

THE DATE'S BEEN SET, and Elmer Teel, Lions Club president, has his gun ready for the coming Lions turkey shoot which will take place on Saturday and Sunday, November 25 and 26.

First Cub Pack Meeting Planned

Organizational work to get a Cub Scouting program underway in Farwell has culminated in seven dens of youngsters who are meeting weekly. In a meeting Monday night, adult workers set the first monthly pack meeting for Dec. 15 at 7 o'clock in the evening at the Farwell School. Farwell PTA is sponsor of the movement.

M. A. Snider Jr., Cubmaster, and Terry Edwards, Scout official from Clovis, directed the meeting Monday. Another planning meeting is set December 28 at the Elmer Hargrove home at 7 p.m.

Den mothers and boys include: 1-Mrs. Melborn Jones and Mrs. John Christian, Bobby Foster, Niel Christian, Larry Jones and Dennis Ensor;

2. Beulah Hobbs and Mrs. T. J. Glenn, Robbie Blair, Bobby Hart, Ted Glenn, Ronny Graham, Barry Williams and James Roy Hobbs;

3. Mrs. M. A. Snider Jr. and Mrs. Elmer Hargrove, John Snider, Brett Hargrove, Mike Flowers, Brad Jordan, Greg Hargrove, Kyle Sheets, Jack Allan Kirkland and Gene Sheets;

4. Mrs. Harold Travis and Mrs. Harold Williams, Buddy Lunsford, Charles Lunsford, Danny Williams, Dale Williams, Mike Travis and Terry Travis;

5. Mrs. Bert Williams and Mrs. W. H. Graham Jr., Dean Stovall, Douglas Harriman, Mark Williams, Danny Prince, G. A. Gossett and Gaylord Gossett;

6. Mrs. Otis Huggins and Mrs. R. T. Langston, Jerry Wayne Askew, Kenneth Ray Askew, Sam Morton, Roy Dunn, Buddy Buchtel and Ronnie Langston;

7. Mrs. George Magness and Mrs. Reed, Danny Reed, James Magness, Skippy Magness, Gary Erwin and Eddie Nicholson.

Bert Williams has been named to serve as secretary-treasurer of the pack. Committeemen are Harold Williams, Bob Blair, Bob Hart, Elmer Hargrove and Williams.

Thieves Use Torch On Phones

A cutting torch was used by thieves to open the change boxes on three coin-operated telephones in Farwell last Wednesday morning about 5 p.m., Sheriff Charles Lovelace reported.

A 1955, dark colored, Cadillac was seen parked at one of the stations where the phone booths were located.

"We are sure that the thieves used this car because there was only one set of tire tracks through the blanket of snow (about two inches) in the driveway," Lovelace said. The phones were located at

Watts number one and number two stations and at the Gulf station in Farwell.

An undetermined amount of money was taken. "Welding equipment was stolen in Muleshoe and Clovis on the same night," Lovelace said.

Several similar type robberies of phone booths have been reported since Sept. 1, but this is the first in this territory, according to the telephone company in Clovis. Most of the phone robberies in the past have been between Amarillo and San Angelo.

SECTION 1

Farwell, Lazbuddie Cage Teams Play

In two games played this week against Lazbuddie, Farwell Steers were victorious. The first game was a thriller with the Longhorns holding the edge until the last seconds of the game when Leon Lovelace of Farwell kept taking his own shots from the backboard and after several tries, made the basket just seconds before the whistle. Farwell won by one point.

The second game was Farwell's after the second quarter with the Steers leading all the way.

Starters for the Steers were Jerry Childs, Jerry Lovelace, Dave Lindop, Leon Lovelace and Maurice Smith. Others on the squad are Donald Dale, Errol Johnson, Joe White, Max Fields, Charles Roberts and Dan Lindop.

On the Lazbuddie roster are John Agee, Jimmy Seaton, Gary Foster, Dale Vise, Mike Bean, Terry Darling, Kelly Mimms, James Brown, Mac Brown, Dick Chitwood, Cooper Young, Steve Young, Daon Watson, Gerald Foster, Paul Wilbanks.

Lazbuddie gained a three point edge in the first game Thursday evening, and widened the margin 23-18 by halftime. The Steers began edging closer the third quarter with the count only one point apart. Final score was 43-42 for Farwell, but the game was so close, it could have been a winner for either team.

The second game Tuesday was not so close. The Steers had an early lead and led 32-18 at halftime. They continued their scoring in the second half and ended with a 56-37 lead.

Maurice Smith paced the Steers Thursday with 15 points, but Jimmy Seaton of Lazbuddie was scoring star with 23 counts. Smith made 14 for the Steers Tuesday night, but the points were well distributed among team members. Childs hit 11; Leon Lovelace, 10; Jerry Lovelace, 12; and Lindop, 8. The other point was made by Johnson on a free throw.

Seaton was again the chief point maker for both teams, hitting 16 for the Lazbuddie boys. Next game for the Steers will be with Bovina Nov. 28. Lazbuddie plays at Anton that night.

Wolves Split Weekend Games

Texico opened their 1961-62 basketball season last weekend with a loss and a win.

Friday evening the Wolverines were at Dora for a game with the Coyotes who are rated high in the district. The Wolverines led throughout the game, holding a 32-23 halftime margin.

However the Coyotes closed the gap steadily, and went ahead with minutes to play in the third quarter. The Wolverines were never in the lead again, despite the fine performance of senior forward Dwight Turner who was game high scorer with 27 points. Leon Kelley of Texico had 13.

Skinner was high for Dora with 19 points and was followed by Jefferies with 16.

The Texico B team also lost Friday night, going behind in the final moments of the game 49-40. The lead changed hands several times during the close game.

Saturday evening both local teams took wins from Logan as they met the team at Texico.

The A game was slow moving although close, with the Wolverines overcoming Logan in the final minutes of play for a 26-27 victory.

The younger Wolverine crew was ahead throughout the game in taking an easy win.

Attends School

Carlton P. Phillips, son of Mrs. Katherine L. Phillips of Farwell, is attending Memphis State University, Memphis, Tenn., this fall.

A graduate student, Phillips is majoring in education.

Steerettes Take Two Wins From Lazbuddie

Farwell's Steerettes won their third consecutive victory Tuesday evening by tromping Lazbuddie 54-23 on the Longhorn court.

