-3422 for answers to your wiring problems WITH FULL HOUSEPOWER

LINERS--

guess, has been causing trouble ever since time began. Still, we think it's a shame, in a way, that a man can't tend to his farming operation, or any other, as he sees fit. The underground water district justifies its position that "each individual is responsible to see that the use of his property does not do damage to others in the community."

And that's a good point. ****

A news release to The Tribune this week from J. G. Ward, superintendent at Lazbuddie, promises, "If you would like to see a good ball game, come out to Longhorn Field Friday night."

At halftime, Mr. Ward says, Lazbuddie pep squad will perform, along with Farwell pep squad. "There will be some special entertainment for Lazbuddie patrons as Farwell Band will be first to ever play on the Lazbuddie field."

Also, Ward points out, "Lazbuddie PTA invites all of you from Lazbuddie and Farwell communities to come out and eat with them before the game. So, leave home a little earlier, drive carefully and we will see you at the concession stand around 7. Tink Seaton is in charge of the food booth this week, and she says, 'We will have hamburgers, hot dogs, cheeseburgers, cocoa, coffee, Spudnuts, pie, candy, and pop.'"

In a P. S., the superintendent reminds The Tribune that "we would like a good crowd so put it (the above information) where they can find it."

By putting the information in Liners we've probably failed to follow instructions in the worst sort of way--surely nobody will see it here.

Anyway, he sold us. We'll go to Lazbuddie, see a football game and eat supper, too!

Renew your subscription before it expires.

METHODIST CHURCH NEWS

Dr. Harry Denman, executive secretary of the board of evangelism, will speak at Clovis First Methodist Church each evening, September 28-October 2. The well-known speaker is a world traveler and dynamic layman, and is a sought-after speaker. Local people are urged to attend the services.

MYFers go to sub-district at Ft. Sumner Methodist Church Sunday afternoon at 2:30 MST. Mr. and Mrs. Wilfred Quicke are sponsors, and local MYF members, especially the officers, are urged to attend. No regular meeting is planned here.

February 1 has been set as the date when members expect to have \$40,000 on hand to begin construction of the first unit of the new church building. The building and finance committee met Monday night to discuss plans. The choir will meet at 8 p.m. Wednesday.

The Adult Bible Course will begin Wednesday, September 24, in the basement of the church, 8 p.m. The first study will be on the book of James. Rally day is Sunday and all teachers are urged to request all class members to be present in both Sunday school and church.

WCS zone meeting is set at House, N.M., Tuesday, September 30, at 9:30 am, MST.

World Wide Communion will be observed at the church Sunday, October 5, at both morning and evening services.

"Major Methodist Beliefs" is the study at Sunday evening fellowship meeting at 6:30. John Getz will discuss "I Believe in the Bible."

"B" Team Game Slated Tonight

Farwell and Lazbuddie B teams play here tonight (Thursday) at 7. Originally, the game was scheduled to be a Farwell Freshman vs. Lazbuddie B game. But, not enough freshmen players are available to field a team, Coach J. D. Atwell says. "We have 11 freshmen out all right," the coach says, "but they don't all play different positions." Freshmen will be used as much as possible, however. Probable starting lineup for Farwell is David Lindop, 125, left end; Jimmy Walker, 148, left tackle; Jimmy Clements, 130, left guard; Mike Getz, 150, center; Dickie Gerles, 130, right guard; James Usery, 140, right tackle; Michael Nelson, 115, right end; Maurice Smith, 130, quarterback; William Dannheim, 130,

left halfback; Jim Cain, 160, right halfback; and Scotty Turner, 160, fullback.

HIGHTOWERS RETURN FROM FUNERAL
Mr. and Mrs. John Hightower were in Electra last week where they attended the funeral of his father, John Hightower Sr. The elderly man was 91 years old, and had been ill for some time. The Hightowers, who had been at the bedside of the older man at the time of his death, returned to their home Thursday.

CARD OF THANKS
We wish to express our deepest gratitude to our many friends for their prayers, flowers and food; also for the many acts of kindness during the illness and passing of our beloved husband and dad.

May God bless each of you.
Mrs. W. S. Menefee
Mr. and Mrs. Joe S. Menefee
Mr. and Mrs. Paul Syms
Mr. and Mrs. Juel Treider
Mr. and Mrs. Sam Long

Ty Phillips, small son of Mr. and Mrs. A. F. "Bunk" Phillips, who was hospitalized for a time, is now recuperating at home.

News From LAZBUDDIE

By MRS. CLYDE MONK

BRIDE-ELECT IS HONORED

The home of Mrs. J. T. Eubanks was the scene of a pre-nuptial shower honoring Miss Linda Donaldson, bride-elect of Bill Stegualde. The couple will be married October 4.

The serving table was laid with a white linen cloth with an arrangement of prince feathers surrounded by white glads, periwinkles and dahlias, using the honoree's colors of red and white.

She was assisted in opening the gifts by her mother, Mrs. Bill Lancaster, her fiancé's mother, Mrs. Earl Stegualde, and her grandmother, Mrs. E. M. Gray of Seagraves. Judy Brown, Karen Smallwood and Beverly Smith served red punch with individual white cake squares, each topped with red roses. Patsy Morrow registered the guests and Coretta Watkins, Penny Grusendorf and Mary Aduddell displayed the gifts.

Approximately 40 guests signed the guest register and many who were unable to attend sent gifts. Hostesses were Mesdames T. R. Smallwood, D. M. Morrow, F. L. Brown, Robert Kimbrough, R. T. Atchinson, Jim Shafer, J. C. Shanks, Mickey Robinson and J. T. Eubanks. The hostess gift was an electric mixer.

Lois Fletcher from Walters, Okla. visited Thursday with the Gene Smiths.

Dee Brown, Allen Grusendorf, Jackie Brown and J. B. Young spent a couple of days last week fishing at Conchas Lake.

A. G. Ivey from Plainview visited Thursday with his cousin, Mr. and Mrs. Ira Wimberley. Ivey was conducting the singing for a revival at the Lee Street Baptist Church in Dimmitt.

Weekend guests in the Owen Broyles home were Mr. and Mrs. J. D. Tyler and Geraldine from Hereford and Eugene Broyles and Jackie Dodson from Amarillo.

The Walter Edwardses spent last week fishing at Stamford Lake and Lake Texhoma. When they arrived home Sunday evening, her father, Bill Bell, and a brother, Mr. and Mrs. Russell Bell and Pat from Glendale, Calif. had arrived for a visit.

Mr. and Mrs. E. L. Clark and Mr. and Mrs. Wayne Clark and boys spent the weekend at Newcastle and attended a "Clifton" family reunion.

LUNCH MENU

Monday — meat loaf, sweet potatoes, green peas, sliced tomatoes, applesauce cake, bread, milk;
Tuesday — red beans, buttered spinach, Mexican rice, cabbage slaw, hot rolls, butter, jelly, milk;
Wednesday — turkey and dressing, green beans, cranberry sauce, peach halves, bread, milk;
Thursday — beef stew crackers, sliced cheese, wedged lettuce, prunes, milk;
Friday — tuna salad, potato chips, pork and beans, sliced tomatoes, jelly cup cakes, bread, milk.

BREAKS BONE

Mrs. Finis Jennings caught her hand in the car door Thursday, breaking the bone in the end of the forefinger. Mrs. Jennings says it has been quite painful, and since it happened, is glad it was on her left hand.

TO MANAGE GIN

The Bob Herrons have recently moved into the community from Idalou. Herron will be manager of the Nichols Gin at Clays Corners and they have moved into the house on the Nichols farm, made today.

Born In Germany

Mr. and Mrs. Lloyd Davenport of Needmore and Mr. and Mrs. Leon Smith Sr. are announcing the arrival of a new granddaughter, Debra Leigh, born Aug. 11 to Mr. and Mrs. Leon Smith Jr., who are now stationed in Longensfeld, Germany. Debbie, as she will be called, weighed 7½ lbs. and is the first child for the Smiths.

Lou Ann Hardesty and Mary Ann Stacy from Friona visited in the Les Bruns home Sunday.

cant recently by the Leroy Pierce family. The Herrons have a son living in Lubbock and a daughter, Cindy who is 8 years old and in the third grade.

Mrs. J. H. Clay visited Sunday and Monday in Claude with her mother, Mrs. W. B. Lawrence.

The John L. Seaton family were visiting his mother, Mrs. A. M. Seaton in Canyon, Saturday. Mrs. Seaton suffered a slight stroke last week, but was doing fine over the weekend.

Mr. and Mrs. L. H. Bradshaw and family from Farwell visited Sunday with her parents, the Rufus Carters.

Honored Tuesday

Miss Linda Lancaster was the honoree at a lingerie shower last Tuesday evening at the Home Ec. building. The girls of Linda's class: Beverly Smith, Coretta Watkins, Patsy Morrow, Karen Smallwood, Penny Grusendorf, Tommie Horton, Marilyn Aduddell, and Judy Brown, under the sponsorship of the home ec teacher, Mrs. Albert Clark, were hostesses.

The serving table was laid with a red cloth, with white candles and red zinnias as the centerpiece. Refreshments of punch and sandwiches were served. Invitations were given to all high school girls.

Mr. and Mrs. Pete Mimms and Tracy left Sunday afternoon for Paducah, where they attended the funeral services on Monday for Mrs. Mimm's grandmother.

Mr. and Mrs. R. L. Kimbrough, Mr. and Mrs. Bob Kimbrough and Mr. and Mrs. Sig Kimbrough attended in a group with others from the Main Street Baptist Church of Muleshoe, a revival at West Camp last Thursday evening.

Mr. and Mrs. I. W. Bewley left Monday morning for a few weeks hunting trip to Montana. After about 15 years of trying for a moose permit, Mr. Bewley finally received one, and was off to try his luck.

Mr. and Mrs. Bob Kimbrough and children were Sunday dinner guests of Mr. and Mrs. Lee Renner in Friona.

Members of the Methodist Church are quite pleased with the work put forth this past week by the men in getting concrete walks around the building. This will enable the members to complete the landscaping with shrubbery and improve the beauty of the property.

Miss Jimmie Carpenter from Vega spent the weekend at home with her parents, the Howard Carpenters. Accompanying her home were Mr. and Mrs. H. Holder and Mrs. Thornberg, also teachers at Vega.

Mr. and Mrs. V. H. Bewley were Sunday visitors at Lingo, N. M., with Mr. and Mrs. Sidney Pool.

Those attending the drag races in Roswell Sunday were Mr. and Mrs. Max Steinbock, Rex Steinbock, Mr. and Mrs. Beardean Broyles, Mr. and Mrs. Gene Smith, Mr. and Mrs. Joe Cox and Mr. and Mrs. Bobby Broyles.

