

THE STATE LINE TRIBUNE

"OFFICIAL PUBLICATION OF FARMER COUNTY"

TEN PAGES

FIFTY-NINTH YEAR

10 CENTS

You can't have one without the other -- the lifting words of the song proclaim; speaking of love and marriage, that is. This is also true in a great number of other instances. You can't vote for a Presidential nominee without voting for his teammate for Vice-President. But in Texas you can vote for a candidate for Governor in one party and for a candidate for Lieutenant Governor from another party. This happy fact should solve a lot of dilemmas for the conservatives of Texas.

It has never come about in heavily one party Texas to have a Democratic Governor and a Republican Lieutenant Governor, but in New Mexico several years back it did occur when the folks in that state elected Republican Ed Meacham as Governor, but gave him a Democrat as a Lieutenant Governor.

This neighboring precedent should not go unheeded by the voters in the Lone Star State. This year we have a very able man who has been Governor of Texas for two years and is asking for another term. We feel that he should be returned to office for these additional two years to complete his planning for the state's future. BUT, in big letters, we do not feel that his spendthrift running mate should be honored with another two-year crack at the taxpayers' solar plexus. There is a very able and conservative gentleman running for that office on the Republican ticket. This is Bryon Fullerton, a little known individual, but very articulate and conservative.

Mr. Fullerton has not had the advantage of a former President of the United States calling him a "comer" in national politics, nor has he enjoyed the endorsement of the very liberal AFL-CIO union organization, nor has the Committee of Political Education (COPE) singled him out for "special recognition." In fact, we wonder why he is running at all without these magic blessings. It must be that Brother Bryon is a man of high principle. We suspect that Brother Ben is also a man of principle -- a tax and spend principal, that is. The following is an excerpt from the remarks of Mr. Fullerton in Alvin, Texas, at a fund raising dinner in the South Street Methodist Church:

"I've been a taxpayer for a long time and ever since I can remember I've been hearing that we need new taxes to build for 'tomorrow,' and that there is no cause for worry because population and industrial growth will offset the cost, tomorrow!"

"Every function and phase of state government, from the greatest to the very least, seems to have never-ending plans for expansion . . . all based on some kind of needs for . . . 'tomorrow' . . . There is an old truism that: 'Tomorrow never comes!' Isay that we should give more consideration to 'today' and the staggering tax on Texans it takes to just stay even!"

"Every Texas business, every Texas producer -- from farmer to fisherman -- and every Texas family, is putting off for a year or two, doing without things they want and need, in order to meet rising taxes at every level of government.

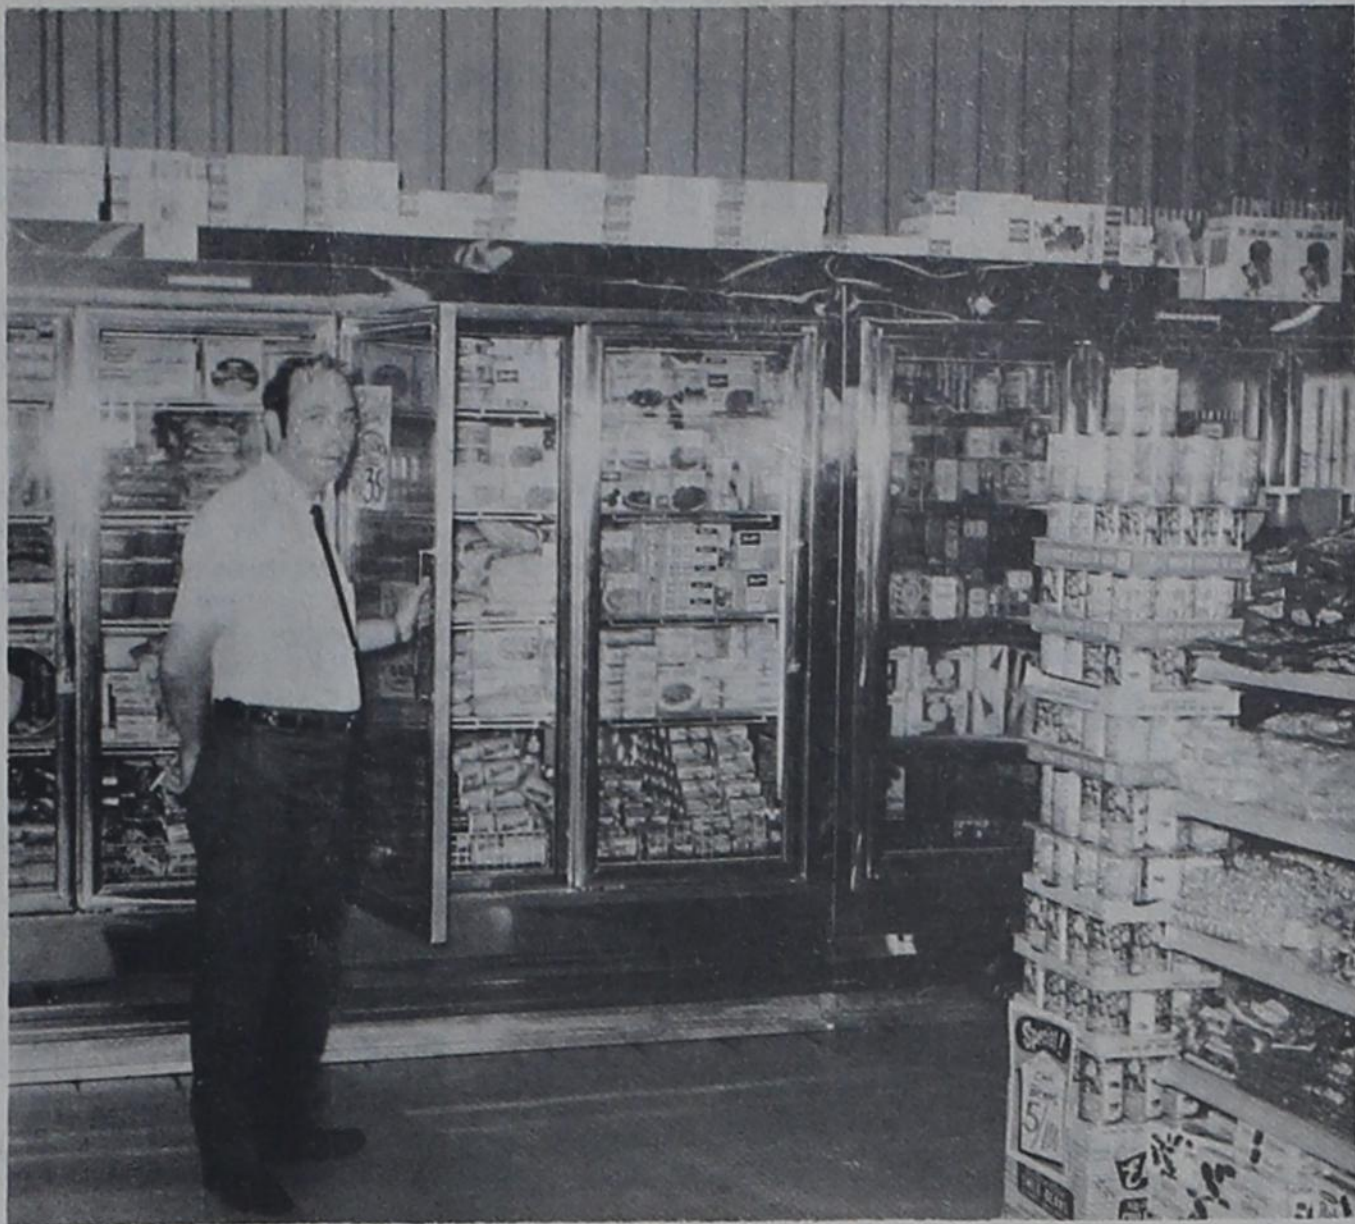

"Why can't our state government match its people in spirit and deed by tightening its belt and waiting a year, or two years against these demands for more and bigger everything in the way of state facilities and services? "If we comb every item in the biennium requests as carefully as individual Texans are combing through their personal budgets, I am confident and hopeful that the predicted need for some half-a-billion dollars in new taxes could be reduced substantially . . . if not eliminated entirely!"

Surely this is a forlorn hope to ask that the state government tighten its belt and resist the temptation to spend more and to tax more. A forlorn hope from a forlorn candidate, but then he will get our forlorn vote.

Freshmen Plan Chicken Dinner

Farwell High School freshman class is sponsoring a chicken fry prior to the homecoming game (today) Friday, Oct. 2. The dinner will be served in the school cafeteria between the hours of 5 and 7:30 p.m.

Students and adults will be charged \$1.50 while the cost will be \$.75 for the children.

NEW FROZEN FOOD FACILITIES at Capitol Foods in Farwell is only part of the new equipment added to the grocery store in its recent remodeling project. Benny Haney, who is a partner in the business with Charlie Bell, shows off the new upright frozen food cabinets which are of the latest design. The store is featuring a variety of specials and favors this weekend to show its new facilities to the public.

Friday, Saturday --

Capitol Grand Opening Set

Grand opening of the newly-remodeled Capitol Foods grocery store in Farwell will be observed Friday and Saturday of this week when the business will offer a variety of specials, gifts and favors.

Benny Haney and Charlie Bell are partners in the grocery business which is open seven

days each week at its location on Avenue A and Ninth Street.

The store, which employs 10 persons, has recently added 1700 feet of floor space to its operation and has re-equipped many of its departments with the latest super market equipment. The owners are especially proud of the new frozen food

facilities which features upright counters and easy access to food packages. The meat market has been enlarged and with its new facilities has been made a self-service department.

An ad in this issue of the Tribune features some of the specials at the store this weekend.

First District Game --

Farwell Vs. Hart At Homecoming

Friday night (tonight) is Farwell's Homecoming, featuring the Steers vs. the Longhorns from Hart in the first District 3-A clash for both teams.

At halftime the Farwell Band will play appropriate selections while the Homecoming Queen and Pep Club Beau are being presented.

The queen will be chosen from the following list of girls after a vote by the football squad. Those in the running for this year's title are Jean Kirk, candidate - at - large; Trumi Christian, senior; Phyllis Jones, junior; LaShawn Sheets,

sophomore; and Leslie Norton, freshman.