Christine Paine led the locals in scoring with 19 points. Pat Kaltwasser and Iris Goldsmith contributed 11 each. Other scorers for Farwell were Jane Hubbell with 7 and Joann Rhodes with 6. Sandy Brown scored 11 points for Lazbuddie.

Score by quarters: 1 2 3 4 T
Farwell 8 21 14 11 54
Lazbuddie 6 5 8 4 23

The previous Thursday the Steerettes scored their second consecutive victory when they defeated the Longhorn girls team 58-36 at Farwell.

Christine Paine and Pat Kaltwasser paced the Steerettes to the victory by scoring 24 and 21 points respectively. Farwell took a commanding lead early in the game and were never seriously threatened. The Steerette guards turned in a good job by getting the ball to the forwards and stalling the scoring rallies by Lazbuddie.

Score by Quarters: 1 2 3 4 T
Farwell 21 17 12 8 58
Lazbuddie 11 9 8 16 36

Texico Business Club Has Project

Selling boxes of Christmas wrapping paper at \$1.25 each, and taking orders for Christmas wreaths made of plastic are members of the Texico Business Education Club, reports Beverly Cassidy, club president.

This project is to help finance the annual trip to the State Commerce Club Convention at High- (Continued on page 6.)

PTA Meeting November 30

Parents and teachers in the Farwell school district are invited to attend the November meeting of the P-T-A, which has been re-scheduled for November 30 at 8:00. The meeting is originally set for November 16.

Rev. Douglas Gossett, pastor of the Oklahoma Lane Methodist Church, will be guest speaker and will have charge of the devotion. Melborn Jones will preside at the business session.

On the hospitality committee for the evening are Mesdames Pike Jordan, Jack Kirkland, Bobby Hart, Donald Christian, Kenneth Stone, Gilbert Kaltwasser, M. A. Snider Jr., Winnie Bradley, Elmer Hargrove and Margaret Kennedy.

G.W. Crain Announces For Re-Election

G. W. Crain of Lazbuddie this week formally announced his candidacy as commissioner of that precinct. (His plan to announce was reported last week in Parmer County newspapers.) The commissioner authorized the following statement:

I am announcing my candidacy for re-election in the Democratic Primary for County Commissioner of Parmer County, Precinct No. 4.

I will appreciate your vote and influence.

G. W. CRAIN

Time To Write Santa Letters

The Tribune received word from the North Pole this week, asking area children to get their Santa letters in right away. The bearded gentleman relates that his elves are working round the clock getting ready for Christmas, but would like to have letters from small fry as soon as possible.

As in the past, the Tribune is receiving letters for Santa and the requests are printed in the Christmas paper and also forwarded to the North Pole. Send the letters to Santa Claus, % State Line Tribune, Farwell.

Box Supper Set Nov. 30

The people of the Oklahoma Lane, Farwell, Bovina and Lazbuddie communities are invited to attend a box supper at the Oklahoma Lane Community Center on Thursday, November 30, at 7:30 p.m.

Women are asked to bring boxes which will be auctioned off during the evening. Proceeds will be used for the annual community Christmas program.

Final First Aid Class Set For November 30

Approximately fifteen area citizens are enrolled to study first aid, at classes sponsored by the Farwell fireboys Otis Huggins, fire chief said this week.

The classes taught by Ray Magness, Clovis Patrolman, began on November 9 at the fire hall, and were originally scheduled to end Friday, November 17, however the final class has been re-scheduled for November 30.

The course is the approved Red Cross first aid study and pertains to pressure points and bandaging, artificial respiration, both mouth-to-mouth and back pressure.

Magness teaches the classes voluntarily for the Red Cross, and stated that if enough interest is shown he will be happy to schedule a later course.

Steerettes Look For Successful Season

The Farwell Steerettes have good possibilities of developing into a fine team this year according to Coach R.B. Tucker. The team has more height than in past years, with the following summary giving a short summation of team material.

Seniors: Christian Paine--5'6" forward. She moved back to Farwell as a sophomore after attending grade school here, and although she hadn't played competitive ball before, was soon on the main team. This year she has been top scorer on the team.

Iris Goldsmith--5'7" forward. This is her sixth year of competitive basketball, having played both forward and guard positions. She has been moved to forward and plays there most of the time.

Peggy White--5'8" guard. She was ineligible to play at Farwell last year after moving here from Hale Center, but has been on the main team this year.

Juniors: Barbara Conner--5'8" guard. She is a transfer from Ralls and is playing her first year of basketball. Her height has been an advantage in rebounding.

Margaret Haseloff--5'10" guard. She is the tallest player on the team and has been developing her height for rebounding.

Sandra Hendrickson--5'6" guard-forward. She plays well in both positions, is fast and can move the ball well.

Patsy Herrington--5'4" guard. One of the shortest members of the team, Patsy has a desire to play and is fast on her feet, which helps her a great deal.

Pat Kaltwasser--5'8" forward. She is starting post forward this year. She has a good shot and can use either her right or left hand on the basket.

Paula Winegeart--5'6" forward. She is playing her fifth year of competitive ball and has been doing a good job for the Steerettes.

Sophomores: Melody Coffman--5'6" guard-forward. She can play in either position with equal ease, moves the ball well and has a desire to play which adds to her ability.

Brenda Dale--5'3" forward. One of the shortest, but fastest members of the team.

Jane Hubbell--5'8" forward. She is the only leftie on the team and plays post forward, using her left hand hook shot well. She is working to develop the right hand hook shot.

Freshmen: Joann Rhodes--5'5" forward. Shows a lot of promise. She has great natural ability and uses her head in playing. Is a good ball handler.

Darlene Williams--5'5" forward. She is developing well and should be a big help to the team this season.

Exes Reunion Saturday

Tomorrow, Saturday, evening at 8 p.m., ex-students from Farwell, Oklahoma Lane and West Camp Schools will gather at the Farwell school for the annual Exes reunion. Awards will be presented to the person who travels the greatest distance and to the ex representing the oldest class. A new feature will be election of an ex-student queen, with nominations from the floor, says Harold Carpenter, president of the Ex-student Association.

Rev. Vance Zinn, former teacher, who is a philosopher, recording artist and comedian will be speaker, and special musical numbers will also be on the program. Rev. Zinn is now pastor at the Calvary Baptist Church in Floydada.