Son Born Tuesday

Timmie Morris Cooper registered with his parents, Mr. and Mrs. Morris Cooper, at 12:37 Tuesday morning, Sept. 16, for the complete course of schooling in the future. The new "principal" weighed 7½ lbs. and is the first child for the Coopers. His father is high school principal of the Lazbuddie school. Grandparents are Mr. and Mrs. Doyle Waits of Marshall, Ark. and Mr. and Mrs. Blaine Cooper of Snowball, Ark.

Mr. and Mrs. Bill Lancaster ext Wayne Jr. was born Saturday, Sept. 18, in the Slaton hospital to Mr. and Mrs. Bobby Tefteller, the former Hazel Ruth Lancaster.

Mrs. Harold Wilson is recovering from a mild case of encephalitis.

Mr. and Mrs. Vance Easton and boys from Roswell, and Mrs. D. Z. Bradberry from Clovis were weekend visitors in the Joe Paul home.

Mrs. John Gammon has been staying in Lubbock with her mother, Mrs. W. P. Jennings, who has been ill.

The Raymond McGehees visited his parents, the B. F. McGehees in Lubbock, Sunday.

Mr. and Mrs. John Littlefield and Carroll were fishing at Conchas over the weekend.

Mr. and Mrs. Andy Brown were in Slaton over the weekend to be at the bedside of his mother, Mrs. J. H. Brown, who had major surgery Friday morning.

Sunday visitors in Anton with her parents, Mr. and Mrs. H. I. Bass, were the C. A. Watson family.

Mr. and Mrs. Edgar Hartley and children left on Thursday for Brownwood to visit a few days with her parents, Mr. and Mrs. Bill Singer.

James Jackson from Centralia, Ill., spent the weekend with his aunt and uncle, the Deboe Carpenters. James left Tuesday for Tech, where he will be a junior. The Carpenters and James were also in Odessa over the weekend with the Loren Howards and all attended the air show in Midland on Sunday.

The R. L. Forresters accompanied by the Eldon Beckers from Slaton spent last week at Lake Buchanan, fishing. They report a catch of approximately 65 crappie.

Mr. and Mrs. Ray Lovejoy and Barry from Lovington spent Saturday night with her parents, the J. B. Wrights, and Sunday, the group enjoyed dinner with the June Wagons in Muleshoe.

Mr. and Mrs. Fred Wehnt from Lindsey, Okla., & their daughter, Mrs. Kelland Rochelle and children from Skellytown, spent the weekend with Mr. and Mrs. Frank Spitzer and other relatives.

Wyle Bullock and Luther Ham attended the Democratic convention in San Antonio the first of last week as delegates from Lazbuddie and Oklahoma Lane.

Mr. and Mrs. Donald Dean Littlefield and baby spent the weekend at Midland with her sister, the Bill Hollers family, who have recently moved there from Lubbock.

Larry Sisk, who has been visiting his grandmother, Mrs. Lora Brown this summer, returned to his home at Reseda, Calif. last week so he could

be ready to begin school this week.

Mr. and Mrs. Boone McCracken from Quitaque visited Wednesday with her sister, Mr. and Mrs. Clyde Monk. The McCrackens were returning home from Tucson, Ariz. where they had been visiting a daughter and family.

Mr. and Mrs. Clifford Pyritz from Odessa spent the weekend with his mother, Mrs. Rudolph Pyritz.

The Davis Gulleys were in Wellington the first of the week visiting and attending to business.

Mr. and Mrs. Howard Carpenter were in Lubbock last Tuesday visiting their daughter, Mr. and Mrs. Neil Ross.

J. T. Mayfield and two sisters, Mrs. Minnie Parham and Mrs. Nancy Geason are taking turns staying in Anson with their mother, Mrs. Y. B. Mayfield, who is a patient in the hospital.

The Jarrett Pinckleys spent the weekend in Merkel visiting relatives.

Mr. and Mrs. Leon Connor from Ralls spent the weekend with their daughter, the T. O. Lesly family. The Connors were accompanied by another daughter, Barbara, and her cousin, Kay Bennett. The group enjoyed Sunday dinner with Mr. and Mrs. Glen Lesly in Farwell.

Expected Home

Mrs. E. A. Seaton is expected home the last of the week from the hospital in Amarillo, after having eye surgery last Wednesday. Mrs. Seaton is reported to be doing fine and has high hopes the operation will be successful.

Morris Bruns left Monday afternoon for Tech, where he will enroll as a senior student.

Mr. and Mrs. Howard Cash from Tullia were Sunday afternoon visitors in the home of their nephew and family, the E. T. Fords.

Karl's Auto Clinic
Smokey & Fred -Farwell-

By Cary Joe Magness

FORTY YEARS AGO in Farmer County . . . While checking the files in our office, we came upon a raft of correspondence which was received by Mr. B. N. Graham while he was county clerk in 1918-1919. It was so interesting to us, we thought our readers might also enjoy it.

. . . It seems that at this time (and buyers all over the nation were interested in buying undeveloped land in the Panhandle. Thus, numerous inquiries concerning land values in Farmer County were received from both prospective buyers and out-of-state owners who were interested in disposing of their holdings. From the writings, it appears that the going price of land was from \$7 to \$20 per acre.

Many were concerned with possible oil production in the area, and in 1919 an inquiry was received from Associated Petroleum Companies which desired to contact a "man of good standing in the community" who could secure a large enough block of acreage to justify drilling a test well near Farwell. No record of a reply. . . . Evidently, Commissioners Court was interested in seeing the area developed, as a draft was sent to Panhandle-Plains Chamber of Commerce for the sum of \$100 to assist the organization in its work.

During 1918, THE PANHANDLE FOOD & FEED PRODUCTION CAMPAIGN sent a resolution stating that since the wheat crop was in a precarious condition, it was "possible to overcome this shortage of food for man and beast, in our section of the country, by growing Kafir Corn, Milo Maize and Fetalia and thereby doing 'Our Bit' to help feed the starving millions and win this war for God and the right." It was further recommended that the acreage planted in the previously mentioned crops be increased 100 per cent over that of 1917. "Am wondering if this could have been the beginning of our grain sorghum surplus?"

In July of 1919, the county clerk wrote a firm concerning the possible purchase of a "small memorial slab for Farmer County." As the letter goes on to state that, "We have about 100 names on our roll," we are wondering if this was not for the servicemen of World War I. Also we would like to know if this memorial was ever purchased, and if so where was it located."

A letter from County Clerk C. C. Mardis of Bailey County, states that the Commissioners Court there accepted the offer of Farmer County offering a jail cell for their use. \$100 was the fee.

This one, we will copy word for word with exception of leaving off the address: Mr. — Bovina, Texas. Dear Sir: Acting upon the instructions of the Commissioners Court of this County, I am hereby notifying you that it is the order of the Court that you remove from the streets of Bovina the carcass of a dead horse which belonged to you. (s) County Clerk.

Social Events of Interest

Ronny Dial Married At Tatum Saturday

The First Baptist Church of Tatum, N.M., was the scene of the nuptial vows of Miss Laquita Ann Fort, daughter of Mr. and Mrs. Byron Fort of that city, and Ronny Dial, son of Mrs. Clytie Dial of Farwell, September 13 at 6:30 in the evening.

Background for the service was a greenery-covered arch, accented by two baskets of white and blue gladioli, and double candelabra holding blue tapers. Rev. Ray Cunningham officiated for the double ring ceremony.

Mrs. Edd Eoff was organist, playing pre-nuptial selections, traditional wedding marches and the recessional. She accompanied Mrs. Lewis Roach, vocalist, who sang "Wedding Prayer" and "At Dawning." Both women wore corsages of white carnations.

Given in marriage by her father, the bride chose a ballerina-length white lace dress for her wedding. The neckline was edged in rounded scallops, and the fitted waistline extended into a point in front, emphasizing the bouffant skirt, which was completed by an edging of minute scallops around the hem. Ruffles extended down the back of the skirt and three-quarter length sleeves completed the design.

The tiered veil of illusion was attached to a tiara of matching lace, and she carried white carnations emphasized by ribbon of soft blue, atop a white Bible.

A handkerchief borrowed from her grandmother, Mrs. W. H. Fort, was "something old;" her wedding ensemble

was new; borrowed was her veil from Mrs. Bob Price, who was married August 16; and blue was a garter.

Bob Price of Portales served his friend as best man and ushers and groomsmen were Royce Fort, brother of the bride from Tatum, and Benjy Dial, brother of the bride from Farwell.

Attendants for the bride were Mrs. Bob Price, matron of honor, of Portales; Mrs. Edd Hickey and Miss Geraldine Bass, both of Lubbock. They wore identical costumes of blue crystalline, featuring a drape effect from one side of the neckline, elbow-length sleeves and billowing skirts. Mrs. Price carried a bouquet of blue carnations tied with white ribbon; and Mrs. Hickey and Miss Bass carried white carnations emphasized with blue ribbon and net.

Curtis Alan Fort of Tatum, brother of the bride, and Miss Priscilla Spears of Lovington, cousin of the bride, were candlelighters. Flower girl was Nancy Bengie of Lovington, cousin of the bride, and Jerry Don Fort of Tatum, brother of the bride, was ring bearer. The two young ladies wore matching dresses of blue crystalline, designed with full skirts. They wore wristlets of white carnations.

The bride's mother wore a cocoa brown dress with accessories of dark brown. Her corsage was of white carnations. Mrs. Dial chose an ensemble of royal blue with white and blue accessories and a corsage of white carnations.

Following the ceremony, a reception was held at the ranch home of the bride's parents north of Tatum. An arrangement of blue and white gladioli centered the table, which was covered with white lace over blue. Crystal appointments were used. Presiding at the serving table were Miss Earlene Cook of Melrose and Mrs. Walter Cardwell of Tatum. Mrs. James Ingle of Roswell presided at the guest book. Each wore a corsage of white carnations.

For a short wedding trip to Mexico, the bride chose a navy blue chemise going-away ensemble designed with a white collar. Her matching accessories were white and a long strand of pearls completed the costume.

The couple will be at home at 1005 North Estrella, El Paso.

Mrs. Dial was graduated from Tatum High School in 1955, and attended Eastern New Mexico University at Portales for three years, where she majored in business education. The bridegroom was graduated from Farwell High School in 1953. He received his BA degree in marketing from ENMU in 1957 and is now employed by Commercial Credit Corporation in El Paso.

Out-of-town guests for the wedding other than those in the wedding party were Mr. and Mrs. W. H. Fort Sr. and Mrs. M. C. Sweat, grandparents of the bride from Lovington; Mr. and Mrs. A. C. Henneman and Vicki, sister of the bridegroom and her family from Amarillo; Also, Mr. and Mrs. Clyde Leverett of Hobbs, Mr. and Mrs. M. C. Bengie of Lovington, Mr. and Mrs. Cecil Sweat and Mr. and Mrs. Rocky Robbins of Denver City, Mr. and Mrs. W. H. Fort Jr., Mr. and Mrs. C. H. Spears and Mr. and Mrs. Buddy Fort of Lovington, Mr. and Mrs. James Ingle of Roswell, Mrs. W. P. Shelley of Farwell, Mrs. S. L. Shelley of Muleshoe, Eloise Liles and Ben Reemes of Hobbs.