Pep Club Beau candidates include Gene Sheets, candidate-at-large; Gary Erwin, senior; Mickey Lunsford, junior; Doug Johnston, sophomore; and Carl Kirkland, freshman. Members of the Pep Club will cast their ballots and the young man with the majority of votes will be the new beau.

Other events planned in conjunction with the homecoming activities is a pep rally at the

school gym today at 8:30 p.m. Everyone is invited.

Also on today's agenda is a chicken fry being sponsored by members of the freshman class. The dinner, consisting of fried chicken and all the trimmings, will be served at the school cafeteria from 5 to 7:30 p.m. Price of the meal will be \$1.50 for adults and students and 75 cents for younger children.

Everyone is urged to be on hand for all the homecoming activities.

Support Lions Broom Sale

Housewives in the Twin Cities are asked to support the broom sale that the Texico-Farwell Lions Club is sponsoring this weekend, Friday and Saturday, Oct. 2-3, are the days and the Holiday Store parking lot will be the place.

A van stocked with useful items will be parked all day, both Friday and Saturday, on the lot. Lion members will be conducting a house-to-house sale on Saturday in both Texico and Farwell.

Harvest Underway Throughout Country

Harvest of most of Farmer County's most popular crops is partially underway with more operations beginning every day and some scheduled to start in early or mid-October.

Combining of the 152,000 acres of grain sorghum, one of

the major crops, has already begun with the yields running slightly above average in some parts of the county. The cold and cloudy weather has hampered harvest the past week or 10 days with moisture content running from 13 to 17 per cent

in most instances. It is hoped that the harvest will exceed that of last year in spite of all the insect and disease stress suffered by the grain sorghum crop this year.

Farmer County has about 85 acres planted in peanuts this

year with the yield expected to be approximately 3200 to 3500 pounds. "Digging started Monday, Sept. 28, and they should finish in two weeks if it doesn't set in and rain," says Mack.

(Continued on Page 3)

TWIN CITIES FIRE FIGHTING equipment is impressive when all lined up together. In conjunction with Fire Prevention Week, which President Nixon has designated October 4-10, the two local fire departments posed their vehicles together this week. From left to right this equipment includes: Texico's emergency vehicle, Farwell's two fire trucks, and Texico's two fire trucks. Wednesday, Oct. 7, has been named the day for OPERATION EDITH (Exit Drills In The Home) and heads of the local departments urge that families prepare at least two ways for each member of the family to evacuate each room in their home. Families are also encouraged to conduct a practice fire drill in their home on this date. Fire Prevention Week would be an ideal time for per-

sons to check and correct any fire hazards they may find in their homes. If anyone needs help in correcting a situation, they may call their local department. Since Fire Prevention Week of 1969, the Texico department has answered a total of 23 alarms. Of these, two could be classified as false alarms. The other calls were to a wreck, four dwellings, and 16 to grass fires, cars, hay stacks or businesses. Total monetary loss for the 23 fires was estimated at \$40,150.00, \$13,400 of this amount was to the four dwellings fires. Local fire chiefs warn that fire is not particular as to who, when, where or what it damages or destroys. Everyone should be aware of conditions that cause fire hazards and have them corrected before FIRE HURTS.

Two Accidents In County

Farmer County Highway Patrolmen Robert Shedd and Glen Fant report two accidents occurring during the past two weeks in Farmer County.

Last Thursday, Sept. 24, at 4:45 p.m., 1.7 miles southwest of Bovina, a two-vehicle accident took place. A Ford sedan driven by Odom Smith of Farwell was turning left into a roadside park west of Bovina and was allegedly struck head-on by a Chevrolet driven by Carol Anthony Fletcher, an airman at Cannon Air Force Base in Clovis.

Smith and Fletcher were both taken to Parmer County Hospital by a Claborn ambulance. Smith is still hospitalized in Friona and Fletcher was moved to Cannon Air Force Base hospital on Friday, Sept. 25.

The second accident, involving only one vehicle, occurred Sunday, Sept. 27, at 9:40 p.m. on Highway 60, 3.3 miles north-east of Friona when a 1967 Mustang driven by Clarence M. Howe, Jr., of Friona failed to make a left curve. Howe's car swerved to the right and overturned, officers said. He was pronounced dead on arrival at Parmer County Community Hospital, Claborn Funeral Home was in charge of funeral arrangements.

In Home Games --

Steers Host Hart Team, Wolverines Vs. Tucumcari B

Football fans in the Twin Cities will have an opportunity to see two ball games right here at home this weekend. Opening the two-night schedule of "better than average" Class A football will be the homecoming tilt between the Farwell Steers and Hart Longhorns in a District 3-A encounter at Steer Stadium at 8 p.m. Friday night.

Then on Saturday night, beginning at 8:00 p.m. (CDST), the Texico Wolverines will be hosting the Tucumcari B team in a non-conference game.

"This will be another tough one," says Coach Jim Wynne of the Texico squad, in speaking of the upcoming tilt with Tucumcari.

"We will have the distinct advantage of playing on our home field," he says, "and this does seem to be a great advantage for our boys since they don't seem to make as many mistakes when we play at home."

Wynne adds that he really doesn't know too much about the Tucumcari team, but expects them to field a pretty good bunch of boys. He hopes for a better turnout at this week's game.

Concerning the Steers' upcoming clash with Hart in the first district game for both teams, Coach Toby Booth says that Hart is as good as some of the other teams the Steers have played this year, adding that they are really much better than their record indicates.

Booth says the Longhorns have a fine halfback in Johnny Ethridge, number 22, and that the fullback, Stanley Dyer, is also a fine player. They generally run from a wishbone formation, Booth says, and will probably play the Steers a good game.

Deadline Oct. 15 --

Free Color Portrait Bonus To Subscribers

October 15 is the final date for area residents to subscribe to the State Line Tribune and receive a FREE 8x10 color portrait as a bonus for doing so. All persons taking a new subscription or renewing their subscription during the next two weeks will receive the color portrait as a bonus. The offer is open to all persons.

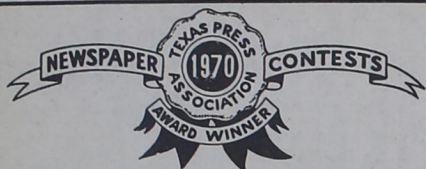

Even though a person might have recently renewed his subscription, he may still take advantage of the offer by renewing for another year. The year will be added to the present expiration date of the paper.

This is an opportunity to have a family portrait taken by a professional photographer. All portraits will be taken locally and selection of the final portrait may be made from several poses. There is no obligation for additional pictures on the part of the subscriber. The portrait may be of an entire family, a single child, groups of children or adults. Subscribers will be notified by phone or mail of time for their appointment for the portrait. Late evening appointments will be available.

However, subscribers must fill out and return the blank appearing in this week's issue of the Tribune before October 15, making note of the time of day which would be most convenient for an appointment. Portraits will be taken within the next few weeks, and the pictures will be finished in time for Christmas.

A new offer that has just been added is a free 8x10 portrait of the family of any service man. Anyone knowing of a man in service is urged to contact his family and tell them of this offer. The family is under no obligation whatsoever to subscribe to the paper. This is a separate offer by this newspaper as a gift to the service man and his family.

Persons wishing to see a sample of the photographic work being offered are invited to stop by the Tribune office and see the photographs which are on display. For additional information on this offer, see the advertisement in this week's issue of the paper.

Tomato Crop Large In Local Garden

Tomatoes of unusually large size are taking the spotlight in the backyard garden of Mrs. Marie Cox at 906 Second Street this fall as she has harvested some king-sized fruit from her vines. Some of the beauties have measured as much as 14 inches around and have weighed almost two pounds.

Mrs. Cox says, "I usually have started tomato plants instead of seeds, but I have a friend who does just the opposite and she always has tomatoes before I do. This is the first year I have ever used seeds and I really didn't know what was going to come up." The seeds were given to her by her neighbor, Rufus Carter, and it is thought that the plant is a climbing beef-steak tomato. Carter used to live in Lazbuddie as did Mrs. Cox and now they are neighbors once more on Second Street.

Carter, after giving Mrs. Cox the seeds, found that his tomatoes were not going to come up, and had to "thin" some from her plants when they were up.

Attends Funeral

Mrs. Monty Parsons was in Amarillo on September 21 to attend funeral services for her nephew, Rev. Carl Graves, who was pastor of the Forest Hills Assembly of God Church in Amarillo. Rev. Graves, 48, died September 18 in a veterans hospital in Houston. Local survivors besides Mrs. Parsons include an uncle, Edward Yoder of Clovis, his mother, Mrs. Annie Graves of Clovis, and two aunts, Mrs. Gertrude Jackson and Mrs. Mary Edmonston, both of Clovis.

Tarantulas have no sense of hearing. *****

First Nobel Prizes were awarded in 1901.

KING SIZE TOMATOES -- Mrs. Marie Cox of Farwell holds some of the king-sized tomatoes she has grown in her yard this year. The largest one shown here measured some 14 inches around and weighed one and one-quarter pounds. Mrs. Cox planted seeds given her by a neighbor, Rufus Carter, and has given seeds from her fruit to many friends and neighbors this year.

AVE. A and 10th — FARWELL

LOADING CABBAGE -- Workers were busy Tuesday afternoon loading the freshly harvested cabbage from the field at the Wilbert Kalbas farm located southeast of Farwell. Cabbage is only one of many types of vegetables grown in Parmer County and area and is one of the later ones to be harvested. Good yields have been noted in most of the vegetables this season. Harvesting of other major crops in the area is getting underway with machines beginning to move in the grain sorghum and corn fields. Peanuts are also being dug, and digging of sugar beets in some locales is beginning; however, this harvest will not really get into full swing until colder weather arrives.

Area Harvest Underway --

(Continued from Page 1)

Heald, county agricultural agent.

"We have 5800 acres of sugar beets planted and it promises to be a better than average crop this year," continued County Agent Heald. He says that the sugar beet harvest should start and be underway the middle to the latter part of October. There was some leaf spot trouble in the beets throughout the summer.

Most of the county's wheat has been planted for a total of 60,000 acres. This past year it was reported that 41,600 acres was harvested for grain and 26,000 acres were grazed out. Most of this year's 60,000 acres will be grazed in the early part of the growing season but approximately 40,000 acres will be harvested next spring and summer.

Major insects bothering the wheat now are green bugs, and some farmers have already been spraying for them. Also, this early in the growing season some army worms and cut worms have already been seen and sprayed.