Carpenter urged all exes to be present, saying some names may have accidentally been omitted from the mailing list.

All local women are asked to bring a pie to furnish refreshments for the get-together.

THIS LITTLE GIRL has the cold weather blues, and she has lots of company. Twin City Kiddoes have been bottled up for many days with weather that has been unseasonably cold. Here Deana Williams, 3-year-old daughter of Mr. and Mrs. Don Williams, wistfully surveys the outside.

Wearing their new suits for the first time last week, as basketball season got underway, were members of the Farwell Steerette team. From left to right on the back row are Iris Goldsmith, Christine Paine, Barbara Conners, Pat Kaltwasser, Peggy White, Brenda Dale, Jane Hubbell and Margaret Haseloff. On the front row are Paula Winegeart, Joann Rhodes, Darlene Williams, Patsy Herrington and Melody Coffman.

Thirty-One Attend Guest Night Monday

Thirty-one members and guests of the Texico Woman's club were present Monday evening for guest night at the Woman's club building in Texico.

The meeting was opened with a salad supper, following which games of "42", "84", and pass-word were played.

A demonstration on gift wrapping ideas had been planned for the evening, but was canceled when the demonstrator failed to arrive.

Attending as guests of the Woman's Club were Mesdames Lonnie Tharp, W. E. Martin, Bud Pearce, O. W. Harris, Joe Camp, Ed Combs, Jess Richardson, Tena Roth, Murray White, Don Fought, Russell Johnson, Joe Helton, Preston Martin, Paul Skaggs, Bill Dudley, F. S. Thigpen and C. H. Webb.

Members attending included Mesdames Johnny Green, Avis Patterson, John Adams, Lola Standefer, Ruby Stone, Mary

Peyton, B. D. Younger, Frank Doshier, Ruby Doran, Wanda Faville, Gerald Wilkinson, Jim Pierce, Hollis Hughes and Elmer Teel.

Class Honors Mothers With Sunday Tea

Girls of the older intermediate Sunday school class from the Farwell First Baptist Church entertained their mothers with a tea Sunday afternoon in the home of their teacher, Mrs. Sterlyn Billington.

Opening the program was a musical selection, "Faith of Our Mothers," by Peggy Martin. She was accompanied by Mary Coffey at the piano. Mrs. Billington gave the scripture reading and Mary Coffey presented a humorous reading "Ma's Tools." Group singing followed the program.

Refreshments of punch, cookies and coffee were served to Mrs. Mabel Martin and Peggy, Mrs. Bill Moss and Vicki, Mrs. Claude Coffey and Mary, Mrs. U. L. Lesly and Reba, Mrs. Mildred Erwin and Darlene, Mrs. R. T. Langston and Linda, Mrs. Dorothy Eason and Peggy, Mrs. Otis Huggins and Donna, Mrs. Clark Billingsley and Sherry, Mrs. Truitt Hardage and Sharon and two visitors, Phyllis Christian and Martha Martin.

Texico Group Has Thanksgiving Supper

The annual Thanksgiving supper was held last week at the Texico fire hall for members of the Texico Fire Department Auxiliary and their husbands.

All members, including five new members, Mr. and Mrs. Sam Lewis, Mr. and Mrs. Jack Watts and Kenneth Murdick, attended the social. Visitors were Janice Adams, Glenda Billingsley and Don Johnson. Special guest was Miss Carol Bell, who was recently named "Miss Flame" during National Fire Prevention Week.

Following the meal of chicken and dressing, potato salad, beans, cranberry salad, hot rolls and pumpkin pie, members of the organizations, helped Otis Huggins celebrate his birthday.

Hospital Notes

Mrs. Smokey Gast is at home this week, after having surgery last week in the Clovis Memorial Hospital.

J. K. McCarter is recuperating after having major surgery in the Clovis Memorial Hospital recently.

Mem Sprowls has been in serious condition in an Oklahoma City Hospital after having surgery recently. Friends may write him at room 627, Baptist Hospital; Oklahoma City, Oklahoma.

Odum Smith is confined in the Lubbock Methodist Hospital after undergoing surgery early this week. Family members are at his bedside.

Mrs. J. R. Thornton is a patient in the Parmer County Community Hospital in Friona. Judy Gast was admitted to Clovis Memorial Hospital for medical attention Tuesday.

Pink And Blue Shower Fetes Mrs. Traxson

A pink and blue shower in the fellowship hall of the First Baptist Church in Farwell honored Mrs. Eddie Traxson Friday evening.

A tiny baby doll nestled in a pink cradle centered the serving table which was covered with a white crochet cloth. Dainty individual cakes iced in white and decorated with tiny storks, baby boots and baby faces were served to guests along with coffee, nuts and mints. White napkins embossed with various baby items in pink and blue were used.

A pair of baby sox and a rattle formed the corsage which was presented to the honoree by the hostesses. Her mother, Mrs. Sterlyn Billington, was given a corsage made from a telephone baby rattle and safety pins. Mrs. Traxson was assisted in opening the gifts by her mother.

Signing the baby book guest register, which was a gift from the honoree's sister, Mrs. Leonard Williams, were Mesdames Ann Lovelace, Ruby Craft, Gladys Hromas, Annabell Hill-

lock, Phyllis Herrington, Carrie Harage, Ella Ruth Williams, Janice Dew, Aileen Burns, J. L. Bass, S. G. Billington and Misses Joan Potts and Sherry Dew.

Hostesses for the event were Mesdames Mna Glasscock, Irene Dyer, Kay Williams, Gertrude Potts, Gwen Pike, Yvonne Hardage, Vernel Campbell and O. C. Petree.

The Parmer County Junior Leadership 4-H club met on November 20 in the home of Mr. and Mrs. Leon Billingsley east of Farwell.

Roll call was answered with each member telling of one of the club's yearly projects. Reports were given by Reba Lesly on the District 1 4-H Gold Star Awards banquet, and

by Gerald Foster on achievement night.

County Agent Deryl Coker had charge of the program, presenting a tape recording on "Life in Russia under Communistic Rule." The tape was recorded by a man who spent 42 days in Russia as a representative from the United States.