Also, Mr. and Mrs. Clyde Leverett of Hobbs, Mr. and Mrs. M. C. Bengie of Lovington, Mr. and Mrs. Cecil Sweat and Mr. and Mrs. Rocky Robbins of Denver City, Mr. and Mrs. W. H. Fort Jr., Mr. and Mrs. C. H. Spears and Mr. and Mrs. Buddy Fort of Lovington, Mr. and Mrs. James Ingle of Roswell, Mrs. W. P. Shelley of Farwell, Mrs. S. L. Shelley of Muleshoe, Eloise Liles and Ben Reemes of Hobbs.

Wedding Date Announced

Rev. and Mrs. C. A. Hatcher of Levelland announce the engagement and approaching marriage of their daughter, Patricia June, to Oden Lee Henson, son of Mr. and Mrs. Oden Henson of Reydon, Okla. The wedding is planned at 8 o'clock in the evening, October 31, in the United Pentecostal Church, 2501 Third St. in Amarillo, with Rev. A. H. Browning officiating.

All friends of the couple are invited to attend.

The Hatcher's are former residents of Texico.

Mrs. Cox Gives Class Devotion

Mrs. Sidney Cox presented the devotion at a meeting of Esther Class of First Baptist Church recently in the home of Mrs. Weidon Kunaue. Preceding the business session was a salad supper.

Secret pal gifts were exchanged and plans made for installation of officers. Mrs. Bert Williams will conduct the installation at the next meeting October 13 in the home of Mrs. Calvin Murray.

Present were Mesdames Cox, Rundell, Murray, Fred Curtis, Bill Craft, Bill Dollar, Horace Battenfield, Calvin Blain, and Leroy McDonald.

Mrs. Rex Miller Feted Wednesday

Blue and white, chosen colors of the honoree, were used in the decorative motif for the bridal shower honoring Mrs. Rex Miller, nee Betty Dollar, Wednesday afternoon in the home of Mrs. Everette Christian.

The serving table was centered with an arrangement of blue carnations and white daisies, with white tapers in double candleholders completing the setting. Napkins of blue were inscribed with the names "Rex and Betty," in silver.

Pineapple punch was served with blue iced cake, nuts and mints.

Mrs. W. H. Dollar, mother of the honoree, was presented a corsage of white carnations and Mrs. Miller wore a blue carnation corsage.

Hostesses for the occasion were Mesdames Elmore Hendrix, Eddie Ramm, R. D. Dale, Everette Christian, Earl Routon, and Misses Sharon Hendrix, Alice Ramm, Joyce Routon, Jo Anne Schell, Patsy

Sprowls, Belva Christian and Faye Routon.

Those attending and sending gifts were Mesdames C. C. Christian, Ival Hesser, J. H. Leavell, Jim Moore, Claude Darr, Ruby Stone, Ruby Adams, Ray Burris, Ruth Billingsley, Earl Billingsley, Lois Smith, L. W. Routon, Ann Smith, V. L. Martin, W. E. Woods, Carliss Woods;

Also, Mesdames S. W. Bradshaw, Oscar Hubbell, H. R. Crook, John Range, R. V. Ham, Bob Hines, C. M. Nix, W. H. Dollar, Clay Henson, Clyde Magness, Willie Hardage, Vernon Symcox, Robert Morton, Claude Rose, Bill Craft, Jimmy McGuire, Ed McGuire, Leon Billingsley, Ivan Tarr and Jean, James Spurlin, Jimmy Allman, Ruby Meeks, Mable Martin, Bull Dollar, Bob Dollar, Billy Dollar and Jeanne Graham;

Also, Misses Wilma Norton, Vicki Spurlin, Jeanette Lindop, Martha and Marian Smith, Evon Dannheim, and Judy, Janice and Gloria Symcox.

Farwell Study Club Holds First Meeting of Year

The Farwell Study Club held their first meeting of the year Monday night in the form of a social at the new Farwell home economics cottage, with a salad supper highlighting the occasion.

Attendants were served the buffet dinner, then seated at quartet tables by the hostesses, Mrs. M. C. Roberts, Mrs. Shelby Jobs, Mrs. B. N. Graham and Mrs. Willie Williams.

The lace covered serving table was centered with a bouquet of vari-colored roses, blending from hues of deep rose to soft pink, arranged in a white bowl. The unusual centerpiece was accented by yellow tapers situated behind the floral display. The arrangement was made by Mrs. D. W. Bagley from flowers grown in her garden.

Dr. M. F. Green discussed "Mental Health," giving definitions of terms and discussing such often-heard illnesses as split personality, alcoholism, and nervous disorders. He included various causes of mental illness, as well as ideas for keeping a healthy mental outlook.

The business meeting, following the program, was under the direction of the president, Mrs. Lura Rundell. Club yearbooks were discussed, as was the program for the coming year.

One new member became a part of the organization-- Mrs. Jim Terrell.

Names for secret pals were drawn during the evening.

Attending the session were Mesdames Hattie Coffey, B. N. Graham, W. H. Graham Sr., Jack Williams, Willie Williams, Johnie Williams, Clytie Dial, Juanita Garrett, Shelby Jobs, J. D. Atwell,

STUDY CLUB GIVES WINDOW DRAPERIES

The new Farwell home economics building, which is in use for the first time this month, has been selected as the meeting place for members of Farwell Study Club.

The group has presented draperies to be used on the large picture window, in appreciation for having the building available for meetings, the reporter says.

Girls State Reviewed at Club Meeting

Mrs. Ruby Doran, president, was in charge of the business meeting of Texico Woman's Club Monday night at the club building, with the other officers assisting. Allene Teel, secretary, conducted roll call and read the minutes and treasurer's report was given by Crystal Moss.

In reports, members learned that a refrigerator had been purchased for the club kitchen. Also, the group voted to donate \$25 to the high school band to help defray expenses to the state fair at Albuquerque.

Mrs. Mary Peyton, program chairman, introduced Anita Moss, Texico student, who gave an informative talk on her trip to Girls State during the summer. She was sponsored by the Texico Woman's Club.

Mrs. Doran then introduced Mrs. Aweda Davidson, state chairman of Girls State, who spoke briefly on her duties as counselor. Mrs. Milton Davidson, chairman of National Security Committee of the American Legion Auxiliary, also presented a short talk on Girls State.

Refreshments of floating punch, cookies, nuts and mints were served by the hostesses, Mary Peyton, Geneva Henson, Ruby Adams and Geneve Hesser.

The lace covered table was centered with an arrangement of cut flowers and accented by crystal appointments and candles. Mrs. Hesser presided at the serving table.

Guests for the evening included Mrs. Olena Wilkinson, Mrs. Aweda Davidson, Mrs. Milton Davidson, Miss Janet Pollock and Miss Moss.

Members present were Mesdames Ellen Daniel, Mae Means, Mary Peyton, Ruby Adams, Charleyrene Danforth, Ruby Stone, Elva Jones, Allene Teel, Gladys Johnson, Viola Mitchell, Grace Sanders, Geneva Hesser, Frank Doshier, Gloria Miller, Avis Patterson, Crystal Moss, Ruby Doran, Geneva Henson and Irene Baker.

Mr. and Mrs. Ray Tharp and Mrs. Anita Zachrel and baby spent Sunday as guests of Mrs. Tharp's sister, Mrs. Jack Hatley of Clovis.

MISS SPROWLS HAS SEVENTEENTH BIRTHDAY

Miss Patsy Sprowls, daughter of Mr. and Mrs. Mem Sprowls, was honored recently with a dinner in observance of her 17th birthday with her classmates as special guests.

Birthday cake and ice cream were served following the meal at the Sprowls home to Jo Ann Schell, Faye and Joyce Routon, Alice Ramm, Belva Christian and the honoree.

Ramage Home Scene of Shower

Mrs. Bill Martin, the former Yaunda Dale, was honoree at a bridal shower in the home of Mrs. H. D. Ramage recently. Hostesses were Mesdames M. L. Jackson, Naomi Jackson, Jack Coler, H. D. Ramage, Bud White, Earl Routon, Oscar Hubbell, Watt Underdown and Rudolph Morau.

The honoree's chosen colors, bronze and white, were used in the decorations. Bronze pom pom mums were arranged in a bronze vase to form the centerpiece for the lace covered serving table. Napkins were white and inscribed with the names of the couple in bronze. Cake, punch, mints and assorted nuts were served.

About 35 well-wishers were present, and many gifts were received. The hostesses presented the honoree with a steam iron.

Mrs. Martin was given a corsage of bronze mums; and the mothers of the couple received corsages also.

IN DOSHER HOME

Guests in the home of Mr. and Mrs. Frank Doshier this week have included her parents, Mr. and Mrs. W. H. Young of Hot Springs, Ark., and her sister and husband, Mr. and Mrs. Jack Harris, of Costa Mesa, Calif. They were en route to the Harris home where the Youngs will visit, then will return by Texico to visit with the Doshers.

Also present in the Doshier home were Mr. and Mrs. Sam Blackwell of Muleshoe.

ANNOUNCE SON'S BIRTH

Mr. and Mrs. R. A. Cassidy are the parents of a son, Cary Lynn, born at the hospital in Friona, and weighing 8 lbs. and 1 oz. The Cassidys have one other son, who is 20 months old.

Grandparents are Mr. and Mrs. Muggs Magness of Cortez, Colo., and Mr. and Mrs. C. A. Cassidy.

Dick Lockhart, who has been working in Albuquerque this summer, visited his parents, Mr. and Mrs. John Lockhart, over the weekend.

Former Resident's Wedding Announced

A former local resident, Miss Doris Jean Pond, became the bride of Donald Seigler of McAdoe Sunday, September 7, at 3 o'clock in the afternoon at Mayfield Baptist Church.

The bride is the daughter of Rev. and Mrs. T. L. Pond. He is former pastor of West Camp Baptist Church. Miss Pond is a graduate of Farwell Schools.

The bridegroom is the son of Mr. and Mrs. J. W. Seigler of McAdoe.

Rev. Pond read the double ring service before an altar decorated with pink and white roses, greenery and candelabra with silver lighted tapers.

Traditional wedding music was played by Earl Miller, music teacher at Wayland College in Plainview, who also accompanied vocalists for the ceremony. Miss Geraldine Roe of Tell, sang "Where Thou Goest I'll Go" and "Because." Miss Patsy Patterson, Wayland student from Oregon, sang "The Lord's Prayer" as the couple knelt at the altar.

Walter Pond of Midland gave his sister in marriage. For her wedding, Miss Pond chose a gown of Chantilly lace and taffeta, fashioned with a sweetheart neckline which was outlined in seed pearls. The fitted bodice terminated in rounded scallops over a bouffant skirt.