Parmer County has some 10,000 acres planted in soybeans and Heald says that it looks as if the yields will be quite good, ranging in the 30 to 35 bushel category. Harvest of this crop should get underway in the middle of October.

"The cotton crop looks like the best crop in the last three years with some 33,700 acres planted this year," says Heald. He states that if an early freeze does not occur, the county could make better than 42,000 bales this year. However, an early killing frost during the first 10 days of October could cut that figure to 35,000, he says.

This year's cotton crop has been relatively free of severely damaging insects during the growing season and most acreages managed to escape hail damage which usually takes a heavy toll. Even though some of the crop was damaged by sand and thrip in the early part of the growing season, it has, as a whole, recovered satisfactorily.

Silage and grain corn acreage numbers 18,000 with the silage harvest in full swing and the corn grain harvest just beginning. County Agent Heald said it was difficult to establish a yield because of the corn borer damage and stalk lodging. It is hoped, however, that yields will be above last year's average yield of 100 bushels per acre. The cold, damp weather has also been hampering the corn harvest.

The vegetable harvest has

Month Of October --

Plans Shaping Up For Cooperative Observance

The October observance for cooperatives is being designated as a time for cooperatives to gather strength for the 70's, strength directed toward helping members build a better life for themselves, their community, and the nation.

The majority of the states will again this year have statewide committees of all types of cooperatives to plan activities for the month, called Cooperative Commitment Month for 1970.

On a national basis, representatives of the national cooperative organizations are working with Federal government officials on plans for activities. These national groups are preparing background and support materials for state and local groups to use -- all geared to the theme, "A Better Life In The Seventies -- The Pledge of America's Cooperatives."

Kenneth D. Naden, Executive Vice President, National Council of Farmer Cooperatives, is heading up rural cooperative's activities; Stanley Dreyer, President, Cooperative League of the USA, those for urban cooperatives. They suggest that while members and employees are seeking to help correct some of the problems facing the communities and the nation, they can also be building stronger cooperatives.

Cooperatives and their members will be making pledges to move into action in various fronts. Among these are: Improving the environment by

been very successful this season throughout the Parmer County area. Above average yields have been seen in the major vegetables grown in the county which are: bell peppers, cabbage, carrots, cucumbers, Irish potatoes, lettuce, tomatoes and onions.

curbing pollution and other hazards . . . Adding to income of members in order that they personally can have a better life . . . Finding new services and improving existing ones that will upgrade the quality of life for members . . . Increasing participation in community affairs in order to improve educational and cultural aspects of life . . . Encouraging young farmers to begin to take leadership . . . Helping bring industry into rural areas in order to provide jobs and add to income.

Naden explains why a clear call to action is needed this October. "There is overwhelming evidence that our nation is in trouble. Rural areas especially are facing problems, yet cities too face a serious crisis. Irony of it is that one relates very directly to the other. Migration from the country leads to overcrowded cities. Pollution on the farm threatens food and water supplies of the city. Pollution from the cities threatens crops and livestock on the farm.

"Group action such as practiced through a cooperative can amplify the sound of needs calling for action and reach a much broader audience."

Has Routine Meet

Farwell Chamber of Commerce met in a routine business session at noon Tuesday.

Main item of business discussed was the lighting and decorating of downtown Farwell during the Christmas holiday season. The Chamber voted to let the City of Farwell be responsible for the lighting project, but also offered its assistance in putting up and taking down and storing of the decorations.

All other business was of a routine nature. Some 18 persons were in attendance at the meet.

Paleolithic drawings of archers indicate that bows and arrows are an invention of at least 20,000 years ago.

Report From The Sheriff's Office

Charlie Lovelace, Parmer County sheriff, reported that the Kerr Construction Company was the target of some vandalism over the weekend when some damage was inflicted to one of their tractor's windshields. The construction company is working east of Friona.

Last week Kenneth Kearn reported that he was missing two pigs, one 16-gauge shotgun, one \$2 bill, six silver dollars, and one necklace from his home located northwest of Friona.

Visits Parents

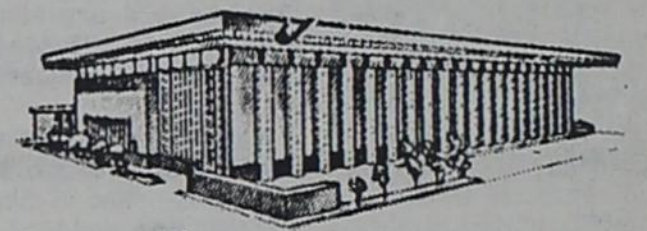

Army Pvt. Billy B. (Bruce) Dollar left Monday of this week after a two-week visit in the home of his parents, Mr. and Mrs. Billy G. Dollar, and family, and with friends in Canyon. Pvt. Dollar had just completed a 10-week medical corpsman course at the U. S. Army Medical Training Center at Ft. Sam Houston, Tex.

At the Texas base, Pvt. Dollar learned to perform routine patient care and treatment duties in combat areas, hospital units, dispensaries, clinics and other medical facilities. He also received instruction in the transportation of sick and wounded by ground, air and water means.

FIRST FOOTBALL TEAM -- This picture, compliments of P. Hicks Daniel, now of Galveston, is of Farwell's first football team pictured in the fall of 1909. Through the efforts of Mr. Daniel, Hamlin Overstreet, Mrs. Ruby Dixon and Mrs. Mabel Reynolds, some of the players have been identified. You may know some of the missing names. If so, let us know. Our identification is as follows: Back row, 1 to r, Sam Mersfelder, Ted Nich-

ols, John Younger, Hicks Daniel? Wimberly, and Professor Linn Fertsch, coach. Second row, 1 to r, (1)?; Eustace Allen, and ? West; front row, 1 to r, Horace Nichols, Hamlin Overstreet, Jeff Thomas and Wellie Younger. Daniel recalls that the team only played one game that season and was defeated by Clovis Santa Fe Bollermakers.

Letters To The Editor

Mr. John Getz, Editor
The State Line Tribune
Farwell, Texas

Dear Mr. Getz,
First, I hope you will soon be fully recovered from your recent illness.

Second, I've intended, for a long time, to tell you that I look forward to reading each week your "Purely Personal" column. I don't recall ever having disagreed with you. We need more Editors with your ability and qualifications.

Third, since this is again football season, I'm sending you a picture of Farwell's first football "team," the date, the fall of 1909. I can identify only about one-half of the group. They are, top row (back row) left to right (1) Sam Mersfelder, living in Clovis the last I heard; (2) Ted Nichols; (3) John Younger; (4) Hicks Daniel; (5)?; (6) Professor Linn Fertsch, our coach. He also taught school at Friona and was principal at Hereford later, then taught many years in the University of Texas and is now retired and living in Austin.

Second row, 1 to r, (1)?; (2) Eustace Allen; (3)?; (4)?; Front row, 1 to r, (1)?; (2)?; (3) Jeff Thomas, quarterback, nephew of the Triplett Brothers who had a dry goods and shoe store in Texico; (4) Wellie Younger.

Hamlin Overstreet is in the picture, but I can't decide whether he is (1) in middle row or (2) in front row. I think he is (2) in front.

I'm sure Hamlin also has this picture and I think he will be able to do a better job of naming them than I have done. Horace Nichols was on the team, but I fail to place him.

The only game I recall our team played was with the Clovis, Santa Fe Bollermakers, who overpowered our light team.

You may observe the '09 on the ball.

The picture is yours.
Sincerely,
P. Hicks Daniel
1404 Bowle Drive
Galveston, Tex.

(See picture elsewhere on this page. The Ed.)

Mazie Benefiel was released Thursday, Sept. 24, from Clovis Memorial Hospital where she had been confined for seven days for medical attention. She is in satisfactory condition and has returned to work.

Bill Sarpalius Speaks At Area I Banquet

Nearly 400 members of the Young Farmers and the Young Homemakers organization and their guests attended the annual Area I Banquet Saturday night.

The banquet, sponsored by Deaf Smith County Electric Cooperative and other area REC's, was held at the high school cafeteria in Hereford. Bill Sarpalius, guest speaker, received a standing ovation for his stirring patriotic speech. Sarpalius, a former Boys' Rancher and past state president of FAA in Texas, was employed during the summer months by Deaf Smith County REC as a public relations officer. Sarpalius was introduced by Richard Montgomery, Director of Industrial Relations at Deaf Smith County Electric Cooperative.

Jerry Cluck, Castro County farmer, was named Outstanding Young Farmer of Area I.

Sentences Passed In District Court

The following criminal cases were disposed of in the September 29 session of district court in Palmer County Courthouse: John H. Westerland, theft, passed over; Robert Berry White, sentenced to four years in penitentiary after pleading guilty to forgery and passing; William Roy Smith, plead guilty to theft, received three-year probated sentence; Joe Salazar, plead guilty to theft, received three-year probated sentence; Also, William Ray Smith, plead guilty to burglary, received three-years probated sentence; John Fought, plead guilty to burglary, received three years probated sentence; Floyd Robinson, receiving stolen property, passed over; Sotero Medina, plead guilty to wife and child desertion, received five years probated sentence; James Burnett, plead guilty to burglary, received three years probated sentence; Harold Stanberry, plead guilty to burglary, received three years probated sentence;

And, Roberto A. Briones, plead guilty to burglary, received three years probated sentence; Pablo Villanueva, plead guilty to burglary, received three years probated sentence; and Robert Dexter Alexander was fined \$250 and court costs and received a two-year probated sentence for a second offense of DWI.

A new slate of officers was announced by both organizations. For the Young Farmers Organization: president, Danny Bruton, Dimmitt; vice-president, Tommy Wages, Abernathy; secretary, Duane Cookston, Whiteface; and reporter, Wayne Stephens, Silverton.

For the Young Homemakers, the following officers were named: president, Mrs. Charles Weatherford, Hereford; first vice-president, Mrs. Wayne Stephens, Silverton; 2nd vice-president, Mrs. R. Hunt, Muleshoe; secretary-treasurer, Mrs. Pete Laney, Hale Center; parliamentarian, Mrs. Wayland Fields, Plainview; and representative on state

board from Area I, Mrs. Jim Roberts, Dimmitt.

BILL SARPALIUS

On The Farm In Palmer County

By R. MACK HEALD
County Agent

Dr. Roland E. Roberts became Area Vegetable Specialist with headquarters at Texas A&M University Agricultural Research and Extension Center at Lubbock on September 1. He will serve the vegetable producing areas of the High and Rolling Plains of Texas. Major emphasis will be placed on the development of result demonstrations in all phases of vegetable production. Dr. Roberts will work closely with the county agricultural agents on this program and with research personnel at the Lubbock Center and the field station at Munday.