Refreshments of tuna sandwiches, and drinks were served to Gerald and Gary Foster, Bobby Tomlinson, Warren Gosith, Bruce and Janis Billingsley, Reba Lesly, Ettie Musil, Deryl Coker, Mr. and Mrs. U. L. Lesly and Mr. and Mrs. Leon Billingsley.

Next meeting for the club will be on December 18 in the home of Johnny Mabry at Lazbuddie. The program will be on Civil Defense.

Mr. and Mrs. Lee Thompson of Farwell are paternal grandparents, and maternal grandparents are Mr. and Mrs. J. E. Whitmore of Summit, New Jersey.

Miss Gayla Seaton of Lazbuddie has been named Co-ed Correspondent for the 1961-62 school year, according to an announcement by Margaret Hauser, editor of "Co-ed Magazine."

Miss Seaton, the daughter of Mr. and Mrs. R. B. Seaton, is in the 10th grade at Lazbuddie High School. Her appointment was made by Mrs. Charley Walton, home economics teacher.

Selected for her qualities of leadership and her enthusiasm for home economics, Miss Seaton will serve as junior advisor to the editors of "Co-ed", national magazine for teen-age girls, and will keep them informed of activities at Lazbuddie High School.

There are more than 2500 Co-ed Correspondents throughout the United States and Canada. Gayla was presented with a special "Co-ed" pin and card for her service to the magazine.

Three Honored At Birthday Party

A triple-birthday party honoring Mark Williams, Rhonda Robertson and Janie Watkins was held Monday evening at the skating rink in Farwell.

A birthday cake with one side decorated with baseball players for the boys and the other with Little Bo Peep for the girls was served with hot chocolate before the guests were treated to skating.

Billingsley Home Scene Of Meeting

The Parmer County Junior Leadership 4-H club met on November 20 in the home of Mr. and Mrs. Leon Billingsley east of Farwell.

Roll call was answered with each member telling of one of the club's yearly projects. Reports were given by Reba Lesly on the District 1 4-H Gold Star Awards banquet, and

by Gerald Foster on achievement night.

County Agent Deryl Coker had charge of the program, presenting a tape recording on "Life in Russia under Communistic Rule." The tape was recorded by a man who spent 42 days in Russia as a representative from the United States.

Three Members Initiated Into Local ESA Chapter

Three new members were initiated into Theta Theta Chapter of Epsilon Sigma Alpha Friday evening at Bovina. The women are Mesdames Bob Crume, Joe Roark and Sally Tankersley. Mrs. Jack Kirkland, also a new member, was unable to be present.

Mrs. Pike Jordan, president of the organization, performed the ceremony, assisted by Mrs. Ted Magness, vice-president and rush captain.

A turkey dinner was served to members from a table centered with a fan-shaped arrangement of yellow roses and button chrysanthemums. Place cards featuring the ESA symbol in the left hand corner were used.

New members were presented with corsages of yellow mums tied with blue ribbon, to represent the organization's colors.

Next meeting for the group will be Monday, November 27, in the home of Mrs. Bert Williams. At that time, candy will be prepared for Santa's visit to Texico-Farwell on December 16.

MYF Group Has Party

Members of the Hamlin Memorial Methodist Church MYF group were feted with a party Thursday evening. After bowling the group had a Mexican food supper, then returned to the Church for recreation.

Attending were Billy McDonald, Hal Ed Helton, Sandra Grant, Dewey Foley, Dianne Kiser, Donna Mills, Judy Gast, Hap Danforth, Jim Morton, Joe Teel, Linda Phillips, Murle Smith, Joy Reed, Beverly Reed, David Watkins, Bobby Tomlinson, Barbara Bieler, Vic Harrington, and Mr. and Mrs. Joe Helton, MYF sponsors.

Millard Murrays Have Second Son

Mr. and Mrs. Millard Murray became parents of their second child on November 22. The new arrival was named Harold Vernon and weighed 8 pounds 12 ounces at birth. The couple have another son, Jeffery.

Grandparents are Mr. and Mrs. Vernon Symcox of Oklahoma Lane.

Grace Circle Meets Nov. 28

On Tuesday evening, November 28, the Grace Circle of the Woman Society of Christian Service of the Hamlin Memorial Methodist Church will have their monthly meeting.

Mrs. Bob Anderson will be program leader and Mrs. Wilfred Quickel, hostess. The meeting will take place in the church parlor at 7:30 p.m.

Guests in the L. R. Vincent home for the holidays were Clarence Summers, Judy and Peggy from Hereford, Don Summers, Kerry and Marty from Beaumont, Calif., and Dewie Rothwell, Priscella and Garry of Lubbock.

Mr. and Mrs. Gene Fields and Billy were guest in the T. J. Tipton home for a venison supper recently.

If you are a grower of wheat this may be of interest to you. In case you haven't read there will be no protein premiums on wheat next year, instead premiums due you for quality wheat will be based on sedimentation test. These tests are made by grinding and sieving about 1/2 pound of wheat from which a small portion is mixed with water and a lactic acid reagent in a glass cylinder. The cylinder is allowed to stand exactly five minutes and the volume of sediment is read according to prescribed procedures.

This sounds like a very simple test, but it has complications that are not accurate and has shown little merit in determining baking quality.

What really takes the cake in this deal is that the Millers National Federation, the National Association of Cereal Chemists, plant breeders at our colleges were not consulted before the U. S. Dept. of agriculture announced their intentions of applying premiums based on sedimentation tests.

Being directly connected with a flour mill we feel that the USDA should be commended for being interested in the quality of wheat. We at Golden West have preached quality for years and have encouraged the planting of varieties that normally give the better baking varieties. One of the large milling companies sent detailed results of one thousand samples to a statistical company in Chicago and asked that they correlate sedimentation values to baking quality. It was reported back that there was no correlation between baking quality and sedimentation values. The millers of flour will pay for quality when it is present, but sedimentation tests as now prescribed by USDA are apparently a long way from testing the value of wheat for baking quality.

JOTTIN'S By Jeanne

Thanksgiving is a day of the past for 1961--but it is a reminder of the good things that have been bestowed on all of us.

We have the opportunity to be unafraid, to make our own decisions, to work, to prosper, to be useful, to be glad and to be happy. Most of all, we have the opportunity to worship as we wish. The list is endless, as our gratitude should be.

A thought: The secret of being miserable is to have the leisure to bother about whether or not you are happy.