Her fingertip veil of illusion fell from a crown of seed pearls over nylon sheer. She carried a cascade arrangement of roses and carnations atop a white Bible. Traditionally, Miss Pond wore "something new,"

a necklace of natural pearl encased in a sterling heart-shaped medallion given to her by the bridegroom. Her Bible was one which had been used in the wedding of her sister-in-law; and she chose the traditional blue garter.

Attendants included Miss Janice Shepard of Lubbock, maid of honor; Misses Nell Smith and Elwande Berry of Mayfield, bridesmaids; Miss Gwen Stewart of Midland, cousin of the bride, ringbearer; and Dale Seigler of McAdoe, brother of the bridegroom, ringbearer.

The young ladies wore identical pink taffeta dresses designed with rounded necklines and high bodices, joined to

SOUTHERN UNION GAS COMPANY

full flared skirts. Their head-dresses were bandeaus of flowers and each carried a cascade arrangement of pink and white roses.

Serving his son as best man was J. W. Seigler of McAdoo. Groomsmen and ushers were James Seigler of Crosbyton, cousin of the bridegroom, and Jacky Newton of Plainview.

Misses Mikala and Sherri Austin of Farwell, friends of the bride, were candle-lighters. They were attired in ensembles of white cotton embroidery, accented by pink rose wristlets.

A reception in the church dining room followed the wedding. Mrs. Walter Pond, sister-in-law of the bride, presided at the serving table.

A lace cloth over pink accented the serving table, which was centered with an arrangement of pink and white glad-toli, and emphasized by the

attendants' bouquets and crystal and silver appointments.

The three-tiered wedding cake was baked and decorated by the bridegroom's mother. Punch was served from a crystal bowl by Miss Audie Light of Mayfield.

Ladies of the Mayfield WMU assisted with hospitalities and Miss Jo Ann Granger of Mayfield registered the guests.

For her wedding trip, the bride traveled in a two-piece dress of navy blue pure silk. Her accessories were red and she wore a white carnation corsage.

The young couple will make their home in Plainview where she is a sophomore student at Wayland and he is employed with the Texas Department of Agriculture.

The rehearsal dinner was held Saturday night in the Pond home, with the bridegroom and his parents as hosts and hostesses. All members of the wedding party were present.

TO BROWNFIELD

Mrs. W. W. Johnson spent the weekend in Brownfield at the home of her son and family, the Holland Johnsons. The family returned her to her home Monday and spent the day with Mrs. Johnson and the Clay Hensons.

WSCS Meeting Set for Sept. 24

Mrs. W. H. Graham will be hostess for the next meeting of the WSCS of the Methodist Church at her home September 24.

In a session Wednesday of last week at the church, Mrs. Elmer Teel, new president, presided and also gave the devotional. Rev. W. H. Hardwick, pastor, presented a short commendation in appreciation of the women's work.

In the business session, it was decided that Rev. Hardwick will conduct a Bible study in January for the group. Plans were made for the annual bazaar in November and other money-making ideas were discussed.

Twelve women were present.

DALLAS GUEST VISITS WITH MITZ WALLINGS

Arena Gunn of Dallas arrived Saturday to visit in the home of her niece and family, Mr. and Mrs. Mitz Walling. She returned to her home Monday.

Sunday, the Wallings and their guest were in Forrest to spend the day with Mr. and Mrs. Jack Gunn and family.

Women Attend Press Meeting

Mrs. W. H. Graham Jr. and Mrs. W. H. Graham Sr. were in Amarillo Saturday to attend the meeting of Texas Woman's Press Association, district 6, held at the YWCA.

Mrs. Graham Jr. presided at the registration desk and served on the nomination committee for new officers.

Program highlights were discussions by panelists: Pollyanna Hughes, free lance writer of Canyon; Mary Kate Tripp, regional editor of Amarillo News; Bill Cox, news director of Radio Station KAMQ; and Al Dewlem, Amarillo free lance writer and teacher.

Wes Izzard, editor of the Amarillo Daily News, was the luncheon speaker.

Kathlene Tipton Has Party on Birthday

Observing her tenth birthday recently with a party in the home of her parents was Kathlene Tipton, daughter of Mr. and Mrs. M. E. Tipton of Farwell.

Refreshments were served to Linda Carthel, Julie Routon, David Meeks, Tim Crume, Martha Coffey, Robbie and Lana Gay Mahaney, Linda and Ronnie Langston, Linda Hukill, and Pamela Tipton, sister of the honoree, by Mrs. Tipton and Miss Fern Tipton, aunt of the honoree.

CELEBRATE BIRTHDAY

A joint birthday celebration for Don Jones and his aunt, Edna Van Dyke of Blossom, was held in the home of Mr. and Mrs. Dean Jones Tuesday evening. A barbecued chicken menu was served by the hostess to the honor guests and Mr. and Mrs. Curtis Jones.

Mrs. John Aldridge returned last week from Red River where she had spent the summer months.

VISIT IN LUBBOCK

Mr. and Mrs. L. R. Vincent were in Lubbock Sunday to visit with his niece and family, Mr. and Mrs. Ray Sheehan of Dallas. The family enrolled their son in Texas Tech while there. The two families had breakfast together before the Vincents returned home.

Mr. and Mrs. Homer Dykes returned Monday from Boise, Idaho, where they visited with Mr. and Mrs. Willard Dykes and son.

Mrs. Edna Paul from Carthage, Mo., visited with Mrs. Russell Johnson Monday.

Mr. and Mrs. Ival Hesser left for Carlsbad Tuesday afternoon and are planning to spend several days visiting with their daughter and her family, the Jerry Johnsons.

GUEST NIGHT SET FOR ESA MEMBERS

Members of ESA will entertain invited guests Monday evening at the new home economics building in Farwell, beginning at 8 o'clock.

The meeting is the annual guest night of the group, and each member is to bring a friend. Mrs. Joe Helton is hostess for the meeting.

PC POLIO CHAPTER HAS REGULAR MEET

Four members and two guests were present at a regular meeting of Parmer County Polio Chapter Tuesday night at Bovina Restaurant.

Oliver Keown Jr., state representative for this district, met with the group.

Bills owed by the chapter were voted to be paid.

Members attending were Mr. and Mrs. Raymond Euler, Mrs. Joe Jesko and Hugh Moseley. Mrs. Ben Koelzer and Keown were visitors.

Next meeting of the chapter will be November 18 at Bovina Restaurant.

THAD PHILLIPS DOING GOOD

After spending four weeks as a patient in Clovis Memorial Hospital, Thad, small son of Mr. and Mrs. Glenn Phillips, has been released to his home and is "doing good," according to friends. He was severely burned several weeks ago when he accidentally fell into a tub of hot water.

IS RECUPERATING

W. H. "Pop" Spurlin, who entered Clovis Memorial Hospital Friday night as a medical patient, was released Tuesday night, and is confined to his bed at home.

IN HOSPITAL

Sam Justice Sr. has been admitted to the hospital in Clovis as a medical patient. The attending physician expected him to be home by today (Thursday).

Texico Softball Schedule Given

The schedule of games for the remainder of the season for softball teams at Texico has been released.

Sept. 19--House there, 1:30 cst, sr. girls and boys

Sept. 25--Melrose there, 4 cst, jr.-sr. girls.

Sept. 30--House here, 3 cst, juniors.

Oct. 3--Grady and Texico (Bell Park, Clovis), 7:30 cst

Oct. 10-11--Grady junior tournament.

Oct. 10--House and Texico (Bell Park, Clovis) 7:30 cst.

Oct. 17-18--senior tournament at Grady.

Bovina Man Fined for Drunkenness

Last weekend was a quiet one for Parmer County sheriff's department. No arrests were made.

Monday, Paul Cokenour was picked up in Bovina and charged with drunkenness. He was fined \$5 and costs in Justice of the Peace J. R. Thornton's court Tuesday.

IN HOSPITAL

Mrs. Ruby Dixon was admitted to the Parmer County Community Hospital Friday, in Friona. Friends who visited her over the weekend report that her condition is satisfactory.

jottin's
from jeanne

Mrs. Susie Jesko says that one can't fully realize how much friends mean to you, until you lose someone dear. Everyone was so kind to the family during their recent loss. We've heard others make the same remark about the neighborliness of our communities during bereavement.

While talking to Mrs. Jesko this week, we learned that she now has the problem of returning dishes to all those who were so kind to bring food, and some of the containers have no name. So, if you have a dish at the Jesko home, give Mrs. Jesko a ring. She wants to return your dish, and to thank you for your kindness to her and to her family.

We would like to announce, proudly, a change in policy at The Tribune. For eight long years, since we first became a part of the operation here, we have worked with all the brides on their wedding stories, couples who have had golden weddings and other special occasions.

Since The Tribune has always had to have engravings made in Clovis, we had to charge for the pictures. There was absolutely no alternative since we couldn't afford from \$2 to \$5 for every picture run in the paper.

But we always hated to charge, because we were so pleased to have the pictures and the interest of our readers. But it happened week after week. And we must add, that most of you were so kind about the inconvenience and in eight years, complaints have been few.

But now, we can make our own cuts with the new offset process--and we are passing the saving on to you, some of our favorite people.

We hope you appreciate the convenience as much as we, the society editor, are going to enjoy it.

Just bring the pictures in, folks, the only limitation we have now is space. If they get too numerous, we might have to hold them a week, but we'll do our best.

We had a nice visit with Jim Bob Smart this week and were sorry to learn that young Jimmy Craven, husband of the former Betty Smart, had a serious injury while hunting jackrabbits some time ago. Jimmy fell from the fender of the car and was run over by the vehicle. He has an arm in a cast and has had a painful recuperation, we understand.

That was just one of the incidents pointing to our inefficiencies. Then we heard Papa muttering under his breath in the bathroom last week.

"What's the matter?" we inquired. "This is the worst shampoo I've ever tried to use," he yelled. "You're going to have to buy me some decent shampoo. I can't even get a bubble out of this and I've rubbed and rubbed."

Sure enough, we were out of shampoo and he was using the rinse that is to remove the soap from the hair.

But some weeks do go pretty smoothly.

Pick up small pieces of broken glass with damp, absorbent cotton. This is a safer and surer way than sweeping or dusting.

Guaranteed to Save More Milo Than Any Other Guard

NEW G & G

Milo Guards

with spring wire attachments

- Saves up to 5 or more bushels per acre; pays for itself quickly
- Harvests thin stands, broken stems, small heads in rowed or drilled fields
- Catches thrown-out heads; stops drop-through losses; protects heads from cutter bar
- Improves auger or reel action; lengthens sickle life
- Won't clog with weeds nor catch on ground
- New rocket point goes through grain faster
- Sturdy construction—7/16 steel rod and 11 gauge spring wire tines
- Can be installed easily in just 15 minutes; fit any combine
- Can also be used to harvest downed soybeans and other small grain

If not available from your local dealer, write direct to manufacturer.