The new specialist is a native of Connecticut and during his youth was an outstanding 4-H Club member. He was a state winner in both soil conservation and vegetable production. He holds a BS degree from the University of Connecticut; and MS from the University of Maine, and a Ph. D from the University of Missouri with horticulture his major field of study. He served as a district agent in vegetables for

the Maine Extension Service for five years; managed the vegetable research farm at the University of Connecticut and was a research assistant at the University of Missouri. He has also had commercial experience.

Hospital Notes

Odom Smith of Farwell, who was injured in an automobile accident near Bovina last Thursday, is confined to the hospital in Friona for treatment of his injuries. Smith's right arm was broken in the accident and he also suffered three broken ribs and numerous cuts and bruises. His condition is reported as satisfactory.

By Janice Miller
County HD Agent

Aromatic seeds from around the world have invaded the spice shelf. Poppy, caraway, sesame, anise and fennel, five aromatic seeds, are called baking seeds because they add flavor plus a crunchy texture to breads, cakes and cookies.

Buttered snap beans take on a new flavor when showered with toasted sesame seeds.

Baked potatoes make a tasty side dish when seasoned with toasted poppy seeds. Scrape the pulp from the potatoes, season and add butter and a little hot milk plus toasted poppy seeds. Put back into the shell and brown in the oven.

Apple pie becomes a second-helping tempter when fennel seed is sprinkled over the sliced apples before sealing with the top crust.

MULLED APPLE JUICE tastes good on these cool evenings.

- 1 quart apple juice
- 1 teaspoon whole allspice
- 1 teaspoon whole cloves
- 2 sticks cinnamon
- 6 thin lemon slices, if desired

Combine ingredients, except lemon slices, in a saucepan. Simmer covered for 20 minutes. Remove spices. Serve hot with lemon slices, if desired. Makes six servings of about 2/3 cup each.

Automobile accidents are one of the greatest causes of death and injury to youngsters under five.

Many parents allow children to ride in the family car without proper protection. When a parent holds a small child in his lap or arms and a quick stop or collision occurs, the

child may be thrown against the car dash or even out of the car.

The safest place for an infant is a carefully constructed and securely fastened car bed in the back seat.

For children weighing under 50 pounds, a child safety seat or harness provides protection. Harnesses should strap around the child's chest to keep him from lurching forward.

Children weighing more than 50 pounds may be able to wear a standard seat belt.

In the United States, approximately 25 per cent of all calories are consumed between meals by "snacking."

The spice, CHILE, a basic ingredient in many diets of the United States, Central and South America, is a commonly accepted preservative. But a recent study of chile found that off-flavors develop when chile is used alone with meat in frozen foods. Homemakers, however, can use chile in leftover cooked meats to extend their keeping time, according to Sally Springer, Extension foods and nutrition specialist.

Problem-Solution Speakers Available To Area Groups

A three-man team of "problem-solution" specialists from Texas Tech University announced recently that it will be available as a panel of speakers or consultants for area agencies and civic groups interested in West Texas development.

The team makes no charge for its services.

Its members are Dr. Frank B. Conselman, director of the International Center for Arid and Semi-Arid Land Studies, Dr. Arnold J. Gully, associate dean of the College of Engineering, and Dr. Samuel E. Curl, interim dean of the College of Agricultural Studies.

"Texas Tech University is doing a great deal in research -- for instance in the areas of textile research, brush control studies and water quality investigations," Dr. Conselman explained.

"The university stands at the forefront of knowledge which

should be readily available to decision-making bodies. We three don't pretend to know all the answers to all the questions concerning the future of this area," he said, "but we can -- through discussion -- help West Texas groups find within the university extremely useful information for making good decisions."

Conselman explained that the three-man team could suggest options available to municipal, county or areawide agencies which have responsibility for planning for the future.

"We can help them make value decisions either with the information we have on hand or by helping them locate, within the university, the resources necessary for their decisions. What answers we don't have," Conselman said, "we shall try to find."

The committee may be contacted by writing any of the three at Texas Tech University, Lubbock, Tex. 79409, or by telephoning Area Code 806-742-6140.

Farmer Aboard Auxiliary Ship

Navy Petty Officer Third Class Gary L. Farmer, son of Mr. and Mrs. Edward L. Farmer of Texico, is presently serving aboard the auxiliary ship USS Compass Island. The ship recently returned to its homeport in Brooklyn, N.Y., after a deployment to the North-eastern Atlantic.

Portraying Area Homemakers

By Judy Earl
No stranger to the Farmer County area is Mrs. Elmer "Peggy" Hargrove, the wife of Farwell's mayor. She says that she "doesn't do anything" and she doesn't -- except be a busy wife; a vivacious, animated mother of four children, each one being a credit to his parents, school and town; investing time working with the Farwell Band Boosters Club; participating in any school activities that involve their children; as well as painting and doing related artistic endeavors, Peggy Hargrove is a true asset to the institute of motherhood and the role of homemaker.

The Hargroves' day-to-day family life revolves around the activities of their children. With their four kids this has been a very time-consuming occupation, sometimes frantically so.

Born in Hollis, Okla., the daughter of Mr. and Mrs. Willie Williams, Mrs. Hargrove's family moved to a farm south of Farwell when she was five-years old. It was during her college days at Texas Tech in Lubbock that she met her husband, Elmer, who was from Rotan.

The Hargroves are supporters of the First Baptist Church, Farwell's athletic teams and very active supporters of their alma mater, Texas Tech.

The "pride and joy" of Peggy Hargrove's life are her children. Rightly so, too. Deb, who is the wife of Charles Wade Norton, was the valedictorian of her graduating class at Farwell High School and played basketball as well. She and her husband are presently living in Canyon where they both attend West Texas State University. Greg is a freshman this semester at his parents' alma mater in Lubbock. He, like his sister, was also valedictorian of his class; received the "Old Loving Cup"; played football, basketball and golf; and was elected president of his junior and senior classes.

Brett is the junior class president this year and is continuing in the family-way of athletic abilities. Younger brother Kevin is a freshman this fall in the Farwell school.

Continuing her "not doing anything" philosophy, Mrs. Hargrove finds only a "bit of time" to dabble in paint and decoupage plus other similar artistic work. Two of her paintings are framed and hang in the Hargrove home sharing well deserved compliments. Peggy has also tried her hand at sewing. However, the "sewing bug" lasted just long enough for her to complete three or four outfits and then she didn't care whether she ever wore them or not, she says, adding that she didn't either!

The family tries to work in a few "quickie" trips to Ruidoso during the year. Mama takes along several books to relax with while the menfolk are primarily interested in the golf course.

Following are three of the recipes that Mrs. Hargrove has passed on to us. With so many men sitting down at her dinner table, Mother Hargrove says that the menu had best run in the "meat, potatoes and gravy" vein. Included in her recipes is one for a casserole that she said the menfolk do pass their "okay" on.

BANANA-NUT SPICE CAKE
1 package spice cake mix
Prepare according to directions, substituting three mashed bananas for one-half the liquid called for.
Add one-half cup pecans and bake.

ICING:
1 box powdered sugar
3/4 stick oleo -- softened to room temperature
3 mashed bananas
Blend all ingredients and add one-half cup pecans.

LIME-PINEAPPLE GELATIN SALAD

MRS. ELMER HARGROVE

1 family size package lime gelatin
1 can crushed pineapple - drained
2 small packages Philadelphia cream cheese
1/2 cup pecans
2 packages Dream Whip
Prepare gelatin according to directions. Refrigerate until it begins to thicken. Add pineapple, cream cheese, and pecans. Fold in stiffly beaten Dream Whip. Refrigerate until firm.

CHICKEN-RICE CASSEROLE
1 chicken -- cut up as for frying
1 cup rice
1 box Lipton Onion Soup mix
1 can mushroom soup
1 can celery soup
2 cups water
Garlic salt to taste
Place all ingredients except chicken in large casserole dish. Put chicken pieces on top and bake in pre-heated 325 degree oven for 1 1/2 hours.

Women's Page

Mrs. Williams Hostess Do Sorority Meeting

Mrs. LaMoin Williams was hostess to a meeting of Theta Rho Chapter of ESA Sorority in her home Monday, Sept. 28.

Rev. J. L. Bass, pastor of First Baptist Church, Farwell, was guest speaker and spoke on "Strength in Spirit."

Mrs. Sue Kirkland, Theta Rho president, presided at the business session. Christmas projects, rush functions and pledges were discussed. Strawberry cream pie, coffee and pops were served.

Bride To Shower Honoree

Mrs. Donald Dale, the former Miss Nita Moore, was honoree at a post-nuptial shower Saturday morning, Sept. 19, in the home of Mrs. O. R. Watkins, Country Club Drive, Levelland.

The honoree's chosen colors of pale pink and dark pink were featured in the decor. The table was covered with a lace cloth over pink and was centered with a floral arrangement in hues of pink. Mrs. Ralph Treadway presided at the serving table where silver appointments were used.

D. E. Hammit Parents Of Son

Tommy Nell is the name given to the son born to Mr. and Mrs. D. E. Hammit Jr., of Texico on Thursday, Sept. 24, at Clovis Memorial Hospital.

The first child for the couple, the new baby weighed eight pounds.

Maternal grandparents are Mrs. J. H. Jones of Albuquerque, N.M. Paternal grandparents are D. E. Hammit Sr., of Texico and Mrs. Annie Clark of Avoca, Tex. Great-grandparents include Mr. and Mrs. J. C. Jones of Clovis, Mrs. Ollie Hudson of Eagle Point, Ore., Mr. and Mrs. John Hammit of Snyder, and Mrs. Jennie Campbell of Avoca.

Mrs. J. H. Jones is visiting in Texico making the acquaintance of her new grandson this week.

Moore; Mrs. R. D. Dale, mother of the bridegroom; and Mrs. Watkins.

A number of special guests from out of town were in attendance at the courtesy.

Club Has First Meeting

The Pleasant Hill Community Club met Thursday, Sept. 17, for its first meeting of the fall year. They met in the home of Mrs. Everett McCormick to make drapes for the club house dining room.