Mrs. J. W. Hulsey and daughter, Darla, are visiting with her parents, the S. G. Billingtons in Texico this week.

Mr. and Mrs. Sherron Stephens, Shawn and Brent were guests in the Leroy Faville home Sunday.

Class Submits Essays

Members of the Texico creative writing class have submitted essays for consideration for possible publication in the Anthology of High School Essays, Los Angeles, Calif., according to Mrs. Fred Danforth, teacher.
To insure originality, the work was written in class and was limited to a maximum of 150 words.
This project affords scholarly competition in an intellectual effort with high school students over several states in the West. It helps to create spontaneous interest among the students the teacher explained.
Outstanding among the nine manuscripts submitted was an essay, "On the Fly" by Vicki Lovett, and "America's Spirit", by Willie Stover.
Other essays included: "Cooking and Eating Onion Rings" by Judy Lovett; "What is Peace" by Ronald Watts; "The Fear of Love" by Shirley Huber; "Bicycle Riding" by Alice Martin; "My Country" by Jean Morris; "Shot Rod" by F. E. Heacock and "Problems of Editing a School Newspaper" by Kenneth Chappell.
This group will submit poetry and art work which includes cartoons by the deadline December 5 and December 10.

THE CHURCH FOR ALL . . . ALL FOR THE CHURCH

The Church is the greatest factor on earth for the building of character and good citizenship. It is a storehouse of spiritual values. Without a strong Church, neither democracy nor civilization can survive. There are four sound reasons why every person should attend services regularly and support the Church. They are: (1) For his own sake. (2) For his children's sake. (3) For the sake of his community and nation. (4) For the sake of the Church itself, which needs his moral and material support. Plan to go to church regularly and read your Bible daily.

Can't tell yet whether my son will follow in his Dad's footsteps. Blocks don't make an engineer.

But he's learning some of the basic principles of physics with which many professions deal.

On the way home from Church, when he talks about his lesson, I recognize familiar signs . . . character is still in the mold. Deep conviction, bold dedication come later. But he's grasping those basic truths on which great living rises.

For a busy engineer who used to be hit-or-miss in his church attendance, fostering the growth of a soul is a fascinating experience . . . especially as I find my own faith deepening with every reverent day!

Can't tell about his following my footsteps. But I've discovered new dimensions in life following his.

NEWS FROM THE
FARM BUREAU
BY RAYMOND EULER

THE HIGH PLAINS FARM AND HOME

November 17-23 is National Farm - City Week. There are several hundred Farm - City Week billboards sponsored by Texas and county Farm Bureaus in Texas that help remind the citizenry of this relationship. Nearly all civic clubs have observed, or are observing, the period.

It is necessary that farm and city people understand their relationship to each other, and the necessity for a continued cooperative attitude with each other, particularly in times like these. There are three billboards in Farmer County, sponsored by the county Farm Bureau in cooperation with outdoor advertising firms in this area.

Diabetes week is either here, near, or just past. Regardless of the particular period, this is to remind you to check yourself and family by visiting your family doctor to determine if there may be diabetes in your family. It is a condition that can be controlled easily if discovered early, but that may lead to grave circumstances if allowed to run unchecked too long.

Rhea Community, in its local Farm Bureau meeting a couple of weeks ago, elected Leland Gustin as local chairman, and Billie Sifford as county director from that community.

"The whole of Communism, even the name itself, is nothing but deliberate misrepresentation. The name would seem to intone a community where everyone shares equally, but in Russia this is not the case. In the Kremlin the members of the Politburo have all the best houses, automobiles, food, privileges and power." (Billy Graham)

Farm Bureau, national, state and local, is dedicated to returning to constitutional government with individual freedom that would enable each person to earn according to his particular ability. Farm Bureau believes that free enterprise, which put America ahead of all other nations, economically, socially and spiritually, is still the best system. Farm Bureau proudly opposes centralization of management of individual business, farm or otherwise. Are you a member? Three-fourths of the organized farmers are. You are welcome.

"The slothful man sayeth, 'There is a lion without, I shall be slain in the streets.'" Proverbs 22:13.

GRAIN GRABBERS . . . Elvis Powell tightens a final bolt on the Heston attachments on the combine. He, like most of the Farmer County farmers will be forced to use the Hestons to complete the harvesting of his remaining grain when the

fields dry out enough to start combining. Powell has about 30 acres two miles east of Clay's Corner yet to be cut. His yield was averaging about 6,000 pounds per acre before the snows stopped operations.

BROKEN STALKS . . . E. T. Ford checks his grain field after the heavy snows last week. His, like a good portion of the late maize in the county, has begun to fall. A spot check showed approximately 60 per cent down on the north side of the field, about one and one-half miles north of Clay's Corner Friday. About 40 per cent of the maize over the 58 acres has fallen. Ford expects to be able to recover almost all of it if the weather will clear off soon.

Elevators Report Grain Yields Are Best Ever

Grain sorghum harvest in Farmer County has been seriously hampered by the continuing rain and snow during the past three weeks but yields are the "best ever," according to reports from county elevators. Estimates on how much of the grain still remains in the fields ranged from 35 per cent to 5 per cent. All the elevator spokesmen agreed that the recent snows would be credited with destroying from 10 to 25 per cent of the grain still in the fields.

As for comparing the current yield with the past year, most everyone agreed that any direct comparison would be almost impossible because of the damaging hail last year. But, production per acre was considered to be relatively higher than last year.

A breakdown of the reports from sections of the county is as follows:

FARWELL

Herb Potts at Worley Grain Co. estimates that yields are higher than last year with the average in his area near 5,500 pounds per acre. He reported that the harvesting is about 80 per cent complete in that area and that about 50 per cent of what is still in the field is down after the snows last week.

Joel Tankersley at Golden West in Texico also reported average yields of 5,500 pounds with some fields as high as 9,280. He estimated that the harvesting was about 75 per cent complete in the area.

"The majority of the yields are better than last year but there has been a lot more fertilizer, water and other chemicals added this year," Tankersley said.

BOVINA

Jim Russell at Bovina Wheat-growers reports that the harvesting in that area is about 90 per cent complete. "The yield is slightly higher than last year, but the difference can probably be accounted for by what was knocked out by the hail last year," he added.

Norma Embry, bookkeeper at Macon Elevator, reported that the information she had indicated that yields were ranging from about 5,400 to 7,000 pounds per acre.