Castro County Man Reports—
100 pounds of ammonia made 51-bushel wheat

Dan J. Heard, a successful Dimmitt, Tex., farmer, says: "I put down 100 pounds per acre of Phillips 66 Agricultural Ammonia pre-plant on my irrigated wheat and made 51 bushels per acre average on 108 acres. I'm sold on the dollars-and-cents value of applying Phillips 66 ammonia to my wheat land."

Other successful Southwestern farmers use Phillips 66 ammonia to give them higher grain yields... and more profitable grazing. The 82% nitrogen in Phillips 66 Agricultural Ammonia gives young wheat a fast start, supplies plenty of lush, protein-rich forage that puts on more beef at less cost per pound.

Many of these farmers plow down Phillips 66 ammonia in the fall on maize land. They know that the 82% nitrogen helps decompose crop residue, to provide extra plant food and make the soil more productive. Remember, Phillips 66 ammonia gives you more nitrogen per dollar than any other form of fertilizer—a full 82%.

exciting new colors...and so easy to use!

SUPER KEM-TONE

The DeLuxe Latex-Base Washable Wall Paint

Put exciting new colors on your walls and give your rooms a "lift" in beauty. It's easy with SUPER KEM-TONE, the wonderful new latex-base paint you hear so much about. It goes on smoothly with brush or ROLLER-KOATER...dries evenly to a velvet-rich, rubber-tough finish. A gallon is usually enough to paint the walls in the average room, and it's so fast you can have a "new room" in a day. And...after it has "cured" 3 or 4 weeks, it is completely washable!

Farwell Hardware

-THE HENSONS-

FALL — structure at the time Jackson fell was 100 feet. The addition will be 146 feet when it is completed. Jackson fell from a scaffold used by cement finishers. The scaffolds are attached to rims of tanks as they are constructed. The accident occurred as Jackson attempted to step from one scaffold to another. He had been working for Chalmers and Barton only a few months, and had worked with the company here and at Lariat. Funeral services were Wednesday in Clovis with Steed Funeral Home in charge.

SPEEDY — quarter ended. As it ended, the Steers had possession of the ball on their own 49. Farwell shook Huggins loose on a 31-yard jaunt to the 23 on the first play of the second stanza. Lovelace carried to the 16, but a penalty moved the Steers back to the 28 and another left them on the 33. Gerald Christian, who also did his share of fast ball totting, made 12 to the 21. Huggins went for 11 more to put the ball on the 10. Christian made five to the five-yard line and on the next play he went over the right side for the fourth touchdown of the evening. When the ex-

tra points try failed, the score remained 26-0. This time, the kickoff went into the end zone and the Mustangs put it into play on their own 20. After two plays gained two yards, Brandon passed long to Don Bandy, who was 60 yards down the field before he was hauled down from behind by Lovelace. The Mustangs shoved the ball on down to the 11-yard line before they lost it on downs. With the Steers' second unit in action, Bovina recovered a fumble on the 18. They still couldn't go and returned possession of the ball to the host team on downs on the 20. History repeated itself as the

Steers fumbled again and the Mustangs gave the ball back on downs on the 17-yard line. As the half ended, Lovelace passed incomplete to right end Morris Reed. Berry took the second half kickoff on his 30 and returned to the 43. From that point the Atwellmen set up a sustained drive that netted them another TD. Christian made seven, then five; Berry three, Huggins 16, Lovelace 14, Berry seven, Christian one, and Lovelace carried over from four yards out. Again the extra point attempt was a waste of time and the score was 32-0. With their offense still stymied, the Mustangs punted

out of bounds on their own 49. With a lineup of freshmen and sophomores, the Steers were forced to punt. Benji Dial's kick was blocked and Bovina got possession of the ball on the Steer 48. A Don Caldwell pass went incomplete for Bovina, but a penalty shoved the ball to the 43. Then Scatback Bandy took a reverse handoff and scampered the distance to the goal line to give Bovina its only score of the game. A Caldwell-to-Brandon pass was good for the extra points. Score: 32-8. For their final TD, the Steers marched 89 yards. Berry intercepted a Mustang

pass deep in his own territory and was downed on the 11. Berry then carried for six, Christian netted two in two carries, Tommy Williams romped for 25, Berry made 12 more, Huggins 13, Williams three, Dial seven in two carries, freshman Jerry Lovelace broke into the clear momentarily for 15, J. Lovelace five more, and Huggins went the remaining five yards for the counter. Johnny Lovelace place kicked the extra point and the scoring was over at 39-8. The Lovelace-to-Huffaker pass play was more effective than the scoring shows. In addition to the touchdown the combination made in the first quarter, it was good for touchdowns on two other occasions. However, penalties nullified them. A crowd, estimated at 800 people was on hand for the melee which was played in near-perfect weather. The game was a renewal of an age-old rivalry between the two schools. Farwell now has a winning streak of four straight.

Letter To The Editor

Sept. 16, 1958
State Line Tribune
Dear Sir:
If you will please enter this letter in your paper: TO THE PARENTS OF FARWELL AND VICINITY: Dear Parents: Do you know where your young people are at night? Do you know the kind of movies they are seeing or the literature they are reading? We, the women of Oklahoma Lane Woman's Society of Christian Service, feel that you as parents will be as interested as we are in keeping our community a clean and wholesome place for our youth and children. Let's be more concerned over the literature on our newsstand and the films shown in our local theatres. Your Friends, Oklahoma Lane Women's Society of Christian Service

and Lazbuddie had perfect 4-0 records when the two teams met mid-way through the season. The Steers were victors, 40-0. They will again this year be favored to win.

THE HIGH PLAINS FARM AND HOME

Sun Comes Out, Farmers Smile

The High Plains area, long famous for its brilliant sunshine, basked under the warmth of Old Sol Tuesday, bringing to an end, farmers were hoping, a wet and drizzly streak that had lasted for over a week.

There was really nothing wrong with the cool and wet weather, except that it suspiciously reminded farmers of what happened last fall when weather of just that type came in and overstayed its leave—by almost two months.

Probably upwards of one-half of the Parmer County area's prodigious grain sorghum crop is fully matured and awaiting only the arrival of favorable weather for harvesting.

Damp, cool days prevent the grain from drying out enough to cut even though it may be "ripe" and ready for the com-

bine's sickle. After last year's buffeting of the grain crop, farmers are expressing an understandable desire to get into their fields and get the harvest started.

Also, a certain amount of early, low-crop cotton could be gathered at this time. Farmers are usually more than willing to pay extra to get into their cotton fields to get this early opening cotton because of its superior quality. The higher price that it brings usually more than justifies the trouble and expense of a special effort to get it into the gin.

However, the main interest at the moment is to get the grain sorghum crop on its way to the elevators. Something like \$12 million is standing in the fields awaiting the combines in the Parmer County area.

ried on the past four years as a Farm Bureau program.

Cotton John will show "Tenderfoot in Europe," a brand new documentary film of his recent tour at the tenth annual Farm Bureau convention in the Hub Community Building Monday night, October 6. The public is invited, and the voting membership will receive invitations by letter.

There will be several legislative matters discussed and voted on, too, and the farmer who is interested in the future of REA, rural roads, and opportunity in agriculture in general should be on hand to voice his opinion.

Remember that it is the result of meetings like this that cotton acreages are not being drastically cut in 1959. Organized effort is a must if the farmer is to retain any freedom in the years coming up real soon. The government is more interested in controlling all industry so it can make promises for votes than it is in providing opportunity for you to use your initiative and ability to improve your lot without regard for promises that can't be kept.

Participation of the membership in local, district and state and national meetings is an absolute necessity if you are to have a voice in your future. Compensatory payments to farmers are going to be pushed much harder next year by their proponents than they were this session of congress. Unless you know what this kind of program would do to you, we urge you to do some real studying so that you will know.

Reading that we recommend for giving you an understanding of what is taking place behind the scenes in fields that concern every American are first, The Holy Bible, which is the word of God, and American Mercury, which is a patriotic publication that reveals documentary, behind-the-scenes events that will help you understand how unreasonable some things are that you may now wonder if they are unreasonable or not.

Consider this: "He that has no rule over his own spirit is like a city that is broken down, and without walls." Proverbs 25:28.

General Showers Jump Planting Of New Wheat

General showers--and in some cases downright good rains--have been falling over the Parmer County farming area during the past 10 days. They have greatly stimulated planting activity for the 1959 wheat crop.

A fairly good portion--perhaps as much as one half of the crop is already sown, and as soon as farmers can get into the fields following the showers, the remainder will go in fast.

Parmer County's wheat allotment is over 100,000 acres, although with the soil bank, insufficient moisture for dry-land farms, and other hazards, the harvested acreage has been running from 80,000 to 90,000 acres during recent years.

The past two years have been good ones for wheat farmers. Increased rainfall has supplemented irrigation to produce record yields. Area farmers are also farming their wheat more intensively and heavy fertilization of irrigated fields has

increased yields substantially.

Rainfall at this particular time is welcomed by wheat farmers. If they haven't sown their wheat, they can now get it started. If their wheat is already in, the showers will get it up and get it started, irregardless of whether the crop may be irrigated.

NEWS FROM THE FARM BUREAU

By RAYMOND EULER

Members of the Farm Bureau weed committee and others attended the monthly board meeting of the weed control district in Plainview last Friday. The purpose of the visit was to try to determine if the formulation of a control district in this area would help stimulate the voluntary program of bindweed eradication that has been car-

UP, UP go steel and concrete to swell Parmer County's ever increasing capacity to store grain--still the biggest crop grown here. This addition is to the Sherley-Anderson-Pitman elevator in Farwell. One sad note on this otherwise good news: a workman was killed in a fall from the construction site Sunday night.

Nelson Tells Problems, Hopes of Grain Men

The Parmer County Grain Sorghum Producers Association met last Monday night at the Hub Community House. Bill Nelson, executive vice-president of the GSPA, was the principal speaker. Nelson spoke of the changing picture in milo production. The increased use of driers, hybrids and fertilizers as well as the increase in disease and insects have created new problems and opportunities for grain sorghum, he said.

Nelson spoke of some of the accomplishments of the GSPA during 1958 and explained some of the work they hope to accomplish in 1959. Farmers will again be asked to deduct two pounds of grain per 1000 pounds produced to finance the work of the GSPA. This is a voluntary deduction and the proceeds will be used primarily for research and promotion of grain sorghum.

The USDA crops utilization laboratories will do research work this year for the first time on grain sorghum. This research unit has never tested grain sorghum before but it is hoped many new uses for milo can be found. With the present support program and absence of acreage controls the milo farmers have proven we have adequate production for industrial use of milo. The use of grain sorghum should be geared to the 563 million bushel production of 1957 rather than

cut back to the 53 million bushel production of 1939, believes the GSPA.

The support price for 1958 milo cannot be determined at this time. The official announcement will be made in

Good Crowd For Field Day

A full house was on hand Saturday afternoon at the "pig parlor field day" sponsored jointly by Cummings Farm Store of Friona and the Ralston Purina Co.