Hostesses were Mrs. Joe Burford and Mrs. Elmer Langford. They served an Italian meat dish and roast with hot rolls. Members brought salads, vegetables and desserts.

The meeting was called to order by the new president, Mrs. Gene Boatwright. Mrs. Freddie Eichenberger read the minutes and roll call answered with "Where I spent my summer vacation." The 1970-71 yearbooks were distributed.

There were 14 members present and one guest, Mrs. Gloria Griffith. Members present other than the hostesses were Mesdames Floyd Lovett, Allen Kelley, Floyd Boco, Mason Neely, Martha Heinz, Freddie Eichenberger, Eric Pierce, Wayne Pierce, Gene Boatwright, John Holland, David Turner, and Everett McCormick.

Sunday Reception Honors Mr. And Mrs. Percy Tipton

Honored at a come and go reception in observance of their Golden Wedding Anniversary on Sunday, Sept. 27, were Mr. and Mrs. Percy Tipton of Farwell.

Hosting the courtesies were children and grandchildren of the couple. The Tipton children present were Mrs. Fern Tuggle of Lubbock, Mrs. Frankie Brand of Clovis and Ewell Tipton of Roswell, N.M. Unable to attend were Billy Tipton of Arizona and Bert Tipton of California.

Refreshments of cake, coffee or punch were served from a table laid with a handmade lace

cloth over gold. The lace cloth was made by Mrs. R. T. Fox of Lubbock, a family friend who had made the cloth for her grandparents' 50th wedding anniversary several years ago.

Gracing the table was a two-tiered white cake decorated with lacy leaves and topped with a numeral "50" in gold. An artificial centerpiece of gold mums, made by Mrs. Jimmie Fox of Lubbock, and crystal and silver appointments were featured. A ring of gold mums encircled the punch bowl.

Pictures of the honored couple, some made in 1921 and

others made in 1965, were used on the registration table.

Dewey Fogerson, minister of Farwell Church of Christ, offered a special prayer at the reception where the honorees greeted some 140 guests during the afternoon.

All of Tipton's brothers and sisters -- except one were on hand for the occasion and a granddaughter came from New Hampshire for the event. Many nieces and nephews of the couple also were present.

The group took pictures of all the family members present, including the three great-grandchildren, during the afternoon.

Class Meets In Texico

Companion Sunday School class of Texico Baptist Church met in the home of Mrs. Fern Tharp on Monday night, Sept. 21, for a general business meeting. It was decided that the class would meet on the second Monday of each month and officers for the year were nominated.

LaNelda McDaniel was elected to serve as class president, and serving as vice-president will be Darlene Hale. Secretary nomination went to Fern Tharp, and Verlene LaRue will be recording secretary.

Son Born To Dad Homers

Mr. and Mrs. Ted Horner of Texico are parents of a son born Saturday afternoon, Sept. 26, at Clovis Memorial Hospital. The second child for the couple, the young man has been named Jeffrey Ted. He weighed six pounds and 15 ounces on arrival. Other child in the family is three and one-half year old Elaine.

Maternal grandparents are Mr. and Mrs. Charlie Bieler and paternal grandparents are Mr. and Mrs. Fred Horner, all of Farwell. Great-grandmother is Mrs. W. R. Rouse of Fort Worth.

Leonard Smith of Lubbock visited recently in the home of his sister and brother-in-law, Mr. and Mrs. L. R. Vincent.

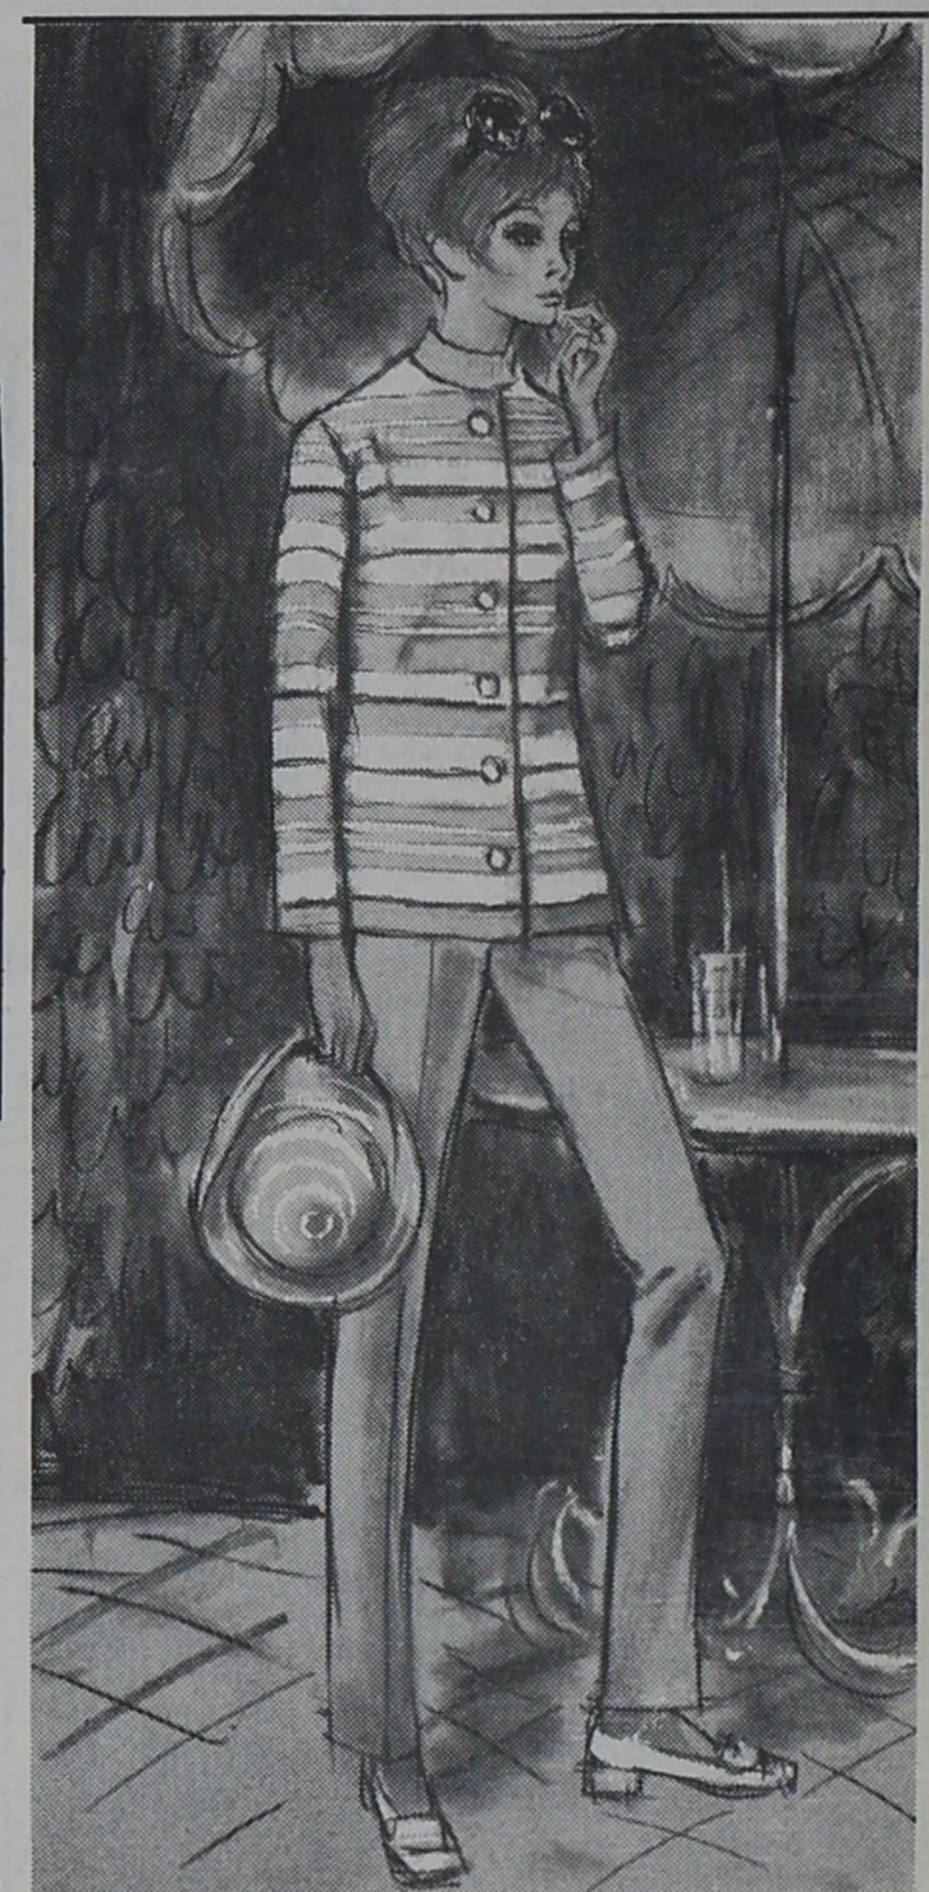

Helton's Visit Son

Mr. and Mrs. Joe Helton of Texico and Mrs. Helton's mother, Mrs. J. E. Whitley of Amarillo, returned Monday, Sept. 28, from a six-day trip to Spokane, Wash., where they visited with their son and daughter-in-law, Lt. and Mrs. Hal Helton. Lt. Helton is stationed at Fairchild Air Force Base where he is fuel direction officer.

Besides enjoying the beautiful weather and their visit, the Heltons and Mrs. Whitley also attended a luncheon and style show at the Spokane Club where Mrs. Hal Helton modeled. They also attended an openhouse at Lt. Helton's section on base.

Visits In Lubbock

Mrs. Bertha Kaltwasser of Farwell enjoyed spending all of last week in Lubbock visiting in the home of her granddaughter and her husband, Mr. and Mrs. Don Madison.

The long, lean look, done by famous Europeans, imported by Hooper Associates. Striped jacket and good straight pants in no-care polyester. Abetted by a mock-turtle shell of Helanca.

FARWELL TOUCHDOWN -- Somewhere under the welter of players is Steer Quarterback Gene Sheets who is clutching the ball for the only Farwell score in last week's 7-6 loss to the Morton Indians. The lone touchdown came at the end of a drive early in the third quarter of the game.

7-6 --

Morton Edges Steers In Defensive Battle

by Will Anderson
The Farwell Steers were dealt their third defeat of the 1970 season Friday night in Morton by the hometown Class AA Indians. The 7-6 decision was administered before a small gathering on a windy and surprisingly cold night. However, the low temperature could not cool the enthusiasm of fans and teams in this heated defensive contest.