Joe Moore at Sherley Grain Co. also estimated that the

harvesting of grain was about 90 per cent complete in that area.

"We are having some exceptional yields this year. Some fields are running over 9,000 and there are some that are averaging 8,000 straight across," Moore said. Most is averaging about 7,000 pounds per acre.

Moore estimates that about a third of what is left in the field will be "hurt bad."

FRIONA

Harold Taylor at Friona Wheatgrowers reported that the average yield was about 7,000 with a range of from about 4,000 to 9,000 pounds per acre.

Harvesting in the Friona area was estimated to be about 80 to 85 per cent complete, although many of the farmers north of Friona have yet to begin cutting.

"A lot of the farmers have just barely started cutting," Taylor said. Gordon Hough (6 mi. North of Friona) reported that about 75 per cent of the 40 acres which he has in the field is down after the snow.

Preach Cranfill at Continental Grain estimated the yield in his area at around 6,000 pounds per acre. This is about 1,000 pounds per acre above that reported last year.

BLACK

Representatives of three Black elevators agreed that yields were considerably higher to date than those of last year.

Paul Fortenberry of Black Grain reported a high of about 9,000 with a low of around 6,000 pounds per acre.

Sorghum Producers Set County Meet

A county-wide meeting of grain sorghum producers is scheduled for 8 p.m., November 30th, 1961, in the school cafeteria in Bovina.

A. W. Anthony, Jr., Farmer County chairman of the Grain Sorghum Producers Association, said the meeting has three items of business of great importance to area farmers. They are (1) the review of the effectiveness of this year's feed grain program in raising farm income; (2) appraisal of proposed 1963 grain sorghum legislation; and (3) election of county officers to direct the Association during the coming year.

Bill Nelson, GSPA Executive Vice President, of Amarillo, will be principal speaker. He has been in Washington in recent weeks discussing possible future legislation with officials there and has conferred with individual members of Secretary Freeman's farm advisory groups. Nelson points out that these county meetings are the place where farmers who have supported the Association's Research, Market Development and Service program through deductions at the local elevators, should assist in developing the program for the coming year.

Arthur Drake of the Friona Wheat Growers will also be on the program. He will speak and show slides of his tour in Europe this summer.

SOIL CONSERVATION DISTRICT NEWS

OUR SOIL ★ OUR STRENGTH

The Hale County Soil Conservation District has made application for a Watershed and Flood Detention Project on the Running Water Draw. Should investigation prove that the benefits of such a project would outweigh the cost, a series of flood water retarding structures will be installed so as to control the flooding that has occurred from time to time in the past years.

The soil conservation districts along the watershed have agreed to co-sponsor the application along with the Hale County Soil Conservation District. From the present information available, it looks like the structures, beginning in Farmer County and continuing to the Plainview vicinity, each somewhat larger than the one before with possibly five or six in all.

The local area in these projects is responsible for the easements and rights of way necessary for the construction of these dams and for the maintenance of the same. It was decided that each district would assume responsibility for the part of the project that falls within its boundaries. Of course, all this depends on whether the preliminary investigation shows it to be a feasible project.

In order to discharge the above responsibilities the District has sent a form to the land owners that have land in Running Water Draw and Catfish Draw to report damages they have received as result of flood damage.

If a landowner, that has land in one of these draws, did not receive a form through the mail we would appreciate it if he would make it known by calling the Soil Conservation Office in Friona and a form will be sent to him.

FOOTSAVING EDUCATION
by James E. Edwards

How big is a half size in shoes?
There are fifty half sizes between a baby's size "0" (one to three months) and a man's size twelve.
A baby's size "0" is for a foot three inches long and a size 12 is for a man's foot 11 1/2 inches long. When you divide the 8 1/2 inches by the fifty half sizes, each half size is very little more than one-eighth of an inch.
How we suffer because our shoes are or were one-eighth inch too small.

HD Agent's Notes

We do wish you a most grateful Thanksgiving Day throughout the weekend. You know, there is so much to be thankful for here in America, in Texas, and in Farmer County.

For instance, we were proud of Reba Lesly and Gary Foster, Farmer County 4-H Gold Star Girl and Boy as they were honored last Saturday night. This was the Gold Star Banquet held in Amarillo at 6:00 p.m. in the YWCA banquet room. We are grateful for the area Electric Cooperatives in the Panhandle of Texas who sponsored the delicious steak dinner. Each Gold Star Boy and Girl was also presented a billfold as an extra gift from the sponsors.

We are also grateful to the Santa Fe Railroad Company for the \$400 college scholarship that will be presented to Richard Chitwood. Richard was awarded an all expense trip to National 4-H Congress in Chicago next week in addition to the scholarship.

Last Saturday night at the Gold Star Banquet we heard a very inspirational speech presented by the guest speaker, Jan Barton. Jan has been an outstanding 4-H girl from Matador in Motley County. I have known her since she was a beginner in 4-H club work. She is now a freshman in Texas Tech majoring in home economics.

Her main theme was directed to the youth but could be helpful to adults as well. She explained nine steps on the stairway to success.

Step one--take time to work, for it is the price of success. Step 2--take time to think for it is the source of power. Step 3--take time to play for it is the secret of perpetual youth. All work and no play is

Insects cost us \$1 per month per person.

Swine Brucellosis Program Intensified

A new phase of the brucellosis eradication program -- an intensified effort to eradicate swine brucellosis -- the U.S. Department of Agriculture announced.

"The nationwide swine brucellosis eradication program is being carried out jointly by the States and USDA," Deryl Coker, County Agent, said.

Three good reasons for the program were cited by Dr. C. K. Mingle, who heads brucellosis eradication work for USDA's Agricultural Research Service. "First of all," he pointed out, "swine brucellosis costs the swine industry about \$10 million a year. Second this disease presents a threat of cross-infection to cattle. Third -- and highly important -- it is a serious hazard to human health."

In the past, Dr. Mingle explained, most cases of human brucellosis, or undulant fever, were contracted from cattle infected with the bovine form of brucellosis. "But now," he said, "the main source of human infection is diseased hogs." Last year, for instance, 65 percent of all the reported cases of human brucellosis were thought to be of swine origin -- compared to 40 percent only three years ago. (In 1959 -- the last year for which complete figures were available -- there were 892 cases of human brucellosis.)