Hillis Newman of the New-way Manufacturing Co. of Fremont, Neb., was the speaker at the meeting which began at the club house in Friona. Bearing down on sanitation, Newman told farmers at the meeting that of the four practices which make a pig operation profitable sanitation is the most important.

"If you'll treat those sows right, then they in turn will treat you right," Newman told the group.

He went on in detail to outline his own operation in Nebraska and answered numerous questions concerning his methods and practices of raising profitable hogs.

Following the talk at the club house, farmers toured two local pig parlor operations at Dub Anthony's farm north of Friona and Walt Mabry's at the Hub.

After a short refreshment break and questions and answers the field day adjourned.

T. O. Lesly Heads F U at Lazbuddie

T. O. Lesly was elected president of the Lazbuddie Farmers Union Local Thursday night. Serving with him for the coming year will be Freeman Davis, vice-president; and James Welch, secretary-treasurer.

Main speaker for the meeting, which was held in the Lazbuddie School cafeteria, was Charles Dettler of Plainview, Farmers Union field representative.

Dettler, who has been an American exchange student, showed films of his experiences while studying overseas.

Welch reported on legislative activities that Farmers Union has been interested in and which will affect area farmers.

There were about 45 present for the meeting. The Lazbuddie FU local now has 102 members, according to Wyle Bullock, insurance representative.

Don Watson, David Smith and Eugene Houston gave a detailed report on the Farmers Union camp they attended in August. Gene Phillips showed colored slides that were taken at the camp.

This year the Texas Junior Farmers Union met at a joint camp with the Oklahoma Junior Farmers Union at Turner Falls, Okla. It is hoped that

next year the Texas Juniors will be able to have a camp of their own. Authorities are now looking for a camp site. Officers that were elected for the Junior Union include Don Watson, president; Carroll Redwine, vice-president; and David Smith, publicity. These officers will serve four months.

The purpose of a four-month term is to give more young people an opportunity to serve in positions of leadership.

Deeton was one of eight Farmers Exchange students. These students went to Europe and stayed for a year working on farms and living with farm families.

He lived with a family in Scotland and worked on their dairy farm. He had many experiences there and is bringing back much information about Scotland's farming and education system.

In February, exchange students will again be coming from different countries in Europe to the United States. These students will work on farms for approximately nine months.

The Lazbuddie group is hoping that it will be possible to get an exchange student to visit in their community during their stay in this country.

about our finance plan. PCICN

Parson Webster phoned the local board of health to ask that a dead mule be removed from in front of his house. The young clerk, who answered the telephone, thought he'd be smart. "I thought you ministers took care of the dead," he remarked. "We do," answered the parson, "but first we get in touch with their relatives."

You can see the extra capacity in the all new McCormick baler--new wide open design from windrow to bale--capacity you can see will enable you to get out of the hay field sooner. Ask them about the all-new McCormick baler.

Mrs. A. V. Campbell is keeping books at the Parmer County Pump Company office. She replaced Mrs. Sam Talley, who joined her husband, who is serving in Uncle Sam's army.

If you are going to have any use at all for a second hand truck this fall, you should see the ones on out lot. They are for sale and plenty cheap. Just make us an offer.

The newest collection at our house is snails--the kind that crawl up and out of a jar, shoe box, can, or paper sack. The boys had quite a few collected and our mother was very happy when John Bill decided his teacher would be interested in a box of snails.

Our parts department is the most complete on the Golden Spread. We have plenty of binder parts in stock. Better get yours early.

Tot Bewley of Lazbuddie was one of the lucky applicants for a moose license in Montana. He's off to Montana for several days to get a moose then he will come down from the mountains to Southern Montana where his wife will

join him and they will hunt deer.

McCormick corn units give you faster and cleaner picking. Check behind these pickers and see proof that they save you more corn. Broken cobs with clinging kernels are scarce--loose ears and shelled corn are hard to find. Ask about our convenient Income Purchase Plan.

Mrs. Katherine Biggers and boys left Friona Monday for Alexandria, La., where M/Sgt. Biggers is stationed with the U. S. Army. Katherine's oldest son, Gary, who is a seventh grader, was anxious to get to Louisiana to school because he was sure he would study Louisiana history. Gary is a dyed-in-the-wool Texan who has moved around quite a bit and thus learned a lot of U. S. history.

Parmer County Implement Company offers special savings on genuine IH tractor parts and accessories. Check the parts you need and come in today.

Albert Rolan was kept busy answering the telephone at his home Monday afternoon and evening of last week. Most callers were very surprised when Albert answered the telephone. They had heard that he had been killed in a car-pickup crash. Albert says he's sure glad the report was entirely false and also glad to learn that so many people were interested in his welfare.

Note To Bargain Hunters
When hunting for Bargains & Values
Look at Home First
No doubt you've heard of the treasure seeker who looked the world over to no avail, but returned home and learned that in his back yard there was an untouched vein of gold.
We'd like to compare that to automobile buying, because there are scores of people who over look value that is in their present car. Modern Ford automobiles have a surprising amount of transportation in them just like the models of past years. The secret to getting the transportation out of them is prompt attention to the mechanical parts that need occasional adjustment. That is one of our main services, making adjustments and repairs to your car's motor, driving mechanism, and body.
Of course, we have new Fords to sell, and you can rest assured that there is no finer value in a new car than a Ford. At the same time, we like to remind you that your present car plus workmanship with care can preserve the "carrying power" of your car longer.

THE PARMER FARMER

by W. H. Graham Jr.

it another whirl next year. We also understand that the Bovina growers as a whole believe there are definite possibilities for their new-found ability to grow vegetables. This a tribute to their ambition and perseverance in the face of such disillusioning circumstances.

Harry Harvey, Purina field man, was in Parmer County last week, helping beat the drums for feeding livestock and hogs.

Of course, Harry has a special interest in his efforts, since the more animals that farmers feed out, the better his business will become. However, Harry displays a touch of enthusiasm and confidence in his work that is above and beyond the call of duty.

His conviction that feeding in the Southwest is "the coming thing" is uncommonly sincere.

We've been through the arguments for cattle and hog feeding on the High Plains before, but with good cattle prices (for the moment at least) it wouldn't hurt to do a little re-hashing.