To open the game, Farwell's Larry Erwin kicked to Morton with a return to the Indian 35. Morton set the pattern for much of the rest of the game as they punted four plays later. Much of the quarter was played this way, with a series of turnovers by both teams. Late in the period Morton started a drive on their own 39 and drove to the Steer seven. On the first play of the ensuing quarter, Morton's Kevin Kuchler plunged in for the touchdown. The Indians led 7-0 after an on-the-target extra point by M. C. Collins. The stalwart Steer defense began to plague the Indians with Randy Chandler, Barry Williams, Larry Erwin and Mike Travis dealing misery to Morton runners. Three times during the second period of play, the Indians drove to within 14 yards of paydirt, only to lose against the mighty Steer defense. A 32-yard field goal try by Morton failed and the remainder of the first half was a pitched defensive battle.

Larry Erwin took the second half kickoff and ran it to his own 35 where the Farwell offense came to life. From that point the Steers proceeded steadily downfield on the running of Chandler and Gary Erwin. On a fourth and inches from the goal, Quarterback Gene Sheets plunged over for Farwell's only touchdown.

Eager for the lead, the Steers tried to run for two extra points, but were stopped short. The defensive duel continued until with only about a minute to play, a desperation 25-yard field goal try by the Steers went wide to the left. The Indians took over on their 20 and time ran out.

Morton's defense stymied the Farwell passing attack allowing only five completions of eight tries for 47 yards. The ground game contributed 105 yards

to make a total of 152 yards for the night.

The running game of the Indians netted 240 yards, but were unable to complete a single pass on three attempts. Morton had 15 first downs compared to nine for Farwell.

In regard to the Steers' 7-6 defeat by Morton, Coach Toby Booth says he felt like the team was improving and able to move the ball better.

"We played good enough to win," says Booth, adding "our passing was 'good to better,' and we played a whole lot better ball during the second half than we did in the first. The blocking is also improving. Our defense played real good after Morton got inside our 20-yard-line."

Jr. High To Play First District Game

Tonight (Thursday) the Farwell Junior High teams will be playing their first district games against Hart at Hart. Game time is 5 p.m. for the seventh graders with the eighth graders to follow immediately with their game. Happy will be next week's opponent and the game will be a home game with just the eighth graders playing.

In their meeting with Muleshoe last week, both junior high teams were defeated. The seventh grade team went down 16 to 0 and the eighth graders had a losing score of 20 to 8.

Their coach, Jerry Owen, named David Cantu, Javier Galvan, and Jubel Blair as his outstanding defensive players on the seventh grade team. Brad Jones, Jack Foster and Robert Johnson were praised for their offensive playing.

Singled out as outstanding in the eighth graders defense were Gene Charles Christian, Mark Haseloff, Pablo Lucio and Kent Cast. Offensive players Lesly Curtis, Kenneth Burleson, Mike Woods and Larry Sutton were highly spoken of, also.

Coach Owen had praise for the defensive players on both teams.

Steers Of The Week

MIKE HASELOFF

GARY ERWIN

Named as Steers of the Week for their performances in the Steer-Morton game last week by Coach Toby Booth are Mike Haseloff, lineman of the week, and Gary Erwin, back of the week. Both team members turned in stellar performances in the defensive battle with the Indians which was won by Morton 7-6.

Farwell Bandsmen Of The Week

Commended for their performances with the Farwell High School Marching Band during the week prior to the Morton-Farwell game and at the halftime presentation were, left to right, Marilyn Winegeart, Johnny Boling, Debbie K. Meeks and Susan Patschke. The band also marched in the parade at the South Plains Fair in Lubbock on Monday. Lynn Burton is band director.

Jr. Varsity Loses Game To Muleshoe

Coach Larry Taylor's junior varsity football team was downed by Muleshoe Thursday, Sept. 24, at Farwell Steer Stadium. The score was 42 to 12.

The team's next opponent is Hart when they will be playing at Hart Thursday, Oct. 1. The game is due to begin at 7:30 p.m.

"Even though we lost, it was a good game and I am pretty pleased with the way we played," remarked Coach Taylor, regarding the loss to Muleshoe. "We made elementary and basic mistakes, but we played good defense the second half of the game," he added.

28-14 --

Melrose Tops Texico In District Game

by Dale Fought
Texico's Wolverines were beaten by Melrose 28-14 last Friday night in a district game played at Melrose. This puts Texico's record at an even 2-2 for the season and 1-1 in the district standings. The Wolverines have one district encounter remaining. This game will be with Roy, N.M., Oct. 30, at Roy.

Johnny Dane took the opening kickoff to begin the game with

Melrose and took it to his own 44-yard line. Texico's signal caller Mike Casey then went to Monty Lambert to check out the Melrose ground defense. Lambert picked up three yards to make it second and seven. Albert Steward managed only a yard and then on third and six, Texico fumbled, giving the ball to Melrose. The Buffaloes scored on the second play and then ran across the PAT to put Melrose ahead 8-0.

On the next series, Texico failed to penetrate Melrose territory although they did pick up two first downs on the running of Steward, Lambert and Marty White. The punt by Texico's Wes Clark was blocked, giving Melrose possession on the Wolves' 25. Melrose picked up a quick first down, then on second and two from the 16, Alvin Brown ran it across for the second Buffalo TD. He also ran for the two-point conversion to put Melrose in front 16-0.

third period and neither team managed a score.

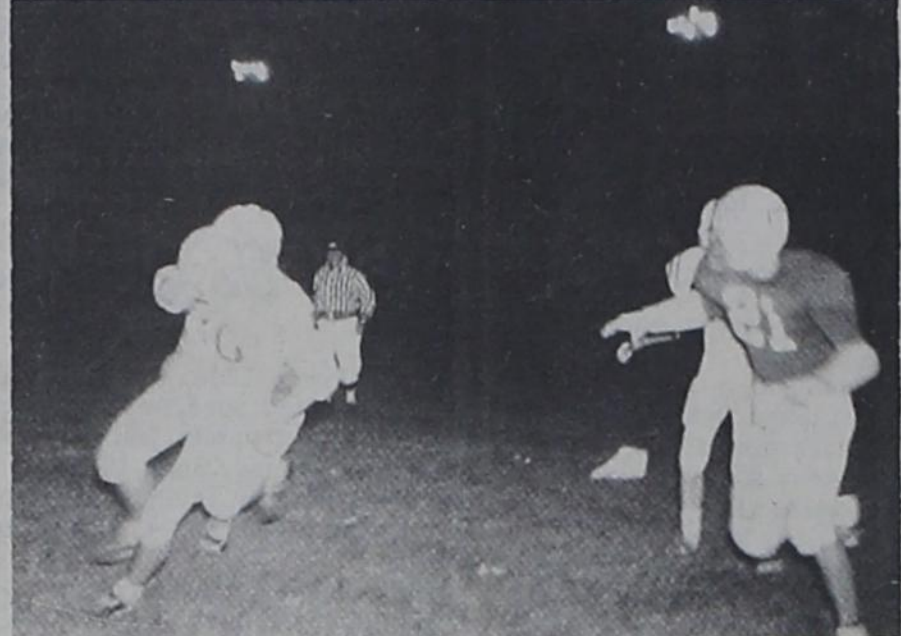

Texico found a hole in the Buffalo defense early in the fourth period and Steward ran it in for a second TD. Try for extra point was no good and Texico trailed 22-14.

Melrose managed another score before time ran out, but again the extra point attempt failed and the final count was Melrose 28, Texico 14.

The Wolverines are looking forward to their home game with Tucumcari B this weekend when Albert Steward and Ken Farmer will hopefully be recovered from injuries which hampered their efforts in the Melrose game.

In commenting on the Texico-Melrose game, Coach Jim Wynne said that the Wolverines really beat themselves by making so many mistakes. "We gave them three touchdowns," he said, "and you cannot overcome a deficit like that." The Wolverines fumbled and lost the ball twice inside their own 10-yard-line and gave the ball up again at the same spot on a blocked punt.

"We edged them in statistics," Wayne stated, "but the score was what counted. We played good, hard ball, but we just made too many mistakes."

ALL BOXED IN -- This unidentified Melrose ball carrier is all boxed in by a Texico player who is closing in from behind and Number 21 who is Monty Lambert. This was part of the action at the Texico-Melrose district game played in Melrose last Friday night. Melrose won the game 28-14 to give the Wolverines a 2-2 record on the season.

Longhorn Roundup

by Mike Casey

The Lazbuddie Longhorns hosted the Bovina Mustangs for a game at Longhorn Field Friday night and gave the visitors a taste of "Longhorn Power."

The confident Mustangs who began the game wondering some two and one-half hours later what had gone awry as the Longhorns, still remembering last year's heartbreaking 32-26 defeat by Bovina, soundly thrashed the Maroon and White, 54-0.

The first quarter was a stand-off, but scoring got underway in the second stanza when Arthur Graves kicked for the Longhorns to Jim Harris of the Mustangs who fielded the ball directly in front of the Bovina goal. Harris then took a half step backward and knelt in the end zone thinking he had a touchback, but in reality it was a two-point safety for the home team.

Charles Lee received the ensuing kick and returned it 42 yards for a TD. Mark Barnes ran for the two-point conversion and the score read 10-0 in favor of the Horns when the first half of play ended.

The third quarter saw Lazbuddie finding the end zone again as Arthur Graves scored from six yards out. Only minutes later the Horns again gained control of the ball and Graves again got the call, this time from three yards away.

In the final period the Horns exploded for 32 points, Charles Lee plunged over from two yards out and Mark Barnes later crossed the goal line from a yard away. Mike Casey added

the two-point conversion. Charles Lee scored once again in this period, this time on a 26-yard jaunt. The next Lazbuddie player to strike paydirt was Mike Casey who ran it in from six yards out. Lee accounted for the Horns' final tally and his fourth of the game on a 15-yard run.

The Longhorns accumulated 20 first downs while limiting Bovina to eight. The home team managed an offense of 389 yards, all of that coming the overland route. Bovina gained 32 yards via the air and 50 yards on the ground.

Mark Barnes had 143 yards for the night and Arthur Graves had 116.

The victory gives the Horns a 3-0 record for the season.