"This points up the progress being made in eradicating brucellosis in cattle," he continued, "but it also indicates the need for doing something more about brucellosis in swine."

The first stage of this intensified swine brucellosis program is based on the "validation" of individual swine herds as brucellosis-free. Validation is achieved by following procedures recommended by the U. S. Livestock Sanitary Association and approved by USDA and cooperating States. Herds are validated for one year after all adult animals pass two consecutive negative blood tests. When a herd qualifies, the owner is

supplied with an appropriate sign bearing the symbol of validation -- identifying his herd as a source of brucellosis-free hogs.

Dr. Mingle pointed out that such a herd will be known as a "Validated Brucellosis-Free Herd." This new term replaces the designation "Certified Brucellosis-Free Swine Herd," which has been used in various State swine brucellosis programs.

"Reason for the change," Dr. Mingle explained, "is that hog producers generally associate the term 'certified' with certification achieved in production testing programs of purebred swine associations -- 'Certified Litter' and 'Certified Meat Sire,' for instance. The word 'validated' is being used in the swine brucellosis program to avoid confusion."

Eventual eradication of the disease in all swine herds is the goal of the program. However, according to Dr. Mingle, major emphasis at first will be on the validation of purebred herds, source of most breeding boars. Swine brucellosis, unlike bovine brucellosis, is spread primarily by infected males, although contact with any infected hogs or with contaminated feedlots and pastures can also spread the disease.

Because symptoms of swine brucellosis vary greatly -- and in many cases are blamed on other conditions -- the disease exists in many herds without being suspected. Dr. Mingle warned hog producers not to wait for symptoms to appear. "Regular blood testing of all adult animals," he emphasized, "is the only positive way to detect infection."

If a herd blood test does reveal infection, a producer has three alternate methods of eradicating the disease. Information on these methods -- and on the Validated Brucellosis-Free Herd program -- is available from State or Federal disease control officials, county agents, and local veterinarians.

Cooley Lauds Grain Program; Blasts Farm Bureau's Shuman

Harold D. Cooley, chairman, house committee on agriculture, released a venomous rebuttal to "assaults by Charles B. Shuman, president of the American Farm Bureau, upon current farm supply and price stabilization programs of the government," this week.

Cooley quotes Shuman as saying that "the feed grain program is a gigantic billion-dollar bust! It is the most costly failure in the long history of attempts to fix prices and control production of farm crops by legis-

lation."

The first year of operation of this feed grains program will bring a \$1,000,000,000 boost in the nation's farm income, halt the staggering build-up of farm surpluses experienced under previous programs supported by Shuman, and assure consumers continued benefits of abundance at fair prices, according to Cooley.

Cooley claims that Shuman is not speaking for farmers throughout the country or even for the Farm Bureau members with whom he has contact.

"He gives the nation the false impression by his statements, that the government has squandered a billion dollars on a feed grains supply and price stabilization program when actually this program is being financed primarily, not by dollars out of the treasury, but by corn and other feed grains piled up in government bins, already paid for by the government under unwise programs that had Shuman's blessing," Cooley said.

Cooley goes on to imply that Shuman is misusing the prestige of his office and the Farm Bureau in such "bitter attacks" on the grain programs and by not telling "the truth about agriculture" which would "seem to be the duty of the head of a great farm organization."

The HAPPY HOMEMAKER

BY JUNE FLOYD

Cold weather and hot stew go together like soap and water. For some homemakers variation of stew may be quite a problem. It is for these homemakers and any others who may be interested that we are printing the following recipes.

Marshall Formby of Plainview is a candidate for governor in next year's elections and he personally recommends them in a booklet entitled "Good Texas Eatin'".

HOPKINS COUNTY STEW

I was born in Hopkins County and weaned on this stew, so know it to be a favorite of many. Forty years ago when folks used to gather in the grove in front of my Daddy's house in the Bethel community to visit and eat, this is the way the stew was prepared. Thanks to my mother, Mrs. M. C. Formby of McAdoo, for helping me with this recipe.

- 4 or 5 lbs. stewing chicken (cut up)
- 4 or 5 slices bacon, diced
- 2 tablespoons butter or margarine
- 1 green pepper, chopped
- chopped celery
- 6 or 7 medium onions, chopped
- 3 lbs. canned tomatoes
- 24 ozs. kernel corn
- 3 lbs. potatoes, peeled and sliced
- 1 1/2 cups water
- 1 tablespoon salt
- 1/4 teaspoon pepper
- If you desire, add: 1/4 teaspoon paprika

Chitwood To Attend 4-H Congress

Richard Dee Chitwood will leave Thursday to join approximately one thousand 4-H club boys and girls from all United States in Chicago at the National 4-H Club Congress, November 26-30.

Richard was one of the four top boys and girls in the state who were awarded an all expense trip to 4-H Club Congress and a \$400 college scholarship. He won the Santa Fe Award sponsored by the Santa Fe Railroad Company when he entered his 4-H record book in county, district, and state judging.

He is the son of Mr. and Mrs. Dee Chitwood of the Midway community. Richard, 16 year old Lazbuddie senior has been a 4-H club member for 7 years. He has been active in most all phases of 4-H work. His projects include beef, hogs, sheep, cotton, grain marketing, grain sorghum production, tractor maintenance, recreation, and leadership.

He is vice president of the Farmer County Jr. Leadership Club for 1962, and was elected as District 4-H Council secretary - treasurer for 1962. Richard has held most all offices in his local 4-H clubs.

Chaperoning the Texas delegation to Chicago are J. W. "Lefty" Thomas, Deaf Smith County Agricultural Agent, Mrs. Nettie Freudenberg, Fayette County Home Demonstration Agent, and Peggy Wilsford and Marshall Crouch, assistant state 4-H leaders.

Reports Due At Meeting

At the final Farmer County Home Demonstration Council, annual committee reports will be announced. This meeting will be held Monday afternoon, November 27, at 2:00 in the Community Room of the Friona State Bank.

Mrs. Vernon Symcox, council chairman, will preside at this final council meeting. All 1961 and 1962 club presidents and delegates are invited to attend the council meeting.

Following the council meeting the newly appointed 1962 committees will meet to plan committee recommendations.

Other club members are invited to attend this annual meeting.