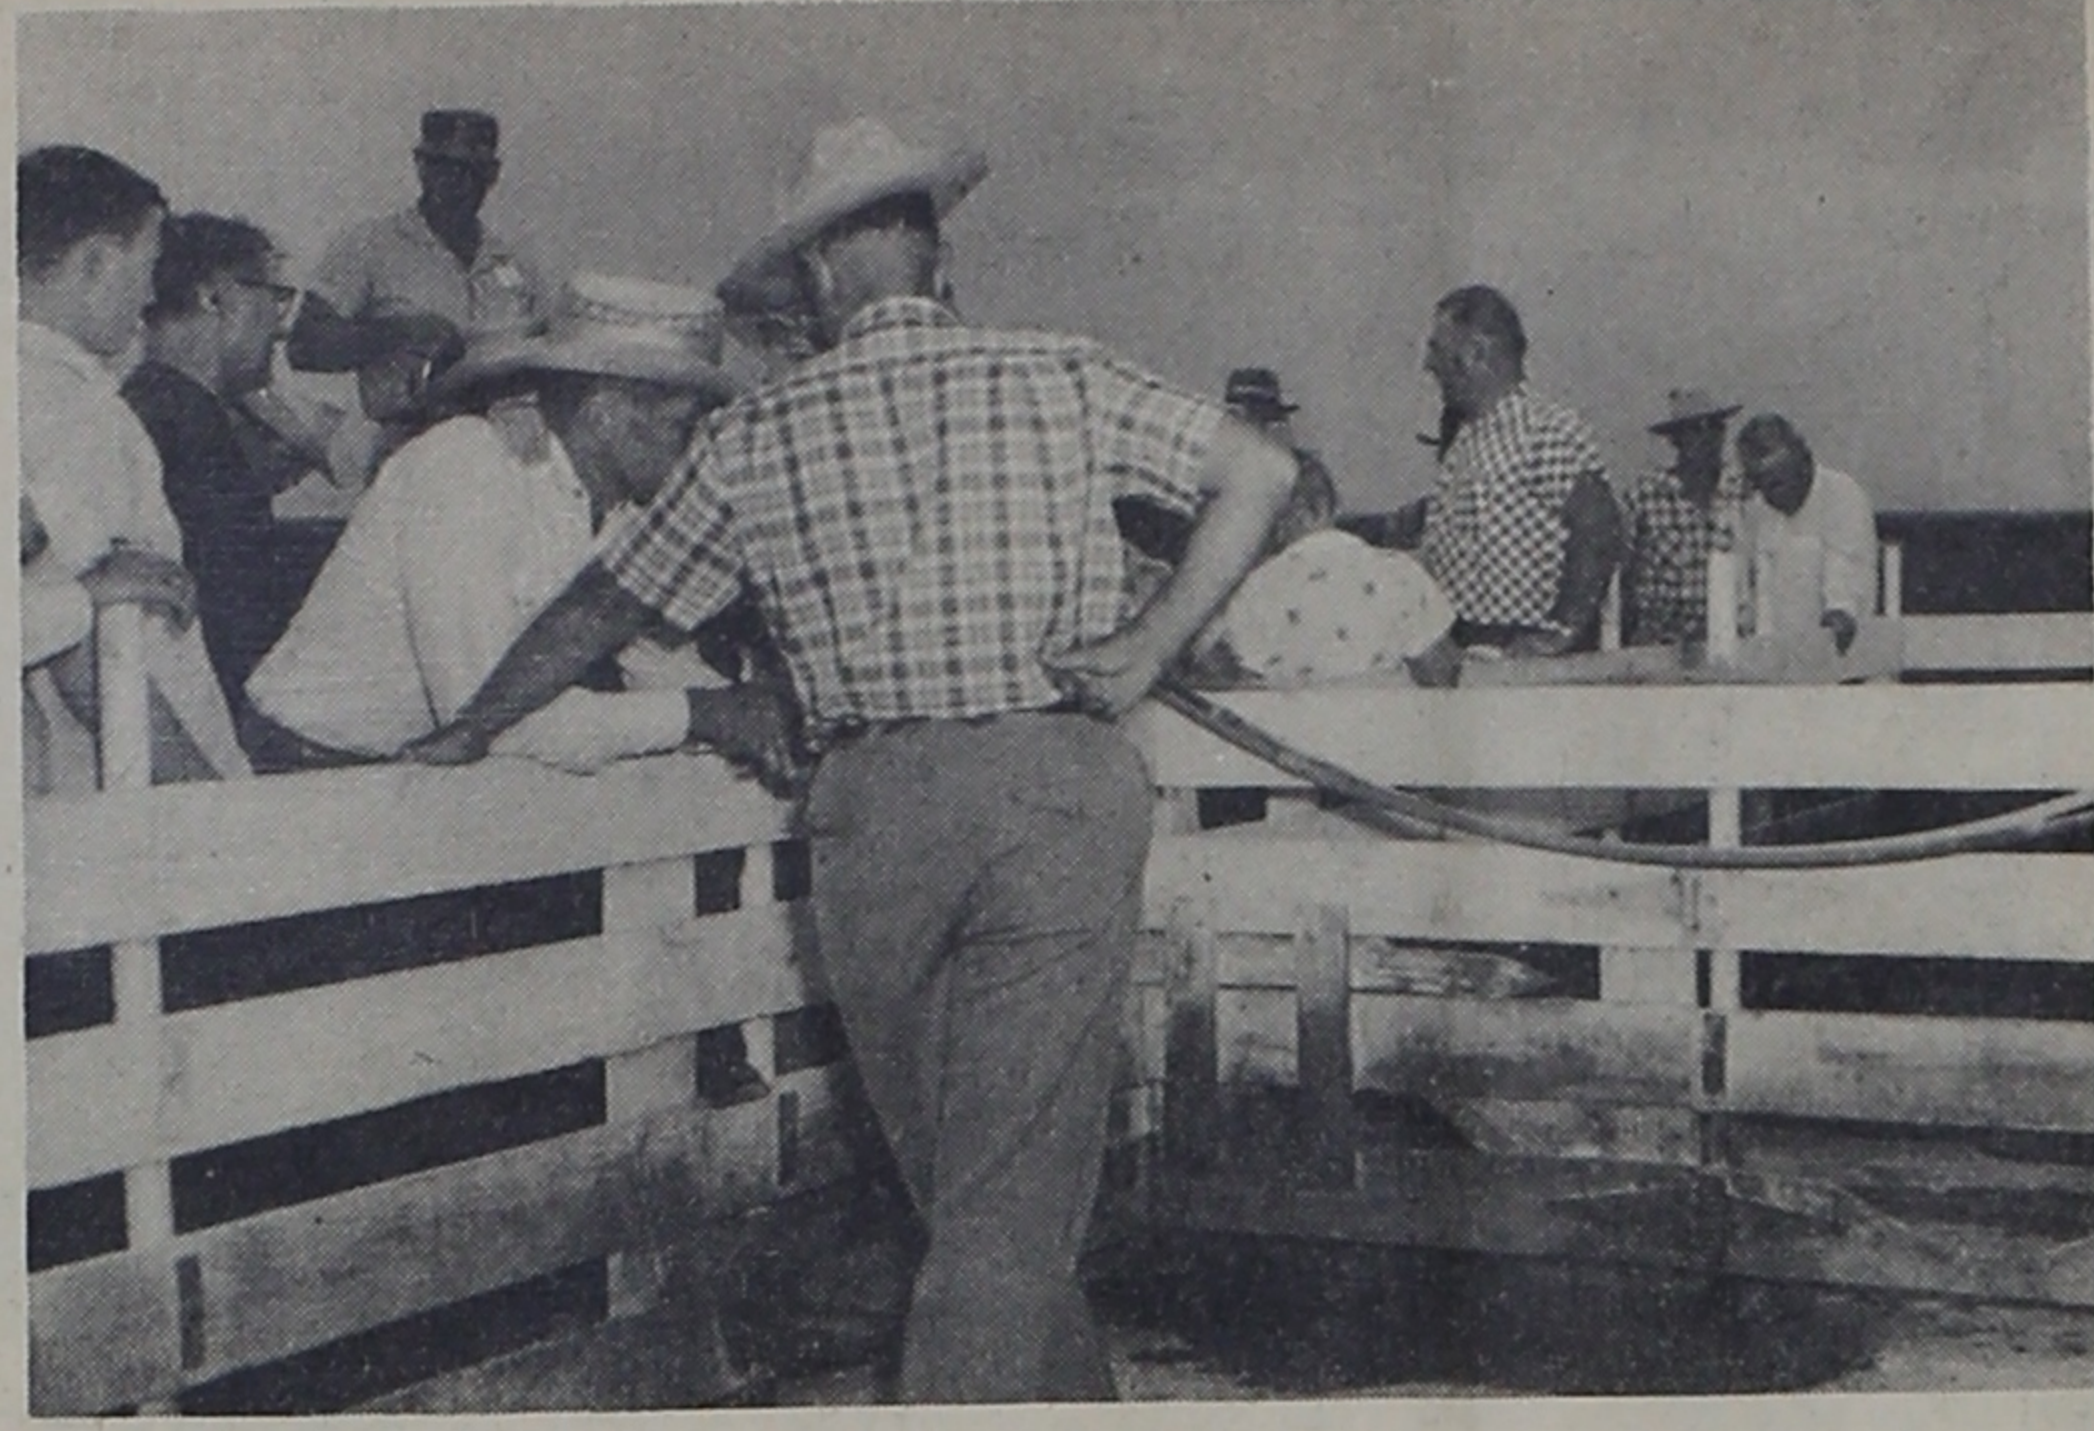

In the first place, the Southwest in general and the High Plains of the Southwest in particular has almost every natural asset to encourage this type farming that can be found in the Midwest—long the feeding center of the nation.

Farmers and ranchers of the High Plains now find themselves in the center of the most productive feed grain area on earth—and nearly all of this vital commodity is being exported elsewhere. What do you think happens to the milo once it leaves here? It's fed, of course.

So, High Plains farmer-stockmen find themselves with an important basic ingredient all around them in plenteous supply—something that will assure economical prices for feedstuffs.

Then, Plainsmen have an important natural climatic advantage, as compared with the Midwest feeder. Our winters are relatively mild and open. Stock do not need near the protection and attention on the Plains in the winter that is required in the Midwest.

Thirdly, the High Plains area is favorably located with respect to two very important population centers: The Gulf Coast and the West Coast. The California market is, ad-

PIG PARLOR PEEK--A good crowd attended a tour of area pig parlor and feeding installations last week. The tour was sponsored by Cummings Farm Store and Purina.

mittedly, a good ways off, but we can cut the mileage in half compared with Midwest feeders. The populous Gulf, enjoying a long and continuing boom, is at our doorstep.

Fourth, we have excellent, yes, unexcelled, transportation systems that can send our beef, pork and poultry to market by truck or rail in little time.

Lastly, our country is still "new" and anything developed from scratch always has a chance to be better and more efficient than anything ever tried before. We have the room, and we have the cattle "know-how" of long standing.

Harry says the feeding revolution on the High Plains has been a long time in coming, but he figures it's the next and most logical step in our development of a diversified and dynamic agricultural economy.

Surely his convictions have some merit.

Ask thy purse what thou shouldst spend.

SOIL CONSERVATION DISTRICT NEWS

OUR SOIL ★ OUR STRENGTH

Since wheat planting time is here the technicians of the Soil Conservation Service are busy assisting farmers in laying out row directions to improve the application of irrigation water. Also, some farmers are filling low areas that pond irrigation water.

Dirt work to fill these areas is being done on several farms in the district. D. G. Hand asked for assistance to fill a low spot on his farm. Also, J. R. Ray, who farms the McFarland land, is doing some dirt work on a low area. The district's equipment is now working on the M. A. Black farm north of Frona.

If you have problems on how to irrigate your wheat, contact the SCS technicians in Frona and let them assist you in improving your water application.

If you are planning to plant vetch or winter peas, it should be done by October 15 and not later than October 31. Seeding rates for vetch are 8 to 10 pounds in rows or 15 to 20 pounds drilled, or if drilled with rye the rate should be 8 to 10 pounds of vetch with 15 to 25 pounds of rye. Seeding rate for winter peas should be 15 to 30 pounds.

Thirteen years of experimental work at Manhattan, Kans., indicate that dwarf grain sorghums are producing 11.8 bushels (26 percent) more in 20-inch rows than in 40-inch rows. Moisture evaporation losses are reduced due to shading, less wind movement and reduced temperatures.

Temperatures were consistently twenty degrees less in the 20-inch spacings than the 40-inch spacings when air temperature was above 100 degrees F. At the time of full head, the regular row-spacing gave 65 percent shade at noon. The narrow spacing gave 95 percent ground shade. ---What's New in Crops and Soils--June-July, 1958.

The Soil Conservation District objective: Use all land within its capabilities. Treat all land in keeping with its needs for protection and improvement. Every farmer or rancher a "conservationist."

en's street dresses and girls' school or sports dresses take a big share of the clothing dollars in most family budgets. Extension clothing specialists say these three items deserve special attention when you shop, because the many new fabrics, finishes, colors and styles make the job of selection pretty confusing.

Price is not necessarily a guide to quality. Specialists say it pays to look for a label that gives information on fiber content, care needed, color fastness, and shrinkage. A sales person whom you know well can give you much helpful information that will assure greater satisfaction and longer wear.

Buying guides and pointers on judging fabrics and finishes selecting suitable styles, sizes and colors, and information on labels have been prepared by extension clothing specialists.

Three new leaflets--"Buying Sport Shirts," "Buying a Street Dress," and "Buying a Girl's School Dress," are available. Call or write my office for copies.

Any farm and ranch employer who pays \$150 or more to a laborer or who hires a farm hand 20 days or more during a year must pay social security taxes on the wages involved, says Cliff Bates, extension farm management specialist.

THE HAPPY HOMEMAKER

BY JUNE FLOYD

At the present time there is a plentiful supply of carrots, onions, and cucumbers available at little or no cost. The following recipes should help any homemaker who needs some variety to her pickle supply.

Pickled Carrots
4 pounds small carrots
1 teaspoon salt
2 quarts water
1 1/2 cups vinegar
1 1/2 cups sugar
1/2 teaspoon whole cloves
1 medium lemon, thinly sliced

Wash and scrape carrots. Place in large kettle with salt and 2 quarts water. Cover and cook until tender. Drain, cut in even lengths and pack tightly in hot, sterilized jars.

Combine remaining ingredients, boil five minutes. Pour over carrots to within 1/8 inch to tops of jars; seal. Yields four pints.

Pickled Onions
4 cups tiny onions
1 sweet red pepper
1/2 cup pickling salt
4 cups boiling water
2 cups white vinegar
1/4 cup sugar
1 1/2 teaspoons white mustard seed,
1/8 teaspoon white peppercorns

Wash and peel onions. Wash, seed, and cut pepper in 1/4 inch strips. Combine onions and pepper in 4 quart glass or enamel bowl. Add salt to boiling water, stirring until salt is dissolved. Pour over onions and pepper. Cover. Let stand 24 hours.

Drain, cover with 1 cup cold water. Let stand 1 hour. Combine remaining ingredients in saucepan and boil one minute. Thoroughly drain onions and pepper; pack into hot, sterilized jars. Cover with boiling sirup to top of jars; seal. Yields 2 pints.

Dilled Pickled Beans
1 pound green beans
6 cups boiling water
3 1/2 teaspoons pickling salt
1 cup white vinegar
1 cup liquid from beans
Dill and garlic clove

Wash, string and drain beans. Place in large kettle with boiling water and 1 1/2 teaspoons pickling salt. Boil 20 minutes. Drain, saving 1 cup liquid.