The Longhorns' second victory of the 1970 season came the week before (Sept. 18) when they were hosts to the Tatum, N.M., Coyotes. Lazbuddie was victorious 64-6 while piling up an awesome 544 yards offense, 263 via passing and 281 on the ground. The New Mexicans gained 87 yards rushing and 14 yards passing.

Arthur Graves scored three times in that game; twice on runs of eight and four yards, (Continued on Page 9)

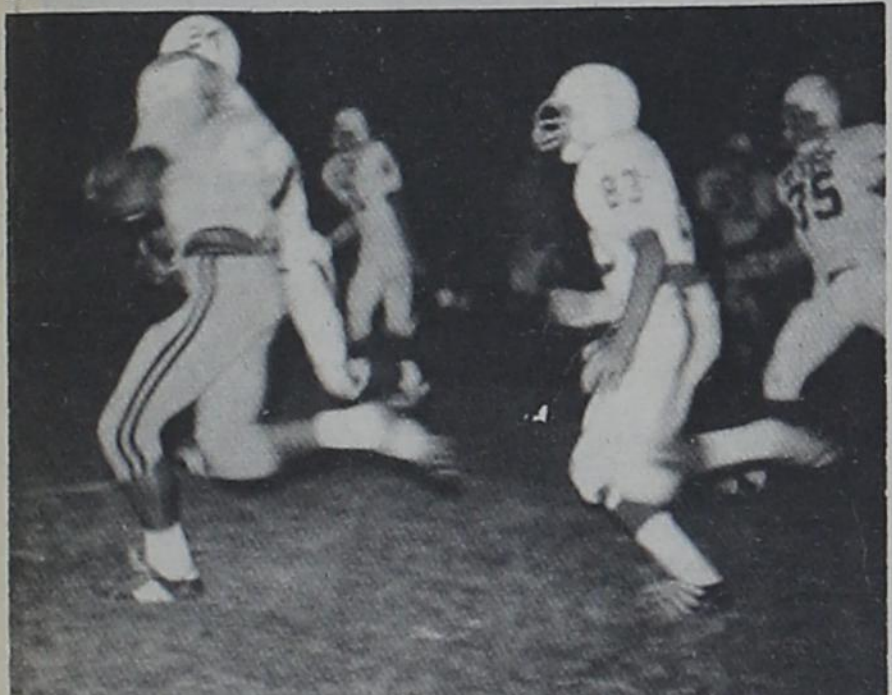

END OF THE LINE -- Ricky Pace of the Texico Wolverines (No. 11) comes to the end of the line on a long pass play in the Friday night game between the Wolverines and the Melrose Buffaloes. Pace caught the pass thrown by Texico Quarterback Mike Casey. The Texico squad traveled to Melrose for the district encounter which they lost 28-14.

proceeding indicated below my signature hereto, which is still pending, and that I now hold such letters. All persons having claims against said estate, which is being administered, in the County below named, are hereby required to present the same to me respectively, at the address below given, before suit upon same are barred by the general statutes of limitation, before such estate is closed, and within the time prescribed by law.

My residence and post office address are: Box 55a, Route 4, Muleshoe, Texas. Dated this 28th day of September, A.D. 1970.

WALTER L. HANSON, EXECUTOR OF THE ESTATE OF ASTOR E. HANSON, DECEASED. No. 1096, in the County Court of Parmer County, Texas. Published in The State Line Tribune Oct. 2, 1970.

THE STATE OF TEXAS COUNTY OF PARMER KNOW ALL MEN BY THESE PRESENTS:

THAT the Commissioners Court of Parmer County, Texas, has determined in its discretion that it is advisable to make a lease or leases for mineral development of County School Lands belonging to Parmer County, Texas, situated in Gaines and Andrews Counties, Texas, and such Commissioners Court does hereby give notice of its intention to lease the following described lands for such purpose; to-wit: E/2 Labor 1, Labors 10, 11, E/2 12, 20, and 21, League 315, Parmer County School Land, Gaines and Andrews Counties, Texas.

The Commissioners Court of Parmer County, Texas, will receive and consider bids for such mineral leases as such Court may determine to make at the next regular term of such Court to be held at or after 10:00 o'clock A.M. of the second Monday in October, 1970; that is, the 12th day of October, 1970, at the Courthouse of Parmer County, Texas, in Farwell, Texas. On said date and at said place the Commissioners Court of Parmer County, Texas, will receive by Public Auction and consider upon public hearing any and all bids submitted for the leasing of said lands or portions thereof as hereinabove described and in the discretion of such Court will award the lease to the highest and best bidder submitting a bid therefor provided that if, in the judgment of such Court, the bids submitted do not represent the fair value of such leases, such Court, in its discretion, may reject same and again give notice and call for additional bids.

Witness our hands and the Seal of said Court at Farwell, Texas, this 14th day of September, 1970.

THE COMMISSIONERS COURT OF PARMER COUNTY, TEXAS By: Archie L. Tarter County Judge, Parmer County, Texas

ATTEST: Bonnie Warren, County Clerk Parmer County, Texas Published in State Line Tribune Sept. 18, 25 and Oct. 2, 1970.

"OUR GREAT COMMISSION"

Much is said of the "great commission" which our Lord gave to His apostles just before His ascension. We wonder whether our listeners have ever examined the various records of this commission carefully.

This "great commission" does not say one word about "the preaching of the cross" or "the gospel of the grace of God." The "gospel" which they were sent to preach was very evidently the same "gospel" they had been preaching — the Gospel of the Kingdom — only they could now declare, as Peter did at Pentecost, that the King had risen from the dead and would still some day occupy the throne of David.

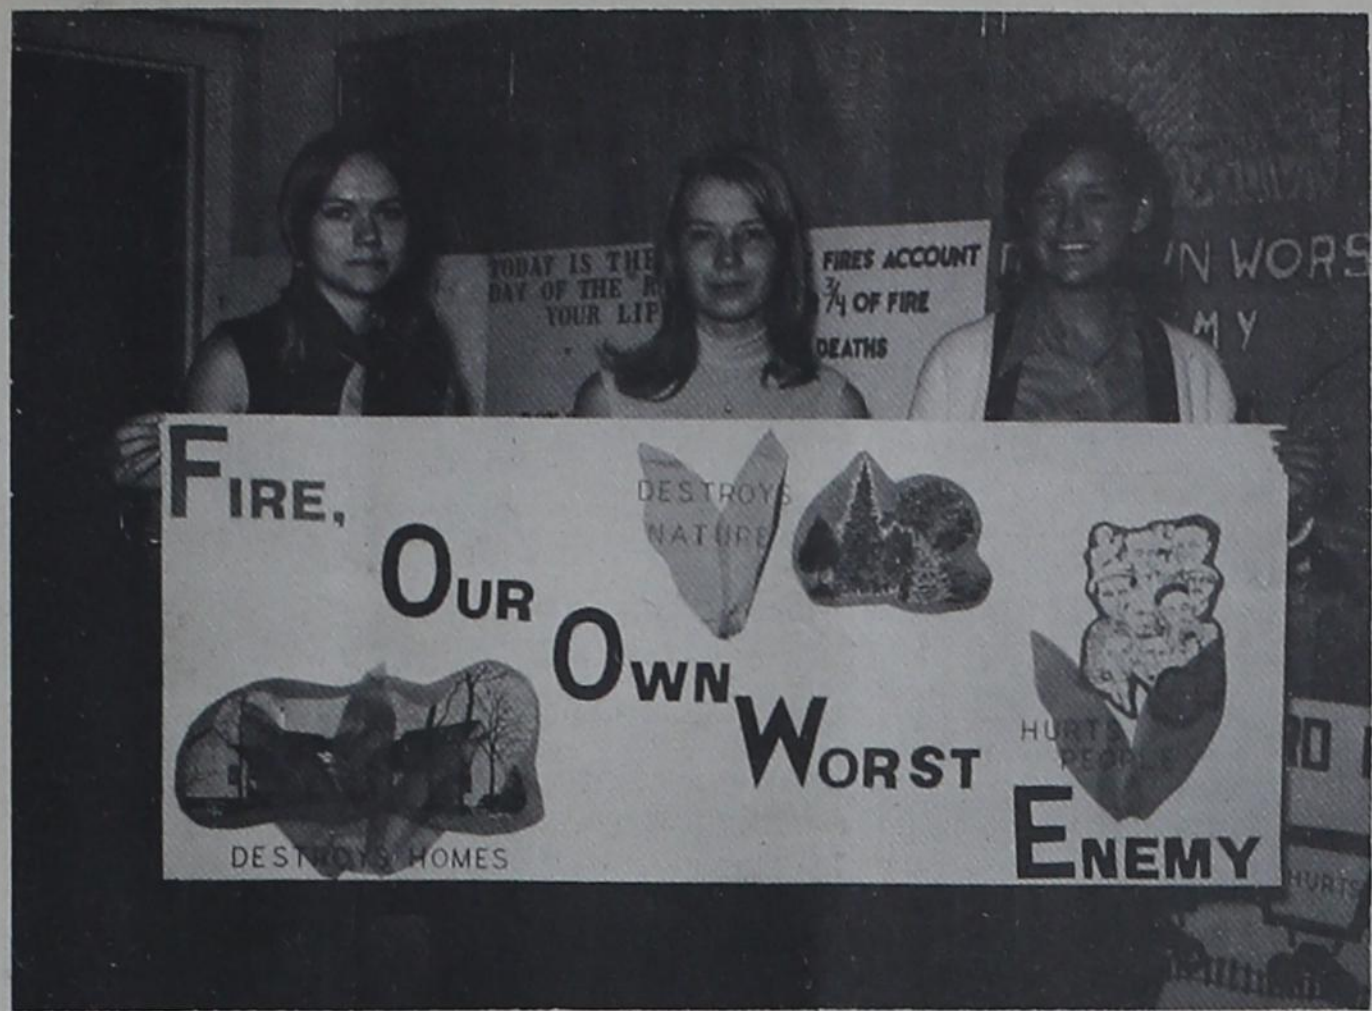

The "great commission" demanded faith and baptism for the remission of sins (Mark 16:15-16); it included the power to heal the sick and work miracles (Mark 16:17,18) but it did not include the glad message that "Christ died for our sins" (1 Cor. 15:1-3). At Pentecost, when Peter began to carry out this commission, he

rather blamed his hearers for the death of Christ and when, convicted of their sins, they asked: "What shall we do?" he did not say: "Believe on Christ who died for your sins." He rather commanded them to "repent and be baptized every one . . . for the remission of sins." (Acts 2:38).