WITH THE COUNTY AGENT

DERYL COKER

There are several firms and individuals contracting cotton at the present time, and if you are thinking of contracting some, it certainly might be profitable to do a little shopping around. A large number of cotton buyers are contracting entire crops of farmers at a set price. An unusual healthy situation developed in which light - spot cotton is bringing more in the open market than in the government loan, primarily because of the reduction in the cotton surplus carryover.

The West Texas Chamber of Commerce is sponsoring a tour of Arizona and California for anyone interested in Livestock Feeding or Grain Marketing Development. Participants will inspect commercial feed lots in Arizona and California. Everyone who goes will travel by train via Santa Fe. The train will leave Clovis on January 14. The conductor will be Dr. W. L. Stangel, chairman of the Agriculture and Livestock Committee of the WTCC. Reservations must be made by December 15. If anyone is interested in the tour come by the county agent's office for additional material.

Head smut is becoming a bigger problem each year. If you have noticed this disease in your grain sorghum in any quantity this year, it might be feasible for you to change to a more resistant variety next spring. Resistant varieties at present is the only cure. Head smut is caused by a soil born organism, and thus could get worse each year. Infected plants will be shorter than normal plants and have little to no grain in the head. On infected plants you will, also, find a pocket of smut about half way up the stalk, but not on the head as in the case of kernel smut.

Bonham, Texas has buried Sam Rayburn.
To read the papers, you feel like everybody knew Sam Rayburn.
All of us must die sooner or later. Therefore, I pray this may cause many sinners there, here and elsewhere to make note of the fact that they too must die, not many days or years hence and get ready for that hour. All must go by way of the grave either prepared or unprepared.
God's word tells us that all must die. Since time is no respecter of persons, accept Christ and start serving Him and be ready to meet Him.
W. F. Markham

Thanksgiving

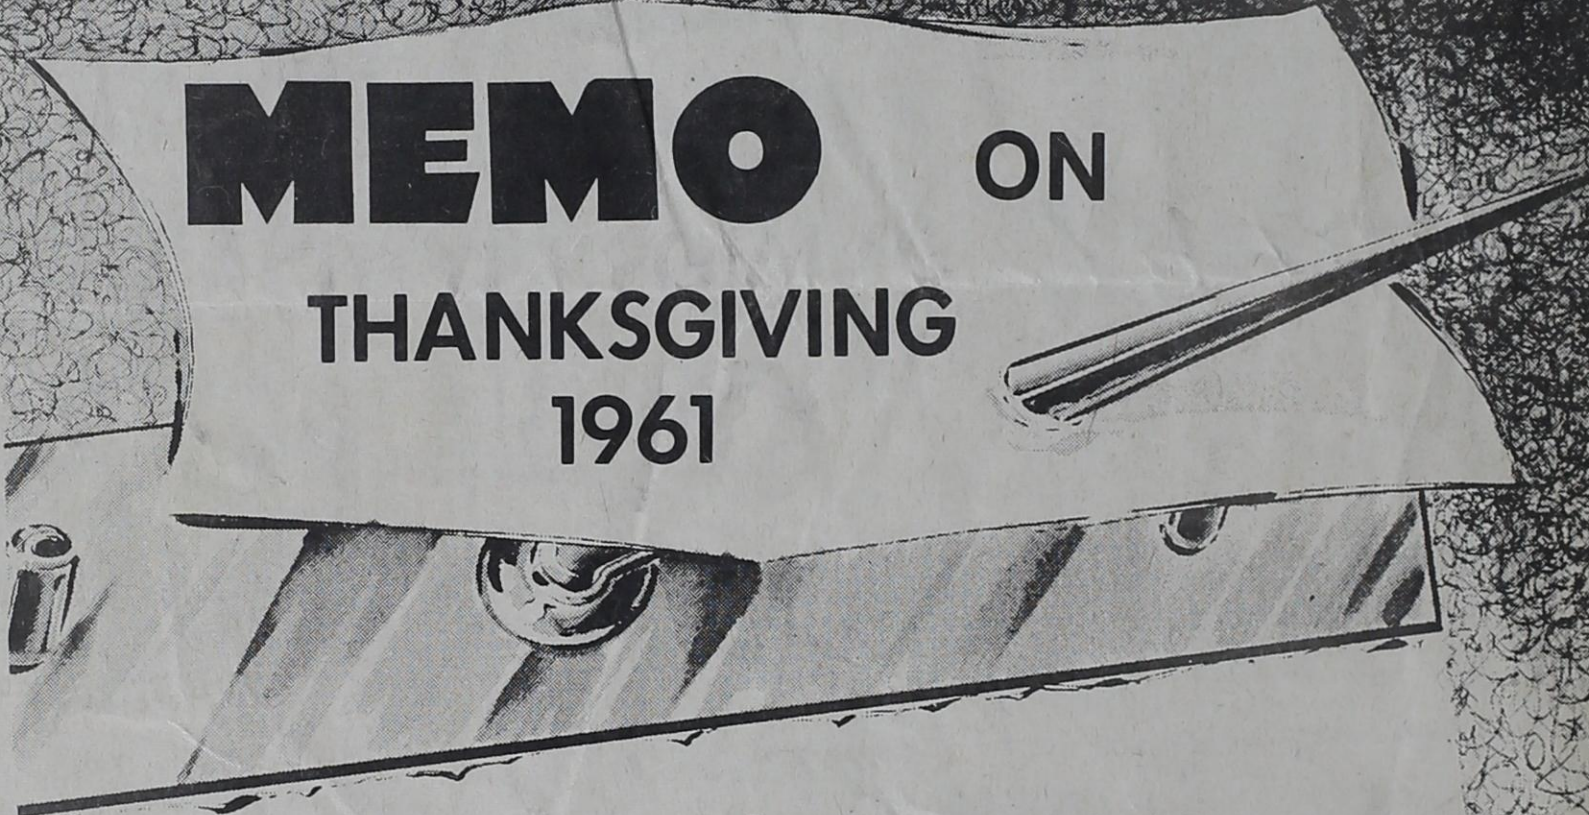

Enter into His gates with thanksgiving, and enter into His courts with praise: and be thankful unto Him and bless His name.
For the Lord is good; His mercy is everlasting; and His truth endureth to all generations.
Psalms 100: 4-5