Combine vinegar, bean liquid, and 2 teaspoons pickling salt in kettle. Bring to boil. Pack beans, bunch of dill, and garlic in hot, sterilized jars. Fill to top with hot vinegar mixture, seal. Yields 2 pints.

Most homemakers we know enjoy using contoured sheets but have difficulty folding them neatly for storing on shelves or in drawers.

This paragraph was copied from "Cotton in News and Pictures" which is published by the National Cotton Council at Memphis, Tenn.

Here's an easy way to fold contour sheets; Reverse the contoured fold along one side and tuck it underneath the opposite contoured edge, envelope style.

This decorating hint was also lifted from the same leaflet. "If you're redecorating a boy's room, choose sturdy blue jean denim bedspreads and matching café curtains. You'll find the bedroom sets natty trimmed in white and the spreads will take the same rough wear that has made cotton denim famous as a blue jean fabric."

Pound cakes are simple to make and have no leavening agent. To make this type cake, all you do is cream 1 pound butter well; add 2 1/4 cups sugar. Then add nine eggs, three at a time and blend after each addition. Then add 3 cups cake flour and 1 tablespoon vanilla. Bake in tube pan or in layers, if desired.

Have you realized it's fair time? I am just realizing it as I look at my schedule this week. I help judge Thursday at Clovis, Friday at Dimmitt and Saturday at the Tri-State Fair at Amarillo. It will be quite interesting.

Along the fair line too, is the Frona Maize Days celebration. The 4-H Council had a committee meeting in the Farm Bureau office Saturday, September 13, at 9:30 to plan the 4-H exhibit. Those present were Judy Billingsley and David Watkins of Farwell; Pat Chitwood, Dick Chitwood, of Lazbuddie, and Edwin Taylor of Frona. The adult leaders present were Mrs. Dee Chitwood of Lazbuddie and Gilbert Watkins of Farwell.

BIG CHANGE COMING FOR COTTON FARMERS

By W. H. GRAHAM JR.

The biggest change in the government's farm program since allotments were put in in 1953 (that affects cotton) will be felt in the Parmer County area next year, and the changes are sure to give rise to consternation, hope, confusion, elation, and perhaps some other emotions before farmers get all the angles figured out.

The much-talked "option" for cotton farmers has become a reality, and for next year they will be offered an individual choice between keeping the program they have been under for the past five years, or selecting an alternate plan that would enable them to plant 40 percent more cotton than their allotment, but would not assure them of a high price.

Lots of possibilities are wrapped up in a new plan like this one, especially for a county like Parmer. This county might well be the leading county in cotton production in Texas if it had not been for the necessity of government controls which pruned acreage from over 100,000 to around 40,000 overnight.

Probably there is no area in the nation so full of farmers who would grow cotton if they only could. Continued low maize prices and the general instability of most other "optional" crops, plus the fact that Parmer County area growers can produce more cotton per acre than any other county on the Plains, helps explain the desire for an increase in cotton acreage.

Observers have speculated that if all controls were done away with that the cotton acreage would leap to from 200,000 to 250,000 acres in Parmer County in one year. (That guess is made on the basis of an assured price—admittedly conditions that exist only

Comparative Estimated Gross Incomes, Plan A vs Plan B
Assumptions for 1959

(This is only a guide. Each producer must substitute his own acres, yields, etc. to fit his individual case.)

1. Parity 40.00c
2. Price support A equals 80% of parity (minimum)
3. Price support B equals 65% of parity (minimum)
4. CCC Release Price (110% of B Support) -- 71.5% of parity
5. Acreage increase, B equals 40% (maximum)
6. Present allotment 100 acres cotton
7. Yield 1 bale per acre
8. Quality Middling 1 inch
9. National allotment 16,000,000 acres (minimum)
10. Equivalent to 9.0% cut for both A & B choice
11. Grain sorghum yield 2500 pounds per acre @ \$40

Choice "A"		Choice "B"	
1958 allotment	100.0 acres	1958 allotment	100.0 acres
9% cut	- 9.0 acres	9% cut	- 9.0 acres
1959 allotment	91.0 acres	1959 allotment	91.0 acres
No increase	0.0 acres	Increase (91 x 40%)	+ 36.4 acres
1959 allowable	91.0 acres	1959 allowable	127.4 acres
Production @ 1 bale/acre	91.0 bales	Production @ 1 bale/acre	127.4 bales
Govt purchase, M 7/8", 80% x 40c	32.00c	Loan support, M 7/8", 65% x 40c	26.00c
For M 1" add	+ 3.85c	For M 1" add	+ 3.85c
Price per pound, M 1"	35.85c	Price per pound, M 1"	29.85c
500 lbs x 35.85c (per bale)	\$179.25	500 lbs x 29.85c (per bale)	\$149.25
91.0 bales x \$179.25	\$16,311.75	127.4 bales x \$149.25	\$19,014.45
Income on cotton based on government purchase program.		Income on cotton based on government loan program.	
-----		-----	
Potential in Market		Potential in Market	
CCC release price much lower than purchase price, so "A" cotton will go to the government at 80% parity as noted above.		CCC release price M 7/8", 71.5% x 40c 28.60c For M 1" + 3.85c Price per pound, M 1" 32.45c	
		500 lbs x 32.45c (per bale) \$162.25	
		127.4 bales x \$162.25 \$20,670.65	
		Income on cotton based on CCC release price	

Comparative Incomes		Comparative Incomes	
Gross income cotton (91.0 acres)	\$16,311.75	Gross income cotton (127.4 acres) (Loan Value)	\$19,014.45
Gross income grain (36.4 acres)	\$1,456.00	Gross income grain (0 acres)	0.00
Total Gross (127.4 acres)	\$17,767.75	Gross Income (127.4 acres)	\$19,014.45
or		or	
No Alternative		Gross income (CCC release) (127.4 acres)	\$20,670.65
		Gross income grain (0 acres)	0.00
		Gross income (127.4 acres)	\$20,670.65

In 1960 purchase price will be not less than 75% parity
Light spotted cotton will have a separate loan than full spot in both choices. The choice plan ends at the close of the 1960 crop year.

SOMETHING WORTH FIGURING ON--This chart, prepared by Plains Cotton Growers, shows how the alternatives offered in next year's cotton program might affect an area grower. Notice that the average yield has been rounded off to a bale an acre. Also, in the case of Parmer County, the average allotments are around 40 acres—not 100. These differences will have important effects on how Parmer County area farmers figure their chances.

in fantasy.)
With these things as a background, one can readily un-

derstand why next year's change in the farm program for cotton farmers will be especially significant to growers of this area.

This change is a result of the Agricultural Act of 1958, and Secretary of Agriculture

Benson is authorized to increase upland allotments by 40 percent for farmers who choose the alternate or "choice B" program for the coming year. The 40 percent determination was made last week.

Marketing quotas have yet to be approved, and if they are not, the changes could be nullified. However, the nation's growers have never turned down the annual referendum yet, and the vote this year is expected to be a

mere formality with such an important change coming up. So, when farmers renew their approval of marketing quotas, each will have the following choice in 1959:
A--He may grow his crop in compliance with his regular cotton allotment, in which case he will be eligible for the full level of price support for the crop (not less than 80 percent of parity for 1959), or:
B--He may increase his acreage by not more than 40 percent over his regular allotment and be eligible for support at a level which is 15 percent of parity less than Choice A.

For 1960, farmers will have a similar choice but the increase for Choice B farms has not been determined. If any person operates more than one farm, he must elect the same choice for all his farms; he may not elect Choice A for one farm and Choice B for another.

For the 1959 crop, each farm operator will be informed to the Choice A and Choice B farm allotments applicable to his farm. After 1960, farmers will receive their regular cotton acreage allotments, and price support will be available at levels determined by the secretary within specified limits (from 70 to 90 per cent of parity for 1961, and from 65 to 90 per cent of parity thereafter).

Cotton from farms where Choice A has been elected will be eligible for price support through a Commodity Credit Corporation purchase program only. Price support for cotton from farms for which Choice B has been elected shall be made available through loans, purchases, or other operations. The new legislation also includes other provisions affecting upland cotton as follows:

(1) Beginning with the 1959 crop, the minimum national acreage allotment for upland cotton is fixed at 16 million acres. This is approximately one million acres less than the allotment for the 1958 crop.

(2) An additional allocation of 310,000 acres over the national acreage allotment is provided for apportionment to states on the basis of their needs to take care of minimum farm allotments.

(3) The minimum farm allotment for upland cotton is permanently established at the smaller of (a) the farm's 1958 acreage allotment or (b) 10 acres.

The bill provides that the support for the "A" farmer will be through a purchase program to the Commodity Credit Corporation. The CCC is then directed to sell for unrestricted use any upland cotton owned by it at not less than 110 percent of the support price of the B program. Thus, if the B support is at 65% the CCC release price will be not less than 71.5% of parity. This will substan-

tially determine the market level, and the B producer will have a potential sales price between these two limits. The standard grade for purposes of price support will remain at middling 7/8 inch for 1959 and 1960, but after that time it will go onto "average of the crop" which means approximately a lowering of support of one cent per pound.

Each farmer must notify his county committee in writing if he wishes to adopt Choice B. If he does not do so before the prescribed deadline he is presumed to have chosen plan A. It is important, therefore, to watch the time limit.

A producer who has accepted Choice B may revert to Choice A if weather conditions beyond his control prevent the planting of the additional acreage or having this acreage available for harvest.

Minimum allotments of 16,000,000 acres for the nation probably will be set again for next year's crop. A reduction in allotments for all farmers having more than the minimum amount is considered a pretty sure thing. The size of the reduction is expected to be between 9 and 10 percent.

When and if that reduction becomes a reality, it is expected to add stimulus to those who would choose the B plan in this area, Parmer County has a relatively small cotton allotment and a productive capacity that is very large.

It would not surprise too many people to find a substantial number of area farmers taking the alternate choice for next year's program. High Plains Farm and Home gratefully acknowledges the assistance of the Parmer County ASC office and Plains Cotton Growers in getting material together for this article.

You mean Reddy can heat my home, too!!!

Yes! All over America, folk are finding that modern electric heating is the perfect answer to winter indoor comfort. The 4 basic types of electric heating, 1. Wall panels, 2. Ceiling cable, 3. Baseboard, and 4. Heat pump, are safe, efficient, clean, healthful and effective in providing the finest in heating. Thermostatically controlled, you set your winter-comfort temperature as easy as you turn on a light. There are no fires or chimneys and so there is a savings in installation cost. If you're building or remodeling, better check up on modern electric heating - just ask your Public Service Company manager.

HEATING RATE
There's a new low electric heating rate now available. Your Public Service manager has the details - talk to him about it.

FREE BOOKLET
"The Inside Story of ELECTRIC CLIMATE CONTROL" - a new booklet that tells the facts about modern electric heating. If you're building or remodeling you'll want this booklet. Your Public Service manager has a copy for you.