But after Christ and His kingdom were again rejected, God interrupted the prophetic program and sent Paul forth to proclaim "the preaching of the cross" and "the gospel of the grace of God." In II Cor. 5:14-21 this apostle proclaims "the love of Christ" who "died for all" and instructs us as to our "great commission." "And all things are of (provided by) God, who hath reconciled us to Himself by Jesus Christ, AND HATH GIVEN TO US THE MINISTRY OF RECONCILIATION;

"To wit, that God was in Christ, reconciling the world unto Himself . . . AND HATH COMMITTED UNTO US THE WORD OF RECONCILIATION" (II Cor. 5:18,19).

WINNING FIRE POSTER -- First place winner in the fire prevention poster contest sponsored this week by Texico Fire Department was the entry of the Texico FFA Chapter. Holding the winning picture are, 1 to r, Kathy Lockhart, Diane Kelley and Debbie Tharp. Lewis Cooper, fire chief at Texico, presented a \$25 check to the organization as first prize. Second place poster was entered by the FFA Chapter and this group received a \$15 award. A check for \$10 was presented to the Student Council whose poster won third place. Organizations entering the contest were FFA, FFA, OEA and the Student Council.

Mrs. Rundell Wins Honor

Mrs. Georgia Lee Rundell, secretary at Farwell Schools Administrative Office, is among the educational secretaries in the nation this year who have qualified for a Professional Standards Certificate issued by the National Association of Educational Secretaries. Certificates will be presented at the Association's Annual Conference banquet to be held at the University of Arizona, Tucson, Ariz., on July 24. Since the inception of the program, educational secretaries from 39 states and the District of Columbia have earned such awards.

The Professional Standards Program recognizes the experience, education and professional activity of office personnel in education. Achievement in the program indicates an interest in continuing education and personal commitment to the association's four-fold concept of service, information, fellowship and recognition.

Whats Cooking At Farwell School

To earn this certificate, one must be a member of Texas Educational Secretaries Association, National Association of Educational Secretaries, Texas State Teachers Association, District TSTA and Farmer County Teachers Association. This certificate is earned by points. Points are gained for attending a Work Conference in Austin each summer, by attending convention each year, attending workshops, holding office in the local association, and in the state association. Currently Mrs. Rundell is president of the Peak of the Panhandle Educational Secretaries Association. This consists of Hereford Public Schools, Dimmitt Public Schools, Springlake-Earth Public Schools and Farwell Public Schools.

- MONDAY:** vegetable beef soup, pimento cheese sandwich, crackers, orange gelatin, peach cobbler, milk.

Longhorn Roundup -- Twenty Members

(Continued from Page 6) and once on an aerial from Charles Lee that covered 94 yards. Loy Dale Clark scored twice, both of his TD's coming on pass reception from Lee. One went for 21 yards and the other covered 24 yards. Mike Casey accounted for two Longhorn touchdowns on a 16-yard run and a 70-yard punt return. Charles Lee was credited with the other Lazbuddie tally as he snagged a 70-yard pass from Ricky Seaton.

The Longhorns have an open date this Friday, and will host the Texico Wolverines Friday, Oct. 9, in Lazbuddie's homecoming game. The game will begin at 8 p.m. (CDST).

At this point in the season, Lazbuddie's team has rushed for 1120 yards while holding their opponents to 240 yards. The Horns have gained 278 yards through the air and have

Attend 4-H Meet

Twenty members, including seven new ones, were in attendance at the meeting of the Oklahoma Lane 4-H Club last week. This was the first meeting of the new club year for this group. Election of officers and discussion of money-making projects for the 4-H Council took place during the business session.

Charles Lee has thrown the ball 13 times and has six completions. Ricky Seaton has put the ball in the air nine times and has four completions. Total Longhorn offense reads 1398 yards to 284 for their opponents. Arthur Graves leads the Horns with 380 yards; Charles Lee has gained 235; Mike Casey has 240; and Mark Barnes has 248.

School Lunch Schedule AT TEXICO

- MONDAY:** hot dogs with chili, pickles, onions, mustard, buttered peas, new potatoes, fruit cup, milk.
- TUESDAY:** meat loaf, buttered potatoes, tossed salad, hot rolls, fruit gelatin, milk.
- WEDNESDAY:** cowboy beans, mixed greens, orange drink, cornbread, peanut butter cookies, chocolate milk.
- THURSDAY:** enchiladas, buttered corn, shredded lettuce, loaf bread, fruit salad, milk.
- FRIDAY:** fish sticks, macaroni and cheese, blackeyed peas, cornbread, applesauce cake, milk.

co—together; operative—doing work: co•op•er•a•tive

a good word for a GOOD IDEA

And you can't keep a good idea down. All over the world people are working together, to make life better for themselves and others.

In our own country, millions share ownership in cooperatives of all sorts—from city apartment co-ops to rural electric co-ops.

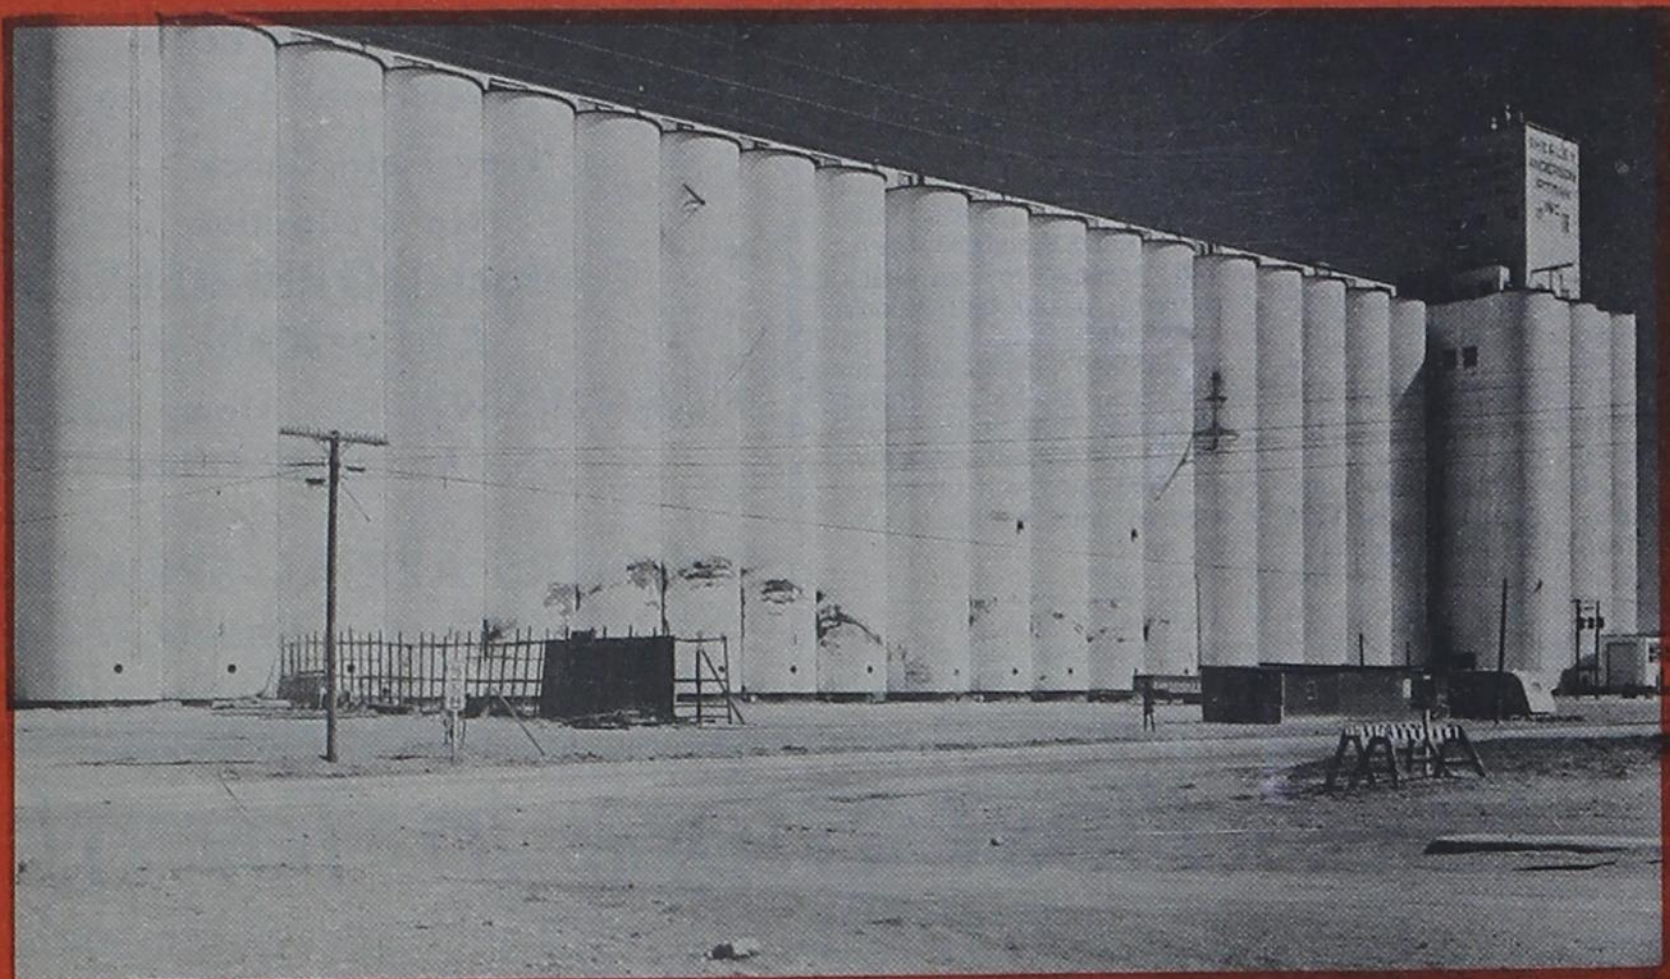

So what makes a co-op different? This: it serves the people who own it at cost. Each consumer-owner has a voice in running the co-op; one member, one vote.

October is Co-op Month. All over the country, the people of America's cooperatives are committed to working together for a better tomorrow. We are proud to help carry out this pledge.

Abetter life in the 70's IS OUR PLEDGE
